OIL CO. DISBANDS.

Brady Oil and Gas Co. Dissolves Corporation.

The Brady Oil & Gas Co. is this week liquidating the debts and disposing of the property of the company preparatory to dissolving the corporation. The company was organized about three years ago for the purpose of developing the Lohn field, but never sunk any wells of sufficient depth to thoroughly determine the extent of the oil strata.

The officers of the company

were local citizens with the exception of Pres. F. B. Bannister, an oil operator of Pennsylvania, and are as follows: F. B. Bannister, president; Lewis Brook, vice president; H. Meers, secretary and treasurer, and J. Meers, general manager. of valuable leases in the Lohn country, besides they have a large quantity of well machinery, casing, etc.

HAYES PARDONED.

Case Affirmed By Higher Court —Pardoned By Governor.

The mandate of the court of criminal appeals affirming the decision of the district court of McCulloch county in the Sam Hayes case was received Monday. Hayes was tried on a charge of seduction at the September term of court, found guilty and his punishment assessed at four years' confinement in the state penitentiary. The case was appealed and Hayes was released on bond.

Shortly after the trial Hayes and the prosecuting witness were married, and a petition was circulated and numerously signed calling on the governor to pardon Hayes. On receipt of the mandate of the higher court Deputy Sheriff John Martin went to Voca Monday morning and returned that afternoon in custody of Hayes. Upon reaching the city, however, the prisoner was informed by Sheriff Wall that his pardon had been received and that he was at liberty.

Young Hayes was overjoyed by the news of his pardon. He returned to his home Tuesday.

CLOSES UP DEAL.

S. Simon Purchases B. J. Fitzgerald Farm.

B. J. Fitzgerald and S. Simon of Fort Worth were here yesterday closing up a deal for the purchase of the Fitzgerald farm by Mr. Simon, the trade having been tentatively agreed upon several weeks ago.

The tract of land lies seven miles northwest of Brady and contains 402 acres, 300 acres of which is in a high state of cultivation. The place is well improved, with three sets of tenant houses, and in a high state of cultivation. It is in the very best agricultural section of the county, and is one of the most desirable farms in this section.

Mr. Simon is enthusiastic over his new purchase, as well as with the town of Brady. In conversation with a representative of The Standard Mr. Simon stated that he was agreeably surprised to find such a thriving little city here, and that the citizens of the town were the most cordial people he had ever met anywhere. Continuing, he said: "You may say for me that I am delighted with Brady and her citizens in general. I have met a number of the people here today, and I must say that they are the most cordial and likable folks I have ever come in contact with. They

have shown me courtesies during my visit here that are seldom extended to a visitor in any city, and it convinces me that your citizenship is wide awake and on the alert for the best interests of the town and community, and if I ever decide to change locations Brady will certainly have first call with me." Mr. Simon was especially complimentary in his remarks of the hospitality extended him by Postmaster David Doole, Jr., who took him for an automobile drive over the city, and extended other courtesies to the visitor.

Purchase Partner's Interest.

P. W. Williams last week purchased the interest of his partner, J. D. Branscum, in the tailoring firm of Williams & Branscum, located on the north side of the square, the change becoming effective at once. The business will be continued by Mr. Williams at the same stand. Mr. Branscum is at present in Mason, and it is not known what line he will engage in.

COUNTY CORRESPONDENCE

ROCHELLE RUMBLINGS.

Rochelle, Texas, Mar. 18.
Editor Brady Standard:

As it has been quite a while since I've seen anything from this locality I thought I'd write, so as to let the people know we had a shower last week that moistened up the clods sufficient that the men had a few days work harrowing them down. The farms are in nice shape and will be ready to plant if it ever rains any more. We are getting very anxious that it should rain, the ladies want a job of garden planting.

Bud Rodgers and father left last Monday for Menard county where they will visit the son and brother, Will Rodgers, and family, and also to take a general peep at that part of God's moral vineyard.

News reached here yesterday of the serious illness of a lady who was once a resident of this place, Mrs. Tyra Bell. Her life is almost despaired of, as she has an attack of paralysis. She has many warm friends here who will regret very much to hear of her trouble.

D. W. McNatt of Richland Springs and Mr. and Mrs. Floyd and family dined at the Waddill home last Sunday.

Miss Willie Holmes of Cow Creek is visiting Mrs. Shad Simson of near this place this week.

Mrs. Charlie Sellman visited at the home of Tom Sellman in Rochelle one day last week.

Tobe Smith and wife visited the latter's father, Mr. R. A. Sellman Sunday evening.

No church on last Sunday owing to the fact that Brother Cole took a tumble from the porch and sprained his foot.

BENHAM

THE SHOE MAN

FROM "SNOW FLAKE."

Yoakum, Texas, Mar. 22.
Editor Brady Standard:

Hello, here I come again. I have been so busy that I failed to write last week.

News is scarcer here in town than in the country, or it seems so to me.

It is sure a mistaken idea about town people having nothing to do. There is no stopping with those that work and make an honest living. They are not their own boss. I am in sympathy with the working class when in the right.

I personally know mothers here who never go to church; don't have time to visit a neighbor or anything; just stay at home and study the fashion pages to keep up with the style for fear their girls might not be in the lead. My, my, such fashions as they are. The mother should throw a protecting arm around her girls and leave off all so-called style as is being worn in these fast days.

The father in overalls works from 6 to 6 at the pitiful sum of 15 cents per hour to feed and clothe these girls.

There are several cases of smallpox here, but they are being closely watched.

Our school is progressing nicely.

Mrs. Lake spent Saturday night with J. H. Allen and family.

Mrs. S. P. I see your name in The Standard very often. I think I know you.

Best wishes to The Standard and its many readers.

JUST IN TIME.

Some Brady People May Wait Till It's Too Late.

Don't wait until too late. Be sure to be in time.

Just in time with kidney pills. Means curing the backache, the dizziness, the urinary disorders. That so often come with kidney troubles.

Doan's Kidney Pills are for this very purpose. Here is testimony to prove their merit.

Mrs. G. R. Hallmark, 209 Live Oak St., Coleman, Texas, says: "I had been troubled for a long time by nervousness and my health was very much run down. My kidneys also bothered me. I learned about Doan's Kidney Pills being good for such troubles and used them. After I had taken half a box, I noticed a change for the better. One box of Doan's Kidney Pills rid me of the trouble and I have been in good health since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy--get Doan's Kidney Pills--the same that Mrs. Hallmark had. Foster-Milburn Co., Props., Buffalo, N. Y.

HAD CATARRH FIVE YEARS.

Mr. Johnson of St. Elmo, Illinois, was troubled with catarrh for five years. He was in a case where his life was threatened. As he expressed it, he had a "stone" in his foot in the grave.

MR. S. S. JOHNSON
St. Elmo, Illinois.

Of course, he tried to get relief. Many practitioners were consulted and a specialist in St. Louis was tried. He got so weak and thoroughly run down that he declared he could not walk more than a hundred yards without resting. Few people understand that catarrh is a constant drain on the system. The discharge of mucus which is going on in such cases is largely composed of blood serum, and is a great waste. Sooner or later it will weaken the strongest man.

According to reports received from Mr. Johnson, he was in a desperate condition, but he found relief from his trouble. We will let him say how he found it. In his own words say: "My friends told me to take Peruna, and I did so. I now feel that Peruna has saved my life. It is the best medicine on earth, and I would not be without it."

"This seems almost too good to be true. No doubt there are some readers that will think so. The above statements, however, can be verified by writing Mr. Johnson."

Every home should be provided with the last edition of "The Ills of Life," sent free by the Peruna Co., Columbus, Ohio.

STACY NEWS.

Stacy, Texas, Mar. 17.
Editor Brady Standard:
Mr. Lester Cox went to Fort Worth last week on business.
Mrs. Arch Johnson came in last Tuesday from Temple to visit her parents, Mr. and Mrs. W. D. Trott.
The wedding of Mr. Will Bowen and Miss Laura Cobb was performed at the home of Mr. and Mrs. Tom Cobb, the bride's parents last Sunday afternoon at 4 o'clock. Rev. J. M. Burrow spoke the beautiful words that united them. The bride wore a beautiful white crepe de chine dress, while the groom wore a black suit. The bride is a well known young lady of this country and considered one of the most charming young ladies of the community. We congratulate Mr. Bowen on winning such a prize. The groom is well known, having lived here a long time. We wish them great happiness.
Miss Viva Evans of Eden is visiting her sister, Mrs. Johnnie Burrow, this week.
Mr. Aaron Bowen left Sunday for Fort Worth where he will attend the Odd Fellows convention.
Mr. and Mrs. Will Bowen went to Coleman Wednesday where they will get their furniture.
Clarence Trott made a business trip to town Monday.
Mr. and Mrs. M. Hammons went to Brady Monday to do some shopping.

WONDER WORDS.

Wonder, Ore. Mar. 13.
Editor Brady Standard:
Buds are swelling and farmers are buying onion sets, and setting out fruit trees and their wives are setting old hens and incubators.

I believe I told you I would explain how it is that fruit never gets killed here. I have been here all of the present century and we have had fruit enough for local demands every year, and most of the time worlds of it to ship to other countries. The reason is this. There is so much fog in certain localities that the fruit is safe. A great many large orchards in places where there is little fog are using smudge pots to fill their orchards with smoke on cold nights when the fruit is young. Also the reason that crops do not dry up during the long dry summers; being near the ocean, the atmosphere is naturally humid and at night the cool air settles down into the valleys, and the heated air rises to give place to it, and the ground and vegetation condense the moisture in the air and there is always dew.

Although crops grow about five times as fast in Texas as they do here, yet they will stand it here five times as long as they will there without rain. Another reason is, we don't have the wind here to dry the ground like you have there.

Although you may be able to produce five times as much vegetables per acre in irrigated land there as we can here: yet what we raise here will keep fresh and nice five times as long here as it will there.

I am sending a clipping descriptive of a Washington fir tree. We have many large ones here but not quite so large as they have in that section of country. It is there that people build dance halls on cedar stumps. What a glorious place it would be for stump speakers! They could prance back and forth and gesticulate all they wanted to and never fall off.

"A giant yellow fir tree has been cut in Snohomish county, Washington, sixty-six feet in butt circumference, 128 feet to the first limb, and 300 feet in length. The first limb is 109 inches round. A log can be hewn from it 250 feet long, 15x15 feet at one end and 6x6 feet at the other. If it can be brought to salt water in one piece it will be the largest stick logged in the world. Its age has not been calculated, but stumps near by that are only six feet in diameter have 500 rings, meaning 500 years of life. This tree may have been growing when Hiram, king of Tyre was getting out timber for Solomon's temple." O. I. C. U. R. RIGHT.

Stubborn, Annoying Coughs Cured. "My husband had a cough for fifteen years and my son for eight years. Dr. King's New Discovery completely cured them, for which I am most thankful," writes Mrs. David Moor, of Sarinaw, Ala. What Dr. King's New Discovery did for these men, it will do for you. Dr. King's New Discovery should be in every home. Stops hacking coughs, relieves lagrippe and all throat and lung ailments. Money back if it fails. All druggists. Price 50c and \$1.00. H. E. Good Bowels Are An Aid to Growth

Growing Children Need a Mild Laxative to Foster Regular Bowel Movement.

MARIE DEY.

As a child grows older it requires more and more personal attention from the mother, and as the functions of the bowels are of the utmost importance to health, great attention should be paid to them.

Diet is of great importance and the mother should watch the effect of certain foods. A food will constipate one and not another, and so we have a healthy food like eggs causing biliousness to thousands, and a wholesome fruit like bananas constipating many. It is also to be considered that the child is growing, and great changes are taking place in the young man or young woman. The system has not yet settled itself to its later routine.

A very valuable remedy at this stage, and one which every growing boy and girl should be given often or occasionally according to the individual circumstances, is Dr. Caldwell's Syrup Pepsin. This is a laxative and tonic combined, so mild that it is given to little babies, and yet equally effective in the most robust constitution. At the first sign of a tendency to constipation give a small dose of Syrup Pepsin at night on retiring, and prompt action will follow in the morning. It not only acts on the stomach and bowels but its tonic properties build up and strengthen the system generally.

erally, which is an opinion shared by Mr. John Dey, of Bloomfield, N. J. He has a large family and at ages where the growth and development must be watched. Little Marie has thrived especially well on Dr. Caldwell's Syrup Pepsin. Mr. Dey considers it the right laxative for young and old and has found none better for young children.

The use of Dr. Caldwell's Syrup Pepsin will teach you to avoid cathartics, salts and pills as they are too harsh for the majority and their effect is only temporary. Syrup Pepsin brings permanent results, and it can be conveniently obtained of any nearby druggist at fifty cents and one dollar a bottle. Results are always guaranteed or money will be refunded.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

James Was Efficient.

Efficiency was the topic that was being talked at a gabfest in a Washington club the other night when Congressman John G. Rothermel of Reading was reminded of the declaration of an esteemed party named James.

The aforesaid James attended a circus some time since, where one of the big features of the show was a beautiful lion tamer. Entering the ring, followed by the lion, the fair charmer placed a lump of sugar between her pretty lips which the lion took from her with his

teeth. Instantly James sat right up and began to take notice.

"Great stunt, all right," he loudly shouted to the performer "but I can do it, too!"

"Of course," scornfully replied the girl, who didn't appreciate having her act minimized, "but do you really think you can?"

"Most assuredly," was the prompt rejoinder of James, "just as well as the lion."

The Price She Paid.

It was Mark Twain who said that a girl was like a rabbit, inasmuch as she was gentle, timid and tender in disposition, but like the rabbit if she were driven in close quarters, she would put up a game fight. This idea forms the backbone of the newest dramatized story on the road, which has proven a great sensation in every city in which it has played. The play is called "The Price She Paid," and the girl in question, although at times dangerously near the brink of ruin nevertheless manages by tremendous will power and supernatural effort to clear herself of the danger that continually surrounds her.

Nowhere in David Graham Phillips' book is there any stronger scene than that between the girl and her millionaire admirer, who tries to make her step from the straight and narrow path in order to save her brother from prison. The fact that the girl refuses and makes a gallant fight for her honor, only makes the millionaire more anxious to win her, but no matter how he tries, she is too high class a girl to allow her determination to be weakened. It is a stirring tale of a plucky girl's fight for that which any woman should battle—her virtue. The principal role, that of the harassed girl, has been entrusted to the capable hands of Miss Shirley Mayberry, who is acknowledged to be one of the best emotional actresses at present adorning the stage.

"The Price She Paid" will be seen at the Lyric opera house on Thursday night, April 2nd.

THICK, GLOSSY HAIR FREE FROM DANDRUFF.

Girls! Try It! Your Hair Gets Soft, Fluffy and Luxuriant at Once.

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25 cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

If you have a cow or calf for sale or trade, call in to see us. Broad Mercantile Co.

STOMACH HEALTH—OR NO COST TO YOU.

Very likely others have advised you to use Rexall Dyspepsia Tablets, because scores of people in this community believe them to be the best remedy ever made for dyspepsia and indigestion. That is what we think, too, because we know what they have done for others and what they are made of. We have so much faith in them that we urge you to try them at our risk. If they don't help you, they won't cost you a cent. If they don't do all that you want them to do—if they don't restore your stomach to health and make your digestion easy—just tell us and we will give back your money without a word or question.

Containing pepsin and bismuth, two of the greatest digestive aids known to medical science, they soothe the inflamed stomach lining, help in the secretion of gastric juice, check heartburn and distress, promote regular bowel action, and make it possible for you to eat whatever you like whenever you like, with the comforting assurance that there will be no bad after-effects. We believe them to be the best remedy made for dyspepsia and indigestion. Sold only at the more than 7,000 Rexall Stores, and in this town only at our store. Three sizes, 25c, 50c and \$1.00. Jones Drug Co., C. A. Trigg, Mgr., Southeast corner of square, Brady Texas.

Breaks Arm.

Ruby, the small daughter of Mr. and Mrs. Carl Johnson, living four miles north of the city suffered a broken arm Wednesday at the Central school building. The little girl, in company with a number of other children, was jumping the rope on the cement walk at the school building during the noon recess, when she was thrown to the ground, the left arm being doubled under her and breaking the member just above the wrist. Physicians were called and immediately set the arm and the little girl was removed to her home, where she is reported as resting nicely.

SHERIFF'S SALE.

Notice is hereby given that by virtue of a certain order of sale issued out of the Honorable District Court of McCulloch County, on the 12th day of March, 1914, by P. A. Campbell, clerk of said District Court for the sum of Five Thousand Eight Hundred Sixty Two Dollars and Forty Cents (\$5,862.40) and costs of suit, under a judgment, in favor of J. C. Hall and W. C. Rockett vs. A. D. Wright et al, placed in my hands for service, I, J. C. Wall as Sheriff of McCulloch County, Texas, did, on the 12th day of March 1914, levy on certain real estate, situate in McCulloch County, Texas, described as follows, to-wit: Being the south one half (1-2) of H. & T. C. Ry. Co. Survey No. 153, Certificate No. 33 3275, Abstract No. 680, patented to H. & T. C. Ry. Co. by patent No. 240, Vol. 44, on June 17th 1880, containing 332.85 acres of land, said land fully described by field notes in said order of sale, and being the same land conveyed by J. C. Hall and W. C. Rockett to A. D. Wright by deed dated March 29, 1911, which deed is of record in the deed records of McCulloch County, Texas, in Vol. 30, Page 184, which deed and the record thereof is here referred to and made part hereof for description and all purposes; said land located in McCulloch County, Texas, about 16 miles north of the City of Brady, and most generally known as the A. D. Wright place, and levied upon as the property of A. D. Wright, Will Braly and Alfalfa Lumber Company. And that on the first Tuesday in April 1914, the same being the 7th day of said month, at the Court House door of McCulloch County, in the City of Brady, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said order of sale I will sell the above described real estate at public vendue, for cash, to the highest bidder, as the property of said A. D. Wright, Will Braly and Alfalfa Lumber Company. And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Brady Standard, a newspaper published in McCulloch County.

Witness my hand, this 12th day of March, 1914.

YOUR MONEY BACK IF YOU WANT IT.

Leading Druggists Will Refund Purchase Price of Dodson's Liver Tone if You are Dissatisfied.

Jones Drug Co., may not be willing to guarantee the safety and reliability of calomel for constipation and sluggish liver, but this store will and does stand back of Dodson's Liver Tone with an unconditional guarantee to refund the full purchase price (50c.) instantly without question if you are not satisfied in every way with Liver Tone and its results.

If you take calomel, perhaps you will seem to get temporary relief, but it often happens that the after-effects are at least unpleasant and sometimes dangerous. Calomel in large doses is a poison and actually deadly to some—perhaps to you—and hence its use means taking chances.

With Dodson's Liver Tone you are always safe. Its reliability is so certain that it can be sold with the money-back guarantee. It is a vegetable liquid, pleasant to take, and it cannot harm. It clears up the dulled and aching head and cleans out the clogged system in what many have found to be a wonderful way. Dodson's Liver Tone will do for you what it has done for thousands—and you run no risk in trying it. Ask Jones Drug Co., about Dodson's and the guarantee.

NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death.

Medicines patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken.

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all womanly troubles."

For over 50 years, Cardui has been relieving woman's sufferings and building weak women up to health and strength.

If you are a woman, give it a fair trial. It should surely help you, as it has a million others.

IN WHICH WE APOLOGIZE.

In another column of this issue will be found a communication from Rev. J. T. Hamilton of Rochelle, in which he takes this editor to task for an item published in Tuesday's Standard regarding the existence of smallpox in our neighboring sister city.

If we have done the community of Rochelle an injustice in the matter we are ready and willing to apologize here and now.

INCORRECTLY RIGHT.

The editor of The Brady Standard says he will bet there were two Irishmen in Fort Worth who did not forget to celebrate on Dia San Patrick, and names this writer and the editor of the Fort Worth Sunday Sandwich, but he adds: "Hep is a Bohemian who claims to be Irish." You are correct as to the race of each, except that you got both wrong. We are of the First Families of Massachusetts, while Hep, we think, is an Eskimo. We occasionally hear him phoning excuses home for not going to lunch, and they sound very much as if he had been associating with Dr. Cook. —Claude Callan in Fort Worth Star-Telegram.

A Correction.

Editor Brady Standard:

Somebody imposed upon you in reporting the smallpox situation here. Your statement says the smallpox was in Rochelle, and that the patient was in several public gatherings in Rochelle. There were several other statements that were not true. But to correct these two will be sufficient to clear up the others.

In the first place, the man was not sick in Rochelle at all, but was five miles northeast of Rochelle.

In the second place, the man was not in any public gathering in Rochelle at all. He came to town for awhile one day and perhaps met individuals on the street and in some of the stores.

Several Rochelle citizens were in Placid the night the man was

said to have been there, but all of them have been vaccinated, and all other necessary precautions taken with them.

As two of the teachers were in Placid and supposed to have been exposed, it was thought best to close the school for a week or so that the fears of the school patrons might be allayed.

Your statement was clearly calculated to injure your neighbor town of Rochelle; which we feel sure was not intended.

If you will publish this statement the good people of this community will forgive you.

Yours truly,
J. T. HAMILTON.

Dangers of a Cold.
Do you know that of all the minor ailments colds are by far the most dangerous? It is not the colds themselves that you need to fear, but the serious diseases that they so often lead to. For that reason every cold should be gotten rid of with the least possible delay. To accomplish this you will find Chamberlain's Cough Remedy of great help to you. It loosens a cold, relieves the lungs, aids expectoration and enables the system to throw off the cold. For sale by all dealers.—Advertisement.

Phileatha Class Entertained.

On Tuesday evening Mrs. J. E. Snavelly was hostess to the Phileatha class of the Baptist Sunday school and a few of their friends. A most delightful time was spent in games, music and jolly conversation. Dainty refreshments of cake and chocolate were served.

Our charming hostess was assisted by our most worthy teacher, Mrs. L. A. Williams,

der, Ethel Jones, Ona Horn, Dollie Ogden, Nannie Starky, Myrtle Ball, Clara Willingham, Kate Westbrook, Velna Metcalf, Hazel and Agnes Jones; Messrs. Hubert Adkins, Ben Lovelace, Walker, Bill Snider, Barney and Carroll Thames, S. W. Alexander, Almon Martin, T. Gray and L. A. Williams; Mesdames Woodward, J. A. Westbrook, Williams.

Bible Study Class.

On account of the inclement weather last Friday afternoon the meeting of the Bible Study class was postponed until this afternoon. The meeting will be with Mrs. John Rainbolt at 3:30 and the lesson assigned for last week will be taken up for research and discussion.

All members of the class are urged to be present, and visitors are cordially invited.

Makes Healthy Bowels

THIS simple rule of health is daily called attention to by every doctor in the land, whose first question to the patient almost invariably is, "Are your bowels regular?" Yet there's not one person in fifty who takes proper care of the bowels. And the result of this foolish neglect is nine-tenths of all ill-health. If today you are unable to free your body of waste matter at the usual time, or if the act causes straining, pains and discomfort, don't let that condition occur again tomorrow. Unless your bowels can carry away the waste materials left after food is digested, decay sets in, the poisons of which, taken up by the blood, increase the risk of Typhoid Fever, Appendicitis, and many other serious diseases.

In treating constipation, there is a *right way* and a *wrong way*. The *wrong way* is to take harsh purgatives which even though they do clear the bowels, cause griping and nausea, injure the delicate tissues, and so disturb the normal functions as to cause the return of constipation. The *right way* is to help Nature to produce natural movement, without pain or discomfort, by using

Rexall Orderlies

More Than One Hundred Million Were Sold Last Year

This enormous quantity was used with good results by busy men who suffered from constipation, due to lack of exercise, or indigestion caused by overwork—by children whose parents realize the harmful effect of common purgatives—by old people whose systems cannot stand anything harsh—by women during pregnancy, and after childbirth, when any medicine with a violent action would be particularly dangerous. Many of these people are your neighbors and friends. Ask anyone who has ever used them—they'll tell you Rexall Orderlies satisfied and helped them.

—a gentle laxative in the form of a chocolate-tasting tablet. One of these tablets eaten just before going to bed will help to restore your bowels to normal activity at a time when, your body being at rest, the medicine can do its best work. As a result of taking that tablet (or say two, if your case is obstinate), your bowels will move easily and naturally in the morning. The use of Rexall Orderlies for a few days afterward will restore normal regularity. Even chronic constipation is benefited by them, and it is not necessary to continue the treatment for a long time, because, instead of driving Nature, they simply help her to help herself.

Sold only at the more than 7,000 Rexall Stores and in this town only by us. Invest pocket tin boxes, 10c, 25c, 50c

This Is Our Guarantee—You Risk No Money

If Rexall Orderlies do not make your bowels act right, tell us so and we'll give back your money without asking a single question. There is no red tape to this guarantee. It means just what it says. You sign nothing. We won't hesitate, or ask you any questions. Your word is enough. If Rexall Orderlies do not do all you expect them to—if you don't feel better after using them and find that they are the pleasantest-acting and best laxative you have ever used, we want you to tell us and get your money back.

14,127,356 BALES IN 1913.

Texas Raised One-Fourth of Total Crop.

Washington, March, 20.—One of the largest cotton crops ever grown amounting to 14,127,356 equivalent 500-pound bales of lint and 639,95 equivalent 500-pound bales of linters, was produced by the farmers of the United States during 1913, the Census Bureau announced today in its preliminary report of cotton ginned as reported by ginners and delinters to February 28th.

These figures compare with 13,703,421 equivalent 500-pound bales of line and 609,594 bales of linters last year, and 1,692,701 bales of lint and 557,575 bales of linters in 1911.

The Department of Agriculture's estimate announced December 12, placed the 1913 crop at 13,677,000 equivalent 500-pound bales.

With this report the Bureau of Census departed from its previous method of reporting the cotton crop by not including the quantity of linters in the total production. Director William J. Harris announced this was done because with the installation of modern machinery closer delimiting of seed had largely increased the quantity of linters and at the same time lowered the average quality of the fibre, so that now only a small part, if any, was used as a substitute for lint cotton.

The number of running bales of lint cotton, counting round as half bales was 13,954,981, and of linter cotton, 629,019 running bales of lint and 602,324 running bales of linters last year, and 15,553,073 running bales of lint and 556,276 running bales of linters in 1911.

Included in the production for 1913 are 29,267 bales which ginners estimated would be turned out after the time of the March canvass.

Round bales included numbered 99,916 compared with 81,528 last year and 101,554 in 1911.

Sea Island bales included, 77,490, compared with 73,777 last year and 119,293 in 1911.

The average gross weight of bale for the crop, counting round as half bales and excluding linters, was 505.8 pounds, compared with 508.0 last year and 504.5 in 1911.

Production of states in equivalent 500-pound bales, exclusive of linters, with comparisons and the Department of Agriculture's December estimate, which excludes linters follow:

Alabama: Total production,

1,494,057 bales, compared with 1,342,275 in 1912 and 1,716,534 in 1911. Department of Agriculture estimate 1,510,000 bales for 1913.

Arkansas: Total production, 1,071,359 bales, compared with 792,048 in 1912 and 939,302 in 1911. Department of Agriculture estimate 900,000 bales for 1913.

Florida: Total production, 58,541 bales, compared with 52,760 in 1912 and 83,388 in 1911. Department of Agriculture estimate 68,000 bales for 1913.

Georgia: Total production, 2,314,870 bales, compared with 1,776,546 in 1912 and 2,768,627 in 1911. Department of Agriculture estimate 2,275,000 bales for 1913.

Louisiana: Total production, 442,132 bales, compared with 376,096 in 1912, and 384,597 in 1911. Department of Agriculture estimate 400,000 bales for 1913.

Mississippi: Total production, 1,307,455 bales, compared with 1,046,418 in 1912 and 1,203,545 in 1911. Department of Agriculture estimate 1,195,000 bales for 1913.

Missouri: Total production, 67,123 bales, compared with 55,691 in 1912 and 96,808 in 1911. Department of Agriculture estimate 66,000 bales for 1913.

North Carolina: Total production, 789,944 bales, compared with 865,653 in 1912 and 1,075,826 in 1911. Department of Agriculture estimated 765,000 bales for 1913.

Oklahoma: Total production, 830,026 bales, compared with 1,021,250 in 1912 and 1,022,092 in 1911. Department of Agriculture estimate 820,000 bales for 1913.

South Carolina: Total production 1,373,700 bales, compared with 1,182,128 in 1912 and 1,648,712 in 1911. Department of

Agriculture estimated 1,330,000 bales for 1913.

Tennessee: Total production, 379,201 bales, compared with 276,546 in 1912 and 449,737 in 1911. Department of Agriculture estimated 376,000 bales for 1913.

Texas: Total production, 3,943,133 bales, compared with 4,880,210 in 1912 and 4,256,427 in 1911. Department of Agriculture estimated 3,390,000 bales for 1913.

Virginia: Total production, 23,409 bales, compared with 24,398 in 1912 and 29,891 in 1911. Department of Agriculture estimated 25,000 bales for 1913.

All other states: Total production, 32,508 bales, compared with 11,402 in 1912 and 17,215 in 1911.

The Census Bureau announced that the statistics of this report for 1913 are subject to slight correction in the full report to be published about May 1st.

"CASCARETS" ALWAYS STRAIGHTEN YOU UP.

When Constipated, Headachy, Bilious, Stomach Sour, Breath Bad.

Get a 10-cent box now. You men and women who can't get feeling right—who have headache, coated tongue, foul taste and foul breath, dizziness, can't sleep, are bilious, nervous and upset, bothered with a sick, gassy, disordered stomach, or have backache and feel worn out.

Are you keeping your bowels clean with Cascarets, or merely forcing a passage every few days with salts, cathartic pills or castor oil?

Cascarets work while you sleep; cleanse the stomach, remove the sour, undigested, fermented food and foul gases; take the excess bile from the liver and carry out of the system all the constipated waste matter and poison in the bowels.

A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your stomach sweet; liver and bowels regular, and head clear for months. Don't forget the children. They love Cascarets because they taste good—never gripe or sicken.
