By Father Kemper

DEATH OF MRS. PRIMM

A married career of less than a year and a half was terminated on Sunday when the Unsparing Reaper stalked through the tubercular tent colony up the river, and claimed Mrs. Frank Primm. Deceased was born as Hazel Marie Gourley in Pittsburg, Pa., about twenty-six years ago, and in childhood moved to Oklahoma, where she graduated from the Okmulgee High School. Her parents died in her infancy and her brothers gave up their lives in our country's cause during the World War. Orphaned and alone in this wide world, with finances depleted and health irrevocably shattered, she awakened the love and sympathy of Frank Primm, a soldier orphan, who lavished all his wealth and care in trying to make the last months of this young lady as sweet as an orphan can make it for another. Frank's unselfish Christian life silently won his protege, rather than his bride, to his own religious belief. In this apostolic faith Mrs. Primm gave back her soul to God. Her body was buried in Glen Rest Cemetery on Monday evening, under escort of local Knights of Columbus, to which patriotic fraternity the magnanimous widower belongs.

The sacrament of baptism was administered last Monday to Theophilus Castillo. Owing to the prolonged and heavy rain on Sunday it was impossible to fulfill the monthly engagement at Comfort. The next services will be held there on the third Sunday in May. The weekly Friday Nite Social of the Parish Auxiliary will give way this week to a business meeting if a quorum can be secured, in view of the fact that all parishioners were urged to attend the Chautauqua entertainments for the benefit of our Public Schools.

Cinco De Mayo

On the 5th of May it will be sixty years since Gen. Ignacio Zaragoza defeated the French in the Battle of Puebla and secured the independence of Mexico. This anniversary is to our sister republic what the Fourth of July is to us. The Mexicans of our community will honor the fatherland of their forebears with an appropriate observance.

Since this is the First Friday in the month of Mary, the customary Votive High Mass will be sung at 7:15 a. m. During the month of Our Mother, hymns to our celestial Queen will be sung every Tuesday and Friday at mass and Benediction. On Mother's Day, the second Sunday in May, an all-day Adoration of the Blessed Eucharist will be assigned to Kerrville according to the diocesan schedule. The Convent Chapel is far too small to permit even standing room for the Sunday attendance. Hence this chapel will not be used for Sunday services until winter weather again calls for the comforts of steam heat.

In the first quarterly statement of St. Mary's parish for the current year, there is an enrollment of over four hundred parishioners. The Guadalupe congregation did not issue a printed report this quarter, but its roster numbers over two hundred Christians. The increase among the Americans is largely due to recent converts, and to an influx of workmen and invalids at the Legion Hospital, as well as to the continued growth of our progressive health resort.

Personals

Miss Hilda Mosel motored here from the metropolis to attend the Notre Dame entertainment and to spend the week-end with her parents. The many friends that Miss Roxane Farrell of Houston made here last spring will be glad to know that she is back in Kerrville as guest of Mr. and Mrs. Hy. Kuhlmann. From Detroit, Mich., John Tremmel

came here to be benefitted by our restorative climate.

Leonce Perrin of New Orleans is another health-seeker sharing with us our God-given atmosphere.

DOWNWARD COURSE

Fast Being Realized by Kerrville People.

A little backache at first. Daily increasing 'till the back is lame and weak.

Urinary disorders may quickly follow; Dropsy and often Bright's disease. This frequently is the downward course of kidney ills.

Don't take this course. Follow the advice of a Kerrville citizen.

Mrs. H. J. Moore, Water St., says: "I consider Doan's Kidney Pills a splendid remedy. They have benefited me when my kidneys were out of order and I had dull headaches and felt dull and run down. I read about Doan's and used them and they were just the thing to regulate my kidneys and relieve the backaches. I gladly recommend Doan's to anyone in need of a kidney remedy."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Moore had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement).

Episcopal Guild

The monthly meeting of this Guild met with Mrs. Milton Pampell at her charming bistro residence on Tuesday. Although the weather was very disagreeable twelve members were present. In the absence of the president in San Antonio, the Rector presided, opening the session with the customary devotional exercises. It was agreed to begin the painting of the Rectory immediately. Also that the weekly teas be continued and the right to ask friends was granted.

At the close of the business delightful brick ice cream and wafers were served, while the Victrola discoursed sweet strains. Altogether a most enjoyable time was spent by the members. One new member was admitted. The next weekly tea will be at the home of Mrs. Conway Carrigan. REPORTER.

DALLAS MAN NAMED MOST HEROIC TEXAN

Waco, Tex., May 2.—Before they adjourned this afternoon, delegates attending the first annual convention here of the Disabled American Veterans of the World War conferred a distinguished honor on Adjt. James W. Collier of the Dallas chapter of the State organization. He was selected as the man with the best war record among the disabled veterans of Texas and he will be recommended by the State organization to Governor Pat M. Neff for appointment to represent Texas in the living Hall of Fame at the National convention in San Francisco next month.

Adjutant Collier is a native Texan, born at Brownwood, enlisted at Hot Springs. He served with Headquarters Company, 6th Field Artillery, 1st Division, and he was in France four years, from June 15th, 1917, to June 15th, 1921. Collier was wounded three times. He was awarded the Distinguished Service Cross, the Croix de Guerre and he has eight service stripes. He was cited seven times.

Baptist W. M. U.

The Woman's Missionary Union of the Baptist Church held their business meeting at the church Monday afternoon, and the following officers were elected for the ensuing year:

Mrs. Jack Moore, president; Mrs. W. C. Nowlin, first vice president; Mrs. A. G. Morris, second vice president; Mrs. C. H. Richerson, secretary-treasurer; Mrs. W. B. Anglin, pianist, and Mrs. J. L. Tullis, reporter.

FIRST METHODIST CHURCH

J. GRADY TIMMONS

The Kerrville District Conference

held its first session at Mason, Tex., April 27th to 30th, inclusive. From Kerrville, the following attended: Miss Mary Gowan, Mrs. William D. Reed, H. I. Davis, Judge H. C. Geddie, A. L. Starkey and the pastor. A delightful time was enjoyed by all. The conference was large, well attended and full of enthusiasm. The splendid people of Mason showed themselves to be experts in the matter of entertainment, and every visitor expressed the highest satisfaction over the conference. The conference opened Thursday evening with Rev. J. H. C. Maxwell of Center Point preaching the opening sermon. Friday morning the conference held its first business session. Rev. A. E. Rector, the much loved Presiding Elder, occupied the chair and carried out the business of the conference to the delight of all concerned. The morning was spent in tabulating the reports from the various pastoral charges. When the hour of the morning worship had arrived, Rev. R. S. Adair, of Boerne, preached to a well filled house.

In the afternoon business was again resumed. The reports from all the charges were encouraging. The Kerrville Church reported everything in full for the first half of the year. Friday evening the house was packed and the writer preached on "A Call to the Ministry."

Saturday morning, at 9 o'clock, the conference was called to order and business resumed. Dr. J. T. Curry, Missionary Secretary for the West Texas Conference, gave an inspiring report of his work, and showed that the matter of Centenary payments had pushed well up to the 60 per cent mark, the amount now due. Saturday night, Rev. H. M. Ratliff, Sunday School Field Secretary, preached a fine sermon. Saturday morning, Rev. Vetter preached a splendid sermon. Sunday morning, Rev. H. M. Ratliff conducted a Sunday School Institute. Under his leadership we expect to make our Sunday Schools more efficient. The next District Conference will go to Bandera. Judge H. C. Geddie was elected a delegate to the Annual Conference. Dr. J. T. Curry preached a magnificent sermon Sunday morning and then the conference adjourned.

The Woman's Missionary Society met in Mission Study session last Tuesday. The subject was "Mexico," and Miss Mary Gowan was the leader for the day. The following persons discussed various phases of the work of Missions in Mexico: Mrs. William Tagl, Mrs. D. H. Comparette, Mrs. H. Y. Swayze, Mrs. B. B. Lowrance, Mrs. Joe Lowrance, Mrs. Stewart Davis, Mrs. William D. Reed and Mrs. H. L. Arno. The program was well rendered and enabled the society to see just the magnitude of the work that our church is doing there.

The rain prevented the carrying out of the program for Sunday School Day last Sunday, and so it is carried over to this coming Sunday morning. At the evening service we had quite a splendid congregation in view of the weather, and Dr. Macdougall de-

lighted the congregation with his sermon. We were glad to have Dr. Macdougall with us and hope we may have the opportunity of having him again at some future time. The program for next Sunday follows:

Sunday School at 9:45 a. m. At 10:45 the Sunday School program will start, and will occupy the morning hour. The following is the program: Song, "Praise God From Whom All Blessings Flow"; prayer; Scripture lesson; chorus; by the Scofield Chorus Club; "When We Grow Big," by Jimmie Gray Lochte; "The Butterflies," by the Primaries; reading by Anna B. Peterson; a number by C. W. Moore's class; a Parable, by Miss Willie Holdsworth's class; song by Miss Maggie Lowrance's class; "A Garland of Praise," by Mrs. Geddie's class; song by Mrs. Moore's class; "Weeds and Deeds," by Nina Grantham; song by Clara McDonie; song by the Scofield Chorus Club; "Legend of the Daisies," by Mrs. Reed's class; reading by Charley Moore; collection; song by Scofield Chorus Club, and benediction. This program will be a real treat and you cannot afford to miss it. Come and bring some one with you.

At 3:30 p. m. the Junior League meets. The Senior League meets at 7:15 p. m.

At 7:45 o'clock we will have our evening hour of worship.

Baptist Sunbeams

The Sunbeams met Thursday afternoon in the home of their leader and spent a pleasant two hours making scrapbooks, talking, singing and eating. At the close of six months we have reached the A-1 Standard of Excellence, having done good work in every way.

Next Sunday let us meet at 4 o'clock in place of 3 and go into the semi-annual election of officers.

God's beautiful outdoors is calling us to do more and better work for Him. The winter has seemed long and sometimes we could not all meet, but there should be no excuse now. Shall we use the day of rest in a way that will disgrace ourselves, our mothers and our country? Don't forget the change in the time of meeting.

Narrow Escape

Fredericksburg Standard, April 27: Falfx Young and Emil Lehne, two young employees of the Nagel Bros. Quarry Company at the Bear Mountain, were seriously hurt and burned last Tuesday afternoon by an explosion.

The two young men while trying to open a keg of powder, by some mysterious cause the powder exploded, inflicting serious and hurtful wounds on the two unfortunate boys.

Card of Thanks

I desire to express my sincere thanks for the kindness shown my wife in her fatal illness and the lovely floral offerings sent at time of her funeral. FRANK PRIMM. (Advertisement 20-1)

FIRST BAPTIST CHURCH

J. B. HOLT, Pastor

How we thank God for the splendid rains we have been having. The ground is now thoroughly soaked and all nature has on her gala attire. In some places floods have come and destroyed human life and property, but we have been spared any heavy losses. Let us form the habit of thanking our Heavenly Father heartily for the good things He gives us.

Most of our regular meetings were rained out last week. We had nothing but the Bible School Sunday.

The pastor left last Friday afternoon for the Fifth Sunday meeting of the Medina River Association, which was held with the Baptist Church at Bandera, from the 28th through the 30th. The attendance from over the association was not large, but the meeting was splendid. Friday night this pastor preached on "Why We Are Called of God." Saturday morning a number participated in discussions of the subjects: "Power for Service" and "The Real Nature of Man," Rev. S. P. Harris of Center Point speaking on the last named subject. At 11 o'clock there was a sermon by Missionary R. C. Walker on "The Abundant Life Which Christ Came to Bring." At the evening service, Rev. S. P. Harris spoke again on "The Times and God." The women of the association had their meeting Saturday afternoon. Mrs. Meadows of Bandera presiding. Mrs. Chism of Bandera made the welcome address in a few hearty and well chosen words. Mrs. J. B. Holt of Kerrville spoke on "Stewardship and Tithing." This was followed by an interesting and profitable round-table on the "75 Million Campaign," conducted by Mrs. Meadows. The men were allowed to participate in this.

At the Associational Board meeting, held at 4 o'clock in the Bandera County Court House, considerable important business was attended to. Rev. Roger C. Walker, our Associational Missionary, offered his resignation, to take effect at once. We do not know his plans for the future. The board, by a rising vote, expressed their unfeeling confidence in this faithful and energetic young evangelist. At this meeting also Mrs. Nations-Smith told of her great field

CARDUI HELPED REGAIN STRENGTH

Alabama Lady Was Sick For Three Years, Suffering Pain, Nervous and Depressed—Read Her Own Story of Recovery.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her.

"I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since... I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life." For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments. If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

NEW YORK SUCCESS ON CHAUTAUQUA

Famous Saturday Evening Post Story Dramatized.

Cappy Ricks, the rough and ready old sea captain, will be the leading character in a side-splitting, rip-roaring comedy-drama on the third night of the Chautauqua.

Peter B. Kye, the author of the story, spent much time studying the seamen coming in and going out of San Francisco harbor, and finally found one eccentric old rascal who gave him the color for his story. Cappy's daughter, Florence, a girl who suddenly is awakened to her own responsibilities, plays an important part in the snappy story. She learns that her father, though indulgent with her, is not so considerate of others in business. Her love for adventure, and her love for Captain Matt Peasley cause her to become a silent partner in another shipping company. Cell Pericles Bernard, who is forced to learn the shipping business from the ground up, plays an important comedy part. Ellen Murray, Cappy's attractive stenographer, ably assists in putting the play over in a pleasing style. Broadway, New York's gala street, proclaimed to the world for a solid twelve months that Cappy Ricks was a knock-out. For a full year the theater in Chicago was the center of interest in Chicago theatre circles for six months. A wonderful record in these two cosmopolitan cities. This production will be one of the exceptional attractions in this community this year. It is only through the medium of Chautauquas that such high class theatricals can be brought to our city. Every individual within driving distance should plan to attend the third night of the Chautauqua. Special arrangements will be made to accommodate the crowd.

at Privilege and, upon her request, the churches represented there subscribed \$70 to make it possible for a splendid Mexican evangelist to give a month of his time this summer to evangelistic work at such places as Mrs. Smith might designate. The Bandera people are much pleased with the kind of work she is doing and are standing by her loyally.

All the messengers enjoyed their stay in Bandera. The good people there are indeed fine entertainers. F. E. Garrett, board member from our church, was there Saturday and did his duty. We need more consecrated laymen in our work. Men who can go to these meetings, but will not, God will bring them to account for it. Be sure and come to the services next Lord's Day. Don't forget your envelope.

Intermediate B. Y. P. U.

The Intermediate Baptist Young People's Union of the Baptist Church will have a special service next Sunday evening in the auditorium of the church at 7:45 o'clock. Everyone invited. The program will be as follows:

Song, congregation. Prayer, by the pastor. Song, "A Volunteer for Jesus," by Intermediates.

"Our Young People," Miss Edith Tullis.

"What Is An Intermediate B. Y. P. U.?" Cleo Reece.

"The Object of Intermediate B. Y. P. U.," Opal McWilliams.

"We Study That We May Serve," Vivian Wardlow.

"Our Aim: 'To Make This the Best Union in the State,'" Robert Reece.

"What the Seniors Expect of the Intermediates," Miss Faye Turley.

"What This Intermediate B. Y. P. U. Has Accomplished," Margaret Morris.

THE REAL TARIFF QUESTION

Fort Worth Star-Telegram: The question which is being raised by the Southern Tariff Conference is an economic question and not in any sense a political or partisan one. It is not even a question of protection or free trade. It does not foreshadow a shift

of Texas and the South. If the bill is a one-sided affair the Democratic members who "keep their records straight" will be directly responsible for it.

No academic discussion of the question of protection or free trade fits this situation. No partisan denunciation of the measure as a Republican measure fits it. If the partisan interests of the Democratic party require that Democrats shall have nothing to do with the measure, which we do not admit by any means, then the question which is before the Democrats in Congress is simply whether they are willing to sacrifice the interests of the producers of the South on the altar of fancied party advantage. That kind of party advantage, even if it could be gained, would benefit nobody but office holders and politicians, for it is related alone to political campaigns and the holding of office and not at all to the economic interests of the South.

The politicians are in control of the party machinery and apparently the Representatives in Congress are obeying the party whip without reference to the interest of their constituents. However, the right of petition has not been abolished, and it is to that the Southern Tariff Conference had decided to appeal. It has made little headway with the politicians. It is now turning to the people. If you believe that everything should be done to prevent the new tariff law from being a sectional and one-sided affair, if you believe that everything should be done to protect Texas and the South from the consequences of such a measure, then tell it to your Congressman. The bill is going to be passed. It is going to be passed and enforced by your Government, which is none the less your Government because it is controlled by Republicans. The question is what kind of a bill do you want it to be. It is up to you.

Kerrville can't afford to drop its Chamber of Commerce. The town is growing and there are more inquiries now than ever about this section. Let's reorganize and put some pep into the work.

Don't forget to give attention to the chickens, the cow and pigs on your ranches and farms, even though wool and mohair commands a good price, and the prospects are fine for wheat and oats.

The continuous rains have given the ground a good soaking, which will sustain the crops through the summer season with very little more help. Crops of all kinds are doing well and prospects are fine for good crops this season.

HILL COUNTRY FANS CENTER HOPES IN KERRVILLE TEAM

Photo by Wheelus, Kerrville. Courtesy of Sports Department, San Antonio News.

Kerrville's Athletics, so christened back in the palmy days of Connie Mack's Philadelphia Athletics, seem to be on the verge of making some baseball history as did Mack's men in those days. The Kerrville clan, shown in the above picture, has won all games so far, piling up 40 runs against 12 for opponents. Last year Kerrville finished with a percentage of .800 for 24 games and the new club is stronger than last year's. Two San Antonians, Bob Barry and Edwin McCarty, form the Athletic's star battery. William Burns, veteran, and William Saenger, 19-year-old high school product, who let the Second Division down with one hit last year and held the strong San Antonio Independents to five, are other twirlers. The team, as shown in the picture is: Top row, left to right: Bob Barry, pitcher; J. B. Remschel, center field; W. Jacobie, utility; William Burns, pitcher; E. Schwetzel, manager; Middle row: Sam Amberson, shortstop; Emmett Henke, right field; Herbert Holchak, captain and third baseman; Eugene Butt, scorekeeper; William Saenger, pitcher. Lower row: Edwin McCarty, catcher; Louis Wilson, first base; Charlie Kuesel, second base; Cecil Robinson, left field; Ellis, utility. Charlie Morris is the mascot. The defenders of the Hill Country's baseball laurels have some open dates and would like to fill them with San Antonio and other local teams of the surrounding country. Arrangements can be made by telephoning or writing Secretary H. C. Holchak.

Deed Records of Kerr County, Texas; and being the lands now occupied by the Defendant, Presley Graham. And on the 6th day of June, A. D. 1922, being the first Tuesday of said month, between the hours of 10 o'clock A. M. and 4 o'clock P. M. on said day, at the courthouse door of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said Presley Graham in and to said property.

Kerrville ought to taboo the general soliciting on the part of people from other towns and cities for any and everything. Quit contributing and these professional solicitors will soon cease their visits. They appear better dressed and in more healthful condition than most of the people who are giving aid to the different propositions. There is need at home of all the charity that is going to be extended.

Dated at Kerrville, Texas, this 22nd day of March, A. D. 1922.
J. T. MOORE,
Sheriff of Kerr County, Texas.

FROM GLUT TO SCARCITY

Saturday Evening Post: Wools are divided into two main groups—Merinos and cross-breeds. Merino wools are finer and adapted to the making of the most prized cloths. Cross-bred wools are coarser and inferior from the standpoint of making cloths. When the war closed, a heavy accumulation of wools, largely cross-breeds, lay in British hands. The clip of 1920 added to the store of stocks. The clip of 1921 was below the normal level of consumption.

The glut in lower-grade wools and the consequent fall in price, together with decline in price of mutton, resulted in liquidation, followed by reduction in breeding. In 1914 the count of sheep in the world was some 530,000,000, of which some 200,000,000 were in the British Empire. The count in 1921 had fallen to some 440,000,000, of which some 185,000,000 were in the British Empire. In 1914 the sheep of the British Empire were 38 per cent of the world stock, but they produced three-quarters of the commercial wool. In 1921 the sheep of the empire were 42 per cent of the world stock, but they produced four-fifths of the commercial wool. In this four-fifths of the total supply is two-thirds of the fine wool. Therefore, whether certain United States Senators like it or not, the British Empire controls the wool markets of the world.

In the meantime the use of fine wool has proceeded, while consumption of inferior wool has lagged behind. If the present pace of consumption of fine wool is continued and the prewar consumption of lower-grade wool resumed, the world with the present count of sheep will face a scarcity of Merino wool within a year, and a succeeding scarcity of cross-bred within another year. Prices will rise, and the breeding of sheep will be stimulated. With high prices, consumption will be depressed and a new equilibrium established.

The Boy Scouts are holding their weekly meetings on Saturday instead of Friday at 7 p. m. Instruction in flag signalling and physical culture occupy the hour. Scoutmaster Macdougall had a visit last week from the State Field Secretary of Orange, Tex. His name is Jean P. Mestrezat, and he has sent some very interesting and helpful literature.

The rains have continued quite regularly the past week, and some hail fell on Town Creek and near Ingram Tuesday evening. The river was up a little for several days, but no big booming rise as we have occasionally. However, the main reason for that has been on account of the steady, slow rain that fell, which enabled the ground to absorb it.

Miss Ethel Williams received a telegram Thursday afternoon of last week from her brother, H. E. Williams, who lives at Portland, Ore., stating that his wife had died that morning at 11 o'clock. Three children, one a baby boy three days old, are left motherless by her death. Word has been received that Mrs. W. E. Williams, who left here Wednesday of last week, arrived in Portland Monday morning. No further particulars have been learned. The bereaved relatives have the sympathy of this entire community in their dark hour of sorrow.

RIP VAN WINKLE COMING

Breaks Long Nap to Attend Chautauqua.

SCENE FROM RIP VAN WINKLE

When Rip Van Winkle went off into the Catskill Mountains to take his long sleep and escape the torments of a hen-pecked life he hadn't heard of Chautauqua. However, the "world do move" and this year Rip will be the central figure at the biggest program to be given on the Westcoast Circuit. He will be represented by Herbert Sprague, declared by many critics to be the greatest "Rip" since the days of Joseph Jefferson. The patrons of the circuit will thus have the double treat of seeing the greatest play ever produced in America and the "leading man" in the title role.

Last year Herbert Sprague and Floy Mahan Sprague, his wife and leading lady, presented Rip Van Winkle on the Cadmean Six-day Circuit and were received everywhere with acclamation. When the possibility of presenting Mr. Sprague at the head of his own company in the smaller towns of the Westcoast Circuit was suggested, it seemed at first impossible on account of the expense involved. However, it was finally arranged and the Westcoast program thus secured by far the most expensive feature ever offered on this circuit.

Rip Van Winkle is most elaborately staged with scenery, curtains and costumes especially manufactured for Chautauqua travel and presentation. The play itself is a beautiful comedy with laughs sprinkled generously through it, it has a number of very touching scenes and finally ends with Rip restored to his town and his daughter, where he becomes the beloved patriarch of the quaint old Knickerbocker village, and has grown from that to be one of the beloved patriarchs of the American theatrical life.

Cattle Clatter Department, San An-

of Kerrville, who was here yesterday,
says since it commenced there has
been six inches of rain on the hills of
old Kerr County, and that most of it
soaked in, by reason of falling slowly.
The range is a thing of beauty, he
says. Also, he reports that the kid
and lamb crop of the country is as low
as 5 per cent in some localities, while
it is doubtful if any range will have
a 25 per cent crop. This is on ac-
count of the long drought of the fall
and winter in which the animals
found it difficult to keep up the fight
for life.

THE NATIONAL DEMOCRATIC CHAIRMAN GETS IT STRAIGHT

Kansas City Star: Chairman Cor-
dell Hull of the Democratic National
Committee has just completed a swing
around the circle. He visited, he says,
fourteen States in the Middle West,
and in each State he surveyed the
political situation. And what do you
think he took back to Washington
with him? A Democratic Congress.

There is, Mr. Cordell Hull says, no
doubt of it. So that ends it. It is all
over. In every State, the report says,
Mr. Hull was in conference with the
Democratic leaders. At night there
would be a dinner, or a banquet, or a
mass meeting, or something or other,
or all combined. And in every in-
stance the local leaders assured him
that there is a revolt against Presi-
dent Harding, a riot against Congress
and a wild clamor for the return of
one of those old-time Democratic ma-
jorities in Congress.

Consequently, Mr. Hull went back
to Washington all jazzed up over the
outlook, which shows that Mr. Hull is
the right sort of a chap for chairman
of the Democratic National Commit-
tee. He gets right down to bedrock
and brass tacks. He knows how to
size up a situation and get out of
town on the next train. Some chair-
men are not like that. We have
known politicians who would spend a
whole day in consultation with local
leaders, attend a banquet with them,
speak at a mass meeting or some-
thing, and then admit that they didn't
know what to think about it. Not
that for Mr. Hull. When the Demo-
cratic committeeman from Sackets-
ville was admitted to his room in the
hotel and the National Chairman asked
him to give him the "inside" on the
political situation, Mr. Hull got
what he was looking for.

It is customary—as we all know—
for local leaders to tell the National
Chairman that there is no chance
whatever. Local leaders, in the
presence of their superior officers in
the party organization, have the
habit of putting the darkest possible
look on political situations. The
local leaders think that is what the
National Chairman likes to hear, and
they are as gloomy about the situa-
tion as a candidate for office. And
candidates never claim anything.

But Mr. Hull is the sort of a chair-
man, evidently, who says to a local
leader: "Now, sir, I know your
tricks and your manners. Come on,
now. Tell me the truth about it.
None of your dodging about the bush
with your gloom stories." That's the
way Mr. Hull does business, ap-
parently, and that is why he knows,
after attending conferences in four-
teen States and territories of the
United States of America, that the
Democrats have the next Congress
as good as elected and salted down.
No wonder he feels all jazzed up
over the outlook.

J. W. Denton and wife of Johnson Creek community drove to Kerrville Friday of last week, stopping here en route.

Mack Henderson of Honey Creek made a short stop in town on his return last Friday from a business trip to Kerrville.

Miss Hope Robinson, Rodger Locke and sister, Miss Mignon Locke, of San Antonio, are the house guests of Miss Sue Robinson.

Joe Carson, son and daughter, of Junction, passed through Tuesday of this week on their return from a business trip to San Antonio.

Mrs. Pat Smith of the Johnson Creek community was the guest of her granddaughter, Mrs. Albert Bitel, Tuesday of this week.

Rev. R. C. Walker and wife of Hunt made a short stop here last week on their return from Bandera, where they attended the Fifth Sunday Meeting.

There will be an ice cream social at the new school building Friday night, May 5th, for the benefit of the school, and a large attendance is urged.

Albert Johannessen and Floyd Nalls, who have been working on a rock tank for John Caldwell on the Divide, are home for a few days on business.

The business house of Ed. Smith is being remodeled, and it is understood, when completed, will be leased to Charlie Kiefer for an up-to-date garage and service station.

The dance at the home of Mack Henderson on Honey Creek last Friday night was a very enjoyable affair, is the report of those from this community who attended.

Charley Rodgers and wife entertained the younger set of the community with a party at their home Friday night of last week. A delightful evening was spent by those present.

Rollie Mayhugh, wife and son, of Hunt, and Mrs. Pat Smith of Johnson Creek, mother of Mrs. Mayhugh, stopped here Tuesday of this week, en route home from Devine, where they visited Mrs. Howard, daughter of the Mayhugh's.

Jess Childs and family of Johnson Creek community went down to Kerrville Tuesday of this week and were unable to reach home that evening on account of the swollen streams. They were the guests of Mrs. George Colvin for the night.

Mrs. H. I. Hardin of Sherman's Mill went down to Kerrville last week to take over the temporary management of the boarding house business of Mrs. W. E. Williams, who was summoned to Portland, Ore., on account of the serious illness and death of her daughter-in-law, Mrs. H. E. Williams.

T. A. Duderstadt and Edgar Oehler accompanied the Sunset Corn Club boys over to Kerrville for the stock judging contest last week. Four of the boys won prizes and were sent to a similar contest at Fredericksburg the following day, the lucky boys being Carlton Eddins, Sebird Henderson, Ernest Duderstadt and Hibbard Oehler.

This neighborhood was visited by a terrific downpour Tuesday afternoon of this week, between 4 and 5 o'clock, which had the appearance of a cloudburst. There was a fall of several inches of rain in less than an hour with a liberal amount of hail,

though the stones were small. It is not learned what, if any, damage was done above here, but none reported, so far, in this immediate vicinity.

Clarence Webb, residing with his parents on Johnson Creek, met with a serious accident Wednesday afternoon of last week when a piece of old rusty barb wire with which he was working, flew back and struck him in the right eye. He was taken to San Antonio the following day and later operated on at the Santa Rosa Hospital for the removal of the eye, which had become badly infected. Latest reports were to the effect that he was being given serum treatment for tetanus, with which he was threatened. His many friends here regret to learn of the accident and wish him a speedy recovery. Mr. and Mrs. J. M. Webb, who went down for the operation, are still in San Antonio, at the bedside of their son.

**TEXAS FLOODS CAUSE
SETBACK TO BUSINESS**

Fort Worth, Tex., May 3.—Business that was just beginning to assume satisfactory proportions in this section with every prospect that April would be the banner month for the last two years, suffered a serious setback because of the flood last week. Vast sections were affected, including large centers like San Antonio, Fort Worth and Dallas. Tens of thousands of acres were inundated, but the damage was not heavy and the setback to trade was only temporary. None of the communities swept by high water was forced to call for outside assistance.

Throughout South and West Texas the shearing machines are clicking steadily at their task of removing the wool clip from the sheep of the ranges. There is every indication that the clip will bring prices averaging better than 30 cents a pound, which is 12 cents above the average of last year. That means that growers will receive \$2,160,000 more for their wool than in 1921. This estimate is based on the production of last year, which was about 18,000,000 pounds. Production this year is expected to equal or surpass that figure.

Plowing and seeding has been delayed in some sections, but the entire farm and range outlook is excellent.

CENTER POINT COMMENTS

Sid Rees of Kerrville was shaking hands with friends on our streets last Saturday.

Judge W. C. Baker of Kerrville was here for a few hours last Saturday on legal business.

Miss Mattie Campbell of Seguin is here for a prolonged visit with her brother, L. L. Campbell.

J. M. Bruff, Mrs. W. C. Bruff and Miss Grace Bruff were among those who visited San Antonio Monday.

Chas. Mason of Kerrville was here this week making some sales of Ford products to some of the farmers here.

This section has had about eight inches of rain in the last two weeks. Most of the farmers are crying "enough!"

Lee Wallace of Medina was here last Saturday. Mr. Wallace is a veteran of the World War. He lost an arm on a battle field in France.

A. J. Mays, a traveling salesman of San Antonio, spent Sunday and Monday here the guest of his sisters, Mrs. W. L. Skinner and Miss Alice Mays.

Rev. J. B. Holt of Kerrville and Rev. S. F. Marsh of Junction visited Rev. Skinner Monday. We are glad to report Brother Skinner up from his recent illness.

Mr. and Mrs. W. D. Posey returned from Bandera County last Friday, where they had spent several days visiting the family of their daughter, Mrs. R. P. Cox.

Mrs. R. E. Wall and Mrs. J. P. McLeary and two children, Johnnie May and Doris Maxine, are spending the week here visiting in the home of Dr. and Mrs. H. S. Kirby.

J. B. Rees returned Sunday evening from Mason, where he went as a delegate to the District Conference of the Methodist Church, which convened in that little city last week.

Will Ridgeway and family, from their ranch on the head of Fall Creek, visited in Center Point last Saturday, guests of Mrs. Ridgeway's parents, Mr. and Mrs. A. J. Gibbens.

M. C. Talley has purchased the concrete building just across the street from the drug store, where he expects to move his hardware business in the near future. He will put in a glass front and stucco the outside walls and otherwise improve the building. Mr.

Talley also expects to build a residence in South Center Point some time soon.

Rev. S. P. Harris and Robert Byrd attended the Baptist Fifth Sunday Meeting at Bandera. They returned Monday with great difficulty, on account of high water and heavy roads.

Mr. and Mrs. G. L. Richeson, who have been absent several months in San Antonio, returned here Sunday. We have not learned what their plans are. We hope they will make this their home again.

Mr. and Mrs. J. S. Burgess, who have spent the winter here, left this Wednesday for their home at Alexandria, La. These excellent people have been spending their winters here for several years. They notified your correspondent that they plan to come again, perhaps before the winter season.

The many hours of patient drilling that the Notre Dame girls voluntarily spent after school and after supper for the past two weeks, bore evidence in the masterly rendition of one of the prettiest musical pastorals played in our Hill Country. The cantata was given outdoors with Washington Hall annex for the background. On this elevated stage the sylvan characters were almost hid amid the ferns and plants. A special platform had to be erected for the gorgeously illuminated May pole.

This electrically decorated mast with its gold and blue streamers amid the red, white and blue globes was the rendezvous for the midget fairies who, in their costumes of the college colors, danced so gracefully that all the spectators were captivated.

A sight equally as picturesque was the forest scene, where a band of gypsies was holding a dance and singing frolicsome songs.

The crowning of the May Queen was a beautiful climax to a rich kaleidoscope of stage settings. At a woodland picnic the nieces and nephews of Captain Myles run across a deserted gypsy girl, whom the returning traveler afterwards identifies as his own lost daughter.

Little Magdalene Farrish played the difficult role of Myles' recovered child. Her part called for many solos and dramatic situations, to all of which she proved competent.

A humorous monologue was introduced by Martin Louis Michon during the intermission between shifting of scenes after the first act. Another interlude was utilized by Miss Mary Louise Ahnert with an elocution recital.

Notwithstanding the threatening aspect of the firmament, several hundred people gathered for this outdoor performance, and Divine Providence held in check the overhanging clouds till the last of the spectators was snugly nestled in bed. Good weather was all-important for the successful outcome of this entertainment, and for this gift we must thank the Father of all good gifts. The financial proceeds, which exceeded all expectation, will be used by the students to defray the expenses of their annual school picnic.

General Grant's Centenary

It was one hundred years last Thursday that one of our country's greatest generals was born at Point Pleasant, Ohio. After his presidential career, Ulysses S. Grant became an Illinois citizen as was Abraham Lincoln, the other outstanding hero who helped to save the Union.

At Notre Dame Institute the centennial of "Unconditional Surrender" Grant was commemorated with a patriotic program. Among the National hymns that offset the essays and recitations was the favorite, "Blue and Gray," of Civil War fame. Grant's early life was unfolded by Miss Wilhelmina Mosel. His views on education were told by Jack Flye. Louise Colbath depicted his meteoric rise during the early 60's on the battlefields of our Republic. His military prowess was the subject of Marie Roger's essay. Miss Alida Michon concluded with Grant's career

as President and traveler. Although this conquering hero stood at the grave of Frederick the Great in Germany, of Peter the Great in Russia, and of Napoleon in France, it was at the Holy Sepulchre in Jerusalem that he exclaimed: "Here slept the world warrior, for He conquered the world with His love!" Like this Prince of Peace, Grant, abhorred bloodshed, and over his own tomb is inscribed his oft-repeated prayer: "Let us have peace!"

College Week

In co-operation with nearly two million students in the Catholic schools of this country, the current week will be observed at Notre Dame with a series of essays anent the necessity of higher education. Cold statisticians inform us that a child who is put to work at less than \$9.00 a day before completing his high school course is actually losing money. In other words, it is cheaper in the end for the boy to complete his schooling rather than give up prematurely.

During this week Sr. M. Alexandria and Sr. Anna Joseph will receive their degrees as graduate nurses at Santa Rosa Infirmary, which is preeminent among all Texas hospitals. Incidentally, Clarence Webb of Ingram is reported seriously ill in this institution.

The boys and girls of St. Peter's and St. John's Orphanages were treated to the Carnival sights and some of the attractions by the Knights of Columbus under John Williams and Frank Cloonan. The latter had the contract for the interior decoration of our palatial convent.

Judging from the many distant inquiries already received regarding the Catholic Girls' Summer Camp at Notre Dame, we may safely anticipate a big crowd between June 1st and August 15th. The main object of this experimental venture is to acquaint outside people of the advantages of Kerrville as a healthy, peace-loving community and a growing educational center.

HIGH SCHOOL NOTES

By Annie Claire Enderle

The Girls Reserve met in the High School Auditorium last Friday. Roll call and the minutes of the previous meeting were read, after which the program was turned over to Miss Moore. A sunrise breakfast next Friday morning at 5 o'clock was announced, which caused a great applause. This is to be at Lake Side Park, and from there the girls will go to school.

Grammar School

Mrs. Williamson has just had two interesting projects. In her Sixth Grade Texas History class the pupils fixed up a sand table to represent the Old Spanish Trail. The road and old missions are made of clay and look very realistic. In correlation with Hygiene pupils in the Fourth Grade, she transformed the aisles along the walls in their room into a "Spotless City." The pasteboard buildings and furnishings were made by the pupils and they are justly proud of their work.

On next Wednesday, from 2:30 to 4 p. m., the pupils in the Grammar School will have a program in the auditorium to show what each teacher has been doing during her thirty-minute period each day in the different rooms. The Parent-Teachers' Club will meet the same day, and members are cordially invited to come earlier and listen to the program.

Automobile Shop Sold

Mission, Tex., May 2.—W. H. Parka has bought the interests of W. A. Staudt in the Citizens Auto Company, and will continue the business under the same name, as sole owner.

Mr. Staudt will move his family to Kerrville, where he will be in charge of his father's interests.

Fifty per cent more money was spent by the people of the United States for perfumes, face powder and cosmetics in 1920, than the total endowment of all the private colleges and universities in the country, according to Treasury Department statistics.

Children are quick to know Kellogg's superior goodness

Little folks instantly recognize Kellogg's Corn Flakes from imitations! They know the delicious Kellogg's flavor and they know that Kellogg's are never tough or leathery, or hard to eat!

Kellogg's Corn Flakes are so superior in flavor and in wonder crisp crunchiness that once you know Kellogg's you will always serve Kellogg's.

And, Kellogg's should be best because they are the original Corn Flakes—the most delightful cereal ever made! Insist upon Kellogg's—the kind in the RED and GREEN package, because none are genuine without the signature of W. K. Kellogg, originator of Corn Flakes!

Don't forget, KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLAND Moving Pictures. Compare inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLE-LAND.

MOHAIR BRINGS RECORD PRICE IN SONORA

Sonora, Tex., April 28.—The mohair market opened here last week. C. O. Ridley, well known Sonora ranchman, topped the market with 50 cents for his six-months' clip. This is a record price for the opening of the season. The amount of Ridley's clip was small, being something over 500 pounds.

J. M. Lea, representing the wool and mohair buying concern of Crimmins & Pierce of Boston, purchased the mohair. Responding to the stimulus of good prices on both wool and mohair and live stock, Sutton County is rapidly getting on its feet after a strenuous time with drought and financial conditions.

Wool Prices Rising

Salt Lake City, Utah, April 29.—A National shortage of wool now exists and prices have taken an upward turn, J. A. Hooper, president of the Utah Wool Growers' Association, declared Friday, following the announcement that the wool growers of Jericho,

Utah, who had pooled their interests, had obtained 40 cents a pound.

The Jericho clip totaled 800,000 pounds and was owned by 39 producers, it was reported.

Stock Judging for Men

At Chas. Real's place, Wednesday, April 26th, a stock judging demonstration was given by W. T. Magee, beef cattle and sheep specialist from the A. & M. College.

Many breeders of pure bred live stock were present at the demonstration.

Mr. Magee took up very thoroughly the selection of breeding animals, pointing out the things to look for. This was all done with the animals right there, so that everyone could see just what to look for.

It was found that Mr. Real had many good sheep of the Merino type. J. A. OSWALT, County Agent.

TEXAS FLOODS CAUSE SETBACK TO BUSINESS

Fort Worth, Tex., May 3.—Business that was just beginning to assume satisfactory proportions in this section with every prospect that April would be the banner month for the last two years, suffered a serious setback because of the flood last week. Vast sections were affected, including large centers like San Antonio, Fort Worth and Dallas.

IRISH MAY FESTIVAL

The many hours of patient drilling that the Notre Dame girls voluntarily spent after school and after supper for the past two weeks, bore evidence in the masterly rendition of one of the prettiest musical pastorgals played in our Hill Country. The cantata was given outdoors with Washington Hall annex for the background. On this elevated stage the sylvan characters were almost hid amid the ferns and plants. A special platform had to be erected for the gorgeously illuminated May pole.

In other words, it is cheaper in the end for the boy to complete his schooling rather than give up prematurely.

The reports from all charges were encouraging. The Kerrville Church reported everything in full for the first half of the year. Friday evening the house was packed and the writer preached on "A Call to the Ministry."

Saturday morning, at 9 o'clock, the conference was called to order and business resumed. Dr. J. T. Curry, Missionary Secretary for the West Texas Conference, gave an inspiring report of his work, and showed that the matter of Centenary payments had pushed well up to the 60 per cent mark, the amount now due. Saturday night, Rev. H. M. Ratliff, Sunday School Field Secretary, preached a fine sermon. Saturday morning, Rev. Vetter preached a splendid sermon.

Under his leadership we expect to make our Sunday Schools more efficient. The next District Conference will go to Bandera. Judge H. C. Geddie was elected a delegate to the Annual Conference. Dr. J. T. Curry preached a magnificent sermon Sunday morning and then the conference adjourned.

The Woman's Missionary Society met in Mission Study session last Tuesday. The subject was "Mexico," and Miss Mary Gowan was the leader for the day. The following persons discussed various phases of the work of Missions in Mexico: Mrs. William Tagl, Mrs. D. H. Comparette, Mrs. H. Y. Swartz, Mrs. B. B. Lowrance, Mrs. Joe Lowrance, Mrs. Stewart Davis, Mrs. William D. Reed and Mrs. H. L. Arno. The program was well rendered and enabled the society to see just the magnitude of the work that our church is doing there.

The rain prevented the carrying out of the program for Sunday School Day last Sunday, and so it is carried over to this coming Sunday morning. At the evening service we had quite a splendid congregation in view of the weather, and Dr. Macdougall deli-

lighted the congregation with his sermon. We were glad to have Dr. Macdougall with us and hope we may have the opportunity of having him again at some future time.

The program for next Sunday follows:

FIRST BAPTIST CHURCH J. B. HOLT, Pastor

How we thank God for the splendid rains we have been having. The ground is now thoroughly soaked and all nature has on her gala attire. In some places floods have come and destroyed human life and property, but we have been spared any heavy losses. Let us form the habit of thanking our Heavenly Father heartily for the good things He gives us.

Most of our regular meetings were rained out last week. We had nothing but the Bible School Sunday.

The pastor left last Friday afternoon for the Fifth Sunday meeting of the Medina River Association, which was held with the Baptist Church at Bandera, from the 28th through the 30th. The attendance from over the association was not large, but the meeting was splendid. Friday night this pastor preached on "Why We Are Called of God." Saturday morning a number participated in discussions of the subjects: "Power for Service" and "The Real Nature of Man," Rev. S. P. Harris of Center Point speaking on the last named subject. At 11 o'clock there was a sermon by Missionary R. C. Walker on "The Abundant Life Which Christ Came to Bring." At the evening service, Rev. S. P. Harris spoke again on "The Times and God."

The women of the association had their meeting Saturday afternoon, Mrs. Meadows of Bandera presiding. Mrs. Chism of Bandera made the welcome address in a few hearty and well chosen words. Mrs. J. B. Holt of Kerrville spoke on "Stewardship and Tithing." This was followed by an interesting and profitable round-table on the "75 Million Campaign," conducted by Mrs. Meadows. The men were allowed to participate in this.

At the Associational Board meeting, held at 4 o'clock in the Bandera County Court House, considerable important business was attended to. Rev. Roger C. Walker, our Associational Missionary, offered his resignation, to take effect at once. We do not know his plans for the future. The board, by a rising vote, expressed their unfailing confidence in this faithful and energetic young evangelist. At this meeting also Mrs. Nations-Smith told of her great field

ALABAMA LADY WAS SICK FOR THREE YEARS, SUFFERING PAIN, NERVOUS AND DEPRESSED—READ HER OWN STORY OF RECOVERY.

Paint Rock, Ala.—Mrs. C. M. Stegall, of near here, recently related the following interesting account of her recovery: "I was in a weakened condition. I was sick three years in bed, suffering a great deal of pain, weak, nervous, depressed. I was so weak I couldn't walk across the floor; just had to lay and my little ones do the work. I was almost dead. I tried every thing I heard of, and a number of doctors. Still I didn't get any relief. I couldn't eat, and slept poorly. I believe if I hadn't heard of and taken Cardui I would have died. I bought six bottles, after a neighbor told me what it did for her. "I began to eat and sleep, began to gain my strength and am now well and strong. I haven't had any trouble since. I sure can testify to the good that Cardui did me. I don't think there is a better tonic made and I believe it saved my life." For over 40 years, thousands of women have used Cardui successfully, in the treatment of many womanly ailments. If you suffer as these women did, take Cardui. It may help you, too. At all druggists. E 85

NEW YORK SUCCESS ON CHAUTAUQUA

Famous Saturday Evening Post Story Dramatized.

Cappy Ricks, the rough and ready old sea captain, will be the leading character in a side-splitting, rip-roaring comedy-drama on the third night of the Chautauqua.

Peter B. Kyne, the author of the story, spent much time studying the seamen coming in and going out of San Francisco harbor, and finally found one eccentric old rascal who gave him the color for his story. Cappy's daughter, Florence, a girl who suddenly is awakened to her own responsibilities, plays an important part in the snappy story. She learns that her father, though indulgent with her, is not so considerate of others in business. Her love for adventure, and her love for Captain Matt Peasley cause her to become a silent partner in another shipping company. Cecil Pericles Bernard, who is forced to learn the shipping business from the

ground up, plays an important comedy part. Ellen Murray, Cappy's attractive stenographer, ably assists in putting the play over in a pleasing style. Broadway, New York's gala street, proclaimed to the world for a solid twelve months that Cappy Ricks was a knock-out. For a full year the theater was packed. The Cort Theatre in Chicago was the center of interest in Chicago theatre circles for six months. A wonderful record in these two cosmopolitan cities. This production will be one of the exceptional attractions in this community this year. It is only through the medium of Chautauquas that such high class theatricals can be brought to our city. Every individual within driving distance should plan to attend the third night of the Chautauqua. Special arrangements will be made to accommodate the crowd.

THE REAL TARIFF QUESTION

Fort Worth Star-Telegram: The question which is being raised by the Southern Tariff Conference is an economic question and not in any sense a political or partisan one. It is not even a question of protection or free trade. It does not foreshadow a shift

of Texas and the South. If the bill is a one-sided affair the Democratic members who "keep their records straight" will be directly responsible for it.

No academic discussion of the question of protection or free trade fits this situation. No partisan denunciation of the measure as a Republican measure fits it. If the partisan interests of the Democratic party require that Democrats shall have nothing to do with the measure, which we do not admit by any means, then the question which is before the Democrats in Congress is simply whether they are willing to sacrifice the interests of the producers of the South on the altar of fancied party advantage. That kind of party advantage, even if it could be gained, would benefit nobody but office holders and politicians, for it is related alone to political campaigns and the holding of office and not at all to the economic interests of the South.

The politicians are in control of the party machinery and apparently the Representatives in Congress are obeying the party whip without reference to the interest of their constituents. However, the right of petition has not been abolished, and it is to that the Southern Tariff Conference has decided to appeal. It has made little headway with the politicians. It is now turning to the people. If you believe that everything should be done to prevent the new tariff law from being a sectional and one-sided affair, if you believe that everything should be done to protect Texas and the South from the consequences of such a measure, then tell it to your Congressman. The bill is going to be passed. It is going to be passed and enforced by your Government, which is none the less your Government because it is controlled by Republicans. The question is what kind of a bill do you want it to be. It is up to you.

Kerrville can't afford to drop its Chamber of Commerce. The town is growing and there are more inquiries now than ever about this section. Let's reorganize and put some pep into the work.

Don't forget to give attention to the chickens, the cow and pigs on your ranches and farms, even though wool and mohair commands a good price, and the prospects are fine for wheat and oats.

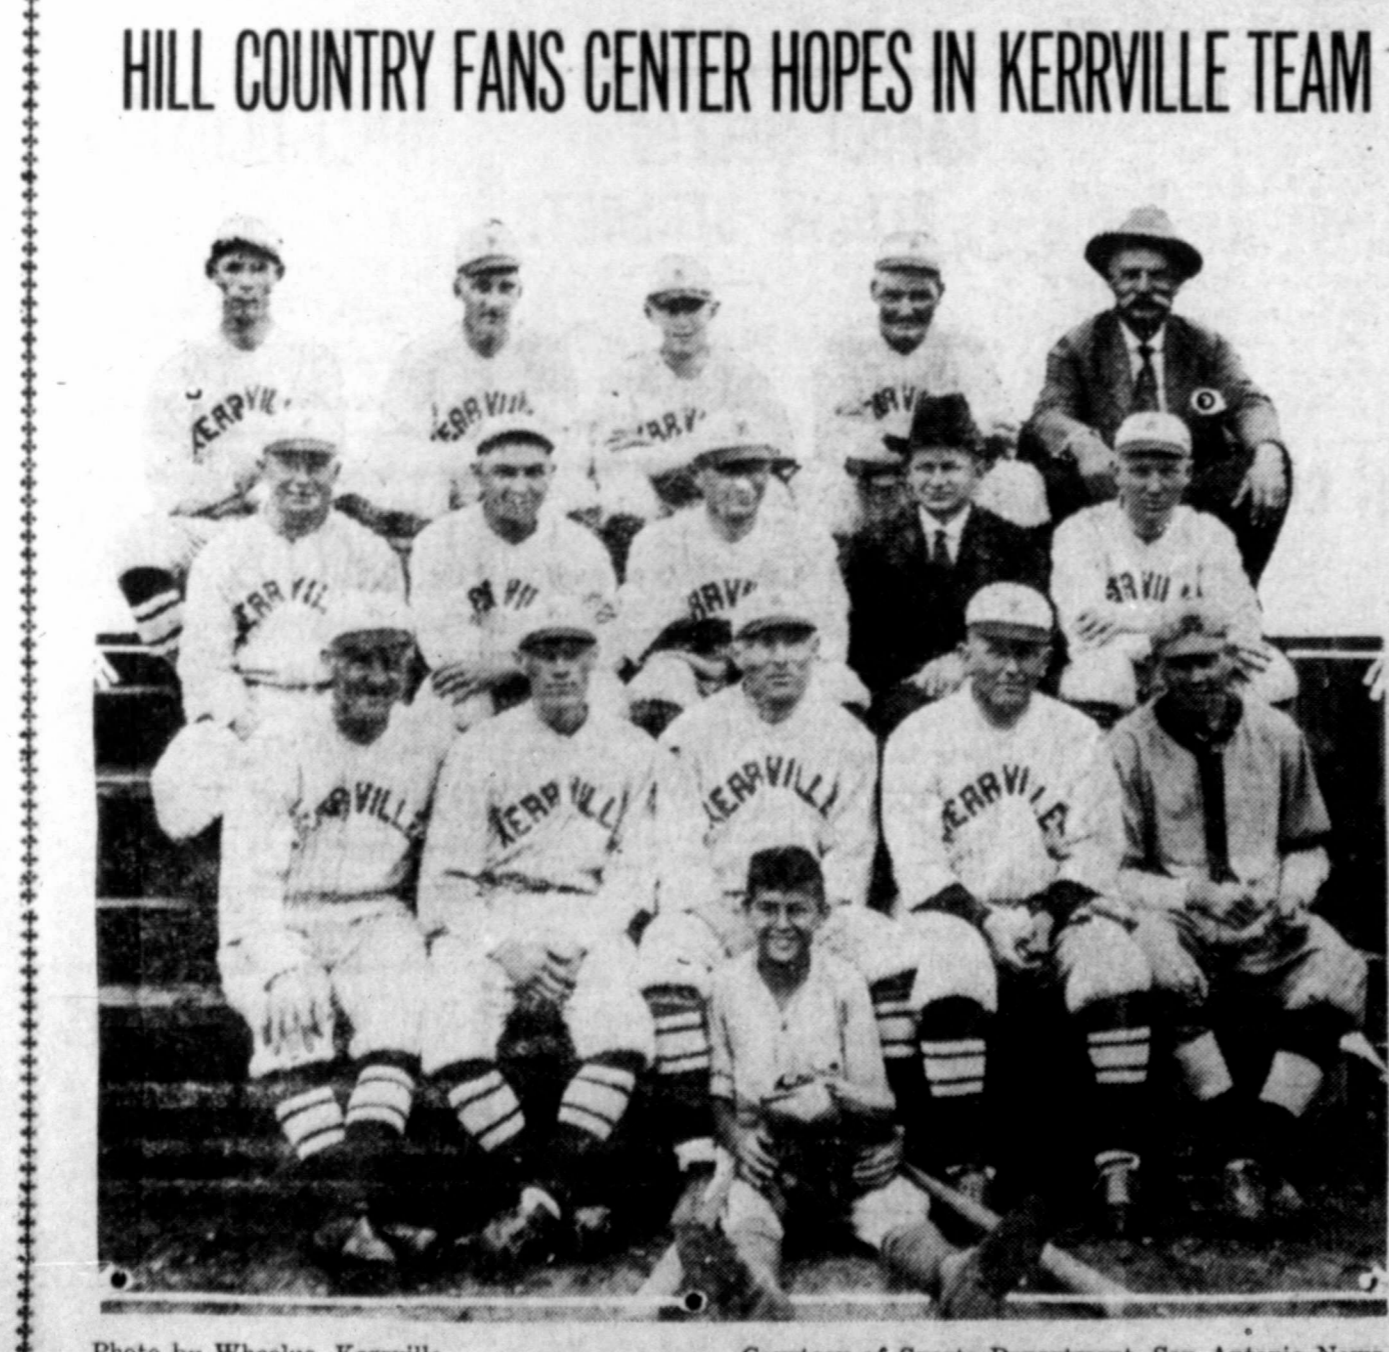

The continuous rains have given the ground a good soaking, which will sustain the crops through the summer season with very little more help. Crops of all kinds are doing well and prospects are fine for good crops this season.

The glut in lower-grade wools and the consequent fall in price, together with decline in price of mutton, resulted in liquidation, followed by reduction in breeding. In 1914 the count of sheep in the world was some 530,000,000, of which some 200,000,000 were in the British Empire. The count in 1921 had fallen to some 440,000,000, of which some 185,000,000 were in the British Empire. In 1914 the sheep of the British Empire were 35 per cent of the world stock, but they produced three-quarters of the commercial wool. In 1921 the sheep of the empire were 42 per cent of the world stock, but they produced four-fifths of the commercial wool. In this four-fifths of the total supply is two-thirds of the fine wool. Therefore, whether certain United States Senators like it or not, the British Empire controls the wool markets of the world.

In the meantime the use of fine wool has proceeded, while consumption of inferior wool has lagged behind. If the present pace of consumption of fine wool is continued and the prewar consumption of lower-grade wool resumed, the world with the present count of sheep will face a scarcity of Merino wool within a year, and a succeeding scarcity of cross-bred within another year. Prices will rise, and the breeding of sheep will be stimulated. With high prices, consumption will be depressed and a new equilibrium established.

Congressman Wurzbach of the San Antonio district is at home trying to offset the effect of the speech he made to the negroes in Washington City. The San Antonio Light printed that speech in its issue of last Sunday, and it will cook Wurzbach's political goose.

With wool and mohair at about double the prices of last year, you would have a hard time convincing the people of this section that a tariff on these products ought to be taken off. As the manufacturers are going to get a tariff anyway, the producers might just as well get some of the benefits of such legislation. The trouble has always been with Democratic policies and practices, they are more theoretical than practical.

HILL COUNTRY FANS CENTER HOPES IN KERRVILLE TEAM

Photo by Wheelus, Kerrville. Courtesy of Sports Department, San Antonio News.

Kerrville's Athletics, so christened back in the palmy days of Connie Mack's Philadelphia Athletics, seem to be on the verge of making some baseball history as did Mack's men in those days. The Kerrville clan, shown in the above picture, has won all games so far, piling up 40 runs against 12 for opponents. Last year Kerrville finished with a percentage of 800 for 24 games and the new club is stronger than last year's. Two San Antonians, Bob Barry and Edwin McCarty, form the Athletic's star battery. William Burns, veteran, and William Saenger, 19-year-old high school product, who let the Second Division down with one hit last year and held the strong San Antonio Independents to five, are other twirlers. The team, as shown in the picture is: Top row, left to right: Bob Barry, pitcher; J. B. Remschel, center field; W. Jacobs, utility; William Burns, pitcher; E. Schwethelm, manager. Middle row: Sam Amberson, shortstop; Emmett Henke, right field; Herbert Holchak, captain and third baseman; Eugene Butt, scorekeeper; William Saenger, pitcher. Lower row: Edwin McCarty, catcher; Louis Wilson, first base; Charlie Kuesel, second base; Cecil Robinson, left field; Ellis, utility. Charlie Morris is the mascot. The defenders of the Hill Country's baseball laurels have some open dates and would like to fill them with San Antonio and other local teams of the surrounding country. Arrangements can be made by telephoning or writing Secretary H. C. Holchak.

FROM GLUT TO SCARCITY

Saturday Evening Post: Wools are divided into two main groups—Merinos and cross-breeds. Merino wools are finer and adapted to the making of the most prized cloths. Cross-bred wools are coarser and inferior from the standpoint of making cloths. When the war closed, a heavy accumulation of wools, largely cross-breeds, lay in British hands. The clip of 1920 added to the store of stocks. The clip of 1921 was below the normal level of consumption.

The glut in lower-grade wools and the consequent fall in price, together with decline in price of mutton, resulted in liquidation, followed by reduction in breeding. In 1914 the count of sheep in the world was some 530,000,000, of which some 200,000,000 were in the British Empire. The count in 1921 had fallen to some 440,000,000, of which some 185,000,000 were in the British Empire. In 1914 the sheep of the British Empire were 35 per cent of the world stock, but they produced three-quarters of the commercial wool. In 1921 the sheep of the empire were 42 per cent of the world stock, but they produced four-fifths of the commercial wool. In this four-fifths of the total supply is two-thirds of the fine wool. Therefore, whether certain United States Senators like it or not, the British Empire controls the wool markets of the world.

In the meantime the use of fine wool has proceeded, while consumption of inferior wool has lagged behind. If the present pace of consumption of fine wool is continued and the prewar consumption of lower-grade wool resumed, the world with the present count of sheep will face a scarcity of Merino wool within a year, and a succeeding scarcity of cross-bred within another year. Prices will rise, and the breeding of sheep will be stimulated. With high prices, consumption will be depressed and a new equilibrium established.

Congressman Wurzbach of the San Antonio district is at home trying to offset the effect of the speech he made to the negroes in Washington City. The San Antonio Light printed that speech in its issue of last Sunday, and it will cook Wurzbach's political goose.

With wool and mohair at about double the prices of last year, you would have a hard time convincing the people of this section that a tariff on these products ought to be taken off. As the manufacturers are going to get a tariff anyway, the producers might just as well get some of the benefits of such legislation. The trouble has always been with Democratic policies and practices, they are more theoretical than practical.

as President and traveler. Although this conquering hero stood at the grave of Frederick the Great in Germany, of Peter the Great in Russia, and of Napoleon in France, it was at the Holy Sepulchre in Jerusalem that he exclaimed: "Here slept the real warrior, for He conquered the world with His love!" Like this Prince of Peace, Grant abhorred bloodshed, and over his own tomb is inscribed his oft-repeated prayer: "Let us have peace!"

The rains have continued quite regularly the past week, and some hail fell on Town Creek and near Ingram Tuesday evening. The river was up a little for several days, but no big booming rise as we have occasionally. However, the main reason for that has been on account of the steady, slow rain that fell, which enabled the ground to absorb it.

Miss Ethel Williams received a telegram Thursday afternoon of last week from her brother, H. E. Williams, who lives at Portland, Ore., stating that his wife had died that morning at 11 o'clock. The range is a thing of beauty, he says. Also, he reports that the kid and lamb crop of the country is as low as 5 per cent in some localities, while it is doubtful if any range will have a 25 per cent crop. This is on account of the long drought of the fall and winter in which the animals found it difficult to keep up the fight for life.

THE NATIONAL DEMOCRATIC CHAIRMAN GETS IT STRAIGHT

Kansas City Star: Chairman Cordell Hull of the Democratic National Committee has just completed a swing around the circle. He visited, he says, fourteen States in the Middle West, and in each State he surveyed the political situation. And what do you think he took back to Washington with him? A Democratic Congress.
There is, Mr. Cordell Hull says, no doubt of it. So that ends it. It is all over. In every State, the report says, Mr. Hull was in conference with the Democratic leaders. At night there would be a dinner, or a banquet, or a mass meeting, or something or other, or all combined. And in every instance the local leaders assured him that there is a revolt against President Harding, a riot against Congress and a wild clamor for the return of one of those old-time Democratic majorities in Congress.
Consequently, Mr. Hull went back to Washington all jazzed up over the outlook, which shows that Mr. Hull is the right sort of a chap for chairman of the Democratic National Committee. He gets right down to bedrock and brass tacks. He knows how to size up a situation and get out of town on the next train. Some chairmen are not like that. We have known politicians who would spend a whole day in consultation with local leaders, attend a banquet with them, speak at a mass meeting or something, and then admit that they didn't know what to think about it. Not that for Mr. Hull. When the Democratic committeeman from Sacketsville was admitted to his room in the hotel and the National Chairman asked him to give him the "inside" on the political situation, Mr. Hull got what he was looking for.
It is customary—as we all know—for local leaders to tell the National Chairman that there is no chance whatever. Local leaders, in the presence of their superior officers in the party organization, have the habit of putting the darkest possible look on political situations. The local leaders think that is what the National Chairman likes to hear, and they are as gloomy about the situation as a candidate for office. And candidates never claim anything.
But Mr. Hull is the sort of a chairman, evidently, who says to a local leader: "Now, sir, I know your tricks and your manners. Come on, now. Tell me the truth about it. None of your dodging about the bush with your gloom stories." That's the way Mr. Hull does business, apparently, and that is why he knows, after attending conferences in fourteen States and territories of the United States of America, that the Democrats have the next Congress as good as elected and salted down.
No wonder he feels all jazzed up over the outlook.

HEN-PECKED HUSBANDS

Chautauqua Brings Help.
No longer do the women and children get all the flowers and favors at Chautauqua. This year the downtrodden and abused among husbands are to have some attention and consideration. The Chautauqua management believes in making courageous innovations when necessary. Consequently Rip Van Winkle will appear on the third night of the big assembly by coming soon to give his recipe for curing domestic difficulties. Men everywhere are especially invited to attend his program and follow his endeavors to evade the wrath of the irate wife shown waiting for him in the picture above.
