

# County goes for Clements

Haskell County voters who gave Mark White nearly a 3-1 margin in 1982, turned their backs on the Democratic governor in Tuesday's general election.

Unofficial returns from the county's 10 precincts showed 1,222 votes for former Republican Gov. Bill Clements and only 910 for Gov. White.

Only in boxes 6 (Rochester) and 8 (Weinert) did White lead Clements in Haskell County. At Rochester, the vote was 106-100 for White and at Weinert it was 60-55.

Clements led in the other eight boxes, outpolling the incumbent 377-285 in precinct 1 in Haskell, the county's biggest box. Percentage-wise, Clements' best showing was in precinct 3 where he more than doubled White, 87-39.

While Clements was winning big in Haskell County, no other Republican candidate for a state office ran strong here. In fact, David Davidson, opposing Lt. Gov. Bill Hobby, was the only one to carry a single precinct. Davidson got 39 votes in precinct 10 (Sagerton) to Hobby's 36. In all boxes, Hobby was an easy winner, 1,549-474.

District Clerk Carolyn Reynolds topped all vote-getters among the local unopposed candidates in the unofficial tally. She had 1,913 votes.

County Clerk Woodrow Frazier was right behind with 1,906, and County Treasurer Willie Faye Tidrow had 1,902. County Judge B. O. Roberson's vote total was 1,879. County Surveyor Hugh E. Peiser got 1,866 votes, District Judge Charles Chapman had 1,861 and County Attorney Art Williams had 1,735.

In the commissioners' precincts, C. A. Turnbow got 262 votes for commissioner of precinct 4, and Ronnie Chapman had 324 votes as commissioner of precinct 2.

In justice of the peace precincts, Roy T. Everett had 1,270 votes in precinct 1, Elaine Holcomb had 358 in precinct 5, and Jane Short had 303 in precinct 6.

Haskell County voters vetoed all four proposed constitutional amendments. The votes were:

- Prop. 1: 799 for, 865 against.
- Prop. 2: 768 for, 881 against.
- Prop. 3: 805 for, 852 against.
- Prop. 4: 428 for, 1,461 against.

## WTU open house to be Thursday

Annual Christmas open house at West Texas Utilities will be from 10 a.m. until 3 p.m. today (Thursday).

Free holiday treats and copies of the 1986 "Holiday Delight" cookbook will be distributed to visitors.

The public is invited.

## Charity Bradley nears big milestone

It won't be a normal birthday that Charity Bradley will be celebrating at Rice Springs Care Home Sunday.

The long-time Haskell County resident will be celebrating her 100th birthday.

Friends and relatives will gather to help her observe this milestone. (Her birthday will actually be two days later on Tuesday.)

Mrs. Bradley was born Nov. 11, 1886, about half way through the first presidential term of Grover Cleveland. Born in Bosque County, near Valley Mills, she was the oldest of seven children of Mr. and Mrs. W. F. Neely.

The family moved to Haskell County in 1907, settling near Rule. The following year, she married Ira Bradley and they lived on a farm three miles northeast of Rule until they retired and moved to Rule in 1945. He did carpentry work for a while after he left the farm.

In 1970, both Mr. and Mrs. Bradley took up residence in Haskell Nursing Home. After his death in 1973, she moved to Rice Springs Care Home and has been there since.

"It's been a good life," says Mrs. Bradley in recalling her 10 decades. "There's been some bitter along with

the sweet, but I think we need some of both."

"I love people, and I've been a Christian all my life," she says. She joined the Baptist church when she was nearly 14 and proudly boasts, "I'm still a Baptist." But she's quick to point out that she's not "partial" to Baptists. "As long as people love the Lord and live the right kind of life, it doesn't make any difference what church they belong to."

Mrs. Bradley, who never had any children, has outlived her five younger sisters and younger brother. She does have a number of nieces and nephews, and many of them, along with their children, will be on hand Sunday to help her celebrate. The party will be from 2 to 4 p.m.

Her friends at Rice Springs will also join in the celebration. "I love these people," she says.

## Window winners named

Winners have been announced for the Halloween window painting contest.

They were:  
K through 4th: 1. Benjamin Crain. 2. Jennifer Comedy. 3. Carol Thornhill.

4th through 6th: 1. Tara Moeller and Mellisa Chapman. 2. Sherry Mueller, Traci Burson and Kelly Nanny. 3. Brooke Baker and Michelle Mendoza.

Junior high: 1. Chad Roberts and Jeremiah Jordan.

High school: 1. Kayce Nemir and Dalyn Gilly. 2. Roger Roewe and Scotty Martin.

Donating prize money were the following businesses:

Perry's, Hassen's, Johnson Pharmacy, Lane Felker, Sherman Antiques, Aladdin House, White's, Frazier's, Kis Photo, Jones Cox, Heidenheimer's, Sport About, Bassing's, Video Vendor, Western Auto, West Texas Utilities, The Hayloft, The Personality Shoppe Kids' Duds, C&B Store, Boggs and Johnson, Sue's Flowers and Sears.

## Homemakers sale, show to be Saturday

A Taste of Texas luncheon will be one of the attractions at Saturday's annual Arts and Crafts Sale by the Haskell Young Homemakers.

The show begins at 10 a.m. Luncheon tickets, priced at \$4 for adults and \$2.50 for children under 12, include admission to the arts and crafts exhibits. Tickets to see the exhibits only are \$1.

The event will be at the Civic Center.

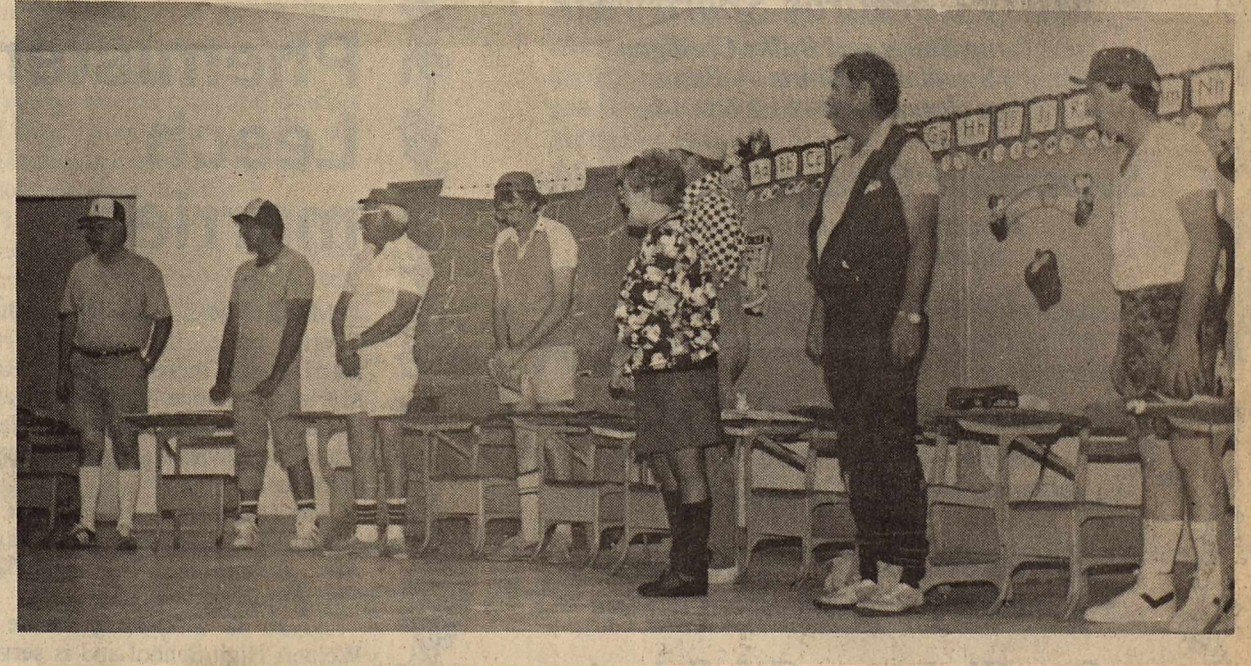

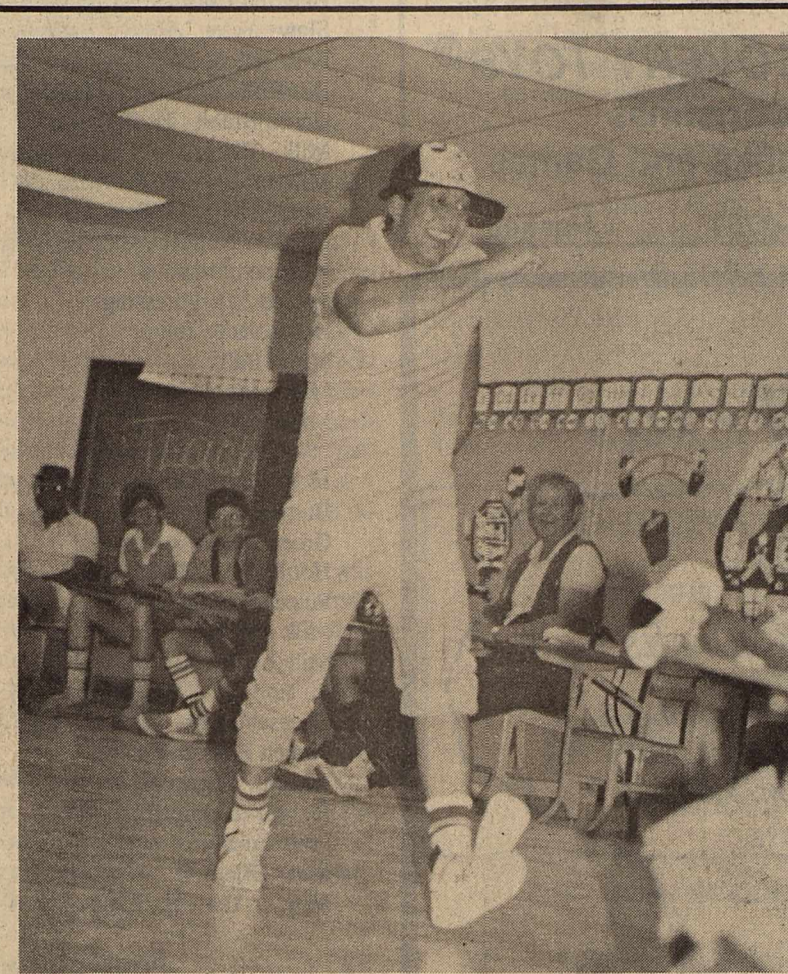

Club members say the public is invited to attend the Arts and Crafts Show and Sale where many items being offered will make nice Christmas presents.

## Kiwanis sponsor turkey shoot

The Haskell Kiwanis Club will have a turkey shoot Saturday, Nov. 22, at the old landfill five miles east of town on US 380.

Activities will begin at noon and continue until dark.

Shooters will compete for turkeys, hams and other prizes.

## Kids' Country

The Country Dinner Theater played to a full house at the Civic Center Saturday night. Attendance was 220. "Kids' Country," starring members of the Board of Directors of the Haskell Chamber of Commerce, was the fifth annual production of the Chamber. It was written and directed by Chamber manager Wanda Dulaney.

## Almanac features Civic Center

Haskell Memorial Civic Center, to be completed in 1986, has been one of the goals for the Texas Sesquicentennial. This project, along with 43 projects of other towns, are featured in a unique Sesquicentennial Almanac which celebrates 150 years of Texas history.

The almanac, titled "Texas - Under Six Flags," also contains 121 full color historic paintings and photographs. Twelve of the paintings were loaned by Texas museums, "Friends of Texas" and the Smithsonian Institute. The almanac also includes full color reproductions of paintings and gives terms of office and vital statistics of Texas' 48 governors and presidents.

It is beautifully bound in a gold foil stamped cover that feels like fine saddle leather.

Copies of "Texas - Under Six

Flags" are being sold by the Haskell Memorial Civic Center Board of Directors. Profits will go to the Civic Center. Even though the Civic Center has been in use for over a year, there still is a need for several thousand dollars to complete the building.

The Sesquicentennial Almanac may be purchased at the Haskell Free

Press, Olney Salvings, Lane-Felker, Haskell National Bank, Chamber of Commerce, First National Bank and Wigwam Arts and Crafts.

Board members say that "Texas - Under Six Flags" will make a great Christmas gift. It is priced at \$7.50.

Chairman of the Haskell County Sesquicentennial Committee is Jerrene Couch.

## It was a wet month

If you thought it rained a lot in October, it wasn't a mirage.

Weather recorder Sam Herren said October went down as the second wettest October of record in Haskell.

The 10.48 inches of rainfall during the month brought the 1986 total to date to 30.2 inches, more than eight

inches above the normal of 22.01.

Only October 1941 with 11.09 inches was wetter than this past October.

Highest temperature during the month was 89 degrees on Oct. 3 and the lowest temperature was 36 degrees on Oct. 13.

## Rice Springs Care Home

Judy Wolsch  
Activity Director

With the first of November here, everyone at Rice Springs is getting ready for the big holidays of the year, looking forward to the big festive dinners and gatherings with family and friends.

The First United Methodist Church will be the host of our Sunday morning services while the Church of Christ will hold the evening services.

Wm. Hodge will be with us on Tuesdays, along with Suzanne Jones on Tuesday nights for Bible study. Jo Simpson, Randy McLelland and

James Densman on Wednesdays, nail care each Thursday at 2:30 by Dorothy Bowers, Country Band on the first and third Thursday and Sweethome Singers on the second Thursday.

Eastside luncheon on the third Thursday, along with the monthly birthday party at 2:30. Peggy with Sing Along on Fridays, Larry Tanner on the first and third Friday. Haskell Methodist on the 10th, First Baptist luncheon on the 11th, Thanksgiving party the 15th, hostess Christine Greene; Rule Methodist on the 18th, Haskell First Baptist WMU on the 25th and everyone celebrating the

27th with nice turkey dinner. We invite everyone out to visit each of our residents.

Visitors last week included Eula Orr with Virgie Bledsoe and Thalia Jenkins; Sue and Charlie Hunter from New Orleans with Mrs. Persons and Frances Dilliar with Joe Teague and the Bill Harrells.

## Haskell Garden Club to help host convention

The Haskell Garden Club will be one of the hosts at the District VIII fall convention of Texas Garden Clubs, Inc., to be held Nov. 7 and 8.

The convention will be in the VIP Center in Stamford. Other clubs hosting the event will be from Hamlin, Rule and Stamford.

Registration begins at 4 p.m. Friday. Refreshments will be served from 5 to 6 p.m. A dutch treat supper is planned for 6:30 p.m., said Mrs. C. F. Clarke, general chairman.

Mrs. Carl Lunn is co-chairman of the event. Mrs. A. J. Mills, Stamford club president; Mrs. Rodger Bell, president of the Hamlin club; Mrs. Linda King, president of the Haskell club; and Mrs. Bill Fouts, president

of the Rule club, are sharing in the planning and organizing.

Theme of the convention will be "Symbols of Texas," said Mrs. Charles Baker of Coleman, district director.

Registrations will be open from 8:30 to 9 a.m. Saturday with the Pierian Club of Stamford serving coffee.

The Executive Committee meeting will be in the VIP office at 8:30 a.m., followed by a general assembly at 9:30 with Mrs. Jack Mills presiding. The meeting will be presented to Mrs. Baker.

Luncheon will be at the VIP

building with the credentials report to be given at that time.

Mrs. Cumby Ivie of Robert Lee, first assistant district director, will introduce the program, "Pride in Our Western Heritage." Designs will be made and explained by Mrs. Zeno Hemphill of Coleman, master judge; Mrs. Charles Speck of McCamey, master judge; and Mrs. J. T. Holley of San Angelo, life judge.

Courtesy resolutions will be by Mrs. E. M. Sayer of Breckenridge, second assistant district director, followed by the Texas pledge and song, led by Mrs. Howard Overby of Stamford.

## Phemister, Leech married

Mr. and Mrs. John D. Leech of Crystal Lake, Ill., announce the marriage of their daughter, Rose Marie, to Lance Corporal David Bryan Phemister of Glenview Naval Station, Glenview, Ill., and formerly of Weinert.

The couple were married Oct. 23 and after a wedding trip to Yuma, Ariz., are making their home at 6222 Chestnut Drive in Crystal Lake.

Bryan is a 1981 graduate of Weinert High School and is serving in the 4th Marine Aircraft Wing as a C-130 Loadmaster. He is the son of David Phemister and grandson of Mr. and Mrs. Marvin Phemister.

The young couple plan a Christmas trip to Weinert and are looking forward to renewing old acquaintances here.

### BIRTHS

James and Lindy Barefoot of Abilene are announcing the birth of their daughter on Oct. 9. Her name is Ashley Lauren and she weighed 8 pounds, 1 ounce and was 20 inches long.

Her maternal grandparents are Don and Bobbye Collins and her paternal grandparents are Jim and Inez Barefoot of Abilene.

Her maternal great-grandmothers are Alma Collins of Haskell and Jackie Guffey of Graham.

Mr. and Mrs. Bobby Joe Laird of Seymour announce the arrival of their son, Jarrell Wendell Laird, born October 27, 1986 at Haskell Memorial Hospital weighing 7 lbs 4 ozs.

Mr. and Mrs. Daniel J. Stephens of Rule announce the arrival of their daughter, Adria Dawn Stephens, born October 26, 1986 at Haskell Memorial Hospital weighing 7 lbs 4 3/4 ozs.

Mr. and Mrs. Roberto Cerda Esquivel of Munday announce the arrival of their son, Roberto Cerda Esquivel, Jr. born October 26, 1986 at Haskell Memorial Hospital, weighing 8 lbs 10 1/2 ozs.

### HOSPITAL

#### ADMISSIONS

Medical: Joel Torres, Jr., Haskell; Alta Smith, Munday.

#### DISMISSALS

Thelma Thomas, Vicki Henshaw, Iva Palmer, Lorena Burnison, Wilfred Bellinghausen.

### 4-H club to meet Monday

The Haskell 4-H Club will have a meeting at 4 p.m. Monday in the Extension office.

Mary Jennings will present a program on correct parliamentary procedure and how to hold a successful business meeting.

All Haskell 4-H'ers are urged to attend this leadership training meeting.

# —Weinert News—

By Myrtle Phemister

The Weinert school was the scene for the annual Halloween Carnival on October 30th. It was well attended and was an enjoyable evening. Proceeds from the event will be spent on a Jam-Box to be given to a lucky student Friday November 7th at the Pep Rally. All students having perfect attendance during October will have their name in a drawing.

After the Pep Rally, the Weinert Bulldogs will scamper over to Lueders-Avoca where they will challenge their football team at 7:30 p.m.

Weinert Bulldogs defeated the Rule Bobcats here on Friday night with a score of 57-30.

Mr. and Mrs. Thomas Alexander of San Antonio were in Weinert to visit his mother, Bertie Alexander and brother Herschel and family. Thomas is in building construction and related that things are very slow just now in his area.

They attended the Sanders reunion on Saturday, his mother being the daughter of Henry and Lou Sanders.

The Sanders in Weinert traveled to Moran, Texas on Saturday, November 1st to participate in the annual Sanders reunion there. Mr. and Mrs. Vernon Cates were hosts for the affair and served fresh fried catfish and hush puppies to about 100 of the relatives. Gifts were given to the oldest man and woman present; to the youngest and to the one who traveled farthest.

Oman Travis (Bud) Sanders was elected President for the 1987 reunion of the Romulus and Mary Sanders descendants and it will again be held in the Moran Community Center on the first Saturday in November.

Mr. and Mrs. Melvin Vojkufka and Rene were in Hale Center, Texas recently to visit in the home of Dovie Carroll and with her daughter, Betty Castle and sons.

Paul Chambers journeyed to Capitan, New Mexico last week to attend the District Convention of Four Square churches. He came back with spirits high and bubbling with enthusiasm for service in the Lord's work.

Alton and Mildred Sanders were in Copperas Cove, Texas for a Lay-Renewal meeting in the Baptist Church there. They too, had a safe journey and were edified in the weekend meeting.

Geoffrey Wayne Phemister, 4 week old son of Randy and Lisa, made his first out of Haskell trip Saturday night when he traveled to Weinert with his parents and Dacia, Joseph and Deshea to visit his great grand parents there.

Other visitors were Geoffrey's grandfather, Wayne of Austin, Texas and Wayne's wife, Linda, with Lee, Lincoln and Laura.

Wayne teaches math and coaches at Lamar Junior High in Austin and Linda is employed as a realtor with Milburn Realty Company.

Their children were thrilled to go "Trick-or-treating" in a small community where they received "real treats". In Austin, they only get money.

A six-man football game was another "first time" for them.

While in Weinert, they picked up their copy of the Sanders bood "Just Passing through Weinert."

## DEDICATION CEREMONIES

State, city and county officials were on hand last Tuesday for the formal dedication of the recently completed street and water project in the southwest part of town. Representing the state was Larry Crumpton, assistant executive director of the Texas Department of Community Affairs. Crumpton gave a short talk at the ceremony, as did Abe Turner, mayor, and Robert Baker, city administrator. A state grant provided the funds for the project which included paving, installation of water lines, fire-hydrants and gate valves.

## Conservation Comments

Dan Wadzeck of Rochester and Marvin Phemister of Weinert were re-elected as directors of the Haskell Soil and Water Conservation District.

Wadzeck represents Zone 1 and Phemister represents Zone 2 of this district.

The purpose of the Haskell SWCD is to promote sound oil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and

They were shown some new cotton products and heard how the proceeds of the cotton check off program are being spent on research and promotion of our cotton.

Mr. and Mrs. Kevin Ward were honored on Sunday night, November 2nd with a surprise "Baby" shower for their expected child.

Members of the Church of Christ met for supper and afterwards enjoyed a Bingo game. During the game Mrs. Ward got the "Booby" prize, which turned out to be a box of lovely gifts for the baby.

## Band Boosters

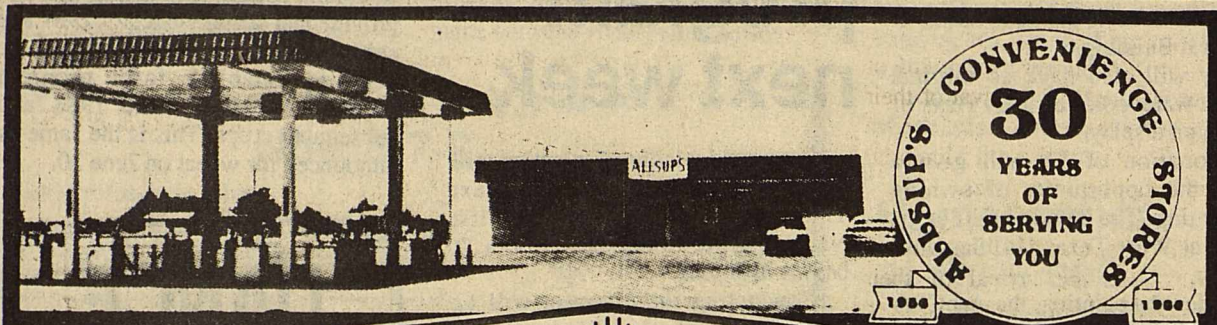

Band Boosters will meet at 7 p.m. Monday in the band hall for their regular meeting. All interested persons are urged to attend.

other organizations and has authority to enter into working agreements with these government agencies and private concerns to carry out its purpose.

In Texas, there are over 200 SWCDs, each being a legal subdivision of state government. All programs managed by the districts are of a voluntary nature to the landowner or operator.

Band Boosters will meet at 7 p.m. Monday in the band hall for their regular meeting. All interested persons are urged to attend.

## STEADFAST...OVER THE LONG HAUL...THAT'S US!

We know that most banks are pretty much alike. Some have more branches than others, while all offer the same kinds of accounts, the same basic interest rates, the same financial programs. If there's a difference between banks, it's got to be the way a bank takes care of its customers.

And here's where we lay claim to the successful growth and dependability of our bank ... in the professional, prompt, attentive and interested service we like to give every customer of ours. Regardless of whether you keep your checking account with us or make us responsible for watching over a multi-million dollar business, we're steadfast over the long haul!

**TO SING HERE**

The Singing Froese Family will present a gospel concert at the First Baptist Church at 6 p.m. Sunday. The public is invited to attend. Mr. and Mrs. W. A. Froese and daughter, Mendy, are members of the First Baptist Church of Dallas. Mrs. Mickey Vaughn of Euless will be their pianist.

**WEINERT CHEERLEADERS**

Weinert Bulldog cheerleaders are Tina Herricks, Tina Bristoe and Kelly Watkins. The Bulldog mascot is Laurie Hester.

**Pack 136 gives out awards**

Pack 136 held its monthly pack meeting Oct. 28 in the Community Room. Scoutmaster Jim Bob Mickler conducted the meeting.

Awards were given to the following:

Kenneth and Quentin Billington, Bobcat; Daniel Alvarez, Bobcat; Eddie Gonzales, Sportsman; Matthew McFadden, Outdoorsman and Citizenship; Jonathon Tatum, Citizenship; and Matt Perry, Citizenship.

Betsy Nanny, popcorn chairman, handed out literature and order blanks for the annual popcorn sales fund raiser for Pack 136. The boys have 10 days to sell and they need to turn their sales slips in by Nov. 10. The popcorn will be ordered when the orders are received and will be delivered around Dec. 1.

Prizes will be given for highest sales in each age group.

Everyone was reminded of the councilwide pushmobile races in Abilene Sunday.

November's pack meeting will be Nov. 25 at 7 p.m. in the Community Room. Parents and scouts are urged to attend.

**To have booth.**

The Top of Texas Tumblers will have a face-painting booth and cake sale at the Haskell Young Homemakers' Arts and Crafts Sale Saturday.

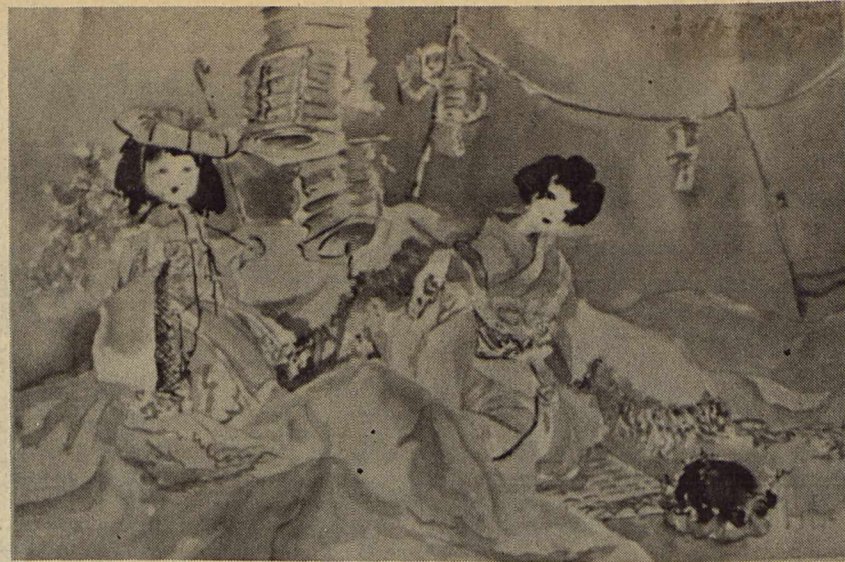

**Vietnam medal now available to veterans**

The Vietnam Veterans National Medal is now available from the U. S. Mint, according to D. E. Livengood, veterans service officer for Haskell County.

The bronze medal, being issued in a three-inch and inch and a half diameter size, honors the courage and dedication of the men and women in the armed forces of the United States who served in the Vietnam Conflict.

The smaller medal (No. 685) sells for \$2 over the counter at mint sales offices or \$2.25 if ordered by mail. The three-inch medal (No. 686) is \$15 over the counter or \$16 by mail order. A check or money order should be sent to: Unites States Mint (Medals), P. O. Box 500, Philadelphia PA 19105.

The Vietnam Veterans Medal was authorized by the Congress through passage of Public Law 98-566, and was signed by the President Oct. 30, 1984.

**TO BE GIVEN**

The Brazos West Art Association will give away this original watercolor by Judy Hayes of Graham. A donation of \$1 entitles the contributor to a chance at the painting. It will be displayed through December at local businesses.

**Art Club to have 'Silent Auction'**

The Brazos West Art Club will sponsor a Silent Auction Saturday, from 10 a.m. until 4 p.m., in the Corral Building at the Haskell Fairgrounds.

Proceeds from the sale of Christmas items, crafts, new and used merchandise and other miscellaneous items will benefit the renovation of the Corral Building.

They will also have an original Oriental water color by Judy Hays of Graham on display.

A donation of \$1 will give a person the opportunity of owning this painting. The painting will be on display at West Texas Utilities until Saturday.

Besides the painting, the Art Club will have baked goods for sale on the stage of the Civic Center in

conjunction with the Young Homemakers Arts and Crafts Sale and Luncheon Saturday.

**Windbreak program next week**

Farmstead windbreak planting will be discussed at a meeting next Thursday (Nov. 13) in the First National Bank Community Room. It begins at 2 p.m.

Conducting the program will be Bob Fewin of the Texas Forest Service and Edd Holcomb, state forester for the Soil Conservation Service, along with Jim Hudson, district conservationist for the Soil Conservation Service.

Farmstead windbreak management, varieties of windbreak trees and windbreak planting will be discussed.

A visit to local farmstead windbreak plantings which have been established for several years will be made if time permits.

**Farm signups begin Nov. 17**

Signup for the 1987 feed grains, upland cotton and rice programs will be Nov. 17 through March 30, it has been announced by Secretary of Agriculture Richard E. Lyng.

The signup for the 1987 wheat program began Oct. 1 and will continue through March 30.

Lyng explained that wheat and feed grain producers participating in the programs may request 40 percent of their estimated deficiency payments when they sign up for the program, while upland cotton and rice producers may request 30 percent of their deficiency payments. Also at signup, feed grain producers may request 50 percent of their estimated diversion payments.

"The advance payments will provide producers additional cash flow for spring plantings and to meet other financial obligations," Lyng said.

The USDA estimates deficiency payments (per pound for cotton and rice, per bushel for feed grains and wheat) as \$2.10 for wheat, \$1.21 for corn, \$1.14 for sorghum, \$1.11 for barley, 55 cents for oats, 27.15 cents for upland cotton and 4.82 cents for rice.

Fifty percent of the advance deficiency and diversion payments will be paid in cash and the balance will be made in generic commodity certificates.

Lyng also said that all additional common program provisions which will be applicable to the 1987 crops of upland cotton, feed grains and rice provide that actual yield for 1987 and subsequent crop years will not be used to establish farm program payment yields for the 1988 and subsequent crops. This is the same as announced for wheat on June 30.

**TEXAS TRAILS**  
LONE STAR STATE HISTORY by DAN BROWN

**LIGHT HOUSES ...**

In the 1840's Texas had several good seaports but the entrances were hard to find and treacherous reefs wrecked many a ship. Lighthouses to guide the sailors were the answer. By 1859 lighthouses blinked the way to every major Texas port. During the Civil War Yankee war ships blockaded the Texas Gulf Coast. Rather than light the way for the enemy Texans extinguished the beacons and hid the lenses. Yankee gunners took potshots at the lighthouses but the towers remained erect.

## Jimmy McClure honored in McCamey

The son of a Haskell couple was honored recently as "Citizen of the Year" by the McCamey Chamber of Commerce.

Jimmy Lee McClure, owner of Colonial Flower Shop and municipal judge for the city of McCamey, was the surprise recipient of the Chamber's highest honor which was presented during the organization's annual banquet and program.

McClure was honored for his service to the community and his work in behalf of the city and the chamber.

McClure, 52, is the son of Lee and Ola McClure of Haskell. He is a native of Singleton and attended school in Navasota for a brief time before moving with his parents to Bowie, Haskell and Abilene. With his family he moved to McCamey after being assigned to West Texas Utilities' generator plant as a chemist.

His wife, Betty, is the long-time executive vice president of the Security State Bank of McCamey.

Long active in McCamey's community and civic affairs, McClure is past president of the McCamey Chamber of Commerce and the McCamey Lions Club. He is the adult advisor to the McCamey Teen Council and is a trustee and lay minister of the First United Methodist Church of McCamey.

Earlier this year, McClure headed the highly successful observance in McCamey of the Texas Sesquicentennial, leading efforts by

the community to welcome and honor the Sesquicentennial Wagon Train and other special programs associated with the state's birthday celebration.

Surprise guests at the banquet where he received his honor were his parents from Haskell.

Also attending were his son and daughter-in-law, Mr. and Mrs. James McClure of Tyler; his daughter and son-in-law, Melanie and Peter Gomez of McCamey; his sister, Vicki Wallace; a nephew, Duane Josselet of Denton; and a number of grandchildren and other relatives.

## Rule exes plan dance

A dance for Rule exes will be held Saturday night in the Haskell Civic Center. It begins at 8 o'clock.

The Triple Shot Band (Ray Clark, a 1968 graduate of Rule High School) will be playing for the homecoming dance.

## Pancakes

Haskell Lions will serve pancakes between 5 and 7 p.m. Friday, in the school lunch room.

Admission will be \$3 for adults and \$1.50 for children under 12.

The annual pancake supper will precede the season's final football game between Haskell and Anson.

## GRAND CHAMPIONS

Haskell Webelos took grand champion honors in last Sunday's Chisholm Trail Council's annual pushmobile races in Abilene. Members of the winning team were Jonathon Tatum, Matt Perry, Matthew McFadden, Blake Henshaw, Brian Brzozowski, Shannon Meeks, Kenneth Billington, Casey Coleman and Eddie Gonzales. Leaders are Bill Perry, Marvin McFadden and Billy Tatum.

## Haskell Nursing Center

We would like to thank all the friends and family members for their help with the party we had on Friday.

We would like to extend a special thanks to Minnie Pearl for coming down to see us. Everyone had a good time and enjoyed themselves. We had sandwiches, chips, dips, cookies, tea and candy for the kids.

Randy McLelland was here Wednesday with special music and

singing, then had a devotional. We will be looking for him to come each week.

Rev. Hodge gave a devotional Wednesday afternoon for our residents.

And Joe Stoler came from Rule Wednesday night. We are always glad to see him.

Eleanor Blohm came Thursday morning for a music program.

Orman Yarbrough visited Mrs. Yarbrough. He is from Abilene. Betty Isbell of Haskell visited everybody. Marian and Ethel Jones of Haskell visited Kathryn Mitchell and all other residents. Ilene Mansker of Lubbock visited Lillie Greenwood.

## Lions Club paints building

Haskell Lions Club members gathered at the Headstream Memorial Center Saturday morning to paint the building.

It was one of many community projects of the local Lions Club.

## Homecoming at Rule set

Homecoming at Rule will be Friday and Saturday.

Rule Lions will serve hamburgers and homemade pie, beginning at 5 p.m. Friday. The football game between Rule and Benjamin starts at 7:30.

Registration begins at 10 a.m. Saturday. Coffee will be served at the school cafeteria.

The noon meal begins at 11:30 a.m. in the school cafeteria and the general assembly in the auditorium begins at 1:30 p.m.

## Haskell scouts dominate races

The Chisholm Trail Council held its annual council-wide pushmobile races Sunday afternoon at Nelson Park in Abilene.

The competition was fierce as this was the biggest event of the fall season and over 400 Cub Scouts with 55 pushmobile cars were entered from all over the Big Country, including Abilene, Anson, Sweetwater, Buffalo Gap, Tuscola, Blackwell, Stamford and Haskell.

Haskell Scout Pack 136 didn't let their engines cool off from winning last week's Northern District meet at Sweetwater as they raced away with all the awards in a clean sweep with first, second and third place overall trophies.

In the 8-year-old division, Haskell Pack 136, Den 3, with their best time of 1:10 in their car "The Cobra" revved up their engine and outdistanced the other 8-year-old entries by winning first place in their division and third place overall, competing with 9- and 10-year-old Haskell dens. Pat Mickler, Betsy Nanny, Debbie Earles, Sue Stewart and Janice McDaniel were leaders. Team members were Marcus Overton, Casey Thompson, Ryan Nanny, Casey McDaniel, Aaron Earles, Justin Stewart, Jay Mickler and Jeremy Futch.

In the 9-year-old division, Haskell Pack 136, Den 5, with their best time of 1:10 in their "The New Mean Green Machine," blasted away the competition, taking first place in the

9-year-old division and second place overall. Leaders are Paula Everett and Rhonda Lisle. Scouts are Jamie Hodgins, Justin Lisle, Mik Everett, Bobbie Cothron, Ryan Olson, Chris Silvas, Casey Larned and Cory Green.

In the 10-year-old division, Haskell Pack 136, Webelos Den 1, with their best time of 1:04 in the car, "Speedmobile," sped away leaving everyone behind, winning first place in the 10-year-old division and first place overall to be grand champions of the meet. Marvin McFadden and Billy Tatum are leaders and Scouts are Jonathon Tatum, Matt Perry, Matthew McFadden, Blake Henshaw, Brian Brzozowski, Shannon Meeks, Kenneth Billington, Casey Coleman and Eddie Gonzales.

Also competing from Haskell were Pack 136, Den 7, with their car, "Blue Thunder." Susan Blanks and Bonnie Fouts are leaders. Scouts are Casey Burgess, Josh Denman, Matt and Kurt McCord, Benjamin Crain, Matt Blanks, Lyle Fouts and Harrison Druessedow.

Haskell Pack 136, Den 4, leaders Becky McFadden and Donna Tidrow, and scouts Wesley Alsbrook, Jeremy Cadenhead, Christopher Tatum, Brandon McFadden, Shannon Meeks, Kory Tidrow, Michael McFadden and Quinton Billington.

We would like to congratulate these Scouts, their parents and their den leaders. This took a lot of hard work and time to attain this achievement.

## PUTTING THE CART BEFORE THE HORSE!

Do you remember the sayings "Don't put your cart before your horse" or "Which comes first - the chicken or the egg?" They have to do with priorities, don't they, like deciding which task to accomplish first?

Those same sayings can apply to buying and selling homes. If you presently own a home, and plan to buy another, which do you do first? Sell your existing home or buy the new home? If you sell before you buy, you may feel that you may be left "out-in-the-cold" with no place to live. But, on the other hand, if you buy before you sell, you may end up owning two homes at once. It has all the makings of a dilemma, doesn't it?

Try this solution. First, measure your personal commitment to purchase another home. If you are firmly committed to changing your residence, then ask yourself this question: Am I financially able to purchase a second home while still owning the first one? If your answer is "No!", consider selling your present home first.

Selling your existing home first will reveal the solution to the dilemma. First, you have no "double" financial pressure. Secondly, you will know exactly how much money you have to spend on another home and when you will need to move. Since an ample supply of housing is usually available in any city or town, you can then choose your new home with ease.

If you're planning to sell your home soon and would like information on its current value, give us a call at 864-2665 or come by our office located at 417 South 1st.

## TAX PLANNING

Written By  
James E. Rodgers, CPA

## FAMILY EMPLOYEES

Family owned businesses have an opportunity to reduce their income taxes and gain other financial benefits by putting family members on the payroll.

If a husband and wife file a joint income tax return, the only income tax benefit from hiring the spouse will be for the extra IRA contribution deduction. Since wages to a spouse are not subject to social security, such wages may serve to reduce the social security contribution of the employer spouse.

If you are providing after tax dollars to parents, grandparents, brothers, sisters, children, or grandchildren, consider getting a legitimate deduction for services provided by them. If money is going for their benefit, it might just as well be taxed at their lower tax rate.

If done properly, the family employee arrangement can save substantial amounts of income tax. The employer gets a deduction for the wages, removing them from his high tax bracket, and the employee has taxable income presumably at a substantially lower or zero tax bracket.

An employed family member can contribute all of his/her earnings to an IRA, up to a maximum of \$2,000 annually. Not only does the family member get a deduction for the contribution, but the earnings inside the IRA are income tax free until they're withdrawn.

The compensation paid any family member has to be reasonable. There must be services performed and the amount of money paid must be essentially the same as you would pay a non-related employee for those services. If upon audit the IRS finds the wages to be unreasonably high, they will disallow a deduction to the employer, and the tax benefits to the family unit as a whole will be substantially reduced.

If the business is incorporated, even though it's owned entirely by your family, you will have different payroll tax considerations and you may have to comply with child labor laws.

**TURKEY WALK**

Haskell County financial institutions played a big part in Saturday's Turkey Walk for the Heart Fund. Among the walkers were Becky Gordy and Darlia Williams of Farmers National Bank of Rule; Janet Thane, Michelle Bateman, Debbie Kennedy, Norma Richardson, Selina McGuire, Debbie Williams, Elaine Duke and Bob Acree of the First National Bank of Haskell; Dickie Greenwood, Anita Payne, Vicki Adams, Leila Miller and Connie Stone of Olney Savings; and Donna Kemp of Haskell National Bank. Not pictured were Lou Landes, Brenda Turner and Frankie Campbell of Farmers National of Rule.

**JUNIORS & SENIORS**

Cheering the juniors and seniors to victory in Saturday night's Powder Puff football game were these cheerleaders.

**FRESHMEN & SOPHOMORES**

The freshman and sophomore team had a lot of support at the Powder Puff game Saturday night from these cheerleaders.

**Obituaries**

**Tilda Mae Durham**

Funeral services were held Oct. 27 at the Haskell Assembly of God Church for Tilda Mae Durham.

Mrs. Durham, 79, died Oct. 25 at Anson General Hospital.

The Rev. J. C. Amburn, pastor, officiated at the services. Burial was in Willow Cemetery, under direction of Foster-Adams Funeral Home.

Mrs. Durham, who had lived at Briarstone Manor in Anson for the past three years, was a former resident of Haskell. She was born May 11, 1907, in Comanche, and was a member of the Baptist Church.

She is survived by four sons, William Edgar McNeil of Brownfield, Tommy Carol McNeil of Brownfield, Delbert Lee McNeil of Snyder and Ronnie Dail McNeil of Hamlin; five daughters, Thalma Pear Brzozowski of Abilene, Stella Louise Forbes of Odessa, Jo Ann Schroeder of Brownfield, Linda Darlene Powell of Brownfield and Connie Gail Davis of Hamlin; one sister, Rosie Lain of Cleburne; 30 grandchildren and 40 great-grandchildren. One brother and three sisters preceded her in death.

**Mary M. Merchant**

Mary M. Merchant, 93, Aztec, N.M., died Oct. 12 at San Juan Regional Medical Center.

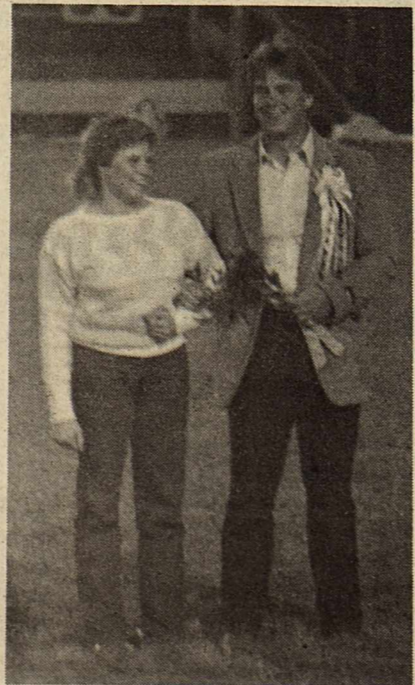

Funeral services were Oct. 16 at Cope Memorial Chapel in Farmington with Evangelist Ross F. Hinshaw officiating. Burial was in Memory Gardens Cemetery.

She was born Sept. 2, 1893, in Hillsboro. She married Sam R. Merchant Oct. 8, 1916, in Haskell. They celebrated their 70th wedding anniversary this year.

After living in Haskell for two years and in Clayton, N.M., 16 years, they moved to Farmington in 1934 and continued to live in that area since.

Survivors include her husband, three daughters, a son, 13 grandchildren, 24 great-grandchildren, seven step-great-grandchildren, three great-great-grandchildren and a brother.

Among other survivors are four cousins in Haskell, Glen, Gladys and Alma Merchant and Ray Holcomb.

**POWDER PUFF KING**

Joey Thomas was crowned king at the powder puff football game Saturday night. He was escorted by Shanna Mueller.

# Indians to close season

Haskell hopes to put a little glitter on a disappointing season Friday night when the Indians host the district champion Anson Tigers in the final football game of the 1986 season.

Anson enters the regular season finale with a perfect 4-0 district slate and a 6-3 season record.

Haskell's district record is 1-3 and the season mark is 2-6-1.

The Indians would like nothing more than to score a victory over the champs, while the Tigers will be going all out to keep their 7-AA record unblemished.

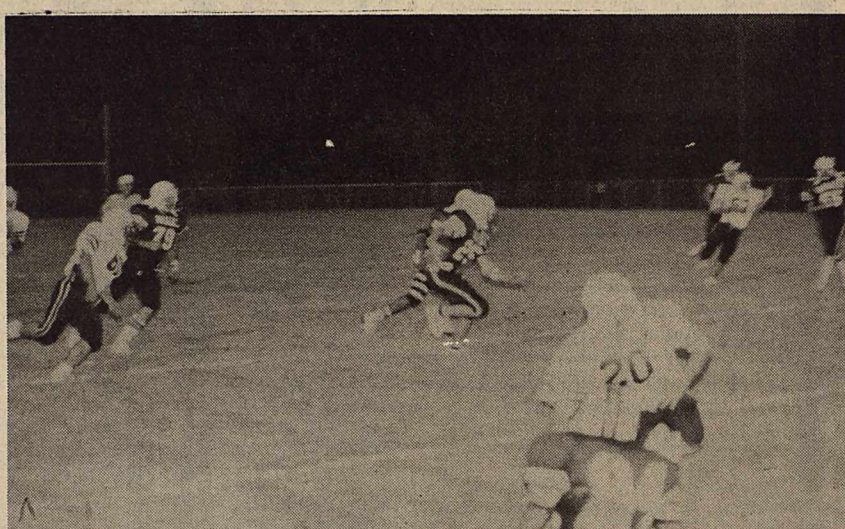

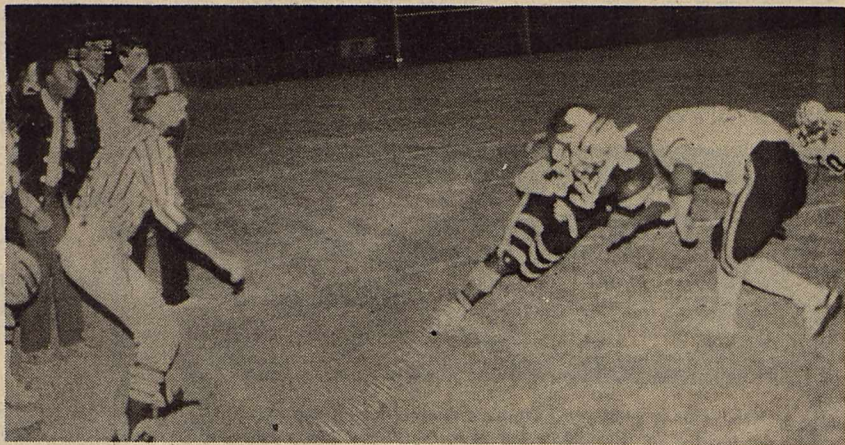

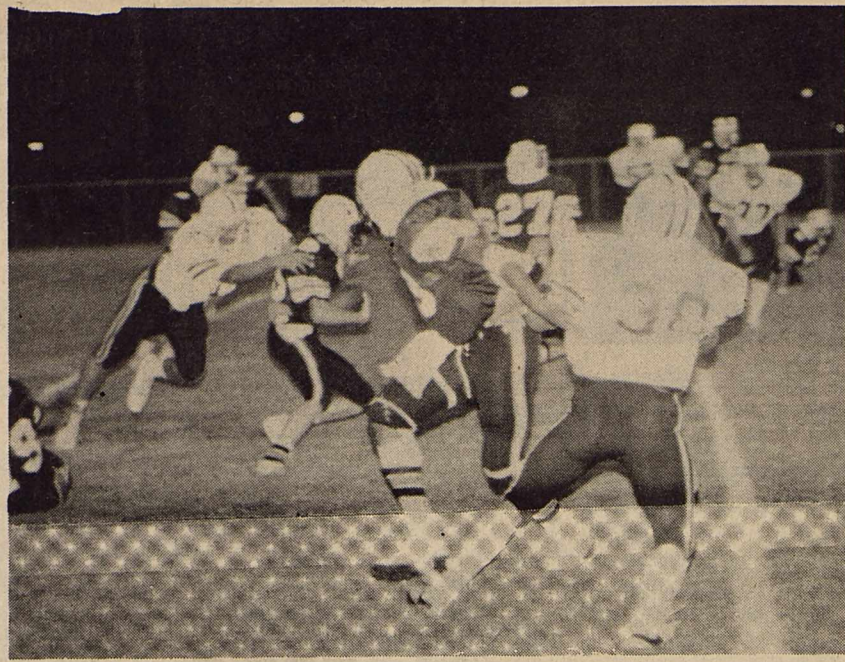

Last week, Anson won its fourth straight with a 28-16 victory over Albany, while the Indians were bowing to Hawley, 6-0.

Nevertheless, the game promises to be a close one. Two of Haskell's three district losses were by a total of 6 points. One of Anson's four victories was by one point over Hamlin, a team the Indians defeated by 15 points.

And Haskell has proven that it can play with anyone. Victories over Quannah and Hamlin were the high-water marks in a season which has had its ups and downs.

It will be the final game for seven Indian seniors, Johnny Castillo, Steven Rodriguez, Joel Torres, Joey Thomas, Jeff Neal, Edward Nava and Andy Griffith.

Kickoff is at 7:30.

# Boosters to continue meetings

The Indian Booster Club will continue its weekly Monday night meetings even though this week ends the football season. The club will be actively supporting the basketball teams through the season. All Indian boosters are urged to be present at these meetings which are at 7 p.m. on Mondays in the Ag Building.

A new project has been undertaken to place pictures of basketball team members in businesses around town to promote interest and to support the players.

A drawing for \$50 will be held at Friday night's football game against Anson. All persons who bought memberships in the Booster Club will have their names in a hat. The winner's name will be drawn during halftime by Dan Griffith, club president.

Another special feature of Friday's game will be the introduction of senior team members and the senior cheerleader and their parents just before kickoff. Senior players include Johnny Castillo, Steven Rodriguez, Joel Torres, Joey Thomas, Edward Nava, Andy Griffith and Jeff Neal. Senior cheerleader is Mindy Smith. Boosters gave special thanks to the twirlers and others who helped decorate the field house Friday afternoon.

# JV's take on Anson tonight

The 0-4 JV Indians look for their first win of the season tonight as they travel to Anson to take on the Tigers in their last district game.

The Indians played the Hawley Bearcats last week with only 13 players.

"They played their best game of the year," Coach Cody Moree said. "Because of the lack of players they had to play positions they're not used to playing, but each one gave 100 percent."

The Indians moved the ball down the field but costly fumble and mistakes kept the Indians out of the end zone. The Bearcats defeated the Indians, 6-2.

"If a most valuable player award were given, then I would have to give it to these 13 players because of their determination and their willingness not to give up," Moree said.

# 8th graders defeat Hawley

By Joey Swinney

The eighth-grade Warriors defeated the Hawley Bearcats, 20-6, last Thursday. This was their second win of the season.

"The Warriors played their best game of the season, Coach Cody Moree said. "One of the outstanding players on offense was Johnnie Billington. Chad Gibson did a good job on defense, while second team players Cole Calloway and Heath Green did a fine job."

The Warriors will play the Anson Tigers today (Thursday) to wrap up their season.

# 7th graders to play Anson

By Kevin Mitchell

The seventh-grade Warriors will travel to Anson Thursday night to finish out their season.

The Warriors traveled to Hawley last week but were defeated, 14-6.

"The team is still improving on their tackling and blocking," said Coach George Martin. "Coach Atchison and I were both thrilled about the improvement on the kicking game."

Due to injuries, Steven Crain and Jimmy Johnston were both out of the game last week. Crain stepped on a nail and Johnston was sick. Because of this, Jeremy Jordon was moved to end, and Tony Coleman was moved to tackle.

# Six-man teams

Weinert plays at Lueders-Avoca, Rochester hosts Goree and Rule meets Benjamin in a homecoming tilt in county six-man action Friday. Paint Creek has an open date.

Last Friday, Paint Creek defeated Woodson, 64-43; Rochester defeated Benjamin, 56-21; and Weinert won over Rule, 57-30.

# Hawley blanks Indians, 6-0

Hawley went 9 yards for a touchdown after recovering a Haskell fumble to break up a scoreless contest and then hung on to paste a 6-0 defeat on the Haskell Indians Friday night.

It was the third consecutive district 7-AA loss for the Indians and eliminated them from any chance at the state playoffs.

The game's only touchdown came on the first play of the final quarter when the Bearcats' Wesley Greenway bolted over from 2 yards out. It came three plays after Hawley had pounced on an errant Indian pitchout at the 9.

For the second week in a row, the Indian offense was stopped. And for the second week in a row, an opposing back enjoyed a big night against Haskell. This time it was the Bearcats' Kevin Sullivan who chalked up 155 yards rushing in 19 carries. Greenway was no slouch either, as he added 72 yards in 17 stabs. All told Hawley rushed for 212 yards and added 29 more through the air.

Haskell countered with a mere 60 yards on the ground and 59 yards in passing, 56 of the aerial yards coming on a completion from Parick Perez to Johnny Castillo in the final minute of play, which unfortunately, ended in a lost fumble.

The Indians' only serious threat came early in the second quarter. After a 55-yard punt by Joel Torres had rolled out of bounds at the Bearcat 3, Hawley moved to the 15 where Char Guess recovered Greenway's fumble. But the Indians were unable to take advantage of the break. They surrendered the ball on downs at the 25 four plays later.

Haskell was to cross midfield only once after that, getting possession at the Bearcat 46 on a fumble recovery early in the fourth period. Four running plays left the Indians a half yard short of a first down at the 36.

Hawley threatened to score another touchdown late in the game when Kent Cribbs intercepted a Mark Young pass at midfield and returned it to the Indian 20. But Haskell's defense held at the 13.

From here, the Indians pulled off their most explosive play of the night. After a 7-yard loss on an attempted reverse and an incomplete pass left the Indians at their own 6 with exactly a minute to go, Perez hit Castillo with a long bomb and the Indian receiver ran all the way to the Hawley 38. After being hit there, he fumbled and the Bearcats' Trent Spencer recovered. The Bearcats then ran out the clock as quarterback Cribbs stepped back and fell on the ball three straight times.

In winning, Hawley brought its district record to 1-3, identical to that of the Indians.

# Community choir being organized

A community choir is being formed in order to present special music for the community Thanksgiving service to be held Nov. 23 at East Side Baptist Church.

Choir rehearsals are being held for all interested singers at 4:30 on Sunday afternoons at East Side.

A nursery will be provided for the young children of participants.

**NOTICE OF PROPOSED REDUCTION IN AT&T's TEXAS RATES**

The Public Utility Commission of the state of Texas has entered orders in two recent cases that would substantially reduce the charges which AT&T pays to the state's local telephone companies and which could allow AT&T to reduce prices for most of AT&T's customers on calls placed within the state of Texas.

The total amount of the reduction to AT&T's customers is expected to be between \$115.3 million and \$120.6 million. This is in addition to the \$19.8 million reduction in AT&T's Texas basic long distance prices that went into effect on March 1, 1986 and is in addition to the approximately \$2 billion in AT&T interstate price reductions that took effect earlier this year.

If the changes are approved, all of AT&T's direct dialed long distance, directory assistance, WATS and 800 service customers would be affected, and would experience a decrease in their prices for these services when calling within the state of Texas. The following tables show the anticipated impact of the changes on AT&T customers by service category:

Class of Service	Approximate Overall % Reduction	Approximate Overall Dollar Reduction (in millions)
Long Distance	9.2	\$ 68.4
Directory Assistance	20.0	1.0
WATS	29.1	29.7
800	19.9	21.5

The rate reductions are presently anticipated to occur in two phases on or about October 22, 1986 and November 12, 1986. The matter has been assigned as Docket Nos. 6926 and 7113. Persons who wish to intervene or otherwise participate in these proceedings should notify the Commission as soon as possible. A request to intervene or participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Blvd., Suite 400N, Austin, Texas 78757. Further information also may be obtained by calling the Public Utility Commission Consumer Affairs Division at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deaf. A complete copy of the tariffs reflecting the potential rate reductions will be on file with the Commission on or before October 23, 1986.

# Most children normal

A common worry among new parents is whether their child is developing normally.

Parents should be reassured that most children are normal and that a wide range of conditions and behavior are considered "normal."

Because no two children are exactly alike, parents cannot accurately judge their child by comparing the youngster with another. But most children go through developmental steps at certain ages, and knowing these can relieve many anxieties for parents.

The Texas Medical Association offers these milestones as a general guide in child developments:

- 1 month: lifts chin off floor.
- 2 months: lifts chest off floor.
- 3 months: reaches for objects but without success.
- 4 months: sits with support.
- 5 months: sits on laps; grasps

small objects.

-6 months: sits in high chair; grasps dangling objects.

-7 months: sits alone.

-8 months: stands with help.

-9 months: stands by holding onto furniture.

-10 months: crawls.

-11 months: walks if led by one hand.

-12 months: pulls up and stands with the help of furniture.

-13 months: climbs up a few stairs.

-14 months: stands alone.

-15 months: walks alone.

-Before third birthday: talks in short sentences.

These time periods for development are broad generalizations. A normal child might well be behind or ahead at any stage.

## Child abuse tops concerns

Child abuse emerged as the issue of most concern to nearly 10,000 Texas women responding to a survey circulated between November 1985 and September 1986 by the Governor's Commission for Women.

Carol Nasworthy, executive director of the commission, said almost 40 percent of those surveyed rated child abuse as one of the most critical of 25 issues important to women.

Preliminary results show the

following rated as the 10 most critical problems confronting women in Texas: child abuse followed by teenage pregnancy, comparable worth, stress, poverty, child support, child care, unemployment, rape, and unequal job opportunities.

"This survey accurately reflects the very high degree of interest women have regarding issues affecting them. The Women's Commission and dedicated women throughout the state have made this

one of the most comprehensive surveys ever conducted concerning women's issues. The results will be incorporated in an interim report and presented to the 70th legislative session. We hope it will make an impact on the Legislature and, in turn, help create positive changes in public and private policies affecting women in Texas," said Nancy Garms, issues coordinator of the project and a member of the Governor's Commission for Women.

The survey is part of a major research study being conducted by the School of Social Work at the University of Texas at Austin, the Lyndon B. Johnson School of Public Affairs, and the Governor's Commission for Women. According to Dr. Martha Williams and Dr. Laura Lein of the University of Texas School of Social Work, and Dr. Susan Hadden of the L.B.J. School of Public Affairs, a second survey now underway and an analysis of 1985 legislation affecting Texas women will also be part of the project. The project will be completed in the summer of 1987.

To date, 9,576 women and 516 men have completed the first survey. All ethnic and racial groups and geographical areas in Texas are represented. The average respondent is a white 41-year-old female with 2.3 children living in an area with a population between 250,000 and 1,000,000. She is employed full-time and has completed two years of college.

Sharon Scott, a graduate student at West Texas State University in Canyon, Texas, performed the statistical analysis for the survey, which was circulated among persons attending conferences and events sponsored by the commission and other women's groups.

### Fire extinguisher best insurance

A home fire extinguisher is the best insurance against the spread of a small kitchen fire into something that could threaten the entire house, says Dr. Peggy Owens, a Texas A&M housing specialist.

According to Owens, a small carbon dioxide extinguisher is ideal for small kitchen fires because it sprays a fog which smothers the fire and evaporates without making a mess.

Next best is one containing a dry chemical, which also will deny grease fires the oxygen needed to burn, but will require cleanup of the spray powder afterward.

Both types of extinguishers are superior to using water or an extinguisher with a water-base agent as the fire-fighting material.

"Spraying or throwing water on grease or electrical appliances is very dangerous," says Owens, "since water causes the grease to spatter and spread."

### Tate graduates

Anthony Dale Tate is one of 114 students to receive degrees during the summer commencement ceremonies Aug. 15 at Abilene Christian University.

Tate received a BSE in Life-Earth Science Education.

He is the son of Mr. and Mrs. Donald Tate of Hermligh.

## Long campaign comes to an end

AUSTIN—As the Nov. 4 general election approached, the final days of the election campaigns were filled with uncertainties, but two innuendos of wrongdoing by state officials were ruled groundless by federal authorities.

The campaign staffs of both Gov. Mark White and former Gov. Bill Clements were cleared in the case involving the office bugging of a top Clements aide. The probe continues.

And an FBI spokesman said it never investigated Lt. Gov. Bill Hobby, Land Commissioner Garry Mauro and other officials in connection with a development venture in Houston, as was alleged in an out-of-state newspaper.

In spite of those rumors-set-right, the last week of campaigning was wild and woolly, especially after one pollster claimed his last poll showed White had caught and passed Clements by three points.

The gubernatorial race is expected to exceed the '82 campaign spending mark.

### Treasury Crunch

Virtually overlooked in the campaign turmoil was an announcement by state treasury officials that they want to borrow \$600 million or more in

Rep. Bob Barton, in his race to unseat Republican incumbent Ann Cooper, collapsed during a televised debate last Wednesday. Barton retook the campaign trail after a brief hospital stay.

Barton, former publisher of the *Onion Creek Free Press*, and other Central Texas newspapers, experienced fluid in his lungs, the probable lingerings of a summer's bout with pneumonia, and began coughing heavily at the podium.

The debate cut to commercial, and Barton, a gentleman in the tough Texas tradition, reluctantly sat down. "Sorry I chickened out on you," he muttered to Cooper before blacking out and collapsing in his chair. He soon recovered enough to walk off the set and medical teams later pronounced him stable.

### Space Age Mining

Texas Land Commissioner Garry Mauro elaborated on a contract to mine West Texas state lands for beryllium, a first in Texas history.

Mauro's office nailed down a contract with Pennsylvania-based Cabot Mining Inc. for a proposed multi-billion dollar industry here.

Beryllium is a rare metal that is especially strong, light and has a high melting point, traits which are useful in space technology.

### Other Highlights

- Texas Agriculture Commissioner Jim Hightower announced that Israeli farm experts will help Laredo Junior College students use drip irrigation and other arid land techniques on nearby acreage. The team which helps restore the Israeli desert will begin a four-month evaluation later this year.

- Fugitive fundamentalist pastor W. N. Otwell, who has refused to license his church-run boys home turned up in California where he led prayers for the divine defeat of White and Attorney General Jim Mattox.

- San Antonio Mayor Henry Cisneros hit the campaign trail heavy with Mark White, making a big hit himself across the state. Party insiders say his impact was enough to rate him among top contenders for the Governor's Mansion in 1990.

- A Lubbock legislator is at odds with the City of Austin over possible foreclosure on five properties there. Republican state Rep. Nolan Robnett accused the city of abusing its annexation authority.

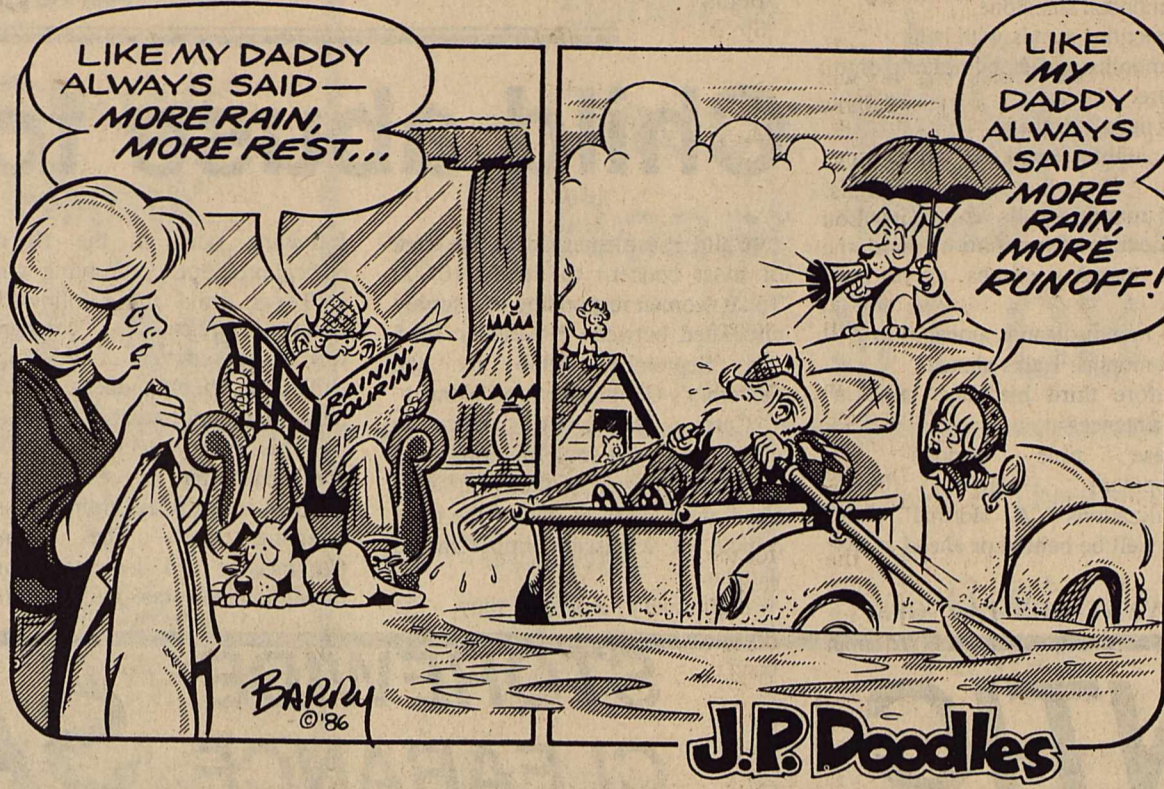

## Mosquito most dangerous animal

What is man's most deadly enemy in the wildlife world?

It's not the lion nor the polar bear.

According to National Wildlife magazine, mosquitoes may be man's deadliest foe. They deploy parasites that cause malaria and kill one million people a year in Africa alone.

They are also responsible for high death rates in India, Pakistan, Asia, Central America and the Caribbean islands.

## —From Out of the Past—

From the Files of The Haskell Free Press

### 30 Years Ago Nov. 8, 1956

More than 125 Haskell merchants are going to be asked to shell out the shekels today and tomorrow to finance the annual Haskell Christmas program.

An open house and memorial service will be the Veteran's Day activities of Rogers Cox Post 221 of the American Legion Saturday.

President Dwight D. Eisenhower was swept into office for a second term Tuesday with an avalanche of votes even greater than his first victory over his Democratic opponent, Adlai Stevenson. Haskell County voters however gave the Democratic nominee a two and a half to one majority.

A two-day celebration Friday and Saturday will mark the 50th anniversary of the founding of the city of Rochester, and plans have been made to welcome and entertain hundreds of visitors expected during the weekend.

Mr. and Mrs. C. L. White of Haskell are visiting their son and family, Mr. and Mrs. Bill White of Russell, Kans.

County superintendent Miss Jessie Vick will speak on legislation when members of the Haskell unit of AAUW meet Tuesday in the home of Mrs. R. C. Couch Sr.

### 50 Years Ago Nov. 5, 1936

Bruce T. Clift, well known Haskell resident and former barbershop proprietor, has been appointed Justice of the Peace to succeed R. H. Davis who resigned Nov. 1.

A new business concern, Haskell Implement Co., was announced here this week by Bill Richey and J. H. Strain. They have purchased the Farmall House formerly operated by Jones Cox and Co. and will handle Farmall tractors and International Harvester line of farm implements and equipment.

Mr. and Mrs. Guy Butler of Albuquerque, N.M. were visitors over the weekend in the home of Mr. and Mrs. Guy Collins.

Wallace Stark, a student at Texas Tech, spent the weekend here with his parents.

Mrs. John Fouts spent a part of last week in Lubbock visiting her son, George William, who is attending Texas Tech.

Jason W. Smith and Henry Atkinson of this city and Bart Fleming of Stamford have returned from a deer hunting trip to New Mexico.

J. F. Kennedy and Roy Ratliff made a business trip to Lamesa Wednesday.

Using a key made from a spoon, a prisoner in the county jail manipulated the locks on four doors and made his escape Saturday afternoon. Other prisoners in the jail who could have escaped revealed the break to officers.

### 60 Years Ago Nov. 4, 1926

The City Council has announced that lights will be installed in all alleys in the business section.

Construction was started this week on the disposal plant for the new sewer system here. The plant will be completed by the time seven miles of new sewer line is installed, the contractor said.

The foundation is being laid for the new City Hall building on East Walton Street, and material is being placed on the ground for the two story

building.

A Rule negro, Herman Douglass, was jailed here Tuesday morning charged with the killing of another negro in Rule Monday night. Officers investigating the killing said the slain man was a newcomer in Rule and was only known as "Stick Horse."

Mr. and Mrs. Buford Long of Wichita Falls spent last weekend with relatives here.

Opening of the Myers School for the current school year was postponed a week until Nov. 8, because of the unusually large cotton crop farmers are harvesting in that section. Miss Eula Mae Gibson of Sagerton and Miss Alma Sprowls of Haskell will teach the school.

During a rainstorm Saturday night, lightning struck the home of Mr. and Mrs. L. H. Helm in the Vernon community. No one in the house was injured, although the bolt caused considerable damage to the roof.

### 80 Years Ago Nov. 3, 1906

Gus Gruesendorf was in town Tuesday and stated that he had out 17 bales of cotton and believed that he would have about 30 more. He stated he had a force which was gathering 2,000 pounds of cotton daily.

J. J. Stein is having two tenant houses built on his farm south of town.

Several couples of Haskell young people visited at Rule last Sunday.

## -Letters to the Editor-

Editor: The fifth Country Dinner Theater, sponsored by the Haskell Chamber of Commerce, provided an evening of home-cooked food, audience participation and the talents of members of the Board of Directors as the entertainment.

The annual event, plus the Chamber spring banquet and membership dues, provide the needed funds to have a Chamber of Commerce operating in Haskell. In supplementing the income through these two benefits, higher dues are not required of members.

We are grateful to the people who came and hope they enjoyed this community gathering. We thank Glenn Sammons for the school desks used on stage and Ford Cole for loaning us his electric piano; Carolyn Everett and Ellen Reiger's leadership talents resulted in a good sing-along; Dusty Garrison's petition for divine guidance in his invocation was made in behalf of all of us.

The wives and husbands of the board members did most of the cooking and preparation of the meal and we especially appreciate Gayle Bitner, Molly Brandon, Bud Comedy, Melissa Greenwood, Roberta High, Leon Jones, Peggy Lane, Lois Richardson, Sonny Reynolds, Betty Roewe, Darrell Smith, Leisa Toliver and Ruby Turner. Ruby also starred as the teacher in the play and Peggy served as prompter.

What would we be do without the Chamber of Commerce Welcoming Committee? They sold tickets, served food and helped with the setup and dismantling. They are the Chamber's official greeters and had also been present this past week for the dedication of the new streets. Haskell can be proud of those guys and gals in the red vests who represent us all so well.

The Chamber Board of Directors proved to be fairly good actors and

Among them were Will Brewer and Hazel Hudson, Arthur Brewer and Annie Ellis, T. C. Cahill and Arney Houston, Ollie Henderson and Vera Neathery.

J. U. Fields and Henry Alexander made a business trip to Seymour the early part of the week.

The Farmers National Bank has moved into its handsome new building at the northeast corner of the square. All furniture and fixtures is new, including one of the strongest vaults possible to design, completely fireproof. R. C. Montgomery is cashier and general manager of the bank.

A Houston real estate concern is investigating the possibility of securing sufficient farm land in Haskell County for the establishment of a German and Swede colony.

Alexander Mercantile Co. has moved their dry goods into their new stone building on the southwest corner of the square.

Simmons Livery Stable has added a new Wagonette transfer which meets all trains coming into and leaving Haskell. It can conveniently accommodate 10 passengers in addition to their baggage.

R. A. Lackey of the south side was in town Wednesday. He says farmers in his section are making good headway in gathering a bumper cotton crop.

actresses in the play and are to be commended for their efforts depicting five-year-olds in a kindergarten class. We also want to thank the children who came to dress rehearsal as role-models and showed us how it should be done.

Our thanks to Bob Dulaney and Donnie Reiger who video-taped the rehearsal and the actual performance.

The Chamber makes every effort to bring people into town for such activities to show our community spirit and to add to our town's economy. We feel that the more events staged by the populace of Haskell, the more retail trade and other businesses will benefit as attention is called to our town. It is also hoped that it will help entice visitors to want to move here.

Bill Comedy  
President  
Chamber of Commerce

## Band

Editor: I've been wanting to write this letter for a while now.

What has happened to the pride in our Haskell High School?

I have been so embarrassed, ashamed and very surprised at what our band director lets our high school band do and wear to the games. I understand Friday night at the game, wearing spook costumes, but to get out on the field without the instruments and dance or whatever it is they did! I'm appalled!

I have not been out of school a long time, but I can promise you our band director, Mr. Gideon, never let us act anything like they do now. He was very, very strict. He expected a lot, we worked for hours each week at night and day, we practiced and

## plain talk

BY WENDELL FAUGHT

(Filling in this week on a subject which may be of interest to many is Rosemary Neff of the State Department of Highways and Public Transportation.)

How long has it been since you cruised with Tod and Buz, sharing their adventures along Route 66?

Just the name of the fabled route conjures an image of that familiar highway shield—the ultimate symbol of modern wanderlust, winding "up through Missouri, down to St. Louis, Oklahoma City"...and Texas.

Twenty-odd years ago, Route 66 was also a ticket to video adventure. Between commercials, you could become George Maharis or...who was that other guy? The wind would slice your Brylcreemed hair as you soared in that cool convertible Corvette, living for an hour each week the life of a blacktop nomad.

Like the old TV show, US 66 is history now. But you can relive your Route 66 travels—real or imagined—with the help of your own, authentic highway marker.

The 277 signs that once marked Route 66 in Texas will go up for public auction Nov. 11 and 22 in Austin. Mail-in bids will be accepted if they are received by Nov. 14.

Last year, the last Route 66 sign in Texas came down, as the conversion of the old highway to Interstate 409 was completed. At one time, 177 miles of Route 66 ran through the Texas Panhandle, crossing seven counties.

The signs, which have been in storage, are being cleaned and readied for sale. Preparation includes placing a label on each sign, to certify it as a genuine artifact.

Included in the auction are 99 two-foot-square aluminum signs, 153 two-foot-square steel signs, 24 three-foot aluminum shields and one 30-inch aluminum shield.

The signs will be sold as part of the general auction of surplus state goods at Austin's City Coliseum. They are scheduled to be on the auction block on Nov. 22, the second day of the sale.

Would-be sign owners who can't make the sale in person should send their bids to IIT Auction Services, Attention Joel Harjes, 12900 Preston Road, Dallas, TX 75230. The bid should state the size sign desired, with the bidder's name, full return address and telephone number. No money should be included with the bid. Successful bidders will be billed, and must pay applicable sales tax and \$3 packaging cost per sign.

In Oklahoma, a similar sale about a year ago netted between \$40 and \$80 per sign. The initial sign sold, with special documentation as the first, drew \$370.

Not a bad investment, say collectors and nostalgia buffs, for an item of genuine Americana, a tangible token of your youth.

With such a sign hanging in the den, you might, in time, remember that the other guy (how quickly we forget) was Martin Milner.

## Vending food usually safe

Food from a vending machine may not be a gourmet treat, but it is usually safe.

Food safety expert Marilyn Haggard of Texas A&M says stews, soups, lasagna and other canned foods are safe to eat even at room temperature, unless the cans are rusted, dented or building.

"If the can is damaged, don't even taste the food," she cautions.

When canned entrees come out of the vending machine hot, the machine is working properly, she says. Cold foods, such as ham salad, egg or tuna sandwiches, should be cold to be safe, she added.

## LEARN CPR, PLEASE.

American Red Cross

**STATE CAPITAL**

**HIGHLIGHTS**  
By Lyndell Williams  
TEXAS PRESS ASSOCIATION

November to avoid bouncing state checks.

In other words, the \$872 million tax bill passed in special session last month won't be enough to keep the state out of the red ink in 1987, they think.

The plan is to borrow the shortfall on a short term using cash management notes which by law would be paid back by Aug. 31, 1987.

### Bullock Says No

First, it must be approved by the Cash Management Note Committee composed of White, Hobby, Speaker Gib Lewis, Treasurer Ann Richards, and Comptroller Bob Bullock.

Richards is expected to seek approval this week, but Bullock so far thinks such state borrowing is unnecessary. No other committee member has publicly committed to the plan, but the panel is due to convene soon after the election.

Texas legislators will be keeping their eyes on that meeting, since many thought they were solving the fiscal crunch last month with the tax bill that so bloodied the House and Senate.

# Ten 4-H members ready for contests

Ten Haskell County 4-H members are making final preparations for the Rolling Plains District 4-H Food Show. It will be held Saturday at the Sikes Senter Mall in Wichita Falls.

Competing in the show will be Andrea Bridwell, Jessica Bridwell and Kim Gilly, Emily SoRelle and Heather Stewart of Haskell; Faye Mullino, Janet Quade and Jennifer Shaver of Rochester; Christy Mathis of Rule; and Jennifer Swoyer of Sagerton.

Entrants from 21 counties will compete in senior, intermediate and junior divisions. Each division has four food classes: main dish, fruits and vegetables, breads and cereals, and snacks and desserts. Contestants in the district event are all winners of their county food shows. Senior

division winners in each category will advance to the State 4-H Food Show next June in College Station.

Special beef awards will be given by the Wichita Falls Area Cowbells.

County Extension Agents Lou Gilly and Max Stapleton said the contestants will report to the shopping center in Wichita Falls at 9:30 a.m. Saturday. Judging will begin at 10 a.m.

The dishes will be on display in the mall during the afternoon and the public is invited to view them. Ribbons and trophies will be presented during an awards ceremony at 2 p.m.

Cookbooks containing all the recipes prepared in the district show will be on sale at the competition for \$4, said Debra Price, Hardeman

County extension agent/home economics, who is chairman of the District Show Committee. Also on the committee are extension home economics agents Shirley Long, LaKenna Simpson, Beth Dannheim, Bethann Oswald and Martha Alice Sprabery.

## Letters

Continued from Page 2

practiced until we got it right or we didn't get to leave.

We had a Sweepstakes Band several years in a row. Besides a lot of work, we had a lot of fun too. We got to go places and were known around by a lot of schools. All the other bands would try to get a better rating than we did. We were the best. We were very, very proud. Our band had lots of Indian Pride. It is so sad for the exes to see how the band does now.

The bottom line is the band will do what is expected of them by the band director.

Take Pride, Indian Pride.  
Ex Band Member

## Commodities to be given next Thursday

Surplus commodities will be distributed in Haskell next Thursday, Nov. 13.

Distribution will be at the Experienced Citizens Center. Recipients 60 and older will be served from 8 to 9 a.m. and others between 9 and 10 a.m.

Rule residents will receive commodities between 9 and 10 a.m. on the same day at the Church of Christ.

In Sagerton, commodities will be distributed between 10 and 11 a.m. Wednesday, Nov. 12, at Faith Lutheran Church.

Each person must present identification before receiving commodities.

## Visitor

Dr. Luther B. Clegg, professor of education at TCU, visited in Haskell last Thursday. He is writing a book on rural schools. He talked with Mrs. Sam Herren, Mrs. Norman Nanny and Fred Brown.

# Most Wanted 'Brazen' fugitive sought

Webster's Dictionary defines "brazen" as being "contemptuous boldness."

Under this definition, brazen should become Len Carson Matthews' middle name.

After all, who would have the brazenness to break into a police department to steal back some stolen property that had just been confiscated from him?

The Eagle Lake Police Department says Len Carson Matthews would.

And who would have the brazenness to sell someone a stolen television set, then break into the home of the "customer" to steal it back.

And who would bolt out the door of a jail when the jailers became distracted?

The Eagle Lake Police Department says Len Carson Matthews would.

All of which means that it should be no surprise that Matthews has been added to the Texas Most Wanted list.

Matthews, 33, is wanted on warrants in Eagle Lake charging him with a burglary of a habitation and burglary of a building and felony escape. The warrants stem back to a series of break-ins that occurred in 1984 in the Eagle Lake area.

Investigators say that items such as television sets and air conditioners were taken in the burglaries. What made the rash of break-ins so unique, however, was that some of the items that were stolen had been reported in earlier burglaries.

Apparently the offender was selling the stolen property to other residents in Eagle Lake, then breaking in to their homes and re-stealing the property—a sort of Ponzi Scheme for television sets.

Being in trouble with the law is not new for Matthews. He was sent

to prison in the early 1980s on some other burglary charges. One of those charges related to a break-in at the Eagle Lake Police Department's property and evidence room. Matthews became a suspect in the case when investigators noted that almost all the items that were taken in the burglary had been confiscated from him earlier.

Matthews was arrested in January 1984 on the burglary warrants. However, he didn't stay behind bars very long. On Jan. 13, he bolted out of the jailhouse door when his guards became distracted. Officers have not been able to catch up to him since.

Matthews is described as a black male, 6-4, over 200 pounds, with

receding black hair and brown eyes. He usually wears a beard and mustache. Investigators say that Matthews has claimed he will resist any efforts to capture him.

A reward of up to \$1,000 is being offered for information leading to his capture. Anyone with information concerning his whereabouts is asked to call toll free 1-800-252-8477. Callers do not have to reveal their identities to be eligible for the award.

## Short memories

Most butterflies have short memories.

According to International Wildlife magazine, a scientist at the University of Colorado found that butterflies feed repeatedly from the same flower species because it takes too long to learn their way around new ones.

If they venture to a new flower, then return to the old one, they must re-learn the path to the nectar.

# Keep the cold out!

Up to 40% of a home's total heating and cooling bill can be a result of air infiltration. Air infiltration is simply the uncontrolled movement of air into or out of your home. You can help keep the cold out this winter by taking a few simple conservation measures now.

### Weatherstripping

As much cold air can enter your home through a 1/16" crack along the sides and top of a typical doorway as through a 4" x 4" hole in the wall. Help keep the cold out by replacing worn weatherstripping around all doors and windows.

### Caulking

Caulking in the cracks around door facings, windows, pipes and wiring will also help prevent air infiltration into your home. Polyurethane or similar caulking is available in an easy-to-install form at most hardware stores.

You can also help draft-proof your home by installing gaskets behind the cover plates of outlets and switches around your home. (Don't forget to turn the power off before removing the switch plates.)

For more information on the prevention of air infiltration this winter, call your local WTU office.
