You can usually tell when school is out by the fish smell that wafts over town. The school custodians get together every year about this time and go to Junction or some where for a fishing trip and they usually bring back a truckload of fish. This year wasn't so good, according to one source within the custodian circle. At least one night wasn't. It seems they were fishing along the banks of the river when it started raining—a real frog-strangler. Eual Robinson was hurrying back to camp when he slipped and fell in the mud, chipping a bone in his arm. In trying to get him to the doctor, they stuck the pickup. Finally, when they got going again and wallowed through to the highway, they had a flat. They finally got Eual to a doctor who told him as soon as the swelling went down they would have to put it in a cast. Earnest Sandel also went under with all his gear at one point and came out with a badly skinned leg. They said they didn't have very good luck. At any rate we know they didn't call us to take a picture of their big catch this year.

A man was showing his friend around his large auto repair shop. "How many people work here?" the friend asked. "About half," the owner replied.

The machine that once did away with horses is well on the way to doing away with people.

The conservative daily newspapers of Texas have, almost without exception, fought tooth and toenail to keep Ralph Yarborough out of the Senate. Now they're having a field day with his connection with Billie Sol Estes, chanting an almost unified chorus of "I told you so."

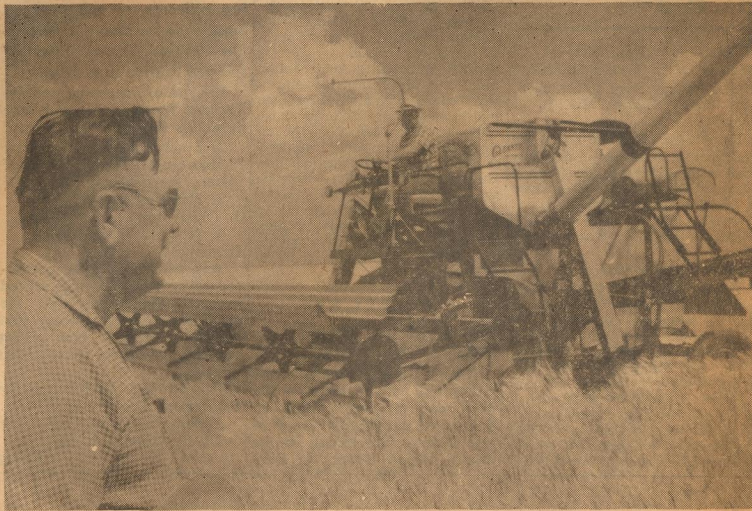

Crux of the matter is that Senator Yarborough accepted money from Estes as Campaign contributions and also some \$1,700 to pay for his radio broadcasts to his constituents. At one time Yarborough also went with Estes to the Department of Agriculture to try to help him work his way out of a mess Estes was in at the time. So far, that's all that has been disclosed. Yet the daily newspapers of the state are hugging themselves in ecstatic delight over this revelation of "corruption" in public office.

Now they're not naive. They know a politician gets campaign contributions from everywhere and that he can't know if some of the contributors will turn out to be crooks or not. That's a risk any politician takes, and usually it's no risk at all. Most constituents are reasonable enough to understand that a politician can't have a sixth sense telling him who's honest and who's not among his contributors. Many people were hoodwinked by Billie Sol Estes. Even Barry Goldwater, the conservative senator from Arizona, backed Yarborough up as did other senators. But the conservative Texas daily press, to whom honesty is something recommended for other people, has no desire to be fair. Instead they choose to beat Yarborough over the head with this issue, looking gleefully toward the next election year when he can be put on the defensive and perhaps hounded out of office. Whether you like Yarborough's politics or not isn't the issue. The issue is whether it's right to let a bunch of vindictive newspaper people, who sell their words to a few conservative oil-rich newspaper owners, commit this public trial where the evidence is insinuation and the verdict is by the plaintiff.

Senator Yarborough has a position of great public trust. He was elected by a majority of the people of Texas who chose to vote in his election and he deserves the respect arising from these circumstances. Yet he has been sorely used by the daily press of Texas, who, almost without exception, have employed their personal vendettas against this man.

Here is what Senator Yarborough says about his relations with Texas newspapers: "Of the approximately 125 daily newspapers in Texas, not over seven ever endorsed me for public office in one race. Of the 12 large population centers in Texas, in only one has a daily newspaper endorsed me. I discovered that, in one instance, a newspaper publisher who has a chain of newspapers in Texas instructed their Washington correspondent never to file a story with my name in it unless it was 'degradatory.' I found out that in another chain of Texas daily newspapers, instructions were given that my name was to be removed from syndicated columns and syndicated news stories out of Washington, and this policy has been followed religiously by this chain for the past four years." When news stories of the work done by Senator Yarborough do get out of Washington, they are usually scrapped by most Texas daily newspapers.

This is one reason Yarborough (Continued on Back Page)

WHEAT HARVESTING in Castro County is once again underway. One of the first crops in the county to be harvested is that of Carl Easterwood (foreground). Easterwood farms are located near the Flagg community south of Dimmitt. The wheat from the field shown in the photograph tested 13.6 per cent moisture content. —Cowan photo

Building Ahead For 1st Six Months

The first six months of the year 1962 have been those of seemingly above-the-average building construction programs in Dimmitt. Since January approximately \$433,510 has been invested on new buildings, residences and building additions. This does not include the \$1,200,000 new ultra-modern high school building which is presently being constructed in the western section of town, or any of the recent tornado and fallout shelters which have been built since January. This also does not include the vast remodeling job under progress in the old high school building. Also, plans are presently being made for the erection of a Presbyterian Church building which is not included in these expenditures for the first half of 1962.

Included in the community improvement building projects since January is the Northside Church

of Christ building which was built at a cost of approximately \$50,000.

Plans are also being made for the possibility of a new post office building. The bond issue for a new hospital for Castro County passed in 1960 and when plans for a new one become complete it will mean another \$450,000 invested for community improvement.

Business buildings were about average with approximately \$19,000 invested on new buildings and improvements during the first six months of the year.

Most expenditures for the first six months of 1962 have been on new homes. A total of \$414,510 has been invested since January on the completion of new homes. Twenty two new homes in Dimmitt have been constructed since the first of January and the average cost per home has been over \$19,000.

ENGLISH CLASSES for pre-school age Spanish-speaking students began Tuesday under the instruction of Mrs. James W. Bates. Eight weeks of instruction are planned so as to prepare the Spanish students for the first grade next fall. The seemingly attentive youngster in the picture is Mary Helen Donas, daughter of Mr. and Mrs. Francisco Donas and is one of twenty-seven youngsters enrolled in the course. —Cowan photo

Nazareth Approves New Cafetorium Bond Issue by 130 to 30 Vote Margin

Nazareth cafetorium bond issue passed in the Saturday election by about 130 votes for the issue and approximately 30 votes against it. The cafetorium, a 45' x 120' concrete block building will be a complete kitchen and auditorium area costing about \$35,000. The remaining \$15,000 of the bond will be spent on teacher housing facilities. The new auditorium and kitchen, which will have 5,400 square feet, will have room for about 450 persons in the auditorium and for about 200 in the dining area. Nazareth's new building will be constructed by Dimmitt's Paul Acker.

UNDER CONSTRUCTION in west Dimmitt is the new eighty-thousand-square-foot high school building. Workers building supporting structures for the foundation are Jim Hudson (left) and Van Alsop (right) both of West Texas Builders, Lubbock. See story. —Cowan photo

No Injuries in Wednesday Wreck

No one was injured Wednesday at 2 p.m. when a two-vehicle collision occurred at the intersection of Lee Street and S.W. 5th. Involved in the accident were Mrs. Dav Bradley driving a 1957 Ford and Pat Hardy driving a 1954 Chevrolet pickup. Investigating officer W. W. Jones said the Hardy vehicle was traveling East on Lee across the intersection when the Bradley vehicle struck the rear fender of the Hardy pickup. Jones estimated the damage to the Bradley automobile would be about \$100.00 and the damage to the Hardy pickup would be about \$60.00.

Investigating officer W. W. Jones said the Hardy vehicle was traveling East on Lee across the intersection when the Bradley vehicle struck the rear fender of the Hardy pickup. Jones estimated the damage to the Bradley automobile would be about \$100.00 and the damage to the Hardy pickup would be about \$60.00.

County Went To Yarborough In 2nd Primary

Democratic primary run-off voting was conducted on a state-wide basis Saturday with John Connally of Tarrant County and Don Yarborough of Harris County in the gubernatorial spotlight. Connally slipped over the finish line with a majority of about 24,000 votes; however, in Castro County candidate Don Yarborough received 830 votes over Connally's 502.

On the local side of the run-off, Raymond Hance running for Commissioner, precinct 2, lost to Noble Armstrong by 70 votes. B.M. Nelson, publisher of the Castro County News and hopeful for state representative had 923 Castro votes and Bill Clayton of Spring Lake received 425 of the county votes cast Saturday. Clayton, however, gained the office by a narrow margin from votes cast in Lamb, Deaf Smith, Bailey and Parmer counties.

Leinen Recuperating in Temple Hospital

Robert (Bud) Leinen, local appliance serviceman who underwent surgery May 21 for leg amputation at Scott and White Hospital in Temple is reported to be making satisfactory progress in his recovery. According to reports Leinen may be able to return to Dimmitt in the latter part of July or the early part of August. He was transferred to the Veterans Hospital where he will remain while a prosthesis is fitted.

Considerable interest in the state was also directed to the race for Lieutenant Governor with Preston Smith of Lubbock County, the winner, and James A. Turman of Fannin County contesting for that position. In Castro County Preston Smith had 928 votes and James A. Turman had 397.

For Attorney General Waggoner Carr of Lubbock County gained the majority of votes with Tom Reavley of Travis County as his opponent. In Castro County Carr received 978 votes and Reavley received 350.

Joe Pool of Dallas was voted Congressman-at-large over Woodrow Wilson Bean of El Paso; however, Castro County voted Bean 652 to Pool's 642.

Castro County cast a total vote of 1332 in the runoff which was close to 70 per cent of the eligible votes in the county. This was a much better turnout than was exhibited by other counties in this northwest area of the state. There were 1546 votes cast in the primary compared to 1332 in the runoff.

Greer H. Estes Post of the American Legion in Dimmitt is starting a "Robert Leinen Fund" to help the family during the period Leinen is unable to work. Deposits and donations to the "Robert Leinen Fund" can be made at the First State Bank or by contacting Mary or Jack Flynn. Leinen's address is Ward 15-A, Veterans Hospital, Temple, Texas.

Anyone who desires to study the Bible is invited to attend these study sessions.

Clarence Bearden is recuperating in Methodist Hospital, Lubbock after undergoing surgery there last weekend.

Rev. Blaylock Returned To Methodist Church

The Rev. Hugh Blaylock was returned to the First Methodist Church for another conference year by the Northwest Texas Annual Conference of Methodist Churches held in Big Spring on May 28 through June 1. This will be Rev. Blaylock's third year to serve the First Methodist Church of Dimmitt.

Church of Christ Begins Bible School

The Bedford Street Church of Christ begins its summer Bible school Monday morning at 8:45 a. m. It is to be a daily school which will continue through Friday. Pre-school through seventh grade children will meet each morning from 8:45 through 11:45. The eighth grade through high school classes will meet each evening at 8:00.

A class for ladies will meet each mornng at 9:10. Anyone who desires to study the Bible is invited to attend these study sessions.

BUSINESS TRIP

Mr. and Mrs. Curtis Tate were in Dallas a few days this week.

New High School Construction Gets Well Underway

Major changes in the school system of Dimmitt are in progress with a new eighty-thousand-square foot high school building being erected in west Dimmitt and with the present remodeling work being done in the old high school building.

The new high school building which is being constructed by West Texas Builders of Lubbock will meet the needs of at least four or five hundred high school students according to Paul Hilburn, superintendent of Dimmitt schools.

Over 1,300 students attended schools this year and to meet the needs of this growing number of pupils the old high school building is being remodeled to accommodate the 7th and 8th grade students. After the new high school is completed, children in the lower grades will attend classes in the north and south grade buildings, with the older 7th and 8th graders in the old high school building and the freshmen, sophomores, juniors, and seniors in the new high school building.

Included in the new high school contract deadline of September 1,

1963 is an evaporative air-cooled bend room and an air conditioned auditorium. The high school auditorium will have facilities for accommodating 1,000 persons. Also included in the building program are two parking lots and an air-cooled lunchroom.

"According to the building contractor", Hilburn said, "They may have the building ready for use by April, 1963." Included in the remodeling work being done in the 33-year-old high school building are new ceilings, floors, doors, windows, lighting, and wiring. The gymnasium and dressing rooms are being completely revamped. Also featured in the remodeling plans are an intercom system and a public address system. The old structure will also have a new bell and clock system and a new heating system. "You won't know the old building when the workers have completed the reconstruction," Hilburn said.

News to Publish Temperature Range

Howard Cook, local US Weather Bureau representative, this week agreed to furnish the Castro County News with high and low temperatures of each day on a weekly basis. The temperature ranges will be recorded in the newspaper from Thursdays to Wednesdays, along with any precipitation that may have fallen during the week.

Last week's temperatures:

Thursday, May 31	84	58
Friday, June 1	72	51
Saturday, June 2	69	53
Sunday, June 3	85	47
Monday, June 4	91	57
Tuesday, June 5	95	57

Dr. Vandiver Speaks Before Dental Assistants Meeting
Guest speaker at the Caprock Dental Assistants Society meeting conducted Thursday in the First State Bank Building in Dimmitt was Dr. Charles M. Vandiver, local dentist. The salad supper and regular meeting was attended by the members of the Panhandle Dental Assistants Society.

WE WILL WASH YOUR CAR—The Methodist young people are conducting a car washing program Saturday for the purpose of raising money for summer Methodist Youth Fellowship activities and projects. Car washing will begin 8 a.m. Saturday in front of the Methodist Church and the cost per car is set at \$1.50. Methodist young people in charge of the project are (left to right) Sandra Schreck, Janis Davis, Linda Schreck, Jan Willis and Suzie Davis. —Cowan photo

SUMMER SUN AND SUMMER FUN—Soaking up the summer sun is Miss Keith Ann Howard, 14-year-old daughter of Mr. and Mrs. Keith Howard of Dimmitt. Since Dimmitt's swimming pool opened Friday, Coach Jim Wilson, the life guard says that a large number of youngsters and oldsters alike keep the pool occupied all day. The swimming pool is located behind the high school building. —Cowan photo

OUR DISCOUNT HOUSE

One appliance — an electric combination refrigerator-freezer — does both jobs — freezing and refrigerating . . . for those who are without the space for two separate units. It's a most useable electric appliance, giving the homemaker immediate, convenient storage for frozen foods and providing adequate cooling space for non-frozen foods, too. This appliance disproves the old adage that you "can't have your cake and eat it, too." And, the new models with their efficient new insulation give you more space, in the same-size cabinet than many older models.

Miss Pat Bayley, Wilson Di Cuffa Wed in Presbyterian Church Ceremony

Miss Patricia Carolyn Bayley of Plainview and Mr. Wilson DiCuffa of Dimmitt were married in a double ring ceremony Saturday evening, June 2 at 6 p.m. in the First Presbyterian Church of Plainview.

Parents of the bride and groom are Mr. and Mrs. Spencer A. Bayley of Plainview and Mr. and Mrs. Salvatore Di Cuffa of Dimmitt.

The Rev. A. Burr Morris of the First Presbyterian Church in Dimmitt read the marriage vows which were exchanged before an altar draped with white satin rope and flanked with candelabra and greenery. A white satin kneeling bench completed the altar arrangement.

Mrs. Gene Boyd of Plainview was the organist who accompanied Mr. Riley Armstrong also of Plainview. Traditional wedding selection were given.

The bride who was given in marriage by her father, wore a white gown of satin peau de soie, the bodice of which was sleeveless with a bateau neckline featuring an Alencon lace pancho overblouse. The skirt was softly pleated into an A skirt with a train formed by one

large pleat in the back. Her veil was of white illusion coming together in a crown of seeded pearls and sequins. For a bouquet she carried a nosegay of white butterfly roses and stephanotis.

Mrs. Charles Elliott of Lubbock attended the bride as matron of honor. Bridesmaids were Miss Marti Hinson of Amarillo and Miss Carolyn Jarrell of Childress.

Candlelighters were Miss Joanna Di Cuffa and Miss Ruthelle Di Cuffa, sisters of the groom. Miss Debbie Addy, cousin of the bride of Amarillo was flower girl.

The bridal attendants were similarly dressed in blue batiste with sleeveless, shirred, fitted bodices featuring high necklines in front which sloped into low decollete necklines in back. The skirts were fully gathered and street length. They wore white short gloves, blue faille shoes and tailored, batiste bow bandeaux. For flowers they carried nosegays of blue corn flowers and feathered carnations. The flower girl wore a blue batiste dress with sweetheart neckline and gathered skirt. Her bandeau was also a tailored bow of blue batiste and she carried a white basket of blue carnations.

Jimme Di Cuffa, brother of the groom of Dimmitt, was best man. Groomsman were Edward DeLozier of Dimmitt and Dick Bush of Fort Worth. Ushers were Dan Bayley, brother of the bride, Plainview, Harley Daniels, Dimmitt; Don Warren, Dimmitt; and Hugh Campbell, Ballinger.

A reception, immediately following the ceremony, was held in the parlor of the First Presbyterian Church of Plainview. The bride's table was laid with a white net cloth, and centered with nosegays of blue cornflowers and feathered carnations. A white tiered wedding cake and punch were served the guests by Miss Ruby Mae Clingingsmith, Dimmitt; Miss Carolyn Williams, Dimmitt; Mrs. Ray Duncan, Amarillo; Mrs. Billy Addy, Amarillo; and Mrs. G. I. Clingingsmith, Dimmitt. Mrs. Coleman of Plainview registered the guests.

For travel on their wedding trip to Ruidosa, New Mexico, the bride chose a beige, linen dress, black patent accessories, white kid gloves and an olive green hat with white flowers.

The new Mrs. Di Cuffa is a graduate of Plainview High School and West Texas State College. She was employed as a teacher in Dimmitt Public Schools last year and will teach in the Lubbock school system this fall. She is a member of Alpha Delta Pi social sorority.

Mr. Di Cuffa is a graduate of Dimmitt High School and is a senior student at Texas Tech.

They will be at home in Dimmitt after June 11 where they will live for the remainder of the summer before returning to Lubbock in the fall.

Research Station Compares Dates of Cotton Planting

A cooperative research program involving date of planting of cotton is being conducted over a period of years by the High Plains Research Foundation in cooperation with the Lubbock Agricultural Experiment Station No. 8 This information was obtained from the portion of the text conducted at the High Plains Research Foundation. On each of the six different dates of planting, four varieties were planted. The planting dates were April 22, May 20, June 3, June 13, June 21, and June 30. The four varieties that were used in the test represented both early and late maturing cotton.

The yield and stand of the cotton was reduced extensively by excessive rainfall and seedling diseases. The highest yield obtained was 643 pounds at lint per acre.

The following table gives the date of planting, average lint yield per acre of the four varieties, and gross value per acre.

Date	Yield	Gross Value
April, 22	543	\$163.20
May, 20	458	131.40
June, 3	464	136.20
June, 13	287	88.00
June, 21	148	33.70
June, 30	30	6.50

The June 13, June 21, and June 30 plantings were considered unprofitable as compared to a normal crop of grain sorghum planted on these dates, sometime between the dates of June 3, and June 13, it would no longer be profitable to plant cotton but more profit could be realized from planting grain sorghum.

The grade and staple were affected to a large degree by the date the cotton was planted. Cotton planted in April graded Middling to Strict Low Middling where as the June, 21 and June 30th cotton graded wasty. The staple length averaged from 31.4 for April 22, planting to 30.6 for the June 30th planting. The micronaire decreased noticeably as the date of planting was delayed. As an example, the April planting averaged 3.9 while the June 30th planting 2.0.

HOST BRIDGE PARTY

Mr. and Mrs. Harold Stephens were hosts at a dinner and bridge party in their home Saturday evening. Present were Messrs and Mesdames John Nichols, Paul Hilburn, Ralph Smith, John Merritt, A.J. Kemp, Steve Taylor, J.G. Davis, Charlie Hays, Goldman Dyer, Charles Vandiver.

District to Get 75.5 Miles of FM Roads Soon

More than twelve hundred miles of new Farm to Market Roads will be constructed under a program announced recently by the Texas Highway Commission.

Given approval was the 1962 Farm to Market Road Program, under which 1,216 miles of newly designated farm and ranch roads will be built at a cost of 123 1/2 Million. Herbert C. Petry, Jr., Chairman of the Commission, pointed out that more miles of new roads will be constructed under this program than has been possible in recent years. Normally, about 1,000 miles of new FM Roads are added to the Highway System each year—but the 1962 program represents an increase of more than 200 miles above the average. The New FM program, involving 266 separate roads in 179 counties is a one-year program. Future FM programs will remain on a one-year basis, the Commission said.

Petry noted that his type of road, "Is the Land Service Road that has done so much to develop our State. These roads have meant a great deal to the development of our economy, providing all-weather routes for our rural population and better service to schools and for delivery of mail."

Oscar Crain, District Engineer of Lubbock, said that 75.5 miles in this District will be involved in this program. The work will be under the supervision of the Resident Engineer whose name appears on the attached list of projects.

THANK YOU

It is with deepest gratitude that I use this opportunity to personally thank each and every one of you who supported me in Saturday's Election. The confidence you have placed in me will always be held in sacred trust. Your continued support this fall is earnestly solicited and I promise to represent you with unending vigor, honesty and integrity as your representative. Again let me say in all sincerity and humility thank you for your support.

BILL CLAYTON

LEGAL NOTICES

THE STATE OF TEXAS

To Russell L. Turner, J.C. Turner and his wife, Mrs. J.C. Turner, and J. E. Crofford, and if the said Russell L. Turner, J.C. Turner and J.E. Crofford be deceased, and the heirs, the unknown heirs, and legal representatives of such parties, and all persons owning or claiming any interest in the lands hereinafter described.

Defendants, Greeting: You are hereby commanded to appear by filing a written answer to the Plaintiff's Petition at or before ten o'clock A.M. of the first Monday after the expiration of forty-two days from the date of the issuance of this citation, same being Monday the 9th day of July, 1962, at or before ten o'clock a.m. before the Honorable District Court of Castro County, Texas, at the Court House of said County in Dimmitt, Texas

Said Plaintiff's Petition was filed in said court, on the 25th day of May, A.D. 1962, in this cause, numbered 2689 on the docket of said court, and styled, Rindy Wilkinson, individually and as executrix of the last will and estate of J.L. Wilkinson, deceased, Plaintiff, vs. R. L. Turner, et al, Defendant.

The names of the parties to the cause are as follows: Rindy Wilkinson, individually and as executrix of the last will and estate of J.L. Wilkinson, deceased, are Plaintiffs and Russell L. Turner, J.C. Turner, and his wife, Mrs. J.C. Turner, and J.E. Crofford, and if the said Russell L. Turner, J.C. Turner and his wife, Mrs. J. C. Turner, and J.E. Crofford be deceased, their heirs, their unknown heirs and legal representatives, and all persons owning or claiming any interest in the lands hereinafter described, are Defendants.

A brief statement of the nature of this suit is as follows, to wit: Plaintiff sues for title to and possession of the following described land situated in Castro County, Texas, to-wit: Lot No. 2 in Block No. 113 of the Town of Dimmitt, Castro County, Texas. Plaintiff alleges that she is entitled to re-

cover fee simple title to and possession of the above described land, claiming the same by adverse possession under the ten year statute of limitations, and the Plaintiff prays that the cloud cast on the title to the above described land by the Defendants be removed, and that title to said land be vested in the Plaintiff and divested out of the Defendants, as is more fully shown by Plaintiff's Petition on file in this suit.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this process shall promptly execute the same according to law, and make due return as the law directs.

Issued and given under my hand and the Seal of said Court, at office in Dimmitt, Texas, this the 25th day of May, A.D. 1962.

Attest:
Zonell Maples Clerk,
District Court, Castro County, Texas. 32-4tc

Senator YARBOROUGH'S REPORT

Dear Fellow Texan:
 In this session of the Congress, there are a number of bills pending that are of the utmost importance to former servicemen and their families.

In Texas, there are 786,000 veterans of World War II. There are 280,000 veterans of the Korean Conflict, including 57,000 who had also served in World War II. Texas has 130,000 World War I veterans. In addition, there are 7,000 other men who are veterans of peacetime duty, but who are served by the Veterans Administration because of service-connected disabilities. This represents a total of 1,146,000 hot war veterans in Texas, not including veterans of the Cold War.

Among the veterans' bills I'm working on is one I introduced earlier this year to extend the term of veterans' guaranteed home loan from thirty to thirty-five years for payment. Last year, the term of the FHA regular sales housing mortgage was extended from thirty to thirty-five years, and it is only just that the veterans receive equal treatment on repayment terms. The veterans loans are the only ones made to build homes out on a farm or ranch in Texas because as you know, the FHA loans do not apply out on the farms and ranches.

On a national scale, veterans of World War I and the Korean Conflict have obtained more than 200,000 loans totaling some \$1.7 Billion under the direct loan program. I'm also author of a bill passed by the United States Senate this year that would protect the educational rights of men who were recalled to active duty because of the Berlin crisis.

Some of these men had earned educational rights by service in the Korean Conflict. But there is a danger that their rights will expire before they complete their military duty the second time around. My bill would guarantee that the time served by a veteran recalled during the Berlin crisis would not count against the time a veteran has in which to enroll in school or to finish his studies following the Korean Conflict. Educational rights of war orphans would also be protected in this bill.

Among the other bills for veterans that are before Congress are: One to increase funds allotted for certain types of medical research by the Veterans Administration to enable the veterans to go back to gainful employment faster; one to provide new training for veterans who suffered eye injuries in the war and are now going blind at the rate of sixty to eighty a year. Some of these veterans had received training based on the ability to see, but their training is no longer of use to them once their vision is totally gone. Their need for help by a new law is almost a life or death matter to them; they must be retrained, or they cannot earn a living.

Fellow Texan, these are a few of the veterans' bills I hope Congress will enact into law this year. Of course, I am continuing my work on the Cold War GI Bill, the most urgently-needed of all, to provide educational training to Post-Korean conflict veterans; there are about ten other veterans' bills pending in the Senate and I will discuss them in a later report to you.

State Counts 2,314 Traffic Deaths

of Public Safety has officially closed the 1961 traffic "death book," and reported that last year 60 more persons died in Texas traffic than in 1960.

The motorcade total was 2,314 as compared to 2,254 in 1960, or an increase of 3 per cent.

The report, prepared by the Department's Statistical Services, indicated that although the number of motorcades increased, the death rate—the number of deaths per 100,000 miles traveled—decreased from 4.9 to 4.8, the lowest rate on record in Texas. In 1961, Texans traveled 47.9 billion miles, or 3.42 per cent more miles than they did in 1960.

In addition to the 2,314 deaths, in 1961 there were an estimated 132,570 injuries sustained in 324,149 motor vehicle accidents.

On an average, last year in Texas traffic, a person was killed every three hours and forty-seven minutes, and a traffic accident occurred every 97 seconds.

Col. Homer Garrison Jr., Director of the DPS, said:

"It is a sobering thought to realize that the number of persons killed on Texas streets and highways was greater than the populations of most Texas towns, and that the number of injuries was more than the population of Lubbock. When the economic loss resulting from traffic accidents in 1961—over 356 million dollars—is added to these losses, the problem we face is only too apparent."

"Texans must accept the challenge posed by these figures. The best way to do this is for every driver to obey the traffic laws, because in almost every accident at least one violation is involved."

Other observations made from the analysis include:

The 141 motorcades in February was the lowest number of any month since February 1950, when 140 were killed.

The most deadly day in Texas traffic last year was December 2, when 23 persons were killed in 15 fatal accidents.

There were only 4 days last year when no fatal accidents occurred in Texas.

14 counties—Borden, Brewster, Delta, Hansford, Hardeman, Kent, Lipscomb, Loving, Mason, Rains, Roberts, Somervell, Sutton, and Upton—had no fatal accidents or deaths during 1961.

The largest increase in the number of deaths in 1961 over the previous 3 year average was 20.7 in Lubbock County.

The largest decrease in the number of deaths in 1961 over the previous 3 year average was 14.3 in Cameron County.

131 counties had fewer deaths in 1961 than the previous 3 year average.

Conferences Set By Texas Congress of P.T.A. in Austin

Important conferences, sponsored by the Texas Congress of Parents and Teachers, will be held June 4-7 at Kinsolving Dormitory on the campus of the University of Texas. They will include a Program Parley with Emphasis on Citizenship, the executive committee, district presidents, and council presidents.

The executive committee will meet first, with Mrs. T.W. Whaley of Kossee, state president, presiding. The Program Parley will follow with R.H. McKay of Dallas, state chairman of workshop, presiding. Other members of the planning committee are Mrs. Linus D. Frederick of Copperas Cove, chairman of the state program committee (and of budget and finance); and Wesley Martin of Greenville, state chairman of citizenship.

The 21 district presidents, including eight new ones, will meet with Mrs. Whaley for a period of information. Mrs. Stanley Statch of Fort Worth, president of District 1, is chairman of the district presidents. Mrs. Woodrow Killingsworth of Dimmitt is President of district 8.

2 Local Teachers To Attend Summer Science Institute

Kenneth Cleveland, a Dimmitt High School science teacher and basketball coach and Mrs. Loranel Hamilton who teaches mathematics at North Grade School in Dimmitt, will both be among a group of 60 teachers who are attending the Summer Science Institute at Eastern New Mexico University, Portales, June 11 to August 3. This is the second summer for Mrs. Hamilton to attend.

The summer institute, in cooperation with the National Science Foundation, is designed especially for teachers of biology and general science, and will afford the opportunity of improvement in science instruction.

Courses are taught by Eastern New Mexico University faculty and visiting lecturers, including Dr. Ralph Alston, University of Texas; Dr. Arthur Cronquist, New York Botanical Garden; Dr. N.H. Russell, Arizona State University; Dr. B.L. Turner, University of Texas; and Dr. William Weber, University of Colorado.

Through a hard-hitting, Conscientious Advertising Program

Competition is a demanding taskmaster—but it can also be the greatest rewarding factor in merchandising or servicing. It is a taskmaster when competition defeats, when it sets the rut that engulfs the businessman. Competition is rewarding when the merchant forces it to become his tool, when he knows he has a thriving, growing business that will never want for customers. Business goes where it is invited—and competitive prices, outstanding courteous service with a good selection, and promotional advertising will do the most inviting.

Do yourself, your customer, and your community a favor by using the pages of the Castro County News to sell your goods and services. It is not only good business but it will help you gear your operation to today's quickly changing trends and increasing competition.

Success stories of large businesses almost always hinge around concentrated advertising and other sound business practices. Start a campaign now—you'll be amazed at how quickly you will feel the difference. Just telephone 647-3488 and a salesman will call on you at your convenience.

News from the Castro County

ASC OFFICE

The U.S. Department of Agriculture today announced program changes which permit farmers greater flexibility in using acreage diverted from wheat and feed grains under the 1962 programs. The changes are authorized by recently enacted public Law 87-451 (approved May 15, 1962).

Flax, rapeseed and mustard seed have been added to the list of crops that may be grown on acres diverted from production of wheat and feed grains, following the required review of the current supply situation with respect to all of the crops eligible for consideration. Production of guar, sesame, safflower, sunflower, and castor beans on such acreage was already permitted.

The new law amends the agricultural Act of 1961 by authorizing the Secretary of Agriculture to permit acreage diverted from wheat and feed grains to be utilized for

annual non-supported field crops and flax when these crops are not in surplus supply and will not be in surplus supply if produced on the diverted acreage. No price support may be made available for production of any such designated crop on the diverted acreage.

The new law also empowers the Secretary, if further justified by the supply situation of a permitted crop, to establish a partial payment for that crop up to one-half the rate which would otherwise be applicable if the acreage was devoted to conservation uses.

Accordingly, a determination has been made to provide partial payment for 1962 on diverted acres planted to guar, sesame, sunflower and castor beans. These payments will be computed in the case of guar and sunflowers by taking 20 percent of the applicable commodity rate for minimum diversion for the farm.

The partial payment rates for castor beans and sesame will be computed by taking 30 percent and 40 percent, respectively, of the minimum regular rate for the acreage involved.

Safflower, Flax, rapeseed and mustard seed may be grown on diverted acres but no payment will be made. Flax produced on the diverted acres will not be eligible for price support, but any other flax on the farm may qualify for support.

The Department's revised regulations for administering the amended Agricultural Act of 1961 will include the following provisions:

Signup will not be reopened and previously stated intentions to divert may not now be increased.

Producers may redesignate diverted acreage only for the production of one or more of the permitted crops. This redesignated acreage may already be planted to the permitted crop. However, the Producer will be required to pay the performance cost of any such re-signation.

Permitted crops disposed of as a green manure, or destroyed by natural causes by a deadline date (not later than 30 days prior to the normal harvest date for the applicable permitted crop as determined by the ASC State Committee) may be considered as a conserving use provided other conservation measures are carried out if necessary, to protect the land throughout the 1962 crop season.

The original program payment rate will be reestablished in such cases. If the permitted crop fails or is disposed of or not harvested after the disposal date, no upward adjustment will be made in the program rate.

If a producer elects to plant the entire diverted acreage to a permitted crop for which no payment will be made and an advance payment has been made, he will be required to refund the advance, but no interest would be charged.

Participation under the new provisions shall not serve to extend the compliance deadline date for wheat, barley, corn or grain sorghum.

Each producer who wishes to take advantage of these provisions should go to the ASCS County Office and request a change in his intentions not later than June 29.

WHEAT HAILED OUT AFTER THE DISPOSITION DATE WILL NOT BE ELIGIBLE TO BE CLASSIFIED AS DIVERTED ACRES.

FLAGG NEWS

There will be a meeting of the Flagg Community Club this Friday night, June 8 at 8:00 in the Community building.

Everyone is invited to attend. The Flagg Home Demonstration Roll Call was answered with "How I Can Help 4-H Club Programs."

The club will have its annual chicken fry in July 13 at the Community building. This is for everyone in the Community and any guests are welcome.

Mrs. Clyde R. Davis was elected as the Club's nominee for delegate to the state convention in Dallas. Refreshments were served to the following, Mildred Bradford, Marje Winders, Darlene Wooten, Billy G. Davis, Blanche Ginn, Janie Axe and Velma Birchfield.

The next meeting will be June 15. Mr. and Mrs. C.T. Damron accompanied their daughter, Lucille Cook and children to Amarillo where they caught the plane to Seattle, Washington. They will visit with Mr. and Mrs. Manfred Strom-

been named Laquita Renee. Mrs. Finney is a daughter of Mr. and Mrs. Homer Terrell of Tulsa former residents at Bethel. Mrs. Terrell is staying with the Finneys this week to help care for the new baby.

Mr. and Mrs. Bryan Sinclair visited Mr. Sinclair's cousin, Mr. Bert Sinclair and family in Amarillo Thursday. Murl Sinclair daughter of the Bert Sinclairs, was involved in a car accident in Mexico not long ago in which her girl companion driver of the car was killed. Murl suffered only minor injuries.

Ricky and Randy Morgan spent Thursday night with Max Hastings. Mr. and Mrs. Loyd Lust, Barbara, Linda and Jeff visited the James Bradfords and Earl Lusts Monday afternoon.

The Bethel Circle of the Womans Society of Christian Service met with Mrs. Wes Anthony Monday afternoon. The program was from the "World Outlook" concerning missions in the big cities. Mrs. Anthony served refreshments of cake, ice cream and iced tea to messdames J.C. Williams, Kay Roberts Amy Behrends, Vern Lust, J.P. Gossett and Earl Lust.

Mr. Buster Morgan visited his mother at Amherst Sunday.

Mr. and Mrs. Jack Tunnell and children of Amarillo were weekend visitors of Mrs. Tunnell's parents, Mr. and Mrs. Hubert Edwards. The Tunnell children are staying with the Edwards this week while their parents are on vacation.

Mrs. Bob Kay and Darla attended the Bailey-Di Cuffa wedding at the First Presbyterian church at Plainview last Saturday evening.

Mr. and Mrs. Melvin Stovall arrived from El Paso Sunday to spend three weeks with their parents Mr. and Mrs. Calvin Stovall and Mr. and Mrs. Moss Howell. Melvin is on three weeks leave from Biggs Air Base.

Mr. and Mrs. Wayne Whitlow and boys of Amarillo spent Friday and Saturday with the Roy Dale Underwood. On Saturday Mrs. Whitlow and Mrs. Underwood visited friends at Amherst.

Messrs Harry and Dale Schilling of Lincoln Nebraska visited the Moss Howells Monday.

Mr. and Mrs. Bobby Ray Bagwell have visited his grandparents, Mr. and Mrs. J.A. Bagwell. he is in the Air Force stationed at Wichita Falls.

First Christian Church Activities

Minister Bedford W. Smith of First Christian Church will preach a two sermon series Sunday, June 10th, on James, the New Testament Book of Proverbs. "Doers of the Word" will be the 10:50 a.m. service theme and at the 6:00 p.m. service the topic will be "Timely Talk About the Tongue".

On Wednesday evenings the study of the Book of Revelation which has just started will discuss the 2nd half of chapter 1 at the next meeting. This study seems to have attracted a better attendance than the Sunday evening services said Minister Smith who has taken several churches that he has served through the Revelation John. While there is much highly figurative episodes and expressions in Revelation, Mr. Smith points out that it is presented to be a revelation of Jesus Christ from God through his angel to John and a helpful working knowledge can be found in the Book plus the rest of the Bible. Minister Smith holds to the idea in the discussion of Revelation that the Bible is its own best interpreter. The Wednesday meeting from 7:45 to 8:45 p.m. and is open to the public.

The Sunday Bible School meets at 9:45 a.m. and welcomes the people of Dimmitt to come visit a friendly undenominational New Testament Church.

Daily Vacation Bible School attendance last week was less than before, due to vacationers. Regular attendance of those coming to Bible School was higher than in previous years.

Wheat Allotment Deadline Set For July 1

New grower wheat allotment deadline has been set for July 1. Eligibility requirements for the program are about the same as those last year.

If the owner or the operator of a farm has an interest in another farm with a wheat allotment then neither are eligible for the new grower wheat allotment.

me there and attend the world's fair.

Mr. and Mrs. Joe Smith and girls were in Plainview on Monday of this week.

Mr. and Mrs. Rex Wooten, Mr. and Mrs. Jesse Wooten, Mrs. C.M. Wooten and Mrs. Lavonia Carruth were Sunday dinner guests of Mr. and Mrs. Bob Hill of Hereford. The occasion was to celebrate Cindy Hills 5th birthday.

Mr. and Mrs. John Jennings of Canyon visited in the Marvin Axe home Sunday.

Mr. and Mrs. Rayphard Smithson were in Amarillo on business last Friday.

Visiting in the Jesse Hutchinson home this week is Loretta Mick of Muleshoe, visiting on Tuesday was Cecil Hutchinson of Dimmitt.

Brother and Mrs. Thomas Forester and children, Cumberland Presbyterian missionaries in Japan visited with Mr. and Mrs. Lomie Bell this week. They all went to Palo Duro Canyon Monday and visited the Don Sheffy's of Canyon.

Mr. and Mrs. Cecil Ginn, Mr. and Mrs. Jesse Wooten visited in the J.W. Birchfield home Sunday night.

Loyd Lust was a visitor in the James Bradford home one day this week.

Mrs. Dale Winders was in Plainview on Monday of this week.

Wyatt To Play In The Gazebo At W.T. June 8-9

"The Gazebo" a comedy melodrama, will be presented by the Palo Duro Players, summer theatre group at West Texas in the Branding Iron Theatre on June 8 and 9 at 8:15 p.m. featuring Gary Wyatt of Dimmitt.

Wyatt is the recent recipient of several top awards in the drama department of West Texas State, and his performance in Gazebo will be the only role he will pay for the Branding Iron Theatre this summer since he will be leaving immediately following the last performance of this play for Greeley, Colorado to join the "Little Theatre of the Rockies" for his second season with them. Last summer he played leading roles in productions under the direction of Dr. Helen Longworth.

W.A. Moore, director of the Branding Iron Theatre at West Texas, states that this first play, which begins the Palo Duro Players fifteenth season, is "truly fun for the entire family." Reservations may be made by calling Olive 2161 Ext. 324 in Canyon.

"The Gazebo" is written by Alec Coppel.

ASC Plans Cotton Measuring Program

The ASC office plans to begin measuring cotton, feed grain acreages and diverted acreage by the middle of June.

"Your cooperation in going with the reporter in making the necessary measurements will be appreciated and will aid in reducing the number of errors and misunderstandings," ASC secretary Charlie Hill said.

Applications Accepted By ASC on July 2

The ASC office will begin accepting applications for cost-share practices on July 2 under the Agricultural Conservation Program. Since a \$500.00 farm limit was set by the county committee under this program, no farm will be eligible to participate in this sign up if the farm has already received \$500.00.

Sign-up practices must be carried out within 90 days or the practice will be cancelled. An application must be filed prior to the beginning of any approved agri-

Castro Countians Go To 4-H Round-up at A&M

County Agent, Charles Hottel and five Castro County boys are attending a 4-H Roundup at A&M College this week. Competing in the state farm skill contest from the Castro County area are the district winners Donald Smithson, Dennis Cleaver, Dan Petty and Aaron Hutto from Dimmitt and Bobby McLain from Hart. Sponsor Hottel and boys are scheduled to return Thursday evening.

Bill Hochstein Formed First 4-H Club at Nazareth

By Mrs. Robert Huseman

In about 1933 Bill Hochstein, Sr. organized the 1st boys 4-H club in Nazareth. Wayne Thomas was the Co. Agent at that time. The meetings were during school and all those of 4-H club age were members.

Eugene Hochstein tells that there was no county events at which a boy could show their stock, so they took their animals to the Plainview or Dallas show. He showed a calf during the Texas Centennial in Dallas in 1936 and sold it for \$138.00. Five boys from Castro Co.

took their stock there also. These boys were James Schwaller, Francis Wilhelm, Eugene Hochstein, all of Nazareth, and Trellis Summers and Troy Whatley. Francis said his winnings was \$137. with the selling of his Grand Champion lamb. James Schwaller says they had to sleep with their animals every night while there.

Robert Huseman says he recalls the 4-H boys went to the farm homes in the community to learn about their projects. He especially remembers going to Bill Hochstein's place to see chickens being culled. Then the boys culled the chickens. Robert tells that when Art Klemans was a leader he took a number of Nazareth boys to the Lubbock Fat Stock Show. It was a warm spring day and not one boy wore a coat. They took benches from the community hall and put in the back of Mr. Klemans

truck. During the day a norther appeared and the boys rode home laying under the benches trying to keep warm. They almost froze to death.

The girls weren't too active in those early days but Geraldine Hochstein did pretty well in her projects. She got high honors for fixing up her bedroom.

In 1944, Tony Acker and Floyd Acker won the first Sears pigs that were given here in Nazareth Community.

In 1946, Tony won Grand Champion with his Chester White pig at Hereford Fat Stock Show and his brother Dave won Reserve. After that Tony took his Chester White pig on to Amarillo and won Grand Champion there.

Also in 1946, Tony took another pig to the State Fair at Dallas and won Breed Champion. Frank Huseman, a leader for several years, played a big part with the success of our club. He started a program somewhat like the Sears program, only he gave Poland China Pigs. He gave 4 pigs to boys in the county who won the essay contests. In a case where the boy couldn't replace a pig, he would replace it himself.

In 1951 at the Ft. Worth Fat Stock Show, the Castro County boys won Champion car load and all the pigs were offspring of the Frank Huseman hogs. They were fed by Dennis Huseman, Gene Lewis, Cyril Brockman and Bob Anthony. The program continued for 5 years.

Carl Dean Klemans went to State Fair and his Poland China won Grand Champion over all breeds of pigs. He got \$3.00 a lb. for that pig. Frank Huseman took him down there.

"The Acker Boys", sons of the late Jacob and Mrs. Acker, brought high honors to our community. Floyd and Jack are now deceased. Floyd, Jack, Kenneth and Tom each received the Santa Fe Award for which they were awarded a trip to the National 4-H Club Congress in Chicago.

In 1948 and 1949, Dennis Huseman won Grand Champion at Amarillo Fat Stock Show. Alphonse won Champion one year also. In 1952 Dennis got Grand Champion in Hereford Fat Stock Show and sold it for 80 cents a lb. Alphonse was the Gold Star boy in county in 1956.

Dickie Hoelting was Grand Champion winner with his Poland China pig in 1951 at Amarillo. He got \$2.50 a lb. for the pig.

Mary Ann Huseman (Durbin) joined 4-H in 1947 and received a number of awards. She won 1956 Talent Club Award, Castro Co. Baking Queen, alternate Co. Dress Revue Winner, 1955 Gold Star Award, County medal in Leadership, alternate County Dress Revue win-

ner, Reserve Champion Sr. Girls in Castro County Fair, 1954 County medal in canning, electric, safety, garden, and Dress Revue. Activities Mary Ann has participated in are Food preparation - 9 years; Clothing - 9 years, Electric - 4 year Garden - 6 years, yard - 3 years, bedroom improvement - 3 years, Frozen Foods - 6 years, poultry - 2 years.

Adult leaders of 4-H club in 1956 when Mary Ann made last records were Mrs. Emil Huseman and Mrs. Jerome Durbin. Virginia Huseman, 17 years old and a Senior, has been a 4-H member for 9 years. She participated in many projects: Frozen Foods 7 years, Garden 9 years, Foods 9 years, canning 9 years, clothing 9 years, poultry 7 years, bedroom 4 years. In '58 she went to district and state with a Safety demonstration and won 3rd in State. In 1959 Virginia won the County Bake show and went to district. She has appeared on T.V. in connection with club work in 1955 and 1959.

Sandra is busy trying to keep up with her sisters. Sandra and Viola Schacker won 1st in county on a Fir Aid demonstration in 1958. She carries cooking, canning, freezing, clothing, gardening as her projects. She has been a 4-H member for 5 years.

George Huseman didn't let his sisters do it all so he got Grand Champion pig in the County Fair in 1955.

Sharon Hochstein shows great promise with her club work. She has 3 grand Champion Banners to show for her 3 years of 4-H. Linda Huseman has 1 Grand Champion Banner for the county Fair. Gerald Brockman is showing great promise His lambs won 1st and 2nd at the project show in 1962. He works hard but has lots of things to learn yet.

Bernard Wethington and Angela Conrad went to District with their poultry demonstration.

Rita Witkowski has represented District one in state contests for four years. In the state elimination at Texas 4-H Roundup she has placed fifth, third and second with safety demonstrations. In 1960 she modeled a red wool suit in the state Dress Revue held in connection with the State Fair in Dallas. She has been active as a Jr. leader in both local and county organizations and served as chairman, secretary reporter and county delegate of County Council. Rita has been both secretary and chairman of District one 4-H Council. In 1959 she was elected District Delegate to state 4-H council where she was 1st alternate to Texas State leadership lab. Rita was named Gold Star Girl of Castro County that year. She is a freshman at Texas Tech this year majoring in Home Economics.

Lou Ann Witkowski has participated in State contests three years. She placed 3rd with her Safety demonstration for two years at State 4-H Roundup. In 1961 she modeled her street and travel suit in the State 4-H dress Revue in Dallas as county delegate to district council. In 1960 she served on the district elimination committee. Last year, 1961, Lou Ann was named Gold Star Girl in Castro County.

Gerald Witkowski, a 4-H member for 3 years, exhibited the Grand Champion steer at the Castro County Fat Stock and Project Show in 1961.

Jane Witkowski, a 4-H member for 2 years, represented the county with her Jr. Dairy Foods Demonstration in District contests in 1961. She placed 4th on the District level.

Last year our club earned a purple seal and in 1960 earned a red seal.

Our former and present club members have gotten so many awards that have not been mentioned because of lack of space and may not know the details. Those who won awards and are not mentioned, I am sorry.

In 1960 Nazareth 4-H Club reorganized into a community club where boys and girls have their monthly meetings together. The subject matter groups meet with their leaders another day each month. This is a smaller but a more interested group. The first organization leaders after reorganization were Mrs. L.C. Brockman and Leo Witkowski. In 1961, the organization leaders were Mr. and Mrs. Leo Witkowski. The club leaders for 1962 are Mr. L.C. Brockman and Mrs. Robert Huseman.

Our 4-H club meets every Wednesday night at 7:30 in the school lunch room.

Our present list of officers are: President - Gerald Brockman Vice president - Anthony Birkenfeld

Secretary - Claude Annen Reporter - Sandra Huseman Council Delegate - Virginia Huseman Recreation and Song Leaders: Gerald Braddock, Bobby Steffens and Linda Huseman Parliamentarian - Janetta Wethington

Subject matter leaders for our 4-H are: Livestock - Mr. Leonard Conrad Foods - Mrs. William Hochstein, Jr., Clothing - Mrs. Emil Huseman, Tractor Maintenance - Mr. Raymond Annen.

We have 17 active members who enter county events, including projects show, bake show, dress revue, county elimination and Castro County Fair.

Our present members are: Claud Annen, Anthony Birkenfeld, Gerald Braddock, Gerald Brockman, Angela Conrad, Tommy Conrad,

Sharon Hochstein, Linda Huseman, Sandra Huseman, Terry Huseman, Virginia Huseman, Bobby Steffens, Bernard Wethington, Elizabeth Wethington, Herbert Wethington,

Janetta Wethington, and Melvin Wethington.

As a new organization leader I hope that I can lead our club members to do many great things and

with God's help and the assistance of the 4-H parents I believe I can succeed. The club before us gives us an inspiring example to live up to, as I have found out by my writing this club history.

INTERNATIONAL 504

Everything... new power, new 3-point draft controlled hitch, new utility, and new convenience. Here's the all-purpose tractor that puts you ahead and keeps you there year round because it's built for top performance on almost every job. For unmatched tractor value, see the International 504.

- NEW super sensitive 3-point draft controlled hitch.
- NEW engines... gas, LP-gas, or Diesel with power-plus for three bottoms.
- NEW "live" hydraulic system.
- NEW hydrostatic power steering.
- FAMOUS Torque-Amplifier. Fast-Reverser available.

AARON ISAACS, Manager

Walter Rogers' WASHINGTON NEWSLETTER

Those who advocate opening our shores to refugees from Red China are no doubt prompted by the precepts of the Christian religion in which they were reared. Their attempts to adhere to the Golden Rule are commendable, but could prove very dangerous if followed. Let me say, in the first instance, that I would vigorously and un-

quivocally oppose any attempt to admit Red Chinese into this Country for any purpose. The Red Chinese are not Christians. If they follow the teachings of Marxism, they have no religion other than the Communist doctrine. They do not understand the Christian principles by which we live, hence would suffer no remorse of conscience in using our charity to help defeat us. In fact the evidence is overwhelming that the Communist world has followed a definite pattern for several years to employ our Constitution, our laws and our moral code as weapons against us. There are several excellent examples. They have widely used, in fact abused, the guarantees of the Constitution in the exercise of freedom of speech, freedom of the press and freedom of religion. One of the best examples is their open and defiant use of the Fifth Amendment, both in the courts and before Congressional Committees. These actions, although perhaps within the letter of the law, have certainly not been within the spirit. The exercise of these freedoms by the Communists and the use of the Fifth Amendment as a protective measure have not been for the purpose of preserving individual rights as was intended by the framers of the Constitution, but on the contrary, for the purpose of promoting and augmenting an ideology diametrically opposed to government by law. These people have long realized that the American concept of fairness presupposes the good faith of the individual. This creates an open invitation to any society

Tips Given For Mosquito Control

Peak months for mosquitoes to lay their eggs are in May, June, September and October. "This is the time that we must make every effort to interfere with the breeding grounds of mosquitoes so that we will not be plagued by swarms of mosquitoes and the possibility of a number of cases of encephalitis later this year," says Dr. Harold W. Bischoff, County Health Officer.

"Anyone who owns land upon which there is a lake should heed the instructions which are to follow," he said. "This is especially important to those people who have lakes which are within two miles of town. The ground around the lake should be broken with a disk plow and the surrounding area, which might become part of the lake, should abundant rainfall ensue, should be sprayed with a chemical known as Dieldrin. This chemical is apparently toxic to livestock and it is not suggested that lakes in pastures where livestock are kept be sprayed with the chemical."

"Understand that the time to do these things is now, not next month or next year," Dr. Bischoff emphasized.

All containers of any sort which can contain water for any length of time should be emptied periodically, at intervals of two or three days, upon the ground, and fresh water should then be added to them. This will include any type of receptacle for the watering of pets, bowls, poultry watering troughs, stock tanks, etc. If an evaporative type air conditioner is used, the drain hose should be moved periodically thus permitting the water to evaporate or sink into the ground. If the evaporative air

FROM "THE GAZEBO"—This scene featuring Gary Wyatt who plays the part of Elliot Nash (center), Mary Jo Ondercheck as the maid, and Jerry Williams (on floor) as the district attorney is an excerpt from a stage production of "The Gazebo" being presented this Friday and Saturday in Branding Iron Theatre on West Texas State college campus.

phazized. Mr. and Mrs. Russell Moran and children, Pat and Scottie are attending the World's Fair at Seattle, Washington this week. They plan to visit other scenic places before returning home.

cooler has a recirculating pump, the addition of one tablespoon to any household insecticide every few days should be sufficient to eliminate the possibility of mosquitoes.

"Everyone should make a concentrated effort to see that any weeds or refuse in which mosquitoes may breed be removed from the premises," Dr. Bischoff added.

"These measures outlined above are for your protection and the protection of your families. The virus of encephalitis is carried by mosquitoes and you never know whether or not the mosquito biting you is infected with the virus causing encephalitis," the health officer continued.

that is devoid of a moral code or any group that subscribes to the policy that the "end justifies the means". This has been proven by the actions of the Communist Party members in this Country since the decision of the Supreme Court on October 9 last year. This decision upheld an order by the Subversives Activities Control Board requiring the Communist Party and its members to register. The Party immediately went underground and will unquestionably use every protective device of our Constitution and laws in an attempt to defeat the Supreme Court decision. On December 1, 1961 the Party as an organization was indicted on twelve counts charging failure to register with the Attorney General as a Communist action organization. The members of the Party also refused and failed to register and ceased to be identified with the Communist Party. However, the Attorney General this week filed petitions against ten persons labelling them as Communists and ordering them to register under the 1950 Internal Security Act. Identified in separate petitions are:

William L. Patterson of Brooklyn, Chairman of the Party's New York District.

Betty Gonnert Tormey and William Albertson, New York Party Committee and Board members.

Arnold Samuel Johnson, national legislative director.

Miriam Friedlander and Louis Weinstock, Committee members of New York.

Albert J. Lima, of Oakland, California.

Roscoe Quincy Proctor, of Berkeley, California.

Dorothy Healey, Southern California District Chairman of Los Angeles, and Burt Gale Nelson, of Seattle, Washington.

Communists are against our form of government. Whether they be white, black, yellow, tan or green, they are still Communists. If starvation reduces them to beggars, it does not change their basic principles. There are no doubt many among the 670 million peoples in Communist China, who would repudiate Communism, but how are these to be screened, and who is to do the screening? How are we to know the difference between a bona-fide refugee and a Communist spy? Who is to say that the Chinese Communists have not created the refugee problem, well knowing the charitable instincts of the American people, with premeditated design to create an avenue through which infiltration could be practiced. Here is an old Chinese proverb "when you bow, bow low" It would be well for those in the Western World to study this proverb in the light of history. It might cause them to hesitate before being so free in offering the material wealth of others and risking the freedom of all in an attempt to solve a problem not of our creation.

Fallout Protection Guide At CD, Post Offices Now

A pocket-sized booklet with the most essential, up-to-the-minute information for families and individuals on how to survive a nuclear attack is now available to Americans without charge from any post office or state or local civil defense office.

The 48-page, yellow-covered booklet, entitled "Fallout Protection—What to Know and Do About Nuclear Attack," includes specific instructions on how to survive fallout, build a fallout shelter or improvise a last-minute shelter if necessary, stock and ventilate the shelter, and take sanitary and first aid measures. Special information for farmers is provided on protecting or decontaminating livestock, food and equipment in a fallout zone.

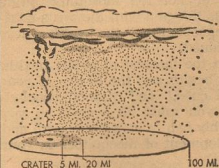

The Department of Defense, Office of Civil Defense, produced the booklet to provide up-to-date, easily-readable survival information in one publication. So far, 25 million of the booklets have been printed and placed in distribution.

The booklet also points out other ways in which the Defense Department's new civil defense program will provide increasing protection:

- The National Shelter Survey now under way will identify fallout shelter spaces in existing structures for about 50 million persons. Identification, marking and stocking with austere food and water rations, first aid kits, radiation detection instruments and other essentials will cost less than \$4 per space.
- The proposed Federal Shelter Incentive Program would provide Federal grants of something less than the cost of constructing fallout shelters in schools, hospitals and in other non-profit institutions. Many shelters also would serve a dual peace-time function.
- The existing National Warning System is being extended to provide Americans near-instant attack warning.

Where to Get Booklet

You can obtain your free copy of the Defense Department's survival booklet for all Americans, "Fallout Protection," at your local post office or your community civil defense office. After April 1, 1962, it will be available only from civil defense offices.

How Fallout Endangers U.S. Told in Booklet

What is fallout? This frequently-discussed and even more frequently misunderstood phenomenon of the nuclear age is simply explained in the Department of Defense's "Fallout Protection" booklet now available to the public through post offices and local civil defense offices.

This drawing from the booklet shows how fine dust and debris from a nuclear explosion can be carried downwind from the blast, the amount of fallout gradually diminishing with the distance. Each dust particle is like a tiny X-ray machine whose gamma radiation will penetrate lighter materials but will disintegrate in a relatively short time and do little harm to those protected by a sufficient amount of dense materials in shelters.

Yards Toured by Local Garden Club

Milady Garden Club met in the Community Room of the bank at 3 p.m. Tuesday and went on a tour to various yards throughout the town. Yards and homes visited during the tour were those of Mesdames E. F. Sadler, Sid Sheffy, Sam Gilbreath, Pearl Sheffy and J.F. Mears.

Following the tour the ladies returned to the bank for refreshments of punch and cake decorated with a floral pattern for the occasion. Hostesses were Mrs. Tommie Sue Petty, Mrs. Goldie Stanton and Mrs. Nell Proffitt. Visitors were Mrs. Charles Hotel and members of her high school home economics class.

SUMMER STUDENTS

Tommie Allen, Patsy Wooddell, Keitha Davis, Mary Behrends, and Elmer Hershey have enrolled at Texas Tech in Lubbock for the first summer semester. Charleen Vaughn, a nursing major, is enrolled at Texas Women's University in Denton for the Summer semester. Jean Hillburn is going to West Texas State College in Canyon for the summer semester.

ATTENDS WEDDING

Miss Debbie Thornton attended the wedding of Miss Pat Bailey and Wilson DiCuffa in the Presbyterian church at Plainview Saturday evening. Mrs. DiCuffa was Debbie's teacher in Dimmitt School.

It's EARLY and it STANDS

DeKalb C-45—a new hybrid sorghum of special merit for dryland conditions. It's early, its open head dries out rapidly AND its standing ability is excellent.

YIELDS, TOO!
DeKalb C-45 has shown up exceptionally well in official trials in five different states. Sorghum farmers are enthusiastic over its performance, rating it tops in appearance as well as in yield.

Frontier News Flashes

The enemy landed on James Island opposite Charleston on the third. They were repulsed with the great loss. General Gist's last dispatch says, the prisoners taken this morning report that the enemy landed 1,700 strong on Battery Island and with like force at Le-

garsville, John's Island.

The enemy is in front of me, but under cover of their gunboats. The news of a great battle on the Chickahominy, eight miles from Richmond, has been confirmed. Our troops were commanded by General Longsheet who made the attack. The fight lasted until eight o'clock in the evening, and resulted in a hard war and bloody victory for our forces.

We captured the enemy's camps, breastworks, 21 pieces of artillery, driving him back completely. The battle was renewed at sunrise Sunday morning by the enemy. He attempted to recapture his camps, but was driven back defeated. The enemy's loss was much greater than ours. It is confidently asserted that they lost five to our one.

Gen Lee Johnston and President Davis were on the ground. The Federal forces were commanded by Gen. E.D. Kays. The slaughter among the enemy was terrible.

The Knoxville Register has a dispatch which says that Stonewall Jackson crossed the Potomac, and that thousands of Marylanders were flocking to his standard, The San Antonio Herald.

NEWS FROM SUNNYSIDE

Mr. and Mrs. Jerry James and children were in Ruidosa, New Mexico last week-end.

Rev. M.D. Durham attended workers conference at Earth last Monday night. He had a part on the program.

Mr. and Mrs. H. E. Groff sold their farm last week to a Mr. Graham and his son from Ohio.

They will remain in the community until the first of the year. The Grahams were in the community this week and have rented the house at the E.R. Sadler farm.

They plan to build another house on the Groff farm in the near future.

Mr. and Mrs. J.D. Cox, Vickie and Mike of Tell, Texas arrived last Friday to spend the week-end with Mr. and Mrs. H.E. Groff. They returned Monday.

Mrs. Lloyd Blanton spent last week-end in Ralls with her mother. Warren Swartz of Dumas visited with Mrs. E.R. Sadler at the store last Thursday. He is a former resident of the community.

Vacation Bible School was held this week Monday through Friday with 103 enrolled and an average attendance of 91. Monday's attendance was 78, Tuesday 95, Wednesday 98, Thursday 94, and Friday 91. The pastor served as principal, Mrs. Troy Blackburn as Intermediate Superintendent, Mrs. Houston Carson and Mrs. Alford Crisp as Junior Superintendents, Mrs. Roy Phelan as Primary Supt., Mrs. L.E. Pat Elkens as Beginner Supt. and Mrs. Dale Widner had charge of the Baby nursery.

Cecilia McSpadden of Dimmitt visited Monday and Tuesday with Mr. and Mrs. Lloyd Blanton and family.

Mr. and Mrs. Hershel Wilson and children attended the graduation exercises at Tech Monday night. Her brother received his diploma in the exercises.

The Deacons of the church met Monday night for their regular monthly meeting.

Mr. and Mrs. Russel Moran and Mr. and Mrs. Earl Harrison of Dimmitt were supper guests of Mr. and Mrs. Howard Bridges Monday night and enjoyed playing 84 with them.

Mrs. Kate Durham of Dallas left Lubbock by plane Monday night after a visit here with Rev. and Mrs. M.D. Durham and Marvalynne.

Mr. and Mrs. Gordon Bradley of Tucuman, New Mexico spent Tuesday night with Mr. and Mrs. Weldon Bradley and family.

Mr. Arthur Baggett of Sundown and Mr. Clarence Baggett of Hereford visited Tuesday with Mr. and Mrs. W.E. Loudder and Leslie Loudder.

Mrs. Howard Bridges and Mrs. Eddie Haydon, Kelly and Kim attended a birthday party Tuesday afternoon honoring Brad Bridges of Earth in his home.

Mr. and Mrs. K.H. Allison and Vickie of Wewoka, Oklahoma returned to their home Monday after a visit since last Thursday with Mr. and Mrs. John Spencer. Mr. and Mrs. Howard Spencer of Lubbock and Mr. and Mrs. Noah Spencer, Harold and Ann took dinner with them last Sunday at the John Spencer home.

Mrs. Vernon Scott and Steven of Friona visited Wednesday with Mr. and Mrs. Weldon Bradley and family.

Mrs. J.T. Holcomb and girls conducted an open house Wednesday afternoon to honor Mrs. Bird Skipper on her 95th Birthday. Several attended.

Mrs. Pearl Sadler of Dimmitt visited Wednesday with Mr. and Mrs. Ezell Sadler and boys, Mr. and Mrs. E.P. Sadler and Myles, and Mr. and Mrs. James Powell and children. She spent Wednesday night with Mr. and Mrs. Ezell Sadler.

Mr. and Mrs. Lowell Westmoreland and family visited Wednesday afternoon with Mr. and Mrs. Alton Loudder and Doug. Lori spent Wednesday night with them.

Mrs. Nell Miller of Los Angeles, California arrived Wednesday for a few days visit with Mr. and Mrs. Tex Conard and girls and to attend Sharon's wedding.

Mr. C.J. Fowlkes of Lubbock visited Tuesday morning with Mrs. E.R. Sadler.

Mr. and Mrs. Joe Ed Wheat of Levelland visited Wednesday evening and night with Mr. and Mrs. J.E. Shirey and boys. They also visited Mr. and Mrs. R.V. Bills.

The WMS night circles met for the second session of the mission book "Bible and Race" Wednesday night. Mrs. Earl Phelan taught the class.

Mrs. Alton Loudder and Mrs. Wayne Loudder and boys of Flagg visited Thursday afternoon in Littlefield with Mrs. Lowell Westmoreland and family. Lori returned to her home with them.

Rev. and Mrs. M.D. Durham and Marvalynne were in Levelland Thursday for a medical check-up. Mrs. J.E. Shirey entertained in her home Thursday with a Stanley party.

Mr. and Mrs. Alford Gibbs of Carlsbad, New Mexico were dinner guests of Mr. and Mrs. Weldon Bradley and family Thursday.

Mr. and Mrs. S.W. Lilley of Goldthwaith visited the last part of the week with Mr. Hubert Lilley, Mr. and Mrs. Eldon Lilley and Twila, Dwayne Loudder and boys of Flagg visited Thursday afternoon in Littlefield with Mrs. Lowell Westmoreland and family.

Mr. and Mrs. S.W. Lilley of Goldthwaith visited the last part of the week with Mr. Hubert Lilley, Mr.

and Mrs. Eldon Lilley and Twila, and Mr. and Mrs. Raymond Lilley. They spent Thursday night with Mr. and Mrs. Eldon Lilley and had dinner Friday with Mr. and Mrs. Raymond Lilley.

Mrs. Leslie Loudder and girls returned home from a visit with her relatives at Temple and Cisco Friday. Sandy narrowly escaped serious injury while there when she was involved in a 4 car accident while riding with a cousin.

Seven boys attended a Bachelor Supper in the J. Paul Waggoner home given by them in honor of Larry Sadler Thursday night.

Those attending were Carl Bradley Claburn Stewart, Bill Shirey, Larry Don Phelan, Myles Sadler, Mickey Waggoner and Larry Sadler.

Mr. and Mrs. Ed Townsend and family left Friday on a one week vacation.

Mrs. Wanda Gehring and children of Indianapolis, Indiana arrived Friday for an extended visit with her sister, Mrs. Tex Conard and family and to attend Sharon's wedding.

Vacation Bible School ended Friday with a picnic lunch at the Sunnyside park at noon and the Commencement Program at the church Friday night. A good group attended.

Rita Holcomb was home from Amarillo Friday to visit until Tuesday. Mr. and Mrs. Ben Holcomb of Lubbock visited with the Holcomb family Saturday.

Mr. and Mrs. Howard Bridges visited with Mr. and Mrs. John Bridges and boys of Earth Friday night.

Mrs. John Moore has remained in Lubbock this week at the home of her daughter to be close to the doctors. Mr. Moore visited with them Friday night. She was scheduled to re-enter the hospital Sunday to undergo surgery Tuesday.

Steven Benton of Tech arrived Friday afternoon to spend the week-end with Ronald and Linda Blanton.

Buddy Cummings arrived home from Bob Jones University in Greenville, South Carolina Friday for the summer.

Mr. Eldon Lilley was in Hereford all day Saturday to help with the crippled children's clinic conducted by the Shriners. The one day clinic with doctors from as far away as New York and California examined approximately 250 children. Mr. Lilley helped drive the children and their parents from the community center where they were registered to the clinic where they were examined and back again.

Mrs. Lilley went in the afternoon. Mr. and Mrs. J. Paul Waggoner also went Saturday evening.

Mr. and Mrs. Lloyd Davis and family of Venita, Oklahoma visited with relatives in the community Friday.

Mrs. Troy Blackburn and Mrs. Weldon Bradley took Molly Bradley, Janice, Janita, and Bobbie Jean Blackburn to the Associational G. A. Meeting at Hart Camp Saturday.

Rev. and Mrs. M.D. Durham and Marvalynne were dinner guests of Mr. and Mrs. Ernest Sandel in Dimmitt Saturday.

Mr. and Mrs. Raymond Lewis and family of Olton were Sunday dinner guests of Mr. and Mrs. Raymond Lilley.

Mr. and Mrs. Ralph Higdon of Amarillo, Mr. and Mrs. Frank Conard of Hart, Mrs. Nell Miller of California and Mrs. Wanda Geh-

About Your HEALTH

A weekly public service feature from the Texas State Department of Health.

HENRY A. WOLFE, D. D. Consultant of Health

Have you ever thought of the advantages of spending your vacation this year traveling through your home state of Texas?

Travel in Texas not only provides the tourist with some of the nation's leading historical and scenic attractions but with a healthful atmosphere as well.

The climate is generally mild although there are extremes of heat and cold. But while these extremes can be uncomfortable they are usually of short duration.

Due to the state's great size and varied terrain, it has a wide range of temperature so that the tourist can virtually take his pick.

While Texas is growing industrially, the state is still practically free of atmospheric conditions that trouble the more heavily industrialized areas. The air is not completely free of pollutants, but Texas cities are generally not plagued with inversion, smog, and such.

There are many other advantages which, while not exclusive with Texas, certainly can be claimed as advantages. For example, there has not been a single case of small-pox in Texas in seven years.

While there is still some typhoid fever, its danger is remote if tourists use reasonable judgement in their eating and drinking habits. Typhus is virtually nonexistent, and the danger of contracting malaria, formerly a serious hazard, is also insignificant.

Travelers dining in approved restaurants, coffee shops, and cafeterias are served food prepared under sanitary conditions. All food handling establishments are regularly inspected in areas served by full time health departments and

restaurants, coffee shops, and cafeterias are served food prepared under sanitary conditions. All food handling establishments are regularly inspected in areas served by full time health departments and

food handling personnel in most areas voluntarily attend training courses in food handling sanitation. Tourists who wish to fill their thermos jugs or procure drinking water for other purposes may do so from any one of Texas 375 approved city water systems. They may swim in any one of many municipal or community pools which are inspected by sanitarians of local health units.

Finally for those who prefer to rough it in comfort Texas has well protected camping areas in state and national parks where a high degree of sanitary protection has been provided without eliminating the satisfying aspect of living next to nature.

A Texas vacation is a healthy vacation.

VISIT IN PAMPA
Mrs. Elsie Moore and Darendra accompanied by Beth Moore, visited over the weekend in Pampa in the home of Mr. and Mrs. Don Ellege and Larry Don.

NEW EMPLOYEE
Miss Sharon Maynard began work on June 1 for Southwestern Public Service. She will share in duties as bookkeeper and cashier with Mrs. Billy Jean Gunn who is also a recent employee of Southwestern Public Service.

Top left—Chevy II Nova Sport Coupe Foreground—Impala Convertible Top right—Corvair Monza Club Coupe

YOU'LL FIND JUST THE CAR AT JUST THE PRICE AT YOUR CHEVROLET DEALER'S ONE-STOP SHOPPING CENTER!

Pick from 34 models during CHEVY'S Golden Sales Jubilee! No look-alike styling. No hand-me-down ideas. You do your choosing from three altogether different lines of cars. Like the line that's way out front as America's favorite buy—the luxurious Jet-smooth Chevrolet. Or the spiffy thrift car with so many new ideas—the Chevy II.

Easy to look at, easy to ride in, easy to keep up. Then there's the nimble rear engine Corvair—still in a class all by itself. So why settle for the look-alike, drive-alike cars when you can get Chevrolet dependability in three different varieties?

See the new Chevrolet, Chevy II and Corvair at your local authorized Chevrolet dealer's
