HATS OFF TO the young FFA and 4H Club members from Bovina who made such a fine account of themselves at the 32nd annual Parmer County Junior Livestock Show.

To say that Bovina youngsters had the best record ever in the county show might be presumptuous, but this writer has personally attended 17 of the last 32 shows, and this was by far their best showing in that time span.

It has not been too many years since Bovina was virtually "bringing up the rear" when it came time for the county show.

This trend has definitely reversed, though, especially since Bovina youngsters led the way with 72 animals in the auction sale, which qualified the top 150 animals. With one-fourth of the total being considered average for any community, Bovina just lacked three animals qualifying exactly one-half of the total.

In the past four years, Bovina youngsters have now won the county steer and sheep titles twice each.

The only title which has eluded Bovina in recent years has been the barrow championship, but Bovina seems to be working on the situation, since 37 of the 92 barrows making the sale were from Bovina, or just over 40 per cent.

Lawrence Widner and Pat Barrett of the local vo-ag department are to be congratulated for their fine work with the youngsters, which is paying off dividends in a big way.

THIS YEAR WAS at least the second year in a row for the all-weather county showbarn to have more than paid for itself. Last year, there were four to six inches of snow on the ground on showday, but the show went off without a hitch.

This year, our particular area missed out on most of the snow which blanketed parts of the region, but still had the cold weather, and thus, the showbarn again was a God-send.

We were telling Jim Russell Monday that we'd bet that at least on 75 per cent of the years, the county show has been held in adverse weather of some sort. It has run the gamut from bitter cold to swirling dust storms.

Last week, for example, the area sweltered under 85-degree sun on Wednesday. But came Thursday, and here was the Arctic cold front which sent temperatures skidding.

NEXT MONDAY WILL feature one of those wonders of astronomy, an eclipse of the sun. It's the last eclipse of the sun that residents of North America will experience this century.

But optometrists and other professionals have been quick to send out their warnings against attempting to watch the eclipse with the naked eye.

It is extremely dangerous to look directly at the sun, doctors warn. Some degree of blindness can be caused by looking at the sun, even if you try to use some sort of filter.

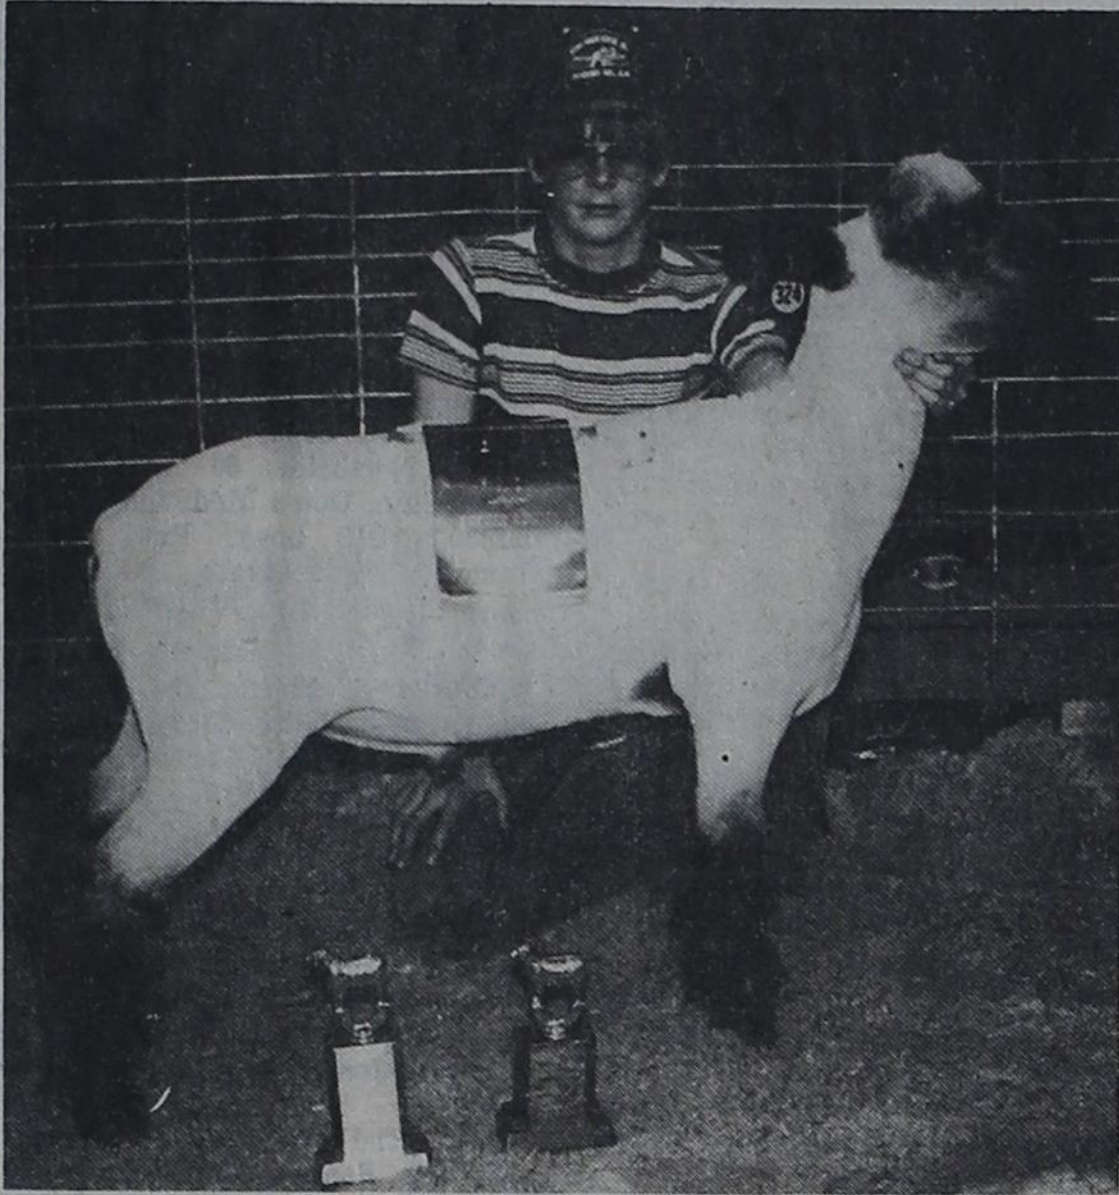

The best way to watch the eclipse is to construct some sort of "shadow box," to project the sun's image. Or, one suggestion is the "pinhole projection" method.

In a darkened room facing south, a small hole in a window shade will cast a pinhole image of the sun on the floor or opposite wall.

WE CONTINUE TO be amazed at the various talent that originates in the Bovina area.

We're not surprised about the talent of Ben McCain, whom we have known since his school days here. Ben's latest achievement is production of a 45 rpm record, which is now available locally (see details in separate story and advertisement).

We know that Mama Rose and Papa Les are proud, as well as Ben's many friends. It's a good record, and we hope to see more in the future.

CHAMP LAMB.....Charlie Trimble poses with his medium wool entry, which was judged Grand Champion at the Parmer County Junior Livestock Show last Friday at Friona. Bovina entrants swept all breed titles in the lamb show except one.

Tractors Help In Emergency Causes

Tractors belonging to the American Agriculture Movement were pressed into service as emergency vehicles in Washington, D.C. on Monday, as the nation's capital was buried underneath 23 inches of new snow.

Ralph Roming, in a telephone report to the Blade, said that the mayor of Washington released 40 of the impounded tractors, and the farmers worked from mid-morning until past midnight clearing parking lots, and giving rides to doctors and nurses to and from hospitals.

In one case, hospital workers were relieved after spending 36 hours on duty.

Roming said he operated his tractor from about 10:30 a.m. until 1 a.m. Tuesday.

"This snowfall may turn out to have been a God-send. The farmers have been given an opportunity to show what kind of people they are, and we have received the thanks of hospital officials and city residents," Roming said.

The Bovina AAM official said that Washington was virtually shut down on Monday by the record snowfall. None of the modes of public transportation could move. Hospital officials were upset because more of the tractors were not released, since they could have been used.

A number of buses were stranded, and farmers on tractors were sent to help solve the problem.

Roming said he felt the farmers' input in the ag committee hearings had been good. The hearings were to have resumed on Tuesday, but due to the weather, congress could not reconvene.

It has been bone-chilling cold the past week, with temperatures dropping to zero. Sunday's high mark was just 13 degrees.

Four Spots Expiring

A total of four spots are up for grabs as the School Board and City Council elections get nearer.

There are two spots open on each of the elections: Rouel Barron and Fred O'Hair on the City Council, and Edwin Lide and Leroy Mayfield on the School Board.

Deadlines for filing are midnight, March 7, 1979 for City Council and 4 p.m., March 7, 1979 for the School Board. Candidates for the City Council may file at City Hall. Candidates for the School Board may file at the Superintendent's Office at Bovina High School, Monday through Friday, 8 a.m. to 12 noon, and 1-4 p.m.

Both elections will be held April 7, 1979.

The Bovina farmer says the people seem to be sympathetic with their problems, but that they can't seem to get to first base with Congress and the USDA.

They play to continue to press their issue, however, as hundreds of members of the AAM remain in Washington.

Services Held For Embree

Funeral services for Warren Embree, 72, a former resident of Bovina, were conducted last Friday in Tahoka.

Embree was a former bank official in Bovina, and was associated with the bank here during its formative stages.

A native of Tuscola, he married Marie Stephenson on June 9, 1927. She died in 1971, and he married Billie White on September 13, 1975.

Embree also was associated with banks in Lubbock, Carrollton, Lockney, Petersburg and Tahoka. He was senior vice president of the Tahoka bank at the time of his death, and had served as mayor while at Petersburg.

Survivors include his wife, two daughters, a stepdaughter, three stepsons, a sister, two brothers, and four grandchildren.

Guilty Verdict

David Allen Barcheers, 28, of Humble City, was convicted of second degree murder in the August 16 slaying of former Bovina resident, Dannie Lynn McKay, 22.

The trial, which was moved to Clovis on a change of venue, concluded after the jury of six men and six women deliberated for about four and one-half hours. The verdict of guilty was read by Judge Rueben Nieves at about 10 p.m. Wednesday, February 14.

Judge Nieves sentenced Barcheers to 15 to 25 years in the New Mexico State Penitentiary, 10 to 20 years on the second degree murder charge, and a five-year firearms enhancement charge.

Judge Nieves set the appeal bond at \$30,000.00.

School To Dismiss Here

School will dismiss in Bovina following Thursday's classes, and be out all of next week.

Classes will resume at the regular time on Monday, March 5.

Bovina Dominates County Stock Show

For the second year in a row, Bovina showmen dominated the Parmer County Junior Livestock Show, setting the pace in qualifying animals for the show's auction sale.

Bovina had the show's Grand Champion Lamb, shown by Charlie Trimble, Reserve Champion Lamb, shown by Charles Falkenburg, and Reserve Champion Steer, shown by Doug Roming. This gave Bovina youngsters three of the show's top six awards.

And Roming caused Herman Boone, judge of the steer show, to take a second and possibly a third look before passing over his 1164-pound Angus steer in the judging for the grand championship. Roming was the only Bovina showman to win a class championship in the steer judging, taking the trophy in the show's "jumbo" division.

For his efforts, Roming also won the showmanship award in the show's steer division. Roming kept alive Bovina's record in the county steer judging, of having won one of the top steer titles for three out of the past four years.

An idea of how well the Bovina showmen did against those from the rest of the county can be seen in the fact that of the 150 animals which qualified for the auction sale, 72, or 48 per cent, were owned by Bovinians.

Friona showmen qualified 32 animals, to place a distant second, Lazbuddie qualified 28, and Farwell 18.

Bovina youngsters virtually took over the sheep show, with 29 of the 40 sale spots—72.5 per cent—going to showmen from this community.

Class championships in the barrow show were won by Dale Turner, who also had the breed champion Yorkshire barrow, Del Ray Sudderth, lightweight Berkshires; Sharlet Johnson, lightweight Chester White; Jody Watts, mediumweight Chester White; Charles Johnson, lightweight Duroc and Jim Rhodes, lightweight Poland China.

In the sheep show, Bovina winners were Charlie Trimble for medium wool light heavyweight, Blake Sudderth in fine wool heavyweight, Laura Widner in fine wool cross, heavyweights, and Mark Teague in Dorsets.

Also, Lupe Salazar in fine wool cross, lightweight, Kathy Falkenberg in medium wool lightweight, Doyle Garner in medium wool, middleweight, and Charlie Trimble in medium wool, heavyweight.

Trimble's lamb was later judged the Grand Champion of the show, and Charles Falkenburg's medium

wool entry, second to Trimble's in breed judging, captured reserve champion honors in the lamb show.

Buyers at Saturday's premium auction sale paid excellent premiums to the young showmen, and the showmen from Bovina were well covered, even though tipping the scale in comparison to the rest of the county.

Trimble's grand champion lamb was bought by Agri-Sprayers for \$6.00 per pound. Roming's reserve champion steer brought \$11.10 per pound from First State Bank, and following the bidding Agri-Sprayers and the Bovina Blade each added ten

cents per pound to the bid price.

Buyers did a considerable amount of "adding on" to the bid price, so that virtually all of the steers brought at least \$1.00 per pound, and \$3.00 per pound was average price for lambs. Barrows brought from \$1.50 per pound to around \$3.00. The champion barrow brought \$4.00 per pound, and the champion steer netted \$2.00 per pound.

The Grand Champion Steer was exhibited by Dean Church of Friona. Although it was the 15th steer title since 1948 for Friona exhibitors, it had been 13 years since a Friona youngster had claimed the title.

Banquet Date Set; Election Is Coming

The Bovina Chamber of Commerce and Agriculture will hold its 19th annual banquet Thursday, March 15, 1979 at 7:30 p.m. in the Bovina High School Cafeteria.

As in the past, one of the attractions of the event will be charcoaled rib-eye steaks with baked potato, salad, hot rolls and dessert. The highlight of the evening will feature presentation of the man and woman of the year, presented by last year's winners. The outstanding boy and girl will also be announced.

The Chamber has secured Bill Brown, a well known West Texas humorist from Lubbock, Texas. Mr. Brown is a twenty year veteran entertainer and after dinner speaker, with over 1000 appearances to his credit. His act is full of clean family fun, with original comedy routines and magical tricks included. He has appeared on several television programs, including NBC's The Gong Show.

Tickets for the event are priced at \$7.50 per person, and can be obtained through any chamber director. You will also be able to purchase tickets at the door the night of the banquet. Seating capacity will be limited to 400.

Also, ballots have been mailed out for the election of new directors for this year. In order to be able to vote, you must be a member of the Chamber of Commerce.

Anyone who has not received a letter and wishes to join the Chamber of Commerce, should contact Steve Sherrill, or any chamber director. Dues for membership are \$25.00 for business and \$10.00 for families.

Everyone is invited to join the chamber as this is our annual membership drive for the coming year. Also included on the ballot are places for your suggestions for the man and woman of the year.

Mark your calendar for March 15, and come out to support your Chamber of Commerce.

McCain Record

Ben McCain, the son of Mr. and Mrs. Leslie McCain of Bovina, has recorded and released a 45 rpm single, his first venture into the recording field.

Songs on the record, both written by McCain, are "Gooder Than the Goodest," and "Memphis Lady from Texas."

McCain says that the "Gooder Than the Goodest" song was written for his wife Christie, also a Bovina girl. She is the daughter of C.E. Trimble and the late Esther Trimble.

The Bovina product took voice lessons from Doris Wilson in Bovina. He has been writing songs for the past two years.

McCain is a graduate of Bovina High School, South Plains College and West Texas State University. He and his wife Christie live in Port Arthur, Texas, where Ben anchors and produces the 10 p.m. news for KJAC-TV in Beaumont-Port Arthur.

The record is available in Bovina at Bovina supermarket and Don's Medicine Chest.

PRIZE STEER.....Doug Roming poses proudly with his 1164-pound Angus calf which was named

Reserve Champion at the county show last Friday night. The steer had earlier won the trophy in the

"jumbo" weight class for steers. Roming also won the showmanship plaque for the steer division.

SMILE: The psychiatrist turned to the

unruly child's mother and advised: "I will see Bobby in two weeks; meanwhile you need help also. you are upset about the boy, so I suggest that you take one of these tranquilizers each day until I see you again."

Two weeks later the mother brought the youngster back. "How is Bobby getting along?" the psychiatrist asked. The mother shrugged.

"Who cares?" was her nonchalant reply.

Every human being either adds to or subtracts from the happiness of those with whom he comes in contact each day....

Have a good week and thank you for your calls....

Cage Teams Second In 3-A Tournament

GRAND CHAMPION BARROW.... Scott Johnson is shown above with his Grand Champion Barrow at the Bovina FFA-4-H Livestock Show.

By R.D. LOONEY
The Bovina High School Mustangs and Fillies both took second place in their division in the District 3-A Tournament held this past week in Friona.

Both teams won their opening games to advance to the finals. The Mustangs won their game against Kress, 68-49, and the Fillies won their game against Springlake-Earth, 66-43.

In the finals, both teams played and lost to their opponents from Vega. The Mustangs lost, 47-67, but since they were the Round-Robin winners, a play-off game had to be played Saturday, February 17. The Fillies also lost their game to Vega, 35-47. Since Vega had won the Round-Robin portion of district, they also won the tournament title.

In the Saturday game, the Mustangs were outscored by the Longhorns, 51-58. The coaches, Don Heard and Joel Nelson, asked that we also include a thank you to all the fans who followed and supported the teams all season.

This writer was also impressed by the enthusiastic support given the teams and would like to congratulate the teams on a fine season and the fans for supporting

the teams like they did this year.

Church Chuckles by CARTWRIGHT

"The Finance Committee voted it a necessary expedient until collections pick up."

Read Philippians 3:8-14

I press toward the mark for the prize of the high calling of God in Christ Jesus. —Philippians 3:14

OVERHEARD a conversation between a six-year-old girl and her father. They were putting a jigsaw puzzle together, and the child asked why her father did it a certain way.

He replied, "Because I want to be perfect."

"But," she answered, "no one has ever been perfect but Jesus."

"I know," said the father, "but I want to be more like Him."

The words that followed surprised me as well as those others who heard them, for the child innocently replied, "Well then, you will have to stop doing a lot of things that ordinary daddies do."

To become more perfect, to pattern our lives on those principles set forth by Christ should be the goal of us all. This cannot be achieved in one day, but in the strength of God we can press on toward it.

PRAYER: O God, in Jesus Thou hast given us the example of a perfect life lived in a world of war, hatred, poverty, and disease. Help us to model our behavior on the same principle of love and faith. Amen.

THOUGHT FOR THE DAY
How does my life measure up to Jesus' pattern of perfection?

Installing Gas air conditioning now is a squirrely idea . . .

One you'll be nuts about this summer!

PIONEER NATURAL GAS COMPANY
 (A Division of PIONEER CORPORATION)

Call Pioneer Natural Gas for a free survey and cost estimate. There's no obligation.

The top 8 corn hybrids on the Irrigated Plains are all from Pioneer.

That's a pretty bold claim, we admit. But in farmers' fields, county agent test plots, wherever they're grown, these Pioneer brand corn hybrids consistently out-perform competitive hybrids. Each hybrid has its own particular strong points that make it especially well suited for certain conditions. When thoughtfully selected and managed to meet the conditions, each of these hybrids delivers winning performance that's head and shoulders above the competition.

Don't take our word for it. Ask your Pioneer dealer about yield data in your area and see for yourself. The top 8 performers are all from Pioneer!

3195

High-yielding, full-season powerhouse! 3195 gets off to a good start with high seedling vigor, then makes the most of High Plains conditions.

3183

Contest winning yield potential with excellent disease tolerance makes 3183 an ideal companion for 3184.

3305

A silage grower's dream come true (even if your plans change mid-season)! Tall with good stability.

3780

The corn you can manage almost like sorghum. Total fertilizer, water and insecticide requirements similar to sorghum.

3184

Steady corn maker, popular for excellent yields and consistency.

3311

A new hybrid you can trust like an old friend! It delivers top yields and is an outstanding companion for 3195.

3541

Very early silking, a long kernel fill period, and fast drydown help 3541 produce high yields for its maturity.

3360

Plant this one for your banker! It has the consistency to be the high-yielding workhorse hybrid you can rely on.

1979 Track Season Here

Basketball is barely over, but the Bovina High School track teams will be participating in the Lubbock Christian High School Indoor Track Meet this Saturday, February 24.

This will be the first indoor meet for the Bovina teams, but the coaches are looking for the teams to have a good time at the meet and aren't expecting too much from the athletes, who will only have one week to practice before their first meet.

The meet will begin at 9 a.m. at Lubbock Christian College. Finals will start at 2 p.m.

Dribblers Begin Play

The 1979 Little Dribblers program will begin play this Friday, February 23. The program is sponsored by the Bovina Jaycees in conjunction with the National Little Dribblers Program.

This year the program will feature two age groups, 9-10 and 11-12 year olds. There will also be both girls and boys leagues. Another new feature this year is the sponsoring of the teams by businesses here in the area.

Following is a list of the teams, members, coaches, and playing schedules.

Trio Sets EMT Meeting

Mr. and Mrs. Don Spring and Mary Richards will be traveling to Amarillo Saturday, February 24, to attend a Emergency Medical Technicians Instructors Seminar.

After finishing this course and the E.M.T. course they are presently attending here in Bovina, the Bovina Ambulance Service will have four qualified E.M.T. Instructors in their membership. Dick Richards, head of the Bovina Ambulance Service, is already qualified as an instructor.

The course is being offered by the Emergency Medical Services in Amarillo.
