

TRAIN WRECK...Six railroad cars loaded with wheat were damaged last Wednesday afternoon at about 6:45 when the track apparently gave way. Officials were not certain what caused the accident which was still blocking the track Friday afternoon. Present plans call for the construction of a small section of new track to be built along side the damaged portion. (Staff Photo)

Special BATF Agents Dispose Of Picric Acid

BY DON COMEDY
FREE PRESS EDITOR

Bob Wilson and Gary Thomas arrived in Haskell June 13, late in the afternoon of what had been a pretty typical Wednesday.

Wilson and Thomas are Special Agents of the U.S. Treasury Dept., Bureau of Alcohol, Tobacco, and Firearms (BATF). The purpose of their visit to Haskell was to dispose of a chemical which authorities had recently learned could be dangerous.

The chemical substance is Picric Acid. The substance is used in a diluted state at Haskell Memorial Hospital to conduct creative tests for liver and kidney functions. The use of the substance in school chemistry labs is not known but the BATF agents stated that most schools had at least some of the acid.

During the past week the agents traveled over 1,000 miles in the West Texas area disposing of the acid. The largest single finding was approximately 60 pounds of the substance in a room in the Panhandle.

Disposal of the substance is accomplished by exploding a small charge of high explosive with the acid. If the acid is unstable, it will also explode and if not, the acid will be dispersed enough that it is of no danger.

The events of the disposal in Haskell last week seemed almost ridiculous until the actual climax of the disposal.

Imagine, if you will, five emergency vehicles with red lights flashing, all escorting a battered dump-truck filled with sand and containing three small bottles.

The emergency caravan sped through downtown Haskell at an amazing 15 miles per hour and received astonished looks from both motorists and pedestrians. The group first traveled to Haskell Memorial Hospital where two small bottles of liquid Picric Acid were obtained. Both of the BATF agents stated that the substance was apparently harmless because it was in a liquid state and no crystallization was apparent. Hospital Administrator Jerry Weatherly explained that both bottles were out-of-date and could not be used to conduct the tests. He added that he had no method of disposing of the substance and requested the agents to make the disposal.

From the Hospital, the caravan traveled to Haskell High School where High School chemistry teacher Gerald McCoy was waiting.

McCoy explained to the agents that he had been chemistry teacher for the past 22 years and he had not purchased the substance, so it had apparently sat on the shelf in the store room for at least that long.

The age of the substance combined with the fact that the acid was completely crystallized, caused some concern to both the agents.

The substance was placed in a padded box and placed in the sand in the dump-truck. From the school, the caravan traveled to the City Dump for the disposal of the acid.

The truck was escorted by two pick-ups equipped with emergency lights and the BATF vehicle and City Patrolman Ricky Russell and Highway Patrolman Don Collins. The truck was driven by Desmond Dulaney, a member of the Haskell Fire Dept. Other members of the Fire Dept. assisting were: Fire Chief Tom Watson, Fire Marshall Chester Hodgkin, Sam Watson, Don Comedy, and Earl Proctor. Upon arrival at the dump, the agents

began preparing a site for the disposal.

The preparation consisted of a shallow hole into which was placed a small cardboard box. The three bottles of acid were placed into the box with a small package of explosive.

A double wire was attached to the explosive and extended approximately 75 yards where the group assembled to view the detonation.

The agents explained that the explosive charge would cause a pretty loud bang if the acid did not explode. They added that if the acid did detonate, the explosion would be much larger.

They had also placed an old tire around the box and another tire was placed upright in the box just over the acid.

When the charge was detonated, the upper tire was propelled over 100 feet straight up in the air and the other tire was reduced to pieces about the size of a man's fist. The small pieces of rubber were hurled in all directions and were traveling with sufficient speed to give off a whistling sound as they passed over the heads of the observers.

The agents explained during the afternoon, that one pint of the crystallized acid is equal to about one pound of dynamite and that in the unstable condition simply opening the cap on the bottle could cause enough stress on one crystal to cause detonation. They also explained that throwing the bottle against a brick wall might not cause detonation, but both added that they did not recommend the procedure.

The entire procedure served to emphasize to the firemen and law officers assisting, the potentially dangerous situation which had been present and all left the dump wondering how many other similar situations exist. The danger is not limited to laboratories but possibly exist in businesses, private garages and basements in every home in Haskell with any one of a multitude of substances.

Any person who has in his possession a potentially dangerous material is urged not to attempt disposal of the material. Proper, safe disposal is available by contacting the local fire department.

Station Funds Reach \$44,562

The new fire station for Haskell is starting to shape up more each day as construction for the foundation forms should be completed sometime this week.

About half of the amount of money needed has come in this far, and the contributions are still coming in.

All persons who have made pledges to the building fund are requested to bring the funds to the station or give them to any teller at Haskell National Bank within the next two weeks.

In addition to pledges and donations on hand, funds are needed at the present to purchase plumbing fixtures and electrical supplies which will be installed during the erection of the building. The only other fixed expense in making the building usable will be insulation and heating units.

Donations received this week include:

Mr. and Mrs. Fred Draper	20.00
Mr. and Mrs. Harley Poteet	10.00
Mrs. G.V. Middlebrook	50.00
Mr. and Mrs. Carl Bailey	50.00
Mr. and Mrs. R.E. Speer	40.00
Mr. and Mrs. Hill Oates	50.00
Mr. and Mrs. Glenn Walton	50.00
Total This Week	270.00
Previous Total	44,292.49

Presbyterian Minister To Be Ordained

Martin Henry Jacobsen will be ordained and installed as minister to the three churches in the Presbyterian Parish of Haskell, Rule and Throckmorton. The service will be Sunday, June 24 at 7:00 p.m. at the First Presbyterian Church of Haskell. The public is invited to the service and the reception following.

Mr. Jacobsen was born and raised in Napa, California. His wife is the former Janet Bradshaw of Branson, Missouri. They are the parents of two children - Jean, age 4, and Jack, age 2.

He is a graduate of Napa High School, received his B.S. Degree in History from the College of the Ozarks in Clarksville, Arkansas.

Mr. Jacobsen graduated in May from Austin Presbyterian Theological Seminary.

Deadline For Exemptions July 16

The Haskell Independent School District reminds all persons who own their residential homestead may apply for the Residential Homestead Exemption in the amount of \$5,000.

In addition to the above, persons 65 years of age and older who own their place of residence within the Haskell Independent School District may apply for their Age 65 and Over Residential Homestead Exemption in the amount of \$10,000.

Those desiring or wishing to apply for the Age 65 and Over must show proof of age at the time of making the application by producing some form of proof of age such as birth certificate, drivers license, or medicare number. Applications are also available for Agricultural values (productivity) on rural land.

Applications for all of these exemptions may be obtained at the School Administration Office located at 605 North Ave. E, Haskell, Texas.

Deadline for claiming exemptions for the 1979 tax year is July 16, 1979.

Moonlight Sale Scheduled For Thurs. June 28

The Retail Trade Committee of the Chamber of Commerce and the local merchants of Haskell are planning a Moonlight Sale, Thursday night, June 28 from 7 until 10 p.m.

Merchants will feature items at great savings for the area shoppers.

Special entertainment on the courthouse lawn is also being planned as an added attraction for this special "MOONLIGHT SALE."

Watch the Haskell Free Press next week for great bargains.

Aspermont Jaycees Schedule Events

Tickets for the Aspermont Jaycee Barbecue which will be held in conjunction with the Aspermont Jaycee County Fair on June 30 are now on sale through your local Jaycees. Prices are \$3.00 for adults and \$2.00 for a child's plate. The tickets will be used for door prize drawings after the barbecue.

Serving time will be 5:00 p.m. June 30 on the town square in Aspermont followed by the rodeo at 8:30 p.m. and a free street dance on the square at 9:00 p.m. so buy your tickets now to allow advance planning by the Jaycees.

JAYCEE TUG-OF-WAR
During the Aspermont Jaycee County Fair Scheduled for June 30 there will be, among other events, a tug-of-war competition with \$50.00 being awarded to the winning team in addition to a trophy which will be defended each succeeding year.

Each team may weigh a maximum of 1000 pounds with no limit to the number of individuals per team. This will be open competition between all-male, all-female, and mixed teams competing for the same prize.

The registration fee is \$5.00 per team if registered on or before June 25 and \$10.00 per

team if registered after that date. Teams are encouraged to contact a business or organization for sponsorship, but it is not required. Entries can be mailed to Donnie Fraser, Star Rt. Box 12 D. Aspermont, TX 79502 or call (817) 989-2960 for more information.

JAYCEE FOOD FAIR
The Aspermont Jaycee County Fair will officially open at 9:00 a.m. on June 30 with the judging of food and craft items entered by area residents. Categories for judging will include canned goods; jams, jellies, and preserves; pickles; cakes, bread and cookies; sewing and handcrafts; and hobby items including art, crochet, embroidery, knitting and ceramics, among others.

Judging will be done by Bob Izzard of KTXS-TV Channel 12 along with three County Home Demonstration Agents from Vernon, Guthrie and Haskell. Ribbons will be awarded to the winners and runners-up in each category. Entry blanks are available at local area stores or call Steve Yarbrough at (817) 989-2284 for more information.

Matthews Is Outstanding 4-H Member

Bobby Matthews, who resides on the Glass Ranch and will be a Jr. this fall in Stanton High School, has been an outstanding member of the 4-H Club this past year.

Bobby was elected Gold Star boy of Stanton 4-H. He also placed First in horse-shoeing demonstration in Alpine.

He was eligible to go to State this past week which he won second place and a beautiful saddle blanket and silver medal. He is eligible to go to Southern Regional at Jackson, Miss. in August.

He won second place in Houston, in the calf scramble this spring and a prize of \$275.00. This made him eligible to show a registered calf in the next show at Houston.

Bobby is the son of Mr. and Mrs. Sonny Matthews and the grandson of Mr. and Mrs. James E. Decker and Mr. and Mrs. Mack Matthews of Haskell.

OBITUARIES

Margaret Bischofshausen
Mrs. Margaret Bischofshausen Boothe of Houston, formerly of Haskell, died June 4, 1979. Burial was in Houston.
Born December 7, 1888, she was the sister of Richard Bischofshausen and Mrs. O. W. Cox, both of Haskell.
Descendants are C.W. Boothe, Barbara McCarver, H.R. Boothe and Marguerite Carter, all of Houston.

DRIVELINE

WARNING! We know it's tempting these days, but please don't make a habit of carrying extra cans or bottles of gasoline in your car trunk. It's a quick way of converting a rear-end collision into a fiery fatality. Plastic containers may deteriorate, puncture or leak. And, we might add, it is illegal in Texas to carry gasoline in anything but metal containers.

CONSUMER TIPS. Little things make a difference. If your oil is not quite down to the "add oil" mark on your dip stick, then don't add a can; your engine will just blow off the extra anyway. The next time you buy a new battery, check out the completely sealed models that never need water. They cost more, but they'll save you a lot of hassles checking the water level later on. And if your power steering squeals when turning full left or full right, chances are you may just need to fill up the power steering fluid tank found under the hood.

The longest taxi ride on record lasted from September 9 to October 6, 1976. Two New Jersey women hired a cab to drive them 6,752 miles from Hoboken through 15 states and back. The fare, set in advance, was \$2,500.00.

"Do radial tires really help improve gas mileage?"
— M.B., Conroe
Yes. Because of their special construction, radial tires produce less friction with the road surface. Therefore, it takes less power to roll along on them. Experts say gasoline savings can range from five to seven percent.

ANCIENT HISTORY: The first car ever reported stolen was in St. Louis in 1905.
World's Largest Car: a custom made "extended" Cadillac built in 1976. The super Caddy is 26 feet 7 inches long, weighs 9,000 pounds, and carries 43 gallons of gas. It is fitted with circular couches, tv and stereo, a bar, a refrigerator, a video tape recorder, and three anti-theft systems.

Mr. and Mrs. W.E. (Slim) Sorrells of Rule will be celebrating their 50th wedding anniversary June 24.

Their children will host a reception in honor of the occasion at the Philadelphian Club Sunday, June 24, from 2:30 until 4:30.

Mr. and Mrs. Sorrells were married June 19, 1929 at Weinert. They have been living in Rule since 1941. Slim is now retired, but he had worked for the city of Rule for 15 years. They are members of the Sweet Home Baptist Church where he is a Deacon.

They have three sons: Charles Ray of Borger, Jerry of Haskell, and Doyle of Rule, and two daughters, Mrs. Mavis Middleton and Mrs. Sonja Green of Stinnett. They have eleven grandchildren and 3 great grandchildren.

Mr. and Mrs. Sorrells, their children and grandchildren would like to invite everyone to come and help them celebrate this special occasion.

Bartley, Smith Exchange Vows

Lisa Deann Smith of Rule and Terry Dean Bartley of Haskell were united in marriage June 16, 1979 in First Baptist Church in Rule. Johnny Cox, pastor First Baptist Church, Papillion, Nebraska, officiated.

The bride is the daughter of Mr. and Mrs. Roy Dean Smith of Rule. The bridegroom is the son of Mr. and Mrs. Clyde Bartley of Haskell.

The altar was decorated with a background arrangement of orchid glads, snapdragon, tea leaves, white stock and ming fern in a brass urn on a white pedestal, flanked by two candlebras intertwined with lemon leaves. An arrangement of woodwardia was placed on pedestals on each side on a lower level.

Organist was Mrs. Bobby Smith. Sarah Cox was soloist accompanied by the organist and Terri Therwhanger on the flute.

Given in marriage by her father, the bride wore a gown of Organza enhanced by Peau D'Ange lace accented with pearls. A high rise neckline was edged in lace and bishop sleeves featured a lace cuff. The Empire bodice topped a semi-flow skirt with lace marking the hemline of the gown and chapel train. She carried a bouquet of purple stephanotis, cattleya orchid, white sweetheart roses and orchid picot ribbons.

Matron of Honor was Sheila McAdams, sister of the bridegroom. Bridesmaids were Lisa Sherman of Haskell, Susan Swofford of Sagerton, Lesa Peel of Rule and Mrs. Billy Lamb of Old Glory. They wore Qiana gowns of orchid color with high rise necklines and Venice lace. A sun burst pleated skirt and a shoulder cover up was of matching sheer. They carried bouquets of orchid carnations, purple statice, white daisy poms and babies breath.

Flower girl was Dina Bale of Wink. Bryan Pritchard of Stamford was Ringbearer.

Michael Bartley, brother of the groom, was Best Man. Groomsmen were Bobby Smith, brother of the bride, David Carver of Rochester, Michael Adams of Weinert and Mark Wallace of Haskell. Ushers were Scotty Langford of Haskell and Danny Johnston of Hamlin.

The groom wore a white tuxedo with a white shirt. His boutonniere was of white

stephanotis. The groomsmen, father of the bride, ringbearer and ushers wore white tuxedos with orchid colored shirts. Their boutonnieres were of orchid carnations.

Michael Dale Pritchard of Stamford passed out programs and rice bags.

A reception was held in the Fellowship Hall of the Church.

A rehearsal supper was hosted by the bridegroom's parents at the City Cafe in Haskell.

After a wedding trip to Hawaii, the couple will reside in Haskell.

The bride is a graduate of Rule High School. The bridegroom is a graduate of Haskell High School and is employed by Sojourner Drilling Corp.

MRS. TERRY DEAN BARTLEY
...formerly Lisa Deann Smith

BIRTHS

Mr. and Mrs. James Robert Frasure of Seymour, announce the birth of their son, James Robert Frasure, Jr., born June 16, 1979 at Haskell Memorial Hospital, weighing 8 lbs 7 1/2 oz.

Mr. and Mrs. Bobby Navarro of Throckmorton, announce the birth of their daughter, Cassandra Lee Navarro, born June 16, 1979 at Haskell Memorial Hospital, weighing 8 lbs 7 1/2 oz.

Mr. and Mrs. Antonio Fernandez of Stamford announce the birth of their daughter, Melinda Lori Fernandez, born June 13, 1979 at Haskell Memorial Hospital, weighing 7 lbs 8 oz.

Mr. and Mrs. Gary Lee Hale of Stamford announce the birth of their daughter, Leslie Neill Hale, born June 11, 1979 at Haskell Memorial Hospital, weighing 6 lbs 8 oz.

Brownies Treat Dads To Camp

Seventy-two Brownie Girl Scouts of West Texas Council treated their dads to a camping trip at Camp Boothe Oaks. The girls earned the trip by selling 7 cases of cookies during the 1979 Cookie Sale. Sixty-seven daddies enjoyed all twenty-four hours crammed full of fun, love, and two-way contact with their daughters. The Brownies were buddies with their dads as they participated in all activities supervised by the resident camp staff. Each unit ran the obstacle course, took a nature hike, learned knots, played games, went canoeing and swimming, shopped at Tajar Country Store, ate, sang, played, and slept out in the tent units. The Dads tried out the archery range while the girls painted jump ropes. The entire camp attended flag

ceremonies and a campfire. It was really "special"! From Haskell 1 Brownie and her Dad attended, who was Jessica Owens.

The second Brownie/dad Special for 1979 will be held on July 6-7. West Texas Girl Scout Council is a participating Agency of the United Way.

REVIVAL SET

There will be a Revival at Trinity Baptist Church, June 24-30. Brother Charles Beal of Central Faith Baptist Church, San Angelo, will be bringing a message from God's word 7:30 nightly. There will be special singing. Public is cordially invited to come hear this word of God.

Couple Affirms Wedding Vows

Mr. and Mrs. Thaddeus Stephen Komorowski affirmed their wedding vows June 16 in a ceremony at the Bootery Gardens with Nathan Ray presiding.

The couple was married Dec. 22 in Haskell in a private ceremony at the home of her parents with Bob Connel, minister of Baker Heights Church of Christ, officiating.

Mrs. Komorowski, the former Aleta Beth Lowery, is the daughter of Mr. and Mrs. Victor Arnold Lowery of Haskell and Komorowski is the son of Mrs. Jean W. Komorowski of Bridgeton, Mo., and the late Thaddeus S. Komorowski.

Steve and Siri Livengood

sang at the affirmation. Mrs. Donna Lowery of Jacksboro was her sister-in-law's matron of honor at the affirmation and bridesmaid was Tina Briscoe of Weinert.

Larry Bollman was best man and usher was Terry Lowery of Jacksboro, brother of the Mrs. Komorowski and Craig Gannaway of Stamford.

A reception was hosted at the home of the couple, Rt. 1. Mrs. Komorowski is a graduate of Haskell High School and attended Abilene Christian University. She is employed by John Korman Insurance Agency.

A graduate of Pattonville High School in St. Louis, Mo., Komorowski graduated from the University of Missouri.

Spend a quiet evening at home without electricity... and see just how quiet it really is.

Forget about watching TV or listening to the stereo. How about reading a good book — that's a great idea if you do it before dark or if you plan on using Abe Lincoln's lighting, the fireplace. Nobody has to tell you how important electricity is in your life. It surrounds you daily, lighting the way, entertaining you and making life more comfortable. And that's the way it should be, but we at West Texas Utilities hope you'll use electricity wisely and efficiently. Make sure your home is properly insulated and weatherized, turn off unnecessary lights and appliances, and above all, watch that thermostat setting. These things not only conserve valuable energy, they can help to lower your monthly bills. And that's important now and in the future.

ENGAGEMENT ANNOUNCED...Mr. and Mrs. Bobby N. Graham of Bryant, Ark. have announced the engagement and forthcoming marriage of their daughter, Connie, to Billy Stone, son of Mr. and Mrs. M.R. Stone of Lubbock. A graduate of Cooper High School in Abilene, Miss Graham is employed as secretary at the First National Bank of Brownwood. Her fiancé, also a graduate of CHS, attended Texas Tech and is presently a sophomore at Howard Payne University. The wedding will take place Aug. 4 at 6 p.m. in the First Baptist Church of Brownwood with the Rev. Williams of Rising Star officiating. Grandparents of the prospective groom are Mr. and Mrs. Haskell Stone and Mrs. R.C. Bartley of Haskell.

Rice Springs News

Monday the Haskell First Methodist came out to sing and visit with everyone. Their Youth Director came with them and everyone certainly enjoyed him. We all hope he will be back again soon.

Wednesday the Sweet Home Singers were all here with their happy music. With all the enthusiasm that they bring with them it can't help but spread to us as we listen to them sing. Keep up the good work Sweet Home.

Well, Friday we had our Father's Day Party, which was hosted by the Experienced Citizens Center. They brought many different kinds of cakes to serve us and lots of good punch. We all appreciate all the people who baked and came to help serve. Then a surprise for all the men, Kathleen Lane brought out special gifts for all the men. They are all very proud of their combs and will use them a lot, Kathleen. Thank you very much.

We would all like to say Thank You to Mrs. Ruth Eaton from Rule for bringing us such a beautiful flower arrangement for our living room. It sure does brighten up everything.

We certainly are glad to have Ruth Ann Klose, our Administrator back with us this week after a few days in the hospital. We all missed you and hope you are feeling much better now.

Mrs. Etta Leach, Mrs. Louise Stegemoeller and Mrs. Alva LeFevre all of Sagerton visited with Ora McCollough, Alma Cole, Alvina Holle, Mr. and Mrs. Luther Hines and Cleo Mondy.

Edna Collins visited with Buck Townsend and Mrs.

Marreen Bittex all of Rochester.

Emma Lammert went out to dinner with her daughter Alice Bredthauer of Stamford.

Ida Pheister's son and family Mr. and Mrs. Marvin Pheister of Weinert visited with her over the week-end.

Hilda Kupatt visited with Shelia Spaw and friend of Midland and also Kris Kupatt of Sagerton.

Mrs. Carl Druesedow and Alice Newton both of Stamford visited with Alvina Holle, Hilda Kupatt, Emma Lammert, Herman Letz, Mary Schonerstedt, and Lillie Spitzer.

Allen and Holley Letz of Old Glory visited with Martin Letz. Visiting with the Luther Hines's were Danny and Dale Waincoast of Tulsa, also Mr. and Mrs. Lynn Ivy of Stamford and Mr. and Mrs. Elva Hines of Hamlin.

Betty Pumphrey of Ft. Worth and her mother Mrs. Lane of Waco visited with Johnnie Pumphrey.

Charity Bradley's visitors were Mary Place, Peggy Kittley, Gerealdine Pool all of Rule and Iona Sellers of Ft. Worth, also Essie Long of Childress, and Ada Snyder of Seymour. Trudie Bush visited with Mr. and Mrs. Hollis Rucker, Mrs. Raymond Smith both of Rule, Elgin Martin of Ft. Worth and Ada Snyder of Seymour.

Elgin Martin also visited with Mrs. Maggie Martin.

Ada Williamson visited with Mr. and Mrs. Bobby Gibson and two daughters Laura and Sharon all of Houston, also Mrs. Dena Lewis of Rule, and the J.J. Williams of Plainview.

Ora McCollough also visited

with Zina Bills, Hallie Morgan, Mary Sue Henry, Ruth Eaton, and Hazel Lewis all of Rule, and Colletta May and Velma Wallase both of Abilene.

Visiting with Alma Cole were E.G. Post and Lois Post, also the Bob Clark's of Abilene. Her Rule visitors were Hazel Lewis, Mary Sue Henry, Ruth Eaton, Dena Lewis.

Mrs. G.J. Lumpkin of Amarillo visited with Bro. Walter Copeland.

Doris Slater, Hutchinson Kansas and Scott Slater of Arlington visited with Bill Harrell also Nettie Harrell Brock of Ft. Worth.

Mr. and Mrs. Joe Kingery and Bonnie Kingery of Abilene visited with Mamie Angley.

East Side Baptist

Sets Revival

June 25-29

There will be a revival at East Side Baptist Church, Haskell, June 25 through June 29. Services will be at 7:30 p.m. nightly.

Glen Mize will be music evangelist. Glen is Assistant to the Pastor in charge of Outreach and Evangelism at Second Baptist Church in Amarillo. He worked in the field of Music Evangelism from 1975 to 1977.

Darrell Feemster will be doing the preaching during the Revival. Darrell and his family moved to Haskell to pastor East Side Baptist Church. He has been in the ministry of the Gospel since 1973.

"We want to invite all those who will to come and worship with us at East Side Baptist. There's nothing more exciting or life changing than a God-sent revival."

Library News

The Haskell County Library has received more Reading Logs and certificates for children taking part in the Reading Program. Children five years old can join, with the help of their parents in reading the books and will receive a certificate in August. This is the first time this age group has been able to participate.

A Story Hour will be held Saturday, June 23, at 10:00 a.m. lasting for one hour. Two high school girls will be in charge of this project.

Around Town

Mr. and Mrs. T.W. Free have returned home after spending two weeks in California. They visited his brother in Fontanna & his nephew in Semi-Valley. They toured Universal Studio, Nobberry Farms, Palm Springs in Newport Beach and other sites of interest.

Mrs. Iva Palmer returned Friday, June 15 from an extended visit with her sons, Mr. and Mrs. Charles W. Palmer of Morton and Mr. and Mrs. Winton B. Palmer of Miami and Homestead, Florida. The scenery on the winding roads through Cutter Ridge, Carl Gables and High Lea in Miama is beautiful beyond description. The royal Poinciana trees, higher than the houses, are aflame with large red flowers in clusters and the Hibiscus bushes, covered in blooms, are breathtaking.

Miss Susie Pritchett of

Jerusalem, Isreal is spending the summer in Haskell with her grandparents, Mr. and Mrs. Bill Ratliff and other relatives. She is also visiting in Abilene, Austin and Miss.

Tare & Faron Sagebiel of Sequin are spending two weeks with their grandparents, Mr. and Mrs. Herbert Fischer and Dale while their parents are on a tour to Canada.

Mr. and Mrs. Albert Roberts and family and Mr. and Mrs. Ben McGee and girls have recently returned home from spending several days in Santa Fe, Albuquerque and Alamogordo, New Mexico.

Nelson Giant Print Red Letter Bibles, with 8 pages of full color maps, family record section and thumb indexed. Perfect for gifts. Haskell Free Press.

Mesquite District Claims Seven State Awards

Seven state awards were given to the Mesquite District clubs by Mrs. J.C. McGee of Knox City, president, at the recent summer workshop held in Haskell. The Mesquite District is one of 14 districts in Texas Federation of Women's Clubs (TFWC).

The Women's Study Club of Putnam received a 50-year service award. The Phoenix Club of Aspermont received three awards—first place TFWC President Elect Award for programs; second place—conservation project, and third place—M.C. Anderson project.

The Tuesday Study Club of Anson captured second place for visual arts program, and the Knox City Study Club placed second in the Texas Library—Texas Women category.

Mrs. Gary Druesedow of

Haskell Progressive Study Club received a first place state award for her public relations—publicity work.

The district itself received two general awards—one for conducting the most district-level workshops and the other for having the most state officers participating in the workshops.

Eight clubs were recognized for 100 per cent subscription to the state magazine, The Texas Club Women. Receiving these awards were Phoenix Club, Aspermont; Dephian Club and Wednesday Club, Baird; The Self Culture Club, Colorado City; Progressive Study Club, Haskell; Amity Club, Moran; Atheneum Study Club and Self-Culture Study Club, Sweetwater.

Mrs. McGee welcomed the district's newest club, the

Sorosis Club of Benjamin.

The Progressive Study Club hosted the one-day workshop. More than 50 women attended and discussed program planning, reporting and department goals.

Mrs. L.H. McBride of Hamlin planned the program and Mrs. R.W. Herren of Haskell served as hospitality chairman for the workshop.

Game Night Set

The Sons of Hermann Lodge #241 will have a game night Saturday, June 23 at 4:00. Games of dominos, cards, and volleyball will be held.

Members are asked to bring sandwiches and sweets. Coffee and tea will be provided.

Come and enjoy the fun and fellowship of your lodge members.

BYNUM'S

American Agriculture News

BY BETTYE McBROOM

American Agriculture is supporting the idea of "A bushel of wheat for a barrel of oil." If the foreign countries want their people to eat then they will be willing to either pay a higher price (to the farmers) for the wheat or reduce their cost of oil to the American people for the farmer's wheat. But Bob Bergland, Secretary of Agriculture, Allen Grant, National President of the Farm Bureau, and Carol Chaloupka, Texas Farm Bureau President, are against this idea. Bob Bergland says that if we

demand a "bushel for a barrel" then the foreign oil countries will go somewhere else to buy their grain. Where will they go? America is the largest wheat producing country in the world. Canada is the next largest, and they want the same as the AAM.

Texas farmers need to do some checking on Agriculture Commissioner Reagan Brown. After several phone calls Brown did appear before the House Committee. His testimony was less than inspired, but he did testify on the "for" side. Then, days later, Governor Clement's aide asked

AAM supporter Barbara Fitts why Brown was against the grain compact. The aide told her about a letter Brown wrote to the Governor, but said he preferred Mrs. Fitts get the letter from Brown's office.

Armed with a copy of the Open Records Act, Charles Fitts and Craig Bryant went to Brown's office and asked for a copy of the memo. He gave it to them after they threatened to get a court order. Brown continued to say the memo was in favor of the bill.

Here is the memo: To Governor Bill Clements From Reagan V. Brown May 21, 1979

The Texas Grain and Feed Association, Farm Bureau and others are opposed to the Grain Compact. They feel it is more interference in this business. They have enough interference now.

They are scared of the subpoena power by the compact for their records and also Federal District Judges. One of the leading economists at Texas A&M is opposed. He feels no other funds need to be earmarked for grain studies. He feels they can do it and have been funded to make the studies. American Agriculture is for it but they have no

formal organization.

It involves \$50,000 of tax payers money. We administer eight Farm Boards to study grain, etc. The Texas Grain Sorghum Producers Board is one of them. Mr. Harp would be an excellent choice.

(End of Memo) Mr. Brown still insisted he was "for" the grain compact. However, he forgot to mention that the Texas Farmers Union was actively lobbying for the compact also.

On inquiry at Brown's office regarding the "eight Farm Boards to study grain, etc." it was learned that there are eight boards, but only three of them deal with any form of grain. These are the Texas Grain Sorghum Producers Board, the Texas Soybean Board, and the Texas Wheat Producers Board. The others deal with peanuts, turkeys, pork, mohair, and pecans.

Furthermore, these boards

are funded only by voluntary producer checkoff. No state money is involved.

After the grain compact died in the Texas Senate, Brown and Chaloupka began calling legislators opposing the proposed Texas Producers Board that Ralph Roming has been hired to put together. Brown is reportedly telling legislators that "he has enough boards," even though he would have nothing to do with the proposed producers board.

When election time rolls around, there needs to be someone put in as Agriculture Commissioner who will work in the best interest of the farmers. Mr. Brown says one thing and does something else.

Parts of the above were taken from the June 19, 1979, issue of the AMERICAN AGRICULTURE NEWS, P.O. Box 100, Iredell, TX 76649.

Hospital Notes

The market at Haskell Livestock Auction was steady on a run of 823 head of cattle, 120 hogs, and no sheep and goats at its sale June 16, 1979 according to Bobby Parrott reporter.

PLAYNIGHT SLATED

The Roby Fire Department's Auxiliary will host a playnight Saturday, June 23 at 5:00 p.m.

There will be four age groups at \$1.00 per event. Ribbons will be awarded

through 5th place. Trophies will be given for each 1st place. High Point Trophies will be awarded in each age group.

Events will include Western Pleasure, Reining, Barrels, Poles and Flags.

Jackpot Barrels and Poles for 13 and under \$8.00-\$50.00, Novice \$10.00, and Open \$12.00 to begin at approximately 8:00 p.m.

The Auxiliary plans lots of good food and competition.

KNOX CITY PLAYNIGHT

The first open youth playnight of the season in Knox County will get underway at 8 p.m. Saturday, June 23, at the Benjamin arena in Benjamin, according to Knox County Riding Club officials.

Only two other open playnights are set for this summer. Knox City will host a playnight Saturday, July 14, at 8 p.m., and Monday will have its playnight the following Saturday, July 21, at 8 p.m.

Barrels, flags and poles will be run at each playnight in three age divisions, with trophies and ribbons being awarded in each event in each age division. All-around trophies are also awarded in each age division.

Congressman

Charles W. Stenholm

Congressional Comment

Washington, D.C. — A considerable amount of attention is being given these days to the growing dissatisfaction many citizens are having over high taxes and excessive government spending. People in Washington are finally beginning to reassess the will of the American people. Are the people most concerned about high taxes, excessive government spending, or waste? I believe they are telling us that they are not getting their money's worth for the taxes they pay. When workers get their paychecks every month and see the large income and Social Security tax withheld, they are wondering where and why it all goes — Good question.

One of the areas of greatest concern to the taxpayer is our growing social services programs. Next year the government will spend over \$300 billion on these projects. Much of this money goes for worthwhile services such as health care for those truly in need, income maintenance for the disabled, and services for the needy elderly. But a considerable portion of this money goes for programs that do not in any way increase the assets of America or provide gainful employment for those out of work. Often money is given to people who can and are supporting themselves. And one of the most costly side effects is the almost complete destruction of the work incentive for some of the poor on welfare. Why should anyone work if his or her income is already provided for? Government handouts too often stifle a worker's motivation to produce.

Last week the Agriculture Committee proposed to lift the spending cap on the Food Stamp Program and thus increase costs by over \$1 billion. In 1964 when the Food Stamp Act was adopted there appeared little question that the intent was to assist the legitimately needy of America in meeting their nutritional needs, particularly the children. This goal has grown out of proportion and the working taxpayer is now being asked to support too many people who are either voluntarily unemployed or who can and should be supporting themselves. In 1967 there were 1.5 million recipients, but 18.5 million people are currently enrolled in the program. The food stamp program is now out of control with one out of every four persons eligible for assistance and it is growing by leaps and bounds. The answer is not to spend more money, but to reform the system. We need to eliminate food stamps for strikers and college students. The eligible income levels should be lowered to make sure food stamps go only to those who are truly in need.

Certainly I realize that the government has to provide for those people who are physically unable to care for themselves — we are our brother's keeper. But the state has no obligation to support those individuals who can work, but don't. It is time to put people back to productive labor earning a living and not permit the government to rob a person of his dignity by giving him a handout. Only then will we control inflation and help all of the people.

McCauley Is Service Unit Chairman

Mr. Charles McCauley, Service Unit chairman of the Haskell Salvation Army Service Unit has announced that he will serve as 1979 Service Unit Camp Chairman.

The camp chairman will be in charge of selecting 2 boys from ages 8 to 14 to attend the Salvation Army's Camp Hohlitzelle at Midlothian July 7 - July 14.

All Texas communities are invited to send selected youths who would not otherwise get a chance to attend a summer camp. The camp chairman is responsible for selecting the boys. The Service Unit furnishes them with any clothing, toiletries or other items they might need, arranging medical examinations and providing them with \$5.00 in cash. It also arranges transportation to and from the camp for them.

The local Service Unit guarantees local expenses in getting the boys ready. The Salvation Army Texas Division pays all costs of the camp itself, which offers swimming, hiking, athletic contests and many group activities in each of four one-week sessions.

Little League

BY PAUNEE GRUPE

Boy oh Boy, what a week for upsets in the minor league. This is a hard article for me to write - you see the crows lost their first game this week. But on the brighter side, the underdog Bears, as Stephen Holt calls them, won their first. Doesn't it seem strange that the "other" team in both of these upsets just happens to be the Red Horses.

The Cats, playing with only six players beat the Bears Thursday night and fought a hard battle with the Crows on Tuesday. Considering that they are playing with only 6, the Cats are playing good ball. Hang in there guys.

There were three infield homeruns hit this week - Patrick Perez, Crows; Louie Torres, Crows; and Tommy Hairgrove, Bears. If there is a grand slam infield homerun that is what we would have to call Patrick's. There were many doubles and triples hit. Shane Stout, Bears; Mark McAdams, Cats; Barbara Benton, Red Horses; Jeff Baum, Red Horses; Marty Decker, Crows; and Wade Martin, Crows, all hit doubles. Matt Lane, Cats, hit a triple. Marty Decker turned his double into a triple on an error.

Surprises were also in store for the major league teams. There is a tie for first place between the Hawks and the Rams. The Cubs are following in second with the Tigers close behind. Sounds like a horse race instead of baseball doesn't it. Well to this mother it is much more exciting than a horse race. Todd Harris, Rams, hit his second homerun this week, and so did Robert Ivy, Cubs. Joseph Perez, Lions, hit his fifth on Saturday. Ronald Campbell, Hawks, batted over his third, however, this homerun was extra special because it was the first grand slam of the season. Congratulations Ron. Robert McAdams, Tigers, and Lex Weatherly, Tigers, both bounced the ball over the fence this week. Doubles were hit by Lex Weatherly, Tigers; Sammy Hawkins, Ray Villa, and Joseph Perez, Lions. Joseph turned his double into a triple on errors. Lance Hanson, Tigers, hit a triple and turned it into a homerun on errors. Kendall Larned, Tigers, also hit a triple. Would you believe that all of this happened on Saturday and Sunday?

This next week will be the last of the regular little league season. There is no telling what is going to happen in the next few games, but you can believe that it is going to be very exciting.

Scores for this week were:

MAJOR	
Hawks	23
Lions	5
Tigers	12
Rams	6
Cubs	32
Lions	5
Hawks	21
Eagles	9
Rams	36
Lions	1
Hawks	31

CAP News

Monday June 25, 1979 will be the regular CAP Fellowship luncheon. We are very pleased with the response that we have been receiving at these luncheons. Everyone is invited to come and bring a covered dish and express your opinion as to how all can work together in order to better our community. If you would like to come and don't have a way please call the CAP Center 864-3053 by 10:30 that morning and some one will come for you.

Sagerton Community News

The people of Sagerton appreciated the many familiar faces at Homecoming '79 and certainly thank everyone that helped to make the event a big success.

The steering committee of the Homecoming met at the Community Center last Tuesday night to evaluate the results of their many hours of preparation. Chairman Reece Clark asked for recommendations to make the next Homecoming an even bigger success. It will be held in 1982; a three year interval rather than the previous five. The secretary, Mrs. Charles Clark took notes of the meeting.

Clarence Stegemoeller was elected as chairman for the 1982 event and he will appoint committee heads later.

There are still some commemorative plates picturing the Sagerton School Building built in 1929. They may be obtained for \$6.00 complete and postage paid by contacting Mrs. Delbert LeFevre.

Congratulations to Jill

LeFevre who made the Dean's list at McMurry College this last semester. She is the daughter of Mr. and Mrs. Delbert LeFevre and will be a sophomore this fall.

Kacy Baitz celebrated his 1st birthday Sunday evening with the following present: his parents, Mr. and Mrs. Fred Baitz; his grandparents Mr. and Mrs. Roy Letz and Mrs. Melvin Baitz; his great grandparents, Mr. and Mrs. J.A. Hertel, Mrs. Charles Diers and Kimberly Diers, and his uncle, Johnny Baitz.

Melvin Baitz was burned in a wheat field fire Saturday afternoon but is now home and back at work.

Brenda Stegemoeller and Robert Ace Turner were married in Faith Lutheran Church Friday, and then on Saturday evening Mike Hertel and Cheryl Marquis exchanged vows.

There is a possibility that Gandy's Milk Company will stop deliveries to Sagerton because of a lack of sales. Any of you that drive to Stamford for milk might think about the inconvenience we would be faced with if we couldn't get any here in town for those emergency needs. Our merchants are here to serve us and to try and make a living providing us with their needed services. Of course, all the necessities aren't available here in town; a lot of them are, though. Please help keep our community alive by supporting our local businesses.

A good old-fashioned barn dance was enjoyed by some good old-fashioned people at the good old-fashioned farm of good old Joe and Dorothy Clark this past Saturday evening. The Clarks served good old-fashioned food and guests danced to some good old-fashioned country music played by a good old-fashioned band. There were many good, old people present, as well as many old yet fashionable people. Some guests were neither old, good, nor fashionable, though. The dance was in honor of Joe Clark who was recently elected Prime Minister of Canada. (That is what the Abilene Reporter News said!) Personally I didn't even know he was a candidate.

Our extended weather forecast for this week calls for early mornings and late afternoons with occasional darkness during the night.

Intruders in the home of Mr. and Mrs. J.A. Hertel on Sunday were Mr. and Mrs. Bill Hertel, Mr. and Mrs. Mike Hertel, Mr. and Mrs. Kenneth Hertel, Mr. and Mrs. Leslie Baitz and Carol and her fiancée Bolding from Austin, Miss Vicki Hertel, Miss Gail Hertel, Mr. Gary Hertel.

Weekend visitors in the home of Mr. and Mrs. Melvin Baitz included Mr. and Mrs. Leslie Baitz and Carol from Austin. Carol's fiancée was also a guest. The Austinites also visited with Mr. and Mrs. J.A. Hertel and with Mrs. H.C. Raphael of Stamford.

Mr. and Mrs. Ray Clark and Phillip of Sequin and Mr. and Mrs. Dave Adler and Anna of Pecos were weekend guests in the Joe and Dorothy Clark home. Ray was a member of the good old-fashioned country band that played at the good old-fashioned barn dance, Saturday night.

Mr. and Mrs. Clayton Stegemoeller and Stephanie visited with Mr. and Mrs. Leon Stegemoeller, Carl and Clifford over the weekend.

Annella Baitz brutally murdered and ate two chickens this last week. Our condolences to the flock.

Mrs. Joe Clark, Mrs. H.C. Raphael of Stamford, and Mrs. Hilda Neumann of Old Glory have returned from an extended trip to Florida and the Southeastern United States. They also attended the ordination of David Adler at his hometown Lutheran Church in West Palm Beach, Florida. The trio was able to spend some time in Walt Disney World while in the Floridian state, and was able to visit the hometown of our President Jimmy Carter, Plains, Georgia.

The wheat harvest is now

better than 80% complete and farmers are reporting what is possibly the best wheat crop ever in this area. Another bright spot is the wheat market which is fast approaching the \$4 mark which although not great is much better than \$2.93. Now that is good news. The bad news is that most of the area farmers had forwarded their crop for that measly \$2.93 earlier, so most of that profit will go into the hands of the wheat export company's and not the farmers...and so goes the story.

The Golden Age group will meet this coming Monday at 3:00 instead of 2:00. The meeting place is the Community Center as usual.

On June 7th, the home demonstration club met in the home of Wilma Teichelmann with 8 members and 1 visitor present. Chairwoman V.L. Hertel opened the meeting and Joyce LeFevre enchanted the crowd with poetry entitled "The Shape I'm In". Velma Hertel presented the program on how to "gum" peanut brittle while your teeth are in the repair shop. She and Wilma then presented a program devoted to preparing quick meals and stocking the pantry for such. The ladies decided to donate \$10 to the Wichita Falls home Demonstration clubs. They will also be participating in a project sponsored by the Salvation Army Club to send food to India. This project requires the saving of used postage stamps so some of you might want to help them out. The club will have a workshop at the home of Mrs. Dorothy

Toney on July 12th at 2:00. Toney will be the hostess and the ladies will work with decapage. It was also decided to quilt a quilt for the rehab center in Abilene so the members picked out the quilt block they will use. Members present were Christine Stremmel, Lorene Hansen, Janet Thane, Ev Ulmer, Golda Mier, Frieda Knipling, Velma Lou Hertel and Joyce LeFevre. Stacy Whittaker was the guest and Wilma Teichelmann the hostess.

The Red River Blood Bank will be in Haskell at the Haskell Bank Community Room, July 5th from 1-6 and the Haskell County H.D. Clubs will be sponsoring the drive. Everyone (Excluding Vampires!) is urged to give.

Brad Ulmer of San Antonio is visiting with his grandparents, Mr. and Mrs. F.A. Ulmer, this week. The Ulmers other grandchildren, Stacy and Kyle Whittaker have returned home. They spent two weeks with the Ulmers and their other grandparents in Albany.

Lois Knipling of West Columbia was a weekend guest in the home of Mr. and Mrs. A.C. Knipling. These three and Mrs. Lena Schaaque were Sunday dinner guests in the J.B. Toney home.

Mr. and Mrs. Bob Clark and children were Father's Day dinner guests in the home of their parents and grandparents, Mr. and Mrs. Charles Clark.

Mrs. Larry LeFevre, Laressa and Shane accompanied Mrs. A.D. May of Rule to Buchanan Lake last week for a family outing.

Rev. Jeter To Speak At Assembly Of God

Rev. Don Jeter, missionary to Spain, will speak at the Assembly of God Church in Haskell at 7:30 p.m. Wednesday, June 27.

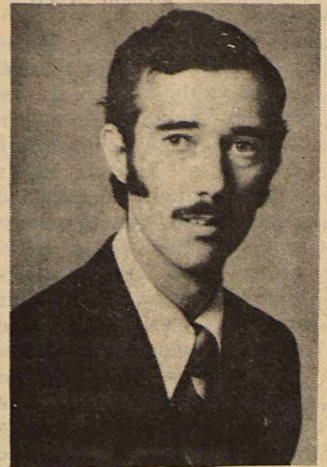

Rev. Don H. Jeter was born in Havana, Cuba, to Rev. & Mrs. Hugh P. Jeter, themselves lifetime missionaries to Spain, Cuba, and Latin America. Rev. Don Jeter graduated from Southwestern Assemblies of God College in Waxahachie, in 1968 with an A.A. and B.A. in Bible and Missions, with subsequent graduate work at the Assemblies of God Graduate School in Springfield, Missouri.

He first pastored in the Latin American District of the Assemblies of God in 1966. Upon graduating from Bible College, he supervised the Spanish work of Philadelphia Teen Challenge, later ministering in the Cuban work in Miami, Florida, where he served on the board and faculty of Miami Spanish Bible Institute. He also co-pastored the Cuban Evangelistic Center, and helped initiate the International Correspondence Institute in Spanish for the National Home Missions Department of the Assemblies of God.

Mrs. Cyndie Rydholm Jeter was born in Minneapolis, Minnesota. She became an R.N. after graduating from the Swedish Hospital School of Nursing in Minneapolis, and has taken biblical studies in North Central Bible College of the Assemblies of God, and Southwestern Assemblies of God College in Waxahachie.

Rev. & Mrs. Don Jeter were approved as foreign missionaries by the Board of Foreign Missions of the Assemblies of God in 1972 and went to Portugal to help establish the Portuguese Bible College for the Assemblies of God of Portugal.

In 1975 they transferred to Spain upon the request of the Division of Foreign Missions to take charge of the International Correspondence Institute in Spain. ICI-SPAIN is a tool whereby modern extension education methods are extensively used for evangelizing, teaching, and training converts. Presently,

REV. DON H. JETER

over 3,200 students have completed courses in the evangelism division and hundreds of people from every region and sector of Spanish society have testified to having been changed in their lives and born again as a direct result of studying the ICI courses.

Currently, in homes all over Spain, far from any evangelistic witness, concentrated effort is being made by ICI-SPAIN to establish cell groups for Bible study, prayer and worship, bringing together students who are studying the Word of God through ICI. A leadership training team is being prepared to fulfill this vital function on a constant, circuit-riding basis.

In addition to his other responsibilities as Director of

ICI-SPAIN, Rev. Jeter pastored a church in the capital city of Madrid, Spain, and served as the director of the Assemblies of God Youth Camp.

Rev. & Mrs. Jeter have two children, Jonathan Mark, 5, and Ruth Elizabeth who is 3 years old.

Everyone is invited to attend.

Shower Honors

Miss Linda Yates, bride-elect of Mike Stewart, was honored with a Kitchen Shower on Tuesday, June 5, in the home of Mrs. Johnny Earp. Hostesses were Mrs. Johnny Earp and Mrs. Ricky Harlan.

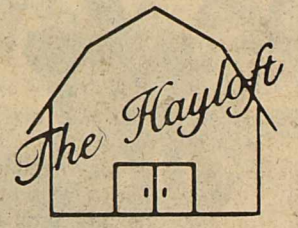

Twenty guests were served refreshments of assorted fruit from a watermelon centerpiece, decorated cookies, lime and lemonade. Games were played and kitchen gifts and recipes were presented to the honoree.

Berry Is Top Representative

Haskell resident, Marvin Berry has been named Verd-A-Ray Corporation's Representative of the year for 1978-79, as announced by E.E. Hartzog, company Vice President and General manager.

A member of the Albuquerque sales division, Berry joined the Verd-A-Ray sales force in 1961 and has consistently been a top producer. Berry resides at 603 South Avenue in Haskell.

Sharing the honors as Representative of the Year is James Robertson of New York City. Each winner will receive a personalized bronze plaque and a cash award of \$250.

Selection for Representative of the Year is based on outstanding sales volume, thoroughness in covering territory, resourcefulness in developing new ideas,

Ft. Griffin Fandangle Begins 41st Edition

The Fort Griffin Fandangle is not only alive and well, it is flourishing!!! The 41st edition of this extravaganza will be presented on the nights of June 21, 22, 23, and 28, 29, and 30th at the Prairie Theatre in Albany, Texas. Barbecue, prepared by the Texas Trails Chuck Wagon of Albany, will be served on the Courthouse Square beginning at 5:30 p.m. each evening of the Fandangle. A unique callopie concert will be presented each evening at the theatre.

A special dress rehearsal will be performed for all members of the Press on Wednesday, June 20, at 8:00 p.m. This Press performance will be in full costume with all rolling stock. We urge and greatly appreciate your atten-

dance at this special presentation.

The Fort Griffin Fandangle is the oldest outdoor musical drama in the state of Texas, with its beginning coming in 1938. The highly entertaining portrayal of life in the 1870's and '80's around the birth and demise of the western outpost of Fort Griffin, Texas, offers history—"not as it comes from the history books, but as it comes from the heads of old timers." Onlookers are taken back in time to the Indian folklore, the first settlers, the saloon characters, buffalo hunters, trailriders, and the so-called "average people" of that day. From the infamous Doc Holliday and Wyatt Earp to the innocent young just reaching the "age of consent," the musical transposes the acre size stage into a mini time capsule that has captivated thousands from all parts of the country for 40 years.

The Fandangle, 1979 style, follows the rocky path of a young lass from her introduction to the perils of the prairie through her teen years and into adulthood... From the onstage barnraising and the subsequent Indian raid and barn burning, the child learns to see the world in its stark reality. Learning not to be afraid was the biggest challenge of the children of that era and it is to those children that the show is dedicated.

We sincerely hope you are able to come to our dress rehearsal, Wednesday, June

20, and we are looking forward to seeing you at the Fandangle!! We have plenty of tickets available for most nights, and we have Press tickets available for you upon request.

Agricultural Land Under New Law

Owners of agricultural land in Haskell are reminded that they must act themselves to take advantage of the new law passed by the Legislature which limits the property tax value of such land.

First, all such owners are urged to contact the elected officials of each of the taxing authorities involved and request that they not deny this tax relief in 1979. The Act, as passed, states that the Legislature believes that the implementation of the law is both feasible and desirable this year "unless it is impossible to do so".

We believe that our local taxing districts—county, cities, schools, and others—have the competence to implement the law this year.

Local landowners are reminded that they must apply with each taxing district between July 1-15 in order to take advantage of the law.

Before you fill out the form in each office, you can ask the tax assessor to show you the tax value under the new law. If it should be higher than your present value, then you need not apply.

Sample application forms are available at the Haskell County Farm Bureau office which should be helpful in preparing information for the official form.

Farmers and ranchers are urged to take advantage of this new law. No longer may our land be taxed at some inflated, speculative value—the value is limited to its worth considering only the agricultural use.

College News

The spring semester president's list, dean's list and honor roll at Howard Payne University have been announced by W. Bennett Ragsdale, registrar.

Students from Haskell named to the honor roll for maintaining a 3.35-3.64 grade point average included: Gerstal Goebel.

The Consumer Alert

by Mark White
Attorney General

AUSTIN—How do you go about selecting a new appliance? If you're like most Texas consumers, you may never even have thought about it. You're likely to make a hurried decision in such cases if a major item like a kitchen stove or a refrigerator goes out.

You may even buy the first brand you see, at the first store you visit, under these circumstances. Of course, you will be least likely to get the best product at the best price for your needs in such a case.

The best way to select an appliance is to think about what you need and want from it and write those attributes down. Are you most concerned about reliability and lack of service problems? Or is it more important to you to have an appliance with very low operating costs? Maybe you are worried about size, perhaps needing one to fit an existing space. And then, perhaps you're on a tight budget and must consider price first.

After you've analyzed your needs, you will be better able to select the style, features, size, energy requirements, and price that should be considered in making a buying decision.

Our Consumer Protection and Antitrust Division attorneys say you then should gather manufacturers' pamphlets, read ads, visit the library, or talk with several knowledgeable sales persons about the type of product you're considering.

After such study, you will be able to eliminate all but a few brands. At this point, you should do some comparison shopping at several stores to see features demonstrated, to read warranties, to compare prices.

Our lawyers urge you to ask yourself the following questions before making that final decision, in order to save yourself possible consumer problems afterwards:

-Have you totalled the cost, and delivery, installation, and service charges before deciding whether you can afford the appliance?

-Are you sure it will fit your space?

-Are you sure you need all the features you're buying?

-Does the appliance have a reputation for being well-built?

-Did you choose a dealer with a good service record, one who is well-known in your community as being reliable?

-Have you read the use and care manual and warranty before buying, and asked questions about any things that are unclear?

-Did you comparison shop in at least three places before making your final decision?

If you have used this checklist, you probably will avoid any unpleasant experiences later. If a problem should develop, though, get in touch with our Consumer Protection and Antitrust Division in Austin, Houston, Dallas, San Antonio, El Paso, Lubbock, or McAllen.

Summer Schedule For Chaparral Airlines

Chaparral Airlines Executive Vice-President, Clark Stevens announced today an all new Summer Schedule effective June 25. The new schedule will put Chaparral's second Beech 99 Jet Prop airplane into service on three daily Houston-Hobby round

trips. Other highlights include a fifth daily DFW round trip, a third daily Austin round trip, and a round trip Austin flight on Saturday. Under the new schedule, Chaparral will be making 30 flights daily.

"We have been needing the additional capacity at Houston and Austin for some time," said Stevens, "and this new schedule and our new jet prop Beech 99 will increase available Houston seats by 66% and available Austin seats by 50%."

Another added advantage of the Beech 99 on the Houston run is the faster speed, cutting about 15 minutes off of the time enroute. The Beech 99 is a fifteen passenger, two pilot, twin engine jet-prop airplane, which cruises at up to 282 mph.

For additional information, contact Clark Stevens at (915) 677-0551 or 677-3337.

Starting in the Middle

"Sharing a Son with Krishna", "The Late Blooming Affair" and "They Don't Make Sex Like They Used To."

Those are chapter headings in a book by Judith Wax of Chicago, "Starting in the Middle."

Mrs. Wax in 1973 created a funny takeoff on Watergate in "The Waterbury Tales" that ran in several magazines and newspapers. She was 42 at the time and had been meaning to start writing for 14 years. The columns launched her career.

She has written much since and now has produced a book that is both funny and timely. She has a message in each chapter, and a lot of laughter, as well.

The book is published by Holt, Rinehart & Winston, 383 Madison Ave., New York 10017 and lists at \$8.95. It will produce enjoyable reading for you.

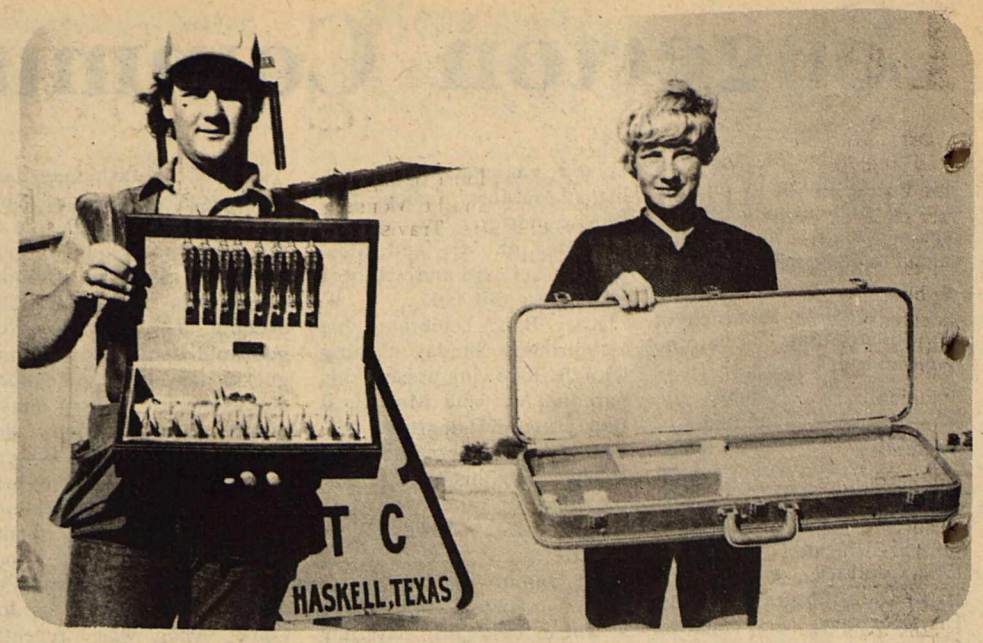

agri-facts

Pat Hale

Help may be on the way for lowering the costs of feeding cattle. Initial research on a new compound called monensin has had positive results at several agricultural colleges and test stations. Classified as an antibiotic, the chemical has produced an increase in feed efficiency as high as 13 percent. Average improvement in tests at the University of Nebraska was 11 percent. On that basis a dollars and cents evaluation means a savings of about twenty dollars a head in the average feeding cost for feedlot beef. Food and Drug Administration officials are expected to react more favorably toward the new compound than toward the still controversial DES since monensin acts only in the rumen of the animal and reportedly leaves no residues in tissue. Researchers say the compound enhances gain efficiency when used in amounts small enough to be comparable to adding one pint to 5,000 gallons of water.

EQUAL HOUSING LENDER

Leisure Lodge News

Mrs. Mary Ray attended the Ray reunion on Saturday at the Corral building with all of her children present but one, Mrs. Audra Holsapple, who is in the Methodist Hospital in Lubbock recovering from a car accident. A daughter, Mrs. Bill Funk of Santa Rosa, Calif., who came for the reunion is visiting her this week.

Sunday services were brought by the First Christian Church at 10:00 a.m. and by the Church of Christ at 4:00 p.m. and on Tuesday the First United Methodist people were out for a devotion. We surely thank each one who came.

Mrs. Ivy Massie spent Sunday visiting with her sister, Mrs. Mammie Wheatley. Betty Ruth Basden of Rochester visited her aunt, Myrtle Russell.

Mr. Tom Rogers is a hospital patient in the local hospital and we wish for him a

speedy recovery. Mrs. Leo Monse of Sagerton visited with Charlie Monse. Mr. and Mrs. Travis Smith of Stamford, Mrs. Warren Doyle and Mrs. Ione Sheid of Rule visited Miss Alpha Dyches.

Mrs. Ophelia Medford was very happy this week to have her new great granddaughter, Rhonda Wilde of Munday visit her. Rhonda was probably a nursing home, being 6 days old.

Mr. and Mrs. A.J. Barbee of Odessa visited his mother, Mrs. Bessie Hokett.

Elsie Norman went over to Rule to visit with her daughter, Mrs. Oleta Baird. Elgin Martin of Ft. Worth visited with Mr. Arthur Lee.

Mrs. Hubert Wilson of Rochester visited with Mrs. Nancy Howard.

Visiting with Irene Yarbrough were Mrs. Orman

Yarbrough and Dee Ann of Alpine. Mrs. Delphene Young of Lubbock, Nell Estes, Allie Anderson, Lynn Matysiak all from Rule, Mr. and Mrs. Frank Rennels of Abilene.

Visiting with Lummie Westmoreland were Mr. and Mrs. Newton Westmoreland, Mrs. A.B. Arnett, Minnie Dickey, Mrs. Clara Hines, Lucy Williams, Mrs. Florence Sorrells and Cynthia and Richard Alexander all of Rule.

Mr. O.E. Patterson of Sagerton, Mrs. George Martin of Sweetwater visited with Sam Parks. Visiting Mr. and Mrs. Jeff Smith and Mr. W. O. Lewis were Mr. and Mrs. Frank Nance of Munday, Mr. W.C. Nance of Uvalde, Mr. Lloyd Bradley of Goree, Mrs. Florene Sorrells and Cynthia Sorrells of Rule, Mr. and Mrs. Alvin Smith of Ft. Worth.

Cheerleader Clinic Set June 25-29

Western Texas College will host its sixth annual cheerleader clinic from June 25-29.

Cheerleaders and prospective cheerleaders from high schools, junior high schools and colleges are invited to attend. Personnel from the All-Star Cheerleader Conference will provide professional instruction including new cheers and techniques, tumbling, partner stunts and gymnastics. Students will be housed in the college dormitories and will eat in the Student Center cafeteria. Recreational activities are also planned using the campus facilities.

Information about the cheerleader clinic may be obtained by contacting Mrs. Mickey Baird, Student Activities Director at Western Texas College, Snyder, TX 79549.

College News

David Charles Davis and Ruth Ann Klose of Haskell were named to the Dean's List for the 1979 spring semester at Western College.

The Dean's List is composed of students who are enrolled for at least 12 hours of college credit work exclusive of physical education and who made a grade point average of 3.5 or more on a 4.0 grade scale.

MEETING SET
The Wildlife Damage Control Specialist, Deena Pattillo, from Wichita Falls will be conducting a training session on how to control wild animals causing damage to individuals. It will be held on June 29, a Friday morning at 9:30-11:30 at the city hall (also fire station). Part of the session will also be on rabies in skunks. Not only will slides and films be shown, but free literature will be available. The public is invited.

College News

More than 5,300 students at Texas Tech University qualified for dean's honor rolls during the spring 1979 semester by achieving grade point averages of 3.0 or more on a 4.0 scale. Of that number 5 were from Haskell and one from Sagerton.

They included: Jimmy D. Browning, Betsy N. Opitz, Connie A. Perry, Melissa Roberson, Cynthia S. Thomas, all of Haskell and Carol Dudensing of Sagerton.

Texas Tech University, one of the four major Texas universities, has an enrollment of 22,500 students in six colleges and three schools. These include the colleges of Agricultural Sciences, Arts and Sciences, Business Administration, Education, Engineering and Home Economics and the Graduate School, School of Law and School of Medicine.

Rehab Center Sets Camp Dates

Bennie Young, field representative for the West Texas Rehabilitation Center, is the new director of Camp Rolling Hills, a summer camp for handicapped children.

Four one-week sessions of residential camping plus day camp for children in the WTRC Summer Recreation Program and a weekend session for young adults are scheduled this summer.

Residential camp will be June 24-30, mentally retarded children; July 1-7, hard of hearing; July 8-14, physically handicapped; and July 15-21, learning disabled. While each week is designated for a specific group, children in other categories may attend.

Cost for the camp is \$20 for a one-week session. Camperships are available for those who could not otherwise attend.

This is the fourth year that the camp will be in operation.

Sponsoring agencies this year are the West Texas Rehabilitation Center and Abilene Independent School District. AISD furnishes and maintains the camp facilities which are at the Nike missile site 20 miles southwest of Abilene on Highway 277.

Young, who was director of Marbridge House before joining the Rehab staff about two years ago, was involved in camping during his 14 years as a Boy Scout field representative. During his tenure with the Boy Scouts, he was Program Director at Camp Tonkawa, was on the staff of a Boy Scout national camping school and attended scout camp training schools.

As a field representative for Rehab, Young may travel as much as 200 miles a day, making the personal contact important to WTRC's fundraising activities.

He is familiar with the

Camp Rolling Hills program as a volunteer as well as from a professional standpoint. This year he anticipates adding more to the nature study program, but otherwise does not think the camp format will change from previous years.

"In the handicraft area, they have the supplies, space and equipment to do everything that can be done, probably because handicapped children do less running and playing and more sitting," Young said.

Other aspects of the program include swimming at Abilene State Park, horseback riding -- there are four horses -- arts and crafts, indoor and outdoor sports and games, nature study, social recreation and creative arts such as drama, rhythm and dance.

Staff will include one adult counselor for every four or five children, activity specialists, a

nurse, and professional cooks. There will also be many opportunities for volunteer activity. Those interested in volunteering should call WTRC, (915) 692-1633. This is also the number to call for more information or an application blank for the camp; or write to Camp Rolling Hills, 4601 Hartford, Abilene, TX 79605.

High School Twirlers Named

High School Twirlers for 1979-80 year are Terri Gideon daughter of Mr. and Mrs. Wendell Gideon, Sonja Tidrow daughter of Mr. and Mrs. Gaston Tidrow, Tonya Roberts daughter of Mr. and Mrs. Albert Roberts and Kim Griffith daughter of Mr. and Mrs. Dan Griffith. Drum Major is Sharla Drinnon daughter of Mr. and Mrs. Biggon Drinnon.

Quarter Horse

Show Set

July 2 & 3

On July 2 and 3 contestants for the Texas Cowboy Reunion Quarter Horse Show will saddle up at the Quarter Horse Arena in Stamford, Chairman, Charles W. Stenholm will again be Chairman, marking his thirteenth year at the helm. About 600 entries are expected for the show this year.

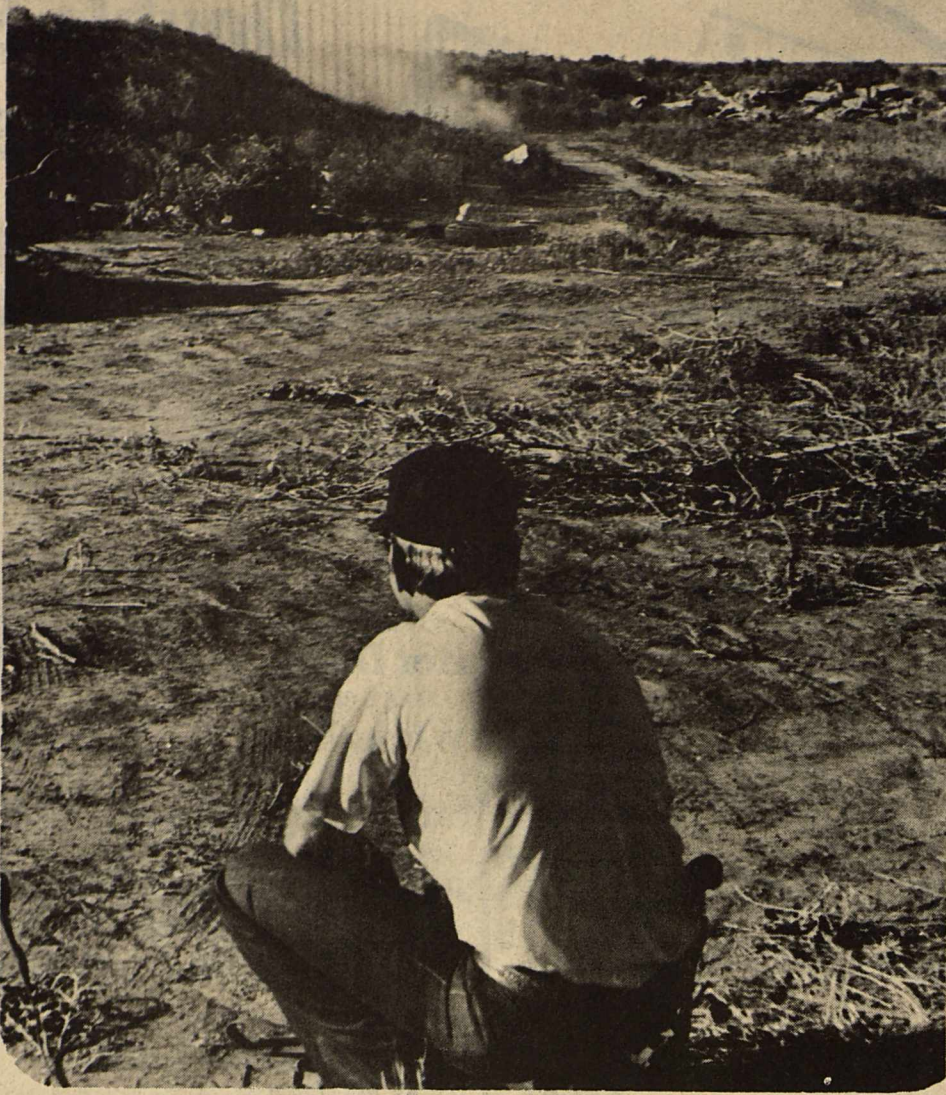

The Open Youth Show will start at 7:00 a.m. Monday, July 2, which is the day for the downtown parade. Ray Courtney will judge the Open Youth Show. Trophies will go to the first three places in each event with the saddle to the Over-all Champion.

George M. Cheatham of Tulsa, Oklahoma will judge the American Quarter Horse Association Show and the Registered Youth Show.

The Halter Classes of AQHA Show will begin at 7:00 a.m. on Tuesday, July 3, with Stallions showing first. Performance Classes will follow at 10:30 a.m. beginning with the Cutting Classes. Both Junior and Senior Horse Cutting Classes are scheduled. To be eligible for the saddle, a horse must show at Halter and at least two other events.

Registered Youth Halter Classes begin on Tuesday, July 3 at 9:30 a.m. with Performance beginning at 10:30 a.m. The Registered Youth Show will have one age group of 18 years and under. Contestants must compete in at least three events in this show to be eligible for the saddle.

Entries for the three shows will close just prior to showing. Stalls will be available, with a few camper hookups. No admission is charged for the show. Anyone needing further information about the show may call: Pat Prewitt, Show Secretary, Box 346, Stamford, Texas 79553, 915-773-3684; 915-773-2385, 915-773-2021.

BLAST SITE...Bob Wilson, Special Agent with the Bureau of Alcohol, Tobacco, and Firearms, detonates an explosive charge which was used last week to dispose of

three small bottles of Picric Acid. The substance has recently been identified as potentially hazardous. (Staff Photo)

49th Annual Texas Cowboy Reunion Set July 2, 3 & 4

The 49th annual Texas Cowboy Reunion at Stamford, Texas will be held on July 2, 3 and 4 this year, according to Eugene Swenson, President of the organization.

The Texas Cowboy Reunion is still considered the largest amateur rodeo in the world, judged on the basis of the number of contestants which grows each year. These contestants are mostly work-

ing cowboys on the large and small spreads from all over Texas, also from New Mexico and Oklahoma.

Many rodeo events have had their origin at the Stamford show, such as wild cow milking, barrel racing and cutting horse contests, these in addition to the regular events of bull riding, calf roping, saddle and bareback bronc riding.

Other officers of the organi-

zation besides Mr. Swenson are Gary Mathis, Vice President, Mrs. Lee Walker, secretary and Ray Kinney, treasurer.

Ticket sales chairman is James H. West. There will be a night show each evening at 8:00 p.m., and a matinee at 2:00 p.m. on the afternoon of the 4th. The opening day parade will be at 4:00 p.m. on Monday, July 2.

Conservation Viewpoints

USDA Soil Conservation Service

Assisting

Haskell Soil and Water Conservation District

The National Association of Conservation Districts, representing the Conservation Districts of America and the local officials who guide their daily actions, offers a Natural Resources Agenda for the 1980's. This statement represents our definition of what remains to be done in conservation, and the unfinished business which is most urgent. We present it to the people of the Nation in the hopes that it will inspire new debate, new policy, and new action to effectively manage our resources.

1. There must be a higher national priority for the conservation of the Nation's productive soil and water resources.

2. Natural resource conservation programs must be designed and implemented to take advantage of the willingness of private resource users to voluntarily carry out needed conservation measures.

3. Conservation program policies and budgets should be based primarily on the natural resource needs identified by the appraisal carried out under the Soil and Water Resources Conservation Act of 1977.

4. Federal natural resource programs must be altered to maximize the role of state and local governments and landowners in defining priorities, and carrying out action programs.

5. Conservation district legal authority and financial support must be strengthened in most states to provide the district staff and program implementation capability that will be needed.

6. National agricultural programs must be coordinated so that food, agriculture, and natural resource conservation policies will be linked together and provide appropriate private incentives to produce while still protecting resources.

7. More effective procedures for resolving conflicts over resource use are needed to reduce the amount of

paperwork, controversy, litigation and delay that has become common during the last decade.

8. Congress should establish a special dedicated revenue source.

9. Basic and applied research on natural resources management and conservation must be improved.

10. The National Cooperative Soil Survey must be completed as rapidly as possible to provide the basic information for many types of natural resource programs.

11. We need stronger national and local leadership in a concerted private-public, local-State-Federal effort to develop new policies and programs to encourage balanced rural and urban growth with less waste and misuse of natural resources.

12. The Nation needs new policies and programs - and a new commitment - to encourage the conservation and national development of adequate water supplies.

13. Non-consumptive uses and values of natural resources, whether for wildlife, recreation, scenic beauty or preservation must be considered in making resource management choices.

14. Through effective environmental education programs, every citizen - both student and adult - should have opportunities for classroom and field study to acquire the knowledge, skills, values, attitudes, and commitment needed to protect and improve the environment.

We will present more next week on A Resources Agenda for the 80's.

R.V. Earles, Chairman, Paint Creek

M.W. Phemister, Vice-Chairman, Weinert

BOARD OF DIRECTORS, HASKELL SOIL AND WATER CONSERVATION DISTRICT

Little League Mothers Schedule Ballgame

The Haskell Little League Mothers will be having a ballgame Saturday night following the announcement of the All Star Team.

Admission is free but a collection will be taken to help pay this year's expenses. Homemade refreshments will be served in the concession

stand and everyone is encouraged to attend. A very stiff rivalry between the Minor and Major Mothers has surfaced in recent years so the game should not only be fun but also aggressive. Come on out and watch the action. A spokesman for the mothers said that a doctor will be in attendance.

"Funny" or "Unfunny"

Law Enforcement Assistance Administration regulations are requiring that Lincoln County, W. Va.'s new jail have individual, carpeted rooms for each prisoner, each with outside windows with a view. And there can be no bars on the outside windows. Vandal-proof plumbing, regarded as essential in most jails, also cannot be installed under the federal rules. The open design of the jail—large recreation areas are required—also will require the hiring of at least four additional full-time deputies at a cost of about \$48,000 a year over the present payroll.

(Ben W. Block)
