When the Frisco passenger train pulled out for Fort Worth Tuesday night, it encountered a Ford car, stalled on the crossing five miles east of town, with disastrous results to the car, according to report of the Rev. H. W. Millsap owner of the Ford. Rev. Millsap, accompanied by his brother-in-law, Homer Davis, was returning home late Tuesday night and just as his Ford got on top the Frisco tracks it stalled. Efforts to move the car or get it started, were unavailing, so the pair started to find a mechanic. They returned to the scene shortly after the Frisco train after the contest ends.

Black-Draught Found Valuable by a Texas Farmer, Who Has Known Its Usefulness

Over 30 Years.

Naples, Texas.—"I have used Thedford's Black-Draught for years—I can sately say for more than 30 years," declares Mr. H. H. Cromer, a substantial, well-known farmer, residing out from here on Route 3.

"I am 43 years old, and wnen a small boy I had indigestion and was puny and my folks gave me a liver regulator. Then Black-Draught was advertised and we heard of it.

"I began to take Black-Draught, and have used it, when needed, ever since. I use Black-Draught now in my home, and certainly recommend it for any liver

"I have given it a thorough trial, and after thirty years can say Black-Draught is my stand-by. It has saved me many sick spells."

Mr. Cromer writes that he is "never out of Black-Draught," and says several of his neighbors prefer it to any other liver medicine. "I always recommend Black-Draught to my friends," he adds. This valuable, old, powdered liver medicine is prepared from medicinal roots and herbs, and has none of the bad effects so often observed from the use of calomel, or other powerful mineral drugs.

Be sure to get the genuine, Thedford's.
