

Two veteran commissioners unseated

Challengers upset two veteran county commissioners and local voters helped Congressman Kent Hance post a surprising first-place finish in the US Senate race in Saturday's Democratic Primary Election here.

In Precinct 1, Curtis Snitker unseated senior Commissioner Ed Bennett by a 209-170 vote. Bennett has served continuously on the County Commissioners' Court since 1972.

In Precinct 3, 26-year-old Jeff Robertson of Dimmitt defeated longtime incumbent Jimmie Howell, 205-183. Howell has served on

the commissioners' court eight of the last 12 years.

The Republican Party has no candidate for either commissioner's post. Barring any campaigns by independent candidates before the November General Election, Snitker and Robertson will join Edd Wilson of Precinct 2 and Vincent Guggemos of Precinct 4 on the commissioners' court Jan. 1.

For Unofficial Totals, Democratic Primary See Page 12

In the US Senate race, Hance received 91% of the

Democratic vote in his home county, garnering 1,625 votes to 101 for Bob Krueger and 25 for Lloyd Doggett.

Statewide, Hance climaxed a textbook campaign by coming from a distant third to eliminate the favored Krueger and leave Doggett trailing in one of the closest races in Texas history. Hance and Doggett will face a runoff June 2.

Hance finished with 455,483 votes statewide to lead the ticket, while Doggett received 454,615 and Krueger 453,553. In percentages, Hance received 31.25% of the vote, Doggett

31.18% and Krueger 31.11%, while three other candidates split the remaining 6.46%.

Since 1.4 million Texans cast ballots in the Democratic Primary, each percentage point represented 14,000 votes. Hance outpolled Doggett by 968 votes.

County Democratic committees throughout the state canvassed their votes Tuesday, and the Secretary of State's office was to issue the final, official totals sometime Wednesday after a third tally. However, the three leading candidates all predicted the canvass wouldn't

change the outcome, and Krueger said he would not demand a recount.

With 1,802 casting ballots in the Democratic Primary and 105 in the Republican Primary, Castro County registered a voter turnout of 40.46% — twice the state average, but well below what local Democrats had hoped for, considering the importance of home-county votes in Hance's race. The county has had a turnout as high as 75% before, in the 1976 General Election.

According to County Tax Assessor-Collector Billy Hackleman, 4,705 Castro

Countians are registered to vote.

The statewide voter turnout was 20.5%.

In the race for Hance's congressional seat, which will become vacant Jan. 1, Castro County voters favored the two candidates who led the five-man field — Don Richards and Thomas Richards.

However, Castro was one of only four counties in the 15-county congressional district in which Don Richards did not lead the ticket. Local voters gave Thomas Richards 546 votes to Don Richards' 518. District-wide,

Don Richards led, 18,363 to Thomas Richards' 17,523. The two Richardses will face each other in the June 2 runoff.

Gary Condra ran a fairly strong third here with 335 votes, but district-wide, the Ph.D. in agricultural economics finished in last place, behind John Selby and Delwin Jones.

Castro Countians gave Selby 147 votes and Jones 122.

Former Attorney General John Hill carried Castro County by a margin of better than 6-1 over Sears McGee for the chief justice post of

the State Supreme Court. Hill won by a large margin statewide, also.

June 2 runoffs are in the offing in three state court races — Supreme Court, Place 2, and the Criminal Appeals Court, Places 2 and 3, all of which had three to seven candidates seeking the party nomination.

Leading the ticket Saturday in the "popularity vote" among uncontested local candidates was Sheriff Lonny Rhynes with 1,565 votes. Tax Assessor-Collector Billy Hackleman was close behind with 1,555.

STATE CHAMPIONSHIP CAR—Officers of Dimmitt High School's Industrial Arts Club pose proudly with two club projects that won championships at the Texas Industrial Arts Students Association's fair at Waco. The refurbished red 1965 Thunderbird convertible was named the outstanding project in its division, and the lowboy trailer won a blue ribbon. Sitting in the classic convertible is Club Sweetheart

Robin Parks, holding the plaque which the car earned. Officers, from left, are Joyce Schilling, reporter; David Stephens, sergeant at arms; Debora Jordan, treasurer; Mike Stanford, vice-president; J. P. Spencer, president; and Tammy McMillon, secretary. In foreground is a trophy which DHS won as one of the top three Class AAA schools at the contest.

Woodworking students attain glossy finish at state show

Dimmitt High School's industrial arts students racked up two "best in division" awards and won blue ribbons with six furniture projects at the Texas Industrial Arts Students Association fair in Waco Friday and Saturday.

Every project entered by the DHS students — 33 in all

— placed third or better in the state show, and DHS placed third in Class AAA in the Outstanding School competition.

The DHS Industrial Arts Club entered two club projects — a refurbished 1965 Thunderbird convertible and a shop-made lowboy trailer. Both projects won blue rib-

bons, and the Thunderbird was named outstanding project in its division.

Top individual winner was Mark Bruegel, whose rolltop desk won a blue ribbon and was named the outstanding project in its woodworking division.

Other first place projects by Charles Cotter's wood-

working students were an armoire made by Shawn Cotter, a waterbed by Mimi Soto, a cedar chest by Kay Ballard, a curio cabinet by Manuel Aranda and a dining table by Bobby Nino.

Second place winners were a sofa by Jesus Yanez, a bed

Republicans favor Gramm, Combest

Castro County's Republicans went with the leaders in the party's only two contested races in Saturday's primary election.

Of the 105 who cast ballots, 71 favored Phil Gramm over three other opponents for the US Senate nomination and 61 voted for Larry Combest in the race for the 19th District congressional post.

Statewide, Gramm captured 73% of the vote — a margin he termed "overwhelming" and "beyond any of my expectations" — to avoid a runoff against Ron Paul, Rob Mosbacher or Hank Grover. Paul ran a distant second both here and throughout the state.

In the congressional race, Combest got 64% of the Castro County vote to 21% for Ron Fleming. But district-wide, Combest came up short of a clear majority with 48.4% of the vote, so he'll face a runoff June 2 against Fleming.

Voters' Precinct 2 had the largest turnout in the GOP primary Saturday with 42 votes (not counting absentees), and 27 cast ballots in Precinct 3. Republican voters in other precincts were scattered, with none voting in Precincts 5, 8, 9 or 14.

Here are the county totals in the Republican Primary Election:

President — Ronald Reagan 101, Uncommitted 4.

US Senate — Phil Gramm 71, Ron Paul 18, Rob Mosbacher 9, Hank Grover 4.

US Congress — Larry Combest 61, Ron Fleming 21, Tom Schaefer 9, Richard

Wilder 4.

Railroad Commissioner — John Henderson 87.

Chief Justice, Supreme Court — John L. Bates 88.

Court of Criminal Appeals, Place 1 — Virgil E. Mulanax 86.

County Chairman — Deanne Clark 97.

Mayor resigns

Dimmitt Mayor R. L. Fleming tendered his resignation, effective June 1, to the Board of Aldermen Monday night, saying that his business takes him out of town too much.

"It would not be doing the people right for me to not be here when I'm needed," Fleming said.

He noted that his business, the Chevrolet auto dealership, has been moved to Lamesa, and he will be gone from Dimmitt more and more.

He recommended that the aldermen allow Mayor Protem Wayne Collins to serve as Mayor until the next mayoral election in April, rather than calling a special election.

The board voted to accept Fleming's resignation "with regret."

Fleming was first elected mayor in 1981, and was reelected in 1983.

Aldermen balance Dimmitt's budget

A balanced budget of \$1,426,558 in revenue and expenses was adopted for the 1984-85 fiscal year by the Dimmitt Board of Aldermen at their Monday meeting.

The new budget does not call for any increase in the tax rate, but includes a decrease in revenue from what was received last year.

As usual the majority of the budget expenditures comes from salaries, comprising \$408,188.10, which includes a 4% increase allowance for city employees, with raises to be figured on a merit basis.

The administrative department is allowed \$266,645; with \$204,350 going to the police department; and \$218,976 going to the street and alley department with \$108,000 of that allowed for paving and seal coating. The water-sewer department was

budgeted \$479,870 in disbursements, and will bring in about \$617,300 in revenue.

Income from property taxes is expected to bring about \$295,685, while last year brought in an estimated \$303,100 from property taxes. Part of the decrease in values is from property taxes. Part of the decrease in values is ascribed to a 95% inventory reduction at Am-

NHS duo wins tennis crown

Leona Gerber and Ramona Heiman of Nazareth High School teamed up to win the Class 1A State Championship in girls doubles tennis.

In first round action, the pair defeated Peggy Daffur and Connie Strickland of Forsan, 6-2, 6-3 Friday morning. Friday afternoon, they went on to win their semi-

final match 6-2, 6-3 over Lynn Butler and Andi Anderson of Port Aransas.

The championship game was handily taken from Tammy Miller and Kelli Williams of Borden County in straight sets, 6-1, 6-1.

The pair could have a chance for a second straight title next year, since Gerber is a junior and Heiman is a sophomore.

Mrs. Mary Lloyd, representative for Community Concert Association, was in Dimmitt last week helping with the 1984-85 membership campaign. On Monday evening seventy workers attended the Kick-off banquet held at the Colonial Inn.

Joe Higgs decorated the tables with pretty red geraniums in baskets lined with green. Nolan Froehner and Mrs. Lloyd gave reports on last year's concerts and the upcoming season in the Fall. If you need a ticket for the concert, call one of the board members.

Pat and Bea Hardy entertained their daughter and family, Patsy Rae and Ethan Hokit and daughter, Linda from Littleton, Colo., and their son and family, Sammy, Brian, and P. J. Hardy. On Sunday they attended a family gathering at George and Aundra Frye's.

James and Ruth Slough have returned from an Easter trip to Kingsville, to see their daughter, Joyce, and San Angelo to visit their son, Jimmy Slough, and family. James and Jimmy enjoyed fishing and Ruth enjoyed visiting the family. Ioma Stokes has returned from a three-week trip to Opelika, Ala. to visit her son

and family, Ronny and Brook Stokes. She saw a school play while she was there. They went to Atlanta, Ga. to see the Braves and Houston Astros play and she said the Astros won.

Bennie and Amelia Barrera and Bennie's mother, Petra Barrera, flew to the Valley for the weekend. They visited relatives in Rio Grande City, Mission, and all over the Valley. Amelia's parents live in Garciasville, and she has brothers and sisters in Edinburg.

Norma Garcia has been to the Rio Grande Valley on business and pleasure visiting grandparents, aunts and uncles.

Bay and Bobbie Baldrige took Bobbie's mother, Eula Mae Hughes from Lubbock, to Houston for the funeral of her brother-in-law. Mrs. Hughes stayed for an extended visit.

The Methodists may be interested in knowing that Rev. Bruce and Mary Parks are grandparents one more time. Their daughter and husband, Ruth and Pat Jones of Gatesville, have a boy named Van Alan.

Lewella Maxwell, Cora West, Ethel Thompson from Roswell, Mary Ella Ricketts from Texico and Edith Taylor from Hereford all went to Spring Fling at the 4-H Center in Brownwood. They all went in Lewella's station wagon.

Following registration and a snack they were entertained with singing by a girl from Brownwood. There was a lot of eating while there. Wednesday morning they had an omelet rodeo breakfast at the lakeside pavilion. The men cooked the omelets.

On Thursday night, the last night there, they had a 1908 box supper with people wearing old-fashioned clothes. The boxes were auctioned off and they took their partner and went to a

buffet line and it was filled with food (fried chicken, potato salad and the salad bar) for two people. They were given play money to buy boxes with. They made wind chimes again this year and some of them had a snake dance with the chimes.

Some of the other people gave skits and read poems. Lewella read a poem about the Roaring Twenties. Several asked for copies. There were 125 people there.

There is one more week of Spring Fling as it is called until next October.

Three of Cora's schoolmates, her sister Daisey and a niece met the ladies there and they all shared rooms. Cora went home with her sister to attend a relative's funeral.

The hospital employees gave a surprise housewarming for C. J. and Omega Johnson with 45 attending. They gave a money tree with nearly \$200, a basket arrangement, potted plants, and a lace bedspread. Chips and dips, fresh strawberries and punch were served.

Oleda Schumacher was hostess to the Thursday Bridge Club at the Senior Citizens Center. Fawn Welker won high score and Ferne Dickey won second high. Others playing were Louise Mears, Loranell Hamilton, Jo Gregory, Johnnie Vannoy, Beash Bradford, Susie Reeves, Elizabeth Huckabay, Opha Burks, and Emily Clinging-

smith.

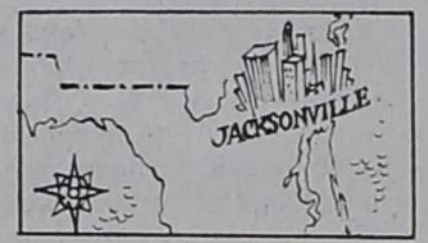

A lingerie shower was given for Yvonna Vanstory, bride-elect of Doug Hays, in the home of Joanne Snider. Fruit pizza and fruit slush was served. Among the guests were Yvonna's mother, Mrs. Peggy Vanstory from Morton and Doug's mother, Mrs. Ruth Hays.

The shower for Deidre Craig, bride-elect of Steve Henderson, was held in the lovely country home of Jean Robb. Deidre's mother, Genell and Steve's mother, Janet Henderson from Lubbock were in the receiving line. Jan Robb served party cookies and punch from a table decorated with an arrangement of Spirea in a crystal basket with a grouping of candles on a bed of English Ivy in the background.

Mrs. Leora Calhoun had unexpected company on a recent Monday afternoon when Mrs. Euna Cook of Canyon and Mrs. Geneva Mitchell of Dimmitt dropped in for a visit. They had a

good time talking about days gone by.

Bobbie Chester of Clovis spent Easter Sunday with her mother, Mrs. Leora Calhoun and also visited her daughter Charlene Lopez and family.

Reaching Out...
IN NEED OF LIVING WATERS
As the plant spreads over the desert seeking life giving moisture, we need to reach out to God for "Living waters." Seek God in his house, know the peace and joy of a full life with God. "...and thou shalt be like a watered garden, and like a spring of water, whose waters fail not."
The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Prints to be made at Hart

The Hart Police, in cooperation with the Dimmitt Police and Castro County Sheriff's Dept., is conducting the Prints For Life program in the Hart schools.

Permission forms will be sent home with students from the early childhood program through the eighth grade, and the prints will be made Monday for those who return the signed permission forms by Friday.

Parents may pick up the fingerprint cards or they may leave them on file at the school in their child's permanent school record.

Hart names cheerleaders

The cheerleaders for the Hart schools for the 1984-85 year were named recently.

For the high school, they will be Cristi Rowland, senior; Gayla Kittrell, senior; Traci Jeffcoat, junior; Risha Ammons, sophomore; Kathleen McLain, freshman; and Melanda Wilson, freshman.

For the junior high, cheerleaders will be Cynthia Robertson and Shandi McLain, eighth grade, and Jill McLain and Delphia Ponce, seventh grade.

SUMMER is the time for fishermen to seek speckled trout around oil platforms in Texas' shallow bays.

Central Plains to change name

For over twenty years, Central Plains Savings has served the Golden Spread area. In the past few years, it has expanded its services in offices in Plainview, Tulia, Dimmitt, and Hale Center. Most recently, it has opened new offices in Canyon and Ft. Worth. This growth and expansion of territory has resulted in a new name for the company: InterWest Savings Association.

According to W. Glenn Ragle, chairman of the board, the name change is the direct result of the company's more than doubling its size in the past two years. Not only have new branches been opened, but the Plainview facility is currently remodeling and expanding to double the size of its office.

Ragle also stated that individual branches will be

making some changes in their physical plants, and that the S&L will be offering expanded services in the near future. The name change-over is expected by May 21, a spokesman said.

Women attend conference

Helen Richardson, Madge Robb and Teeny Bowden attended the Texas Historical Commission's annual Preservation Conference in Lubbock Friday.

Mrs. Richardson and Mrs. Robb attended the session "From Troubadours to Swingers: Texas Music in the 20th Century," which featured Al Stricklin, original member of Bob Wills' Texas Playboys, and his son, David, who is a writer and

musician from Durham, N.C. Steve Tucker of the Tulane University Jazz Archive in New Orleans was another of those featured.

Mrs. Bowden attended the session "Archeology and Technology: The Richland-Chambers Study." Four students from Southern Methodist University showed slides of their work in Navara and Chambers Counties on 45,000 acres of land-history which will soon be lost to a water reservoir for Fort Worth except for their survey data collected in the field using the latest technology. James E. Bruseth, co-principal investigator, Bob Huggins, geophysicist consultant, and David H. Jurney Jr. and Randall Moir, historic archeologists, were the speakers.

They also attended the Texas Barbecue at the Ranche Heritage Center Museum Friday night.

AFS assignments told

Three girls from vastly different parts of the world will attend local schools in 1984-85 under the American Field Service student exchange program. One of them will be the first AFS student ever to attend Nazareth High.

Named as local AFS host families for the coming school year are the Don Gregorys and the Lyman Schroeders of Dimmitt and the Eugene "Sonny" Hochsteins of Nazareth.

Next year's AFS exchange students here will be Maria Kristina Henriksson of Sweden, who will live with the Gregorys; Anna Foster of Australia, who will live with the Schroeders; and Yocasta Reina of Honduras, who will live with the Hochsteins.

Miss Henriksson, 17, lives in Perstorp, Sweden, a village of 7,000. Her father is a financial manager and her mother is a teacher. She has studied four languages, plays golf with a six-handicap, enjoys skiing and camping, and has traveled extensively in Europe with her family.

Her older brother, Ola, was an AFS student in

1981-82 in Dallas. She has another older brother, Lars, 23.

"After my year in the USA I want to have learnt something of their culture and the American way of living, and I hope to have got a lot of new friends, hopefully for life," she said. "I saw how my brother matured during his year in Dallas."

Miss Foster, who is celebrating her 18th birthday today, lives in Melbourne, Australia, where her father is a petroleum engineer and an oil-and-gas marketing manager and her mother is a housewife. She is the youngest in the family, and has an older sister, Carol, and a brother, Thomas.

She has been in the US twice before, in 1974 and 1977, and also traveled to Fiji in 1977. She has studied French three years, and enjoys arts, crafts, aerobics and jogging. She said in her AFS application that she would like to live in any state, "but Texas preferred."

"From AFS my main objective is to learn about what it means to be a student in another country, under similar circumstances — a

first-hand knowledge of another way of life, which includes schooling and something that no tourist can ever have the fortune of experiencing," she said.

Miss Reina, 17, completed secondary school last November in her home town of La Ceiba, Honduras, C.A. Her father is a civil engineer who works away from home during the week, and her mother is a housewife. She has a twin brother, Carlos Roberto, and a younger brother, Nelson Armando, 9.

She and her twin brother have always attended different schools "to avoid a dependency on each other," avoid a dependency on each

other. In addition to her native language of Spanish, she has studied English five years. In her spare time she reads and listens to music.

"I wish to get as much of friends as possible" in the US, she said. "To me it is very important to have friends of all ages. Besides that, I am going to try to do my best to learn from every situation and experience with AFS."

While most Dimmitt High School students will be getting a vacation from classwork this summer, sophomore Denise Smith will be traveling halfway around the world to attend classes in Mirani High School in Australia.

She will be going on a three-month AFS program to "Down Under," where she

will be staying with the family of Louie and Joyce Raffaldi on their sugar cane plantation 17 miles from Mackay, located on the northeast coast of the continent.

The Raffaldis have a 17-year-old daughter, Maria, living at home, and two daughters and a son who are married.

Smith will attend school, beginning July 9, in Mirani, a town with about 300 population with a high school enrollment of about 600.

Leaving the US on June 13, she is scheduled to return sometime between Aug. 28 and Sept. 1.

Smith is the daughter of Mr. and Mrs. Elbert Smith of Dimmitt. She has two college-age brothers, Dwayne and Tom. The Smiths have a farm west of town.

In a beehive, only 1 1/2 ounces of wax are used to build a comb that will hold 4 pounds of honey.

Bentsen proposes base acreage bill

Senator Lloyd Bentsen said Monday that erratic, uncertain weather is a problem farmers have to live with, but there is no reason to subject them to a farm program that features an erratic, uncertain method for determining acreage bases.

Bentsen introduced legislation Monday that would establish a permanent system for determining acreage bases, rather than have the formula continue to change with each new farm bill.

The acreage base is a computation of the amount of land a farmer has in past years planted in a given crop or crops. It is used to determine the extent of a farmer's participation in the farm program, the amount of support payments to which the farmer is entitled.

"This legislation will give farmers the certainty that they can plan ahead for changes in their cropping patterns without risking the loss of their eligibility to participate in federal farm programs," Bentsen said in remarks accompanying his bill.

"Under our current system, acreage bases are subject to change every time a new farm bill is written. This makes it impossible for farmers to plan with any certainty even one year ahead for a crop rotation, even though farmers need to be able to plan ahead for several years in many cases to develop the most efficient farm plan."

As an example, Bentsen noted that some farmers switched from cotton to wheat in 1982, working to build an acreage base so they could participate in the wheat program with their 1983 crop. They learned, several of them too late, that under the most recent farm bill the 1982 crop would not count toward their acreage base.

The Bentsen bill would establish a Farm Acreage Base and a Crop Acreage Base. Each would be set on a five year moving average. The bill would permit farmers to switch up to 25% of their Farm Acreage Base from one crop to another each year.

"It is high time that the federal government stopped playing silly games with an issue as serious as eligibility for our farm programs," Bentsen said. "The vagaries of the weather and the marketplace are more than enough for farmers to contend with."

Hill takes third

Todd Hill of Nazareth High School took the consolation honors in singles at the Boys Region 1-1A tennis tournament in Levelland last week.

He won the consolation (third place) ranking by defeating Ernest Montemayor of Anton, 6-3, 6-4. In the semifinal round he was beaten by Tracy Britten of Groom. In the first set the pair battled to a 6-6 tie with a 12-point tiebreaker, which Todd won, 5-7. However, Britten picked up the next two sets, 6-3, 6-2, giving him the match.

Hill did not qualify to advance to the state tournament.

Player fee cut for baseballers

Dimmitt Kids, Inc., announced this week that it has lowered player fees to \$12 per player for this summer's junior baseball program.

"We're losing money on these fees, but we want as many kids as possible to be able to play," an official of Kids, Inc., said. The fee originally was set at \$17 per player.

Kids, Inc. also extended the signup deadline. Any youngster wishing to play may sign with Roger Malone, players' agent, at Dimmitt Printing & Office Supply.

Gladys Gooding played for the New York Rangers, New York Knicks and Brooklyn Dodgers in a single season — as organist.

Shari Schilling

Schilling is fourth at state

Nazareth High School's Shari Schilling posted fourth place at the State Class 1A girls track meet Saturday in Austin.

Schilling won her 400 meter event with a time of 61.1, after running 61.04 in the qualifying trials Friday.

Deadline is Tuesday for certifying wheat

By CHARLEY HILL
County Executive Director

The final date to certify wheat and other small grain crops will be May 15. You will also want to certify your ACR (set-aside) acres for wheat at the same time. If your ACR acres required for wheat are certified by May 15, we will be able to make your diversion payment soon after that date.

Accuracy of certification is very important. Irrigated and dryland need to be certified separately.

You need to certify your acres even if not enrolled in the program in order to protect your base, and future planting history for your

farm. Don't overlook the May 15 Deadline Date.

QUESTIONS & ANSWERS ABOUT ACR [SET ASIDE]

- Q. What is eligible ACR (set-aside) land?
- A. ACR land must have been in a crop two of the three years or planted to wheat for the 1984 crop year.
- Q. Can I bale my ACR (set-aside)?
- A. Yes, as long as it is wheat planted before Jan. 12. No other cover can be baled.
- Q. What if the wheat is not ready to bale by May 15?
- A. Wheat that is not ready to bale by May 15 can be baled after May 15 if you come in and request an extension of the May 15 date. An inspection fee of \$20 will be charged and a field visit made. The wheat will have to be baled prior to the soft dough stage.
- Q. Is there a reporting date for ACR?
- A. Any land used for ACR (set-aside) that has small grain destroyed as a cover or is being grazed, must be reported by May 15, even if it is land you are going to use as ACR (set-aside) for corn, milo or cotton.

DIRECT FROM THE 'PATCH' — In front of a short-lived display of Cabbage Patch Kids, Margie Rueda of Killingsworth True Value Hardware holds "Di Tania" and shows her birth certificate and adoption papers. Di Tania was one of 15 Cabbage Patch Kids that arrived at 8:30 a.m. Monday. Seven were already spoken for, and within 90 minutes the other eight were snapped up.

Cabbage Patch Kids find Dimmitt again

For the first time since before Christmas, the Cabbage Patch Kids showed up in Dimmitt again Monday.

They stopped briefly at Killingsworth True Value Hardware before going on to their respective homes.

The homely but unique Cabbage Patch Kids—brothers and sisters of those that caused a national "run" and near-riots in cities across the US during the Christmas shopping season—were the

first that the local dealer had seen since November.

But they're still as popular—and as much in demand—as ever. Fifteen came in by truck at 8:30 a.m. Of these, seven were already spoken for. The remaining eight were gone by 10 a.m. as the word spread, and the store had four more calls after the last doll was sold.

"Last year we ordered two, not knowing they were going to become so popular," Vicki Nelson said. "They stayed on the shelf about two weeks; that's before they really got hot."

"When those two were snapped up, we ordered 30 more in November, but never could get them. These that came in today were ordered six or eight weeks ago, mainly for people who couldn't find them for Christmas."

The homely Cabbage Patch Kids, manufactured by Coleco, are based on the original soft sculpture creation by Georgia artist Xavier Roberts. They have yarn hair, round rubber faces with pug noses and no chins, painted eyes, and stuffed fabric bodies. No two Cabbage Patch Kids are alike.

NHS Band is 'Outstanding'

The Nazareth High School Band attended the Carlsbad Music Festival May 4-6 in Carlsbad, N.M., and was named Outstanding Band in Class A.

"March from Scitio" and "Canto" are the numbers the band performed.

The judges' comments said of the band, "Outstanding, a well disciplined band, great prospects for the future."

Bernie Tackitt, director of the band, said the 44 members of the band also spent time sightseeing and touring Carlsbad Caverns during their stay at the festival.

The band was scheduled to have had a concert Wednesday at 8 p.m. at the school in Nazareth.

Ross is honored

Dimmitt eighth grader Channin Ross was named an Outstanding Soloist at the prestigious Greater Southwest Music Festival held April 26-27 in Amarillo.

Other junior high students who placed with solos at the festival were Johnnie Chavers and Ofelia Lopez, who both received I ratings, along with Ross; Sheila Christian, Rachel Martinez and Ida Sotello, who all received II ratings; and Tina Jameson, Rhonda Sparkman, Lupe Gonzales, Beth Miller, Melissa Polivoda, Paula Sanchez and Betty Sanchez, who all received III ratings.

The junior high choir as a whole received a II rating in concert performance. They sang "I Will Not Leave You Comfortless," "Spanish Lullaby," and "A Pater Noster."

One judge said of the choir, "This is the most musical group I have heard these two days, and that's the highest compliment I can give you and your director."

Comments on Ross's performance included, "I am just super impressed with this performance. You have made it worth my efforts to be here. Thanks for sharing your wonderful ability with

me." Her judge was Milton Pullen, professor of music at Abilene Christian University.

Locals hear Perot at area meeting

Six locals heard H. Ross Perot, Chairman of the Governor's Select Committee on Education, speak to the membership and guests of the Panhandle Area Association of School Boards at the meeting last Thursday in Amarillo.

Election of officers for the association was also held. Wallace Birkes of Pampa was named president of the 27 district member assembly, Don Stringer of Tulia was named vice-president, and Kathryn Goddard of Friona was elected secretary-treasurer. Outgoing president was Deanne Clark of Dimmitt, and Stanley Nelson of Dimmitt had served as secretary-treasurer.

Perot told those present about his committee's proposals and the necessity of making Texas accountable to its citizenry for the \$8.3 billion expenditure for education.

"Perot is seeking a management oriented, cost-effective system of educating children that will raise Texas in the academic achievement ranks of the nation and the world," Clark said, adding that Perot noted that Texas ranks very low in the nation and toward the bottom line in the world in academic achievement, with Texas graduates having a high percentage of illiteracy.

Clark said that Perot encouraged the school board members to look at their own school situation and adapt the House Bill 246 requirements to that situation, and suggested that administrations be creative in meeting the needs of the disadvantaged and multi-racial population "before the courts force the issues in court, because the large numbers of unskilled labor will only impede competition in the future, world-wide

markets."

"Work first, play later" is the theme Perot advocates in his plea for giving scholastics due time during the school day and leaving extracurricular activities of all sorts for after school day and on weekends, Clark said.

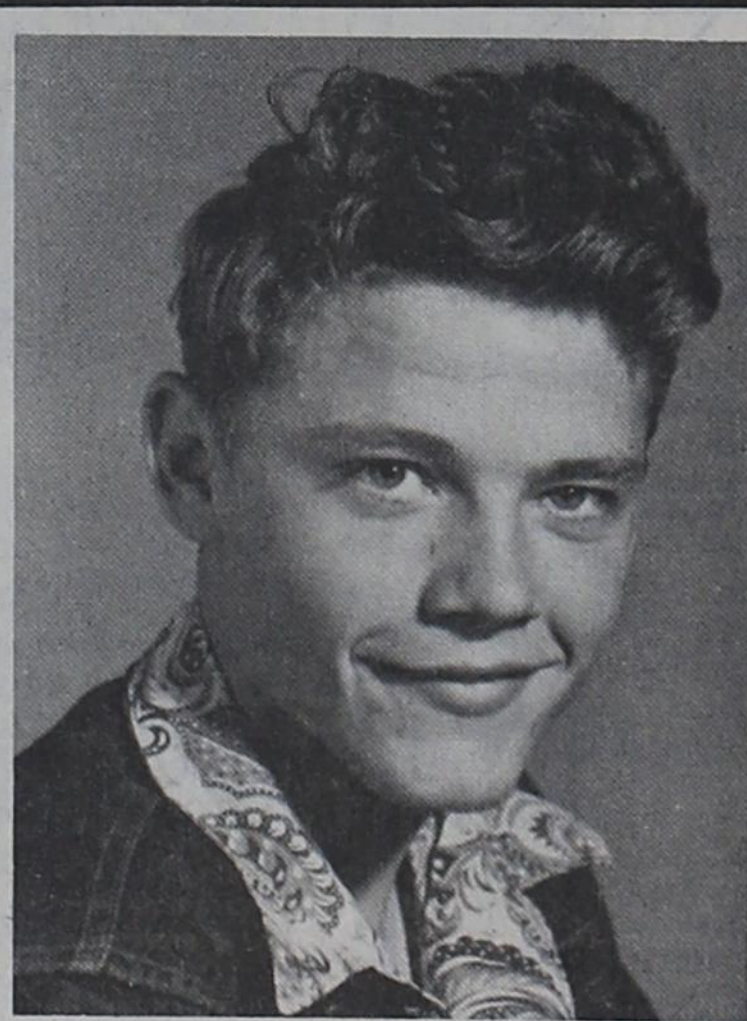

"The cheapest, most valuable way to increase academic achievement is to assign homework and involve the family in a supportive way," Perot suggested.

Clark reported that those present gave Perot a standing ovation at the completion of his presentation.

Members of the association told Perot, during a question and answer session, that they would like to continue with the present system of electing members of the State Board of Education, rather than changing to an appointment system, as recommended by Perot's committee.

Having previously charged the State Board with low visibility, poor accountability and goals or direction, Perot responded, "I don't care whether they fall from heaven, as long as the right people serve the needs of educating the children of Texas."

Others from Dimmitt who attended were school board members Don Gregory, Charles Wales and Monty Boozer, and DISD Business Manager Gene King.

Happy 50th,
Don!

I love you!
Betty

Nazareth boys go to regional

The Nazareth High School boys track team took four placings at the Region 1-1A track meet over the weekend in Levelland, and won 18th in team totals with a total of 8 points.

Six team members made qualifying performances Friday, but only four placed in the finals, with none eligible to advance to state.

After posting a time of 11:20 in the trials, Russell Hoelting took fourth in the finals of the 100 meter run with a time of 11.54. Another fourth went to Frank Wortham in the discus with a throw of 143' 3".

Joel Birkenfeld took ninth in the finals of the 1600, after qualifying with a time of 5:06.49. Tenth in the 3200 went to Alan Birkenfeld. His qualifying time was 11:27.0.

Also qualifying but not placing in the finals were

Piano pupils to play today

Sixteen piano students of Mrs. Leon Sanders of Dimmitt will perform today (Thursday) from 9 a.m. to 3 p.m. as candidates for membership in the National Fraternity of Student Musicians, sponsored by the National Guild of Piano Teachers.

Performances will be in the First Baptist Church of Olton. Adjudicator will be R. Hoffman of Amarillo College.

Three students — Tonya Lamberth, Troy Johnson and Brian Stewart — will perform 10 pieces each for the fifth year, and will be eligible for Five Year Composer of the Year pins.

Others performing 10 pieces to gain National Fraternity membership are Jennifer Carter, Michelle and Priscilla Garcia, Jennifer Hanners, Brian Higgs, Gretchen and Heather Moore, Kalina Pohlmeier, Amy Smithson and Lisa Travis.

Performing two or three pieces in today's auditions to qualify for local membership will be Scott Hunter, Danna Ralston and Heather Thomas.

Concert association announces artists

Although the membership drive week for the Castro County Community Concerts Association is over, memberships are still being accepted, according to association president Nolan Froehner.

Froehner reported that scheduling problems have resulted in changes in the artists who will be coming to Dimmitt for the 1984-85 season.

The premiere performance for the season will be the National Choir of Romania, appearing Wednesday, Oct. 10. Dimmitt will be this group's only appearance in Texas.

Although they had been tentatively scheduled to appear in Dimmitt, the piano duet of Rostal & Schaefer, and Bill Schustik, "The American Troubador," will not be coming.

Instead, Dimmitt will receive The Trio Sonata, composed of classical guitar, flute and oboe, which will appear Thursday, Jan. 24; and Earl Rose, a pop pianist, who will perform Sunday afternoon, March 3.

The evening performances will both be at 8 p.m.; all three will be held in the Dimmitt High School auditorium.

Performances scheduled for the Hereford Concert Association, but not yet dated, will include Stars of the Lawrence Welk Show, Rostal & Schaefer, and Bill Schustik.

Plainview performances will include the Royal Ballet of Flanders, the Big Band Cavalcade, pianist Leonard Hambro, and Terry Cook, baritone vocal soloist.

Members of the local association may attend concerts presented by these area associations on a space available basis by showing their membership cards. Also included are the associations in Borger, Dalhart, Dumas, Pampa, and across the country.

"Hats off to all workers who are putting forth extra efforts to make this concert season a success," Froehner said.

star, according to figures from County Tax Appraisal officer Jerry Heller.

The aldermen remarked that if there is less revenue, then expenditures must be cut, rather than raise the tax rate at this time.

Two bids were received for providing the city's insurance coverage for general liability, multi-peril, public officials coverage, auto liability and other coverage.

The Ronnie Parker Insurance agency of Dimmitt submitted a bid of \$27,229 for a one year policy and a partial bid of \$46,195 for three years' coverage, with premiums for auto, umbrella and airport policies to be added in, since they are only available on a yearly basis.

The Texas Municipal League submitted a bid of \$19,956 for a one year policy, but did not have figures available for a three year term.

Also, portions of the bid form submitted by TML were altered and a different deductible was listed, rather than the \$250 designated on the bid form. These alterations resulted in confusion on the bid terms, so the aldermen voted to hold the bids until they could be examined in more detail.

A special meeting for that purpose is set for tonight (Thursday) at 7, and City Manager Paul Catoe said that a representative of Johnson & Higgins of Texas, Inc. (the company that would administer the TML policy) is planning to be at the meeting.

The aldermen accepted specifications on two vehicles for the city, a pickup for the works department and a car for the police department. Bids will be called for on the two vehicles.

Alderman David Behrends suggested that the board draw up a resolution protesting the placement of nuclear waste dump sites anywhere in the area, with a copy to be sent to the Dept. of Energy. The board agreed to draw up a resolution.

Lone Star Farmer. All-State defense honors in football came from his four years of varsity play. He was team captain for two years. He also ran varsity track.

The three schools also named other honor grads. For Dimmitt, they are Julie Reeve, Roxanne Gabel, Kennen Howell, Robert Nelson, Mark Bruegel, Scott Nelson, Debra Sava, Denise Behrends, Vonda Richards, Rhonda Heath, Richard Saucedo, Bridget Lowe, Becky Benton and Cara Higgs.

Hart named Isabel Berumen.

For Nazareth, they are Anne Birkenfeld, Renee Ramaekers, Cheryl Holting, Bart Huseman, Kevin Acker, Joel Birkenfeld and Shari Schilling.

Hance: 'I had no doubt'

"I had no doubt in my mind that I would be in the runoff," an elated Kent Hance told the News Monday after his surprising first-place finish in the six-man Democratic field for the US Senate nomination.

In one of the closest races in Texas history, Hance led in the early returns and never relinquished his lead as he eliminated Bob Krueger, the acknowledged front-runner, and finished ahead of State Sen. Lloyd Doggett by an eyelash.

"I thought there was an outside chance I might lead the ticket if everything would fall my way," Hance said. "But things didn't fall my way, and I still led the ticket."

What didn't fall his way was the voter turnout in

West Texas. "We were hoping for a 50% turnout and a 60% majority in West Texas," he said. "We had only a 30% turnout in West Texas, but got an 80% majority."

Castro, the Lubbock congressman's native county, produced a 40.6% turnout and gave him 91.4% of its votes. Only three other counties topped the 90% mark for Hance—Cochran with 92.4, Bailey with 91.8 and Borden with 90.

Lubbock County Demo-

crats gave Hance 83.4% of their votes but had only a 26.7% turnout.

"I wish we had had a higher turnout all over West Texas," Hance said. "Just look at what a difference it would have made. In the runoff I've got to get my votes out or I'm in deep trouble. I can tell you, Doggett will get his votes out."

In addition to his vote of confidence in West Texas, Hance was especially happy about the success of his campaign in East and South-

east Texas, where "I had some really good, dedicated workers."

"We really worked hard in East Texas," he said, "and it paid off. Carol (his wife) called me Thursday night when I was at Wichita Falls; she had just finished in East Texas and had gotten back home. She said, 'You won't believe it—it's really moving there now. People are out and working, and they really believe, and it's happening.' I got so excited I didn't sleep much that night."

Hance carried seven of eight counties in Southeast Texas that have one of the biggest labor concentrations in the state.

The congressman has made personal appearances in 190 counties and his wife has visited 130 counties dur-

ing the campaign. "The farmer groups that fanned out across the state were effective, too, as were several dedicated workers in key parts of the state," Hance said. "A lot of my worker did more than I could ever have asked them to do—they took off from their jobs and businesses."

In the overall intensity of support, Castro County ranked at the top in the campaign, he said. "If you look not only at the percentage of the vote but at the money raised, Castro County was at the top by percentage of population," he said.

He added, "The thrilling thing to me was that I never bumped into anyone from Dimmitt or Castro County who didn't think I could win. And I had people come up to me all over the state and say things like 'Danny Bruton told that if I didn't support you he was going to have Howard Smithson come down here and sit on me,' or 'Russel and Myrtle Lois Moran called us and told us about you,' or 'Dorothy Gilbreath called us and said you were the man to vote for.' I loved it."

Now for the runoff. "I can get more of Krueger's vote than Doggett can," Hance said, "but I'm going to have to have a huge turnout in West Texas to offset the big built-in vote that Doggett has."

Letter
Concert audience's manners deplorable

Dear Editor:

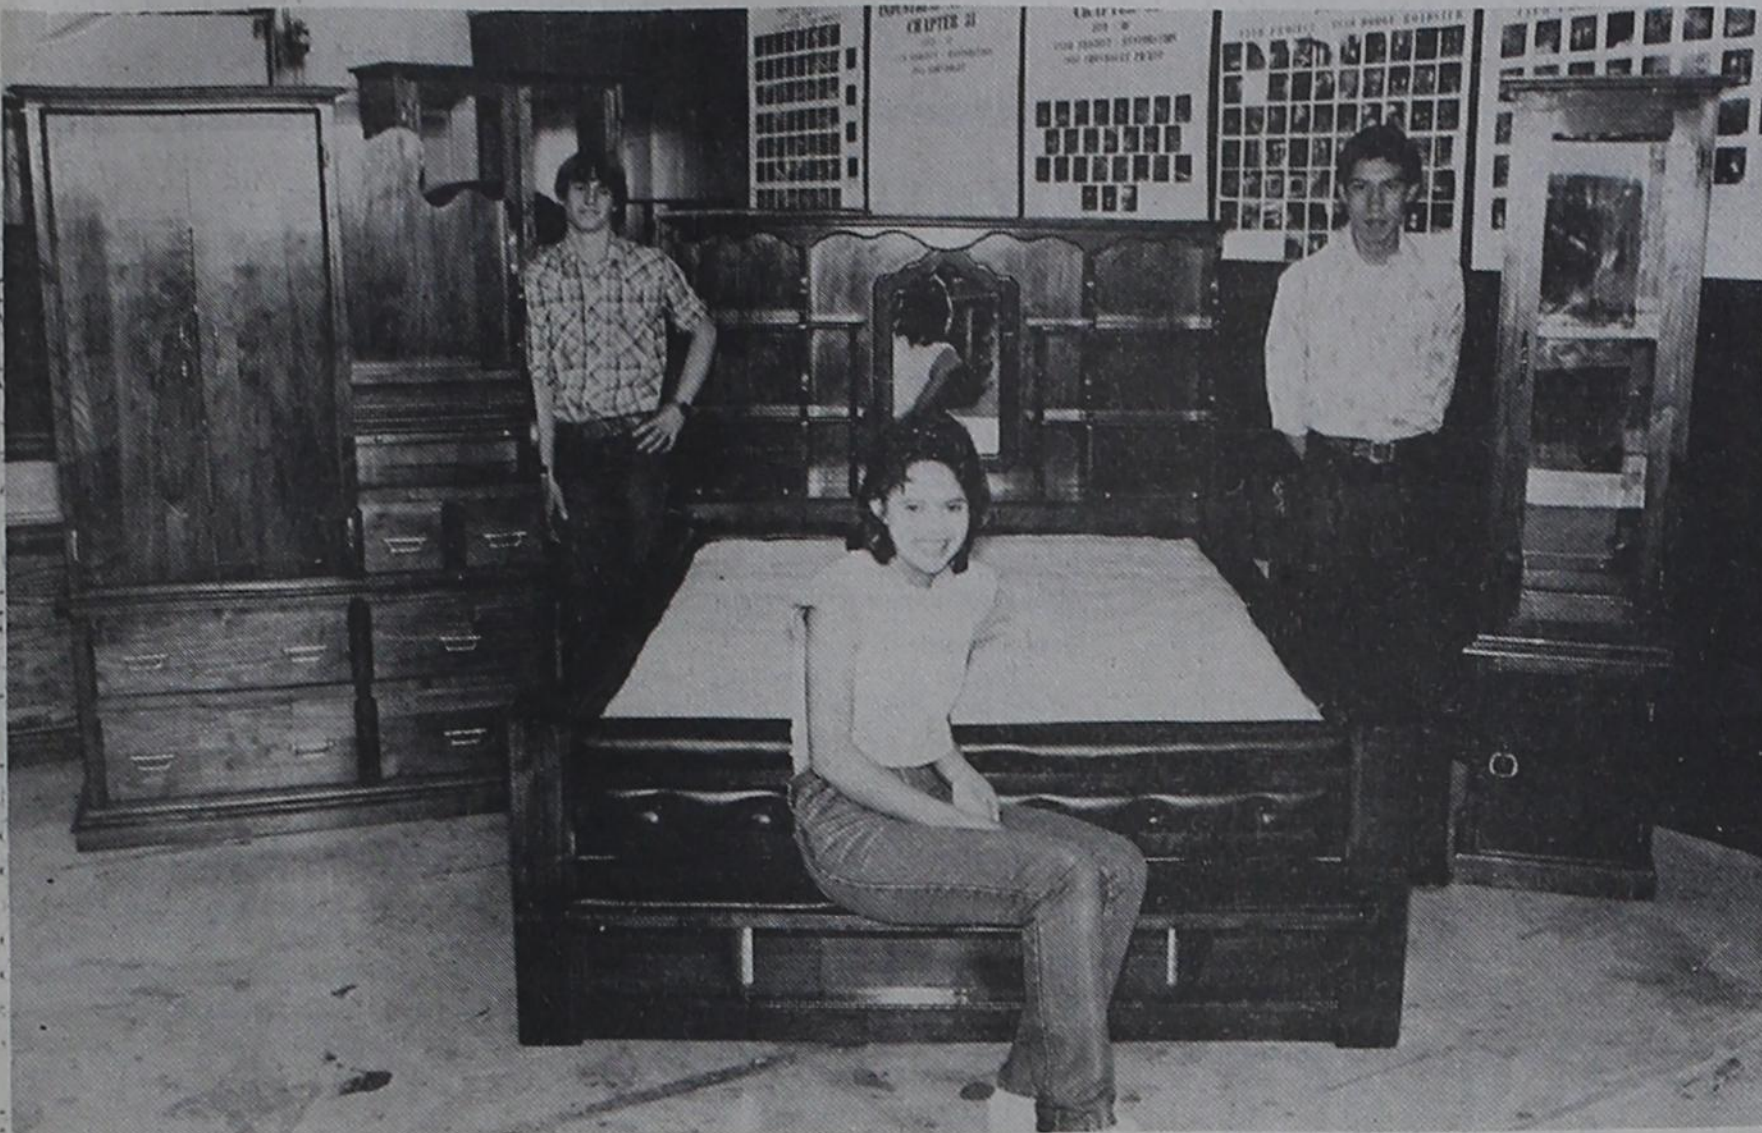

I have learned in the last two or three years that when we have a choir presentation at the high school or middle school, it is not so much a concert as a competition: choir vs. the audience.

Why is it necessary to toss all our manners and common sense out the window? Audience rudeness seems to be the rule of the day.

I have attended choir, band and various other presentations at the Dimmitt schools for the last 10 years, and this problem hasn't seemed to come up until the last two or three years—and usually at choir concerts.

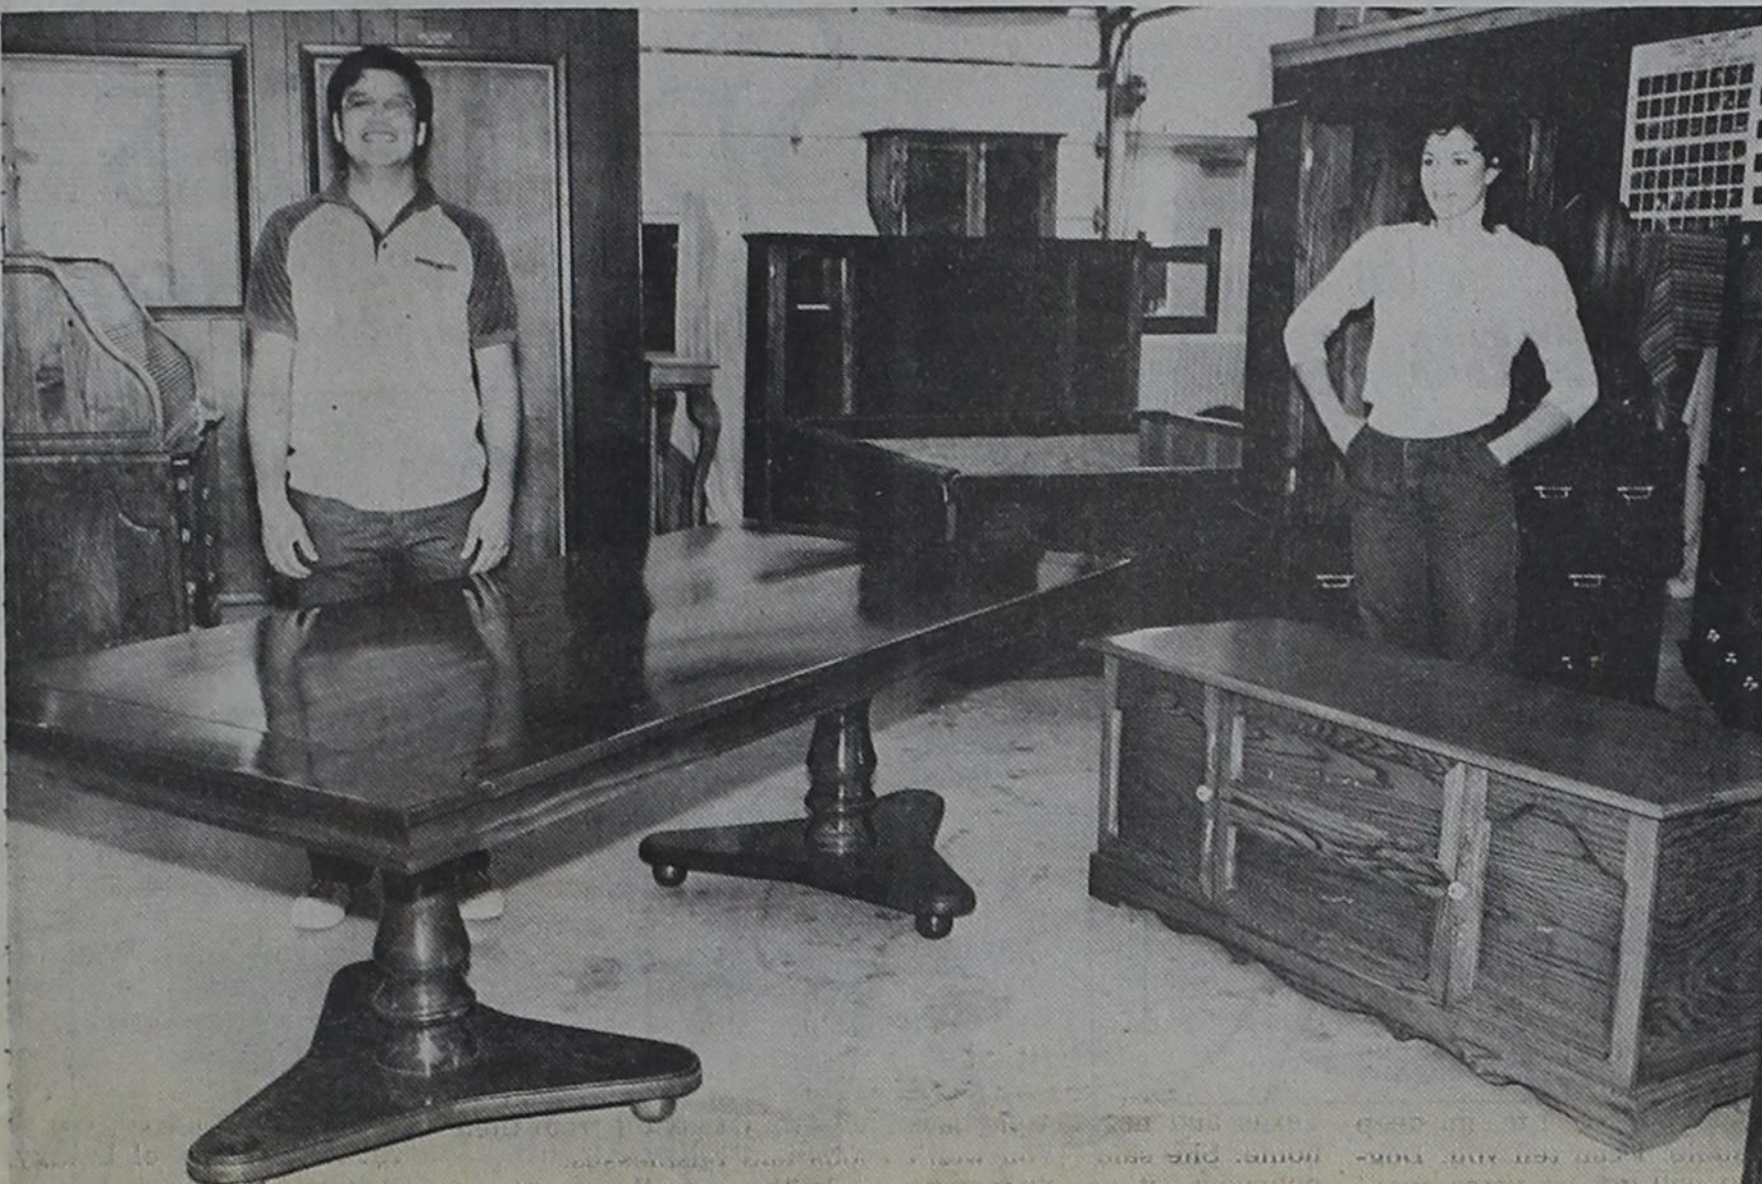

This childish behavior has no social, economic or racial boundaries. It encompasses most all children (yes, children) from 12 to 18 years old. I was under the impression that when a student had matured enough, both academically and physically, to be in high school, his or

Hearings to ask for citizen input

The State Board of Education will hold 56 public hearings across the state, continuing throughout most of May, to receive citizen input on public education in Texas.

The hearing for the Region 16 Service Center in Amarillo is set for May 17 at 1601 S. Cleveland in Amarillo. Identical hearings will be held from 1 to 3 p.m. and from 4 to 7 p.m., in order to give more people an opportunity to attend.

State Board of Education

chairman Joe Kelly Butler of Houston said the hearings will focus on school finance recommendations currently under consideration by the State Board, along with other major education issues and the recent recommendations of the select Committee on Public Education.

"Education has been the focus of an extraordinary amount of attention, both on a national and state level," Butler said. "[These] hearings are being held so that every Texas resident may be heard."

The state board is required to make recommendations to the legislature for the biennial budget, and is asking for input from the people of Texas to use in making these recommendations.

Also at the hearings, a questionnaire will be distributed that seeks public opinion on major education

issues. Completed questionnaires may be turned in at the hearings or mailed to Wesley Robinson, Director of Programs, Dept. of Planning and Research, Texas Education Agency, 201 East 11th Street, Austin, 78701.

Questionnaires will also be available at each local school district. Results from the

hearings and the questionnaires will be reported to the full State Board and shared with members of the legislature, the education community, and other interested groups.

Interested persons are encouraged to attend a hearing or complete a questionnaire, or both.

COMMERCIAL BEAUTY SPOT for the month of May, as named by the Dimmitt Chamber of Commerce Beauty Spot Committee, is Rhoads Memorial Library. The garden area on the south side of the building is brightened by iris and tiger lilies, along with a red bud tree and juniper bushes.

Six from Hart are qualifiers

Although the Hart High School boys track team performed "the best we've run all year," according to coach Mark Stroebel, they didn't manage to put anyone in the finals of the Region 1-2A track meet held in Lubbock Friday and Saturday.

The team's six members made qualifying marks in six different events, including two relays.

"We'll have a good chance next year, because most of the team will be returning," Stroebel said, adding that the team has one senior, one sophomore, two juniors and two freshmen.

The 400 relay team of Johnny Washington, Tommy Menchaca, Rene Gonzales and Chris Rodriguez ran in 46.62. In the 1600 relay, with the same members except for Ronnie Rodriguez instead of Chris Rodriguez, the team registered a time of 3:42.42.

Ronnie Rodriguez also ran the 300 intermediate hurdles for a qualifying time of 44.0. In the 400 meter run, Gonzales posted a time of 54.06; and in the 800, Menchaca ran a 2:11.47.

Darrell Ethridge qualified for the discus with a throw of 100'6".
