.. SIMPLIFIED FARM BOOKKEEPING ...

No method of keeping a record of receipts and expenditures is more convenient for the farmer than the check account.

He deposits his money in the bank and pays his bills by check. Promptly on the 25th of each month we mail every customer on our books, who has not a pass book, a statement of his account, returning all paid checks. These checks are legal receipts for money paid. Bills paid by check stay

You cannot afford to be without the check account---it costs you absolutely nothing.

WE KNOW YOUR WANTS and WANT YOUR BUSINESS.

NOTICE TO

CONSUMERS

On account of the extreme dry weather, we will be unable to furnish water for sprinkling or irrigating of any kind and, until further notice, we will be compelled to cut water off from any premises where any sprinkling or irrigating is done. But we trust that all our consumers will realize the necessity of our taking this action, as it is the only way we can furnish them with all the water they need for domestic use and keep a supply on hand in event of a fire.

We do not want to turn the water off from anyone, as we have all the water needed for actual necessities and feel sure that the public will cooperate with us in this matter and we wish to thank you in advance for assisting us.

Boot and Shoe Repairing

Done With Machinery

In this day and age of machines, you don't think of doing by hand what you can do with machinery. Everything is done in an up-to-date manner, even the repairing of boots and shoes (only a few years ago the hand way was thought to be the only way) is done with machineryandmuch quicker, neater and at a lower price than can be done by hand.

With this outfit we are prepared to do all the boot and shoe repairing of Brady and surrounding country, so don't throw them away just when they are getting comfortable; but bring them to us; we can make them

Call and see our machine in operation. All work guaranteed-prices right.

First Bale of Cotton

Is Here

A ND CONLEY MERCANTILE CO. are receiving new and up-to-date goods now daily, and we will show you what cash will do at a cash house. We will sell goods so close that the fellow who pays rent and meets our prices on same quality of goods will not have profits enough left to take in a 10c show. We have just received six bales of 8 oz. duck for cotton sacking and it goes at 12 1-2c per yard, just what it would cost to lay in the house. Now our bargain counter is full of useful articles at half regular price. We are not trying to freeze any one out, but know the dry weather has cut our cotton crop and to show the consumer that we are ready to take our share of the loss we will make 50c go as far as \$1.00 would if we had a bumper crop. Remember we are the shoe people of Brady. When you come here you do not have to take shoes that are just as good, but you get the genuine. Ask your neighbor how he likes the shoes he got at the Great Dav Light Store, where you can see what you buy. We have no shoddy goods, therefore need no dark room to sell them in, and we will show the people that we will stand our share of the loss by using the big knife in cutting prices to the quick. Come and see.

COUNTY TAX RATE 45c

Commissioners Court in Regular Session Cuts County Rate 20c on \$10 From Last Year.

The county commissioners ourt convened Monday morning nd immediately got very busy. A big stack of accounts were alowed and much other business attended to during the first two ays of the session.

One of the most important acions taken was the setting of the ounty tax rate for the ensuing ear. A cut of 20 cents on the \$100 valuation was made, making he rate 45c this year against 65c ist year. The tax is divided as llows:

Advalorum, 25c.

Road and Bridge Bonds, 21-2c. General Road purposes, 121-2c. Jury Fund, 21-2c.

Court House Bond Fund, 21-2c. Total, 45c.

The state tax this year is 4c dvalorum and 16 2-3c school, a reduction of 1 cent from last year, making the total state and county tax this year 65 2-3c igainst 86 2-3c last year.

Tax Assessor Quicksall's rolls show an increase of about a half million dollars in taxable values over last year, and this was the pasis on which the reduction was
