

Bull Town Bulletins

By
Bill Ellis

AS YOU WILL BE able to tell by reading this issue, the year 1984 is a political year, not only on the national level, but also on the state and local scene.

Several political announcements are being printed in this issue, and there will doubtless be others before the filing deadline has passed.

Voters registration cards were mailed out this week by Hugh Moseley, the county's voter registrar. Those who have voted in recent elections should have received one of the voting cards, but if you are new to the area, or are just eligible to vote, you may need to contact Moseley and see about getting your card.

It will be necessary to have your voter registration card in order to vote in the 1984 elections, so in the event that you do not receive yours in the mail, it might behoove you to check and be sure you are registered to vote.

A VISITOR here in our office this week was Don Richards, who is a candidate for the U.S. House of Representatives--the office being vacated by Congressman Kent Hance, who is running for the senate.

We have known Richards for some time. He at one time was the editor of the Hereford Brand, and has quite a background in the news and communications business.

Richards says he feels that the farm economy will be a big issue in the political races in this area. He says he knows and realizes that the farmers have been up against it in recent years, and knows that in an agricultural community the farmer's success is vital to the community's survival.

GROWING UP AS we did in West Texas, we have always heard about "Texas Tall Tales." But we have decided in recent years that the state of Texas doesn't have the corner on the market when it comes to tall stories.

For example, ye editor has an uncle in Tennessee, Austin Ellis, who has a story for almost every occasion. Recently, Uncle Austin sent us this one:

"When I was a boy in Crockett County, Tennessee, we had an old gentleman in the community with a long handlebar mustache, and he said there was a cypress tree down in the Forked Deer River bottom below Humboldt that was so tall it took him and his brother both to see to the top of it.

"He said he looked as far up as he could, and his brother set in where his eyesight stopped and looked the rest of the way to the top!"

"I know this is the truth," Uncle Austin says, "Because I saw the stump the tree was cut from, and I can show you where the stump rooted out."

No wonder Texans have become known as tellers of tall tales. It begins to appear that they have to spin their yarns a little larger than the average, just to stay in the ball park with everyone else.

Meeting Set

There will be an organizational meeting of Emergency Medical Technicians (EMT) held Monday, January 23 at the First United Methodist Church. Classes will continue through the month of May and will be held Tuesday and Thursday evenings at 7 p.m. at the Methodist Church.

The cost of the classes will be \$45 per person and at that time participants will receive 100 classroom hours and 20 hospital hours.

In order for the classes to be held, a minimum of ten students is required.

If you would be interested, call Larry Mitchell at 238-1678 or Don Spring, 238-1552.

FIRST BABY... Traci Lynne Sherrill is Bovina's first baby for 1984. She is the daughter of Steve and Trish Sherrill of 603 Boyce Street, and was born Friday, January 13.

Card Project Pays Off Clinic Land Debt

The Project Christmas Card fund that is sponsored by the Bovina Woman's Study Club had its beginning in December 1981.

All proceeds from the project went for the land fund of the Bovina Clinic.

It was reported at that time, \$1784 had been secured for the land fund but an additional \$3,000 was needed to meet the financial obligations. Contributors donated money through the First State Bank and names appeared each year in the Christmas edition of the Bovina Blade.

The Women's Study Club is happy to announce that this year's drive

took care of all the indebtedness and they are grateful to each one who has helped to make this a reality.

Several names of those who contributed were published in the Christmas issue of the Blade and the remaining names were turned in this week to the Blade office and they were as follows: Mrs. E.M. Ware, Ronald and Edna Minyen, Dale Turner, E.D. Snodgrass, F.M. and Nellie Crook, Don Spring family, Mr. and Mrs. W.M. Sudderth, Billy, Paula and Stacey Whitecotton, Martha Garner, Mr. and Mrs. A.L. Glascock, Fred and Artie Faye O'Hair, Sonny and Dot Roach, Leslie and Rose McCain, Vernon, Frances and Carl Willard.

This year's project brought in \$840.00 and it was enough to retire the debt. This was the subject of importance at the regular meeting of club members on January 12 at the First State Bank Community Room.

The next meeting will be held February 9 at the home of Rose McCain with Esta Lee Lide assisting her as hostess.

First Baby Of 1984 For Sherrills

The first baby born in the Bovina Community for 1984 was Miss Traci Lynne Sherrill. She is the daughter of Steve and Trish Sherrill of 603 Boyce Street, Bovina.

Traci Lynne was born at 1:45 p.m., Friday, January 13 in the Clovis High Plains Hospital. She has an older sister and brother, Melissa and Scott.

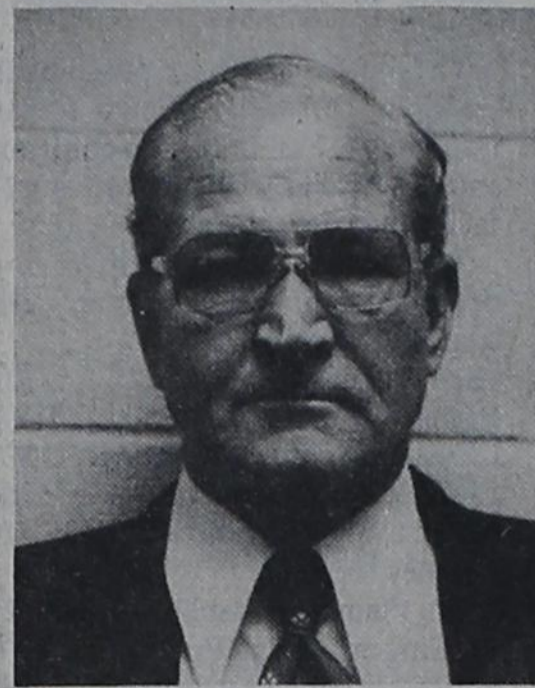

Grandparents of the new baby are Mr. and Mrs. Jay Sherrill and Mr. and Mrs. Charles Hall, all of Bovina. Great-grandparents are Bessie Hall of Clovis and Olga Lowry of Albuquerque, New Mexico.

Traci Lynne's birth weight was eleven pounds, four ounces and she measured twenty-three inches long. The baby's weight topped the record at Clovis High Plains Hospital since the new hospital has been in existence.

Trish and Traci are fine and came home from the hospital Monday of this week.

STORM HITS... Old man winter gave all the evergreens a natural flocking Tuesday, as the area received three to four inches of snow. The snow continued throughout the day, and was expected to last several days across a broad area. Icy streets and highways posed a problem for travelers.

BILL MORGAN

Morgan In Re-Election Statement

M.C. (Bill) Morgan this week authorized the Bovina Blade to announce his candidacy for re-election as Sheriff of Parmer County, subject to the Democratic primary.

"With over 25 years experience in law enforcement, 12 years with the Parmer County Sheriff's Department, including the last three years as your sheriff, I feel that I have shown the citizens of Parmer County that I am qualified, willing and capable of serving them," Morgan said.

Morgan said that for the last three years, the Parmer County Sheriff's Department has continually had a higher clearance rate, of all crimes, than the state average. "I feel this shows that we are qualified and capable," he added.

"While serving as your sheriff, I have continued to keep the Parmer County Jail certified with the Texas Commission on Jail Standards at a minimum cost to the taxpayers and actually cut the cost of the daily operation of the jail," Morgan continued.

"I want to continue to be your sheriff and if re-elected I will continue to serve the citizens of Parmer County to the best of my ability and I ask your support in the Democratic primary," he concluded.

(Pd. Political Adv.)

Commissioners Okay 5 Per Cent Pay Hike

Parmer County Commissioners, meeting in regular session on January 9, approved a five per cent salary increase for county officials and employees for 1984.

A proposed holiday schedule was approved for the calendar year. Holidays will be observed on Memorial Day, Independence Day, Labor Day, Veteran's Day, Thanksgiving, Christmas and New Year's.

The 1984 terms of court were established, with the January term running January 1-June 30, and the July term running July 1-December 31.

After considering a request to change the method of payments to county fire departments, according to the number of rural calls each department makes, it was decided that this method could present problems. Motion was passed to make equal payments to the four county fire departments, of \$3500 each, as has been done in the past.

Final bill was received from Westar Transmission Co., for lowering an eight-inch pipeline crossing proposed FM 3333. The bill amount was \$4,843.22, and included actual time and material for the job.

The quarterly report of county finances was approved, with stipulation that it be published in the county's three newspapers.

Boarding care bills for the county's foster children were approved, in the amount of \$1,865.10. This amount will be reimbursed to the county. It was pointed out that three of the children have been adopted, and their expenses will no longer be charged to the county.

Attorney fees were approved by Richard Collard, for representing three juveniles.

Albert Smith had offered \$186.95 for used irrigation pipe at the courthouse, and this was accepted.

Deckard Equipment Co. of Amarillo had offered a time payment contract on a new motor grader ordered for Precinct 4. The contract was approved. Of the total, \$50,000 is to be paid at the present time, with the balance paid out in five yearly installments.

Motion was made to advertise for the purchase of a new car for the sheriff's department, but the motion died for lack of a second and was tabled.

Bill Sarpalius Makes Re-Election Statement

State Senator Bill Sarpalius, the Panhandle lawmaker from Canyon, said Tuesday he would seek re-election and officially became a candidate in the Democratic Primary set for May 1. He also said he has some new objectives to pursue.

Sarpalius has achieved state-wide recognition for his efforts to pass strong driving while intoxicated legislation. That legislation is now in effect and the Department of Public Safety says it is already helping to lower the state's accident rate.

"I am proud to have had the opportunity to lead the fight for stiffer penalties for intoxicated drivers. The very awareness of the problem has helped to save lives. The future of our children is a little safer because of it," Sarpalius said.

Sarpalius noted that it was on the same date in 1980 that he first announced his candidacy to the Texas Senate.

When we announced our candidacy four years ago, we promised to work hard and to try our best to represent the people on a local level. He put a mobile office on the road to make sure the people had an opportunity to speak at the local level. The mobile office travels regularly throughout most of the towns in the 29 counties on a monthly basis, visiting almost every town once a month. To know the needs of our constituents we need to keep in touch with them on a grass-roots level.

"We have worked hard to represent the people by passing legislation the people of the Texas Panhandle and South Plains strongly supported such as the DWI bill, raising the legal drinking age, establishing the gasohol industry, outlawing dogfighting, establishing a work release program to help with our overcrowded prisons, establishing state standards for emergency medical services, strengthening criminal trespass laws, establishing a commodity assessment program for agriculture, and legislation to help stop the storage of high level nuclear waste in the Panhandle.

In the past four years, Sarpalius has served on the Senate Committees of Natural Resources, State Affairs, Education, Economic Development, Human Resources, the Sunset Commission, and as Chairman of the Agriculture Subcommittee.

Lt. Governor Bill Hobby was impressed with Sarpalius' efforts at conservation and protection of the environment and named him as one of two Texas legislators on a national legislative committee to monitor the disposal of high level nuclear waste. Sarpalius is also a member of the National Committee on Agriculture.

Sarpalius said, "We have tried our best to be an effective State Senator for the past four years but there is still much work to be done." Sarpalius pledged to continue to work on water legislation, such as the establishment of the Buffalo Lake Water District, to conserve the water that we have as well as a long-range water importation program.

Top Feather Entry Noted

Bob Harmon of Portales, N.M., turned in the county's champion pheasant tailfeather during the 1983 pheasant hunting season, it was revealed this week.

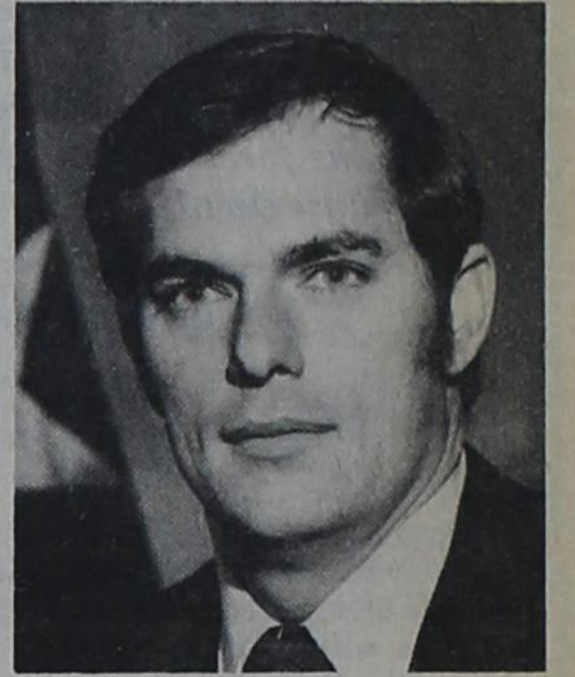

Harmon entered his feather at Farwell. The winning feather measured 26 and 3/8 inches.

Terry Jesko of Lazbuddie, whose entry was turned in at Friona, had a feather measuring 26 1/4 inches.

Doyle Garner of Bovina had to settle for third in the county, although his feather entry measured 26-3/16 inches.

Most years, a feather of under 26 inches has won the contest, and this year for the first time the winners at all three local contests topped that measurement.

The 1983 contest entries were verified by County Judge Porter Roberts and Sheriff Bill Morgan.

BILL SARPALIUS

Sarpalius also promised to continue to help business and industries throughout the 31st District. Without a strong surge from our businesses, the security that comes from jobs will evaporate.

I can think of no two subjects that need more attention than water and the economy. There are things that can be done, and I will dedicate my efforts to making positive proposals that will help the Panhandle and the whole of Texas," Sarpalius said.

Sarpalius was joined at the news conference by his wife, Donna.

STEVEN K. HILLOCK

Hillock Is Candidate For Sheriff

Steven K. Hillock, a resident of the Oklahoma Lane area, has announced that he will be a candidate for Parmer County Sheriff, subject to the Democratic primary in May.

Hillock, 38, served 12 1/2 years in the U.S. Navy and Army, including a tour in Vietnam. While in the service, Hillock served as a Military Policeman. He completed courses in psychology and sociology while in the service.

Born and raised in Parmer County, he is the son of Vernon and Julia Symcox.

In 1977 he was hired by then Sheriff Charles Lovelace as a jailer and night dispatcher. Since then he has worked as a police officer, city marshal deputy sheriff and undercover officer at Tulia, Dumas and Walnut Springs.

He received a number of medals while in the service, including the Vietnam Campaign medal and purple heart medal.

While in Vietnam, he served as guard commander, caring for 86 guards and approximately 380 prisoners.

District Judge James E. Morgan of the 220th Judicial District, says, "Based on my personal experience and observations of Mr. Hillock, I can give my wholehearted recommendation as to his ability as a peace officer and his dedication to his job. Additionally, I would advise that I have a great deal of respect for him as a person and based upon communications I have had with other people who have known him longer, I feel that he generally enjoys a good reputation."

(Paid Political Adv.)

STUDY PLANS....Michael Carr, manager of Deaf Smith County Chamber of Commerce, and Toni Shakocius study maps and plans of the proposed formation of the Golden Spread Electric Cooperative. Spurred by rapidly rising wholesale power costs, the formation of the cooperative should insure more competitive electric rates for many years.

Ten Cooperatives To Form GSEC

Ten rural electric cooperatives have announced plans to form the Golden Spread Electric Cooperative, Inc. The offices will be headquartered in Amarillo, Texas and a manager will be employed within a month. The officers and directors include James T. Hull, president; Alton Higginbotham, vice president; R.L. Elliott, Jr., secretary-treasurer. Other Board members include John Norman, Connie Gupton, Pat McAlister, David Pruitt, J.C. Roberts, Lyle Robinson and Delbert Smith.

The initial function of GSEC will be to seek new, expanded and more competitive sources of wholesale electric power. The move was necessary because of recent dramatic increases in wholesale power costs and the peculiarity of the cooperatives individual electrical loads in service areas from Colorado and Kansas to the South Plains of Texas, and from Oklahoma to New Mexico. The cooperatives serve a total of 43 counties, 80,000 meters, 125,000 people, and have approximately 33,000 miles of line requiring an annual demand of 535 megawatts of power.

Wholesale power costs have increased in the past ten years from

50 to 80 per cent of the total cost of electric service to the distribution cooperatives. This new electric cooperative was organized to make a significant long term impact on the cost of wholesale power.

The cooperatives will continue to work with and look to its present power supplier, Southwestern Public Service Company, as the primary furnisher of electric service.

The ten participating cooperatives are: Bailey County Electric Cooperative, Muleshoe, Texas; Deaf Smith Electric Cooperative, Hereford, Texas; Greenbelt Electric Cooperative, Wellington, Texas; Lamb County Electric Cooperative, Littlefield, Texas; Lighthouse Electric Cooperative, Floydada, Texas.

Also, North Plains Electric Cooperative, Perryton, Texas; Rita Blanca Electric Cooperative, Dalhart, Texas; South Plains Electric Cooperative, Lubbock, Texas; Swisher Electric Cooperative, Tulia, Texas; and Tri-County Electric Cooperative, Hooker, Oklahoma.

Each will be joint owners in the project and today have total combined assets of 215 million dollars.

Letter To The Editor

Dear Editor,

I'm writing this letter in behalf of the Bovina Lions Club to express our appreciation of the local farmers for cooperating with our club in the recent pheasant hunting program. This program was planned to enhance the various facilities in our own community as well as to enable us to contribute to worthwhile organizations throughout the Panhandle of Texas.

The monies that were raised by the program this year will go toward improving our local baseball and softball field as well as improving the facilities in the city park.

The following is a list of various organizations that our club contributed to in 1983:
 High Plains Eye Bank \$393
 Easter Egg Hunt \$89.55
 Christmas Candy & Lighting ... \$295
 Livestock Show \$644
 Lions' Crippled Children's Camp \$100
 Journey for Sight (High Plains Eye Bank) \$210
 Sr. Citizens Paving Program .. \$1,000
 Softball & Little League Program \$905
 Girlstown, U.S.A. \$100

These are some examples where a good pheasant hunting program can help our cause.

We are looking forward to next year for a larger program of this kind to enable us to do more for our community.

Sincerely,
 Durward Bell
 President, Bovina Lions Club

Rene Alonzo Is Stationed In Hawaii

School Corner

By Ace Reid

By BOB OWEN

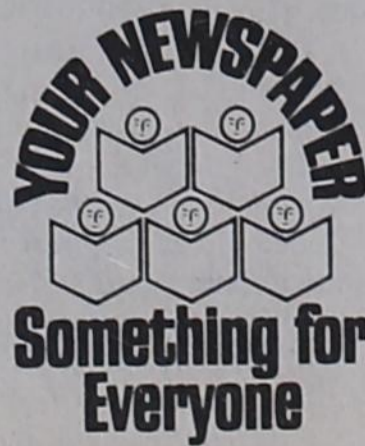

Since 1979 extensive study has been made to determine the effectiveness of schools. According to these studies it seems that the greatest single predictor of an effective school is common goals between teachers, administrators, students and parents. It seems to be very critical that these four groups of people be together in what they expect schools to accomplish.

Another very important characteristic of the effective school is high teacher expectation. Teachers must demand excellence from students. Hand in hand with this is high expectation on the part of the parents. We must all get back to the place where we expect students to be successful.

In effective schools, teachers spent more time on instruction and students spent more time on learning tasks.

These characteristics do not completely represent the effective school, but they are none the less essential to provide the kind of education I think we all want for our kids.

We have a fine group of teachers in Bovina who are diligently striving for excellence. Let's all get behind them and let them know that we appreciate their efforts.

Use Bovina Blade Classified Ads.

COTTON INC. COMES TO LUBBOCK....J. Nicholas Hahn, president, Cotton Incorporated, is bringing the organization's annual producer meeting to Lubbock this year. Meeting for the Southwest is Friday, January 20 at the Lubbock Memorial Civic Center, beginning at 10 a.m., followed by a barbecue luncheon at noon, courtesy of American Cyanamid.

Windbreak Trees Are Available

Windbreak trees are beneficial to you. The proper design of windbreak trees around farmsteads can reduce heating and cooling costs as much as thirty percent, along with protection from windstorms.

Windbreak trees are provided to Parmer County residents through the Parmer County Soil and Water Conservation District.

The District plans to offer trickle or drip materials to participants that are interested in installing efficient watering systems for their trees.

Those interested in ordering trees or watering materials should contact the S.W.C.D. Office for ordering forms at 1306 W. 9th Street in Friona or call (806) 247-2220.

REFLECTIONS

....From The Bovina Blade

25 YEARS AGO--JAN. 21, 1969

Raymond Everett, Jr. and John Trevino, both of Bovina, were seriously injured Sunday night in a one car accident on Highway 18, north of Clovis.

Rush Looney underwent major surgery the first part of this week in El Paso. Looney is a former resident of the Bovina area, moving from here in 1944.

Mrs. Kenneth Horton was honored at a surprise pink and blue shower Friday afternoon. The shower was given by members of the Good Neighbor Home Demonstration Club in the home of Mrs. Jack Morris.

20 YEARS AGO--JAN. 15, 1964

Mrs. Achsa Armstrong of Amarillo, has been visiting in the home of Mrs. Lady Armstrong and Mrs. J. Sam Gaines, was hospitalized Sunday at Memorial Hospital in Clovis.

Bill Denney was re-elected chief of Bovina Volunteer Fire Department at a regular meeting of the organization

Monday night at city hall.

Mrs. J.E. Sherrill was honored with a pink and blue coffee Thursday morning at the home of Mrs. Billy Marshall.

15 YEARS AGO--JAN. 15, 1969

James L. Redwine, 55-year-old resident of Bailey County, died Friday morning in West Plains Memorial Hospital in Muleshoe.

A Young Farmers Chapter will be organized here at a meeting on Thursday, January 16 at 7 p.m. in the vocational agriculture building at Bovina Schools, according to Ralph Roming, Jerry McClaran and John Paul Jones.

10 YEARS AGO--JAN. 23, 1974

A small private plane, reportedly piloted by Andy King of Clovis, N.M., made an unscheduled landing in a wheat field on Highway 60 west of Bovina between Parmer County Feedlot and Wilsey Switch late Wednesday of last week.

Sr. Citizens' Meet Time Is Changed

The Senior Citizens will meet at the Center for their regular monthly luncheon Wednesday, January 25, at 11 a.m. Members are warned to be sure to notice the change of time. The group usually meets at 11:30 but this one time they are asked to come at 11 a.m.

The group will be entertained by Weldon Davis of the Farmers Singing Quartet from Hart.

The center will be open by 10 a.m. You are urged to come and join the group for a day of good food and fine entertainment.

Baby Shower Set Jan. 25

A baby shower will be held January 25 at 2 p.m. at the First Baptist Church honoring Tabatha Brittany, daughter of Mark and Sandra Englant.

Hostesses for the shower are Molly Griffin, Sandra Clayton, Judy Hodnett, Geneva Johnson, Juanda Murphy, Nita Dale, Marie Redwine and Carolyn Pruitt.

CELEBRATE ANNIVERSARY....Eugene and Molly Griffin celebrated their 25th wedding anniversary with family and friends at their home Tuesday evening, December 20. Cake, punch and coffee were served to approximately 50 people. Eugene and Molly have three children, Fonda, Carol and Alan.

BIRTHDAYS... The six Bovina residents shown above were honored by the Bovina Senior Citizens at their meeting last week for having birthdays in January. From the left are Clifford Leake, Julia Leake, Howard Kelso, Charlise Eubanks, Lillian Warren and Buck Ellison.

NOMINATING COMMITTEE.... Nominations for director positions for Deaf Smith Electric Cooperative's Board were made by the 1984 nominating committee. In the back row, left to right, are Carl Kleuskens, Frank Brorman, Allen Dobmeier, Bruce Fuller and Ernest Anthony. Seated are Argen Draper and Ilene Osborn.

Scooter's Scoops

By Scooter Russell

About an inch or two of snow fell on the Bovina area over the weekend and by Monday, most of it was gone. More is predicted before the week. Cold temperatures make us realize that winter is definitely with us. Tuesday, it began snowing with three or four inches on the ground and still snowing.

We finally have our first baby for 1984, and we congratulate Steve and Trish Sherrill on the birth of a new baby girl, Traci Lynne, born last Friday, January 13. Also congratulations to Traci's sister and brother, Melissa and Scott, and to the grandparents, the Jay Sherrills and Charles Halls. This little bundle of joy had a good start at eleven pounds, four ounces. She measured twenty-three inches.

NEWS AROUND TOWN....

Elva Teague came home from a Lubbock hospital where she recently underwent surgery. She is getting along real well and enjoying having her daughter, Wanda Russell, with her from Sunny Vale, California.

The Senior Citizens will be meeting January 25 for their regular luncheon and entertainment for the afternoon will be Weldon Davis of the Farmers Singing Quartet from Hart. They ask that you come and join them for lots of fun and fellowship.

Vernon and Frances Willard went to Freberg, Germany December 22 and visited with Vernon's brother David. The family did alot of

sightseeing and had a wonderful time. They visited Austria, Switzerland, France and Liechtenstein.

Vernon's brother is from California but is studying German language there and will return and teach at a California college. So Vernon and Frances felt they were fortunate to have David as their interpreter.

The weather was an unusual 40 to 50 degrees and disappointing to many, because people come from all over the world to ski in that part of the world.

The Willards saw and enjoyed many sights, old buildings and many castles. On Christmas night they attended mass at a Catholic Church that was perhaps 500 years old and had 2,000 members.

There is no speed limit in Germany so it was not unusual to see people travel at a speed of 150 mph. At one time the Willards were traveling at about 100 mph and a Volkswagen Rabbit sailed by. Vernon tried to catch them, according to Frances, but was unable to.

They had a great time in Germany and returned home December 31.

We want to express sympathies to Janie Beauchamp, whose sister-in-law passed away. She was Jozell Foust, 65, of Morton. She was survived by her husband, W.L.; one son, Billy of Morton and one daughter, Thetis Hilliard of Arlington and six grandchildren.

Odis and Lula White were rushed

to the Parmer County Community Hospital Monday of this week by Bovina ambulance. Odis was transferred on to Amarillo. Lula is getting along fine but will remain in Friona for more tests. We have not received word on Odis' condition. He is a patient in St. Anthony's Hospital in Amarillo.

Scoops are short this week due to rushing because of the snow storm. The highways are treacherous so do take it easy when you have to be on the roads. Have a beautiful white week....Scooter.

Whites Are Hospitalized

The Bovina Ambulance was called to the home of Odis and Lula White Monday of this week. Odis was suffering with chest pains and Lula with severe vomiting. The Whites were taken to the Friona hospital and Odis was transferred on to an Amarillo hospital.

A registered nurse at the Parmer County Community Hospital said Lula's condition has improved but they are continuing tests and will be keeping her for awhile due to the icy highways. Odis is a patient in St. Anthony's Hospital in Amarillo and at press time there was no news on his condition.

Candidates Named For Committee

The 1984 nominating committee of Deaf Smith Electric Cooperative met January 3 in the REC Headquarters Building in Hereford, and selected several members to run for two places on the Cooperative's Board of Directors.

Selected to represent Castro County were incumbent Raymond Annen and Tony Acker; selected to represent Deaf Smith County are Eldred Brown, incumbent, Earnest Flood, Jr., and Mike Brumley.

The committee also encourages nominations from the floor at the 1984 Annual Membership Meeting, March 17 in the Bull Barn in Hereford.

Comprising this year's committee are Ernest Anthony, Friona; Frank Brorman, Hereford; Allen Dobmeier, Nazareth; Argen Draper, Hereford; Bruce Fuller, Dimmitt; Carl Kleuskens, Dawn; and Ilene Osborn, Friona.

Ponies Open Title Defense With Wins

The Bovina Mustangs began defense of their district basketball title with a pair of wins during the past week.

The Mustangs started off their district play on a positive note, beginning with a 58-50 win over Kress Saturday, January 7.

Richard Shepherd paced the team with 28 points, one point shy of half the total number of points scored by the Ponies. The Mustangs held a six point lead at the close of the first quarter and never relinquished that position.

Bovina led by 10 at the half, 29-19, but Kress came back strong in the third period scoring 18 points to Bovina's 12, closing the gap to only four points at 41-37. The third period rally by Kress seemed to wake the Mustangs up and Shepherd and company went to work.

The Bovina team outscored their

opponent in the final period to end the game leading, 58-50. Tommy Hutto was second to Richard Shepherd in the scoring department with ten points to his credit and Blake Scaff added eight of his own.

Bovina made their district record 2-0 when they scored a 66-43 win over Springlake-Earth on Friday, January 13.

Following a close 14-13 score at the end of the first period, the Ponies began to play tough. They scored eighteen points in the second period and shut down S-E, allowing them only five points. The score at the halfway point was 32-18 in favor of the Mustangs.

The Ponies came back ready to play in the second half as they scored an additional 34 points to keep the game out of reach for S-E.

The team, led once again by Richard Shepherd, had an impressive 77 per cent free throw average for the night.

School Lunch Menu

AGENT WELCOMED....Parmer County's new County Agent for Agriculture, Gary Patterson, was welcomed to the county during a meeting of the Friona 4-H chapter Monday night in Friona. From the left are Judy Rhodes, a Friona 4-H leader, Cindy and Gary Patterson, holding their children, Clint and Lisa.

Fillies Win Two District Games

The Bovina High School Fillies have opened their district schedule with a pair of impressive wins.

The Fillies meant business during their district opener and they proved it with a 53-36 win over Kress last Tuesday night.

The Fillies took an early lead, 11-6 for the first quarter total, then led by the shooting of Marie Pesch, added 20 more points during the second period, to bring the halftime score to 31-21. Taking advantage of a slow third period by Kress, the Bovina team upped its lead to 46-27 after only allowing their opponents a six point quarter.

Kress picked up nine points in the final period, as opposed to Bovina's 7, but it was far too little, too late and the Fillies won their first district game for the year.

Marie Pesch paced the team with 19 points and Sonya Mayfield added 10.

In their second district game, the Fillies followed up their win over Kress with an equally impressive win over Springlake-Earth, 55-29, making their district record 2-0.

The Bovina girls rolled over their opponent 22-6 in the first period. Fourteen additional points were scored by the Fillies in the second quarter and the halftime score was 36-14.

Following a scoreless third period for S-E, the Fillies were on top of a comfortable 53-14 lead. Although the fourth quarter proved to be the most productive for Springlake, with a total of 15 points scored, and the least productive for Bovina, with only two,

it was not enough to overcome the already well-established lead of the Fillies.

Marie Pesch was the leading scorer once again for the Fillies, with a total of 17 points.
