BRADY'S GREAT TRADES DAYS
Bargains Galore--Big Premium List--Best Auctioneer In Land--Gentry's Show.

To repeat all that has been remarked before with twice the emphasis, is everything that can be said for next Trades Days—Monday and Tuesday. Reports from all parts of the county and from communities all around McCulloch county indicate that the folks are coming—all the folks are coming and are going to bring all their folks to the big event.

And Brady is ready! The exhibit hall has been arranged; the merchants are preparing to sell the goods at bargain prices; the pens and rings at the sales stable are just finished by the carpenters; the best auctioneer in the country is coming; the show will be on hand; school will turn out; the gins will close; the whistles will blow, and The Standard editor will be on hand to receive and receipt for your subscriptions.

Could there be a grander combination of gala events—all to be crowded into two short days? In connection with the exhibit stock, Secretary Hardison requests us to state that all judging, both of agricultural, textile, art and culinary exhibits, and of livestock will be done on Tuesday. For this reason it is requested that the horses, mules, hogs and other livestock to be judged be not placed on exhibition until Tuesday. While the other exhibits will all be in place Monday, the show, the trades day and other attractions, it is thought, will serve to attract the attention of the visitors the greater part of Monday, consequently Tuesday will be devoted to the exhibits.

In regard to the auctioneer, the sales committee has prevailed upon Ross Bros., the well known firm of buyers at Fort Worth, to send us the auctioneer used by them in all their sales, and who is reputed the best in the state. The gentleman's name is Burgess, instead

Barn Burned.
The barn of Mrs. Fannie Jackson at Voca was completely destroyed by fire Tuesday night, the blaze showing every evidence of incendiary origin. Along with the barn all the contents, including 700 bushels of corn and other feed, were consumed. Officers were called to the scene, and an endeavor was made to track the party or parties responsible for the fire, but the deep sand successfully covered any tracks. It is very likely, however, that a clue will shortly be developed that will lead to the arrest and conviction of the culprits.

TRESPASS LAW.

The Standard has recently had inquiries as to the law against parties who gather pecans without the knowledge or consent of the owner of the property upon which the pecans are grown. The following article, reprinted from neighboring papers, gives the desired information, and along with it some interesting comment.

Any person who shall hereafter gather any pecan nuts upon enclosed land not owned, leased or controlled by him, unless it be made to appear in defense that it was done by the consent of the owner, lessor or person in control, or any person who shall cut, destroy or injure any pecan timber upon lands not his own, unless it be made to appear in defense that it was done with the consent of the owner thereof, shall be guilty of a misdemeanor, and upon conviction thereof, shall be fined in any sum not less than five dollars and not more than three hundred dollars, or by imprisonment in the county jail not more than three months, or by both such fine and imprisonment.—Coleman Democrat-Voice.

Time was when the owner of pecan trees was able to gather most of the pecans that grew on them by getting up earlier in the morning than the other people in the neighborhood. Otherwise the neighbors got the most of them. This new law is going to deprive some of us of our usual fall sport, for the fun of gathering pecans is not worth three hundred dollars and three months in jail—we can buy the

nuts cheaper than that from the boys who work on the halves.—Temple Telegram.

HEAVEN FORBID.

The Brady Standard announces that one of Brady's prominent citizens "left Sunday night for Mercury on some notary business." Mercury is the nearest planet to the sun, but is a great distance from the earth, and unless the transaction was very large it seems that it would not be able to send this far for a notary public.—Callan's Cracks.

No doubt the planets are protesting against the "Blue Sky Law." The state legislators ought to be satisfied with lawing for and against the people on earth and let the heavens do as they dern please.

Monday and Tuesday are the days.

All roads lead to Brady—all folks are headed Brady-way for next Trades Day.

Merchants advertise in The Brady Standard because it reaches the right class of people and therefore gets results: folks read Brady Standard advertising because they have long ago learned that it means profitable trading to them when they patronize Brady Standard advertisers.

There is a world of meaning, and food for reflection in this paragraph taken from "The Parson's Column" in the Brownwood Bulletin: "In the law of God there is no statute of limitation."

WE PLAY SAFE.

Says The Brady Standard: "Bring your folks and your neighbor's folks to Brady's big Trades Day." This is the kind of advice given out by inexperienced old bachelors. The proper thing is to take your own folks and leave your neighbor's folks alone. Half the trouble in this world could be avoided if bachelors would either marry or quit giving advice.—Callan's Cracks.

Half the trouble in this world could be avoided, it is true, if bachelors followed Callan's advice, but the other half of the trouble would then be started. Besides, the advice we gave was to the other fellow—we don't intend to follow it ourself.

A-D-A-M GENTLEMAN.

Tillie Clinger says that the worst nightmare she has had in months was night before last, when she dreamed that she was Eve in the Garden and Adam had a kodak.—Dallas News.

We aver that Forefather Adam was a gentleman. This being axiomatic, would it not be correct to suppose that before he took the picture of Eve he would at least say "By your leave." Half our dreams never come true, anyway.

YOU'RE BILIOUS AND COSTIVE—CASCARETS.
Sick Headache or Sour Stomach Means Sluggish Liver and Bowels.
Get a 10 cent box now.
Furred tongue, bad taste, indigestion, sallow skin and miserable headaches, come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10 cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good gentle cleansing, too.

Seven college presidents and a number of college instructors, including ex-President Taft, will contribute to the Youth's Companion in 1914.
Then there is Gene Stratton Porter, whose stories of Indiana woods and swamps have made her famous, and Kate Douglas Wiggin, who never wrote a dull line in her life, and Mrs. Burton Harrison, who remembers when conversation was really an art as practiced in Washington and in the manor houses of Virginia. And this is just a beginning of the list.
If you know The Companion, you have a pretty clear idea of what is in store for next year's readers. If you do not know, ask us to send you sample copies—for instance, those containing the opening chapters of Arthur Stanwood Pie's fine serial—"His Father's Son." Full announcement for 1914 will be sent with the sample copies.

Forty-Two Club.
Owing to weather conditions the members of the Forty-Two club were unable to meet last week, and the afternoon with Mrs. Tom Donnell has been postponed to some future date.

With Mrs. Henderson.
Mrs. F. W. Henderson was hostess to Brady friends Wednesday at a dining party, and the day is reported as a most pleasurable one. The guests included Mesdames C. H. Bradley, J. H. White, J. F. Schaeg and Miss Mary Anderson. Mrs. Henderson sent an automobile to Brady for the party, and after spending the day they returned on the evening Frisco.

Bible Class.
Because of the cool weather last Wednesday afternoon the members of the Bible Class met at the home of Mrs. W. W. Spiller, where, with a nice attendance and good lessons, the afternoon was very enjoyably spent. The class meets next Wednesday afternoon at the church building, which has been made comfortable for the occasion. The lesson will be the 9th chapter of St. Matthew.

Bible Study Class.
The regular meeting of the Bible Study class was held with Mrs. J. L. Jordan last Friday afternoon, and the time was both pleasantly and profitably spent. A number of visitors were present to enjoy the hour, among whom were Mrs. J. P. Waddill of Rochelle.
The lesson assigned for this afternoon is the entire book of Ecclesiastes, and the members will be guests of Mrs. J. T. Freeman.

Beau Notes.
The members of the Beau Note club were guests of Miss Vera King Wednesday afternoon, the time being spent in embroidery,

following which pineapple whip and cake were enjoyed. Miss King was voted a most charming hostess by the members attending, included among whom were Mesdames J. C. McShan, Virgil Lee Sessions; Misses Ima Carroll, Ruth Wood, Ruby Wood, Mary Johanson, Ruth Campbell, Mozelle Glenn, Carrie Berry, Margaret Todd of Kentucky.
Misses Ruth and Ruby Wood will entertain for the club next Wednesday afternoon.

Entre Nous Club.
The members of the Entre Nous club were very pleasantly entertained Wednesday afternoon by Miss Hayde Willoughby with progressive "500." Partaking of Miss Willoughby's hospitality were Mesdames W. D. Crothers, C. T. White, Warren D. Walker of Eagle Lake; Misses Chase Crothers, Laura Lee White, Addie Conner, Rose Stallings, Esther Anderson. Mrs. Walker received as guest prize a pair of silk stockings, while Mrs. C. T. White also received a pair of silk stockings for high score.
Refreshments served were salad, tea, olives, sandwiches and mints.
The next meeting of the club has not yet been announced.

U. D. C.
The Daughters of the Confederacy will meet tomorrow with Mrs. C. W. Scott, and the entire membership is strongly urged to be present, as the splendid program has been prepared, and Mrs. Scott is known to be a splendid hostess. The following is the program announced:
Roll Call responded to with "A Black Mammy Reminiscence"
Reading—"Uncle Remus and the Tar Baby"—Mrs. W. T. Melton
Paper—"What Has Been Accomplished by the Daughters of the Confederacy; Its Aims, and Objects of the Texas Division"—Mrs. R. D. Dyer
Song—"The Old Oaken Bucket"
Paper—"Education of the South at the Present Day; Professional and Artistic Viewpoint"—Mrs. W. H. Ballou
Song—"America"

Following the program a social hour will be spent by the members.

For Mr. and Mrs. Walker.
One of the prettiest social events of the week was on last evening when Miss Gillie Macy entertained in honor of Mr. and Mrs. Warren D. Walker of Eagle Lake. The Macy home was prettily decorated with sprigs of red berries, and some thirty guests added merriment to the scene. Five Hundred was enjoyed at seven tables, Miss Addie Conner making high score and receiving a pair of silk stockings, which she in turn presented to the guest of honor.

Mr. Walker won gentleman's prize, a necktie, for high score. Nut cream and cake formed the refreshments following the games.
Included among those present were Messrs. and Mesdames S. W. Moffatt, G. C. Kirk, J. S. Anderson, G. R. White, J. B. McKnight, C. T. White, S. S. Graham, W. D. Crothers, B. Simpson and the honor guests; Misses Lillian Roberts, Elizabeth Souther, Chase Crothers, Addie Conner, Rose Stallings, Messrs. Duke Mann, Wiley Walker, Harry Schwenker, Broady Ogden.

Jackson-Webster.
(Contributed.)
On last Tuesday evening Mr. Firman Young Jackson and Miss Clara Alice Webster were quietly married at the residence of Rev. T. P. Grant in the presence of a few relatives. While not wholly unexpected, it was quite a surprise to their many friends. Following the ceremony the happy couple repaired to their home which had been cozily furnished, where a wedding supper prepared by the groom's parents awaited them.
The groom is the eldest son of Mr. and Mrs. O. E. Jackson of this city. He is one of Brady's most promising young business men, and is now manager of the grocery department at E. J. Broad's.
The bride is the youngest daughter of Mr. and Mrs. W. J. Webster of Pontotoc, and sister of Mrs. J. F. Davis of this city, and Mr. Jackson is to be complimented on having won such a beautiful and accomplished young lady as his life's companion.
Mr. and Mrs. Jackson are at home to their friends in the Ramsey house south of the central school building.

Complimenting Mrs. Walker.
(Contributed.)
One of the most pleasant social events of the season was an afternoon with Miss Laura Lee White on Friday of last week to meet Mrs. Warren Walker of Eagle Lake.
The rooms were beautifully decorated in yellow chrysantheums and nasturtiums. Seven games of "500" and "42" were enjoyed. Miss Willoughby made high score at "500" and Mrs. Donnell at "42." Each received a crocheted towel. Mrs. Walker received a hand embroidered towel as guest prize.
The surprise of the afternoon was saved until the last and "served" with a salad and ice, which was most thoughtful of the hostess, for her friends needed a stimulant after the surprise that awaited them.
Dainty little heart-shaped folders in yellow and white, with a small yellow bag attached, lay on each plate. Upon opening the folder a small brindle cat looked out of the bag

and called attention to what was written on either side: "Mr. Frederic Rodeni Wulff-Laura Lee White, Nov. 25, '13." With the "cat out of the bag" pandemonium reigned—if the excited ejaculations of some thirty ladies could be so named. So well had Miss White guarded the secret that not even her most intimate friends had an inkling of her approaching marriage. Her future home will be in San Francisco, California.

Those playing "500" were Mesdames Walker, Graham, Gansel, Crothers, McKnight, Anderson, Nussbaum, Kirk, Noble, Moffatt; Misses Stallings, Willoughby, Crothers, Souther, Macy and Esther Anderson.

Those playing "42" were Mesdames Benham, Wall, Donnell, Schaeg, Allen; Misses Mary Anderson, Hardison, Thompson.

Mothers and Teachers Club.
The members of the Mothers and Teachers club met early Monday afternoon to take advantage of the use of a Singer sewing machine which had been kindly donated to their use for the occasion by the local representative, Mr. Fred Clardy. After spending some hours in sewing, the afternoon's program was taken up, the subject of "David as a Warrior" being discussed. There was quite a large attendance at the meeting and seven new members were added, which indicates the interest being taken in the work.

Following the program the remainder of the afternoon was spent in social session, refreshments being served and an enjoyable time was had.

The next meeting of the club will be on Monday, November 10th, when the third topic of David's life will be taken up, viz: "David, the King." The discussion will be led by Mrs. V. B. Deaton.

A SURE REMEDY FOR LAZY LIVER.
Go to Jones Drug Co. for This Safe, Reliable Remedy and Get Your Money Back If It Fails.

There are very few remedies that gain the confidence of druggists as Dodson's Liver Tonic does. Jones Drug Co. sells it and backs up the sale of every bottle with the money back guarantee that the price will be refunded if it fails to give complete satisfaction.
Dodson's Liver Tonic costs 50 cents a bottle. It is the safest and best remedy for torpid liver, constipation, biliousness, etc., that has ever been sold in this city. It takes the place of dangerous calomel and does not lay you up as a dose of calomel often does. A bottle in the house is as good as fifty cents in the bank. If you or your family need a liver tonic you have the medicine ready. If it fails you get your money back.
Be sure you get Dodson's Liver Tonic when you ask for it. There are imitations of it that may disappoint you.

McCULLOCH EXCELS.

Letters Boasted Banner Production Three to One.

Roby, Texas, Oct. 18.—Profits of \$300 this season from an irrigated tomato patch of one and one half acres were reported today by T. H. Landon, a farmer residing near here. He expects a further profit of \$75 from the plot if there is no early frost.

While the above account is in itself a remarkable showing of profits in tomato raising, it establishes no record so far as McCulloch county is concerned. During this season Jim Spiller of Voca has netted \$325 from the production of one-half acre of tomatoes, and still has tomatoes left. According to this report, the Roby record is beaten almost three to one right here in McCulloch county.

UNIQUE RIDES.

Gentry Bros.' Camel and Elephant Steeds.

But few Americans have enjoyed a ride on a camel or an elephant, but when Gentry All New Feature Shows arrive in this city November 3rd, the younger element will be given a chance to ride either upon the "ship of the desert" or the burro of the jungle." In Gentry Bros.' zoo are camels and elephants trained especially to carry children around the hippodrome track of the big menagerie tent.

The sport is one that children very much enjoy. The rides are something entirely new to their little sphere of life, and it is needless to say that the youngsters scramble for a chance to ride the queer creatures of the other worlds.

Gentry Bros. have for more than two decades made a study of child life and child nature. Their shows had their foundation in specialties that delighted children. Hence it is that the young mother of today takes her children to the shows that brought pleasure into her life years ago. Especial attention is paid to ladies and children who attend.

Gentry Bros.' All New Feature Shows will present two exhibitions in this city Monday, November 3rd. The children who attend will be allowed to ride a camel or an elephant. If these creatures are awe-inspiring courteous attendants will give the timid little ones rides on the scores of ponies that make up a portion of the zoo. Incidentally they will witness a performing troupe of lions, leopards and other animals of jungles, which were trained by Gentry Bros.' trainers.

Suffers Accident.

A second accident, almost parallel to that which befell J. R. Hodges of Pear Valley the night before, happened Thursday morning. W. G. Bundick of Lohn had his left foot badly bruised and crushed when a wagon loaded with two bales of seed cotton ran over it. Fortunately no bones were broken, and it is hoped that by carefully nursing, the injured member may soon be made well again.

The Family Cough Medicine.

In every home there should be a bottle of Dr. King's New Discovery, ready for immediate use when any member of the family contracts a cold or a cough. Prompt use will stop the spread of sickness. S. A. Stid of Mason, Mich., writes: "My whole family depends upon Dr. King's New Discovery as the best cough and cold medicine in the world. Two 50c bottles cured me of pneumonia." Thousands of other families have been equally benefitted and depend entirely upon Dr. King's New Discovery to cure their coughs, colds, throat and lung troubles. Every dose helps. Price 50c and \$1.00. All druggists. H. E. Bucklen & Co., Philadelphia or St. Louis.

GLAUDE CALLAN'S COLUMN "CRACKS AT THE CROWD"

Jane Addams has indorsed the slit skirt. If she writes a very bold hand there isn't room on it for any other indorsement.

A Pennsylvania man who held five aces was "badly slashed," which proves that it is easily possible to have too much of a good thing. Even with four it is best to have them with backs of the prevailing color.

The Tyler Courier-Gazette reported that a moral wave struck Dallas, but it is not likely that it did any damage. The great invisible seawall that encompasses the village round about doubtless made the wave look like a puny ripple.

George Bailey of the Houston Post has all the advice he wants. He says: "If advice could be eaten, most people would die of gout." Advice can never be eaten of course, but it may become popular as a fabric for making gowns.

An Iowa farmer placed \$15,000 under a hotel pillow, and when he awoke in the morning the pillow was still there, but the money was gone. The dispatches failed to state, but it is presumed that he went "back to the farm."

George Matthew Adams says that "soberness is a state of mind." Yes, and immediately following the preceding event it is a very unhappy state of mind.

The Anson Enterprise reminds us that it will soon be time for yam potatoes and home-made sausage, backbone and spare ribs, and asks: "Have you got 'em?" Yes, but it will not do you any good. We keep them locked up in an iron safe along with our mining stock certificates and a recipe for making eggnog.

The Dallas Times-Herald: "Talk about the loopholes of the law! The attorneys for a man in Missouri, sentenced to death, are appealing on the grounds that he is charged with inflicting mortal wounds on the body of his victim, whereas the evidence shows that the wounds were on the head." It is hard to convict a man and make him stay convicted, if the attorneys do their level best. In a West Texas county a lawyer cleared his client, who was charged with theft, by proving that it was "the custom of the country."

A young burglar, only 19, entered the home of the editor of the Nordheim View, for the purpose of removing therefrom the sum of \$50, which said sum the ambitious young burglar had good reason to believe, and did believe, was underneath the editor's pillow. But the editor was not caught asleep—there under his pillow lay the accumulation of a lifetime, and he had anticipated that thieves might seek to break in and become seized and possessed thereof, and when the burglar came, he arose, and without girding up his loins, proceeded to then and there beat the burglar almost to death. When parents are raising a child up to be a burglar, they should teach him to pass up the editor, because when he attempts to tunnel under the pillow for the editorial trousers there is going to be a fight that may cause the burglar to abandon what otherwise might have proven a long and prosperous career.

Deafness Cannot Be Cured

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. The cause of deafness is caused by Catarrh, which is inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. F. J. CHILDS & CO., Toledo, O. Sold by Druggists. Take Hall's Family Eye for Catarrh.

GIRLS! STOP WASHING THE HAIR WITH SOAP.

Soap Dries Your Scalp, Causing Dandruff, Then Hair Falls Out.

After washing your hair with soap always apply a little Danderine to the scalp to invigorate the hair and prevent dryness. Better still, use soap as sparingly as possible, and instead have a "Danderine Hair Cleanse." Just moisten a cloth with Danderine and draw it carefully through your hair, taking one strand at a time. This will remove dust, dirt and excessive oil. In a few moments you will be amazed, your hair will not only be clean, but it will be wavy, fluffy and abundant, and possess an incomparable softness and lustre.

Besides cleansing and beautifying the hair, one application of Danderine dissolves every particle of dandruff; stimulates the scalp, stopping itching and falling hair. Danderine is to the hair what showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating and life-producing properties cause the hair to grow long, strong and beautiful.

Men! Ladies! You can surely have lots of charming hair. Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter and try it.

Whereas, the Commissioners Court did, acting upon the petition, order an election held within said subdivision on Saturday, November 8, 1913, to determine whether horses, mules, jacks, jennets and cattle shall be permitted to run at large within said subdivision; therefore, I, Harvey Walker, County Judge of McCulloch County, Texas, hereby call an election to be held in compliance with said order of court and that the polls shall be opened at the Five voting precinct on Saturday, November 8, 1913, at regular hours, and the following shall be manager of said election: E. No person shall vote at this election unless he be a freeholder of the county and is a qualified voter under the constitution and laws.

It is further ordered that publication of this order be made in The Brady Standard, a newspaper published in McCulloch County, Texas, for thirty days before the date of said election.

Witness my hand and seal of office at Brady, Texas, this 15th day of October, 1913.

HARVEY WALKER,
County Judge McCulloch County, Texas.
