PEAR VALLEY DOINGS.

Jas. Priest Buys Watkins Farm in the Valley.
 Pear Valley, Texas, Nov. 29. Editor Brady Standard: Winter time is here in dead earnest, and all West Texas is being furnished the free of cost today—a sort of Christmas trick.

Yesterday was a busy day in the Valley. The Baptist people held their regular monthly service, morning and evening, Rev. Bolding filling the pulpit.

Cupid is getting in his work in the Valley as Christmas draws near. Mr. Ed Fortson and Miss Mary Russell were united in the holy bonds of wedlock, Rev. McCalkel officiating. The community at large joins in congratulations.

Yesterday about 10:30 a. m. Mr. Aubrey Duncan and Miss Edna Peel drove up to the residence of L. D. Ferguson, hallowed "hello." Mr. Ferguson walked out, bid them the time of day and invited them in, but both said they hadn't time, and by this time Mr. Duncan had drawn an official-looking envelope from his pocket and handed it to Mr. Ferguson to examine. It proved to be a marriage license, properly signed and sealed, and Mr. Ferguson proceeded to tie them up in short order, and well for the young couple that he did, for in less than twenty minutes the young lady's father rode up, his horse a perfect lather of sweat. Mr. Ferguson asked him what was up that he was riding so hard. He said he was trying to catch those children before they could get married. Then it dawned upon Mr. Ferguson that he had

married a runaway couple, thinking that everything was agreeable. Mr. Peel acknowledged that Duncan was a well-behaved and an industrious young man, but that he wanted his daughter to attend school another year. Mr. Ferguson advised him to go home, treat them right, and encourage them all he could. And everybody is wishing them joy and happiness.

Our school is progressing nicely under the management of our able principal, Prof. Taylor, and his two assistants, Misses McGaughey and Bannister.

Pear Valley was treated to a lively time in the way of a box supper on last Friday night. It is hinted that there was an understanding among the married men to make the boys pay dear for their boxes, which they did to the tune of \$59.75, boxes bringing all the way from \$1.25 to \$5.50. But the boys caught on and some of the married men got unloaded on at good prices.

A deal was closed several days ago by which Jas. Priest of Lott becomes owner of what is known as the Watkins place. The tract consists of 160 acres, 140 in cultivation, and is one of the best farms in the Valley. Consideration, \$4,000.

J. H. Marshall is building a new smokehouse, preparatory to hog killing.

W. D. Priest went to Sonora last week on business, making the trip in his Ford.

It became known yesterday that two women and two children were camped near J. W. Jones' in destitute circumstances. One of the women has an infant and had lately lost her husband, and was on her way to San Antonio, where her people live. Messrs. Smith, Howard and Jones immediately supplied their wants with a goodly amount of groceries, and after church services last night a collection of \$10.50 was given to them. Pear Valley has a heart. 25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save Your Hair! Make it Thick Wavy and Beautiful—Try This!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied cause the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

Says Woman's Beauty Depends Upon Health

Health and Vigor Necessitate Regulation of Organs of Elimination.

Skin foods and face creams and powders cannot make a woman beautiful, because beauty lies deeper than that—it depends upon health. In most cases the basis of health and the cause of sickness can be traced to the action of the bowels.

The headache, the lassitude, the sallow skin, and the lustreless eyes are usually caused by constipation. An ideal remedy for women, and one that is especially suited to their delicate organisms, is found in Dr. Caldwell's Syrup Pepsin, a mild laxative compound, pleasant to the taste and free from opiates and narcotic drugs of every description. Mrs. Gertrude Jordan, 522 North Liberty St., Indianapolis, Ind., says: "It is simply fine; I have never been able to find anything to compare with Dr. Caldwell's Syrup Pepsin. I started using it for the baby

MRS. GERTRUDE JORDAN

and now it is my family standby in a all cases where a laxative is needed."

Dr. Caldwell's Syrup Pepsin is sold in drug stores for fifty cents a bottle; a trial bottle can be obtained, free of charge, by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

FAMILY CARES.

This Information May Be of Value To Many a Mother in Brady.

When there is added to the many cares inseparable from the rearing of children that affliction of weakness of the kidneys and auxiliary organs, the mother's lot is far from a happy one. This condition has often been corrected by the use of Doan's Kidney Pills. When relief comes the mother's burden will be lighter and her home happier.

Mrs. M. F. Fuller, Brady, says: "A younger member of my family had a severe attack of scarlet fever at the age of three. It was right after this that the kidneys weakened. There was hardly any control over the kidney secretions and the patient's back hurt all the time. I tried different kidney medicines and also get a physician, but without any results until Doan's Kidney Pills were used. After taking two boxes, the kidneys and back became stronger and the patient was in much better health." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Fuller recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

THE BRADY STANDARD

Official Paper City of Brady.

Absorbed the Brady Enterprise and the McCulloch County Star May 2nd, 1910.

Published on Tuesday and Friday each week by

H. F. Schwenker, Editor
S. M. Richardson, Manager

BRADY, TEXAS, Dec. 3, 1915.

OUR NEIGHBORS.

The Standard receives many splendid papers each week—papers that are far above the average, and that reflect the public spirit and progressive, as well as aggressive, business spirit of the merchants of the towns in which they are published. But the past week has brought to our desk more and better papers than ever before.

The Hamilton Herald, one of the liveliest, most readable and best patronized weeklies in the state, last week comprised 16 pages and came with the announcement: "The Herald very modestly directs the attention of its esteemed exchanges especially to the business features of this week's issue of the paper. This is not a special edition, but just a regular issue, and in its advertising columns nearly every business firm in our town is represented. We frequently print a 16-page edition of the Herald, and sometimes 20 pages, hardly ever less than 12 pages. And this is because we have an enterprising set of business men here who believe in advertising and who get the business. We are really proud of this feature of the paper because it reflects credit on our town, and we like to feel proud of Hamilton."

Then there was the "Prosperity Week" editions of the Brownwood Bulletin. The Bulletin is always a readable paper, but Editor White and the Bulletin force have been making the paper "more better" all the time, and the eight and twelve page daily editions show their efforts are meeting with approval and encouragement from the live wires of that city.

To the Daily Courier-Gazette of McKinney must be given the palm for the greatest Thanksgiving edition of a small-city daily we have ever seen. McKinney is not an overly large city, yet it took 72 pages to accommodate the business accorded the Thanksgiving edition, while 48 pages comprised the weekly edition. McKinney is one of the best newspaper towns in Texas, yet it required splendid business and executive ability to secure and take care of such a mammoth patronage and we feel safe in saying that to a former Brady boy is due credit for this remarkable performance. A. G. Mayse, known to all Bradyites as "Pat" Mayse, has had charge of the advertising department of the Courier-Gazette for the past four years, and has made a success unsurpassed by the best advertising experts.

The Brownwood News is another neighbor of The Standard's to show its enterprise by issuing a splendid edition for Prosperity Week in Brownwood. The News is one of the best local papers in this section, and has attained an enviable position in the journalistic field. Its Prosperity Edition is of the highest class, and sets a standard that reflects credit upon itself and Brownwood as well.

TO THE LADIES.

The editor of the Hamilton Herald enumerates all the good things the women of Hamilton have done in a civic way and concludes with a "God bless the good women of our city." Were it not for the pride of the ladies of the land our smaller towns would reek in filth and we would live in squalor. Comanche is cleaner today than ever in its history. There is and has been less sickness in the town than ever in the life of the city. Last summer Comanche escaped the dreaded typhoid epidemic, and neither the business men nor the doctors nor any organized set of men may claim the honor. It belongs to the good ladies of the town, who, as the civic league, started a crusade for cleanliness and such impetus was given the move that it has not stopped yet. Woman in woman's sphere is the greatest power the Creator unleashed in all His elements. We join in a "God bless the good women of our city."—Comanche Chief.

There is no greater service that womankind can perform than in their crusades for civic cleanliness and civic righteousness. No town is a really good town unless the ladies are behind the moves for progress and improvement.

Quail season opens today, and sportsmen with weak nerves and eyes are warned not to mistake milkmaids for partridges.—Dallas Evening Journal.

The young Emperor of Japan is said to be exhausted from the effects of his coronation ceremonies. Among other things required of him was the telling of his ancestors about his ascension to the throne, and as the line of them is three thousand years long, probably he had to speak awfully loud to make himself heard that far back.—Dallas News.

I. T. MORRIS, Pastor.

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood, and each succeeding attack seems more acute until rheumatism has invaded the whole system. To arrest rheumatism it is quite as important to improve your general health as to purify your blood, and the cod liver oil in Scott's Emulsion is nature's great blood-maker, while its medicinal nourishment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.

To the Methodists of Brady.

To those who were not present and did not respond to the appeal for the orphan's home on last Sunday I wish to present to you another and a very worthy institution—the Rescue Home at San Antonio. We are assessed \$23.00 for this home. This, and a few other small assessments should have early attention. I shall call on you soon and hope to be able to pay off these small matters before the holidays are over. Let us remember these unfortunates during these days in which we celebrate the advent of the great Deliverer. I. T. MORRIS.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is catarrh. Catarrh being greatly influenced by constitutional conditions requires constitutional treatment. Hall's Catarrh Cure is taken internally and acts thru the blood on the Mucous Surfaces of the system thereby destroying the foundation of the disease, giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in the curative powers of Hall's Catarrh Cure that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

TAKE "CASCARETS" IF HEADACHY, BILIOUS AND CONSTIPATED

Best for Liver and Bowels, Bad Breath, Bad Colds, Sour Stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system, is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

Thanksgiving Party.

Mrs. W. E. Campbell was hostess at a very delightful Thanksgiving party on last Friday evening in honor of the Five Hundred club, their husbands and gentlemen friends.

Five Hundred was enjoyed at five tables, Mrs. John Wall receiving a cut glass nappy for high score, and Mr. Chas. White receiving a smoking set as gentlemen's prize.

Refreshments served consisted of chicken salad, sandwiches, olives, potato chips and steaming coffee.

Guests for the evening were Dr. and Mrs. J. S. Anderson, Dr. and Mrs. J. G. McCall, Messrs. and Mesdames B. Simpson, J. S. Wall, C. T. White, G. R. White, W. W. Walker, W. L. Hughes; Mesdames G. V. Gansel, R. W. Turner; Miss Elizabeth Souther, Mr. Harry Schwenker.

WAR UPON PAIN!

Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin H. Soister, Berkeley, Cal., writes: "Last Saturday after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new." March, 1915. Did you ever give thought to the fact that it is largely due to the material aid and encouragement given by banks and bankers that this is a country of homes and home owners?

Do you realize that this aid and encouragement, which has been such a help in making improvements and advancing property values, was possible only because many people deposited in banks their surplus money, the money for which they had no immediate use?

Senior Press Report.
 On the gridiron just south of the high school building the Brady High School Foot Ball team entertained the Brady Town team for about 52 minutes on Thanksgiving day. The town boys had our team outclassed in weight and experience, but for endurance and fighting to the last minute, our team was in every way their equal. The final score was 26 to 0, in favor of the town boys.

Freshmen Class Report.
 The stove in the English room has been repaired. This is a great relief to the "Fish," as some of them thought their lives were in danger.
 The Freshmen class owes Mrs. Anderson their thanks because she has not entertained them an afternoon this week. Zeda Placker is absent this week.

Last Saturday night Mr. Power gave an entertainment for the benefit of the school, a part of the proceeds to be used in paying for the piano.

Mr. Power has journeyed through the large cities, New York and Boston. While he was going through these places he took pictures of thrilling sights, and he is now showing the people of this western country what

is going on in these large eastern cities. The title of the interesting series of pictures and Mr. Power's lecture was "Where the Two Halves Live." Among the most interesting scenes was one of Longfellow's old home. There were also pictures of elevated car lines of Boston and of the homes of the extremely rich and the extremely poor. In the harbor of Boston was the noted ship Priscilla. Mr. Power boarded this vessel and went to New York. Here, too, he made pictures of the beautiful buildings and of the homes of the rich and the poor. Later the motion picture, "A Bicycle Tramp," was greatly enjoyed by all. The school received about \$14.00 as its share of the proceeds.

Teacher: A fool can ask more questions than a wise man can answer.
 Raymond: That's why I flunked in that last test.

Mrs. Anderson: "You boys are certainly going to have some problems to solve."

Fish: "Aw, that will be all right. We'll have the women to help us fight 'em then."

Out of the entire high school, only eight passed in everything. Four of the eight were Freshmen. This certainly is some record for the "Fish."

SEVERE PUNISHMENT

Of Mrs. Chappell, of Five Years' Standing, Relieved by Cardui.

Mt. Airy, N. C.—Mrs. Sarah M. Chappell of this town, says: "I suffered for five years with womanly troubles, also stomach troubles, and my punishment was more than any one could tell."

I tried most every kind of medicine, but none did me any good.
 I read one day about Cardui, the woman's tonic, and I decided to try it. I had not taken but about six bottles until I was almost cured. It did me more good than all the other medicines I had tried, put together.

My friends began asking me why I looked so well, and I told them about Cardui. Several are now taking it.

Do you, lady reader, suffer from any of the ailments due to womanly trouble, such as headache, backache, sideache, sleeplessness, and that everlastingly tired feeling?

If so, let us urge you to give Cardui a trial. We feel confident it will help you, just as it has a million other women in the past half century.

Begin taking Cardui to-day. You won't regret it. All druggists.

Report for Seventh Grade.
 Myrtle Williamson has been away from school for several days.

Mr. Hughes, in Arithmetic class: "We are now studying bank notes, learning how to write a note when we lend money."

Bill: "I won't have to study my arithmetic then, will I? I don't aim to lend my money; I aim to spend it."

Raymond Hutto is back in school, after being absent several days.

Red (Henry Alston) has finished his course of study in the seventh grade and is now taking his vacation.

Miss Ryan, to Pinkie Pinder: "You may go into the study hall."

Pinkie: "What have I done?"
 Miss Ryan: "Nothing, that's why you may go."

Bill Hill's and Miss Mildred Norris' ear drums are bothering them this week, for Prof. Hughes has been having to shout, "Hey" to make them pay attention in Arithmetic class. Wonder if his throat hurts him.

Thoughts by the Superintendent

Last week we made a mistake in reporting the names of those entitled to a place on the honor roll. The fact is we left a few off who are justly entitled to the honor. Those whose names were omitted are:
 Alice Samuel
 Jewel Westbrook
 Lula Gay
 Duke Jones.
 Gladys Walker
 We hope to not make such mistakes in the future.
