CITY CAN VOTE SEWER BONDS AND STILL PAY LOWER TAXES

Rate Has Been \$1.34, But School Tax
Is Lifted—Total Will Be But \$1.19
Including Tax on Bond Issue.

Citizens of Kerrville can vote the \$78,000 sewer bonds December 18 and still pay taxes lower than they have the past year. This fact was revealed by Mayor A. T. Adkins early this week. The rate during the past year was \$1.34 per \$100 valuation, but with the tax of 35 cents on sewer bonds the total will be but \$1.19, or 15 cents lower than heretofore.

This seems to be a paradox, but is very simple when the facts are made plain. The city school tax of 50 cents will no longer be paid as city taxes because of the creating of an independent school district, the revenue thus coming in as county taxes.

Relieving the city tax payers of that tax the rate is reduced to 84 cents on the \$100 valuation. The Municipal Engineering Company of Dallas, who made the survey of Kerrville for sewers and submitted an estimate on the cost of same, have informed Mayor Adkins that a tax of 35 cents on the \$100 will be ample to care for the sewer bonds in the event they are voted. This rate is figured on the present property valuation of approximately \$1,600,000.

Should the bond issue carry, the total city taxes will be but \$1.19. This amount is 15 cents lower than the former rate and at the same time a wonderful improvement can be made in the city, one that will pay for itself many times over through the convenience and sanitation it affords.

As the time draws near for the election more discussion than ever is heard among the taxpayers. There seemed to have been some little doubt in the minds of a few about the tax rate, but since the announcement has been made that the city can have sanitary sewers at a low rate on the same valuations they have been paying upon, interest in the proposed bond issue seems to be greater than ever.

Just as an illustration of the saving to be effected for Kerrville by a sanitary sewer system, such as that to be voted upon in less than two weeks, a few figures based on those sent every taxpayer by the Municipal Engineering Company show what it will mean to vote the bonds.

The population of Kerrville is conservatively estimated at 4,000. That means there are about 800 families and 80 business places. Say that 400, less than half of them, have dry toilets. At the present charge for cleaning them, the total for this sanitary work amounts to \$3,600 a year or \$108,000 in 30 years. The proposed sewer system will cost but \$78,000 and will give service more than 30 years, as the materials used are indestructible. There is a saving of \$30,000, or \$1,000 a year, in that one expense alone. If interest had to be paid on this amount, even at the rate of but 3 per cent, it would amount to nearly \$100,000 in 30 years. Thus, it would cost approximately \$200,000 to do without sewers for three decades, while the cost with them would be less than half for the same period.

All of these figures are based on a population of 4,000 for 30 years and do not provide for an increase. They would be considerably more if that were taken into account.

And at the end of the three decades, if there were no sewers during that time, the same conditions of sanitation, or unsanitation, would prevail, while with the sewers sanitary conditions would improve by leaps and bounds and the healthfulness of the community would be greater than ever.

Truly, the voters will be called upon to decide a very important matter for their city at the coming election.

ONE HUNTER GETS WHOLE PARTY INTO TROUBLE AND ALL ARE FINED

Four Negroes From San Antonio
Caught in Auld Pastures in Real
County Brought to Justice.

"We won't take nothin' for granted no mo', said three gentlemen of color Monday night after being arraigned before Justice of the Peace E. H. Turner late Monday afternoon on charges of trespassing and hunting without licenses and paying fines totalling \$122.15.

Four negroes giving their names as H. B. Kelly, Tom Moore, S. H. Kelly and J. S. Cameron and their home as San Antonio, were brought in from the Auld Ranch Monday afternoon by Deputy Game Warden Vernon Merritt on charges named above.

Evidence given in the cases seemed to show that H. B. Kelly was the cause of all their woe. The other three insisted that they had gone hunting at Kelly's invitation and that he had stated he had made arrangements to hunt in the Auld Pastures. Evidence seemed to bear out their claim, but they were fined \$21.70 each for trespassing with mileage fee of \$3.75,

which was paid by Tom Moore.

J. S. Cameron was also fined an additional \$21.70 for hunting without a license. All the negroes plead guilty to the charges.

They evidently had had good luck for they brought three bucks to this city with them, one of which had 16 points and another 14. These two are the largest seen here this season.

Other cases coming up for trial in Judge Turner's court the past week were: J. D. Carmichael, fined \$37.15 for abusive language; E. H. Rogers, fined \$21.70 for trespassing; L. D. Brewster and Joe McMeekin, fined \$61.70 each for hunting without a non-resident license.

TIMBER WOLF KILLED NEAR CITY BY HUNTER THANKSGIVING DAY

G. B. Deaver Shoots Animal in Henke
Pastures East of Here—Measures
Over Five Feet in Length.

A large timber wolf was killed Thanksgiving Day by G. B. Deaver of this city while hunting in the Henke pastures three miles east of Kerrville. The animal was of a grayish color and measured over five feet in length, considered rather large for that species of wolf.

Wolves have been killed in this section occasionally, but they were mostly what is commonly known as coyotes. This is the first timber wolf that has been seen or heard of in these parts for a number of years.

Mr. Deaver is having the pelt mounted to preserve as a trophy.

NEW VARIETY STORE TO BE OPENED IN CHANEY BUILDING JANUARY 1ST

J. M. Dennis of Deridder, La., Leases
Location and Will Arrive Soon; Is
in Dallas Buying Stock.

A new variety store, carrying complete stocks of the best merchandise in that line, will be opened here about January 1, according to information at hand. J. M. Dennis, of Deridder, La., is to be the owner of the new business enterprise which is to be located in the recently completed Chaney Building.

Mrs. Dennis and two children arrived here Sunday from their Louisiana home and are staying with her brother, J. B. Powell, and family. Mr. Dennis went to Dallas to purchase stocks, fixtures, etc., before coming to this city. He is expected to arrive here within the next few days and will begin work preparatory to the opening of the new store.

Mr. Dennis comes to Kerrville with the reputation of being an excellent business man and experienced in the merchandise line. He has held responsible positions with large department and general stores in the section from which he comes, having been general manager of one of Deridder's largest general stores up until leaving there to come to this city. The Sun extends Mr. Dennis and his family a cordial welcome to the business and social circles of Kerrville and wish for them the best of success in the new enterprise.

LETTERS TO BE PRESENTED TIVY GRID MEN AT DINNER THURSDAY

Thirteen Silver Footballs and Fourteen
Letters to Be Awarded Members
of Winning 1923 Squad.

Fourteen members of the fast 1923 Tivy High School football team will receive their coveted letters at a chicken dinner to be given Thursday evening at the Guadalupe Cafe.

In addition to the sweater decorations silver footballs will be awarded to 13 of the players for meritorious service on the gridiron.

Only members of the football squad with their lady friends, Coach Moses and wife, Supt. and Mrs. R. A. Franklin and possibly one or two invited guests will be present at the function which will officially mark the disbanding of one of the best teams the school has ever had.

Coach Moses and his team can well feel proud of their record the past season. Scored upon but once to lose the only game out of nine played, is a showing made by but few of the fastest and strongest teams in State High School football.

No formal program had been arranged for the banquet, but it is thought that Coach Moses will make a short address and members of the team who feel so inclined may contribute a few remarks.

After supplying beautiful weather for Thanksgiving Old Jupiter Pluvius got hold of the wheel and sent a drizzling rain down on this section from last Friday afternoon until Tuesday morning. The total rainfall for that period amounted to 1.34 inches. The skies have been beautifully clear since Tuesday and typical fall weather has prevailed. Several mornings have been frosty and bracing, although no serious damage has been caused.

NEW CITY WELL COMPLETED EARLY WEDNESDAY MORNING

Water Struck at Depth of About 570
Feet—Work on Installation of
Pumping Plant to Begin Soon.

The new well for the City Water Works was completed by drillers early Wednesday morning. The water bearing strata was struck at a depth of about 570 feet, although the hole was drilled 605 feet.

Bailing of the well was still under way shortly after noon Wednesday and a test was made late in the evening to determine the quality of the water and the volume of the supply.

Actual drilling operations were begun on the new well nearly four weeks ago after some delay had been caused because of a fuel shortage, arrangements finally being made to burn crude oil. The bit was lowered into the hole for the first time November 12 and the last two feet were drilled early yesterday morning. Considerable delay was caused by the bad weather of the past few weeks, although every effort was made to keep the machinery turning over in order to finish the well as soon as possible.

An unusually small amount of trouble was encountered, according to the drillers. Only on two or three occasions was it necessary to fish for tools and, fortunately, they were recovered within a short time.

One of the huge drill bits was temporarily lost Wednesday morning when the cable broke just as the power was thrown on to pull it up for the last time. It was recovered, however, within a few minutes and bailing got under way immediately afterward.

Work on the erection of the building and installation of pumping equipment will commence within a short time, it is said. The drilling rig must first be dismantled and removed, after which work on the plant will start. The test of the well made Wednesday afternoon resulted satisfactorily, said drillers. The vein of water seems to be large enough to supply the requirements. This water was found in a layer of coarse sand and gravel.

KERR COUNTY POULTRY FLOCK RANKS HIGH IN STATE TEST

Hens of D. S. Griffin at Ingram Fifth
in Egg Production—Two Other Men
Have Good Flocks, Report Shows.

A flock of eight hens owned by D. S. Griffin of Ingram ranked fifth in the State-wide contest put on by the A. & M. College Extension Department for the purpose of encouraging better laying poultry. Forty-one hens owned by Willie Sabbon of the Cypress Creek section ranked eighth and Chas. Schmidt of Comfort came in the first seventeen highest with his flock.

The test was conducted over a period of three months and the highest average production for each hen for the entire quarter was 68.7 eggs. Mr. Griffin's flock averaged 54.7 eggs per hen, which is considered to be an excellent record. Mr. Sabbon's hens averaged 46.3 eggs each and those of Mr. Schmidt, 27.5 in a flock of 46 hens.

These records are considered good, although County Agent J. C. Yeary says by proper attention and feeding every flock of good hens in this section can be made to give as good returns. This is just another instance showing that poultry in the Hill Country will pay if given proper attention.

Every statement seen in the papers relative to culling are not good advice, says County Agent J. C. Yeary. Some will advise selling off all early molters as poor producers, not taking into consideration the kind of management the flock has had. If this is used advisedly and along with other points probably 25 per cent of the flock can be culled to advantage. The main points in favor of good production are: pale fleshed shanks, good body type (standard type), thin pliable pelvic bones, soft pliable abdomen free from a layer of fat under the skin, and time of molt.

The color of the shanks and beak are possibly first in order of value, continued Mr. Yeary. However, it should not be used to the exclusion of all others. Hens that have been fed a balanced ration and have been given every opportunity to lay and still retain the real yellow shanks at this time of the year should be sold.

Body capacity as determined by the shape of the fowl is valuable and should never be disregarded. Choose for breeders this coming year those hens that show good type: medium length backs with width carried back to tail, good width between the legs, good depth of body with full well rounded breasts.

The condition of flesh as shown by the pelvic bones and abdomen will tell you your hens have been producers of flesh or eggs. The female carrying excessive flesh over these regions are not the best birds. However, a flock poorly fed will show a greater amount of flesh. It is not intended that one should get the idea a poor hen is desirable; she has to be in fair flesh before she will start production.

Only a few weeks now until the pullets will be expected to be produc-

ing good marketable eggs. Pullets on an average should be brought into production at about six months of age. If a few are already laying they should not be held back by holding them away from the feed. Neither should the pullets be forced too rapidly. It is to be expected that the later hatched chicks will be a little slow coming into production.

Some may have a little trouble with fall molt but this is not to be dreaded as bad as some seem to think. Proper handling after putting into winter quarters will help to eliminate this fault.

Begin now to plan for green feed this coming winter.

600,000 POUNDS FALL WOOL CLIP SOLD LATTER PART OF LAST WEEK

Price Ranges From 32½ to 38 Cents
With Choicest Clips of Long Staple
Bringing Latter Amount.

Approximately 600,000 pounds of fall clip wool were sold during the latter part of last week by the Schreiner Wool & Mohair Commission Company to Winslow & Company of Boston at a private sale. Prices ranged from 32½ to 38 cents, only a few of the choicest clips of long staple and light shrinkage wool bringing the latter price.

Thirteen cars were shipped Friday and Saturday and three more had been loaded out late Tuesday. Approximately two-thirds of the consignment has been shipped, the balance of which will go forward at an early date.

This sale consisted of the entire accumulation of fall wool and will practically clear out the huge warehouses, it is thought.

The wool raised in this section is of unusual uniformity in grade and weight and some exceptionally clean clips were brought in by growers.

HIGH SCHOOL GIRLS START PRACTICE FOR BASKET BALL

The Tivy High School girls started basket ball practice early this week under coaching of Miss Mabel Thornburn. They expect to open their 1923 season within a short time.

Five members of last year's crack girls team are back on the squad again this year. They are Lucille Taylor, Ada Nance, Eunice Smith, Mattie Turley and Ruby Grantham.

In addition to these veterans a wealth of new material is out for the team. The new ones include Willie Cleburne, Thelma Taylor, Lorena Childs, Mollie Spinks, "Bossy" Love, Blanche Shumaker, Velma Brown, Etta Ward, Clemmie McDonald, Dorothy Fawcett and Mable Hardin.

Prospects are unusually bright for another strong team this year and Miss Thornburn is jubilant over the return of the quintet of last season's stars. With Lucille Taylor back at forward, the scoring part of the team is assured, for Lucille is considered a sure shot once she gets the ball. The other veterans will assure strong guards and centers and a winning team is to be expected.

ACADEMY AND SCHREINER BATTLE TO SCORELESS TIE THANKSGIVING

Evenly Matched Teams Unable to Put
Over Winning Points in One of
Season's Fastest Games.

Schreiner Institute and San Antonio Academy battled away to a scoreless tie on Schreiner Field Thanksgiving Day in a game requiring but one hour and thirty-five minutes to finish—something of a record for speedy contests. The biggest crowd of the season was enthusiastic under a cloudless sky with weather just cool enough to be ideal for the autumn sport.

The Turkey Day classic concluded Schreiner's first grid year with a record of four victories, two losses and a tie in the seven games played—not a bad showing for a first year team. The Maroon and White eleven piled up a total of 101 points against 50 for their opponents, only Brackenridge High of San Antonio and the Texas Freshmen being able to cross Institute's goal line during the season. Thursday's game was the first in which Coach Oehler's men failed to score.

The greater part of the game was played between the 40-yard lines, each team getting within striking distance of the other's goal but two or three times. Schreiner threatened to score first when the pigskin was worked to the 20-yard line early in the opening period. Flory's pass over the goal mark found no receiver and Academy took the ball.

From that time until the third quarter the oval was kept in midfield. Academy punted to Schreiner's 1-yard stripe and took the ball when Stevens kicked out of bounds on his own 25-yard mark. Kelso's warriors worked the ball back but five yards and Phillips tried a dropkick from the 27-yard line, missing by inches.

Institute got the ball across midfield on a couple of passes and end runs to enable Stevens to try for goal at placement from the 45-yard mark. The kick fell short a few yards and

the period ended with the ball in mid-field.

In the fourth quarter the visitors punted within 10 yards of Schreiner's goal. Institute was forced to punt after advancing the porkhike to their own 15-yard line. Stevens' kick was high and too far to the side, rolling back to his own 5-yard stripe before being covered by Academy.

Things began to look as if the visitors would score, but the Maroon and White defense stiffened and Kelso's men were held to three yards in four downs. Stevens kicked out of danger, but the visitors worked the ball to the 20-yard line where another of Phillips' beautiful dropkicks sailed barely wide of the posts. The game ended shortly afterward with the oval in mid-field.

Stevens, Ford and Flory were the shining lights of the Schreiner backfield with Scott and Dibrell showing up well in the line.

For the visitors Phillips starred with Davis and Timp in the backfield and Palmer, Holmgreen and Ledbetter standing out in the line.

LOCAL BOY WINS SECOND PLACE IN STATE-WIDE THEME CONTEST

Charles Coppock, Junior in Tivy High
School, Awarded Prize for Essay
on "Emigration."

Word was received by Charles Coppock the latter part of last week that he had been awarded second place in the State-wide theme contest on the subject of "Emigration."

Young Coppock is a junior in Tivy High School and has been a very brilliant student in English. The announcement of his winning second place is indeed a compliment to his ability and to the teachers under whose instruction he has been.

The contest was conducted by the American Legion over the entire United States, the subject being "Why Emigration to America Should be Prohibited for a Period of Five Years."

The best themes from each State were entered in the National contest.

Details as to the nature of the prize were not obtainable for this issue of The Sun.

The text of the essay will be given in these columns next week.

SUBSCRIPTION NOTICE

There was a time when little or no attention was paid to subscription accounts, but that day is past. Newspapers are now run on a business basis and each department made to share its part of the expense. For that reason the subscription rates of The Sun will be \$2 per year after Jan. 1st, 1924. All subscriptions paid before the above date will be received at the present rate of \$1.50 per year.

BIG CROWDS ATTEND CHRISTY BROTHERS CIRCUS THANKSGIVING

Streets of City Lined for Blocks for
Big Parade at Noon—Afternoon
and Night Performances Good.

The Christy Brothers Wild Animal Circus played to good crowds here Thanksgiving Day at both the afternoon and night shows. The big street parade at noon attracted hundreds of people and the streets along the route were lined for many blocks.

The big wagons bearing bands, callopes, animals and show people began to move toward the downtown section about 12:30. Extending about seven blocks long the procession came down Sidney Baker Street, turned south into Main and headed west on Water Street after coming down Washington. Turning back into Sidney Baker Street the parade returned to the show grounds on the Remschel lot on the north side of the city.

Here the big tents had been pitched and the side shows opened with their performances. They were followed by the main show in the big tent where practically all of the trained animals gave exhibitions of their acts. Applause greeted every number.

The night performance opened about 8 o'clock and excellent audiences were in attendance, taking up practically the entire seating arrangements. Following this show the big tent and paraphernalia were hauled back to the special train and the circus left about midnight for Fredericksburg where they put on their performances Friday afternoon and night.

SPECIAL MEETING OF CLINICAL SOCIETY WEDNESDAY THE 12TH

The Clinical Society of U. S. Veterans' Hospital No. 93, announces a special meeting for Wednesday, December 12, 1923. This meeting is being held in compliment to the Medical Officers stationed at Fort Sam Houston of whom there will be about eighteen in attendance. The Army Officers expect to arrive from San Antonio at 4 p. m. and after a brief inspection of the hospital departments, the Clinical meeting will be in session for scientific discussions.

The scheduled meeting will have certain social aspects as well. The Medical Staff of Hospital No. 93 will be hosts to the visiting Surgeons at a buffet supper to be served at 6:30 p. m.

The members of the Tri-County Medical Society have been asked to meet the Army Officers.

CHRISTMAS

and the Holiday Season is almost here and, following a custom of many years, THE MOUNTAIN SUN will issue a big special edition. This issue will also be the first of a new year for The Sun, as on the preceding week this paper will have completed its fortieth year of service to The Hill Country. This big special edition will be profusely illustrated with pictures and stories appropriate to Christmas and the Holiday Season, and will be issued Dec. 20th

As an advertising medium this special edition of THE MOUNTAIN SUN cannot be surpassed, as extra copies will be sent out by both the paper and private individuals.

Mr. Business Man
Are you taking advantage of this Golden Opportunity to benefit yourself materially and assist the paper in boosting The Hill Country?

A representative of The Sun will call on you in the next few days. *Owing to the large amount of work required and shortage of time, assist us by having your copy ready when he calls.*

MY CITY AND I

Dr. R. Estcourt, in The Annalist: My city is where my home is founded, where my business is situated, where my vote is cast, where my children are educated, where my neighbors dwell and where my life is chiefly lived. It is the home spot for me. My city has a right to my civic loyalty. It supports me, and I must support it.

My city wants my citizenship—not partisanship; friendliness—not offishness; co-operation—not dissemination; sympathy—not criticism; my intelligent support—not indifference. My city supplies me with law and order, trade, friends, education, recreation and the rights of a free-born American.

I should believe in my city and work for it.

AND I WILL!
Yours,
THE CITIZEN.

MY CITIZEN AND I

Dr. R. Estcourt, in The Annalist: My citizen has added his home to my homes, and his business to my industries; he votes for my welfare, and is educating his children that they may serve me; he has made my neighborhood complete.

He is partial to my environs. He has a right to my loyalty. He supports me, and I should show him honor.

My citizen wants protection—not patronage; friendly interest—not my official interference; co-operation—not investigation; sympathy—not criticism; helpfulness—not indifference.

My citizen obeys my laws, builds my trade, increases my industries, and embellishes my social life with the qualities of a gentler man.

I should believe in my citizen and support him.

AND I WILL!
Yours,
THE CITY.

BILLION A YEAR TO FRAUD

Dearborn Independent: People have been bunced for generations, yet the bunced business seems to increase rather than decrease with the growth of intelligence and the passage of time. The Investment Bankers' Association has just heard from the Government that One Billion Dollars a year is the monetary loss of the American people in fraudulent investment enterprises. The monetary loss is not all, nor is it the most costly; there is the loss of confidence in business men and business proposals, tantamount to a loss of confidence in human nature. American business men bear the brunt of it, and the truth is that American business men are not the offenders. Some day American business men may have to band-together to shield the name.

There are sufficient losses in the higher regions of business, even that region represented by so distinguished an association as that of the Investment Bankers, and some of the losses are due to the deliberate action of men who know of no other way to make a profit than by others' losses, but it is not these that make up the bulk of the losses suffered by the people. Perhaps the people have come to believe that if a really big good thing

CATHOLIC CHURCH NOTES

By Father Kemper

REVIVAL IN PROGRESS

The revival begun by Rev. Bernard Kalvelage C. S. S. R. last Sunday in St. Mary's Church, is proceeding splendidly. The zealous evangelist began his spiritual mission with an eager and attentive audience. His morning program for the adults includes a short instruction after Mass, so that this entire service does not last longer than from 6:50 to 7:25 a. m., allowing workmen ample time to go to their various occupations. In the evening, at 7:30 p. m., Father Kalvelage delivers a forceful scriptural address on the fundamental doctrine of Christian conduct. Besides his rare native ability, the missionary has the benefit of twelve years experience in various parts of the Union. In fact, he hurried from Chicago in order to hold his Kerrville engagement.

During the first part of the week special lectures were prepared for the younger element at 11:30 a. m. and at 3:30 p. m. Many of the children will be presented for their examination in Christian Doctrine when the Rt. Rev. Bishop makes his visitation. Tuesday his Lordship will administer the sacrament of confirmation in the American Church, and the following day in the Mexican Church.

Saturday of this week is a holy day of obligation, and are personal feast of the Catholics of the United States. Candidates will be received into the Immaculate Conception Sodality on this festival. First Friday devotion to the Sacred Heart will be held tomorrow.

The patronal feast of Mexico is the feast of Our Lady of Guadalupe, which will be celebrated Wednesday, the 12th. Mass will be read at the Guadalupe Church on Thursday, Friday and Saturday of the current week.

Thanksgiving Service

In accordance with the wishes of the President, Governor and Bishop, a religious program was observed at Notre Dame Thanksgiving Day. Old Glory floated from her lofty flagstaff. The students were exempted from class work for the holiday so that they could enjoy the local football game or the wild animal circus. Some of the choir, however, made an educational trip to San Antonio with the music instructor in order to hear the Vatican singers.

The infant son of Severo Lopez was baptized the early part of the week, and received the name of Martin.

The Mexicans were justly elated over their extraordinary success last Saturday at their Christmas sale, despite the cold drizzly weather. A great measure of this victory they freely acknowledge to be due to the co-operation of their American friends, and for this assistance they desire to express their heartfelt gratitude.

As usual, the national dishes retained their popularity, and the big supply of tamales was sold out quicker than expected. Nothing remained unsold of the candy booth and fish pond. A few pieces of fancy work were carried over for prospective Christmas customers. Everyone had a good time and felt that he got his money's worth on every investment regardless of the fact that all proceeds are intended for the Empty Stomach Fund of the poor Mexican children.

For this same noble charity the Guadalupe students will give an entertainment in their school auditorium Tuesday the 11th at 7:30 p. m. Rt. Rev. Drossaerts will be the honor guest of the occasion.

EPISCOPAL CHURCH NOTES

By Member

A very bright, inspiring service was held on Thanksgiving morning which added much to the happiness of this holy day. The Rector being absent, Dr. Galbraith read the service; appropriate hymns were sung, and Judge Wheelock spoke to us most feelingly of the privilege we all enjoyed of coming to God's House on this day, set apart by our President as a day on which to honor God with our gratitude and hallowed by memories of the early settlers who realized so fully their dependence on Him from Whom all blessings flow. He spoke especially of the most loving gift of all, His Son, our Saviour, of his life on earth, the supreme example of love and kindness which we should all endeavor to follow and practice by spreading this spirit of loving service in our homes, our community, our country and the world at large. An offering was taken up for the associated charities which amounted to \$11.50.

Sunday Dr. Macdougall preached a fine sermon on the Thanksgiving season and specially on The Golden Rule Sunday. He emphasized the marvelous blessings that had been poured out upon us right here in Kerrville, as well as to our State and Nation. He warned us of the sin of wastefulness in our households, often throwing away enough good, wholesome food to supply many of the starving orphans in the Near East, that we could not expect God to continue these blessings to us unless we made better use of them by sharing with our unfortunate, hungry brethren in other countries. He showed how we should express our thankfulness by working for our Lord and using, to the best of our ability, the talents and gifts he has so bounteously bestowed upon us.

MAKES RAPID HEADWAY

Add This Fact to Your Store of Knowledge

Kidney disease often advances so rapidly that many a person is firmly in its grasp before aware of its progress. Prompt attention should be given the slightest symptom of kidney disorder. If there is a dull pain in the back, headaches, dizzy spells or a tired, worn-out feeling, or if the kidney secretions are offensive, irregular and attended by pain, procure a good kidney remedy at once.

Your townspeople recommend Doan's pills. Read the statement of this Kerrville citizen.

Mrs. H. J. Moore, Water St., says: "I consider Doan's Pills a splendid remedy. They have benefited me when my kidneys were out of order and I had dull headaches and felt all run down. I read about Doan's and used them and they were just the thing to regulate my kidneys and relieve backaches."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mrs. Moore had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

FIRST BAPTIST CHURCH

W. T. C. Briggs, Pastor

Next Sunday, December 9th, the pastor will speak in the morning at 11 o'clock, on "Back to Egypt." In the evening at 7:30 his subject will be "Back to Bethel."

The Junior B. Y. P. U. meets at 3 o'clock in the afternoon each Sunday. The Senior B. Y. P. U. meets at 6:15 p. m. This is followed by a song service at 7:15 p. m., which is in turn followed by the preaching service.

Our mid-week prayer meeting is at 7:15 each Wednesday evening. The Woman's Missionary Society meets on Tuesday afternoons. Listen for announcements concerning same from the pulpit.

We were very sorry to have to yield to the resignation of our beloved Sunday School Superintendent, F. E. Garrett, who has for so long served us so efficiently. But his successor, C. H. Richardson, has been filling the position splendidly, and his heart, too, is certainly in the work. We are glad that we still have Brother Garrett with us as a Sunday School helper, wherever his heart leads him to serve.

Next Monday evening at 7:30 Coleman Craig, who has recently returned from the Old World, touring in Europe and Asia, will deliver a stereoscopic lecture on "The Holy Land." There will be no admission fee to this interesting lecture and the interesting scenes which will be thrown upon the canvas, which will be given in the auditorium of the church. All are cordially invited.

In spite of the bad weather which we have been having of late, our congregations have been splendid, and all of the work is moving along nicely. In the absence of the pastor, while away at the Baptist General Convention of Texas at Galveston a few weeks ago, the pulpit was well supplied by two of our own boys, Harold Osborne and Charlie Hill. We are very grateful to the church for the beautiful trip to the Convention.

The Baptist Churches of the city did not participate in the Union Thanksgiving service at the Methodist Church last Wednesday evening, but our Wednesday evening Prayer Meeting was turned into a Thanksgiving service, in which a number of our young men took a very active part. Thursday the pastor and his family enjoyed the Thanksgiving feast spread by the Mexican Baptist Church, after which we enjoyed the pleasure of addressing this enthusiastic people.

ROBS CALOMEL OF NAUSEA AND DANGER

Medicinal Virtues Retained and Improved—Dangerous and Sickening Qualities Removed. Perfected Tablet Called "Calotabs."

The latest triumph of modern science is a "de-nauseated" calomel tablet known to the drug trade as "Calotabs." Calomel, the most generally useful of all medicines thus enters upon a wider field of popularity—purified and refined from those objectionable qualities which have heretofore limited its use.

In biliousness, constipation, headaches and indigestion, and in a great variety of liver, stomach and kidney troubles calomel was the most successful remedy, but its use was often neglected on account of its sickening qualities. Now it is the easiest and most pleasant of medicines to take. One Calotab at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. A good night's sleep and the next morning you are feeling fine, with a clean liver, a purified system and a big appetite. Eat what you please. No danger.

Calotabs are sold only in original, sealed packages, price thirty-five cents for the large family package; ten cents for the small, trial size. Your druggist is authorized to refund the price as a guarantee that you will be thoroughly delighted with Calotabs. (Advertisement, 28-40c).

The word "Adirondacks" is an Indian word meaning "wood-eaters," a derivative term given a defeated Indian tribe who were driven to the mountains by the victorious Iroquois and forced to live there on berries and bark.

Election Notice

State of Texas, County of Kerr, City of Kerrville:

Whereas, the City Commission of the City of Kerrville, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned; therefore,

BE IT ORDERED by the City Commission of the City of Kerrville, Texas, that an election be held on the 18th day of December, 1923, which is not less than thirty days from the date of this order, at which election the following proposition shall be submitted:

"Shall the City Commission of the City of Kerrville be authorized to issue the bonds of the City of Kerrville, Texas, in the sum of Seventy-Eight Thousand Dollars (\$78,000.00), to become due and payable serially as follows, to-wit:

"One Thousand Dollars (\$1,000.00) each year 1925 to 1929 both inclusive, Two Thousand Dollars (\$2,000.00) each year 1930 to 1949, both inclusive, and Three Thousand Dollars (\$3,000.00) each year 1950 to 1960, both inclusive, and bearing interest at the rate of not to exceed Six (6) Per Centum per annum, payable semi-annually, for the purpose of the construction of a Sanitary Sewer System, and to levy a tax sufficient to pay the interest on said bonds and create a sinking fund sufficient to redeem them at maturity, as authorized by the constitution and laws of the State of Texas, particularly Chapter Nine of the General Laws passed by the Thirty-Seventh Legislature, at its regular session in 1921."

The said election shall be held at the Court House in the City of Kerrville, Texas, and the following named persons are hereby appointed man-

agers of said election, to-wit: William Nimitz, J. M. Peterson, S. H. Huntington, C. L. Mason and G. M. Doyle.

The said election shall be held under the provisions of Chapter 1, Title 18, Revised Statutes, 1911, as amended, and the constitution and laws of the State of Texas, and none but resident qualified property taxpayers voters of the City of Kerrville, Texas, shall be allowed to vote.

All voters who favor the proposition to issue the Sewer Bonds shall have written or printed upon their ballots the words:

"FOR THE ISSUANCE OF SEWER BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

And those opposed to the issuing of Sewer Bonds shall have written or printed upon their ballots the words: "AGAINST THE ISSUANCE OF SEWER BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF."

The manner of holding said election shall be governed by the laws of the State of Texas regulating General Elections.

A copy of this order, signed by the Mayor of the City of Kerrville, attested by the City Secretary, shall serve as a proper notice of said election.

The Mayor is authorized and directed to cause notices of the election to be posted in three public places in the City of Kerrville, Texas, one of which shall be at the Court House, the place herein designated for holding said election, for at least thirty days prior to the date of said election.

The Mayor is further authorized and directed to have said notice of election published in the Kerrville Mountain Sun, which is a newspaper of general circulation in the City of Kerrville, and which notice shall be published once each week for four weeks, the date of the first publication being not less than thirty full days prior to the date of election.

A. T. ADKINS,
Mayor of the City of Kerrville, Texas.

Attest:
E. H. TURNER,
City Secretary. (SEAL)

Justamere Club

Miss Edna Henke entertained the Justamere Bridge Club Tuesday. High score went to Miss Helena Brown. After six games were played dainty refreshments were served to the club members and the following visitors: Mrs. Miller Harwood, Mrs. Gerald Walther, Miss Kate Congor and Miss Katherine Parr.

The Club met with Mrs. Milton Gold Wednesday of last week. Margaret Thorburn won high score for the week. Those present besides the members were: Mrs. Miller Harwood, Mrs. Bernard Kuhlmann, Mrs. Gerald Walther, Miss Kate Congor, Mrs. C. E. Brasher, Miss Mabel Thorburn and Miss Riley of Fredericksburg. A salad course was served at the close of the game.

Dr. and Mrs. P. J. Domingues this week received a letter from their son, Francis, stating that he will arrive a few days before Christmas to spend the Holidays with his parents. He is residing at Columbus, Ga., where he is connected with the Electric & Power Company.

The Woman's Auxiliary of the Presbyterian Church will meet this afternoon at 3:30 with Mrs. G. M. Doyle. There will be a display of Korean work at this meeting. Mrs. R. Holdsworth, who has charge of this department, has a very beautiful assortment of pieces and urges that the members see this display before completing their Christmas shopping.

THERE IS A SALE ON AT MY STORE EVERY DAY. I have bought about \$20,000 worth of goods at bankrupt prices and I will only add a small per cent profit. These goods consist of underwear for men, blankets, ladies' and men's sweaters, rain coats and many other kinds of goods, army goods included. Part of the goods are here and the rest in transit. Come—you will be welcome. Burnett's Cash Store, Kerrville, Texas. (Advertisement, 51)

SAN ANTONIO BOND ISSUES CARRY TUESDAY

With the biggest total vote in a bond election, San Antonio voters put over flood prevention and every other measure in the \$4,350,000 bond proposal submitted Tuesday, according to the San Antonio Express. The floodbond majority was 1,638. All of the other eight issues carried by 3,000 or more.

Though the biggest vote in the history of bond issues was cast, the total number of voters taking part in the election Tuesday represented but a fraction of the potential voting strength of the city, which is 39,048 voters.

Flood prevention bonds received more opposition than any other proposition submitted. The street paving proposition was the most popular issue, the plurality in that instance being 3,447 votes. Bridges came second in point of popularity, with 3,366 votes in the lead. Park improvement was second in point of opposition, it being voted with a plurality of 2,856 votes.

Third Escaped Prisoner Caught

Fredericksburg, Tex., Dec. 4th.—Earl Brown, 20, one of three prisoners who, after forcing County Jailor Edmund Sanger into a cell at the point of a large knife, and taking the jail keys from him, made their escape, was captured at 11:30 o'clock Monday night at the home of Richard Spehling, a farmer, residing four miles from Fredericksburg on the Mason Road. Brown's companions, Ray Edwards, 21, and Roy Smyth, 23, were taken in custody earlier in the night.

Brown had walked from Fredericksburg in the heavy rain, Mr. Spehling told Sheriff Alfred Petneck, and when he arrived at the farm was wet and exhausted. The escaped prisoner stopped and asked for food and shelter. He was allowed to sleep in a barn. The sheriff had telephoned farmers living in every direction from

Fredericksburg when the escape of the three prisoners was discovered. Mr. Spehling, knowing, therefore, who he had given shelter, telephoned the sheriff to come for the man. Brown was taken in custody without offering resistance. In his possession was found the large knife with which the jailer said he had been menaced when the escape was made.

Brown, Edwards and Smyth were in jail after having been bound over to await action of the grand jury, on the charge of burglarizing the home of a Gillespie County farmer.

Lawyers Kelly and Lovett of Houston and Ike Kampmann of San Antonio were in Kerrville Monday on legal business before Judge Burney.

Raymond Fisk arrived home last Thursday from Richmond, Calif., for a visit with his parents, Mr. and Mrs. E. C. Fisk.

Miss Ruth Garrett came down Wednesday of last week from the Beasley Ranch near Junction to spend the Thanksgiving holidays with her parents, returning Sunday afternoon.

The Parent-Teachers' Association will hold their regular monthly meeting Wednesday, Dec. 12th, in the High School Auditorium. An interesting program has been arranged for this occasion and a full attendance of members is desired. The hour of meeting has been changed from 4 o'clock to 3:45.

THE WEEK IN SOCIETY**Birthday Party**

Mrs. J. R. Leavell entertained the members of the "Little Rook Club" and a few invited guests Saturday afternoon, the occasion being the twelfth birthday of her daughter, Ruth.

Five tables of players spent a very pleasant afternoon playing rook. Prize for high score was awarded to Miss Elizabeth Eastland and booby to Miss Dorothy Fawcett. Hot chocolate, cake and candies were served to the guests. Miss Ruth was remembered by her friends with many lovely gifts.

Those invited were Misses Margaret Harwood, Charlie Moore, Annabel Peterson, Louise Staudt, Ruth Prescott, Elizabeth Eastland, Peggy Peterson, Eleanor Holdsworth, Mildred Story, Lois, Dorothy and Josephine Fawcett, Portia and Dorothy Hughes, Laura Garrett, Aimee Louise Schmerbeck, Lillian Webb, Mae Louise Dolph, Helen Hoskins, Madeline Peterson, and Junior Fawcett and Forrest Salter.

Legion Auxiliary Entertained

The Woman's Auxiliary to the Garrett-Baker Post of the American Legion met last Friday afternoon with Mrs. E. E. Palmer. After the regular routine of business, plans for Christmas trees at the Veterans' Hospital were discussed. The Hospital Chairman reported boxes of cake, candy, fruit and nuts and a complete Radio set had been received from the Galveston unit. These were given to Ward 8, as Galveston has adopted this Ward.

Mrs. E. E. Palmer and Mrs. P. J. Dominguez, of the welfare work, remembered the sick veterans in the city with a quart bottle of grape juice, 72 bottles being distributed Wednesday afternoon. These women were assisted by Mr. Robinson and Mr. Doss of the local post.

During the social hour the hostess served sandwiches and coffee to her guests.

The next meeting will be December 14th with Mrs. G. M. Doyle as hostess.

Mrs. McDonald Entertains

Mrs. J. E. McDonald was hostess to a few friends at her home last Saturday evening with a most enjoyable bridge party. A nut salad course was served.

The guest list included Mr. and Mrs. Guber Gibson, Mr. and Mrs. Ally Beitel, Mr. and Mrs. A. C. Schreiner Jr., Mr. and Mrs. E. H. Prescott, Mr. and Mrs. J. B. Young, Mr. and Mrs. Scott Schreiner, Mr. and Mrs. Miller Harwood, Mr. and Mrs. Will Garrett, Mr. and Mrs. Dick Eastland, Mr. and Mrs. R. L. Schmerbeck, Dr. and Mrs. L. Sandel and Mrs. Thos. Sutton.

Funeral of Capt. Thomas Mull Held

The following article appeared in the Memphis (Tenn.) News-Scimitar relative to the funeral of Capt. Thomas Mull who died at his home Oct. 23. Captain Mull visited his niece and nephew, Miss Ella and Walter Jarmon, here a few years ago.

"Funeral services for Capt. Thomas Mull, aged 80, who died at his home in Holly Grove, Ark., Sunday, were conducted this afternoon at 1:30 o'clock at the Presbyterian church

of that place, with the Rev. J. H. Morrison officiating. Burial followed in the Macedonia Cemetery.

"Capt. Mull, soldier of the Confederacy, scout with Buffalo Bill in the Far West and prominent planter of Holly Grove, had spent a great deal of his life in Memphis. He had been a frequent visitor here for the past 20 years.

"Being a native of Holly Springs, Miss., Capt. Mull enlisted in the Confederate army when but a lad of 13 years. When the army set out for Virginia he was discharged for immaturity of years, but wept so bitterly he was granted the privilege of going along.

"He was wounded in the Civil War, but continued fighting until the struggle was over. He organized a troop of home guards in Holly Springs, of which he was captain during the climax of the struggle.

"He then went West and spent quite a time with Buffalo Bill as a scout and Indian fighter. He wound up in Texas and rode home to Northern Mississippi on horseback.

"Capt. Mull was a great lover of sports, especially fox hunting and horse racing."

Motor Licenses to be Higher

Uvalde Leader-News: Auto licenses will be higher this year, and must be paid by January 1st, or there will be a penalty of 25 per cent added, according to Tax Collector James B. Young. Licenses are issued this year according to weight of car and horse power, and as an illustration of the increase in cost of license, last year a Ford was \$7.70. This year a Ford of 1924 model touring is \$11.20. A Ford weighs 1662 pounds and is 22 h. p. A Dodge, 1924 model touring weighs 2,500 pounds, 24 h. p., total tax \$17.03. Buick 1924 model, touring, six cylinder, 3,455 pounds, 27½ h. p., total tax \$26.42. Chevrolet 1924 model, 2,645 pounds, 22 h. p., total tax \$18.00.

A tax of 17½¢ per horse power is fixed and this goes to the county for road purposes. State tax is 40¢ per hundred pounds on cars weighing 900 to 2,000; 50¢ hundred on cars weighing 2001 to 3,500 pounds; 75¢ on cars weighing 4,501 to 6,000. Therefore if you know the weight of your car and the horse power you can figure the tax for both county and state and add the two together and arrive at pretty close to what the total will be.

Goats Pay Big Profits

Uvalde Leader-News: F. S. Mason, who for nine years has been in the goat business, is a firm believer that it pays to raise the best grade of goats. He has just made a sale of his mohair, his last clip bringing him 48 to 50 cents. His kid hair brought 80 cents. He has done better this year than ever before, he said.

Mr. Mason has sheared three times, early spring, July and November. The advantage of the three clips was the saving of the shedding. With an early spring and plenty of green stuff the goats begin to shed and if sheared will put on new hair and be ready to shear again in July. I figure that my goats, which are the best grade of muttons, have sheared right at 7½ pounds a head this year. They have paid for themselves in this year's

shearing. Of course, I have been fixed for running them, having small pastures, fencing and sheds and that is the only way to run goats. You have to be able to take care of them. You want to get them located and keep them settled. If you turn them loose in a big pasture and don't herd them, some of them will run themselves to death.

As to good grade, that is the only kind I want. When I bought my muttons, I gave a contract to a buyer to get a certain kind and he did. He went over two or three counties and picked the best and it has paid me. I can run these muttons for three or four years and then sell them. There is nothing in selling muttons for the market. He is only worth 30 per cent of what he is on the range. I am going to buy 1,000 or 1,500 more to put in my pasture before long.

Mr. Mason lost on the cow business some years ago when most of the cow men saw a \$100 steer look like 30 cents, but he is coming back on his muttons and with a good price for a few years will be under many obligations to his chevons.

BUSINESS-LIKE FARMERS

San Antonio Light: Farmers in a Kansas community are conducting an experiment in self-help which has every prospect of proving successful, if sheer logic can afford a solution for economic problems. They are engaging in a new kind of co-operation—new, at least, to the agricultural industry. They have formed a pool on the buying side of the market.

Probably they got their idea from co-operative marketing organizations in other states—California, for instance. The California plan has been adopted on a comparatively small scale in various states. Producers of a given commodity get together and arrange for systematic selling of their commodities. Not always of course, has this scheme brought satisfactory results; much depends upon its administration.

The Kansas farmers, like those of

every other state, are extensive consumers of many staple commodities which they themselves do not and cannot produce. There's axle grease, for example; binder twine, haling wire, lubricating oil, cup grease and many other things would appear on the list of necessities. By buying such products wholesale, farmers can cut down their expenses materially.

Why shouldn't they be given the advantage of wholesale prices? They sell in a wholesale market. If they sold in a retail market their income would be vastly greater than it actually is. Producers of most of the commodities which the farmers have to buy are glad to be able to sell on a bulk basis. The oil companies, particularly; and nowadays the average farmer is a comparatively heavy consumer of petroleum and its derivatives.

If the farmers of a given community would co-operate on both sides of the market, pooling their interests when they buy the things that spell cost of production as well as when they sell the things which spell income, politicians who are ever advocating governmental gratuities for the country's agricultural class would soon be out of a job.

Tourists spent \$45,500,000 in the state of Colorado during the 1923 season.

SUNSET SPOTLIGHTS

F. H. Nelson and sister-in-law, Miss Maggie Caldwell, went to Eden Friday on business.

Most of the people of this community attended the Circus in Kerrville Thanksgiving Day.

Mr. and Mrs. J. W. Bailey, Miss Ella O'Reilly and Frances O'Reilly motored to Junction Saturday, returning home the next day.

A. C. Knibbe is the proud owner of a new Ford purchased of T. J. Moore of Rocksprings. Mr. Moore delivered the car to Mr. Knibbe Wednesday.

Carleton Eddins, who is attending Tivy High School at Kerrville spent Thanksgiving Day with his parents, Mr. and Mrs. C. R. Eddins. As there was no school on Friday he did not return to "We-like-it" Mrs. Georgia Peters place below Ingram, where he is staying while attending school, until Sunday afternoon.

RED HOLE ITEMS

(Too late for last week)
Miss Mary Orr spent the past week end with home folks at Hunt. Adolph Fritz has bought the Dr. McBeth stock farm near Harper.

J. L. Faris and wife was shopping in Kerrville one day the past week.

Miss Letha Stone spent Thanksgiving with Mrs. R. G. Bierschwale.

Mr. and Mrs. J. A. Peril spent last Sunday afternoon with Mrs. G. M. Spence.

R. O. Peril and R. G. Bierschwale brought in a nine-point buck last Thursday afternoon.

R. B. Gott has bought the Dr. Merritt place joining his home place and will move on it soon.

Mrs. Herman Young was the guest of Mrs. J. L. Faris from Monday until Thursday of last week.

J. L. Faris and Herman Young returned last Thursday from the cedar brake with a load of posts.

Sunday School and the B. Y. P. U. was well attended at the Reservation Baptist Church last Sunday.

The son of Mr. and Mrs. Buck Blunt is ill with blood-poison. We hope for a speedy recovery.

Alf. Koti is moving quite a number of his cattle this week to Kinsing Bros. ranch on Devils River for range.

Quite a few of our people spent last Thursday in Kerrville, attending

the show and celebrating Thanksgiving.

R. O. Peril motored to San Antonio last Thursday to join in the great wolf chase which was to be pulled off there the past week end.

Those shopping in Harper the past week end were: P. E. Bernhardt and family, J. A. Peril and family, Theo Ochler and A. Leyendecker.

The large goat and cow shed on P. E. Bernhardt's ranch is nearing completion and when completed, with the sheds he has already, will insure him plenty of shed room.

J. A. Peril has made application to the wild west show for a job turning handspins and says he knows that he will, in a short time, be able to draw a first-class salary, because he has been practicing turning them out of his wagon.

MEXICAN BAPTIST CHURCH

E. V. Rodriguez, Pastor

Wednesday we had a large crowd for Prayer Meeting. Brother Gilbert Rodriguez, one of our students at the San Marcos Baptist Academy, preached for us. Thursday we had a large crowd for Thanksgiving dinner, at the Church, which was free to all. In the afternoon Rev. Briggs, Pastor of the First Church, preached for us a fine Thanksgiving sermon. The Ladies Auxiliary rendered a fine program. The Pastor also gave us a short sermon.

Our Sunday School and evening service were good in spite of the bad, rainy weather.

Next Wednesday we will have our business meeting, and every member is urged to be present. We will also arrange our Christmas program.

We regretted to see Mrs. Nation-Smith leave Tuesday for San Antonio, where she will remain with her niece until she gets well. We wish God's richest blessings for her.

We extend a cordial invitation to all to our services.

JUNIOR RED CROSS BROADENS SCOPE OF SCHOOL WORK

School Children of America Establish Correspondence With Schools in Other Countries.

An opportunity to greatly broaden and enlarge the scope of work of the school children of America which was opened by the action of the last annual convention of the National Educational Association in San Francisco, is being developed by the Junior Red Cross of America. A resolution endorsing in very positive terms the international school correspondence of the Junior American Red Cross and urging schools in this country to develop this correspondence as far as and as thoroughly as possible, was passed by the Association, and educators of America now are co-operating in the work.

A number of schools in America on their own initiative already have organized chapters of the Junior Red Cross and established correspondence with schools in Albania, Austria, Belgium, Bulgaria, Czechoslovakia, France, Holland, Hungary, Italy, Jugoslavia, Poland, Rumania, Scotland, Switzerland, South Africa, and New Zealand. In some cases, they are getting most interesting replies. In a few instances such as Alaska, Hawaii, the Philippines, Porto Rico and the Virgin Islands, all of which are American dependencies, there is an exchange of correspondence material which is very helpful in working up the letters going to the foreign children.

This work, so far, has been carried on chiefly in the primary and intermediate grades of the public, parochial and private schools where Junior Red Cross chapters have been organized, but all grades may participate in the preparation of the material, according to the instructions sent out by the Junior Red Cross Service in Washington, and they include class letters, illustrated or not, snapshots and postcards; maps, drawings, photographs, descriptions of interiors of homes and schools, types of dress, games, industries and industrial processes, cutouts, hand work—in fact, almost anything that one set of children is interested in because it is regarded as a certainty that if children of one nation find something interesting, children of another nation, because they are children, will be interested in that same thing.

Portfolios are a good part of the correspondence and such portfolios give motive for study and description of America and American life on the part of the senders while they stimulate the recipients to a like interest in the affairs and happenings in their own country. The benefit thereof is manifold. Children who have geography find their interest in this study awakened by wanting to know just where their letters are going. History, also distasteful to many, is made a pleasant pastime for the same reason, and languages become absorbingly interesting because the American children want to know something about the difference in the words which they

use and those which their correspondents across the sea use to mean the same thing.

Educationally, all this is of high value, in the opinion of American educators. Internationally, it is of still greater value, in the opinion of those who are promoting the undertaking, because it definitely promotes international understanding and friendship and leads, therefore, into international peace. To the school, the teacher and the community, it presents a new line of endeavor and a new opportunity for broadening the viewpoint. On the whole, educators are over the country believe that it is the longest step forward for international understanding which has been taken in many years.

***** BABIES GET \$2.00 PRIZE WHILE PIGS BRING \$40

Babies amount to little in some parts of the United States according to the following report of a Red Cross public health nurse which has been presented to the Director of Nursing Service on the Southwestern Division:

"I was invited to be a judge at a baby show held at one of the county fairs. My chairman went with me and I think we both got the surprise of our lives, something I shall never forget. We arrived at noon. After dinner we were taken to the fair grounds, and eventually introduced to an elderly gentleman (probation officer) who directed us to what was called Floral Hall. Then we discovered that our booth was in an annex. We were invited into a room, which was dusty and full of cobwebs. I had a broken window, one long bench with its legs directed east and west, an old scale with the glass broken off, a shopping basket about a foot and a half long which might carry a baby in the shape of the neck, and one tiny teddy bear blanket. That was the equipment for the baby show. I sent in a hurry all to a doctor's office for some sheets, which helped a little. We weighed 38 children and awarded ribbons, and after looking through the catalogue, discovered that \$2.00 was to be the first prize for the babies, while \$40.00 was the first prize for the pigs."

SCIENTIST FINDS CURE FOR CATTLE DISEASE

Ft. Worth Stock Reporter: Prevention of the "down-in-the-back," or "loin" disease, which has threatened the cattle industry of Southern Texas in recent years, is seen in the agreement between Sir Arnold Theiler, British scientist, the scientists of A. M. College of Texas, and J. E. Boag-Scott, chairman of the State Live Stock Sanitary Commission, that the Texas disease is identical with lambsiekte of South Africa, a disease which has been analyzed and found preventable by Sir Arnold.

The cure is simple, being merely a matter of supplying phosphorus to the cattle diet. A dose of three ounces of bone meal each day is the remedy in its entirety. Carcasses in a state of putrefaction develop the toxin that cause the disease and consumption of

the carcasses by the cattle is induced by a craving for phosphorus. Removal of the carcasses will prevent development of the disease, but to get the proper growth of the live animals it is necessary to supply the necessary amount of phosphorus.

Sir Arnold found that three ounces of bone meal fed to an animal for one year would produce 180 pounds of gain over animals fed only on pasture. In Texas this cost would be about \$1.85 for 365 doses of three ounces each, so that this discovery alone will be of inestimable value to cattlemen.

POST OFFICE EMPLOYEES WANT CHRISTMAS DINNER AT HOME

It has always been the desire of the post office employees to so clean up their Christmas work that they could enjoy their Christmas dinners at home with their families and as a mid-day meal. To this end the "Mail Early" campaigns have been launched.

The local post office is in receipt of instructions from the Post Master General stating that 12 o'clock noon shall be the limit of work on Christmas day and work not finished at that time should be left over until the following day.

Hence, it will not be necessary to open the office here during the afternoon of Christmas Day, although should this be done, it will be through the accommodation of the employees of the office.

Due to the absence of Post Master Gold from the local office because of sickness, nothing has as yet been decided about the routine to be followed here December 25. In the past it has been the custom to open the window for a period of about an hour or more on that date after the mail arrives and has been distributed.

The Christmas volume of mail has already begun to show itself in the local office, according to Assistant Post Master Mark Mosty. Increased volume has been received and dispatched for more than a week, although the peak is not expected until about December 20.

Mr. Mosty and his assistants are kept unusually busy because of the greater amount of mail and the absence of Post Master Gold, and it is to be hoped that they may get the greater part of Christmas Day, if not all of it, as a holiday.

TEXAS BEATS WORLD IN TON LITTERS FOR 1923

Down in Denton County, the Chamber of Commerce, in co-operation with the Farm Bureau supported by merchants, bankers and farmers, set out last spring to beat the 1922 Indiana record of 3,040-pounds of pork from one litter of pigs in six months. When all the litters were weighed in, seventeen were found to average 2,369 pounds and the top twelve averaged 2,589 pounds.

Two world's records were made and stand as such. The top litter made an average weight of 333.2 pounds per head, which is 8.3 pounds above the average of the Texas litter which holds the record for total weight of 3,898 pounds. One gilt of this litter made a record of 364.5 pounds when officially weighed on the 180th day, or three days less than six calendar months.

This litter was of pure bred Poland China breeding, and was fed by J. M. Martin of Denton, Texas. He won \$150 in special prizes offered by business men to any one who would exceed the 1922 world's record.

The cost of the litter from the time the dam was bred until the pigs went to market was \$183.89, and selling at \$8.00 the return was \$266.56 making a profit of \$82.67.

The ration consisted of six parts

BE THANKFUL

That You Have Something
To Be Thankful For

Over three hundred years ago the Pilgrims landed in New England. They didn't have any flippers, no electric lights, no indoor plumbing, no steam heat, no bathtubs. What they did have they were thankful for.

Today we have everything the Pilgrims had and a thousand things more. So be thankful, be thankful.
