ODELL TYPE WRITER CO., 85 and 87 5th Ave. CHICAGO. TLL. AT LAST!

The long expected illustrated History of Utah by the eminent historian, Huber H. Bancroft, has at last appeared. It i absolutely a revelation. After visiting NEW MEXICO. the field in person, taking testimony impartially from all sides, critically review ing the enormous number of 1000 different authorities, and searching many of the secret achieves of the Mormon Church, Mr. Bancroft now gives to the world this wondetful and remarkable work, the only true history of Mormon-

> The work reads like a romance—the wonderful adventures of trappers and travellers, the bloody Indian wars, the thrilling accounts of massacres and miraculous escapes, the famous Danite Association or destroying Angels, the story of Brigham Young—all this fresh from the pen of the brilliant and glited author, forms a narative of exciting interauthor, forms a narative of exciting interest, as fascinating as a novel, yet true to the letter. Above all in surpassing interest is the unfolding of the great Mormon Question and the mysteries of Polygamy which will be read with equal interest by all classes of people throughout the English speaking world. The work is published in one large handsome volume of over 800 pages, bound in red and gold and grandly illustrated with steel plate portraits of the great Mormon leaders, exquisite the half tone engravings and dazzling colored plates. It is issued by the great Publishing House of the Pacific Coast, the History Co. of San Francisco, and can only be procured through their authorized agents. We call attention to the advertisement in another column, under the heading of \$25.00 Reward.

Bonanza for Agents. THE CHILD'S

- INTRODUCED BY

Rev. J. L. HURLBUT, D.D.

THE FAMOUS CHAUTAUQUAN DIVINE.

The wonderful story retold and adapted The wonderful story retold and adapted for the young. A grand and realistic panorama of the scenes and incidents connected with the Savior's life from Bethlehem to Cavalry, taken from the highest authorities—Canen Farrar, of Westminister, Dean Stanley, Dr. Geike and many others equally eminent—indexed by the leading always in both England and eading clergy in both England and merica as the very finest work of the kind for the young ever written.

A WONDERFUL BOOK.

A union of pure, exciting and deeply interesting narrative, combining the thrilling interest of the Bible's story with a description of the curious customs, strange countries, and remarkable incidents of the time, magnificently bound in one large quarto volume, over 750 pages, 814x1034 inches, equal to 1,500 pages of the usual size book, printed on finely calculated paper from large type made experience. endered paper from large type made ex-pressly for this work; over 300 beautiful engravings drawn by ading artists, and representative of cenes and incidents in the Savior's life also a number of exquisite lithographic plates printed in nine different colors— with handsome presentation sheet. The superb work of the kind in the world.

AGENTS WANTED Everywhere, either sex, young or old it every town, to sell this most wonderful book. Agents already in the field are simply coining money. Old experienced agents say there has been nothing like it for years. Act quick or the opportunity will be lost. You can easily make

From \$5 to \$25 a Day

To save time and secure an agency at once send \$1 for a complete canvassing outfit. Illustrated circulars and extra liberal terms mailed free upon applica-tion. Neither experience nor capital is required to engage in this business, as the book will sell itself if properly presented, and we give our agents 20 day's time in which to deliver and collect before paying us. YOU SHOULD TAKE THE LINCOLN

INDEPENDENT

Because

It is published at the county seat of the largest county in the world, and is the only paper published at said county seat.

Because

It is the official paper of the county, and to keep posted in everything pertaining to county matters you must take it.

Because

It is the largest paper in the county, and publishes more genuine fresh reading matter than any other two papers in the county combined.

Because It may save you many dollars by keeping you posted on all legal and land adver-

tisements. 5

Because

It is the only paper in which will be published all the county estray notices quired by law to be published in a paper at the county seat.

Because

It is neatly printed and you therefore are not obliged to put on a pair of spees to read part of it and guess at the rest.

Because

It is a wide-awake, pregressive, independent county newspaper, and will be worth many times its price every year

Because

If you live in Lincoln county, or own property in the county, or have any interests in the county, it is necessary for you to take a good local paper, published at the county seat. Especially if that paper is a live, wide-awake, interesting sheet, all for \$2 a year.

AGENTS COIN MONEY

Old Agents even are surprised with the results of a trial canvass. Thir success is simply astounding. The grandest opportunity for money making ever offered.

Pictoral circulars free on epplication.
Note.—No edition of this famous work
has ever been offered by Agents, consequently you cannot fail to see large quantities of this, the finest edition in print. Exclusive Territory to those who apply quick to THE HISTORY COMPANY

723 Market St. - - - San Francisco.

A Wonderful Book.

Over 200 years have passed by since the publicaction of the Pilgrim's Progress. In that time the world has made wonder-ful advances—has forgotten or outgrown hundreds of thousands of books. Yet this same Pilgrim's Progress, written in

Bedford jail by a common tinker 200, years ago is to-day read in more languages and by more people of all classes than any other book in the civilized world, the Bible alone excepted.

A grand memorial Edition has just been published—to be sold at a price within the reach of all—and yet to be the finest edition in print. The book is richly light the standard of the sold at the sold at a price within the reach of all—and yet to be the finest edition in print. The book is richly light the sold at the llustrated with over 100 of the grandest and most wonderful engravings which have ever appeared in a work of this kind. Superb character delineations, magnifi-cent and realistic illuminated plates printed in oil colors, valuable Bible references, together with a life of the famous author and the beautiful poem "The Little Pil-griu" make this great memorial edition one which will be eagerly sought after by all. It offers the book Agent an unequaled opportunity for a rich harvest.

42 ENGINEER'S DOG.

It Was Shido's Canine Instinct That Pre-

vented a Railroad Wreel "Yes, fir," remarked the gray haired gentleman with a slight tremor in his voice, "I have given up railroading now, having become a little bit too far advanced upon the road of life to sit in a cab and make a locomotive move. Oh! you want to know about that dog of mine. All right. I used to run into Chicago on the Lake Shore on old 432. That dog never missed a trip over the road with me, and I owe my life to him upon more than one occasion. His name's 'Slide,' not of 'Slide, Kelly, elide!' fame, however. I'd go down to the roundhouse and see my old girl run out, and then monkey about her to see that nothing was out of whack until it was time to start.

"Right at the hour Slide could be seen coming down the street with my dinner came time to start I'd give the whistle a chance, and Slide would be on board in the cab baside me. That dog never would walk. He was too blooded for that. It became no trick at all for him to climb out on the foot board, run along and jump down on the pilot, get up again on the other side and walk into the other window. Whenever we got to New York Slide would go down

Don't Offend Jay Gonid.

There are few men, or corporations either, who nowadays willingly offend Jay Gould. This is shown plainly by one notable nautical instance. When he left the management of the Erie rail-Gould. The new management adopted and gone and the name of the boat bearing his name was changed to Passaic. No attempt was made, however, to change the name of the Jay Gould, and she is still plying from Jersey City to the foot of West Twentythird street. - New York Star.

Silk from Old Papers.

The inventor of the process to make silk out of paper pulp claims that the silk resembles very closely the natural silk. It is smooth and brilliant, and the filament has a strength about twothirds that of silk, but still sufficient for all practical purposes. The elasticity is about the same as that of natural silk, and the thread has a superior bril liancy. The process has been wonderfully bettered of late. - New York Journal.
