TWO DEALS AGGREGATE ALMOST \$100,000.

W. D. Crothers Buys Johnny Baker Ranch-Dick Sellman Buys J. C. Smith Ranch.

Two land deals were closed last Friday, the first by R. D. Dyer and the second by W. T. Melton Land Co., the aggregate of which is \$82,700. In each deal the purchasers were McCuicounty citizens, and the land purchased is in the Brady country, which is good indications of the faith of our citizens in the land of this section.

The first deal was the purof the Johnny Baker chase ranch in Kimble county by W. D. Crothers, the deal being closed by R. D. Dyer. The purchase includes all the remainder of Mr. Baker's holdings in Kimble county, consisting of 11,540 acres, and the consideration paid was \$5.00 per acre. The ranch is a fine body of land, and Mr. Crothers expects to stock it and place it in charge of Boy Crothers. The ranch is at present under lease to Mears Bros., whose lease expires June 1st. The second deal, closed by

Melton & Co., was the sale of he John C. Smith ranch of 3,000 acres to Dick Sellman for a consideration of \$25,000. The ranch is located on Deep creek, Word has been received here lying just north of and adjoin-
