HASKELL—A GOOD PLACE TO VISIT. A BETTER PLACE TO LIVE

VOLUME NINETY-NINE HASKELL, TEXAS 79521, APRIL 11, 1985 NUMBER FIFTEEN

Oaths Taken, Airport Discussed By Council

BY JANET WILKE

The oath of office was administered to three Council members in the meeting of the City Council, Tuesday night.

Incumbent councilmen who were re-elected in last Saturday's election were Jerry Stocks, Darrell Smith, and Joe Cortez.

Following the swearing in ceremony, they were then appointed to their new respective committees, with Cortez going to the airport, parks, and city maintenance committee, Gilliam appointed to the streets committee, Stocks on the water and sewer, ambulance and fire committee, Kenny Watson on the ambulance and fire department workshop committee, and Darrell Smith on the sanitation, and equipment purchase committee.

The Council gave their approval to Dee Larned to close an alleyway that runs east and west, just north of Bill Wilson Motor Company, so that the company could expand.

Coach Jimmy Lisles was on hand to submit to the City a bid to lease

the city-owned pool for the summer. The Council accepted the bid, and a lease agreement will be drawn up by the parties involved.

Bob Brandon of the Haskell Horse Club was on hand to ask if the Council might give the Club \$300 to purchase new pipe for the arena repairs. The Council gave their approval for this. This will be taken from hotel/motel tax fund for tourism.

The subject of the City's grant application for revitalization was discussed and the Council listed their priorities as being water improvements, street improvements, and drainage improvements. They also set aside \$10,000 of the City's funds for the project, which will benefit the southwestern part of the City.

Franciene Johnson and the members of the Haskell Beautification Council were at the Council meeting, and they voiced their expression of appreciation to the Council for all of the assistance and support their organization had

received from the Council in helping to beautify Haskell.

Mrs. Johnson also said that the organization would do all they could in assisting with any project in which the City wanted them to.

The group asked the Council if they would consider May 6-18 as clean up weeks for the City, and urge the citizenry to clean up their property and do other things to make the City more attractive.

The airport hanger problems were discussed by the Council, with two people on hand to express their dismay at the way that the business of the rental of the hangars had been handled. It was the Council's opinion that much of the problem with the hangars would stop if someone were made manager of the hangars, so it was voted by the Council to name City Administrator Bob Baker as the airport hanger manager.

Problems at the airport include hangars being used for purposes other than storing aircrafts in, and the subletting of hangars to others. These actions are in direct violations of the rules and regulations for hangar use.

Baker said he would be notifying all of the persons who used the hangars as to their responsibilities and to the rules governing the use of the hangars, as well as notifying the violators. The City will also need to retain copies of all of the keys to locks on the hangars for use in the event of an emergency.

Five Trustees Take Offices

Five Haskell ISD trustees received the oaths of office Tuesday night during the regular meeting of the school board. Board members certified election results and then administered oaths of office to: Dr. Wayne Cadenhead, Brian Burgess and Bill Thomas as new board members and to Pat Henry and David Davis who were re-elected.

During the re-organization of the board Davis was re-elected president, Henry was elected vice president and Mike Guess was elected secretary.

During the meeting, board members accepted written guidelines for naming teachers to the career ladder and approved the re-hiring of all para-professional personnel.

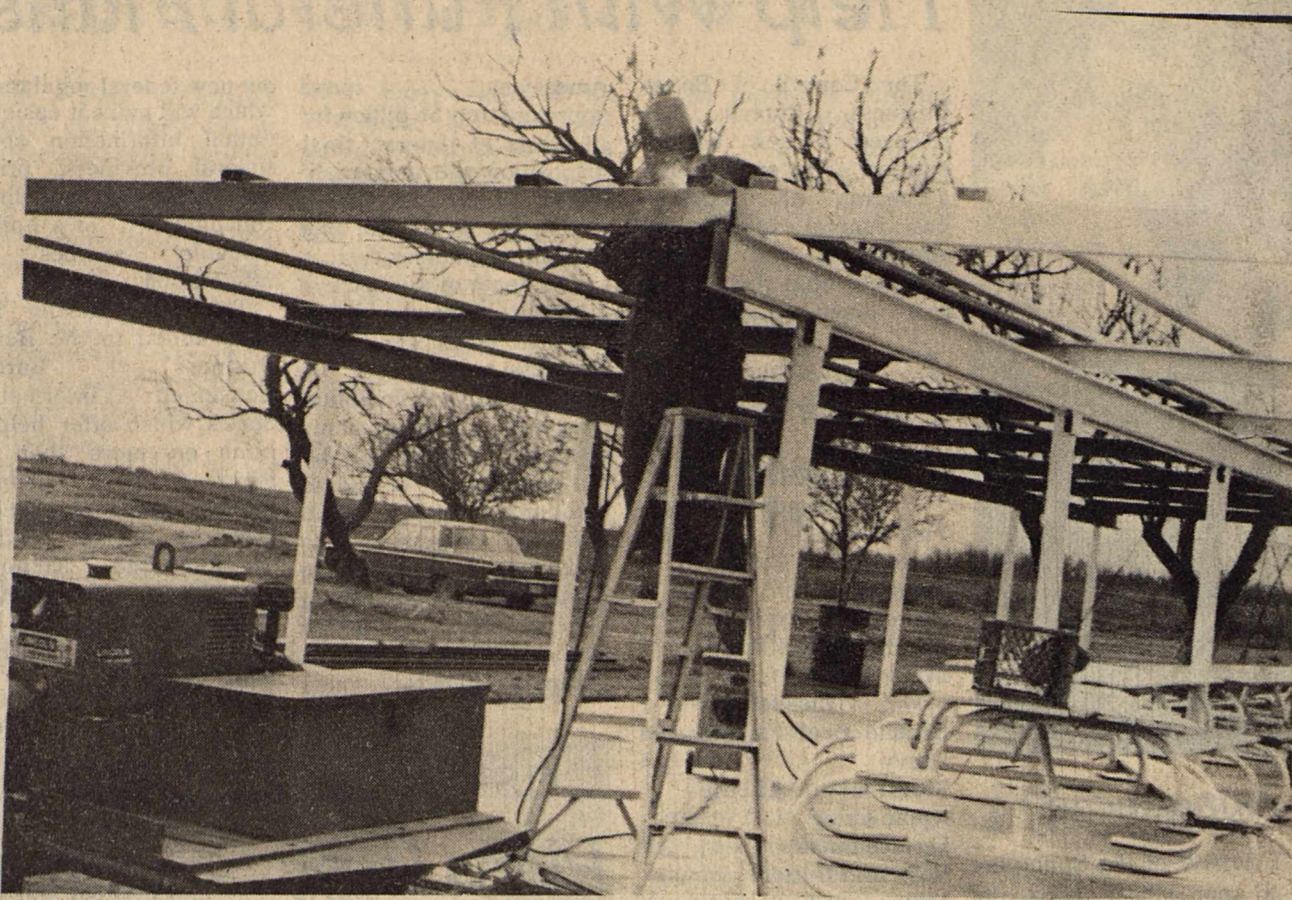

Two letters of resignation were also accepted by the board. The letters were from Nancy Mickler and Jill Harris. Mrs. Mickler is currently teaching second grade and Mrs. Harris is homemaking teacher. Board members discussed plans to interview applicants for the superintendent's position. The board has called meetings for Thursday, Friday, Saturday and Monday to interview applicants.

Almost 800 votes were cast in the school election in one of the largest turnouts ever. For a one year term Pat Henry received 396 votes over Bob Brandon with 241 and Charles Reed with 90.

For a two year term David Davis received 509 votes over Sammy Larned with 208.

In the three positions for three year terms Brian Burgess received 343 votes, Bill Thomas received 263 and Dr. Wayne Cadenhead received 260.

Other candidates and their vote totals included: Terry Blanks, 206; Tim Everett, 205; James Davis 195; Bob Aycock, 187; John Wilson 156; Gary Drbesedow, 119; and Jerry Harris, 69.

HANGIN' IRON

Shown is an unidentified welder as he works on the roof of the pavilion at the City Park, as renovations were underway to make the building ready for the visitors in the late spring and early summer months. Workers were also painting the playground equipment at the Park as well.

Firefighters Convention Is Scheduled For Saturday

Haskell will be the site of the annual Mid-West Texas Firefighters convention on Saturday, and officials here are expecting some 250 visitors to attend, from approximately 19 cities.

For the convention, the registration will begin at 10 a.m. at the Fire Station, then the business meeting will be conducted

at the Haskell National Bank Community Room, beginning at 1 p.m.

President Kenny Wood of Snyder will be in charge of the business meeting, and following the preliminaries, a memorial service will be held to honor all firefighters in the area represented who have passed away the past

year.

Following all of the business, the fun will begin with the hose races, set to be held at the corner of Ave. D, and South First Street.

To bring all of the events to an end there will be a steak supper held at the Haskell Country Club beginning at 6 p.m., followed by the annual Fireman's Ball, scheduled for the American Legion Hall at 8 p.m.

For those persons wishing to attend this function, they will need to contact fire chief Tom Watson, and make their registration. The cost for the Fireman's Ball and dance will be \$10 per couple.

For the ladies who attend, there will be a luncheon, hosted by the Haskell Fire Department Ladies Auxiliary. This will begin at 11 a.m., and will be held in the Fellowship Hall of the First United Methodist Church.

Sports Banquet Will Be Held Next Saturday

The All-Sports Banquet is scheduled for next Saturday, April 20, at the Elementary School Cafeteria.

All high school athletes—especially the seniors and the coaches, will be honored at this annual event. Each athlete will be guest of the Haskell Indian Booster Club. Otherwise, tickets will be \$5, and they will be on sale this week and next week at the high school office or The Drug Store. If you are planning to attend the banquet, you are urged to purchase tickets by Thursday, April 18, if possible, so that a head count can be made.

If you attend the banquet, you will be well-entertained by Jerry Larned, a Haskell native who is now assistant superintendent of the Monahans Independent School District. Those who heard him at last year's banquet have promised that this in itself is a special treat.

Bank. Bettye is married to Mac McBroom, who is a farmer.

BETTIE MCBROOM

Bettye McBroom Named Business Woman Of Year

Mrs. W.H. (Bettye) McBroom, owner of the Hayloft, here, was recently named Business Woman of the Year by the Small Business Administration's Lubbock office.

She will be honored as part of Small Business Week, set for May 5-11 in Haskell, reported the SBA officials in Lubbock.

A graduate of Haskell High School and ACU, Bettye began her business in 1978, and she has enjoyed growth in the business since it began.

Bettye has a Home Economics degree from ACU, a feat which she completed in conjunction with raising four children.

McBroom was a school teacher for two years before she entered the business field.

She has also been an active supporter of all of the programs at Haskell High School, where her youngest child, Holly, is a senior.

Mrs. McBroom was nominated to the honor by the Haskell National

Lions Club Sets Sale For Friday, April 12

One of the two major fund raising projects conducted by the Haskell Lions Club will take place Friday. The annual Mop and Broom Sale will be held on the southside of the Courthouse lawn from 8:00-6:00 p.m. Members of the Lions Club will call on businesses downtown during the day for merchants unable to personally attend the sale. In addition to this a complete order blank may be found in this week's Free Press for those who would like to order and have their merchandise delivered.

The sale includes a complete line of mops and brooms, as well as speciality items such as dish rags, ironing board covers and other regularly used household helpers. Funds raised from the sales will benefit two groups. First all items sold are made by the Lighthouse for the Blind and gives work to its members.

Second, local and state Lion Club projects are benefitted such as the new playground equipment purchased for the elementary school, eyeglasses for needy school children and the Texas Lions Camp in Kerrville which serves handicapped and diabetic youngsters.

Lions members encourage

everyone to stop by this Friday and take advantage of this once-a-year opportunity. In the event of rain the sale will be held in the old Post Office building on the southside of the square.

CITIZENS OF THE YEAR

Shown are Mrs. J.E. Geer, left, and Joe B. Cloud as they were named Citizens of the Year at the Rule Chamber of Commerce Banquet, held recently. Both Rule natives, Mrs. Geer is Cloud's aunt.

Photo by Charles Thornhill

News Briefs

Hermann Sons

The Sons of Hermann will hold their regular monthly meeting Sunday afternoon, April 14 at 3 p.m. A pot luck supper will be served.

The dance will be held Friday, April 12 at 8 p.m. at Irby Hall with the Arthur Newton and George Maxwell band.

Singalong

For all who like to sing gospel music, there will be a singalong held this Saturday evening April 13 at the Foursquare Gospel Church, beginning at 7 p.m.

On tap for the evening will be singing of the great old hymns, as well as the added treat of special musicians performing the music for those attending.

P.C. Elections

Martin Coleman and Ronnie Reel were re-elected to the board of trustees of Paint Creek School District Saturday.

Coleman received 31 votes and Reel received 29. Both candidates were incumbents seeking re-election without opposition.

Garage Sale

A garage sale has been set for May 2, 3, and 4 on the northwest corner of the square in Stamford to benefit the Wade Shurley Scholarship fund at Stamford High School.

Local residents who would like to donate items to the sale are asked to contact Glen Brzozowski or Frances Fischer. The Trinity Lutheran Church is co-ordinating the sale locally.

Shurley was killed in an auto accident during spring break. His father is a former Haskell County ASCS CED.

Revival Set

The Mission Revival Center, located at 207 East First Street, will hold a revival beginning April 15-19.

Services will begin at 7:30 p.m. each night, and the featured evangelist will be Rev. Haper of Tucson, Arizona.

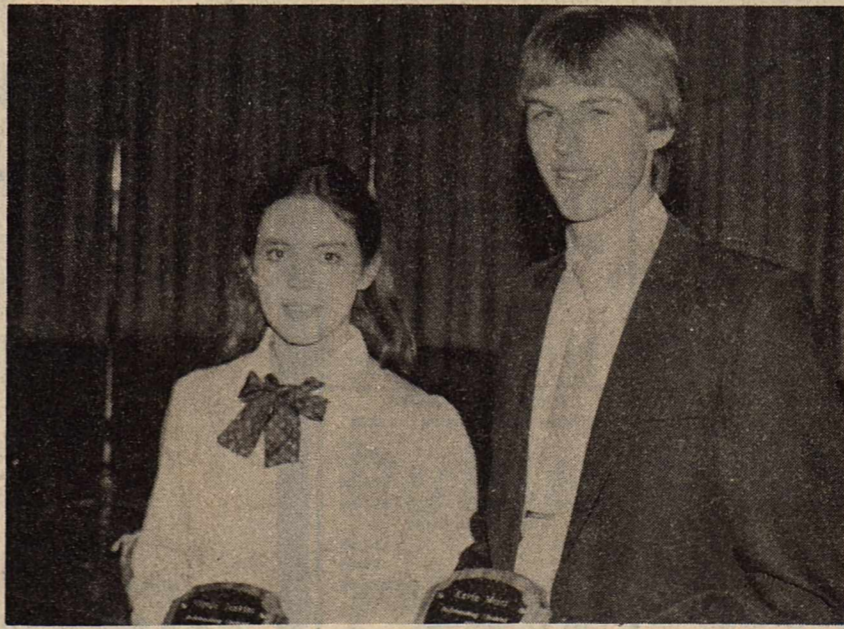

Playdays Set

Time for the Stamford Jr. Sheriff Posse Play days. Clean up and hamburger supper April 13 at 4:00. Bring mowers or clean-up tools and join the fun.

Play days - Sunday afternoon at 2:00 until school is out. First Playday Sunday, April 21 at 2:00.

OUTSTANDING YOUNG PEOPLE

Nikki Jenkins, daughter of Mr. and Mrs. Ronnie Jenkins, and Kevin Meier, son of Mr. and Mrs. Allen Meier, were named the Outstanding Young People at the Rule Chamber of Commerce Banquet.

Local FHA Members To Attend State Meeting

Representatives of the Haskell Future Homemakers of America chapter will be attending the 1985 state meeting of the Texas Association, Future Homemakers of America, along with the 7,000 members and advisors from Texas. "FHA/HERO: Yesterday, Today, and Tomorrow" is

the theme of the 1985 meeting, which will be held in the Albert Thomas Convention Center in Houston, April 12-13, 1985. Attending from Haskell High School will be Jill Harris, Advisor, Kim Lanier, Robyn Struve and Barbara Spiewak. This year commemorates the 40th

birthday of an organization that has served over 7 million young people. Keynote speakers and presentations by Future Homemakers will highlight the two-day conference. Interest sessions on elderly, leadership skills, nutrition, self-improvement and employability will be held.

The business of the Texas Association will be conducted during the House of Delegates session, Friday evening. Recognition of the proficiency event participants and installation of the 1985-86 state officers will climax the Saturday evening session. These officers, elected through chapter participation throughout the state, will be placed in office. A newly elected president will receive the gavel from Debra Allen, Abilene, outgoing president.

The Future Homemakers of America is an organization sponsored by Vocational Home Economics Education, Texas Education Agency, with Ms. Judith Hetherly, Director, and Miss Sharon Reddell, State Advisor.

Weinert FBC To Sponsor All-Church Picnic

The First Baptist Church of Weinert will be sponsoring an All-Church picnic on Sunday, April 14, following the worship services.

All members and visitors are invited and are asked to bring a picnic lunch for their family members. Drinks will be provided.

On tap for the activities for the afternoon will be croquet, soft ball, basketball free throw shooting, and horseshoes.

A nap area will be provided for the youngsters to rest.

The picnic is sponsored by the Baptist Church, and the pastor of that church is Steve Peace.

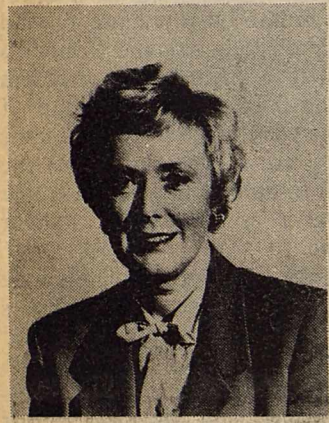

Kay Denkhoff To Speak At PSC

Mrs. Kay Denkhoff, producer/host of "Mid-Day with Kay," which airs on KRBC/KACB TV Monday-Friday at 12:15, will be the guest speaker at the April 11 meeting of The Progressive Study Club.

Mrs. Denkhoff, a former free-lance public relations consultant, began her TV program in July, 1979. She is the mother of two daughters and one son, and lives with her husband Ray, a registered pharmacist, in Abilene. She was born and raised in Iowa and moved to Abilene in 1965.

The program is entitled "Turning the Tables on Kay" and will feature an interview format. Members of the club wrote questions at their March meeting which will comprise the "interview."

The meeting in the Bank Community Room begins at 7:30 p.m. Guests are welcome.

203 Descendants Attend Annual Josselet Reunion

On Sunday, April 7, 1985, two hundred three descendants of the late Victor J. and Catherine Josselet gathered at the Haskell Country Club for their annual reunion.

The V.J. Josselet family came from Cooke County to Haskell County in 1900, where they have been engaged in farming and ranching since that time.

Mrs. Felix (Flora) Josselet, now 91 years old, and unable to attend the reunion, was presented with a flower for being the oldest living Josselet descendant.

The oldest person attending the reunion was Estle Gilleland, husband of the late Jewell Josselet

Gilleland.

Six weeks old Julee Ann Colbert, daughter of Robin and Lee Ann Toliver Colbert, and granddaughter of Bailey and Nancy Toliver, was the youngest person in attendance. Her great-grandparents were the late Mr. and Mrs. Ardonia Toliver, Sr.

Marriage Licenses

Marriage licenses issued during the month of March, 1985 by County Clerk Woodrow Frazier included:

Jimmy Earl Bilbo and Tracy Elizabeth Mathews, Rule.

Clarence DeWayne Meier and Kelley Lynn McFadden, Haskell.

Torance Heath Trussell and Stormie Gayle Wheeler, Rule.

Claude Matthew Reynolds and Sandra Sue Watson, Haskell.

Rochester Hobby Club

Evelyn Rogers was hostess for the Rochester Hobby Club during the meeting held April 2nd. 18 members and 12 visitors were present.

April birthdays celebrated included Eron McGuire, Olga Alvis and Easter Haste.

Eron McGuire will be hostess at the next meeting.

Hospital Notes

Visiting hours at Haskell Memorial Hospital are 2 to 4 p.m. and 7 to 8:30 in the evening. No visiting hours in the morning. No children under 14.

ADMISSIONS

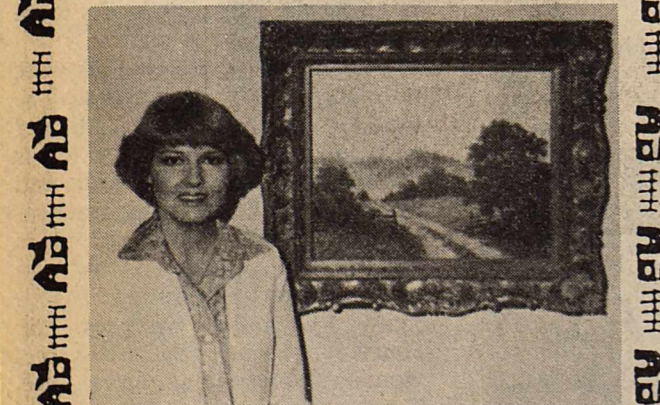

MEDICAL: Everett Thompson, Munday; Angie Mullino, Haskell; Denise Johnson, Haskell; Burnis Williams, Haskell.

SURGICAL: Irene Todd, Truscott; Cathy Threet, Rule.

DISMISSALS

Bertha Humphrey, Juanita Ledesma, Edwin Roberson, Dan Howard, J.B. Gipson, Matt Atkinson, Dorothy Stout, Grace Sanders, Eula Free.

OIL WORKSHOP

SARA SHELTON

Sara Shelton of Bangs, Texas will be teaching a workshop in oils at the Wigwam Crafts in Haskell, April 29th and 30th. There will be afternoon classes 1:00 p.m.-4:00 p.m.; Night classes 6:30 p.m.-9:30 p.m. The workshop will be a landscape with red oak tree.

Booklet Available To Help With Funeral Plans

The Council of Better Business Bureau has released a new booklet entitled "Tips on Planning a Funeral," which explains basic funeral expenses and alternatives and options available that help keep cost down. Each year

Americans spend approximately \$6 billion for all facets of funeral, final disposition and memorialization. The average cost of a funeral is \$2,400, not including cemetery cost.

The death of a loved one is a difficult experience that everyone faces. The Better Business Bureau in Wichita Falls cautions that "funeral arrangements often must be made quickly during times of great emotional stress, and persons unprepared to make them could be vulnerable to purchasing unnecessary or unwanted services." "Tips on Planning a Funeral" points

out new federal regulations which will make it easier to obtain information about funeral providers' prices and services, and direct consumers to other valuable sources of information.

The new Booklet has been added to the Better Business Bureau Consumer Information Series which offer helpful hints on more than 70 topics of consumer interest. For a free copy of this new booklet send a self-addressed stamped envelope to Better Business Bureau, 1106 Brook Street, Wichita Falls, 76701.

East Side Baptist Plans Busy Schedule

For the remainder of the month, the young people and the rest of the congregation at East Side Baptist Church will be busy with a variety of activities.

This Sunday evening, April 14, at 7 p.m., the East Side young people will present their musical comedy of "Priority" at the First Baptist Church in Knox City.

Then the adults will be holding a retreat at the Lueders encampment on April 26-27. This will feature speaker Dr. Bill Gilliam, and the main topic will be "Let's Go On To Maturity." Some of the points covered in the retreat will include how to live a more full Christian life.

Also, this coming Sunday, April 14, a theological student from Hardin-Simmons will be the featured speaker at the morning worship service. This service will begin at 11 a.m.

And, although the young people will be in Knox City for the evening services this Sunday, there will also be a featured speaker for the evening service. Robert Steed of the Soil Conservation Service will be speaking at the evening service.

WE HAVE pencil cups, stackable trays, book-ends, paper clip holders, stamp cubes and telephone files in matching colors. *Haskell Free Press*

First Christian Church Revival Set Apr. 14-19

The First Christian Church of Haskell will be conducting revival services on April 14 - 19 nightly at 7:00 p.m. Bro. John Barry and his wife, Gloria will be serving as evangelists. Bro. Barry, serving the Memorial Christian Church in Nederland, Texas for the past five years is a former minister of the church here in Haskell.

Having preached for the past 39 years, Bro. Barry has held revival meetings in 25 states and conducted evangelistic crusades in Australia and New Zealand. He also served on the teaching faculty of Dallas Christian College, Dallas.

Bro. Barry received his education at Cincinnati Bible Seminary in Cincinnati, Ohio and at St. Mary's University of San Antonio. He was involved in new church evangelism in Sioux Falls, South Dakota and was a professional public speaker for 10 years. He has also written for publication in the Christian Standard Magazine and a devotional book.

Gloria, his wife, has been very active in children's work, and enjoys using her talent in song leading and chalk art as an evangelistic tool. She has also served as a church secretary.

4-H Is Unique Youth Development Program

4-H is a unique youth development program, says Lou Gilly and Max Stapleton, County Extension Agents with the Texas Agricultural Extension Service, The Texas A&M University System.

Here are a few reasons why:

--4-H is real-life experiences: It is learning how to do jobs and make decisions that are important in life.

--4-H is a family affair: There is a place for all members in the family to participate. 4-H reaches and influences others (friends, parents, brothers and sisters) through the boys and girls that participate.

--4-H is flexible:

Programs are adopted to fit any individual, any home, and any community. That is part of the fun.

--4-H is working with others: Learning to stand up for what you believe and learning to work with others are important to each person. Early practice in making both personal and group decisions builds for the future.

--4-H encourages members to explore and decide on possible steps which they will follow.

--4-H provides for ownership: Growing, making, caring for, buying and selling are included. Each project "belongs" to the 4-H members.

--4-H is based on science and fact: The resources of Texas A&M University,

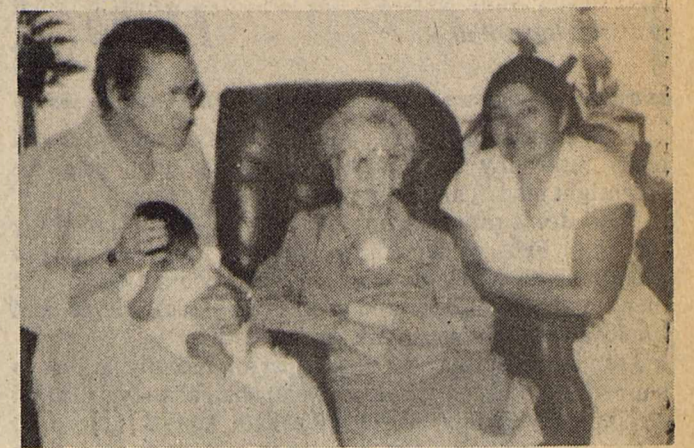

business, industry and your community are used in developing and carrying out projects and activities.

--4-H is a part of the community: 4-H groups become involved with improving economic and social conditions where members live. They learn how to be good citizens by carrying out community responsibilities.

--4-H is "learning by doing": It is an action program. Participants watch others. They study and experiment, but they also practice and do things themselves. People remember 20 percent of what they are told, 30 percent of what they see, 50 percent of what they see and hear, 70 percent of

what they say, and 90 percent of what they do and think. 4-H offers much thinking and doing.

For more information on 4-H, contact the county Extension office, 864-2546-864-2658.

FOUR GENERATIONS

Getting four generations of a family at one time, together, is not an easy task. Shown are the four generations starting with, on the left, Mrs. Margret Crane, grandmother, followed by the baby Sherrie Ejem; then pictured is the great grandmother, Mrs. Charity Bradley, with Mrs. Gwendolyn Ejem on the far right.

Placement Of Television Can Influence Family Behavior

Television sets are important pieces of furniture and their placement can do a great deal to influence family behavior.

Many families have rules about when the set can be on, when it must be turned off and the volume level. "Out of sight, out of mind," works well. A television set placed in a cabinet encourages other activities. Often the TV set is treated as a member of the family. When it is "talking" it is not interrupted. This discourages family communication.

If possible, provide a space for the television away from the TV - on a porch, in the dining room, on the patio or a conversation area of the living room. Also provide a space for reading. Try to approximate the old family estate library with some space for games and projects such as sewing and painting.

According to one Oklahoma study, 43 percent of the preteens have their own TV sets in their bedrooms. Television, home computers and video games can become a substitute for human companionship. When family members have their own television sets, that possibility is greatly increased.

Arrange home furnishings to foster good personal relationships and allow for privacy. There is less concern about private spaces for reading. Though some children and adults read to escape personal interactions, most people share and develop relationships through reading. Perhaps this is because reading can be interrupted and resumed at will and books are more likely to be shared and discussed.

The Haskell Co. Ambulance Memorial Fund needs your support. You never know when you or a loved one will need these services. What would happen if someday they weren't there because you didn't give your fair share? Think about it...

"The input we have received from the public in the past has been very valuable to us in forming our goals to better serve the state's 2.2 million older Texans," said O.P. (Bob) Bobbitt, executive director of the Texas Department on Aging. "It is especially important during this time of limited state and federal resources that we focus on priority services as reflected in these public hearings."

Comments on the State Plan may be made in person or in the form of written testimony. Copies of the preliminary plan may be obtained from the West Central Texas Council of Governments Aging Department -915-672-8544, or the Texas Department on Aging at (toll-free) 1-800-252-9240.

Texas Cancer Deaths Increase

Deaths resulting from all types of cancer increased by 34 percent in Texas during the past decade, according to an article in the journal Texas Medicine.

During the same 1970-1980 period, lung cancer deaths among Texas women increased by 121 percent. Lung cancer has since passed breast cancer as the leading cause of cancer death among women not only in Texas but across the nation.

The article is by Dr. Vincent F. Guinee, chairman of the patient studies department at M.D. Anderson Hospital and Tumor Institute in Houston. His story appears in the April issue of Texas Medicine, published by the Texas Medical Association.

"The lung cancer death rate among Texas males is definitely greater than the U.S. rate for males,"

Guinee writes, "but the lung cancer death rate for women in Texas is only slightly above the national figure."

Studies have shown that smoking is the primary cause of lung cancer.

Among Texas women, the number of deaths from lung cancer increased from 669 in 1970 to 1,482 in 1980, or 121 percent. Lung cancer deaths among Texas men rose by 47 percent--from 2,836 in 1970 to 4,170 in 1980. For all Texans, lung cancer deaths increased by 61 percent. "Furthermore, each year of the 1970-to-1980 decade contributed to the increase," Guinee notes.

Deaths caused by other types of cancer showed these increases in Texas from 1970 to 1980: colon, 33 percent; breast, 28 percent; prostate, 35 percent; and pancreas, 18 percent.

The View From Here

by Janet Wilke

Well, I am going to get upon my soapbox this week and really state my case about something that gets me downright mad. That is door-to-door salespeople.

Now, don't get me wrong. If it is kids selling something for Ag or FHA or something like that, I don't mind, but when it is those people who just keep coming back, and then stand at your door and proceed to harass, coerce, and finally anger, that's what makes me mad!!

I ran into just this type of salesperson recently. It just so happens that this particular company had already called on me (and my family) earlier. We had, at that time, told them that we were not interested in purchasing their product. Of course, I failed to mention that the first time they called on us was at 10:30 p.m. on a Saturday night. Then, they proceeded to take up two more hours of our time, finishing us off with their coercion tactics.

We did not buy the product because, largely, I was in no condition to make an intelligent decision at 12 midnight. The supervisor who accompanied our sales lady, said, "Well, they probably wouldn't have bought something if you had come at 9 p.m." With that attitude, they're right! I probably wouldn't have!

Back to the point in question. I have been told that there is no city ordinance prohibiting these solicitors from selling their wares in the city limits, provided that they are armed with a permit.

I have no quibble with that. I do take exception to the salespeople who will just not take "no" for an answer, especially after I have tried to be nice about my form of rejection. Some people just slam their doors in the faces of the door-to-door salespeople.

But, what really burns me up is when they accept the "no" answer, but then send another rep. around, selling something from the same company, but a different product. Actually, all that they are doing is trying to get their foot in the door, so they can introduce their other co-workers into the act.

Well, no dice. So, here's something to counter any door-to-door salespeople I might perchance ever have to again encounter.

First, I will ask them if they have a permit to sell goods in the City of Haskell. If not, they will have the door slammed in their face, and I will call the police. That is against the law. They cannot solicit if they do not have a permit to do so.

Secondly, if they return again, and I have asked them to leave, I will tell them they are violating section 30.05 of the Texas Penal Code, which reads: "A person commits an offense if he enters or remains on the property or in a building of another without the effective consent and he 1) had notice that the entry was forbidden, 2) received notice to depart but failed to do so." And if that person was instructed to do so by my either telling him in verbal or written means, or crossed a fence or other closure, or ignored signs posted that told intruders they were not welcome, they have also broken the law.

(By the way, the information from the Texas Penal Code was provided to me by Joseph Thigpen. Thanks Joseph.) Violation of this section of the penal code can be considered grounds for conviction of a class B misdemeanor.

This type of crime can carry the sentence of up to \$1,000 in fines, up to 180 days in the county jail, or a combination of both. It is no laughing matter.

It seems that with the coming of spring, all of those persons who sell anything from shoes to encyclopedias to dandelion seed will be out in droves.

Well, just come on down, because from now on, I'll be ready!!!

Conservation Viewpoints

USDA Soil Conservation Service

Ponds are full of water and temperatures are rising, which means now is the time to stock fish. By June, water temperatures are usually too warm to safely handle fish. Fish farmers have been preparing all winter for the spring stocking season. Place your order now while the selection of species and sizes are good. Later, the species you want may be unavailable.

The USDA Soil Conservation Service normally recommends channel catfish in ponds less than one surface acre. A commercially available catfish ration can be fed, or flathead minnows can be stocked for the catfish to eat. If largemouth bass are already in your pond, stock catfish that are at least 8 inches long and do not stock flathead minnows. You can feed your catfish a commercial ration which largemouth bass will not eat.

In larger ponds, several combinations of fish may be suitable. Species often recommended include largemouth bass, bluegill sunfish, redear sunfish, channel catfish, threadfin shad, goldfin shiner, and flathead minnow. For larger ponds and lakes, stocking recommendations should be tailored to each water body.

SCS personnel at Haskell can help you with most aspects of pond management, including construction, stocking, fertilization, weed control, and harvest. Orders for fish for the Haskell area will be taken at the Haskell SCS office thru May 10, with delivery set for May 14.

Shop Haskell First

Citizens of Haskell Independent School District, thank you for your support in the school board election. Thanks, too, to the other fourteen candidates who cared enough to run for and to serve in a non-paid public capacity. On behalf of the new school board I sincerely request your prayers for wisdom in the hiring of a new superintendent and a new head coach. Indeed, remember us the year through.

Brian Burgess

Dear Editor:

On my recent visit and speech to the Haskell Chamber of Commerce, I re-nued old acquaintances and made a lot of new friends. The people of Haskell really have a lot to be proud of. They really made us feel at home. Also I would like to thank Mr. R.C. Couch and Mr. Abe Turner of the Haskell National Bank for sponsoring my appearance. It is always gratifying to see these great institutions supporting the community. I hope that I will have the opportunity to it again some time. Keep on smiling.

Sincerely,
Stan White

Memorial Gifts Now Accepted

At the last regular directors meeting of Texas Cowboy Reunion Oldtimers Association project was approved to accept Memorial Gifts from relatives and friends of deceased members of the Association.

Over three thousand member names are on the roll since organization of the Association in 1930. A large percentage of those are deceased and relatives and friends are offered the plan of making cash Memorials in honor of their loved ones and at the same time assist in assurance of permanent operation of the Association with their financial assistance.

The buildings and grounds are being well kept, but inflation costs of the operation causes financial problems. A number of cash Memorials have been made since the project was started and plans are for this to be a permanent fund to help

carry on the Association which is 53 years of age, having started June 28, 1930.

A Memorial in memory of a deceased member, whether his passing was in 1930 or 1984 will be fitting. Appropriate recognition

will be made of each Memorial at membership business meetings each July.

Written acknowledgment will be made of each Memorial--relatives giving Memorial will receive appropriate card. Friends

giving Memorial will receive such card and family of the deceased will be advised.

Checks for Memorial may be sent to Texas Cowboy Reunion Oldtimers Association, P.O. Box 272, Stamford, 79553.

Rice Springs News

By Peggy Weise
 We are deeply saddened by the recent death of Sam Bird. He was loved by everyone here. Our prayers go to his mother, Ethel Bird, and his family. After Sam's death I ran across a poem that I would like to share with you. The author is not known but I hope you will think of it if sorrows pass your way.

IMMORTALITY
 Do not stand at my grave and weep...
 I am not there. I do not sleep,
 I am a thousand winds that blow,
 I am the diamond glints on snow,
 I am the sunlight on ripened grain,
 I am the gentle autumn rain.
 When you wake in the morning hush,
 I am the swift upflying rush
 Of quiet birds in circling flight.
 I am the soft star-shine at

night.
 Do not stand at my grave and cry...
 I am not there. I did not die.

On March 28th we held our monthly Birthday Party by the Church of Christ. Those honored were Edna Collins, Rena Cunningham, Albert Holley, J.C. Hargrove, and Jonnye Pumphrey. Cake, cookies, and punch was served to everyone. On April 4th, we had our Easter Party for the residents and employees. The young boys and girls enjoyed an Easter egg hunt. Susie Munoz won the drawing for "The Big Blue Bunny". Neda Threet donated several ceramic bunnies and eggs to some of the kids.

Visiting Izetta Clark were Nadine Bell of Stamford, Mr. and Mrs. Walter Fenner of Wichita Falls, Mrs. Floy Welch of Holiday, Clark and Mary

Terrell and Glenda Bryan of San Antonio. Nellie Ash was visited by Cynthia Jones of Morton and Edna Ash of Throckmorton. Truett Kuenstler visited John Kuenstler and Sara Harris. Nancy Gleeson of Allen, and Eloise Charlineau of Midwest City, Ok visited Mildred Tonn.

Doris and Alice Slater of Ft. Worth, and Nettie and Raleigh Brock visited Bill and Lucy Harrell, Mae Brock, and Joe Teague. J.R. Lankford was visited by Roy and Marie Wright of Abilene, Herb and Irene Burner of Independence, MO. and Tael and Genva Mile of San Angelo. Helping celebrate J.C. Hargrove's birthday was Cecil and Virginia Hargrove of Eules.

Visiting Jonnye Pumphrey were Bess H. Murphee of Houston, Hazel Letz of Old Glory, Jay, John, and Betty Pumphrey of Ft. Worth. Charity Bradley was visited by Mr. and Mrs. Jack Sessions of Elk City, OK., Eudora Bradley, Elyse and Jane Eastland of Abilene, Vera and Luther Cummings of San Angelo. Kevin Simpson of Levelland visited Nannie McCaul. Bobby Herren and family visited Angie Mullino. Ione Menefee was visited by Mary Beth Wyatt and Jean McDonald of Wichita Falls.

Visiting Catherine Clifton was Bill Clifton of Austin. Madgie Allison was visited by Augusta Pogue of Lubbock, Mr. and Mrs. Joe Allen of Snyder. Christine Bryant was visited by Bryant and Flo Dawdy of Texas City.

Visiting Texie Perdue was Mrs. Joe Evridge of Comanche, Mrs. Wilson of Huntsville and Mrs. Richards of Houston. Betty Brueggeman of Stamford and Sandra and Melinda Muehlstein of Avoca visited Al Arend. Mr. and Mrs. J. Cleo Scott of Temple visited Melvin Norman.

Mr. and Mrs. Ed Gradham and son of Santa Maria, CA visited May Ray. Mr. and Mrs. C.T. Gunnels of San Antonio visited Edna Collins. Brenda Bradford visited Ethel Bradford. Mr. and Mrs. Herman Letz was visited by Mr. and Mrs. O.D. Vanderworth of Denver, CO. Adeline Letz, Mrs. Tony Letz, Mrs. Allen Letz, and Bernice White, all of Old Glory.

Indian Band To Go To Contest Next Wed.

By Elizabeth Scharff
A band clinic was held for the high school band students Tuesday night in the band hall. Clinician was Sam Robertson band director at Snyder High School. "Robertson's bands have won sweepstakes nearly every year," Carl Wilke, band director, said. Robertson has conducted band clinics like this for Wilke in the past. The band students worked on contest music they are going to perform at a spring concert and sightreading contest to be held at Cooper High in Abilene, April 17, at 10:10 a.m.

The band will play "Tower", "Ticonderoga", and "The Battle of Jericho" for contest. "We ought to do real well," Wilke said. The band will be leaving at 7:15 a.m. next Wednesday to go to their contest. All parents and supporters of the Indian Band are urged to attend the contest. There is no charge.

Requirements Repealed In Vote

Congress voted last week in overwhelming numbers to repeal the Internal Revenue Service's vehicle record - keeping requirements that had been in effect for just three months.

By votes of 412-1 in the House of Representatives and 92-1 in the Senate, Congress called for an all-out repeal of the measure, which would have required businesses and farms to keep detailed logs on vehicle use. The bill that passed the House was a version based on legislation co-sponsored by Congressman Charles Stenholm of the 17th District.

"A great burden has been lifted from the shoulders of our farmers, small business owners and their employees," Congressman Stenholm said. "I was very pleased to see the House and Senate work so expeditiously to remove this unnecessary, paperwork requirement." The

Ag Students To Compete In Lubbock

By Todd Harris
The Haskell ag students will be competing in the area contest in Lubbock on the Texas Tech campus this Saturday.

The teams that will be competing are the meats team, livestock, poultry, milk products, ag mechanics, dairy, cotton, wool and crops. The top four places will qualify for state on April 23 at Texas A&M.

"We will leave on Friday in order for the kids to get a good night's sleep so they will do well in the team competition," ag instructor James Bevel said.

area's congressman added, "The intent of the measure was good, but it was the execution that was bad. Sometimes the government goes too far and the cure becomes worse than the disease."

Congressman Stenholm, who voted for the repeal, was one of only two Texas congressmen to testify in committee hearings against the log

Texas Ag Problems Are Outlined By Economist

The story of agriculture in Texas is the same as in other states—farmers are under severe financial stress.

While gross farm income in Texas stood at about \$11 billion in 1984 (the same as in 1979), net income totaled only about \$1 billion—half of what it was five years ago. Thus the purchasing power of Texas agriculture is about 25 to 30 percent of what it was in 1979.

The current farm financial stress in Texas and across the nation stems largely from depressed crop and livestock prices, steady increases in costs, adverse weather conditions and high real interest rates that not only increase costs but also strengthen the dollar's value, points out Dr. Carl Anderson. Anderson is an economist with the Texas Agricultural Extension Service, an agency of the Texas A&M University System.

"Agricultural prices have suffered from abundant supplies and weak demand," says Anderson. "While average prices farmers have received for crops and

livestock have fallen slightly during the past five years, prices they paid for supplies and machinery increased almost a third.

"Increased debt and production losses due to adverse weather (such as last year's drought) have put heavy financial stress on many Texas farmers," the economist points out. "Texas farm debt has risen nearly 50 percent since 1979. Debt was about five times greater than net farm income in Texas in 1979; since 1982 it has been running close to 15 times greater."

At the same time net returns, which traditionally are around 3 to 5 percent,

have dropped to less than 1 percent or have been negative over the last several years. These low returns to investment are showing up in lower land values in less populated areas where agricultural production is the main land use.

"With debt-laden producers in dire financial straits, the need for emergency and guaranteed farm loans and other forms of financial assistance is the greatest since the Great Depression," Anderson says.

Dr. Barry O'Neal New Chief Of Staff

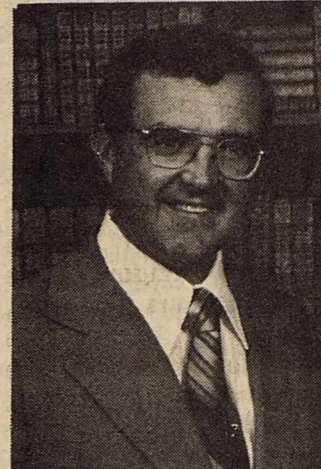

Dr. Barry O'Neal, son of Mr. and Mrs. Lee Roy O'Neal of Haskell, has recently accepted the position of chief of staff at the Irving Community Hospital.

O'Neal is also the grandson of Mrs. Ed Fouts of Haskell, and has a

brother, Randy O'Neal, who lives in Amarillo. Dr. O'Neal was graduated from medical school at the University of Texas, Southwestern in Dallas. He did his internship at the University of Arkansas at Little Rock. He also served in the United States Air Force for two years. Residency was done at the University of Arkansas at Little Rock.

O'Neal has been with the Irving Community Hospital since 1977 and has served on the Executive committee for four years as the original chairman of the quality assurance committee, and as chairman of the Department of Medicine.

O'Neal is married and he and his wife, Norma, are parents to three children: Ben 11½, Nathan, 9, and Rachel 5.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas, effective May 6, 1985, unless otherwise determined by the Commission. The Public Utility Commission of Texas has received the application as Docket 6200.

While proposals as to specific rates vary, it is expected that the requested rate schedule will furnish a 10.5 percent increase in the Company's unadjusted test year intrastate revenues or a 9.7% increase in test year revenues as adjusted for test year customer growth and annualization of test year rate increases. The rate application seeks an annual increase of \$323.9 million in revenues. All customers and classes of customers of Southwestern Bell Telephone Company within Texas will be affected by the proposed changes.

Most rates proposed for increase would increase by about 18.5 percent, including local exchange rates. However, there are some exceptions. For example, those customers residing in cities that will be reclassified into larger rate groups will experience local exchange rate increases greater than 18.5 percent. Also, the rate increases proposed for private line services in El Paso, due to a proposal to restructure such rates, are greater than 18.5 percent.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas and with each affected incorporated municipality served by Southwestern Bell Telephone Company. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell Telephone Company's rate application. This filing includes, but is not limited to, proposals to increase rates for local exchange service, intraLATA long distance, intra-LATA interexchange private line service (which includes foreign exchange service) and to decrease certain access service rates.

Notice to Customers of Other Telephone Companies

This filing includes, but is not limited to, proposals to increase rates for intraLATA long distance and for intraLATA, interexchange private line service (which includes foreign exchange service) and to decrease certain access service rates. Changes in such rates would also affect customers of other telephone companies because such companies provide certain services in accordance with rates specified in Southwestern Bell Telephone Company's tariffs.

Notice to All Customers Concerning Access Charges and Certain New Service Charges

Southwestern Bell Telephone Company, as a part of this filing, is also proposing to reduce certain access rates charged such customers as AT&T Communications, Inc., MCI and other carriers. The resulting reduction in revenues is proposed to be offset by revenues from two new service charges, late payment charges applicable to business customers only and for certain operator services such as busy line verification, plus stimulation of access service charge revenues. Since this portion of the filing, if granted, would have essentially a zero net revenue effect on Southwestern Bell Telephone Company, Southwestern Bell Telephone Company is proposing that this portion of the filing be expeditiously handled by the Commission and not await Final Order.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

Aviso Público

En conformidad con las disposiciones de la Comisión de Servicios Públicos de Texas, Southwestern Bell Telephone Company anuncia mediante el presente aviso su intención de establecer un nuevo arancel de tarifas telefónicas en Texas, con vigencia a partir del 6 de mayo de 1985, salvo disposición en contrario de la Comisión. La Comisión de Servicios Públicos de Texas a registrado esta solicitud bajo el Docket 6200.

Si bien existe variación entre las propuestas en cuanto a las tarifas precisas, se anticipa que el arancel tarifario solicitado aumentará en un 10.5% los ingresos intraestatales no ajustados de Southwestern Bell Telephone Company durante el año de prueba, o sea, un aumento del 9.7 por ciento en los ingresos del año de prueba, después de realizar el ajuste por la expansión de los usuarios y por la anualización del aumento de tarifas para el año de prueba. El objeto de esta solicitud de tarifas es lograr un aumento anual en los ingresos de \$323.9 millones. Los cambios propuestos afectarán a todos los usuarios y grupos de usuarios de Southwestern Bell Telephone Company en el estado de Texas.

La mayoría de las tarifas que resultarían afectadas por el propuesto aumento aumentarían aproximadamente en un 18.5 por ciento, incluyendo las tarifas de centrales locales. Sin embargo, existen algunas excepciones. Por ejemplo, los usuarios que residen en ciudades que se reclasificarán para formar parte de grupos tarifarios mayores experimentarán aumentos más elevados del 18.5 por ciento. Por otra parte, los aumentos de las tarifas propuestas para servicios de línea privada en El Paso aumentarían en más de 18.5 por ciento, como resultado de una propuesta para reestructurar tales tarifas.

Una copia completa del nuevo arancel de tarifas se halla archivada en las oficinas de la Comisión de Servicios Públicos en Austin, Texas, así como en cada municipalidad incorporada afectada que tenga servicio de Southwestern Bell Telephone Company. En el pasado, la Comisión ha sostenido que toda tarifa se halla sujeta a cambio toda vez que Southwestern Bell Telephone Company solicite nuevas tarifas. El registro de esta tarifa incluye, pero no en forma limitativa, las propuestas de aumentar las tarifas por servicios de centrales locales, de larga distancia intraLATA y por servicios de línea privada interLATA entre centrales (incluyendo servicios de centrales externas) así como las propuestas de reducir ciertas tarifas de servicio de acceso.

Aviso a los clientes de otras compañías de teléfono

El registro de esta tarifa incluye, pero no en forma limitativa, las propuestas de aumentar las tarifas por servicios de larga distancia intraLATA y por servicios de línea privada intraLATA entre centrales (incluyendo servicios de centrales externas) así como las propuestas de reducir ciertas tarifas de servicio de acceso. Los cambios en dichas tarifas también afectarían a los clientes de otras compañías de teléfono, puesto que dichas compañías proporcionan ciertos servicios de acuerdo con las tarifas especificadas en los aranceles tarifarios de Southwestern Bell Telephone Company.

Aviso a todos los clientes con respecto a los cargos de acceso y a determinados cargos nuevos de servicio

Al registrar esta tarifa, Southwestern Bell Telephone Company también propone reducir ciertas tarifas de acceso que se les cobran a clientes como AT&T Communications, Inc., MCI y otras compañías de larga distancia. La consecuente reducción de ingresos se piensa compensar por medio de dos cargos nuevos de servicio (cargos por pago atrasado que se aplicarían solamente a usuarios comerciales, y cargos por ciertos servicios de operadora, tales como verificación de línea ocupada) además de la estimulación de los ingresos por cargos por servicios de acceso. En vista de que, en caso de otorgarse esta parte del arancel tarifario registrado, su efecto real en los ingresos de Southwestern Bell Telephone Company sería igual a cero, ésta propone que la Comisión tramite dicha parte de la tarifa en forma expeditiva sin esperar la Orden Definitiva.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

SUIT UP... FOR A WELL TAILORED FINANCIAL PLAN

Individual retirement accounts, a sensible, "get secure" pattern that can be tailored just for you.

You don't have to put the maximum allowable into your IRA with us just to make it worthwhile. The idea is to fit into your own comfortable maximum and grow with it, budgeting for future changes in your income. Get started today on your IRA plan with us. (See us now, before April 15th, in order to have this amount deducted from your 1984 federal taxable income.) We'll help you get into a comfortable, well-made IRA protective covering that will benefit you every year at tax time up until you retire, and zip you up with a secure, financial retirement.

8th Grade Boys Tracksters Finish First At District

Haskell's eighth grade track team was first place winners in the District track meet which was held last Saturday at Hamlin.

Taking first place in the 400 meter relay event was the Haskell team consisting of Derrick Billington, Paul

Harvey, Chan Guess and Fred Shaw. Their time was 46.94.

Earning a first place medal in the 100 meter dash was Fred Shaw with a time of 11.0 and second place was Chan Guess with a time of 11.99.

Paul Harvey was the first place finisher in the 400 meter dash and he ran a 59.5, with Alberto Alvarez second with a time of 60.01, and Bo Watson finished sixth with 63.04.

Fred Shaw was also a blue ribbon winner in the 200 meter dash, as he ran 24.41, with second place going to Derrick Billington, whose time was 24.48.

In the 1600 meter relay, the team of Alberto Alvarez, Paul Harvey, Derrick Billington, and Chan Guess took top honors as they had a time of 3:55.34.

In the 110 meter high hurdles, Andrew Shamblin was a fifth place finisher with a time of 20.81, and Alberto Alvarez was a third place winner in the 800 meter run, with his time of 2:25.42.

Cole Larned was a fifth place winner in the 200 meter intermediate hurdles with a time of 50.13, and Corey Mills was a sixth place finisher in 1600 meter run with a time of 6:03.95.

In the field events, Derrick Billington was a winner in the discus, as he had a toss of 108 feet, 7 1/4 inches, and Eric Mullin was a fifth place finisher in the same event as he had a 95 foot 3 1/2 inch toss.

Chan Guess was second in the long jump with 17 feet and Fred Shaw earned third in the same event with a jump of 16 feet, 10 1/2 inches.

Alberto Alvarez was a second place winner in the high jump as he made a leap of 5 ft., two inches, and was followed by Chan Guess, in third place with his leap of 5 foot, two inches, and Dusty Meeks with a leap of 5 foot even.

Paul Harvey also was a third place winner in the shot put as he had a distance of 35 feet, 9 and 3/4 inches.

The eighth graders won the meet with 153 points.

Boys Tennis Team Nets Top Honors For Third Time

For the third consecutive year, the boys tennis team has captured the team trophy.

Top seeds Tim Johnson and Scott Schaake qualified for regional for the third consecutive year and won district for the second time.

In the quarterfinals, Johnson and Schaake won by default. In the semifinals they defeated Pryor and Cook from Anson 6-0, 6-1. The final round they defeated Cooper and Lewis of Hamlin 6-2, 6-0 to capture the gold medal in the boys doubles division.

In the singles boys' division, #1 seed Ricky Rojas qualified for regional by defeating Garcia of Anson in the quarterfinals 6-0, 6-4. In the semifinals Rojas defeated Lawless of Hamlin 6-3, 6-3.

The final round, Rojas

Boys Golf Team Is Third In Eastland Tourney

By Robert Ivey
The Haskell golf team finished third behind Throckmorton and Hamlin as the team shot 352 at the Eastland tournament.

Kelly Strickland shot 78 which enabled him to take third medalist at the tourney.

Robert Ivey shot 87, while Kendall Larned brought in a 90.

Jeff Neal finished with a 97, and Michael Wallace, a 102.

The next tournament for the team will be the district 6-AA tournament to be played at the Haskell Country Club on April 17.

was defeated by #2 seed Pham of Stamford 5-7, 2-6, to win second place.

Other players that participated in the tournament but not advancing are Steven Klose who was defeated by Stanley of Anson 4-6, 3-6 in the quarterfinals.

Scott Burriss and John Wilson were defeated by Cooper and Lewis of Hamlin 1-6, 1-6 in the quarterfinals.

In the girls' division singles, Holly McBroom was defeated by #2 seed

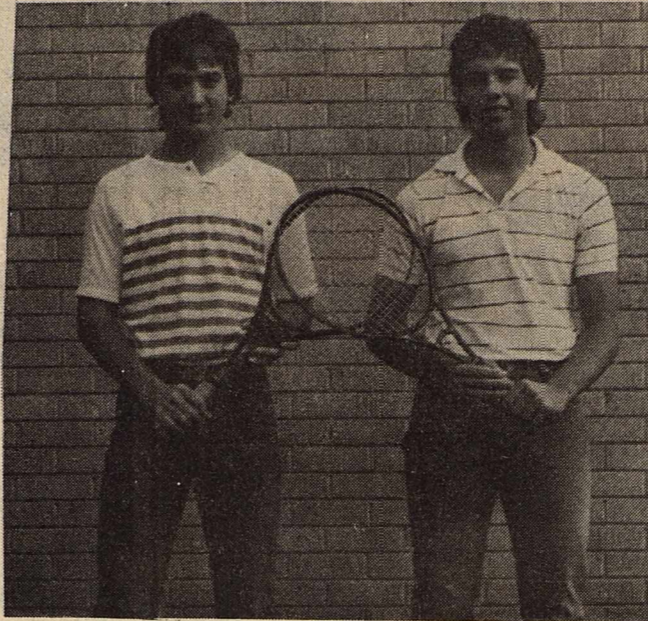

Shelly Hayes of Rotan in the quarterfinals 2-6, 2-6.

Advancing to regional in the girls division singles will be Shelly Hayes and Jennifer Davis.

In the quarterfinals, #1 seed Jennifer Davis defeated Hall of Hamlin 6-0, 6-2. In the semifinals, she defeated Robinson of Anson 6-2, 6-1.

The final round, Davis was defeated by Hayes 2-6, 1-6 to win second place.

The regional tennis tournament will be held in Big Spring May 3-4.

SCOTT SCHAAKE — TIM JOHNSON

Little Dribblers Teams Named Tourney Champs

In the girls competition in the Little Dribblers play, the tournament the following winners in the third and fourth grade category: in first place was the Ghosts, followed by the Runts in second, with the Tadpoles third, and the YoYo's fourth.

In seasonal play, the winners were tied as the Ghosts and Runts were deadlocked, while there was also a tie for third place with the Tadpoles and the YoYo's deadlocked. However, the tournament settled the conflict, as it determined

the final placements of the team.

In fifth and sixth grade teams, for the girls play, the seasonal and the tournament results were the same, as the first place team was the Roadrunners, followed by the Robins in second, and the Maidens in third.

The boys finals are being played this week, and the results of the boys games will be featured following their tourney.

Know Someone Who Depends on Electricity For Life-Support?

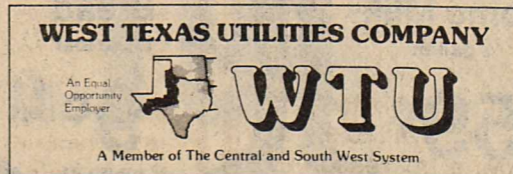

Let WTU Know Who.

Electricity means more than convenience to some people—it means life itself. Their lives are maintained by special, electric-powered equipment, such as breathing and kidney machines.

West Texas Utilities wants to make sure we have a complete list of people who depend on electricity for life-support. In case of an outage or natural disaster, every effort will be made to restore their electrical power first and as quickly as possible.

If you or someone you know depends on electricity for life-support, please call your local WTU office and give us a name, address and telephone number.

Serving you with dependable electrical energy from the Red River to the Rio Grande.

Disaster Drills Re-enact Lifelike Dramas

By Janet Wilke
 Two cars have hit a pickup truck which is pulling a trailer loaded with 1,000 pounds of anhydrous ammonia. Not a situation that many would want to be a part of.
 Maybe not, but 15 firemen, six ambulance attendants, and approximately 9 drama students from HHS took part in such a disaster drill last Sunday.
 This took place at the grainery on the Jim Strain Road, and the actions of those who participated were real.
 Drama students positioned themselves in the wrecked vehicles on the ground, or wherever else coordinator Bill Lane, Jr. asked them to.

To simulate the ammonia, smoke bombs were used.
 Paramedics and EMT's were on hand to do actual bandaging, splinting, and to conduct triage: the determination of who is the most seriously injured in an effort to treat the most crucial cases the fastest.
 At 3 p.m., an actual emergency call came into the Haskell Memorial Hospital that there had been a car wreck. The ambulance was called out. Then came the second call that there was a fire. This occurred while the fire department was enroute to the accident scene.
 Some of the drama students at the scene played the part of families who had to be evacuated because of the danger of the anhydrous ammonia.
 One of the students, Lynn Dewey, who supposedly was thrown through the window of the car thought that it was an interesting experience.
 "We actually got into the wrecked cars, and were painted up like we were bleeding."
 The Jaws of Life were used to extricate some of the victims from the vehicles.
 Roads were blocked, air packs were put on by the workers, and all for the purpose of saving lives if the real thing should ever happen.
 There were seven actual "victims". Three were removed from the auto crash, one was found wandering around incoherently, and two were killed as a result of the ammonia fumes.
 The simulation was to have taken place on the outskirts of town.
 Bill Lane, Jr. said that these drills are carried out in the most serious of all manners because one never knows when the real thing might happen.
 When asked if he felt that he would have

changed any particular thing about the drill, Lane said that he would have made sure that all of the workers involved with the drill paid more respect to the evacuation area and to the ammonia fumes which would have been present in an actual emergency of this type. Lane also said that the command post would be manned at all times.
 There have been 3 such disasters since Lane became a firefighter in 1978, so he says. This has been the second since the fire dept. purchased the Jaws of Life 18 months ago.
 "Every so often, the emergency teams get together and conduct this type of drill," Lane remarked. All of the drill was taped so the responders can see what they can improve upon, Lane said.
 These drills are conducted, planned, and plotted down to the most minute detail so that is, or when, a disaster happens, the fire department, ambulance service, hospitals and law enforcers...all those people on who each of our lives depend, will be ready and know just how to handle the situation in the best way!
 Lane said that the emergency response team would like to express their thanks to Mrs. Glanda Drinnon, and the drama students from HHS who took part in this drill. They were Sammy Baker, Elizabeth Scharrf, Lynn Dewey, Diana Jarred, Michael Wallace, Kelly Strickland, Vicky Rodriguez, Debra Rodriguez, and Gloria Villa.

JUNIOR HIGH CHEERLEADERS
 Pictured are the Junior High School cheerleaders for next year as they were recently chosen in tryouts. From left to right are Sylvia Alvarez, Becky Cline, Dawn Langhofer, Julie Martinez, and Missy Phemlster.

Stanley White Speaker

Rolling Plains Production Credit Association will feature nationally known speaker and entertainer Stanley White at its 51st Annual Stockholders meeting to be held April 12 in Childress and April 13 in Stamford. Registration will begin at 9:00 a.m. with the meeting to commence promptly at 10:00 a.m. for both sessions. The City Auditorium will be the site of the Childress session, and the High School Auditorium will be the Stamford meeting location. A noon barbecue will be served immediately following each session.

White's parents, the H.H. Whites, still live in Avoca. Not only a full time speaker, White is a salesman, business owner and rancher. His many experiences in life have given him a unique insight into what makes us laugh and feel good about ourselves and our country. He finds humor in life, creating a fun-filled half hour which leaves his audiences feeling good about themselves and proud to be Americans. He believes that laughter is good for what ails us.

Stan has won many awards for leadership and excellence, one of which was "Speaker of the Year for Agriculture" in the Southern Region of the United States. His over 500 presentations have delighted varied audiences. He has appeared on many radio

and TV shows, the most notable being the "Today Show" on NBC.
 Come enjoy a laugh-filled program, delicious barbecue and drawings for cash prizes.

In the business session one director representing the Spur Field Office area will be elected. Nominees for the position are W.H. (Snooks) Williams of Spur and Lance Morris of Crosbyton.

Rolling Plains PCA is one of 28 member-owned Production Credit Associations in Texas. Collectively they serve more than 15,000 of the state's agricultural producers. Last year over \$2 billion was loaned through Texas PCAs.

During 1984, Rolling Plains Production Credit Association loaned more than \$109 million to approximately 1,000 member-borrowers in Briscoe, Childress, Collingsworth, Cottle, Dickens, Donley, Foard, Hall, Hardeman, Haskell, Jones, Kent, King, Knox, Motley, Shackelford and Stonewall counties.

Nationwide there are 383 PCAs with almost \$20 billion in loan volume.

Nationally they serve the credit needs of approximately 360,000 farmers and ranchers.

Men In Service

Navy Petty Officer 1st Class Frederick M. Gholson, a 1965 graduate of Haskell High School of Haskell, is currently participating in exercise Team Spirit 85.

The month-long exercise is a combined exercise involving the military forces of the United States and the Republic of Korea. Nearly 195,000 personnel will participate.

During Team Spirit, Gholson and other members of his command, Commander Seventh Fleet, embarked aboard the amphibious command ship USS Blue Ridge, operating from Yokosuka, Japan, will be involved in various naval exercises, which will end in a major amphibious assault on the southeastern coast of Korea.

Exercise Team Spirit 85, is the largest such exercise conducted in the free world this year.

TAX PLANNING
 Written By
James E. Rodgers, CPA

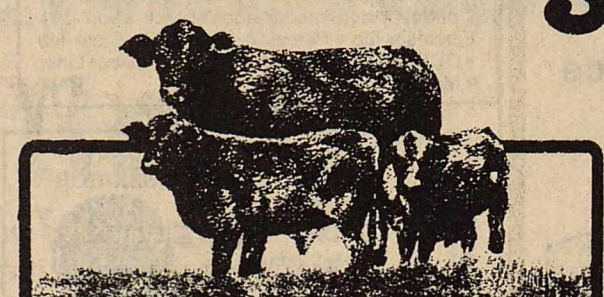

EXTEND YOUR FILING DATE
 There are a number of reasons for not filing your tax return by April 15th. Some people have financial transactions or joint ventures which may be difficult to summarize by the April 15th filing deadline. Others simply don't get around to it. The "automatic" extension does not require that you state a reason for requesting additional time.
 To avoid penalties for filing later than April 15th, certain steps must be taken. You must file for an extension and show an estimate of your tax liability. If your estimate of the total taxes due exceeds the amount you have already paid in, you are required to send the difference along with your extension request. If your tax estimate on the extension request is less than the tax on your final return, you may be subject to penalties.
 The "automatic" extension period is from April 15th to August 15th. Additional time can be obtained by filing a request for further extension. This second extension requires that you state the reason for the delay. You will also be asked whether or not your tax returns for the three prior years were timely filed. You'll have to state whether or not your estimated tax payments, if any, were made on time.
 If you are not in the United States on April 15th, you have until June 15th to file your return. This does not require the filing of an extension form. When you file your tax return, you attach a statement showing your whereabouts on April 15th. Since the "automatic" extension is available to everyone, there is no longer a tax reason to be out of the country on April 15th.

Scout Show Set For April 13

The exciting Scout Show 85 will open to the public in two locations at 2:00 p.m., Saturday, April 13th. One will be held at the National Guard Armory in Sweetwater and the other will be in and around the Round Building at the Taylor County Fairgrounds. The Sweetwater Show will last two hours and the Abilene Show three hours.

As usual, Cub Scouts and Boy Scouts are busy preparing their demonstrations of skills, games, contests, etc. for the public to see and in some cases to participate in. There will be booths inside the buildings that include demonstrations of rope making, knot tying, participation games,

water safety, folding and display of our flag, first aid, crafts, fingerprinting, gardening, fishing well, and Indian picture language.
 On the outside the public will find Troops camped out and demonstrating cooking, tent pitching, Indian Lore, repelling, backpacking, campfire demonstrations, etc.
 Scouts are also busy selling tickets to the shows to help earn money for their troops, packs, summer camp fees, etc. This year the tickets are \$3.00 and one ticket will admit the whole family. To see the entire show a person should try to arrive between 2:00 and 3:30 p.m.

CLEAN SWEEP

The Haskell ready writers took a clean sweep in that event at the UIL contest held in Hamlin last week. Winners from left to right are Kacye Nemir, first place; Gia Henshaw, second; and Dalyn Gilly, third.

Consumer Fraud Warned By Postmaster

Con-artists used the telephone to lure gullible Americans into giving them millions of dollars by mail during the past year, according to Postmaster

Alves of Haskell.

The postmaster issued the warning in connection with POSTAL CONSUMER PROTECTION WEEK, April 22-28.

In Fort Worth, investors in a scheme by Garland Film Buyers to extract silver from used film lost \$17 million. One operator of the scheme, Peggy E. Stines, was sentenced to 99 years in prison. A judge who sentenced Mrs. Stines said she was "cold, calculating and heartless" in defrauding 1,200 people, many of whom were elderly

invalids who lost their life savings. The judge fined her \$50,000 and ordered restitution of \$608,836.

In San Diego, Calif., Curtis R. Richmond got a seven-year prison sentence and partner Charles Morse, president of a Las Vegas video game distributorship, a four-year sentence for a multi-million dollar mail fraud scheme involving tax shelters. Investors were sold phony oil and gas leases, nonexistent drilling equipment and video games, only a few of which

were ever made available for sale.

In Covington, Ky., Arnold Goldman pleaded guilty to mail fraud and went to prison for four months for swindling consumers through "boiler room" telephone solicitations. He supplied inferior advertising specialties, such as pens, key chains and calendars, and promised prizes of higher value than the merchandise provided people pay a fee to obtain the prize.

In Cleveland (Ohio) and Dallas, U.J. "Jack" Sweesy used telephone solicitations to misrepresent vacation packages offered by his Eastern Travel Company, America-Can Travel and Preston Advertising. He pleaded guilty to mail fraud late last year after consumers and seven banks lost nearly a million dollars through c.o.d. purchases of vacation packages.

"Usually, you get a phone call saying you've won a vacation to Florida or California, and if you're willing to pay between nine and fourteen dollars in postage and handling, a

c.o.d. packet will arrive with some coupons," Postmaster Alves explained. "What they don't tell you is that there are more fees, and added charges for travel and meals that add up to something less than a bargain."

One of the oldest schemes around - envelope stuffing - is still taking its toll of mail fraud victims, according to the postmaster.

A West Coast operator, still being sought by authorities, promised victims they could earn \$270 a week stuffing envelopes at home. Only 35 of the 6,000 who responded got anything in return for the \$20 each invested, and there were no envelopes to stuff.

"Typically, there are no

supplies or envelopes to stuff," Alves says, "just instructions telling you to place your own advertising in similar publications, soliciting other unsuspecting victims."

The postmaster says postal inspectors have never found a market for envelope stuffing at home, that such work has been done by machines for many, many years.

PIONEER BRAND SEEDS

TAKING THE HEAT

Plant this pair from Pioneer for a superior grain sorghum crop in hot, dry weather.

8680

This hybrid is especially adapted to the lighter and mixed soils of North Texas and the Rolling Plains. Excellent yield record under a wide range of conditions — but most impressive is its ability to produce a dependable yield when hot and dry conditions cause many to fail. Semi-open heads produce dark red, hard-textured grain with high bushel weight. Grows fast and matures early. Excellent root and stalk strength keep it standing for maximum harvest.

8493

The tougher the conditions, the better you'll like 8493. A new hybrid, especially developed to withstand the heat, drought, and insect problems of this region. Superior yield and standability, excellent resistance to greenbugs, and much improved grain quality. Strong stalk and roots, too. Medium height plants produce semi-compact heads of harder textured, heavy test-weight grain. Plant this one with 8680 to spread weather risks, genetic risks, and harvest load.

Depend on these two for both yield potential and drought tolerance. Come on in let's talk.

See: **Campbell Seed Co.** 864-3017

PIONEER BRAND SEEDS

Haskell Nursing Center News

Tuesday afternoon ladies from the Assembly of God Church came for a devotion and sing-a-long. Mrs. Nell Amburn played the piano and Mrs. Ethel Jones and Ruth Loyd helped assist her with the program. Everyone attending enjoyed the special music.

Wednesday afternoon the First Baptist Church was represented by a host of young girls. They are members of the G.A.'s and the Act Teens of the church. They are sponsored by LaNell Trussell, Kathy Butler, Mary Sherrell and Tomi May. The twenty five girls that were present, brought adoption certificates and adopted-a-grandparent for a year. This is a special program for the residents and will have much meaning in the months to come. The program will consist of visits, sending cards, holiday door decorations and one to one contacts. The residents are excited about the adopt-a-grandparent program.

Friday the Experienced Citizen Center sponsored a Easter Party for the residents. Punch and cake was served for refreshments.

Mabel Sanders played the piano with John McDermett and Mona Gibson singing "Amazing

Grace". Residents chose numbers from a box and hats were then passed out that matched the numbers. The hats were colorful and unusual decorated by members of E.C.C. Three judges chose Haney Stanfield with the most unusual hat. He was given a red corsage. Pictures were taken of staff and residents wearing the hats. A good time was enjoyed by all attending. Thank you E.C.C. for the fun time.

Rev. Hodge was here Wed. for devotion and special message for residents. Saturday the weather was beautiful for hunting Easter eggs on the grounds of the Home. Eighteen children were present for the event. Young and small alike enjoyed the hunt and treats. A big thank you to everyone who helped make it a happy event.

The Church of God will be conducting the services for the Home throughout the month of April on Sunday at 3:00. Friends and families are invited to come and be with their loved one during this time.

The Easter Bunny paid a visit to residents Saturday afternoon. Residents received Easter Bunnies and Easter door decorations from Brownie

Groups and the G.A.'s and Act Teens from the First Baptist Church of Rule. It helped to brighten their rooms and halls.

Visiting Nora Macon was Mrs. Cannon from Rule, Mrs. Mullins from Haskell, Fay Dickey from Weatherford, Rosa Lena Cobb from Weatherford, Tommy and Eva Jean Wilson from Rule.

Visiting A.J. Patterson was Mr. and Mrs. Artie Boydstum of Aspermont, Lou and Monica De Young of Rule, Peggy Cline, White Oak.

Visiting Bessie Piland was Mr. and Mrs. Ed. Melton of Abilene.

Visiting Josie Johnson was Jeffie Clifton of Littleton, Colo., Mary Ann McWhorter and family visited Colene Moody.

Visiting Delma Glover was Phyllis, Jana, and Casey Letz of Old Glory.

Visiting A.C. Jeter of Islamabad, Pakistan was Neita Baccus.

Visiting Josie Johnson was Charles, Ginger and Jeri Thomas of Irving.

Visiting L.J. Dunn was Hazel Dumas of Brownfield.

Jeffrey L. Address of Anson, visited C.V. Langford, Easter May, Eva White, Maude Welsh, A.J. Patterson, Emette Cross, Colene Moody.

Visiting Elizabeth Killian was Jerry and Doris Darby of Odessa, Pete Rolland, Amarillo, and Joe Killian of Clyde.

Visiting George Goble was Dayton Goble, Rochester, Joda Powell of Rochester.

PETITE ROLODEX: the perfect file for telephone numbers and addresses. Typewriter spaced lines. Replacement refills. Decorator colors and styling for home and office. Haskell Free Press

Entomologist Is Named For Area

Paula Sue Verden, native of Earth, has been named Extension Agent - Entomology to serve Fisher, Jones, Haskell, Stonewall, and Kent Counties effective May 1, 1985, according to Ed Garnett, District Extension Director for the Texas Agricultural Extension Service Rolling Plains-3 District.

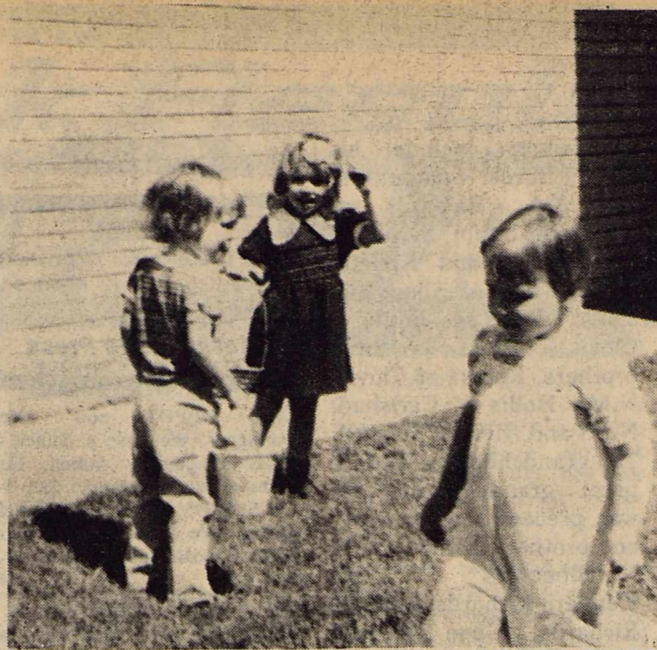

Miss Verden is a graduate of Springlake - Earth High School at Earth and of Texas Tech University at Lubbock, where she received her Bachelor of Science Degree in Entomology in May, 1984. While attending

Texas Tech, she was named Outstanding Student for Entomology in the Spring of 1984 and was recipient of the Krista Simpson Scholarship.

She has most recently been employed by the Texas Department of Agriculture, working as a pesticide inspector for the past several months.

Miss Verden is a member of the Entomological Society of America as well as the honorary agricultural fraternity, Alpha Zeta.

She is the daughter of Bill and Evelyn Verden of Earth.

Proposed Legislation Would Re-Instate Elected State Board

State Rep. Charles Finnell, D-Holliday, continuing to question the value of the Perot education reform law (HB 72) passed last summer, has cosponsored three measures designed to lessen HB 72's negative impacts on local school districts.

Following the Appropriations Committee

meeting during which Finnell, as a member, considered the budget for the Texas Education Agency, he pointed out that public school funds and policy ought to be governed by a locally-elected, not appointed, state board. Finnell consequently is cosponsoring HB 394, to reinstate an elected Texas State Board of Education.

Also concerned about the plight of students unfailly prohibited this year from participation in vocational agriculture activities due to the rigid provisions of HB 72, Finnell is a cosponsor of HB 2235.

"Rural and urban areas are about as similar as apples and oranges and shouldn't be treated in the same manner," said Finnell who even last summer opposed the passage of HB 72. "The same rules, for example, will not work for both east and west Texas due to distant and travel factors."

NOTICE OF APPLICATION FOR FLUID INJECTION WELL PERMIT

LORDSTONE CORPORATION, Suite 10G, 7718 Wood Hollow Dr., Austin, Texas 78731 has applied to the Railroad Commission of Texas for a permit to inject fluid into a formation which is productive of oil or gas.

The applicant proposes to inject fluid into the KING SAND, REYNOLDS, Well Numbers 3 & 17. The proposed injection well is located Eighteen miles east of Stamford in the Haskell County Regular Field, in Haskell County. Fluid will be injected into strata in the subsurface depth interval from 1754 to 1764 feet.

LEGAL AUTHORITY: Chapter 27 of the Texas Water Code, as amended, Title 3 of the Natural Resources Code, as amended, and the Statewide Rules of the Oil and Gas Division of the Railroad Commission of Texas.

Requests for a public hearing from persons who can show they are adversely affected, or requests for further information concerning any aspect of the application should be submitted in writing, within fifteen days of publication, to the Underground Injection Control Section, Oil and Gas Division, Railroad Commission of Texas, Drawer 12967, Capitol Station, Austin, Texas 78711 (Telephone: 512/445-1373). 15p

Card of Thanks

CARD OF THANKS
I would like to thank each and everyone who has been so good to me during my stay at Hendrick Medical Center while I had knee surgery. Thank you all at the senior citizens center for your letter. I especially thank all who sent flowers, cards, and calls. My daughters, granddaughters, and grandsons, Estella Breeden, Lois Luce, also who are so good in helping me. Norv, Chunkie and Viola, thank everyone. I love you all. Mildred K. Kelso. 15c

CARD OF THANKS
We want to sincerely thank all our neighbors, friends and relatives for their many acts of kindness shown our families during the illness and death of our brother, Thurman (Sam) Bird. We want to say a special thanks to the doctors and nursing staff at Rice Springs Care Home who so very kindly and cheerfully attended him during his stay there. Thanks for the prayers, food, flowers and cards that were sent to our home. And we certainly want to tell Ford Cole, Darrell Feemster and Randolph Wilson how much their visits and prayers meant to Thurman and each one of us. Bill and Avis Pennington and Alvis and Frances Bird. 15p
