## Winters Rodeo Friday, Saturday

The Sixth Annual Winters Rodeo will kick off with a colorful grand entry, live music, a better public address system, pretty girls, bronc busters, mean steers, skillful cowboys on well-trained horses, funny clowns, an exciting parade, and throngs of people this weekend. Rodeo performances will begin at 8 p.m. Friday and Saturday nights at the Winters Rodeo Arena just north of town. The parade will begin at 4 p.m. Saturday in downtown Winters.

Three Rodeo Queens will be crowned Friday night, Miss Rodeo Queen, Junior Miss Rodeo Queen, and Little Miss Rodeo Queen.

Further details of the rodeo are given below.

**Free rodeo tickets will go to all parade entries**

Everyone taking part in the 1985 Rodeo Parade will receive a free ticket to the Saturday night performance of the 6th An-

nual Winters Rodeo. The parade will be held Saturday afternoon at 4:00, with line-up time set for 3:30.

Awards to be given in the Youth Division of the parade are as follows:

— Open Youth- 16 years and under. Any type of entry with a Western theme. A medal will go to the entry judged as Most Humorous, a medal for Most Authentic and a medal for Most Imaginative.

— Decorated Bicycle and Tricycle division for youths 12 years and under will be given first, second, and third place medals.

— First and second place trophies will go riding clubs.

— First and second place trophies for horse-drawn vehicles.

— First and second place trophies for antique cars.

— A first place trophy will be given in a category for all other entries and judging will be for

the Most \_\_\_\_\_ Cowboy, with the blank to be decided by the individual entrants. (Example— Most Ugly, Tallest, Meanest, etc.)

— Recognition awards will be given to the oldest and youngest unassisted mounted riders.

The parade route is given in a related story in this issue.

Entry blanks for the parade are available at the Chamber of Commerce Office, the Country Cobbler and Western Outfitters, and the Cowboy Shack.

Winners in the youth divisions will be announced and medals given from the Public Address Stand following the parade. The winners of other events will be announced at the Rodeo Performance Saturday night.

Come join the parade!

**Parade route given**

The Winters Rodeo Parade, set for 4 p.m. this Saturday, June 29, will take a different route than in previous years in order to give residents of the Senior Citizens Nursing Home a chance to view the parade.

The parade will form on the parking lot on the second block of East Dale behind the Professional Building. The participants will move east on Dale Street and from there follow a route by the nursing home on Van Ness Street and then to East Parsonage and on to Main Street. The parade will end at the Winters State Bank on South Main.

Parade participants who are unable to follow the full route will be escorted from the starting point on East Dale to rejoin the group behind the Peoples National Bank on Main Street.

**Social Security sets July visit for Winters**

John Willis, representative of the San Angelo Social Security Office, has scheduled his July visit to Winters. He will be at the Housing Project Office on Monday, July 29, between 9:30 a.m. and 10:30 a.m.

Anyone who wants to file a claim for benefits, get information, or transact other business with the Social Security Administration may contact him at this time.

**Water rates to go down in Ballinger**

The Ballinger City Council agreed, in a special meeting last Thursday, to implement a summer water rate that would lower the rate from \$3 per thousand gallons to \$2 per thousand gallons for water used over the three thousand gallon minimum.

The move was taken by the council to encourage irrigation, lawn improvement, and to save trees and shrubbery that had suffered from the severe water shortage last summer.

The new rates became effective Saturday.

There was no change in the rate charged for the first three thousand minimum.

City administrator Dennis Jones said that revenues from the water consumption would have to be maintained in order for the city to meet the bonded indebtedness incurred by the construction of the new lake.

City officials said the new rate is expected to reduce the monthly revenue by about \$11,000 per month, however it is expected that consumption will increase by about 50 percent which would result in about the same amount of revenue generated by the sale of water.

## B-1B arrives Saturday

The long-awaited arrival of the B-1B bomber at Dyess Air Force Base, Abilene, is set for this Saturday, June 29, with ceremonies, displays, and air shows open to the public. Visitors may enter the base at 10 a.m.

The arrival day theme is "The Evolution of Strategic Aviation." Strategic aircraft of today's Air Force will be on

display for public viewing, as will vintage bombers provided by the Confederate Air Force. The World War II era bombers will perform a flyover at noon. The B-1B is scheduled to be overhead at 1:40 p.m. for a flyover, with landing and subsequent arrival ceremonies scheduled for 2 p.m.

The Air Force's program to acquire the B-1B multirole, long

range strategic bomber is on cost and ahead of schedule at this time. The arrival of the first operational B-1B this week represents one of the program's most significant milestones.

Abilene and the Big Country will experience a \$121.1 million economic boost over the next three years as a result of the new bomber.

## Ballinger man dies in drilling rig accident

A 22-year-old Ballinger man was killed Friday morning while working on an oil rig on the 7D Ranch in far west Tom Green County.

Daniel Edward Small was pronounced dead at the scene of the accident by Tom Green County Justice of the Peace Charles

Long. Long ruled the death accidental.

The peace justice said that Small died from internal injuries that resulted from a crushed chest.

Long said that Small was working on rig number 11, own-

## Winters man held for sexual assault

Charges of felony sexual assault and charges of parole violation were filed against a former Winters man by Taylor County Sheriff's officers in Abilene last week.

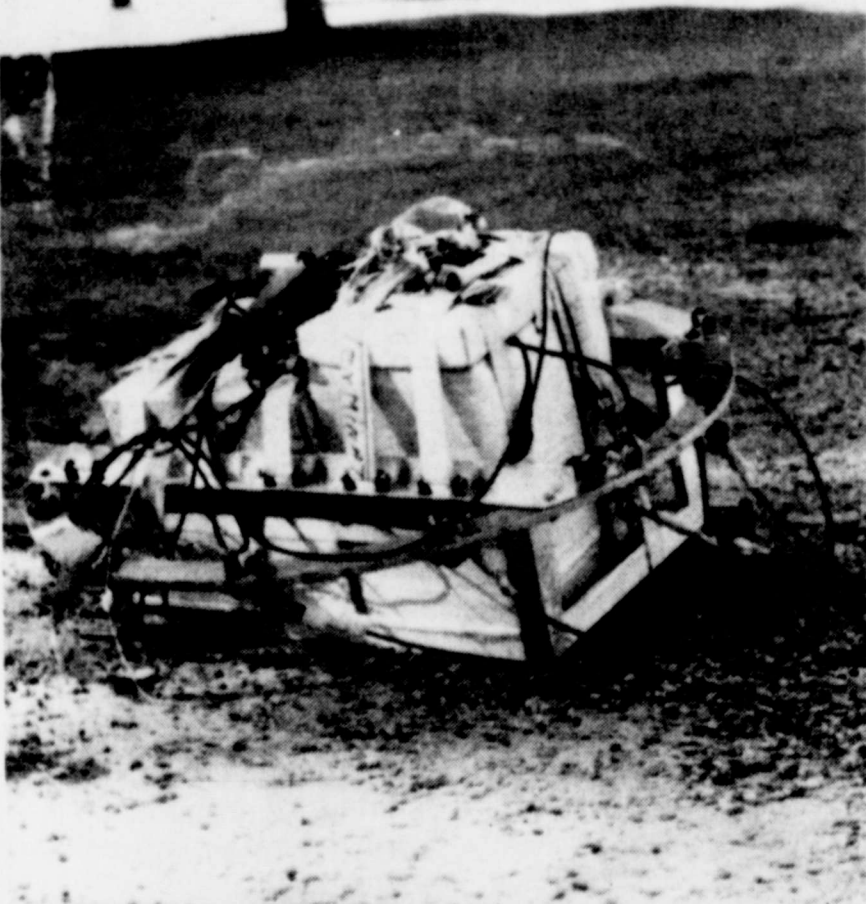

Bond of \$5,000 was set by Justice of the Peace Samuel Matta for Tony Johnson, 27, on the charges.

Officers in Taylor County also said that charges of unauthoriz-

ed use of a motor vehicle may be filed in Runnels County against Johnson in connection with a car that was taken from Winters last week.

Johnson was apprehended Monday afternoon by Taylor County Sheriff's officers, Texas Highway Patrol Troopers, and Tye Police officers after the vehicle Johnson was thought to

## Poor man's satellite

This package of instruments was recovered last Thursday about two miles east of the Winters Lake by police officer Richard Hawkins after a number of area residents noticed a large parachute drifting to earth in the area.

The parachute was first noticed about the time a loud sonic boom rattled the area and startled residents were looking skyward to see what caused the blast.

Bettie Furman, Staff Assistant to the Director at the National Scientific Balloon Facility at Palestine, in East Texas, said that the package was carried aloft by a huge, helium-filled, balloon early last Thursday morning and had drifted to this area.

The instrument package, or payload, carried photographic equipment to watch the reaction of a new type of balloon. The 3.24 million cubic foot balloon had ascended to an altitude of 118,400 feet before releasing the payload.

Mrs. Furman said the package was carried aloft on an "engineering flight for scientific research.

The National Scientific Balloon Facility is a NASA contractor for scientific research.

## Ballinger to celebrate 99th birthday

Welcome to Ballinger! On June 29, this community will be celebrating, Ballinger's Birthday. The 99th birthday to be exact!

We hope you will enter the tennis tournament as hosted by the Ballinger Tennis Association, and join in with the locals to celebrate this occasion. In doing so, we will be hosting our 2nd Annual Ice Cream Freeze-

off in Ballinger's beautiful City Park. The park is just a short, pleasant distance from the tennis courts.

BE BALLINGER'S "SPECIAL GUEST" during this weekend.

If you need information regar-

ding the freeze-off please call Ann Edington at 365-5067. If you have a question, regarding the tournament, the numbers are listed on BTA's information sheet.

So! Load up Granny, Grandpa, (See Birthday page 12)

## Winters Lions take championship

The Winters Lions, a major league softball team, won the area's league championship and recently played in a district tournament involving Anson, Ballinger, Jim Ned, and Hamlin, as well as Winters.

The Lions beat Anson in their first game, 23-2, and played in the finals on Saturday to defeat Hamlin by a score of 13-5. The girls held a season record of 11-1

with the only defeat going to Bronte.

The team scored a total of 278 points against their season opponents' 110 points. They had 21 home runs during the year.

The team is managed and coached by Michael and Mitzi Deike and has had lots of moral support and help from all the girls' parents.

**In Remembrance**

As a Sesquicentennial project, the Runnels County Historical Commission has prepared for the publication of a book which includes four volumes under one cover. It contains the records of all known cemeteries in Runnels County before the year of 1985. The importance of this work is emphasized by the Texas Historical Commission as an excellent source of history and of use to genealogists. It is also our desire to honor our beloved dead who contributed to the growth and welfare of the county, however long or short their lives might have been.

*In Remembrance* is the name of this book you'll want to own, to send to friends, to save for children and grandchildren.

A special pre-publication offering is to be announced for those who order early.

This work was begun as a Bicentennial project under the direction of the late Frank Duane Jenkins, a Historical Commission member. The first and second volumes, Ballinger and Winters, were completed and published in paperback. The

third volume, Miles, Rowena, and others, was finished and ready for publication before the untimely death of Mr. Jenkins on February 16, 1981.

With the exception of Crews, Wilmeth, Wingate, and Ballinger Mexican Cemetery, all others had been surveyed and the first draft completed by Mr. Jenkins.

The county has a total of 36 cemeteries. Bluff Creek of South Taylor County and Midway Cemetery in West Coleman County are included here because of their proximity and the number of Runnels County citizens buried there.

This publication is dedicated to the memory of Mr. Jenkins, whose greatest desire was to see this project completed. Mrs. J. Dexter Eoff made arrangements for the picture which was furnished by a sister, Mrs. R.C. Grolla of River Ridge, Louisiana.

An undertaking of this magnitude, with ten years in the making, has required much time and labor and involved many people. Under the leadership of Mrs. Edgar Boelsche, chairman, the Historical Commission is grateful to all those who have

given assistance and encouragement.

Mrs. J.W. Barr provided the historical marker and fenced the Content Cemetery.

We wish to thank Frances and Sheila Allen of Fort Worth for landscaping the Counts Cemetery, sponsoring the historical marker, and assisting with the recording of its graves; also to

Bayne Miller, Billy Earl Richey, and Cecil Gayler for its upkeep and preservation.

Mr. and Mrs. Norval Alexander and the M.L. Wood family were of great assistance in researching and compiling the Crews Cemetery information. John Hancock and Alton O'Neal, Jr. surveyed the Wilmeth and Wingate Cemeteries and O'Neal did much of the typing of all cemeteries for publication. He was assisted by Mr. and Mrs. Charles Ludwick and Mrs. Robert Leathers.

Neuman Smith, Robert O. Wright, and Anthony Lange researched and recorded the graves in the Ballinger Mexican Cemetery.

Gratitude is expressed to the Rains-Seale Funeral Home in Ballinger and the Winters Funeral Home for their cooperation in providing records. Linda Dry gave her assistance in copying the Winters records. Mr. and Mrs. Smith were responsible for bringing the list of graves up to the present in the Ballinger volume.

Those who provided information on history of the following cemeteries were: Bluff Creek, Mrs. Z.I. Hale and Mrs. Carl Hancock; Midway, Frank Armour, Route 1, Novice.

In the volume of Ballinger Cemeteries published in 1976, Mr. Jenkins gave credit to Dr. J. Dexter Eoff for his labor in printing the book and for his encouragement. The Ballinger Bicentennial Task Force of high school students and their director, Mrs. Jon McNeil, assisted in copying inscriptions.

The second volume of Winters Cemeteries was published in 1978 by the Runnels County Historical Commission under the direction of Rankin Pace, Chairman. Mrs. Pace and Mrs. George Poe assisted with the arrangements. It could not have been accomplished without the support of the businessmen and citizens of Winters.

Due to human error and lack of information, many graves are unmarked; it is inevitable that there will be omissions. Those who have information are en-

couraged to bring inscriptions on gravestones up-to-date and to provide stones where needed while there is yet time.

The entire membership of the Runnels County Historical Commission has supported this pro-

ject and provided the financial backing to publish this important addition to Runnels County history. Mrs. George Poe,

secretary of the Commission, has served as coordinator. The work of recording was completed April 1, 1985.

**Letter to the Editor**

Dear Sirs:

Now that Little League is over I would like to say a few words of appreciation to the people who really made it worthwhile, the dedicated coaches and managers who spent countless hours of time to teach and train the boys and girls the game. How to win and how to lose and still be fair and honest in their playing. My son Wes has been fortunate the last two years to have had what I consider two of Winters Little League's finest, Adolfo Torres and Van Spill. This is not to say there weren't more of their kind but I know this personally about Adolfo and Van.

Thanks for a fine job.  
 A parent and son,  
 Edwin and Wes Hart

**Bible School slated**

The United Methodist Church and St. John's Lutheran Church combined Bible School will be beginning soon in Winters. It will be held July 8, through July 12, at the United Methodist Church building.

This year classes will be held in the evenings, 7 p.m. to 8:30 p.m., so the entire family may attend. Age three through adults will have classes. Pastors Gary Turner, and Steve Byrne will instruct the adult study.

Evenings will begin with opening exercises and singing as groups, and then break into individual classrooms. A refreshment time will conclude Friday evening with an ice cream social.

The theme of study for the week is "Prayer". All age groups will implement this theme in their classes.

Pre-registration will be held Saturday, July 6, 10 a.m., at the United Methodist Church. A movie will be shown with popcorn served for the children. You need to be registered to attend Bible School.

Bring the whole family and come enjoy study and fellowship at Vacation Bible School!

**Summer gardens should be colorful**

A number of outstanding colorful annuals and perennials are available to provide color and beauty to gardens and yards during the hot days of summer, says a horticulturist with the Texas A&M University Agricultural Extension Service, The Texas A&M University System. Among these are the vinca or periwinkle, zinnia, Gloriosa daisy, portulaca or moss rose, salvia, summer or late cosmos, and marigold. All of these offer an array of landscape color with a minimum of care.

## Ruth Craig, Bradley Pape marry

Bradley Pape, Crews, and Ruth Craig were united in marriage Saturday, June 22 at 2 p.m. in the home of Mr. and Mrs. N.L. Faubion.

Reverend James C. Shipman, pastor of Hopewell Baptist Church, officiated at the double ring ceremony.

Wedding music was provided by Harvey Joe Penny who sang three selections, ending with The Lord's Prayer.

Elaine Kennedy, Houston,

daughter of the bride, was matron of honor. Walter H. Pape, Jr., brother of the groom, was best man.

A reception followed the wedding in the Faubion home. The color theme was tangerine and gold. Members of the houseparty were Bernie Faubion, Carolyn Kraatz, and Amantina Faubion.

Mr. and Mrs. Rodney Faubion hosted the noon dinner in their home for the wedding guests.

## Crews

By Hilda Kurtz

A secret: something you tell one person at a time.

Hopewell Baptist Women held their Bible study Monday morning in the Fellowship Hall.

Ann Terhune of Arlington, daughter of Lilly Presley, and son Steven spent Tuesday through Friday.

Mike Hill, Sweetwater, spent the weekend with the Robert Hills. Ronald Hill came on Monday.

Jennifer and Jeffrey Byrd, Abilene, grandchildren of the Kat Grissoms, spent a week. Their mother Phyllis came Friday afternoon to take them home.

Scott Gerhart was home over the weekend from Tarleton College, Stephenville, with the Marvin Gerharts.

Sam Brown, Ballinger, spent several weeks out here with his grandparents, the Sam Faubions, helping with field work.

Sissie Alexander and I had breakfast with Minnie Nutt in San Angelo on Wednesday. We did some shopping. Since then Sissie fell at her home and broke her wrist on Saturday. We are sorry to hear this.

Hazel Mae Bragg was in San Angelo Wednesday while her granddaughter Amy Bragg had her tonsils out in Shannon Hospital. Amy is doing just fine.

Visiting with the Coleman Foremans during the week were Nila Osborne, Bernie Faubion, and Brother Jim Shipman. On Sunday Coleman attended the Foreman reunion in Comanche. 67 attended.

Melissa Faubion returned home to Fort Worth with her dad Lynn Faubion for a visit and to attend basketball camp at T.C.U.

Pat and Earl Cooper were in Hawley where they attended a baseball game and watched their granddaughter Gina play on Thursday afternoon. Afterward they spent the night with Ray, Cherry, and Amanda Cooper in Abilene. Ray spent Saturday and Sunday here with his folks.

Betty and Karon Tenny of Arlington spent Friday till Sunday with Mrs. Effie Dietz. On Saturday they all went to Mrs. Inez Hambright's 80th birthday

ment. At last word she was doing okay.

Betty and Karon Tenny, Carl and Bessie Baldwin's grandchildren, had supper with them on Saturday.

Aubrey and Pat Faubion and Noble and Harvey Mae Faubion went in to Coleman to see their brother-in-law Buford Goode in the hospital Sunday night. He is very ill.

Alta Hale is home after months in hospitals. She has a

lady staying with her from Coleman. Her visitors during the week included Brother Jim Shipman and Jackie, Sam and Dee Faubion, Noble and Harvey Mae Faubion, Claudie Hill, Hazel Mae Bragg, Leona Tombs, Maggie Ruth Stokes, Mr. and Mrs. Lowell Fuller, Midland, Mr. and Mrs. Lowell Whittley, Coleman, and Mr. and Mrs. Howard Morrison.

Happy Birthday to Mrs. Louise Michalewicz.

## Paschal's grandchildren win honors

Robert Edwin Wood and Kimberly Kay Wood of Sutherland Springs, Texas, grandchildren of Mr. and Mrs. Harold Paschal of Winters, have been named Academic All-Americans by the National Secondary Education Council.

The youths are children of R. Dwayne and Barbara J. Wood. Robert is 16 and Kimberly is 15 years old.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the academic disciplines. To be eligible for the honor, students must earn a 3.3 grade point average and be selected by a secondary school instructor, counselor, or other qualified sponsor.

Robert has participated in the Art Club, Speech and Drama Club, school newspaper and yearbook, 4-H, and UIL one-act play.

Kimberly served as Freshman Class Reporter and newspaper staff member, and has been involved in 4-H, band, and the English Club.

Whenever you are asked if you can do a job, tell 'em, "Certainly I can!" Then get busy and find out how to do it.

**Turnrow Tidbits**  
**General Situation**  
The general situation for cotton in Runnels and Tom Green Counties right now is just great. We have good moisture conditions in most areas and the cotton is grown fast.

Almost all the cotton is planted by now and it ranges in age from just emerging to fourth true leaf.

Insect populations are generally very light in area cotton fields so far.

Grain sorghum is also doing very well. It ranges in growth stage from just booting to soft dough. Some fields could use a little more rain soon by we're still way ahead of last year's crop!

The insect pest populations in grain sorghum are very light now. A few greenbug colonies can be found and corn leaf aphids are present in most fields. Neither are causing any problem; in fact, they are probably attracting beneficial insects.

**Thrips**  
Thrips are tiny (about 1/16-inch long) slender straw-colored insects with rasping-sucking mouthparts. Thrips attack leaves or leaf buds causing deformed or blackened leaves.

Thrips damage in cotton is usually most evident in cool, wet periods when small cotton is growing slowly. It may be further compounded by rain, wind, sand or disease damage.

In scouted fields so far this season, thrips damage has been minimal. Even though we have had a few cool, rainy days, growing conditions are good and the cotton is making excellent progress. Under favorable growing conditions, cotton can outgrow thrips damage very quickly.

**Jumbos**  
It seems that we too will experience some of the severe grasshopper problems that we have heard about in other areas. Some producers are noticing stand losses around field margins extending several yards out into their fields as a result of jumbo grasshoppers.

Jumbo grasshoppers are large clumsy grasshoppers with wings that never fully develop. They are strong jumpers and voracious eaters!

When cotton is very small, until it develops some true leaves, it only has one growing point per plant. After more leaf nodes have developed, the plant can recover and grow from each node.

Because of this jumbo grasshoppers can quickly reduce a stand of seedling cotton with a well-placed bite on each little plant.

Now the tough question is what can we do about these hoppers. First of all, don't expect

miracles!! Some folks west of us have sprayed fields, put ditches around fields, put baits out, cussed and cried and the STILL have hoppers!

Several insecticides are labelled for use on grasshoppers and do offers ome control. Orthene, Sevin, or Malathion ULV are labelled for use in pastureland. Be sure to follow the grazing restrictions carefully. Bidrin is labelled for use in the cotton itself and is providing pretty good control of the hoppers. If you need more information call and I'll try to help. Good Luck!

**Advanced warning**  
Only fools, weathermen, and crazy entomologists make predictions, but here's one anyway.

From what I hear from other entomologists around the state, we'd better watch out for fleahoppers this season. Other areas are having serious problems with the pest and we need to be prepared.

A lot of you are not used to making insect control decisions so early in the year. Start thinking about it now so you'll be ready to make a timely decision when needed. Timing is critical for effective fleahopper control and we won't have much time to mull it over.

Fleahopper control can be achieved very inexpensively when Insecticides were applied over the row with a ground rig.

Now I said it so we probably won't have a fleahopper around for miles. That would be fine!

**Boll weevil trap catches**  
Boll weevil trap catches are still lower than "normal" but higher than last year. It would be reasonable to expect weevil problems late in the season if we continue to have good growing conditions.

**Shell bug report**  
Shell bug reports for the Rolling Plains will be aired daily, Monday through Friday on KRUN, Ballinger 1400 khz 6:10 a.m.

These reports will give current insect information for cotton in the Rolling Plains.

**Pest management news**  
All the scouts have been selected and began work June 3. The scouts for the 1985 Pest Management Program are: Brian Braden, Karen Braden, Doug Jansa, Paula Jansa, Kim Jost, John Merrill, Steve Ocker, Dickie Rodriguez, Gina Rosson, Gary Schaefer, Staci Schwartz, Greg Schwertner (Scout Supervisor) and Nell Ballard (Demonstration Aide).

All the fields will be scouted on schedule this week. If you have any questions, please call your scouts, Greg or me.

**Challenges face Texas farmers**

The new president of the Texas Farmers Union called today for 'energy and activism' on the part of Texas farmers as the 1985 Farm Bill discussions begin to heat up in Washington, D.C.

Joe Rankin, long-time TFU vice president, and the successor to Mike Moeller, the former TFU president, spoke of the challenges facing Texas farmers as the nation's food and fiber legislation is written in Congress this year. Rankin had just returned from a meeting of Farmers Union presidents from across the nation, and Farm Bill talk was the dominating theme.

"Texas is the second largest state in terms of agricultural production in the Union, and we have the chairman of the powerful House Agriculture Committee, Kika de la Garza, from here in our own state," says Rankin.

"Yet farmers here in Texas aren't identifying the need to become active in working their Congressmen, or calling their Senator, or even writing the President on farm issues. The legislation that is being written right now in Washington is a law that might carry us on until 1999. If farmers aren't involved in the process of writing that law, then that type of 15 year Farm Bill ought to be scary."

"Our elected officials are going to determine for us what principals and objectives that we farmers are going to work under for at least four years, and possibly longer. The Texas Farmers Union advises farmers and ranchers to reach down and find some energy and activism, and go out and get their hands dirty in farm policy, since it is likely that is the only way to have a say over what your future is in farming, and your children's future."

Policy positions formulated at the Denver meeting of the twenty-plus farmers Union chiefs were:

Adamant opposition to the so-called moving average of commodity prices to determine future farm price supports.

Support of a proposal now being entertained in Washington to establish an Agricultural Conservation Corporation to purchase farmland and keep land prices from further bottoming out.

Any new farm program must have its primary focus the return of profitability to agriculture, so that farmers and ranchers can maintain their operations, pay their debts, and consequently revitalize the struggling rural American economy.

**Community tree care is important**

Trees are important to a community, and everyone should have a hand in their management, says a forestry specialist with the Texas A&M University Agricultural Extension Service, The Texas A&M University System. This "urban forestry" involves caring for trees in areas where man has significantly affected the "natural" ecosystem by his structures or manipulations.

Trees help moderate temperatures in the summer while reducing wind velocity and creating sheltered zones in the winters. Tree planting programs should take into consideration future maintenance problems, drought resistance, size and adaptability to the planting site.

**Farm manager is key to safety**

The responsibility for making farming a safer business rests squarely on the shoulders of the farm manager, says a safety engineer with the Texas A&M University Agricultural Extension Service, The Texas A&M University System. A farm manager should promote a good attitude toward safety. He must also train workers properly so that they know how to do their jobs safely.

In addition, he should enforce safe work methods and procedures and conduct periodic observations to check worker compliance with safe practices. A farm manager also should prevent unsafe conditions, make periodic safety inspections of equipment and facilities, and correct unsafe conditions immediately. A safety-conscious farm manager also keeps abreast of the latest information on safe operating procedures.

If you don't get what you want, it is a sign either that you did not seriously want it, or that you tried to bargain over the price.

**AARP being misrepresented in some areas**

The American Association of Retired Persons (AARP) and various law enforcement agencies have been receiving an increasing number of complaints about sales agents who are fraudulently selling estate planning services by claiming to represent the "AARP Trust Division". AARP has no Trust Division and no sales agents authorized to visit or telephone members.

Persons claiming to represent AARP services are currently active in north central Texas and use a P. O. Box in Edmond, Oklahoma.

Their general approach is to contact older persons who have responded to an advertising coupon from the National Estate Information Service in Washington, D.C.; this coupon allows people to request information on estate planning and/or the Uniform Gift to Minors Act. People then contacted directly by individuals who want to deliver the "information" personally.

In similar cases in Weatherford, Bridgeport, Decatur, and Wichita Falls, Texas, older persons have been deceived into turning over personal checks in the amount of \$983.00.

It has always been a very strict policy of AARP to limit the offering any AARP services to informational mailings only. There are no authorized agents of official AARP service providers who contact members by phone or in person to sell insurance, financial services, or other products. AARP does not provide the name, address or telephone number of any members to organizations other than those officially designated to provide services to AARP members.

Older persons especially should be wary of any high-pressure sales approach, particularly by individuals who claim to represent AARP. They should contact their local law enforcement agency or Better Business Bureau and AARP's regional office at 6440 North Central, Suite 700, Dallas, Texas 75206, telephone 214-369-9206.

**San Antonio will host Texas Games**

Texas will be the place to be in 1986 for active athletes as well as the "armchair" variety, when the state plays host to several major sports events planned especially for the Sesquicentennial. The latest of these, a convocation of amateur athletic events called the Texas Games, will soon be "signed up" with the Sesquicentennial Commission as an official event.

The Sesquicentennial will provide the ideal vehicle to launch the first Texas Games, based on an idea for a state amateur athletic event that was first proposed to the Texas Legislature in 1983, said Association Executive Director Joe Wilson. The inaugural Texas Games will be hosted by the city of San Antonio July 25-27 and August 1-3, 1986, and will become a yearly event thereafter.

The Games will consist of the following events: adult baseball, youth and adult boxing, youth and adult golf, men's fast pitch and men's and women's slow pitch softball, youth swimming, youth and adult tennis, youth and adult track and field, and a 10,000 meter run for all ages. A number of other noncompetition "demonstration" events, such as polo and soccer, will also be featured and will be considered as competitive events for future Games, said Wilson.

Events will be held at various city and private locations throughout San Antonio, and will be hosted by the San Antonio Parks and Recreation Department. "The Texas Games are also part of the San Antonio Sesquicentennial Commission's overall sports program," said Wilson.

The Games are expected to draw some 15,000 athletes, and many more officials and other events coordinators. Participants will be those persons who qualified earlier in district events held in each of the Association's state regions.

The Texas Games will open with a gala celebration similar to that of the Olympic games, said Wilson. "We hope to have some kind of torch carrying event, perhaps from the Capitol in Austin to San Antonio, and there will be bands and fireworks, hot air balloons, and other festivities."

For more information about the Texas Games, contact Wilson at 512/835-1434.

By Maggie Ruth Stokes

I am sure enjoying this cool weather we are having this June. We need rain again.

Bud and Viola Williams of Brownfield, and Cliff Williams of Valera, visited Anna Lee Ray on Thursday afternoon of last week.

On Monday afternoon Anna Lee Ray visited her cousins, Mary Johnson and Mr. and Mrs. Luther Johnson, in Coleman.

Melvin and Francis Faglie of Sweetwater visited Gordon and Louise Brookshier on Saturday afternoon and ate supper with them. Francis is a niece of Louise.

On Saturday, June 15, Newt and Marie Bains went to their parents graves at Crews and Oplin, and came back by Tuscola and attended the Samson reunion.

On Wednesday of last week I visited Johnny Thompson in the St. John's Hospital in San Angelo. She will go soon to the Baptist Geriatric Hospital, for therapy for a while.

Horace and I went to the Albany Fandangle on Thursday night with Don and Merl Smith, we enjoyed it.

Alta Hale returned to her home at Crews last Tuesday. Viola Fields of Coleman, is staying with her. On Sunday afternoon Edith Toombs, Leona Poe, Loy Whitley of Coleman, and I visited her. She played 42 a short time. We hope she continues to improve.

Arlotta and Dale Herring were lay delegates to the Central Texas Annual Conference of the United Methodist Church, which was held in Waco, June 2-5. They represented the first United Methodist Church of Ballinger and the Norton United Methodist Church. In Waco they visited in the home of Rev. and Mrs. W. F. Smith. Brother Smith was a pastor of the Talpa Methodist Church from 1929 to 1932. Rev. Smith celebrated his 91st birthday on June 20, and they will be celebrating their 64th wedding anniversary July 31, 1985.

Dale Herring had a nice visit with Christine Daucer Everett of Houston, recently in the home of Bob Long in San Angelo. Christine is a cousin of Dale's, whom he had not seen in 40 years. Bob is a nephew of Christine and also a cousin of Dale. Rev. Bob Long is pastor of Our Saviour's Church in San Angelo.

Mike and Debbie Priddy are having a new rock home built. It is right south of their present home. This is on the old Witt Tabor land. Some people away would want to know where it is located. We are always happy to

have new homes built in the Talpa area.

Maxine Douglas is building a new home on the Bertrand place, just west of the old home. It is a large house, about half completed.

Clyde and Edith Hollinger and Jennifer Hayden went to Robert Lee Sunday, and spent the day with James and LaNell McClure.

Tommy Rush has opened up a Saddle and Ranch Supply Store in Talpa. He is selling new and used saddles, and all horse supplies and horse feed. He is in the old Guy building.

Larry, Shirley, Larry Gene and David Williams of Shields, Gary, Patti, J. J. and Shelley Williams of Rosenberg, Bill, Debbie and Ronnie Turk of Ballinger visited Bill and Lillian Turk Sunday.

Nita Mathis, Donna McKoskey and children of Lamesa, visited Orby and Thelma Sikes over the weekend and Patsy Hudgins is spending this week with them.

Mike, Debbie, Julie and Matt Priddy visited Mr. and Mrs. J. L. Priddy in Winters Sunday afternoon.

Darrell and Ann Green took Amy to Comstock on Friday to stay a few days with Staci King.

Harold Warren, of Dallas, spent the weekend with Ollie Warren.

**Most Wanted**

A dying man's declaration has resulted in Marcello Santoya, Jr., being placed on the Texas Most Wanted list.

Investigators say Alan Carner, 19, was fatally shot in broad daylight as he was walking down a street in Irving on January 13, 1982.

While paramedics vainly tried to save Carner's life as he was being rushed to a nearby hospital in an ambulance, the young man told a police officer that Santoya was the person responsible for the shooting.

Detectives say Carner had been dating an acquaintance of Santoya's and that this had created bad blood between the two young men. There had been several altercations involving the pair.

Carner told investigators just before he died that around 4 p.m. on January 13, Santoya drove up next to him as he was walking down the street and shot him one time in the back.

On February 15, 1982, a Dallas County Grand Jury indicted Santoya for Carner's murder.

This week a reward of up to \$1,000 is being offered for infor-

**More oilfield fines set by commission**

Twenty-one oil and gas operators based in Texas, Mississippi, and Oklahoma were fined a total of \$51,700 last Monday by the Railroad Commission for violations of Commission well plugging rules.

In each of the cases, wells were inactive and unplugged for one or more years. Commission rules require operators to plug or bring back into production wells that are inactive for more than 90 days.

the area are wanted as well as older family recipes and histories. The ladies want this Cook Book to be a true representation of every family in the Runnels County and Winters area, newcomers, and old timers. They don't want anyone to be left out. Recipes can be left at the Chamber Office and they are needed very soon.

July 4, next Thursday, will be celebrated by family get-togethers and by church picnics. We encourage everyone to drive carefully and play safely.

We need you all and don't want anyone to have a Holiday with bad memories. So-let's take it easy out there.

Friday, July 5, will be another First Friday Trades Day for Winters. Watch for bargains and surprises in all the local businesses in town. It will be well worth your time and you can visit with old friends who are home for the holiday weekend.

The stiffest penalties - from \$3,000 to \$6,000 - were assessed to operators who failed to appear at hearings called by the Commission to inquire into the violations.

Receiving \$3,000 fines were Petro-Cap, Inc. of Midland for one well on the Marks B-1 lease, and Dana Energy Corporation of Big Spring for a well on the Rodger Kruse lease. Both leases

are in Runnels County.

In other penalty action, 12 operators agreed to penalties of \$500 to \$2,200 for similar violations of Commission well plugging rules. R & W Operating, Inc. of Dallas was fined \$1,500 for one well on the E.W. Hennig lease, Coleman County; and Stroube Exploration, Inc. of Abilene, \$1,000 for one well on the Ashton lease, Runnels County.

Also receiving penalties were Sumik Drilling, Inc. of Denton, \$500 for one well on the A.J. Glass lease, Runnels County, and J-B Production Company of Denton, \$500 for one well on the Geistman A lease, Runnels County.

Under state law, the Railroad Commission has the authority to levy up to \$10,000 per day in penalties for pollution violations of the Texas Natural Resources Code and Commission regulations.

Anyone with information on the location of Santoya is asked to call the Texas Crime Stoppers Advisory Council toll-free at 1-800-252-8477 or their local Crime Stoppers program. Callers do not have to reveal their identities.

Santoya is 5-6, 130 pounds with black hair and brown eyes. He will turn 24 on July 4.

Detectives say Santoya has a string of arrests and his criminal record includes a conviction for obstructing police. However, since Carner's shooting, Santoya has avoided any contact with the law. He is believed to still be hiding out in Texas.

## Mildew on house can be removed

You may have to live with the summer heat and humidity, but you don't have to live with the unsightly mildew growth it produces on the exterior or your house, says housing specialist Dr. Peggy Owens. She suggests a cleaning solution of one quart liquid chlorine bleach, one-third cup of powdered laundry detergent and three quarts of warm water. Use the solution with a fairly soft brush to scrub affected areas and then rinse well with clean water. Because this cleaning solution is strong, the Texas A&M University Agricultural Extension Service specialist advises wearing rubber gloves and protective clothing to avoid contact with the skin. Shrubs and grass near the wall should also be covered with plastic sheets.

## Lloyd Bentsen receives award

Senator Lloyd Bentsen was presented the National Security Leadership Award by the Coalition for Peace Through Strength in recognition of his leadership in support of a strong national defense.

The award was presented to Senator Bentsen by Kenneth A. Steadman, Director, National Security Affairs, Veterans of Foreign Wars, at an awards reception in the Longworth House Office Building.

The Coalition for Peace Through Strength is a bipartisan alliance of pro-defense leaders including 241 members of the U.S. House and Senate and 162 national organizations. The American Security Council Foundation serves as the educational coordinator of the Coalition for Peace Through Strength.

At the reception, ASC Foundation President John M. Fisher said, "It was with great pride and satisfaction that the members of the U.S. Congressional Advisory Board saw this National Security Leadership Award presented to Senator Lloyd Bentsen."

"Senator Bentsen has always been in the forefront of those Members of Congress who know that a strong America is a secure America; who know that weakness only invites aggression; and who know that only a national strategy of Peace Through Strength will insure this nation's security."

## FHA have many summer activities

FHA has been active this summer. They began by having two workshop days for officers. This year the officers workshops were held in coordination with Ballinger and Jim Ned's FHA.

The first day they met in Ballinger, exchanging new programs and projects for the 1985-86 school year.

Another day was spent in Abilene learning more about Parliamentary procedure. Mrs. Emogene Emery, a certified Professional Parliamentarian, was the director of the workshop.

Plans are being made to work with the Young Homemakers on their park project.

## Texas Tech reveals dean's honor roll

Marianne Mostad, Route 1, Winters was among eighteen hundred students at Texas Tech University who qualified for the president's and dean's honor rolls in the university's six colleges during the 1985 spring semester.

To make the President's Honor List a student must earn a 4.0 (A) grade-point average while enrolled in 12 or more semester hours of classwork. For the Dean's List a student must finish 12 or more semester hours with a grade-point of 3.5 or higher.

## New cool cooktops heat by induction

An innovation in energy-saving cooking equipment—the induction cooktop—is not the same thing as the smooth top ranges that have been on the market for several years. "They both have a smooth glass top, but that's about the only similarity," says consumer economics specialist Bonnie L. Piernot. Induction units, such as the cooktops, heat the cookware itself and the cookware heats the food. A high frequency induction circuit just below the cooktop surface will heat any pan with a magnetic bottom. "The pan itself gets hot, not the cooktop," explains Piernot, a home economist with the Texas A&M University Agricultural Extension Service.

## In Loving Memory of My Beloved Son Clay Leverett

My Clay you're not lonely any more  
Love and light guided you through  
Heaven's Door.  
You walk with God  
Now on sacred ground forever more  
to tread.  
The emptiness of this world you gladly  
traded in  
You gave up all this world so full of sin.  
Cradled so safely in Jesus' arms  
Safe at last from Life's many harms  
Beneath the ground your body lies  
Your spirit has flown beyond the skies.  
But I still miss your body and spirit too.  
Because your flesh I touched and knew  
If I could talk with you this day  
I know the words I'd want to say  
I miss you, I Love you, I want to see you.  
Someday all this I'll get to do.  
For now just know this.  
It's you I really Love and miss.

### NOTICE OF INTENT TO IMPLEMENT RATES

General Telephone Company of the Southwest in accordance with the Public Utility Regulatory Act and the Rules of the Public Utility Commission of Texas gives notice of its intent to implement new exchange access rates for the provision of shared tenant and tenant resale services.

These proposed rates are applicable to customers of General Telephone Company of the Southwest, excluding hotel/motel customers, who provide local exchange telephone service of General Telephone Company of the Southwest to their tenants or patrons on a resale or shared use basis. This resale or sharing arrangement is normally provided utilizing a customer-provided PABX or other similar stored control switch capable of common control processing or other features commonly associated with a PABX "Smart" switch.

These proposed rates are designed to recover costs on a usage basis for local exchange telephone service access and are identical to General Telephone's "Optional Measured Service" rates. The monthly access rate will be \$28.95 per trunk line and the usage rates are as follows:

Over	Up To and Including	Band	Set Up	Full Rate Period Each Minute
0	7 miles	A	\$ .025	\$ .015
7	14 miles	B	.035	.021
14	21 miles	C	.050	.030
21	28 miles	D	.070	.042
28		E	.090	.054

As this is a new service offering, we are unable to determine the number of customers who may be affected. Currently, there are no known prospective customers. Until any customer utilizes this new offering, there will be no effect on the revenues of the telephone company, and in any event, the telephone company does not expect revenues to be affected by more than 2 1/2 percent. These proposed rates, where applicable, will provide tariffed local exchange access to customers who then will provide shared or resale services to tenants.

These proposed rates have been suspended by the Public Utility Commission of Texas and will become effective as proposed or modified by order of the Commission on a date to be determined by the commission.

The proposed rate schedule is on file with the Commission for public inspection and is also available at any business office of General Telephone Company of the Southwest.

Persons who wish to intervene or otherwise participate in these proceedings should notify the commission as soon as possible. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N Austin, Texas 78757. Further information may also be obtained by calling the Public Utility Commission Consumers Affairs Division at (512)458-0223 or (512)458-0227, or (512)458-0221 teletypewriter for the deaf.

## We Can Beat Crime in Runnels County

Call: Runnels Co. Crimestoppers 365-2111 or call the operator, and ask for ENTERPRISE 67574

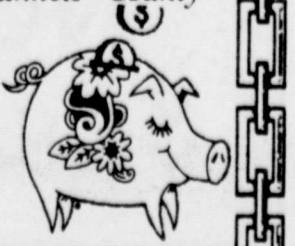

### Crime Of The Month June 1985

On Thursday, May 27, 1985, the Antoine Albert home at 40 Sierra Camino in Ballinger was burglarized. The burglars entered the garage and took one very large red tool box, one medium red tool box, one small green tool box, and one black leather medical bag. All of the tool boxes contained an assortment of tools and PVC pipe fittings and couplings. A black and yellow pump was also taken.

We believe that a pickup truck was used in the burglary and that there may have been more than one person involved.

If you saw a strange vehicle or suspicious looking persons around this residence on May 27th between 10 a.m. and 12 noon, or if you have any information that may lead to the arrest and indictment of the persons involved in this burglary, please call Runnels County Crimestoppers at 365-2111 or dial the operator and ask for Enterprise 67574.

We do not want your name, just your information. Your help may be worth a cash reward of up to \$1,000.00; so please call today.

Mrs. Alta Lemons of Lubbock visited over the weekend with Mr. and Mrs. Charlie Strickland and other friends and attended church services at the Blackwell Baptist Church. Then they had lunch with Mr. and Mrs. Grady Patterson and visited with them Sunday afternoon and night and Monday.

The Lemons lived at Oak Creek Lake for several years before moving back to Slaton; so she wanted to go fishing at the lake. She went twice but did not have any luck either time. Come back soon, and here's hoping you have better luck next time.

Mr. Lemons passed away last February.

Blackwell had another good yard and garden shower last Tuesday afternoon, receiving only two-tenths of an inch of rain, but we have had nice cool weather ever since.

Mrs. Bill Pate of Snyder, a long-time resident of Blackwell, several years ago, passed away in the Snyder hospital last Sunday night and was buried in the Snyder cemetery.

Decker Reunion The annual Decker reunion was held Sunday, June 2 at the roadside park seven miles north of Blackwell on Highway 70.

Officers were elected at the reunion which was attended by 63 persons.

The new president will be Elmore Alexander; Vema Marchant will serve as secretary, and Jewel George as treasurer. The group voted to give some money to the Decker Cemetery, and a committee was selected to take charge of future improvements and business for the cemetery.

A tribute was paid to those who had passed away since the last meeting: Cal Alexander, Laura Mae Jones, Lee Keating, Elsie Hendrix, Addie Christine Blankenship, Tess Marchant, and Bill Sneed.

Attending from Maryneal were Mr. and Mrs. Johnny Adams, Elmore Alexander, Agnes Wilks, Mr. and Mrs. Jess Hill and Mr. and Mrs. J.G. George.

From Blackwell were Messrs. and Mmes. Abe Lanier, Cecil Crain, and Grady Patterson; Eppie Crain, Ryan Groves, Melvin Tubbs, and Mary Louise Alderman. Kelli Crain of San Angelo and Larimae White of Odessa also attended.

Sweetwater residents who attended the reunion included Jewel George, Nadine Moore, Ella Mae Sedberry, Vema Marchant, Dabner Harris and George Hollowell.

Mrs. Elnore Monroe, Mrs. Bobby Hyde, and Mendy Reynolds represented Nolan, while Orville and Rosiland Calyer and Juanita Woodie, all of Abilene, were present.

Second place: Brandee Tucker, daughter of Mr. and Mrs. Skeeter Tucker, Miles.

Red ribbons went to Debra Franke and Sherry Schaefer, both of Rowena; and Susan Minzenmayer, Winters.

Blue ribbons were given to Crystal Calhoun, Rowena, and Brandee Tucker, Miles.

### Senior Division

First place in active sports-wear and a blue ribbon went to Caroline Niehues, daughter of

Mr. and Mrs. Alvin Niehues, Norton.

First place in non-tailored wear and a blue ribbon went to Diane Kalina, daughter of Mr. and Mrs. Bennie Kalina, Miles.

Prior to the show, Wanda Lange of Rowena judged each garment on construction.

At the revue, the judges were Lisa Kasberg, Miles, Judy Cardwell, Ballinger, and Marty Stultz, Eden. Mandie Armstrong, County Entomologist, tabulated scores.

Bonnie Reed of Norton was the commentator. Curtis Thompson, Assistant County Extension Agent, presented ribbons and gift certificates to the participants. Allen Turner, County Extension Agent, gave certificates to the leaders who assisted these 4-H'ers.

The leaders who received certificates were Debra Tucker, Rita Moeller, Linda Day, Carolyn McCown, Renee Heinze, Clara Eggemeyer, Rose Eggemeyer, Clara Kalina, Beverly Teplicek, Linda Urbanek, Ann Strube, Caroline Niehues, Mandie Armstrong, and Janice Niehues.

The first and second place winners of each division were awarded gift certificates from the following merchants of Runnels County: Heidenheimers, Winn's, Springer Fabrics, and Merle Norman, all of Winters; and Winn's and Merle Norman, both of Ballinger.

The Runnels County Farm Bureau donated funds to help defray expenses of this event.

## Kids Create A Party

### BERRY BANANA FROTH

1/4 cup Lipton® Lemon Flavored Iced Tea Mix  
Sweetened with NutraSweet®  
1 1/2 cups water  
1 cup strawberries  
1 medium banana  
1 1/2 cups ice cubes (about 9 to 11)

In blender, combine all ingredients except ice; process at high speed until blended. Add ice cubes, one at a time; process at high speed until blended. Makes about 5 servings.

### CREAM CHEESE 'N HONEY FROSTING

2 packages (3 oz. ea.) cream cheese, softened  
2 tablespoons honey  
1 teaspoon vanilla extract  
Food coloring (optional)

In medium bowl, with electric mixer, beat cream cheese until smooth; blend in honey and vanilla. Makes about 1 cup.

Rather than prepare your child's next party all yourself, why not let the kids in on the action too? Kids are natural cooks, and their involvement in preparing simple recipes can be fun as well as a great learning experience!

Instead of the usual soft drinks, the children can help blend up Banana Berry Froth, a cool and frosty beverage. It combines fresh bananas and strawberries with ice cubes and iced tea mix sweetened with NutraSweet®. The tea complements the fresh fruit and creates a special taste the kids will love, without adding any extra sugar.

Cookies made from refrigerated cookie dough and homemade Cream Cheese 'n Honey Frosting are a delightful treat to serve with the beverage. Simply shape or cut the dough into fun characters and bake. During the party, the kids can use their imaginations to create and decorate the cookies themselves!

The day is sure to be a hit 'cause children always love to eat foods they've helped to prepare.

## 4-H'ers participate in judging contest

The Runnels County 4-H participated in the judging contests at Sonora on June 11-13. In the Wool Judging contest, H. A. Belk, of Norton, was 3rd high individual in the Junior Division, and Heath Belk was 4th high individual in the Senior Division. The Junior Judging team placed 3rd overall in the Wool Judging. The team members are H. A. Belk and Barbara Belk, of Norton, and Chris Edmondson and Bobby Jennings, of Ballinger. The Senior Judging team placed 2nd overall in the Mohair Judging contest. Heath Belk was the 3rd high individual in this contest. Other members were Ronald Niehues and Connie Robinson, of Norton, and Jill Smith from Ballinger. In the Livestock Judging contest Runnels County placed 4th in the Senior division and Ronald Niehues was 2nd high individual. The team members were Heath Belk, Ronald Niehues and Jill Smith.

In the Junior division of the Wool & Mohair Show, Bobby Jennings, had the Grand Champion Wool Fleece in the Wool Show.

The Mohair Show had Heath, H. A. and Barbara Belk, of Norton, participating with their mohair fleeces.

The Sonora Wool & Mohair Show is an excellent opportunity for wool & mohair producers to exhibit their top quality production.

## Big crowd turns out for play day

The participants received points according to their place in each event in their age groups.

The top four places in each group after the first Play Day are as follows:

**Age Five and Under**  
Austin Jobe 27, Courtney Colom 19, Lance Guevara 16, Tamara Grohman 9.

**Six - Eight Year Olds**  
Ricky Bishop 24, Joe Riley Sims 23, Trena Moore 17, and

Paige Bishop and Josh Grohman 16 each.

**Nine - 12 Year Olds**  
Mindy Reynolds 31, Michelle Moore 26, Dan Killough 17, Tabatha Grohman 14.

**13 - 15 Year Olds**  
La Tricia Palmer 36, John Cathey 28, Kenyon Black 14.

**16 - 19 Year Olds**  
Marci Caffey 36.

All of the participants received ribbons for first through sixth places.

"Plan to bring your children out and have some fun at the next Play Day, July 13, at 7:30 p.m. at the Winters Rodeo Arena," a spokesman said.

The remaining Play Days will be held on July 27 and August 10 and 24.

## Reds T-Ball Team beat Bronte Braves

## Why Should I Buy an E.S.P. Home?

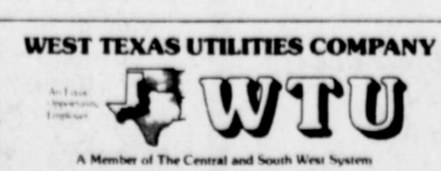

### Lower Energy Bills

An E.S.P. Home will save you up to twenty-six percent in home energy bills a year. An average 1800 square foot home will cost approximately \$775 a year to heat and cool. An 1800 square foot E.S.P. Home will cost you approximately \$570 a year to heat and cool. That is an annual savings of over \$200! (Energy savings may vary according to the type of home, family size and individual energy usage habits.)

### Increased Resale Value

When you decide to sell your E.S.P. Home, you'll have the Energy Savings Plan working for you again. Because energy bills are an important consideration for most families, your E.S.P. Home will fit into a prospective home buyer's budget easier than a non-E.S.P. Home. Just like you are doing now, many home buyers will be looking for a home that will give them the best value for their energy dollar — your E.S.P. Home!

### Firearms Bill signed into law

A bill that prohibits cities and towns from adopting firearm regulations more restrictive than the state's was signed into law June 15 by Texas Governor Mark White.

The firearms pre-exemption bill (SB 1187) was sponsored by Senator James E. "Buster" Brown. A companion bill was sponsored by Representative Bob Leonard.

The bill was passed on May 17 by a vote of 25-2 in the Senate, and by a 108-38 count in the House.

Dr. James T. Brown, National Rifle Association board member and legislative director for the Texas State Rifle Association, did preliminary groundwork on the legislation and pushed for its passage.

Texas joins 21 states that have enacted firearm pre-exemption legislation, including: Alabama, Arizona, California, Idaho, Indiana, Kentucky, Maryland, Massachusetts, Minnesota, Missouri, Montana, New

Everyone purchasing a souvenir program will be helping a good cause as well as receiving much information about Winters.

### Good P.A. system, live music

For use at the 1985 Rodeo, which will unfold in all its glory this Friday and Saturday nights at the Rodeo Arena just north of town, the Winters Rodeo Association has secured a public address system which enable everyone "within a country mile" the opportunity to hear all that is announced at the rodeo — all the news of rodeo contestants, the winners of each event,

the running commentary as the events take place, the introductions of the Rodeo Queens, all the jokes from the clowns who supply comic relief for a rodeo and have the added responsibility of watching after the safety of the cowboys — all this plus, for the first time, *live organ music* by LeRoy Moore of Ballinger, which will accentuate the rodeo events and entertain the audience.

### Save Driving Awards presented recently

Sixteen employees of the Runnels County Maintenance Section of the State Department of Highways and Public Transportation (DHT) were honored recently with the presentation of Safe Driving and Heavy Equipment Operators Awards at a meeting in Sonora.

District Engineer D.R. "Doc" Watson of San Angelo presented the awards ranging from one to 23 years.

Safe driving saves time and money. The Department knows that these savings are of the tax dollars of the citizens of Texas. Through safety meetings and training, safe driving of state equipment is encouraged.

Recipients of the Safe Driving awards are: John P. McClure, 23 years; Simon B. Rodriguez, 17 years; Jose A. Gonzales, 15 years; Gavier M. Gonzales, 14 years; Julio C. Galvan, Jr., 14 years; Jesus M. Escobar, 14 years; Ysaías L. Ramos, 13 years; Richard W. Paske, 13 years; John M. Villarreal, 12 years; Zane M. Gray, 12 years; Rafael Q. Gonzales, 11 years; Emiliano R. Gonzales, 11 years; Charles J. Wearden, 9 years; James W. Clayton, 3 years; Rickey E. Williams, 1 year.

Charles Cook received the Heavy Equipment Operators Award for one year.

The Safe Driving Award and Heavy Equipment Operators Award constitute a total of 183 years of safely operating state equipment. The Department is proud of the safety record of these employees.

Also receiving Service Awards and Lapel Emblems were Emiliano R. Gonzales and John P. McClure.

Emil Gonzales was presented a Certificate of Service and

Lapel Emblem for 15 years service to the Department. Jake McClure received the same award for 25 years service to the Department. Both men are valued employees in this District and received personal congratulations from Mr. Watson, with his thanks for the many years of loyal service and the hope for many more years of loyalty and productivity.

### Hunter Harassment Bill signed into law

Governor Mark White signed into law a bill that prohibits the harassment of hunters and the disruption of legal hunts.

The "hunter harassment" legislation (H.B. 1656) makes it unlawful for individuals to intentionally interfere or harass hunters during the lawful taking of an animal. It also prohibits individuals from using other animals, such as dogs, to disrupt hunts.

The bill, sponsored by Representative Bill Messer, passed the House by a voice vote and was referred to the Senate. It was then offered as a substitute for its companion bill, S.B. 999 sponsored by Senator Bob McFarland, which was passed by the Senate 28-3.

Violators of the new law, which takes effect August 26, 1985, are subject to a misdemeanor charge.

Dr. James T. Brown, National Rifle Association board member and legislative director for the Texas State Rifle Association, prepared the bill for introduction and lobbied for its passage.

Texas joins a growing number of states that have adopted so-called "hunter harassment" legislation.

### Conserving water for food supplies

World water supplies can be conserved by choosing crops that are drought and heat tolerant; have low water requirements, deep root systems and efficient growth factor use; and have the ability to stay green under drought stress. Attention also should be given to selecting superior hybrids that are pest resistant, fit the rainfall pattern, have low straw per grain and palatability, and have good defoliation tolerance, said Glenn Burton of Tifton, Ga., at a recent international conference on water and world food supplies at Texas A&M University. Burton, a U.S. Department of Agriculture scientist, is known for his work with Coastal bermudagrass and improved turfgrasses.

Everything science has taught me — and continues to teach me — strengthens my belief in the continuity of our spiritual existence after death. Nothing disappears without a trace.

### Assault —

have been driving was located on an access road west of Tye.

Sheriff's Captain Mike Smith said that a Highway Patrol Trooper had driven by the location and when he returned a short time later the car was parked on the side of the road.

A motorist told the trooper that a man was hiding in the brush near where the car was left.

A routine check of the license plate number showed the vehicle had been reported stolen in Winters.

Captain Smith said that at least four Taylor County deputies, two state troopers, and Tye Police officers began a search of the area, armed with shotguns and semi-automatic weapons, and took Johnson into custody a short time later.

Smith said that Johnson was accused of raping a 19-year-old Abilene woman who told sheriff's officers that a man picked her up in Abilene and took her to a rural area in south Taylor County and raped her. The captain said that the woman told investigators that her assailant struck her in the face and threatened to kill her if she did not submit.

Officers said that Johnson was also being held for parole violation. He had been paroled after serving part of a sentence for larceny.

### Vehicle log rules repealed recently

President Reagan has signed a bill repealing the controversial law that required taxpayers to keep daily logs of their business use of automobiles and home computers. The repeal will not exempt taxpayers from having to keep thorough records if they intend to deduct the use of vehicles or home computers as a business expense, but it does end the requirement that records be "contemporaneous" with use. To make up for the revenue loss, Congress reduced the value of write-offs that taxpayers can take for luxury cars used for business.
