

Tribe—Hale Center To Clash

Rematch of 1983

1984 4-AA District Champions

For the second time in as many years, the Haskell Indians will face Hale Center for the bi-district basketball title. This year's contest will begin at 8 p.m. tonight (Thursday) in Snyder.

Game time is 8 p.m. in Snyder High School Gymnasium, 3801 Austin Av. Tickets are \$2.00 for students and adults and no district passes will be honored.

This year marks the second district basketball title captured in two years after almost a quarter century of district trophies going to other towns in our district.

The two teams met for bi-district last year in Lubbock and the Tribe lost 72-71 in the final seconds of the game.

Since defeating Paducah in a play-off game for the district title,

the Tribe has played two practice games. The Indians defeated Jacksboro, 70-51, and fell 59-61 to Winters last Thursday night.

The Tribe was scheduled to play Clyde Tuesday night but the game was cancelled to allow Haskell players to recuperate from a flu epidemic.

Tribe Coach Jim Dan Raughton said Monday that several members of the team had the flu and were in varying stages of recuperating. He hoped that cancelling the Tuesday night game would give the players a rest and combat relapses of the illnesses.

Hale Center fell recently to Lorenzo to win second place in their district and earn the right to the rematch with the Indians.

Civic Center Board Hears Architect Plans

Members of the Board of Directors of the Haskell Memorial Civic Center met Tuesday night with an Abilene architect to discuss possible plans and specifications for the proposed facility.

Richard Buzzard presented different ideas on the types of construction available, costs

estimates for the structure, and outlined the services which could be provided by an architect.

Following a slide presentation of buildings which his firm had designed, Mr. Buzzard answered questions from board members.

Board President R.C. Couch, Jr. reported that approximately

\$160,000.00 had been raised and that he was attempting to schedule a meeting with a private foundation which had earlier indicated possible support.

Board members asked Couch to seek information on the costs and availability of having a designer draw plans for the facility for consideration by the board.

Members of the board also discussed the possibilities of building the facility in stages as funds were available. Discussion centered around the possibility of building the entire structure and finishing the interior stages or building one part of the proposed facility to completion before starting another part.

Tentative plans call for the facility to include a banquet hall, meeting rooms and auditorium with stage. Several different plans are under consideration and board members are hopeful that the plans can be completed and approved in the near future.

NEWSPAPER NAMES

Mrs. Dave Hiebert of Haskell was in the Free Press office this week to clip the names from exchange newspapers across West Texas. She plans to send the clippings to a friend in Tie Creek, Montana who recently started a collection of the newspaper name plates.

Why is it that even the good days have to start with a morning.

The bad days, cold, windy, rainy days all deserve to begin with morning. But somehow there ought to be a way for all us folks who hate morning to receive equal treatment and have a few days set aside with no morning.

Growing up around a father who thought it was practically a sin to be in bed when the sun was up created a desire at an early age to leave home. Then after college and the U.S. Navy (talk about folks who like to get up early) I ended up going to work for the same guy.

For a short time I tried hard to arrive at the office by 8 a.m. but even then I seldom woke up before 9:30 and we soon reached a compromise.

For a long time I thought only older people liked to get up early.

It wasn't until after I married that

I realized my new bride was a morning person. She even wakes up smiling.

It still takes at least two face washings and three cups of coffee before my eyes even open. And then it's an hour or so before my thought process reaches a respectable level of activity.

Someone's always trying to convince me about some new redeeming value of morning but birds sing in the afternoon; sunsets can be beautiful; breakfast taste wonderful at noon; a new day could just as easily start later in the day and no tourist brochure ever advertises the morning life of a city.

Sometimes though I have to admit that a good salesman can successfully vocalize their love of mornings to the point that I actually try to get up early (at least by 8:15) but so far it hasn't worked.

National Honor Society Inducts New Members

Officers of the National Honor Society were elected Monday night following the induction of 14 new members at the Haskell National Bank Community Room.

David Adams, president; Jennifer Davis, vice-president; Denise Burris, secretary-treasurer; and Holly McBroom, reporter, were elected as the new officers. Only junior members were eligible to be officers.

Students had to have an 85 average and were then rated by the teachers on character, leadership

and service to be considered for the National Honor Society.

New members include seniors Vickie Judd, Starla McFadden and Ricky Moeller.

Juniors include David Adams, Denise Burris, Jennifer Davis, Lorry Geilhausen, Shane Hadaway, Harry Henry, Hollie High, Joey Kimbrough, Kim Lanier, Holly McBroom and Randy Roewe.

After the induction of the new members, the out-going senior members held a reception for the new members and their parents.

WTU To Pay Small Interim Rate Refunds

West Texas Utilities customers who paid interim rates the latter part of 1983 will begin receiving refunds this month.

However, all refunds will be

small, and some customers won't get them at all, company officials said.

They'll be small because the higher rates were charged for only a short time. Some customers won't be affected, because their rates were not changed during the period.

WTU started charging interim rates on October 22 when it became evident that a requested rate increase filed June 10, 1983 would be delayed indefinitely by the Public Utility Commission of Texas. Interim rates were allowed by state law, subject to refund, if after three months the PUC had not ruled on the company's request.

WTU has asked for an increase of \$26 million annually and the PUC staff recommended \$10 million. The Commission eventually approved \$12 million, with the new rates effective Jan. 6, 1984.

WTU now will pay customers the difference between the interim rates and the new rates, plus 12.83 per

cent interest. Refunds are being credited to customer bills, while checks are being mailed to those who have disconnected from the WTU system.

Amounts to residential customers are averaging less than \$5, including interest.

Customers in the following towns, which had denied the rate request and appealed to the Commission, are not affected: Hawley, Tuscola, Lawn, Merkel, Putnam, Clyde, Cross Plains, Santa Anna, Lueders, Aspermont, Jayton, Marfa, Valentine, Presidio, Alpine, Balmorhea, Rankin, Iraan, Estelline, Quitaque, Turkey, Memphis, Dodson, Shamrock, Sonora, Sterling City, Bronte, Menard, Junction and Miles.

Talent Contest Set Feb. 23 For Children

Children's annual talent contest will be held on February 23rd at 7:30 p.m. at the Haskell Elementary School.

This event is sponsored each year by the Progressive Study Club for the purpose of promoting the performing arts by children. Any Haskell County preschool age child or group and those through the sixth grade are encouraged to enter.

Prizes will be awarded in two categories, one to individuals or small groups and the other to groups of four or more participants.

To enter contact Mrs. Bailey Toliver or Mrs. Hugh Horton.

FHA Members Celebrate National Week

The Haskell Chapter of Future Homemakers of America held the National FHA week on Feb. 13-17.

On Wednesday, Feb. 15, FHA members hosted a luncheon. There were 23 members present for the luncheon.

"The luncheon was such a success that FHA members are considering making it a monthly occasion," Mrs. Jill Harris, sponsor said.

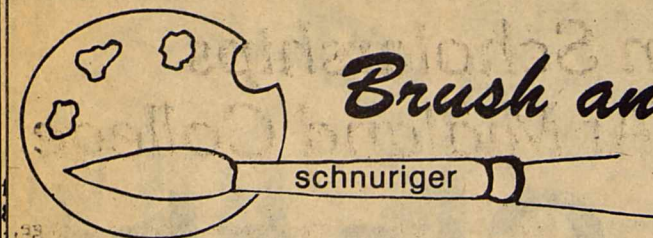

Twenty-three eighth grade girls who are prospective FHA members, came for the Open House on Thursday, Feb. 16. The girls toured the Homemaking Cottage and were served refreshments.

"FHA Week was a great success. We had good participation in all of the activities from cleaning and decorating the Homemaking cottage to delivering apples to the teachers on Friday," Mrs. Frances Easter, sponsor said.

ECC Members To Host Fund Raiser

Members of the Haskell Experienced Citizens Center have scheduled a special evening to raise funds for a kitchen expansion.

The evening will be Friday, Feb. 24, from 7 to 9 p.m. The public is invited to play dominoes and buy a piece of pie or a whole pie.

Clothing Bargains Are Still Available

Clothing was a good buy last year, but finding real bargains this year will still take time and shopping skill, says a Texas A&M University Agricultural Extension Service home economist.

The Consumer Price Index indicates that clothing prices increased only 2.7 percent over 1982 costs, while prices for general increased 3.9 percent, reports clothing specialist Becky Saunders.

American spent an average of \$529 for clothing and shoes in 1983, which represents a \$6 dollar increase from the previous year, says Saunders. Although two thirds of this slight increase was due to higher prices, one-third resulted from increased consumer spending.

Even though clothing prices are not escalating as rapidly as they have in the past, many people are looking for ways to reduce clothing costs. Anticipating clothing needs in advance allows a family to save from one-third to one-half of their clothing budget by shopping during sales. While shopping sales saves money in the long run, it requires patience to wait for mark-downs and time to search sale racks for good items. If you are going to shop clothing sales, take the time to compare prices, advises the specialist. A retailer may mark-up the initial price to make the reductions seem greater. But consumers can price same items at similar stores to determine the garment's true value and the size of the mark-down.

Spending for women's suits and dresses increased more than other clothing and brightly colored — attention getting — Open-Closed Signs for your office or business. Comes complete with changeable letters in black or red. Also includes a sign for counter top use. See at the Haskell Free Press.

Not all sale clothing will save you money. If it doesn't fit in with the rest of your wardrobe, the chances are it won't get worn, no matter how good the buy. Also, if sale clothing is not the right quality for the purpose, or the best quality for the money, it can actually increase your overall clothing costs.

Acree, Trice United In Double Ring Ceremony

The First Baptist Church in O'Brien was the setting for the wedding of Ruthie Trice and Bob Acree on Saturday, February 18 at 7:30 p.m.

W.L. Trice, father of the bride, officiated the double-ring ceremony. He was assisted by John Mark Trice, brother of the bride, pastor of the Paint Creek Baptist Church.

The bride was given in marriage by her parents, Mrs. and Mrs. W.L. Trice of O'Brien. Parents of the bridegroom are Mr. and Mrs. E.K. Acree of Rochester.

The altar for the ceremony held crystal and white candelabra with white candles entwined with lemon leaves. The bride wore a sheer polyester gown lined in acetate taffeta trimmed in chantilly lace. The gown had a modified Queen Ann neckline and fitted empire bodice with simulated pearls and sequin accents. The lace sleeves tapered down to a point. The front flowed to a lace hem and the back was of lace flounces extending to a chapel length train.

The bridegroom was attired in a white tuxedo with white ruffled shirt and wore a white silk rose for his boutonniere.

Attending the groom as best man was Bruce Morgan of Fort Worth. He was dressed in a dark royal blue tuxedo trimmed in navy blue with a white ruffled shirt. He wore a blue silk boutonniere. Serving as candlelighters were Phil Acree, of Minden, Louisiana, brother of the groom, and Scotty McCorkle, of Bronte, brother-in-law of the groom. Walter Carleton, of Lawn, brother-in-law of the bride, served as usher, along with the candlelighters. All three were dressed in royal blue tuxedos with white ruffled shirts and blue silk boutonnieres.

Linda Underwood of O'Brien was pianist and Sue Stevens of O'Brien was organist. Don Roberts of O'Brien served as soloist. He sang, "With God's Love". As the ceremony was completed, he sang, "The Lord's Prayer".

The bride presented her mother a long-stemmed blue rose bud as she approached the altar and then presented the groom's mother a rose when the ceremony was over, after leaving the altar.

The parents of the bride hosted the reception in the fellowship hall of the church immediately following the ceremony. The bride's table was decorated with a white-satin cloth with deep lace flounces in white. Three-tiered wedding cake was decorated with blue and white roses. Crystal appointments and the bride's bouquet completed the accents. Angela Reid, Kelly Watson, and Gina Trice, sister-in-law of the bride, served at the bride's table. Serving in the reception party were Corine McKinney, Martha McKinney, and Carol Godsey.

The groom's table was covered with a blue cloth and an off-white overlay. It held a chocolate cake decorated with chocolate curls on a wooden cake stand. A single blue candle was held in a wooden candle holder. A silver coffee service completed the decor. Serving at the groom's table were Patti McCorkle of Bronte, sister of the groom, and Betty Acree of Minden, Louisiana, sister-in-law of the groom.

Rice bags were given to the guests at the reception by Jennifer and Kimberly McCorkle of Bronte, and Jodi Carleton of Lawn. They were wearing floor length dresses in shades of blue and white and carried white baskets filled with blue and white rice bags.

Lee Ann Benson presided at the bride's book in the foyer of the church. The table was covered with a blue cloth and lace overlay. A white pen with a plume was used to register the guests as they arrived for the wedding.

The bride is a 1980 graduate of Knox City-O'Brien High School and attended Hardin-Simmons University. She is now employed at Ben Franklin's in Haskell.

The bridegroom graduated from Rochester High School in 1976 and has attended extension courses in Haskell from Snyder Junior College for the past two years. He is employed at the Home State Bank in Rochester.

The rehearsal dinner was hosted by the parents of the groom at Big Country Kitchen in Rochester.

The bride and groom will be at home in Rochester following a wedding trip to Lake Travis in Austin.

Members of the Haskell VFD Auxiliary held their regular meeting February 7 at the Fire Station.

A program on monogramming, quilting and making blooming blouses was given by Janie Coleman. Hostesses for the evening were Betty Stocks and Mary Roper.

The business meeting was conducted by Betty Stocks, president.

Several fund raising ideas were discussed by the group but no action was taken at the meeting.

Nancy Robinson To Speak To Study Club

Nancy Robinson, Aviation Columnist for the **Abilene Reporter-News** will be the guest speaker at the Progressive Study Club meeting on Thursday, March 1, 1984 7:30 P.M. at the Community Bank Building. The public is invited to come hear Nancy.

Nancy has been writing about the people, places and planes of West Texas for more than six years in her weekly aviation column "Ups and Downs" which appears in the Saturday morning edition of **The Abilene Reporter News**.

In addition to her newspaper column which has won several press awards, Nancy is a freelance writer/contributor to various magazines and media publications.

As a pilot and owner of a 1941 Interstate Cadet, Nancy has traveled across the United States and Europe reporting on various flying activities.

She has been a guest of the Air Force on numerous missions and was recently the first woman honored by the Military Airlift Command as one of two people in the nation to receive the Distinguished

Citizen of the Year Award for her contributions in support of America and its armed services.

Nancy is a native of Stamford. She is one of 30 appointed Federal Aviation Administration volunteer flight safety counselors for the Fort Worth Region and serves on the Abilene Aviation Safety Committee. Because of her interest in promoting aviation and working for better education in the non-pilot community Nancy is a frequent guest-speaker to schools and civic organizations.

Her topic will be "Those Wonderful Women and Their Flying Machines—Is the United States of America Still Climbing on Course?"

Tips For Cleaning Crayon Marks From Clothing

The hidden crayon in your child's pocket can cause havoc in the laundry. If crayons go through the laundry, try these remedies:

If there are a few spots on a washable garment, remove the surface crayon wax with a dull knife. Place stained area face down between paper towels and press with a warm iron.

Then place the garment with stain face down on the paper towels and sponge back of any remaining stain with a pre-wash spray or a dry cleaning solvent spot remover. Solvent

spot removers can be purchased at drug, grocery or some clothing and department stores.

After sponging with solvent, let dry. Then launder with detergent or soap. If traces of color remain, wash again. Then soak in an enzyme pre-soak product or oxygen bleach (one that says safe for colors) with hottest water safe for fabric. After that, launder the item as usual. If the stain persists, try washing with chlorine bleach if it is safe for the fabric.

When crayon stains have spread throughout a load of clothes, try this: First, wash the items with the hottest water safe for fabric, (preferably hot) using a laundry soap and 1 cup baking soda. If the color remains, soak in an enzyme pre-soak product or an oxygen bleach using the hottest water safe for fabric, then launder. If the stain persists, wash with chlorine bleach if safe for fabric.

For valuable non-washable items it is advisable to have them professionally cleaned as soon as possible after the stain is discovered. Be sure to point out the stain to the dry cleaner.

If your child has applied his creative talents with crayon to your upholstery fabrics (other than leather, suede and vinyl) or other dry clean-only items, use a dry cleaning solvent.

Test the solvent on an inconspicuous area to determine its effect on the fabric before applying to the stained area. If the fabric doesn't seem to be affected adversely, sponge the solvent onto the stained area.

In the case of piled fabrics, rub in the direction of the pile. Sponge again if the stain remains.

Some vinyls are damaged by dry cleaning solvents. For stains on vinyl, try wiping the stained area with a heavy-duty liquid laundry detergent or with a paste made from dry laundry detergent and warm water. If the stains remain, sponge with rubbing or denatured alcohol. Again test solutions on an inconspicuous spot before applying alcohol to the stained area.

It is safest not to attempt any major stain removal at home on suede and leather garments. These items should be taken to professional cleaners.

MR. AND MRS. JOHN L. MCCOLLUM

McCollums To Celebrate 50th Anniversary

Mr. and Mrs. John L. McCollum of Hide-a-Way Lake, Lindale will celebrate their fiftieth wedding anniversary on Saturday, February 25 in the Fellowship Hall of Hide-A-Way Lake Community Church. Hosting the reception will be their children, Mr. and Mrs. Jack K. Morris of Greenville and Mr. and Mrs. Howard Ratcliff of Cleveland, Ohio.

Mr. McCollum and the

former Lewis Manly McCollum were married February 28, 1934 in the First Christian Church in Abilene. Lewis taught in Haskell eight years at the elementary school (North Ward). John is retired after 42 years service in the Cotton Division of the U. S. Dept. of Agriculture.

They have four grandsons, one granddaughter and two great granddaughters.

J. Robert Miller Is Art Association Guest

The Brazos-West Art Association met February 13, at 7 p.m. in the Haskell National Bank Community Room.

The guest artist, J. Robert Miller gave a portrait painting demonstration. Mrs. Florence Larned was the model. Mr. Miller is with the Art Department of McMurry College in Abilene.

Hostesses for the occasion were Sophia Hix, Florence Larned, and Laverne Barnett. The refreshment table was beautifully decorated in a Valentine theme.

The business meeting of the club was conducted by

First Vice-President Laverne Barnett after the painting demonstration. There were 20 members and 4 guests present.

In the judging of pictures by members—first place went to Fern Livengood; second place to Laverne Barnett; a tie for third place went to Sophie Hix and Nelwyn Beakley. First place winners have a showing at Commodore Savings; second placed show at the Haskell National Bank; and third place show at the West Texas Utilities Building.

Journalism Scholarships Available At Midland College

High school seniors in West Texas are invited to apply for journalism scholarships at Midland College for the 1984-85 school term, Ralph L. Sellmeyer, Allison Professor of Journalism at Midland College, announced this week.

The scholarships are funded by a \$750,000 endowment provided by the James Allison family, former publishers of the Midland Reporter Telegram, and provide books, fees and tuition for those receiving the scholarships. The Allison endowment also provides the funds for the Allison Chair of Journalism, the only such endowed journalism chair in a community college in the U.S. Students from several West Texas Communities have been studying journalism at Midland College this year, Sellmeyer said, noting that such cities as Haskell, Kermit,

Pecos, Crane, Odessa, Midland and Tulia are represented.

Those students granted scholarships are also eligible for paid staff positions on the college's weekly newspaper and the twice yearly college magazine.

"We are interested in getting applications by June 1 from students all over the state, but particularly West Texas," the Midland College and former Texas Tech journalism director said.

Ample housing is available in the city, Sellmeyer noted, and for those students living away from Midland the college will assist in finding suitable living quarters.

Interested students should write to: Ralph L. Sellmeyer, Allison Professor of

Journalism, Midland College, 3600 North Garfield, Midland, Texas 79705. Those who desire additional college financial aid should also write Bill Burns, director of financial aids, at the college.

BUILDING YOUR RETIREMENT IS AS SIMPLE AS A.B.C.

OPEN A TAX-DEFERRED, MONEY-MAKING INDIVIDUAL RETIREMENT ACCOUNT TODAY AT COMMODORE SAVINGS.

Retirement used to be a taxing situation. But not any longer. Because now, you can open an Individual Retirement Account (IRA) at Commodore Savings — the simple-to-understand retirement account that will save you money today so you can enjoy better tomorrows.

Just add up the benefits for yourself:

- All contributions are tax-deferred and 100 percent deductible. You pay no taxes on the money you invest in your IRA or on the interest it earns until you begin taking distribution as early as age 59½.

- Save as little or as much as you want each month. Up to \$2,000 a year if you are single and employed. Up to \$2,250 a year for a couple where one spouse is employed and the other is not. And up to \$4,000 a year for a working couple. Save as little as \$10 a month. Even skip a whole year's contributions if you prefer.

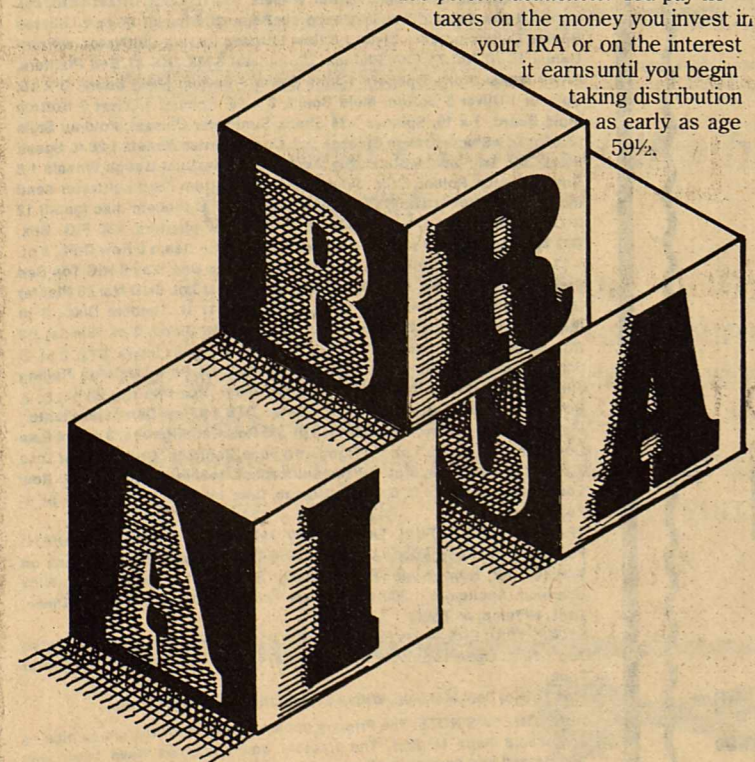

- Pay much less tax on your retirement income. By retirement age, you'll probably be in a lower tax bracket, so the taxes you'll pay on your IRA retirement income could be much less than you pay now.

- Almost everyone can qualify. If you are under age 70½ and are earning an income, you qualify for a Commodore IRA, even if you are already participating in another retirement program.

Best of all, the money you put into your IRA earns a guaranteed high compound interest rate. Save \$2,000 a year for just 20 years, and your IRA investment could amount to well over \$100,000!

Seven different retirement plans are available, including Regular IRA, Spousal IRA, Employer IRA, rollover IRA, Payroll Deduction IRA, IRA/SEPP and Keogh Plan. Find out which plan is right for you. Call Commodore today, and build yourself a better retirement at Commodore Savings. It's as simple as A.B.C.

Tips For Selecting Children's Day Care

If you are a working parent, you know that happiness is day care for your child. Whether at home or at a day care center, the quality of day care varies widely. So, take some time to consider the options before choosing the arrangement you think is most suitable for you and your family.

FACTS & FIGURES

The family of similar chemicals of seventy-five different chlorinated compounds is commonly called "Dioxin." Trace quantities of it are created by man-made and natural chemical processes. It is also the term applied to one of those compounds, 2,3,7,8-tetrachlorodibenzo-p-dioxin (TCDD). Dioxin was a trace contaminant in Agent Orange, the defoliant prescribed and used by the military in the Vietnam War, from 1965 to 1970, to protect soldiers from enemy ambush. There is little likelihood, based on overwhelming scientific evidence, that Agent Orange could have caused the health conditions some veterans have described. Veterans who believe they are ill should seek medical care. They have been through a difficult experience, a tough, demanding duty, which fortunately more Americans are beginning to appreciate.

In Seveso, Italy, over 6,000 people were accidentally exposed to dioxin. There were 200 cases of chloracne, a type of skin rash. All the cases cleared up and no long-term health effects have been shown.

care that is best for your child, what to do if you have problems, how to improve the arrangements, and where to get more information. For your copy of *A Parent's Guide to Day Care*, send \$4.75 to the Consumer Information Center, Dept. 111M, Pueblo, Colorado 81009. Whatever type of day care you choose, check the references of your caregiver or the certification of the center or group home very carefully. All states have regulations concerning family day care homes and centers. Family, or group, day care in a private home may be licensed or certified in some way, depending on individual state laws. However, all day care centers must be licensed. To find out what the day care regulations are, contact the day care licensing agency in your state.

Whether you choose a center or a group home for your child, make sure there are a sufficient number of caregivers. For children below three years of age, one caregiver for every four or five children is considered satisfactory. For children three to five years of age, there should be one caregiver for every seven to nine children. But child/staff ratios aren't the only consideration in choosing the best arrangement for you and your child. Cost is another important factor. If you want a certain type of day care that is more than you can afford, ask about a sliding fee scale. Another alternative is to make up the extra cost in some way, such as by volunteering to help in the office or repair toys.

Be sure to have a written or oral agreement with your caregiver so you are clear about additional and optional expenses. Spell out whether you are obligated to pay for days your child is absent and any extra fees for added care your child may require.

Safety is another factor that should not be overlooked. Ask

if the home or center has a separate place to care for sick children where they are isolated from the others and can be watched. Are there smoke detectors, first aid kits, fire extinguishers? Do the windows above the first floor have strong screens or bars? Are the outdoor play areas free from litter and well protected? Make sure the caregiver has a safety plan for emergencies and adequate fire exits. Check out the play equipment for safety and suitability.

Make your expectations clear and then be sure to meet your own responsibilities, such as picking up your child on time. Good day care is a cooperative effort that can benefit both you and your child.

For more information, send for your copy of *A Parent's Guide to Day Care* (\$4.75). At the same time, you will also receive a copy of the free *Consumer Information Catalog* listing more than 200 other free and moderately priced federal publications on a variety of subjects. The *Catalog* is published quarterly by the Consumer Information Center of the U. S. General Services Administration.

Superintendent's Views

BY JAMES LANIER
Superintendent, Haskell ISD

Monday, February 27 will be a holiday for students but an inservice day for teachers. I wonder how many realize what inservice for teachers really is? The philosophy behind inservice is to create a period by which teachers can catch up on new developments in education, improve their techniques, and share ideas. Too often, teachers become isolated in their classrooms and simply do not have time for professional growth. Inservice is designed to provide time for that growth.

This inservice should be one of great value to the teachers. We are meeting at Knox City with all the teachers of Haskell-Knox Counties. The morning session will be in group sections for the purpose of discussion of development of the essential elements under the new guidelines of HB246. I keep harping on this bill, but it is one which is causing major changes in the curriculum of the public schools of Texas. Such sweeping

changes will constitute a great deal of thought and planning on the part of the entire profession. The elementary teachers will break down into two groups and switch groups at the mid point of the morning. One group will work with the essential elements of math. The secondary teachers will meet by departments. Again the primary concern will be the essential elements designed by HB246.

The afternoon session will be for all groups. A consultant from the Texas Education Agency will give an overall view of HB246 and Change 75 which deals with some of the most sweeping changes during my twenty-five years as an educator. Hopefully, this person can clear up some of the concerns that we may have about the changes. At least, we may understand better what we must do. It has been extremely difficult to keep up with all that is coming from the State Board of Education. It seems that every time they meet, they make further changes. I know they are under tremendous pressure from groups like the Perot Committee, the textbook lobby groups, teacher organizations, administrator organizations, taxpayer lobbies, school board organizations, etc. Hopefully they will not let the pressure of all these groups overshadow the primary purpose and concerns of all schools and good educators, "that is the welfare of the students."

Seven newcomers to the track team are: Emily Camacho-2 mile; Kelli Gilliam-800 meters and 100 meters; Jan McKeever-discus; Julie Roewe-sprint relay, 880 meter relay, 200 meters, discus and high jump; Mindy Smith-880 meter relay, 100 meter hurdles, sprint relay and long jump; Mitchell Stout-100 meters, 200 meters and discus; and Denice Young-800 meters, mile relay and shot put.

"I think that we will be better than we were last year! One of our goals is to repeat as district champs. Our other goal is to take someone to Austin to compete in the State Meet", Coach Jim Bob Mickler said. Varsity Girls Track Schedule: March 3 Anson, March 10 Olney, March 16 Ranger Jr. College, March 23 Brownwood, March 24 Hamlin, March 31 Albany, April 5 District-Hamlin.

Diana Jarred Is State Qualifier

At the U.I.L. Vocal Solo and Ensemble contest held in Abilene, Diana Jarred received a Superior rating on a Class 1 soprano solo. She will now advance to the state level of competition in Austin.

Diana has also been selected to be a member of the Texas Baptist All-State Youth Choir following a January audition. The Choir, sponsored by the Baptist General Convention of Texas, will tour this summer performing in several Texas cities and in Mexico City, Mexico.

Diana is a sophomore at Haskell High School and is the daughter of Mr. and Mrs. Kenneth Jarred.

Applications Now Being Accepted For Game Warden

Law Enforcement officials of the Texas Parks and Wildlife Department will accept applications during February for the next Game Warden Training Academy which will convene here in the fall of 1984.

Officials stressed that applications will be accepted only during the month of February 1984.

Completed application forms must be received by 5 p.m. Feb. 29 to be eligible. They may be obtained from Parks and Wildlife Department field offices, Austin headquarters at 4200 Smith School Road, Austin, TX 78744, or by calling toll-free 1-800-792-1112.

Extensive interviews and background investigations will be conducted before the successful applicants are announced. The exact number of cadets to be accepted will not be announced until later, but enrollment normally is limited to approximately 35, officials

said.

Applicants must be at least 21 years of age upon commissioning, be in good physical condition, be a high school graduate or have passed a GED equivalent, have vision correctable to 20/20 and have a record free from driving while intoxicated, driving under influence of drugs or felony convictions.

After completion of four and a half months of intensive training, the graduates may be assigned to duty anywhere in the state.

Haskell Nursing Center

Everyone enjoyed an early Valentine party given by the Haskell Church of Christ ladies. Refreshments of cupcakes, candies, and punch were served along with Valentines. A devotional was presented.

Our Valentine queen and king were crowned at our Valentine party hosted by the First Christian Church of Haskell. This year's king and queen were Mr. and Mrs. John Norris. Laura Overton entertained on the piano as this popular couple was crowned and presented with a box of candy. Refreshments of punch and cake were served by members of the church and then everyone enjoyed the sing-a-long led by Pastor, Phil Harris and accompanied by Mrs. W.W. Turnbow on the piano.

Boy Scout troupe #136, Den 5, accompanied by their den

mothers Vickie Josselet and Sandy Sanford, presented each resident with a handmade Valentine.

Linnie Hickman and Lydia enjoyed a weekend visit at the home of Linnie's son Vernay Teague. Joining them was their brother and family, Tom Hise of Tyler.

Visiting with Bessie Piland were Mr. and Mrs. Ed Melton of Abilene, Mrs. Eddie Shaver of Knox City, and Mrs. Bertha Whitten, Ann, and Jenny of Seymour.

Eva White and Gertrude Roberson were visited by Karen, Emily and Allison Roberson.

Calvin Drennan, Leeda Hill, and Ruby Trammel from Aspermont also visited this week.

Visiting this week were R. Rose of Abilene, and T. Rose of Hawley visiting with L.C. and Pauline Williams.

Self-Employment—Could Be Trouble

A lot of people jump head first into self-employment and find hard-knock disappointments just below the glossy surface. Others assume the plunge too perilous to even consider, and confine their economic risk-taking to Monopoly. What is needed, it seems, is a way to test one's aptitude for running a business without having to jump blindly or abandon the dream.

If you are considering a small business enterprise, but you're not sure just how to get started and whether you want to take the risks, the U.S. Small Business Administration has something to help you test the waters. "Checklist for Going Into Business" is a small booklet which zeroes in on the big questions you need to ask yourself before making the plunge. It helps that would-be entrepreneur understand more clearly what questions need to be considered and what preparations need to be made to make a successful start in business. Single copies of "Checklist for Going Into Business" are available free by writing to the Consumer Information Center, Dept. 513M, Pueblo, Colorado 81009.

Not everyone can or should try to be an electronic engineer, an automobile mechanic, or a business owner. Consider your motivation. Do you want to own your own business badly enough to keep working long hours without knowing how much money you'll end up with? Are you a self-starter, or do you find you need prodding

to get things done? Can you stick with a project, or do you get discouraged when things go badly? How is your health? How good are your organizational skills and are you able to make decisions quickly and confidently?

Consider your income requirements. Can you live on a modest or uncertain income until your business builds? Have you figured what net income per year you can realistically expect to get from the business?

Consider how much start-up money you will need and whether you can obtain it. SBA's Checklist includes a worksheet for estimating your monthly expenses for everything from your personal salary to public utility deposits. By totaling up the worksheet numbers, you'll be able to estimate the amount of cash you'll need to begin.

Consider your potential customers. Who are they? Where are they? Will they be able to reach your store? Will there be enough of them to keep you in business? How will you advertise? Are you going to extend credit?

What about record keeping? Have you worked out a way to keep track of our inventory so that you will always have enough on hand for your customers, but not more than you can sell?

There's a lot to consider, and the zeal of the novice can be quickly dampened. But the person who carefully counts the costs and weighs the risks of business ownership, and then proceeds realistically, can find the challenge exhilarating and extremely rewarding.

For more information, send for a copy of SBA's "Checklist for Going Into Business"

(free). When you do, you'll also receive a copy of the free "Consumer Information Catalog". Published quarterly by the Consumer Information Center of the U.S. General Services Administration, the Catalog lists over 200 selected free and moderately priced federal consumer booklets.

Arbor Day Is Offering Free Trees

The National Arbor Day Foundation is giving three free Black Walnut trees to new Foundation members joining during February, 1984.

The free trees are part of the Foundation's effort to promote tree planting throughout America.

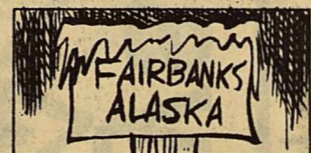

Black Walnut trees were chosen for this campaign because of their value and versatility, according to the Foundation. The Walnut trees bear sweet, edible nuts, and they are also used for shade trees, growing to 80-100 feet. Walnut hardwood is very valuable for making furniture and cabinets.

The National Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life throughout the country by encouraging tree planting. The Foundation will give three Black Walnut trees to new members contributing \$10.00 during February.

The trees will be two to

three feet tall and will be sent postage paid with enclosed planting instructions at the right time for planting this spring. The Foundation makes its spring shipments between February 1 and May 31, depending on the local climate and this year's weather. The trees are guaranteed to grow, or they will be replaced free by the Foundation.

To become a member of the Foundation, and to receive the free trees, a \$10.00 membership contribution should be sent to FREE WALNUT TREES, National Arbor Day Foundation, 100 Arbor Avenue, Nebraska, City, NE 68410, by February 29, 1984.

Paint Creek Girls Win District Title

P.C. Junior High girls won their third consecutive district title by beating Rochester 35-14 and Old Glory 33-12. P.C. also ended their second perfect season by winning 19 and losing 0. Scoring for the Pirates were Rhonda Coleman 8; Gina Calk 2,21; Sophie Gonzales 4,6; Mary Martinez 12,2; Sharlene Grisham 4;

Kim Short 4,4; and Francine Barnes 1. Also in the past three seasons Rhonda Coleman, Gina Calk, Sophie Gonzales and Mary Martinez have played on P.C. teams that won 3 district championships. They have 2 undefeated seasons to their credit, and an amazing 54 wins and 4 loss record.

Applications Available For Vet Home Loans

According to C.H. Herren, Veterans Service Officer for Haskell County, veterans may soon start applying for home loans under the recently passed Texas Veterans Housing Assistance Program. Mr. Aubrey L. Bullard, Executive Director of the Texas Veterans Affairs Commission, has announced that the Commission is now ready to accept Requests for Certification from participating lenders. Under the provisions of the Program, the Veterans Affairs Commission will determine the veteran's eligibility to participate in this program based upon the veteran's residence, length of active duty service and honorable discharge. Mr. Bullard advised that his Austin staff has been increased to handle the expected large number of applicants and that all efforts for expeditious handling of the requests for certifications

have been made. Mr. Bullard further stated that veterans wishing to participate in this program must first have a contract for the purchase of a home and qualify for a loan with a participating lender, which in turn will submit the Request for Certification to the Veterans Affairs Commission. Mr. Bullard indicated that a complete listing of participating lenders should be available during the middle part of January 1984. After eligibility has been established, the State will authorize the loan and The Veterans Land Board, which is under the leadership of Land Commissioner Garry Mauro, will send the lending institution up to \$20,000 to be applied toward the total amount loaned for the purchase of the home. The current interest rate for the loan from the State has been set at 9.97%.

Christian Church Honors Willie Pace

This past Lord's Day, February 19, the Christian Church of Haskell honored Willie Grace Pace on her 88th birthday. Mrs. Pace became a member of the church in the year 1910. This makes her the longest standing member of this congregation. In appreciation for her 74 years of membership the congregation presented her with a book and a certificate which stated: IN APPRECIATION This certificate is presented to Willie Grace Pace in grateful appreciation

for you being the longest standing member of this congregation, dated this 19th day of February, 1984. Presented by First Christian Church—Haskell, Tx., Phil Harris, minister.

Veterans To Pay Record Dividend

Administrator of Veterans Affairs Harry N. Walters has announced a record insurance dividend of \$721.8 million for some 3.6 million veterans who have kept their GI life insurance policies in force. The amount to be paid to policyholders during 1984 is \$48.6 million above the 1983 figure of \$673.2 million. The increase comes from higher interest rates earned by the insurance fund. "No application for the annual dividend is needed," Walters stressed. "Each policyholder will receive the dividend in the month of the anniversary date of the individual policy, and payments will be made in the manner selected previously by the policyholder" according to the VA chief. Choices range from cash to the purchase of paid up insurance. Policyholders will receive varying amounts depending on the type of policy, the amount of insurance in force, the insured's age at issue or renewal, and the time the policy has been in force. Government life insurance has been issued through various periods from January, 1919, through May, 1966, to veterans of World Wars I, II, and the Korean Conflict. The 67,166 holders of United States Government Life Insurance (USGLI with

serial numbers prefixed by "K") will receive, on the average, a dividend of \$244 out of a total distribution of \$16.4 million. These policies were issued mainly during World War I. The nearly three million veterans who kept their World War II National Service Life Insurance in force (NSLI prefixed with a "V") will share \$619.6 million in dividends. Average dividend on Modified Life Plan policies will be \$130 and on the permanent plan an average dividend of \$279 and \$123 on term policies. The Veterans Special Life

Insurance (VSLI prefixed with "RS" and "W") will pay out a total of \$56.9 million to 458,964 policyholders. The average payment to "W" term policyholders will be \$49, the "RS" term will receive \$92, and the "W" permanent plan, \$180. The Veterans Reopened Insurance (VRI) program will pay \$28.9 million to 150,191 holders of "J", "JR", and "JS" policies with "J" policyholders receiving about \$184, "JR" \$243, and "JS" \$467. Money Matters

A Series Of Informative "Plain Talk" Thoughts Regarding Your Money Matters

Our Town One of the reasons that our town is a good place to live is the support that it receives from our local merchants. Whenever someone needs a donation for a worthy cause, they walk up and down main street and usually one by one our local merchants find a way to donate a little more to still another very good cause. They buy the ads in the school yearbooks, and they find a way to support the local youth groups and other organizations.

So shop in their stores. Buy their goods and services. The whole community will benefit.

Rice Springs News

We had a real treat recently when a van pulled up at the back of Rice Springs and made big old juicy hamburgers for everyone, compliments of Mr. & Mrs. T.W. Barton of Rochester.

You didn't have any trouble knowing that it was Valentine's day at Rice Springs when walking down the halls and looking into the rooms where there was so many lovely pot plants and cut flowers along with gifts of candy, cake and Valentines.

Words are inadequate to express our thanks for all the kindness and love shown to Rice Spring residents this past week. The Valentine Party was great given by the First Christian folk, the music by Myrtle Turnbow and Phil Harris was certainly enjoyed as well as the angel food cake with whipped cream and punch with plate favors of little Valentine hearts and a Valentine for each resident presented by little Miss Autumn Pollard.

The ladies from the Church of Christ brought refreshments for our Bingo game on Monday and to all the residents, consisting of beautifully decorated cup cakes, a punch and Valentines.

The Haskell FHA girls came and put a pretty decoration on each door and you could tell that they had put in hours on making them.

The Rule Actens from the First Baptist Church came and polished nails and visited.

The Methodist ladies brought Valentines for everyone and each had a small chocolate heart on it. They brought an inspiring devotion.

Several ladies from the E.C.C. Center came and visited and brought Valentines for each resident.

On Thursday, Oran Covey, Jane Cummings, Hilah

Swinson, Alvena Holle and Edna Collins, along with Anna Lee Cook enjoyed the program and luncheon given by the Sun Shine ladies of the East Side Baptist Church.

We welcome Luther Hood to our home. Mr. Hood is a long time resident of Stamford. Visiting him were his children, Carol Lee of Hamlin, Betty Slater of Beeville, Ruth Mill of Abilene, and granddaughter, Janice Miller of Abilene.

Bobbie Shott of Houston, Lavern Chisum of Flotation and Mr. & Mrs. Davis Jones of Stamford visited Willard Jones.

Mr. & Mrs. W.H. Earp of Pampa visited John Earp and Mrs. Lois Gray.

2.1 Million Kids

Suffer From Asthma

According to the American Lung Association of Texas, six million Americans have asthma, 2.1 million of these are children under 17 years of age.

During an asthmatic episode there is widespread narrowing of the smaller airways in the lungs. This inhibits the breathing process, thereby causing a feeling of smothering.

Some of the known causes of these episodes are infections such as colds, viruses, and sore throats. Irritants in the air can also trigger asthmatic episodes. These include tobacco smoke, household cleaning sprays, room dust and perfume. Sudden changes in the weather as well as allergies to certain foods, plants and animals may also be an episode triggering mechanism.

The first step toward controlling asthma is to take the patient to a physician for assessment of the extent of the problem. Medicine to widen the air passageways can be prescribed. Theophylline is a bronchodilator is a commonly used medicine to relax the tightened muscles during an episode. Cromolyn can prevent many episodes if it is used before symptoms appear.

Children with asthma should be encouraged to learn

and to develop normally. Tasks should be assigned within the child's limitations in order to foster a sense of satisfaction and accomplishment. Asthmatic children should be encouraged to participate in some sports, particularly swimming. A sense of segregation from peers should be avoided. The American Lung Association of Texas sponsors Family Asthma Programs for children 6-12 years of age in many Texas communities. In addition to learning more about asthma the children are taught an exercise routine, which if done regularly, will strengthen the chest muscles and help to control the onset of an episode.

A self-help packet of educational materials called SUPERSTUFF has been assembled to teach school children six through 12 years of age how to breathe better. A contribution of \$10.00 is requested for each SUPERSTUFF packet.

For more information about asthma, contact the American Lung Association of Texas, 7701 N. Lamar, Suite 104, Austin, Texas 78752 or call toll-free 1-800-252-LUNG.

CAPITOL UPDATE

John Tower

The Fiscal Year 1985 budget is the subject of numerous Congressional committee hearings in Washington these days. In reviewing this most important document, we must remain conscious of our goal to reduce government spending but retain funding for those programs vital to our nation.

The President's budget proposals, which were sent to Congress earlier this month, include savings elements such as a continued freeze on real domestic spending growth and further reduction of domestic spending as a percentage of the Gross National Product.

Savings also can be made by reducing fraud, waste and mismanagement in government. A good example is the President's Council on Integrity and Efficiency made up of 18 department and agency inspectors general. The council has reported \$8.4 billion in cost reductions or funds put to better use in the last six months of 1983 -- a total of \$31 billion since it was appointed in 1981.

The Grace Commission also has reported various areas where spending can either be reduced or eliminated. Many of these recommendations have been included in the budget.

Other money-saving initiatives in the FY 1985 budget involve improving the operations of federal agencies. The agencies have been directed to coordinate management-activities to reduce current operating costs. Management systems also are becoming more streamlined and the delivery of services is being improved.

It is measures such as these that have put our economy on the road to recovery and have generated a renewed hope for the future. We must not lose our nerve at this point but forge ahead.

This budget will not take effect until October 1984. The one we are operating under currently was passed last year. After carefully scrutinizing the President's budget proposals, Congress will eventually adopt a Budget Resolution by summer. This resolution will set forth spending ceilings for each major budget category.

Some of the budget areas of special interest to Texas include:

National Defense -- The Reagan Administration has requested an increase in the defense budget from \$265.3 billion in 1984 to \$313.4 billion in 1985. These funds would continue the President's goal of modernizing our defense capabilities after a decade of declining strength in the face of a growing Soviet threat. In fact during the 1970s, defense spending dropped 9 percent after inflation. While we have seen growth in defense spending under this administration, Congress has cut each year's defense budget request.

Agriculture -- Funding for these programs so vital to the Texas economy has been proposed at \$14.3 billion in 1985, an increase of \$3.6 billion from 1984. This includes \$1.07 billion for agricultural research which is aimed at increasing productivity through the development of new knowledge about crops and animals. Another \$671 million will go to agricultural services such as marketing, animal and plant health inspection programs and collection and distribution of economic data.

Education -- The Administration has always felt the responsibility of education lies in the hands of the states, local school districts and parents. However, it is committed to raising the standards of the American educational system and has proposed a budget of \$15.5 billion for this area.

As Congress examines these and other vital programs, I trust it will give them the consideration and time they deserve.

STACIA ADAMS—DARLA GRIFFIS

Weinert Girls Win Debate

A Weinert Debate team consisting of Stacia Adams and Darla Griffis won Third in Debate at Midwestern University's 26th Annual Top of Texas High School Forensics Tournament on February 17th and 18th in Wichita Falls.

Stacia, a Freshman, is the daughter of Mr. and Mrs. Elmer Adams, and Darla, a

Sophomore, is the daughter of Mr. and Mrs. Donald Griffis, all of Weinert. This was quite an accomplishment for this young team. It was the first time they had debated together and their first tournament of the year. There were 18 teams in the Debate. The girls are the students of Mrs. Darlene Bellinghausen at Weinert High School.

Obituaries

Eugene Froboese

Eugene Froboese, 63, farmer and rancher died at 8:35 a.m., Saturday, February 11, in Audie L. Murphy Memorial Veteran's Hospital in San Antonio.

Funeral services were at 2 p.m. Monday, February 13 at Zoeller Funeral Home with the Rev. Friedrich Rest, pastor of First Protestant United Church of Christ officiating. Burial was in Guadalupe Valley Memorial Park.

Mr. Froboese was born April 24, 1920, in Guadalupe County, the son of the late Willie and Alma Voigt Froboese. He went to Selma School from 1926 to 1933, often walking three miles to and from school. He had to quit school in the seventh year

to help his parents on the farm.

He entered the Army in 1942 and was discharged in the Pacific during World War II. He married Elsa Zuercher on March 20, 1946, in New Braunfels. They first lived in New Braunfels while he farmed southwest of town. The couple moved to the Guadalupe County farm in January 1947. In addition to raising field crops, the couple sold eggs, cream and butter. In 1969, the couple moved to the ranch of her parents in order to assist with ranching on the FM 1863 property northwest of New Braunfels.

He was a member of First Protestant United Church of Christ, Sons of Hermann Lodge #127 at Spring Branch, and Germania Farmer Verein. Survivors include his wife,

Elsa; two daughters, Mrs. James (Gladys) Kuhn of New Braunfels and Mrs. Danny (Helen) Lammert of Sagerton; one son, Elgin of New Braunfels; four grandchildren, Brandon and Christopher Kuhn of New Braunfels and Jonathan and Paige Lammert of Sagerton; two brothers, Roman of Universal City and Leroy of Marion; one sister, Mrs. Roland (Lola) Preiss of Blanco; and his parents-in-law, Mr. and Mrs. Hugo Zuercher of New Braunfels.

His parents and one sister, Alice, preceded him in death. Pallbearers were Darrell Froboese, Norman Froboese, Barry Jaroszewski, Melvin Preiss, Ronnie Teichelman and Leon West.

Tax Assistance Available Through VITA

Free tax assistance is available through VITA, the Volunteer Income Tax Assistance program sponsored by the Internal Revenue Service, every Wednesday from 11 a.m. to 2 p.m. from Feb. 1 through April 12 at the Haskell ECC Building the IRS said.

VITA is designed to help low income, elderly, non-English speaking and handicapped taxpayers fill out the new Form 1040EZ, a basic Form 1040, or Form 1040A. Volunteers also alert taxpayers to the special credits and deductions for which they may be eligible, such as the child care and earned income credits, the tax credit for the elderly, and deductions available for certain medical and dental expenses.

Complicated tax issues such as capital gains, business expenses and the like are not covered at VITA centers, according to the IRS.

A taxpayer coming to the ECC Building should bring this year's tax package, usually received through the mail, wage and earnings statement(s) (Form(s) W-2) received from employers, interest statements from bank(s) (Form(s) 1099), a copy of last year's tax return if available, and any other relevant information concerning income and expenses.

Spanish Mision Sets Revival Feb. 27-Mar. 4

Gard of Thanks
CARD OF THANKS
We can never express our love and appreciation to each act of kindness shown during the time after the death of our Mother, Allie Tibbets. For the visits, prayers, the calls made to each home. The flowers and memorials sent meant to much and all the food brought to the house.

Our friends and relatives are so special at a time like this. I didn't know we had so many friends or that mother did. Her friends have been special too. We especially thank the ladies at the Methodist Church for the noon meal. It was so good. The service was a very special one too. Mother would have liked it.

Special thanks to Eunice and Odell Helweg, Mike McKinney, Mike Struve, Nelda Lane, Brian Burgess and Smith Funeral Home.

The family of Mrs. F.E. (Allie) Tibbets, Mr. and Mrs. Joe (Flo) Holder, Gayle and Bernie, Haskell; Mr. and Mrs. Neil Tibbets, Michael Penny, Martin and Gay, Gainesville; Mr. and Mrs. Ragan Butler, Gina and Bennie, Lou Ann and David, Kelly and Quintan, Canadian. 8p

"Farming can be complicated these days. Same goes for income taxes. So I go to H&R Block."

"With farming, one wrong step and it could cost you down the road. The same is true with tax preparation, and that's why I always go to H&R Block. My preparer is trained to know all the special problems that farmers face. And that saves me money. So I'll do the farm work while Block does the tax work."
