By Bascom Nelson

We're not given to worrying—our creditors know that—but we'd like to know what that thing was several people saw near Levelland Sunday night—and where is it now?

It is highly doubtful, judging from the actions of the Pentagon, that whatever it is belongs to the Air Force. They have acted just as puzzled as everyone else.

Whatever it is—if it is anything at all—we can't do anything about it but be curious.

The weather has occupied our minds and conversations all fall now. It appears at this writing that what started out to be a good crop on a county-wide scope will be lucky to produce anything at all. One of the main reasons it hurts so much to miss a crop now is inflation. Since 1948 the United States dollar has shrunk fifteen percent. This means maize is bringing only about \$1.38 or so in 1948 dollars while supply costs have risen.

Even so, we are hardly so bad off as France, for instance, where a person could live for a month in 1914 on what he spends for a modest meal now. In fact, the United States dollar is one of the more stable in the world.

That doesn't make the situation any better, since we can, and should have, a sound dollar. Ever since Congress left the gold standard in 1933 through the Emergency Banking Act, this country has had a flexible dollar value. This was a New Deal effort to make money cheaper and more available during the depression years and worked very well at the time. The Republicans promised in 1952 to put us back on the gold standard as an anti-inflationary measure but have failed to do so. Anytime paper currency loses its backing, it is bound to fall. The Korean War, for instance, dropped ninety-nine percent during the past nine years simply because Syngman Rhee decided if people needed more money his printing presses would just print more.

Inflation hurts because certain segments of our country can demand, and get, more money for their goods and services while others can't. At the present time inflation is being caused by high government spending, not only through purchases for defense, but by subsidies, welfare, and other domestic spending. Should these avenues be cut off, we would suddenly have large unemployment, a quick drop in the amount of dollars in the consumer pocket and a halt to inflation. We would actually have a depression.

Between these two points a balance should be reached. There is, to any economy, these two facts of inflation and depression. One is on one side of the scale and the other just opposite—the trick is to keep an intermediate balance which the government has been unable to accomplish.

Not only ourselves, but other countries feel our inflationary spirals. More than one country bases its currency on ours and when our dollar goes down, so do theirs. Consequently they are normally less able to import farm goods from this country and the local farmer is again a pawn in the game of world finance.

We have been keenly interested in the 1958 automobiles, because we figure we should be about ready to buy one of these fine looking buckets in about 1960 when our present heap expires in a puff of oily smoke and death rattles. We've got one or two picked out and when somebody buys them we'll urge these lucky folks to take extra good care of their new possessions, drive them slow and infrequently, because the editor may own one of them in a couple of years.

Washington bureaucrats and administrative personnel who waxed eloquent with their "top secret" stamps are looking pretty silly now.

They went to great lengths to see that no newsman knew, or even dreamed of, the great accomplishments the United States was making in the missile field. Apparently they were holding in deep dark secrecy precious information that was fourth-grade stuff to the Russians.

If the administration had told what they knew of Russian satellite and missile development as well as our own, it would have been easy to convince the American people more money should be spent—in fact we might have demanded it.

The Castro County News has never been troubled by secrecy. All of our elected county people are as cooperative as we could want. But it's not that way in Washington. Newsmen are having to pry and dig, insult and coerce to get the basic things they feel they should pass on to their reading public.

If Americans had known all along everything the Pentagon tagon knew about the progress of our research, these people with the secret stamps might not be in such a hot seat today. Hampering freedom of the press has backfired many times.

## New Pavement For Farm Road Set for County

### Work Starts This Spring On Road In Southwest Castro

Texas Highway Commission announced this week the approval of two new Farm-to-Market Roads for Castro County.

The longest will run east and west connecting a farm-to-market road on the east side of Farmer County to State Highway 51 in Castro County. This 13-mile-long road will be paved at a cost of about \$194,000, and will be three miles south of the Flagg Community in Southwest Castro County.

The other paved road will connect FM 1524, which runs through Flagg, to the new proposed road described above. This road will be three miles long.

This comes as part of the Texas Highway Commission's first step in inaugurating a new two-year Farm-to-Market Road Program for Texas. Money for this program is derived from the fund established by Senate Bill 287, Fifty-first Legislature.

S. C. McCarty, District Engineer of the Texas Highway Department at Lubbock has said that this year the Commission has authorized the development of some area roads which will serve the dual purpose of service to the adjacent land as well as aiding in the development of the entire area of the state.

It was announced that work will begin on these projects just as soon as final planning is completed and right of way secured. Resident Engineer Rhea Bradley of Littlefield, will be in charge of work in this area.

## Womble Store In New Location

Womble Hardware Company this week moved from the location it had occupied for the past two years to the Wilson Building just west of the First State Bank.

Noel Womble, operator of the Hardware store said the personnel would probably be finished with the moving and have all merchandise placed by Saturday.

Their new location was formerly occupied by Wilson's Grocery before it was moved, and later by the Ben Franklin Store. Womble Hardware has been operated in Dimmitt for the past two years.

Merchandise contained in the store will remain essentially the same.

# JayCees to Stage Lighting Contest

Dimmitt Junior Chamber of Commerce Thursday voted to sponsor the annual home and business Christmas lighting and decorating contest in Dimmitt.

This project was formerly sponsored by the Dimmitt Garden Club.

JayCee President James E. Wohlgenuth this week urged all city residents to begin making plans now for entering the contest. Co-sponsors with the JayCees will be Southwestern Public Service Company. Others who wish to participate may be announced later.

Entry blanks and times will be in a later issue of the Castro County News. Calvin Lippard is the JayCee in charge of the Christmas Lighting contest this year.

In past years this has been one of the high points of the Christmas season. Seven weeks remain until Christmas.

Last year's Sweepstakes winner was Mrs. J. C. Gilbreath.

Judges will base their selections on four general basic points. They are artistic merit (30 points) with regards to design, composition and arrangement of elements, and color scheme; originality (20 points), considering new ideas or effects and new ways of using standard devices such as luminous plaques, candles, cutouts, wreaths, and shapes formed with Christmas tree lamps; lighting techniques (30 points) judging use of regular Christmas tree lamps, use of spot and flood lamps (with or without filters), use of other lamps such as fluorescent, circline, reflector color lamps, 25 and 40 watt enamelled, and last Ingenuity (20 points) in using structure of house, in using surroundings to advantage, in assembling display and in construction and installation.

Nineteen awards will be given consisting of first and second awards for each subdivision of the four major divisions. Division I will be Biblical themes with subdivisions of windows, doors and yard scenes, doors and homes. Division III will consider church decoration and Division IV will take in commercial decorations. Ten dollars will be first prize and five dollars for second. There will also be a sweepstakes award of \$10. Pictures of winning entrants will be published in the Castro County News.

# Bobcats To Meet Muleshoe Friday In Crucial Conference Football Game

The Dimmitt Bobcats, steamrolling right along with a 7 won, one lost record, will run into Muleshoe this Friday in what is considered the conference championship game.

Muleshoe, long acknowledged as a Conference 1-AA power, will probably be the toughest foe of the

season for the Bobcats. The Mules hold a 6-2 season record. One of their losses was to a Conference 1-AA team, Canyon. Dimmitt defeated Canyon 19-12 and Canyon last week dropped Muleshoe 26-21.

For two games, a spread of twelve points is too slender for judging

accurately the capabilities of two teams. Dimmitt is considered the stronger team, but a few bad breaks either way could easily judge the winner.

Injury-wise, the Bobcats may miss the services of half-back Keith Lowe who is suffering from a back

injury. Otherwise the team is in good shape with the exception of colds.

Muleshoe is generally heavier than Dimmitt. In fact, their weight reads like a college team with the lightest lineman weighing 165 pounds. Major threats rest with Muleshoe halfback Donnie Shafer, considered one of the fastest boys in the district and a shifty runner, and quarterback Dickie Johnson. The Mule line is one of the best in the Conference.

Probable starters for Muleshoe will be Bill Black, right end; Bob Sanders, right tackle; Royce Turner, right guard; Lyndal Black, center; Doyce Turner, left guard;

Jack Wright, left tackle; Oakie Alexander, left end; Dickie Johnson, quarterback; Donnie Shafer, left half; Lee Roy Corrales, right half and Darrell Oliver at fullback.

Dimmitt's starting lineup will remain the same.

In last Friday's action, the Bobcats powered their way over the Tulla Hornets 13-0, in the Bobcats' third Conference victory.

About 1,800 people saw the contest that set Dimmitt up as the team to beat in the 1-AA Conference race.

The Bobcats tallied in the first quarter when quarterback Truman Touchstone faked a pass and dashed 13 yards for the touchdown. The extra point kick failed.

Dimmitt's other touchdown came in the third quarter when fullback Zay Gilbreath powered over from the one. Keith Lowe ran over the extra point.

Gilbreath was the offensive star for the Bobcats. Carrying the ball 26 times, he ground out a total of 138 yards. He and Gary Cleaver formed the defensive bulwark of the Bobcats.

### THE STATISTICS

	Tulla	Dimmitt
First Downs	4	17
Net yards rushing	81	256
Net yards passing	51	15
Passes attempted	15	10
Passes completed	6	2

## 4-H Achievement Program Set For November 9

The Annual 4-H Achievement Program for Castro County has been set for Saturday, November 9, at the Dimmitt South Ward Cafeteria, beginning at 7:30 p.m.

Mary Behrens, chairman of the County 4-H Council, will preside. Country medals special awards from local donors, and Certificates of Competition will be awarded girls for outstanding work.

Local donors of special awards are: Hart Locker Plant, Samsen Grocery, Cox Butane, and Ed Harris Lumber Co., all of Hart; and from Dimmitt are First State Bank, Cash Way Food, Gladman Drug, Manning's Department, and Higginbotham-Bartlett Lumber Co. A refreshment hour will follow the program. The public is invited.

## Hart Lions to Give Pancake Supper Friday

Hart Lions Club will sponsor a pancake supper at the Hart American Legion Building Friday evening from 5 to 9 o'clock. Admission will be 60 cents for adults and 40 cents for children.

Cooking the pancakes will be Merle Bradley, W. A. Hawkins, Sr., Otto Dinwiddie, Jack Johnson, Walt Hanson, Ed Harris, Bob Gill and S. E. Foster.

# Bobbies Start Regular Season Against Friona

Dimmitt's Bobbies quit practicing for a while last week and tried the Sundown girls in a scrimmage game to see how well they were progressing. The Bobbies found they could play ball when they defeated Sundown 43-36 to mark their first action of the 1957 season.

Coach Johnny Etheridge indicated he is well pleased with the Bobbies, who start their regular season November 7 against Friona there.

In the game against Sundown guards Myrna Finch, Judith Maples and Wanda Newton did "very well" according to Etheridge. On the forward side, Sandra Thompson scored 20 points; Mickey Pelley made 17 and Ed Dena Bo-

ozer sank 7.

Games will be played two times each week during the regular season, beginning at 6 p.m. for three

## Two Cars Damaged In Collision Sunday

An accident at the downtown intersection of Highways 86 and 51 about 3 p.m. Sunday resulted in about \$550 damage to two automobiles.

Two automobiles, one driven by Rex Easterwood and the other by Buck Raper were involved in the collision. Damage to the Easterwood car was estimated at \$350 and to Raper's auto was about \$200.

games or at 7 p.m. if two are to be played.

Other girls who are considered starters in girl's basketball this year are guards Dera Kay Cartwright, and Andrea Boothe and forward Peggy Gilbreath. Other girls who will play a lot of basketball are guards Ruthella DiCuffa, Patsy Gibson, and Lois Vanlandingham, and forwards Lorene Tate Betty Hobratch, and Evelyn Cummings.

Their schedule for this month is:

- Nov. 7 Friona (There)
- Nov. 12 Kress (There)
- Nov. 14 Bula (There)
- Nov. 18 Friona (Here)
- Nov. 21 Bula (Here)
- Nov. 25 Kress (Here)

## Area Voters Approve Amendments

Castro County chose the same route as other voters all over the state Tuesday and approved all three amendments to Texas' much-patched Constitution.

715 persons voted on the non-controversial issues. A contributing factor to the light votes was the difficulty of getting to polling places due to wet farm roads.

The first proposal received 127 votes for and 110 against. It was the one which would make the five percent contribution rate to the state employees' retirement system applicable to an employee's whole salary and would add additional employees who may be in-

cluded in the retirement system.

The second proposal was approved, 203 to 35. It was for increasing the authorized state expenditures for old age assistance, aid to the blind and aid to dependent children from \$42,000,000 to \$47,000,000 per year and increasing the limit on payments from state funds per person for old age assistance.

The last amendment was passed in Castro County 175 to 65. It authorizes the issuance of \$200 million in bonds by the State of Texas to provide assistance in local development of water resources.

## Book Club Tea To Finance New Books for Library

National Book Club week will be the occasion Wednesday, November 13, when the Dimmitt Book Club sponsors a silver tea in the home of Mrs. Charlie Hays. Proceeds of the tea will go to purchase books for the Castro County Library.

The tea will follow immediately Mrs. James Bradford's review of "Dependent Baggage" by Marie Di Mario Wann in the District Court Room beginning at 3 p.m.

Mrs. Wann, author of the book, was the wife of a civilian director of Educational and Cultural Affairs in Germany for the province of Hesse. "Dependent Baggage" is an authentic account of Germany as it existed following the war and the effectiveness of the American Occupational Forces.

The committee in charge of the silver tea following the review is made up of Mrs. Ray Axtel, chairman; Mrs. George Bagwell and Mrs. Margaret Boren.

## Five From Dimmitt At Hardin-Simmons

Five students from Dimmitt are among more than 1,500 students attending Hardin-Simmons University in Abilene, Texas this fall.

They include: Edgar M. Dennis, son of Mr. and Mrs. Morgan Dennis; George Ernest Ray, Jr., son of Mr. and Mrs. George Ray, Sr.; Mary Monette Ray, daughter of Mrs. Faye Kenmore; Lyndell Mae Sinclair, daughter of Mr. and Mrs. W. E. Thompson; Ivan Earl Sinclair, son of Mr. and Mrs. B. E. Sinclair, Route 2, Hereford.

The students are members of the following campus organizations: Mrs. Sinclair is a member of Future Teachers of America.

Sinclair is a member of the Brand staff, business manager of Brand and Bronco, and member of the Press Club.

### HAVE NEW SON

Mr. and Mrs. Bill Dillon of Midland are the parents of a new son, born October 28th in Midland Memorial Hospital. Mrs. Dillon is the former Joheene Bice, a graduate of Dimmitt High School and the daughter of Postmaster and Mrs. Tom Bice of Dimmitt. The youngster was named Tom West Dillon and weighed 7 pounds and 7 ounces at birth. Mr. and Mrs. Bice went to Midland the 26th and returned the 28th.

## 12 Practices are In ACP Program For Coming Year

The Federal government will spend \$120,900 on twelve approved Agricultural Conservation Practices in Castro County during 1958.

This announcement came this week from Charlie Hill, Castro County ASC secretary. Twelve conservation practices were approved by the county ASC Committee, the Soil Conservation Service Board of Supervisors, and the County Agent.

A \$500 limit on government participation will probably be set on each individual farm involved. On most of these practices the government will pay about fifty percent of the total cost. Farmers may start signing up in this program on January 2nd at the ASC office. While the list of practices must eventually go to state offices, it is expected there will be very little, if any basic modification.

The approved practices are as follows:

1. Improvement of vegetable cover on range land by deferred grazing.
2. Chiseling non-crop grazing land.
3. Initial establishment of permanent sod waterways.
4. Constructing terraces to detain or control the flow of water and check soil erosion.
5. Constructing diversion terraces.
6. Reorganizing farm irrigation systems (adding concrete irrigation pipe).
7. Levelling land for more efficient use of irrigation water and prevent erosion.
8. Stubble mulching.
9. Contour listing, contour chiseling, cross-slope chiseling, pit cultivation or listing or chiseling not on contours.
10. Control of bindweed.
11. Winter Legumes.
12. Summer Legumes.

## From Ed Dawson Farm:

# First Area Carrots In

The first carrots planted specifically for processing in the new Dimmitt Produce Company's plant arrived here at 1 o'clock Thursday afternoon.

They were from the farm of Mr. Ed Dawson who planted 10 acres in carrots on his farm just south of Sunnyside.

Mr. Carl Poe, plant manager for Pacific Fruit and Produce Company, said they were as good as he had ever processed.

Market prices are running about \$40 to \$50 per ton, depending on quality. A general production of ten to fifteen tons per acre is expected. Farmers who planted carrots are expected to make about \$500 per acre on their crop.

Among other area farmers about ready to start harvesting carrots are Melvin Summers, 5 acres; Trellis Summers, 20 acres; Bill Summers, 5 acres; and Elbert Summers, 30 acres, all of the Cleo community; and Ward Golden, 20 acres, and Kenneth Cox, 10 acres. The latter two men farm north

of town. Several other farms are also nearing harvesting time.

Pacific Fruit and Produce officials expect to be processing the vegetables until the end of December. Under present wet conditions, hand-harvesting with forks has been necessary.

The local plant has been operating for the past two months on carrots from Texline, Deaf Smith County, Grants, N. M., and Plainview.

## G. L. Blanton's To Observe Their 60th Anniversary

Mr. and Mrs. G. L. Blanton will celebrate their Sixtieth Anniversary Sunday with an open house in the home of their son, George, at 402 Southwest Fifth Street from 1:30 until 4:30 p.m. All their friends are invited to call.

The sun made its first appearance in almost a week Thursday when the morning broke and clear over a soggy Castro County.

Despite an intermittent fog-like drizzle and low-hanging clouds, only .50 of an inch has been recorded since Friday. Conditions have not been favorable, however, for drying up the light rain that has fallen so streets remained muddy, maize crops continued holding their high moisture content, and cotton bolls stayed closed.

It was a wet, miserable week with the entire county anxiously watching the sky for some indication of a break that would last long enough for harvesting.

Amalillo weathermen has predicted another wet spell to begin probably Saturday, so the present relief may not aid harvesting materially.

A light freeze occurred before dawn Thursday.

Accurate dollar estimates of the loss to county farmers would be impossible to make, although the percentage loss would probably run somewhere around fifteen to twenty percent by now, and will more than likely increase before any full-scale harvesting can be accomplished.

Estimated loss to all high plains cotton farmers due to loss of about \$27 million, with one-third coming from loss of cotton and the other two-thirds coming from loss of grade.

Some of Castro County's maize has fallen. This is mostly dry-land acreage that was stunted by heat during the summer or that which is suffering from "charcoal rot."

It is expected that several days of warm, dry weather will be required to lower the moisture content to 13 percent, the maximum which can be put into government loan. According to the Amarillo Daily News, the Grain Sorghum Producers Association is asking the Commodity Credit Corporation to accept grain with a 14 percent moisture content. This would permit farmers to speed the harvesting and marketing of their crop.

If such a move is accomplished it would mean two to three times as much cutting time per day and when the weather does clear and would permit an earlier start. Before the wet weather set in this year's cotton and maize crop was expected to be of bumper proportions. Only one silver lining appears in the overhead clouds—if the rain does keep up, it will considerably aid the county's number three crop, wheat, next year and may lend some slight assistance to next year's cotton and grain sorghum crops.

## Farm Bureau Lists Resolutions for State Convention

Castro County Farm Bureau announced this week the resolutions adopted by the organization in their annual meeting on October 27. These resolutions will be presented at the state convention which meets at the Adolphus Hotel in Dallas on November 17.

Resolutions of a general nature included opposition to minimum wage law including agriculture workers or any increase in the requirement; opposition to federal aid to schools; opposition to any plan aimed at halting construction of farm-to-market roads; opposition to any efforts made to repeal Texas Right to Work Law; opposition to a State Sales Tax; and opposition to any law requiring farmer to license farm trailers when hauling farm products to market.

Endorsing and originating resolutions included promoting use of agricultural products with increased funds and research; favoring limiting of stress per square inch upon highways should truck loads be increased; that electric cooperatives be permitted to continue servicing homes although they may have been annexed to cities and that they not have to discontinue service to towns that have grown beyond 1,500 population; continuation of election of the commissioner of agriculture rather than by appointment; for retaining Permanent School Fund; favoring requirement that applicants for motor vehicle licenses present receipts for payment of county, city, state and school taxes when making license plate purchases; for a law saying that a person involved in an auto accident may not hold the other party responsible for liability that he himself carries; and that a weed control committee be formed within the organization to work with county commissioners.

Another resolution read: "Be it resolved that the Castro County Farm Bureau recommends the following as a basis for improvement of our National Farm Program: Continuation of the present program, but with mandatory compliance, with a minimum of 75 percent of old parity on all commodities presently supported on a parity basis; adding a provision for a layout of fifteen percent of all cultivated acreage on an annual rotation basis. Layout percentage to be adjusted from year to year in relation to ratio of supply and demand, for a total of all commodities."

**NEWS FROM FRIO**

By Mrs. Owen Andrews  
**THE WEATHER**, the chief topic of conversation, has already been so thoroughly discussed—I'll leave that to the One who can do something about it and concentrate on local doings in the community.

Your regular correspondent is the mother of a baby girl and she and her husband are quite occupied. They are the George Zetsches, the daughter is seven pound and two ounce Lora Anne and your temporary correspondent and husband are the maternal grand parents—all doing fine. The baby was born Sunday, November 3 at the Deaf Smith County Hospital. Paternal grandparents are Mr. and Mrs. J. B. Zetsche, of Bowie.

The Spicer Grippls have had their house moved and are now located a mile south and about a half mile east of the former location of the house. They plan to add a utility room to the house, connecting it to the garage, which was set down to the north of the house.

About forty persons enjoyed a delayed Halloween party at the school house on Saturday night. Mrs. Darwin Miller and Mrs. David Yandell planned the entertainment of games and apples, cookies and candy were served.

Mr. and Mrs. Weldon Stephan and Rhonda took Sunday dinner with the Clark Andrews.

Rev. E. H. Baldwin was called to Petersburg, Sunday, to preach at funeral services for S. H. Pool, a long time friend and member of a church. Rev. Baldwin formerly pastored. Mrs. Baldwin and Mr. and Mrs. Henry Dobbs accompanied him, Sunday afternoon.

Sunday evening, Mr. Henry Aycock, from the Temple Baptist Church at Hereford, spoke at the Frio Baptist Church, using as his subject "No Bargains for an Easy Christianity."

Among those who have been ill are Mrs. Doc Miller, and Ediana Vinson, Mrs. Herb Schmidt, Dale and Tommy Schmidt.

Darlene Sparkman celebrated her eighth birthday with a slumber party, on Friday night, lunch and playing together on Saturday. Those present were Carol Robbins, Jana Cole, Jane Shearhart and Sheryl Williams.

The Jeff Terralls were shopping in Amarillo, on Monday.

Mr. and Mrs. Darwin Miller spent the week end with the Mobleys.

Mr. and Mrs. Frank Robbins and children took dinner Sunday with the Floyd Coles.

Veradelle Andrews and Virginia Cox visited the J. E. Andrews, Sunday, and attended services at

the First Baptist Church in Hereford, Sunday night, to hear Rev. Martinez speak at the final service in the revival there.

Mrs. T. L. Sparkman, Jr. and Mrs. W. A. Springer were salesladies for Ben Franklin store, in Hereford, on Monday, Dollar Day.

Mr. and Mrs. Glenn Gripp and children went to Amarillo, Sunday, after church, and had lunch and drove around.

The Joe Lindseys were supper guests of the Glenn Grippls one night last week.

Mr. and Mrs. Olin Parris and Walker visited the T. L. Sparkman, Jr. home on Sunday afternoon.

Joe Andrews spent Saturday night with Dick Fellers and attended church at the Methodist Church, in Hereford, Sunday, with Dick.

**DELAYED FROM LAST WEEK**  
Mrs. Ed Clark and Mrs. Annie Springer were in Amarillo Monday to shop.

The Frio Homemakers Club will meet on November 12th in the home of Mrs. Clark Andrews. A guest speaker will be present to give the program on "Table Setting and Centerpieces." Everyone is asked to bring suggestions for programs for the new yearbook.

Mr. and Mrs. George Albert Springer, Diane and Darla Ann, of Hereford, Mr. and Mrs. Elbert Summers, Clint, Donna Gail, and Dean, of south of Dimmitt, and Mr. and Mrs. Charles Springer were dinner guests Sunday in the home of Mrs. Annie Springer. It was a birthday dinner for Charles and Clint.

Mr. and Mrs. Ed Clark were in Muleshoe Sunday afternoon to visit with Mrs. Clark's parents, Mr. and Mrs. Henry Bass, and brother, Terry.

Mrs. Annie Springer visited Tuesday in the home of her daughter and family, the Elbert Summers, who live south of Dimmitt.

**Dimmitt Students In Texas Tech Drama Production**  
"Dark of the Moon," folk drama with music and dance, will be produced by the Texas Tech speech department here Nov. 18-22. Ronald Schulz, acting speech department head, has announced.

Included in the cast are: Gail Cooper, freshman music major; Bennie Ray Wygal, senior speech major; and O. C. Renfro, sophomore speech major, all of Dimmitt.

**District News Soil Conservation Running Water**

This is the time of year to think about farmstead windbreaks, and especially about locating trees for transplanting. Mr. S. R. Hutto has a good example of what can be expected from Arizona cypress. His trees were set this spring and are doing real well. Arizona cypresses are recommended in this district as are Red cedar and some others. These trees are not only good for farmstead windbreaks but for field windbreaks as well. Whether for field or farmstead windbreaks the trees serve a useful purpose for protection from wind and snow, as shelter and protection for wildlife and just for looks. Trees will give protection about ten times the distance of the height of the trees. For instance a tree ten feet from the house and other buildings is a desirable distance. One good point about Red cedar and Arizona cypress is that they give protection from the ground up. Where they are set about eight feet apart they will grow to a good height.

Potted Arizona cypress can be obtained through the Running Water Soil Conservation District from the Kress nursery for twenty five cents each where as many as

fifty trees are bought. The limit is four hundred per person. Application blanks are at the Soil Conservation Service office in Dimmitt. Please call on us if we can assist you in obtaining trees and getting them properly set.

Bobcat Tales

Dimmitt Bobcats VS. Muleshoe Mules Here Friday Night

VOLUME XXI

OFFICIAL PUBLICATION OF DIMMITT HIGH SCHOOL

NUMBER 8

THE STAFF

Editor Lee DeLozier Reporters-Larry Allen, David Bradley, Omata Bradley, H. N. Ewing, Berle Hyatt, Cary Johnson, Barbara Kitchens, Keith Lowe, Patsy Mundell, Jim Tate, Lynn Thompson, Ann Touchstone, Truman Touchstone, Joy Walker, Marisue Woodburn.

BOBCATS SWAT HORNETS

The DHS Bobcats swatted and scratched their way to a 13 to 0 win over the Tulia Hornets here last Friday night to keep a 3-0 record in District 1-AA. Passes by the Hornets were a threat throughout the game as they completed 10 out of 15 for 51 yards. But the Bobcats could not be stopped on the ground, gaining 256 against 81 for the Tulia boys. While his team mates were settling down, quarterback Thuman Touchstone in the first period faked a pass and then ran 13 yards for the touchdown. Kick for extra point failed. Fullback Zay Gilbreath stood out in offensive play with 26 carries for 138 yards. In the third quarter he powered over the line from the one, and Keith Lowe ran over the extra point. Gilbreath and left end Gary Cleaver stood out on defensive play. This week the Bobcats will tangle with tough Muleshoe here in a game that could decide the district championship. The Muleshoe have one loss and will be trying to tie the record of the DHS team and thereby step above the Bobcats by virtue of the defeat.

Senate Sponsors

Homecoming Today

The Student Senate of DHS is sponsoring the annual Dimmitt Homecoming. The bonfire was held last night with a snake-dance marching from High School to the bonfire, led by the peppy cheerleaders. The bonfire was a result of the Freshman, Sophomore, Junior, and Senior classes hauling wood the first three days of the week. Several numbers were given by the Bobcat Band and the five cheerleaders led yells. The captains and president and vice-president of the Student Senate lit the fire. Lots of spirit was in the air as a large crowd of spectators viewed. Today, Friday, there will be registration at the high school for all ex-students of Dimmitt. The registration and visitation will be held from 1:30 to 2:30 p.m., followed by the pep rally and the coronation of the homecoming queen from 3:00 to 3:45. The name of the queen will not be announced until that time. Tonight at eight o'clock in Bobcat Stadium the Dimmitt Bobcats take on the Muleshoe Mules which will be a determining factor for the representative from this district. It will prove to be an exciting game. This year's ex-student day will honor the class of 15 years ago, 1942, and today's pep rally will honor the class of 1958.

FHA Officers Installed

The FHA Formal Installation was performed by candle light in the Dimmitt High School auditorium Sunday, November 3. The installing officers were President, Alice Waggoner; Vice-President, Barbara Kitchens; Secretary, Jonalyn Alldredge; Treasurer, Donna Wooddell; Historian, Charlotte Mears; Reporter, Joy Walker; Parliamentarian, Joyce George; Song Leader, Marilyn Howell; Pianist, Patsy Mundell. The incoming officers were: President, Charlotte McElroy; Vice President, Pat Cowell; Secretary, Linda Hance; Treasurer, Mona Hunter; Historian, Jeanne Robison; Reporter, Evelyn Cummins; Pre-term, Francis Lane; Parliamentarian, Ann Smith; Song Leader, Hazel Rogers; Pianist, Mary Hendrix. The FHA Officers are Mesdames Roy McElroy, Gaston Robinson, Edwin Mauk, and Andy Behrends. Entertainment was provided by a trio made up of Hazel Rogers, Charlotte Hestand, and Linda Hance. They sang the FHA club song. Refreshments were served in the homemaking room after the installation.

COUNTRY STYLE DHS

Master of ceremonies for the sophomore program on Halloween night was Carl Kemp. A great variety of musical numbers were pantomimed by members of the sophomore class. Jack Bradley and Bennie Scott portrayed the Everly Brothers who sang "Wake Up Little Susie." Wynema Fulfer added many jokes to the program as "Minnie Pearl." Ted Collins, as Bobby Helm, pantomimed "Frustrated." Hope Griffith, Norma Bates, sang "Harbor of the Blues." "Jimmy Rogers" Lilly sang "Honeycomb." The Bobettes, Wanda Newton, Sammie Moore, Nancy Mauk, and Sunnye Weyer, sang "Mr. Lee" and "Look at the Stars." Verna Brown impersonated Brenda Lee who sang "Dynamite." Teresa Brewer, Peggy Gilbreath, did "It's The Same Old Jazz, Mama." Dera Cartwright pantomimed a Hawaiian number. Andrea Boothe and "Carl Smith" Smithson ended things with "Why, Why, Why."

Seniors and Juniors Play Musical Hits to Large Audience

A star-studded sky with billowy clouds was the background of the Senior-Junior show "Hits through the Years" in the High School Auditorium Halloween night. The Juniors and Seniors combined to form the choruses, dances, and quartets under the direction of J. W. Bates, Mr. and Mrs. Ralph Smith, Junior sponsors, also sponsored the show as a part of the annual Halloween Carnival. The show ran through out the evening to a well filled house. The "Roaring 20's brought back the Charleston with a chorus of students doing the step. The "Swinging 30's" was highlighted with "There's No Business like Show Business" sung by a chorus from both classes. The "Fabulous Forties" were brought back with Joy Walker and Ann Touchstone singing "Stardust" and several couples waltzing under blue lights in evening gowns and dinner jackets. The last section of the program was the top tunes from 1920 through 1957. These opened with Buddy Holly's "That'll be the Day" pantomimed by Gary Wyatt; Ann Smith pantomimed Patti Page's "Old Cape Cod." Gene Vincent with "Lotta, Lotta Loving" was impersonated by Keith Lowe; then followed the Lennon Sisters, Evelyn Cummins, Marylyn Campbell, Ometa Bradley, and Joyce Messenger doing "Shake Me, I Rattle." Other well known stars were Bing Crosby Cleaver and Grace Gelley Alldredge doing "True Love" while the Bobettes, composed of Charlotte McElroy, Jo Beecher, Donna Wooddell, Charlotte Hestand, and Ann Smith, did their version of "Mr. Lee." Jim Tate was next on the show doing Pat Boone's "Remember You're Mine." Finishing the show, Morris Westberry did his impersonation of Nellie Lutcher, singing "Hurry On Down." His costume, grimaces, and contortions drew a steady laughter from the audience.

Robison Elected Junior Candidate

Jeanne Robison was elected as the Junior Candidate for the Homecoming Queen. There were two other nominees.

Treasurer of the Junior Class, Jeanne stands 5 ft. 4 inches, has light brown hair and blue eyes. Jeanne is historian of the FHA and has served as cheerleader for two years. She is very active in school activities. Jeanne, the Junior Class is behind you and we wish you the very best of luck.

Dimmitt "B" Stomps Tulia

The Dimmitt "B" ran for three touchdowns in the first quarter and one in the last to defeat Tulia 26-0 there last Thursday. Donnie Maxwell scored three touchdowns on runs of 30, 15, and 5 yards respectively, the other score came on a plunge by Carlos Barnes. The B Bobcats next play Muleshoe there November 7.

Bobbies Schedule November Games

The Dimmitt Bobbies were to open their basketball season at Happy Monday night. The girls have been working out regularly and are getting ready for their games. Their schedule for November is 7-Friona there; 12-Kress there; 14-Bula there; 18-Friona here; 21-Bula here; 25-Kress here. The lineup for the forwards is Sandra Thompson-two year letterman, Mickey Pelly-two year letterman, Ed Dena Boozer-two year letterman, Peggy Gilbreath-one year letterman and three out of this four will start. On the roster of guards are Myrna Finch-one year letterman, Judith Maples-two year letterman, Wanda Newton-one year letterman, Dera Cartwright-one year letterman, Aundrea Boothe-one year letterman. Three out of this five will start at guard.

FRESHMAN ROCK THE JAILHOUSE

The Freshman "Jailhouse Rock" really rocked the Commercial Room when a large cast presented their annual Halloween Show last Thursday night. The program was sponsored by Miss Beatrice Mayhon class sponsor, and by Mrs. Bob Estes. Presiding at the bar were Cowen and Clark. To begin the program Emece Stevens introduced Cordeles Estes, Allen, Cleaver, and Behrends in "Just between You and Me." Buddy Holly Bable and Chief, et's Kirk, Nelson, and Calvert pantomimed "That'll Be the Day." Jimmy Rogers Powell gave his interpretation of "Honeycomb." "Mr. Lee was impersonated by Bobettes Carpenter, Mundell, Maynard, and Barnes. Nat King Cole Coffey, accompanied by Griffen, Blackwell, and Buckmaster, did "With You on My Mind." "Remember You're Mine" was Pat Boone Hance's number. The Everly Thompson Brothers woke up "Little Suzie." Elvis Presley Stokes closed the performance with his impersonation of "Jailhouse Rock" and was accompanied by Morris, Moke, and Moore.

Cummins Elected Senior Queen Candidate

The Seniors met November 4 and elected Evelyn Cummins their candidate for Homecoming Queen. She was elected over three other nominees.

You will know Evelyn by her long light blond hair, brown eyes and a height of 5 ft. and 2 in., and a very pleasant smile. She is an active member of the National Honor Society, FHA, Science Club, Lyres Club, and the Band. She is also treasurer of the Student Senate and secretary of the Senior Class. The Seniors are strongly backing her. -Reporters

DIMMITT FRESHMAN WIN 14-6

The Dimmitt Freshman football team outlasted the Tulia Freshman 14 to 6 at Tulia last Thursday night. Stanley Nelson was outstanding, playing his usual stellar game. They next play Muleshoe there November 7.

OUR SENIOR

On June 25, 1940, Mr. and Mrs. Curtis Tate were gifted with a baby boy. They named him James Clifton but he prefers to be called Jim. He and his family moved from Dimmitt in 1942, and they moved to Moreland, Oklahoma. In 1944 the Tates moved to San Diego California where Jim attended Kindergarten. In the latter part of 1945 Jim and his family moved

back to Dimmitt where Jim has attended Dimmitt Schools for twelve years. Jim sang in the Tri-State Choir in Enid, Oklahoma, last year. His favorite sport is football, where he is center on the Dimmitt Bobcats. Jim's favorite hobby and pastime is working with cars and going with girls. Jim pantomimed Pat Boone's "Remember You're Mine" in the Halloween Carnival. He plans to try out for the Senior Play.

IT IS GOOD BUSINESS TO PATRONIZE HOME INDUSTRY

Our warehouse and cotton handling facilities not only serve the farmer, the ginner, and the cotton merchant directly, but they render a direct public service, in the maintenance of substantial local payrolls, and the payment of city, school and county taxes; thus contributing to the general public welfare.

Our warehouse was built in this area at the beginning of cotton production. As the production has expanded over the years, new and efficient facilities were enlarged so that the farmers and ginners could handle their cotton in their own community at a minimum cost and reduced trucking charge.

Our employees are anxious to serve you at all times. We appreciate your business and want you to call whenever we can be helpful. Information on all subjects pertaining to Government Loans, Marketing or Storage, and Shipping of Cotton, is yours for the asking.

## LIVESTOCK MARKET REPORT

A rainy condition since Sunday was largely responsible for reducing receipts some 1,700 head below last week's supply, as approximately 6,200 cattle and calves sold through the Amarillo Livestock Auction ring in two days of trading this week. Slaughter yearling cattle and calves were in light supply and sold mainly steady. Cows comprised less than 10 percent of the total receipts, the majority in Canner to low-Utility flesh and found stocker outlet. The few cows going to slaughter sold strong to 25c higher and stocker kinds were firm to slightly higher as a liberal share to slightly higher on a pre-head basis. Bulls brought steady to mostly 50c higher prices. In the stocker cattle division, thin light-weight yearlings, short-yearlings and calves received best action from a good demand and sold mainly steady with last Tuesday and Wednesday's markets. A rather broad for heifers scaling under 500-lbs. prompted fully steady to around 50c higher prices on Tuesday's market. Yearling steers and heifers around 600-lbs. and heavier were in limited numbers and moved rather slow at barely steady levels compared with last week's close.

IF YOU HAD BEEN NOAH . . . ?

The Bible tells us that the thought of men's hearts were only evil continually in Noah's day. Could you have been true in this environment? God determined to destroy man; But Noah found grace in the eyes of God. Gen. 6:8. If you had been Noah would you have found grace? Would you have been different from your surroundings.

God asked Noah to do a great work—build the ark. If you had been Noah would you have started and then stopped before finishing? Sometimes people start out to obey the Lord and don't finish the job.

Note these things about Noah's salvation: God saved Noah, 2 Pet. 2:4,5. Noah was saved by grace, Gen. 6:8. Noah was saved by faith, Heb. 11:7. Noah was saved by water, 1 Pet. 3:20. Noah was saved in the ark, Heb. 11:7. Now notice how God saves men today from sin— We are saved by grace, Eph. 2:8. We are saved by faith, Rom. 5:1; Eph. 2:8. We are saved by water, 1 Pet. 3:21. We are saved in the church, Eph. 5:23.

State Changes Inspection Rules For Vehicles

Relaxing of standards for testing brakes on Texas motor vehicles "makes a mockery" of the State's Automobile Inspection Law, the Highway Safety Council has charged in a letter to the Chairman of the Public Safety Commission.

Executive Director G. C. Morris, of the 1,000-member Highway Safety Council, protested the Commission's recent order cancelling the directive that authorized inspection stations should "pull wheels" to inspect brake linings, condition of drums, and fluid level on hydraulic systems.

"It is a recognizable fact that you cannot check brakes by road test only," Morris told Dyche. "As a result of the action taken by your Commission, the inspection of brakes becomes a farce because brakes can now be tightened sufficiently to pass inspection when there is little, if any, brake lining." Morris disputed the Commission's contention that there is no way to check the adequacy of brake linings and said that there are methods by which this can be made "uniform and not left to chance."

Mrs. Edwin Ramey Entertained Baptist YWA Wednesday

Mrs. Edwin Ramey entertained the Y.W.A. of the First Baptist Church in her home Wednesday, November 6. Joyce Slough presided. Linda Hance led in prayer and read Luke 11:5-10. After Joyce Messenger led the group in singing "Christ for Me," Jeanne Robison presented the program on Baptist mission work in Africa. Taking part on the program were Jeri Mac Dowell, Joyce Messenger, Brenda Ramsey and Sandra Leeth. Mrs. Ramey dismissed with prayer.

Delicious refreshments were served to Sandra Thompson, Carl Waggoner, Frances Lane, Mrs. Roy Lovett and Mrs. Raymond Hance by the hostess.

Morris expressed the desire that the Highway Safety Council be given an opportunity to present "the side of safety" to the Commission on this decision.

58 FORD HERE TODAY

One look tells you... there's nothing newer in the world!

THE FIRST CAR EVER TO USE THE WHOLE WORLD AS A TEST TRACK

You'll ride in a new world of style in the 58 Ford

- New deep-sculptured styling
New Interceptor V-8 power
New Cruise-O-Matic Drive
New Ford-Aire Suspension
New Magic-Circle Steering

The 58 Ford is the newest car in the world—the only car ever to meet a world-wide test and win world-wide approval before its public premiere.

Here's a car so new, so beautiful it made eyes pop from Paris to Pakistan . . . a car so rugged it proved its mettle in a road test around the entire world! What's more, it did it on surprisingly little gas—thanks to new Precision Fuel Induction. Come in and let us show you the world's most beautiful new bargain!

You'll be ahead with Ford's new Interceptor V-8 and Precision Fuel Induction. There's nothing newer than these engines that give you up to 300 hp. Smoother power! From less gas! One secret is Precision Fuel Induction, a wonderful new carburetion, fuel feeding, and combustion system.

You'll get up to 15% more gas savings with new Cruise-O-Matic Drive teamed with the new Interceptor V-8. New D1 position, used for all normal driving, lets you move smoothly, automatically—with just a touch of your toe—from solid-feeling take-offs right up to highway cruising speeds.

You'll ride on a cloud instead of a spring with Ford-Aire Suspension. Four air pillows literally soak up the bumps! And Ford's new air suspension relevels the car every time someone steps inside or luggage is loaded. An extra cost option, you get all this at traditionally low Ford prices!

You'll steer with a feather touch with Ford's new Magic-Circle Steering. Nothing rolls like a ball, and that's the secret of Ford's handling ease. Free-moving steel balls in the steering mechanism are virtually friction-free—give you the closest thing yet to power steering! Come in and try it!

Come in today... Action Test America's only world-proved car!

## Pvt. Ehly Finishes Army School

Pvt. Vincent Ehly, 21, son of Mrs. Anne Ehly, Route 1, Nazareth, Texas, was graduated November 1 from the parts supply course at the Army's Armor Training Center, Fort Knox, Ky.

During the eight-week course, he was trained in stock control, packaging methods and storage procedures.

Ehly, a 1955 graduate of Nazareth High School, was a farmer before entering the army.

## Nazareth News

At the Halloween dance October 30, the first prize for the prettiest was given to Mrs. Elmer Kleman and Mrs. Hank Rossi of Tulla, they were dressed as an angel and a devil. Evelyn Drenup and Eileen Schulte won second prize for being the best dressed, they were Army men carrying Spudnick. Beatrice Schumacker and Clarice Schulte won third prize for the ugliest, being dressed as an old woman and old man, all four girls from Nazareth.

Sunday, November 3, the P.T.A. Carnival was held, we wish to thank everyone who came to participate and to those who helped

to make it a success. In the evening at the dance the raffle prizes were won by Claude Amen, who got the stainless steel flatware; Mrs. Florence Albracht, won the quilt; Mr. Frank Hoelting, the popcorn popper; Mrs. Louise Schulte, won the sewing kit.

# A NEW KIND OF CAR IS BORN!

At Your Pontiac Dealer's Nov. 9

## BOLDEST ADVANCE IN 50 YEARS!

THE GOLDEN JUBILEE CAR!  
It's a revolution on wheels—boldly planned from the very beginning as a Golden Anniversary showpiece for Pontiac and General Motors. This one you really must see—here is a car unlike any you have ever known! This Golden Jubilee Pontiac is actually an all-new breed of cars—in four brilliant series and 16 sleek models covering virtually every price bracket.  
In all of them you'll find engineering advances so daringly different yet so basically sound that they will trigger the next big change in automobile design. You'll find a few of these ideas illustrated here, but even they can't begin to tell the full story.  
Why not be among the first to discover the newest. When you meet this bold new Pontiac, you're in for a driving thrill that is impossible to duplicate in cars of conventional design. So make it a point to see your Pontiac dealer soon and prove to yourself that no car in history ever left yesterday so far behind!

**Aero-Frame STABILITY**  
Here is the biggest basic construction change since the early days of motoring. Pontiac's revolutionary new frame design is lighter, stronger, more stable than the conventional box type used on other cars.

**Quadra-Poise ROADABILITY**  
Only the wheels know where the bumps are! Pontiac's new suspension geometry ends dive, sway and bounce to bring you the smoothest ride, easiest handling you've ever known!

**Circles-of-Steel SAFETY**  
Pontiac's completely new body construction surrounds you with girder steel protection—above, below, fore and aft. Now you can drive with wonderful new peace of mind!

**Tempest 395 PERFORMANCE**  
Try Pontiac's new jeweled-action response! Scores of exclusive engineering innovations make Pontiac's hefty power plant a miracle of smoothness... and you can choose from four horsepower ratings including Tri-Power Carburetion\* and Fuel Injection\*.

Conventional Springs Pontiac's New Air Ride  
**Ever-Level Air Ride\***  
The most perfect suspension system ever designed—and Pontiac's revolutionary Aero-Frame is specifically designed for it! Air cushions on all four wheels literally float you over the bumps... keep the car perfectly level regardless of load or road!  
\*An extra-cost option.

**HART CHEER LEADERS**—One of the most active groups on the campus of Hart High School are these cheer leaders and their mascots. They gave the football players and their dads a party after the football game on Dad's Night. They also sold mums for the Homecoming Day game October 25 and planned and prepared for the crowning of the football queen. They also sponsored a bonfire and snake dance on October 24th. Their latest accomplishment was a party for the exes and high school students after the game on Homecoming day. They are (left to right starting in lower left corner) Janice Bass, Freddy Sue Popejoy, Edna Jean Davis, Phyllis Bass and Kay Nell Popejoy. The mascots are Tommy Loyd McLain and Rhonda Goodin.

### Duck and Goose Hunting Best In Several Years

Cold weather of the past week has put a big push not only behind ducks but hunters, according to the Director of Wildlife Restoration of the Game and Fish Commission.

The 1957 season on ducks and geese promises to be one of the best in years, according to reports of both biologists and wardens who have been making spot checks. There are more places for ducks this year than ever before, with every pot hole in Texas filled in the spring and refilled by the early fall rains.

The flight from the north has been good. Crop conditions and fresh water along the Texas coast all add up to good prospects. Hunters also had another warning. The limit on ducks is 5 a day or 10 in possession after the first day. The limit is six geese, with no more than 6 in possession.

If you hunt outside your own county, you need a state license. If you hunt ducks or geese you MUST have a Federal Stamp, costing \$2. All shotguns must be plugged to hold no more than three shells. The use of a motor or sail boat for hunting is prohibited except in going to and from blinds or picking up cripples.

### Hart Longhorns Defeat Lazbuddie Longhorns 34-6

Hart's Longhorns stamped the Lazbuddie Longhorns to the tune of 34-6 in a district 3-B game played Friday night at Lazbuddie. Hart started the scoring early in the first quarter with their talented quarterback Johnny Hindman going 60 yards on a keeper for a touchdown. Lonnie Bradley ran over the extra point.

Later in the first quarter, Bradley broke off left tackle and went 90 yards for a TD which was nullified by an infraction of the rules. In the second quarter, Johnny Hindman and Gene Varner each rambled for touchdowns, going 55 and 40 yards, respectively, only to have them nullified by penalties. Half time saw Hart leading by a score of 7-0.

In the third quarter, Johnny Hindman sprinted 45 yards for another TD, with Lonnie Bradley making the extra point. Hart kicked off to Lazbuddie who took the ball and in seven plays scored with Jerry Koelzer going the last 15 yards for the touchdown. Extra point was no good. At the end of the third quarter, Hart led 14 to 6.

On the fifth play of the fourth quarter, Lonnie Bradley tore off tackle and went 55 yards for TD. Gene Varner made the point after TD to put Hart ahead 21-6. Minutes later, Johnny Hindman connected with a pass to Nick Zapata, covering 20 yards and TD. Conrad Riddles converted. The last touchdown was made by Lonnie Bradley on a 20 yard jaunt. Extra point was no good. Final score was Hart 34, Lazbuddie 6.

The entire Hart team saw action, with Darrell Dunham, Johnny Hindman, Lonnie Bradley, and Pancho Rubaloba playing outstanding defense. Hart finishes the season with Amherst at Longhorn Stadium tomorrow night. Kick-off time is 8:00 p.m.

**SCHOOL SAFETY**—These second year agricultural students at Hart High School are preparing to install speed limit signs around the school grounds as a safety measure. The 20 mile per hour signs will be used nearest the school. The boys are (left to right, front row) John Holloway, J. D. Myrick, Paul Phillips, and Allen McLain. At the back is teacher Bob Moore, Bob Dunham, Charles Roland, Gene Varner, Tommy Lancaster, Harvey Garrison, Bob Bowden and Mondo Gonzales. —Ayers Photo

### Long Range Plains Weather Data Sought

Plans to gather data to aid in long-range weather forecasts for the Southwest have been announced at Texas Tech.

Dr. Fred Wendorf, Tech anthropologist, will head a team of 10 scientific specialists that will gather archaeological information on Southwest climate. The National Science Foundation has provided \$15,500 for the first year of study that will take place west of Odessa in the Monahans dunes.

An unusual set of lake beds in the 30-mile by 100-mile area of sand dunes may hold the story of Southwest weather for the past 150-centuries—the minimum period of time that will give proper perspective for long range forecasts. Wendorf said. Present Southwest weather records only go back 100 years.

No rivers drain into the lake beds, only waters from the surrounding flat country. Consequently, waters of the centuries have drained into the lakes, carrying with them identifiable pieces of vegetation, fossils and soils of the area.

With no rivers to bring foreign matter that would cloud the archaeological picture of the section, the history of its climate should be awaiting scientists. Wendorf stated.

### FHA Installs Officers At School Sunday

Parents of the Future Homemakers of America were guests Sunday afternoon at 3 o'clock in the High School auditorium for the installation of officers. Mrs. Glenn Render is the teacher and sponsor of the group.

Installing the new officers were: Alice Waggoner, Barbara Kitchens, Donna Woodell, Jonalyn Alledredge, Charlotte Mears, Joy Walker, Joyce George, Patsy Mundell, and Marilyn Howell.

The following officers were installed: President, Charlotte McElroy; Vice-President, Pat Cowell; Secretary, Linda Hance; Treasurer, Mona Dell Hunter; Historian,

week end might even help crop conditions.

"The freeze came after about three weeks of unwelcome rain, overcast and cool temperatures that minimized maturing of cotton. Over the area the freeze was comparatively mild. Northern areas did receive somewhat lower temperatures but the chill lessened its bite farther south," he explained.

Fortenberry estimated that unfavorable weather thus far has probably cut production of this year's crop some 10 to 12 percent. "Half of that reduction probably is due to unfavorable conditions prior to the frost—too much rain in October and slow maturing of the crop," Fortenberry added.

Less than a fourth of this year's crop had been harvested or was even open at the time of the frost. If weather such as this area received the past Sunday through Tuesday can continue, prospects appear good for the area to produce another sizable crop, the PCG president said.

Fortenberry said he expected the cotton that was unopened in the field before the rain and frost

to grade out with good quality if no further wet weather was received. "The cotton may be less in micronaire but it shouldn't be down too much in other qualities," he explained.

One of the important things to remember about harvesting cotton from now on, Fortenberry pointed out, is that farmers should check their fields closely before stripping and be sure the cotton is ready to strip. If farmers strip before cotton is ready and green bolls are mixed with mature cotton, it will mean trouble for the ginners and will result in lower grades and micronaire, he added.

Other agricultural authorities agreed with Fortenberry, one Plainview farmer, Frank Moore, said if a hard freeze will hold off now for two or three weeks and the sun continues to shine, cotton will erate winds," he concluded.

Another continued wet spell is the biggest danger cotton now faces, Fortenberry continued. Another frost or freeze wouldn't be as harmful as more wet weather.

Jeameane Robison; Reporter, Evelyn Cummins; Pro-tem, Francis Lane; Parliamentarian, Ann Smith; Song Leader, Hazel Rogers; Pianist, Mary Lynn Hendrix.

The FHA mothers were seated on the stage with the officers. They are: Mrs. W. R. McElroy, Mrs. Gaston Robison, Mrs. Edin Mauk and Mrs. Andy Behrends.

The acceptance speech was made by Charlotte McElroy, the new president. She gave their membership cards. The club song was sung by Hazel Rogers, Linda Hance and Charlotte Hestand. All members repeated the FHA creed and sang the prayer song in closing. A reception followed in the Home Makers Department.

### Cotton May Not Be Hurt So Bad Says Growers

Recent freezing temperatures and general abnormal fall weather conditions may not have reduced the estimated production of the 1957 cotton crop as much as some observers fear, W. O. Fortenberry, president of the Plains Cotton Growers, said this week.

Fortenberry, who has been a cotton producer and ginmer here for more than 30 years, agreed with some agricultural observers that the light frosts of the past

NEWS FROM BETHEL

Well, folks, time marches on, etc., but I find that Monday is Nov. the 11th and to many that rings a very familiar bell. To some, I must admit, the day just means another holiday, but to still others, back in 1918, it was a mighty big day. Since that time it has been recognized as Armistice Day and for many years big celebrations were held. However, I'm sad to say, these have somewhat taken a back seat for a number of years. But within the last year or two, it has been declared not only Armistice Day, but also Veterans Day.

I'm wondering how many of the the Dimmitt Business men and Citizens will display the Flag of our Country, Monday. In case you plan

TV Interference

to J. I'm going to give a few hints taken from the little booklet, "Flag Etiquette."

"The Flag should be displayed only from sunrise to sunset, or between such hours as may be designated by proper authority. It should be hoisted briskly, but should be lowered slowly and ceremoniously. The Flag should be displayed on all National and State holidays. (However, being the emblem of our country, it ought to fly from every flagpole every day, weather permitting.)

"Do not let the Flag touch the ground or the floor, or trail in the water. Do not display, use or store the Flag in such a manner as will permit it to be easily soiled or damaged." And, do not display the Flag during rain. (Usually this would not be a necessary reminder for us on the Panhandle, but right now, it seems most appropriate.)

Just in case you have ever been curious as to which star in the Flag represents Texas, you will find it, counting from the upper left hand corner, on the 4th row down and the 4th star over. You see, the stars are designated to the states according to the year of their joining the Union. Texas was admitted in 1845 and was the 28th state to be named.

News out our way is pretty slim, this week, due to the inclement weather and numerous ones having contacted the flu. However, as one man put it, if a farmer is going to be sick, right now is a good a time as any as he certainly can't do much farming.

Some of those from out this way who have been on the sick list this past week are Mrs. Fate Shannon and youngest son, Ray Earl, Mr. Earl Lust, Albert Smith, and Mr. Jack Flynt.

Mr. and Mrs. J. C. Williams were in Tucumcari, New Mexico, this past week, visiting Mrs. Williams' sister, Mrs. E. C. Fullington, and other relatives.

Mrs. T. F. Crawford of Huckaby, Texas has been visiting with the J. C. Williams for several days. Mrs. Crawford will be remembered as a former resident of the Bethel Community a number of years ago.

Mr. and Mrs. Joe Allen and small son have been visiting with Mrs. Allen's parents and family, the Ben Fowlers, for several days. They returned to their home in Vermejo Park, New Mexico, Tuesday.

Visitors in the Ben Fowler home, Sunday, included Mr. and Mrs. L. H. Fowler and family of Lubbock, Mr. and Mrs. Jack Fowler and family of Tulla and Mr. and Mrs. Joe Allen and son of Vermejo Park, New Mexico.

Mr. Lloyd Lust of Littlefield visited with his parents, Mr. and Mrs. Earl Lust, Tuesday.

The Bethel H. D. Club did not meet Wednesday as scheduled due to weather conditions and numerous cases of the flu. However, all members are urged to be present, if possible, at the next meeting which will be held November the 20th. This will be the last meeting of the year. Plans will be made at this time for the Christmas party held annually by the Club.

The Bethel Circle of the W.S.C.S. met with Mrs. J. C. Williams, Tuesday afternoon. Several guests were present. They were Mrs. J. G. Davis, Sr., Mrs. Fanny Copeland and Mrs. T. F. Crawford.

Mr. and Mrs. Charles Henry Howell and family of Friona spent Wednesday with Mr. Howell's parents, Mr. and Mrs. Moss Howell. Mrs. Oran Howell and small

daughter returned home Sunday. They had been visiting with her parents, Mr. and Mrs. Guy Ellis of Abernathy, for a few days.

Milton Bagwell accompanied Mr. and Mrs. J. A. Bagwell and girls to their home in Amistad, New Mexico, this past week end. While there, he visited with his uncle and family, the Jim Bagwells, attended to a little business and did a little hunting. (Sounds like he made that trip really count.) Mrs. Milton Bagwell and sons visited with Mr. and Mrs. Ivor Bagwell while Milton was away.

Friday, Mr. and Mrs. Morgan Dennis, Mrs. Dennis' father, P. E. Morrison and Mr. R. M. Dunn spent the afternoon with Mr. and Mrs. Ivor Bagwell.

The "chicken-frying" group that I mentioned last week included: Jennie Wright Hyatt, Josephine Hardy Woods, Polly Webb Manning, Katy Hyatt Buckmaster, Tommy Allen, Buck Cone, Louie Allen and several others. The Mother, chaperone, and one-time owner of the chickens, was Mrs. H. C. Webb, mother of Polly Manning.
