VOLUME 41 NUMBER 30

Governor to Speak at Park Meeting Here Next Monday

Governor Pat M. Neff will make an address on the lawn of the St. Charles Hotel here next Monday afternoon on the subject of State Parks...

The gathering will be held at 1:30 and a cordial invitation is extended to every one in Kerrville and vicinity to attend.

Preparations are about complete for the deeding of the tourist park and adjoining land to the State for use as a State Highway Park.

Governor Neff and party will arrive here about 12:30 p. m., Monday and a luncheon will be given in their honor.

Following is the letter received from D. E. Colp, chairman of the State Parks Board:

Dear Mr. Prescott: I have been trying for two days to figure out our itinerary for the inspection trip to be made by the Texas State Parks Board and it doesn't seem to be a safe thing to try to make Bandera on the day we start out.

"We plan to give Kerrville two hours instead of one hour as originally planned. Since you people are going to arrange for a mass meeting we will appreciate it very much if you will make a special effort to notify the farmers and ranchmen as we find that they enjoy these meetings more than anyone else and are always glad to meet and shake hands with the Governor whether they believe in his politics or not, and after all the most pleasure we get out of this life is giving pleasure to some one else.

"I would suggest that you arrange your speaking date for 1:30. Hoping this change will meet with the approval of your organization, we beg to remain, yours very truly,

Texas State Park Board, D. E. COLP, Chairman."

CITY WATER WORKS MAKING MANY IMPROVEMENTS IN WHOLE SYSTEM

Old Wells Being Cleaned and Motors Installed on Pumps—New Pipe Lines to Meet Needs.

Work on improvements in the machinery and pipe lines of the Kerrville Water Works is progressing rapidly, according to Robt. Saenger Sr., secretary of the Board of Trustees.

Included in the improvements in the system are the cleaning out of the old wells, installation of the new pipe lines in various parts of the city, and replacement of old lines with new.

The cleaning out of the wells has been progressing rapidly and will be finished within a short time. One of the wells has been thoroughly cleaned and work on the other is well advanced.

The old oil engines are being overhauled and put in first class condition and new electric motors are to be installed on the pumps. The oil engines will be held for use in an emergency. Two 20-horsepower electric motors are being put in.

These improvements to the pumping plant, when completed, will eliminate the necessity for major repairs for five years and will provide a pumping capacity which will meet all requirements of the State Insurance Commission until Kerrville has attained a population of 6,500 people.

A number of new mains have been laid in various parts of the city to care for the increasing water consumption. Among them is the 6-inch iron line from near Renschel's across Hillersted Addition. Four fire plugs are being put on that line.

A new 6-inch main is also being laid along Water Street from Quinlan Street to the Town Creek bridge. This step is being taken in order to have a large main already laid before the paving is done. Fire plugs are also being put in on that line.

All service connections across Water Street have been repaired and replaced by new pipe where necessary, and additional lines laid to care for future demands. That work was done to prevent the necessity of tearing up the pavement in the near future.

Smaller lines recently laid include 800 feet of 2-inch pipe from the Vanhooker property across Quinlan Creek on the east side of the city. A line of the same size has also been laid from Broadway to Park Street.

Water meters are being installed all over the city and the flat rate will be eliminated. A large flow meter is also being put in at the pumping plant to keep a record of the total daily water consumption by the entire city.

A car load of pipe was unloaded last week and another car is expected within the next few days.

Every effort is being made by the Board of Trustees to give the best of

service, and to that end they have laid plans for the future growth of the city. Kerrville may well feel proud of the work and accomplishments of the Trustees of the Water Works, for they have given liberally of their time in looking after the interests of the city's water plant.

METHODISTS CLOSE INITIAL EPWORTH LEAGUE ASSEMBLY

First Division of New Encampment Success—Sunday School Meeting Gets Under Way Wednesday.

The first section of the program at the Methodist Encampment was brought to a close Sunday evening with the consecration service. The initial conference is considered a great success and the attendance was well above 500.

The Sunday School assembly and training school opened Wednesday morning and will continue through next Tuesday. The first two days will be devoted to Wesley classes, mission study, leadership training, etc., and the training school will begin Friday morning. Double class periods of one hour each will be held each morning.

Endorsement of the movement for consolidation of the North and South Methodist churches was expressed in a resolution adopted at the business session last Friday. A telegram conveying that sentiment was sent to the general convention in assembly at Chattanooga, Tenn.

Officers for the new year were also elected by the Epworth Leaguers. The new personnel includes Miss Florence Mercer of Austin, president; Rev. Solmie McCleskey of San Antonio, vice president; Miss Irene Isenberg of Corpus Christi, secretary; Miss Bertha Thorp of Austin, treasurer, and Miss Alice Weston of San Antonio, Era agent. The new officers were installed Sunday evening.

An interesting feature of the young people's program has been the recreational activities directed by Geo. Wheeler, San Antonio Y. M. C. A. secretary.

The camp fires at night on the mountain top have been well attended and enjoyed. The idea of Indian tribes was carried out in that feature. L. J. Rhades of Austin was captain of the Cherokees and Rev. Z. V. Liles of San Marcos headed the "Chiggers" in athletic contests around the camp fires.

Dr. S. H. C. Burgin, pastor of the Laurel Heights Methodist Church of San Antonio, delivered a series of three lectures Monday, Tuesday and Wednesday nights on his recent travels in the Old World. The talks were illustrated with moving pictures.

Rev. Arthur J. Moore, pastor of the Travis Park Methodist Church in San Antonio, who is in charge of the management of the encampment during the absence of W. H. Chambers, reports over \$30,000 spent in buildings, improvements and furnishings during the past 90 days with over 50 buildings ready. He states that an equal amount will probably be spent in further improvements before next year.

JULY FOURTH CELEBRATED IN SAFE AND SANE MANNER IN KERRVILLE

Orderly Crowds Attend Barbecues at Lake Side Park and on Klan Hill West of City.

Celebration of the anniversary of the signing of the Declaration of Independence was observed in a most fitting and sane manner in Kerrville and the Hill Country last Friday.

In Kerrville the American Legion staged a three-day celebration at Lake Side Park, beginning last Thursday. Friday they were hosts to a large number of people at a free barbecue at noon and each evening of the three as well as all day the Fourth all those that enjoyed dancing had the opportunity to do so in the pavilion at Lake Side. In addition several carnival attractions did a good business.

On Klan Hill near the city was held a basket picnic and free barbecue that attracted a large crowd. After the dinner public speaking was the order of the day, from a speaking stand especially arranged for the occasion. About 250 people from San Antonio were in attendance at this picnic, besides people from all over the Hill Country.

The principal address of the afternoon was delivered by Dr. Everetts, pastor of one of the Baptist Churches of San Antonio. Dr. Manning, pastor of the Methodist Church of Corpus Christi, was also a speaker, as was Henry Rogers and J. B. Tucker of San Antonio. T. A. Duderstadt and R. V. Nichols, candidates for Sheriff and County Judge, announced their candidacy. Judge H. C. Geddie acted as master of ceremonies. The closing address of the afternoon was given by Dr. Bowen of San Antonio.

After dark that night a large fiery cross was illuminated on a high point on the Ola B. Gammon Ranch south-

west of Kerrville, which was plainly visible to all in the city.

Celebrations at Bandera and Fredericksburg attracted quite a few Kerrville citizens, and all up and down the Guadalupe could be found picnic parties out spending the day on the river.

A particularly noticeable thing about the celebrations was the orderliness of the crowds. Nowhere was any disturbance reported and The Sun has yet to hear of any drunks or disorderly conduct of any kind. No fireworks were heard anywhere and everything contributed toward making it a sane and safe Fourth.

Contract Awarded for Erection of New Club House at Golf Course

The contract for erection of a club house at the Kerrville Country Club was awarded to Thraikill Construction Co. of San Antonio, it is announced. Work has already been started on the building.

The Brown Plumbing Co. of this city received the contract for plumbing and the electrical work went to Martin Wright of San Antonio.

The building is to be of white stucco and will cost approximately \$11,000 when completed. Sixty working days will be required for its construction.

The new club house will be on an eminence overlooking the golf course on the northeastern outskirts of the city. It is to be 46x76 feet in size and will contain a number of features.

A large ball room will occupy the greatest space in the building. It will be finished with white maple floors and will afford space for a number of social and entertainment activities of the club.

A locker room with 50 lockers will provide accommodations for the members who take an active part in the golf. Showers and other conveniences will be provided. A kitchen is also to be available for the activities of the club. It is to be fully equipped.

A golf shop and the caretaker's department will be housed in the new club house.

Work is well under way on the building and it is expected it will be ready for use about September 1. The golf course is rapidly nearing completion and will probably be open by the time the club house is completed.

JUNE REAL ESTATE INCREASE PUTS SIX MONTHS TOTAL AHEAD OF 1923

1924 Deals 26 Per Cent Greater Than First Half Last Year—City Deals Nearly Double June, 1923.

Real estate deals during June totaled \$99,352 and make the total for the first half-year nearly 26 per cent greater than for the corresponding period of 1923, tabulations for the month show.

City deals for the month, with a total of \$19,938, showed an increase of approximately 85 per cent over last June, although the county transfers were nearly three per cent less than in that month 1923. A total of \$79,414 in real estate was sold during June of this year, while 1923 showed \$92,933 for the same month.

June Transfers showed an increase of nearly 30 per cent over the total for the preceding month. Deals during May totaled \$76,499, or \$22,853 less than for June.

The total for the first half of 1924 now stands at \$441,239, as against the total of \$350,865 for the same period of last year. This year's gain to July 1 is \$90,374, or 25.7 per cent.

Should trading in real estate be as active during the remainder of this year as it has been the first half, there is no doubt but that the total for the year will exceed that of 1923 by approximately \$100,000.

Possibility that this year's business may go higher than last is very strong, as local real estate dealers report sales good with market steady.

S. H. HUNTINGTON RECEIVES PATENT ON CODING DEVICE

By Its Use Ciphers Can Be Formed Defying All Known Methods of Solution.

Last week S. H. Huntington received notification from Washington that Patent No. 1,509,077 had been issued to him on a novel device for making secret codes and ciphers. All four claims of originality on which he applied for the patent were allowed. He says that this little codifier may completely revolutionize present government secret codes as with it ciphers can be formed which defy all known methods of solution. The frequency tables on which the code experts rely to solve unknown ciphers are broken up completely by the new method, even the letter grouping into words being entirely changed by the novel idea of using the space between words as an additional twenty-seventh letter in the alphabet.

The patent was applied for in December, 1921 and has taken all these intervening years for investigation and final action.

THE GOVERNOR'S MANSION

A subject of more than passing interest to six women of Texas just now is the Governor's Mansion, at Austin, one of whom will become mistress of this "White House" of the Lone Star State before another year passes.

The Kerrville Mountain Sun Monthly Magazine Section issued July 17, will tell you something about the Mansion—the State funds available each year for its upkeep, including wages of servants, etc.; when it was built and kind of architecture; names of Governors who have occupied it, from E. M. Pease and family in 1856-57 to Pat M. Neff and family in 1920-24.

STATE HIGHWAY LAWS TO GOVERN LOCAL TRAFFIC

Interpretation of Regulations and Warning Against Violations Is Given by New Officer.

Explanation of the State Highway laws, which govern all traffic in Kerr County, and a warning against violations of the regulations is issued by E. W. West, chief traffic officer for the county, who assumed his duties Sunday.

Mr. West states that violations of the traffic laws will be prosecuted, with proper consideration for the nature of the offense. He makes the request that all drivers of vehicles co-operate in observing the regulations, not only because of abiding by the law, but for the benefits in speeding up traffic and aiding public safety.

Mr. West gives out the explanations herein making plain the State highway laws, which are being enforced in Kerrville and Kerr County under his direction.

The speed limit in Kerrville and any town or village is 20 miles per hour. Outside of any city, town or village the limit is 35 miles per hour. At railroad crossings the limit is six miles, regardless of whether the crossing is in a city or village or in the country. Commercial vehicles are governed by their weight, 18 miles per hour being the maximum speed limit in or out of a city or town.

Cutouts must be kept closed within the city limits when passing through any settlement or village. Opening of mufflers outside of the

(Continued on Page Two)

NEW TRAFFIC COP NABS FIVE ON FIRST NIGHT OF DUTY IN CITY

E. W. West of San Antonio Hired by City and County to Enforce Traffic Laws; Begun Sunday.

Sunday evening an autoist in the lower end of the city, who was gleefully speeding out of the city with his cutout open, was painfully surprised to have a motorcycle draw up alongside and hear the admonition "Pull out to one side." However, he was not the only surprised one in Kerrville that night, as four other persons received the same orders and also a card inviting them to appear before Judge Turner at 9:30 Monday morning for trial on charges of violating the traffic laws.

The cause of the disturbance among the joy riders and speed demons was E. W. West, who hails from San Antonio and who knows all the State and local laws relating to automobiles and also all the dodges, excuses and arguments of those caught evading the law. For he has been at the traffic regulating game a long time.

Mr. West has been employed by the City and County jointly to straighten out the tangle the local auto drivers get into. He got in the city Sunday afternoon and began work in a ripe field that night.

The new traffic cop has been engaged in similar work in San Antonio for the past three years, where he served as a State Highway officer, and comes well recommended for the position for which he was hired. However the best recommendation he could have is one he is turning in before Judge Turner each morning.

Mr. West says he is not here to persecute people, but if you are knowingly violating any of the traffic laws you had better watch out, for he will sure be after you. The principal offenders he is after are those who enjoy speeding and reckless driving, as well as those who delight in driving a car while under the influence of liquor. However, he will find time to look after such matters as driving with muffler open, without head and tail lights, and also without license tags.

The speed cop is sure a busy fellow here now but he is not the only busy one, for Judge Turner reports a rapidly increasing business and Sheriff Moore says he is selling 1924 license tags at a rapid rate.

Chas. Schreiner Bank WOL AND MOHAIR COMMISSION MERCHANT Your Very Best Wealth Copyright 1922 by W. C. S. ONE DAY SOME MEN were talking about the good and the bad investments they had made. They all agreed that it was not so easy to make the best use of one's money—that mistakes are easy to make. One of the men said: "The best part of my wealth is not investment at all. My farm and my Liberty Bonds are all right—I am glad I have them but those are fixed investments and the profit from them is best when I hold on to them. "The very best part of my wealth is that part which will serve me quickest and in the largest variety of ways. The money I have in the bank is my Very Best Wealth because it is always ready to answer my call no matter what I want to do." What is your experience? ESTABLISHED 1869 KERRVILLE, TEXAS

Camp Rio Vista to Entertain C. of C. at Meeting July 18

Members of the Chamber of Commerce will be guests of Herbert L. Crate at Camp Rio Vista at the next regular meeting July 18. The invitation of Mr. Crate was accepted by the Board of Directors Tuesday morning.

An elaborate program of entertainment is being planned by Mr. Crate and the boys at the Summer Camp will figure prominently in the amusement features of the evening.

No announcement has been made by Mr. Crate as to the details of the program, but it is to be expected that an evening of unusual and novel entertainment will be in store.

The meeting will open at 8 o'clock Friday evening, July 18. Members will make the trip in cars, although no plans have been announced as to whether all will meet at a central place and go in a body or each car go individually.

All members are urgently requested to notify Mrs. Amy Wallace, secretary, at the Chamber of Commerce office by next Thursday if they intend to make the trip in order that Mr. Crate may perfect arrangements to care for the attendance.

GAVEL CLUB TO ERECT WELFARE CLUB HOUSE AT LEGION HOSPITAL

Masonic Service Club Chartered Contract to Be Let for Club Building in Next Few Days.

The Gavel Club, an organization of Master Masons among the patients and personnel of U. S. Veterans' Hospital No. 93, Legion, was chartered by the State of Texas Tuesday. Incorporators were given as Dr. J. J. Klein, V. J. Fugler and Dr. T. V. Fryar, and the purpose of the Club was given as welfare work among the Masonic fraternity as well as all others needing assistance.

The Club expects to let the contract in the next few days for the erection of a club house on two acres of ground they recently acquired by purchase adjoining the hospital grounds. Plans for the new building have already been drawn and approved and call for a substantial building suitable for the work contemplated by the organization, and one that can be added to as the necessity for increased quarters arises.

Funds for the purchase of site and erection and furnishing of the club house are being raised among the members of the Gavel Club themselves and by donations from Masonic bodies over the State as well as from individual members of the order. It is expected that work on the structure will get under way in the near future and plans are already being formulated for corner stone laying exercises about the middle of next month.

A great deal of credit is due, according to members of the Club, to Wilbur Keith of Dallas, secretary of Masonic Service and Education of the Grand Lodge of the State, for the securing of funds for the construction.

SUNDAY SCHOOL MEETING OPENS AT WESTMINSTER

Presbyterians Swing Off into Second Part of Program—Registrations Begin to Increase.

The conference on the work of the Sunday School got under way at the Presbyterian Encampment last Sunday morning with a good registration and interest at high pitch.

More than 200 people had registered for the conference before the end of the first day and the number is expected to increase at the beginning of the second period of the conference which opens Saturday.

Nearly 900 people have registered at the camp office this summer and about 400 of that number are still on the grounds. A number of reservations made for this time of the summer are being taken up and an average of more than 25 people have been arriving each day. Present indications point to a shattering of last year's record-breaking attendance for the entire summer.

Rev. Wesley Baker is directing the conference and each morning is delivering a lecture on "Sunday School Extension and Organization."

A class in story telling is being conducted by Mrs. W. L. Hickman of Texarkana, and Miss Stella Hovey of Fort Worth is instructing a class in pupil study. No students registered for the adolescent psychology class, hence it is not being conducted.

Rev. E. B. Paisley of Laredo delivered the sermons last Sunday and is giving a series of inspirational addresses each evening through Friday. Rev. R. L. Jetton of Jonesboro, Ark., is conducting the Bible study period.

Miss Winifred Anderson of San Antonio, who is recreational director at the camp, is conducting a class in gymnastium work and physical training.

Miss Lillie May Norwood is in charge of the story telling hour for young people from 8 to 9 o'clock each evening.

A 10-piece orchestra directed by Prof. Anton Ernst, musical director of Allen Academy at Bryan, gives concerts each evening beginning at 7:15 and continuing until the opening of the night services.

Registration during the past week include the following: Mr. and Mrs. J. M. Farner, C. J. Farner, T. J. Onaway, Mr. and Mrs.

(Continued on Last Page)

THE WEEK IN SOCIETY

Sun to Start New Feature

Beginning with next week's issue, The Mountain Sun will begin publishing a feature that will be of real interest to the women of the Hill Country, and the men as well, for they will also benefit by the series.

There are many good cooks in this section of the State of Texas, more, possibly, than in any other section of the country and with a larger and more varied assortment of styles of cooking, caused by the population of the Hill Country coming from every section of the United States.

It is planned to begin next week printing a recipe of some dish that has made the contributor famous in her own community. The recipes need not be original, but the name of the contributor will be published along with the recipe.

If the ladies of the Hill Country will co-operate with The Sun in this matter, this feature will be worth lots to them and will add much to the fame of the Hill Country, already noted for its good cooks.

Any further information desired about the recipes can be obtained by calling Phone 341.

Children's Party

Last Thursday afternoon at the home of her parents, Mr. and Mrs. Kearney Butt, Inez Butt entertained a number of her little friends in honor of her ninth birthday.

A Delightful Rook Party

Last Monday afternoon in the home of Mr. and Mrs. Gerald Walther, Mrs. W. C. Fawcett and Mrs. Gerald Walther entertained with a "Rook" party honoring their sisters, Miss Teresa Noble of San Antonio, and Miss Josephine Fawcett.

Fourth Celebrated at Thompson's

A regular old time barbecue and watermelon feast was given by Dr. and Mrs. S. E. Thompson to their patients and former patients and friends of Kerrville at 6 o'clock p. m. on July Fourth.

As part of the program "political speeches" were made with Dr. H. Y. Swayze presiding, by the following: Mrs. Carrie Catts (Mrs. Jake Kroll) placed in nomination the name of Happy Hooligan for Governor for the State of Texas on the Meal Ticket.

The claims of Andy Gump as candidate for President of the United States was presented by Emmett Thurmon (himself). This was the keynote speech of the evening. The speaker stated that the main reason that Mr. Gump was for the "common people" is that there are more common people than otherwise; that he is for light wines and heavy beers; for free love and more of it, and that when elected president the beautiful young ladies will not have to bathe in the salt waters of the Gulf, but will pickle themselves in alcohol; that every supporter of Andy Gump is assured of a good government position; that the country will flow in milk and honey; that Andy Gump promises

anything to the common people that they want and guarantees them nothing.

A laughable part of the program was a "bathing beauty" review, participated in by the "Lunger Dozen," composed of the beauties of the Sanatorium. The judges finally awarded the prize to Miss Baton Rouge, being represented by Joe Friedman.

Card-Sutton

Last Friday at the home of the bride's parents in Cuero, occurred the wedding of her daughter, Buena Lee, to James M. Sutton Jr. of San Antonio.

The bride is the daughter of Mr. and Mrs. J. C. Card and is a very attractive and accomplished young lady. The groom is the son of Mr. and Mrs. J. M. Sutton of this city. He grew to manhood here and on account of his exemplary habits is held in high esteem by his countless friends and business associates.

The Sun joins their many friends in wishing them happiness and prosperity.

Reception for Pastor's Family

Not only the Baptist congregation, but members of every congregation of the Protestant churches of the city assembled at the Baptist Church Tuesday night to pay respects to the newly arrived pastor of that church and his wife, Rev. and Mrs. R. W. Merrill.

A splendid musical program was rendered throughout the evening, interspersed with short talks by speakers from the different denominations. All those speaking paid glowing tributes to the new pastor and wife and complimented them on the way in which they have started off in their new field.

A Delightful Swimming Party

Wednesday afternoon of last week Misses Yolande Robinson and Mae Louise Schreiner entertained with a delightful swimming party honoring Miss Hallye Stribling of Abilene, and Miss Alice Dominguez. After the swim the guests were served a delicious picnic lunch.

The young people invited for the occasion were Misses Alice Dominguez and Hallye Stribling, the honorees; Mr. and Mrs. Glenn Brooks, Mr. and Mrs. Alois Renschel, Mrs. Marguerite Hart, Mrs. Lillian Clemmons, Misses Mable, Margaret and

Anna Neblett Thorburn, Helen Johnson, Maybelle Roberts, Dorothy Stubbfield, Helena Brown, Marguerite Henke, Virginia and Josephine Coombs, Kate Renschel, Dorothy Faulkner, Lydia Raaz, Thelma McCorquodale, Ruth Garrett, Helen Dietert, Mable and Betsy Hart Bates of San Antonio, and Messrs. Milton Gilmer, Scott Fawcett, Louie Wilson, Leckie, Louis Comparette, Cecil Robinson, John Stubbfield, Jules Renschel, Everard Baker, Bill Secor, Sidney Wheelless, Hal Peterson, W. H. Rawson Jr., Herman and Walter Saenger, Bruce Magee, Joe Boudreaux, Dobkins, Rosenblatt, Callahan, Patton, Chas. Mason and Joe Ward.

Dance for Texas Camp Boys

An interesting social event of the past week was the entertainment given Tuesday evening at Stewart's Texas Camp in honor of the boys there.

Mrs. L. A. Schreiner, Mrs. P. J. Dominguez, Miss Mae Louise Schreiner and Miss Alice Dominguez were in charge of the arrangements for the affair, and the two first named with Mrs. J. S. Wheelless acted as chaperones.

A large camp fire was built on the grounds and many stunts and other entertainment features were provided during that period. Following the camp fire number came dancing, which occupied the greater part of the evening's program.

About twenty-five young ladies from the city, in addition to the young men at the camp, were in attendance.

STATE HIGHWAY LAWS TO GOVERN LOCAL TRAFFIC

(Continued From First Page)

city or settlement is permissible, Mr. West states.

Motor cars must have two headlights and a tail light and other vehicles should have lights visible both front and rear. Spotlights are permissible when used as a headlight, but cannot be used to locate street numbers, to shine on buildings, etc.

All turns at intersections must be made to the right of the center of the intersection. Right hand turns may be made by "cutting" the corner, but on a left turn the vehicle must pass to the right of and around the center of the intersection.

In approaching an intersection the vehicle on the driver's right has the right-of-way when it seems apparent that the two vehicles will reach the intersection at about the same time.

All vehicles must be parked head-in at an angle of 45 degrees on the right side of the street. No turns are permitted between the intersections. Drivers must give signals before stopping or turning, for the benefit of other drivers.

All cars must have license plates front and rear. Chauffeurs must also have licenses. In cases where payment of licenses has been made, but no plates, seal, or badge is given be-

cause of the supply being exhausted, a receipt is given and must be available for display to the traffic officer in case the driver is stopped for that reason.

Excessive use of horns or exhaust whistles at night is prohibited. These signals should be used when necessary as a warning, but their use merely as a noise maker renders the user liable to arrest and punishment.

All vehicles traveling in opposite directions shall pass to the right of each other, each giving the other half of the road as nearly as possible and at a speed not to exceed 15 miles per hour. Vehicles overtaking others moving in the same direction shall pass to the left of that vehicle after sounding an audible warning to the other driver.

All fire apparatus, ambulances, etc., have the right-of-way over all other vehicles when being operated as such in response to an alarm or call. Interference of other vehicles is prohibited.

Copies of the highway laws may be obtained from the Highway Department at Austin. The preceding is but a summary of the most important ones.

CALVIN COOLIDGE JR. DIED MONDAY NIGHT

Calvin Coolidge Jr., the youngest son of President and Mrs. Calvin Coolidge, died at 10:30 o'clock Monday night at the Walter Reed Hospital, on the outside of Washington.

Death was caused from blood poison which resulted from a blister on his right foot received in playing tennis on the White House grounds. The best medical and surgical skill of the country could not stay the ravages of the dread disease and death relieved the brave lad's suffering.

Simple dignity marked the funeral, at the request of the parents, which was held at the White House at 4 o'clock Wednesday afternoon after which the body was taken to Northampton, Mass., for a second service and thence to Plymouth, Vt., for burial.

Subscription Honor Roll

The following have either subscribed or renewed their subscriptions to The Sun during the past week:

J. M. Thompson, Dr. I. Mayhugh, W. A. Simmons, John Marks, John Sturdivant, D. F. McNeese, Kerrville; Mrs. E. M. Hooks, El Paso; J. W. Ridenour, Ingram; Mrs. C. W. Hamilton, Nixon, and H. C. Holchak, San Antonio.

Catarrhal Deafness

Is often caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing. Unless the inflammation can be reduced, your hearing may be destroyed forever.

HALL'S CATARRH MEDICINE will do what we claim for it—rid your system of Catarrh or Deafness caused by Catarrh. Sold by all druggists for over 40 Years. F. J. Cheney & Co., Toledo, Ohio.

Do You Want To Get Well?

You should lay aside your prejudice and come and get well. Chiropractic has worked seeming miracles on many people suffering from ailments such as yours, and will do the same for you, if you will but give it a chance.

We make no charge for a complete analysis of your spine.

Attention, Dairymen!

We are interested in seeing the dairy industry of the Hill Country developed to the highest degree. Many of our farmers and ranchmen are beginning to develop this branch of industry and are finding it profitable. Others are wanting to go into the dairy business but have not done so for lack of capital necessary to purchase dairy stock or for lack of knowledge of where to secure the right sort of cows.

We are in a position to assist anyone desiring help in either of above instances. We can tell you where you can secure the right sort of dairy stock and, when necessary, can assist the dairyman in financing such a purchase.

Yours for a Bigger and Better Hill Country.

Have just completed two homes in Hillcrest for sale. See Hal Peterson for terms. (Advertisement 27-1f)

Mr. and Mrs. L. D. Garrett and son, Earl, left Wednesday for a short visit with Mrs. J. H. Vanham on the Divide.

Mr. and Mrs. A. C. Schreiner left Monday for a visit of about a month in New York, Boston, Baltimore and other points in the east.

Rev. W. M. Pearce and family of Abilene arrived in Kerrville Wednesday afternoon, en route to the Methodist Encampment grounds north of the city.

Mr. and Mrs. F. A. Ober and daughter, Rosalie, motored up from San Antonio last Friday to spend the week end with Mrs. Ober's mother, Mrs. N. G. Pfeuffer.

Ellis H. Brooks, a son of Editor Brooks of the Weimar Mercury, is making his home with Mrs. Lou Wharton and attending the summer school in this city. It is the intention of the young man's parents to place him in Schreiner Institute in September.

A branch of a Himalaya vine was brought to The Sun office Wednesday by J. N. Ewing. The vine was about 18 inches long and carried 16 sprigs on which were 156 berries. The Himalaya berries are similar to dewberries in appearance and taste, and the vine grows to great lengths and contains thorns similar to rosebushes.

W. H. Black of Barstow was in the city the first of the week prospecting for a place to locate.

Mrs. O. J. Bean and brother-in-law, J. T. Bean, of the Divide were Kerrville visitors Wednesday.

RAMS FOR SALE—Look up Chas. Real's advertisement in Classified Column. (Advertisement, 29tc)

### THE TEN MILLIONTH FORD HAS BEEN MADE

A statistical expert recently gave out the following figures on Ford production. If the ten million model T Ford cars were parked side by side and touching each other, they would occupy a place more than 22 miles square!

If a procession was formed four Fords abreast, fifteen feet apart, across the United States, by the time the last four were ready to start, the first four would be more than 1,000 miles on their third trip across the continent. The starter working 24 hours a day, and starting four cars a minute, would be on his job five years without stopping! (Advertisement, 30)

\*\*\*\*\*  
THE PASSING DAY  
Will H. Mayes, Department of Journalism, Texas University  
\*\*\*\*\*

The movement of the present administration to establish parks throughout Texas is a most commendable effort, and one which will be longest remembered to its credit. Unfortunately there will be a change in the State administration before much progress can be made in securing the park sites and the next one may be indifferent about the matter or may be too much occupied to give it the necessary attention. There should be a number of parks in every county in the State and an educational campaign should be conducted to create interest in their proper maintenance. There should, in addition to these numerous local parks, be a few large parks of such attraction and magnitude that the whole State could feel a pride in them.

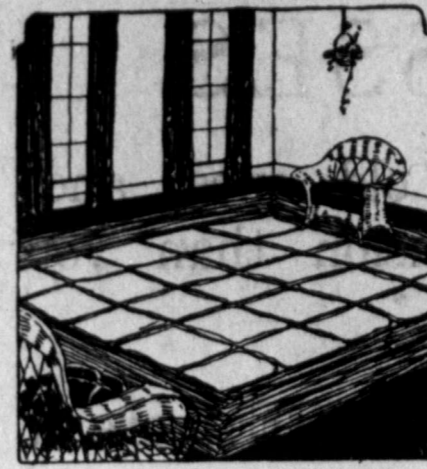

Most of the cities of Texas appear to have sufficient interest in securing city park sites, though it must be admitted that but few cities are as yet properly keeping up those they have. Very few towns and villages of the State seem to be at all concerned about local parks or to appreciate them as assets to their communities. Of course parks are not so much needed where real estate values are low and almost every home is set on a large well-kept lot, but there is a community need that the home lawn, however attractive, can not supply. The town park should be made the town gathering place for outdoor amusements and recreation. It is noticeable that the towns and villages that have attractive parks have a town pride that is not found in those places where there are no parks.

Every once in a while some one asks me "What is the matter with East Texas and why do so many people leave there to locate in sections that are perhaps less favored?" Really there is nothing the matter with East Texas unless it be lack of community interest and effort. Taken as a whole one will not find a bigger-hearted, better people on earth than in East Texas. Their individual and family hospitality is unbounded. As individuals most of them are fairly progressive and enterprising, but in many places unified community co-operation is largely lacking. They do not pull together with the teamlike effort that characterizes most thrifty communities. Each individual, each family is doing fairly well, it is easy to make a living, and the advantage to be derived from all working together for the general good is not as clearly felt as it might be.

When the boys and girls grow up, instead of creating through community effort, some enterprise or industry for them to engage in at home, the well-to-do old people just let them drift away to those places that are affording better opportunities. The west is hustling and is constantly calling attention to what it is doing, and boys and girls leave East Texas in large numbers because they are anxious to leave, but because other places give them something to do. That is why so many places are not larger and no better than they were a quarter or a half century ago. Individual effort in East Texas is not strong enough to combat community effort in other sections. It can't do it anywhere. To keep the boys and girls from leaving their home towns and villages the people must work together, not separately, to provide something worth while for them to do.

Bad roads have done more to hinder East Texas development than anything else. Co-operation is negligible where people have difficulty in getting together. The mountainous sections without roads are the most backward countries to be found. West Texas has been fortunate in having good natural roads across unfenced lands and it has profited thereby. When it saw the necessity for building roads the people began getting together to build them. Many places in East Texas are now building roads, and wherever they have been built the country and towns are taking on new life, and have a community pride not dreamed of a few years ago. They find it pays to work together and they are beginning to build together in a way to hold their young people and keep them employed at home. The progressive communities and towns are not only holding their own, but they are attracting from less progressive places the young blood essential to progress and development.

### LIVE AND LET LIVE

Lake Worth (Florida) Leader: The most unselfish business carried on in any community is the newspaper business, says Milton Gazette. The editor has demand upon his time and his space, which is his only stock in trade, that is wholly out of proportion to that given by any other business or profession in the community.

If there is an industrial plant to promote, the space of the newspaper is devoted freely to the propaganda boosting the enterprise. The business men who are to profit most by the launching think it no more than the newspaper should do and he renders the service without pay and without thanks. If there is a church edifice to build the newspaper is expected to boost the proposition and to help in every way the movement for subscriptions, and the newspaper does it, and when the subscription paper is passed he is expected to contribute as much in cash as the fellow of like financial standing contributes who has given neither time nor space to the enterprise.

If there is a clean-up campaign on, the newspaper is supposed to boost it for the entire season and the editor does this at his own expense. If there is a farmer's meeting, a church meeting, a meeting of commercial men, or social clubs, or if any firm makes a change in any way the matter is referred to through the newspaper. Besides, the newspaper is boosting every other business, helping the business men to make money on their investments and yet there are in every community business men who cannot enjoy life and see the local newspaper prosper. It is one of the ironies of fate and newspaper men go on serving the public, unselfishly accepting the business of those who are appreciative and who are willing to give support to those whose time is devoted to helping build up and boost the town.

We are reminded of the prayer of the old tight-wad deacon, who, when the new pastor was called to his church, was called upon to lead the opening prayer and said: "O Lord, bless our dear pastor as he comes to labor among us. If you will keep him humble, Lord, we will keep him poor." That is the attitude that some business men always assume toward their newspaper. We are glad to note that their number is growing smaller with each passing year. The newspaper is considered a necessity and intelligent business men know that to have a good newspaper they must give it whole-hearted support.

The Sun wishes to call attention to its readers to one body of men that have done and are doing much for the upbuilding of the city—the Board of Water Commissioners. This board, composed of J. L. Pampell, W. Scott Schreiner, A. B. Burton and Robert Saenger Sr., have devoted lots of time, wholly without pay, to the problem of providing an adequate supply of water for the city. Each one has taken time from his own business, giving unstintingly without thought of recompense or credit. Especially is this true of Mr. Saenger, secretary of the board. A watch will not run without some motive power, or works, neither will an automobile or any other man-made movable object. All must have power—and most of this power is behind the surface, away out of sight, doing its duty steadily and unflinching. Such is the case with the members of the Water Board. They are the motive power that keeps the city supplied with an adequate supply of pure drinking water, and that provides for the city's increasing water consumption. And like the works in the watch, they are always in the back, never appearing

## Standard Six

In the homes—on the streets—in stores and offices everybody is talking about the new Buick Six—the Six that sets a new standard of quality and price. Throngs of people are streaming into Buick salesrooms to see it.

### This Beats the Colt Story

Last week a story was published in The Sun regarding a colt that is being raised with nourishment obtained from a milk goat, but this week The Sun is informed of another nanny that is doing her bit in a peculiar manner.

While cutting oats a few weeks ago, James Spicer Jr., who lives out on Turtle Creek, found a couple of young fawns, buck and doe, that were not over a few days old and had evidently been left by their mother. Mr. Spicer took them home rather than see them perish for lack of food, and solved their problem by turning them in with some goats.

Now after four weeks, the young deer are as chipper as deer can be and are thriving on goat milk. However they are not very loyal to their foster mothers, and when turned out

in company with the flock of kids for their evening meal they pick out any nanny that suits their fancy, regardless of what the goat's offspring may have to say about the matter.

B. L. Wiedenfeld says the farmers of the county or the communities which are infested with grasshoppers ought to get together and put on a grasshopper poisoning campaign. He believes that much more good can be done if all the men in the community will get together and put on a systematic campaign and rid the whole community of the pests so that they cannot migrate from one place to another.

### CATHOLIC CHURCH NOTES

By Father Kemper

### INDEPENDENCE DAY

The anniversary of our country's independence was observed in a religious and patriotic manner. Soon after "Old Glory" was raised on the lofty flagpole in St. Mary's Park, a large number of invalid soldier boys from the U. S. Veterans' Hospital marched into the church and received in a body, the sacred Eucharistic Species.

Several nuns came up on the Fourth to swell our faculty. They were Sister Mary Philip, M. A., Sister Martha and Sister Margaret Alacoque. The trio motored here from San Antonio with Misses Emilia and Cornelia Schiffers, who are attending the Incarnate Word College, and are relatives of Mrs. J. L. Ahr. Sister Lambert, another relative of the Ahrs, returned to the Alamo City on the following day with the Schiffers girls.

On the morning of the Fourth, Miss Grace Start came with all members of her family to renew her acquaintance at the convent, where she had passed such a delightful summer on a previous vacation.

The Dryden girls of the Lady of the Lake College spent the week end with their parents, who also entertained relatives from Part Arthur.

Lottie Bullard returned to the convent on the eve of the Fourth, after having visited relatives in Sinton, Nordheim and Corpus Christi.

Theresa and Marie Lochner, two more summer boarders, enjoyed a visit from their guardian, St. Arthur Shaw, who is an active Red Cross worker.

Frieda Ruff is back with her Notre Dame friends, having resigned her position in San Antonio.

Lee Reifel paid his schoolmates a visit, on his trip up from the Alamo City with his parents and brothers.

Veterans Discharged  
Three of the Catholic ex-soldier boys at Legion were honorably discharged from the Government Hospital, viz: Barto Culla, Murphy Walker and Eddie Coppel.

Will Garvey left with his parents on a trial visit.

Joseph Geri from Pensacola, Fla., was transferred here from Fort Bayard, New Mexico. Likewise Wm. B. Frazier was sent here from San Angelo.

At Dr. Thompson's Sanatorium the following were recently admitted: Miss Marie Hoffman of Waco, Mrs. Leroy Taquard of Houston, and Erastus Miguez of New Iberia, La.

Lydia Chavez of that institution was visited by her father from Edinburg.

Miss Mary Travis, formerly a nurse, returned to her folks in San Antonio.

Juan Moreno submitted to a serious operation in Santa Rosa Infirmary on Wednesday of last week. His business is for the present under the conscientious administration of Ramon J. Castillo.

Visitors  
Frank J. Nitsch and family spent the Fourth with his wife's parents, Mr. and Mrs. Charles Mosel.

Hugo Sultenfuss, also a San Antonio plasterer, spent Independence Day with Ed. Sublett's family.

Mrs. William Haymann came from Galveston to visit her daughter, Mrs. G. F. Stone.

Anna Harnischer of El Campo was a guest of the Carville sisters.

Rosemary Stehl of Port Arthur enjoyed a brief stay with Mrs. J. W. Scott.

Mrs. Ida Kirkpatrick and her daughter, Mrs. John Drodzy, were glad to welcome back Mrs. Lillian Sitterle of Refugio.

Rose Stehling resigned her Kerrville employment to go back to Fredericksburg.

Kenneth Flinton was called to New York City to engage in a lightweight prize fight.

Tom Scroggins Jr., whose father died here a few years ago, was with us Sunday. He came with his House-

### EPISCOPAL CHURCH NOTES

By Member

The Rev. George Belsey conducted services for us Sunday. He made a splendid patriotic address impressing on us that if we hoped to become citizens of the Heavenly City, we must first be loyal citizens while living here; among other things how all Christians should use the ballot and every other right means to have our prohibition laws enforced; how we should give all races and creeds a fair, square deal and keep from all intolerance.

There will be services next Sunday at 11 a. m.

It surely was encouraging to see so many present at the morning service. Come again.

### HELP WANTED IN KERRVILLE

And Furnished by the Help of Kerrville People.

Those who suffer with kidney backache, urinary ills or any little kidney or bladder disorder, want kidney help. Who can better advise than some Kerrville resident, who has also suffered, but has had relief. Kerrville people recommend Doan's Pills. Here is one case and there are many others:

D. F. McNees, retired farmer, says: "I recommend Doan's Pills for I know they are a good remedy. My kidneys were weak and out of order and I felt dull and tired and had a soreness and dull ache over my kidneys. Others in my family had been benefited by Doan's Pills so I used them. They corrected the trouble and put my kidneys in good condition."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. McNees had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

### WOMAN, 114, SMOKES, TEACHES 50TH GRANDCHILD

### Sick Headache

"I have used Black-Draught when needed for the past 25 years," says Mrs. Emma Grimes, of Forbes, Mo. "I began taking it for a bad case of constipation. I would get constipated and feel just miserable—sluggish, tired, a bad taste in my mouth, . . . and soon my head would begin hurting and I would have a severe sick headache. I don't know just who started me to taking

### Thedford's BLACK-DRAUGHT

but it did the work. It just seemed to cleanse the liver. Very soon I felt like new. When I found Black-Draught so easy to take and easy-acting, I began to use it in time and would not have sick headaches.

Constipation causes the system to re-absorb poisons that may cause great pain and much danger to your health. Take Thedford's Black-Draught. It will stimulate the liver and help to drive out the poisons.

Sold by all dealers. Costs only one cent a dose. E-104

### PRESBYTERIAN CHURCH

By Member

We, who live in Kerrville, too often neglect to take advantage of the opportunities offered us and miss a great many worth while things of what the Westminster Encampment offers. It is often very interesting to know what the people from other places have been able to say about the advantages they have had or the benefits they have received.

The following article was written for "Onward," by Miss Lucille Pearce of San Antonio:

### "WHAT THE KERRVILLE CONFERENCE MEANT TO ME"

I am going to tell you not only what the Kerrville Conference meant to me but what it means to me. This Conference has passed, but its spirit is living yet and will continue to live and manifest itself in the hearts and lives of those who attended it. The test of any meeting, no matter of what nature, is in its ability to endure, its effect upon those whom it affects.

In order to show best how the Young People's Conference affected me, I want to give you, not so much the details of the Conference but the purpose and results of those details which go to make up the complete whole. In revealing to you the purpose I hope to show you the structure.

In the first place, why do young people go to Kerrville? A number of them work during the winter months and need especially the rest and recreation which Kerrville air and spirit afford. By far the larger number, however, look upon the Conference as a Training School and go there for the special purpose of receiving good, wholesome, Christian training. This is, of course, the primary purpose of the Young People's Conference.

Perhaps the outstanding thing about the Conference is the clan organization. Each Presbytery comprises a clan with some appropriate Scotch name and a chieftain chosen by the members who represent the clan in planning the work. Possibly the direct reason for the clan organization is to keep up with each young person on the grounds, no one escapes that eagle ken. While that may be the external aim of the organization, there are four main results to be obtained:

The clan organization fosters a spirit of sportsmanship. Engaging in clean athletics gives the young people an opportunity to burn up some of their pent-up enthusiasm and physical activity. Sportsmanship can be developed only by activity; good losers are praised fully as much as the winners. The other fellow's rights are respected and given due consideration. Every one likes to be called a good sport and ample opportunity is given to show your sportsmanship qualities or to develop some.

The clan organization fosters a spirit of honesty. When you become a member of a clan a little card is

given you on which to check your record for the day. The items on the card form the basis for the rivalry between the clans. What better schooling in honesty can one receive than that?

The clan organization fosters a spirit of devotion. The devotional services held by the clans are among the most beautiful and inspiring services attended. The very quietness, the fellowship with people whom you know and love, are among the good qualities of this devotional hour. In this quiet hour that thread which shall lead to life service is woven into the hearts of the young people.

The clan organization fosters a spirit of loyalty. In helping you to be loyal to a small unit it helps you to be loyal to a larger one. It makes you loyal to your home church, to your denomination, to the whole Church of God; it makes you loyal to your country, to your State, to your home. Finally, if the clan organization has succeeded in its purpose, each young person will say in his heart:

"I'll serve my Master, I'll serve with my person in His wars, I'll serve Him with my fortune here at home. Watch for Him, fight for Him, bleed for Him. Die for Him, as every true-born loyal subject ought."

Therefore, in this one part of the entire Young People's Conference we have the fourfold plan of life beautifully carried out. "Jesus advanced in wisdom, and stature and in favor with God and man."

But this doesn't include all the work. The real training in actual service comes in the four main classes which are held, the Sunday School training class, the Home Missions class, the Christian Endeavor Expert class and the Foreign Missions class. The Sunday School class gives you an insight into the mechanism of the Sunday school; the Christian Endeavor class is taught the Expert book and those who pass the examination are entitled to wear the Expert pin. The gains are greater than the honor of wearing the Expert pin. The Home Missions class learns about Home Missions (not many people know) and their need. Line missionaries lecture to the Foreign Mission class. That's the way our heads were trained.

Beside the clan activities recreation is carried on by means of hikes, games, parties. An interesting class on ice breaking, games and stunts is held and how to give parties for large and small groups. Our bodies were trained in this way.

Our hearts were not neglected, either; the most important work of

the Conference, training hearts, was conducted through the Bible hour. Sportsmanship, honesty, devotion and loyalty I learned from the clan life. My head, my body and my heart were trained through the fourfold program. This is what the Kerrville Conference meant to me.

### CHRISTIAN CHURCH NOTES

By Member

Our Sunday School attendance was greatly increased last Sunday, which filled our hearts with joy and thanksgiving. The Bible class came out winner of the attendance banner this time. However, they were run a close race by the primary class.

The young people had their regular attendance, and we hope they will win the banner next Sunday, for we are greatly interested in the young people and urge the parents to come and bring them along.

The Bible Class was taught by S. E. Bomar, whom we all appreciate as a very consecrated man, and we feel like we could do wonders if we only had a few more men who were as enthusiastic in the Sunday School work.

We had a wonderful lesson on the birth of Christ and also a pleasant and very interesting short talk by Prof. G. A. Scruggs of Monday, Texas. Prof. Scruggs will be in our city for the next few weeks as he is here with the Stewart's Coaching School, and we hope to have him with us again.

Now let us each and every one get the Sunday School habit; let us not be content to sit idle and leave it up to the others to make and keep a good Sunday School; let each and every one do his and her best for the betterment of God's cause here in Kerrville. How many of we parents can feel that we are truly doing our best? Can we feel that God is satisfied with our efforts? Can we not spare at least a part of our time to the study and teaching of His word?

We wish to announce that there will be prayer meeting held at the church on each Wednesday evening from now on, beginning at 8:15, and we urge every member to be present and take part in these meetings. We

Birthday Gifts That Last—SELF'S. (Advertisement, 5tc)

Morrow Cummings was up from San Antonio Monday visiting with friends.

KODAK FINISHING—The Professional Way. WHEELUS. (Advertisement 4-tc)

Merrill Doyle left Wednesday for San Antonio after visiting his parents in this city.

Miss Alice Moore left last Friday for a visit with Miss Margaret Morris at Morris Ranch on the Divide.

Dr. J. E. McDonald has moved his office over the Kerrville Grocery Company. (Advertisement, 25tc)

Mrs. M. T. Sessions of Alexandria, La., is in Kerrville for the summer as the guest of Mr. and Mrs. P. Tomlinson.

We are in the market for good second hand burlap bags. Top prices paid. Kerrville Milling Co. (Advertisement, 30)

N. B. Hampton and son of Port Arthur arrived Sunday for a week's visit with relatives and friends in this city and at Rocksprings.

J. W. Loftis of Brownwood, representing the Department of Extension, Howard Payne College, was in the city Tuesday in the interests of his school.

Don't put off getting the picture your friends and relatives want—the picture your family is entitled to have. THE WHEELUS CO. (Advertisement, 21-tc)

Mr. and Mrs. Shepperson and son and Mrs. W. P. Humphrey of San Angelo arrived in the city last Friday for a several weeks' visit at the Presbyterian Encampment.

J. A. Sims and family left Tuesday for Carter, Okla., where they will spend about 30 days visiting. The Sun will keep them informed of happenings in the Hill Country while they are away.

John C. Adrian, wife and two sons and Walter Adrian of Austin left Sunday for their home after a week's visit with their parents, Mr. and Mrs. J. C. Adrian, on Live Oak Hill in the lower part of the city.

Mrs. Lou Wharton, who was called to San Antonio several times last week on account of the serious illness of a favorite nephew, has returned home, reporting the young man now much better and considered out of danger.

Dr. I. Mayhugh, formerly of San Antonio, opened his office Monday in the Walthor Building and will practice medicine here. Dr. Mayhugh comes highly recommended from the Alamo City. He will be joined by his family within a short time and they will make Kerrville their home.

Mrs. G. M. Doyle left last week for a brief visit in San Antonio.

Bulk Seed at C. C. Butt Seed & Feed Store. (Advertisement, 14tc)

Fred Richards and son of San Antonio were in the city Monday en route to Junction.

Mrs. J. F. Mittanck and son, Herbert, left Sunday for a visit with relatives and friends at Pleasanton.

Best prices paid for second hand bran and cow-chow bags by Kerrville Milling Co. (Advertisement, 30)

W. L. Johnson, prominent merchant of Bishop, arrived Tuesday for a vacation and outing on the Guadalupe River.

Pictures on the wall make a house a home. They were framed at THE WHEELUS COMPANY. (Advertisement, 21-tc)

P. H. Tom, wife and daughter were in the city Tuesday en route to their home at Nixon after an extended visit in the Hill Country.

We have the very best the market affords in fresh fruits and vegetables. Kerrville Grocery Company. (Advertisement, 26tc)

Mr. and Mrs. W. D. Hollis, who have been in Kerrville for the last few months for the benefit of Mr. Hollis' health, left last Friday for Dallas for a visit with relatives.

E. H. Kopf of the Harper community was a pleasant caller at the Sun office Tuesday. Mr. Kopf reports corn doing well in spite of a shortage of moisture, and says that few grasshoppers have appeared in his section of the country.

Misses Mary Davis, Martha P. Faulk and Effie Rees returned to Austin Monday morning after spending a week as delegates to the Epworth League Conference at the Methodist Encampment and in visiting Mr. and Mrs. J. C. Adrian.

Geo. B. Terrell of Austin spent the Fourth in Kerrville visiting friends. Mr. Terrell is making the race for re-nomination and re-election to the office of Commissioner of Agriculture and while here received many encouraging offers of support.

Would it interest you to know where you could get reasonable goods at reasonable prices? Outing and Camping Goods, Bathing Suits, Ladies' Knickers, Sport Hose, Men's Summer Suits; then we have Cots and Cot Pads, Water Bags, Auto Tents and other Tents and Tarps. THE PRICE IS RITE! The families of John H. Brooks, editor of the Weimar Mercury, and R. H. Brooks of Houston, who have been enjoying an outing at "Slim's Camp," five miles above Kerrville, returned home this week highly delighted with their period of recreation and rest. Editor Brooks and family have visited Kerrville on other occasions during the past few years, and each visit finds them more and more in love with the Hill Country.

## PATIENTS AT LEGION DENY NEWS STORIES IN DAILIES

Members of the patient body at U. S. Veterans' Hospital No. 93, Legion, are highly incensed over reports circulated from Washington concerning the Hospital, caused by a former inmate, Thos. B. Deaver, engaging in an argument and personal encounter with Brig. Gen. Frank T. Hines, head of the Veterans' Bureau, recently. They also resent statements made in the San Antonio Express Wednesday morning, in which C. C. Daniel, purporting to be head of the Student Body of the hospital, declared the patients as a whole sanctioned the action of Mr. Deaver.

In the first place, the patients say that there is no such organization as a Student Body at Legion, and if there were, Mr. Daniel could not be president of the organization, as he is not now, nor has he been for over a month, an inmate of the hospital. George L. Epple, commander of American Legion Post No. 379, and A. J. Peterson, commander D. A. V. Chapter No. 8, issued the following statement over the signatures and seals of their organizations Wednesday morning, a copy of which was sent to the San Antonio Express:

"The ex-service men in this hospital are readers of the San Antonio Express and notice the statement made in The Express of July 9th alleging that C. C. Daniel, formerly a patient, sanctions the alleged attack made recently by Thomas B. Deaver upon Frank T. Hines, Director of the U. S. Veterans' Bureau.

"If it is assumed that Mr. Daniel speaks for the entire body of men at Legion, Texas, or for any representative body, there is a grave error existing. In the first place there is no such organization as a Student Body known at U. S. Veterans' Hospital No. 93.

"We have at Legion two thriving organizations that are awake and on the job. These are the Louis Halphen Post of the American Legion and the Dr. Millard P. Wilkins Chapter of the D. A. V. These two organizations are representative of the principles and practices upheld by the disabled men at the Legion Hospital, and neither organization sponsors Mr. Daniel's statements.

"Thomas B. Deaver went to Washington, D. C., in the interests of his own claims and was not sent there by companions or by any representative portion of the hospital population. Mr. Daniels is not a patient of the hospital, having left the institution over a month ago. Therefore, he is not in a position to voice the sentiments of the 400 men who have remained there with the idea of 'chasing the cure' and who for that reason value their recovery in health above any monetary returns made by the U. S. Veterans' Bureau because of service disabilities."

Mr. and Mrs. A. P. Rheiner and family of San Antonio were visitors in the city a short while Wednesday, stopping on their way home from a week's camping trip on the Johnson Fork of the Llano. Mr. and Mrs. Ed. Mosel and son, Clarence, spent the past week end in camp with them.

After spending the week end in Kerrville visiting her husband and son, Mrs. W. C. Toler returned to their home in San Antonio Monday. Mr. Toler is supervising the overhauling of the Water Works and his son, Richard, is assisting with the work.

Mrs. Olive Moore of Wortham and Mrs. L. S. Weaver of Teague arrived in Kerrville last Friday for the benefit of Mrs. Weaver's health, and have rented a cottage in the Lowry Addition. They were accompanied by Mrs. Weaver's brother-in-law, R. L. Strong, who returned to Teague Monday.

Mr. and Mrs. R. L. Burns arrived last Friday from San Saba County to renew their citizenship in Kerrville. They formerly lived here but left not quite a year ago, and after various wanderings, have come back to the Hills for keeps. Mr. Burns has purchased a block of ground in the lower part of the city, and while having a house erected on same he and Mrs. Brown will return to San Saba County and ship their household goods to this city. Also they will ship some 300 White Leghorn pullets they plan to stock their new chicken ranch with.

## AMERICAN CREAMERY CO. IS BOOSTING DAIRY INDUSTRY

Anything that boosts the Hill Country by encouraging farmers and ranchmen to develop the resources of their farms and ranches to a higher degree is good business and any firm or individual that will assist in such moves is entitled to credit for so doing.

The American Creamery Co. is entitled to a great deal of credit for the efforts they have made toward developing the dairy industry of this section, and their efforts have only begun. Since Walter and Hal Peterson took charge of the American Creamery less than a year ago, the business has more than doubled, and still they are not satisfied, for they are not yet supplying the local demand for their products.

The name Peterson has always been associated with the best grade of stock of all descriptions and when the present owners assumed charge of the creamery, it was a foregone conclusion that the dairy business would receive an impetus and the grade of dairy cattle would be raised considerably by their entry into this branch of business.

It has worked out that way. Along with his numerous other duties Hal Peterson always finds time to assist anyone in securing a better grade of stock of any description, and he has been especially active along the line of dairy stock for the past several months. It may be from selfish motives he is devoting this time to this endeavor, for it stands to reason that the more milk and cream produced in the Hill Country, the more money Boss and Walter will make with the creamery, but anyway their efforts along this line are to be commended, for while they are making money for themselves they are also making money for the dairyman and more wealth for the country at large.

Mr. Peterson is keeping abreast of the demand for dairy stock in a practical, business-like manner. Every time he sees a stock of dairy cattle advertised, he inquires into the matter and gets full details so he can pass the news along to his friends. He is working co-operatively with the County Agent and the State Department of Agriculture, as well as all the large markets of the State.

But now Boss springs a new one. If a dairyman wants to increase his herd and needs backing, why it's easy, just drop around to the American Creamery and ask for Boss Peterson and he will fix you up. The hardest part of the whole job is finding Boss—the rest is easy.

If you want to buy dairy cattle he can tell you where to buy and if you need financial backing he can get it.

Everybody will want sewer connections at once when the system is completed. Do it now and avoid the rush. (Advertisement, 29tc)

H. Harper of Bandera was a pleasant caller at the Sun office Monday. Mr. Harper stated that the Old Settlers' Reunion was a grand success in every way and over seven thousand people paid admissions Friday.

Henry Barton and Oscar Strohecker, who reside out in the Turtle Creek community, journeyed over to Bandera the Fourth to show the young fellows over there the way to rope goats. The Sun hasn't heard how they came out in the contests, but they should have made it all right for they have practiced hard enough. Henry Henke says that Oscar in particular has been so very assiduous in his training that he has all the goats at home so well trained that they lay down and stick up their feet every time he appears with a rope.

A. G. Holter and H. C. Roundtree of Legion have purchased the confectionery and cold drink stand at the Dixie Theater and are having same refurnished, and redecorated throughout. The new proprietors are making arrangements to give the patrons of the theater first class service in every respect. In connection with the confectionery, the theater will be used during the day as a rest room for not only patients from the hospital at Legion, but by anyone who desires to take advantage of the opportunity. This feature is offered by Manager Brice of the Dixie without any charge and as a courtesy to visitors to the city.

## TALCUMS

The fresh, springtime fragrance of CARA NOME; the sweet, alluring appeal of JUNEVE; VIOLET DULCE, breathing forth the true perfume of crushed violets; the dainty, delicate odor of DAZIRA; the fascinating, oriental scents of BOUQUET RAMEE; the full-bodied luxuriant GEORGIA ROSE.

These wondrous talcums and many more await you at our toilet goods case.

And the packages! What charm, what grace, what richness, what harmony of color and form.

Yes, we are proud of our talcums—and with good cause.

## Real Economy in Building

Real economy in building lies in the selection of the best materials at the best prices. Buying of second grade materials at a price which appears low is deceptive and accomplishes only a temporary saving. The best materials are best both in appearance and wearing qualities—and long wear is what counts in the end.

Our materials are guaranteed to be the best in every respect, and at prices you can afford. Come to us for advice on materials when you plan your new home.

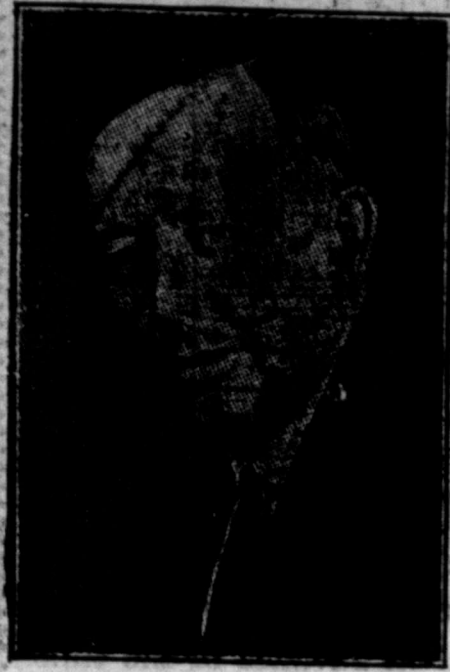

KERRVILLE LUMBER CO.

ALLY BEITEL, President E. SCHWETHELM, Vice Pres.

Yard Near Passenger Depot

# Felix D. Robertson

The Common Sense Candidate for Governor

The "Common Sense Candidate." That is the title by which Felix D. Robertson, candidate for Governor, is known throughout the State. It came to him through his record as judge of the City Court of Dallas and later of Criminal District Court No. 1 of Dallas and was earned through his native Texas ability to see through the tangled problems of law to the common sense and the human justice in these problems as they were presented to him.

As a common sense candidate Felix D. Robertson is opposed to the army of boards, bureaus and commissions that give a few men fat salaries and fine titles, but increase the burdens of the taxpayers. He believes there are too many idle public employees with their feet on mahogany desks spending their time doing nothing but waiting for their swollen salaries.

"We have too much government; too many boards, bureaus and commissions; too much buck passing; too much theory; too many idle employees," he says.

When elected Governor Judge Robertson promises to sweep all this useless expense out of the state house at Austin.

Judge Robertson is an elder in the First Baptist church of Dallas. His reputation as a Sunday School lecturer extends throughout the State and he is regarded as one of the most inspired of speakers on religious subjects and the Protestant faith.

When he was City Judge the newspaper men of Dallas called him in all reverence of spirit, "the Praying Judge." This was because when often some erring youth or some slip of a girl confronted with ruin, was brought before him, he was not the unfeeling magistrate, but showed himself kindly in heart and ready with Christian advice. Often he would adjourn court and on his knees pray that such a one might be turned to the better life.

Himself a man who has made his way up by hard work. Judge Robertson sympathizes with the worker, whether in the field or in the shop.

He is a lifelong Democrat. He was born in McLennan county, his grandfather being General Jerome P. Robertson, commander in Hoods Brigade of the Confederate army. His father is Gen. Felix H. Robertson, who was a Brigadier General in Joe Wheeler's corps in the Confederate army. During the world war Judge Robertson was a major in the 132nd field artillery of the Thirty-Sixth Division.

Judge Robertson has been a lifelong prohibitionist, having been active in his fight against the liquor interests for more than twenty years, and an advocate of woman suffrage.

He believes in and stands on the following planks:

- Better schools.
- Free textbooks.
- Strict law enforcement.
- Prison system reform.
- Better public roads.
- Help for ex-service men.
- Organized labor.
- Homes for tenant farmers.

The Commonsense Candidate is a firm believer in rural schools, declaring there should be an apportionment of at least \$15.00 per capita for pupils of the same.

The motto to which he has always adhered is: "In a democracy like Texas the children of the poor must have their chance."

Vote for Felix D. Robertson for Governor  
The Common Sense Candidate

## GRANDMA MOTLEY DIES AT ERICK, OKLAHOMA

Junction Eagle, July 4th: Mrs. Lillie Motley, familiarly known here to practically every one as Grandma Motley, died at the home of her daughter, Mrs. Mollie Rogers, at Erick, Oklahoma, last Saturday and was buried there.

Mrs. Motley has been a resident of Kimble County for many years and lived with her son until about a year ago, when she went to live with her daughter in Oklahoma. The immediate cause of her death was paralysis, but she has been an invalid for several years.

She was a devout Christian woman and had been a member of the Baptist church since her girlhood. Many friends of the family here will regret to hear of her death and extend sympathy to the family.

Surviving children are: J. D. Motley of Ballinger; Mrs. Smith of Wichita Falls; and Mrs. Rogers. Another son, R. J. Motley, died at Brownwood some two years ago and is buried here.

Figures issued from Hollywood last summer indicate that the films which paid the best during July were the most wholesome pictures ever made.

## A. & M. HAS BOOKLET ON TANNING HIDES

College Station, Tex., July 9.—So many inquiries have come to the A. & M. College about tanning of hides on the farm that the Extension Service has published a brief pamphlet of instructions on the subject of tanning skins, which will be sent free to all who request it.

The book advises that a chemical tan is more advisable for the farmer than a bark tan since it is much more rapid and can be completed in from three to four weeks, instead of requiring several months as the bark tanning process.

The largest and most nearly complete library of strictly educational literature in America is maintained by the United States Bureau of Education at Washington.

## SCOFIELD SCHOOL FOR GIRLS

High and Healthful location. Beautiful scenery. Outdoor gymnasium. Hot water heating. Music. Modern Languages. Domestic Science. Apply to MISS SARAH C. SCOFIELD, Principal, Kerrville, Texas.

## DR. W. M. SPLAWN SELECTED TO HEAD STATE UNIVERSITY

San Antonio Light, July 6th: The new president of Texas University, which has gone without a permanent head since the resignation of Dr. R. E. Vinson more than a year ago is to be Dr. Walter M. Splawn, at present a Texas Railroad Commissioner. Dr. Splawn announced Saturday afternoon soon after he had received notice of his election to the place by the board of regents that he would assume his new duties between now and September 1.

Dr. Splawn was notified of his election to the office Saturday afternoon after a telegram from Dr. Herbert Eugene Bolten, definitely declining the position had been received. At the same time that Dr. Bolten was elected president of the University of Texas in June, the regents unanimously voted in favor of Dr. Splawn as the man to head the institution in case Dr. Bolten should refuse.

Dr. Splawn, who has been a member of the Texas Railroad Commission the past sixteen months, was notified of his election by Regent H. A. Wroe and Dr. Joe S. Wooten, Austin, members of the board.

The new head of the institution was a former professor of economics at Texas University before he accepted the appointment of Governor Pat M. Neff to fill out the term of the late Railroad Commissioner, Allison Mayfield, who died in office.

With the election of Dr. Walter Splawn as head of the University, rumors current in Austin to the effect that he was "on the road" to membership in the Interstate Commerce Commission were definitely ended, as it is not considered likely that the new president will leave the realm of scholarship for that of politics.

Dr. Splawn will succeed Acting President W. S. Sutton, who has filled the chair of the presidency of the institution since the resignation of Dr. R. E. Vinson which became effective in June, 1923. Dr. Vinson is now president of Western Reserve University in Ohio, having left the presidency of Texas University for the position he now fills.

## Edwards County Echoes

Edwards County Leader, July 4th: S. A. Epperson contracted a case of appendicitis and was hurried to the hospital at Kerrville, where he underwent an operation. He stood it well and will soon be all right again.

Bud Anderson, who runs a freight truck, was in town Monday. Mr. Anderson says he is now hauling lumber from Kerrville for a fine residence for S. S. Henry on Mr. Henry's lower ranch. On its completion the Henry family will move there from where they now live on their other ranch. This new home is to cost some \$5,000 of \$6,000.

Mason Johnson, local road engineer, says the reason bids have not yet been advertised for on the Kerrville road in Real County is that the State Highway Department has not set a date for the opening of bids. The Department, he says, is a very busy place and all business must await its regular turn. But the Department is expected to be heard from at any time.

Jim Priour was back on his job at the local Ford Garage Monday morning, after he and his family had spent about a month down at Hunt and Ingram, where Jim has business interests. He says they are harvesting a fine grain crop down there, and they will make considerable corn. Jim says Jasper Moore happened to a painful accident at Hunt a few days ago, when his foot was caught in a hay baler and the bones fractured.

Bob Sherrill, Willie Draper and Marvin Hoggett were among those from Rocksprings to attend the big Scottish Rite celebration in San Antonio last week. Bob says he saw Tom Henderson down there. Tom went to the hospital recently when a fish hit him in the eye while he was in swimming. Bob says he is getting along very well and it is not now thought that he will lose his eyesight as was feared when he was first hurt.

## MISS GRIZELLA Q. HILL DIED MONDAY MORNING

Miss Grizella Q. Hill, daughter of Mrs. Margaret Q. Hill and the late Geo. Johnston Hill of Chicago, Ill., died at 6 o'clock, the morning of July 7th, at the home of her mother on Lemon Street, Kerrville.

Mrs. Hill left with the remains Monday afternoon, returning for the interment to the old family home at Washington, Pa.

During a long illness Miss Grizella and her mother greatly endeared themselves to many friends in Kerrville and Center Point, who extend sincere sympathy to the bereaved mother.

Mrs. Hill's address will be: Washington, Pennsylvania, R. R. 2, Care R. P. Quail.

## Citation By Publication

THE STATE OF TEXAS, To the Sheriff or any Constable of Kerr County—Greeting:

You are hereby commanded to summon J. C. McElroy by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 38th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 38th Judicial District, to appear at the next regular term of the District Court of Kerr County, to be holden at the Court House thereof, in Kerrville, Texas, on the first Monday in August, A. D. 1924, the same being the 4th day of August, A. D. 1924, then and there to answer a petition filed in said Court on the 17th day of June, A. D. 1924, in a suit, numbered on the docket of said Court No. 1201, wherein Hazel McElroy is Plaintiff, and J. C. McElroy is Defendant, and said petition alleging Suit for Divorce on the grounds of more than three years abandonment; for the care, custody and control of the plaintiff's and defendant's two minor children, Hurley McElroy and Barbra McElroy.

Prayer is made for decree dissolving the bonds of matrimony between plaintiff and defendant, for care, custody and control of said two minor children, for costs of suit, for special and general relief, etc.

Herein Fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Kerrville, Texas, on this 17 day of June, A. D. 1924.

(Seal) JNO. R. LEAVELL, Clerk District Court Kerr County, Texas. By A. A. HARTMANN, Deputy. (Advertisement, 27-30)

# GOING UP!

Pursuant to previous announcement, the price on all unsold lots in HILLCREST ADDITION NO. 2 were raised July 1st from \$350 to \$400 per lot.

This added price is made necessary by the improvements being put on the property. Water has been piped all over the addition, and the grading of the streets is now under way. At \$400 these lots are exceptional buys and they will only be offered at this price for thirty days, when the lots will be priced at nearer what they are really worth.

Have just completed two modern homes which we are offering at reasonable prices.

You will not be a pioneer when you build your home in Hillcrest No. 2, for there are already 4 homes constructed on this addition and several more to be constructed in the near future on lots already sold. Drive out and look these lots over and build your home up where it is cool.

TERMS—Any lot left unsold, except those facing Golf Links, at \$400; \$10 down and \$10 per month. Interest does not start on deferred payments until May 1, 1925

SHROEDER BROTHERS  
Fredericksburg, Texas

LOCALS COP TWO OUT OF THREE GAMES WITH LONE STAR BAKERS

McCarty Hurls Great Game in Opener, but Unable to Repeat Next Day; Go to Fredericksburg Sunday.

The Athletics made it nine straight victories, broke their winning streak and started out on a new one in the three game series with the Lone Star Bakers the past week end. Two of the games were chalked up as wins, but the Saturday affair went to the visitors when no pitchers were available.

Ed McCarty was on the mound for the domestics in the opening game on the Fourth, and shut out the Bakers, 4 to 0. Ed went fine all the way and gave up but two hits, a single and a double.

Karger gave the fans a thrill by poling out his regular home run, this time with two on base. It was a powerful line drive that went over the left field wall.

The score: R. H. E. Lone Star 000 000 000-0 2 2 Athletics 004 000 009-4 7 4 Batteries-McCarty and Winters; Clay and B. Lord.

Saturday's game was somewhat of a swatfest with three home runs featuring Moore and Skimor each hit one, the former's coming with two on base, and Light did the same stunt for the visitors.

McCarty tried the iron man stunt in the second game, but was unable to repeat his work of the day before. Only three regulars were in the lineup.

The score: R. H. E. Lone Star 015 000 304-13 15 5 Athletics 012 021 200-8 11 6 Batteries-R. Lord, Lavender and B. Lord; McCarty, Moore, Saenger and Winters.

Eddie Mueller was on the hill for the Sunday afternoon entertainment which was the first to be played on the new diamond. The little fellow was in great shape, but was given erratic support by his team mates due to the condition of the new ground. The score: R. H. E. Lone Star 001 000 000-1 4 3 Athletics 320 000 009-5 7 5 Batteries-Lavender, Farrer and B. Lord; G. Riegall; Mueller and McCarty. The Athletics will journey over to Fredericksburg next Sunday afternoon for a return game with the Giants. Mueller and McCarty will be in the points for the locals. A large crowd of fans is expected to go over for the game.

MOTHER OF LOCAL MAN WAS ONCE PRISONER OF INDIANS

Captured by the Comanche Indians at the age of 10 years, carried away into captivity, forced to see her own sister stabbed by the redmen and thrown aside to die, fed upon horse flesh and nuts and then to be rescued and still live to tell the tale, such is the history of Mrs. Sarah Strauch, 83, of Refugio, mother of Anthony Strauch of this city, according to Mrs. I. N. Dunbar of Refugio, who furnished the following information to the Houston Chronicle recently:

A canning demonstration will be held at Lane Valley school house Tuesday, July 15. Meat and corn canning will be the main issue, but those having peas, beans or other vegetables to can should be present and bring them. All girls wishing to join the Sewing Clubs are invited to attend. Everybody come, bring your lunch, and have a day of real old time get together meeting with plenty of fun and education.

Seven girls of the Reservation Sewing Club were present at their regular meeting Tuesday of last week and will meet again next Monday, July 14, at 2 p. m., at the school house. An attentive group of girls met last Saturday afternoon at the Hunt school house to begin their work in sewing. Their next meeting will be held Saturday, July 19, at 2 p. m. Others desiring to begin their work should bring materials and be on hand at the above stated date and hour. HOME DEMONSTRATION AGENT.

Wet leather, dried by heat, is practically worthless, according to tests made by the United States Bureau of Chemistry.

The Indians stopped at San Saba, where they remained a month. All this time Sarah was enduring untold hardships—she was forced to sleep on the ground with no clothing except a thin slip (the Indians had taken her clothes the day she was captured). She had nothing to eat save horse flesh and nuts.

An Indian agent, Church Rollins, located the band and brought about her release by exchanging an Indian boy for her and, two weeks later, she returned home. She afterward married Anthony Strauch and to this union were born five children, three of whom are still living, George and Henry of Refugio, and Anthony of Kerrville.

"Grandma" Strauch, as she is better known, lives alone in a modest little cottage in Refugio, where she has resided for forty years. She does

all her own work, baking and serving. She is a devout Christian of Presbyterian faith and is loved by all who know her. She lives to tell of her experience in the pioneer days. The passports with which the Thomas family came to this country are preserved.

JUDGE BAKER FOR DISTRICT ATTORNEY

Elsewhere in this issue will be found the announcement of W. C. Baker, who aspires to the office of District Attorney.

Judge Baker is so well known in Kerr County that The Sun needs devote little space to his candidacy. He has resided at his country home near Kerrville for the past five years, coming here from Franklin, La., where he was engaged in the practice of law for District Attorney and followed that by being elected District Judge, which position he resigned before coming to Kerrville.

The Judge has been making an aggressive campaign and has covered the entire district on speaking tours, and is at present making a second round of the territory in the interests of his candidacy.

FORMULA FOR POISONING GRASSHOPPERS IS GIVEN

It seems that there has been a great advent of grasshoppers into the county in the last few days, and for the benefit of those who did not save the article which appeared in this paper some time ago on how to kill grasshoppers, The Sun is reproducing it now in hopes that the farmers who are being bothered with this pest may be in a position to poison the hoppers.

Poisoning hoppers now will not only cut down the damage to this year's crop and range, but will to a great extent prevent their appearance another year.

The following formula is one that is recommended by the Extension Service of A. & M. College and has proved highly successful where it has been properly used:

Wheat bran, 25 pounds; White Arsenic, 1 pound; Lemons 6; Molasses, 2 quarts; Water, 1 gallon.

Mix the bran and poison (arsenic) thoroughly while dry. Dilute the molasses with the water and squeeze the juice of 6 lemons into the diluted molasses and then grind the rinds of the lemons with a meat chopper and add to the diluted molasses. Then mix the poison mixture thoroughly with the liquid mixture and dilute with more water until a mash is obtained that will fall apart readily when squeezed in the hand and released.

Scatter this poison around the fields or wherever the hoppers are located. This mixture should be made exactly according to directions and put out early before sunrise. Use low grade or sorghum molasses. Scatter very thin as the above amount will cover about 5 acres. It will take 2 or 3 days to notice results and the poisoning should be repeated every week or ten days until the place is rid of the hoppers.

Demonstration Agent Active

A canning demonstration will be held at Lane Valley school house Tuesday, July 15. Meat and corn canning will be the main issue, but those having peas, beans or other vegetables to can should be present and bring them. All girls wishing to join the Sewing Clubs are invited to attend. Everybody come, bring your lunch, and have a day of real old time get together meeting with plenty of fun and education.

Proposed Amendment to Constitution RELATING TO GRANTING OF CONFEDERATE PENSIONS Senate Joint Resolution No. 10

Proposing an amendment to Section 51 of Article 3 of the Constitution of the State of Texas to provide that the Legislature may grant pensions to Confederate soldiers, sailors and their widows, who have been citizens of Texas since prior to January 1, 1910, providing that all soldiers, sailors and their widows eligible under the provisions hereof shall be entitled to be placed upon the rolls and participate in the pension fund created hereunder; levying a tax of seven (\$ .07) cents on the one hundred (\$100.00) dollars valuation of property in this State for the payment of such pension, providing that the Legislature may reduce the rate of pension for such purposes, fixing a time for the election to be held on such amendment and making an appropriation to pay the expenses thereof.

Be it resolved by the Legislature of the State of Texas: Section 1. Section 51 of Article 3 of the Constitution of the State of

Texas shall be amended so as to hereafter read as follows:

Section 51. The Legislature shall have no power to make and grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporations whatsoever, provided, however, the Legislature may grant aid to indigent or disabled Confederate soldiers and sailors, who came to Texas prior to January 1, 1910, and to their widows, in indigent circumstances and who have been bona fide residents of this State since January 1, 1910, and who were married to such soldiers or sailors prior to January 1, 1910, and to indigent and disabled soldiers who under the special laws of the State of Texas during the war between the States served in organizations for the protection of the frontier against Indian raiders or Mexican marauders and to indigent and disabled soldiers of the militia of the State of Texas who were in active service during the war between the States and to the widows of such soldiers who are in indigent circumstances and who were married to such soldiers prior to January 1, 1910, provided that the word "widow" in the preceding lines of this Section shall not apply to women born since the year 1861, and all soldiers and sailors and widows of soldiers and sailors eligible under the above conditions shall be entitled to be placed upon the pension rolls and participate in the distribution of the pension fund of this State under any existing law or laws hereafter passed by the Legislature, and also to grant aid for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy under such regulations and limitations as may be provided by law, provided the Legislature may provide for husband and wife to remain together, in the home. There is hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas as a State ad valorem tax on property of seven (\$ .07) cents on the one hundred (\$100) dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provided further that the provision of this Section shall not be construed so as to prevent the grant of aid in cases of public calamity.

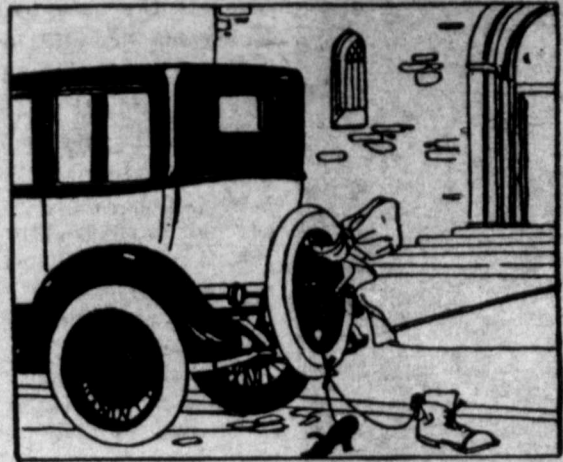

Sec. 2. The foregoing Constitutional Amendment shall be voted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1924, at which all voters shall have printed or written on their ballots: "For amendment of Section 51 of Article 3 of the Constitution authorizing the Legislature to grant aid to Confederate soldiers, sailors and their widows who have been a resident of this State since January 1, 1910," and "Against amendment to Section 51 of Article 3, of the Constitution, authorizing the Legislature to grant aid to Confederate soldiers and their widows."

Sec. 3. The Governor is hereby directed to issue the proclamation for said election and have the same published as required by the Constitution and laws of this State, and the sum of five thousand (\$5,000.00) dollars or so much thereof as may be necessary is hereby appropriated out of the general funds of this State not otherwise appropriated for expenses of publications and elections thereunder.

Approved, March 29, 1923. S. L. STAPLES, Secretary of State. (Advertisement, 29-32)

SAYS KARNAK OFFERS HEALTH TO MILLIONS

Thousands of People Throughout the State are Now Praising the Sensational New Medicine For Benefits Received From Its Use.

Thousands of prominent people throughout the State are now praising the sensational new medicine Karnak. The demand for the preparation has exceeded all previous records, and as new tests of its powers are made, hundreds more are daily adding their indorsements to the thousands already given it.

In explaining the phenomenal success of the medicine, Mr. H. C. Thorburn, President of Standard Drug Products, Inc., recently said: "Before we secured the distribution rights for Karnak in this country we knew that it was a wonderful health-builder and were convinced that it would restore millions of people to the joys of health. Now the public has proved this for itself and people everywhere flock to the drug stores to get it and report benefits from its use that far surpass even their fondest hopes."

"You can tell after the first few doses of Karnak that you are being benefited in a natural, substantial way. These substantial benefits form the fundamental reason for the medicine's unprecedented success."

Mr. Thorburn briefly quoted M. Andre's theories on health and right living as follows:

"Poor health is an unnatural condition. Nature is always working to restore us and with the proper assistance will succeed."

"Millions of people drag through life feeling well only half the time, or weak, sick and miserable day after day with hardly enough strength to keep up, and not knowing where to turn for relief. They are victims of auto-intoxication and mal-nutrition. The vital organs are failing to do their work. The system is being poisoned with impurities that tear down the health, waste the strength and irritate the nerves. The vitality is being destroyed and their lives needlessly shortened."

"To all such people Karnak has proved a blessing. "M. Andre's aim was to perfect a medicine that would embody all the corrective forces of Nature itself. How well he succeeded is shown by the thousands who are praising the new medicine everywhere it has been introduced."

"It is not unusual for people to say that Karnak has relieved them of troubles that had defied all other treatments for years. That is because Karnak helps the entire system regain its lost vitality, strength and resiliency and enables nature to reassert itself."

Karnak is sold in Kerrville at the Rock Drug Store.

U.S. Royal Cords

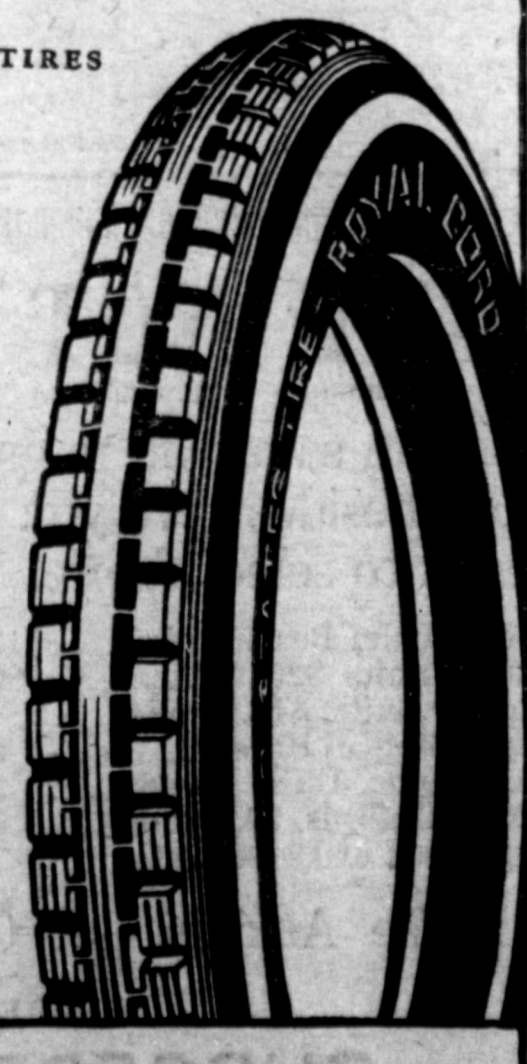

UNITED STATES TIRES ARE GOOD TIRES

NO Royal Cord user ever gets very excited about new tire developments, because he knows that when his present Royal Cord does finally wear out he will find any really worth while advance in tire building in the new Royal he buys.

Public Address

HON. H. W. BLANTON

Will address the people of Kerrville and vicinity at Lake Side Park Auditorium, July 12th, 8 P. M., on

Law Enforcement Through the Constituted Authorities and by Due Process of Law

If you like that method come. If you do not, come anyway, hear him and then—change your mind.

His slogan will be "Back to the Bill of Rights" with special attention to the wave of intolerance, bigotry and fanaticism that is sweeping over the country.

# Felix D. Robertson

The Common Sense Candidate for Governor

The "Common Sense Candidate." That is the title by which Felix D. Robertson, candidate for Governor, is known throughout the State. It came to him through his record as Judge of the City Court of Dallas and later of Criminal District Court No. 1 of Dallas and was earned through his native Texas ability to see through the tangled problems of law to the common sense and the human justice in these problems as they were presented to him.

As a common sense candidate Felix D. Robertson is opposed to the army of boards, bureaus and commissions that give a few men fat salaries and fine titles, but increase the burdens of the taxpayers. He believes there are too many idle public employees with their feet on mahogany desks spending their time doing nothing but waiting for their swollen salaries. "We have too much government;

too many boards, bureaus and commissions; too much buck passing; too much theory; too many idle employees," he says.

When elected Governor Judge Robertson promises to sweep all this useless expense out of the state house at Austin.

Judge Robertson is an elder in the First Baptist church of Dallas. His reputation as a Sunday School lecturer extends throughout the State and he is regarded as one of the most inspired of speakers on religious subjects and the Protestant faith.

When he was City Judge, the newspaper men of Dallas called him in all reverence of spirit, "the Praying Judge." This was because when often some erring youth or some slip of a girl confronted with ruin, was brought before him, he was not the unfeeling magistrate, but showed himself kindly in heart and ready with Christian advice. Often he would adjourn court and on his knees pray that such a one might be turned to the better life.

Himself a man who has made his way up by hard work, Judge Robertson sympathizes with the worker, whether in the field or in the shop.

He is a lifelong Democrat. He was born in McLennan county, his grandfather being General Jerome P. Robertson, commander in Hoods Brigade of the Confederate army. His father is Gen. Felix H. Robertson, who was a Brigadier General in Joe Wheeler's corps in the Confederate army. During the world war Judge Robertson was a major in the 132nd field artillery of the Thirty-Sixth Division.

Judge Robertson has been a lifelong prohibitionist, having been active in his fight against the liquor interests for more than twenty years, and an advocate of woman suffrage.

He believes in and stands on the following planks:

- Better schools.
- Free textbooks.
- Strict law enforcement.
- Prison system reform.
- Better public roads.
- Help for ex-service men.
- Organized labor.
- Homes for tenant farmers.

The Commonsense Candidate is a firm believer in rural schools, declaring there should be an apportionment of at least \$15.00 per capita for pupils of the same.

The motto to which he has always adhered is: "In a democracy like Texas the children of the poor must have their chance."

### DR. W. M. SPLAWN SELECTED TO HEAD STATE UNIVERSITY

San Antonio Light, July 6th: The new president of Texas University, which has gone without a permanent head since the resignation of Dr. R. E. Vinson more than a year ago is to be Dr. Walter M. Splawn, at present a Texas Railroad Commissioner. Dr. Splawn announced Saturday afternoon soon after he had received notice of his election to the place by the board of regents that he would assume his new duties between now and September 1.

Dr. Splawn was notified of his election to the office Saturday afternoon after a telegram from Dr. Herbert Eugene Bolten, definitely declining the position had been received. At the same time that Dr. Bolten was elected president of the University of Texas in June, the regents unanimously voted in favor of Dr. Splawn as the man to head the institution in case Dr. Bolten should refuse.

Dr. Splawn, who has been a member of the Texas Railroad Commission the past sixteen months, was notified of his election by Regent H. A. Wroe and Dr. Joe S. Wooten, Austin, members of the board. The new head of the institution was a former professor of economics at Texas University before he accepted the appointment of Governor Pat M. Neff to fill out the term of the late Railroad Commissioner, Allison Mayfield, who died in office.

With the election of Dr. Walter Splawn as head of the University, rumors current in Austin to the effect that he was "on the road" to membership in the Interstate Commerce Commission were definitely ended, as it is not considered likely that the new president will leave the realm of scholarship for that of politics.

Dr. Splawn will succeed Acting President W. S. Sutton, who has filled the chair of the presidency of the institution since the resignation of Dr. R. E. Vinson which became effective in June, 1923. Dr. Vinson is now president of Western Reserve University in Ohio, having left the presidency of Texas University for the position he now fills.

### Edwards County Echoes

Edwards County Leader, July 4th: S. A. Epperson contracted a case of appendicitis and was hurried to the hospital at Kerrville, where he underwent an operation. He stood it well and will soon be all right again.

Bud Anderson, who runs a freight truck, was in town Monday. Mr. Anderson says he is now hauling lumber from Kerrville for a fine residence for S. S. Henry on Mr. Henry's lower ranch.

On its completion the Henry family will move there from where they now live on their other ranch. This new home is to cost some \$5,000 of \$6,000.

Mason Johnson, local road engineer, says the reason bids have not yet been advertised for on the Kerrville road in Real County is that the State Highway Department has not set a date for the opening of bids. The Department, he says, is a very busy place and all business must await its regular turn. But the Department is expected to be heard from at any time.

Jim Priour was back on his job at the local Ford Garage Monday morning, after he and his family had spent about a month down at Hunt and Ingram, where Jim has business interests. He says they are harvesting a fine grain crop down there, and they will make considerable corn. Jim says Jasper Moore happened to a painful accident at Hunt a few days ago, when his foot was caught in a hay baler and the bones fractured.

Bob Sherrill, Wilvie Draper and Marvin Hoggett were among those from Rocksprings to attend the big Scottish Rite celebration in San Antonio last week. Bob says he saw Tom Henderson down there. Tom went to the hospital recently when a fish hit him in the eye while he was in swimming. Bob says he is getting along very well and it is not now thought that he will lose his eyesight as was feared when he was first hurt.

### A. & M. HAS BOOKLET ON TANNING HIDES

College Station, Tex., July 9.—So many inquiries have come to the A. & M. College about tanning of hides on the farm that the Extension Service has published a brief pamphlet of instructions on the subject of tanning skins, which will be sent free to all who request it.

The book advises that a chemical tan is more advisable for the farmer than a bark tan since it is much more rapid and can be completed in from three to four weeks, instead of requiring several months as the bark tanning process.

The largest and most nearly complete library of strictly educational literature in America is maintained by the United States Bureau of Education at Washington.

### SCOFIELD SCHOOL FOR GIRLS

High and Healthful location. Beautiful scenery. Outdoor gymnasium. Hot water heating. Music, Modern Languages, Domestic Science. Apply to MISS SARAH C. SCOFIELD, Principal, Kerrville, Texas.

### MISS GRIZELLA Q. HILL DIED MONDAY MORNING

Miss Grizella Q. Hill, daughter of Mrs. Margaret Q. Hill and the late Geo. Johnston Hill of Chicago, Ill., died at 6 o'clock, the morning of July 7th, at the home of her mother on Lemon Street, Kerrville.

Mrs. Hill left with the remains Monday afternoon, returning for the interment to the old family home at Washington, Pa.

During a long illness Miss Grizella and her mother greatly endeared themselves to many friends in Kerrville and Center Point, who extend sincere sympathy to the bereaved mother.

Mrs. Hill's address will be: Washington, Pennsylvania, R. R. 2, Care R. P. Quail.

### Citation By Publication

THE STATE OF TEXAS, To the Sheriff or any Constable of Kerr County—Greeting:

You are hereby commanded to summon J. C. McElroy by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 38th Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 38th Judicial District, to appear at the next regular term of the District Court of Kerr County, to be held at the Court House thereof, in Kerrville, Texas, on the first Monday in August, A. D. 1924, the same being the 4th day of August, A. D. 1924, then and there to answer a petition filed in said Court on the 17th day of June, A. D. 1924, in a suit, numbered on the docket of said Court No. 1201, wherein Hazel McElroy is Plaintiff, and J. C. McElroy is Defendant, and said petition alleging Suit for Divorce on the grounds of more than three years abandonment; for the care, custody and control of the plaintiff's and defendant's two minor children, Hurley McElroy and Barbra McElroy.

Prayer is made for decree dissolving the bonds of matrimony between plaintiff and defendant, for care, custody and control of said two minor children, for costs of suit, for special and general relief, etc.

Herein Fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Kerrville, Texas, on this the 17 day of June, A. D. 1924.

(Seal) JNO. R. LEAVELL, Clerk District Court Kerr County, Texas. By A. A. HARTMANN, Deputy. (Advertisement, 27-30)

# GOING UP!

Pursuant to previous announcement, the price on all unsold lots in HILLCREST ADDITION NO. 2 were raised July 1st from \$350 to \$400 per lot.

This added price is made necessary by the improvements being put on the property. Water has been piped all over the addition, and the grading of the streets is now under way. At \$400 these lots are exceptional buys and they will only be offered at this price for thirty days, when the lots will be priced at nearer what they are really worth.

Have just completed two modern homes which we are offering at reasonable prices.

You will not be a pioneer when you build your home in Hillcrest No. 2, for there are already 4 homes constructed on this addition and several more to be constructed in the near future on lots already sold. Drive out and look these lots over and build your home up where it is cool.

TERMS—Any lot left unsold, except those facing Golf Links, at \$400; \$10 down and \$10 per month. Interest does not start on deferred payments until May 1, 1925

SHROEDER BROTHERS  
Fredericksburg, Texas

LOCALS COP TWO OUT OF THREE GAMES WITH LONE STAR BAKERS

McCarthy Hurls Great Game in Opener, but Unable to Repeat Next Day. Go to Fredericksburg Sunday.

The Athletics made it nine straight victories, broke their winning streak and started out on a new one in the three game series with the Lone Star Bakers the past week end. Two of the games were chalked up as wins, but the Saturday affair went to the visitors when no pitchers were available.

Ed McCarty was on the mound for the domestics in the opening game on the Fourth, and shut out the Bakers, 4 to 0. Ed went fine all the way and gave up but two hits, a single and a double.

Karger gave the fans a thrill by poling out his regular home run, this time with two on base. It was a powerful line drive that went over the left field wall.

The score: R. H. E. Lone Star 000 000 000-0 2 2 Athletics 004 000 00-4 7 4 Batteries—McCarty and Winters; Clay and B. Lord.

Saturday's game was somewhat of a swiftest with three home runs featuring Moore and Skimors each hit one, the former's coming with two on base, and Light did the same stunt for the visitors.

McCarty tried the iron man stunt in the second game, but was unable to repeat his work of the day before. Only three regulars were in the lineup.

The score: R. H. E. Lone Star 015 000 304-13 15 5 Athletics 012 021 200-8 11 6 Batteries—R. Lord, Lavender and B. Lord; McCarty, Moore, Saenger and Winters.

Eddie Mueller was on the hill for the Sunday afternoon entertainment which was the first to be played on the new diamond. The little fellow was in great shape, but was given erratic support by his team mates due to the condition of the new ground.

The score: R. H. E. Lone Star 001 000 000-1 4 3 Athletics 032 000 00-5 7 5 Batteries—Lavender, Farrer and B. Lord; G. Riegall; Mueller and McCarty.

The Athletics will journey over to Fredericksburg next Sunday afternoon for a return game with the Giants. Mueller and McCarty will be in the points for the locals. A large crowd of fans is expected to go over for the game.

MOTHER OF LOCAL MAN WAS ONCE PRISONER OF INDIANS

Captured by the Comanche Indians at the age of 10 years, carried away into captivity, forced to see her own sister stabbed by the redmen and thrown aside to die, fed upon horse flesh and nuts and then to be rescued and still live to tell the tale, such is the history of Mrs. Sarah Strauch, 83, of Refugio, mother of Anthony Strauch of this city, according to Mrs. I. N. Dunbar of Refugio, who furnished the following information to the Houston Chronicle recently:

Mrs. Sarah Strauch was born in Switzerland in 1841. Came to this country with her parents, Jacob and Elizabeth Thomas, and their five children, in 1844, landing at New Orleans. Thence the journey overland to Galveston. Thomas walked from there to Corpus Christi, the family following in a sail boat.

After one year in Corpus the family removed to St. Joseph's Island and, five years later, to Salt Creek, where they made a permanent home.

It was at the latter place that Sarah, then about ten years old, was taken captive by a band of Comanche Indians raiding cattle ranches in Texas. Sarah and her older sister, Eve, were captured about a mile from their home while looking for milk cows one evening. The Indians put the girls each on a horse with an Indian rider and galloped away.

About 9 o'clock they came to the San Antonio River. There Eve tried to escape and as punishment the Indians cut her hair off with knives and stabbed her with dirks (finally dropping her for dead on the banks of the river. Sarah was forced to go on, leaving her sister alone and wounded. A searching party found Eve and took her home, where she fully recovered. The Indians stopped at San Saba, where they remained a month. All this time Sarah was enduring untold hardships—she was forced to sleep on the ground with no clothing except a thin slip (the Indians had taken her clothes the day she was captured). She had nothing to eat save horse flesh and nuts.

An Indian agent, Church Rollins, located the band and brought about her release by exchanging an Indian boy for her and, two weeks later, she returned home. She afterward married Anthony Strauch and to this union were born five children, three of whom are still living, George and Henry of Refugio, and Anthony of Kerrville.

"Grandma" Strauch, as she is better known, lives alone in a modest little cottage in Refugio, where she has resided for forty years. She does

READ THE WANT ADS One of the most interesting and profitable departments of The Sun, to a large number of its readers, is the Want Ad Section published each week on page seven. If you have been passing this up, try reading it and see if you can't find something of interest as well as profit.

all her own work, baking and serving. She is a devout Christian of Presbyterian faith and is loved by all who know her. She lives to tell of her experience in the pioneer days. The passports with which the Thomas family came to this country are preserved.

JUDGE BAKER FOR DISTRICT ATTORNEY

Elsewhere in this issue will be found the announcement of W. C. Baker, who aspires to the office of District Attorney.

Judge Baker is so well known in Kerr County that The Sun needs devote little space to his candidacy. He has resided at his country home near Kerrville for the past five years, coming here from Franklin, La., where he was engaged in the practice of law for District Attorney and followed that by being elected District Judge, which position he resigned before coming to Kerrville.

The Judge has been making an aggressive campaign and has covered the entire district on speaking tours, and is at present making a second round of the territory in the interests of his candidacy.

FORMULA FOR POISONING GRASSHOPPERS IS GIVEN

It seems that there has been a great advent of grasshoppers into the county in the last few days, and for the benefit of those who did not save the article which appeared in this paper some time ago on how to kill grasshoppers, The Sun is reproducing it now in hopes that the farmers who are being bothered with this pest may be in a position to poison the hoppers.

Poisoning hoppers now will not only cut down the damage to this year's crop and range, but will to a great extent prevent their appearance another year.

The following formula is one that is recommended by the Extension Service of A. & M. College and has proved highly successful where it has been properly used:

Wheat bran, 25 pounds; White Arsenic, 1 pound; Lemons 6; Molasses 2 quarts; Water, 1 gallon. Mix the bran and poison (arsenic) thoroughly while dry. Dilute the molasses with the water and squeeze the juice of 6 lemons into the diluted molasses and then grind the rinds of the lemons with a meat chopper and add to the diluted molasses. Then mix the poison mixture thoroughly with the liquid mixture and dilute with more water until a mash is obtained that will fall apart readily when squeezed in the hand and released.

Scatter this poison around the fields or wherever the hoppers are located. This mixture should be made exactly according to directions and put out early before sunrise. Use low grade or sorghum molasses. Scatter very thin as the above amount will cover about 5 acres. It will take 2 or 3 days to notice results and the poisoning should be repeated every week or ten days until the place is rid of the hoppers.

Demonstration Agent Active

A canning demonstration will be held at Lane Valley school house Tuesday, July 15. Meat and corn canning will be the main issue, but those having peas, beans or other vegetables to can should be present and bring them. All girls wishing to join the Sewing Clubs are invited to attend. Everybody come, bring your lunch, and have a day of real old time get together meeting with plenty of fun and education.

Seven girls of the Reservation Sewing Club were present at their regular meeting Tuesday of last week and will meet again next Monday, July 14, at 2 p. m., at the school house.

An attentive group of girls met last Saturday afternoon at the Hunt school house to begin their work in sewing. Their next meeting will be held Saturday, July 19, at 2 p. m. Others desiring to begin their work, should bring materials and be on hand at the above stated date and hour. — HOME DEMONSTRATION AGENT.

Wet leather, dried by heat, is practically worthless, according to tests made by the United States Bureau of Chemistry.

Proposed Amendment to Constitution

RELATING TO GRANTING OF CONFEDERATE PENSIONS Senate Joint Resolution No. 10

Proposing an amendment to Section 51 of Article 3 of the Constitution of the State of Texas to provide that the Legislature may grant pensions to Confederate soldiers, sailors and their widows, who have been citizens of Texas since prior to January 1, 1910, providing that all soldiers, sailors and their widows eligible under the provisions hereof shall be entitled to be placed upon the rolls and participate in the pension fund created hereunder; levying a tax of seven (.07) cents on the one hundred (\$100.00) dollars valuation of property in this State for the payment of such pension, providing that the Legislature may reduce the rate of pension for such purposes, fixing a time for the election to be held on such amendment and making an appropriation to pay the expenses thereof.

Be it resolved by the Legislature of the State of Texas: Section 1. Section 51 of Article 3 of the Constitution of the State of

Texas shall be amended so as to hereafter read as follows:

Section 51. The Legislature shall have no power to make and grant or authorize the making of any grant of public money to any individual, association of individuals, municipal or other corporations whatsoever, provided, however, the Legislature may grant aid to indigent or disabled Confederate soldiers and sailors, who came to Texas prior to January 1, 1910, and to their widows, in indigent circumstances and who have been bona fide residents of this State since January 1, 1910, and who were married to such soldiers or sailors prior to January 1, 1910, and to indigent and disabled soldiers who under the special laws of the State of Texas during the war between the States served in organizations for the protection of the frontier against Indian raiders or Mexican marauders and to indigent and disabled soldiers of the militia of the State of Texas who were in active service during the war between the States and to the widows of such soldiers who are in indigent circumstances and who were married to such soldiers prior to January 1, 1910, provided that the word "widow" in the preceding lines of this Section shall not apply to women born since the year 1861, and all soldiers and sailors eligible under the above conditions shall be entitled to be placed upon the pension rolls and participate in the distribution of the pension fund of this State under any existing law or laws hereafter passed by the Legislature, and provided that the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the Confederacy under such regulations and limitations as may be provided by law, provided the Legislature may provide for husband and wife to remain together, in the home. There is hereby levied in addition to all other taxes heretofore permitted by the Constitution of Texas a State ad valorem tax on property of seven (.07) cents on the one hundred (\$100) dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate herein levied, and provided further that the provision of this Section shall not be construed so as to prevent the grant of aid in cases of public calamity.

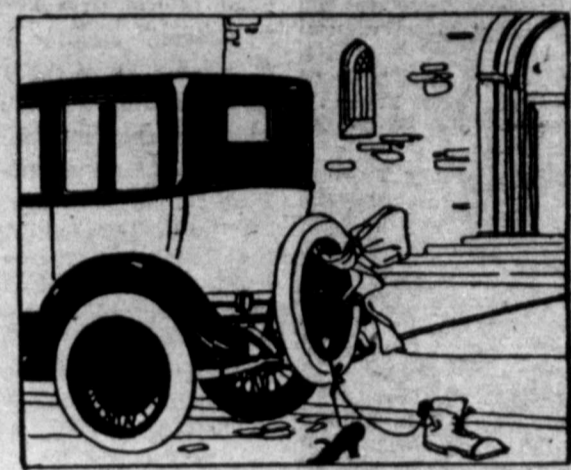

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1924, at which all voters shall have printed or written on their ballots: "For amendment of Section 51 of Article 3 of the Constitution authorizing the Legislature to grant aid to Confederate soldiers, sailors and their widows who have been a resident of this State since January 1, 1910," and "Against amendment to Section 51 of Article 3, of the Constitution, authorizing the Legislature to grant aid to Confederate soldiers and their widows."

Sec. 3. The Governor is hereby directed to issue the proclamation for said election and have the same published as required by the Constitution and laws of this State, and the sum of five thousand (\$5,000.00) dollars or so much thereof as may be necessary is hereby appropriated out of the general funds of this State not otherwise appropriated for expenses of publications and elections thereunder.

Approved, March 20, 1923. S. L. STAPLES, Secretary of State. (Advertisement, 29-32)

SAYS KARNAK OFFERS HEALTH TO MILLIONS

Thousands of People Throughout the State are Now Praising the Sensational New Medicine For Benefits Received From Its Use.

Thousands of prominent people throughout the State are now praising the sensational new medicine Karnak. The demand for the preparation has exceeded all previous records, and as new tests of its powers are made, hundreds more are daily adding their indorsements to the thousands already given it.

In explaining the phenomenal success of the medicine, Mr. H. C. Thorburn, President of Standard Drug Products, Inc., recently said: "Before we secured the distribution rights for Karnak in this country we knew that it was a wonderful health-builder and were convinced that it would restore millions of people to the joys of health. Now the public has proved this for itself and people everywhere flock to the drug stores to get it and report benefits from its use that far surpass even their fondest hopes."

"You can tell after the first few doses of Karnak that you are being benefited in a natural, substantial way. These substantial benefits form the fundamental reason for the medicine's unprecedented success."

Mr. Thorburn briefly quoted M. Andre's theories on health and right living as follows:

"Poor health is an unnatural condition. Nature is always working to restore us and with the proper assistance will succeed."

"Millions of people drag through life feeling well only half the time, or weak, sick and miserable day after day with hardly enough strength to keep up, and not knowing where to turn for relief. They are victims of auto-intoxication and mal-nutrition. The vital organs are failing to do their work. The system is being poisoned with impurities that tear down the health, waste the strength and irritate the nerves. The vitality is being destroyed and their lives needlessly shortened."

"To all such people Karnak has proved a blessing. "M. Andre's aim was to perfect a medicine that would embody all the corrective forces of Nature itself. How well he succeeded is shown by the thousands who are praising the new medicine everywhere it has been introduced."

"It is not unusual for people to say that Karnak has relieved them of troubles that had defied all other treatments for years. That is because Karnak helps the entire system regain its lost vitality, strength and resiliency and enables nature to reassert itself."

Karnak is sold in Kerrville at the Rock Drug Store.

U.S. Royal Cords UNITED STATES TIRES ARE GOOD TIRES NO Royal Cord user ever gets very excited about new tire developments, because he knows that when his present Royal Cord does finally wear out he will find any really worth while advance in tire building in the new Royal he buys. Public Address

HON. H. W. BLANTON

Will address the people of Kerrville and vicinity at Lake Side Park Auditorium, July 12th, 8 P. M., on Law Enforcement Through the Constituted Authorities and by Due Process of Law

If you like that method come. If you do not, come anyway, hear him and then—change your mind.

His slogan will be "Back to the Bill of Rights" with special attention to the wave of intolerance, bigotry and fanaticism that is sweeping over the country.

MOUNTAIN HOME ECHOES

Miss McInnis met Wednesday with the ladies at Mrs. Bailey's where she held a canning demonstration.

Most everyone in this community attended the barbecue in Kerrville the Fourth and all report a wonderful time.

Mr. and Mrs. J. M. Thompson spent the day with Mrs. Ragland Tuesday. Mrs. Thompson is rapidly regaining strength.

Mrs. Ellen Allsup and her mother, Mrs. Highsmith, of Junction, are visiting Mrs. Allsup's nephew and wife, Mr. and Mrs. Roy Kemp.

Roy Kemp has been quite sick. He was taken to the Secor Hospital for treatment and is improving rapidly and will be able to return to the ranch soon.

A company of young folks from the Methodist Assembly, accompanied by Bro. Willman, spent Tuesday in Junction. They ate lunch at Mountain Home.

Mrs. B. M. Wright and daughter, Miss Alice, of San Antonio, and Mr. and Mrs. Irwin Kaler of Corpus Christi, are visiting Mrs. S. F. Ragland for a few days.

Quite a number were present at Sunday School last Sunday. Bro. Willman attended the Methodist Assembly near Kerrville, therefore, did not fill his regular appointment Sunday.

Mrs. C. A. Sandel and Miss Anna Belle Van Ostrande took Misses Stella Lee and Frances Heimann from San Antonio, and Miss Edna Heimann from Kerrville, to spend the day with their aunt, Mrs. A. E. Oehler.

RED HOLE ITEMS

Mrs. J. A. Peril and children were Harper visitors last Thursday afternoon.

J. M. Page and son, W. L., were Mountain Home visitors last Friday afternoon.

A. H. Kott and family motored to Fredericksburg last week end and report a good time.

M. O. Bierschwale and family attended the barbecue at Kerrville last Friday and report a nice time.

A. Leyendecker and daughters, Clara and Minnie, were Harper visitors last Wednesday afternoon.

Miss Gladys May Huffman of San Antonio spent last week with her uncle, R. G. Bierschwale, and family.

Mr. and Mrs. E. A. McDougall, in company with Grandma and Walter Parker of Noxville, were Kerrville visitors last Friday.

Mr. and Mrs. A. C. Trotter of Secor's Ranch on the South Fork visited Mrs. Trotter's parents, Mr. and Mrs. J. M. Page, and other relatives the past week end.

Theo. Oehler and family visited relatives at Menard last Saturday and returned Monday. They report it dry in that section of the country, but stock and crops are looking fine.

The barbecue and dance at J. A. Lott's last Saturday evening was well attended and at a late hour everybody departed rejoicing of having such a nice time and of the hospitality of these people.

Miss McInnis, home demonstrator, was out at E. H. Kinsing's canning corn and making some demonstrations, which were very profitable to the housewives and wives-to-be of this community and a good time was reported.

Last Friday evening there gathered at the home of Mr. and Mrs. G. C. Dunderstadt about 150 people, big, little, old and young, to spend a few pleasant hours with these good people.

For a time the young people enjoyed themselves by playing various games in one room, while in another, violin and piano music was furnished by different ones and was enjoyed by many. Cake, tea and ice cream was served in a bountiful manner and I suspect that if a little mouse had been hid in a corner it would have said that by the actions of the people, as they passed it to cake and cream and ate same, that it was greatly enjoyed by all present.

Everybody went away rejoicing over the good time they had and hoping that soon they would have the pleasure of enjoying the hospitality of this home again.

In Spitzbergen the carcass of an animal can lie in the open for a couple of years and show no signs of decomposition.

INGRAM ITEMS

Roy Key is having a new house built.

Uncle Fayette Nichols is confined to his bed this week.

Sid Rees of Kerrville was a business visitor here Tuesday.

John Massey of Kerrville visited his mother here last Sunday.

W. T. Mackey of above Hunt was a business visitor here Monday.

Billy Steele and friend of above Hunt were business visitors here last Monday.

Mrs. Mitt Lee and children of the Sawyer ranch visited relatives here the past week.

Mrs. Ben Stone and children of Live Oak were guests of Grandma Lee the past week end.

Mr. and Mrs. Plant and daughters of Kerrville were guests of Mr. and Mrs. Emil Crider Tuesday.

D. H. Comparette and Tom Wickson of Kerrville were looking over the Ingram Telephone board Tuesday.

Mr. and Mrs. R. C. Wachter and children and Chas. Crider of the Divide visited Mr. and Mrs. I. J. Wachter Tuesday.

Mr. and Mrs. McGuire and children, Mr. Lokey and Billy Taylor, all of Houston, are new arrivals at Riverside Inn, Sherman's Mill.

Mrs. Aubrey and daughters of Kennedy came up Saturday and the young ladies have remained for the benefit of our healthful climate.

Mrs. Maude Forsyth, Mrs. Venson and daughter, Mary, of Austin, and Dave Watson of San Antonio are visiting relatives and friends here.

Judge Kittrell and son, Mr. Montgomery and Miss Rudnick, all of Houston; Miss Ruth McTeake, Akron, Ohio, are new arrivals at Camp Guadalupe.

Mr. and Mrs. Fred Klein and daughter, Bonnie Lee, and son, Conrad, of the Divide motored to Kerrville Tuesday, stopping here on the return trip.

Mr. and Mrs. J. W. Ridenour and children and Mr. and Mrs. J. J. Sublett returned Sunday from a four-day visit with Mr. and Mrs. Geo. Leinweber and other relatives at Hondo.

L. M. Wise, daughter and two sons, Miss Evelyn and Nat and Archie, and Miss Gretta Cleborn, Waxahachie are guests of Mr. and Mrs. Ed Smith and family. The former is a brother of Mrs. Smith.

Our protracted meeting started at the Baptist Church last Sunday with Reverends Earls, Parker and Yearly doing the preaching. Mrs. Carl McEachern is leading the singing. Up to Tuesday night four new members had joined. The meeting is being well attended.

Mrs. Aubrey Temple and two little daughters of Memphis, Tenn., arrived Wednesday last week for a visit of two weeks with the former's uncle and aunt, Mr. and Mrs. H. I. Hardin, and other relatives. Mrs. Temple was formerly Miss Addie Cantwell of this place.

Mr. and Mrs. Ben Orfinger and son, Ben Jr., of Hondo and Mrs. Ella Orfinger of San Antonio are spending their vacation at the J. W. Ridenour camp ground adjoining Ingram. Mr. Ridenour has one of the best camp grounds along the river with plenty of shade and cool spring water.

Masons Install Officers

Kerrville Lodge No. 697, A. F. & A. M., installed their recently elected and appointed officers Tuesday night at a special meeting in the Masonic Hall. R. A. Franklin was installed as Worshipful Master at the recent Masonic Reunion and public installation of Blue Lodge Officers in San Antonio, as were several of the other newly elected officers. Those not installed in San Antonio were installed Tuesday night.

The roster of officials of the Masonic Lodge for the ensuing year is as follows: R. A. Franklin, Worshipful Master; Cecil Robinson, Senior Warden; John R. Leavell, Junior Warden; J. C. Robinson, Senior Deacon; Guy C. Moses, Junior Deacon; J. L. Parish, Senior Steward; Payne L. Williamson, Junior Steward; A. E. Seif, Secretary; L. A. Schreiner, Treasurer; Geo. Shumaker, Tyler.

As a result of his observations, Jack Miner of Kingsville, Ontario, has proved that birds return to the same haunt year after year, that kindness with overcome fear of the feathered folk, and that geese travel over the same route in migration at a speed of about sixty miles an hour.

CAMP RIO VISTA

The second month of the season at Camp Rio Vista opens with 66 boys present and with a spirit that is seldom found among a group of boys. The boys are pretty well hardened by this time and are ready to take on anything. The frigid nights which Kerrville has had recently has almost made winter sports possible. The abbreviated costume of the gym, shirts and pants, has become very unpopular and instead early in the morning shivering forms are seen gathered around the fire in the big kitchen stove, with sweaters and long pants on.

Swimming, however, is still a popular activity even though the water has been much colder than usual. In addition to the springboard and the diving raft, for those who crave sensation, a new device in the form of a big swing has been made. The rope hangs from the topmost limbs of one of the big cypress trees, which line the banks of the river, and curious and strange are some of the dives executed by the more or less expert aerial divers in the camp. A boat is kept handy at all times for those who spank the water too hard and need rest.

The educational department under Prof. Miller is doing good work. Two new teachers have been added to the staff: Miss Marian Mallard of Mansfield, La., who has charge of Latin, and D. D. Gilbert, professor of Spanish in Beaumont High School, who has charge of Spanish. Prof. Miller is giving a course in popular chemistry, which is proving of considerable interest to all taking it.

The Hiking Club under the leadership of George Red of Houston, is also a live organization. One over-night hike a week is made, the last one being to Singing Falls on Johnson's Creek toward Junction. About 40 boys took this hike and they were all enthusiastic upon their return, which is a sure index of the fun which is had on any hike. The hike this week is to the head of the North Fork of the Guadalupe. Kerr County holds an unlimited supply of places of interest of those given to hiking.

The food is becoming more and more interesting. The camp garden is just beginning to come in and this change gives a refreshing variety to the menus. String beans, squash, corn, tomatoes, cantaloupes, watermelons, etc., scattered throughout a meal makes life worth living.

Among those who have recently arrived at Camp Rio Vista for the rest of the season are: Ernst Jones of the University of Texas and instructor of Materia Medica in Nurses' Training School of the Physicians' and Surgeons' Hospital in San Antonio; William Scurry of Dallas, student in University of Texas, and D. D. Gilbert of Beaumont; Guy M. Bryan, Houston; Royal Martin and Chas. Martin, Bryan; Willis Tate, San Antonio; James Sullivan, Fort Worth; Harold Kirkham, Houston; Lafayette Fly and Ben Fly, Victoria.

JOHN W. DAVIS NOMINATED

Stamped on 103d Ballot Puts Over West Virginia Man As Presidential Nominee of Democratic National Convention.

Madison Square Garden, New York, July 9.—A stampede to John W. Davis of West Virginia on the one hundred and third ballot today resulted in his nomination for President by the Democratic National Convention.

The one hundred and third ballot ended the most extended deadlock that ever existed in any major political convention. It came only four ballots after the withdrawal of the deadlocking pair, McAdoo and Smith. After several States had changed their votes to Davis, his nomination was made by acclamation. Charles W. Bryan of Nebraska was nominated for Vice President.

Green Corn

Farm and Ranch: Baked Green Corn—Cut green corn from the cob. Do not cut too close. Take the back of the knife and scrape each cob so as to get the sweet remaining milky portion. Season with salt and pepper. Almost cover with milk. To each pint of milk used add one thoroughly beaten egg and a piece of butter the size of a walnut. Bake until a knife will come out clean.

Corn Souffle—Take one pint of corn pulp and mix with one pint of cream sauce made by blending two tablespoonsfuls of butter with two tablespoonsfuls of flour, one-fourth teaspoonful of salt and a little pepper. Season to taste and fold in two stiffly beaten egg whites. Cover with buttered bread crumbs and bake until nicely browned.

Corn Chowder—Fry one-half cupful of diced, fat salt pork until brown. Add two sliced onions and cook until yellow and transparent. Add four medium-sized potatoes sliced thin, and enough water to cover. Cook until potatoes are fairly done. Add one pint of corn pulp. When potatoes are tender, season with salt and pepper and add add two and one-half pints of hot milk, and bind with two tablespoonsfuls of flour rubbed smooth with a little cold milk.

Corn in Tomato Cups—One pint cold boiled corn cut from the cob, one cupful of thick, rich, white sauce, one cupful of sifted crumbs, one tablespoonful of butter. Remove a small slice from flower end of tomato, and scoop out the center so as to leave a cup; mix corn with cream sauce, and fill cups. Place in shallow baking dish, strewn tops with crumbs, dot with bits of butter, dust with pepper and salt, add stock, place in moderate oven and cook until tender. Serve with the meat course.

You PAY For Good Coffee So Why Not Get H and H

Unless you buy H and H Blend Coffee you're probably paying for something you don't get. And you wouldn't think of doing that.

Of course you probably do drink it, 'most everybody does who knows coffee goodness.

But if you would really find out why it's so popular, just try serving it some afternoon when chatting with friends.

Then just notice the pleased expression on their faces.

Of Course Your Grocer Sells It!

What Drinks Do You Like?

Coca-Cola? Root beer? Phosphates? Lemonade? Limeade? Orangeade? Fruit Punches? Malted Milk?

No matter. We serve 'em here—absolutely pure and delicious.

Also Ice Cream and Sherbets, Sundaes and Fancy Fountain Confections. Try 'em.

**The Wonder Plant of the Age**  
**"The Rose of Jericho"**  
*Resurrection Ferns*  
**WILL LIVE 100 YEARS**

The Resurrection Plant is one of Nature's greatest curiosities. Found in Palestine, in a small district of northern Chihuahua and in Texas, this wonder plant baffles all the skill of modern science.

There is practically no way of estimating the age of these plants. It is believed they are capable of outliving the memory of mankind. Although thrown into the discard for a thousand years this marvel will burst into bloom when placed in water. The Resurrection Plant is more than a novelty—it is a thing of beauty and a remembrance of the desert. You and all your friends will want one. Florists frequently charge as high as 50¢ for these ferns, which are specially selected and graded.

**ANNOUNCEMENTS**

The Sun is authorized to announce J. W. Wootton as a candidate for Commissioner of Precinct No. 4, subject to the action of voters at the general election in November.

To the Democratic voters of Commissioners' Precinct No. 4, Kerr County, Texas: I hereby announce myself as a candidate for the office of County Commissioner within and for Precinct No. 4 of Kerr County, Texas, subject to the action of the Democratic primary to be held in July, 1924.  
 ROY LITTLEFIELD.

The Sun is authorized to announce the candidacy of R. V. Nichols to the office of County Judge, subject to the action of the Democratic voters.

The Sun is authorized to announce the candidacy of Roscoe Runge of Mason County for the office of Representative from the 86th Representative District, subject to the action of the Democratic primaries in July.

I hereby announce my candidacy for the office of State Senator for the 26th Senatorial District, composed of the Counties of Bexar, Kendall, Kerr and Bandera, subject to the Democratic Primaries.  
 T. H. RIDGEWAY.

To the Voters of Kerr County: I hereby announce my candidacy for the office of Sheriff of Kerr County, subject to the action of the Democratic Primary to be held on the 26th day of July, 1924. I will appreciate the support of each and every voter in the said primary and promise you that if nominated and elected that I will faithfully and impartially discharge every duty of the office to which I aspire, and especially promise you that I can and will enforce the criminal laws in Kerr County in so far as that can be done by the sheriff and his official family.  
 T. A. DUDERSTADT.

The Sun is authorized to announce the candidacy of Judge R. H. Burney for the office of District Judge of the 38th Judicial District, composed of Kerr, Kendall, Bandera, Real, Medina, Uvalde and Zavalla Counties, subject to the action of the Democratic Primaries to be held on the 26th of July, 1924.

To the Citizens of Kerr County: I hereby announce my candidacy for the office of Tax Assessor of Kerr County, Texas, subject to the action of the Democratic primaries to be held within and for Kerr County on the 26th day of July, 1924. I earnestly solicit the support of each and every voter entering the said primaries, and promise the people of

**GAVEL CLUB TO ERECT WELFARE CLUB HOUSE AT LEGION HOSPITAL**

(Continued From First Page)

tion of the home and for the interest manifested in the movement throughout the State. Mr. Keith has made four trips to Legion in the past few months in the interests of this plan and has co-operated with the local members in every way possible.

The Gavel Club was organized at Legion in January of this year, with a membership of 26. Since that time the Club has continued to grow until at present the membership is close to the 100 mark and is still growing. At present the membership is confined to the patients and personnel at Legion, but Master Masons anywhere are entitled to membership in the Club. Associate members of the Club include Eastern Star members, members of the Rainbow Order and DeMolays and all others who are entitled to membership in these orders. However the benefits of the Club are not restricted to these, but the Club will be open to all, and the welfare work being carried on by the Gavel Club is not confined to the fraternity, but they are rendering aid and assistance to anyone in need regardless of creed or religion.

The officers of the Club are: Dr. J. J. Klein, president; Geo. L. Epple, vice president; V. J. Fugler, secretary; John C. Zimmerman, treasurer; R. F. Comer, chaplain; Dr. A. J. Walker, Dr. Geo. C. Garrett and Geo. F. Stehley, board of trustees and building committee.
