NUMBER 44

Meeting of Chamber of Commerce To Be Held Monday Night

Prof. J. J. Delaney will be host to the Chamber of Commerce at its meeting Monday night at Schreiner Institute. The time has been set at 8 o'clock and a good attendance is expected.

A number of matters of importance are scheduled to come up for discussion at Monday night's session. In addition to these matters and to routine business, several good addresses will be made.

Probably the feature of the entire meeting will be the talk by J. H. Kirkpatrick, prominent real estate dealer of San Antonio and a booster for Southwest Texas, who is being sent here by the San Antonio Chamber of Commerce, in company with C. C. Wolfe, manager of the trade extension department of that organization. Mr. Kirkpatrick has the reputation of being one of San Antonio's most gifted and eloquent orators and a rare treat is in store for those who attend the session.

The committee from the Chamber of Commerce that has been working on the fish hatchery proposition will make a complete report of their work to date. This summary will give the results of the drive for funds conducted with the aid of the Mountain Sun, the amount needed to fill out the quota, if incomplete at that time. It will also give an account of the work done at the hatchery and the progress of the building operations in detail.

C. E. Salter, chairman of the hatchery committee, has been actively engaged in the work at the site since actual construction was begun and reports good progress being made in spite of the disagreeable weather.

Another matter to come up for discussion will be that of camp sites for next summer. It is planned to make a log of the highway to Junction, in collaboration with the Chamber of Commerce of that city, for all the good camp sites available and erect signs on the road directing parties to them. It is also planned to issue a map giving all these camping places and to have the owners charge campers a certain rate per day. This is a very important question and all those having camp sites are asked to write to the local Chamber of Commerce, giving full information relative to them for listing.

A complete report of the Kerrville-Junction picnic will be given by the committee from the local Chamber of Commerce on that celebration. Various other reports will also be given.

The committee on the sewerage proposition will give a full explanation of the contract which the City Commission has signed. It is thought also that information relative to the progress of the work, etc., will be available.

The meeting promises to be one of the best since the re-organization of the Chamber and no doubt will be profitable to everyone who attends. Refreshments will be served to delight the "inner man" in addition to the pleasure derived from the business of the session.

A cordial invitation is extended to every one who is interested in the advancement of Kerrville and The Hill Country, whether members of the Chamber of Commerce or not, to be present at Monday night's meeting at Schreiner Institute.

LEGIONNAIRES ATTEND MEETING AT VETERANS' HOSPITAL TUESDAY

Proposal of Merging With Local Post Discussed—Action To Be Taken Next Tuesday Evening.

A number of members of Garrett-Baker Post No. 13, American Legion, attended a meeting Tuesday night of men at U. S. Veterans' Hospital No. 93, who were interested in Legion work. The session was largely a social gathering, but matters pertaining to the forming of a post at the hospital were discussed.

S. E. Bomar was elected chairman pro tem of the meeting and C. M. Doss, secretary. Mr. Bomar read the preamble to the constitution of the American Legion and the requirements for membership in the organization. A vote was taken and indicated that practically all those present were in favor of having a Legion Post at the hospital or of uniting with the local post.

Cecil Robinson, commander of Garrett-Baker Post, was called upon and offered a proposition that the local organization was willing to agree to. The proposal was that Garrett-Baker Post transfer its place of meeting from Lake Side Park to the Veterans' Hospital and take in as members all those who were not already in the local organization. The offer also included a re-election of officers or a continuance of the present personnel until their term expires January 1st, either course to be left to the members to decide upon by a vote.

Mr. Robinson stated that the local post was reorganized the past summer for the sole purpose of looking after the needs for such an organization at Legion and that should an independent post be formed at the hospital, in all probability neither the new organization nor the local post would be as ef-

fective as one post with all working together, as a large number of the members of Garrett-Baker Post were stationed at the sanatorium.

Chairman Bomar submitted the proposition to the meeting and it was voted to hold another session next Tuesday night at 8 o'clock in the recreation hall of the hospital for the purpose of taking action on the offer of the local post. All Legionnaires and those interested in the proposal who are eligible for membership are cordially invited to be present at next Tuesday night's meeting.

Following the discussion of the business matters a social period was observed, during which ice cream and cake were served by the Red Cross and general good fellowship prevailed.

BOERNE STARTS MOVEMENT TO EXTEND PAVED ROAD THIS WAY

Business Men of That City Endorse Proposal to Develop Highway to Kerr County Line.

A large number of the business men of Boerne held a meeting recently at which plans were discussed for a campaign to extend the paved highway this way to the Kerr and Gillespie County lines by means of a bond issue, State and Federal aid.

A committee has been appointed and is at work on the proposition. D. C. Colp, of the Glacier-to-Gulf Highway, was present at the meeting and advised that a county-wide bond issue could be made to retire some of the outstanding bonds for road districts.

By putting this movement through, Kendall County will thereby establish a State Highway which would be maintained by the Highway Department, releasing money formerly spent in upkeep of the road for use on lateral roads within the county, as has been the case with the Old Spanish Trail through Kerr and Kimble Counties.

The campaign on the part of Boerne for an extension of the paved road this way is indeed a commendable one and will no doubt meet with a response from Kerr and Gillespie Counties. Boerne already has a hard-surfaced road connection with San Antonio and in promoting the new roads which will serve Kerrville, Comfort, Center Point and Fredericksburg as a shorter link with San Antonio, will at the same time be benefitting the entire northern section of Kendall County.

Kerr County is to have a paved highway from the west side of Kerrville to Silver Creek, about seven miles below the city, and the matter of extending it to the Kendall County line could be accomplished at just a little greater cost, thus meeting Boerne's proposal to meet the road at the County line.

RAINY WEATHER DELAYS WORK ON KERR COUNTY FISH HATCHERY

Work To Be Rushed as Ponds Must Be Completed and Stocked With Breeders by December 1.

While the rainy weather last week end and the first of this interfered with the work being done on the Fish Hatchery, some progress was made, and it is hoped that good weather will prevail from now on so that construction can be rushed. This is necessary as the Hatchery must be completed and the breeders installed by December 1st in order to get results next spring.

Tuesday evening \$2,000 of the \$2,500 fund had been subscribed and the members of the committee, who have been looking after that part of the work, expect to finish up this week. Center Point has not been visited owing to the rain and several parties out of town, who are expected to help, have not been heard from.

The following have invested in Kerr County's Fish Hatchery the past week:

Jno. S. Callaway, \$25; J. L. Fowler, \$10; A. W. McKillip, \$10; H. R. Wall, \$5; C. E. Burke, \$5; W. D. C. Jones, \$5; Davis & Durrin, \$5; Herbert L. Crute, \$5; Van Horn Electric Co., \$5; Carleton W. Adams, \$5; Louis Reak, \$5; Peter Dondlinger, \$5; Dreddy's Garage, \$5; L. T. Davis, \$5; Hayward Miller, \$5; Dr. L. Sandel, \$4; Richard Holdsworth, \$2.50; H. I. Hardin, \$2.50; H. C. Robinson, \$2.50; Geo. Shumaker, \$2.50; R. T. Love, \$2; H. Gordon, \$2; J. M. Roberts, \$2; Dr. G. S. Lincoln, \$2; Mrs. Mary Newton, \$1.50, and the following \$1 each: Erie Denton, Ben Surber, I. W. Vanhooser, Mark Mosty, Judge W. C. Baker, A. P. Brown, E. T. Butt, W. C. Coleman, J. C. Francis, Dr. L. C. Gatz, Ed Mosel, John Massey, M. H. Heckman, Wm. Boeckmann, W. H. Page, J. B. Tucker, E. W. Speckels, A. G. Sperber, Joe R. Cooke, A. L. Materne and Ed. Smith.

The Sun again asks those of its subscribers who have not already invested to send or bring in their checks and help raise the small amount necessary to complete this important undertaking. As stated by The Sun before, you are not giving—you are investing, and every public-spirited citizen of the county should be willing to invest a dollar, five or ten, in Kerr County's Fish Hatchery—the first independent Hatchery in the entire State of Texas.

Slow Drizzling Rain Follows First Cool Wave of Fall Season

A brisk norther, the first of the year, struck here about 3:30 last Saturday afternoon and sent the mercury sliding from 84 down to 60, a drop of a little over 20 degrees. A steady rain began falling about three hours later and at 7 o'clock Sunday morning the temperature reading was 52 degrees with the rain gauge registering .85 inch.

A slight shower had fallen Friday night, and Saturday morning was partly cloudy, with the sun breaking through the overlying clouds at intervals. The slow, cold drizzle that set in late Saturday evening continued intermittently during the early part of the week.

Tuesday night the skies cleared off and Wednesday dawned clear and beautiful. The mornings have been brisk since the arrival of the norther last Saturday and sweaters and coats have been in evidence during the forenoon each day. With the sun shining, prospects are good that the weather will become warmer and with the cessation of the showers for a few days a fine season will be put in the ground. This will make good winter crops practically assured, as a large number of farmers have most of their fall sowing completed.

The ranges derived untold benefit from the good showers of the past few days. Coming on top of the rains of a few weeks ago, the grass will be given a new start and will assure good grazing for the winter. Altogether prospects for a good season in The Hill Country are brighter than they have been for several years.

The rainfall for each day, as given by Davis Horne, Government observer, was as follows: Friday, .18; Saturday, .85; Sunday, 1.25; Monday, .19, and Tuesday, .01. Total, 2.48 inches.

VETERANS' HOSPITAL CLINICAL SOCIETY HELD GOOD MEETING

Dr. A. G. Walker Read Excellent Paper and Beneficial Discussions. Marked Interesting Session.

The Clinical Society of the U. S. Veterans' Hospital No. 93 met in the Officers' Assembly Room, Administration Building at 1 o'clock Friday, October 12.

A most excellent and comprehensive paper was read by Dr. A. G. Walker, Chief of the Tuberculosis Section of U. S. Veterans' Hospital No. 93. The subject of the paper was "Tuberculous Enteritis Complicating Pulmonary Phthisis." The discussion was opened by Dr. G. H. Garrett, who in a very interesting talk reviewed the subject from a surgical standpoint. He was followed by Dr. C. L. Moore who discussed the paper from a medical standpoint in a very able manner. The subject was further discussed by Dr. H. Y. Swayze of Kerrville, Chief of the Eye, Ear, Nose and Throat Department of the Hospital, presented three cases of Mycotic infection of the external auditory canal due to the aspergillus.

Dr. Matz, Pathologist, spoke on the biological characteristics of the aspergillus and presented microscopic specimens and cultures of the fungi.

Those present at the meeting were: Drs. Jackson, McDonald, Dominguez, Swayze, Palmer and Roberts, all of Kerrville, and Dr. C. C. Jones of Comfort.

The medical and dental officers of U. S. Veterans' Hospital, No. 93 present were: Drs. Cook, Gemmill, Walker, Matz, Woods, Stinson, Garrett, Happel, Moore, Klein, Evans, Fryar, Adams and Denson.

PARENT-TEACHERS' CLUB PLANS IMPORTANT WORK FOR NEXT YEAR

High School Campus To Be Beautified and Irrigation System Put In With Pupils Helping in Project.

More than 40 members attended the October meeting of the Parent-Teachers' Club in the Tivy High School auditorium Wednesday afternoon of last week. In addition to several reports, plans for the ensuing year were taken up and acted upon, committees being appointed to help carry out the work.

Probably the most important matter upon which action was taken at the meeting was that concerning an educational movie night. A committee from the Parent-Teachers' Club, backed by all the schools of the city, met with Wm. Brice, manager of the Dixie Theater, and an agreement was reached that the theater would show only the best of films Friday nights of each week, preferably pictures of an educational nature. Friday night will be called "School Children's Night" at the local theater and the programs will be devoted entirely to movies suitable to them. The management is to be complimented upon the action they have taken in the matter and for their co-operation with

the schools through the Parent-Teachers' Club committee.

Another matter acted upon by the members was the plan for laying water pipe around the school campus with hydrants every 50 feet to facilitate the beautification of the grounds. It is estimated that this project will cost about \$200. The club has decided to furnish the money and the pupils themselves will assist in the work of building and caring for the flower beds, trees, etc.

Mrs. W. B. Brown is chairman of the Ways and Means Committee and Mrs. L. W. McCoy and Miss Annabel Collins were appointed to serve with her.

Mrs. Jim Rees tendered her resignation as third vice-president, Mrs. A. F. McClelland being elected to fill the vacancy. Mrs. R. Holdsworth and Mrs. M. M. McFarland were appointed to serve with her as a social committee. Miss Mabel Thorburn was elected as reporter to fill the vacancy caused by the resignation of Mrs. Amy Wallace.

Mrs. J. B. Young and Miss Lucille McCoy rendered a piano duet during the program and Supt. R. A. Franklin gave a short talk. The treasurer's report showed a balance in the treasury of \$111.58.

Delicious refreshments were served in the domestic science department during the social hour following the business session.

GOOD ROADS OF HILL COUNTRY BOOSTED BY PEN AND PICTURE

Illustrated Story By Grinstead In Texas Highway Bulletin Spreads Fame of Old Spanish Trail.

The September issue of Texas Highway Bulletin containing an excellent story by Hon. J. E. Grinstead on the highway from Kerrville to Junction. The article bore the heading "The Roads of Kerr County" and featured four paneled photos of scenes along the Old Spanish Trail in Kerr and Kimble Counties. The story follows:

I reckon when Appius Claudius got that little old trail of his finished, he got out some handbills that read about like this: "You fellows have no doubt heard that Rome is the only place on earth that really amounts to anything. Probably you have always wanted to visit this imperial city of the world, but couldn't because your old Ford got stuck in the mud. This is to advise the world that the Appian way is finished. She is a pippin! If you can make it from your native village to Capua, you can cock her wide open, and roll into Rome. Come on, fellows, and see a real town!"

Understand there is no record of just what Appius did say, but that would have been the natural thing. Well, if Ap could swell up that way over a trail of that length, we certainly are within our rights when we get a bit chesty over the Old Spanish Trail, which is long enough to go around Italy about four times. Even Kerr County has a right to swagger and talk about her part of the wonderful trail.

We don't want to brag. It looks bad, we'll just make our cold statement of fact about the section of trail through this country, and then show the roads. The fact is: "The section of the trail that runs over and through the mountains of Kerr County is the most picturesquely beautiful piece of roadway of the same length in America."

All right! All right! Go ahead and say it. All we ask is that you come and look at it. The pictures in these pages are just ordinary photographs, and no the dress of an artist of the road as it should be. There are hundreds of others just as pretty. It was a hard task to select them from so many wonderful views. As Appius said, "She's finished now. You can cock her wide open, and ride."

Like the ancient people of outlying Italy, you have often wanted to visit the Hill Country of Texas, no doubt, but were bluffed out by the stories of the rough roads through the mountains. Well, it used to be rough. You may have heard the stories of the man who tried to make the trip through in a two-wheel cart. The road was so rough, and the hills so steep that he had to lock both wheels, and hobble his horse's hind legs. All that is a thing of the past along with bear and Indian stories.

The section of the Old Spanish Trail that has just been completed comprises thirty-two miles, extending from Kerrville to the Kimble County line. Nowhere in Texas has such a feat of engineering skill been shown on road building. Formerly, the road followed the Guadalupe River for a distance of eighteen miles, crossing and re-crossing the stream. There were deep crossings, gravel bars, and all the varied hindrances to the traveler. The builders have carved a road out of the solid stone of the mountains, built up the low places with stone from the cuts, bridged the gorges and chasms, and made of this particular stretch the most beautiful bit of roadway in America.

In the Hill Country of Texas there are no lowering peaks, with snow above the timber-line. These low ranges contain all the mountain beauty in the world, in miniature. As one speeds along the smooth stone road, flashing across mighty concrete bridges that span the gorges, he can glance down into the valley where the Guadalupe winds like a silver thread

PEDDRICK DEFEATS HUNTINGTON IN FINALS OF GOLF TOURNAMENT

Keen Competition Created Interest In All of Matches—First Tourney Is Considered Big Success.

E. M. Peddrick defeated S. H. Huntington in the finals of the golf tourney on the Hill Country Club links last Friday afternoon. Three up and two to play, for the Golf Illustrated trophy.

Contrary to what the score would indicate, the match was interesting and hard fought from the first hole. The score was neck and neck for the first three or four holes, but Peddrick took the edge on Number 5 when Huntington seemed unable to putt accurately.

Sixteen players were entered in the tournament which started Tuesday of last week. In the upper half Bob Barry went through to the semi-finals where he was eliminated by Huntington. Ally Beitel played into the semi-finals in the lower half where he went down before the winner of the tourney. Both semi-final matches were close, the Huntington-Barry fray having to go an extra hole for the decision and Beitel losing his match by a single hole.

It was the first championship match held on the local links and is considered a big success. Plans are already under way for another tourney in the near future and it is hoped that a greater number of golfers will be entered than were in the first fray.

It is thought that with the completion of the additional unit to the City water works system water will be available on the site of the permanent country club and that construction on same will begin shortly afterward. More people are becoming interested in golf and the success of the game in Kerrville is practically assured.

HARRY OTTMERS ELECTROCUTED BY CONTACT WITH LIGHT WIRE

Killed Instantly Monday Morning After Touching Live Wire in Barn; Funeral Tuesday.

Harry Paul Ottmers, 15-year-old son of A. D. Ottmers of this city, was instantly killed about 7:30 Monday morning when he came in contact with an electric light wire in the barn at his home. The body was taken to Fredericksburg for burial in the Cave Creek Cemetery Tuesday.

According to the information available, the boy had gone to the barn to attend to milking. As he went in it seems that he was reaching for the light socket when he touched the wires, which were said to have been jerked out of place a day or two before.

A brother, who was with him at the time, stated that the boy fell to the ground and was dead when he reached him.

Although no definite cause was given, it is thought that the wiring in some way became short circuited and that the lad received the full charge.

SUBSCRIPTION NOTICE

There was a time when little or no attention was paid to subscription accounts, but that day is past. Newspapers are now run on a business basis and each department made to share its part of the expense. For that reason the subscription rates of The Sun will be \$2 per year after Jan. 1st, 1924. All subscriptions paid before the above date will be received at the present rate of \$1.50 per year.

CENTER POINT EGG CIRCLE GETS INTO OPERATION IN FINE SHAPE

Adopted Constitution and By-Laws at Meeting—Culling Demonstration at Hunt Last Saturday.

Mrs. Lee Mosty, president of the Center Point Egg Circle called a meeting for last Thursday night for the purpose of adopting a constitution and by-laws for the organization. Fifteen people were present at the meeting and the circle organized with eight members. A number of others want to join later. All in the Center Point community that care to do so are invited to become members. The constitution and by-laws adopted were modeled after those given by the Extension Department of A. & M. College.

It was decided to produce infertile eggs only and to market them as such. The members took the view that it was cheaper and more economical to produce infertile eggs and get only good cocks to head their breeding pens, in this way doing away with feeding extra cocks and producing fertile eggs that would lower their product. By watching their flocks they can find their best producers and mate them with better cocks and raise the standard of their flocks.

The County Agent held a culling demonstration at J. R. Mayhugh's above Hunt Saturday evening. Seven were present at the meeting and a number were kept away on account of the rain. A number of questions were asked about culling, feeding and care of poultry.

The County Agent laid off terraces on a field for Judge Julius Real last Tuesday. It was a new field and Judge Real wanted to keep it in good condition by preventing the starting of ditches. One of the most important problems confronting the farmers of Kerr County today and the State of Texas in general, is terracing. As a whole we are neglecting this important work and the productive value of the land is becoming less each year due to the soil washing away. The only way to stop this enormous loss is by terracing and keeping the water from flowing over the fields.

Owing to rain and unfavorable weather the meeting at Union Valley School House below Center Point was called off. The meeting was set for last night and O. W. Hinds, Chief Clerk at Legion, had promised to be present and tell the farmers some of the products that Legion was in the market for. The meeting will be held later and all who are interested are invited to be present.

THE WEEK IN SOCIETY

Seniors of Tivy High Entertain

With the help of the Junior girls, the Seniors entertained the Potet and Tivy football teams last Saturday afternoon at 5 o'clock in the domestic science room.

The room was artistically decorated in the team's colors. Chocolate, sandwiches and cake were served.

Misses Thorburn and Collins chaperoned the crowd.

Visitor Complimented

Mrs. Miller Harwood was hostess at a delightfully appointed bridge party at the St. Charles Hotel last Thursday morning honoring her guest, Mrs. T. L. Johnson of Sinton.

The parlor was prettily decorated with pot plants and yellow cosmos, making an ideal setting for the players. Prize for high score went to Mrs. L. Sandel and Mrs. Johnson received the award for low score.

A dainty salad course was served to seven tables of players.

Q. V. Bridge Club

Mrs. O'Leary's cow did not kick over the lamp Chicago Day, Tuesday of last week, but Mrs. Bruno Schott made the day just as memorable for the big gathering of card-players at her home. No one could kick about

the delicious refreshments and the costly premiums; least of all the successful contestants: Mrs. J. E. McCreary, Miss Angeline Kemper, and Mrs. Ida Newton.

None of the club members had an ox to sell or a farm to buy; but all were present at the feast, and some brought guests with them. The illumination was not as costly as the Chicago conflagration, but it was better appreciated, even by the losers.

REPORTER.

Digest Club

Tuesday of last week the American History Class of Tivy High School organized a Digest Club. The purpose of this club is that while studying the History of Our Country, they may keep up with affairs of today. The following officers were elected: Lucile McCoy, president; Herman Rees, secretary; and Anna Belle Council, reporter.

Friday their first meeting was held and several important and interesting topics of the day were discussed.

Celebration at Sunset School

The Sunset community celebrated Columbus Day with an evening of entertainment at the school house. The program consisted of "America," several short plays, two readings of Columbus, a flag pantomime of "Columbia the Gem of the Ocean." This was followed by a box supper in which the school realized about one-hundred and six dollars.

In the contest for the prettiest girl, Miss Maurine Zachry won the basket of fruit, with a close second in Gladys Smith. Herbert Oehler won the cake in the young men's contest, and Mr. and Mrs. Knibbe were presented a doll for being the most popular married couple.

Senior Students Honored

A luncheon was given by the Seniors in the domestic science room at noon Tuesday in honor of three of the Seniors whose birthdays were in October. The honorees were Lucile McCoy, Herman Rees and Chestney Mayhugh. Sandwiches, chocolate, cake

and potato chips were served to the following:

Lucille McCoy, Herman Rees, Chestney Mayhugh, Anna Belle Council, "Doots" Brashear, Ada Nance, Lucile Taylor, Minnie Smith, Marie Hardin, Alice Moore, Margaret Morris, Etta Ward, Alton Hardin, Obie Griffin, Pope Edwards, Arthur Saenger, Otho Albe and "Sparkplug" Mogford. Miss Garrett, Mr. Moses and Mr. Franklin were guests.

SAN ANGELO JUDGE IS FAST WORKER

San Angelo, Tex., Oct. 17.—A record, at least in the district, if not in the State, was believed established by Judge William H. Atwell of Dallas, in entirely clearing, save for one case, the entire criminal court docket of 31 cases up to noon yesterday in United States Court for the San Angelo division of the Northern District of Texas.

Court convened Monday morning. Judge Atwell dismissed 15 cases, some of them seven years old, for lack of evidence or continued failure of either prosecution or defense to announce ready.

J. E. Henderson and wife to Dr. F. C. Walsh, 1,481-acre Ed. Henderson ranch on Bear Creek, Kerr County; \$11,107.50.

Obituary

The following obituary notice on the death of Joe B. Swan was recently printed in a daily paper at Atlanta, Ga.:

Joe B. Swan was born in Northern Georgia April 20, 1895. He was 28 years and six months old at the time of his death. He enlisted in the United States Army Jan. 27, 1917, and served four years, five months and ten days. He sailed for France Sept. 7, 1917, and returned Oct. 3, 1919; was awarded the French Croix de Guerre Jan. 27, 1919. He saw service

in five active battles and was one of seven men out of 250 to return.

Mr. Swan had been a member of the First Baptist Church for the past eight years.

He was married to Mrs. Minnie Mae Lowrance at New Braunfels, Texas, July 3, 1923, and had resided at San Antonio until several days before his death, when he was moved to the home of Mrs. Swan's parents, Mr. and Mrs. Wm. Boeckmann of Kerrville.

Mrs. Swan accompanied the body to Wrens, Ga., where interment was made in the family cemetery at that place.

He is survived by his wife, Mrs. Joe B. Swan, and little son, his mother, Mrs. B. S. Swan, also five brothers and two sisters, all of Wrens, Ga.

The many friends of the bereaved wife and family offer their heartfelt sympathy.

J. M. Witt of Center Point was in Kerrville yesterday for several hours transacting business.

Loyalty to the Home Town

Albany News: One of the biggest words in the English language is loyalty—loyalty to your friends, loyalty to your government, to your home, your church, and in particular loyalty to the community in which you live. It's the spirit that we ought to engender, for in spite of everything on earth, the town is just what you are. If you are a tightwad, old-fashioned miser, short sighted, never have a vision longer than your nose, live alone for profit, God have mercy on that town where you live. It does us good to meet a man who is brim full of loyalty for his home town, who backs up and fosters every movement for the betterment of the community, never knocks, always smiling, wet or dry, hot or cold, he's rearing to go.

We think that the dearest thing on earth is a dead newspaper man; he fairly stinks as he walks down the street; never has a dream or a vision; his paper looks like a last year's almanac, full of patent medicine ads. and if he should happen to write an editorial squib, you have to hold your nose to get by it, else you become contaminated and stinketh yourself. And the next dearest thing on earth is a dead merchant, one that stands in his store door with a sour grin on his face, one of those hard time looks that would make the devil laugh for joy; it stops the clock of progress, clogs the wheels of do, hangs the spectacle of hard times on the sky of hope, and oh, gollys, it gives one the blues to converse with him. Yes, everything is out of gear; there ain't no money in the country, and the whole push is staged for a fall. High taxes and short crops is his daily song, sung to the tune of a funeral dirge. Ask him to buy space in the county paper and he will turn to a kind of sallow green, and how mournfully he will sing his old song of hard times and scarcity of money.

And say, you fellows that are crying about hard times just ought to slip down to the Albany Post Office and look in the rear. It's piled to the ceiling with merchandise from Dallas, Fort Worth, Waco, Houston and Sears-Roebuck. Yet they read the big ads in the daily papers and catalogs, and always the fisherman with live bait gets the game fish.

Loyalty to the home town: Get up and fight for it; toot your horn about it far and near; praise everything about it that is good; join the booster gang; roll up your sleeves and do battle for the old home town.

We have in mind a small town in Texas, one of the liveliest and biggest little towns in Texas, notwithstanding that it has grown up under the shadow of one of the largest cities in the South, just 16 miles away from the big city, and a concrete road links the village to the city, but nary a bundle of goods does that small town buy down at the big city. They have a live chamber of commerce and this institution has fostered the spirit of buy at home and this spirit is so strong that one dares not go away from home to buy goods. A man or woman walks into a store and calls for a certain article, if they do not have it in stock the merchant will say, "Just wait a moment and we will get the article." No, no, don't allow anybody to go out of town to buy anything—hair pin, steam engine or what not—and that spirit of buy at home is so strong that they will blacklist anyone who goes down to the big city to buy anything whatever.

Every man, woman and child is a booster for that town, stand behind every movement, back up the school, the church, city council and chamber of commerce, etc. And say folks, they tell us that a knocker can't reside in that town and do business; no, there ain't no place for the old tightwad.

RE—THE PLACE TO SAVE MONEY
EDER BROS.
 RICKSBURG, TEXAS

It is said that it is the only town in Texas where the merchants fuss at the newspaper man because he will not give them more white space in their ads, and every mother's son of them advertise, else they are boycotted, and it is a noted fact that that is the liveliest country weekly in Texas although four big daily papers are printed right at its doorsteps every morning and evening. Say, up there on main street there is a billboard with this writing on it—LOYALTY TO YOUR HOME TOWN—and we wish to God that some folks in this town would read it, and get it burnt into their craniums.

Let's start a campaign for home loyalty. Let's start a campaign for buying at home. Let's start a campaign for backing our schools, our churches. Let's start a campaign for civic beauty, better streets, prettier homes, prettier yards. In other words, folks, let's build here a town worth while. Won't you help your county paper? Come on, let's go get things—Loyalty and more Loyalty.

Marriage Licenses
 Oct. 11: Sam J. Tuttle and Mrs. Nancy A. Norwood.
 Oct. 13: Emil Habecker and Mrs. Archie Lee Cowden.
 Oct. 15: Rufus B. King and Miss Bessie B. Fields.

Baptist W. M. U.
 The Baptist W. M. U. will hold their regular monthly missionary meeting next Tuesday at 4 p. m. at the home of Mrs. C. H. Richerson. The Osborne Circle will be hostesses.

W. A. Lochte and family motored to San Antonio last Saturday to attend the Ringling Bros. and Barnum Bailey circus, returning home Sunday night.

E. R. Horn of Gonzales visited Kerrville last week and drove over most of the country roads around the town. He says this is a beautiful country and that our city is one of the cleanest and most attractive little cities he ever saw. He expects to visit this city again soon.

Emil Peschel, farmer and ranchman residing a short distance east of the city, died Tuesday afternoon after an illness of only a few days. Deceased had been a resident of this section all of his life and was well known locally. The remains were laid to rest Wednesday afternoon in the Legion Cemetery.

Ford
New Prices

Effective October 2, the Ford Motor Company announces the following reduced prices on all Ford Cars and Trucks:

| | | |
|-----------------|-------|----------|
| Runabout | - - | \$265.00 |
| Touring Car | - - | 295.00 |
| Coupe | - - - | 525.00 |
| Four-Door Sedan | | 685.00 |
| Chassis | - - - | 230.00 |
| Truck Chassis | - | 370.00 |

All Prices F. O. B. Detroit

These are the lowest prices in all Ford history. With the recent changes and refinements that have been made in every body type, Ford Cars now offer new values in motor transportation. Especially is this true of the new Four-door Sedan with its streamline body and many added conveniences.

The Fordson Tractor
 The price of the Fordson Tractor has been increased \$25.00, making the present price \$420.00 F. O. B. Detroit.

You can take advantage of these new prices through the Ford Weekly Purchase Plan

COMMENDS JUDGE BURNEY

Cotulla Record: A few weeks ago we heard Judge Burney, of the 38th Judicial District of Texas, charge the grand jury of a certain county in his district. His charge was lengthy and more in detail than any charge to a grand jury we ever heard before. It was so different to the usual set instructions issued by most judges that it excited considerable favorable comment by those who heard it. One of the points specially stressed by this eminent jurist was the duty of the courts and the officials to impress upon the people that all laws must be observed. Judge Burney stated that he believed his Judicial District was as free from crime, or possibly more so, than any district in Texas, and one of the reasons he assigned for this was that the people of his district knew and understood that he stood for the enforcement of all laws, and that the officials in a majority of the counties of his district co-operated with him. Judge Burney stated that he was not in favor of making the prohibition laws as stringent as they were made, but now that they were on the statute books he believed in enforcing them and charged the grand jury to investigate closely into bootlegging, and if there were any bootleggers operating put them in the penitentiary or run them out of the country. He classed bootleggers as the most dangerous criminal we have to deal with today. In his charge, Judge Burney said that "winking" at minor offenses only gave those criminal tendencies more rope, and that small infractions of the law, winked at by officials, would soon lead to violations more serious. The morals of any community or county are lowered where law observance is not adhered to.

HAVENS FOR WILD FOWL

San Antonio Light: American sportsmen started the movement which resulted in Congressional action several years ago for the protection of migratory game birds. But experience has shown that the migratory bird treaty and the law which was enacted to enforce it are inadequate from the standpoint of real conservation; they have served merely to decrease the rate of extinction. Now the sportsmen of America are called-upon to get behind another movement—one designated to afford more positive protection through propagation.

A bill to that end was introduced in Congress during the last session; it passed the Senate, but failed in the House. It will be introduced again at the next session, and sportsmen throughout the country are being urged by conservationists to demand its enactment.

Under the provisions of this measure the federal government would be authorized to acquire tracts of land in every state suitable for wild fowl refuges. The expense of maintaining such breeding places would be defrayed out of the proceeds from the sale of hunting licenses.

Irrespective of whether this project is feasible, or is in harmony with accepted governmental principles, certain it is that measures more constructive than the mere maintenance of closed seasons must be adopted if the ultimate extinction of game birds is to be averted. For it is doubtful that wild fowl could be preserved indefinitely in increasing numbers even if every hunter in the country should put away his gun for ten years or more.

The crux of the problem lies in the fact that pale-face civilization, aside from the ruthless slaughter of game, has incidentally destroyed the intermediate breeding grounds of migratory birds. In earlier times, when pigeons, ducks, geese and other wild fowl in flight darkened the skies, there were many resting places between the great bodies of water which mark the extremes of bird migration. These places have disappeared as tract after tract has been put under the plow, and as the process of reclaiming swamps and marshlands has proceeded. The flights of the wild fowl became longer and longer, until now there are very few places between Canada and the Gulf of Mexico where the birds can find refuge and multiply.

One conservationist has estimated that if this condition continues for ten years the average hunter will then be unable to get any shooting without going hundreds of miles. How could the federal government provide propagation grounds for wild fowl without interfering with agricultural development? The plan is not to procure tracts that have been or could be put to agricultural use, but to gain possession of those that have been mistakenly selected for that purpose. Many mistakes have been made in the name of reclamation; as a result, tracts that were once swamps and marshlands are now sheer deserts. "Scientific" drainage has

left them barren; they are of no account to the pale-face civilization. These places, say the conservationists, could be reconverted into breeding grounds for migratory birds, and the conditions under which wild fowl thrived in earlier times, before the over-doing of the reclamation movement, would exist anew.

The project is certainly one deserving the best thought of every true sportsman in the United States.

Menard Messenger: The Ford Motor Company will "sluff off" \$7,000,000.00 for advertising during the next twelve months. What do you think about that? According to some, that money will be wasted. Henry Ford is not fool enough to invest \$7,000,000.00 in a worthless enterprise. Notwithstanding the fact that there is a growing demand for Ford cars and trucks, Henry Ford knows that his success has been the result of judicious advertising. He is one of the best financiers in America and you can depend on it that he is not going to waste more money next year for advertising than the average one hundred men make in a lifetime.

San Antonio Express: Commendation is due the San Antonio & Arkansas Pass Railway Company for its enterprise and courtesy in building a depot near the site of the American Legion Hospital adjacent to Kerrville. Construction of the building has already started and is being hurried to completion. Heretofore the station facilities in Kerrville have been used by the disabled veterans and those in charge. Need of a depot nearer the hospital was shown the management of the railroad and speedy compliance with the request was afforded. Kerrville is winning a whole lot of good things nowadays. The whole Hill Country has displayed rapid progress during the past few years and no part of it is keeping up the "forward march" order with surer precision or faster pait than this sentinel of the mountain tops and watchman of the Guadalupe.

Quarterly Statement

Statement of the Ownership, Management, Etc., Required by the Act of Congress of August 24, 1912, of The Kerrville Mountain Sun, published weekly at Kerrville, Texas, for October 1st, 1923.

State of Texas, County of Kerr. ss. Before me, a Notary Public in and for the State and county aforesaid, personally appeared W. A. Salter, who, having been duly sworn according to law, deposes and says that he is the business manager of The Kerrville Mountain Sun, and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management, etc., of the aforesaid publication for the date shown in the above caption, required by the Act of August 24, 1912, embodied in section 443, Postal Laws and Regulations, printed on the reverse of this form, to-wit:

1. That the names and addresses of the publishers are: C. E. Salter, editor, and W. A. Salter, business manager, Kerrville, Texas.

2. That the owners are: C. E. Salter and W. A. Salter, doing business under the name of The Kerrville Mountain Sun.

3. That the known bondholders, mortgages, and other security holders owning or holding 1 per cent or more of total amount of bonds, mortgages, or other securities are: Terrell Publishing Co., Austin, Texas; Chas. Schreiner Bank, Kerrville, Texas, with the following sureties on the note: W. A. Fawcett, J. L. Pampell, Chas. L. Mason, Lee Mason, A. B. Williamson, D. H. Compartette, R. H. Chaney, E. C. Geddie, Miller Harwood, R. N. Young, Dr. A. A. Roberts, M. F. Weston, Roy Kemp, T. C. Johnston, W. G. Garrett, Dr. John D. Jackson, D. R. Lewis, A. T. Adkins, Henke Bros., J. M. Drodzy, J. E. Burnett, W. A. Lochte, J. T. Moore, Geo. Morris, Rudolph Stelling, S. E. Thompson, A. C. Schreiner, H. Renschel, J. G. Ayala, J. W. Burney, Chas. Heinen, Ally Beitel, E. Schwethelm, Hal Peterson, R. L. Schmerbeck, W. G. Leazar, C. W. Rawson, Jno. H. Ward, E. T. Butt, L. W. McCoy, Wm. Brice, J. E. McDonald, M. D., W. C. Baker, Sid Peterson, F. F. Richards, C. Wolfmuller, The Wheelus Co., by C. E. Wheelus, H. E. Butt, S. Eastland, Geo. A. Shumaker, J. E. Grinstead, Dr. P. J. Dominguez and W. B. Brown.

W. A. SALTER,
Business Manager.

Sworn to and subscribed before me this 16th day of October, 1923.

CATHOLIC CHURCH NOTES
By Father Kemper

COLUMBUS ENTERTAINMENT

The anniversary of the discovery of the Western continent by Christopher Columbus was commemorated at Notre Dame Institute with a well chosen program. The girls started the performance by singing "There is Glory in Old Glory." The closing number was left to the boys' choir: "My Own United States." Musical solos were played by the following pianists: Miss Ruth Nye, "Whispering Waves"; Miss Ellen Marie Decker, "Shepherd's Dream"; and Miss Wilhelmina Mosel, "The Nightingale." A monologue, "My Country's Flag," was delivered by Miss Magdalene Farish. An ensemble of little girls gave a eulogy of the "Red, White and Blue." A rich comical playlet, entitled "Waiting for the Train," was a veritable scream, not only in the humorous quips and actions, but also in the laughable make-up of the many boys that staged the everyday drama with a cast that included negro, duke, farmer, spinster, grandma, huckster, villain and vagabond. This ludicrous sketch seemed to give the actors as much fun as the amused audience. Washington Hall was patriotically festooned for the entertainment, to which patrons and friends of the school had been invited. Photographic groups of the comedians were taken immediately after the dramatic program.

Fire Prevention
Conformable to the nation-wide custom of observing the Chicago Fire anniversary as an educational campaign against avoidable conflagrations, lectures and themes along this line were delivered to the pupils in all grades. By way of emphasizing the instructions, an unexpected fire alarm was sounded, and almost instantly the class-rooms were vacated and the larger boys had the chemical wagon in readiness, while a dozen other lads appeared with hand extinguishers. Fire Chief Eugene Butt very kindly consented to give the boys a practical drill on Columbus Day. It proved immensely profitable because it exposed many unconditioned weaknesses. One machine had to be discarded, as the hose of the chemical wagon was unfit to stand the required pressure. The faculty and students feel grateful to Mr. Butt for his valuable fire prevention test.

Notre Dame and Our Lady of Guadalupe pupils are in hearty accord with making Fridays a special movie-night for the instructive relaxation of the students in all of our town educational institutions.

Misses Cecilia and Imelda Boudreaux returned from Beaumont where they left their aunt, Miss Victoria Watson, in a dying condition.

Another Soldier's Last Call
The grave of Charley O'Connor was hardly covered with a mound of earth and floral blanket when Frank Gerald Schwartz breathed his last at the U. S. Veterans' Hospital. This deceased soldier, however, was not buried in Legion Cemetery, but his corpse was shipped to Binghamton, N. Y.

High Mass will be resumed next Sunday after a lapse of four months. The St. Cecilia Choir is re-organized and retains many of the trained voices of ex-students and graduates.

Miss Kemper went to San Antonio to attend the Hermann Sons' Carnival. On her return she announced the Kerrville victories, and offered many suggestions for the Halloween Festival that will be held at Notre Dame October 30th and 31st for the purchase of physical laboratory appliances.

With Miss Kemper came the parents of Dorothy Broker, who has been with us from Cincinnati for the past two years. In San Antonio, Miss Kemper was the guest of Mrs. Annie Tarrillion, and her mother, Mrs. Chas. Mosel. John Mosel of Runge was here with his wife Wednesday of last week.

August DeBarberis of St. Gerard's parish, San Antonio, assumed charge of the Legion Laundry on the first of this month.

Reggie Reed came from Manou, La., to take the place vacated by his nephew, Emile Reed.

Presbytery Convenes
Port Lavaca, Tex., Oct. 14—The Presbytery of Western Texas of Southern Presbyterian Church convened Thursday night in the Presbyterian Church here. It was opened by a sermon by Rev. Robert F. Gribble of Austin Theological Seminary. Rev. B. I. Diekey, D. D., of Dallas was elected moderator. Rev. J. E. James, D. D., of Gonzales was made temporary clerk, and Rev. W. H. Foster of McAllen, press reporter.

Rev. H. M. Beval of McAllen, now a student in Austin Seminary, was examined and received into this body. The communion of the Lord's Supper was observed Wednesday morning, conducted by Rev. W. A. McLeod, D. D., of Cuero, Rev. W. P. Dickey, D. D., of Kerrville and Rev. W. F. Purcell of Lockhart. An enjoyable part of the entertainment given by the people of Port Lavaca was an oyster roast on the beach Wednesday afternoon.

ROBS CALOMEL OF NAUSEA AND DANGER
Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water,—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (Advertisement, 28-40c).

METHODIST CHURCH
(By Member)

We had everything set for a great day last Sunday, but the rain defeated our plans. Well, that rain was a great blessing to all of this country; so come on and let us make next Sunday the greatest day of the year.

Our pastor leaves for the Annual Conference Tuesday, Oct. 23. There remains but a few days to close up the business of the year. The finances are quite a bit behind and you surely see the urgent need of every member coming up promptly with his or her full amount; if our Church is not to fall in its financial obligations. Surely you will not stand for such a record. Should we fail now it will militate very much against our efforts in trying to secure the West Texas Encampment for Kerrville. We appeal to you all to prevent this and maintain your good record in the Conference. We can if we will. Make your settlement with A. E. Self, today. Let us all pull together for a great day next Sunday. Make it "Go to Church Sunday." Be there for Sunday School and remain for the 11 o'clock service. Everybody bring the offering for Sunday School that was to have been made last Sunday.

BAPTIST YOUNG MEN'S CLASS TO BE REORGANIZED SUNDAY

The Berean Class of the First Baptist Sunday School is to be reorganized next Sunday morning, according to Eugene T. Butt, who was elected as teacher of the class by the Workers' Council of the Sunday School at its last meeting.

Mr. Butt states that the Berean Class is for all young men of Baptist belief and for all others who wish to join. The ages range from 17 years up.

The Bereans were formerly the largest class in the Baptist Sunday School, having a membership last year of 20 or 25 young men. Due to a number of its members leaving for the summer and for other decreases in membership the class was disbanded for the summer, but is to be resumed Sunday morning at the 10 o'clock session.

The purpose of Sunday's meeting is to reorganize the young men and to make a list of prospects. Plans for the work of the class will also be discussed. It is hoped that a large number will be present. All young men interested are invited to attend the session Sunday morning and bring a friend with them.

The Japanese excel in stonemasonry. Nowhere in the world will one find more beautiful and perfect granite cutting which, together with the perfection of its setting, makes the workmanship a delight to view.

EPISCOPAL CHURCH NOTES
By Member

In spite of the unpropitious weather we had a nice little Sunday School, Dr. Macdougall taking us all in one class and giving us a clear exposition of the various clauses in the Apostles Creed.

Only a few were present at the morning service, the sermon was on the subject, "Be Thou Strengthened Whereunto I may Always Resort." He emphasized the fact that life is a continual warfare wherein we must fight every day against the assaults by the world, the flesh and the body, how helpless we are in ourselves, making it impossible for us to come out as conquerors in the struggle unless we look to our Saviour for the help and strength He is always ready to give us, "My grace is sufficient for thee for my strength is made perfect in weakness."

No service was held at night, but unless the weather is too bad there will be services every Sunday night at 7:30, as well as the usual morning services.

DANGERS OF A COLD
Kerrville People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Kidney Pills at the first sign of kidney trouble. Follow this Kerrville resident's example: Frank Michon, City Marshall, Broadway, says, "My kidneys were out of order and every time I got wet or took cold it settled on my kidneys. I had a soreness and a dull ache in the small of my back that worried me, and my kidneys didn't act right. I used Doan's Kidney Pills bought at the Rock Pharmacy and they soon fixed me up in good shape, the back-aches left and my kidneys were regulated."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Michon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

In America there are 1,500,000 unable to speak the English language. There are 3,000,000 more who cannot read it.

A 50-foot thermometer at Atlantic City can be read a mile away. Lights on the board indicate the temperature.

FIRST BAPTIST CHURCH
W. T. C. Briggs, Pastor

It will be noticed that a change has been made in our time of worship. Wednesday, 7:15 p. m.—Prayer Meeting, followed by choir practice.

Sunday, 9:45 a. m.—Sunday School. 11 a. m.—Sermon by the pastor, subject, "The Curse of Sincerity." 6:15 p. m.—Meeting of B. Y. P. U. organizations. 7:15 p. m.—Song Service led by pastor. 7:30 p. m.—Sermon by the pastor, subject, "God on Trial." The W. M. U. meets each Tuesday afternoon at 4 o'clock.

BIBLE STUDENTS
By Reporter

Our meetings this next week, to which we extend a cordial invitation to all who are interested in individual Bible study and spiritual fellowship to come, are as follows: Sunday, Oct. 21st, 2:30 p. m.—Junior Harp Study, "Justice Manifested"; 3 p. m.—Berean Study, "Fact and Philosophy of the Atonement."

Wednesday, 3 p. m.—Praise, prayer and testimony meeting, "Stand Fast in Our Spirit"; (Phil. 1:27). Union Church.

Many Women Use Glycerine Mixture

Women appreciate the quick action of simple glycerine, buckthorn bark, etc., as mixed in Adlerika. Most medicines act only on lower bowel but Adlerika acts on BOTH upper and lower bowel, and removes all gasses and poisons. Excellent for obstinate constipation and to guard against appendicitis. Helps any case gas on stomach in TEN minutes. Kerrville Drug Company, Kerrville, Texas. (Advertisement)

Friends and Customers

You are probably aware of the fact that Mr. Wheeler, the Boot Maker, has left town. You may not know though that you can still secure the services in Kerrville of an expert custom Boot Maker.

Mr. Wheeler was the pioneer in the Boot making business while in this city, and as such I did not attempt to offer him any competition. However, now that he has permanently left Kerrville, I feel that I have the right to ask for this line of trade and, furthermore, I feel it is my duty to inform the people of Kerr and adjacent counties that they can secure at my place of business in Kerrville the same painstaking and expert workmanship in the fitting and making of high grade Boots that they formerly secured from Mr. Wheeler.

The Boots I am offering the public are made of the very best leather on the market. They are guaranteed to fit, stand hard usage and give general satisfaction. Will be glad to give you any further information you may ask. Yours very truly,

GEO. A. SHUMAKER
BOOT MAKER AND REPAIRER

SUNSET Coffee
its flavor tells the whole story

Severe Indigestion

"I had very severe attacks of indigestion," writes Mr. M. H. Wade, a farmer of R. F. D. 1, Weir, Miss. "I would suffer for months at a time. All I dared eat was a little bread and butter... consequently I suffered from weakness. I would try to eat, then the terrible suffering in my stomach! I took medicines, but did not get any better. The druggist recommended

Theford's BLACK-DRAUGHT

and I decided to try it, for, as I say, I had tried others for two or more years without any improvement in my health. I soon found the Black-Draught was acting on my liver and easing the terrible pain.

"In two or three weeks, I found I could go back to eating. I only weighed 123. Now I weigh 147—eat anything I want to, and by taking Black-Draught I do not suffer."

Have you tried Theford's Black-Draught? If not, do so today.

GOOD ROADS OF HILL COUNTRY BOOSTED BY PEN AND PICTURE

(Continued From First Page)

RED HOLE ITEMS

Mrs. J. A. Peril motored to Harper Wednesday of last week. Oliver Fairchild made a business trip to Kerrville last Saturday. Mrs. J. M. Page of Kerrville is visiting Mrs. R. G. Bierschwald for a few days.

among the verdant fields or far across to the rugged brown cliffs on the other side. The trip gives the traveler a thrill that will be renewed every time the Hill Country is recalled.

Arthur Leyendecker made a business visit to Harper Saturday of last week. W. A. Fairchild and wife made a flying trip to Fredericksburg last Saturday.

Kimble County, to the north of Kerr, was the pioneer in road building in this part of Texas. At the line of that county, the road connects with the wonderful rock road that leads on across the divide, through the hills along the picturesque Llano to Junction, and away to the west.

Center Point Comments News, Oct. 11th: C. E. Sikes is doing carpenter work in Kerrville this week. J. B. Powell was a business visitor in Kerrville Monday.

This wonderful mountain stream has been praised in song, story and poem. It is admittedly one of the most beautiful rivers in America, and the avenues of giant cypress trees along its banks are a source of unending delight to the traveler.

THE STATE OF TEXAS To the Sheriff or any Constable of Kerr County, Greeting: You are hereby commanded to cause to be published (in a newspaper of general circulation, which has been published continuously and regularly for a period of not less than one year in your county) at least once a week for ten days previous to the return day hereof, copies of the following notice:

PECANS WITH LARGE MEAT PRODUCTION BEING SOUGHT Frank J. Willmann of Mason, working with the State Department of Agriculture as a pecan specialist, was in Kerrville early last week and while here examined a number of pecans grown here.

THE STATE OF TEXAS To all Persons Interested in the Welfare of Alice Acos, a Minor: Ernest F. Everett was by the County Court of Kerr County, Texas, on the 28th day of July, 1923, in vacation, duly appointed Temporary Guardian of the person and estate of said Alice Acos, a Minor, which appointment will be made permanent unless the same shall be successfully contested at the next term of said Court, commencing on the first Monday in November, A. D. 1923, the same being the 5th day of November, 1923, at the Court House thereof, in Kerrville, Texas, at which time all persons interested in the welfare of said Minor may appear and contest said appointment, if they so desire.

SPRAY WITH LEAD ARSENATE TO CONTROL PEPPER WEEVIL In response to queries by County Agent T. F. White relative to a variety of insect infesting pepper found here, R. R. Reppert, Entomologist of A. & M. College Extension Department, writes Mr. White that the bug is the "Pepper Weevil" and is of the same genus as the boll weevil but of another species.

TIVY MACHINE ROMPS ON POTEET HIGH ELEVEN IN FAST GAME, 31-0

Saenger Stars With Long End Runs to Account for Three Touchdowns; Wall and Lloyd in Limeright.

Tivy High's speedy little eleven played real football last Saturday afternoon and swamped Poteet High School under a 31-to-0 score in the only game Coach Moses' squad plays on their home gridiron this year. A fair sized crowd came out and shivered in a brisk norther that blew up just before the game. A few drops of rain fell from the leaden skies at intervals during the afternoon and scared away a number of spectators.

Arthur Saenger was the individual star of the contest, his sweeping end runs with beautiful interference accounting for three of Tivy's touchdowns. Wall at fullback plowed through the line for substantial gains and "Pedro" Lloyd advanced the leather several times. Osborne seemed to be the only man in addition to Wall who was able to break through the line for needed yardage.

End runs and forward passes were the main plays used by Tivy although line plays netted good gains when tried. Three of the counters were made as a result of circling the wings, Saenger carrying the ball each time. Wall made the first one within a few minutes of the opening whistle on a long pass from the 20-yard mark and added another in the third period on a line buck from the 2-yard line. The Tivy goal was never in danger of being crossed, most of the fight being in Poteet's territory.

The entire Tivy line played good football, holding the visitors to small gains and breaking through to block a number of their plays. The local backs nearly always had a hole to go through because of the fine work of the line.

Tivy had the ball the greater part of the time and carried it down the field in successive plays. Poteet received the kickoff, but Tivy got the ball on a punt, working it to the 20-yard line from where Wall toted it across on a pass.

The second counter was chalked up in the following period. A series of passes and line plays put the pigskin on Poteet's 21-yard mark. Saenger started a pass formation, but carried the ball around left end for a touchdown when he saw no opening for the aerial. Lloyd added the extra point on a drop kick.

Tivy received the kickoff after the second marker and worked the ball to their own 45-yard stripe. Wall circled left end, but was thrown out of bounds on Poteet's 42-yard mark. On a trick play that caught everybody off guard, Saenger ran around right end for the third goal.

A string of end runs, line plays and passes put the ball on the 8-yard line in the third quarter with Tivy in possession. Three line plays edged the oval nearer Poteet's goal and Wall plunged through the last two yards for the score.

Saenger carried over the final counter in the last period after a series of passes and end runs had put the ball on the 5-yard mark. Three line plays netted nothing, Poteet's line stiffening to stop the Tivy's backs without a gain. Then Saenger toted it over on a long run around left end.

Penalties were unusually few in the game, but one or two being assessed

and they were for off-side. It was a clean game with Poteet fighting gamely to the last whistle, although outclassed all the way by the speedy work of the Tivy bunch.

J. Wheeler played stellar ball for his team and accounted for most of Poteet's gains. With more team-work the Poteet coach would have a squad that would be more formidable than it was in Saturday's game.

Tivy goes to Mason Friday for her next contest and Coach Moses is confident that his men will give a good account of themselves.

The lineups:

| | |
|--------------------------|--------------|
| Tivy (31): | POTEET (0): |
| Tarver..... Johnson | Left End |
| Klein..... Meyers | Left Tackle |
| Miller..... Long | Left Guard |
| Inscore..... Caruthers | Center |
| Jonas..... Tuttle | Right Guard |
| Wolfmueller..... Wheeler | Right Tackle |
| Spinks..... Mangum | Right End |
| Saenger..... Wheeler | Quarterback |
| Osborne..... Mangum | Left Half |
| Lloyd..... Mangum | Right Half |
| Wall..... Adams | Fullback |

Substitutes: Tivy—Brandon, Ratliffe, Ewing and Dunn; Poteet—Hickey.

Referee, Smith (Tivy High); Umpire, Real (Texas A. & M.); Head Linesman, Butt (Tivy High).

Score by quarters:

| | | | | | |
|-------------|---|----|---|---|----|
| Tivy..... | 6 | 13 | 6 | 6 | 31 |
| Poteet..... | 0 | 0 | 0 | 0 | 0 |

Sheep Scabies in Texas Scarce

Fort Worth, Tex., Oct. 16.—Sheep scab in Texas is under probably the best control in the history of the eradication campaign, in the opinion of J. H. Rasco, chief sheep and cattle scabies inspector of the Livestock Sanitary Commission. Reports on the work for September show the following:

Sheep scabies: Thirteen premises quarantined during the month, 16 released; 23,016 head of sheep found infected, 32,756 head dipped. Edwards and Val Verde Counties are under blanket quarantine.

Cattle scabies: Three premises quarantined, five released, 5,416 head infected, 7,050 dipped.

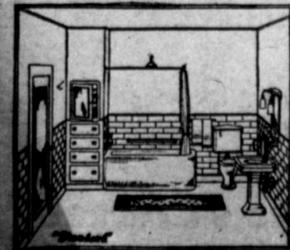

Nine years ago, in 1914, China exported \$719 worth of hair nets. Last year the net makers, virtually all of whom are located in Chefoo, China, collected \$3,319,322 for supplying this product. An even larger trade is expected during 1923 because American women have demonstrated a preference for a type of net made out of two hair strands, whereas before nets fabricated from single strands were the vogue.

CATARRHAL DEAFNESS

is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be reduced, your hearing may be destroyed forever.

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh. HALL'S CATARRH MEDICINE has been successful in the treatment of Catarrh for over Forty Years. Sold by all druggists. F. J. Cheney & Co., Toledo, O.

GUARDIAN OF THE COMMUNITY'S HEALTH

Preventing sickness is even more important than the cure! Modern Sanitary Plumbing is the first line of defense against disease. Unfailing supply of pure water, both hot and cold; ample bathing and toilet facilities; proper sewerage and house drainage are essential to health—yours and the community's—every day.

LET US SERVE YOU

SCHREINER MEETS FIRST DEFEAT AT HANDS OF BRACKENRIDGE HIGH

San Antonians Down Heavy Maroon and White Squad 19 to 8 Saturday; Flory Leads Institute's Attack.

Schreiner Institute went down to defeat for the first time last Saturday at the hands of Brackenridge High School on Schwab Field, San Antonio. It was a hard fought game from whistle to whistle with both teams on edge from the first kick.

The local school outweighed the San Antonians, but were unable to break up the speedy plays of the high schoolers. Schreiner set the southsiders on their heads, however, with her powerful line bucking, gain after gain being shot through the first defense.

Institute scored within the first four minutes of play, a series of line bucks carrying the ball down field. Brackenridge came back in the same period and put over a touchdown with the extra point.

Flory was the bright light in Schreiner's offense and defense. His consistent ground gaining put over the first marker after Brackenridge had fumbled and his defensive playing put several crimps in the San Antonians' attack. Owens and Carmachel also played stellar ball for Institute.

Henderson and Burford, the big boys in the middle of the line, looked too formidable to Whitney and the Brackenridge boss kept his plays shy of them. The entire Schreiner line fought hard, but the short bullet passes of the Purple bunch proved deadly and ran up substantial gains against the local eleven.

Both teams kept the ball near mid-field during the second period, neither one getting close enough to threaten the other's goal. Passes and off tackle plays, wound up with an end run, added the second tally for high school in the third period and the final quarter saw the same tactics repeated.

Schreiner added a couple of points in the last few minutes of play when Flory kicked out of bounds on Brackenridge's 5-yard line. McCarty fumbled the pass from center and was thrown behind his goal for a safety. The game ended with Schreiner in possession of the ball in Brackenridge territory.

The lineups:

| | |
|----------------------|----------------|
| Brackenridge (19): | Schreiner (8): |
| Massey..... Dibrell | Left End |
| Williams..... Tenney | Left Tackle |
| Smith..... Carmack | Left Guard |
| Urban..... Henderson | Center |

| | |
|--------------------------|--------------|
| Nichels..... Burford | Right Guard |
| Blankenship..... McMains | Right Tackle |
| McCarty..... Dieters | Right End |
| Whitney..... Carmachel | Quarterback |
| Renfro..... Owens | Left Half |
| Nescester..... Ford | Right Half |
| Byram..... Flory | Fullback |

Substitutes: Brackenridge—Davis, Friery, Hill, Watts, Tillinghast, McCormick, Howell, Driess and Jones; Schreiner—Ivey, Scott, Hollinrake, and Randall.

Referee, Dotson, (Baylor); Umpire, Irvine (Rice); Head Linesman, Englebert (Southwestern).

Coach Oehler's pets will take on the fast St. Mary's College team of San Antonio at Schreiner Field Saturday afternoon. The game is called for 4 o'clock and prospects are bright for a good afternoon's entertainment and fine football weather.

Announcement has been made that the University of Texas Freshman eleven has been booked for a game here Armistice Day, Nov. 11th. This squad is not the Shortorns, a team of ineligible, but is considered a much stronger aggregation, being composed of the best high school stars of the State.
