ODD FELLOWS AND REBEKAHS COMING

Brady Will Entertain Assembly of West Texas District Tomorrow and Thursday.

Tomorrow and Thursday Brady and Brady Odd Fellows and Rebekahs will have the honor and pleasure of being host to the annual assembly of the West Texas Odd Fellows and Rebekah association. This event has been long anticipated, and the local members have left no stone unturned to assure the success of the meeting and to provide entertainment for the visitors.

First in importance is, of course, the eats, and this has been well taken care of. As a consequence the visitors will be treated to a dinner tomorrow noon in the Gibbons building, east of the postoffice, that will long contribute to pleasant recollections. Barbecued goat will be the mainstay of the dinner, with ample provisions of bread, pickles, coffee, and such pies, cakes and goodies as only the good ladies of Brady—the members of the Rebekahs—know how to make.

Wednesday night will be the big night of the assembly for on this night the local Rebekah lodge will have their drill team contest the third time for the gold medal. Twice in succession has the local team won this medal, and should they receive the award this time, the medal becomes their permanent property. Consequently they are keyed to the highest pitch, and will give one of the most magnificent drills ever staged.

That visitors from near and from afar will be on hand is assured, and, among others, the following officers have given promise of attending: Mrs. W. L. Doss, Colorado, Texas, State Warden Rebekah assembly; C. L. Brachfield, Henderson, Texas, Grand Master of Texas; W. H. Walker, Dallas, Grand Secretary; Mrs. Jake Alexander, Cisco, Texas, Secretary Rebekah assembly of Texas; Mrs. W. H. Littler, Fort Worth, President Rebekah assembly of Texas; Tom Leach of Brownwood, and many others.

The meetings of the assembly will be held in the Methodist tabernacle, and the following is the program arranged:

Wednesday.

FIRE DESTROYS BALL REST'RANT

Building Guttred by Flames Sunday Night—Fire Boys Did Splendid Work.

The Tom Ball restaurant was gutted by flames Sunday night, which for a time, threatened the whole row of frame buildings adjoining, as well as neighboring property of more substantial construction.

The fire had its origin when Earl Kieth, who was closing up for the night, attempted to fill a gasoline tank which supplied oil for a burner used to keep the chili and stew warm over night. Some gasoline was spilled on the floor and ignited from the burner. In attempting to carry the burner out of doors, the balance of the oil was spilled and the whole kitchen burst into a flame. Keith rushed to the phone, and by the time he had given in the alarm, the red tongues of flame were already eating their way along the ceiling towards the front of the building, and by the time the fire boys arrived about

JOHN KEELER DEAD.

Succumbs to Typhoid Fever at Menard Last Saturday.

With deepest regret Brady friends learned Saturday of the death of John E. Keeler at his home in Menard. Mr. Keeler had been very seriously ill the past two or three weeks with typhoid fever, and he himself realized the seriousness of his illness and entertained but slight hopes for his own recovery. His relatives were called to his bedside a week or so ago, but for a time his condition apparently showed improvement—so much so, in fact, that he was thought about out of danger the early part of last week. His sudden death Saturday came as a shock to all.

The body was shipped to Brownwood Saturday night, and funeral services were held Sunday afternoon from the McInnis Undertaking parlors, interment being made in Rocky cemetery. Rev. K. P. Barton made the funeral address, and the W. O. W. had charge of the funeral services.

John Keeler was well known to Brady citizens, having been employed in the Commercial National bank several years ago, and later being associated with H. P. Roddie & Co. For the past year or more he had been located at Menard where he was in charge of the Roddie Commission Co. He was a man of agreeable disposition, with exceptional business talents, and was popular with all and wherever he went. He numbered his friends in McCulloch county by his acquaintances, and all of them sympathize deeply with the widow and three children, who are left to mourn his untimely death.

five minutes later, the whole building was a mass of flames, the dry wood building burning like tinder, and sending sparks and fire brands high into the air. Fire Chief Moffatt realized that prompt action must be had to prevent a spread of the flames, and directed three lines of hose against the burning mass. Almost as quickly as the fire originated, it was subdued, and the fire boys are entitled to, and have received much praise for their timely action.

The extent of the blaze is to be noted in the fact that the whole interior is gutted, even the counters being charred beyond redemption. The roof was burned off, and the ceiling burned through. Yet, despite the evident fierceness of the blaze no damage resulted to the frame building occupied by Rohde's meat market, adjoining, and also the building formerly housing Sparks bakery, except a scorched front, and broken window glass from the streams of water played on the buildings. The market roof was partly burned.

The restaurant building was owned by Tom Ball, who also owns two-thirds interest in the market building. M. Simon owns the other one-third interest, and also the bakery building. No insurance was carried on any of the buildings, nor on the contents.

North Side Bible Class No. 1.
North Side Bible Class No. 1 met last Friday with Mrs. M. S. Sellers. A large crowd was present and one new visitor added to the roll. Miss Edna Chadick furnished amusement for the children and the time was thoroughly enjoyed by all.

Next Friday afternoon at 4 o'clock we will meet with Mrs. A. W. Tipton. The Bible lesson will be from the 4th to the 8th chapters of Isaiah. Sunday school lesson will also be discussed.

Everyone come and visitors cordially invited.

South Side Bible Class.
The South Side Bible class met last Friday afternoon with Mrs. F. T. Fowler. Quite an interesting lesson and a good attendance was had, two visitors being present. The class meets next Friday afternoon with Mrs. Ed Broad for a study of the last 13 questions of Proverbs, also the next Sunday school lesson. At our last meeting Mrs. Joe White in a few well chosen words presented to Mrs. L. A. Williams a book, in behalf of the Bible class, as a token of remembrance, to which Mrs. Williams graciously responded. A cordial invitation is extended to all.

Will Remove to Denison.
The many friends of D. L. and Dr. Lena McCraray will regret to learn that they will remove to Denison, Texas, to make their future home. They expect to leave for their new home tomorrow. Mr. McCraray has been at Denison for the past several months, where he is looking after the old home place, which they have acquired. He has been successfully engaged in farming, and the crops are said to be splendid, the wheat being especially fine and weighing 62 pounds per bushel.

During the nearly two years they have been located in Brady the McCrarays have made many warm friends here. Dr. McCraray has been successfully engaged in the practice of osteopathy, and her success has built for her a large clientele. She will continue her profession at Denison, where the family is well known, having lived for many years in that section.

Dr. McCraray will be succeeded here by Dr. C. C. Akers, late of Virginia, who has been located here the past few weeks, and who will continue the care of Dr. McCraray's patients. Dr. Akers is a graduate of the college of osteopathy and is one of the best in the profession. He is splendidly equipped, having one of the latest designed mechanical tables and other equipment. He has secured offices at the residence of Mrs. Sayles, where he will be glad to have those in need of his services call.

Return From Trip.
Mr. and Mrs. Walter Ake returned last Friday from a very pleasant trip and visit with Mrs. Ake's uncle, Mr. High Casner, at Kingsland, where they spent two weeks meeting relatives and friends and having an enjoyable time.

One of the interesting souvenirs of the visit brought back by Mrs. Ake was a copy of the "Texas Almanac Extra," issued at Austin, December 14, 1862. This interesting edition was printed on very thin paper (onion skin) and on one side only. It contained news of the progress of the Federal and Confederate army, and other valuable and interesting information. This valuable relic was willed to Mrs. Ake by her grandmother, Mrs. Mary B. Ake, who died three years ago last February at Kingsland at the unusual age of 103 years. The paper had been preserved between the leaves of a Bible, which had also been left to Mrs. Ake, and other interesting mementoes were photos of Grandma Ake at the age of 7 years, and also of Mrs. Walter Ake when a baby.

The visit of Mr. and Mrs. Ake at Kingsland was made the occasion of a family reunion, Mr. Casner inviting all nearby relatives to visit with them, and in all there were 46 in attendance.

PERSONAL MENTION.

Misses Pearl and Edna Weedon of Brownwood came over Saturday night for a visit here with friends.

Dr. R. A. Lindley was called to Brownwood Friday by news of the death of his uncle, Wm. Bailey Son, who died from tuberculosis of the throat, aged 51 years. Funeral services were held Saturday.

Mr. and Mrs. W. E. Campbell have occupied their elegant new home on Crothers avenue, just completed for them. Mr. Campbell added the finishing touches to the home Saturday when he made The Standard one of the fixtures there.

Mrs. G. J. Burger and daughter, accompanied by Mrs. Elo Burger, were pleasant visitors at The Brady Standard office Saturday, Mrs. Peters ordering the paper sent another year to her brother, J. C. A. Peters, at Corpus Christi.

Mr. and Mrs. Sam McCollum had as their guests Sunday his parents, Judge and Mrs. S. A. McCollum of Mason, brother-in-law, Mr. and Mrs. P. C. Pressley and son of San Angelo, and sister, Miss Minnie McCollum of San Angelo.

Mr. and Mrs. L. A. Williams and family left this morning for their new home at Paris, Texas, making the trip overland in their car. While regretting their departure, all their many friends join in extending wishes for happiness and prosperity in their new home.

Mrs. Max Borschow and children, accompanied by H. Wilensky, drove Sunday morning in their car to San Antonio, where they will spend the week visiting. They expect to return about Saturday. Miss Ella Borschow, who has been visiting relatives in San Antonio the past several weeks, will return with them.

Lewis Bratton was here from the Rochelle community yesterday, and reported they had just about completed the moving of their cattle from the Rock Springs country to their ranch near Rochelle. Lewis has been spending the past several months at Rock Springs looking after the cattle interests of Bratton Bros. there.

A. F. Larner arrived the past week from Jacksboro, Texas, and has been checked in as manager of the Bowman Lumber Co.'s local yard. Mr. Larner is a very pleasant and affable gentleman, and the people of Brady are delighted to welcome him to citizenship. Mr. Larner will be joined here by his family as soon as he can complete arrangements for their coming.

W. W. Sammons returned the latter part of last week from a two weeks' trip up through Arkansas, Missouri, Kansas, Iowa and Nebraska, where he went on business matters. He reports having visited a very dry section—in fact, he says the Nebraska country is as dry as a powder house. A good crop of oats was made there, but absolutely no wheat. Corn is about knee high, and while it looks

"A SPLENDID TONIC"

Says Hixson Lady Who, On Doctor's Advice, Took Cardui And Is Now Well.

Hixson, Tenn.—"About 10 years ago I was..." says Mrs. J. B. Gadd, of this place. "I suffered with a pain in my left side, could not sleep at night with this pain, always in the left side..."

My doctor told me to use Cardui. I took one bottle, which helped me and after my baby came, I was stronger and better, but the pain was still there.

I at first let it go, but began to get weak and in a run-down condition, so I decided to try some more Cardui, which I did.

This last Cardui which I took made me much better. In fact, cured me. It has been a number of years, still I have no return of this trouble.

I feel it was Cardui that cured me, and I recommend it as a splendid female tonic."

Don't allow yourself to become weak and run-down from womanly troubles. Take Cardui. It should surely help you, as it has so many thousands of other women in the past 40 years. Headache, backache, sideache, nervousness, sleeplessness, tired-out feeling, are all signs of womanly trouble. Other women get relief by taking Cardui. Why not you? All druggists.

green and fine, Mr. Sammons says the natives are very doleful over the prospects so long as the dry weather holds out. On the whole Mr. Sammons had an enjoyable trip, but he was glad to get back to Brady once more.

J. O. Freeman left Sunday for Brownwood to assume his new duties as Frisco freight agent there. He will be joined by Mrs. Freeman and daughter as soon as he has completed arrangements for the removal to that city.

C. S. Weise arrived here from Dublin the latter part of last week and has been checked in as Frisco passenger and freight agent, succeeding J. O. Freeman. Mrs. Weise and children will join him here within a few weeks. The Standard takes pleasure in welcoming Mr. Weise and family to citizenship, the more so since he and the editor are old-time friends. During the ten years over which this friendship has extended Mr. Weise has demonstrated his ability by steadily climbing the ladder of success, and by winning and holding the admiration and friendship of the citizens wherever he has been located. In his present capacity, he will be found a splendid and useful citizen of Brady; one who may be always counted upon to do his part cheerfully and well, and we bespeak for himself and family the kindest consideration by the citizenship of the town and community.

Mr. and Mrs. G. C. Kirk returned last Saturday from a 1384 mile trip in New Mexico, where they visited his brother and family. They were joined in the trip by Mr. Kirk's brother, W. H. Kirk, and wife of San Angelo. The going trip was made out through the Plains country, via Roswell to Tularosa, New Mexico, where Mr. Kirk's brother is engaged as Ford agent. Returning they came by way of El Paso, visiting Alamogorda, Ysleta and other places in that section. They report all the section traversed as being bone dry—so dry, in fact, that roads ordinarily of splendid formation were worn deep-rutted. As one road became worn, another was started, until the result was a bewildering number of roads branching in all directions at a particularly bad stretch. Because of the bad roads the party abandoned a trip to the Elephant Butte dam in New Mexico. Their visit to Cloudcroft, near El Paso, was one of the most delightful incidents of the trip.

ELECTION NOTICE.

In the lower northwest room of the court house at Brady, Texas, a special election will be held on the 31st day of July, A. D. 1917, for the following purpose, viz:
To elect an Alderman to serve the unexpired term of L. A. Williams who has resigned; and J. M. Duke is hereby appointed presiding officer, who will hold said election in accordance with the laws governing special elections.

WONDERFUL STUFF! LIFT OUT YOUR CORNS

Apply a Few Drops Then Lift Corns or Calluses Off With Fingers—No Pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out without a particle of pain or soreness.

This drug is called freezezone and is a compound of ether discovered by a Cincinnati man.

Ask any drug store for a small bottle of freezezone, which will cost but a trifle, but is sufficient to rid one's feet of every corn or callus.

Put a few drops directly upon any tender, aching corn or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted off with the fingers.

This drug freezezone doesn't eat out the corns or calluses but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have freezezone have him order it for you.

Red Cross Ice Cream Supper.

The members of the Five Hundred club will serve ice cream and cake on the court house lawn Saturday afternoon and night, the proceeds going to the Red Cross fund. Everyone is invited to attend and help the cause.

LIST OF ARMY DRAFT NUMBERS

List of Names in Order Drawn—Information by Provost Marshal General Crowder.

The greatest of interest has been manifested in the list of numbers for conscription, and The Standard has endeavored to compile a list of the names corresponding to the numbers issued. While the first telegraphic report gave No. 250 as the first number drawn, later advices proved this information in error, and instead No. 258, held by Robert Young of Melvin, has the honor of heading the list. Because of some delay or errors, it has been impossible to furnish the quota for each district, and this matter has been held up for the time being.

The following is the list of names of McCulloch county citizens of conscription age, compiled in order of their drawing, by The Standard. Because of the great amount of work entailed, and because no accurate list of numbers were available, there will be found more or less errors. One or two names have been repeated; some have been omitted entirely, while others may be in the wrong order. These errors have resulted from misunderstanding the numbers sent out over the wires, through typographical errors in the lists published in the daily papers, from which this list was taken, etc. In the main, however, it will be found near correct. An absolutely correct list will not be possible until the list has been checked against the master list to be sent by the federal authorities to the local exemption board.

First figure is the serial number representing the order in which the number following was drawn. For instance: 1-258, Robert Young, Melvin, means that No. 258, held by Robert Young, Melvin, was the 1st number drawn; 24-600, Fritz Henry Behrens, Voca, means that No. 600, held by Mr. Behrens of Voca was the 24th number drawn.

Preserve the following list for future reference.

- 1-258, Robert Young, Melvin.
- 2-458, John D. Rush, Lohn.
- 3-854, Wiley William Walker, Brady.
- 4-783, Nichols Avery Collier, Brady.
- 5-837, Joseph Bruce Wren, Calf Creek.
- 6-337, Alva D. Cawyer, Mercury.
- 7-676, Bloomer Johnson, Brady.
- 8-275, James Franklin Faulkner, Pear Valley.
- 9-509, Fidelie Lem McAllister, Milburn.
- 10-564, Joseph Beaumont Guyton, Rochelle.
- 11-945, Lasaro Torres, Brady.
- 12-596, Gillie Wingo, Rochelle.
- 13-536, Thomas E. Price, Rochelle.
- 14-548, Love Kimbrough, Rochelle.
- 15-126, Clarence A. Turnell, Placid.
- 16-784, Lewis William Carr, Brady.
- 17-755, Guadalupe Gloria, Brady.
- 18-107, Eugene Fike, Placid.
- 19-616, Lennon Evert Lane, Voca.
- 20-373, Ed Lee Spiller, Stacy.
- 21-775, Jesse B. Cadenhead, Brady.
- 22-486, Archie Rawel Jordan, Mercury.
- 23-692, Shellee Plutart Burt, Brady.
- 24-600, Fritz Henry Behrens, Voca.
- 25-810, Firman Young Jackson, Brady.
- 26-507, Warren Fletcher Hudson, Mercury.

\$82,000 WORTH BUICKS.

Past Year a Record Breaker for Sales at Brady Auto Co.

Probably the proudest man in town today, from the standpoint of a successful business record, is B. A. Hallum, manager of the Brady Auto Co. From July 1, 1916, to July 1, 1917, Mr. Hallum sold 95 Buicks, representing an outlay of \$82,000. This record is just \$2,000 worth better than that of the previous year. It must be understood that sales of Chandler automobiles and Ford cars are not included in this record. Of the number five cars are still enroute and will probably be received either today or tomorrow. At that, Mr. Hallum says he was handicapped from beginning to end of the season through inability to secure cars, and had he been able to get cars when and as rapidly as he wanted them, he feels sure his record would have been doubled.

Mr. Hallum is expecting a new model Buick to arrive within a few days by express from the factory. The new Buick is one of the most beautiful cars ever designed, the 5-passenger having a 60 h. p. motor and the wheel base being three inches longer than in the 1917 model, while the multiple disc clutch is a feature that makes it rank with the highest price cars on the market.

Dodge Cars Are Popular.

The speed, reliability and performance of the Dodge automobile is winning its way among car owners, and contributes to the increasing number of Dodge owners. F. R. Wulff, local agent reports the following as having purchased Dodge touring cars the past thirty days: Messrs. E. S. Wickes, W. W. Lewis, D. Harkrider, E. Wilkinson, M. Luckie, B. Locklear, J. R. Stone; Dr. J. B. Granville.

Mr. Wulff has also delivered one of the handsome Hup touring cars to Edd Bryson.

MAMMA! DON'T YOU SEE YOUR CHILD IS SICK, CONSTIPATED

Look at Tongue! Move Poisons from Liver and Bowels at Once.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for childrens ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmful, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the California Fig Syrup Co."

We offer you the services of one of the best experts ever in Brady. Bring us your auto troubles. Mann, Ricks & Co.

If you need a buggy it will pay you to look at our Hercules. O. D. Mann & Sons.

"We Want Your Business, Your Friendship and Your Influence"

LOCAL BRIEFS.

N. R. Crump was in off Waldrip route last week, and made us happy by again enrolling himself as a member of The Standard's family.

Mrs. John I. Jones ordered The Standard sent to her son, Sam E. Jones, at Eldorado, stating it is like a letter from home to folks away from home.

Messrs. Mann, Ricks & Co. last week made delivery of two more cars to the proud owners. L. O. Marshall of Lohn received a Model 630 Chalmers, 5-passenger, and W. M. Campbell of Waldrip a Model 83 Overland.

A card from Sam Moffatt directs us to forward his Standard to 1325 West Piso St., Los Angeles, Calif., stating further that they were all well and expected to locate in that city.

W. J. McCartney was up from the Rochelle-Brady community last Friday and reported that he had lived just about as long as he could without The Brady Standard. And he smiled all over himself when we told him we would send the paper to him as per orders.

E. E. Willoughby believes The Standard is a good enough paper to pass around; accordingly he orders it sent another year to each his daughter, Mrs. Cal Estill at Grapevine, and sons, Paul, at Ozona and Roy at Paint Rock. Incidentally it might be mentioned that Edward and J. O. Willoughby at Eldorado, and Mr. E. E. Willoughby, himself are all subscribers, which gives The Standard 100% circulation in this one family.

J. H. Drinkard, who has been spending a week or two here visiting and attending to business matters, returned the latter part of last week to his home at Fort Worth. J. H. never would tell us just what his business was, but we rather suspect he came out to spin a few yarns, drink a goodly proportion of our available pure water supply and tune himself up to spending the balance of the year in exile from McCulloch.

W. A. Baker, the pleasant and obliging Fredonia mail carrier, reports that the Fredonia citizens are making great preparations for entertaining the visitor to their Red Cross picnic, to be given on next Saturday. Fredonia has a mighty pretty grove for picnicing, has an abundance of pure spring water, and their

Wilkerson-Wickes.

The many friends of the bride will be interested in announcement of the marriage of Dr. L. O. Wilkerson of Stanton, Tenn., and Miss Edna Wickes of Brady, the ceremony having taken place at the former home of the bride in Bryan, Texas, on last Wednesday, June 18th. Mr. and Mrs. Wickes and family had gone to Bryan from here to be present at the ceremony and the newlyweds returned with them Friday to make a brief visit here.

The romance which culminated so happily has its inception at Nashville, Tenn., where both bride and groom have been attending school the past several years, the former attending Peabody institute, while the latter was in the medical department at Vanderbilt college. The bride is a lovely young lady, possessed of great charm, and is the daughter of Mr. and Mrs. E. S. Wickes of this city. The groom is a young physician, and a gentleman of exceptional worth and standing in his chosen profession. The newlyweds will make their home at Somerville, Tenn., where the doctor is located.

hospitality has never been questioned, consequently all who attend may rest assured of a most enjoyable time.

A. W. Tipton, sends the news of Brady to his boys and says both Lewis and Burette enjoy receiving and reading The Standard, and consequently he orders the paper sent to each of their addresses. Lewis is with the marine corps at Paris Island, while Burette has been transferred from San Antonio to Fort Logan H. Root, at Little Rock, Ark. Both are delighted with their army experiences so far.

W. J. Brice, who taught last year at Pear Valley, has been chosen to again head the East Gansel school where he taught several years prior to taking the Pear Valley school. The East Gansel folks have just voted \$2,000 bonds for a new school building, and under the excellent care of Mr. Brice that community is certain to have one of the best schools in its history.

W. M. Allen leaves this week for Wingate, where his son, Leslie, recently purchased a garage, of which he has taken active management. Mrs. Allen will accompany Mr. Allen, and while they do not expect to locate permanently out there, yet they will spend most of the year there with their son. Mr. Allen says he has worked steadily for fifty years and thinks he is entitled to a rest. His son-in-law, Chas. Wagner, will look after Mr. Allen's crop and place south of Brady.

LIST OF ARMY DRAFT NUMBERS

(Continued from page 3.)

Provost Marshal General E. H. Crowder, is as follows:

"As soon as quotas are assigned to each State and each board—each board will call upon persons whose cards are in its jurisdiction instructing them to present themselves for examination. This call will be posted at the office of the local board and the papers will be requested to print it. A notice will also be mailed to you, but the posting of the list at the office of the board will be deemed sufficient notice to charge you with the duty of presenting yourself. The law therefore makes it your duty to inform yourself when you are called. The mailing is for your convenience, but if the letter never reaches you, you can not make that an excuse.

"You must report for physical examination on the day named in your call.

"(a) If you are found physically disqualified, the board will give you a certificate which will explain to you what your further duties are.

"(b) If you are found physically qualified and file a claim for exemption within seven days after your call you will be given ten days after filing your claim of exemption to file proof in support of your claim of exemption.

"(c) If you are found physically qualified and file no claim for exemption, or if you do not appear for physical examination, your name will be posted to the district board as one who was called for military service and was not exempted or discharged. On the eighth day after call, or within two days thereafter, copies of the list of persons so posted to the district boards will be given to the press with the request for publication, will be posted in a place at the office of the local board accessible to the public view, and notice will be mailed to you at the address on your registration card.

Should Watch Notices
"Therefore watch the notices posted in the office of the board about ten days after you were called and make arrangements for the prompt receipt of mail.

"Seven days after the call will be allowed in which to file claims of exemption or discharge, except for industrial or agricultural purposes. The latter claims must be presented directly to the district board.

"(a) No claim of discharge on account of the industry in which you are engaged can be decided by a local board.

"(b) Whether you file a claim of exemption or not, you must present yourself for physical examination on the day named in the notice.

"From the day notice that you are called is mailed and posted you have seven days in which you may file a claim of exemption or discharge. The form for filing this claim is simple. If you wish to file such a claim—

"(a) Go to the board and get Form 110 for exemption or Form 121 for discharge. If the board has not the printed forms ask to consult the form pamphlet and copy the form shown there.

"(b) Fill out the proper form and file it with the board.

"(c) Do this within seven days of the posting and mailing of notice to you to present yourself.

"The following are the only grounds for exemption: That you are a regular or duly ordained minister of religion; a student of divinity; in the military or naval service of U. S.; subject of Germany, whether you have taken out papers or not; a resident alien who has not taken out first papers."

In addition to claims for exemption, claims for discharge may be made on any of the following grounds, which are the only grounds for a discharge by a local board: That you are a county or municipal officer, a custom house clerk, employed by the United States in the transmission of mails, or as an artificer or workman employed in an armory, arsenal of navy yard of the United States. That you are a licensed pilot, employed, or a mariner actually employed in sea service. That you are a married man with a wife or dependent child; have a widowed mother dependent upon your labor; that you have aged or infirm dependent parents; that you are the father of a motherless child under 16 dependent upon your labor, or brother of an orphan child under 16; or that you are a member of a well-organized religious sect existing before May 18, 1917, whose creeds forbid its members to engage in war.

Must File Proof.

Ten days after the filing of an exemption claim are allowed for filing proof of that claim. All proofs must be supported by affidavits, on blank affidavit forms to be supplied by the exemption boards. In the case of dependent relatives, the registrant must make affidavit that such relatives are dependent upon his labor for support, and this affidavit must be supported by a similar affidavit on the part of the person in whose behalf exemption is claimed. Adverse decisions of the local boards may be appealed to the district board for rehearing.

Only the district board can receive claims for discharge on the ground of industry, including agriculture, found to be necessary to the maintenance of the military establishment, the effective operation of the military forces, or the maintenance of national interest during the emergency. Such claims must be filed with the district board on or before the fifth day after the mailing and posting of notice that the registrant has been certified by the local board as one who has been called for service and not exempted or discharged.

Only affidavits can be used in filing proof before the district board of a claim for exemption on industrial grounds. All such affidavits must be filed within five days after the filing of the claim. Appeals from the district board must be made direct to the President. District boards will be appointed in each Federal Judicial District.

As soon as cases are finally disposed of, the Adjutant General of each State will send notifications by mail that those who are addressed have been selected for military service. Local boards also will post the list and will give the list to the press for

publication.

These notices, however, that a person has been selected for military service will not necessarily order him into service. The notice to report for military service will come when the Government is ready to receive the registrant selected.

LOCAL BRIEFS.

The Brady volunteer fire department responded to a call Sunday afternoon and made quick work of an incipient blaze that had originated in some unknown manner in the place opposite E. J. Broad's store, and which had been used as a horse lot. Hay and litter had become ignited in some manner, and a smoldering fire resulted, the blaze communicating to a hayrick. The damage was almost nothing.

Don't spend your time in vain regrets after the fire. Insure your property today with Anderson & Carrithers. Better be safe than sorry.
