Thos. Goggan & Bros. Sale Attracting Many Buyers

If You Look Around You Will Find Many **Kerrville Homes Supplied** With Our Beautiful Highgrade Pianos. Ask THEIR **Opinion** of the Values We are Giving and They will Advise You to Come to Our Store at once and

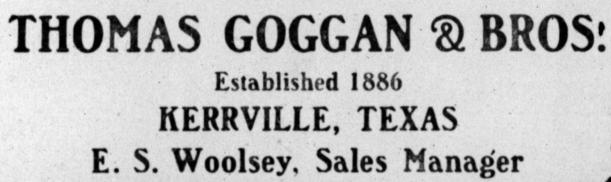

Secure a

High-Class Bargain

If you have even a remote idea of buying a piano we want to hammer the truth home to you that you will never again equal our price and terms. You can buy a cheap piano at a cheap price any time, but you cannot match our sale prices on old, reliable and well-known makes. There is not a point in the United States today where you can get a better value or a higher quality on a piano than right here at this sale in Kerrville. This is putting it pretty strong, but it is backed by facts. . It is our aim to sell all of the first shipment at a slender margin and set this town talking about our store and our goods. We have seven different high-grade makes to show you in Kerrville. Our terms are the most reasonable to suit our customers. We guarantee to save you fron \$75 to \$100 on any piano you desire and make terms to suit. 'CALL AND SEE THESE DIFFERENT MAKES OF PIANOS. Each one backed by our guarantee. We are offering nothing sensational and nothing to tempt you to buy a cheap piano. . . We know that the Kerrville people want and you will find just that reliable quality which every intelligent buyer insists on having.

BACKED UP BY THE REPUTATION THIS OLD FIRM HAS ACQUIRED FOR INTEGRITY. SQUARE DEALING AND THE PERFECT SECURITY OF ITS GUARANTEE YOU SHOULD NOT HESI. TATE A MINUTE IN PLACING YOUR ORDER HERE FOR A PIANO

REMEMBER: That We Guarantee Satisfaction or Positively Refund Your Money

ng small patches, apparently in an experimental way, but as there is general satisfaction with the plant, it will become a considerable factor in the hay production of the future. A slight increase in the volume of cattle business is indicated with prifits 10 to 20 per cent higher than in average year, and a general increase in hog raising is reported. Hog holera, however, seems to be spreadng and will have to be reckoned with more and more as this industry levelops. Tick fever has caused rather heavy losses in several northwest central countle.s

otter. Well, I don't see why a trapper should have anything on me. I have been writing poetry about spring, snow, rivers, hills and dales until it has come to such a pass that I have to fool folks into reading things. got a shingle and piece of charcoal

NOVEMBER

Then J reconsidered the matter, and decided to make it an essay.

November is the elevath month of the year, but we should not hold that fact aainst. It just happened that the man who printed the first calendar made it that way. November is the month in which Thanksgiving day comes, and there are many thousand of people who are only thankful that of 443 votes. Only one small box of one day in the year. The emblem of a strength of about fifty votes was the month is 'cranberry sauce, the out at midnight, but this is not ex- folwer is celery in the stalk, and the pected to materially change the ma- color Turkey red, unless there comes 320, or about one thousand short of November is the month that nothe number of poll tax receipts issued body goes into spasms over except in the county, including exemptions, some nut who wants to be eccentric The antis polled 2,901 against a Most people spend the month won-
