### HASKELL RIDER

Mike King of Haskell scored a 69 in bull riding Saturday night in the Haskell Horse Club rodeo. Horse Club members reported a good crowd at all three nights of the rodeo and local rodeo fans have expressed their opinions that the show was one of the best ever.

Last Friday and Saturday I had an opportunity shared only with a select few individuals in this world.

The great event was my first Brownie/Dad overnight campout and it was truly an unforgettable experience.

Sleeping on the ground, cooking over a campfire, hiking, playing games, participating in a singsong around a campfire and various other events resulted in one of the most fun times I have been able to share with Jennifer.

Donald Cunningham and Amy were the only other Haskell folks in camp and we had an opportunity to meet about 100 other Brownies and their dads.

Throughout the two day event Donald and I had as much fun as Jennifer and Amy and the four of us started early planning for next year. At the same time we were wondering why the dad's weren't invited to participate in the week long camps later in the summer.

Almost everything was perfect. Temperatures were in the mid 80's with a cloud cover which prevented sunburns. There was a slight breeze

both days and practically no mesquitoses.

A slight problem did occur for some of the fathers who decided to sleep outside Friday night. About the time things started to get quiet and most of the girls were already asleep, it started to rain. Quietly shuffling cots, bedrolls and giggling six year olds was probably the funniest event of the entire camp and yes, about the time everyone got to bed under some type of shelter, it quit raining.

The only bad thing that came from the entire thing was trying to get out of bed Sunday morning. Jennifer was smiling, jumping up and down and still talking about camp while I was trying desperately to figure out how so many muscles could be so sore in so many places. Climbing hills, sliding down dirt ravines, playing basketball and volleyball never bothered me when I was a Cub Scout or Boy Scout.

As I sat in the floor trying to decide the least painful way to put my socks on, it suddenly dawned on me why the West Texas Girl Scout Council won't let fathers stay at camp more than one day.

## Texas DPS Urges Safety During Vacation Driving

Now that school is out and vacation time is here motorists are heading for the road in droves, thus increasing their chances of having unfamiliar driving conditions.

Major V.J. Cawthon, Department of Public Safety Commander of Region 5 said, "When driving in the rural area, slow down before, not after entering a curve. If you wait until it seems urgent to slow down, it is too late. Your engine should be pulling your vehicle through the curve. This pulling force aids in directional control, when you use a safe speed

in a curve."

The Major reminds the Texas motorist to be alert to the fact that many people lose their lives within 25 miles of departure and/or destination. This fatal fact of the road is due in great part to abusing the speed laws.

Plan your trip so that you have plenty of time to reach your destination and return in comfort. This means a minimum of night driving, no speeding and no driving when fatigued. Have a happy and safe school's out vacation.

HASKELL—A GOOD PLACE TO VISIT: A BETTER PLACE TO LIVE

VOLUME NINETY-EIGHT HASKELL, TEXAS 79521, MAY 24, 1984 NUMBER TWENTY-ONE

## 42 Graduates Receive Diplomas During HHS Commencement Exercises

Forty-two graduates received diplomas during commencement exercises last Friday night, May 18, 1984, among them Klavs Nielsen, foreign exchange student from Sorring, Denmark.

Clayton Neal, Principal of

Haskell Secondary Schools, presented Carr Academic Scholarships to Jana Overton and Sheila Klose, who will attend Angelo State University at San Angelo. Miss Overton, daughter of Mrs. Genelle Overton and Allen

Overton, is salutatorian of her class. Miss Klose is the daughter of Mr. and Mrs. Jerry Don Klose and an honor student.

A full undergraduate scholarship appointment to West Point Military Academy, New York, was presented to Fred Barnett, son of Mr. and Mrs. Tom Paul Barnett; Barnett had received nomination from U.S. Congressman Charles Stenholm of Stamford.

The James R. Mickler Memorial Scholarship was given to Paul Cox by Jim Bob Mickler, son of the late Mr. Mickler in whose honor the scholarship is established. Cox is the son of Mr. and Mrs. Wallace Cox,

Jr., he is highest ranking boy of his class and will attend Texas A&M University.

The Haskell Rotary Club presented a scholarship to Ricky Moeller, son of Mr. and Mrs. Ernest Moeller. Ricky will attend Southwestern Assemblies of God College, Waxahachie.

The Homecoming Association scholarship was given to Sheila Klose, and the American Legion Award went to Paul Cox and Jana Overton.

Kathy Kemp, daughter of Mr. and Mrs. Giles M. Kemp, gave the valedictory address; Kathy will attend Texas Tech University.

## Rosemary Brown Is Outstanding YH

The Haskell Young Homemakers Chapter met May 14 at the Homemaking Cottage and ended the year with installation of officers for next year.

Mrs. W.P. McCollum installed Lesa Toliver as the new President.

ROSEMARY BROWN

Other officers being installed were: Vice Pres., Gaylin Langhofer; Sec., Carla Long; Treas., Lisa Teague; Reporter, Danelle Wallace; and Parliamentarian, Rosemary Brown.

It has been traditional to announce the Outstanding Young Homemaker at the last meeting. This prestigious award is voted on by club members and is based upon character, dedication and willingness to work for the good of the club. This year's award went to out-going President, Rosemary Brown. Rosemary is married to George Brown and is a secretary at Lanco Insurance. She spent many long hours organizing and helping carry out YHT projects successfully. A charm inscribed with the Young Homemakers of Texas Emblem was presented to her.

She was also presented with a gift certificate from the club to show their appreciation for the leadership she gave as President of the club.

Hostesses for the evening were Martha McKinney, Janie Stone, and Betsy Bellah.

## Timing Important In Control Of Pecan Nut Casebearer

The pecan nut casebearer is the most damaging pest of pecans in Haskell County. The first generation pecan nut casebearers causes most of the damage. One larva can often destroy all the nutlets in a cluster.

Timing of control measures for the pecan nut casebearer is very important. The insecticidal application should be made to control the larvae after they hatch and before they have entered the small nutlets. Based on the prediction model, casebearers should be hatching May 30 and the

first nutlet entry is expected on June 2. Therefore, pecan trees should be sprayed from May 31-June 4.

Temperatures warmer than usual could cause the hatch to be earlier and the need for an earlier spray date. However, cooler temperatures would slow development and delay the need for control measures. To time spray application for casebearer control on your trees start checking for eggs on a daily basis on May 26. The eggs are found on the tips of nutlets and are about the size of the ball in a ballpoint pen. After eggs are found they should be observed daily. They will be white when first laid, then turn red over a three-to-five day period. After the larva has emerged the egg will be white and transparent.

Apply an insecticide the third day after the first eggs hatch or when the first nut entry is observed. A second spray application will be needed when new casebearer nutlet damage is observed six to seven days after the first spray application.

Insecticides suggested for control of casebearer are diazinon malathion, or Zolone®. Commercial pecan producers may want to use Pydrin®. Be sure to read and follow the instructions given on the label when using one of these insecticides.

## Funeral Services Held For Prominent Haskell Attorney

Funeral services for William Paul "Bill" Ratliff, 78, of Haskell were held at 4 p.m. Monday, May 21 in First Christian Church with Rogers Durham, former minister of Portland, Indiana and Phillip Harris, minister, officiating. Burial was in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

He died in Hendrick Medical Center in Abilene after an illness of several months.

Mr. Ratliff was born August 19, 1905 in Indian Territory, now Ada, Oklahoma, the son of Mr. and Mrs. L.D. Ratliff. The family lived in Decatur many years and in 1921 Mr. Ratliff moved with his parents and ten brothers and sisters to Haskell. He attended public schools in Decatur and Haskell and later graduated from Cumberland University School of Law in Lebanon, Tennessee. He began his practice of law in 1934, first with his father and later with his brother, Dennis. During his legal career, he served as Haskell County Attorney, District Attorney and as District

Judge of the 39th Judicial District, one of three brothers to serve the State of Texas in that capacity. In 1935 Mr. Ratliff married Margaret Grant of Abilene. He was a member of First Christian Church in Haskell.

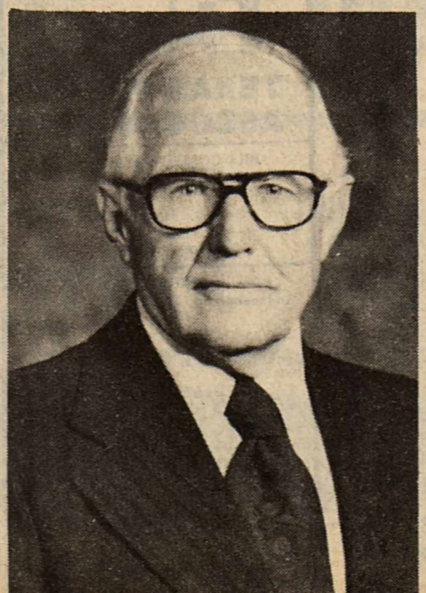

Survivors include his wife; three

daughters, Paula Lannert of Austin, Gloria Khamashta of Long Beach, California, Leah Wheatley of Picaune, Mississippi, and one son, William Grant Ratliff of Lubbock, 3 granddaughters and 3 grandsons; three sisters, Mrs. Cody West, and Mrs. Lynn Pace, Jr., both of Haskell, Mrs. Paul Pearson of Orange, and four brothers, Dennis and Hugh both of Haskell, David of Stamford, and O.B. of Lubbock.

Proceeding him in death were his parents and three brothers, Ted, Roy, and L.D. Ratliff.

Pallbearers were nephews, Tommy West, Charlie Grant, Pete Vletas, Gene Plunkett, Lon McMillen, Sam Pace, Patrick Pace, and Wes Pearson. Honorary pallbearers were the Haskell County Bar Association members and Dr. Frank Cadenhead, Gerald McCoy, Raja Hassen, John Kimbrough, Jimmy Lisle and Lanny Beauchamp.

The family requests that memorials be gifts to the West Texas Rehabilitation Center, American Cancer Society, or a favorite charity.

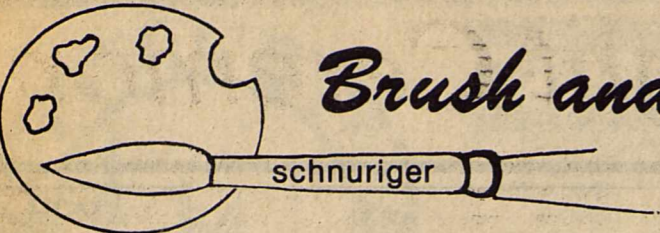

W.P. "BILL" RATLIFF

## WTC To Offer Summer PE Classes

Western Texas College will offer three one hour Physical Education courses in Haskell this summer.

The three courses are "Aerobics", "Racquet Ball", and "Physical Training". All three courses will be taught at the Fitness Shop.

Anyone desiring further information should contact either the Fitness Shop at 864-8933 or Bill Blakley at 864-2891.

## Brush and Palette

Dr. Ron Tyler found exhibits of art, locks and tools, bird eggs and Tex Ritter memorabilia while researching his new book "Texas Museums". The Dallas Museum of Art captured national attention recently when it received a private collection worth more than \$30 million. Meanwhile, out in West Texas, the Midland County Historical Museum

continued to display the contents of a chicken's gizzard with relatively little notice. An important impressionist art collection and the gleanings from a chicken gizzard may have little relation except to illustrate the range of museums in Texas—from "international class" to pure "Texas junk", says Dr. Tyler. "Museums have really come of age in Texas. The best ones

are no longer national quality—they are of international quality," said Dr. Tyler, who is an assistant director of the Amon Carter Museum of Western Art in Fort Worth. Some of the best-known ones are the Dallas Museum of Art, the Kimbell and Amon Carter museums in Fort Worth and the Museum of Fine Arts in Houston. Then there is the Bullfight Museum in El Paso, Rattlesnake Museum near Pyote and the Old Clock Museum in Pharr. Others are the Abilene Fine Arts Museum and Yorktown Historical Museum. Then there is the Dutch Windmill Museum in Nederland with an exact replica of a Dutch windmill. It honors area settlers from Holland and houses the memorabilia of country-western singer Tex Ritter, who was from Nederland. One of the 'jewels' of a museum is the McNay Art Museum in San Antonio. Visit the museum of your choice and gain knowledge of current art.

Q. If a tube of my expensive, but little used, Winsor-Newton or Grumbacher watercolors dries hard, what shall I do, throw it away?

A. There are two possible ways to salvage the colors: (1) Put an inch or two of water in a small jar, unscrew the top of the hardened tube and place it, top down, in the water. If, after a few days, the paint doesn't soften to your satisfaction, use the second method—i.e., (2) Tear, or cut, the side of the tube so that the contents can be touched by your brush and used in the same fashion as any normal pan watercolor paint.

HINT: "Love cures people, both the ones who give it and the ones who receive it." Dr. Carl Menninger

Write your questions and hints to me, Faye Schnuriger, P.O. Box 134, Haskell, Texas. I will not use your name but do want you to sign your letters.

## Traci Fry To Attend Program For Gifted Students

Traci Renee Fry, Rochester Sophomore, daughter of Mr. and Mrs. Keith Fry, and granddaughter of Mrs. Thelma Grinstead, has been accepted to the Texas Tech University "Shake Hands with your Future" 1984 program

for gifted and talented students. It is to enrich and stimulate young people academically by exposing them to various types and levels of academic experiences. Qualifications for acceptance include: identification as gifted by school system, standardized achievement test scores at least two grades higher than student's present grade, unusual creative or productive thinking ability, high IQ score, demonstrated leadership ability, and skill or potential in the visual or performing arts.

She will be at Texas Tech for the program July 22 - Aug. 4 for the 9-12 grade period. It is a residential program that includes field trip activities and laboratory experiences with hands-on activities emphasized within the classes.

TRACI RENE FRY

## 'Living Memorials' Benefit Cancer Society

Memorial Day is a time for remembering someone held dear and the American Cancer Society announced today that it can also become a time for turning losses into victories.

According to Jo Cox memorial chairman for the Haskell County unit of the ACS, Memorial Day is an appropriate time to make memorial contributions in memory of a loved one lost to cancer. "We call them 'Living Memorials',

said Cox. "A gift today may spare others tomorrow."

Contributions to the American Cancer Society are used to sponsor the organization's attack on cancer through balanced programs of research, education, patient services and rehabilitation.

The ACS is the largest source of non-government cancer research funds in the country. The current ACS research investment in Texas

alone is more than \$4.2 million in grants at hospitals, universities, and medical institutions throughout the state.

"The ACS is also very much a community-based organization, however," added Cox. "Our programs and materials are managed by local volunteers...and I think that's important for the people of Haskell County to realize when they contribute to this important cause."

According to the latest figures released by the society this spring, cancer survival rates are rising steadily. The 1984 edition of its annual "Cancer Facts and Figures" indicates 48 percent of all cancer patients will survive 5 years or more after diagnosis. This compares with 41 percent just 5 years ago in 1979.

"We are winning the fight," said Cox. Progress is being made but we've still got to do more. I think our memorial program, which is chaired locally by Evelyn Cobb, remains a convenient

and dignified way of turning losses into victories."

Anyone wishing to contribute to the ACS through its memorial program may do so by sending their contributions to Evelyn Cobb at Bud Herren's Insurance, 115 North Ave. E.

Contributors should include the name of the deceased in whose name the memorial is being made, along with the name and address of the individual who should receive acknowledgement of the contribution.

## Area Screening Services Set

The Texas Department of Health Region 4 will hold screening services for area towns. The public is invited to attend and there will be no charge for these services. Any abnormal findings will be referred to the client's private physician.

Services offered will be for

diabetes, high blood pressure, anemia, vision, hearing, weight and urinalysis. Immunizations will also be given on specified dates and at specified sites.

Clinics will be held at the following locations and dates: Aspermont, at the Stonewall Co. Activity Center on Wednesday, June 6, 1984, from 10:00 a.m. until 3:00 p.m. Immunizations will be given from 1:00 p.m. until 3:00 p.m.

Anson at the Saint Michael's Parish Hall, 2413 Ave. L, from 10:00 a.m. until 12:00 noon on Wednesday, June 13, 1984. Immunizations will be given from 1:00 p.m. until 3:00 p.m.

Haskell at the Experienced Citizen Center, 1404 South 1st, from 10:00 a.m. until 3:00 p.m. on Thursday, June 7, 1984. Immunizations will be given from 1:00 p.m. until 3:00 p.m. on Thursday, June 21, 1984.

Stamford at the V.I.P. Center, 508 East Gould on Wednesday, June 27, 1984, from 10:00 a.m. until 12:00 noon. Immunizations will be given from 1:00 p.m. until 3:00 p.m.

Woodson at the Woodson Community Center on Monday, June 25, 1984, from 10:00 a.m. until 2:00 p.m. Immunizations will be given from 1:00 p.m. until 2:00 p.m.

Throckmorton at the Senior Citizen Center on Thursday, June 28, 1984, from 10:00 a.m. until 2:00 p.m. Immunization will be given from 1:00 p.m. until 2:00 p.m.

## Hospital Notes

Visiting hours at Haskell Memorial Hospital are 2 to 4 p.m. and 7 to 8:30 in the evening. No visiting hours in the morning. No children under 14.

## ADMISSIONS

MEDICAL: James Roberson, Haskell, Hayden McDonald, Haskell.

SURGICAL: Ton Whitaker, Haskell; Mary Escamilla, Munday; Geniva Hudson, Throckmorton.

## DISMISSALS

Delia Ashley, Marie Owens, Paul Gonzales, Hazel Letz, C.W. Dunnam, Lonnie Scifres, Hazel Branch, Kap Baker, Hazel Pierce, Susanna Cox, Julia Hicks, Gladys Oates.

ERICA HOLLINGSWORTH

## Erica Hollingsworth Crowned Miss Universal Beauty

Erica Hollingsworth was crowned Miss Universal Beauty in the "Oil Country Our Little Miss Pageant" in Breckenridge, on April 28, 1984. The Oil Country Pageant was a subsidiary of Universal Pageant System which is a Scholarship Foundation. The local pageant was a preliminary to the Texas State "Our Little Miss" which will be held during the last week of June in Fort Worth. Erica will be competing in close-up appraisal of sportswear, party dress, sleepwear, personal interview, and talent presentation.

## 4-H'ers To Present County Fashion Show

The results of combining sewing skills with fashions of today will be displayed when Haskell County 4-H club members present the annual County Fashion Show, Thursday, May 31, at 7:30 p.m. at the Paint Creek School Cafeteria.

A special attraction at the Fashion Show this year will be the presentation of the method

# McPherson, Mahood Wed In Candlelight Ceremony

Kathryn Suzanne Mahood and James David McPherson were married in a candlelight, double-ring ceremony in the sanctuary of the First Baptist Church of Hobbs, New Mexico, on Saturday, May 12, at 2:00 p.m. Parents of the couple are Mr. and Mrs. Robert H. Mahood, 107 West Silver, Hobbs, New Mexico, and James Earl and Sharon McPherson, missionaries to Khan Yunis, Gaza.

Fathers of the couple took part in a joint ceremony conducted by S. L. Tate, Jr. in giving their children in marriage before the ceremony was conducted by the groom's father.

Accenting the sparkling red and ivory colors chosen by the bride, the center of the altar

area held a 15-branch, brass candelabra with ribbon trim. On either side candle trees trimmed in Commodore fern and Leatherleaf held 10 lighted tapers. Boxwood garland and red votive candles adorned the instrument railing of the altar, and pew markers completed the setting.

Attending the bride was Kay Ryan, Abilene, Matron of Honor; Bridesmaids were Adrienne Ross, Hobbs; and Carla McPherson, sister of the groom, Abilene. Also attending the bride were her sisters, Patricia Fogle and Pam Austin, of Abilene.

Best man was Stan Parks of Abilene. Groomsmen were David Haley and Tim Terrell, Abilene, and Ed and Glyndon Burkhardt, both of Brownwood.

Guests were seated by brothers-in-law of the bride, Ron Fogle and Dennis Austin of Abilene.

Also serving as attendants to the bride and groom were Amy Mitchell Hobbs and Elizabeth Austin, niece of the bride from Abilene who distributed potpourri from wicker baskets with red bows for the guests as the couple was leaving the church.

The bride's chosen colors of red and ivory were used in identical attire of the attendants who wore two-piece floor length gowns of red taffeta. The loose-fitting wrap blouse had slightly extended shoulders with elastic waist, shaped peplum and long sleeves, complemented with cummerbund sashes tied in a bow in the back. Long, straight evening-length skirts completed their ensemble. They carried ivory covered hurricane lamps with red burning candle and long ivory satin streamers.

The groom wore a Pierre Cardin traditional full-dress design tux with tails, white wing tip shirt, white vest and white bow tie. The groomsmen wore regular cut Pierre Cardin tuxes with white wing tip shirts, red bow ties and red cummerbunds. The Best man wore an identical tux with the exception of a black bow tie and a black cummerbund. The father of the bride and groom wore the Pierre Cardin traditional full dress design tux with black tails, white wing tip shirts and black bow ties and black cummerbund. The groom and his attendants each wore a red rose boutonniere.

The bride wore an ivory satiness gown with pearl beaded schiffli yoke and collar, shirred long sleeves, cuffed with schiffli lace, peplum waist line accented with beaded motif and the skirt falling softly in a chapel train.

The bride's gown was complimented by a satiness, pearl-beaded Australian-brimmed hat of Schiffli and venetian lace with two soft ivory flowers on one side. The beaded ivory net fell into a chapel-length train. Her bridal arm bouaet was of red and ivory roses, lilies of the valley and baby's breath with red and ivory streamers. She also carried a Mother of Pearl, White Testament, a gift from the grooms parents, brought from the Holy Land. She carried two ivory venetian lace handkerchieves, one belonging to her great-aunt and one to her grandmother, Mrs. R. F. Mahood from Kerrville. She wore the traditional sixpense in her shoe.

Music was provided by Sherman Aten, piano, and Mrs. Virginia Starling organist. Tim Cummings sang "The Wedding Song" accompanying himself on the guitar.

After the couple and wedding attendants assembled at

the altar a wedding prayer was sung by Mrs. Chase Kemp, "The Lord's Prayer." After the exchange of rings Ed Burkhardt sang "That's The Way." As the couple knelt in reverence, a quartet, composed of Sherman Aten, Ellen Kemp, Tim Cummings and Ed Burkhardt, sang "May The Lord Bless You and Keep You" a capella.

A reception immediately followed in the fellowship hall, with Mrs. Max Clampitt as reception director. Amy Tate and Deanna Cardinal served at the bride's table and Debbie Wood and Kathy Matthews at the groom's table. Other members of the house party were Dorothy Pye, Martha Franks, Debbie Mitchell and Mary Davis.

The bride's bouquet marked her table, covered by an ivory lace cloth over red satin. The 3-tier wedding cake was

ornamented by ivory and red roses with white wedding bells and greenery. Punch was served from a crystal punch bowl. Red candles in crystal holders lighted the scene and other crystal appointments carried out the decor of the table.

The traditional German Chocolate cake was served from the groom's table where brass appointments were used. Coffee was served from a brass coffee urn. Red silk roses and baby's breath formed the center piece. Red and white mints, made by Mrs. Clampitt were served from both tables.

A highlight of the reception was a song "My Love, My Lady" dedicated to the bride, and sung by Ed Burkhardt and accompanied by Sherman Aten.

The rehearsal dinner held in the fellowship hall of the

church of Friday evening, hosted by the groom's parents, carried out the Middle East decor and menu.

Joining the members of the wedding party for the rehearsal dinner were relatives of both the bride and groom and Mr. and Mrs. Elmer Hinds, Dorm parents of the groom from Israel. The bride's uncle, Alton McClellan of Kerrville, gave the invocation.

The bride graduated from Hobbs High School in 1980; and is presently a senior at Hardin-Simmons University, Abilene, where she has served as Vice-President of her Freshman and Sophomore Classes, and as Junior Representative to Student Congress and President of Delta Social Club. She is majoring in Speech and Theatre.

The groom graduated from High School at the American International School, Tel Aviv,

Israel, and is also a senior at Hardin-Simmons University, Abilene, where he is a member of the BSU. He is majoring in Speech-Communications. The couple plan to continue their education at North Texas State University, and will reside at 314 Fulton, Denton after their honeymoon.

Pre-nuptial courtesies included a miscellaneous shower at the home of Mrs. Vernon

Hepp, hostesses were, Mary Davis, Dorothy Pye, Bobbye Wood, Kathleen Ross, Debbie Mitchell, Mary Jo Cope, and Cami Welch; kitchen and recipe shower given by Marsha Smith, Linda Taylor, Jeanette Case, Inez Bryant, Sandra Tuten, Theresa Minix, Shirley Breeden, in the home of Martha Franks. Also a miscellaneous shower was given by the First Baptist Church of Las Cruces.

# Views From City Hall

BY ROBERT BAKER

One of the most important areas that city government is involved in is the cooperation between local, county, state and federal agencies. Of utmost importance is cooperation with the county government. So many of our operations overlap and are really a benefit to all the citizens of our community.

We are extremely fortunate to have County Commissioners who are aware of the benefits derived from close working relations with the City. A large part of their revenues come directly from citizens living in the city limits of Haskell. The Commission-

bottlenecks in that area. I am sure this will help in our overall flood control project. It has also saved a considerable amount of the grant money that we can spend on the other parts of the creek.

They are currently involved with the city in rechanneling the creek south of the City Park. This has involved extensive excavation of dirt and shaping the area. The City does not have a bulldozer and we could not have accomplished this task without the assistance of the county equipment. They furnished two bulldozers and the city supplied an excavator and motor grader. Through this cooperation we have completely rechanneled the creek and opened it up to prevent

sure this will help in our overall flood control project. It has also saved a considerable amount of the grant money that we can spend on the other parts of the creek.

The county has in the past and continues today in assisting the city with grading on city streets. They were very important in our recent clean-up. I know of several occasions where they hauled caliche to the city streets and even furnished us a stock pile of caliche to use in our alleys and streets.

Recently I made a request to the county for financial assistance with the operation of the city landfill. As I have discussed in previous articles, this is a very expensive operation and we were reaching the point where the city might have to charge a fee to dump solid wastes. The commissioners came to our rescue and gave the city \$10,000.00. This money will certainly help in the operation. As a result of these funds, the Mayor and Council agreed to keep the landfill open from 1:00 p.m. to 5:00 p.m. on Sundays.

I am extremely pleased with this cooperation between the city and county and assure them that I will make every effort to continue working as a team.

## PROCLAMATION

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States has been officially recognized and endorsed by governmental leaders since 1922; and

WHEREAS: V F W Buddy Poppies are assembled by disabled veterans, and the proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans, and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living"; therefore

I, Abe Turner, Mayor of the city of Haskell, Texas do hereby urge the citizens of this community to recognize the merits of this cause by contributing generously to its support through the purchase of Buddy Poppies on the day set aside for the distribution of these symbols of appreciation for the sacrifices of our honored dead.

I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed *Abe Turner*  
Mayor

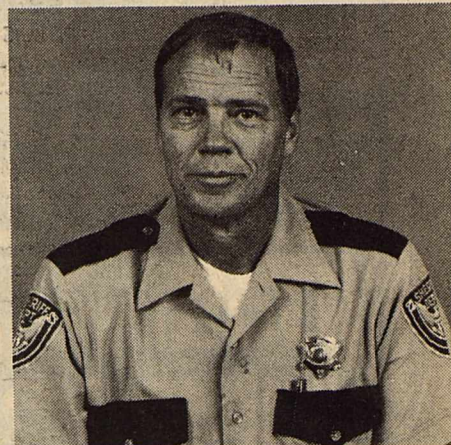

# Town Hall Meeting On Education Set In Abilene

The Education Committee of the Abilene Chamber of Commerce will sponsor a Town Hall meeting on education, May 29, 1984 from 7:00 p.m. to 9:00 p.m. at the Abilene High School Auditorium. Moderator will be Representative Gary Thompson with Bob Norwood, Director of the Texas Research League; Senator Grant Jones; Ross Perot, and Dr. Raymond Bynum, Commissioner of Education as panel members. It is the goal of the Education Committee to provide individuals the opportunity to be informed and involved. With so many questions about education and where it "might" be headed, this forum will provide the

opportunity to share ideas—what's our priorities and what will they cost?

Don't miss your chance to voice your opinion and hear

what others have to say. Abilene High School Auditorium, Tuesday, May 29, 1984 from 7:00 p.m. to 9:00 p.m. Open to the public.

## Letters To The Editor

I wish to take this opportunity to express my thanks to all who have contributed to the fund set up for Coach Payne. He has been home from the hospital since March 24th and he is making pretty good progress.

Even though he has nurses around the clock I know he would enjoy a visit or a card.

Again I thank all for their contributions and prayers.  
Mrs. Coy Payne

## College News

Ira Loraine Johnson and Kip Nemir of Haskell, and Toni Renee Hewitt of O'Brien were included on the Dean's List for the 1984 spring semester at VBS Set At First Baptist

Western Texas College. The Dean's List is composed of students who have a grade point average of 3.5 or more on a 4.0 scale while enrolled for a minimum of 12 hours of college credit work. One hundred students qualified for the Dean's List this semester.

Vacation Bible School has been set for the First Baptist Church in Haskell June 4-8 announced Martha McKinney, VBS director. Classes will be held for 3 years through 6th grade.

Activities will include Bible study, crafts and refreshments. Bus rides will be available. Call 864-2581 for more information.

WTC will be starting summer classes on May 30 following registration on May 29.

# For Quality Seed Conditioning Put Your Wheat In Our Hands

To improve seed purity, your wheat seed is conditioned by Bronco Seed Company's new, multi-step process.

First, an air-screen machine removes weed seeds, trash, underdeveloped and oversized seeds and cracked or broken seeds.

Quality continues as our three indent cylinders separate the wild oats from the good seed by length sizing.

For final finishing and improvement of germination, our gravity table separates immature, lightweight seed from mature, heavy seed to improve seed vigor.

We can treat your wheat seed with Vitavax®-200, the systemic fungicide that effectively controls true loose smut, bunt, seed rots and seedling diseases. And, you will be able to graze your cattle earlier since Vitavax-200 treated wheat normally emerges faster and shows more vigorous growth.

Bronco Seed Company offers you bulk grain storage before cleaning, and bag seed storage after cleaning. Bulk cleaning is available for loading back on your vehicle.

Call us about picking up semi-truckload lots of your small grains in the field for cleaning.

# Sagerton Community News

Willie F. (Buster) Tredemeyer would like to thank everyone who helped fight the grass fire in his pasture last Wednesday. Sagerton is small but when anyone needs help its big.

Willie F. (Buster) Tredemeyer and Norma attended the commencement of the Haskell High School last Friday night. Their grandson Todd Jennings was one of the graduates. Monday night the Tredemeyers were in Abilene to watch their other grandson Steven Letz played little league ball. Todd is the son of Ted and Mary Jennings.

Steven is the son of Larry and Jeanie Letz.

Mr. and Mrs. Anton Teichelman spent Mothers' Day weekend in Wichita Falls with Mr. and Mrs. Dan Humphreys, Matt and Stephen.

Sorry, Billie my husband didn't give me this news last week, so I am sorry I didn't get it in the paper last week.

Mr. and Mrs. Fred Kupatt in Wichita Falls last week for a dental appointment for Billie. They enjoyed visiting with Alton, Joy and Hazel Spiser and Mr. and Mrs. Bill Hicks. They also visited Mrs. Ruffina

Spicer in the nursing home.

Mrs. Shortie Newett of Stamford had lunch with Mr. and Mrs. Fred Kupatt on Mother's Day. Kris Kupatt was also home from Abilene.

Mr. and Mrs. Kraig Kupatt spent Mother's Day in Colorado City, visiting Leslie's mother.

Sam and Mary Neinast spent Mother's Day with their daughter and family in Tuscola.

On Thursday May 17th, Mr. and Mrs. John Zanda spent the night with Sam and Mary Neinast. Their home is in Bowlin Green, Kentucky. John is Sam's cousin and use to live here in Sagerton.

Friends gathered at the new home of Clayton and Paula Stegemoeller and daughter Sunday afternoon for a "house warming". They moved here from Lubbock a couple years ago and Clayton went into farming.

Their home is located on the southeast corner of the Stegemoeller home place, that is Clayton's great grandfather, F.W. Stegemoeller, which he bought when he came to this area in 1907. His grandfather Clarence Stegemoeller also lives on the farm.

Hostessess for the affair were, Beverly Davis, Tami

Baitz, Kathy Teichelman, Kelly Teichelman, Helen Lammert, Eveyln Ulmer, Dorothy Toney, Joyce LeFevre, Renee Dudensing, Brenda Turner, Gayle Baitz, Karen Lehrmann and Marilyn Yarborough.

We are happy to have a young couple, Guy and Wanda Cullicoate and daughters, move to our community. They live in the house that Clayton and Paula Stegemoeller moved from.

Mr. and Mrs. Fred Schonertedt went to Levelland Sunday for the graduation of their granddaughter, Kami, daughter of Mr. and Mrs. Glen Schonertedt.

Mr. and Mrs. Kent LeFevre of Tuscola visited with Mr. and Mrs. Delbert LeFevre Saturday.

Mr. and Mrs. F.A. Ulmer, Mrs. Delbert LeFevre, Mr. and Mrs. Allen Davis and Mrs. Bill Hertel represented this voting precinct at the Democratic Convention in Haskell Saturday afternoon.

The wheat harvest has begun in our area and the yield seems to be some better than it looked like it would be in the fields.

Miss Elise B. Hewett and Miss Carol Alleman of Salt Lake City, Utah were guests of Mr. and Mrs. Fred Kupatt last week. Miss Carol Hewett and Billie are cousins.

Kris Kupatt of Abilene has been at home recovering from foot surgery.

Mrs. Velma Lou Hertel, Mr. and Mrs. Bill Hertel, Mr. and Mrs. Melvin Baitz, and Mr. and Mrs. Kenneth Hertel attended a funeral in Anna last week.

Mrs. Martha Macon spent the weekend in the home of Mr. and Mrs. James Gellner.

Tony Carter, grandson of Mr. and Mrs. Alvin Bredthauer spent Wednesday visiting in the home of the Bredthauers. Sharla, girl friend of Tony came with him also visited with the Bredthauers.

Mr. and Mrs. Alvin Bredthauer, Mrs. Adela Nierdieck, Mrs. Velma Lou Hertel, and Erna and Walter Schaake of Stamford enjoyed playing 84 in the home of Mr. and Mrs. Arthur Knippling Sunday night.

The children of Sagerton that go to Rule School did real well winning some certificates in school. The awards were given during the 8th grade

graduation on Thursday.

Those who won are Greg Teichelman and Chad Teichelman, a perfect attendance certificate. Greg Teichelman got the citizenship and citizenship certificate. Nathan Macis, and Denise Torres received citizenship awards.

Mrs. M.Y. Benton attended the Old Timers dinner at Stamford Saturday.

Mr. and Mrs. Franklin Mrazek of Aspermont ate lunch in the home of Mr. and Mrs. Leo Monse Sunday.

Mrs. Lillie Lehrmann was dismissed from the hospital on Friday and is feeling better.

The benefit program for Michael Nauret which was held in the Faith Lutheran Church Sunday at 6:30 o'clock was well attended. The Larry LeFevre's and Ronnie Landes put on a good singing program. Then after the singing everyone went to the Fellowship Hall to have refreshments which was a lot of ice cream, cake, sandwiches, and chips, which of course everyone enjoyed.

The class of 1935 had their annual class reunion in the home of Mr. and Mrs. Reece Clark Sunday, May 20, 1984. The graduation class of 1935 was very small and all living members were present. Sorry to say two are deceased, Louise Neinast Humphrey and Audavee Neinast.

Those present were Mrs. Rachel Ward of Silver City, New Mexico, Mrs. G.W. Park (Lottie Bell) of Paducah, Mr. and Mrs. Gene Schattel (Fern of Sweetwater, Mr. H.J. Spiser of Wichita Falls, Mr. and Mrs. Jack Hall of Groverton, Mrs. Ophelia Gibson of Stamford, and the

host and hostess, Mr. and Mrs. Reece Clark.

Rachel Ward and Lottie Bell Park were also visitors at the Methodist Church with the Reece Clarks.

Everyone had a very enjoyable day remembering old days gone by and looking at pictures taken years ago and more recent pictures of each ones family and their grandchildren which is always a joy to show.

All to soon it was time for old friends to say goodbye until next year, ending an almost perfect day. The only complaint was eating too much.

## College News

Mikal Cox, son of Mrs. Dee Larned of Haskell and Curtis Cox of Stamford qualified for the Honor Roll at Angelo State University with a 4.0 grade point average for the semester.

Mike is a Computer Science Major with a minor in Math.

He is the grandson of Mr. and Mrs. O.W. Cox of Haskell.

He is employed by Texas Highway Department at Haskell for the summer.

# Money Matters

A Series Of Informative "Plain Talk" Thoughts Regarding Your Money Matters

### Accuracy In Checking

Nothing is more *aggravating* than when someone makes a mistake with your money. Our goal in providing checking is to spare you the aggravation that comes from making deposits that don't get recorded or other mistakes that can and sometimes do happen.

Over the years several surveys have been taken to find out how the public felt about the way they were being treated by the places where they did business. Near the top of the list of complaints you would almost always find inaccurate billings and other careless mistakes.

We realize the importance of accuracy in handling checking accounts. More employee hours are spent providing checking than any other service that we offer. Attention to detail is the difference between a good checking account and a bad one. Accurate statements that are prepared on time, everytime, should be expected. We consider it a privilege to have your checking business and we'll do our best to keep it.

We Think Money Matters!

When You Buy, Build or Remodel, You Can Save Thousands of Dollars\* on Your Electric Bills over the Life of Your Home if it's a WTU-Approved E.S.P. Home

Some homes on the market may seem to be energy efficient, but before you buy, build or remodel, be sure your new home earns the West Texas Utilities

### "E.S.P. Award"

ASK YOUR REALTOR OR BUILDER ABOUT SOME OF THE MOST IMPORTANT ENERGY SAVING FEATURES:

- Ceiling insulation of R-30 and wall insulation of R-16.
- Storm windows or insulated glass.
- Weatherstripping and caulking around all doors and windows.
- Air conditioning with a Seasonal Energy Efficiency Ratio (SEER) of 8.5 or higher.
- Electric heat pump with an SEER of 8.0 or higher.
- Air infiltration control.

#### \*COMPARE BELOW HOW MUCH MONEY AN E.S.P. HOME CAN SAVE YOU OVER A ONE-YEAR PERIOD

An average 1800 square foot home will cost approximately \$835 per year to heat and cool.  
An E.S.P. HOME of 1800 square feet will cost approximately \$610 per year to heat and cool, which results in an annual savings on electricity costs of 25 percent or more.  
*(Energy savings may vary according to the type of construction of the home, family size and individual energy usage habits.)*

Call your local WTU office for additional information on buying, building or remodeling to have an E.S.P. HOME. IT CAN SAVE YOU MONEY ON FUTURE ENERGY BILLS!

## Conservation Viewpoints

USDA Soil Conservation Service

The Haskell Soil and Water Conservation District has announced they will join in the national observance of Soil Stewardship Week to take place on May 27-June 3, 1984 according to an announcement by R.V. Earles, chairman of the district.

The theme of this year's observance is "Conservation: A Common Commitment". This focus is especially appropriate as each one of us is dependent on water and related resources. Together we must work for the good of all to utilize, conserve and properly manage those resources in our care. Participation in Soil Stewardship Week activities offers an opportunity to reflect on the nation's natural renewable resource problems and consider actions to resolve them or reduce their impact.

The Haskell SWCD was organized in 1977 for the purpose of offering farmers, ranchers, and the local community a voluntary conservation technical assistance program through which individuals could seek and request

conservation assistance to meet their individual land's capabilities and needs.

"Basically it is the district's responsibility to provide technical assistance when requested relative to proper soil use and treatment, erosion control practices, solve drainage problems and assist farmers and ranchers with crop, range and pasture-land management," said Earles.

The National Association of Conservation Districts has sponsored Soil Stewardship Week in the United States since 1955, in cooperation with the nation's nearly 3,000 soil and water conservation districts. Informative material on the Soil Stewardship Week theme each year is distributed through local conservation districts to clergymen, lay leaders, civic and educational organizations and to individuals interested in participating in the celebration.

Information and materials for the 1984 observance of Soil Stewardship Week can be obtained in this area from Soil Conservation Service, 510 South 2nd, Haskell.

## Strickland Receives Degree From Baylor

TERRY STRICKLAND

Terry Lynn Strickland of 1407 N. Ave E, Haskell, son of Nathan and Sue Patterson of Haskell and James and June Strickland of Brownfield, received his Bachelor of Business Degree from Baylor University at Waco, on May 18, 1984.

Terry graduated from Dallas Institute of Funeral Services in 1978 with the President's Scholastic Achievement Award with a 3.68 grade point average, Associate of Science Degree from Panola Junior College, Carthage, 1980 as valedictorian with a 4.0 grade point average and graduated from Baylor University with an overall 3.25 grade point average.

At Dallas Institute he served as First Vice President and Chairman of the social committee; at Panola Junior College he served as Vice President of the Baptist Student Union, Phi Theta Kappa honor fraternity national convention voting delegate; at Baylor University he was a member of Alpha Kappa Psi professional business fraternity, served as president of the pledge class, selected best pledge by the membership, selected rush committee chairman, intramurals chairman, captain of the intramurals softball team for two consecutive years, captain of the intramurals football team, served as keeper of the sponsors, served as alumni secretary, member of ASPA (American Society for Personnel Administration), served as

Vice President of ASPA, served as president of the student body of the Hankamer School of Business, member of the Executive Council of the business school, member of the Course of Petitions Committee, member of the Who's Who Selection Committee for Baylor University; he developed the Hankamer School of Business President's Council comprised of the president of each business and honor organization, chairman of the council, editor of the Hankamer News; member of the Baylor in London Advisory Council, member of the Attendance Policy Committee; and member of the Distinguished Professor Selection Committee.

Terry worked as a Research Assistant to Dr. Joe Cox, Chairman of the Management Department at Baylor before graduating. The summer of 1983 he did his internship as Legislative Assistant to Senator John Tower in Washington, D.C. As a funeral director and embalmer, he apprenticed with Holden-McCauley Funeral Home in Haskell, after receiving his license, he worked at Jimerson Funeral Home, Carthage, Hawthorn Funeral Home, Carthage, Shannon Funeral Home, Fort Worth and Holden-McCauley Funeral Home, Haskell. He was a legal clerk for Whitney Fanning, Attorney in Waco in 1982.

Terry plans to attend T.C.U. in Fort Worth this fall for his graduate work. This summer he is taking a long vacation to the Camia Islands.

## Matt Frierson Wins Belt Buckle

Matt Frierson, nine year old grandson of Pete and Jimmie Frierson recently won a belt buckle in rodeos in Oklahoma and last weekend he won a saddle as high point boy in all age groups competing in ribbon roping, poles and tie-down roping at a rodeo in Rosebud-Lott. He is the son of Dick and Peggy Frierson of Paris.

## Superintendent's Views

BY JAMES LANIER

Superintendent, Haskell ISD

Graduation for the 1984 seniors has come and gone. Students are pursuing summer recreations such as sports, swimming, jobs, enrichment study, etc. Teachers, after breathing a sigh of relief, leap into their summer jobs, additional education, or just plain old relaxing. However, the beat goes on at the school.

The main summer project for maintenance will be the renovation of the heating-cooling system in the primary wings. Kindergartners, first and second graders certainly should enjoy school more next fall plus having a much better learning situation.

The principals will spend long hours working on schedules to implement Chapter 75 and other curriculum changes. Many of the changes have already been initiated. However, there is still much planning to be done.

The administrative staff will be deeply involved in budgeting, policy writing, curriculum planning, etc. We have labored this spring with the possibility of a special session of the state legislature to revamp school finance and other school reforms. This has delayed our normal time lines considerably. We still have no definite knowledge of the special session. We have tried to work up impact models on copies of proposed legislation. Most of them have had the potential to cause us financial problems.

Mr. Neal, our secondary principal, often quotes, "Isn't this the most interesting job in the world." (referring to school administration) He is absolutely correct. We are looking forward to the challenge. Few people have the opportunity in their careers to help bring about tremendous changes. We now have that opportunity. Hopefully, we

are up to the challenge. I promise you this: We are going to work hard this summer on planning and preparing for this change.

Just a brief personal note: We have just concluded what I consider the most enjoyable year of my 25 year career. The students were well disciplined, congenial, and hard working. The teachers worked hard at their teaching. The community was supportive. Thanks to each of these groups for your role in this glorious year.

## Jackpot Playday Set May 27

The Haskell Horse Club will sponsor a jackpot play day Sunday, May 27, at 2 o'clock at the Haskell Rodeo Arena.

Events will include barrels, flags, and poles. Age groups will be 8 and under, 9-13, and 16-19 with a novice class in each group.

## Men

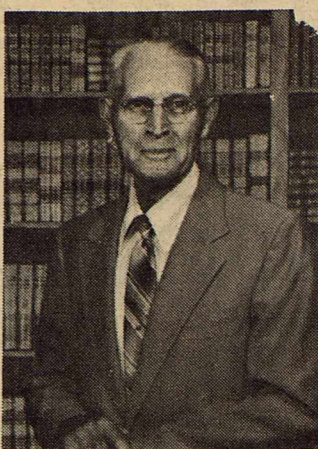

### In Service

Army Pvt. Daniel K. Hoover, son of Daniel R. Hoover of 607 N. Sixth, Haskell, has spent one month in Canada training with Canadian weaponry and learning Canadian battle tactics and terminology.

As part of a cold weather exercise, the training was a first-time exchange of information and equipment between artillerymen of the 3rd Royal Canadian Horse Artillery Regiment at Shilo, and 88 members of C Battery, 3rd Battalion, 18th Field Artillery at Fort Sill, Okla.

The training allowed the two NATO countries to cross-train in the event the two units are called to fight together in war.

## Obituaries

EARL LIVENGOOD

### Earl Livengood

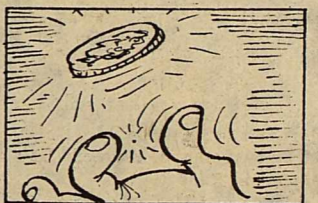

Funeral services for Earl Livengood, 81, of Haskell will be held at 10 a.m. Thursday, May 24 (today) in First Baptist Church with Rev. Mike McKinney, pastor, and Rev. Grady Adcock, Methodist minister of Lubbock, officiating. Burial will be in Willow Cemetery under the direction of Holden-McCauley Funeral Home.

Mr. Livengood died Tuesday, May 22 at 1:15 a.m. in Hendrick Medical Center.

Born January 18, 1903 in Scurry Co., he was a retired farmer and mechanic. He married Audie Teaff December 15, 1928 in Weinert. He was a member of First Baptist Church in Haskell.

Survivors include his wife; one son, Sandy Earl Livengood Jr. of Gilmer; two sisters, Molette Adcock of Sonora and Hope Adcock of Lubbock; two granddaughters, Celeste Diane Livengood of Frankfort, Germany and Debora Jean Livengood of Garland. He was preceded in death by one brother and one sister.

Nephews will be pallbearers.

The first coin minted in the U.S. was a silver dollar issued in 1794.

When John Deere builds an economy rider, only the price is stripped down.

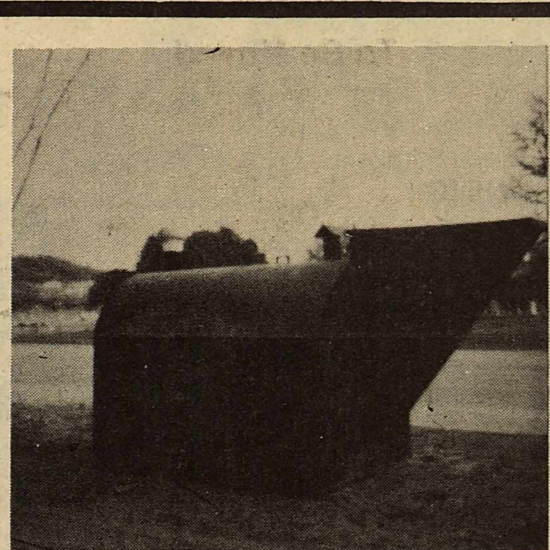

Until now, if you wanted to buy an economy rider you had to settle for economy features. But this year John Deere introduces the R70 and R72, two solid economy riders that are built to uphold the John Deere tradition for quality.

- 8-hp Briggs and Stratton engine
- Contoured 30-inch mower with adjustable cutting heights, 1 1/2 to 3 1/2 inches.
- Gear-drive 5-speed transmission
- Sector-and-pinion steering
- Optional 6 1/2-bushel rear bagger
