YOUR HOME PAPER

SIXTH YEAR, NO 16

KERRVILLE TEXAS, THURSDAY, JAN. 31, 1918

\$1.50 A YEAR

Center Point Letter

Regular Correspondence:

Mr. and Mrs. L. N. Coffey of Bandera visited friends and relatives here for several days.

Mr. J. F. Davenport and daughter Miss Josephine of Elm Pass passed thru here en route to Kerrville last Saturday.

Mr. and Mrs. Wm. Stanley of Houston are here on a visit to Mr. Stanley's mother and sister.

K. G. Baker and Robt. Bennett of Kerrville attended to business in our city last week.

Mr. Beard of Camp Stanley spent Sunday here. I wonder what the attraction is?

The farmers of this community called together by County Demonstrator Baker, held a mass meeting at Crotty's Hall Saturday for the purpose of purchasing feedstuff and seed. Mr. Baker made an interesting talk on the possibilities of obtaining feed and seed at a lower price than the merchants can sell it to them. They agreed to all go in together and have a car of feed and seed sent to Center Point.

Oliver Stanley who is employed in San Antonio spent Sunday and Monday with home folks.

Mrs. Dr. Jones and son of Comfort visited relatives here Saturday.

Maurice Hood spent Sunday with his parents.

Mr. and Mrs. Will Limberger made a business trip to Kerrville last week.

Mr. E. E. Vallier and son Bill and Milton Surber made a flying trip to Kerrville Saturday.

It seems to be thefad nowadays to have the measles, mumps or grippe but I don't think it is a fad that is enjoyed.

Work of the Civic League.

The Civic League held its regular meeting on Jan. 26, in the Business Men's Club Rooms. Mrs. Newman the League president, tendered her resignation, which was not accepted in view of the fact that her work for the League has been most excellent and her services too valuable to be dispensed with. The various committees were directed to continue their work for the city, as far as possible present under conditions.

The Civic League then voted to donate a part of their funds, \$25.00, to the Junior Red Cross of this county and furthermore, to buy \$100 worth of Thrift Stamps, dividing the expenditure of this sum equally between the Camp Fire Girls and the Boy Scouts.

The next meeting of the League will be held Saturday Feb. 9, at 3 p. m. at the Club Rooms.

Tilford Bean, Sr.

Tilford Bean, Sr. died at the home of his son at Lampasas on last Thursday, aged 79 years. He was sick only a few days from pneumonia. His daughters, Mrs. L. A. Mosty and Mrs. T. B. Hamlyn, and two grand daughters, Misses Polly Hamlyn and Ruth Mosty, attended the funeral which was held on Friday at Lampasas. Mr. Bean was well known here and at Center Point where he has spent considerable time visiting at both places. He was an old and highly respected citizen of Lampasas where he has resided for 45 years.

THRIFT STAMPS AND WAR SAVINGS

Junior Citizens League--Something Doing Every Minute--Boy Scouts and Camp Fire Girls Contest.

THRIFT ESSAY COMPETITION TWENTY-TWO PRIZES

The Sunday Express quotes from the Daily Oklahoman:

"The twenty-five-cent thrift stamp may sound petty in this day of millions, but it is likely to become the most important and dependable money maneuver in the whole campaign of war finance. Certainly the democracy of the plan is all inclusive. It includes everybody, from the youngster in the pride of his first job to the busiest captain of big business."

That is all so, and that is why we like it and want every one in Kerr County to know how the thrift campaign will help win the war and win better citizenship. This story tells how everyone is going to help in this work:

THRIFT WEEK

Next week, beginning February fourth, has been set apart as National Thrift week. To celebrate it Mr. J. L. Pampell invites you to a free picture show, Monday evening at 8 o'clock at Pampell's Opera House. Instead of a ticket you will buy at the window a 25c Thrift stamp, for YOURSELF, and enjoy a good show free.

SALES STATIONS

Tuesday and Saturday of next week the Women's Committee will have sales stations in all public places and supply stamps in all denominations.

Boy Scouts and Campfire Girls Thrift Campaign Competition

Beginning Monday, February 4th, Teams, representing the Boy Scouts and the Camp Fire Girls, will begin a competition selling Thrift Stamps and War Saving Certificates. The contest is to continue until May 1st and the side which wins will be given a handsome silver cup to be kept as a trophy, with this engraving, "Awarded to, (Boy Scouts or Camp Fire Girls) in Thrift Campaign Competition, War Savings, 1918, Presented by L. A. Schreiner.

In addition Mr. E. H. Prescott will give a five dollar War-Savings certificate to the Scout and the Camp Fire girl selling the largest amount of stamps.

THRIFT ESSAY CONTEST

Mr. Louis Lipsitz, State Director, War Savings Committee, has offered a prize of one hundred dollars in Certificates to the child in school in Texas who writes the best Essay on Thrift. The essay is to be on the benefits of thrift and why we should buy the Thrift Stamps. The writers may find out about it in every way they can, but each one must do his own writing and put a pledge, with his name and age, in his own handwriting, on his composition, that he has not had help from any one in the composition. In five hundred words, or less, and must be sent to the county Chairman, Mr. E. H. Prescott, Kerrville, Texas, by March 15th. He will have a committee select the best one from the county and send it to Mr. Lipsitz and he will award the hundred dollar prize by the 15th of April. But that is not all. The County Committee will give a five dollar Certificate to the one writing the best essay, three dollars in Thrift Stamps to the second best and two dollars in Thrift Stamps to the third best.

Also, to the schools that do not have a winner of one of these first prizes, they will give one dollar in Thrift stamps to the writer of the best essay in the school. Some one in every school will win something and may win the big prize. Jump in and try.

War Savings Committee.

Red Cross Column

(By Mrs. J. W. Burney)

In such an emergency as this country is now facing, all are called upon to suffer and to make sacrifices. If all would do so willingly and cheerfully the burden would fall less heavily upon any. Our fighting men have given their services to their country at the hazard of their lives; we who remain at home can do no less than give of our time and labor and of whatever we possess to back them up and sustain them in every way possible. In order to do so we must, make sacrifices. That is the only way in which we can maintain our loyal stand in support of the cause in which our country is engaged and by which she must conquer or fall. It is not enough that we merely profess loyalty; we must prove it in the only way by which it can be proven.

To give relative of American soldiers details of casualties at the front the American Red Cross has organized at National Headquarters a Bureau of Communication. This bureau supplements in a personal and humanitarian way the reports of the Statistical Division of the War Department, which gives to relatives official notice when a soldier is reported killed, wounded or missing. The anxiety which naturally results from the official report to relatives that a soldier is "wounded" or "missing" will as far as possible be dispelled by the bureau which will advise in detail the nature and extent of the wound, and will gather evidence from comrades in arms and at the hospitals and rest camps regarding those reported "missing." Any information of interest or consolation to relatives thus obtained will be transmitted to them through personal letters, while messages from the wounded will be conveyed to them through the same agency. The American Red Cross Committee in Berne sends each American prisoner every two weeks three ten-pound food packages. These subsistent stores are provided by the Government and the American Red Cross. A sufficient quantity of supplies is now on the way to Switzerland to care for 10,000 American prisoners for a period of six months. This bureau is also the sole agency licensed by the War Trade Board to transmit money to American and Allied prisoners in Germany.

From recent and definite information recently received from Division Headquarters, we know that all workers on the Surgical Supply Classes are required to wear the white coat, or head dress. The chairman of each Circle and the chairman in charge of the Surgical Dressings may wear the blue coat. The blue is the blue of the flag. Girls under eighteen may not wear the Red Cross on the coat.

The ladies of the Methodist Circle finished six hospital garments last week. Mrs. Comparette, chairman of the Circle, and Miss Alice Starkey were at the machines all day. Those at work during the afternoon were: Mesdames W. A. Coleman, Horn, W. Y. Knight, Watters, and the Misses Shelburne and Gowan.

The ladies at work on the 23rd with Mrs. L. E. King as chairman were: Mesdames E. E. Palmer, Roberts, Wheelless, Christian, Geddie, Holdsworth, Bunbury, L. A. Schreiner and the Misses S. Huntington, F. Huntington, Johnston and Galbraith.

Saturday afternoon the Red Cross Hall was literally full of enthusiastic young girls at work on the Surgical Supplies under the able leadership of Mrs. J. L. Pampell. The following is a list of those present: Anna N. Thorburn, Margaret Everheart, Mary Mosel, Margaret Thorburn, Ethelra Frailey, Bessie Grinstead, Ruth Garrett, Theresa Everheart, Helen Mosel, Verne Bulwer, Dorothy Taquard, Marguerite Henke, Minnie Deitert, Octavia DeHymel, Mae Carpenter, May Belle Roberts, Norma Walther, Mildred Saucier, Ethel Williams, Bess Graham, Ethel Moore, Nellie Horn, Ruth Taquard, Mabel Thorburn, Helena Brown, Lydia Raaz, Laura Deitert, Yolande Robinson, Ellen Mason, Mae Louise Schreiner, Dorothy Doyle, Mamie Heinen, Dora Johnston, Lonnie Benson, Laura Henke, Dorris Peterson, Mary Claire Williams, Kate Renschel, Helen Ritchie, Tyler Wilkinson, Lucile Smith and Miss Kemper, and Mesdames Simmons, Gibbons, Felhart, Butler and L. A. Schreiner.

Received for the General Fund, \$1.40.

Those who worked Thursday afternoon at the making of Surgical Dressings were: Mesdames E. E. Palmer, Bunbury, Burton, Nichols, and the Misses Dewees and Taquard. Mrs. L. A. Schreiner was the instructor.

Mrs. Jack Moore, chairman of the Baptist Circle, reports eight members present on Tuesday of last week as follows: Mesdames Emms, Rawson, Staudt, Leavell, Bailey, Jack Moore, Tom Peterson and Miss Jennie Moore.

The Presbyterian and Eastern Star Circle met as usual on Monday. Mrs. Doyle was in charge of the plain sewing and Mrs. A. C. Schreiner Jr., the making of the Surgical Supplies. Mrs. Lee Wallace, Miss Clara Herzog and Mrs. Doyle were at the machines and Mesdames Fisk, Dickey, Schreiner, Butler and Bunbury made surgical dressings.

Mrs. Tom Peterson, who is employed at the A. Scoble Store, has been granted by her employer the pleasure and privilege of meeting with the Baptist Circle on Tuesday of each week.

All citizens of Kerr County who have boys in either the army or navy are requested to send their names and addresses to Mrs. Sid Rees, Executive Secretary, Home Service Section, Kerr County Red Cross.

The following report for the week ending January 29th, was received too late for last week's paper: Seven workers were present at the Catholic Circle on Friday and eleven shirts were completed. Those present were: Mesdames Carpenter, Abbott, Newton, Krueger, G. W. Doyle and Miss Kemper. Mrs. Felice Rodriguez, a member of this band of workers, makes two hospital garments each week.

Fourteen workers were present at Mrs. Boyer's Class last week. They were: Mesdames Ed. Deitert, Wallace, E. E. Palmer, Gold, Simmons, L. A. Schreiner, K. G. Baker, Prescott, Abbott, Holdsworth, W. A. Coleman, Otto Schwethelm, Butler, and Miss Juth Williams.

Thrift Day at Center Point.

The Thrift Stamp campaign will be started at Center Point on next Tuesday night when a big free picture show will be given, the only admittance being that each person will be required to buy a thrift stamp to enter. The picture will be one of the best ever seen in this section, entitled, The Martyrs of the Alamo and Birth of Texas.

Special Features

THE ADVANCE goes back to its old 8-page form this week. We got tired of the little flimsy 4-page sheet and are sure our readers did. The high price of paper was the cause of our adopting it and may force us back to it, but we hope with the splendid news service we are now giving to infuse new life in the paper and gain enough new patronage to justify us in keeping it up.

The War News feature, the fine serial story, "North of Fifty Three," Texas News, Washington News, Stock and farm news, and many other strong features will make the Advance worth a great deal more than the price asked.

All the news about the Army Draft, War Saving Certificates, Red Cross, and everything pertaining to the great war will be given each week. We hope you will appreciate the new service and help us to boost for the Advance. If you are behind with us, this would be a fine time to pay up. Help us in our effort to give you a better paper.

Self-Serving "Patriotism"

Some people who think Mr. Hobby is very patriotic in offering to endorse submission of prohibition to the next Democratic primary forget to figure now long it will take to get a dry Texas under such a program, even if it should be submitted to a vote and carry. If it carries in the primaries, it will then go to the Legislature in 1919 for ratification. The election will then be set for the latter part of next year. After carrying, it would be some time in 1920 before it would likely be put in force. Thus, Mr. Hobby's proposal comes only as the fulfillment of all that is desired by the liquor interests. They know they will be out of business by that time, anyway, by Federal law. Thus our pro friends are being lulled to sleep by a promise that is only a cunning scheme to get votes. The patriotic thing Mr. Hobby should have done would have been to have told that big aggregation of patriots at Dallas that as a patriotic duty as Governor he was going to close up all the saloons in Texas just as soon as he could call the legislature together and immediately help Uncle Sam's soldier boys to win the war. He could have just as well laid down his views on prohibition to do this

as to have asked all pros to support him in the name of patriotism. We appreciate Gov. Hobby for many of his good qualities but we deplore the fact that he would submit to being led into such a self-serving political scheme under the guise of "patriotism" as that Dallas meeting appeared to be.

One point that must not be forgotten in connection with the big get-together-for-Hobby meeting at Dallas last week is the fact that all the big anti-prohibitionists were there and very few leading pros were present. R. M. Johnston, one of the most consistent antis in the State, made it plain that Mr. Hobby is an anti, but that he was perfectly willing for all to withdraw and turn their support to him for the sake of political peace. You note that the antis are always ready to make peace with the pros if the pros will lay down every principle they hold and get out of the way and allow the antis to have all the offices.

S. E. Johnson has announced for Representative of the 87th District to fill the unexpired term of Lieut. Thos. J. Martin, resigned. The election will be held Feb. 15.

KERRVILLE

is the county seat of Kerr County, has a population of about 2000, is situated 40 miles northwesterly from San Antonio, and is the terminus of the Kerrville branch of the S. A. & A. P. railroad. It has two daily trains to and from San Antonio, and daily mail route carrying passengers in autos, to Ingram, Junction, Rock Springs, Harper and other places north and west of Kerrville, and also a daily line to Fredericksburg. From Kerrville to Fredericksburg is 25 miles, to Bandera and Medina City, 25 miles, to Austin, 40 miles, to Rock Springs, 80 miles, Harper 21 miles.

Kerrville has electric lights and a splendid system of water works. The sum of \$20,000 has been spent on the streets and \$100,000 has been spent for road improvements in this precinct.

The elevation at Kerrville is 1,250 feet. The Guadalupe river, which heads 30 miles north of Kerrville, runs through the city. On the east side where the city is located, there are high hills on the river, and on the west side is a fertile and beautiful valley, and mountains surround the city on the east and west. The Guadalupe valley is occupied by thirty farmers and ranchmen, and the mountain regions, among which there is considerable valley, creek and arable land, there are large ranches of cattle, horses, sheep and goats, all of which do well in the Kerrville country. The soil generally is well wooded, principally with live oak, Spanish oak and cedar, and the range is good, and water excellent.

Our farmers grow wheat, oats and all other small grain, cane and alfalfa, cotton and corn, and fruit and vegetables do well. Kerrville is one of the largest wool markets in the state, and large quantities of wool, mohair, cotton, oats, cattle, etc., are shipped from this point.

The climate of the Kerrville country is unsurpassed. The winters are short and generally mild and invigorating owing to the dryness of the climate and the prevalence of sunshine. The summers are cool and delightful, and the mountain air is pure and bracing. Game abounds in the Kerrville country, and fishing in the Guadalupe, especially north of Kerrville, is good. Kerrville and the adjoining towns are popular resorts for health and recreation.

The Kerrville Commercial Club, any of the different Realty Companies or any of our citizens, will be pleased to give prospective residents or visitors further information.
