VOLUME XXIV Dimmitt, Castro County, Texas, Thursday, February 1, 1951 NUMBER 12

**about dimmitt
and
castro county**
by b. m. n.

PICTURED ABOVE IS Mrs. J. D. Burch as she celebrated her 90th birthday on January 8, 1950, in the home of her daughter, Mrs. Fannie Shive in Dimmitt. All of her children and many of her grandchildren and great grand children and other relatives and friends were present for the occasion.

Mrs. Laura E. Burch, Castro County Pioneer Taken By Death Monday

Mrs. Laura E. Burch, one of Castro County's oldest and most loved pioneers, died at the home of her daughter, Mrs. Fannie Shive, in Dimmitt Monday at 8:45 a. m., following an illness of several months duration. She had been confined to her bed for the past six months as a result of a fall in which she sustained a broken hip. Mrs. Burch was 91 years and 21 days of age.

Funeral services for Mrs. Burch were conducted at the First Baptist Church Tuesday at 2:00 p. m. by her pastor, Elder E. L. Edwards of the Plainview Primitive Baptist Church, assisted by Elder P. J. Ausmus of Lubbock, Elder D. L. Handley of Lockney and Elder J. B. Goforth of Clovis, N. M.

Pallbearers were her grandsons; Leroy and Eldon Shive, Elvis Burch, Bacyl Davis, Elmer Oberst and Bill Lacy. Her granddaughters served as flower girls. Interment was made in the Dimmitt Cemetery under the direction of Gilliland Funeral Home of Hereford.

Laura Manning was born January 8, 1860 at Adairville, Ga., and was married to Jeff D. Burch May 11, 1882. To this union were born four children, Ollie Burch, deceased; Mrs. Fannie Shive, George Burch and Mrs. John (Mattie) Turner all of Dimmitt. She is also survived by nine grandchildren and eleven great grandchildren.

Mr. and Mrs. Burch and three children moved to Washburn, Texas, in 1889 and in 1900 moved to Castro County and located in the Arney community. During 1901 they moved to Dimmitt then moved to the Cleo community in 1903 where they lived until Mr. Burch passed away in 1947.

The large throng of sorrowing friends and relatives and the large and most beautiful floral offering were a silent tribute of love and esteem to the memory of this pioneer mother who with her family pioneered the then frontier of Texas known as the Great Staked Plains.

Father Of Swain Burkett Dies At Henrietta Tuesday

County Attorney and Mrs. Swain Burkett and children were called to Henrietta Wednesday morning due to the death of his father, Mr. V. M. Burkett. Mr. Burkett died in a Henrietta hospital Tuesday afternoon as a result of a heart ailment. Swain had returned home Saturday night from Henrietta after visiting his father, who at that time was reported as improving.

Details concerning the funeral arrangements were not announced here.

Bud's Farm & Ranch Store To Have Formal Opening

Bud's Farm and Ranch Store will observe its formal opening with a special program Monday—Dollar Day—according to a formal statement elsewhere in this issue of the News by the owner, Bud Leinen. The new store was opened for business recently in the Coffee building on East Main Street, and is designed to be a complete farm and ranch store. Aside from buying cream, eggs and other farm produce the new firm will carry a complete line of Merit feeds and other farm and ranch supplies and needs.

Leinen declared that as a special introductory feature on his formal opening day Monday that free coffee and donuts would be served to all visitors at the store and that a number of prizes would be awarded. He extends a hearty invitation to everyone to visit his store on opening day and every day.

Teacher's Training Course Scheduled At Church of Christ

According to an announcement this week by Bro. E. Bishop, Minister of the Dimmitt Church of Christ, a Teachers Training Course for Bible class teachers will begin Monday at the local church. Bro. Bishop will teach the classes during the first week with classes beginning each evening, Monday through Friday at 7:30 o'clock.

Minister George E. Darling of Hale Center will teach the course during the second week. He will conduct classes dealing chiefly with "Visual aids and efficiency when used in Bible school work".

Everyone is cordially invited to attend the special course.

Mr. and Mrs. Jim Hays and Mrs. Raymond King returned home Sunday from Fort Worth where they attended the Fat Stock Show.

TO CONDUCT REVIVAL MEETING

Dr. J. W. Marshall will do the preaching and 'Sailing' Sam Allen will lead the singing in a revival meeting to be held Feb. 2, 3, and 4 at the Sunnyside Baptist Church, 14 miles south of Dimmitt and 8 miles north of Springlake, on Highway 51. Pastor Edwin Norris announces that the public is invited to attend and that the weekday services will begin at 7:30 p. m. and that the Sunday services will begin at 10:00 a. m. and 8:00 p. m.

Election to the presidency of Wayland College climaxed a career of work with young people for Dr. Marshall. He came to this position in 1947 from the Baptist Foreign Mission Board in Richmond, Va., where he served as overseas personnel secretary.

Prior to this Dr. Marshall was head of young people's work for the Baptist General Convention of Texas. He is an alumnus of Texas Christian University, Baylor and Southwestern Baptist Seminary. Hardin-Simmons University awarded him the Doctor of Divinity degree.

He paid return visits to both Hawaii and Mexico this year. In 1940 he went to China on the invitation of Baptist leaders there, and led a party to Europe several years ago.

Under his leadership, Wayland is becoming widely known for its international emphasis. Five per cent of the student body come from some foreign land or race; Latvia, Brazil, China, Hawaii, and Mexico are among the lands represented.

Pioneering departments at Wayland offer courses in church recreation and in offset printing. Wayland is thought to be one of

Water Runs As Prisoner Celebrates In Local Jail

Sub-zero temperatures that have caused many home owners inconvenience with frozen water pipes during the past few days failed to deprive one of Sheriff Fowlkes' prisoners of his pleasures while in a celebrating mood even though he was locked up in the local bastille. The gentleman, a new arrival in Dimmitt, imbibed alcoholic spirits in excess of the amount necessary to fortify the inner man against the lower and lowering temperatures. As a result his actions or behaviour attracted the attention of Sheriff Fowlkes who immediately lodged the gentleman in the county jail. To continue his spree of celebrating the Panhandle's coldest spell in several years the inmate turned the water faucets on in the jail cell and reclined on the bunk in the cell for a good nights rest. The next morning the Sheriff discovered the overflowing conditions in the courthouse, shut the water off and turned the prisoner out before he could damage any more county property. The water had covered the floor of the entire jail and was running through the floor into the District court room damaging the ceiling in that part of the building.

During the day the Sheriff noticed that the newcomer was up to his old tricks again and had imbibed too much for his or the public's good. He immediately placed the celebrator back in the cell from which he had been recently released. The Sheriff decided to make a routine check shortly after throwing the guy in the clink for the second time and sure enough the water was running a full pipe and the prisoner was asleep on the comfortable bunk. Now the Sheriff of Castro County is a resourceful man and he doesn't like to have to turn prisoners out just in order to cut the water off. And he didn't. In no uncertain terms he told the gentleman of the road to turn the water off and to move over onto the steel bunk next to the bars where he was handcuffed to one of the bars out of reach of the water faucet. Being a law-enforcement officer is no easy job and you can't blame the Sheriff for the stern measures he was forced to use in the protection of county property, but imagine if you can the sad plight of the Knight of the road handcuffed to a bar in a jail without a drink—not even a drink of water.

Mr. and Mrs. F. J. Axe Celebrate Golden Wedding Anniversary Sunday

Mr. and Mrs. Frank J. Axe celebrated the fiftieth anniversary of their marriage, Sunday, January 28, at the home of their son, Mr. and Mrs. Anderson Axel in the Jumbo community. Assistant hosts and hostesses were Mr. and Mrs. Lynn Axe, Mr. and Mrs. Fred Axe and Mr. and Mrs. Wilburn Axe.

Frank J. Axe and Miss Pernia Pickett of Garland, Texas were married January 29, 1901, in Itasca, Texas, at the old McLellan Hotel by Rev. Armstrong, a Methodist minister of Itasca. Mrs. Axe is a native Texan. Mr. Axe was born in New Orleans, and came to Texas when he was five years old to make his home with his grandparents at Garland. He and Mrs. Axe were schoolyard sweethearts.

Mr. and Mrs. Axe took a train from Itasca to their first home in Garland, Texas. From there they moved to Hill county, and in 1903 they came to Castro county. They bought their present home in 1906, where Mr. Axe was a stock farmer. They still live on this place, having sold the farm to their son, Anderson.

Mr. and Mrs. Axe are the parents of seven children; Bob, who passed away in infancy, Lynn, passed away in 1947, Margaret who passed away in infancy, Lynn who lives in the Jumbo community, Fred, who also lives in this community, Wilburn, of near Hereford, Roy, who died in 1939 and Anderson. They have thirteen grandchildren.

The home was decorated throughout with beautiful floral arrangements, mostly in gold. Guests were greeted by Mrs. Fred Axe and gifts were displayed by Mrs. Anderson Axe. Guests were registered by Miss Yvonne Axe.

The dining room was especially pretty. Refreshments were served from a lace appointed table on which was the three tiered wedding cake topped by a miniature bride and groom. There was a buffet arrangement of calla lilies and acacia in a golden wedding ring. Mrs. Wilburn Axe poured punch, and anniversary cake was served by Mrs. Joe Frank Krizek of Littlefield, niece of Mrs. Axe.

World Day of Prayer Methodist Church

The World Day of Prayer will be observed by the women of the First Methodist Church and the Bethel church in Dimmitt February 9. This program is interdenominational and will be observed by all denominations throughout the world beginning at sunrise and lasting until sunset.

The program will begin at the Methodist church at 11:30 on Friday, February 9 with a covered dish luncheon and prayers and devotional followed by prayers, skits, special music and talks in the afternoon.

It is especially fitting at this time that Christian people gather together to pray for divine guidance and peace on earth. Every lady of the community is urged to attend this meeting and join in this unity of prayer and hope.

Running Water Soil Conservation District

The Board of Supervisors of the Runningwater Soil Conservation District have announced the purchase of three land levelers which will be placed at the disposal of the farmers of the county to be used in soil conservation work. The levelers, purchased several days ago, were delivered to the Soil Conservation District Tuesday and are located at the Barber Eubanks farm southeast of Dimmitt. In announcing the purchase of the levelers Eubanks stated that the machines would be let to farmers on the first come first served basis and that a nominal fee would be charged for their use. Anyone interested in using the levelers are requested to contact Mr. Eubanks.

(Continued on Back Page)

Southwestern Public Service Announces Promotions And New Building Program

Promotions were forthcoming today (Thursday) for two officials of the Southwestern Public Service Company, with the announcement by J. E. Cunningham, president, that J. G. (George) Ausman has been elevated to the position of executive vice president, and that H. O. (Herb) Hodson has been named vice president and operating manager.

J. G. AUSMAN

Mr. Ausman has been associated with the Southwestern Public Service Company since 1928. He moved to Amarillo as Operating Manager in March, 1944, and was made Vice President in January, 1947. Mr. Hodson joined the Southwestern Public Service Company organization as Superintendent of the Pecos Valley Division with headquarters in Roswell, New Mexico in 1938, and has been Chief Engineer of the Company with headquarters at Amarillo since 1941. Mr. Ausman and Mr. Hodson have, during the last seven years, directed the planning and construction of new power plants and other equipment costing approximately \$100,000,000.

"These promotions," said Mr. Cunningham, "are in line with the Company's policy of obtaining its officers from within the Company's organization so that the Company's official family consists of friends and neighbors of the people served and are thoroughly familiar with local problems and requirements."

H. O. HODSON

"Our Company is faced with a big financing job," Mr. Cunningham continued, "we will, during this year, spend about \$20,500,000 on new equipment, more than our total sales. This expansion has been going on for two years and, with the speed-up due to the national emergency, will continue indefinitely in the future. We have had to raise, and will have to continue to raise, almost \$20,000,000 per year in new money from outside the territory served. This money comes from large life insurance companies and from individual investors from coast to coast. The raising of the new money necessary to finance the continued expansion of electric power capacity, which is vital to war plants and residential and commercial customers, is becoming almost a full-time job, requiring a great deal of traveling from coast to coast."

"So far," Mr. Cunningham concluded, "we have been able to maintain our operating efficiency at a level meriting approval of investors who furnish our new money. The promotions of Mr. Ausman and Mr. Hodson are designed to further improve our operating organization."

Other Vice Presidents in the operating organization are A. R. Watson, Amarillo, and H. L. Allen, Lubbock. Mr. W. F. Stanley, Financial Vice President, and Mr. H. L. Nichols, Board Chairman, office in the Mercantile Bank Building, Dallas, Texas.

Why your promptness is always appreciated

Your prompt payment of telephone bills helps keep down our collection costs. It also helps us pay the 15% to 25% Federal Tax and long distance connecting charges promptly out of receipts instead of reserves.

We appreciate your fine cooperation, for it helps us keep service values high and costs low.

Weekly News Letter

From Washington by
Congressman Rogers

The threat of Communist aggression hangs over the head of every American today. Not only faced with attack from without, but the threat of Communist infiltration within the United States also, concerns us. And, the vicious experiences of other nations justify our concerns. In these days of global turmoil we have to be ever vigilant to guard against possible infiltration in the Government or outside the Government by persons concerning whom there is any doubt whatsoever of their loyalty to the U. S. The Soviet Union is ruthlessly expansive and aggressive and the Communist Party in the U. S. is an instrument of Russian foreign policy. But, too, we must be careful and safeguard the power of our own liberty. For, it is here in America that the citizens have the right to discuss their problems honestly with their Government, and should do so. Fleet Admiral Chester Nimitz has been named Chairman of a Commission on Internal Security and Individual Rights to protect our American Way of life.

The House and Senate has taken the unusual step of calling upon the United Nations to stop dilly-dallying and to brand Red China as an aggressor. The unanimity of the roll call left no doubt as to their position and the strength of their decision. Many of the lawmakers indicated that such action might be equivalent to a declaration of war. However, the great majority are of the same opinion as the American

public, that the time for a firm and definite stand has long since passed and further delay would only contribute to the satisfaction of Russia and her satellites. The world should know how the Congress of this nation feels about this situation, and there should be no doubt in the minds of the people of the world now. General Eisenhower is expected to report soon to the Senators and Representatives on the picture in Europe today. His press statements have been full of confidence. There will probably be several sixty-four dollar questions asked him. Our lawmakers know the defense of Europe is more than economic resources—more than coal, iron ore, steel, as vital as these are. It is a defense of a system, a way of living similar to ours, and built up over the centuries. The loss of this system plus loss of those resources would be irretrievable. One question likely will be how are the Atlantic Pact countries reacting to the idea of European rearmament—willingly or unwillingly?

Chief Mobilizer, Charles E. Wilson, when he took this job, told the President all he wanted was power equal to his responsibilities. No President has ever delegated to another such power over the nation's economic life. Certainly, on Mr. Wilson alone will rest the blame or praise. In his office and that of his top staff is this sign: "When the Devil Wanted Nothing to be Accomplished He Named His First Committee". This is proof that Mobilizer Wilson has no intention of following the old custom of naming a commission to study problems which he himself will have to solve in the long run.

The list of Federal Agencies to be decentralized and dispersed may be made public this week. The cause for delay in announcing the permanent removal of some of these agencies from Washington is due to the fact that the Defense Department and the Army and Navy Air Forces have been slow in deciding which of their activities should be transferred. It would remove about 40,000 workers from the Capital. Also,

it might make Washington less vulnerable as an enemy target. All prisoners of War of World War II, their widows, children, parents: The deadline for filing claims for the \$1-a-day payments to prisoners of war or their survivors is March 1, 1951. The final date, March First, was fixed by law and cannot be changed by the War Claims Commission. If you or a member of your family were held a prisoner of war during World War II, you may be entitled to these special POW payments. For official claims forms and further information call or see your local office, VETERANS' ADMINISTRATION, or write the War Claims Commission, Washington 25, D. C. Don't delay—March First is not far away.

Several bills have been introduced that would result in subjecting the expense accounts of the President, the Vice-President, the Speaker of the House, and the members of Congress to taxation. Congressman Rogers has gone over these bills but has some doubt as to whether or not they will fully accomplish their purpose. He has prepared a bill that simply strikes out of the law the tax exemption clause on these expense accounts, and unless the opinions that he has requested as to the effectiveness of the bills that have been introduced are

favorable, he will introduce his bill sometime this week. He feels that if further taxation is necessary, it is the duty of Congress to lead the way.

Consumers added substantially to inflation and did themselves a great disservice by rushing into the market after Korea. The scramble for goods shot prices up and they have stayed up despite the let-down in demand. While the buying spree was short-lived, it was the most spectacular in the history of American business. A nation-wide study was made in an effort to analyze this unusual movement. It will probably show that excessive private expenditures since Korea have contributed measurably to inflation. Retail sales jumped 20 percent over the comparable two-months period in 1949. Sales of building materials increased 40 percent, and industrial production as a whole in August 1950 was 37 points above August 1949. This buying spree was less pronounced in the north and east. It was most noticeable in the Kansas City economic area. Dallas and San Francisco Areas were next to the Kansas City area. Why should people in the Kansas City area have been more jittery than the people exposed in Boston and New York? Maybe they just had more of what it takes to buy.

Whether or not the American people are subjected to rationing is going to depend upon the actions of the people. If they will confine purchases to their needs, rationing can be avoided, but if they indulge in a hoarding spree, rationing procedures will be necessary to protect those not able financially to buy up supplies.

CARD OF THANKS

We wish to take this means in expressing our heartfelt thanks to our friends for their many acts of kindness and words of condolence during the recent illness and death of our dear dad and granddad. May God bless each of you.

LEGAL NOTICE

NO. 609
IN THE MATTER OF THE GUARDIANSHIP OF LORENE WILHELM, RUTH WILHELM AND RITA WILHELM, Minors IN THE COUNTY COURT OF CASTRO COUNTY, TEXAS PROBATE TERM 1951
TO ALL PERSONS INTERESTED IN LORENE WILHELM, RUTH WILHELM AND RITA WILHELM, Minors, AND THE ESTATE OF LORENE WILHELM, RUTH WILHELM AND RITA WILHELM, Minors:
YOU ARE NOTIFIED that I

have on the 31st day of January, 1951 filed with the County Clerk of Castro County, Texas an application under oath for authority to make an oil, gas and mineral lease of and upon that certain real estate belonging to said minors as follows:
An undivided 80-320 interest in the following described land and premises located and situated in Castro County, Texas, to-wit: The South One-half (S-1/2) of Section No. 176, Block M-6, S. K. & K. Survey, containing 320 acres of land

That the Honorable Robert Estes, Judge of the County Court of Castro County, Texas, on the 31st day of January, 1951 duly entered his order designating the 12th day of February, 1951 at 10:00 o'clock A. M., in the County Courtroom in Dimmitt, Texas in the Courthouse of Castro County, Texas at Dimmitt, as the time, place where and where such application would be heard, and that such application will be heard at such time and place.
ALBERT J. WILHELM, Guardian of the Estate of LORENE WILHELM, RUTH WILHELM, AND RITA WILHELM, Minors.

Stitch & Chatter Club

The Stitch and Chatter Club met in the home of Mrs. Paul Howell Tuesday, the occasion being the hostess, Sally Howell. A that's birthday. Officers for the new year were elected as follows: president, Mrs. Hardy Jones; secretary, Mrs. Houston Lust; reporter, Mrs. C. A. Hance. Present to enjoy the delicious meal were: Mesdames Lorena Cates, Beral Hance, Doris Lust, Nina McLain, Mary Edna Hendrix, Betty Renfro, Rubye Jones, Lorena Curtis, Gladys Leeth, Oleada Hance, Grace Strother, Lula Walthal, and the hostess, Sally Howell. A very enjoyable time was reported by all.

Slumber Party

Martha Rose Noble was hostess at a slumber party for six girl friends in her home Friday night, January 27. Enjoying the party were Idella Blocker, Lenora Poe, Carolyn Rothwell, Mary Ann Witt, Nancy Thomas, Lelda Thompson, and Martha Noble. After 7 o'clock refreshments of sandwiches, salad and coolade, the girls attended a show at the Carlile Theatre accompanied by Doyle Williamson, Raymond Crum, Bobby Brock, and Bobby Myers. Following the show the party returned to the Noble home where ice cream and cake was served. The girls retired after an evening of fun. The party was to celebrate Martha Rose's fifteenth birthday.

Mrs. John Orsak, Miss Eloise Orsak, Miss Edwina Kunetka and Deroyn Kunetka of El Compo, Texas visited last week in the home of their granddaughter, niece and sister, Mrs. E. B. Noble and family. Mrs. Kunetka, mother of Mrs. Noble had been here for the past month to visit with her daughter and little grandson, Rick who was born Dec. 28, and Mr. Noble, returned home with the group last week.

Lois Marshall Circle

The Lois Marshall Circle of the First Baptist W. M. U. met in the home of Mrs. M. M. James for our Circle Mission Program, Mrs. Roy Jones having charge of the program. The Theme of the program being "Ye Shall Be My Witnesses."
The meeting was opened with a prayer by Mrs. Poe, saying our W. M. U. Watchword "Laborers Together With God" and singing our hymn for the year "Jesus Calls Us".
Mesdames Will Wright, Poe, Howell, and Claude Johnson gave interesting parts of the program. There were eleven members present. Mother Allredge dismissed with a prayer.
Mrs. James served us delicious cake with coffee, or tea.

Blanche Grove Circle

The Blanche Groves Circle met in the home of Mrs. Dave Shepard January 29, with ten members present for their missions study program. Mrs. Frank Henderson led in prayer and presided at the meeting. Mrs. Ray Balch led the group in singing "Jesus Calls Us". Mrs. W. T. Gollehon gave the devotional from Acts I. The program was presented by the following ladies: "Who are to Witness", Mrs. Homer Bartlett; "To Whom Bear Witness", Mrs. C. W. Boothe; "How to Witness for Christ", Mrs. F. Hendersorn; "Christian Continuance", Mrs. Jim Elder; "Consecration of Christians", Mrs. Cook; "When to Witness", Mrs. W. T. Gollehon; "Crusade of Home Missions" over a period of 62 years, Mrs. W. E. Kirkpatrick. A card was signed to be sent to Miss Blanche Groves, Missionary to China for thirty years who underwent surgery at Mayo Clinic. Her friends may write her at St. Mary's Hospital, Rochester, Minn. Mrs. Ray Balch dismissed with prayer. Refreshments were served to Mesdames F. Henderson, Jim Elder, H. Bartlett, C. W. Boothe, W. E. Kirkpatrick, Ruby Cook, Ray Balch, Percy Shepard, W. T. Gollehon, Gail Elder, and Mrs. D. Shepard.

McREA CIRCLE

The McRea circle met in the home of Mrs. Fred Waggoner with ten ladies present. The meeting was opened with prayer by Mrs. Mears. The program was given by Mrs. R. Hance, Mrs. Strother and Mrs. Mears. Fundamentals were given by Mrs. Hance. The hymn "Jesus Calls Us" was sung by Mrs. C. A. Hance. Meeting closed with prayer by Mrs. Howell. A new member was Mrs. Lowe.

Flagg H. D. Club News

The Flagg Home Demonstration club met in the home of Mrs. Lynn Smith with sixteen members and one visitor, Mrs. Clifton, present.
Roll call was answered with "my favorite fabric and why".
Mrs. Thompson gave a demonstration on preparation of fabric for cutting. She stressed the fact that if a garment is not cut properly it will not fit as it should.
Names were drawn for Sunshine Friends, markers for roads were discussed.
Delicious refreshments of coffee and doughnuts were served.
The next meeting will be with Mrs. Mary Lou Bessimer, February 8.

LOTTIE MOON CIRCLE

The Lottie Moon circle met January 29 with Mrs. Alvin Frazier. There were five members present.
The topic of the program was "His Command; My Task", with Mrs. Maples in charge. Mrs. George Cameron gave a very inspiring devotional. Mrs. McLain also had part on the program.
Refreshments of coffee and cookies were served to Mesdames George Cameron, C. G. Maples, Hardy Jones, Alton McClain, E. R. Waggoner, and the hostess, Mrs. Alvin Frazier.

CARD OF THANKS

Plainview, Texas

Lawrence McLain family. The McLains are moving to Colorado.

Miss Sandra Sanders is able to be home after undergoing an appendectomy in the Plains Memorial Hospital in Dimmitt.

A. J. Harris of Tulia was here for a short visit with his son, Edd Harris on Wednesday.

Mr. and Mrs. Willis Hawkins, Jr. and W. A. have returned from Amarillo where they spent the week attending the Golden Gloves. Mr. Hawkins acted as referee of some of the bouts and as a judge during the show.

Mrs. Eleanor S. Griffin is teaching a P.T.A. Course in Parliamentary Procedure at the school on Wednesday afternoons at 3:45. Any person interested is invited to attend. The price is for materials only and amounts to 50 cents.

Mr. and Mrs. Melvin Hamm have a house under construction to be moved to their farm. Mr. and Mrs. L. L. Swindle are adding to their house in south Hart. Mr. and Mrs. Chas. Sanders are improving a house on the Maples farm and will move there in the near future.

Mrs. Worth Jones is suffering from shock and confined to her bed at her home here. The family car was involved in a near accident the other day. Mrs. Jones was badly bruised.

Mrs. Ray Don Newman was honored with a bridal shower in the home of Mrs. M. Smitherman on Thursday afternoon. Hostesses for the lovely occasion were Mesdames Frank Bauman, M. E. Phillips, J. J. Newsom, and Smitherman.

Hart basketball boys and girls played Lazbuddie on Tuesday night and won both games. They entered the Hale Center Tournament. The girls did well but were not able to win any games. Boys

won over Petersburg by default. They tied Happy in the game but lost in overtime play. Many of our people were there for the games and were back on Saturday night for the finals. Robbie Hawkins made the all tournament team.

Well, we have been just as cold at Hart as anybody in these parts. No moisture yet but we hope that the weatherman can be right about some falling on Tuesday night.

Brooks Grocery & Locker will serve coffee at their store on Friday and Saturday afternoon. You are invited to come in and have a cup. The charge will be a dime a cup or as much as you wish to pay. All proceeds will go to the March of Dimes Fund. Please call in and drink to a good cause.

BETHEL NEWS

Mr. and Mrs. Harry Rothwell left Sunday on a business trip to California. They will visit relatives and friends in New Mexico, Nevada and California.

Mr. and Mrs. Emmitt Sheek and boys have returned home after spending the past several months in Monte Vista, Colorado. Mrs. Ivor Bagwell was in Hereford Tuesday on business and visiting friends.

Mrs. W. A. Jenks of Amarillo is visiting her sister, Mr. and Mrs. Kay Roberts and niece, Mrs. Geo. Bagwell and family this week. The Ivor Bagwell were in Plainview Wednesday on business.

Lloyd Lust, of Texas Tech, spent several days at home after the ending of the first semester.

Mr. and Mrs. Earl Lust and Lloyd and Mr. and Mrs. Vern Lust and Glenn had Sunday dinner with Mr. and Mrs. Joe Finck of Tulia.

Mr. and Mrs. Wallace Robinson who have been living on the J. C. Williams farm for several weeks moved to Hereford the first of this week where Mr. Robinson has employment on the railroad.

Mr. and Mrs. Otto Jinks from Amarillo visited in the Kay Roberts and Geo. Bagwell homes Sunday.

Mr. and Mrs. Earl Lust attended the "March of Dimes" at Big Square Monday night.

We are happy that Elzada Fay Smith's health has permitted her to enroll in the second semester at Wayland.

Mr. and Mrs. Jim Givan and Mary Elizabeth met Miss Patsy Nesmith from Brownwood in Lubbock Saturday. Miss Nesmith will visit Mary Elizabeth until Tuesday. The girls acquired their friendship at Texas University which both are present students but home for the ending of the first semester.

Mr. and Mrs. Franklin Holt and Frances Lynn and Mr. and Mrs. Jack McClung and Billie Jack Willow, Okla., are visiting Geo. Bagwell. Mrs. J. M. McClung will return with them.

Mrs. Harry Rothwell and Mrs. Bobby Warren were in Hereford Monday afternoon.

Milton Bagwell and Oran Howell attended the Fat Stock Show at Ft. Worth over the week-end.

Mr. and Mrs. Bobby Warren

left Thursday morning to spend the remainder of the week in Ft. Worth attending a F. F. A. officers meeting.

Mrs. Jim Bagwell and LaTrelle from Amistad, New Mexico, visited relatives and friends over the week-end and were Sunday School visitors.

Elbert Smith, son of Mr. and Mrs. Leland Smith, who joined the air force a few days before Christmas is stationed at the air base at Greenville, South Carolina.

A reunion of the Howell family was held at the home of the Moss Howells Sunday. A number of visitors were from Muleshoe, Lubbock and Friona.

Mary Givart is spending a few days with her parents, Mr. and Mrs. Jim Givan before the second semester at Texas University.

Mrs. E. R. Rothwell spent Tuesday afternoon with Mrs. Harry Rothwell.

Nothing Better Than Good Food, Says Ohio Man

If a man isn't able to eat the foods he likes he's in mighty sorry shape—imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way

Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B₁, B₂, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

© 1950, The LeBlanc Corporation

and Mr. Virgil Teague of Muleshoe were dinner guests of the Harry Rothwells Tuesday.

Mr. and Mrs. Alfred Carreira of National City, Calif., are spending two weeks with their parents, Mr. and Mrs. Ira Brown.

Most of the community attended the funeral rites Wednesday afternoon for the infant son of Mr. and Mrs. Houston Lust. Graveside services were conducted by Rev. Lee Stanford. The grandparents are Mr. and Mrs. Vern Lust.

Mr. and Mrs. Leland Smith and Elzada Fay and Mr. and Mrs. Jim Givan were Amarillo visitors Thursday.

Lloyd Lust visited Mr. and Mrs. Charles Frye of Frio Friday afternoon.

Several of our young people attended the basketball tournament at Hale Center Saturday night.

Mrs. Ada Minter of Oklahoma

City, Mr. and Mrs. Bill Andrade and son, Billie of Tulsa, Okla., were week end visitors of the Rameys and Mrs. Etta Brashears.

Which Twin?

HAS THE Electric HOME LAUNDRY?

The glamour girl, of course. All she does is put the clothes in her automatic washer, set the dials, and leave the rest to Reddy. Then, when they're washed sparkling clean, into the dryer they go and once more, Reddy takes over the hard work. Reddy keeps the water hot, too, with an automatic electric water heater, that's as clean and dazzling as an electric light bulb. Ironing is easier, too, when it's done on a modern, electric ironer. Don't get worn out by back-breaking wash days. Be drudgery-free, be happy, let low cost electric service do the hard work.

Nazareth School To Make Community State Survey

The Nazareth school system will use materials furnished by the Texas Education Agency to make a detailed survey of the Nazareth school and community, according to Sister Victoria, superintendent of schools.

More than 800 schools over the state are expected to take part in the school-community survey program.

This material is now being used by high schools with fewer than 100 pupils. If the results of the program are satisfactory, all high schools in the state may eventually take part in the survey, according to J. W. Edgar, State Commissioner of Education.

Purpose of the survey is to gather information about the local community which will help school leaders in planning a better program of education for the school and community.

Because the school is so closely tied to community life, many of the questions will be concerned

A. J. Harris & Sons
Lumbermen
Hart, Texas

with community resources, Edgar said.

After the material has been collected by the teachers and pupils, a group of local citizens will be asked to examine the results in the light of their knowledge of the community.

Edgar recently pointed out that facts and figures alone cannot tell a complete story. People who know local conditions must express judgments in order to give the facts their proper meaning, he said.

Sister Victoria recently attended a meeting in Amarillo at which members of the Texas Education Agency staff explained the use of the study guides. It was pointed out at this meeting that collecting the desired materials should give pupils and teachers a new knowledge of their community and furnish the basis for a new understanding of such material studied in their school.

When all communities have reported their findings the state education agency will have a body of information about education in Texas that could not be obtained from any other source. None of the information will be made public as an individual report but it will become part of a general report.

Mr. and Mrs. R. E. (Soapy) Holland returned home last week from a visit with Lt. and Mrs. Garnett Holland at Barksdale Field, La. They also visited other Arkansas and Louisiana points before returning home.

4-H Club Boys Exhibit At Fort Worth Show

Castro County 4-H Club boys exhibited 23 pigs Monday, and 4 lambs Saturday at the Southwestern Exposition & Fat Stock Show at Fort Worth.

Breeds of pigs represented were Poland China, Hampshire and Chester White and lambs were Southdown.

Boys who exhibited at the Fort Worth Show, their Club and their livestock are as follows: Joe Percy Hart, Hart Club, 2 Southdown lambs; John Bridges, Hart Club, 2 Southdown lambs and 2 Hampshire pigs; Bob Anthony, Dimmitt Club, 1 Hampshire and 1 Poland China pig; Gene Lewis, Dimmitt Club, 4 Poland China pigs; Kenneth, Tom and Jack Acker, Nazareth Club, 3 Chester White pigs each; Dennis Huseman, 2 Poland China pigs and Cyril Brockman, 4 Poland China pigs.

All livestock were transported to Fort Worth in pick-ups. Accompanying the boys to Fort Worth were H. F. Bridges, Tom Lewis, Jacob Acker, Frank Huseman, Ed Brockman, Mr. and Mrs. Wes Anthony and County Agent R. L. King.

Castro County 4-H Club Boys are feeding 10 calves, and 6 lambs for the Amarillo Fat Stock Show. They will also exhibit at Lubbock, Plainview and the Dimmitt show this spring.

The Dimmitt Motor Company, which furnished a Chevrolet pick-up to the County Agent last year to be used in 4-H Club work and agriculture through the courtesy of its owner, Mr. Carl Kemp has again presented to the agent another new pick-up to be used in the same activities this year.

Elderly Couple Married at Clovis

Mr. T. J. (Uncle Tom) Maples and Mrs. Lucy Williamson of California were united in marriage January 19, in Clovis, New Mexico. They were accompanied to Clovis by his grandson, Mr. C. G. Maples, Jr. and Mrs. Maples. Mr. and Mrs. Maples will make their home in Dimmitt.

Mr. and Mrs. C. G. Maples visited their son, Herbert Maples, and family at Hart Sunday.

Mr. and Mrs. Dee Umberson are at Dallas this week attending a meeting of Maytag washing machine dealers.

Bride Elect Is Shower Honoree

Alta Mae Wilhelm, bride-elect of Elmer Hartman, was complimented recently at a Lingerie shower at Windy Acres, home of Mrs. Gwen McFarland of Arney. Assisting in the house party was Mrs. Lawrence Dirks.

Entertainment rooms were decorated in seasonal flowers. The serving table was covered with a lace cloth. Appointments were in silver and crystal. An arrangement of white carnations and blue tulle, accented by miniature nosegays of pink rosebuds centered the table, flanked on each side by lighted blue tapers. Mrs. Ray Watson of Hereford, presided at the punch bowl.

Miss Wilhelm was presented a corsage of yellow rosebuds. Laurene Wilhelm secured names for the brides book, her corsage was of deep pink carnations. Mrs. Henry Wilhelm, aunt of the bride-elect, and Mrs. Carl Hartman wore corsages of white gardenias.

After a brief program of poetry and musical selections, Miss Wilhelm was presented the gifts. Attending were Mesdames Carl Hartman, Canyon; Henry Wilhelm, Henry Schmucker, Joe Warren, Francis Wilhelm, Ed Wilhelm, Clarence, Wilhelm, Frank Zackery, Merle McFarland, Bob Steffens, Victor Eggenmeyer, John Stork, Ray Watson, and Misses Laurene, Rita and Ruth Wilhelm, the honoree and hostesses.

Sending gifts were Mesdames Adisor Hunter, Maud McFarland, Charles Burks, Bonnie Barrett, E. C. Burks, Sam Goulden, Pat Heiman.

New Instructor For Hart's Veteran Vocational School

Mr. R. E. Baumhardt moved to Dimmitt Wednesday and will assume his duties as instructor of the Hart Veteran's Vocational School tonight, Thursday. The school has been in progress for the past several months with Mr. Gene Southall as instructor. Twenty-four students are enrolled in the school which consists of two night classes each week in addition to numerous shop demonstrations and farm visitations.

Baumhardt comes to Dimmitt from Lubbock where he received his M. S. degree in Animal Husbandry January 27. He graduated bandry at Texas Technological from Texas A. & M. College with a B. S. degree in Dairy Husbandry in January, 1949.

Mary Martha Class Enjoy Luncheon

The Mary-Martha class of the Baptist church met for their monthly luncheon and business meeting on January 19, at the church. A beautifully decorated cake flanked by red candles in brass holders centered the table. Four members of the class who had birthdays in January were

recognized as the class sang "Happy Birthday". Mrs. Perry Graham was a visitor.

During the business session Mrs. Roy Jones, president of the class, presided. Mrs. W. E. Kirkpatrick brought the devotional. Reports were made by the chairman of various committees. The Mary group was hostess for the luncheon. Everyone reported a lovely time.

Dr. and Mrs. R. E. Cogswell went to Fort Worth last week to meet his brother and to attend the Fat Stock Show.

THE LAW AND YOU

by Robt. (Bob) Kirk

DO YOU KNOW what the effect of a 90 day commitment to a State Hospital is?

To gain admittance by Court order to a State Hospital for those mentally ill, there must be one of two types of proceedings. One proceeding is for a "permanent" commitment and requires a jury trial and a finding that the person is of unsound mind, and would be dangerous if left at large.

The other type of order is a "90 day" commitment. One sent to a State Hospital on a 90 day commitment is not adjudged to

be of unsound mind. He is sent to the hospital for a period not to exceed 90 days for "observation and treatment." He may be released at any time the Doctors of the hospital deem that his condition justifies the same prior to the 90 days. He loses none of his civil rights, and a new trial to find that he is restored to his right mind is not necessary. He can return to his business, and carry on the same as if he had never been sent to an institution. FOR FURTHER INFORMATION ON THIS SUBJECT, SEE YOUR LOCAL ATTORNEY.

Sports Afield

Ecology—do you know what that word means? Louis Bromfield says you sportsmen must learn it if you expect to have any future hunting and fishing in this country. Ecology means simply the study of how man can live with nature to the greatest possible advantage in terms of health, prosperity and general welfare. No group is as able to prove how this can be done as farmers and sportsmen.

It is only recently that much attention has been paid to the ecological problems of nature in the United States. But now we realize that ecology begins at home on the individual farm. We know that the prosperous farmer is one who avoids erosion, does not pasture his woodlands, keeps the rainfall where it belongs—on his own land—and makes provision for fish and wildlife as well as for his own livestock.

The farmer or landowner who uses ecology as the guide in planning his farm activities will benefit in profits and welfare, and provide sports and pleasure for hundreds, not only on his own farm, but elsewhere in the neighborhood, since any well-managed farm is a breeding island for all sorts of game that eventually spread out into the surrounding areas.

In 1939, Bromfield took over five farms in north-central Ohio, all in very poor condition. Today after 11 years, the landscape is no longer recognizable. The woods and pastures which were made bare by animals that were starving because what they ate contained so little nourishment, have become again something resembling the magnificent original hardwood forests of Ohio. The bare, often gullied surfaces of the

old lots are once again green. Bromfield writes: In our own case with a very small expenditure of time, work or money, we have been able to increase enormously crop yields, control pests, stop erosion, improve the landscape, raise healthier crops and livestock, and immensely increase the population of fish and wildlife.

Quail rival sparrows in number, pheasants and rabbits are a nuisance when cutting hay and necessitate the use of a flushing bar on the mower to avoid injuring or killing them. Ducks and occasionally wild geese pay us visits. Raccoons, squirrels and possums abound.

We have derived pleasure, profit and all the delights known to the nature lover by just a little effort in the pattern of that sixty-four dollar word "ecology."

Born Sunday morning at 6:35 in Hereford to Mr. and Mrs. Kerry Wayne Horne of Dimmitt,

a little son, Kerry Glenn. He weighed 6lbs. and 4½ ounces. Grandparents are Mr. and Mrs. W. L. Kunkel of Dimmitt and Mr. and Mrs. L. A. Horne of Crosbyton. NEWS Want Ads get good results

the Railroads **RESPECT...**

What is the **TRUTH?**

the Labor Unions seek to **REPUDIATE** this agreement!

At various states in the present dispute with the brotherhoods of railroad operating employees... the railroads agreed to arbitrate. The union leaders refused. ... the railroads accepted the recommendations of President Truman's Emergency Board. The union leaders refused. ... the railroads accepted the White House proposal of August 19, 1950. The union leaders refused. Finally an Agreement was signed at the White House on December 21, 1950. Now the union leaders seek to repudiate the Agreement. The railroads stand ready to put the terms of this Agreement into effect immediately, with back pay at the rates and date indicated. The Agreement is given in full below:

MEMORANDUM OF AGREEMENT

Washington, D. C.
December 21, 1950

1. Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
2. Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
3. Settle rules for 40 hour week and 6 day week.
4. Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
5. Settle following rules:
Initial Terminal Delay (Conductors and Trainmen)
Interdivisional Runs
Pooling Cabooses (Conductors and Trainmen)
Reporting for Duty
More than One Class of Service
Switching Limits
Air Hose (Conductors and Trainmen)
Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
6. Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
7. Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951. Base to be 176).

8. Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.

9. Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked, the hours between 205 and 240 to be paid for at the pro rata rate.

Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.

10. In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:

No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote and the referee shall have one vote.

11. If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

** The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

Sportsmanship

(by BILL HUNTER)

In most of the tournaments in basketball there are trophies given to the team in both boys and girls division which was chosen by the coaches as the team which displayed the best example of sportsmanship. Although these trophies are smaller than the championship trophies and are regarded lightly by the average fan, they are awards of high honor to the teams. After all, the object of sports is to wield the boys of today into the men of tomorrow and a sportsmanship trophy is like an award for the "most likely to succeed."

So let us set for our goal a standard which will distinguish us as a school of high standards

of sportsmanship; that all schools which come in contact with us will feel the effect of good sportsmanship and friendliness. This is a goal which we can reach by a few small courtesies such as smiling when things are going wrong, never show anger, be a friend to everyone, never boo or raz a player or official and many others which could be added. It is small things of this order which build the moral of men and it is a moral of this kind by men which builds and writes a nation. Sportsmanship and friendliness are not hard to obtain, so let us set our goal a goal which, when we grow to manhood or womanhood, we will be proud of.

Experts Agree: DHS Kids Have Some Kind of a Future!

Let's take a look into the future of some D.H.S. kids. This is probably some of the things you might see.

Dona Lee is now Mrs. Ozark Ike and is living with her husband and small brood in the Ozark Mountains.

Jack D. is really having a gay time. He is a wealthy man, but he spends his spare time picking geese in a pillow factory.

Pat Y. of course went to Baylor and was chosen Homecoming queen. Now she is the wife of a speech teacher, and her children speak very well.

Merle L. is just as cute as ever, and running from the "revenoers" in the Arkansas hills.

Peggy and Fayrene attended Wayland as roommates. Peggy turned out to be their basketball star and Fayrene—well you figure that out. Jimmy C. is really a happy guy. He finally won Mary Ann and they are making out swell.

Sandra Hance is now Governor of Texas and her secretary is Louise Simpson.

Forrest Ricketts made it to the top. He is now President of the U. S. at the age of 23.

Monette Kenmore is doing okay now. She has suddenly become a rich oil heiress and is taking over Dimmitt Society.

Farren Broadstreet has the world's best band. The name of it is the Broadstreet Band (it was formerly Alvino Rey's).

Yvonne Bearden is happily married to Standlee Fuller, and while he finishes college she will coach her six boys on the rules of basketball.

Don Nelson is (of course) the editor of that famous Dimmitt newspaper. On the side he finds time to do some singing also.

Beth Hance is now a famous criminal lawyer. Anytime you get stuck in jail she will see to everything.

Mike and Clara Langford have settled down on a farm and are teaching their kids to ride and rope. They have won several ribbons!

Lee Roy Hargrove will be found at the world's largest Theater. The name of it is the "EMPIRE" and it is a combined shopping center and movie located in downtown Dimmitt.

My, what a future!

FFA Boys Take Annual Trip To Ft. Worth Stock Shows

The Aggies left for Fort Worth Friday, January 26 at 6:10 a.m. and arrived there at 2:30 p.m. The boys went through the show barns that evening and Saturday morning they went through the Swift Meat Packing Co., where they witnessed the butchering of cattle, sheep and hogs followed by refreshments of hot dogs and coffee by the Swift Company. That evening they went to the annual Southwestern Rodeo, one of the largest in the country. Sunday morning they started their journey home, leaving Fort Worth at 8:00 o'clock and arriving in Dimmitt at 6:00 Sunday afternoon.

Bobcats And Bobbies Win Second Tournament In Two Weeks

Smithson-Odom Make All-tournament Team

The Bobbies repeated their victory over Cotton Center again this week to take first place in the Hale Center Tournament. After taking two victories by large margins from Kress and Happy respectively the Bobbies out maneuvered the Cotton Center sextet to win by a score of 41-34 with Mary Nelson scoring 12 points in the last quarter for Dimmitt.

The Bobbies trailed by 5 points at the quarter and by 5 points at the half but when the buzzer sounded at the end of the third quarter the score was Dimmitt 28, Cotton Center 22. Then was when Nelson started hitting, she scored six field goals in the last quarter. Odom and Cannon were once more held with Odom scoring 13 points and Cannon 14. But for Cotton Center Johnson scored 20 points and for Dimmitt, Godfrey scored 14 points. This made three wins in four games with Cotton Center and it will probably be the last game between the two clubs unless they could happen to meet again in the State Tournament if they both win District.

The all-tournament forwards were the same as in the White-face tournament with Odom, of Dimmitt and Cannon and Johnson from Cotton Center making the selection, Smithson again has placed on the all tournament team.

The high scorer of the three games was Odom with 54 points. Godfrey was next with 48 points in the three games while Nelson tallied 29 points.

In the defense department Decimae Dennis had the least points scored against her but Mitzi Wilson and Maurine Smithson both had hard girls to guard.

Qualifications For Ideal Boy Date Are Announced Today

Word was received by the Bobcat Tales today of the qualifications of an ideal boy date for the more particular females. The stiff qualifications were arrived at only after moments of thought. We now bring these exclusive "musts" to you, our lucky reader. They are as follows:

1. A car.
2. A handsome face.
3. A car.
4. Money.
5. A car.
6. Conversation.

If you cannot find an ideal date, 2, 4, and 6 may be omitted.

D. H. S. Directory

Thursday, February 1, the Dimmitt teachers are to attend a banquet at Hart for the Castro County teachers at 7:30.

Friday, February 2, the Dimmitt Bobcats and Bobbies play New Deal in our gym in both an A and B game.

Monday, February 5, the Dimmitt Bobbitten team will travel to Amherst.

Wednesday, February 7, will feature a Southern Assembly program at the High School Auditorium at 9:00 a.m. Galey Harvey is master of ceremonies.

Closed Eyelids Tell Of Tournament Time

(by Marlin Truelock)

When you enter D. H. S. on a bright sunny morning and everyone seems a bit sleepy, you can bet there's been another basketball tournament. Classrooms are becoming quieter with each new tournament. It seems our glorious athletes and their loyal spectators are always a bit weary until just before the next game. Then, eyelids fly open! The humming of tournament talk breaks the semi-silence and the old life is back in everyone.

When the last bell rings, the excited cagers hop on a bus and set off to add to the already bulging trophy case. The excited fans rush home to do the chores, their prepare to go to the game and yell for old D. H. S.

Junior Gridironers Receive Jackets

"Your jackets have come," was the phrase that greeted the Jr. football boys Friday morning. It was hard for these boys to sit through classes until the jackets were issued at noon. If you noticed them strutting down the hall it wasn't because they were trying to show off, it was because they were trying to show off their jackets. The jackets are purple with gray stripes on the sleeves. These boys well deserved these jackets for the effort they put forth during football season. Basketball season has proved that they have as much ability to play basketball as football. We are proud of these Jr. teams that will sometime be the Bobcats of D. H. S.

ENLISTS IN NAVY

Three local boys, Harry Joe Hance, Sammy Hardy, and Guy

Well-Balanced Meals Are Being Featured In Dimmitt Hi Luncheon

When you walk down the halls of D. H. S. you can smell good food cooking most of the day. If you don't believe this, just follow the luncheon menu for the week. Thursday, January 25:

Spanish rice, buttered beets, English pea salad, hot rolls, plain cake with peanut butter-chocolate icing.

Friday, January 26: Fish, pork and beans, spinach, mixed green salad, apricot cobbler and hot rolls.

Monday, January 29: Vienna sausage baked on top of mashed cheese potatoes, buttered carrots, mixed green salad, hot rolls, white cake with white icing.

Tuesday, January 30: Red beans, breaded tomatoes with onions (baked), beets, corn bread and apple cobbler.

Wednesday, January 31: Stew, crackers, lettuce wedge, chocolate cake with chocolate icing.

Richard Ziegler, have been accepted by the Navy and left Thursday January 25 for processing in Albuquerque, N. M., before going on to San Diego Naval Base in California for boot training.

Society Sue

It seems that Dimmitt really turned out for the basketball tournament at Hale Center this week-end. The boys and girls brought back both first place trophies!

Pat Youts served dinner to several friends in her home Sunday. Those attending were Gene Easley, Fayrene Greathouse, Bill Stephenson, Elouise Greathouse, Dona Robertson, Earl Greathouse, and Pat Youts. Everyone reported a wonderful time.

The F. F. A. boys attended the Fat Stock Show in Fort Worth last week-end. From all accounts they must have had an enjoyable trip. They were accompanied by Mr. Seale and Mr. Bates. Mr. Bates hasn't quit talking about it yet.

Striking Seniors

Carl Henderson came to Dimmitt when he was in the third grade. Carl is now six feet tall, and weighs 153 pounds. He is a member of the F. F. A. and is on the Bobcat Tales Staff. Some of Carl's favorites are:

- Subject: Speech
- Actor: Roy Rogers
- Actress: Dale Evans
- Food: Ice Cream
- Pastime: Horseback riding

Gregory-Cluck Make All-tournament Team

The Bobcats won two hard games in a row to take first in the boys division of the Hale Center Tournament winning the first against Hale Center by 5 points and beating Happy by the same margin. The Bobcats beat Slaton 63 to 15 in the first game of the tournament with reserves playing a half and then the close ones began.

In the game with Hale Center the Bobcats took a 6 point lead by the end of the half and advanced that lead to 9 points by the end of the third quarter. That was all they had to have. Axe was high point man for Dimmitt with 14 points while playing one of his best games of the season.

In the game with Happy the Bobcats again led by 6 points at the half but by the end of the third quarter it was dwindled to a four point lead. The final score was Dimmitt 30, Happy 25. Dennis scored 12 points to lead the Bobcats.

High scorer for Dimmitt in the tournament was Cluck with 26 points followed by Axe with 23. Gregory scored 21 points as did Dennis. Smith scored 15 points to round out the five.

Gregory and Cluck were placed on the all tournament team and both played exceptional games in the tournament.

J. Edgar Chenoweth To Speak At Amarillo Lincoln Day Dinner

J. Edgar Chenoweth, a strong critic of the Administration's foreign policy and advocate of our national security, will be the speaker for the Lincoln Day Dinner in Amarillo on February 10.

Announcement of Chenoweth's speech came from a joint statement from the Panhandle Women's Republican Club and the Young Republican Club of Amarillo, today.

Chenoweth, a veteran Republican congressman, has represented the Third Congressional District of Colorado for five terms. He has consistently maintained that our greatest problem is to provide for the national security of our country.

Ruthelle Bacon, member of the Texas Republican State Executive Committee, had high praise for Congressman Chenoweth.

"Congressman Chenoweth is the sort of man we can understand," the Amarillo Republican leader said. "He is a family man with five children. He is a life-long resident of his home town, Trinidad, Colo., where he practices law. And he is a member of the Baptist Church, Masonic and Eagle Lodges."

"He served in Congress beginning in 1940," she added. "He was defeated in 1948, but this year the people in his district realized the need for a man of his calibre and they sent him right back to Washington."

Chenoweth served three terms on the powerful House Rules Committee and is not a member of the House Interstate and Foreign Commerce Committee.

He has been active in legal and educational fields in his state serving as a member of the Board of Trustees of Colorado Women's College in Denver and a past member of the Board of Governors of the Colorado Bar Association.

CAA Has Aircraft Communicator Jobs Open In Alaska

The Civil Aeronautics Administration has openings for a number of qualified men as aircraft communicators in Alaska, at starting salaries of \$3875 a year.

Successful applicants will be assigned to the 42 airways communication stations operated by the CAA along Alaskan airways.

Men selected will be in line for eventual promotion to higher-grade jobs paying up to \$5750 a year. Additional earnings are possible in all grades through authorized overtime beyond the 40-hour week, and through a 10% night differential.

Basic entrance qualifications for the job are: ability to transmit and receive International Morse Code at minimum speed of 25 words a minute and increase this to 30 w. p. m. during training; to touch typewrite at 35 words a minute; and have 3 years of general communications experience or an acceptable equivalent in education and experience. Slight code speed deficiencies may be allowed at the discretion of the appointing officer if it appears that they can be compensated during orientation training.

Applicants other than veterans must be between 18 and 40 and in good health, particularly with regard to hearing, vision and speech.

Applicants should send Federal Application Form 57, obtainable at most post offices and state employment offices, to the CAA Aeronautical Center, P. O. Box 1082, Oklahoma City 1, Okla.

Several weeks of orientation training will be given to the appointees at the CAA Aeronautical Center in Oklahoma City before they travel to point of assignment in Alaska. Salary is paid during training at the rate of \$3100 per annum. Also, per diem is paid during training at \$9 per day for the first 15 days and \$7 per day thereafter. Employees will be expected to remain in government service in Alaska for at least 12 months following their appointment.

Mr. and Mrs. R. E. Ivey visited her mother, Mrs. Hanna, in Morton Sunday.

Children's Dental Health Day To Be Observed Monday

Progress being made in the prevention and control of dental disease through scientific and proper care daily of the teeth was described by Dr. Geo. W. Cox, State Health Officer, in urging the observance of Children's Dental Health Day, February 5.

Dr. Cox said it was with children that modern dentistry has had its greatest success in preventing tooth decay. He told of the research being done by the Division of Dental Health with sodium fluoride in preventing tooth decay—both by fluoridation of community water supplies and the application of sodium fluoride to surfaces of the teeth by dentists.

A control test showed that in one Texas city where the water supply was fluoridated, the rate of decayed, missing and filled teeth among six year old children dropped 47 percent in 29 months. In a nearby city where no fluoride was added to the water supply the rate remained at eight decayed teeth per child.

The Texas State Health Department recommends that teeth be brushed after every meal to remove particles of food which may cause decay-producing acids. Brushing teeth a few minutes after eating candy is especially important because acid which attacks tooth enamel is formed by action of bacteria on carbohydrates, especially sugar in a few minutes.

Dr. Cox said children's 20 first teeth should be given the best of care to permit the children to chew properly, to promote facial development and to preserve the space for the 32 permanent teeth which will come in later. Children should pay their first visit to the dentist when all 20 first teeth are in and then see him each six months thereafter.

National Dental Health Day is a splendid time to resolve to do your utmost every day to see that children follow simple dental health rules and are given treatment as required for the preservation of their teeth.

Mrs. A. H. Howell, Jr. of Levelland and Mrs. Alvin Frazier were visitors in the home of Mr. and Mrs. Othell Simmons Sunday afternoon.

Mr. and Mrs. Lon Woodburn, W. R. Woodburn of Dimmitt and Mr. and Mrs. Dewey Watson of Clovis, N. M., attended the Fat Stock Show at Fort Worth this week and also visited relatives while there.

Some Interesting Things

SOME INTERESTING THINGS THAT HAVE HAPPENED IN OUR BUSINESS:

In 1929 and 1930 we started to build rural lines through the county. By the time we had finished two lines west of Dimmitt the depression had started. It was all but impossible, if you remember, for many of our rural people as well as city folk to afford a telephone. This condition continued for about nine or ten years, then came the war and of course during those time we couldn't do anything toward building. After 1945 it was impossible to get material. These reasons combined made about fifteen years of delay in building. That is why we are so far behind with our rural program. But we will make every effort to take care of everyone as far as practical, and will make lines available to all who want phones in our area.

We are sure that the people of the county can see the cause of our delay, and believe that we are doing our best to give you service.

Reprint from advertisement published March 9, 1950.

During 1950 we have installed approximately 80 rural telephones, and have constructed many miles of rural trunk lines, which, if materials are available, will make it possible for us to install many more rural phones during 1951. We will also continue to cover additional territory in this area as soon as construction problems will permit.

Nazareth Round Up

Around Town

(By Julene Heiman)

Sodalists Outline Program
The officers and the entertainment committee of the Sodalists' Club held a meeting in the rectory with Father Morsch during the evening of January 26. Those attending the meeting were Clementine Aichlmayr, Rose Mary Conrad, Emely Ann Pohlmeier, Aurelia and Floyd Acker, and Vincent Ramaekers.

The group worked out a program of activities for the coming year as follows:
March 4—Box Sale and Supper
March 18—Father's Day Program
April 30—Crowning of May Queen
May 13—Mother's Day Program
July—Harvest Dance
August—Dance
September 2—Evening meeting
October 30—Hallowee'n Dance
Dec. 8—Enrollment of new members and Christmas Party

The discussion of club projects will be brought up in the next meeting.

4-H Club Group Go to Ft. Worth
A number of 4-H Club members and sponsors left January 26 to attend the 10-day Southwestern Exposition and Fat Stock Show in Fort Worth. Among these are Denis Huseman, Cyril Brockman, Tommy Acker, Jake Acker, and Ed Brockman.

Graders Get Invitation to Quizdown Program
The 4th, 5th, and 6th graders have been invited to take part in a Quizdown program which is broadcast weekly over KGNC in Amarillo. They have accepted the invitation but no date has been set as yet.

Another activity of the 5th and 6th graders this week is a checkers tournament. It takes care of free periods during the present seige of cold weather.

Sister Victoria attended the meeting of the superintendents of high schools of 100 pupils or less in this area on January 29. The meeting took place in Amarillo. Leonard Conrad also attended as a representative of the school board.

March of Dimes Dance Held
A March of Dimes dance was sponsored by the Christian Mothers' Society on January 24. Music was furnished by Swede Schmucker and his orchestra. The Mothers' cleared \$47.50 for the polio victims.

Again most of our younger generation were found gathered at a

friendly-group party Sunday evening in the home of Mr. and Mrs. Florence Albracht. The party was given by their sons and daughters. Piano playing, group singing and card playing were the main entertainment of the evening.

Mr. and Mrs. Andrew Schumacker have announced the birth of a son, Glen Harold. Sponsors in baptism were Mr. and Mrs. Frank Hoelting.

Mr. and Mrs. John Stork and daughters, Lola Jean, Evelyn, and Delores, left for Fort Worth on January 28. They will attend the Fat Stock Show and visit relatives there.

Misses Patty Heiman and Irene Brockman visited in Littlefield over the week end.

Gene Flaghem from Olpe, Kansas stopped off at Nazareth over the week end on his way to Tucson, Ariz., where he is going to be employed.

Mr. and Mrs. George K. Burt and daughter, Sandra, visited the Carl Burts on January 28.

Meetings

(By Nora Kleman)

On January 22 the Fourth Degree Knights held a business meeting. Vic Kern, faithful navigator, called the meeting to order. Syl Dietz, faithful scribe, read the minutes and held roll call. The members voted that they would purchase a Douay Version of the Bible for the county library in Dimmitt.

The St. Joseph's Society held their regular meeting January 28. Frank Hoelting, assisted by Andy Schumacker, presided during the business session of the meeting.

Around N. H. S.

(By Martha Burt)

The March of Dimes campaign is currently being held throughout the grade and high school classes. Let us respond generously to this worthy cause. Who knows when this dreadful disease will strike in our community and school?

Jane Albracht recently donated Prairie Avenue by Arthur Meeker to the library.

The Swifts met the Exes again on January 24. The Exes came out on top by a score of 24-18. The Exes now have 3 games won to their credit. The Swifts have 2.

The Golds came out on top last week in their game with the Blues. This brings the ratio of

games won to 5:3 in favor of the Blues.

Mrs. Charles Heck, the high school 4-H Club sponsor, met for a short time with the 4-H girls in the science room on Friday afternoon. She suggested that the club meet on the third Friday of next month in the school lunchroom. Mrs. Guggemos has consented to the using of the tables there for laying and cutting out the patterns. Mrs. Vann, Mrs. Heck, and Mrs. Guggemos plan to meet with the girls to help them cut out their dresses.

Are You Interested?

(By Kathleen Hoelting)

The seniors have been very busy practicing their play. As you all know, they are going to give it some time in February.

By the way, since there is a mentioning of dates going on, we heard someone say the other day they had not heard when the junior-senior banquet and prom are to be held this year. For the benefit of our readers we are going to repeat here that the date has been set for April 24. The music is to be furnished by Lee Nichols' orchestra. The theme of decoration is to be—the seniors get to try to guess.

Patty Heiman, with Irene Brockman as her week-end guest, seemed to have enjoyed the week end in Littlefield. The highlight of the three days must have been the dance in Pep Friday night.

Then there is going to be a dance here February 5. The music will be furnished by Lee Nichols. The dance will be held in the community hall and is to be sponsored by the hall committee. If you like to dance, better come, since it is to be our last dance here in the community until after Easter.

We were very glad that some of our boys kept up our good records of entering stock in the State Stock Shows. We surely hope that the group down in Fort Worth at present are having the best of luck.

Scale, 300 Feet to One Inch.

about dimmitt and castro county

(Continued from page 1)
in the state when they go to regional. Despite the fact that the Bobcats must meet and defeat the defending state champions in order to participate in the state meet, we still predict that the Bobcats are on their way. This is a longshot prediction but that is the kind that usually is remembered later in the season. The Bobcats have been steadily improving and by the time the season ends they will be among the best if not the best in the state.

Hays Implement Company is finally making plans for its for-

mal opening to be held early in April. The formal opening will be in observance of the completion of their new modern implement building. The building program has been completed so long that the structure needs a new paint job, but that won't deter the Hays Brothers from having their formal opening. They are planning a big blow-out. There will be free food, free prizes, free farm implements, a free show, (their shows are always good) and other hoop-la that goes into making a celebration of this kind a success. I guess a firm can be excused for waiting a long time to celebrate the completion of a new building as the process of completing the building also takes a long time.

adace
The Cooper Implement Company will hold its annual Appreciation and Good Will Day Friday. There will be a free meal for their guests as well as valuable prizes and a free picture show. Buster Cooper is a quiet chap, he probably won't even make a short speech during the celebration, but his presence will be felt. Starting with a very small outlay some six or seven years ago Buster has seen his business grow into one of the major farm implement concerns of the area. Cooper Implement Company is the lo-

cal dealer for Minneapolis-Moline farm equipment.

It seems to me that the war situation and world conditions have a little more hopeful outlook now than at anytime since the beginning of the Korean War. Some of the elements of surprise and unknown quantities have been explored, and in the military operation, partially conquered. When the United Nations first entered the conflict no one knew what the repercussions might be. The world knew that Russia was behind the invasion of South Korea by North Korean Red forces. But the free world didn't have any idea to what extent Russia would go to make the Communist expansion more successful. And then when the United Nations forces reached the 38 Parallel another big question mark arose. Should they stop at the old boundary between North and South Korea or should the campaign be carried to the enemy in his lair. Being realists and not being satisfied with leaving the question unsettled as to the success or failure of the campaign to that point the military decided to flush the enemy from his cover and see to just what extent the Communists were prepared to go to force their will on freedom loving peoples. Although the campaign was an expensive one to the Allies, both in casualties and materials, it was far more costly to the enemy and at the same time forced him to show his hand. Had the United Nations forces been stopped at the 38 Parallel nothing would have been proven. With the Red Chinese forces massed along the Manchurian border the United Nations would have either been forced to keep large troop concentrations in the area or let the Red tide in as the Allies pulled out. Subsequent developments have led the Chinese Reds into one costly conflict after another until now it is believed by the military that the striking strength of the Reds is broken. The natural instinct of every American, and all other nationalities with troops in the war zone, was to pull out of Korea when the Red hordes were unleashed. The clamor for that movement was based on temporary fear of an enemy of unknown quantity, and at that time a clouded base objective. If the Red Chinese war machine has been seriously crippled, and right now that seems to be highly probable, not one, but two of Russia's stooges, North Korea and Red China, may be wishing that they had never entered into the Kremlin's plans for world conquest, and certainly other Russian satellite nations will be slow about making the same error that caused the downfall of North Korea and started Communist China toward the end of a very brief existence. With the branding of the Chinese Communists as aggressors by the United Nations that body of Nations, with the exception of the Russian controlled block, have been welded together stronger than ever before, and from this experience should be quicker to take action against any other aggressive move instigated by the Kremlin. The Russian high command may, in desperation, invade one or more European countries, but to me this seems very unlikely.

ely, in view of the Russian's border, waiting for Hitler's legions to finish the kill before they moved in for the vulture's share while invoking disgust and nauseating the decent people of the world. Their recent actions don't indicate any change in their methods of policy. Surely as the United Nations become stronger and the Atlantic Pact Nations build up military strength the theory of Marxism will be driven back into the unholy book written by an eccentric that failed to provide food for his family. If Russia's fail to march this spring or summer any outside chance of success in their world conquest will be gone, and in due time the Russian people will rise up and shed the yoke that was designed to engulf the world.

We mentioned the fact that Hodges became a Lion Tuesday, at the beginning of this column, but didn't mention the fact that (we don't have his initials) Cameron, proprietor of the M. & K. Cleaners (sponsored by Robert Singer) also subscribed to a membership in the club. No barbed remarks will be directed at this new Lion for a few days as he is a comparatively newcomer to Dimmitt and might not stand for too much of our foolishness.

adace
Business concerns say they can reduce their prices, ordinarily, when the volume of sales increase. But when a wave of panic buying sweeps the country all prices skyrocket and inflation is with us. We can't understand why a business rule wouldn't work as well under the latter condition as it would under the former.

Officials of the Dimmitt School District should investigate all

possibilities of reviving the grade school and gymnasium building project. Get in line for priorities just in case some means of completing the project arises.

Southedge H. D. Club

The Southedge Home Demonstration Club met Wednesday, January 24, with Mrs. Grady Pillow, Mrs. Marvin Sanders, president, presiding. The new committee chairmen gave their proposed programs for the year and the proposals were accepted unanimously by the club members. It was also proposed this club go in with the other clubs of the county to build a really fine library accessible to all members.

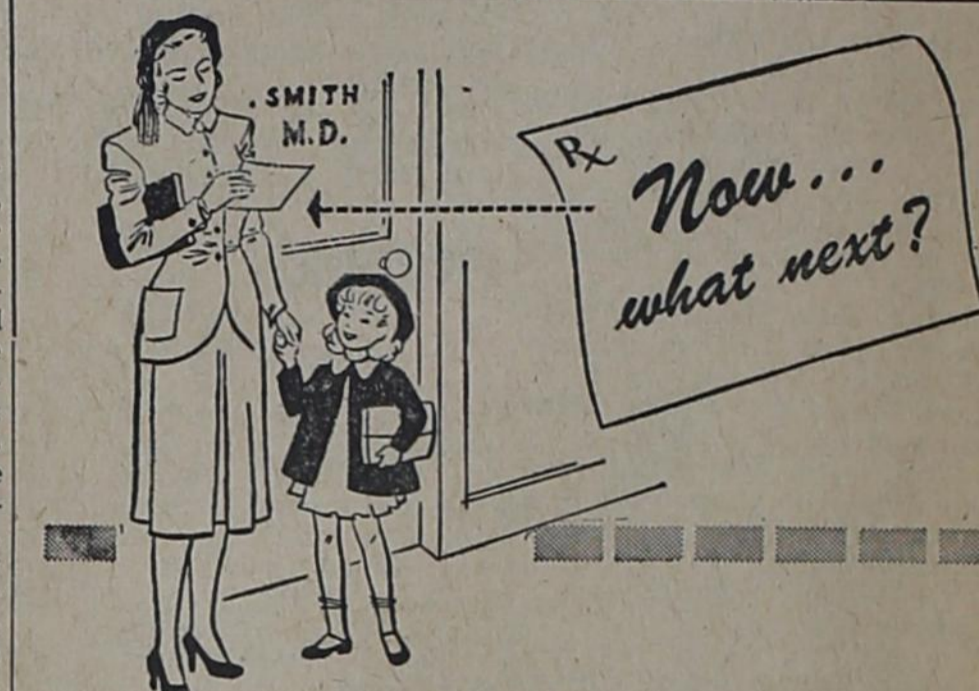

Mrs. Sanders was the unlucky lady to get the button in her piece of cake and must bake the cake for the next meeting. The delicious lunch served at the conclusion of the meeting was enjoyed by all.

The club members and families gave a farewell pot-luck supper January 18, at the Baptist Church annex in Earth for the Truman Lowe family who have moved to Ft. Worth. The entertainment of the evening was Canasta and everyone had a good time. The club will miss Mrs. Lowe and hope the family decides to move back to the South Plains.

Castro Co. Teachers To Meet February 1st

The local unit of the Castro County Texas State Teachers' Association will meet in Hart at 7:30, Thursday evening, February 1. All teachers are urged to attend. The speaker for the occasion will be Dean Walter Juniper of West Texas State College at Canyon.
