Studebaker--which is the best bargain?' "I didn't find this out myself. I heard my grandfather say it a good many years ago. He said he had proved that it paid to buy a Studebaker. I followed his advice to my own satisfaction."

"A wagon can't have life in it unless it has the material and work and finish in it. The Studebaker people have been making vehicles for sarty years. They ought to know how to make wagons right—and they do. They have the reputation because they've produced the goods. They don't put the name Studebaker on until the wagon's right, and when you see the name Studebaker on a vehicle of any kind it is your insurance of quality."

"That's why I buy a Studebaker. I trust a Studebaker wagon because I trust the people that make them. it's good business." "A Studebaker promise is always made good."

Sunday school at the Lyric-Airdome Friday night, July 4th, at 8:45 p. m. The play is a 3-act comedy, and is said to be one of the cleverest little plays ever presented in Brady. The cast has been placed in capable hands and has been thoroughly rehearsed during the past several weeks.

The proceeds of the play are to be applied on the piano for the Methodist Sunday school, and in addition to the play being really meritorious, this is sufficient reason for a full attendance by the citizens of Brady. Reserved seats will be on sale at the Jones Drug Co. Cast of characters:

Land Owners, Attention!

We are in touch with several parties in north Texas, who want to buy land in this part of the state, and we want to list several farms and ranches.

If you have either farms or grass land, that you wish to sell, come in and list them with us, and we will sell them for you, for we have the buyers and expect to do a good land business the remainder of this year.
