Firemen Visit Haskell For Convention Activities Saturday

Members of the Haskell Volunteer Fire Department and Ladies Auxiliary hosted a full day of activities for about 200 visitors last Saturday.

The special event marked the 85th semi-annual convention of the Mid-West Texas Firemen and Firemarshals' Association.

Activities began Saturday morning with registration and open house at the fire station and continued throughout the day.

Special activities included a luncheon meeting for Ladies Auxiliary members, a general business meeting, hose races and a dinner and dance.

Members of the Ladies Auxiliary attending the convention were treated to a salad luncheon Saturday morning, hosted by the members of the Haskell Auxiliary.

Held in the First United Methodist Church, Haskell ladies chose a western theme for the event, carrying it out with red and white checked tablecloths sporting denim pockets which held programs for the afternoon. The setting was completed with western lanterns on

the tables accented by various other western items.

The luncheon was attended by 59 members and one guest of the Auxiliary, including 29 Haskell members and 2 State Officers. A collection of \$37.12 was donated by the group.

President Peggy Stephenson of Rotan presided over the business meeting. Auxiliary members approved the suggestions of an appointed committee, revising the by-laws.

New officers elected during the business session included: Nancy Trussell of Haskell, 1st vice-pres.; Rita Thompson of Rotan, 2nd vice-pres.; Betty Stocks of Haskell, chaplain; and Nene Comedy of Haskell, historian. The Auxiliary also appointed Mary Watson of Haskell to serve out the unexpired term of secretary-treasurer.

During the general business meeting, Fire Chief Bill Lawson of Stamford was elected 4th vice-president. Other officers include: Jackie Cannon of Merkel, president; Don Comedy, Haskell, 1st vice-president; Robert Harris,

Merkel, 2nd vice-president; Kenny Woods, Snyder, 3rd vice-president; and Tom Watson, Haskell, secretary-treasurer.

Door prizes donated by Haskell merchants were presented during the meeting.

Past presidents of the association were introduced. Three past presidents introduced were from Haskell. They were: Chief Tom Watson, Retired Chief Ray Lusk and Sonny Reynolds.

Rev. J. C. Amburn, pastor of First Assembly of God Church, presided over the memorial service. Special music was provided by Roberta High and Delight Jones who were accompanied by Ellen Rieger.

During the hose race competition Saturday afternoon, Haskell teams set the pattern and were not eligible for prizes. In a total of three men's races and two ladies' races, the Haskell teams posted the fastest times in all but one.

Chief Watson and members of the department expressed thanks to the many Haskell merchants and individuals whose help made the convention such a success.

Undefeated Hoopsters To Face Two Challenges

The Dallas Hoopsters lay their 30 game winning streak on the line Friday night at the Haskell High School Gym as they ride into town for two big games against local talent.

The undefeated Hoopsters composed of members of the world famous Dallas Cowboys football team will play against coaches from the Haskell area in the first game, beginning at 4:30, and against the Haskell Injuns, local all star athletes in the second game, beginning at 8:00 p.m.

The Hoopster lineup will consist tentatively of Drew Pearson, Jay Saldi, Doug Cosbie, Larry Bethea, Guy Brown, Benny Barnes, Mike Hegman, and the very good possibility of Ed "Too Tall" Jones and Tony Dorsett. The actual lineup will not be known until game time, but there will be at least 8 Cowboy players in attendance for the two games.

Tickets are still available at press time, but we urge you to buy your

tickets now in order to assure a seat. Approximately 1,000 tickets per game will be sold, first come first serve, and if they are sold out at game time, none will be sold at the door.

Several basketballs will be given away at halftime of the games, autographed by the Cowboy Hoopsters players, and special souvenir programs will be on sale, for autographs by the stars.

Radio Station KVRP in Haskell will carry the 8:00 game live on Stereo 95 for the big country listening audience who cannot attend, with Ellis Dean and Gary Barrett (shades of Howard Cossell and Don Meredith) doing the play by play.

The coaches lineup will be: Tom Lair, Bill Grissom, Gary Wilhelm, Randy Ivey, Tommy Thompson, Benny Grill, Jerry Lowry, Dan Slaughter, Leon Freeman, Jim Pope, Randy Stone, Max Calk, Jim Baldwin, Jimmy Lisle, Jim Dan Raughton, Jim Bob Mickler and Bobby Busby.

The Haskell Injun lineup will be: Phillip Cockerell, Jerry Jennings, Darrell Feemster, Martin Randle, Eddie Klose, David Drinnon, Donnie Skiles, Roy Lee Riley, Terry Blanks, Ervin Unger and Randy Phemister.

Referees for the game will be Sammy Larned and Charles Reed, with years of experience in calling basketball, with many other local people helping out in various ways. Area cheerleaders are to introduce and escort the Cowboys to the court, and the local band has been invited to entertain during breaks in the action.

Proceeds from the game will go to assist the Haskell Chamber of Commerce and Haskell County Jaycees in their various projects carried on throughout the year. Everybody please come out for this first time ever visit by the Cowboy Hoopsters to Haskell, and make this the biggest game ever in Haskell. Get your tickets early to get to the game.

Annual Aggie Muster Set For April 21 At Lake Stamford

Former students of Texas A.&M. University will assemble at John Kimbrough's cabin at Veda's Camp on Lake Stamford on April 21st for the annual Texas Aggie Muster. All former students and their families, parents of students and friends of Texas A.&M. are invited to attend.

This year's Muster chairman, Wallar Overton announced that Muster activities will begin at 6:30 with a Bar-B-Q meal, with the Muster and Roll Call immediately following. Anyone wishing to attend the Bar-B-Q should contact Mr. Overton at area code 817 864-2958 before Friday, April 17th or write him at Rt. 2, Box 325, Haskell.

Texas A.&M. is in its "Second Century of Greatness". During the

last 100 years, Texas A.&M. has grown from a small Land Grant College to one of the leading research and educational institutions in the nation.

The Aggie Muster dates back to the mid 1880's and has been held annually since. More than 550 Musters will be held around the world this year.

During wars, the Aggies Mustered in foxholes, on the battlefield, aboard ships, in airplanes and in medical hospitals. In World War II a Muster was held on Corregidor before the Japanese captured the island.

Every Muster Ceremony is the same.

The Texas Aggies pay their respects to all those who are absent

because of death. When the names of the honored dead are called from the Muster Roll, a friend of the deceased answers, "Here!"

Charges Filed In Haskell Clinic Burglary

Charges were filed April 6 against Raymond Lee Henderson, 39, of Lake Stamford, for burglary of a building.

Henderson is charged in connection with the March 21 burglary of the Haskell Clinic.

He was arrested April 5 in Stamford for the attempted burglary of the National Guard Armory.

AAM Members Protest Federal Grain Embargo

The American Agriculture Movement has called for a "Farmers Embargo" in response to President Reagan's announcement that he will not lift the grain embargo against Russia at this time.

President Reagan said that he would not lift the embargo against Russia as he had promised during his campaign because it might give Russia the wrong signals, considering their behavior toward Poland.

The next day American Agriculture Movement delegates from 34 states met and voted unanimously to call a Farmers Embargo to stop delivery of agricultural products. AAM Chairman Marvin Meek announced the group's decision at a press conference in Washington D.C.

The American Agriculture Movement decided to implement a farmers embargo as a mandate to Congress to enact legislation that will protect farmers and consumers alike. "Whether or not farmers can continue to feed the world is now up to the administration and Congress," Meek said.

Present policies have nearly killed the goose that laid the golden egg-agriculture. When farmers are forced out of business by low prices, where will America buy food? We are the breadbasket of the world."

"We don't have free trade. It doesn't exist. The talk about free farm markets is just a bunch of poppycock," Meek said.

"The only reason the embargo is being continued is because we have a short supply. The United States Department of Agriculture's own figures show that the supply is as low as it has ever been in history compared to consumption," Meek added. "Corn supplies have been reduced by two-thirds, sorghum by half."

Meek invited other farm

groups and individual producers to go along with the farmers embargo until a program for economic recovery of agriculture is implemented. "Five percent of the farmers going along is all it will take," he said.

"Russia got all the grain they wanted," Meek said. "The only difference is they paid higher prices for it from other countries, after the other countries bought it from the US. The people who got hurt the most were the American farmers."

"The embargo cost farmers a dollar a bushel," said Meek. "Three computer firms-Chase Econometrics, Data Resources, and Wharton Economic Forecast-projected commodity prices for 1981. Wheat, corn and soybeans failed to reach that mark by an average of a dollar a bushel."

"The embargo has cost the US economy \$21 billion," Meek said. "Last year, the US farmers produced 12 billion bushels of feed grains. The average loss per bushel is \$1.00. It is generally accepted that farm dollars turn over five times in the economy. That's \$60 billion loss in gross national product. At an average of 30% tax base, that's \$18 billion lost in taxes. Add the \$3 billion the government paid the grain companies for a total of \$21 billion in lost taxes and paid-out taxpayers dollars."

Candidate Reagan criticized President Carter harshly for calling the embargo, and promised farm leaders he would lift it "as a first order of business" after taking office.

"Farmers cannot continue to be the pawns of foreign policy," said Meek. "It is ridiculous when Russia can amass some troops around the Polish border and draw millions of dollars out of the US economy. Krushchev pounded his shoe on the table

at the UN and said Russia would conquer the United States without firing a shot. Unless the United States becomes a more astute trader, his prediction will come true."

"What's wrong with charging them a higher price for the grain they need?" Meek asked. "Or, if an embargo is necessary, why single out one segment of society-the farmers-to bear the brunt of State Department decisions."

"It doesn't make sense," Meek said. "At any rate, farmers cannot keep on producing and selling at below the cost of production."

"Some may say similar actions have been tried before and never worked," Meek said. "That's true, but it's never been tried under conditions we have today, with extremely short supplies and extremely low prices," USDA statistics show that by harvest there will be only a 16 day supply of corn, barely enough to maintain corn in the transportation pipelines from the farm to consumers. "The gravity of the situation can be compared with the present 12 day supply of food in Poland," Meek said.

"With another anticipated drought this year and failure of the administration and congress to provide a program of economic recovery for agriculture, we may be unable to provide enough to feed our country, let alone our friends around the world," Meek said.

Helming Has Dim View On 1982 Cattle Picture

Major keys for survival of the cattle business in the decade ahead will be flexibility, discipline and cost control, a nationally recognized livestock market analyst at College Station April 6.

Taking a tough look at the cattle industry, Bill Helming of Overland Park, Kan., said from the middle of 1982-and particularly from the early part of 1983 through 1986-the cost of production as it relates to owning and raising a cow and calf will exceed the value received.

Helming is president of Livestock Business Advisory Services, Inc., an independent market outlook, research and risk management consulting firm that serves virtually all phases of livestock production as well as many agri-business firms.

Helming was lead-off speaker for the Beef Cattle Short Course of the 1981 Texas Animal Agriculture Conference at Texas A&M University, April 6-7.

"Flexibility means that producers must know where they are in the cattle cycle. They should be flexible about using more forage and less grain and should think of themselves as a vital part of the food industry--a part that can adjust to consumer trends," Helming said.

The agricultural economist defined discipline as "having a constant plan of one to three years, and being able to take advantage of volatility in the marketplace."

Cost-control, or equity preservation, relates to the individual cow-calf operator figuring every way he can hold the line on costs.

Ag Use Values Save On Estate Taxes

Taxing farms and ranches according to their agricultural use rather than their fair market value can mean substantial savings to farm families on the death of the landowner.

Savings in estate taxes can be as much as 50 percent for those that qualify, said Dr. Lorence L. Bravenec at an Estate Planning Seminar held recently at Texas A&M University. The seminar was sponsored by the Texas Agricultural Extension Service of the Texas A&M University System.

The opportunity for farm and ranch families to reduce their estate taxes came about with Internal Revenue Code Section 2032 A enacted in 1976. The law set forth provisions for special use valuation for farms and ranches. Purpose of the provision was to help family farms survive financially and not be taxed out of existence, noted Bravenec, a Texas A&M professor of accounting.

For an estate to qualify, numerous requirements must be met:

1. The property must be used actively for farming or ranching.
2. The owner or a close relative must be actively involved in working the property.
3. The owner must have some "risk" involved or have an "economic interest" in the operation.
4. The property must pass from the decedent to a close relative.
5. It must be owned and used for agricultural purposes at least five years before the decedent's death.
6. The owner or a close relative must be paying self-employment tax and must work the land full-time or do all the necessary work if less than full-time.

Lundgren Named To Rolling Plains Cotton Growers

At a recent meeting of the Executive Board of Rolling Plains Cotton Growers, Inc. in Stamford, Mark Lundgren was named to the Executive Staff, according to A.D. May of Rule, president of RPCG.

At the present time Lundgren is a senior at Texas Tech University, majoring in Agriculture Economics and working as sales manager for Northern Star Seed Farms, Inc. He will assume his full time duties at the conclusion of this school term.

Mark Lundgren is the son of Mr. and Mrs. Leroy Lundgren, long time farmers in the Ericksdahl community of Jones County. His position calls for his efforts to increase the input and support from producers in the 32 counties making up the Rolling Plains. This position has been vacant

since Herman A. Propst of Anson resigned when he was elected president of the National Cotton Council Board.

Horse Industry Outlook

National enthusiasm for horses has been building for the past 20 years, gradually at first and now more rapidly, the director for public affairs for the American Horse Council told Horse Short Course participants at Texas A&M University, April 6-7. More than four million Americans own horses and spend more than \$15 billion in caring for them each year. It's going to take aggressive marketing and continued support to keep the horse business alive and growing, the speaker predicted.

4-H'ers Learn Fashion 'Smarts' In Abilene

April 4 found a note of spring in the air and 47 Haskell County 4-H'ers and leaders journeying to Abilene to learn "Fashion Smarts—How to Have Them". They attended the Annual Fashion Extravaganza sponsored by the Taylor County Extension Service.

Karla Mounce, County Extension Agent 4-H was in charge of the program held at Abilene Woman's Club.

Betty White of Aunt Betty's Rags began the program by talking to the girls about fashion and illustrating her points with fashions from her store.

Following Aunt Betty's talk, Mary Anne Lackey, Coke County Extension Agent, demonstrated how to decorate a hair comb. Each participant followed her directions and made a hair comb to take home with her. While she was demonstrating, Mary Anne gave the 4-H'ers pointers on accessorizing their wardrobe.

After a delicious lunch, those attending learned about hair design and make-up techniques and tips. Heather's Institute of Hair Design was in charge of this part of the program. The 4-H'ers and leaders were most interested in learning how to braid hair in several different fashions and how to apply make-up properly.

Door prizes were given, and one of Haskell County's 4-H leaders, Mrs. Charles Burnett, won a pair of scissors donated by Cloth World.

Other leaders attending from Haskell were Mrs. Ted Jennings, Mrs. John Smith, and Lou Gilly, County Extension Agent-Home Economics.

4-H'ers attending from Haskell were: Kristen Campbell, Tamra Burnett, Rebecca Holt, Sandra Thornhill, Robyne Weaver, Jill Jennings, Tammie Miller, Dana Hale, Leiza Morales, Shelly Baker, Holli High, Mindy Smith, and Dalyn Gilly and her little sister Kim.

Mrs. Gene Fischer of Paint Creek took 6 Paint Creek 4-H'ers with her: Kay Fischer, Rhonda Coleman, Temple Scott, Tammy Scott, Gena Calk and Sandra Patterson.

Rochester 4-H had 3 leaders, 6 4-H'ers and 2 friends of 4-H attending. The

3 leaders were: Mrs. Dean Quade, Mrs. Johnny Scoggins, and Mrs. J. D. Holmes. 4-H'ers attending were: Debbie Quade, Janet Quade, Jennifer Shaver, Kim Jones, Michelle Scoggins and Janette Holmes. The friends of 4-H attending were: Mrs. Pam Holmes and Mrs. Jaci Fischer.

Tauniya White represented the Rule 4-H Club.

Three of Weinert's leaders, Mrs. Tom Yates, Mrs. Tiffen Mayfield, and Mrs. Jerry Hester took 7 4-H'ers to Abilene. The 4-H'ers were: Kelly Earp, Laurie Hester, Tina Briscoe, Priscilla Turner, Karen McGuire, Stacia Adams, and Diana Carroll.

This trip was the beginning of the 4-H Clothing projects. Now, these leaders and other leaders will get busy helping these 4-H'ers make a garment for the County Fashion Revue which will be May 29 at Paint Creek.

Better Begin With Breakfast

BY LOU GILLY
County Extension Agent
Breakfast is not the favorite meal of a lot of people. Adults do not think much of not eating breakfast before they go to work; chances are they have a morning break when they can eat something to hold them until lunch. What about the school children in such a family where no breakfast is eaten? Remember children do not have a break at school in the morning during which they can eat a snack.

Studies show that well-fed children do better in school because they are more attentive in class and have less attendance and discipline problems. Skipping breakfast results in decreased efficiency in the late morning hours, a reduced work output, slower mental reactions, increased muscular fatigue and a poor attitude toward school work.

Around Town

Eloise Lane and Mary Frances McGaughy of Pampa were weekend guests of Grace Bisbee and Mayre Wiseman.

The Irises at the Cliff Dunnam's will be in full bloom this week and next week. Everyone is invited to go by and look at them.

Matt Perry and Thula Perry attended the 3rd birthday party of Kayla Perry in Garland over the weekend. Kayla is the daughter of Mr. and Mrs. Tommy Perry.

Hunger increases a child's nervousness, irritability and disinterest in a learning situation.

Did you ever think about what the word "breakfast" means? It means you've been fasting all night—and it's time to start refueling your body for the big day ahead. Food is the fuel your body needs to keep going. Refueling at breakfast helps many people to perform and feel better in the morning.

You don't have to eat bacon and eggs to be eating breakfast. With so many good things to eat, there's no reason why you can't eat a breakfast to suit yourself. Each person's food needs and likes are a bit different. Some people just naturally want and need more food in the morning than others. The main thing is to eat something in the morning.

Here are some ideas that might help get your family to start eating breakfast: Make extra macaroni and cheese for supper. Warm up the next morning. This is very easy especially if you have a microwave oven. Put an extra piece of fruit, cheese, or peanut butter and crackers in your child's lunch box. If there's not enough time at your house for breakfast, they can eat the extras on the way to school.

A piece of cream pie or a bowl of pudding would be just right for some children. This would be more nutritious than some types of pre-sweetened cereal.

If your child likes cheese, fix

him a piece of cheese toast or a grilled cheese sandwich. If you have a microwave and the child likes soft sandwiches, do this in your microwave oven. It will only take a couple of extra minutes to fix a very nutritious breakfast.

For a child who loves ice cream, fix a milk shake.

Any type of sandwich a child likes makes a good breakfast. These are just a few ideas. I have many more in the office. If you would like this information let me know and I will send it to you. My phone number is 864-2546.

Remember for a good start in the morning, my advice is, "eat something"—just juice is

better than nothing.

I found this recipe and wanted to share it with you. This could be eaten while getting dressed, while waiting on the bus, or in the car on the way to school. It would also make a good snack. Look for my article next week on nutritious snacks for children.

Homemakers Share Tips On Labeling Information

Extension Homemakers of the Josselot Club in Haskell met in the Extension Building April 7 at 2:00 p.m. with Dorothy Brown as hostess.

President Earmal Bevel called the meeting to order. Sec. Bamah Ivey called the roll with 14 members answering to "What do you look for on food labels?" The minutes of the last meeting were read and approved. Margaret Wall and Dorothy Trussell gave the council report.

Cookbook committee

Phylecia Bailey and Edna Anderson gave their report on ads etc. and collected \$2.25 from each member to advertise the club with names on a page in the new cookbook that all Homemaker Clubs in the county are compiling.

The next meeting will be with Margaret Wall May 12 at 2:00 p.m.

Fritz Manns and Margaret Wall presented an informative program on "Unit Pricing and Open Dating on Cans, Packages, Etc. of Food."

Unit pricing gives the price for a single unit of weight, measure or count of a product. Open dating refers to consumer-readable dates or code numbers printed on packages or containers.

Scheffel, Thomas United In Evening Ceremony

Deborah Kaye Thomas and Ricky Lee Scheffel, both of Lubbock, were united in marriage at First Baptist Church in Haskell, Saturday evening, April 11 at 6 o'clock. Officiating ministers for the double ring ceremony were Rev. David Bradshaw and Rev. Mike McKinney.

Parents of the couple are Mr. and Mrs. Lewis Thomas and Mr. and Mrs. Eldie Scheffel and the late Anna Merle Scheffel of Lubbock.

A prelude of traditional wedding music was presented by organist Miss Amy Medford. Vows were exchanged before an arched candelabra decked with greenery and white love birds. On each side of the arch were brass candelabras. The unity candle was in front of the arched candelabra. Gold baskets of pink gladioli, accented with rose and burgandy carnations completed the setting. Special pews were marked with pink gladioli and rose carnations with baby's breath, greenery and white bows.

Mrs. Doyle High, soloist, accompanied by Miss Amy Medford sang "Just the Way You Are." "Tara's Theme" was played during seating of the mothers, then "Twelfth of Never" was sung by Mrs. High.

Escorted down the aisle by her father, and given in mar-

riage by her parents, the bride chose a white formal gown of white sheer organza and Alencon lace over taffeta, accented with seed pearls. The dress was fashioned with a Queen Anne neckline and all lace empire style bodice and lace bishop sleeves. The skirt flowed into a chapel length train and was enhanced with Alencon lace and had accordion pleated flounced hemline. Her fingertip veil of illusion cascaded from her Juliet cap of Alencon lace and seed pearls and was edged with Alencon lace. She carried a cascade of fresh Carnia roses, gardenias and stephanotis with English ivy and baby's breath. She carried her white Bible, a gift from her parents in 1964, and a white linen and lace handkerchief she brought from Belgium.

The bride wore a sixpence in her shoe, bought while touring London, England. She wore on her finger, her father's original gold wedding band and her Mother's original wedding ring set of thirty years. Something new was her wedding dress, borrowed, a cameo pin, which she pinned on her sleeve, belonging to her sister, that she wore in her wedding, originally their late grandmother's, Mrs. J.H. Reding. Something blue, a blue garter, given her by her sister.

As the organist played "Somewhere Over the Rainbow" the matron of honor and bridesmaids came down the aisle.

Mrs. Michael Wollard of Oklahoma City, sister of the bride, served as matron of honor. Bridesmaids were Miss Vickie Scheffel, of Lubbock, sister of the groom, Mrs. Robin Colbert of Arlington, cousin of the bride, Miss Debbie Stubblefield of Lubbock and Miss Melissa Roberson of Plainview. They wore identical formal designed gowns of dalphine rose polyester with an empire bodice and spaghetti straps. The shoulders were covered by a chiffon capelet with vented details on the sleeves tied with narrow bows on either side and fell to a point in front and back. The skirts flowed into accordion pleats. Each carried cascades of burgandy and mauve silk azaleas, daisies and day lilies accented with forget-me-nots. Headpieces were halos of mauve azaleas and burgandy forget-me-nots.

Miss Kim McFarlin of Fort Smith, Arkansas, niece of the groom, wore a formal length dress of dalphine rose, fashioned with long sleeves, lace edged yoke and deep ruffle around the hemline. She carried a lace basket trimmed with burgandy streamers and scattered carnaria rose petals down the aisle. She wore a headpiece of burgandy silk roses.

Master Cody Wollard of Oklahoma City, nephew of the bride served as ring bearer. He wore a burgandy tuxedo with pink ruffled shirt and burgandy bow tie. His boutonniere was a pink rose bud. He carried a heart shaped lace covered pillow holding double gold wedding bands.

The groom wore a burgandy tuxedo with white ruffled shirt and tie, his boutonniere was a pink rose bud with baby's breath. Best man was Ronnie Waters of Lubbock. Grooms-men were Danny Scheffel of Lubbock, brother of the

groom, David Dugan of Breckenridge, Mike Gladden of Tyler and Alan Stidger of Dallas. They wore burgandy tuxedos and pink ruffled shirts and burgandy ties and boutonnières of mauve forget-me-nots.

Michael Wollard of Oklahoma City, brother-in-law of the bride, and Randy Scheffel of Lubbock, brother of the groom, lighted candles and seated guests. They were dressed identical to the groomsmen.

Mother of the bride wore a formal gown of burgandy polyester with lace bodice fashioned with long chiffon sleeves and lace cuffs, and sleeveless jacket. The skirt fell into accordion pleats. She wore a white orchid. Mother of the groom wore a formal gown of soft lavender Quiana with long sleeves and v-neckline. She wore a white orchid.

As the couple stood before the altar and preceding the lighting of the unity candle, Mrs. High sang "Whither Though Goest." The ceremony was concluded by prayer and presentation of the couple.

A reception honoring the couple took place following the ceremony in Fellowship Hall hosted by the bride's parents. They were assisted in receiving by their parents.

The bride's table was covered with white satin with a white lace overlay. All appointments were silver. The three tiered white wedding cake had columns which encircled a miniature bride and groom. The top of the cake had fresh miniature burgandy carnations, star burst poms, baby's breath, rice grass and statice, which held two love birds. The base of the cake was decorated with fresh burgandy miniature carnations, greenery and baby's breath. The silver epergne held the silk and fresh flowers of dalphine rose and burgandy. Matching clusters draped the lace cloth around the table. Punch was served from a

silver punch bowl. The couple cut the wedding cakes with an engraved silver knife, in the bride's chosen silver pattern, a gift of the bride's sister.

The groom's table was covered with a burgandy cloth accented with beige lace. A German chocolate cake was covered with marzipan grapes and slivered almonds. The centerpiece held burgandy and beige silk flowers. Mocha punch was served from a brass punch bowl. Brass butterflies complimented the setting. All appointments were brass.

The food table was covered with a burgandy cloth trimmed with beige lace and centered with a crystal compote filled with fresh strawberries and surrounded by marinated fruit. Trays of cheese, cold cuts and crackers were on either side of the table.

Members of the houseparty were Mrs. Robert McFarlin Jr., Fort Smith, Arkansas, sister of the groom; Mrs. Danny Scheffel of Lubbock, sister-in-law of the groom; Sarah Coatney of Levelland; Mrs. Jeff Olson of Graham; Mrs. Randall Carpenter of Lubbock; and Mrs. Randy Stone of Haskell. When the newlywed couple left for a wedding trip to New Orleans, the bride had changed into a kelly green poplin short-sleeved jacket dress with belt and navy and white trim. Her accessories were navy. Her corsage was a gardenia and pink rose buds and wore a gardenia in her hair. The couple will live at 7913A Albany, Lubbock.

Faith Imparts the Joyful Messages of Easter

Throughout the history of the world, there has never been a more dramatic episode than that memorable spring-time weekend of long ago, marked by the Crucifixion and the Resurrection. The terrible ordeal and ultimate triumph of that lonely Figure, unjustly condemned by His enemies and deserted by His friends, was an event to be remembered all through the ages; along with its lesson of forgiveness, proof of immortality and demonstration of God's love for mankind; evidenced by the sacrifice of His only Son to atone for our sins. Celebrate the joyful victory of life over death by attending the Church of your choice on Easter and every Sunday; and resolve to live your own life in a manner worthy of that most monumental sacrifice in all history.

Dear Editor:
As the wife of a retired member of the Haskell Volunteer Fire Dept., I gladly accepted a luncheon invitation that was hosted by the Ladies Auxiliary, Sat., April 11. The room and tables were uniquely and charmingly decorated. One could see that a great deal of time and effort had gone into these decorations. In as much that most of these ladies work, the results were greatly appreciated. The food, prepared by the

ladies was delicious, the atmosphere was friendly and hospitable. Altogether, a very enjoyable lunch.

The Citizens of Haskell and members of the Haskell Volunteer Fire Dept. should be very proud of their ladies. I am.

Sincerely,

Food For Soul Is CMS Devotional

Merilan Sue Holt hosted the Christian Missionary Society, Monday evening, April 6, in her home.

Suzanne Pollard, the president, conducted a most important business meeting, taking care of much business as it is almost the end of our fiscal year.

Cathy Garison gave a most inspiring devotion on "Food for the soul is more important than food for the body" using Luke 10; Ps. 46:10 and Matthew 6:33 as references. She closed with prayer.

Marjorie Pace directed the lesson study from "In Search of God's Ideal Woman" by Dorothy R. Pope. She made the point that women have a most important role to play in God's plans. She closed with prayer.

The hostess served very tasty Easter refreshments.

Easter Favorites

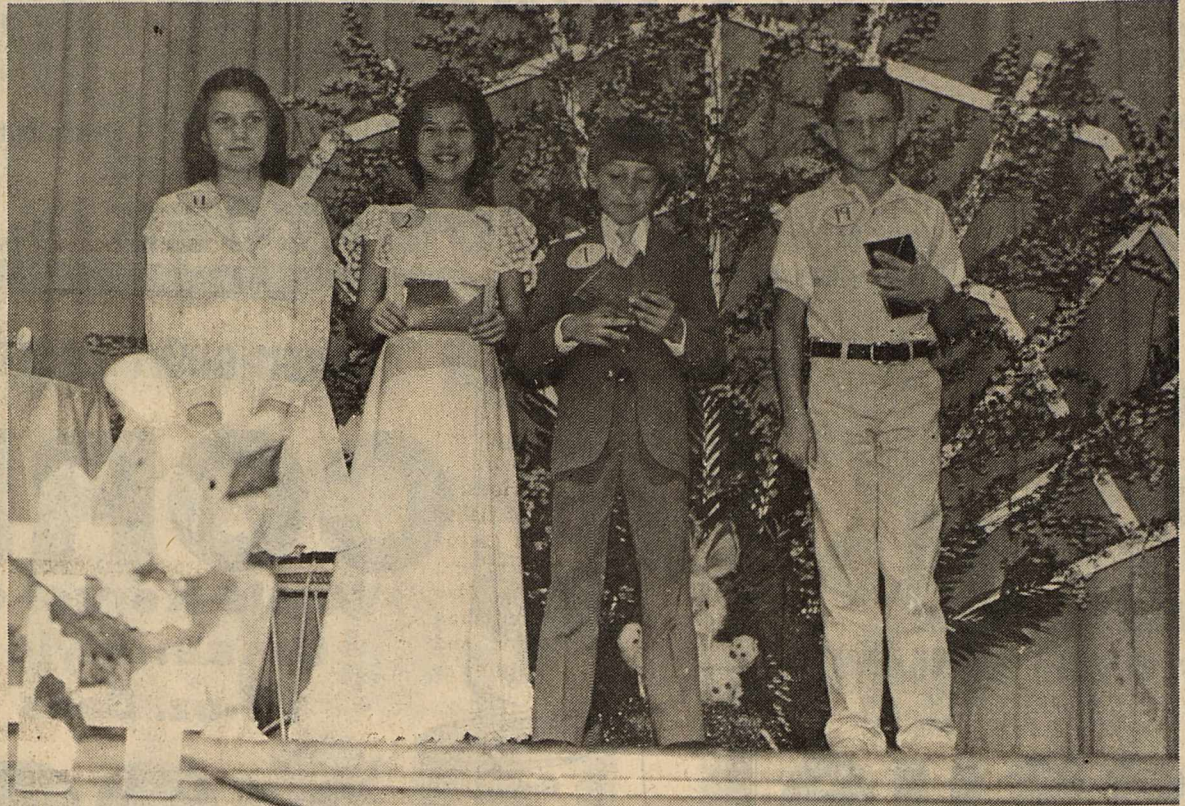

Three hundred proud parents and grandparents gathered in the Haskell High School Auditorium Friday evening to applaud area youngsters in the Easter Youth Debut.

Encouraged by the admiring "ooh's and ah's" of the audience, 100 children and youth ranging from tiny tots to teenagers strolled the stage decked in Easter fashions. The delicate holiday atmosphere was completed by the lovely garden setting; spring flowers entwined in lattice-work, lots of easter bunnies and eggs for the children.

Even Peter Cottontail (played by Sandy Clay) was on hand, hopping through to draw names for the 10 door prizes. The prizes were donated by Haskell area merchants.

Eighteen Debut winners were chosen in five divisions. The youth were judged on appearance, poise and stage presence. Younger winners were awarded stuffed animals donated by Kid's Duds and winners in the older divisions received gift certificates from the Haskell Chamber of Commerce.

Rice Springs News

I think that spring fever has truly hit many of us here at the home. For several days, most of us have been slow and draggy and really don't want to do anything that takes much energy. We have really been enjoying the nice warm days so that many can sit out on the porches and get some good fresh air. We really don't like the high winds, but I don't guess we can have everything that we want.

We were sorry that we lost Emma Humphreys in death. She was to have celebrated her 100th birthday on the day she passed away. We all here at the home extend our sympathy to her family.

June Smith and Jonnye Pumphrey have both been in the hospital since our last report, but we are happy to report that they have gotten to come back to the home. A.C. Boggs is a patient in an Abilene hospital and Hoyt Gray is in the Haskell hospital. We hope it won't be long before these two will be able to return.

We have welcomed another new resident to the home. She is Mayre Tubbs and she had been a resident of the home once before.

Beulah Ratliff and John Kuenstler have left the home and we wish both of them the best.

Our residents certainly enjoyed Bob Bevers coming by last week and entertaining us with his One-Man Band and his cute magic tricks. We appreciate him taking the time out of his schedule and doing this.

We had our party on

Monday night, April 6th, to recognize our "Resident and Employee of the Month." Ethel Bradford was recognized as our resident and Christene Green as the employee. Entertainment for the evening was provided by some young boys from the East Side Baptist Church. We certainly enjoyed their singing and piano playing. Refreshments were also served.

Our other volunteer people for the past couple of weeks were: the First Presbyterian Church for our Sunday morning services, the Church of Christ for Sunday afternoon services, Martin Jacobsen, William Hodge, Jo Simpson, Ruth Ann Klose, Myrtle Townsend, and the Sweet Home Singers. Thanks to these and others who so faithfully keep coming back and give of themselves.

Our out-of-county visitors were: The Sam Bradfords were visited by their son, G.A. Bradford, and daughter, Fay Cox, both of Peacock.

Lena Boedeker and Ella Nauert of Stamford visited Emma Lammert and Alvena Holle. Alvena was also visited by her niece, Pearl Schwartz of Snyder.

Laverne Papp and Donna Lasch of Yuma, Arizona visited Laverne's mother, Mary Bradley, and also Charity Bradley and Artie Bradley.

Visiting A.C. Boggs were Teresa, Mike and Vicky Brasher, all of Seymour.

Roland Rose of Abilene visited his mother, Ethel Rose, and aunt, Charity

Bradley. Hazel Letz of Old Glory came to see Jonnye Pumphrey and several more of the residents while she was here.

Agnes Bowman and Ada Snyder of Seymour came to see Trudie Bush and Charity Bradley. Also visiting Trudie were Raymond L. Sue, Dee Dee, and Roger Smith of Plainview, Janice Plummer of Saginaw, Mr. and Mrs. W.N. Smith of Denver City, and Aubrey and Ilamae Berry of Hamlin.

Visiting Emma Pueschel were Turner and Adele Grogan of Duncannonville.

Vera Baker of Hamlin visited her sister, Beatrice Livengood.

Lelia Hix of Wichita Falls visited her mother, Annie Jones.

Visiting Bill Harrell and Mae Brock were Raleigh and Nettie Brock of Fort Worth. Also visiting Mrs. Brock were Mr. and Mrs. Bud Blair of Weimer, California.

Mrs. Fred Glenn of Houston came to see Lillie Spitzer.

Visiting Nellie Ash were Mr. and Mrs. Harvie Furrh and Mr. and Mrs. DeWayne Furrh, all of Pampa, Brytis Chamberlin of Sherman, and Ella Chamberlin of Amarillo.

Opal Dunnam of Houston and Estella Breeden of Dallas visited with A.T. and Mattie Cook, John Earp, and several of the other residents. Also visiting the Cooks were Dalton Kirby and son and Mr. and Mrs. Fred Aycock, Jennifer and Angela, all of Abilene.

Margaret Barnes and W.O. Smith, both of Dallas, and Lois and E.G. Post of Abilene

visited Alma Cole.

Mattie Hines was given a surprise birthday party on her birthday, April 5th. It was held at the Bank Community Room. She said she saw many friends and relatives that she hadn't seen for a good while as there were over eighty people who attended the party. She reported to me that she had a very good time.

Dutch Cross has also had a birthday since our last report. He celebrated his on April 6th.

Visiting Eunice Stewart were Floyd and Beth Stewart of Seymour, and Melba Stowe and Mayme Burnett, both of Olney.

Ophus, Frankie, and Nita Posey of Knox City visited Edna Collins.

Mavis Williamson of Plainview has been visiting with her mother, Nannie McCaul and her mother-in-law, Ada Williamson. Also visiting Ada were Mr. and Mrs. Lynn

Williamson of Oklahoma City, Okla.

Visiting Beulah Persons were Mr. and Mrs. George H. Housen, Jr. of New Orleans, Louisiana and Brytis Chamberlin of Sherman.

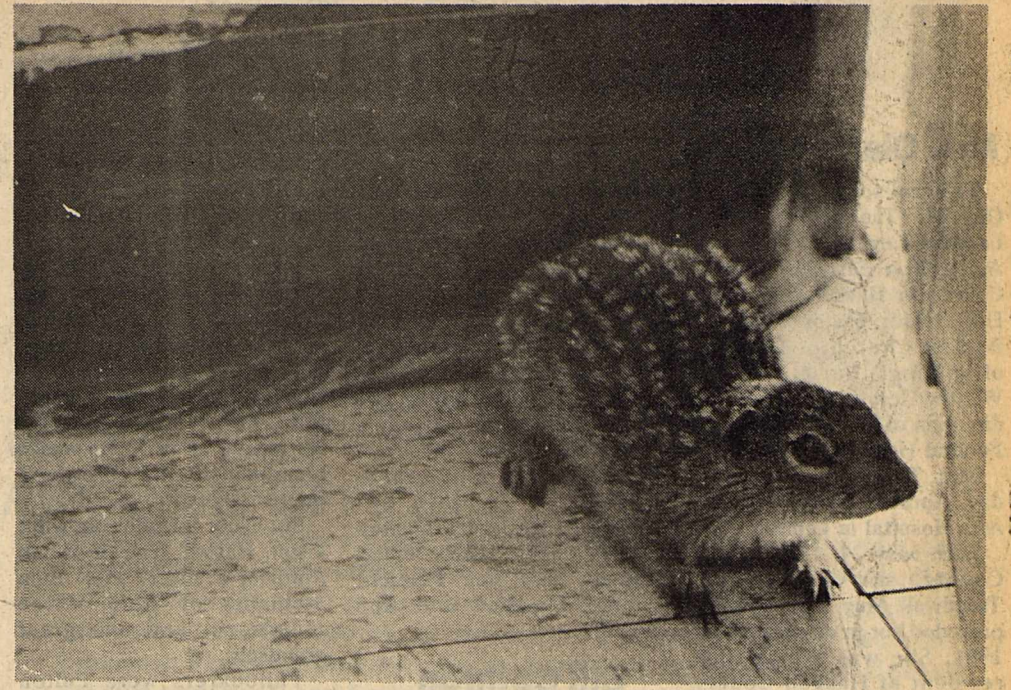

Mr. and Mrs. Raymond Stuart of Bremond visited his mother, Minnie Stuart, and aunt, Eunice Honea.

Mary Smith was visited by her daughters, Pauline Gruben and Billie Hubbard, and also Mr. and Mrs. Tim Smith, Brian and Jamie, all of Weatherford.

Mr. and Mrs. Herbie Wood of Jacksboro visited Mary Bradley.

Myrtle Gauntt enjoyed the visit of her daughter, Mary Frances Townsend of Abilene.

That's the news for this time, but before we close, we want to wish everyone a very happy Easter and let's not forget what it really stands for.

SQUIRRELLY VISITOR

A 'squirrely' visitor was caught unprepared Monday in the Haskell Post Office. When informed by Haskell Postmaster Joe Alves that postal rates had increased the reply was, "Aw nuts".

Local Leaders Announce Democratic Fund Raiser

Congressman Omar Burleson and local Democratic leaders announced Tuesday a special fund raiser for April 23rd at the Abilene Civic Center. It is titled: "An evening with Our Representatives." The reception is to begin at 5:00 p.m. Tickets are \$10.00 each. Tickets are \$100 per couple and are available for a dinner planned for later in the evening.

Congressman Burleson will be joined by Congressman Charles Stenholm in hosting several from Washington D.C. as well as state officials including Senator Grant Jones and Representatives Gary Thompson and Walter Grubbs. Congressman Kent Hance, who serves on the Ways and Means Committee, Congressman Dick White

from Armed Services, and Congressman Jack Hightower of the Appropriations Committee are to be in Abilene for this event which is designed to give local citizens an opportunity to learn more about trends in the Democratic party and discuss future needs. All these congressmen have been active in the Conservative Democratic Forum led by Charles Stenholm.

"I have been a lifelong Democrat," Congressman Burleson said. "In recent years, I have been very concerned about the direction of our party. I want to do what I can to insure that we are always the party of the people."

Tickets for both the reception and dinner are available at 302 Chestnut, telephone

#673-3792, or Box 3819, Abilene, Texas, 79604.

Proceeds from these events will be divided between the Texas Democratic Party and the Taylor county organization.

Charles Scarborough, local attorney and member of the State Democratic Executive Committee added: "We want to have local funds available in 1982 to open a headquarters to help Senator Bentsen, Charles Stenholm, and others nominated in the primary."

Congressman Charles Stenholm recently said, "We are convinced that unless our party changes directions, we will become the minority party in the U.S. House of Representatives in 1982. I urge everyone to take an active part."

She married Lewis Joseph Sherrill of Haskell, who for many years was Dean of the Louisville Presbyterian Seminary. At the time of Dr. Sherrill's death, he was serving as professor of Religious Education at Union Seminary in New York while Mrs. Sherrill was active in the mental health academic community.

Lewis Sherrill was a native son of Haskell, among the first candidates for the ministry to be sponsored by the Haskell Presbyterian Church of which his grandfather, the late Richard E. Sherrill, was the first regular minister. Dr. Sherrill's father, R.E. Sherrill, was one of the first ruling elders of the local church and was the author of "The History of Haskell County" which he finished in 1936, but which was not published until 1965, some 24 years after his death.

Helen and Lewis Sherrill visited often in Haskell, always including on their agenda a trip to Double Mountain, Rice Springs and Kiowa Peak in order to bring their Kentucky children a knowledge of their Texas and Haskell heritage.

Together, Helen and Lewis Sherrill collaborated in the writing of a score of books on Adult Christian Education, including "Guilt and Redemption," "Family & Church," "Lift Up Your Eyes," and "A Struggle For the Soul." Many of these books are still required studies at Presbyterian theological seminaries.

Their son, John, has carried on the Christian literary tradition with many of his own books one of which, "They Speak With Other Tongues" has been widely acclaimed in the Christian community.

Along with his wife, Elizabeth, he has published books

and articles which have appeared in "Saturday Evening Post" and "Guideposts" where they have worked in close association with Leonard and Catherine Marshall LeSourd. They have also co-authored such contemporary Christian classics as David Wilkerson's "The Cross and The Switchblade," "God's Smuggler" with Brother Andrew, and "The Hiding Place" with Corrie ten Boom. The John Sherrill are currently owners and editors of the "Chosen Books" publication firm.

Helen and Lewis J. Sherrill dedicated a quarter of a century to the Louisville Presbyterian Seminary. In November of 1949, action was taken to express appreciation for the contribution to the training and nurture of this ministry. The Alumni Association sponsored the raising of an endowment fund, "The Helen and Lewis Sherrill Memorial Library Foundation," "bearing witness to their outstanding contribution as scholars who know how to use accumulated knowledge and have contributed creatively as scholars and authors to that store of knowledge."

Relatives who were saddened at the news of Helen Sherrill's death are: B.C. and Mary Sherrill Chapman, Mr. and Mrs. Charles Lewis Chapman, Carrie Sherrill Williams, Mrs. Tommy Davis, Carolyn W. Pippin, all of Haskell; Lucille Taylor Sherrill, Abilene; Mr. and Mrs. Wm. Phil Shultz, Richardson; Mr. and Mrs. Donald Sherrill, Okmont, Pa.; and Mr. and Mrs. R.E. (Dick) Sherrill III, Houston.

Donations Needed For New Dorm

The largest dormitory at Girlstown USA in Whiteface burned April 7, and donations to replace the facility are urgently needed.

The dorm housed 55 girls and the structure, and all contents were destroyed in the fire.

The facility is operated entirely by donations and receives no State or Federal aid.

Donations of clothes and furnishings will be appreciated but the urgent need is for cash to replace the building.

Donations can be sent to Girlstown USA, Box 35, Whiteface, Texas 79379 or given to Mrs. Kenneth Sams, 1305 N. Ave G, Haskell.

Comptroller Representative To Visit In Stamford April 22

Comptroller Bob Bullock announced he is sending a representative from his Abilene Office to Stamford on April 22 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Mary Sue Waldon will meet with local taxpayers at the Stamford City Hall Conference Room from 9:00 a.m. until 10:00 a.m. "If Haskell and Stamford

area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mary Sue Waldon will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to

meet with his representative on April 22 that they can still get their questions answered quickly by calling his toll-free information number in Austin. That number is 1-800-252-5555.

The Abilene office, headed by James Martin, serves Taylor, Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Mitchell, Mills, Nolan, Scurry, Shackelford, Stephens, and Stonewall Counties.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

I would like to write again about the Board of Education. I would like to use this media to express mine and the community's appreciation to the two retiring school board members, Raymond Andrada and Johnny Wheatley. Raymond has served on the School Board almost 10 years. He was always an astute observer of the school program with a strong interest in improvement. Johnny served only one term, but it was a term filled with change. Johnny, with his sense of humor and keen business instincts, was a valuable asset to the school system. I would like to express my personal thanks to these two fine gentlemen for their service and dedication to the school system.

Also, I would like to express my congratulations to the two winners in the recent trustee election, David Frierson and Max McMeans. I am looking forward to working with them

in our common endeavor to make Haskell ISD the best school possible. People who are willing to make the effort to serve on the school board are the key to success of the school. We appreciate them and their dedication.

I would like to say thank you to the other candidates for their interest in running. I was truly thrilled to have six such worthy candidates running for election. This interest tells me that people are truly concerned about their children and their education. The voter turnout of 262 was truly appreciated. To me, by your vote, you express your interest in the future of our schools.

Funny or Unfunny

FROM THE 'I ALREADY KNEW THAT' DEPARTMENT. When Elizabeth Ray, a "secretary" for then Rep. Wayne Hays of Ohio, was making headlines for her torrid affair with the congressman, the world learned she couldn't type. Now it turns out, the government has a policy of hiring secretaries who can't type. Until recently if you wanted a typing job with the government, you had to be able to prove you could type 40 words a minute, with no more than three errors. That seems reasonable, since private industry requires 60 words per minute, but the Office of Personnel Management found that nearly half of the job applicants could not meet the minimal standards. So, the agency did away with the test and substituted a system called "self-certification." The job seeker tells the agency how well she types and the agency accepts her word for it. Nice for the applicant. Not so nice for the taxpayer—who subsidizes the inefficiency.

HASKELL, TEXAS U.S.A.

Production 'Texas' To Begin Season In June

"Texas", the show of flags, the show of reminders of the roots of our nations, will open for the sixteenth season on June 17 and run through the 22nd of August, 1981. There will be performances nightly except Sundays and one Sunday performance July 5.

Since flags are the symbols of our story, you will find them flying high over the entrance to the theatre grounds. You will see one on the high hill behind the dining areas. And you will see them in the show, six of them, the Spanish, the French, the Mexican, the flag of Independence, the Texas flag and that of the Nation.

The marchers carry them in fascinating formation.

The dancers weave around them.

The rider carries one to the top of the cliff where he overlooks the audience six hundred feet below.

And at the end, the riders gallop around the road letting them stream out behind as the horses run.

"Texas", the romance of Panhandle history, plays in the beautiful Palo Duro Canyon half an hour away from Amarillo and Canyon, in the Panhandle, near seven important US highways. The theatre is on the floor of the canyon and performances start at 8:30 p.m. nightly.

Barbecue dinners are served each evening before the show.

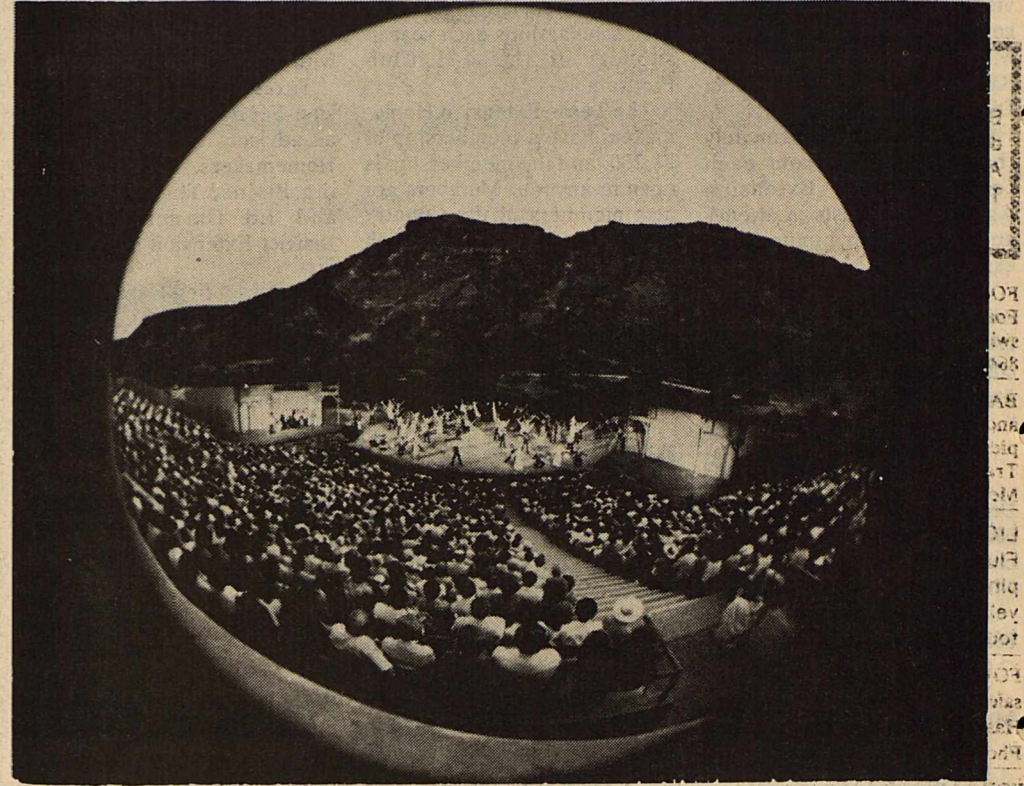

Admission to the park is free to theatre goers after 6:00 p.m.

There is nightly bus service

from Amarillo and Canyon both.

For tickets and information write "Texas", Box 268,

Canyon, Texas 79015 or call 806-655-2181. It is well to make reservations far in advance for choice seats.

TEXAS

Overture to "TEXAS", the musical drama by Paul Green which plays in the summers in the Palo Duro Canyon. For tickets write Box 268, Canyon, Texas 79015 or call 806-655-2181.
