Renfro vs. Willoughby Occupied Greater Part of Week.

The case of J. C. Renfro vs. E. E. Willoughby, suit for damages for defamation of character, was the first on the civil docket, and was called Monday. The case was a long drawn out and hard fought one, some forty witnesses having been examined. The case went to the jury yesterday afternoon, and so far, no verdict has been reached.

The case is the outgrowth of the burning of some stacks of oats on the Willoughby farm in the Rochelle community on the night of July 3, 1914. Harrison & McCaugh of Brownwood were counsel for the plaintiff, while defendant was represented by

Methodists Decide to Erect Brick or Re-Inforced Concrete Church Building.

At an enthusiastic gathering of the members of the Methodist church at the tabernacle on Tuesday evening, at which both men and women were present, the matter of replacing the burned Methodist church building with a modern and substantial edifice was taken up for discussion. It was the sentiment of those in attendance that no better opportunity was afford-

LOGGING ROAD.

D. E. Colp and T. P. Grant to Fort Worth.

T. P. Grant, Brady's champion good roads booster, returned in the wee sma' hours of Thursday morning from San Angelo, where he had gone to meet and accompany D. E. Colp, secretary of the Texas Good Roads association, to Brady. Messrs. Colp and Grant left at 7:00 o'clock Thursday morning on their mission of logging the highway from Brady via Brownwood to Fort Worth. Enroute they stopped at Rochelle, Mercury, Winchell and other points, delivering good roads addresses and arousing the citizens of these communities to the importance of joining in the good roads movement.

That Brady is in the limelight as a result of her good roads activities, and is getting much favorable publicity is evidenced from the following article reprinted from the Fort Worth Star-Telegram, date of September 28th, which reads as follows:

"Fort Worth business men will go to Granbury in automobiles Friday afternoon to escort into Fort Worth a good roads delegation which left Brady

Wednesday morning.

"To stimulate interest in a new highway from Fort Worth to Brownwood, Brady, and the Menard country is the object of the tour which was undertaken from Brady Wednesday morning. D. E. Colp of San Antonio, of the Texas Good Roads association, is at the head of the party.

"Good roads meetings are being held all along the line of the Fort Worth & Rio Grande. A delegation from Brownwood went to Brady to escort the party to that point. A meeting was held Wednesday afternoon at Brownwood. Comanche, Dublin, Stephenville and Granbury have all got representatives on the tour, and good roads meetings will be held at each point.

"The last meeting will be held Friday afternoon at Granbury, preparatory to the run into Fort Worth."

building will be taken.

While the matter really has had no serious consideration upon the part of the members, embryo plans calls for an attractive edifice of pressed brick or re-inforced concrete. The building will be ample for the needs of the congregation for many years to come, and its attractive location on one of the city's most traveled thoroughfares will make it one of the show places of the city.

In view of this fact, it is to be hoped that the citizenship will show appreciation of this noble enterprise by making liberal donations towards the building fund.

ed for the undertaking than right at the present moment, and it was thereupon unanimously decided to erect a modern church building at a cost not less than \$15,000.00. The site of the burned building was selected as the location of the new place of worship.

Upon subscriptions being called for, over \$7,000.00 was subscribed by those present. Together with the cash on hand and what can reasonably be expected from the church extension board, the membership now has a building fund of about \$10,000.00. With this splendid beginning, there is no doubt but

what the entire sum desired will be subscribed by the remaining members of the church, and those citizens who are interested in the project of a modern place of worship. In view of this fact, the membership feels justified in the beginning of the work on the new building at an early date.

A soliciting committee composed of Messrs. F. M. Richards, B. L. Craddock, J. H. White, A. N. Bryson and C. P. Gray was named, and as soon as this body completes a canvass of the members and friends of the church another meeting will be called, at which definite steps towards

Free Fall Fair, Brownwood, Texas

Send Us Your Mail Orders For Anything Needed Before the Fair

October 4, 5, 6 and 7

Bring the Whole Family and Prepare to Spend the Whole Week

The Fifth Annual Fall Fair will be held in Brownwood, Texas, Wednesday, Thursday, Friday and Saturday, October 4th, 5th, 6th, 7th. Arrangements are being made and completed for the largest and most successful fair ever held in Brownwood or the surrounding country. People from all over the State will be here, so prepare to come and be with the crowd.

This Free Fall Fair is not organized on a money-making basis, but to further the agricultural, industrial, educational and social interest of the people of Brown County and surrounding counties.

All possible pains will be taken to make a visit to Brownwood during this Fair one of the most pleasant outings of your whole life.

There will be livestock and poultry exhibits; all kinds of shows and amusements, and in fact everything that goes to make a Fair of this kind a success.

Jennings, therefore, takes pleasure in thus extending to you a hearty and cordial invitation to attend this fair, and above all, to visit our store while here. It will be a pleasure to you to see the many new things we are showing in Women's and Misses' Wearing Apparel, Silks, Dress Goods, Shoes, Hosiery, Etc. Everything is in readiness for Fair Week and we are going to expect you. Come!

Advance Models in Fall Millinery The Famous "Gage Hats"

The Wortham Show Co.

of Danville, Ill., will furnish the following attractions during Fair Week: Hippodrome Circus, Athletic Show, Arabian Knights, Freak Platform Show, Merry-Go-Round, Ferris Wheel, Wild West Shows, Palace of Illusions, Wilson's Model City, Snake Oid, Motordrome, Marshall's Old Plantation, Panama Canal and The Great Battle of Darzenelles, showing big ships and thousands of men in battle.

Correct Fall and Winter shapes with many novel ideas in trimmings that are more than attractive. Among them are features that will lend a distinctive individuality to the wearer. The hats are worthy advance samples of the new season's vogue.

Stylish Frill Blouses

We have an extensive showing of new Fall Blouses. All are exclusive new models, with the little style touches that are necessary to carry out Fashion's latest ideas. Beautiful models of Georgette Crepe, trimmed with beads and worsted embroidery, in all the newest colors. The latest creations in net waists are here also. See them.

Keenly alive to the fact that Women and Children who come to Brownwood during the Fair will want to "kill two birds with one stone" and improve the opportunity to purchase much-needed things for self and home, we have gathered immense stocks of Women's and Misses' Wearing Apparel, Silks, Dress Goods, Dress Accessories, Household Goods, Staples, Shoes and Hosiery. It will be a delightful shopping event for you—and for us—close prices will be made, and there will be **Daily Surprises at Jennings' all During the Fair**

The Main Attraction During Fair Week for Women and Children

Will be our Fall displays of

- PALMER SUITS
- PALMER COATS
- NEW MODE SKIRTS
- BEAUTIFUL BLOUSES
- SILK UNDERWEAR
- KNIT SWEATERS

Make this store your headquarters, make use of our many facilities for rest, meeting of friends, checking of parcels, and so on. Feel at home—that's the spirit in which we extend this invitation to you. Buy or not, as you may choose, for in either case you will be just as welcome. More prominent in the event than any other department, perhaps, is the one devoted to Women's Fall Suits, Coats, Hats and Dresses—it is featured as never before for the week.

Women's Fall Apparel AT ATTRACTIVELY LOW PRICES

Everything comes from the best makers in the land. It is right from the most critical woman's viewpoint of quality and style. The advance modes are authoritative, novel and distinctive. See this wonderful display of high-class garments during Fair Week. We are always glad to show merchandise.

Bad Temper From Bad Liver.

You can generally blame your grouch on a lazy liver. Liver ills are back of coated tongue, bad breath, biliousness and muddy, sallow complexion. Insufficient flow of bile leaves impurities in the liver which poison the entire system. Po-Do-Lax is Nature's remedy. It stimulates the activity of the liver, increases the flow of bile, and by its laxative quality carries off the waste matter and clears the complexion. At your druggist, 25c.

CONSTABLE'S SALE.

The State of Texas, County of McCulloch.
Notice is hereby given That by virtue of a certain Execution issued out of the Honorable County Court of McCulloch County, on the 16th day of August 1916, by W. J. Yantis, Clerk of said County Court for sum of Five Hundred Fifty-one and 17/100 (\$551.17) Dollars and costs of suit, under a Judgment, in favor of J. J. Oates in a certain cause in said Court, No. 568 and styled J. J. Oates vs. W. T. Stacy and H. L. Bratton, placed in my hands for service, I, M. F. Fuller, as constable of Precinct No. one, McCulloch County, Texas, did, on the 17th day of August, 1916, levy on certain Real Estate, situated in McCulloch County, Texas, described as follows, to-wit:

All of the defendant, W. T. Stacy's interest in and to the following described land, the same being an undivided one-sixth (1/6) interest in and to One Hundred Thirty-one (131) acres of land, more or less, out of and a part of the Johann Waldschmidt Survey No. 1713, Certificate No. 517, Abstract No. 1425, said 131 acres of land, more or less, being in two contiguous tracts, out of the South East portion of said Johann Waldschmidt Survey No. 1713, and which two tracts are more particularly described as follows, to-wit:

FIRST—Sixty-eight and one-half (68 1/2) acres, more or less, bounded as follows, to-wit: Beginning at the North East corner of a 236 acre tract formerly owned by M. R. Shirley, a rock mound from which a mesquite 4 inches in diameter bears North 36 degrees, West 8 4-5 varas; Thence South with East line of said Shirley tract 531 varas to a rock mound from which a mesquite 4 inches in diameter bears South 24 degrees West 7 3-5 varas, Do. 5 inches in diameter bears South 54 1-2 degrees West 10 3-5 varas; Thence East 666 varas a stake in the East line of said Survey No. 1713, for the South East corner of this tract; Thence North 581 varas with East line of said Survey No. 1713 to South East corner of a tract formerly owned by Powell for the North East corner of this tract; Thence West 666 varas to the place of beginning.

SECOND—Sixty-two and one-half (62 1/2) acres of land, more or less, bounded as follows, to-wit: Beginning at a rock mound in East line of said Johann Waldschmidt Survey No. 1713, set for the South East corner of a tract formerly deeded by R. C. Sloan to M. J. Stacy, and which tract contains 68 1-2 acres, and being the tract above described; Thence South with East line of said Waldschmidt Survey, 531 varas to a stake and mound set for the South East corner of said Waldschmidt Survey No. 1713; Thence West with South line of said Waldschmidt Survey No. 1713, a distance of 666 varas to a stone mound set for the South West corner of this Survey; Thence North 531 varas to a stone mound set for the South West corner of the aforesaid M. J. Stacy 68 1-2 acre tract, from which a mesquite 4 inches in diameter bears South 24 degrees West 7 3-5 varas, Do. 5 inches in diameter bears South 54 1-2 degrees West 10 2-3 varas; Thence East 666 varas to the place of beginning.

The above land is located in the North West corner of McCulloch county, Texas, about one-half mile South from the town of Stacy, and is generally known as the J. B. Stacy tract of land; and levied upon as the property of W. T. Stacy and that on the first Tuesday in October 1916, the same being the 3rd day of said month, at the Court House door, of McCulloch County, in the City of Brady, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said W. T. Stacy.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in The Brady Standard, a newspaper published in McCulloch County.

Witness my hand, this 17th day of August 1916.

ONION GAP SAYINGS.

Assistant Teacher Resigns—Mrs. Baze Given School.
Rochelle, Texas, Sept. 26.

Editor Brady Standard:
As business was picking up last week I failed to send in my little mite. I'll try to be on time from now on.

We received one of the finest rains Sunday night that the Gap has experienced in two years. All tanks are full and running over. Lots of cotton was blown out and washed off, but the rain will cause feed to get large enough to graze, if not to mow. That will be a great help to farmers, as feed is so high. I think that will over balance the cotton loss.

Mrs. C. M. Bell is on the sick list this week.

Walter Mooring is on the jury this week.

Mrs. Sam Clardy of Placid was a guest at the Steward home Sunday.

Harrell Borland of Comanche was visiting Tatum Gressett the past week.

Mrs. Ed Floyd visited a sister at Menard the last few days.

Misses Frankie and Alma Ince and Floyd Ince attended church at Placid Sunday.

J. B. Cottrell and wife visited their daughter one day last week.

Mr. and Mrs. Curtis Reynolds are picking cotton in the Gap this week.

Mrs. Pool returned to her home at San Saba after spending a couple of weeks with her daughter, Mrs. Watson.

Barney Frankum went to Santa Anna on business Tuesday.

Joe Parker and family motored over to Placid Sunday night. They had to come in home between showers. That sounds fishy for McCulloch county.

We hope when our editor gets out in Lynn county eating those delicious melons, he will think of us McCulloch county people who are too poor to get away, and wouldn't know a melon if we should stumble over one, unless it should burst.

Jim Bell has just completed a large tank on his ranch.

Grandma Sanders and Masters Dee and Lloyd Alexander and Miss Una Huddleston were callers at the Gressett home Sunday.

Mrs. J. M. Bell and daughters, Misses Mary and Bernice, were callers at the C. M. Bell home Wednesday eve.

We are sorry to know our assistant teacher is in the sanitarium and will not be able to take her school. Since her resignation, our trustees have given Mrs. J. K. Baze the school. Mrs. Baze has taught the little folks the past two years, and we hope they will learn as fast in the future as they have heretofore under Mrs. Baze's instruction. Mrs. Baze is an experienced teacher and well equipped for the business. We are hoping for one of the most successful schools we have experienced in some time. We haven't learned when our school will begin.

FAIRY.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

Announcement.

We wish to announce to the milk consumers of this vicinity the installation of a Milk Clarifier. From now on we will be able to supply our trade with special clarified milk.

The process of clarification is positively the greatest step yet made toward the production of absolutely clean milk. Clarification removes from raw milk every particle of sediment, thick milk, dust and all objectionable matter it may contain.

We have gone to a great expense in buying this machine in order to give you clean milk in its most palatable form. Bottles and bottle caps have advanced in price and we are forced to adopt this measure; Unless the driver finds your empty bottle in its place each day he will not leave you any milk.

It is very important that you do not neglect to return your bottles. It is not sanitary to fill bottles on the route and there is a state law against this practice. So don't let them accumulate, but put them out each day and give us a chance to sterilize them and fill all bottles before leaving the dairy. We kindly ask your co-operation in this matter and you may depend upon the purity of the milk you buy from us.

Convenient deliveries and prompt service are also a part of our plan. Why not try a sample of our Special Clarified Milk?

BRADY, TEXAS, Sept. 29, 1916

A COOL MILLION.

According to the statements of the banks in McCulloch county, as published in response to the call made September 12th, there was a total of \$1,000,000 on deposit in the banks at that time. Just how much these deposits have been swelled in the past two weeks is hard to estimate, with cotton selling around the 15c mark, but it is safe to say that another quarter million dollars has since been added.

McCulloch county is in fine shape. The jingle of silver and the rustle of Uncle Sam's certificates has drowned out the voice of the croaker. Adding still further to the prosperity note was the fine rain had the first of the week, which gave assurance of a vast saving in expenditure for high-priced feed.

McCulloch county is well, thank you, and is feeling her oats!

Good things are coming our way, and we are riding on the front seat of the Prosperity wagon in full enjoyment of the blessings so bountifully bestowed.

Did you notice the cotton report in Tuesday's Standard? A total of 2,004 bales of cotton ginned in McCulloch county up to September 1st, as compared with 495 on September 1st of last year. Take your pencil and figure what that cotton is worth, with the price flitting above the 15c mark.

The Standard last week completed the new telephone directories for the West Texas Telephone Co. and Manager White-man is engaged this week in getting them distributed among the subscribers. The new directory is complete in every detail and gives the listing of all telephones upon the local exchange to date. Every effort has been made to list the names in perfect arrangement, thereby enabling the phone user to get the correct number without the least delay. Likewise the book has been published so as to conform in style, arrangement and general appearance exactly with those issued wherever the West Texas Telephone Co. has an exchange.

The Standard Monday completed and delivered a 60-page catalogue for the Rochelle public schools, the new books showing the characteristic earmarks of "Standard quality" in printing. The catalogue was gotten out under the direction of Prof. Jas. T. Russell, superintendent of the Rochelle public schools, and is one of the most complete ever gotten out in this county,

containing information of much value and benefit to patrons of the Rochelle schools. The Rochelle schools will open next Monday and continue for eight scholastic months. In addition to Prof. Russell, the faculty is composed of seven literary teachers, one expression and one music teacher. Prof. Russell is one of the most progressive school men in this section of the state, with advanced ideas on school matters, and the Rochelle people are assured of one of the best school years in their history.

PERSONAL MENTION.

Mr. and Mrs. D. A. Webb of Lohn were Brady visitors Thursday.

Miss Marguerite Vivrett of Waco is a guest of her cousin, Mrs. James T. Mann.

Irvin Marshall left Sunday for College Station, where he entered A. & M. college.

Gus Shropshire and Hubert Adkins left Sunday for Austin, where they re-entered State University.

Mrs. Clara Millerkin of the Popular Dry Goods Co. was a Brownwood passenger Wednesday evening.

J. W. Townsend has returned from a business trip to Dallas. He was accompanied on the trip by his son, Leslie.

Coke Martin has resigned his position with the Borschow Salvage Co. and is now with the Brady Compress Co.

J. A. Livingston, bookkeeper at the Brady Oil mill was called to Coleman Tuesday on account of the death of his sister.

A. B. Carrithers returned Sunday from a business trip to San Antonio. Louie Glenn accompanied him on the journey.

Mrs. J. M. McCall returned last Friday to her home in Brownwood, after a visit with her sons, Dr. J. G. and Joe McCall.

Mr. and Mrs. J. O. Willoughby, who have been guests of his sister, Mrs. W. N. White, this week, returned yesterday to their home at Elkiadoro.

W. D. Taylor, who has been spending the past ten days at Buenholts, returned Thursday afternoon. He reports an excellent rain over there and the country looking fine.

Mr. and Mrs. June Cooper, accompanied by their daughter, Miss Pearl, drove in their car to Dallas Sunday for a visit with their daughter, Mrs. Jack Coe, and family in that city.

Miss Gertrude Sammons, who has been visiting Mrs. W. N. White and other friends in the city, left Wednesday night for Weatherford, where she will visit her sister, Mrs. Frank Hardin.

Ben Hoerster, the Llano insurance man, returned to Brady Thursday and is shaking hands with friends and incidentally shaking the insurance plum tree for himself and the company whenever possible.

Miss Edna Striegler, who has been visiting at Hamlin, Melvin and other points, is spending the day here as a guest of her brother, S. J. Striegler, and family, while returning to her home at Fredericksburg.

WHY YOU ARE NERVOUS

The nervous system is the alarm system of the human body.

In perfect health we hardly realize that we have a network of nerves, but when health is ebbing, when strength is declining, the same nervous system gives the alarm in headaches, tiredness, dreamful sleep, irritability and unless corrected, leads straight to a breakdown.

To correct nervousness, Scott's Emulsion is exactly what you should take; its rich nutriment gets into the blood and rich blood feeds the tiny nerve-cells while the whole system responds to its refreshing tonic force. It is free from alcohol.

LOCAL BRIEFS.

Announcement is made of the arrival of a fine boy at the home of Mr. and Mrs. W. E. Lyle in Houston. The young man's anniversary is Friday, the 22nd.

Mrs. A. W. Tipton is reported as continuing to improve most satisfactorily at the sanitarium at Dallas. Mr. Tipton, who is attending her, returned this morning.

A brisk norther which came up during the early morning hours yesterday served to banish the oppressive quiet that preceded it, and turned one's thoughts toward winter coats and clothing.

Mr. and Mrs. Wm. R. Davidson are the proud and happy parents of a fine 10-1-4 pound girl, who arrived at their home Tuesday, the 26th. Father Davidson is just about the happiest man in town since the glad event.

Yesterday was the Jewish New Year, Rosh Hosannah, and was observed as a holiday by the Jewish residents of Brady, their stores being closed for the occasion. According to the Jewish Calendar, yesterday began the year 5677.

The many Brady friends of Mr. and Mrs. Loyce Callan will be interested to learn that they have located in Fort Worth, Mr. Callan having accepted a position with an express company in that city. Mrs. Callan and baby passed through here last Friday night enroute from Menard to join Mr. Callan at Fort Worth.

Yesterday morning's Frisco passenger was 55 minutes late in arriving in Brady. The delay was occasioned the other side of Comanche when a bunch of horses got on the track and refused to give right-of-way. The bunch was finally run into a ditch, one of the number, however, running out on a trestle, from which it had to be dislodged by the train crew.

A. M. and J. H. Long were business visitors here yesterday from Fife, and were rejoicing over the fine rain, which filled tanks in that community. J. H. reported his cotton as having been ready to pick over the second time, consequently quite a bit of it was knocked out by the rain. Most of his neighbors, however, suffered comparatively little loss, and what damage there was is more than made up by the benefits resulting from the rain.

Ernest Sparks suffered an ugly gash on his left wrist yesterday morning, and several stitches were required to close the wound. Fortunately no arteries were lacerated, although the wound bled freely. The accident happened at the postoffice, Sparks having thrown up his arm to stop the force of the door which had been allowed to swing inward with considerable momentum. The heavy window glass was broken, a jagged piece of glass inflicting the wound above described.

Cashier W. D. Crothers of the Commercial National bank was in fine humor yesterday, and smiled happily as he gave out the information that the bank's deposits had increased from \$580,808.17 at the time of the call for the last bank statement on September 12th, to something over \$718,000.00. The increase amounts to about \$138,000.00, and demonstrates more clearly than words the fact that

Why You Should Buy a "DARLING" HOT BLAST HEATER

The "Darling" Hot Blast is a new airtight stove with improved ideas over the old style hot blast stoves.

Improvement No. 1:

The "Darling" Hot Blast stands as level after fifteen years' service as the day it was bought. Why? Because it has not a steel bottom, but a cast iron bottom, which does not buckle from use or get bent in handling.

Improvement No. 2:

One can readily understand how much trouble clinkers can cause where they have to be taken out through the top of the stove. If you have a "Darling" simply punch the clinkers through the large opening of the draw center grate.

Improvement No. 3:

The rear draft check is located in the cast iron pipe collar of the stove and not in the collar joint of the pipe. When you have a "Darling" Hot Blast you can use the regular stove pipe and not have to send to the factory for a special joint when the old one wears out.

There all kinds of Hot Blasts, but there is only one "Darling"

"We Appreciate Your Good Will as Well as Your Trade"

citizens of McCulloch county are "laying by" handsomely for the "rainy days" to come.

The improvements which have been under way at the Frank Wilhelm home in southwest Brady the past several weeks, are being rapidly completed, and the new home already gives evidence of a most attractive and beautiful appearance. The work will be completed within the next several weeks. M. S. Middlemiss, Brady's well-known interior finisher and decorator, left Tuesday night for Ft. Worth to select the interior furnishings for the new home.

John B. Westbrook returned yesterday morning from Wolfe City, where he had gone to spend a few days with his mother, who is becoming quite aged and feeble. Mr. Westbrook was glad to see his relatives, and all his old-time friends as well, and it did his mother's heart good to see her boy once more. However, Mr. Westbrook says he is delighted to be back in Brady, and that his former home appeared dingy and dead in comparison with Brady. The news of the good rain in McCulloch county caused him to rejoice still further.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is Quicksilver and Acts Like Dynamite on Your Liver.

Calomel loses you a day! You know what calomel is. It's mercury, quicksilver. Calomel is dangerous. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knogged out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and cannot salivate.

Don't take calomel! It makes you sick next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

A Distinctive Reason

What is the chief reason for the superiority of Dr. Price's Cream Baking Powder?

There are several good reasons, but there is one which distinguishes Dr. Price's from other baking powders.

This reason, which every woman should know, is that Dr. Price's Baking Powder is made from cream of tartar, which comes from grapes. This means a healthful fruit origin. It means natural food as distinguished from mineral substitutes used in other baking powders.

Five-Forty Club.

The members of the Five-Forty club held no meeting last week. This afternoon they will be guests of Mrs. S. H. Mayo.

Reception for Miss Vivrett.

Mrs. James T. Mann entertains tomorrow afternoon with a reception in honor of her cousin, Miss Marguerite Vivrett, of Waco, who is her guest.

North Side Bible Class No. 1.

North Side Bible Class No. 1 met last Friday afternoon with Mrs. F. H. Kruse. The class made a contribution to have flowers sent from a Fort Worth green house to their esteemed president, Mrs. A. W. Tipton, who is in the Baptist sanitarium at Dallas for treatment.

The class meets this afternoon with Mrs. A. N. Bryson. The lesson assigned is the remaining six chapters of II Chronicles.

Merry Maids and Matrons.

The Merry Maids and Matrons met Wednesday afternoon with Mrs. Virgil Lee Sessions. Members in attendance were Misses Ona Searly, Irma Woodard, Carrie Sessions, Minna Elliot; Mesdames George Davis, Will Dawson, Albert Hennesdorf. Invited guests were Mesdames Tom Elliot, Claud Baker, J. B. Granville, W. D. Bullock.

Three tables of "42" were enjoyed, and following the games the hostess served iced tea, salad and sandwiches.

The club meets next Wednesday with Mrs. W. J. Dawson.

Parent-Teachers Association.

The Parent-Teachers association met Wednesday, Sept. 27th, in the Central school building. A very interesting meeting was held.

Mrs. J. H. Martin read a paper on "Preventing Bad Habits in Children." Mrs. Martin showed very plainly the need of right training, both by precept and example, by parents first and afterwards by teachers.

Miss Jewel Caperton then read a clipping from the Dallas News entitled "Relation of Home, School and Church to School Life."

After hearing the reports of the committees, the association adjourned to meet October 11.

Inter Se.

Members of the Inter Se were entertained on last Thursday afternoon by Mrs. Claud Baker, the following members being present: Mrs. J. B. Granville; Misses Ruth Wood, Ruby Wood,

Mozelle Glenn, Flora Schaege, Ruth Schaege, Margaret McGhee, Ruth Campbell, Margaret Todd, Carrie Sessions. Invited guests were Mrs. Ike Rainbolt; Misses Fannie Lyle, Irma Woodard, Esther Anderson.

Miss McGhee received prize for high score, and Mrs. Rainbolt received guest prize.

The hostess served a salad course.

The club meets this week with Miss Ruth Campbell.

Five Hundred Club.

The members of the Five Hundred club spent an enjoyable afternoon last Friday as guests of Mrs. W. W. Walker, two tables having been set for the usual "500".

Mrs. J. R. Stone received as prize for high score a deck of cards.

The hostess served a salad course to the following members: Mesdames J. R. Stone, J. S. Anderson, S. W. Moffatt, F. R. Wulff, W. E. Campbell; and guests: Mrs. Bailey Jones; Misses Esther Anderson, Elizabeth Souther.

The club will meet this afternoon with Mrs. John Wall.

Entre Nous.

The members and guests of the Entre Nous were entertained enjoyably on Wednesday afternoon by Mrs. W. E. Campbell. Two tables of "500" furnished the afternoon's pleasure for the following members: Misses Mary Brook, Lucile Benham, Fay Wall, Esther Anderson; Mesdames Herbert L. Wood H. B. Ogden; and guests: Mrs. J. O. Willoughby of Eldorado; Miss Gertrude Sammons of Arkansas.

Mrs. Ogden received cup prize, a pair of silk hose, and Mrs. Willoughby received as guest prize a box of stationery.

Mrs. Campbell served cream and cake.

No announcement of the next meeting of the Entre Nous has been made.

Y. W. A.

Mrs. Joe A. Adkins on Thursday afternoon gave to the members of the Y. W. A. of the Baptist church one of the most pleasant afternoons it has been their good fortune to enjoy, when she entertained them at her attractive home. Mrs. Adkins is a most charming hostess. Each girl was invited to bring her fancy work, and soon all the girls were seated on the porch, where the cool breeze made it so pleasant, and here some time

was spent in work and pleasant conversation. Then all were invited into the parlor and the remainder of the afternoon was spent in social conversation, piano and vocal music. At the close of the afternoon of pleasure, the hostess, assisted by Mary Josephine Adkins and Rachael Wilkerson, served delicious cream and cake.

The next meeting of the Y. W. A., which will be a devotional meeting, will be held at the home of Miss Lil Elma Martin.

Eighth Birthday.

Master Cecil Striegler celebrated his eighth birthday anniversary last Friday afternoon by entertaining a number of his little friends from 4:00 o'clock until 6:00. Various childhood games passed the time very quickly and enjoyably, following which the hearts of the little guests were gladdened by refreshments of ice cream and cake.

Master Cecil was remembered with many pretty mementoes of the anniversary.

The guests included little Misses Dorothy Nell Broad, Marietta Sessions, Mary Ruth Clark, Alice Christine Jones, Dorothy Ogden, Louise Cox, Inez McShan, Gladys Matthews, Louise Stowe; Masters James Anderson, J. B. Abernathy, David Hall, Frank Matthews, John Allison Polk, Billie Hughes, Sammy Matthews, Sheridan Newman, Karl Pierce, Gardner Broad.

Honoring Mrs. Paul Willoughby.

Mrs. Paul Willoughby of Ozona was honoree at a delightful party given Tuesday afternoon by Mrs. Tom Donnell. The Donnell home was prettily decorated for the occasion, red geraniums giving a pleasing setting to the dining room, while pink formed the color scheme in the parlor and yellow in the guest room.

Six tables of "500" furnished diversion for the guests, Mrs. Gansel receiving a pair of silk hose for high score, and the honoree also receiving silk hose as a memento of the occasion.

Refreshments consisted of pressed chicken, tomato assteck, bread and butter sandwiches, with steaming coffee.

The following guests were in attendance: Mesdames W. D. Crothers, A. B. Jarvis of Kentucky, J. O. Willoughby of Eldorado, C. D. Allen, G. V. Gansel, R. W. Turner, F. R. Wiff, J. S. Wall, W. W. Walker, F. W. Henderson, S. W. Moffatt, J. R. Stone, J. S. Anderson, J. G. McCall, Lewis Brook, Bailey Jones, W. E. Campbell, Harry F. Schwenker, Alice Sloan and the honor guest; Misses Marguerite Vivrett of Waco, Elizabeth Souther, Mary Brook, Gertrude Sammons of Arkansas, Esther Anderson.

SAVES DAUGHTER

Advice of Mother no Doubt Prevents Daughter's Untimely End.

Ready, Ky.—"I was not able to do anything for nearly six months," writes Mrs. Laura Bratcher, of this place, "and was down in bed for three months."

I cannot tell you how I suffered with my head, and with nervousness and womanly troubles.

Our family doctor told my husband he could not do me any good, and he had to give it up. We tried another doctor, but he did not help me.

At last, my mother advised me to take Cardui, the woman's tonic. I thought it was no use for I was nearly dead and nothing seemed to do me any good. But I took eleven bottles, and now I am able to do all of my work and my own washing.

I think Cardui is the best medicine in the world. My weight has increased, and I look the picture of health."

If you suffer from any of the ailments peculiar to women, get a bottle of Cardui today. Delay is dangerous. We know it will help you, for it has helped so many thousands of other weak women in the past 50 years.

There is much pleasure and keen satisfaction to be gained by a visit of inspection.

BENHAM of Brady

Fourth Birthday Anniversary.

On Tuesday, September 26th, from 3:00 to 5:00, little Miss Wilma Baze celebrated her 4th anniversary with a party at the home of her aunt, Mrs. L. J. Wood.

With Miss Mary Bell in charge of the games and decorations, the little folks had a most enjoyable time. The guests were met at the door by the little hostess, who directed them into the sitting room, which had been carefully arranged for the occasion. After a few moments spent in admiration of the many nice presents received by little Wilma, the children were led to the beautifully shaded porch and served with iced lemonade, after which they enjoyed various games under the direction of Miss Bell.

At 5:00 o'clock they were called into the darkened dining room and their little hearts made glad by the sight of the table lighted by numerous candles, the main feature of the decoration being the red and white birthday cake, on which burned four red candles. After having looked to their heart's content, they assembled on the front porch, where they were generously served with ice cream cones, apricot ice and red and white cake, following which they again enjoyed several games.

The children present were Vena Bell Kirby, Imogene and Mabel Anderson, Rosalie and L. A. Williams, Theresa Robbins, J. B. Abernathy, Milburn and Cammie Helen Carrithers, Mildred Silvers, Vena Jackson, Lillian Holland.

DEEP CREEK NEWS.

Lightning Cause of Fire at Mercury Cotton Yard.

Mercury, Texas, Sept. 25.
 Editor Brady Standard:

If you could just see the smiling faces on Monday morning in our community! The fine rain fell Sunday night. Tanks were filled to overflowing and plenty of stock water was put out. Oh, such hustling of stockmen to get their cattle back to their own pastures!

People from all around were excited Monday morning when phone messages went out that the Mercury cotton yard was on fire, supposed to have been set by lightning during the rain. The writer learns that five bales were burned up and many bales damaged.

H. Hofer and wife are the proud parents of a fine boy, who arrived Wednesday, the 20th.

Mrs. H. M. Mask is visiting Mrs. Pierce this week on the Colorado river.

Mrs. Ada Locker and little son of Summerville are visiting her sister, Mrs. Robert Powell. Grandfather Epps, Mrs. H. E. McBride's father, is visiting here now. Mr. Epps is always a most welcome visitor in our midst, as are all men of his disposition.

Billie Sansom is just down and out with such bitter afflictions as blood boils on his arms. The writer learns that just today he had to have medical attention from Dr. B. Locker of Mercury.

The writer will take some of Mercury's news by saying that Deep Creek was interested as well when the closing sermon was preached by Bro. Swinney, the Christian preacher, Sunday night at the tabernacle at Mercury. Four deacons and six elders were appointed for the congregation at Mercury and to do mission work at Plainview and Placid, also for the community. Bro. Swinney left for Ft. Worth Sunday night. The people of Mercury were disappointed Sunday, as they were expecting many welcome visitors from Brady and other places, but they have this consolation that on account of the dust, the distance and the weather they could not come.

Preparations are being made in our community by all those who are interested to start to school at Mercury high school Monday morning for beginners.

Of course the Parks plow crew will rest when it rains, but listen when they do start.

Vess Bennett and wife, accompanied by Miss Alice Bennett, visited Mrs. Vergie Powell Monday.

Where are our correspondents from Placid, Melvin, Lohn and all around? Wake up, you good writers. Hot weather is gone; let us make the winter days flee by reading good letters.

With best wishes for the patient editor, and success to The Standard. MARGIE.

Slip a few Prince Albert smokes into your system!

You've heard many an earful about the Prince Albert patented process that cuts out bite and parch and lets you smoke your fill without a comeback! Stake your bank roll that it proves out every hour of the day. Prince Albert has always been sold without coupons or premiums. We prefer to give quality!

There's sport smoking a pipe or rolling your own, but you know that you've got to have the right tobacco! We tell you Prince Albert will bang the doors wide open for you to come in on a good time firing up every little so often, without a regret!

You'll feel like your smoke past has been wasted and will be sorry you cannot back up for a fresh start.

You swing on this say-so like it was a tip to a thousand-dollar bill! It's worth that in happiness and contentment to you, to every man who knows what can be gotten out of a chummy jimmy pipe or a makin's cigarette with Prince Albert for "packing"!

That means that the United States Government has granted a patent on the process by which Prince Albert is made. And by which tongue bite and throat parch are cut out! Everywhere tobacco is sold you'll find Prince Albert awaiting you in tippy red bags, 5c, tidy red tins, 10c, handsome pound and half-pound tin humidors and in that clever crystal-glass hamidor, with sponge-moistener top, that keeps the tobacco in such fine condition—always!

KENNERLY PROMOTED.
 Manage West Texas Telephone Office at Goldthwaite.

Will Kennerly is receiving the congratulations of his many friends over his promotion to the management of the West Texas Telephone Co.'s local office at Goldthwaite. Mr. Kennerly expects to leave Sunday to assume his new and responsible duties as manager.

The promotion is a deserved recognition of his splendid services with the local company. Mr. Kennerly has been connected with the Brady branch of the West Texas Telephone Co. the greater part of the past eight or ten years, and understands the business from the ground up. For the past several years he has been engaged as lineman and general trouble expert.

His appointment as manager of the Goldthwaite exchange is gratifying to him in more ways than one, that being his home town, which fact not only adds to his prestige as manager, but will enable him to rapidly get in touch with every phase of the local system, and enable him to give the very highest class of service.

Mrs. Kennerly and son will remain here for the present, joining Mr. Kennerly at Goldthwaite as soon as he secures suitable quarters.

FREE FALL FAIR.

Brownwood's Fifth Annual Fair To Be Worth Seeing.

The Brownwood newspapers are freely boosting the big Free Fall Fair to be held in that city October 4, 5, 6 and 7th, and predict that this year's event will out-rival all others.

In addition to splendid poultry, livestock, agricultural and other displays, the Brownwood fair will include a great number of attractions of more than ordinary merit. The Wortham shows, one of the best aggregations of carnival attractions in the South, has been secured for the event, and will prove a strong drawing card. The Brownwood band will furnish music throughout the four days of the fair. On Thursday a feature attraction will be had in the children's parade, in which the children will be dressed to allegorically represent many forms of bird, animal and vegetable life. A tennis tournament will be staged on the morning of Friday, October 6th, and on Saturday morning Howard Payne and Daniel Baker colleges will contest for the honors on the gridiron.

A baby show is still another feature. Reduced fares are offered on the railroads, and it is certain that a great delegation of Brady and McCulloch county folks will take advantage of the occasion to visit our neighbor city and participate in the various enjoyments and pleasures.

Don't let the first cold snap find you without fuel. Phone Macy & Co. for best McAlester or Swastika (New Mexico) coal. For monuments, any size or description, see J. W. Embry. See the latest styles in fall dress goods at I. G. Abney's.

CONSOLIDATED INSTITUTE.

To Be Held in Brady Week of October 16th to 20th.

One of the most notable events of the coming month is the Teachers' Consolidated Institute to be held in Brady October 16, 17, 18, 19 and 20. The fact that San Saba county has this year joined the institute indicates the high estimation placed upon the joint institutes heretofore held in Brady, and the fact that five counties will this year cooperate in institute work assures an even better institute than any previously held.

The five counties and superintendents who have joined hands to make one of the most notable consolidated institutes held in Texas are San Saba, Dor W. Brown, Supt.; Mason, Glenn W. Smith, Supt.; Menard, J. D. Scruggs, Supt.; Concho, James E. Howze, Supt.; McCulloch, E. L. White, Supt.

Too much praise cannot be given Mr. White for his successful efforts not only towards the holding of the institute in Brady, but towards inducing the four neighboring counties to cooperate in a consolidated institute. To this end, Mr. White was tireless in his efforts to secure instructors of renown to lead in the work of the institute. One of the foremost of the instructors is Dr. W. S. Sutton, dean of the School of Education in the University of Texas. Dr. Sutton is an author and text book writer, and an exponent of advanced thought in school work. Dr. Sutton will spend the entire week at the institute, and in addition to the regular program, he will make two addresses at night for the benefit of the general public, as well as the teachers. To these meetings everyone is cordially invited.

Other instructors of note who are on the program are Mrs. Cora M. Martin, director of the Primary Department in the Teachers' Training School, of the North Texas State Normal college; Dr. W. A. Davis, secretary of the State Board of Health; Dr. T. P. Junkin, president of Daniel Baker college.

The general sessions of the institute will be held in the forenoon of each day, Monday to Friday inclusive. The Primary section will be in charge of Mrs. Cora M. Martin, and Charles J. Niessle will direct the High School department. The director of the intermediate department is still to be chosen.

Some 300 or more teachers will undoubtedly be in attendance, and advance arrangements are being made to care for these visitors, the Parent-Teachers association having charge of this work. Anyone who can place one room or more at the disposal of the association, or who will be able to furnish board, or combined room and board, is requested to communicate such fact to Mrs. W. H. Bailou of the Parent-Teachers association, stating rates to be charged for such room or board or room and board, and whether ladies or gentlemen guests are desired. For the convenience of the citizens.

What Would We Do Without Sugar?

GATHERING SUGAR CANE

We are so used to sugar that we are likely to forget to give it its properly important place. Right now if somebody asked you what sugar was good for you'd probably say—"Oh! to put in coffee and tea and for making candies and desserts." That's it—we all think of sugar as a sweetener and overlook its value as a food.

The chemists classify sugar as a hydrocarbon—that name may or may not be interesting to us, but what is interesting is their statement that it has, as a hydrocarbon, equal food value with the starchy foods and by digestion largely adds to the fatty tissue of the body.

Why do we eat sugar anyway? Your first answer might be: "Because it is sweet and tastes good." Of itself the answer would be correct, but the more important fact is that the body craves sugar because it needs it. And when the body craves something it gives us an appetite for it. So primarily that's why we like sugar and things made with sugar and not just because they are sweet.

In view of the fact that sugar has gone up so tremendously of late these facts

are interesting because we find that instead of the luxury sugar having gone up it is the FOOD sugar that has raised its price. Yet—even though the price is up we have to have our sweet food just the same.

Certainly the makers of that delicious beverage Coca-Cola must have discovered that sugar is up, because one of the principal ingredients in making Coca-Cola syrup is fine cane sugar. Think of it—they use an average of 80 tons of sugar a day—about 4 carloads. But unlike many manufacturers that company has itself borne the price and so you and I pay just the same today for our bottle or glass of Coca-Cola that we've always paid. Incidentally, this phase of the situation is a good reminder of the benefits one gets from drinking a beverage as pure and good as Coca-Cola. Not only do we please our palates and derive wholesome refreshment from the drink but we also give our systems that bit of sugar sweetness that they crave and which is necessary to health and vigor. Is it any wonder then that Coca-Cola is so popular and so universally drunk that it has been called "the drink that the nation drinks"?

Acosta Bros. Make Two Large Deals in Dirt.

Acosta Bros. report the sale of 378 acres out of the G. R. White pasture between Whiteland and Lightner, last week. J. P. Espenosa was the purchaser, and the total consideration was \$11,800.00. The tract is a splendid body of land and is well improved.

This week Acosta Bros. closed another important deal, selling the F. W. Henderson place at Lightner to Pablo Munos for a total consideration of \$9,600.00. The Henderson place comprised 329 acres of fine land and was especially well improved.

The fact that Acosta Bros. have several other sales under way would indicate that times are prosperous and that tenants are rapidly becoming land owners. Both purchasers named

above are good citizens and have accumulated their present holdings by means of hard labor.

ROAD TO FORT WORTH.

Colp Here Yesterday Morning to Log Highways.

D. E. Colp, secretary of the Texas Good Roads association, arrived here from San Antonio Wednesday night and accompanied by T. P. Grant and other boosters, left early yesterday morning to log the road to Brownwood and thence to Fort Worth. Concerning the logging the Brownwood Bulletin has the following to say:

The Brownwood-Fort Worth highway, together with the lateral from Brady to Fort Worth, will be logged Thursday and Friday of this week. Advice were received to this effect last night by Secretary E. E. Kirkpatrick of the Chamber of Commerce, who was wired by D. E. Colp, secretary of the Texas Good Roads association, with headquarters at San Antonio.

The trip will commence at Brady on Thursday morning, provided Mr. Colp can reach that city from San Angelo on the afternoon and night of Wednesday of this week. Although he does not so state in his telegram, in all probability he and the Brady delegate who will accompany him, will likely remain overnight in Brownwood Thursday. The party here will be joined by a member of either the Brownwood Automobile club or the Chamber of Commerce and leave early Friday morning for Fort Worth. A complete log of the highway will be made for the purpose of furnishing bits of in-

formation, together with a map, to tourists who traverse this important road in Texas.

The telegram received by Mr. Kirkpatrick last night stated that Mr. Colp will complete the lateral from Sweetwater to San Angelo next Wednesday at 3:00 o'clock in the afternoon. If he can reach Brady that night the logging of the lateral between Brady and Brownwood will commence the following morning, and the logging started north out of Brownwood to Ft. Worth Friday morning. It is probable that a good roads meeting will be held in Brownwood Thursday night when Mr. Colp is in the city.

REPLYING TO MR. GALLO- WAY'S ARGUMENT IN FA- VOR OF POOL HALLS.

First, no financial consideration is adequate to pay for good morals. Mr. Galloway or any other man who can and would run a "pool hall" so that it would be a proper resort for people of refinement, and the suggestion of high moral thought, would meet with no objection from good people; but people do not generally agree with Mr. Galloway that the ordinary pool hall is run in accord with good morals.

As the city attorney of Brady, if I had no regard for my duty as a member of society I would whoop up the claims of pool halls for the criminal fees they would bring me.
