Ed, Martin, formerly of White Oaks, was shot at La Luz, Sunday, 13th inst. He died the following Tuesday. The coroner's jury found that he died from gun shot wounds at the hands of "Old Man Hicks," who was sent to the county jail to await the action of the grand jury.

"Children's Day," exercises, conducted by Mrs. E. W. Parker, at the Congregational church Sunday evening, passed off well, the singing, speaking, etc., of the little ones showing careful practice on the part of both teachers and pupils.

We received a pleasant call from Mrs. McMains and her daughter, Mrs. Gardner, of the Park, a few days ago. Mrs. McMains has two acres in "garden truck," and everything doing well.

The photograph taken Sunday night, by Hodson & Stringfellow, of the scholars of the Sunday school of this place, is said to be a very good one. The pictures will be for sale when finished.

Several articles which were promised us on the court house bonds question have failed to appear; consequently the Interpreter this week is barren of ideas upon the all-absorbing subject.

Jones Taliaferro, of the firm of Young and Taliaferro, returned home last Saturday, having accompanied his family as far as Pueblo on their way to Salt Lake City.

L. W. Stewart and S. M. Parker went down to Mrs. Barber's ranch Sunday, and returned Monday with others of the party who have been visiting there.

There has been an unusual amount of extra work to do in this office, during the past week, and consequently the paper is a day behind time.

The celebration of the glorious Fourth in White Oaks will consist of a game of base ball in the afternoon, and a dance in the evening.

J. H. WHITEMAN.

Clerk of School Dist. No. 8.

The receipts of Sunday night, "Children's day", were \$21.25—receipts in Sunday School in the morning \$4.16, making 25.41 for a library for Sunday School. Thirty dollars is not too much for a library such as the children need. Such as desire to aid by adding to the above amount can do so by handing to any of the children or to Morris Parker, Treasurer. The Sunday School hereby expresses its appreciation and thanks for the generous aid already given.

**DON'T BE GLOOMY.**

Those who are the victims of mercurial poison, or who are suffering from mercurial rheumatism, are inclined to take a gloomy view of life when, as the poet says, "Winter is folding its white tents and spring getting its thunderstorms together." Yet these victims have no reason to despair. S. S. S. is a sure remedy for all forms of mercurial poisoning. Though it is purely a vegetable medicine, it is powerful, indeed, when called on to chase mercury, and the last lingering effects of mercury, out of the system. It performs the work entire and despatch, as thousands of the testimonials show.

\$300 REWARD

FOR ORE THIEVES!

The common experience of this camp shows that much is lost by the mine operators by the stealing of gold in specimens, if not in amalgam and bullion. Therefore the "Old Abe" Co. offers a standing reward of Three Hundred Dollars for the arrest and conviction, or for information leading to the arrest and conviction of any person guilty of stealing any of the property of the Old Abe Co., even the smallest specimen of ore. The rule of this company is to mill all specimens. Therefore none of the ore from this mine can be honestly held as specimens. And as the receiver, with guilty knowledge, is as guilty in law as the thief, this offer applies to the holders of Old Abe specimens.

Mr. LEE: "Why, Addie, you needn't cry about it! I only said Mrs. Allen was a very well-informed woman, and I wished you would follow her example."  
 Mrs. LEE: "Yes, and last week you said you wished I could manage to look as stylish as Mrs. Allen, and she makes all her own clothes. But she has what I haven't."  
 Mr. LEE: "What is that?"  
 Mrs. LEE: "Well, she gets all of her information from the Magazine they take. I admit that she knows all that is going on, and is bright and entertaining in conversation - but I could do as well as she does if I had the same source of information. She lent me the last number of her Magazine lately, and I learned more in one hour's reading, about various social matters and the topics of the day, than I would pick up in a month by my occasional chats with friends. It certainly covers every topic of interest, from the news of the day down to the details of house-keeping; and everything is so beautifully illustrated, too. Every time Mamma goes over to the Alens' she comes back and teases me to get you to take Demorest's Family Magazine, as the stories are so good. Even the boys watch for it every month, as a place is found for them also in its pages; and Mr. Allen swears by it. It is really wonderful how it suits every member of the family!"  
 Mr. LEE: "Well, perhaps I had better send for a Specimen Copy; for, if it is anything like what you say it is, it will amuse and instruct the whole of us."  
 Mrs. LEE: "I see that W. Jennings Demorest, the publisher, 15 East 14th Street, New York, is offering to send a Specimen Copy for 10 cents, so we can't lose anything, as each number contains a 'Pattern Order' entitling the holder to any pattern she may choose, and in any size - which alone makes each copy worth 30 cents; and I just want a jacket pattern like Mrs. Allen's. The subscription price is only \$3.60 a year; and I must say I can't see how they can publish so elegant a Magazine for so little money."
