

WILL SPEAK FOR BALL

HON. SAM SPARKS HERE NEXT WEDNESDAY.

Will Deliver Three Speeches in McCulloch County in Interest of Hon. Tom Ball.

Rev. J. T. Hamilton of Rochelle, county chairman of Tom Ball clubs, announces that Hon. Sam Sparks, former state treasurer, will speak here next Wednesday in the interest of the candidacy of Mr. Ball. Mr. Sparks will deliver three speeches in the county, the first at Rochelle Wednesday morning at 9:00 o'clock, coming to Brady by auto where he will speak at 11:00, and again at the Lohn picnic at 3:00 o'clock in the afternoon.

From Lohn Mr. Sparks will be taken to Eden, where he will address the voters at 5:00 o'clock and will then proceed to Paint Rock, where he is scheduled for a speech at 8:30, making a total of five speeches for the day.

Mr. Sparks is well known throughout the state, and has a strong following. He is rated one of the strongest speakers for Mr. Ball, and will doubtless be favored with a good crowd here.

PROPOSED NEW ROAD.

C. E. Clark and Associates Want Proposition for N. & S. Line.

C. E. Clark of Velasco was here Monday to confer with the local Commercial club in an effort to secure a proposition from the town as to what inducement would be offered for the building of a line of railway north and south through the county, the line running from Vernon, in Wilbarger county, to Velasco located on the Gulf coast. Mr. Clark spoke at some length at the meeting of the directors of the Commercial club which was held at 10:00 o'clock Monday morning, on the advantages and benefits which would accrue to the town and county in case the proposed line came this way, and stated that the line was going to be built, and if proper inducements were offered that it would come this way. He had no proposition to submit to the club, but wanted the club to make an offer for consideration by himself and associates.

W. D. Crothers stated that while the club was not in position to submit an offer to Mr. Clark and associates, he wished to impress upon them the fact that Brady was very anxious to secure such a line of road, and that the citizens could be depended upon to do their full duty

in a matter of this kind.

The matter of formulating a proposition was referred to Secretary Grant of the Commercial club, with instructions to take up the matter by correspondence with the promoters.

Messrs. D. F. Savage, H. N. Cook and Secretary Grant accompanied Mr. Clark over the route north of the city after the meeting here. He expressed himself as highly pleased with the country, and stated that the route via Brady was the most feasible one yet inspected.

A line of road through the county north and south would be of great benefit to Brady, in that it would hasten the exploitation of the coal deposits located in the northern part of the county, as well as afford an outlet to the south to San Antonio and to the Gulf coast country. It is believed here that even if Mr. Clark and his associates do not build the line, that the Santa Fe will get busy and build it just as soon as conditions will warrant such an undertaking.

COUNCIL MEETING.

Regular Bi-Monthly Session Is Held Tuesday Night.

A lengthy session of the city council was held Tuesday night, Mayor Baze presiding, and with Aldermen Broad, Cook and Tip-ton present.

City Secretary J. C. McShan's report of receipts and disbursements of city funds for the month of June was approved by the council. The report shows the following balances on hand July 1: General fund, \$2413.15; street fund, \$349.51; bond fund, \$6643.03, waterworks sinking fund, \$4153.71.

Report of collections by City Marshal J. M. Anderson for the month of June shows the following: Occupation taxes, \$26.00; dog tags, \$16.00. The report was approved and ordered filed.

The report of the board of equalization was presented and approved by the council, with the exception that the tax assessor was ordered to list waterworks note owned by White & White on the unrendered roll. The secretary was authorized to draw warrants in payment for the services of the members of the board of equalization, the board receiving pay for six days and the secretary for seven days' work.

City Marshal Anderson an-

nounced the appointment of M. P. Wegner as deputy marshal, and the appointment was ratified by the council.

The following claims were allowed and ordered paid:
Brady W. & L. Wks. \$96.95
Harlow & Everts 17.40

WIN ALL THREE.

Brady Ball Team Takes Junction Bunch into Camp.

The Brady ball team returned yesterday morning from Junction, where they played a series of three games with the team at that place, winning all three quite handily.

The first game was played Tuesday afternoon, resulting in a score of 9 to 4. Two games were played Wednesday, the first in the morning resulting 4 to 3, the afternoon game being a farcical exhibition in which the locals piled up a total of 17 scores, while Junction garnered only 4.

Manager A. R. Holman of the locals states that he was never accorded better treatment anywhere than was shown the team at Junction, and that although the result of the games do not indicate it, yet the Junction aggregation plays classy ball, but were not fast enough for the locals.

The Junction team may be brought here later for a three game series, although no definite arrangements have been made as yet. The locals will go to Richland Springs tomorrow week for a return game with the team at that place.

The American Adding Machine
The Latest Adder
COSTS BUT \$35
See Our Exhibit Ask For Ten Days Trial

Here is a new price on a competent Adder. On a machine that is rapid, full-size and infallible.
The very latest machine, built by men who know, in one of the largest metal-working shops.
It is an individual Adder, to be placed on one's desk, close to one's books and papers. To take the place of the central machine requiring skilled operators.
It is also intended for offices and stores where costly machines are a luxury.
The price is due to utter simplicity, and to our enormous output. Seven keys do all the work.
Each copied number is shown up for checking before the addition is made.
The machine will add, subtract and multiply. With very slight practice one can compute a hundred figures a minute. And the machine never makes mistakes.
Countless offices, large and small are getting from these machines the highest class of service.
Now we make this offer so that offices everywhere may learn what this machine means to them.
Ten Days' Test
We will gladly place in any office one American Adder for a ten days' test.
There will be no obligation, and charges will be prepaid.
Compare it with any non-lister—even the costliest. Let anyone use it. See if any machine can serve better than this.
Just send us this coupon and we'll send the machine.

NINE NEWS.

Nine, Texas, July 6.
Editor Brady Standard:

Well, threshing is the order of the day in these parts.
A rain would do lots of good, though, nothing is suffering yet, gardens are burning some.

The feed in this part is just fine.
There is some talk of a basket picnic in the near future.

Bro. Rankin filled his appointment here Sunday and Sunday night.

Mr. Willie Wilder, lately of Thorndale, is visiting at present with his brother at this place and is thinking of locating here. We are always glad to welcome new neighbors.

The people who attended the Melvin picnic from this community, pronounced it a decided success. There were four ball teams present, Nine, playing Whiteland and winning the game and Melvin played Eden and won the game.

Misses Elva McCoy and Nellie Spivey visited Mrs. L. B. Alexander Sunday.

J. W. Wilder's family visited at the Butler home Sunday afternoon.

Mrs. Butler called on Mrs. Abernathy Monday.

Mr. and Mrs. Abernathy visited at Davis Sunday.

TRUTH TRIUMPHS.

Brady Citizens Testify for the Public Benefit.

A truthful statement of a Brady citizen, given in his own words, should convince the most skeptical about the merits of Doan's Kidney Pills. If you suffer from backache, nervousness, sleeplessness, urinary disorders or any form of kidney ills, use a tested kidney medicine.

A Brady citizen tells of Doan's Kidney Pills.

Could you demand more convincing proof of merit?

C. V. Glober, Brady, Texas, says: "For many years I was troubled by a dull ache in my back and across my kidneys. I consulted a doctor and he pronounced the complaint lumbago. He gave me a prescription, but it brought no relief and I tried other remedies without help. I saw Doan's Kidney Pills advertised and procured a box. Before long I noticed that the trouble was beginning to leave me and after taking two boxes of Doan's Kidney Pills, I was cured. I haven't lost a day from work since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Glober had. Foster-Milburn Co., Props., Buffalo, N. Y.

Editor Brady Standard:

Well, Jacky has been so busy, couldn't write but will try to drop a few lines this week.

A large crowd enjoyed themselves at Mr. and Mrs. J. M. Jonas' the 4th of July. All reported a nice time and plenty to eat ice cream. They fished, took pictures and some of the boys amused the women diving.

Miss Floy Dobbs went to Mercury Saturday and stayed until Monday morning, the guest of Miss Lottie Sansom.

Miss Bertha Nichols took dinner with Celia Gault Sunday.

Mr. Alfred McChristen left Monday for Runnels county, as he has employment there.

The people of this community are getting up with their work and have most of the weeds killed.

I think a good rain would be appreciated by everyone now.

J. P. Dobbs went to Brady Monday.

Bro. Moore filled his regular appointment here last Sunday.

Mrs. Grace Nichols spent several days with Miss Gracie Shaw.

Next Sunday is Baptist day here and we hope to have a large crowd.

Mr. Will Marsden was here from Brady one day last week. He is out for county clerk.

Adopt Building Plans.

Messrs. F. M. Hopkins, E. B. Elliott and Dr. O. C. Jackson, composing the board of trustees of the newly created school district known as Montgomery No. 44, met in the office of County Superintendent E. L. White Tuesday for the purpose of adopting plans and specifications of the new school building to be erected in the district, bonds for which were issued a few weeks ago.

Several architects and contractors were here for the purpose of bidding on the work and securing the adoption of their plans and specifications. The plans submitted by Henry Mount of Brownwood were finally adopted by the board.

Bids for the erection of the building will be advertised for within the next few weeks, and everything will be in readiness for the opening of school early in September.

The building will cost approximately \$6,600, exclusive of the furnishings.

There's No Sense in Taking Calomel.

Dodson's Liver Tone will fix up your liver safely and won't "kick you out" a day. A man feels very little like working and a child don't want to go to school when bilious or constipated. If you try calomel to cure you, the chances are that you will be so weakened by its after-effects that you will be laid up for two or three days more. So we say, don't take calomel! You can get a perfect remedy to take the place of calomel at Jones Drug Co., that is guaranteed to relieve constipation and give up the liver just as quickly as calomel, but without any of the bad after-effects of calomel. The name of this medicine is Dodson's Liver Tone. It is a pleasant-tasting vegetable tonic that mildly stimulates the liver and causes it to work just right without any danger of salivation. If it doesn't fully satisfy you, you may get your money back from the store where you bought Dodson's.

High School Dramatic Club Scores Another Hit.

Members of the Brady High School Dramatic club won more laurels on Tuesday night at the Airdome in the very creditable presentation of the 4-act drama entitled "Valley Farm."

The club has appeared before Brady audiences on numerous occasions, and each succeeding effort but serves to bring them into more favorable attention. This organization is composed of young ladies and gentlemen of the high school, and during the past term they have been apt pupils of Mrs. W. B. Anderson, member of the high school faculty, who seems peculiarly fitted for the work of bringing out the dramatic talent pos-

essed by her pupils. The play Tuesday night is one of the best yet attempted by the club, and the work of each individual member of the cast showed special training and careful preparation.

From a financial standpoint the returns were not adequate, as compared with the offering, and only a small sum was realized by the club, which is endeavoring to raise funds to cover a deficit in the publication of the high school annual. It is possible that Tuesday night's bill may be presented again at a later date, and it is hoped that the offering may meet with more ready response by patrons and friends of the school.

Following is the cast of characters:

Harold Rutlege, a young lawyer, W. A. Shropshire.

Perry Dean, a son of the soil, C. E. Baze.

David Hildreth, a New York lawyer, O. T. Jackson.

Silas Holcomb, owner of Valley Farm, Chas. Morris.

Azariah Keep, clock tinker, L. T. Fahrenthold.

Jennings, servant of the Rutledge Mansion, Ernest McMur-ray.

Hetty Holcomb, "a country flower" transplanted to the city soil, Sarah Johanson.

Isabel Carney, niece of David Hildreth, Harriet Pence.

Mrs. Rutledge, Harold's mother, Mary Snider.

Alvira Holcomb, sister of Silas, Virginia Miller.

Lizzie Ann Tucker, who borrows but never gossips, Ruth Schaeg.

Verbena, hired girl at the farm, Leslie Bradley.

Young Ladies Missionary Society—With Mrs. J. T. Mann Friday afternoon, July 17th.

Ladies Social Club—No meeting announced.

Stitch and Chatter Club—With Misses Jennie and Jewel Westbrook Friday afternoon, July 10th.

Five Hundred Club.

Mrs. Dr. J. G. McCall entertained this morning for the members of the Five Hundred club.

Five Hundred was played at three tables, and in the series Mrs. Sam W. Moffatt received the club prize for high score—a pickle fork, and Miss Rose Stallings was awarded a dainty

guest prize.

Delicious ice cream and cake was served to the following guests: Mesdames G. V. Gansel, R. W. Turner, J. S. Wall, J. S. Anderson, C. D. Allen, C. T. White, S. W. Moffatt, J. R. Stone; Misses Rose Stallings, Tassie Gohlman, Elizabeth Souther and Addie Conner.

It was decided to disband the club during the summer months, and no more meetings will be had until September.

For Miss Gohlman.

Misses Addie Conner and Rose Stallings will entertain next Tuesday morning with a party for Miss Tassie Gohlman of Houston, who has been a guest of the latter for the past several weeks. Miss Gohlman will leave Tuesday night for her home.

For Mrs. Hodges.

Mrs. Hodges of Atoka, Okla., who is the guest of her sister, Mrs. T. P. Grant, was honor guest at a delightful party given

by Mrs. F. W. Henderson Tuesday morning.

Forty-two furnished a pleasing diversion for the guests of the morning, and the games were close and exciting, and were played at seven tables.

At the close of the series of games the hostess served delicious ice cream and cake.

Following is the guest list: Mesdames W. D. Crothers, J. S. Wall, C. D. Allen, J. R. Stone, J. S. Anderson, S. W. Moffatt, C. C. House, J. T. Mann, Sloan of Dallas, S. S. Graham, G. V. Gansel, R. W. Turner, J. F. Schaeff, T. P. Grant, Thos. Donnell, S. A. Benham; Misses Tassie Gohlman, Rose Stallings, Chase Crothers, Harriet Cook, Esther Anderson, Mary Johanson, Mary Brook, Elizabeth Souther, Addie Conner, Mary Anderson, Amy Anderson.

Five Hundred Club.

Members of the Five Hundred club were charmingly entertained last Friday afternoon by Mrs. G. R. White.

The games were enjoyed at three tables, Mrs. J. S. Anderson receiving a set of dainty lingerie pins for high score.

Delicious ice cream and cake was served by the hostess to the following guests: Mesdames J. S. Wall, G. V. Gansel, R. W. Turner, S. W. Moffatt, J. R. Stone, J. S. Anderson, F. W. Henderson; Misses Fay Wall, Gillie Macy, Elizabeth Souther, and Addie Conner.

Entertains Guest.

Complimenting her sister, Mrs. Hodges, of Atoka, Okla., Mrs. T. P. Grant entertained a few friends Saturday morning.

Present were: Mesdames W. D. Crothers, F. W. Henderson, J. G. McCall, R. W. Turner; Misses Tassie Gohlman, Rose Stallings, Addie Conner.

Delicious ice cream and cake were served.

Woman's Missionary Society.

Mrs. I. T. Morris was hostess to the members of the Woman's Missionary Society of the Methodist church on Monday afternoon. A pleasant social hour was followed by a short program in which Mesdames Sloan, Donnell, and the Misses Lucy and Mary Morris and Maggie White delightfully entertained the guests with readings and music.

Refreshments were daintily served by the hostess, assisted by her daughters.

The society will meet at the Methodist church on Monday afternoon, July 13th, at four o'clock. All are cordially invited.

Moonlight Picnic.

A jolly crowd of young people enjoyed a moonlight picnic at the Henderson Tables Tuesday night. The party was chaperoned by Mr. and Mrs. W. D. Crothers, and was composed of the following young people:

Misses Tassie Gohlman, Harriet Cook, Rose Stallings, Chase Crothers; Messrs. Will Davidson, Herbert Wood and Broady Ogden.

B. Y. P. U. Meeting.

The B. Y. P. U. met June 28, and elected the following officers:

Tom Ball, President.
Myrtle Ball, Sec.-Treas.
Willie Martin, Organist.

CARNIVAL BOOKED.

Street Fair Will Be Given Week of August 3rd.

R. A. Josselyn, advance representative of the Dyer Amusement Co., was here yesterday afternoon and closed up a contract with the fire department for a street carnival here during the week of August 3rd.

The Dyer company is one of the strongest attractions of its kind before the amusement loving public of the South, and has the endorsement of both pulpit and press from places where they have shown. There are seven attractions, and all are of the very highest order and strictly moral.

The carnival will be put on under the auspices of the local fire department which will receive a commission on the gross receipts for the entire week, and will use the funds thus derived for the betterment of the equipment.

The event will be widely advertised throughout this and adjoining counties, and as the farmers will have practically no work to look after at this time, it is expected that the patronage of the people of the country will be large.

No use for your wife to swelter over a wood stove this hot weather. Buy her a Detroit Vapor gasoline stove. O. D. Mann & Sons.

M. D. SLATOR
Candidate for Congress, 14th District

Col. Slayden Has Been in Congress 18 Years. Does His Record Entitle Him to Another 18 Years?

(Political Advertisement)

Thus we see, Mr. Slayden has a splendid record when it comes to "Not Voting". Out of thirteen important bills during this session, Mr. Slayden exercised the privilege of a representative by voting aye or nay four times. Four times out of thirteen times up. This is another of the instances that goes to show that the fourteenth congressional district is without representation. In the list of bills published above this district should have been represented thirteen times. As the records show it was represented four times. This information has been secured direct from Washington. It is straight from the records and we challenge any Slayden supporter to deny it.

CROP REPORT.

Condition of Crops Generally Are Very Good.

The following report on 1914 crop conditions is sent out by the Texas Industrial Congress:

Dallas, Texas, June 27--The continued bright weather has been the biggest asset of agricultural Texas during the last two weeks. The July Government cotton report is not out at the time of preparing this bulletin, but it is certain to show a good advance over the June statement of conditions, in spite of the fact that the crop is very "spotted." The weevil has begun to be quite active in South Texas, but the dry weather is helping the situation as far as favorable weather conditions can do it. Cotton has suffered somewhat in North Texas through the fact that the farmers having both grain and cotton were compelled to get busy on their grain harvest at the time when they would have been glad to clear their cotton of weeds and do some needed cultivation. There are still a great many weedy fields, and a small percentage of the cotton acreage will be abandoned altogether because it has been impossible to get the work done necessary to save it. The corn crop has been coming rapidly into a condition of great promise; and the same may be said about kafir and milo. The corn crop is, of course, like the cotton in being at all stages of growth, and in places where the plants did not root properly the blades look rather tossed and wilted in the heat. But all things considered, the outlook for 110,000,000 to 130,000,000 bushels of corn on an acreage somewhat less than that of last year is

HAPPY MOTHERHOOD

The happiness of motherhood is too often checked because the mother's strength is not equal to her cares, while her unselfish devotion neglects her own health. It is a duty of husband or friend to see that she gets the pure medicinal nourishment in Scott's Emulsion, which is not a drug or stimulant but nature's concentrated oil-food tonic to enrich and enliven the blood, strengthen the nerves and aid the appetite. Physicians everywhere prescribe Scott's Emulsion for overworked, nervous, tired women; it builds up and holds up their strength. Get Scott's at your nearest drug store.

very good. And in the meantime from Central Texas north to the Trans-Canadian country the harvester and the threshing machines are changing into marketable shape one of the greatest small grain crops gathered in this State for many years.

Northeast Texas: The wheat and oat crops are harvested and are being threshed and coming on the market. The yield, counting the acreage, condition and other factors will be little, if any, less than the average yield. The lowland small grains suffered more or less from the rust but the black land counties in this section of the State will maintain their usual averages. The corn, except that which was planted on overflow land, is in very good shape; and while it will be somewhat later in maturing than last year, the progress of the crop during the past two weeks has been very encouraging. The corn was greatly helped by a pretty general rain on the 17th and 18th, just when it was beginning to suffer. The farmers of North Texas ought not to be blamed for failing to use such energetic cultivation as would conserve the moisture already in the ground and make them independent of supplemental rains; they have been so busy with the small grains, replanting cotton, and clearing up their fields that they could not do it. They and their friends ought to consider, however, that the rains of the 17th and 18th may be the last for some time, and be governed accordingly. From the present outlook, the corn, while not so good as last year, and of several sizes, is in shape to make a good yield, not much less than the average. The acreage will be 5 to 10 per cent less than that of last year.

What has been said of the corn applies measurably to the cotton situation. No boll weevils are reported in this section and considering the average summer rainfall it is very likely that there will be none. The upland cotton in the cleared fields is in fine shape and is growing vigorously. From 10 to 20 per cent of the fields are still weedy, and speaking generally for the section, the acreage will be some-

Satchell, Edith Leach and the unknown heirs of Edith Leach, Elmer Leach and the unknown heirs of Elmer Leach are Defendants, and said petition alleging that Plaintiff resides in Galveston County, Texas, and the residence of each and all of the defendants is unknown to plaintiff; and that heretofore, to-wit, on June 17, 1914, plaintiff was and is now the legal and equitable owner and holder of all that certain tract of land situated in McCulloch County, Texas, and being the 320 acre tract known as Survey No. 1290, and originally granted to the heirs of Friedrich Schach by Certificate No. 514, being Abstract No. 1225 and patented to the heirs of Friedrich Schach by Patent No. 242, Vol. No. 16, which patent is here referred to and made part hereof for description, and plaintiff is now entitled to possession of said land, plaintiff owning and holding said land in fee simple title, and plaintiff was entitled to the possession thereof

on June 17, 1914, at which time the defendants unlawfully entered upon and dispossessed plaintiff of said land and premises and now withhold from plaintiff the possession thereof. Plaintiff does not know the nature of the claim the defendants have on and to said land. Plaintiff claims said land by virtue of the laws of limitation of the State of Texas as well as under title from the State of Texas. Plaintiff and those whose estate he has have had and held continuous, peaceable and adverse possession of said land, cultivating using and enjoying the same and claiming the same under title and color of title for more than three years prior to June 17, 1914. Plaintiff and those whose estate he has have had and held continuous, peaceable and adverse possession of said land, cultivating using and enjoying the same and paying all taxes thereon, claiming the same as their own under deeds duly registered for more than five years next prior to June 17, 1914. Plaintiff and those whose estate he has have had and held continuous, peaceable and adverse possession of said land, cultivating using and enjoying the same and paying all taxes thereon, claiming the same as their own. Plaintiff's title to said land and on which he basis his limitation is, in addition to possession and use and payment of all taxes, as follows:

1. Patent from the State of Texas to the heirs of Friedrich Schach, deceased.
2. Deed from Gottlieb Schach and Fredericke Schach to Jacob DeCordova.
3. Deed from Jacob DeCordova to James Converse.
4. Deed from James Converse to James Satchell and W. G. Nelson.
5. Deed from J. P. Sheridan to H. M. Truehart & Company, Attorney in Fact for W. G. Nelson and James Satchell.
6. Deed from W. G. Nelson et al to H. M. Truehart, John Adriance and Lucian Minor.
7. Power of Attorney by Clarence Satchell et al to Will A. Satchell.
8. Deed by Will A. Satchell et al to H. M. Truehart.
9. Deed from John Adriance to H. M. Truehart.
10. Deed from Lucian Minor and John Adriance to H. M. Truehart.

WHEREFORE plaintiff prays that citation issue for the defendants and that plaintiff have judgment against each and all of the defendants for the land and premises above described and for the restitution of same and for damages and that all claims of defendants in and to said land be cancelled and for costs of this suit and for such other and further relief to which plaintiff may be entitled.

Herein I fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the Seal of said Court, at its office in Brady, Texas, this 18th day of June, A. D. 1914.

Character.

Character, the "amaranthine crown," is the one thing the soul carries with it into the future life. What we have been in our body during its life is what God sees in our souls after death. It is sometimes considered difficult not to associate character with rank or genius, but it is true nevertheless that wealth, erudition or influence will not make character.

Solomon in all his glory and wisdom proved to be weak in character, and Cecilia, the humble, blind Roman maid, wore the fadeless coronet which became the martyr's crown.

All the riches of the world, all the products of the understanding, all the cultivation that can be given to the mind will not make character.

The greatest monarch in the world clothed in his royal robes may walk forth and meet a humble peasant who can "Tread an equal palace full of light."

The wonderous temple of the soul is not builded without great care and watchfulness. If the seeker has not been fortunate enough to have had a good mother to lay the foundation stones, he need not despair. All, childhood, manhood and old age, may strive to "wear its immortality."

When one has acquired an honesty of purpose, a steadfastness of soul and a mind illumined with the light of love, he may safely consider himself on the right path. To be truthful, even at the expense of success,

requires a strong and noble determination. To be honest in the secret chambers of the heart, to have the courage to call a sin by its right name, and not invent one full of fanciful but misleading suggestions, to learn to be patient in affliction and strong in adversity, and above all to lift the heart with confidence to God, and it will not be long until there will be an indelible impression on the soul, which will go into the future life to bear the scrutiny of the All Wise.

As charity can never be severed from love, being a part of it, so charity can scarcely be separated from the truth, being its essence.

Travel-Talk Bores.

"Now is the season when all the world, just back from Europe, is bent on boring us with travel talk."

The speaker was Mayor Rockwell of Akron. He resumed:

"There are a number of ways to shut these travel bores up. A good way is the Coliseum one.

"The bore says to you enthusiastically:

"And in Rhome I saw the Coliseum by moonlight. Um-m-m, wasn't it fine!"

"The Coliseum?" you answer calmly. "Which one?"

"Of course there's only one Coliseum. But the bore isn't sure about it, and, if there are two, he doesn't want to expose his ignorance. While he hems and haws and stutters, very red in the face, you can easily make your escape from him."--New Orleans States.

WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework.

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.

CROP REPORT.

(Continued from Page 6.)

what reduced from that of last year, and while the outlook for the yield is now much better the estimate of 65 given by the government as of June 1, it will not be as large as that of last year. A small fruit crop is now almost ready for the market. The grain sorghum crop will be 20 per cent better than that of last year.

Northwest Texas: Heavy yields of small grain are reported generally over the Northwest, with averages around 20 bushels of wheat to the acre. The yield will not maintain this acreage throughout this section, but it will be heavy. The oat yield will be somewhat better than for last year, and is better in certain sections of the Northwest than elsewhere in the state. Corn and cotton are growing off nicely and the cotton will make a good, though late, yield from present indications. No damage is reported from insect pests or plant diseases. The corn in the lower counties of the Northwest is in fair condition, but must have frequent light cultivation if it is to finish with a reasonable yield. The farmers of this section would make twice as much feed values in kaffir corn or milo maize per acre on an average as they could hope to make on corn in the counties where the rainfall during the growing season is less than 30 inches, and that includes every farm in Texas west of the 98th meridian. There is a largely increased acreage of kaffir and milo on the Plains, which may be expected to make an increased yield over last year. But the counties not on the plains should depend more on the grain sorghums and less on corn than is now the case. One more general rain will make a reasonably good yield of corn in the lower counties; two will make a very good yield.

Central Texas: The main dependence of this section will be on the outcome of the corn and cotton, and to a less degree of kaffir or milo. The damage to the small grain crops from the rains earlier in the season could not be made up and the yield is, on the average, not better than

that of former years. The cotton crop, where it has been cleared and cultivated, is growing off well and in the upper counties there has been no damage from the boll weevil. South of Waco more or less trouble from weevil is noted, but the growers, by constant light cultivation, picking up the fallen squares several times a week and burning them, and using poisons on occasion, can prevent possible losses to a very great degree. The damage from this cause in Central Texas is not yet material; in fact, probably half the cotton is so late by reason of successive replantings that it is not yet in the stage where weevils can give trouble. Corn is in good shape, though unequally advanced, and with heavy rains should make heavy yields. The grain sorghums are in good shape, and the tomato crop, now being sold in carload lots at Jacksonville, is good in quantity and quality and is bringing good prices.

Southeast Texas: Warm, dry weather, with the rain in the week ending the 20th, is just what this section, including the Sabine counties, most needed. The southern counties were already in good shape two weeks ago, except for the possibility of losses from weevil. Considerable uneasiness is felt from this source, but no close estimate of actual damages can be made, in a few places it may run as high as 25 or 30 per cent, but generally is less than 10 per cent. The first bale will likely be reported within three weeks, certainly within four, and the losses from the weevil can be minimized by preventive measures. Corn in this section is in very good shape, but should receive cultivation even until the grains are hardening. A yield considerably less than that of 1913 may be expected 65 to 75 per cent. A very heavy acreage of grain sorghums has been planted and is coming rapidly to maturity. A rough estimate is 150 per cent of last year's yield in this section. The grain sorghums received little damage from the excessive spring rains and in many cases where other crops were lost the ground was replanted with kaffir and milo. South Texas melons have been on the market since June 1st. They will supplement the already profitable truck crops that were marketed earlier.

Southwest Texas: Crop conditions and range conditions continue to be the best in this section for years. There will be a larger acreage of kaffir and milo than usual, and the crop is assured.

General: Texas is harvesting and threshing the small grain crop and needs farm labor badly. Notwithstanding the unusual spring, the principal crops have been or promise to be as good or better than the average, and South Texas has fared well with the truck crops. Considering all things, there is little reason for business to be other than encouraged, generally speaking, over the 1914 crop.

FIRE PREVENTION.

By S.W. English, State Fire Marshal.

It has been declared that an ounce of prevention is worth a pound of cure. It is equally true that an ounce of fire prevention is worth a pound of fire fighting.

The man who is constantly on the alert to ward off fire has a faith that is far stronger than has the man who is careless with his property and who depends upon the zeal of fire fighting companies and the number of pounds of water pressure maintained by the waterworks.

Keep your premises free from filth. Keep them free from trash. Keep them insured against destruction by your care, rather than to trust solely to your insurance policy and to the powers of firemen and their fire fighting machinery.

A pall of smoke ascending from your property as it goes to feed the maw of the fire-god can have no silver lining. It is a black cloud and in nine cases out of ten leaves a black mark on your conscience.

Don't save all your energy to fight fires with; use some of it to prevent fires.

FACTS ABOUT TEXAS CITIES

(Editor's Note—This is one of a series of articles dealing with Texas cities, their past history, present advantages and future possibilities.)

Mexia, Limestone County, founded in 1872, was named in honor of General Mexia of the Mexican Army, whose holdings in this section were once large. The town is situated on two trunk lines, the H. & T. C. and the T. & B. V.

There are fifteen miles of cement sidewalks and crossings laid at a cost of \$40,000. Two exceptionally strong banks with deposits of \$1,000,000 are located here.

Thirty-two of the largest gas wells of the southwest were recently brought in here, and Mexia is now supplying several towns with fuel.

Several factories have been procured, others are wanted. The location of the H. & T. C. shops here will give employment to about 275 men.

Since the discovery of fine brick shale near Mexia, two plants are under construction for brick manufacture.

The town is situated in the center of a very rich farming district and crop failure is practically unknown.

Why Fret?

Are the trains too slow for you? Caesar, with all of his court, never "exceeded" the speed limit.

Are your wages too small? In Europe people are content with making a living.

Are the lights too dim? David wrote his psalms by the light of a smoky torch.

Are you ugly? Cleopatra, though homely, bewitched two emperors.

Are you cold? The soldiers of Valley Forge walked barefooted on the ice and snow.

Are you hungry? The children of India are starving for want of a crust of bread.

Are you tired? Why fret about it? Jacob was tired when he dreamed of the angels of Heaven.

Are you sick? Suppose you had lived two thousand years ago when sickness was fatal.

Are you poor? The Savior of Men was not wealthy.

Cheer up! Praise God that you live in the midst of his blessings.

Opens New Store.

The Wide Awake store, located on the north side of the public square was opened for business yesterday morning at 10:00 o'clock, and for several hours after the opening the house was well filled with buyers.

The new store presents an unusually attractive appearance, the interior of the building having been recently treated with new coats of paint and kalsomine and the walls decorated in the national colors. For the present a stock of dry goods and notions will be carried by the new store, but other lines will be added this fall to meet the requirements of the trade.

P. L. Burke, recently of Dublin, is the proprietor of the Wide Awake, and a valuable addition to the business and social circles of the city. He will be assisted in conducting the business by Mrs. Burke and Miss Georgia Hodge.

Mr. Burke is a live wire, and says that in conducting his business he is going to live up to the name which he has chosen for the new store.

If you don't see what you want, ask for it, we have it at H. P. C. Ever's saddle shop.

FOR JUDGE SLATOR.

Hon. Osceola Archer Spoke In Brady Saturday Night.

In a 45-minute speech at the court house last Saturday night Hon. Osceola Archer of San Antonio vigorously assailed the record of Congressman Jas. L. Slayden during the time the latter has represented this district.

Judge J. E. Shropshire introduced the speaker in his usual characteristic way.

In the course of his remarks Mr. Archer vouchsafed the statement that the politics of the county had undergone a mighty change since Mr Slayden was first elected to the National Congress, and that he had failed to keep abreast of the times, and by that neglect had lost his identity with the best interests of the 14th district. He charged that Mr. Slayden was out of harmony with practically every department of the federal government, and that because of that fact he was not in position to properly represent the district. Mr. Slayden was condemned in no uncertain terms for the transfer of federal troops from Fort Sam Hous-

ton to Texas City, the speaker charging that he was in league with the big oil companies which practically own Texas City, and that these companies would reap a rich harvest by reason of the transfer. He was also charged with not only having done nothing to contribute to the growth of Fort Sam Houston, but actually retarded its growth.

On Mr. Slayden's vote on the Mexican policy the speaker stated that the fact that he held valuable mining concessions in Mexico was responsible for his attitude on the question of intervention by the United States, and that his vote on this question was further proof of his discord with the policies of the administration. Mr. Archer closed his speech by eulogizing Mr. Slator, paying him a high tribute as a man, as a jurist and a statesman, and predicted his election by an overwhelming majority.

Mr. Archer is a pleasing speaker, and was given close attention during his speech, his remarks being frequently applauded.

NOTICE TO THE PUBLIC

I have recently learned that certain parties in this county have been circulating slanderous reports, that if permitted to go unchallenged or unrefuted, would seriously affect my reputation as an honest citizen of the county. In defense to myself and wife, I am impelled to refute and counteract the reports, and will earnestly request every citizen of our county to carefully investigate the charges brought against my character, and if you find them true, condemn me, but if you find them false and slanderous as I know them to be, then help me to vindicate the wrong; for my character is about all I have in this life. 'Tis reported that while working for D. G. Benchoff at Menard, Texas, about 10 years ago, that I embezzled certain funds belonging to him. This is pure and unfounded slander, and I ask the people to read the following statements and endorsements from the business men of Menard, all of which are dated after the time that I worked for Mr. Benchoff.

"Menard, Texas, July 4th, 1914.
 To whom it may concern:—I understand there is being circulated in McCulloch county, a report to the effect that Henry R. Hodges, while in my employ, about ten years ago, "Beat me out of a lot of money, in the purchase of goods for me and otherwise." I wish to say this is untrue, and further that Mr. Hodges' work while in my employ was satisfactory."
 D. G. Benchoff.

"Menard, Texas, April 4th, 1914.
 To whom it may concern:
 Henry Hodges resided in Menard for several years, working as a clerk in stores and other business. We consider him honest, reliable, and a young man of good character.

I have the originals of the above statements and recommendations, all of which, I will gladly exhibit to anyone desiring to see them. I will cheerfully refer any one to any of my acquaintances, as to my reputation, and accept the verdicts of the honest and respectable people of any community in which I have lived. Mr. W. B. Beakley of Mercury has seen and talked with Mr. D. G. Benchoff on either July 6th or 7th, 1914, and authorizes me to refer to him to prove the falsity of the slanders circulated about me. My life has been an open book, and I never thought that it would become necessary to defend my reputation in a community where I had lived as long as I have in this.
