## PUMPER RACES

Three members of the Snyder men's pumper team are pictured during District competition in Haskell last Saturday. Over 200 persons attended the semi-annual meeting of the district. In addition to the races, a business meeting, training program, steak supper and firemen's ball were also held.

# District Firemen Gather

Over 200 visiting firemen and their families were in Haskell Saturday to attend the semi-annual meeting of the Mid-West Texas Firemen and Firemarshalls' association. Highlighting the day long activities was a business meeting, educational program, hose races, steak supper and fireman's ball, and a special program for ladies attending.

During the business meeting, over 100 door prizes were presented to the out-of-town guests. The door prizes had been donated by Haskell merchants. During the business meeting, Haskell fireman Ted Jennings was elected Chaplain of the District and Don Comedy was re-elected secretary-treasurer.

Hugh F. Keepers, director of Safety for the Railroad Commission of Texas, Liquefied Petroleum Gas Division, presented the program for the meeting. Keepers presented a slide presentation, and film

explaining compressed natural gas as an auto fuel. Keepers explained that the new fuel is safer, more efficient and causes less pollution than any other vehicle fuel now in use. He told visiting firemen of the safety aspects of the new fuel and explained how the fuel systems react in accidents.

During the ladies luncheon Floradean Cockerell was elected first vice-president, Merry Harvey was re-elected chaplain, and Nene Comedy was re-elected historian. State ladies auxiliary officers introduced included Connie Harris, past president, Merkel; Trudie Wood, vice president, Snyder; Trinkia Perry, president, Lampasas; Shirley Norman, Sec./treas, Killeen; Rheta Thomson, chaplain, Rotan, and Nene Comedy, historian, Haskell.

Poster contest winners from Haskell included: Intermediate division, Treci Burson, 1st; Depa

Patel, 2nd; Lee Decker, 3rd. Junior High, David Foreman, 1st; Amanda Diaz, 2nd; and Rusty Stocks, 3rd.

High School, Cheryl Dever, 1st; Elizabeth Scharff, 2nd; and Belen Sanchez, 3rd. Special Education division, Mary Alice Olvera, 1st; Tony Coleman, 2nd; and Belen Huerta, 3rd.

The October convention will be held in Throckmorton and next April, the group will meet in Tye.

During hose races, Anson won first place in the men's pumper race and Rotan won first place in the 6 man hose lay and the 2 man. The Anson ladies pumper team took first place and the Throckmorton ladies won the two person race.

# Robber Takes \$500 In Allsup's Heist

Sheriff's officers were called to an armed robbery last Sunday night when the Allsup's Convenience store was robbed of about \$500 by a lone gunman.

According to Sheriff Johnny Mills, the call came into the sheriff's office at about 9 p.m. that a robbery had taken place.

When the law officers arrived at the store, the clerk told them that a Mexican American man, in his 30's had come to the cash register to pay for some items, then ordered the cashier to give him the money in the cash register, not ever having produced a gun.

After receiving the money, the robber left the store on foot, he headed north.

The robber is described as being

On tap for this Saturday is the All Sports Banquet, set to be held in the Elementary Cafeteria beginning at 7:30 p.m.

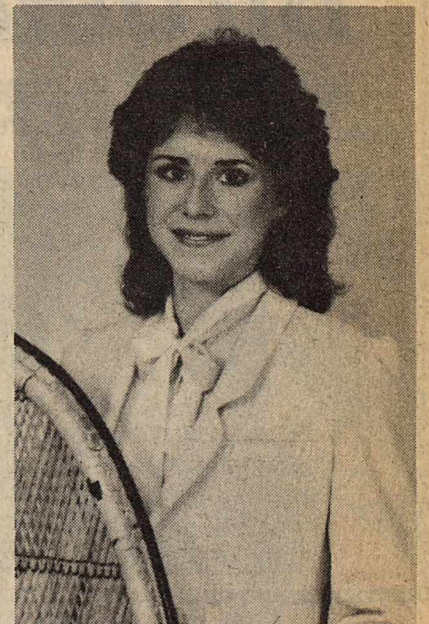

Tickets are still on sale, at \$5 each, and can be purchased at the Drug Store and at The High School office. They may also be obtained at the door on Saturday night.

Speaker for the event will be former Haskell man, Jerry Larned.

Several awards will be given to the deserving athletes, which will include The Booster Club's Most Sincere Athlete Award; The Jaycees Sportsmanship awards; The Red Howard Track award for girls and the Jeffrey Anderson Track Award for Boys; as well as the Dick Gaines Award for outstanding scholarship by an athlete.

The football and basketball heroes and sweethearts will also be honored at the banquet.

Each of the teams will also be recognized and a special recognition will be given to the seniors on each of the teams.

HOLLI HIGH

# Holli High Is Named Twirler At Texas Tech

Holli High, who plans to attend Texas Tech University this fall will not only be a student but also a twirler.

She tried out last weekend along with about twenty others but only four made it for line twirlers and two for Feature twirlers.

Holli's responsibilities are to teach a band camp for two weeks this summer, practice with the band, extra twirling practices, keep weight a certain amount and to represent the band.

Preparing for tryouts consisted of practicing an hour a day on a routine, lessons on Monday nights for half an hour and find music to fit the routine.

Others who made it for regular twirlers were Melissa Thompson, from Abernathy, Kim Childs from Odessa and Susan Genger from San Antonio.

"I'd like to thank everyone for wishing me luck before I went and for giving all the support that they did. It really helped!" Holli said.

## Rolling Plains Cotton Growers Meeting Slated

Rolling Plains Cotton Growers, Inc., will have their annual meeting on Saturday, April 20, 1985, at 10:00 a.m. at the VIP Community Center, 508 E. Gould, Stamford. Congressman Charles Stenholm will be the featured speaker. Stenholm will speak about the new farm bill that he is introducing into Congress and financial conditions of farmers. Charlie Bragg of the National Cotton Council and Earl Younts of the National Cotton Council will also be guests. Dinner will be catered by Briarstone Manor of Abilene.

All cotton producers, ginners and other interested parties are invited to attend.

# Mini Table Flower Show Presented By Garden Club

"Sharing Our Talents" were truly demonstrated in the mini tables flower show at the Haskell Garden Club April 11, 1985 as Mrs. John E. Robison, the president, called the meeting to order.

The program director, Mrs. J.O. Blankenship was delighted and excited over the thirteen mini tables which were so well displayed.

A fiftieth wedding anniversary by Mrs. Ed Fouts was set as she celebrated hers several years ago, with a white table cloth using gold silver, rose point crystal and andrea china, two white candel and flowers of yellow and white iris with the gold letters 50 and a picture of she and the late Mr. Fouts.

Valentine party by Edith James was very unusual using a red tablecloth with tiny white valentines and a valentine card beside the flower arrangement of white dusty miller and red valentine hearts tied on a white painted branch.

Thanksgiving by Callie Robison and Mary Bischofhausen using a green ceramic cornucopia with yellow dutch iris and fruit and two ceramic turkeys with a place setting of silver and old Britian castle china.

Vacation memories were very festive by Bernadine Blankenship using pottery made by the Indians of Old Mexico, a ceramic donkey on a white tablecloth. Her flower arrangement were bright tulips of red and orange picking up the color in the pottery.

A very beautiful formal table by Jacquie Nemir

using Sizanne china and crystal and silver and a white candle on a beautiful hand made linen cloth from Hawaii. Her arrangement was of blue and white dutch iris bringing out the color in her china.

Lorene Dewey, for a child's birthday party, used white, green, pink and orange balloons, and Garfield hats and whistles with white dishes on an embroidery Japanese luncheon cloth made by her aunt. Her flowers were yellow chrysanthmums with pink, white and lavender cornflowers.

A very elegant formal table was displayed by Nettie McCollum using two white candles with yellow dutch iris and yellow wild roses on a white linen cutwork-tablecloth. Her appointments were Syracuse china by Minute and crystal of her mothers and Chateau Rose silver.

The breakfast table by Linda King was very inviting using white dishes and different colored pansies in a yellow teapot on a checked tablecloth.

A picnic table by Juanita Rhea using plastic decorative plates, napkins and red cups and Coke bottles on a blue denim tablecloth. Her flowers were blue bonnets in a blue and white enamel coffee pot.

Mother's Day was also displayed by Juanita Rhea using her hand painted china, first love silver and a Mother's Day card on a white cloth with lace edges. Her arrangement was wine colored columbines in a pretty wine vase.

Halloween by Juanita Bevel used dishes with Texas cattle brands, gold silver and pumpkin Jack-o-lantern. Her arrangement of orange mums matched the pumpkin vase.

Happy birthday by Junaita Dunnam used paper cups, plates and napkins with happy birthday printed on them of pink, blue and yellow colors. Her arrangement was white and yellow dutch iris with pink, blue and yellow carnations and balloons emphazing the same colors. Her birthday horns were of the same color.

Easter by Sula Mae West used china with pretty tiny butterflies and blue glasses. Her arrangement of bridal wreath and white Easter lilies complemented with an Easter card and a beautiful Easter egg given to her by a niece.

There were many beautiful horticulture specimen of iris, hyacinthas, lilacs, dutch iris, wild yellow roses, white with red stripe tulips, cornflowers, French lilacs, purple stork and nemesis.

We were delighted to have as our guest, members of the Rule Garden Club Minnie Arnett, Alma Allen, Jessie Uich, Hazel Lewis, Alta Carothers, Mittie Lees, Lorene Fouts and Lucy Williams. From Haskell were: Helen Oates, Madalin Hunt, Sue Yeary, Reatha Mullins, Velma Jetton and Mary Whatley. Seventeen garden club members were present and we welcome back a member, Gladys O'Neal who took a leave of absence while teaching school.

The club officers served refreshments of cookies, sandwiches, nuts and punch from a lace cloth over yellow. The arrangement made by one of our members, Marcy Martinez, used bridal wreath and brown iris.

MR. AND MRS. MAURICE FIELDS of Sweetwater, are proud to announce the engagement and approaching marriage of their daughter, Sheila Renee, to Daniel Riley Griffith, II, son of Mr. and Mrs. Dan R. Griffith. The bride-elect is a 1984 graduate of Sweetwater High School and currently employed by Riggs, Wooten and Brown, P.C., C.P.A.'s. Daniel is a 1983 graduate from Haskell High School and is engaged in farming. He is also a Lance-corporal in the Marine Corps Reserve.

## New Officers Elected By Art Association

The Brazos West Art Association held its monthly meeting last week at the Haskell Bank Community room. Hostess for the evening were Betty Hook and Judy Benton.

A new slate of officers for the coming year were elected. They include:

### Hospital Notes

Visiting hours at Haskell Memorial Hospital are 2 to 4 p.m. and 7 to 8:30 in the evening. No visiting hours in the morning. No children under 14.

### ADMISSIONS

MEDICAL: Frankie Cloud, Rule; Eula Free, Haskell; Jeff Thane, Knox City; Burnis Williams, Haskell.

SURGICAL: Richard Moore, Munday.

### DISMISSALS

Everett Thompson, Irene Todd, Denise Johnson, Cathy Threet, Angie Mullino, Helen Owens, Don Stephens, Lewis Brueggeman, Taylor Segoe, Lisa Rogers, Sharon Stephens, Sheila Estes, Vivian Shaw.

Betty Hook-President; Iva Lee Gipson-1st Vice President; Doris Reeves-2nd Vice President; Martha Sampson-Treasurer; Peggy Middlebrook-Secretary; Gladys O'Neal-Historian; and Anita Payne-Publicity. We started our year with 35 members and ended with 38 members. Our main project for the year has been activities with the Haskell Training Center.

A very interesting program was presented by Faye Schnuriger on color. Many interesting facts were presented to us and our memories were refreshed with facts we need to remember each time we paint. To share a few: color was first mentioned in Genesis 1:30; a painting can take up to 50 years; and that all artist materials are toxic so don't get into the habit of putting your brush handle into your mouth. We were also told color has sound.

Next month will be installation of officers and a salad supper.

## Candlelight Ceremony Unites Bird, Holmes

Marva Denise Holmes of Rochester and Steven Eugene Bird of Haskell were united in marriage Friday evening at 7:00 p.m., April 12, 1985, in a candlelight ceremony at the Foursquare Church in Knox City. Reverend Paul Chambers of Rochester performed the double ring ceremony.

The bride is the daughter of Barbara Holmes and the late Marvin Holmes Jr., of Rochester. The groom is the son of Mr. and Mrs. Wallace Bird of Haskell.

The bride was escorted to the altar by her brother, Keith Holmes and given in marriage by her mother and brother.

The bride wore an original gown by Michelle for Alfred Angelo in white lace and organza. The fitted bodice of chantilly lace had a Queen Anne neckline and long tapered sleeves. Tiny seed pearls and sequins traced the pattern of lace on bodice and sleeves. The full skirt of organza was enhanced with a deep applique of lace in the front. Seed pearls and sequins were repeated on the lace appliques. A border of matching lace edged the bottom and the skirt fell into a chapel train.

She wore a Juliet hat encrusted with pearls and a streamer of imported English illusion.

Her necklace of pearls belongs to the grandmother of the groom. For something old she carried a silk handkerchief belonging to her grandmother. For something new, she wore her gown. For something blue, she wore her garter.

Candlelighters were Kimberly Chambers, cousin of the bride, and Brian Holmes, brother of the bride. Flower girl was Kristi Chambers, cousin of the bride, and Brandon Rodella, nephew of the groom. Bridesmaids were Gena Modesti, Patricia Jackson, and Paula Chambers all of Rochester. Maid of honor was Amanda Mathis from Hillsboro. They wore lavender satin dresses with lace, and pearl bracelets, gifts from the bride.

Groomsmen were Ricky Bird, Keith Solomon, Raymond Rodella, all from Haskell. Best man was Jamey Davis from Haskell. They wore grey tuxedos trimmed with grey satin.

Serving at the bride's table were Beth Clevenger, Rochester, and Debbie Solomon, Haskell. Serving at the groom's table were Dawn Rodella, Haskell, and Sharon Bird, Haskell.

A rehearsal dinner was given April 11 by Mr. and Mrs. Wallace Bird at the Porthole in Haskell.

The reception was held

following the ceremony in the reception hall of the church. The groom's table consisted of silver appointments, grapes, mints, and spiced pecans. German chocolate cake, The table cloth was mints and spiced pecans. The tablecloth was off-

white trimmed in lace. The bride's table consisted of a three-tiered cake with lavender roses, punch, mints, and spiced pecans. The table cloth was lavender satin under white lace.

## Mrs. Kay Denkhoff Is Special Speaker At PSC

Thursday, April 11th was a special meeting for the Progressive Study Club. At this time, Mrs. Kay Denkhoff, hostess for KRBC's "Mid Day with Kay" was the guest speaker, and the club was informed of awards received at the Mesquite District Convention, in Stamford. Members were pleased to be informed that president, Mrs. Sandy Horton had received a first place on her written report and second on the oral report of club activities.

Those present were

delighted to learn of the life and duties of a hostess producer, when Mrs. Milton Christian turned the tables on Kay Denkhoff and interviewed the guest for the evening. Mrs. Denkhoff, told us how an Iowa reared girl moved to Abilene and was asked to enter the television field. She also stated that one of the most enjoyable but tiring times is when she interviews the stars in Hollywood.

During the business meeting, the club voted to offer a \$100 scholarship to

a graduating student from Haskell High School. The committee will present the school with the qualifications for applicants in the near future.

Hostess for the evenings fellowship hour were: Mrs. R.C. Couch, Jr., Mrs. Viras Felker, Mrs. Frances Lane, Mrs. Mary Rosser and Mrs. Cliff Dunnam.

While it may be true that money can't buy love, it can buy life, especially when you give a contribution to the Haskell Co. Ambulance Memorial Fund. Your contribution is tax deductible, and will be useful for years to come. Don't hesitate. Make arrangements now to give. Thank you.

# Nutrition Is Topic Of Extension Club Program

The Weinert Extension Homemakers met in the home of Mrs. J.E. Jetton for its regular meeting and program about "Nutrition."

Mrs. Jetton opened the program with the clubs Sesquicentennial plans for reviewing the past thru learning about early days of Texas. She spoke about the Shoshoni Indian tribe, and took the club members on an imaginary tour of the land during that period of time. At each meeting, the

hostess for the day will report on another Indian tribe until March of 1986.

Plans for the T.E.H.A. District meeting in Quanah were finalized with four members from Weinert attending. Alice Yates is Haskell County T.E.H.A. Chairman and also serves as President for the Weinert Club.

Eight members answered roll call with "A way I've learned to resist high calorie food," and

took a test on Nutrition. They learned that surveys show that diets of most teenagers are deficient in calcium, protein and vitamins A and B. Teens consume an average of 150 pounds of sugar each year, and 30 times the amount of salt needed each day.

To increase your life-span, the National Academy of Science recommends we should eat more fruits and vegetables; eat more often with smaller portions; use less fats, salt and sugar; eat a balanced diet of the four basic food groups (meat, bread, milk, fruits and vegetables) and exercise regularly.

Mrs. J.A. Mayfield and Mrs. Gus Rueffer were program leaders and challenged each member to "increase their life span."

Myrtle Phemister led the invocation and Mrs. Jetton served a refreshment plate of Easter goodies.

The next meeting will be May 7th at 2 p.m. in the home of Mrs. J.A. Mayfield. Visitors are always welcome.

MR. AND MRS. R. B. PIEPER of Roscoe announce the engagement of their daughter, Dale Pieper, to Carl Mayfield, son of Vernay Teague. The couple plan a May 18th wedding at the home of Mr. and Mrs. R. B. Pieper. A graduate of Roscoe High School, Dale attended Western Texas College where she played basketball and graduated in 1983. She then continued her education and basketball at Hardin Simmons University in Abilene. Carl Mayfield, a graduate of Haskell High School, attended and graduated from Western Texas College in 1983. Carl then entered the Department of Public Safety school in Austin where he graduated and is now stationed in Fort Worth. Carl is also in the Marine Corp. Reserve.

MR. AND MRS. JERRY KUYKENDALL of Haskell are proud to announce the engagement and approaching marriage of their daughter, Terry Lea of Abilene, to Wilton William Weise Jr. of San Angelo. The prospective groom is the son of Mr. and Mrs. Wilton Weise Sr. of Haskell. Mr. and Mrs. B.L. Kuykendall of Haskell are grandparents of the bride-elect. The couple plan a June 22 wedding in the Trinity Lutheran Church in Haskell. The bride-elect is a 1982 graduate of Haskell High School. She is employed by Commodore Savings in Abilene. The prospective groom, a 1981 graduate of Haskell High School, will be graduating May 10, 1985 from Angelo State University with a degree in animal science.

# Amaro, Contreras Wed

Isabel Rachel Contreras of Anson and Richard Amaro were united in marriage March 30 in First Baptist Church in Haskell with Charles Bridges, pastor First Baptist Church Hamlin, officiating.

Parents of the bride are Mr. and Mrs. Trine Contreras of Hamlin. Parents of the bridegroom are Mr. and Mrs. Pete Amaro Jr. of Haskell.

Organists were Mary Campbell of Hamlin and Andy Contreras, brother of the bride, of Abilene.

Soloists were Sarah Cox of Amarillo and Andy Contreras of Abilene.

Given in marriage by her father, the bride wore a traditional white gown of taffeta with a fitted bodice molded with chantilly lace. Medallions held the yoke of sheer illusion. The full skirt was fashioned with two deep chantilly lace flowers. The fingertip veil of silk illusion was held by a beret circled with maribou.

Maid of honor was Dee Dee Castillo of Ballinger. Bridesmaids were Lea Ann Allen of Hamlin, Helen Gonzales (niece of the bride), of Hamlin, Connie Amaro, sister of the groom, of Haskell.

Flower girl was Leah R. Solenne, niece of the bride, of Ft. Worth, and Missy Amaro, niece of the groom of Haskell.

Ringbearer was Marty Gonzales, nephew of the bride, of Hamlin.

Best man was Julio Acosta of San Angelo.

Groomsmen were David Gonzales, Sweetwater, Monnie Hise, Snyder, and Jeff Frierson, Haskell.

Ushers were Raul Benavides, nephew of the bride of Hamlin, Rudy Amaro, brother of the groom and Greg Gideon of Lewisville.

After a wedding trip to Dallas, the couple will reside in Anson. The bridegroom is a graduate of Haskell High School, Cisco Junior College and the DPS Academy. He is employed by the Texas Dept. of Commercial Public in Anson.

## Enrichment Seminars Set Here

Your friends and neighbors at the Haskell Church of Christ are pleased to invite you to their Spring Series of Enriching Lessons, April 21-24. This year four speakers from Abilene will be present to share truths from God's word each night Sunday through Wednesday.

On Sunday night, April 21, Jim Ravanelli will speak on "He Loves Us." Ravanelli is the Alumni director for Abilene Christian University and has preached and worked with schools for a number of years. He will speak at the 6:00 p.m. evening worship service.

Monday night, April 22, at 7:00 p.m., Steve Ridgell, who serves the University Church of Christ in Abilene as their campus minister will discuss "Lukewarm Christianity." Ridgell comes with a great deal of enthusiasm and excitement

in sharing the word of God. Tuesday, April 23 at 7:00 p.m. noted minister and radio spot speaker Lynn Anderson will address the subject, "New Every Morning." Anderson is in demand for speaking engagements all over the country and it is fortunate to have him in Haskell. He has served the Highland St. Church of Christ (producers of the Herald of Truth T.V. program) as their pulpit minister for over fourteen years.

The series will conclude Wednesday night at 7:00 p.m. with the President of Abilene Christian University William Teague sharing "Using God's

After the registration the children are invited to visit in the kindergarten room until 12 noon.

Gifts." Teague spent a number of years in business in California before moving to Abilene, and has seen enrollment increase at ACU to 4,617 students this Spring, the highest in the history of the school. Teague travels all over the country and presents God's word simply, but very powerfully.

### Two Students To Visit Texas Soon

Two of the Foreign Exchange Students coming to the U.S. next year who hope to be placed in Texas are 17 year old Juan Mejia of Colombia and 18 year old Yumi Nagashima from Japan.

Juan is a senior. His hobbies include playing soccer, racketball and working with handicapped people. He also plays organ and flute.

Yumi is an "A" average senior who likes swimming, skiing, badminton, golf and table tennis. She plays the piano.

Both students have English and will come next September for the school year, returning in June, 1986.

Texas families interested in hosting a student or sending one of their own abroad may call collect to International Fellowship, Inc., P.O. Box 1212, Sedona, Az. 86336. Tel. 602-284-1413.

Everyone is invited to hear these men next week at the Haskell Church of Christ. For further information please call the church office at 864-3101 or Jim Crain at 864-8969.

### Sonshine Patch Enrolling For Fall Term Now

Enrollments for the fall term are now being accepted by the Sonshine Patch pre-school, it was announced by Jim Crain, of the school.

The school is able to accept 36 students from the ages of 2 through pre-school five year olds.

Sonshine Patch conducts school each Tuesday, from 9 a.m., until 2 p.m.

The director of the school is Laura Alsabrook, and the teachers, along with Alsabrook are Carla Long and Charlotte Peiser.

Sammie Kingston is an aide for the school.

At the present time there is a 2 and three year olds class, and 4 and 5 year olds class.

In the fall, it is expected that there will be three separate classes for the various ages.

Crain said the classes for the fall term will begin on Sept. 3.

For interested parents, they may make arrangement for enrollment by calling Alsabrook at 864-2906, or by calling Crain at 864-3101 or 864-8969.

### Farm Computer Courses Slated For West Texas

The Texas Agricultural Extension Service in cooperation with the Texas Agricultural Experiment Station is stepping up training programs in the use of farm computers.

"Microcomputers are becoming more commonplace in farming, ranching and agribusiness operations, and we have put together several seminars and short courses to enhance the profitability of microcomputers as management tools," says Dr. James McGrann, economist with the Extension Service and Experiment Station.

Three-day short courses are being offered at the Stiles Farm Computer Training Center, Thrall. The Stiles Farm is about 6 miles east of Taylor on U.S. 79. Dates and topics of these short courses are as follows: April 16-18, "Performance Records and Decision Aids for Beef Cattle;" April 24-26, "Spreadsheets and Their

Application in Agriculture;" and May 2-9, "Farm and Ranch Accounting."

Two-day seminars on "Microcomputers in Farm and Ranch Management" are slated for April 22-23, Marriott Hotel, Austin, and May 22-23, Civic Center, Lubbock.

"The short courses and seminars will provide detailed information on various phases of microcomputer applications in farm and ranch management as well as updates on computer software and hardware," notes McGrann.

According to McGrann, the short courses are designed to provide participants with in-depth subject matter training and hands-on microcomputer use of software available in the private sector and that developed by Texas A&M University.

## The View From Here

by Janet Wilke

BY JANET WILKE

In the news earlier in the week, the story was a heart wrencher...telling of how teenagers were sentenced to die on death row because of their crimes.

One story, from a teenager who is in prison in Oklahoma for the rape and shooting death of a convenience store clerk, said he would be out visiting his grandmother if he was not in jail.

Sure! And, I can fly to the moon!  
Society has long enough coddled the common criminal. It has too many times taken up for the murderers, rapists, and others involved in violent crimes, while it displayed total disregard for the victims (and families of the victims) of those crimes.

How many organizations are there that can boast of aiding the victims of crime, instead of aiding those who committed the crime? I cannot think of even one!

In my opinion, criminals who take the lives of others must get the message that they have to pay for their crimes. Society has too long allowed them to be looked upon as cult heroes, and not for what they really are...murderers, rapists, and armed robbers.

While I realize that the death penalty is a pretty stiff remedy for a problem which has been around since the beginning of time, I must remind you that once a life is taken, it cannot be restored. Death is death, no matter how you slice it.

Besides, what else can be done to those who feel that they can take another's life without any fear of retribution?

I really wonder how some of the liberals would feel if they had to be on the other end of a phone call hearing that their loved one had been murdered by some crazy person?! I'll just bet that their liberalism would go out the window.

Changing gears, now I really did not know that this part of Texas could have such pretty weather so early in the spring!

I believe the term the forecasters use is "unseasonably warm". I have a feeling that that statement is not accurate. I would use the term "unusually hot", were it left up to me!

The district track meet is this Friday and Saturday at Hamlin. While Haskell has not had the banner year that the coaches were hoping for, the teams have done respectably, and I am hoping that they will do well this weekend.

In other school news, you will have to wait until next week to learn the results of the UIL band contest. The Indian Band, while having had some "off" years, seems to be headed in the right direction again.

This is a very talented, well mannered, and disciplined group of young people, and I know that I can speak for my husband when I say that it has been a great joy to work with them, and their parents, this year! I expect great things from the Indian Band in the future.

Hats off to Holli High, who was selected as a twirler for the Goin' Band from Raiderland, Texas Tech! She was one of several chosen for a twirling line position in tryouts last Saturday. And, Holli was the first twirler chosen. Those judges knew a winner when they saw one!!

Best wishes to Holli, and her two great parents, Doyle and Roberta!

Another HHS twirler, Lorry Geilhausen, tried out for Angelo State University last Saturday, but the results have not yet been released. We are hoping that Haskell will be represented at two colleges next year, with twirlers at Texas Tech and Angelo State, as well!

## Superintendent's Views

BY JAMES LANIER  
Superintendent, Haskell ISD

Our junior high students athletes have come through again. Our eighth grade boys and girls and our seventh grade girls all won district in track last Saturday. Our seventh grade boys placed second in the district meet. Jimmy Lisle and George Martin coach the two boys teams while George Martin and Jim Bob Mickler coach the girls.

These student athletes have really worked hard this spring. The weather has really not been conducive to outdoor activities such as track. It is rather hard to "hit the field" at 7:30 a.m. in cold, damp weather; yet these students have been willing to sacrifice. Several of the athletes performed with very good times and performances. The eighth grade boys relays were very strong. Believe it or not, Haskell came in first and second in both the 100

meters and 200 meters in eighth grade boys. I have been following Haskell sports for 11 years and this is the first time I can remember this happening. In fact, we have always teased people by saying these were "sissy" races and time for Haskell fans to go to the concession stand. However, it was extremely rewarding to see us have sprinters in the finals, especially winning.

Another good point on these seventh and eighth grade athletes is that most of them are reasonably good students. They work hard in the classroom and hard on the playing field.

It appears to me that the Indians and Maidens are going to reap a rich harvest to talent to bolster their ranks in the next few years.

## GOOD FAITH!

Have you ever heard of bargaining in "good faith"? Whenever real estate is sold it is said that the buyer and seller bargain in good faith until they reach an agreeable price and terms. During the so-called bargaining process, each seeks assurance that the other is bargaining in "good faith", that they are really a sincere buyer (or seller).

Over the years, a practice evolved of having the buyer put up a quantity of money (or other valuable) to show that his bargaining was "in earnest" (hence the term "earnest money") or "good faith" (hence, "good faith" money).

Today the term earnest money deposit is a common phrase used to designate the money tendered by the buyer. The more money tendered in "good faith", the more serious the buyer is thought to be. And although there is no set amount of money required by law to bind an agreement, a seller will generally give stronger consideration to an offer accompanied by a reasonable sum of money as opposed to an offer backed by little or no cash.

Since most real estate contracts call for the forfeiture of that deposit if the buyer fails to close the purchase, it is generally believed that a sincere buyer won't mind giving a deposit, while an unsure buyer won't want to risk a penny.

If you need information to help you solve a real estate puzzle, call us at 864-2665. We'll be happy to share our knowledge with you at no cost or obligation.

# Kirkland Serves In Central America

Working and living in different countries is nothing new for people in the U.S. armed forces. The call to duty may send a serviceman or woman to the ends of the earth and almost anywhere in-between.

For Army Staff Sgt. William D. Kirkland, 31, son of Charles D. Kirkland, Route 2, Haskell, and Colleen Witt, 607 W. Fourth St., Post, the call for duty came in the form of

an assignment in the Central American country of Honduras. Kirkland said his first impression of the nation came somewhat as a surprise. "When I came into Palmerola, I thought there was a war going on when I saw all the bunkers, guards and barbed wire," said the tactical satellite-microwave operator, who is on temporary duty in Honduras from Fort Huachuca, Ariz. "After a

few days, I began to learn that we're here on an educational basis instead of militarily supporting a very poor and underdeveloped country." Life at Palmerola could best be described as "austere." Service members live in temporary, prefabricated wooden buildings called C-huts. And while these buildings are a step above the tent city which occupied the

area a year ago, the remainder of the facilities on the camp are a far cry from the modern facilities found on most military posts today. "No one really knows what he has until he loses it for awhile," said Kirkland. "After becoming used to some of the finer things in life that I accepted as necessities, I found out I could do with a whole lot less here. "The weather is in the '90s in February. The showers are a half-mile down the road in a tent and the dust here is like talc powder, so we stay dirty all the time. But all in all, I look at the way the Hondurans live off base and see people who don't have a house, no clothes and don't even know what a shower is, and I thank the Lord I was born in America."

By supporting military exercises such as Big Pine III, service members not only gain valuable experience in their job specialties, they also learn how to cope in an environment that is beautiful, harsh, and sometimes unpredictable. "I work in the system control of our unit," said Kirkland, who attended Post High School. "We control all U.S. military communications in and out of Honduras. We also make telephone assignments and ensure everyone understands how to use the telephone system."

Duty in Honduras has another face, one of learning about different cultures. The "Yanks" stationed here have the chance to sample the Latin pace of Tegucigalpa or visit the serene and stately ruin of the ancient Mayan city of Copan. "I'm not sorry I had to come down here," said Kirkland. "I've done my part. But I sure don't want to come back again."

Kirkland and his wife, Karin, have three children: Timothy, 6; Dennis, 3; and Christopher, 4 months.

Army Staff Sgt. William D. Kirkland, a tactical satellite-microwave operator, explains to a soldier how to use his unit's telephone system. Kirkland is temporarily assigned at Palmerola Air Force Base, Honduras.

# New PC Teacher To Begin Duties Soon

Kim Jordan, twenty-two year old daughter of Mr. and Mrs. Charlie Jordan of Abilene was born in Guam but was raised as a typical

Navy "brat". She has lived and attended school in many places including California, New Jersey, Florida, Cuba, and Texas. She began her high school education in Orange Park, Florida where she went for three years. Miss Jordan attended Cooper High in Abilene for her Senior year. To further her education, she attended McMurry College where she majored in biology with a minor in English. Miss Jordan received her teachers certificate in December of 1984.

Miss Jordan came to Paint Creek with hopes of a job beginning next fall. She was surprised to find one

begin the next week. She teaches Jr. High and High School Science.

In her spare time, between commuting from Abilene to Paint Creek, Miss Jordan enjoys exercising. She jogs and lifts weights to keep in shape. Between her work and exercising, Miss Jordan is able to find time for her two pets—Kitty, a Russian Blue Manx and Cody Sir Duke, her black cocker spaniel.

When asked about future plans, Miss Jordan replied that she hopes to receive her Masters Degree. She also said that she has no wedding plans for the near future.

## Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas, hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas, effective May 6, 1985, unless otherwise determined by the Commission. The Public Utility Commission of Texas has received the application as Docket 6200.

While proposals as to specific rates vary, it is expected that the requested rate schedule will furnish a 10.5 percent increase in the Company's unadjusted test year intrastate revenues or a 9.7% increase in test year revenues as adjusted for test year customer growth and annualization of test year rate increases. The rate application seeks an annual increase of \$323.9 million in revenues. All customers and classes of customers of Southwestern Bell Telephone Company within Texas will be affected by the proposed changes.

Most rates proposed for increase would increase by about 18.5 percent, including local exchange rates. However, there are some exceptions. For example, those customers residing in cities that will be reclassified into larger rate groups will experience local exchange rate increases greater than 18.5 percent. Also, the rate increases proposed for private line services in El Paso, due to a proposal to restructure such rates, are greater than 18.5 percent.

A complete copy of the new rate schedule is on file with the Public Utility Commission at Austin, Texas and with each affected incorporated municipality served by Southwestern Bell Telephone Company. The Commission staff has contended in the past that all rates are subject to change as a result of Southwestern Bell Telephone Company's rate application. This filing includes, but is not limited to, proposals to increase rates for local exchange service, intraLATA long distance, intraLATA interexchange private line service (which includes foreign exchange service) and to decrease certain access service rates.

### Notice to Customers of Other Telephone Companies

This filing includes, but is not limited to, proposals to increase rates for intraLATA long distance and for intraLATA, interexchange private line service (which includes foreign exchange service) and to decrease certain access service rates. Changes in such rates would also affect customers of other telephone companies because such companies provide certain services in accordance with rates specified in Southwestern Bell Telephone Company's tariffs.

### Notice to All Customers Concerning Access Charges and Certain New Service Charges

Southwestern Bell Telephone Company, as a part of this filing, is also proposing to reduce certain access rates charged such customers as AT&T Communications, Inc., MCI and other carriers. The resulting reduction in revenues is proposed to be offset by revenues from two new service charges, late payment charges applicable to business customers only and for certain operator services such as busy line verification, plus stimulation of access service charge revenues. Since this portion of the filing, if granted, would have essentially a zero net revenue effect on Southwestern Bell Telephone Company, Southwestern Bell Telephone Company is proposing that this portion of the filing be expeditiously handled by the Commission and not await Final Order.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227, or (512) 458-0221 teletypewriter for the deaf.

## Aviso Público

En conformidad con las disposiciones de la Comisión de Servicios Públicos de Texas, Southwestern Bell Telephone Company anuncia mediante el presente aviso su intención de establecer un nuevo arancel de tarifas telefónicas en Texas, con vigencia a partir del 6 de mayo de 1985, salvo disposición en contrario de la Comisión. La Comisión de Servicios Públicos de Texas a registrado esta solicitud bajo el Docket 6200.

Si bien existe variación entre las propuestas en cuanto a las tarifas precisas, se anticipa que el arancel tarifario solicitado aumentará en un 10.5% los ingresos intraestatales no ajustados de Southwestern Bell Telephone Company durante el año de prueba, o sea, un aumento del 9.7 por ciento en los ingresos del año de prueba, después de realizar el ajuste por la expansión de los usuarios y por la anualización del aumento de tarifas para el año de prueba. El objeto de esta solicitud de tarifas es lograr un aumento anual en los ingresos de \$323.9 millones. Los cambios propuestos afectarán a todos los usuarios y grupos de usuarios de Southwestern Bell Telephone Company en el estado de Texas.

La mayoría de las tarifas que resultarían afectadas por el propuesto aumento aumentarían aproximadamente en un 18.5 por ciento, incluyendo las tarifas de centrales locales. Sin embargo, existen algunas excepciones. Por ejemplo, los usuarios que residen en ciudades que se reclasificarán para formar parte de grupos tarifarios mayores experimentarán aumentos mas elevados del 18.5 por ciento. Por otra parte, los aumentos de las tarifas propuestas para servicios de línea privada en El Paso aumentarían en más de 18.5 por ciento, como resultado de una propuesta para reestructurar tales tarifas.

Una copia completa del nuevo arancel de tarifas se halla archivada en las oficinas de la Comisión de Servicios Públicos en Austin, Texas, así como en cada municipalidad incorporada afectada que tenga servicio de Southwestern Bell Telephone Company. En el pasado, la Comisión ha sostenido que toda tarifa se halla sujeta a cambio toda vez que Southwestern Bell Telephone Company solicite nuevas tarifas. El registro de esta tarifa incluye, pero no en forma limitativa, las propuestas de aumentar las tarifas por servicios de centrales locales, de larga distancia intraLATA y por servicios de línea privada interLATA entre centrales (incluyendo servicios de centrales externas) así como las propuestas de reducir ciertas tarifas de servicio de acceso.

### Aviso a los clientes de otras compañías de teléfono

El registro de esta tarifa incluye, pero no en forma limitativa, las propuestas de aumentar las tarifas por servicios de larga distancia intraLATA y por servicios de línea privada intraLATA entre centrales (incluyendo servicios de centrales externas) así como las propuestas de reducir ciertas tarifas de servicio de acceso. Los cambios en dichas tarifas también afectarían a los clientes de otras compañías de teléfono, puesto que dichas compañías proporcionan ciertos servicios de acuerdo con las tarifas especificadas en los aranceles tarifarios de Southwestern Bell Telephone Company.

### Aviso a todos los clientes con respecto a los cargos de acceso y a determinados cargos nuevos de servicio

Al registrar esta tarifa, Southwestern Bell Telephone Company también propone reducir ciertas tarifas de acceso que se les cobran a clientes como AT&T Communications, Inc., MCI y otras compañías de larga distancia. La consecuente reducción de ingresos se piensa compensar por medio de dos cargos nuevos de servicio (cargos por pago atrasado que se aplicarían solamente a usuarios comerciales, y cargos por ciertos servicios de operadora, tales como verificación de línea ocupada) además de la estimulación de los ingresos por cargos por servicios de acceso. En vista de que, en caso de otorgarse esta parte del arancel tarifario registrado, su efecto real en los ingresos de Southwestern Bell Telephone Company sería igual a cero, ésta propone que la Comisión tramite dicha parte de la tarifa en forma expeditiva sin esperar la Orden Definitiva.

Toda persona que desee intervenir o participar en el presente proceso debe notificar a la Comisión lo antes posible. Las solicitudes de intervención, participación o información deben dirigirse a: Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Para obtener mayor información debe llamar a Public Utility Commission Consumer Affairs Division, (512) 458-0223, o (512) 458-0227, o al (512) 458-0221 si requiere teletipo para personas con impedimentos de audición.

# Bullock Sends Payments In Excess Of \$48.9 Million

State Comptroller Bob Bullock Wednesday sent checks totaling \$48.9 million in local tax payments to the 1,300 cities that levy the one-percent local sales tax.

Bullock cautioned against attempts to draw conclusions about the Texas economy based on one month's rebate figure but added the April payments "are in line with

our projections for the state."

Houston received the largest check—\$8.5 million—for a total \$48 million in 1985. Dallas' check for \$6.1 million brought this year's payments to \$35.4 million. San Antonio's April payment was \$3 million for 1985 total of \$17.3 million. Austin's check for \$2.5 million pushed the year's total to \$13.6 million. Fort

Worth received \$1.9 million bringing 1985 payments to \$10.3 million, while El Paso's payment was \$1.1 million for a total \$6.5 million.

Bullock also sent checks totaling \$20.1 million to the state's four Metropolitan Transit Authorities. Houston's MTA payment was \$9.8 million for a 1985 total of \$55.4 million. Dallas' DART check was

for \$8.2 million, pushing this year's total to \$47.1 million. VIA in San Antonio received \$1.5 million bringing 1985 payments to \$9.4 million. Fort Worth's MTA payment was \$451,745 for a total \$2.4 million in 1985.

April checks represent taxes collected on sales made in February and reported to the Comptroller by March 20.

# Yard Of Month Winners

**WANDA DULANEY, Manager, Haskell Chamber of Commerce**  
 Chairman of Community Betterment, Haskell Chamber of Commerce, Dr. Ed Harris, announced that the winners of the March Yard of the Month are Dr. and Mrs. R.E.

Colbert, 703 North Ave. L, and the April winner is Mrs. Bill Ratliff 601 North Ave. G.  
 Mrs. Grace Womack is the newly appointed chairman of this segment of the Chamber of Commerce and Mrs. Marijane Cunningham is

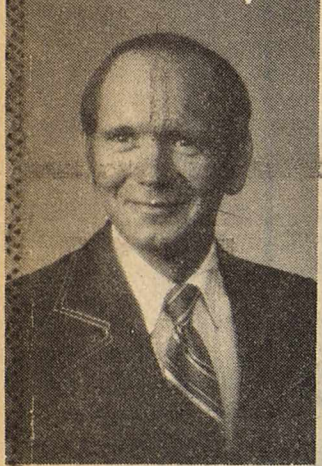

coordinator of the judges. Dr. and Mrs. Colbert built their home in 1969 and both have enjoyed working on the landscape. In the front, their trees include five live oak, three magnolias, a hackberry with wisteria entwined around it, and three junipers along the sidewalk. Shrubs include legustrum, eunymous, nandenas, caralina jasmine, barbery with red foliage, japanica, two bleeding hearts, and vincá ground cover.

edged in green, another barrel holds crysanthemums.  
**RATLIFF**  
 Since Margaret and the late Bill Ratliff moved into their East front home on a corner lot 37 years ago, they made many changes, including adding on two rooms.  
 Margaret and their son Bill planned the landscape and he continues to help her maintain its beauty. This is done without the benefit of a water well, she says, and admits she works in the yard daily, doing everything but the mowing and yard trim.

## Peiser Named Surveyor By County Commissioners

Hugh Peiser, a former Haskellite, has been named by the County Commissioners as the new county surveyor, it was announced following the March 26 meeting. Peiser, who is the son of Ella, and the late Alphon Peiser, grew up in the Haskell area, and finished school at Mattson. Peiser will not receive any salary for the position. His appointment came on a motion by County Commissioner T.C. Burson with a second by Ronnie Chapman, and he will be serving the county as surveyor for two years. Licensed and Bonded, Peiser has been in the surveying business since 1968. He passed the State examination and has had about 8 years of experience in the field and attended two years of special schooling. He lived in Abilene for 8 years while operating a surveying business there, but he and his family moved back to Haskell in April of last year. Peiser is married, and he and his wife, Barbara, are

the parents of three children: Christy, 17 a junior at HHS; Lori, 16, a sophomore at HHS, and Hugh, Jr., 8 in second grade. The Peisers are Lutheran, and have been active in girls softball the YMCA, as well as having other outside hobbies such as being an active supporter of The Tiger Cubs Scouting organization in Haskell. Peiser will be working out of his residence until he can obtain an office space in the courthouse. While he did have an office in Abilene he is currently negotiating the sale of the firm. Part of the reason for the sale of the Abilene business was due to Peiser's desire to be able to devote his full attention to his county position. Peiser will be the first fulltime surveyor in Haskell since "Uncle Bud" Rike, in the 1950's. Peiser attended Cisco Junior College, and Eastfield College prior to becoming a surveyor. Some of the work which will be done by Peiser's office will include surveying roads, houses, farms, ranches, estates, and oil well leases. "I feel that there is a need here, and I feel that it will be good for the people to know that there is someone here to do this job who is a native...who will be staying here," commented Peiser upon his appointment. With land prices like they are, and money being tight, there is a need for a surveyor, which will continue to exist here.

HUGH PEISER

Trees in front include a flowering peach, pecans and two magnolia trees, now covered in buds. Shrubs include Indian hawthorne, mock orange, sweetbroom, wisteria, Japanese quince, burford holly and bonsai juniper in big pots on the front porch. In the back yard rose bushes are budding, and honeysuckle is coming out. Clumbling roses scale the picket fence. A rustic railway live fence is in the front. As a sure sign of Spring, the bugs mesquite tree in the back yard is coming out and so are the crape myrtles. Congratulations to the Doctor, to Golda; and to Margaret and her son, Bill, for the beauty your hard work brings about for all who enjoy your beautiful surroundings.

West of the house is a bed of all yellow iris, with peace roses and a hackberry tree on the South. In the front are three flower beds bearing pittospore shrub, lilies and volcanic rock. One barrel is filled with red caladiums

## Rochester First Baptist Begins Revival April 14

The First Baptist Church of Rochester will begin revival services Sunday April 14, and continue through Sunday April 21. The morning week day services will be at 11:00 a.m. except Saturday. The week day evening services will be at 7:30 p.m. Monday through Saturday. The Sunday services will be at the usual time, Sunday school at 9:45; worship at 11:00. The Sunday evening services Church Training at 6:00 and worship at 7:00. Guest preacher for the revival will be Sherman Ervin, pastor of the Paint Creek Baptist Church. Bro. Ervin is a graduate of Hardin-Simmons and attended Southwestern Baptist Theological Seminary in Ft. Worth. He has pastored a number of churches throughout Texas. He recently graduated from the Hospital Chaplain School at Hendrick Medical Center. Bro. Ervin is a gifted preacher and his messages will be blessed of the Lord. Guest song leader will be Scott Taylor, minister of music and youth of the First Baptist Church, Rule. Scott is a graduate of Hardin-Simmons. He is now living in Rule and serving the church full time. He is a talented young man and is dedicated to the Lord. A cordial welcome is extended to each one to attend the revival services. The world is filled with priorities, and especially when it comes to giving to worthy causes. When you sit down this giving season, and start to re-evaluate which ones need the money the most, in view of what services they provide, please think of the Haskell Co. Ambulance Service. They are always here, ready to serve you and your loved ones, whenever you need them. But they cannot operate for free, and that is why they need your help. Give to something that will benefit all Haskell residents...give to the Haskell Co. Ambulance Memorial Fund. We pack SELLING POWER in our CLASSIFIED ADS.

**PUBLIC NOTICE**

AT&T Communications of the Southwest, Inc. ("AT&T Communications"), in accordance with the Public Utility Regulatory Act and the rules of the Public Utility Commission of Texas ("PUC") hereby gives notice of its intent to implement a new schedule of rates for its services. The new rates will be effective May 14, 1985, unless otherwise determined by the PUC. All customers and classes of customers would be affected by the proposed rates.

AT&T Communications has filed a reprice of its tariffs designed to more closely recover access and other costs for WATS and 800 Service and all private line services including Channel Services, Foreign Exchange (FX), DATAPHONE® Digital Service, and OCC Facilities.

Also proposed is the institution of a charge for Directory Assistance to begin to recover access costs incurred for such service and increases in rates for operator assisted AT&T Long Distance calls. The initial minute charge for all AT&T Long Distance calls and additional minute rates for AT&T Long Distance calls 51 miles or less are proposed for increases to reflect the access charges approved by the PUC for such calls.

The proposed new rates for all services would result in an increase in adjusted test period revenues of \$139 million or 12.7 percent.

A complete copy of the proposed tariffs are on file with the Texas Public Utility Commission.

Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene or participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf.

## Player Honored By Team Following Championship

Sam Beakey, son of Mr. and Mrs. Mike Cook of Garland, and grandson of Audrey (Bud) Comedy, was awarded the game ball after his team, the Patriots, were the winners of the Northeast Dallas Soccer Association's Under 14 division.

The youngster was given the honor of having his teammates give the game ball to him after having played despite being injured in the game.

His team, the Patriots, were named the winners after having tied with a rival team, the Dynamites. The Patriots had beaten the team earlier which gained them the divisional championship.

Mike Cook, step-father to Sam, was the coach of the team, and has been involved in youth soccer in the Garland area for the past seven years, having had three divisional championship teams himself.

Mike is currently opening up a heating and cooling firm in Haskell, and the rest of the family, Sam, 13, brother Colby, 5, and

their mother Kay, will be joining cook in the summer.

In addition to his talents on the soccer field, Sam, who attends O'Bannon Middle School in Garland, is also active in football and basketball.

Cook said that he hopes, once moved, that he will be able to establish an interest in soccer in Haskell.

# Dr. Ben Brock Tenders Resignation At WTC

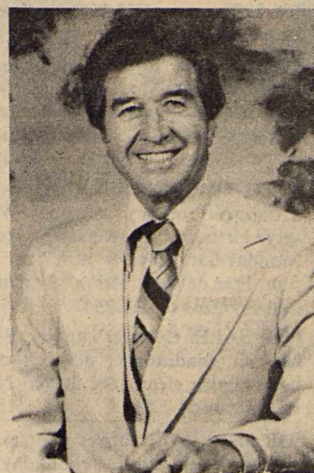

The resignation of Dr. Ben Brock, executive vice president of Western Texas College, was announced today (April 9). The resignation will become effective Aug. 31, 1985.

Brock's position will be terminated at the close of the school year. His duties will be assumed by five administrators at the college: Dr. Don Newbury, president; Dr. Harry Krenek, dean of instruction; E.G. Hickman, vice president for business and finance; Dr. Duane Hood, dean of student services, and Mavis Brumblow, administrative assistant/secretary to the president.

Brock became executive vice president of WTC on July 1, 1982, after having served as dean of the college since the beginning of the college in 1970. He was promoted to vice president on July 1, 1973. He served as Snyder High School principal from 1964-69 and was a teacher/administrator in Sweetwater 15 years before that time.

"In retrospect, I shall have many pleasant memories of my 15-plus years at Western Texas College," Brock said in his letter to Dr. Newbury. "Having a part in the establishment of a new community college has been a productive and rewarding experience."

"Even though I had already worked 15 years in public school administration, the 'firsts' at WTC stand out in my mind—building a new curriculum, writing the first catalog and board policy book, recruiting the first students, screening, interviewing and employing the first administrators and faculty, establishing the first extension centers and even assisting the business

DR. BEN BROCK

manager in the selection of furniture. The long hours—day and night—seemed relatively short because the task was, for the most part, a labor of love," Brock wrote.

"Certainly, I will miss my association with Western College as its first dean of the college, vice president and more recently executive vice president. I will continue to be one of the college's most loyal supporters."

Brock said his plans for the future will be announced at a later date.

The WTC Faculty Association and staff will host a reception honoring Dr. Brock on May 5 in the Fine Arts Building lobby. A luncheon in Brock's honor will be held in the college cafeteria on May 14, hosted by the college secretaries and maintenance staff.

"Dr. Brock has made innumerable contributions to the college including primary responsibility in assembling a new faculty, planning facilities which are the envy of many higher education institutions and providing exemplary service as an administrator of the college. His many good works are indeed admired and appreciated," Dr. Newbury commented.

A native of Haskell, Brock received the bachelor of arts degree magna cum laude from Hardin-Simmons University. He earned the at the University of Texas at the 'University of Texas in Austin and the doctor of education at Texas Tech University. He is immediate past president of the Texas Association of Junior/Community College Instructional Administrators and a member of the Texas Junior College Teachers Association and Phi Delta Kappa. He is a past president of the Snyder Chamber of Commerce Gold Coats and a member of the Rotary Club.

His wife, June, is a teacher at Stanfield Elementary School. The couple has a son, Mark, who lives in Lubbock, and a daughter, Juanne, who lives in Aurora, Colo.

The Four Friends would like to share their music with you. Come join us Sunday, April 21st, 3:00 p.m. at the Haskell First Baptist Church. There will be a reception immediately following the concert.

Plant this pair from Pioneer for a superior grain sorghum crop in hot, dry weather.

**911 Big Tonnage Forage Producer**  
Tropical hybrid that doesn't head under growing conditions in Southwest due to its photosensitivity response. Extremely high yield potential, has won New Mexico forage trials for the past three years. Large, strong stalks are moderately juicy and sweet; broad, dense, dark green leaves provide a forage with high feed value. Excellent disease resistance. Excellent roots and stalks provide 8' to 12' tall plants with very good standability. Plant thick in narrow rows or broadcast for hay, silage or greenchop. Plant thick in 30" to 40" rows for grazing. Plant at moderate rates for use as green manure or cover crop on set-aside acres.

**877F Outstanding New Sorghum-Sudangrass Hybrid**  
Premium quality sorghum-sudangrass hybrid adapted to all areas of the Southwest for hay, pasture, greenchop or silage. Small, sweet stems with broad, dark green leaves produce outstanding yields. Flexible stems provide excellent standability plus outstanding baling qualities. Excellent drought tolerance and regrowth. Better disease resistance than 988, including excellent downy mildew resistance (Pathotypes 1 & 2). For hay, greenchop or silage production, broadcast or drill in narrow rows at higher populations to maximize forage yields and minimize stem size. For pasture, plant in 30" to 40" rows...your cattle will tend to walk on unplanted areas between rows and field loss will be reduced.

### TAX PLANNING

Written By  
Richard E. Rodgers, CPA

#### NO DEBTOR'S PRISON

What happens if you can't pay your income tax?

If you are unable to pay your income tax, things are not as bad as many people have conjured up. The USA has no debtor's prison. That's not to say we don't have a "cheater's" prison. If you are convicted of criminal fraud on your income tax return, you could well go to prison.

If you are unable to pay the tax due on a properly filed tax return, you will not serve time. In fact the IRA will not require you to sell you home, your car, or tools of your trade. They may, however, require you to liquidate less essential assets.

Because many taxpayers feel intimidated by the IRS, they fail to correspond in a timely manner and cause themselves additional problems. If you don't have the money to pay your income tax, be sure you still file your tax return when it's due. Failure to file the tax return on time can result in stiff penalties. On the other hand, filing your tax return and sending no check will simply result in your receiving a bill.

If you're still unable to pay by the time you receive the bill, return it with a request for monthly payments. The IRS will evaluate your financial condition to determine your ability to pay. In so doing they will request a full list of all your assets and debts.

When corresponding with the IRS, always enclose a copy of their last notice to you. It contains file and reference numbers to assist them in handling your case.

Don't ignore correspondence from the IRS. Even though many of the notices are wrong or sent in error, you should respond with the best information available as soon as possible.

direction of Holden-McCauley Funeral Home.

Mr. English died April 10 in McClennen VA Hospital in Little Rock, Ark.

Born March 13, 1924 in Ryan, Okla., he served the US Army during WWII. He was an oil field worker and had lived in Odessa since 1950. He married Gladys L. Foster, March 17, 1943 in Seminole. He was a member of the Masonic Lodge.

Survivors include his wife; one son, Robert of Pine Bluff, Ark.; one daughter, Mrs. Joel (Betsy) Nanny of Haskell; two sisters, Hazel Boles of Odessa and Eva Peckheiser of Boca Raton, Florida and 5 grandchildren.

**Seminar Set April 26-27**  
 Members of the East Side Baptist Church will attend a seminar April 26-27 at the Lueders Encampment.

The featured speaker will be Dr. Bill Gillham, a former professor of psychology. He is a noted Christian counselor, and he and his wife, Anabel, have been involved in Christian Living seminars for some time. Their seminars have been sponsored and endorsed by various Christian leaders.

The fellowship will begin at 6 p.m. with supper on Friday, and will conclude with lunch served on Saturday.
