JULIUS REAL ELECTED TO STATE SENATE TUESDAY

Mrs. Ferguson and Coolidge Win in State and Nation—Local Officers Re-Elected Except Jim Peril.

T. H. Ridgeway of San Antonio was defeated by Julius Real for State Senator from the 26th District by almost two to one, it was shown by incomplete returns from over the district. The local candidate carried every county in the district. William A. Black, also of San Antonio, ran a poor third.

In the race for President of the United States, Calvin Coolidge is running away ahead of his ticket in many States of the Union, with a likelihood of having a majority that will exceed that of even former President Harding.

Locally there was considerable interest in the election, especially on the Governor's race and that of the State Senator. Probably the largest vote polled in the county for many years was recorded, although the tabulation of returns does not show all of them. The estimated voting strength of the county is about 2,300, according to the last poll tax issue, and nearly 1,900 votes show in the tabulation. Unofficial returns for Governor, State Senator and the county officers where there was opposition appear on page 9 of this issue.

All the former county officials who were running for re-election got over by safe majorities with the exception of Jim Peril, who lost out to Roy Littlefield in the Commissioner's race from Precinct No. 4. Consequently, Mr. Littlefield will be the only new face seen in the official family of Kerr County when the newly elected officers are sworn in.

Sheriff Jack Moore led the field among the local candidates, his majority over T. A. Duderstadt being 578, according to unofficial tabulation. Other majorities given by Kerr County are as follows: Butte, 239; Real, 657; Wallace, 326; Peterson, 352.

Quite a few ballots were thrown out by election officials where the voter had failed to cross out the ballots in a manner that would signify to them how the citizen had intended to vote. The task of checking the returns was a heavy one, due to the fact that practically every ballot cast was scratched into at least two columns and the majority of them three.

One noticeable thing about the election was that the officials of each precinct were very prompt in sending in their returns, every box in the county having sent in their supplies, ballots and returns before the noon hour Wednesday. With the exception of four boxes, the vote was cast in Tuesday night, so that candidates

BISHOP JOHNSTON, FORMER KERRVILLE PASTOR, DEAD

Funeral Services Held in San Antonio Wednesday for Retired Leader of Episcopal Church.

Funeral services were held in San Antonio Wednesday afternoon for the Rt. Rev. James Steptoe Johnston, former Bishop of the West Texas Diocese of the Episcopal Church and former rector of the local church, who died at his home in that city early Tuesday morning following a stroke of paralysis Sunday. Deceased was 82 years old.

The veteran minister was for several years rector of the local Episcopal Church and after being raised to the bishopric and since his retirement from same he was a frequent visitor in Kerrville. He was well known by all citizens of this city, who loved him for his fine Christian character and his broad minded view of earthly matters.

Among those attending the funeral from Kerrville were E. Galbraith of the Episcopal Church and Father Kemper of the Catholic Church, who was a personal friend of the deceased. In honor of the dead man the flag at the Catholic school in this city was at half mast Wednesday. Many beautiful floral offerings were sent by other Kerrville admirers of the dead man.

Bishop Johnston's death terminated a long and eventful career. He was a veteran of the Civil War, enlisting in the Confederate Army at the beginning of the conflict and serving until the end of the war.

A few years after the end of the Civil War he entered the ministry of the Episcopal Church and was stationed at several different sections of the country, after which he was transferred to this diocese.

Under his administration the diocese prospered, developing from a bunch of thinly settled, scattering settlements and army posts, covering a radius of 110,000 square miles, into the present state of population. When he first assumed the duties in this diocese it was necessary for him to travel by horse and buggy a distance of 1,800 miles to cover his territory.

After retiring from the bishopric in 1914 Rev. Johnston accepted the work in Kerrville and was rector of the local church for several years. As such, he made friends of all with whom he came in contact and his passing is mourned by all who knew him.

ARMISTICE DAY CELEBRATION TO OPEN WITH BIG PARADE

C. B. Hudspeth to Be Speaker at Legion Immediately Following Ceremonies in This City.

The committee in charge of the Armistice Day parade and celebration announces that all plans for the day are now complete and predict that the demonstration will be the biggest seen in this city since war-time days.

The ceremonies of the day will open with a parade, beginning promptly at 9:30 in the morning. Cecil Robinson has been selected as grand marshal of the parade, and the different floats and cars will be under his supervision. The parade will form on Clay Street just off Water Street, the line of march being down Water Street to the edge of the city where those that desire may go on to Legion and others may return to the city.

The committee expects that about 40 floats and decorated cars in the parade besides two bands. The Gonzales Band will head the parade, as well as furnish music throughout the day. The band from Schreiner Institute will parade along with a float representing the school.

In order to avoid confusion, each float and car in the parade will be furnished with a number by the grand marshal to designate its place in the line of march. Each driver is requested to observe this numbering when lined up, in order that the parade may be found without a hitch.

Immediately following the parade open air services will be held at Legion, for the benefit of the former service men who are patients there, as well as those from this city who care to attend. Dr. Cook, medical officer in charge of the hospital will have charge of the services.

The program will open with an invocation by Rev. R. W. Merrill, followed by either music by the Gonzales Band or the Shrine Chanters of San Antonio. It is not definitely settled as yet that the latter named organization will be present.

Dr. Cook will introduce Congressman Hudspeth. The committee feels that they were indeed fortunate in securing Mr. Hudspeth for this address, as he has the reputation of being one of the most gifted speakers in the State and those who hear his talk will enjoy a rare treat.

Following his address a short musical concert will be rendered by the band, after which Rev. C. E. Wheat, newly appointed pastor of the Methodist Church of this city, will pronounce a benediction.

Promptly at 11 o'clock, regardless of where the hour occurs in the ceremonies, the entire assemblage will observe thirty seconds' silent prayer in memory of the heroes who fell during the war.

Following the Legion program the party will go to the cemetery near that place where dedication ceremonies for the cemetery will be held, and the flag raised on the large flag pole that is being erected there by the State organizations of the American Legion and Legion Auxiliary. Mr. Hudspeth will make the dedication speech, followed by prayer by Rev. W. P. Dickey, after which the flag will be raised while the band plays the National anthem. A squad of soldiers will fire a gun salute, which will be followed by taps sounded by a bugler, which will complete the dedication ceremonies.

The afternoon of the 11th will be spent at the football field of Schreiner Institute by those who care for football sport. The Freshmen team of the State University will play the Schreiner team in what has become an annual meeting between the two teams. Last year the Freshmen were the victors but this year the Mountaineers say that the tables will be reversed. The Gonzales Band will take part in the festivities incident to the football game and will render a concert between halves.

The Sunset Community Agricultural Club held their eighth regular monthly business meeting at the school house last Friday afternoon at 3 o'clock. There were ten boys and five girls present and each one made a report of their year's work and pledged themselves to do more and better work in the coming year. Adelbert Oehler made a report of his trip to the Dallas Fair and Boys' Club Entertainment, which was very interesting. After the regular order of business and the regular program, each boy and girl was instructed to be sure and get their record books and reports up in good shape and sent in by November 10th, so that the club report could be sent in on time for the Farm and Ranch contest.

First Woman Governor

MRS. MIRIAM A. FERGUSON

RED CROSS ROLL CALL TO BEGIN NEXT WEEK

Annual Drive for Memberships in Welfare Organization to Begin Nov. 11 and Last Until the 27.

How many business houses in Kerrville will hang up a large Red Cross emblem in their window next week signifying they and their employees are 100 per cent organized for the Red Cross, the welfare organization that did more than any other during the World War and is still doing more than any other organization for the former service men and their dependents?

Mr. Business Man, a committee will wait on you to ascertain how you and your employees stand on this question, and you can greatly aid the committee by having a canvass of your place of business made in advance. This work is being done by men who are doubtless as busy as you are, but who are donating part of their valuable time in the cause of humanity.

In addition to working each business house for memberships, workers will maintain a downtown booth, at which memberships will be received, besides workers on the streets.

The work of soliciting memberships in the residential section of the city, as well as in the outlying districts of the county, will be in the hands of Junior Red Cross workers. Miss Mary Holdsworth is county chairman of the Junior Red Cross and plans are now under way for the formation of junior units in practically every school district in the county. Parents are urged to assist the children in this work by contributing liberally to the cause.

November 11 is the most appropriate day for beginning the Red Cross membership drive, for this day brings to mind the glorious day six years ago when the news flashed over the world that the war was ended. At that time the Red Cross was doing its bit, not only on the front line, but in the hospitals, training centers, rest camps and other places where the American soldiers could be found on foreign soil. It was then devoted all its energies to its one mission—the relief of suffering, and this is its mission still, with its objects those boys who, because of injuries and disease contracted in the service of their country, are unable to take their place in active life and support their dependents.

Every citizen of Kerr County is urged to contribute to the Red Cross this year. This section of the country rarely has more direct benefit from funds of the National Red Cross possibly than any other section in the entire United States. Last year for every dollar sent to the National Headquarters forty were sent back to this immediate section to be used in relief work among the former service men and their families. Quite naturally the major portion of the \$3,000,000 raised in Kerr County Government Red Cross last year found its way into circulation locally, for in most instances it was spent for supplies and clothing for the needy.

Consider the Red Cross from any view point you desire—from its humanitarian aspect or from a strictly commercial aspect—in dollars and cents invested—and the results to Kerr County citizens are many fold.

While memberships only cost one dollar there is nothing to hinder any citizen from contributing more if he so desires, and one important thing to remember is that of each membership, only 50 cents goes to the National headquarters, the rest being retained by the local chapter for use at home.

Another aspect of the Red Cross memberships is that money spent in this way is considered by the Government as a donation to charity and can be figured in full from your income tax returns the first of the year. If you figure on having to pay \$300 in come tax, you can donate the entire \$300 to the Red Cross and the income tax officers will give you the same credit as if you enclosed the money with your income tax.

Scarcely a family in the United States but what was touched in one way or another by the World War, and in every instance the members thereof are grateful for the part the Red Cross played in the war. If you do not realize the importance of this work in Kerr County, visit the Legion

Hospital or take a ride over the city with the Red Cross secretary or one of the welfare workers and see personally what the order is doing for your neighbors.

Some idea of the amount of work that is being done by the Kerr County Chapter of Red Cross may be had by the following items of interest that

(Continued on Last Page)

OFFICERS ELECTED BY KERRVILLE COUNTRY CLUB

At the club house Monday evening just before the Chamber of Commerce meeting the stockholders of the Kerrville Country Club met in annual session and re-elected three members of the Board of Governors whose terms expired at that time. Those re-elected were Ally Beitel, Hal Peterson and Cecil Robinson.

A meeting of the Board of Governors was immediately called, but adjourned until the next morning to make way for the Chamber of Commerce meeting. When the board reconvened Tuesday they showed their faith in the officers by re-electing them to the positions they held the past year, as follows: W. Scott Schreiner, president; E. Galbraith, vice president, and S. H. Huntington, secretary-treasurer.

According to the report of the secretary-treasurer, the club is on a sound financial basis and practically free from debt. The cost of construction of the golf course and club house exceeded the estimate for same by only a few dollars and this amount will easily be handled by the monthly dues of the members.

FORGET-ME-NOT DAY SET FOR NEXT SATURDAY, NOVEMBER 8

Disabled American Veterans at Legion Urge Support of Day in Behalf of Less Fortunate Comrades.

The attention of Kerrville citizens is directed toward Saturday, November 8th, 1924, which has been designated Forget-Me-Not Day by the Disabled American Veterans of the World War. You will doubtless recall the November day last year when you so generously responded to our workers on the streets, and we are proud of the fact that few were the Kerrville folk who did not wear the tiny blue flower which indicated that they had given of their means toward the relief of those unfortunate battle-mere wrecks.

This year we hope to equal if not surpass last year's showing, and upon the morning of Saturday, November 8th, pretty girls will appear at various points down-town with Forget-Me-Not and containers for your donations. As you reach in your pocket for your purse, please bear in mind the fact that not one penny given will go to any one but salaries; not one cent goes to disabled men receiving government compensation; reliable banks and bankers handle the entire amounts and the fund created is used solely for the relief of needy disabled men and their dependents.

Imagine yourself disabled by disease or injuries in the service of your country that you are unable to earn a livelihood; you are unable by reason of some legal technicality to obtain government compensation; your wife and children, starving and desperate, forced to rely upon charity for the bare necessities of life; the future would loom black and threatening indeed, would it not? We have records of many such cases! Legislation will eventually come to their relief, but legislation is notoriously slow, and Father Time refuses to wait on these needy ones. And so we have Forget-Me-Not Day; an institution indorsed by President Coolidge, by Governor Neff and by many other public officials.

Your local organization, Wilkins Chapter No. 8, at Legion Hospital is making preparations for a successful day. Themselves disabled, they are working hard and earnestly for their less fortunate comrades, for "soldiers stick together." Can you who have your homes, your businesses, your positions, your health, do less than contribute? Did not the Man of Gallilee say "Even as ye do it unto the least of these, do ye it unto me?"

Kerrville responded wonderfully once before; will she respond as generously on Saturday, November 8th? WE KNOW she will!

W. E. REGISTER, State Commander, Department of Texas; The Disabled American Veterans of the World War.

A committee from the local Parent-Teachers' Association, consisting of Mesdames A. F. McClellan, A. G. Piatte, A. N. Rothrock, W. B. Brown and Leslie Adkins, were San Antonio Wednesday of last week for the purpose of inspecting the different school cafeterias in that city. As a result of their visit, the Parent-Teachers have ordered equipment for the local school cafeteria, which is expected to arrive in time to have the cafeteria in operation in about two weeks.

Last Friday night was a busy time with local officers, trying to keep the average American boy from cutting up Halloween night. Both sides were kept busy most of the night, and when the smoke of battle had cleared away next morning, it was discovered that the principal damage the marauders had perpetrated was against the peace and dignity of the officials.

WOOL AND MOHAIR COMMISSION MERCHANT

A Successful Man Said:

Copyright 1922 by W. C. S.

I DON'T LIKE to see so much said about Saving money," said a successful man recently. "That is not the real secret of success. If you want to know how to win success I will tell you: "Earn more than you spend."

It is said that the average man earns about \$5 for each dollar he saves. In the business of living we have \$4 expense to each dollar of "profit."

Saving will be a simple matter for the man who earns all he can and spends with good judgment. Thrift is not stinginess—it is good management.

Think it over.

ESTABLISHED 1869

KERRVILLE, TEXAS

DRESSED POULTRY MAY BE SHIPPED FROM THE STATE

County Agent Receives Notification of Appointment as Special Inspector of Live Stock Commission.

Turkey raisers of the Hill Country are now assured of a market for their crop by reason of special appointment of County Agents over the State as inspectors of the State Live Stock Commission, with authority to certify shipments of dressed poultry, fruits, vegetables, trees and shrubs from Texas. Owing to the outbreak of the hoof and mouth disease in East Texas an embargo was placed on practically every kind of shipment from the entire State by practically every State in the Union.

J. C. Yearo, County Agent of Kerr County, has received notification of his appointment as special agent, and has been furnished with the necessary blanks for certifying shipments of all kinds, especially dressed poultry. Under the quarantine regulations, as amended, all shipments of poultry must be dressed, packed in new containers, with all paper, cloth and bur-lap used as wrapping for same new and clean. In addition, the shipper must fill out an affidavit that the poultry included in the shipment did not originate in the area infected with the hoof and mouth disease.

Fruit, vegetables, trees and shrubs will be handled in like manner. The lifting of this embargo will mean thousands of dollars to the farmers and ranchmen of the Hill Country, for it affords an outlet for the turkey crop, one that has grown to such proportions as to be no small source of revenue to the country.

The city builders were out in force at the Country Club Monday night when President Prescott called the Chamber of Commerce together in the regular monthly membership meeting. About 60 members of the order were present, with several visitors. Probably the most important matter up for consideration was the report of the sidewalk and paving committee of the Chamber of Commerce. W. A. Fawcett, chairman of this committee, made a report that the improving of Earl Garrett Street from Water to Myrtle Streets had been acted on favorably by the residents of that thoroughfare, with the probable date of beginning operations about the first of next month. Mr. Fawcett urged the property owners of any other street in the city who desired to pave to get busy and get the matter signed up so that the contractors of the present project could handle same at the completion of Earl Garrett Street.

Ally Beitel, member of the County Commissioners' Court, brought out the fact the paving of the city streets could be secured at the same rate the county was paying for the paving of the highway through the city, stating that the cost of this paving was by far cheaper than what could be secured in any other city in the State.

E. Galbraith and Howard Butt reported that the citizens along Main Street from Sidney Baker to Broadway had agreed, with the exception of a few members, to the paving of that Street, the principal contention being the width of paving to be laid. A meeting of these property owners is scheduled for Friday night in the par-

(Continued on Last Page)

KERRVILLE STEAM LAUNDRY NOW UNDER NEW MANAGEMENT

Ed Pinder, Practical Laundry Man, Buys Interest of C. H. Lang and Assumes Control.

The first of the month C. H. Lang sold his interest in the Kerrville Steam Laundry to Ed Pinder, who assumed control of the business immediately. The firm is now composed of Mr. Pinder and T. H. Walker of San Antonio, with Mr. Pinder in active charge of the industry.

A representative of The Sun went to the laundry Tuesday morning to interview Mr. Pinder. He was informed that the new owner was in the wash room, where he was found actively engaged in his profession—washing clothes. For Mr. Pinder is a laundryman. He has had over 30 years' experience at the business, the last six of which he spent under Government employ as superintendent of some of the largest laundries in the country.

The Sun man found Mr. Pinder to be a very pleasant, courteous gentleman. But the principal impression gained was that here was a man who knew his business from the ground up and one that was going to give service above all else.

The new management is not planning extensive improvements in the plant. Rather they are planning on using what equipment they already have in the proper manner and turn

MEMBERS OF C. OF C. IN MONTHLY MEETING

Large Number of Citizens at Meeting of Business Men at Country Club Monday Night.

The city builders were out in force at the Country Club Monday night when President Prescott called the Chamber of Commerce together in the regular monthly membership meeting. About 60 members of the order were present, with several visitors.

Probably the most important matter up for consideration was the report of the sidewalk and paving committee of the Chamber of Commerce. W. A. Fawcett, chairman of this committee, made a report that the improving of Earl Garrett Street from Water to Myrtle Streets had been acted on favorably by the residents of that thoroughfare, with the probable date of beginning operations about the first of next month. Mr. Fawcett urged the property owners of any other street in the city who desired to pave to get busy and get the matter signed up so that the contractors of the present project could handle same at the completion of Earl Garrett Street.

Ally Beitel, member of the County Commissioners' Court, brought out the fact the paving of the city streets could be secured at the same rate the county was paying for the paving of the highway through the city, stating that the cost of this paving was by far cheaper than what could be secured in any other city in the State.

(Continued on Last Page)

PUBLIC HEALTH NURSE IS NOW ON THE JOB

Mrs. Henrietta Abland, the public health nurse secured through the efforts of the Parent-Teachers' Association, arrived in the city Sunday and assumed her duties Monday. Mrs. Abland was sent here by the State Board of Health.

While her duties will of necessity keep her in the country most of the time, working with the different schools of the county, Mrs. Abland will maintain her Kerrville office in connection with the Red Cross, arrangements having been made for a desk for her in the secretary's office. Mrs. Abland has been a registered nurse for 12 years, six of which have been spent in the work for which she was secured here. In addition she took a three-year course in child nursing, and should be an ideal individual to sell the public health nursing idea to the citizens of this country.

WHITE CAKE

(Contributed by Mrs. J. W. Bailey)

- 3/4 cup butter
- 2 cups sugar
- 1 cup sweet milk
- 3 cups flour
- 6 egg whites
- 2 level and 1 heaping teaspoonfuls baking powder
- 1 teaspoonful flavoring

Cream butter, add gradually sugar, and when thoroughly creamed, add milk and flour alternately, sift flour then measure, add baking powder, sift seven times. When well mixed fold in beaten egg whites, add flavoring.

FILLING—2 1/2 cups sugar, 1 cup sweet milk, 1 tablespoonful butter; put two cups sugar with milk in pan on stove and cook until it makes a soft ball in water. At the same time put 1/2 cup sugar in pan and melt to a nice brown, then add to first mixture, stirring all the time; add butter and beat well. When it is thick put between layers of cake.

THE WEEK IN SOCIETY

Little Folks' Party

Misses Arnie Mitchell and Algine Worley entertained some of their little friends with a Halloween party last Friday night at the home of Mrs. Ethel Worley.

The little guests came dressed as ghosts and the spooky lights in the house with the witches and bats placed everywhere caused the little folks to get lots of real thrills of the various games that were played.

Refreshments in keeping with the occasion were served in the breakfast room to the following little guests: Hattie and Sara Nelle McGregor, Cornelia Fawcett, Tommy McGregor, James Mitchell and J. C. Copeland.

Little Miss Williams Entertains

Miss Elaine Williams was hostess in the home of her parents, Mr. and Mrs. S. J. Williams, last Friday night to her Sunday School class and their friends.

The home was made very gay with Halloween decorations of bats, owls, cats, witches and festoons in orange and yellow. Real pumpkin jack-o'-lanterns were used in lighting the porch and hallways.

After playing several games that are dear to the hearts of children and having the fortunes told, the little girls of the class served punch, cakes and candy to the guests.

Those invited were Mrs. A. D. Wilson, class teacher; Mrs. W. A. Simmons, Mrs. J. F. Whitney, Mrs. J. R. Leavell and Mrs. W. A. Salter, Misses Annie Laura Garrett, Mollie and Meta Miller, Estelle Etheridge, Mary Louise Gardner, Willie Mae Braden, Josephine Fawcett, Ruth Thorson, Mildred Williams, Margaret Mosty, Margaret Whitney, Aimee Louise Scherbeck, Ruth Leavelle and Pattie Bell Morris, Arthur Johnson, Jack Peterson, J. T. Paul, Jay Nance, Dean Wilson, Bobbie Renschel, John Williams, Burton Brown, J. O. Yarbrough, Junior Johnston, Chester Wright, Forrest Salter and Charles Shelburne.

Tea for Miss Rummell

Mrs. G. A. Schreiner entertained her friends with an informal tea last Friday afternoon from 4 to 6, honoring her sister, Miss Ella Rummell, of San Antonio.

The magnificent Schreiner home in the hills need no decoration to enhance its beauty, nevertheless lovely flowers were everywhere in evidence. The reception hall and living room were beautiful with roses and chrysanthemums.

Mrs. Ally Beitel and Mrs. A. C. Schreiner Jr. met the guests at the door and presented them to the hostess, who stood just inside the living room. With the hostess were Miss Rummell, the honoree, Mrs. T. C. Johnston and Miss Kate Johnston, of Edinburg, Scotland. Mrs. E. H. Prescott and Mrs. J. S. Wheelless assisted in the living room and showed the guests to the dining room, where they were received by Mrs. Amy Wallace.

The dining room, with its tapestried walls and handsome mahogany furniture is itself a thing of beauty. The table was covered with a hand embroidered luncheon set, imported from Arabia, which was laid over yellow satin. The central decoration was a large basket of plummy chrysanthemums and ferns. On each side of this were crystal candle sticks, holding black tapers and tied with black and orange maline. Cut glass bon bon dishes were filled with candies and mints in black and orange shades.

The same artistic theme of decoration was used on the buffet and serving table.

Presiding over the tea and coffee services were Mrs. Scott Schreiner and Mrs. J. D. Jackson.

Mrs. Pearl Granes and Mrs. W. G. Garrett Jr. served a delicious salad course to the guests who were next shown into the delightful breakfast room. This room also carried out the Halloween motif with the glow from

the black and orange tapers and the yellow tints of the autumn sunshine made a very cheerful place. Mrs. Carl Allen presided over the punch bowl and Mrs. Thomas Matthews and Miss Kate Renschel served orange and black cakes.

About 165 guests called during the afternoon.

Party for Mrs. White

The members of the Wesley Class of the Methodist Sunday School met at the home of the class president, Mrs. Fred Everson, last Thursday afternoon, in honor of their teacher, Mrs. F. A. White.

The guests brought their sewing and the afternoon was spent informally. All members expressed their regret at Mrs. White's leaving as she had been such a splendid teacher of the Bible. But her sweet Christian influence and her ideals of Christian womanhood will always be remembered by those who were fortunate enough to be associated with her.

A handsome leather hat box and an ivory hat brush were presented to Mrs. White by Mrs. Everson, in behalf of the class, who told her of their regret of losing her and of the good wishes and prayers that would follow her the rest of her life.

Mrs. White responded to the speech with a heart to heart talk with the women who had been her pupils and friends while she has been in Kerrville.

A delicious salad course was served to the following guests: Mrs. F. A. White, the honoree; Mesdames W. J. McDoniel, A. E. Self, L. A. Mosty, McClusky, Dee Richardson, Edna Nance, W. U. Stoetznor, Saner, R. L. Mangum, Wm. Warrell, St. John, R. T. Self, C. W. Moore, W. D. Reed, H. Noll, J. D. Rees, W. B. Powell, Arnold, Beamer, Ottinger, Harvey Mosty, J. E. Avera, Wm. Boeckmann, Frank Coleman, L. T. Davis, J. R. Herndon, Guy Holloman, J. T. King, Robert Lokey, Stewart Davis, W. G. Ward, and Misses Narcissa Grider, Jennie Clark, Alice Starkey and Mary Gowen.

Halloween at Schreiner

The hearts of 170 girls were made very happy last week when they received very clever invitations to attend the annual Halloween party at Schreiner Institute, which was given in the main auditorium last Friday night. These same hearts are filled with very tender memories, now that the event has passed into history.

The Schreiner boys and their guests entered the building through the basement doors and were marched up the stairs in couples.

On the main floor were two of the most repulsive witches ever seen by human eye; these were impersonated by Mrs. J. M. Motte and Mrs. Ora McMullen. These witches laddled out fortunes from an old iron pot, which was kept constantly boiling by red fires from the bones and skins of the animals which were the ingredients of the pot, and were constantly stirred by the proverbial broomstick and carefully guarded by two live black cats, caught in a cemetery at midnight.

The guests who survived this ordeal were again started up the stairs, only to be stopped at the first landing by the baleful stare of a beheaded spook. The fortunate ones, who could say the magic word or screech in the right key were allowed to pass on to the auditorium.

The lights in the auditorium had the shape of human heads, but of the most

The Kerrville Greenhouses

KUHLMANN'S

Cut Flowers, Plants and Funeral Designs.

Flowers Delivered Anywhere by Telegraph.

erie expressions and grotesque features possible.

Across the front of the stage was a picket fence and on this were perched cats and witches. At the sides of the stage were placed trellises and on these were entwined green vines and more cats and bats.

In the exact center of the stage, suspended from the ceiling, hung a gaunt skeleton, warning all of their fate, who did not heed the witches advice.

The orchestra played a choice selection of funeral marches while the guests were entering the room and also played at intervals during the entire program.

All of the guest who were in costume were asked to come to the dressing room and a style show was given in which the masqueraders promenade in true manikin style.

Two diminutive clowns, dressed in black and white Peirrot costumes came to the center of the stage and blew a shrill blast on their trumpets to announce the coming of the revelers. These small fellows were Ernest Dimaline and Joe Delaney.

Two larger clowns, dressed in the same style as the smaller ones came out and danced a very clever skit. Their encore was a hand spring and a summersault. These clowns in every day life are Misses Margaret Delaney and Harriet Emmerson.

"Maggie," one of the popular Schreiner Institute boys, came in as "Black Sambo" and gave a very realistic imitation of an old time negro's idea of what tripping the light fantastic meant. The orchestra played "Turkey in the Straw" for this number.

This was followed by a 20-minute intermission during which the orchestra played and the young people unmasked and got acquainted. One of the requirements was that each young man should meet at least five different girls.

The next number of the program was an interpretive dance given by Miss Margaret Able, of the Scofield School. She was accompanied on the piano by Miss Travis Lipscomb, also of Scofield.

The climax of the program came when all the lights were turned out, the only illumination being saucers of alcohol and salt burning, which gave a supernatural glow to the surroundings.

Out of the darkness came a sepulchral voice, reciting that gruesome story, Poe's "Black Cat," while the cats yowled and screamed through the stygian darkness and one was made to feel that he were really in a terrible chamber of horrors, and was relieved to find the ghost no other than Mrs. G. M. Doyle.

When the lights were turned on again the guests were marched to livelier music to the reading room.

This room was decorated in the bright autumn colors of red and yellow. The tables were very pretty with decorations of autumn leaves. Witches' brew was served from kettles and for fear that this concoction might prove fatal, life-savers were passed. When they are rolled in sugar, to the uninitiated they resemble doughnuts, and to balance the diet each guest was presented with a fruit which caused the downfall of man, the apple.

Baldwin-Parks

The marriage of Miss Hattie Baldwin to Irving Parks was solemnized last Saturday afternoon in San Antonio.

The young lady is the daughter of Mr. and Mrs. H. M. Baldwin of this city and the groom is an employe at the Court House.

The young couple will make their home in Kerrville.

Miss Ethel Lanier of Dallas is the house guest this week of Mr. and Mrs. Glenn Brooks. The ladies were roommates at Kid Key College.

JULIUS REAL ELECTED TO STATE SENATE TUESDAY

(Continued From First Page)

knew their fate in most cases before the went home for the night.

In Commissioner Precinct No. 1, Ally Beitel was an easy victor over B. F. Denton, whose name was marked on the ballot by 125 voters. Beitel's vote was 723, which gave him a majority of 588, more than that received by any local candidate for county office. The Littlefield-Peril race was close, Mr. Littlefield receiving a majority of 24 votes. H. G. Edens, candidate for Commissioner from Precinct No. 2, was unopposed, as was also Hugo Wiedenfeld in Precinct No. 3.

John Massey was an easy victor in the race for Constable in Precinct No. 1, having a majority of 88 over both his opponents, E. H. Turner, candidate to succeed himself as Justice of the Peace in the same precinct, was unopposed.

REAL THANKS VOTERS OF 26TH DISTRICT

To the Voters of the 26th Senatorial District of Texas: I take this occasion to heartily and sincerely express my gratitude for the great vote of confidence which you gave me in the general election of November the 4th. I will say to you again, as I said in my pre-election statements, that I will, to the best of my ability, represent all people of all faiths and of all interests in the discharge of my duties as your Senator. Though elected as a Republican, I am not unmindful of the fact that I received a large vote from those of the Democratic faith, and no partisan consideration shall influence me in my vote on any measure, which may come before the Senate during my tenure of office. I shall keep before me at all times the interests of Texas and of Texas people in general, and the interests of the 26th Senatorial District and its people in particular, and give to every measure which I shall be called upon to consider, my most earnest and deliberate thought, to the end that my vote, when cast, shall at all times represent the best interests of my constituents.

Again thanking you and with assurances that you will receive from me, during my services as your Senator, the best in thought and in conscience which I possess, I am, Gratefully and sincerely,

JULIUS REAL.

SIMPLE THANKS EXPRESSED BY PRESIDENT COOLIDGE

Washington, Nov. 5.—President Coolidge, having received a vote of confidence from the American voter, today expressed his "simple thanks," as one of his first acts after his election was assured.

"It does not seem possible to me," Mr. Coolidge said, in a statement which he read to the newspapermen, "to make an adequate expression concerning the Presidency of the United States. No other honor equals it, no other responsibility approaches it.

A New Day in Rural Kitchens

The old fashioned belief in the hard lot of the country woman has been swept away by this modern Perfection oil range.

She can now have gas stove service with kerosene—quick heat, clean heat, abundant heat, instantly regulated and always dependable.

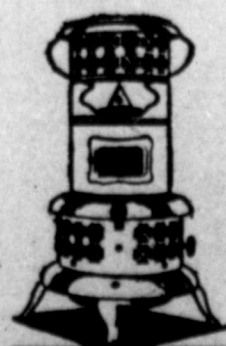

She can also enjoy the additional cook stove conveniences that city women have—ample size, plenty of shelf space, a beautiful stove, and one which is simple to operate.

The introduction of this finer Perfection oil range has brought the year 'round ease of city cooking to the rural kitchen and lifted from woman's shoulders the hard work of chopping kindling, carrying coal and cleaning out the ashes.

LOCAL AND PERSONAL

Mr. and Mrs. Chas. Johnston spent last Thursday in San Antonio.

Bryan W. Babb and wife of Rock-springs were business visitors in the city last Friday.

Buy Rawleigh Good Health Products at Butt's Feed Store. (Advertisement, 35fc).

Miss Laura Mussey of San Antonio came up last Friday for a visit with her niece, Mrs. Alois Renschel.

Dan Sang is a recent addition to the force of the Kerrville Bakery. He arrived from San Antonio Sunday.

Miss Maybelle Roberts was in Waco the last week end, attending the "Home Coming" festivities at Baylor College.

For a popular family heater get a Cole's Original Wood Stove. Any child can control it perfectly. (Advertisement, 21fc).

After a vacation of several months, E. C. Fisk has resumed his position as clerk in the men's wear department of the Charles Schreiner Co.

Photographs of your babies never grow up, keep their smiling faces with you always. THE WHEELUS CO. (Advertisement, 21fc).

Mrs. Arthur Ruggles Spillman and son, Reagan, of San Antonio, spent the week end in Kerrville, the house guests of Judge and Mrs. J. S. Wheelus.

Chas. J. Wesch Jr., who has been correspondent from this city for several daily papers of the State, has received assignment as Associated Press Correspondent from this city.

J. B. McClung of Austin, Rural School Supervisor, was here Wednesday in interest of State aid for rural schools. Hunt, Ingram and Sunset schools were visited and inspected.

Mrs. R. H. Chaney went out to the Rembold Ranch last Friday, returning Saturday evening. Mrs. Chaney hung up one record for this season: She brought in the first gobber of the year, as far as The Sun knows.

Kerrville shop windows were in gala attire the latter part of last week, the dressing up being of the dual celebrations of Halloween and opening of the hunting season. For the former, the Rock Drug Store apparently had one of the most attractive displays, while the Chas. Schreiner Co. put on one for the hunting season that was very attractive. Amid woody settings a mounted deer, natural as if alive, was displayed, together with a few suggestions for hunters.

Mrs. W. P. Dickey and Mrs. L. D. Garrett left this morning for San Antonio to attend the meeting of the 6th District Presbyterial. Mrs. Dickey will appear on the program and Mrs. Garrett will represent the local church.

O. J. Bean of the Dietert Ranch on the Divide was a Kerrville visitor last Thursday and again Monday of this week, stopping over on his way down and return from a business trip to San Antonio. He was accompanied on the return trip by his step-son, Edwin Heil, who will visit at the ranch for some time.

Miss Maggie Meeks of Center Point and Miss Cecelia Boudreaux of the Circle M Ranch were week end guests at the home of Miss Cleone Deaver.

Mrs. A. D. Wilson, Mrs. W. H. Robinson, Hodson Robinson and Henry Simonds spent Saturday in San Antonio attending the football game and visiting friends.

E. P. Walsh of San Antonio was a Kerrville visitor the past week end. Mr. Walsh is a brick mason and while working in the city several times in the past formed a large circle of friends who are always glad to see him.

Mrs. W. P. Dickey and Mrs. L. D. Garrett left this morning for San Antonio to attend the meeting of the 6th District Presbyterial. Mrs. Dickey will appear on the program and Mrs. Garrett will represent the local church.

50,000 IN LIFE-SAVING SERVICE OF RED CROSS

Additional 50,000 Water Safety Experts Probable Gain of Summer Campaign.

A boy watched an expert give a class a lesson in the way to revive a person unconscious from water immersion. The next day the boy tried it on a bathing companion and saved his life. Such a boy justifies all the effort and the cost of the Life-Saving Service, American Red Cross officials declare. The Red Cross method of restoring partly drowned persons is so simple that the continual large sacrifice of life must decrease as an informed public insists upon general instruction in prone pressure practice to induce respiration.

The Red Cross Life-Saving Service in every part of the country, summer and winter, is engaged in teaching this method as an integral part of swimming and life-saving. This service has grown from a single expert in 1914 to a corps of almost 50,000 active life-savers. In this tenth year of the work it is predicted that fully 50,000 more experts will be eligible for membership in the corps. This large accession in a single year is confidently expected as the result of the campaign among 22,000 troops of Boy Scouts under a plan to qualify at least two life-guards in each troop. During the past year 4,746 men, 3,374 women, 9,731 boys and girls successfully passed the rigid tests of the Red Cross—an increase of 5,331 over 1923. Intensive instruction is developing hundreds of qualified examiners for the Red Cross Life-Saving Corps, who supplement the teaching staff maintained by the national organization. The cause of water safety is therefore penetrating to new sections and eventually will cover all American territory.

Recognition of this Red Cross service for humanity is growing apace. At the request of the War Department every military training camp had life-saving instruction last summer. Municipalities have adopted the Red Cross course, public and private schools are offering it to students, business, civic and athletic organizations are promoting campaigns, and police departments are making it a part of the conditioning process for their recruits.

Volunteer life-savers throughout the country, the American Red Cross reports, are eagerly advancing the cause of water safety, 388 volunteers receiving medals for giving from 200 to 300 hours' service in two or three years. In addition 36 rescue bars to medals were awarded members of the Red Cross Corps who saved one or more lives during the year.

It is for the work and extension of life-saving that continued support through memberships is sought, and the American Red Cross urges all persons to join or renew membership during the enrollment campaign opening Armistice Day, November 11.

J. W. Yarbrough left Wednesday for Houston and other points in the lower country on a business trip.

Curtis Covington left for his home in Wichita Falls Wednesday, after a two-day visit with Mr. and Mrs. J. M. Roberts.

Contracts Let for 1925 Wool

San Angelo, Nov. 4.—Full six months in advance of shearing, 12-months' wool of the 1925 spring production is being contracted in West Texas from 40 cents to more than 50 cents a pound. This is believed to be the earliest that either long or short wool has ever been contracted in Texas.

Growers believe that it means one or a combination of three things; first, that the wool dealers in the East consider it a safe gamble that the Republicans with Coolidge will win the general election; or, second, that regardless of how the ballots are cast the wool market will be but little affected, with some time elapsing before any great tariff change; or, third, that based on supply and demand the wool is cheap at the price.

Contracting next spring's wool began only a few days ago. Hallowell, Jones & Donald and S. Silberman & Sons of Chicago were among the first houses in the market. Draper & Co., Boston, and S. W. Bridges & Co., Boston, were among the next to follow, it was reported, with indications that soon all firms will be offering contracts. The buyers are advancing \$1.50 to \$2 per fleece on wool contracted at 45 cents and up. In other words, a sheepman who contracts the 1925 spring long wool from 2,000 sheep, is receiving in advance \$3,000 to \$4,000. In contracting of long wool, ordinarily starting in February or March, the growers are advanced 10 cents to 15 cents a pound.

With short fall wool just sold as high as 55 cents in San Antonio, close on the heels of a record price of 53 cents here, the buyers appear afraid of the market and anxious to buy. The recent high prices show conclusively the demand for wool. The growers are in as much of a quandary, if not a greater one, than the buyers. A half dollar and more for wool not to be sheared for six months and an advance of \$2 per head on sheep looks mighty tempting. Some argue that since good prices have been received this year for wool all classes of sheep, the growers can well afford to sit steady awhile. Save in 1920, when the bottom dropped out of the wool market overnight on May 20, early contract prices seldom have been as high as those received later, both on the range and by the home commission houses.

A three years' drought in Central Australia, still unbroken, has contributed to the shortage of wool.

PRESERVATION OF GAME

A prominent Kerrville citizen was out in the country the past week on a business trip. While on his way back and after transacting his business with the ranchman the Kerrville man jokingly asked permission to kill a buck, stating that it was only a few days until the open season and pledging his word that he would quit hunting a few days earlier at the close of the season to make up for it.

The ranchman replied: "As far as I am concerned, you have permission to hunt on my land, but the deer do not belong to me. They belong to the citizens of the State generally, and you will have to get their permission before I will permit you to shoot them."

The above states the game laws of Texas in as few words as possible, in the opinion of The Sun. Wild game is common property of the citizens; also a common charge, each citizen being honor bound by his allegiance to the laws of the State to help preserve and foster the wild game for both this and future generations.

The game hogs of the past have ruined the wild game in some sections of the country, to such extent that many game animals and birds are now almost extinct, even in game preserves. Here in Southwest Texas the people are more fortunate, inasmuch as there exists a large amount of wild game and fowls. This supply will last indefinitely if the State and National game laws are lived up to; if not the next generation will see this section like many others—entirely bereft of a commodity that is bringing in thousands of dollars annually, to say nothing of the pleasure and recreation afforded local hunters and sportsmen. Help preserve the wild game.

Junction Eagle: From the last issue of the Coleman Times, we note that J. L. Tullis, former editor of The Kerrville Mountain Sun, but more recently of Weatherford and Eastland, has assumed the management of The Times. Mr. Tullis is at present editor of the Oil Belt News at Eastland, and will divide his time between the two places until the first of the year, when he will move his family to Coleman. He will be assisted in the new location by his son, E. W. Tullis, well known here, as he was with The Eagle for several months, a couple of years ago, and is one of the best boys we have ever been associated with. Earl will be business manager and has already assumed his duties. We wish for both, the greatest measure of success in their new field.

PRESBYTERIAN PEANUTS

St. Louis Post-Dispatch: Missionaries in foreign lands sometimes build better than they know. Just now comes out of China a piece of news that puts commercial somnolence from America about 25 years ago by missionaries, is said to enter into China's foreign commerce to the extent of millions of dollars annually. It is an engaging story. The Rev. Dr. Charles R. Mills, it appears, when working under auspices of the American Presbyterian Mission, was presented by a brother clergyman with two quarts of goobers from the Sunny South. Dr. Mills divided his gift with two of the native members of his church, stipulating that the peanuts be planted and after three seasons the product be distributed to other Chinese farmers for similar use. Evidently the natives liked our illustrious goober, for at the end of the first year it was discovered that one of the farmers had grown a sizable crop and given all of it. However, the other was faithful to his trust, and now the surplus peanuts for exports nets the Chinese growers a comfortably large total of cash. Many years ago the British introduced into China a little plant known as the poppy. Not long ago the Chinese government outlawed the poppy, which was of the opium-bearing variety and was, if not actually putting them to sleep, preventing most of the members of the Mongolian race from waking up to modern ideas. By introducing the innocuous and palatable peanut, one American missionary seems to have started something that works in exactly the opposite direction from that taken by the dope plant. This is one form of "penetration" in which America has proved superior to Great Britain. The Presbyterian peanut in China now takes care of itself.

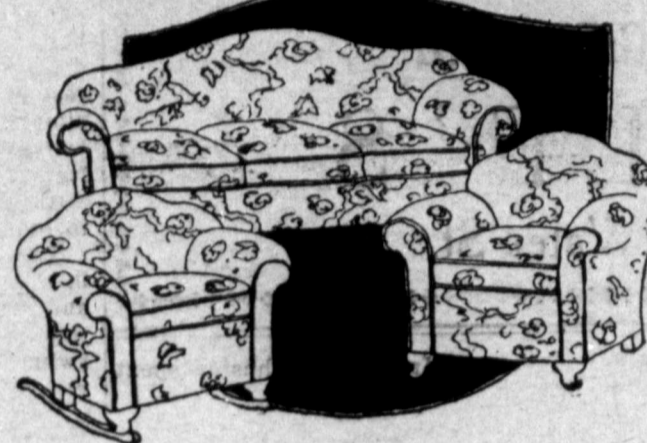

The making of paper with wood pulp first appeared on the census report of 1869. It revolutionized the paper industry of this country and since that time our output has increased eighteen times.

JUNIOR AMERICAN RED CROSS ARMY 5,596,663

Children of 29,942 Schools Now Enrolled in Movement of Service to Humanity.

The American Junior Red Cross which was organized as a children's auxiliary during war-times especially to help the young refugees in Europe, and to exemplify in peace-time the Red Cross ideal of service, has now a membership of 5,596,663 in the schools of the United States and the insular possessions.

This Junior movement gives opportunity for the children to share in Red Cross effort parallel to that of the parent organization. Juniors are therefore identified in varying degree with the health services, disaster relief work, salvage and other suitable activities of value to the operations of the Red Cross.

It is a valiant host marching on under its "I Serve" banner in the cause of happier childhood everywhere and particularly wherever the American flag flies. The enrollment embraces 29,942 schools and 147,434 school rooms, a gain over 1923 of 5,655 schools and 22,414 school rooms. The year's gain in membership was 769,402 children, or nearly 50,000 for each month of the school year.

The educational and social values of the Junior Red Cross movement is thus evidencing the firm and cordial endorsement of school authorities. The government has added the weight of recognition by extending the Junior Red Cross in the schools for American

CATHOLIC CHURCH NOTES

By Father Kemper

HALLOWE'EN PARTY

Spooks, goblins, bogies, ghosts, and witches held high revelry on the eve of All Saints Day at the home of Dr. Lawrence Gatz. By actual count, (for the spectators could be seen and heard), there were half a hundred weird and terrifying personages in that frolicsome rendezvous. A string of illuminated pumpkin heads directed the masked guests through the garden into the reception room. Here from the walls crouched black cats in every threatening attitude. In the electrolyzers hung streamers in black and orange.

Uncle Ben Denton sat in the musician's corner with his faithful old fiddle; and his son, Raymond, accompanied him with a guitar. This string duo kept the feet of the mysterious dancers shuffling to the tunes of ante-bellum days, and dispelled the evil sprites of a seeming haunted house.

Some of the guests devoted much thought and money to their make-up. All sorts of disguises intermingled and kept intimate friends in studied perplexity until Dr. and Mrs. Gatz threw open the dining room and the unmasked participants indulged in a luncheon of fruit drink and cookies.

The senior boarders of St. Mary's Convent, and many of the Notre Dame pupils were present in the regalia of their own fancy.

Meanwhile at St. Mary's Park, the care-taker, Mr. Farrish, kept a watchful eye on the well lit premises. When a midnight crowd of sixteen destructive lads tried to blockade a public thoroughfare it took very little persuasion on the part of peace officers to make them display their helpfulness in replacing all disturbed property. For their vigilance we commend and thank Messrs. Frank Michon, Massey and West.

Fire Inspection

On Wednesday of last week all the parochial buildings were examined for fire hazards by an experienced insurance surveyor. This inspector had been here eight years ago, and was amazed at the growth of Notre Dame. He praised the chemical engine, the approved hose connections, the handy extinguishers, the wiring and heating arrangements, and the sanitary condition of the entire grounds. The various safety devices at the Convent won his special approval.

The good work of Dr. Galbraith in pushing the street and sidewalk improvements of Main Street ought to be encouraged by every interested property owner, now that our booming town has caught the fever of dressing up in city style.

Miss Josephine Farrish and her sister, Betty, spent Halloween in the Alamo City.

Mrs. Sam Rebalais came back from Louisiana, not only with her own children but with the family of her brother, Willie J. Plauché.

Funeral of Joseph Michon

Beside the grave of his great-grandmother, Mrs. Andrew Hess, the infant son of Mrs. August Michon was buried on Friday of last week. The little angelic visitor was with us long enough to be baptized by his cousin, Mrs. Meta McCaleb, who had attended Notre Dame with the mother, and learnt her Catechism well. These adjoining sepulchers mark perhaps our oldest and youngest parishioners as well as the span that separates the pioneers from the present day congregation.

On Armistice Day Eugene King, war veteran, will be married to Miss Margaret Allen at Conception, Mo.

Tomorrow, at the First Friday devotion, the Foreign Mission cause will be remembered.

Services on Sunday will be held in St. Mary's Church at 10:15 a. m.

Three Masses were permitted on All Souls' Day, November 3. The second was for the deceased founder and benefactors of our parish schools. After the third Mass, read in the Mexican church, a procession wound its

How Many Hours a Day Pumping Water?

Just figure the time now spent in pumping and carrying water and consider that all of this could be saved by the use of a Delco-Light water system.

You would be free to devote your time to more important work. Ask me for details regarding the Delco-Light water system that you should have.

R. L. MANGUM
Phone 348
Kerrville, Texas

way to the Harper Road Cemetery, where prayers were offered for all the faithful departed.

Hunters' Arrival

For lovers of the big outdoors, Halloween meant visions of deer and wild turkey. Eager to bring home the first buck of the season, many visitors got an early start on All Saints' Day. Clarence Mosel came with some San Antonians to hunt on his father's ranch, but instead of taking venison with him, he left behind, as a present to his brother, a pedigreed shepherd dog. Clarence and his brother-in-law, Joe Dimick, have become radio fans and hear foreign countries long after the clock in the steeple has struck twelve.

Al Oldham, inspector of the K. of C. hospitalization and welfare work, paid a business visit to the Legion Sanatorium on Tuesday with Ben Newman of Fort Sam Houston.

Simon Burg of Stonewall was operated on for appendicitis at the Secon Hospital.

Dr. Thompson has recently enrolled Mrs. Winifred Mayo of Pittsburg, Pa., and Mrs. John Goodin of Lincoln, Neb. These distant localities clearly show how wide spread is the fame of our health resort and of Dr. Thompson's institution.

CHRISTIAN CHURCH

(By Member)

Our Bible School attendance was very much increased last Sunday, which of course was a great pleasure to us all. After a very interesting lesson on "The Prodigal's Return." We were entertained with a solo by Mrs. A. D. Arthur, who is here for a short time, her home being in Little Rock, Arkansas.

We are very sorry to say that Brother Hawkins has been called to Kansas, on account of the death of his father. Of course this will delay his moving to Kerrville somewhat, but we hope before long to have him and his family located here.

Our prayer meetings are still very enjoyable and we will be pleased to have anyone who so desires to meet with us each Wednesday evening at 7:30 o'clock.

Bible School each Sunday at 10 a. m., and we hope before long to have regular preaching.

CHRISTIAN SCIENCE

Christian Science Services every Sunday morning at 11 o'clock. Sunday School at 10:15 a. m. 933 Barnett Street

Card of Thanks

We wish to thank our friends for their sympathy and helpfulness during the illness and death of our father, A. L. McCord. RUSSELL McCORD and Sisters.

(Advertisement, 47p)

The chickadee often devours more than 450 eggs of plant lice in a single day. It also eats at least twenty caterpillars a day during the activity of these insects.

Japan has a land area of 147,000 square miles, or about one twenty-fourth that of the United States, while her population is 56,000,000 or one-half that of this country.

Weak Nervous

"I was weak and nervous and run-down," writes Mrs. Edith Sellers, of 406 N. 21st St., East St. Louis, Ill. "I couldn't sleep nights, I was so restless. I felt tired and not in condition to do my work. I would have such pains in my stomach that I was afraid I would get down in bed. My mother came to see me and suggested that I use

CARDUI

The Woman's Tonic

I felt better after my first bottle. I had a better appetite. It seemed to strengthen and build me up. I am so glad to recommend Cardui for what it did for me. I haven't needed any medicine since I took Cardui, and I am feeling fine."

Nervousness, restlessness, sleeplessness—these symptoms so often are the result of a weak, run-down condition, and may develop more seriously if not treated in time.

If you are nervous and run-down, or suffering from some womanly weakness, take Cardui. Sold everywhere. E-105

FIRST BAPTIST CHURCH

Rev. R. W. Merrill, Pastor

The pastor spoke to a crowded house Sunday morning. We were glad to welcome a large number of visitors, also a great crowd from the Methodist congregation. We give you, one and all, a glad welcome, come again. A part of the 5th chapter of Matthew was read for a scripture lesson, the text being the 14th verse, "Ye are the light of the world, a city that is set on an hill cannot be hid."

The pastor spoke again Sunday night to a large crowd, taking for a text the 24th verse of the 16th chapter of Matthew, "Then said Jesus unto His disciples, if any man will come after me, let him deny himself, and take up his cross and follow me."

We have prayer meeting each Wednesday evening. Last Wednesday evening we had a visitor, Brother Davis from Austin, who made an inspiring talk on "Have faith in God."

Why not the entire church membership at the prayer meeting? Come and get a mid-week blessing. After prayer meeting we spend a short while in choir practice. All the folks in the church who can sing are urged to be present. Use your voice in song to glorify the Savior.

Baptist Sunday School

Some few weeks ago we set as our goal 150 in Sunday school by Christmas, but we will have to HUSTLE and hustle in earnest if the goal is attained. All people, men, women and children, in and around Kerrville, who do not attend Sunday School elsewhere, are cordially invited to attend the Baptist Sunday School. We need you, and you need the Sunday School.

Senior B. Y. P. U.

The interest and attendance both are improving in the B. Y. P. U. The lesson for next Sunday evening is a study of "John's Vision on Patmos," as related in Rev. 2 and 6. All young people interested are invited. We begin promptly at 6:20.

Sunbeams

The Sunbeams of the Baptist Church enjoyed the presence of a few visitors last Sunday evening. We are always glad to welcome visitors. We wish the parents would take more interest in our Sunbeam work. The Sunbeams desire to have a part in the 75-Million Campaign work, so make the children glad by giving them a generous offering. We expect a large crowd of Sunbeams next Sunday evening at 2 o'clock.

LAST CALL ON THE BAPTIST 75-MILLION CAMPAIGN

Next Sunday, November 9th, the great Baptist 75-Million Campaign will be a thing of history. To the Baptists who are interested in the final success of this great missionary program, we make this final appeal. Pay all of your pledge you possibly can. To those who have made no pledge, we would say make an offering to the great cause of world-wide missions. To those who have come into the kingdom since the campaign was launched, we would say make a thank offering unto the Lord. And may it be truly said of all Baptists of Kerrville, they did their very best. May the blessings of the Lord be upon you all.

YOUR CAMPAIGN TREASURER.

The United States has an area of 3,026,789 square miles, which, combined with Alaska and her island territories, is slightly larger than the Sahara Desert.

RED CROSS RAISES \$10,000,000 IN 21 DAYS FOR RELIEF

Terrible catastrophes, such as the Japanese earthquake, prove the wisdom of the people in maintaining the American Red Cross as their national and international relief agency. The readiness of the Red Cross for duty in the greatest of emergencies was also proved by test.

The record shows: Sept. 3, President Coolidge assigns the duty of raising \$5,000,000 to the American Red Cross; Sept. 4, Red Cross Chapters in over 3,500 communities given fund allocations; Sept. 12, fund totals \$5,563,000; Sept. 17, fund nearly \$8,000,000 and President announces formal closing of campaign; Sept. 27, fund passes \$10,000,000 mark.

In 21 business days the Red Cross doubly performed the duty entrusted to it—all the while keeping a steady flow of relief supplies going out from many Pacific ports to the stricken areas in Japan. Thus was the confidence of the American people in their Red Cross justified and the wisdom of Red Cross preparedness to cope with an unprecedented relief emergency confirmed.

Statistics show that the world's consumption of timber is doubling every fifty years. Even in countries where wood is scarce it is increasing because the people are learning new uses for wood and becoming acquainted with those known in other countries.

A noted authority on whaling estimated that in 1853 as many as 30,000 gray whales were present on the California coast; during the period from 1919 to 1922 only one was captured there.

EPISCOPAL CHURCH

By Member

We are glad to announce that the Reverend F. W. Jones of Raymond, Mississippi, has accepted a call to this parish and we trust that he with his wife and two little girls will be with us in a couple of weeks.

Next Sunday the Reverend Hy Remsen will hold service and have a celebration of the Holy Communion at 11 a. m.

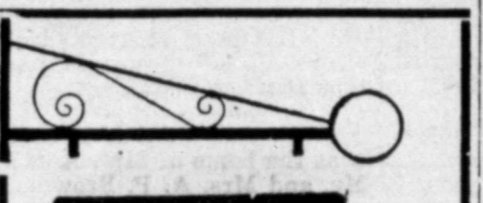

A visitor to the meeting of the Provincial Synod brought us the following practical suggestions from Mrs. Ledford's address:

First: Choosing a leader. We all know that about this time of year everyone is asking "Who can we have for our leader?" Mrs. Ledford's answer is exceedingly simple. Let every one pray earnestly that God will so guide the nominating committee that they will select the one that He has chosen. If we rely on His promise: "Ask and ye shall receive" the answer will be sure.

Second: Study classes should be held every week or every month for all women of the parish.

Third: Every effort should be made to send the leader to one of the Summer Conferences, and when she returns all should stand back of her, assisting her to put into practice the new ideas and plans with which she returns. Without this co-operation on the part of the members, the inspiration of the conference will prove fruitless.

Fourth: Sunday School work. Mrs. Ledford emphasized the great benefit to be gained by having an assistant for each teacher, this assistant to

HOW DOCTORS TREAT COLDS AND THE FLU

To break up a cold over night or to cut short an attack of grippe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseous Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried it say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasures. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the best-vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted.—adv.

NEW METHODIST MINISTER ASSUMES PASTORATE HERE

Rev. and Mrs. C. E. Wheat and two sons arrived from New Braunfels Tuesday evening and are now at home in the parsonage of the Methodist Church, the pastorate of which Rev. Wheat was assigned by the recent conference at Austin.

The new minister begins his active work with the congregation next Sunday, when he will preach at both the morning and evening hours. All other services of the church will also be held as usual.

The Sun welcomes this new family into the citizenship of the city and predicts for Rev. Wheat a successful ministry.

Your Money Buys More at

RAWSON'S DRUG STORE
The *Rexall* Store
Across the Street From St. Charles
TELEPHONE 37 - KERRVILLE, TEXAS

You'd Be Surprised to Know the Results a Want Ad in THE KERRVILLE MOUNTAIN SUN Will Bring.

Now my Bob likes my bob

The electric curling iron referred to in the story told in the next column is only one of a group of valuable standard articles that may be secured at much less than retail cost by the use of the advertising Coupons to be found in every can of Sunset Coffee.

The curling iron will be sent for two coupons and \$1.00 in cash. A dozen similar offers and full particulars will be found in every can.

The famous Sunset Plan for raising money for societies, religious, civic or fraternal is easy and sure. Look in the can for particulars.

"You remember how wild he was for me to bob my hair. And how pleased he was that first night when I came home with it beautifully curled? Naturally, that first curl came out and my hair was straight as a string. I'd have given anything to have had it long again, for I knew that with Bob buying into the business and paying for this house, and all, I couldn't afford to have it curled every day or every week for that matter. And while I knew Bob still loved me, it was plain that he didn't love my bob, when it wasn't curled.

"Mrs. Adkins next door showed me the way out. She told me about Sunset Coffee and the Advertising Coupons they pack in every can. I knew how particular Bob has always been about his coffee and I was just a little afraid to change brands for fear that the breach the uncurled bob had made, would be widened if his coffee wasn't just exactly right. For Bob's human, only more so.

"It came out all right tho. Bob liked the coffee fine and was surprised to know that it didn't cost any more than the kind we had been using. In a few weeks I had enough coupons, and the dollar it took, to get this electric curling iron. It only takes a few minutes two or three times a week to keep my hair all 'prettied up' and 'now my Bob likes my bob', and me.

"We are having better coffee than ever before, paying no more for it, and I'm saving the coupons now for an electric percolator."

THE PASSING DAY
 Will H. Mayes, Department of Journalism, Texas University

A startling report has been made as to health conditions in the Texas prison system to the effect that about ninety per cent of the prisoners are in need of medical attention which they do not receive and that a very large per cent of them are mentally abnormal. The report indicates that abnormalities and bad health are the causes of most of the crime in the State, and that the convicts are more in need of treatment than of punishment. Such a state of affairs is a blot on our modern civilization, but what are we going to do about it? We can't turn such characters loose on society, and they must be kept in confinement. The investigation showed that more than half of those now in prison are second or third termers, and if released they would soon be back in prison again.

A reading of the report suggests to the thinking mind that government is going to reach the conclusion before long that one of its prime duties is to keep the people well both physically and mentally. The whole practice of medicine may in time be revolutionized and physicians may come to be government employees with certain clearly defined duties to the public, such as sanitary and health instruction, the practice of preventive medicine, and the treatment at government expense of all diseases of the body and the mind. Just how such a system of medical practice may be worked out is difficult to see now, but it seems to be coming even though it may smack of paternalism. Every person has a right to be born well and to remain well, and in time we may decide that we have a claim against the government for such rights.

Some of us are wondering what this country is going to do with the Shenandoah now that it is ours, and just why it was purchased any way. Perhaps you have forgotten already that

the Shenandoah is that big elongated air bag that was made in Germany for this country. If you have not forgotten it, you will before it is ever of any special use to this country. With the improvement now being made in aircraft it will be out of date almost before it can cross the country again, and something better and faster will take its place. For any practical use the Shenandoah seems to be worth about as little as our claim against the German government is worth just now.

Each of the parties is claiming that the others have spent entirely too much in the presidential campaign, and each is right about it. It is a travesty on our form of government that we waste so much money in determining who is the choice of the people for president. The votes of that population that has to be awakened to the fact that an election is on and persuaded to go to the polls to vote for the side that makes the biggest demonstration are not worth much to a government. The only purpose for which money can be legitimately used in a campaign is to inform the public as to the issues, and campaign money is seldom used to any great extent for that purpose. Most of it goes into noisy demonstrations or very empty speeches that are anything else but informational to the average voter.

Texas people are not giving enough attention to the establishment and maintenance of county libraries. The lack of interest in the county library movement indicates that the people do not read books to any great extent, for it is known to every one that in most country and town homes books are regarded somewhat as a luxury. Texas needs to keep pace with the rest of the country in the cultural growth of the people, and this cannot be done unless the masses become

readers of books. Since they do not and will not purchase them to any great extent, the needful thing is to get books to them through public libraries. Those who interest and entertain themselves by reading books are not only gaining useful information and culture, but they busy themselves less with trivial and harmful entertainment.

Most of those who have been freely predicting election results are now busily studying explanations as to why their predictions were not sustained. Even if people all voted as they talk and were as enthusiastic at the polls as at public speakings, it would still be a difficult thing to figure out election returns in advance, but to predict results on the basis of the noise made or the newspaper reports of the crowds at public speakings tends to put one in the class of "dumb-bells."

DANGERS OF A COLD

Kerrville People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness and disordered kidney action follow. Don't neglect a cold. Use Doan's Pills at the first

sign of kidney trouble. Follow this Kerrville resident's example: Frank Michon, City Marshall, Broadway, says, "My kidneys were out of order and every time I got wet or took cold it settled on my kidneys. I had a soreness and a dull ache in the small of my back that worried me, and my kidneys didn't act right. I used Doan's Pills bought at the Rock Pharmacy and they soon fixed me up in good shape, the backaches left and my kidneys were regulated."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Michon had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. (Advertisement)

**STATE OF TEXAS LEADS COUNTRY
IN OUTPUT OF WOOL AND MOHAIR**

**A Few Figures About What Is Rapidly
Developing into the Greatest In-
dustry in the State.**

San Antonio Light: From the rolling spaces and pasture lands of the Southwest, where the ranges stretch out as far as the eye can see, meeting a metallic blue sky which encircles everything like the rim of a huge bowl, a golden stream of money is flowing into San Antonio coffers.

Peak prices and a fine production of wool and mohair will enrich West Texas stockmen this year by more than \$15,000,000.

Texas is now the leading State in the United States in wool and mohair production, according to buyers here.

Practically all of the wool and mohair comes from ranches in San Antonio's trade territory, so to speak. West of here the sheep and goat raising industry is at its best.

Yield Is Large

The crop this year is estimated at from 28,000,000 to 30,000,000 pounds of wool and mohair. Of this, about 21,000,000 pounds is wool.

The fall clipping season, September, October and November, will produce about 3,500,000 pounds of mohair, according to estimates. There will be about 4,000,000 pounds of wool.

The spring clipping season produced about 3,500,000 pounds of mohair and 16,000,000 pounds of wool. Prices this year in mohair are higher than at any time in the last 10 years, buyers declare, quotations being about 67 cents. Not only that, but the present mohair crop has already been sold, the last sale taking place about two weeks ago.

Texas Leads

Wool is selling from about 40 to 45 cents, only 400,000 pounds remaining to be sold.

The total production of the United States is about 225,000,000 pounds of wool annually, so Texas plays an important part. It plays an even greater role in the mohair production, outstripping all others.

This will be the biggest year in many years, Boston buyers here declared. The hoof and mouth disease will not affect the wool and mohair shipments, as these are sent to Galveston and from there shipped to Boston mills, no embargo being placed.

The spring clipping season, April, May, June and July, hung up quite a record, and the fall season kept up the pace, so that production this year exceeds last year's by about 2,000,000 pounds, the total for 1923 being 26,800,000 pounds.

Industry Young

The wool and mohair centers of Texas are Kerrville, San Angelo, Del Rio, Uvalde and Mertzon, beside a few minor points. Kerrville hung up quite a large sale a short time ago, 800,000 pounds of wool being sold.

The significant fact of the wool and mohair industry, stockmen and buyers point out, is that it is always increasing. Texas was not the leader in United States production a few years ago, the industry being comparatively young.

There is still more room for growth, stockmen say, and the sheep and goat industry bids fair to rank with cattle as one of the main businesses of the Southwest.

Barber Shop Rules

Childress Index: For the past forty years women barbers have endeavored to break into the profession, but without much success, but during the past few months the women have broken

into the business in another way, being customers at that, but so far they have not learned the rules and old-time courtesies attached to the trade. Men do not loaf around a barber shop, especially on a busy day and Saturdays. Three or four men do not go to a barber shop to wait while one man has his work done, but the ladies will go in bunches, according to the barbers, and in many instances cause other customers to go by the shop on the belief that the shop is crowded with customers and work cannot be given soon.

These are little things, but the barbers say it is injuring them at times, especially on Saturdays.

**CITATION ON APPOINTMENT OF
TEMPORARY ADMINISTRATOR**

THE STATE OF TEXAS
To the Sheriff or any Constable of Kerr County, Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Kerr County, a copy of the following notice:

THE STATE OF TEXAS
To all Persons Interested in the Welfare of the Estate of John Taylor Canafax, Deceased:

Bess Hammond Canafax was by the County Court of Kerr County, Texas, on the 25 day of August, A. D. 1924, duly appointed Temporary Administrator of the estate of said decedent, which appointment will be made permanent should the court be of the opinion that a permanent Administrator is necessary, unless the same shall be successfully contested at the next term of said Court, commencing on the first Monday in November, A. D. 1924, the same being the 3rd day of November, A. D. 1924, at the Court House thereof, in Kerrville, at which time all persons interested in the welfare of the estate of said decedent

may appear and contest such appointment if they so desire.

Herein fail not, but have you before said Court, on the said first day of the next term thereof, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Kerrville, Texas, this 14th day of October, A. D. 1924.

JNO. R. LEAVELL,
Clerk, County, Court,
Kerr County, Texas.
By A. D. HARTMANN,
Deputy.

**ROUNDTREE & HOLDER
SELL CONFECTIONERY**

The first of the month S. C. Thorson assumed charge of the confectionery and bus stand on Water Street formerly owned by Roundtree & Holder. The former owners have moved their auto stand to the St. Charles Hotel.

Mr. Thorson is running a city service car from his place of business, besides using it as a station for a Legion line.

In addition to the auto business, the new owner is stocking the confectionery with a full line of fountain drinks, fruits, newspapers and magazines and tobaccos, besides having a shine stand

available for the convenience of his patrons.

Ten boys and their fathers met at the Reservation School House last Friday night just before the Halloween entertainment and organized the Reservation Boys' Sheep Club. Monroe Kensing was selected as club leader, with the following members: Levi Kensing, Rollie Peril, Hilmar Leyendecker, Victor Marshall and Elmo Klein. Other boys are expected to join later. Some of the boys already have good sheep to start their project with, and five of more of them expect to buy five good registered ewes each to start with. The first and third Fridays in each month was decided upon as their regular meeting days.

The Economy of the Best
The economy of using the best possible materials is made apparent in the upkeep problem. A house or business building may be "thrown together" with cheap material and it may "look all right," but after it's stood the shock of weather, the real test comes.
Long ago we learned that it is false economy to use poor materials and we so advise everyone who buys of us. Our success is due to honesty in materials and prices.

HUNT HAPPENINGS

Born to Mr. and Mrs. J. V. Baldwin, a fine boy. Mr. and Mrs. Beal Taylor spent Monday in Kerrville. Mr. and Mrs. W. H. Page made a business trip to Kerrville Monday. Mr. and Mrs. Byron Crider made a business trip to Kerrville last Wednesday. Mr. and Mrs. W. C. Schumacher were guests of Mrs. I. W. Zumwalt last Sunday. Mrs. Foss Merritt and sons, Bill and Raymond spent the day in Kerrville Monday. Mrs. E. Ott and Miss Nelda Brown of San Antonio spent Sunday with Mrs. J. J. Sublett. Miss Clara Dollahite of Johnson City was the week end guest of her cousins, Emmett Redford and Miss Lois Marshall. Miss Velma Davis left for San Antonio Friday, where she will enter the Draughon's Business College. Obie Griffin is also attending business college at that place. Miss Mable Hardin is attending school at San Marcos this winter, and those from Hunt who attended summer normal at that place the past summer are Misses Icie Griffin and Bertha Sublett. Both of these young ladies did splendid work and are preparing to go again. Miss Icie Griffin, the daughter of Mr. and Mrs. D. S. Griffin, entertained the young folks with a Halloween party last Friday night. The room was beautifully decorated with black cats and jack-o'-lanterns. Games were played and prizes given to the best player. Miss Bertha Sublett won first prize in every game, but everybody had a most hilarious time and wishes for Miss Griffin to entertain again soon were expressed by many.

INGRAM ITEMS

John Allen of Grape Creek was a business visitor here Friday of the past week. L. F. Hall of Driftwood was here Sunday shaking hands with the Littlefield cousins of his. Mrs. Gus Kaiser of Mountain Home community was a business visitor here Friday of last week. Mr. and Mrs. Claud Reagan and children of Waring were week end guests of Mrs. Joe Denton. Mrs. John Ellis of Corpus Christi was the week end guest of Mrs. Georgie Peters and daughter. Mrs. Susie Ragland of Mountain Home community was a pleasant caller at Ingram Telephone Exchange Wednesday. Mr. and Mrs. J. W. Denton, who have been visiting in Waco, arrived Friday and will resume their travels out West shortly. Mr. and Mrs. Alf Colbath entertained the youngsters Friday night with a Halloween party. All report having had a fine time. Mr. and Mrs. Chas. Rodgers had as their guests the past week end, Mrs. Watson of Kerrville and her son, Arthur, of San Antonio. Mrs. Elmo Staudt left Monday for her home in Rocksprings, after a few days' visit with her parents, Mr. and Mrs. Leroy Fessenden. Miss Ida Archer had the misfortune to break her arm last Sunday, while cranking her car. The arm is still quite painful to her. Mr. and Mrs. Guy Colbath and son, Jack, of South Fork Ranch were Friday night guests of Mr. and Mrs. A. L. Colbath, on Indian Creek. Mrs. T. A. Brothers left Thursday of last week for her home in San Antonio, after a three weeks' visit with her parents, Mr. and Mrs. Green Lackey. Mrs. Dick Dowdy returned home Thursday, after a three-weeks visit in San Antonio, and was accompanied home by her children, Mr. and Mrs. Charles Dowdy. Born to Mr. and Mrs. Vander Baldwin Monday, November 3, a son. Mr. and Mrs. Baldwin reside above Hunt, but have friends and relatives here, who extend congratulations and best wishes to the happy parents. Mr. and Mrs. W. T. Hill of Comfort, Mr. and Mrs. Guy Colbath and son, Jack, of South Fork Ranch, Mrs. Ruby Kendall and son and daughter, Claud and Miss Edna, of Mountain Home were visitors here Sunday afternoon.

MOUNTAIN HOME ECHOES

Frank Hatch went to the Divide Monday. N. E. Estes left Tuesday for San Antonio, to be gone several days. Richard Hubbard is looking after Mrs. Ragland's ranch this week. Sebird Henderson came home from Austin to spend the week end with home folks. Quite a number of hunters have been successful in killing turkeys and deer this week. Carlton Eddins spent the past week end with Gerald and Otis Hatch at their ranch on the Divide. Little Junior Hatch, Jack Estes and the Oehler family have been on the sick list the past several days. Mr. and Mrs. J. R. Heffernan left Wednesday morning for San Antonio, where they will transact business. August Doell and wife stopped at Mountain Home en route to Roosevelt, where Mr. Doell's mother, Mrs. Tierce is quite sick. Rev. N. U. Stillman and wife of Midland visited his sister, Mrs. T. A. Duderstadt, and family, on his return from annual conference. Mr. and Mrs. J. W. Denton returned from their visit to Waco and will remain a few days in this community, before leaving for California. Mrs. Ragland and daughter, Miss Didia, spent several days visiting relatives in Corpus Christi, and enjoying a feast, on the Coast, of oysters and fish. Mrs. Edgar Oehler was surprised Saturday, when her brother, D. H. Page, and wife of Austin, arrived for a visit. Edgar and Mr. Page spent Saturday and Monday hunting. A large crowd attended Sunday School last Sunday. Brother Willman preached his farewell sermon at 11 o'clock, and Rev. J. E. Cumming, our next pastor, preached at 2 p. m. Mrs. Ragland and Miss Didia, her daughter, have gone to Rocksprings to visit Mrs. M. M. Wells. Marvin Crenshaw drove the car for them. Miss Ann Saunders, who has been a guest of the two former mentioned persons, accompanied them to Rocksprings.

TURTLE CREEK CHIT-CHAT

Mr. and Mrs. B. N. Roberts were calling on the James ranch on business last Wednesday. Harry Williams and Mr. and Mrs. Tot Love were business visitors in San Antonio last Monday. Mr. and Mrs. Oscar Strohacker had as week end visitors Mr. and Mrs. Albrecht and baby of Comfort. Misses Nellie Anna and Emma Strohacker and August Albrecht attended the Halloween party Friday night. Mr. and Mrs. Vic Stevens and baby of Camp Verde visited their parents, Mr. and Mrs. B. F. Denton, Saturday and Sunday. Mr. and Mrs. Wm. Fleming and baby, Ruth, Clarabelle and Jack Barton were Saturday afternoon shoppers in Kerrville. Mr. and Mrs. Victor Durham and mother, Mrs. P. F. Durham were pleasant callers at Sunny Slant ranch one evening last week. Mr. and Mrs. A. K. McDowell gave the young folks a Halloween party last Friday night. They all reported a very enjoyable time. Miss Dorothy Stubblefield spent the past week end and election day with her parents at Legion and with Mrs. Goss below Legion. Misses Thyra and Hazel Morrison and Dorothy McDowell, Patrick McDowell and Clarence Morrison were Thursday evening visitors of George Arthur Lamb. Mr. and Mrs. Henry Barton and Mrs. George Lowrance of Center Point spent the week end in San Antonio, shopping and seeing the polo

JULIUS REAL ELECTED TO STATE SENATE TUESDAY

(Continued From Second Page) When it is conferred by an overwhelming choice of the American people and the vote of the electoral college, these are made all the greater. I can only express my simple thanks to all those who have contributed to this result and I am deeply indebted to those who have brought to pass through work of a Divine Providence, of which I am but one instrument. Such powers as I have I dedicate to the service of all my country and all my countrymen. In the performance of the duties of my office I cannot ask for anything more than the sympathetic consideration which my fellow Americans have always bestowed upon me. I have no appeal except to the common sense of all the people. I have no pledge except to serve them. I have no object except to promote their welfare.

REPUBLICAN VICTORY IS GENERAL IN U. S.

New York, Nov. 5.—As returns from the States continue to roll in today, they served only to swell the tide upon which Calvin Coolidge is riding to an overwhelming victory over his two opponents in the 1924 Presidential contest. Eight States, all of them in the West, still were in doubt at mid-day, but the President had a lead in seven of them, including Minnesota, North Dakota and South Dakota, which followers of Senator Robert M. LaFollette had expected to give the independent candidate their electoral votes. John W. Davis succeeded in capturing certainly only States generally reckoned irreducibly Democratic. Even at that, he lost Kentucky, on the face of the incomplete returns, although Cox had carried it against Harding in 1920. The same returns indicated that he had brought back into the Democratic fold two of the States taken away from Harding, Oklahoma and Tennessee. Senator LaFollette, although polling a popular vote of about 4,000,000 which approximates Roosevelt's total when he led a third party movement in 1912, was assured the electoral vote of only one State, his own, Wisconsin. Roosevelt captured 88 electoral votes in 1912—enough to defeat his Republican opponent, Taft, and elect his Democratic adversary, Wilson. It was estimated that Coolidge polled 18,000,000 popular votes—2,000,000 more than were given Harding. Davis is estimated, had 8,000,000, as against 9,000,000 for Cox. More voters trooped to the polling places and dropped their ballots yesterday than ever before in the history of the Nation.

EARLY RETURNS DEFEAT WALTON IN OKLAHOMA

Oklahoma City, Nov. 4.—Early figures from all sections of the State, but principally from towns, indicate an easy victory for W. B. Pine, Republican, for the United States Senate. His majority over J. C. Walton, Democrat, is sweeping in the larger towns. Tulsa reported for Pine, 214 and Walton, 24. Six Oklahoma City precincts had counted 906 for Pine and 46 for Walton. Enid reported 368 for Pine and 11 for Walton. Walton undoubtedly has suffered losses in country precincts where the Democratic party has for years received its heaviest vote. No reports had been received during the afternoon on the race for President. Democratic leaders who have analyzed the process of "scratching" during the day predict that Davis has carried the State by a substantial majority. Republican leaders have not expressed themselves. The Pine plurality in the first congressional district is expected to carry Montgomery, Republican, into Congress. Tulsa reports say that a majority of negroes are voting for Walton. Pine is dividing the negro vote with Walton in Oklahoma City.

COOLIDGE FAR AHEAD IN ELECTORAL RETURNS

Table showing electoral returns for Coolidge, Davis, and La Follette across various states including Alabama, Arizona, California, Colorado, Connecticut, Delaware, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maine, Maryland, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, West Virginia, Wisconsin, and Wyoming. Totals: Coolidge 343, Davis 136, La Follette 13.

UNOFFICIAL VOTE IN TUESDAY'S ELECTION

The following unofficial returns of the vote in Kerr County contains only the most important offices in the county, where there was a contest. Outside the Governor and State Senator races the balance of the State ticket is omitted from these tabulations. Commissioners in Precinct Nos. 2 and 3 are not tabulated for the reason total votes were not in on these races when The Sun went to press.

Table showing unofficial vote returns for Governor (Miriam Ferguson, Geo. C. Butte), State Senator (T. H. Ridgeway, Julius Real, Wm. A. Black), County Judge (R. V. Nichols, Lee Wallace), Sheriff (T. A. Duderstadt, J. T. Moore), Tax Assessor (Geo. E. Meeks, W. G. Peterson), Com. Pre. 1 (Ally Beitel, B. F. Denton), Constable, Pre. 1 (John Massey, W. S. Patton), Hy. Staudt, Com. Pre. 4 (Roy Littlefield, J. A. Peril).

TIVY FOOTBALL TEAM DEFEATED COMFORT 38-0 FRIDAY AFTERNOON

Speed and Team Work of Local High School Makes Them Easy Victors Over Visitors.

Playing with snappy teamwork and dazzling speed, the football team of Tivy High School easily outplayed the Comfort High School team on the Tivy gridiron Friday afternoon. The final score was 38-0 and would have been considerably more had not Coach Moses sent in a bunch of substitutes when he saw he had the game sewed up. This prevented the locals from piling up a much larger score, but enabled the Tivy mentor to give some of his prospects for next year's team a little experience.

The Comfort boys played good football and displayed real sportsmanship throughout. With a little more experience they will make a formidable opponent for any high school in this section of the State. The score showed Tivy made four touchdowns in the first half; two in the third quarter and none in the last quarter. In fact when the whistle blew announcing the end of the game Tivy was backed up against their goal line with the ball in Comfort's possession and a touchdown for the visitors eminent.

Floyd was the star of Tivy's game by reason of his ability to run the team and his work at passing. He passed 20 yards to Radcliff during the first half and got away 50 yards for a touchdown. Pedro completed another pass to Secor that netted 50 yards. Radcliff, Garrett and Osborne also showed up well in carrying the ball. Inscore played a great game at tackle.

All the regulars of Tivy squad who were conditioned in the monthly examinations were back in the game having made up their credits in the studies in which they were deficient.

TIVY (38) COMFORT (0)

Beard	Position	Kutzer
Inscore	Left End	E. Flach
Hardin	Left Tackle	H. Flach
Morris	Left Guard	B. Stiehler

Osborne	Right End	Meyer
Lloyd	Left Half	R. Stiehler
Radcliff	Quarter	Bergmann
Garrett	Right Half	Seidensticker
	Fullback	

Substitutes: Tivy—Parsons, Weiss, Johnston, Beasley, Ewing, Schmerbeck, Canfield, O. Hatch; Comfort—Codrington. Officials: Referee, Campbell (Southwestern); umpire, McMillan (A. & M.); head linesman, Hemschel (Tivy).

RED CROSS ROLL CALL TO BEGIN NEXT WEEK

(Continued From First Page) have been turned in by the local secretary. Since the opening of the office in Kerrville \$743.61 have been received from the Southwestern Division of Red Cross at St. Louis, Mo. This money is used for carrying on the local relief work, office expenses, etc., and is created into a revolving fund, to be loaned in cases of need, the loan being repaid as soon as the borrower is in a position to do so, then it is loaned again to other needy persons. A total of \$1,540.56 has been handled by the secretary and of this amount \$115.50 was loaned for railroad fare, the balance being spent in Kerrville for living expenses of the ex-service men and their families.

(Continued From First Page)

ish room of the Episcopal Church to discuss the matter fully. A general discussion was entered into relative to the Kerrville Telephone Company increasing its rates commensurate with the increased investment necessary to pay for installing an up-to-date modern central system in this city, the rates to be effective after the system is completed. This proposition came up by reason of the Chamber of Commerce requesting Mr. Comparette to estimate the cost of installing such a system, in order to better the service in the city.

After Mr. Comparette had outlined the plan of contemplated improvement T. C. Johnston presented some interesting figures taken from an audit of the company's books, showing the investment and the per cent of profit thereon under the present system, also the percentage that would be derived from the new system under the proposed rates of \$4.50 for business phones and \$2.75 for residence.

After a general discussion of the proposition a committee was appointed to go fully into the matter and report back to the next membership meeting, with recommendations for the guidance of the body.

J. C. Yeary, County Agent, reported that it was now possible to ship dressed poultry, fruit, vegetables and fruit trees, from the county under proper inspection and regulation, owing to lifting of part of the embargo restrictions placed by other States because of the hoof and mouth disease in East Texas. He also reported briefly on the boys' club work in the county and thanked the Chamber of Commerce for financing the sending of the winner in this class of work to the State Fair.

Ben Smith urged the proposition of allowing the secretary the two weeks vacation granted her at the beginning of the year, stating that this season of the year was probably the best time for all concerned to permit her absence from her post of duty. It was voted to allow her the vacation, beginning with the 13th and ending with the 28th of this month.

After several visitors of the evening had been introduced and given an opportunity to respond the business session was closed for the purpose of partaking of refreshments provided by Ally Beitel, W. E. Saenger and E. H. Prescott. These refreshments consisted of wienies baked in hot buns, pickles, near beer and coffee—a typical man-devised menu, and one that apparently met with the hearty approval of those present.

and Bread.

The foundation food—

When you think of all the rich, toothsome delicacies we offer you, don't forget Bread—the staff of life.

Light as a feather, delicately browned, with soft, tender texture, our Bread is of the same high quality as the cakes, pastries and sweet-rolls we sell.

MOUNTAINEERS LOST TO HEAVY BROOKS FIELD TEAM SATURDAY

Crippled Schreiner Team No Match for Former College Stars—Final Score 40 to 7.

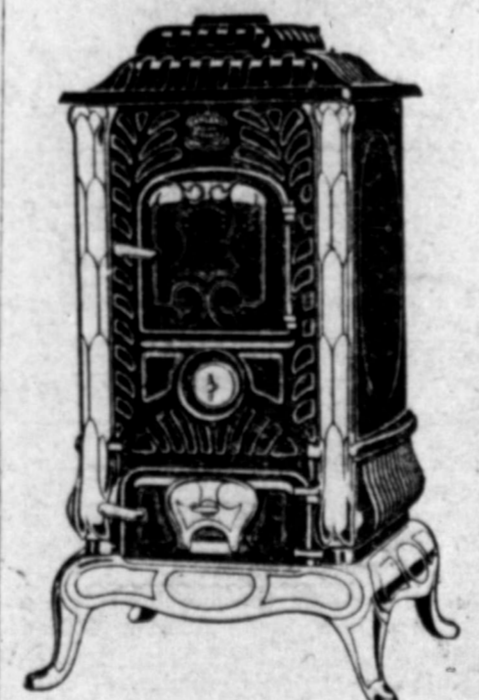

With several first string men laid up with injuries and others in the line-up unable to display their usual brilliance because of injuries, Schreiner Institute lost to the heavy Brooks Field Aviators at San Antonio last Saturday by a 40-7 score.

Brooks Field kicked to Schreiner and Dietert made a first down around right end on the first play. Andrews completed a pass for another Schreiner first down and the play was followed by three successive fumbles in midfield. Schreiner fumbled to the Flyers first, Brooks Field fumbled in its turn and then the Kerrville eleven lost the ball again on account of butler fingers. Brooks Field made a first down through the line in easy fashion but later kicked, Schreiner getting the ball on the 20-yard line. Edwards made an eight-yard gain but Schreiner had to kick and the punt went high and short. Ives plunged through the line for repeated gains but Dietert of the Institute recovered a fumble. Tenney was thrown for a loss just as the quarter ended.

Quesada, Brooks Field quarterback, returned a punt 30 yards early in the second quarter, which was replete with brilliant plays. A first down followed and Ives plunged over for the first touchdown of the game. Quesada kicked for extra point. Later in the quarter Ives made a 30-yard gain around left end and Smith carried the ball over. Quesada's kick fell short. Schreiner pulled one out of the most brilliant plays of the game upon receiving the kick-off. The ball was passed to J. Moore near the sidelines and he returned the ball 65 yards in a sensational run. A pass to Dietert was good for a touchdown. Schreiner chose to receive and started a bewildering aerial attack that was very successful. Dietert, Schubert and Moore were on the receiving ends of these passes which brought the ball near the Brooks goal where Lawrence intercepted another aerial attempt. Lewis completed a pass for Brooks Field and Smith raced around right end for 25 yards as the first half ended.

Quesada plunged over for a touchdown in the third quarter but his run for point was stopped. McGee completed a Schreiner pass in a new aerial offensive for a first down but Ellerbrock stopped the drive by intercepting the next pass. Ives plunged and received a pass for successive first down and Ent also made a first down for the Flyers. Smith made a first down with a long end run and Quesada completed a pass for another first down. The period ended without further scoring.

Schreiner was well worn down by the fourth period as Brooks Field used numerous reserves and the Flyers succeeded in scoring three touchdowns. Lawrence plunged over for the first one early in the quarter and Quesada kicked goal. White made the only touchdown of a fluky nature by snatching a ball in the Schreiner backfield as it was about to be passed and galloped 30 yards to goal. Quesada again kicked goal. He received the kick-off and returned it 35 yards and Smith gained but Brooks later was forced to punt. A Schreiner passing game was broken up and Lawrence made the last touchdown near the end

of the game. Smith kicked goal, making the final score 40 to 7.

Flory, Edwards and Moore were the heroes of the Schreiner attack in the backfield, while Dietert played a game at end that scarcely was equalled by the performance of any other linesman on the field. Andrews played a good game until injured and taken out.

Schreiner is resting this week end in anticipation of the battle they expect next Tuesday, when as a part of the Armistice Day celebration they play the University Freshmen. It is hoped that all the regulars will be in shape by that time to take their place in the line-up. Whether they are or not, the Mountaineers are going to give the Freshies the battle of the season. Last Saturday's line-ups: Brooks Field (40) Schreiner (7)

Donaldson	Position	Dietert
Harper	Left End	Tenney
Solso	Left Tackle	Wolfmueller
Partridge	Left Guard	Rawlings
McGinley	Center	Merriman
Davidson	Right Guard	Andrews
Scnaeffe	Right Tackle	Schubert
Quesada	Right End	Laughlin
Ives	Quarterback	J. Moore
Balentine	Left Half	Edwards
Ent	Right Half	Flory
	Fullback	

Substitutes: Brooks Field—Smith for Balentine, Lawrence for Ent, Ellerbrock for Solso, Ingalls for Ives, Lewis for Donaldson, Ely for McGinley, Kyle for Balentine, Ent for Lawrence, Smith for Ives, White for Donaldson, Jacob for McGinley, Whitson for Quesada, Riley for Lewis, Bankert for Davidson. Schreiner Institute—Boykin for Andrews, Jobe for Boykin, McGee for Flory, Boykin for Jobe, Windrow for Moore, Andrews for Boykin of Andrews, Jobe for Boykin, Flory for Windrow.

Officials: Referee, Wood (Ohio U.); umpire, Fisher (Missouri); head linesman, Fischer (West Point).

The president of the American Legion Auxiliary wishes to announce that the rummage sale to have been held this week in San Antonio has been postponed and that anyone having articles to donate for this event will still have time to send them in. Those having clothing or other salable articles for this cause will please telephone Mrs. C. C. Mason, telephone 380.

Mrs. H. Weiss, Mrs. H. Y. Swayze, Mrs. R. Holdsworth and Miss Edna Henke returned last Friday from Galveston, where they had been to attend the Grand Chapter of the Order of the Eastern Star.

Groceries of Quality

Which is cheapest—a peck of potatoes of inferior quality, whose only redeeming quality is the price, or a peck that costs a few cents more, but which contains only choice, first class spuds, which will go twice as far as the cheaper variety?

That is the basis upon which we are building up our grocery business. We buy only the best of goods in all lines and if articles are not first class in every respect we will not put them on sale, for we are convinced that quality is the only true criterion by which to judge groceries. We even buy our canned goods in small quantities—by so doing we pay a little more for them but our customers are assured of fresher goods by reason of this method of buying. We carry the best line of fresh fruits and vegetables to be found in Kerrville. If you are looking for cheap goods go elsewhere, but if you are practicing true economy and want the best groceries for the money, we solicit your patronage.
