about dimmitt
and castro county

BY BMN

One of the finest programs of the year was enjoyed by the Dimmitt Lions Club Tuesday at their regular meeting when Highway Patrolman James Tarkwood discussed the need for driver education for operators of motor vehicles. Showing every indication of dedication to duty and a deep interest in the safety and welfare of the motorist, Patrolman Tarkwood declared that the modern high powered motor cars are not dangerous vehicles, but that the danger was created in the way they were operated. After listening to a man who puts in all of his time in a vain effort to make the highways safe for travel, the News is more convinced than ever that a student drivers class should be conducted in the various schools of the county. By the time every student graduates from grade school he or she should know all the rules of safe and courteous driving. The statistics that the patrolman quoted are appalling. Deaths from highway accidents run into the thousands, injuries into hundreds of thousands and property damages into billions of dollars. All of the engineering skill of American ingenuity is going into the task of making automobiles safer, with the result that very few accidents are caused by mechanical defects. The dreadful toll in human lives, suffering and property damage on the highways is not the fault of the vehicle but rather the fault of the operator. The two main factors that will make driving safer is the education of drivers and the construction of four lane highways. If all drivers knew the basic principals of safe driving, and would put them into practice on the highways newspaper headlines could be devoted to more cheerful subjects. Castro county schools should begin driving instruction courses immediately.

Secretary of Agriculture Benson has been visiting the drought stricken areas of the Southwestern states this week. He says that the greatest drought damage has occurred in Colorado, Kansas, Oklahoma, New Mexico and Texas. We have been reading reports to that effect for the past five or six years, but I guess the secretary's report made it official.

The idea of the people struggling along with an unofficial drought for several years is revolting. Now that our drought, sand storms and dusts have been made official we can proceed accordingly.

Bearing out the statement that I made in this column earlier in the year to the effect that this would be the biggest building year in the history of Dimmitt are recent developments that will bring the announcement soon of the construction of a number of large business buildings. Actually there hasn't been slackening of residential construction at any time in the past several years, however construction of business buildings has been rather sporadic, with the result that residential growth has outstripped downtown development.

It is a fact that some towns are over-developed. There are instances where towns grow beyond the potential of their trade area with the result that eventually there are a number of vacant buildings and a defeatist attitude. That is a condition that Dimmitt need not fear. Dimmitt has a trade area that will require the services of a town of at least six or eight thousand population within the next few years, and if the proper agricultural and industrial development is encouraged and secured there is no way of estimating the city's eventual growth. Just a few years ago the mention of \$250 per acre land in Castro county was considered a defeatist attitude, however recently farms in Castro county have sold for four and five hundred dollars per acre, and still the price continues to rise. Barring a depression or a major recession within the next ten years there will be land in Castro county sold for as much as a thousand dollars per acre. The result will be smaller and smaller farms and more and more people, and Dimmitt will grow and grow and grow.

Had quite a number of comments about our remarks on this column last week, and for one time in our newspapering career everyone seemed to agree with us. We haven't found anyone that is satisfied with the crackerbox building that is to house the local postoffice, or with its location on a narrow street where there is no possibility of adequate parking space. It may not do any good and it might just be a waste of money.

Damages High in Three-Car Wreck Here On Sunday

A wreck involving three automobiles occurred here Sunday morning at the intersection of Northwest Fifth Street and West Bedford Avenue to mar an otherwise quiet weekend, according to Castro County Sheriff Jack Cartwright.

Cars driven by Miss Charlene Potts, local teacher, and Ernest Conard, Dimmitt cafe operator, were directly involved. A third vehicle, owned by Earl Bates, Jr., post office employee here, also figured in the wreck as it was parked near the scene of the mishap.

According to the sheriff, Conard was driving north on Fifth Street and Miss Potts west on Bedford Avenue. Miss Potts' car struck the right rear of Conard's vehicle and spun it around causing it to hit the rear of Bates' parked car.

Conard later told investigating Highway Patrolmen that he was unable to see any traffic until he reached the center of the intersection as the parked vehicle obstructed his view.

Patrolmen cited Conard for failure to yield the right-of-way and Bates was cited for illegal parking.

Damages to Miss Potts car was estimated at \$200 while damages to Conard's vehicle was figured at \$500. Bates' car incurred approximately \$20 damage.

Time of the accident was placed at 11:15 a. m.

Services Are Held For Castro Farmer

Funeral rites for Harvey Allen McClanahan, 53-year-old Castro county farmer who died Saturday in Corpus Christi, were held Tuesday at the Springlake First Baptist Church at 3 p. m. The Rev. John T. Williams of Springlake officiated and was assisted by the Rev. C. T. Jordan of Las Vegas, N. M. Interment was in Earth Cemetery under the direction of Hammons Funeral Home.

Mr. McClanahan farmed six miles north and one-half mile east of Springlake near the Lamb county line. He had been in ill health for several years.

He leaves his widow; three daughters, Mrs. Douglas Avery of Muleshoe, Mrs. Bud Matlock and Mrs. Billy Matlock of Springlake; his parents, Mr. and Mrs. W. A. McClanahan of Springlake; one sister, Mrs. C. C. Wood of Ballinger; and four grandchildren.

Masonic services were held at graveside.

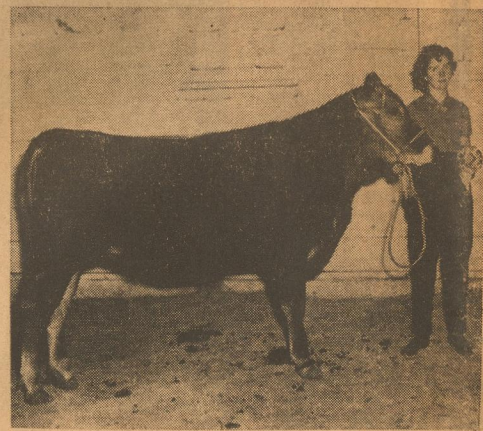

F-B Agent Attends Clinic at Lubbock

Castro County Farm Bureau Service Agent Gene Ivey and nine other county Farm Bureau members were among Farm Bureau delegations from over the High Plains attending a training clinic at the Lubbock Hotel recently.

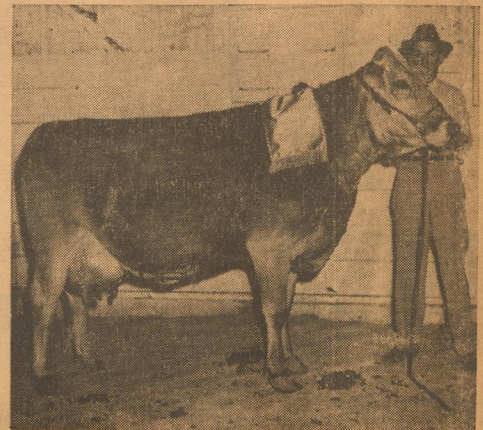

Don Groves, Des Moines, Iowa, secretary-treasurer of the Iowa Farm Bureau Federation, was principal speaker at a banquet following the clinic.

The purpose of the clinic was to train key county Farm Bureau leaders and employes in maintaining effective service-to-membership.

It is a fact that some towns are over-developed. There are instances where towns grow beyond the potential of their trade area with the result that eventually there are a number of vacant buildings and a defeatist attitude. That is a condition that Dimmitt need not fear. Dimmitt has a trade area that will require the services of a town of at least six or eight thousand population within the next few years, and if the proper agricultural and industrial development is encouraged and secured there is no way of estimating the city's eventual growth. Just a few years ago the mention of \$250 per acre land in Castro county was considered a defeatist attitude, however recently farms in Castro county have sold for four and five hundred dollars per acre, and still the price continues to rise. Barring a depression or a major recession within the next ten years there will be land in Castro county sold for as much as a thousand dollars per acre. The result will be smaller and smaller farms and more and more people, and Dimmitt will grow and grow and grow.

CHAMPION HEIFER—Marlyn Braddock, daughter of Mr. and Mrs. Vincent Braddock of Nazareth, is seen above with her prize Brown Swiss heifer which took the junior champion 4-H award in the Abilene stock show last week. Marlyn came back in the later rounds of the judging at Abilene and beat her father in the open classes. She has shown at a number of major stock shows and has won the Big Brown Swiss Ball. Her Abilene entry was also judged junior champion at Plainview recently.

PRIZE COW—Vincent Braddock, Nazareth dairyman, is shown above with Hazel Mar Daybreak Carlotta, the Brown Swiss cow that won grand champion honors in the Brown Swiss division of the Abilene livestock show last week. Braddock's prize animal milked 84.4 pounds of milk per day in the production contest. The cow has a record of 103 days of 363 pounds of butter fat and 8,840 pounds of milk, an exceptionally good record. The same cow also captured the grand champion banner at the Plainview Dairy Show and has won numerous top awards at other shows.

Contract Let For New Addition To Dimmitt First Methodist Church

Contract has been let and work will start on a new addition to the local Methodist Church education room as soon as materials are received. Rev. Raymond Van Zandt, pastor, announced this week.

The church building committee met recently and received five bids on the new addition. Local Contractor Harold Gladman was low bidder at \$22,500.

The new two-story addition with dimensions of 40 feet by 40 feet will be built of brick and tile construction. It will provide space for eight more Sunday School rooms and a minister's office and study.

Church members are paying for the new building through a special

building fund. The entire cost of the project will be raised in advance of the completion date and the modern new structure will be debt free when completed, according to Rev. Van Zandt.

Crowded conditions and increasing membership made it necessary to draw up plans for a new building suitable to the needs of the church.

Mr. and Mrs. Kelson Hickman and family of Reseda, Calif., have returned home after visiting relatives and friends here and at Farwell.

Lee Norman and Paul Poe are in Washington State on business this week.

Castro County Dairy Tour Termed "Very Successful"

Dairying, a million dollar a year industry in Castro county, received recognition and tribute Monday as some 40 dairy farmers, agriculture students and officials made a tour of six dairy farms in the county to learn first-hand information about latest dairy practices and methods.

The tour, according to Castro County Agent Marvin Simms who assisted the county dairy committee in making proper arrangements, was very successful as farmers saw the results themselves and they had confidence in those taking part on the program as these veterans of the dairy industry have proven themselves through actual experience and

2,600 Killed in State Last Year

Traffic Accidents in Castro On Increase Patrolman Tells Lions

"The number one cause of traffic accidents in Castro county is driving on the wrong side of the road within 100 feet of an intersection," Area Highway Patrolman James Kirkwood told members of the Dimmitt Lions Club at their regular Tuesday noon meeting.

Kirkwood, a guest of Castro Sheriff Jack Cartwright, said that more traffic accidents have occurred in Castro county this year than in Parmer and Deaf Smith counties combined. He also listed cattle on the highway as a contributing factor to accidents in the county but emphasized that the big answer to the traffic accident problem is the changing of the motorist's attitude toward traffic. "The car is not dangerous when operated right," he added.

Traffic accidents in Texas and the United States are on the increase, according to Kirkwood. He pointed out that 90,000 people were killed on the highways in the United States in 1954, 2,600 of these being killed in Texas. The 1953 national figure was 33,000 or almost one-third of the total number of traffic victims in 1954. A total of 30,000 motorists were injured in traffic accidents in Texas last year while property damage in the state last year amounted to one billion, seven hundred thousand dollars.

These alarming statistics can be controlled, according to Kirkwood, through three methods: 1. engineering; 2. enforcement; and 3. driver education. The average Texas Highway patrolman has to cover an area as far as from Amarillo to Austin each day, Kirkwood pointed out. "We can't do much with 470 state highway patrolmen without the motorists' help," Kirkwood explained. He continued, "We know our highways are not safe, but they are man-made and can be helped to be made safe by the motorist."

Hart Junior-Senior Banquet Scheduled

Bob Ware, Hereford Church of Christ minister, will address members of the Hart High School junior and senior classes when they have their banquet at Blessing's Restaurant in Plainview Friday night (April 29).

Forty-five members of the junior and senior classes will gather at the Plainview restaurant at 8 p. m. for the banquet dinner. Mr. Ware will bring his address immediately after the dinner.

Hart seniors have not decided where they will go on their annual trip, but they will be gone for at least six days, leaving the third week in May before commencement.

State Secretary of Agriculture to Speak At Hereford Friday

Jay Boston, president of the Deaf Smith County Farmers Union, announced this week that John C. White, Texas Secretary of Agriculture, would be in Hereford Friday night, April 29, at the high school auditorium for a general discussion of Texas agricultural problems, and especially those relating to the current controversy over the support price of milk. Also appearing on the Hereford program Friday night will be Charles C. Brannan, executive secretary of Agriculture. Boston declared that everyone is invited to attend the meeting.

The group started their tour at 10 a. m. at the Leroy Pohmeier farm near Nazareth and continued, making stops at the Paul Venhaus, Vincent Braddock, Frank Huseman, Florence Albracht and Lawrence Huseman places. Lunch was served by Mrs. Loretta Guggemos at the Nazareth school cafeteria at noon.

At the Pohmeier farm, the group heard a discussion on the "Year's Feed Supply," led by Pohmeier. The main idea here was silage vs. alfalfa. But the discussion ended with all tourists agreeing that both feeds are needed for a well-rounded feeding program.

A modern pipeline milking system was shown the group at the Venhaus farm. Venhaus told the touring party that the pipeline milking system is a wonderful labor-saver after you get accustomed to it. M. L. Simpson, Jr. Jumbo dairyman, also appeared on the program here, informing the party that generally about one-third of a herd doesn't pay its way unless the dairyman practices a good system of culling.

The group saw a prize registered Brown Swiss cow on the Braddock farm. The animal only recently won grand champion honors at Plainview and Abilene. Braddock also gave a demonstration of artificial breeding.

During the lunch hour the group heard Ralph Harbin, professor of husbandry at West Texas State College. The import of Harbin's talk was, "Even though it costs less to buy a dairy heifer than to raise one, if you plan to improve your herd you've got to raise them—you can't depend on buying them." Harbin also discussed the methods of raising heifers, emphasizing that the biggest waste is not feeding heifers enough.

Following lunch the visiting party stopped at the Frank Huseman farm where they saw 12 cows out of a seven-star bull, the highest rated bull of the Jersey

Kirkwood stressed driver education, explaining that driver education is in effect in Friona High School and that "we have yet to arrest a teenager from that community."

The state highway patrolmen, who patrol this area, stated that Karl Marx once said that the way to break down a nation is to break down their laws. He concluded, "The motorists' compliance with traffic laws and cooperation with traffic officers is imperative. We invite you to use your highway patrol more extensively in the future."

Tractor Awards for 4-H'ers Received

4-H Tractor Maintenance Awards that will be presented to 4-H winners in September were received this week by the county agent's office. The beautiful trophies are crowned with miniature tractors and are made available by implement dealers of the county.

Hart Senior Wins First at Lubbock

Miss Marcena Reisdorph, Hart High School senior, earned recognition in the regional TML meet at Lubbock Saturday by winning first place in the senior declamation for Class B, according to information received Monday by the News.

Miss Reisdorph won over representatives from ten districts in the High Plains and will represent this area in the state interscholastic league meet in Austin May 5. Before winning at Lubbock, she placed first in District 5-B competition at Petersburg.

Miss Reisdorph is the daughter of Mrs. Ruth Reisdorph, a member of the Hart School faculty.

Continuing on to the Albraecht farm, the group listened to Albraecht discuss "Permanent Pastures and Silage." He also showed and demonstrated his automatic milk line washer.

The tour was concluded on the Lawrence Huseman place at 3:45 p. m. Huseman showed his milk barn and herd of Holsteins and Jerseys. It was here that Red Muse, Amarillo radio farm reporter, made a tape recording of the tour which will be played back over Radio Station KGNC.

Tour guests included: Shirley Garrison and members of the Veteran's ag class at Hart; E. M. Foster, Cloverlake fieldman, Plainview; Jack Harding, Borden's fieldman, Amarillo; Ralph Harbin, WTSC; manager of Tri-State Milk Producers Association; and Red Muse, Amarillo farm reporter.

Community Meet Slated at Nazareth

A community meeting for the purpose of studying and discussing plans for a new school addition will be held in the Nazareth School auditorium Friday (April 29) at 8:30 p. m.

Nazareth townspeople and residents of the Nazareth Independent School District are considering a bond election for the purpose of making funds available for the erection of several new classrooms and a new gymnasium.

At the meeting Friday night drawings and plans for an addition suitable to the school's needs will be submitted and considered. Citizens of the school district voted to go independent in April in order such a project could be undertaken.

All residents in Nazareth and area are urged to turn up for the important meeting.

County Agents Give Program Briefing

Initial plans for the Farm and Home Development Program soon to be put into operation in Castro county were completed and the groundwork laid for the employment of the program on a small scale at a called meeting of local and county agricultural agency representatives in the courthouse here Thursday afternoon (April 21).

County Agent Marvin Simms and Mrs. Sybil Stringer, who have been briefed on the function and objective of the Farm and Home Development Program, gave the group first hand information about the program and showed slides illustrating its operation and success in other counties.

As Simms aptly described the program, "It is a new, unit approach to the farm family's problems. It is a way of helping the farm families determine how they should combine their various farm enterprises and incorporate modern technological practices into their businesses in order that they may obtain a large income and more satisfaction from farm life. He added, "It is an attempt to add the managerial phase to our program."

An ultimate objective of the program is to bring the work of various agricultural agencies closer together.

Mrs. Stringer explained to the group that the Farm and Home Development Program is similar to the farm unit management system carried out in other counties. "We will start with probably five or six families. The program will have priority over all our work," she explained.

Important goals of the program are: 1. Increased income; 2. Improved living; 3. Produce and preserve food as far as practical; 4. Comfortable farm home, convenient and well equipped; 5. Provision for health needs; 6. Education and personal development; 7. Recreation and community participation; and 8. Financial security.

Consideration of the Farm family's resources with a view toward helping them meet their needs will be an important factor in the program. "We want to be helpful and serve in an advisory capacity, but subscription to the program must be voluntary and the farm family must make their own decisions," Mrs. Stringer stated.

The farm family will be given books, according to Mrs. Stringer, to list what they want and desire for the next ten years. An inventory will be taken and a labor record will be compiled.

The program is designed only to assist the farmer in an advisory capacity with his problems thereby enabling him to increase production and derive maximum profits from his resources with the net result being improved family living on the farm.

Those present voiced interest in the program and indicated they would give it careful thought with a view toward being as helpful and cooperative as possible.

Simms emphasized that teamwork and cooperation, not only among ag agencies but also among the farm families, would be essential in order for the program to be successful. It is hoped that the program will eventually become countywide, he indicated.

Recent visitors in the home of Mr. and Mrs. George Webb were Mesdames Guy Holmes, Lela Dunn and Allie Talbott of Seymour and Mr. and Mrs. John Blaine and family of Surdow.

Mr. and Mrs. Marvin L. Cline attended the 99th Scottish Rite reunion at El Paso last week. Mr. Cline received his 32nd degree in Masonry.

Mr. and Mrs. H. W. Gipson and baby boy, Perry Craig, are visiting Mr. and Mrs. W. R. Gibson.

Catholic Lectures To Be Held Here

A series of lectures explaining Catholic practices will be held at the Dimmitt Legion Hall at 8:30 o'clock every night next week, beginning on Monday evening, May 2, and ending Friday evening, May 6. The series will be conducted by Rev. Father Fidelis Albracht, O.F.M., of San Angelo.

As the lectures are designed to answer questions about the Catholic Church for the sake of non-Catholics, there will be no religious services. Each evening's lecture period will be followed by a question and answer period. A question box will be provided and questions will be answered the same evening.

Loud speakers will be erected outside the hall for the benefit of those who would rather stay in their cars. A question box will be passed around to those in cars, opportunity to ask questions.

The lectures will be sponsored by various organizations of the Nazareth parish. These Catholic laymen wish to establish a better understanding between Protestants and Catholics. Questions often asked include the following: "What is the Mass?", "Why don't priests marry?", "Why do Catholics believe in Purgatory?" Any questions asked will be courteously answered.

The lectures are open to the public.

County Agents Give Program Briefing

Initial plans for the Farm and Home Development Program soon to be put into operation in Castro county were completed and the groundwork laid for the employment of the program on a small scale at a called meeting of local and county agricultural agency representatives in the courthouse here Thursday afternoon (April 21).

County Agent Marvin Simms and Mrs. Sybil Stringer, who have been briefed on the function and objective of the Farm and Home Development Program, gave the group first hand information about the program and showed slides illustrating its operation and success in other counties.

Mr. and Mrs. Marvin L. Cline attended the 99th Scottish Rite reunion at El Paso last week. Mr. Cline received his 32nd degree in Masonry.

Mr. and Mrs. H. W. Gipson and baby boy, Perry Craig, are visiting Mr. and Mrs. W. R. Gibson.

FRIO NEWS

Mr. and Mrs. Tom Ledbetter of Forrest, N. M., took Sunday dinner in the home of their niece and family, the Herb Schmidts. Afternoon visitors in the Schmidt home were Mr. and Mrs. Jim Brooks, Mr. and Mrs. Bill Boyd, and Mr. and Mrs. Aubrey Self of Hereford.

Mrs. Bill Boyd and Mrs. Herb Schmidt and boys were shopping in Amarillo Monday.

Mr. and Mrs. Frank Robbins and children, Mr. and Mrs. Darwin Miller and Don Mabley took Sunday dinner with Mr. and Mrs. Floyd Cole and family.

Mr. and Mrs. E. H. Little and girls visited E. H.'s cousin in Borger, Sunday.

Mr. and Mrs. Weldon Stephens visited Sunday afternoon with Mr.

and Mrs. J. F. Cheatham and family.

Mr. and Mrs. Clark Andrews were among those attending the wedding of Miss Sue Scarth and Joe Hershey Sunday afternoon.

Those attending the volleyball game Friday night were Ginger Brock, Veradelle Andrews, Frances Andrews, Marion Caple, Glenn Andrews, Leonard Schmidt, Tommy Sparkman, Joe Andrews, Mr. and Mrs. Frank Robbins and children, Mr. and Mrs. Bill Warrick and Eugene, and T. L. Sparkman, Jr.

Taking dinner in the T. L. Sparkman, Sr. home Sunday were Mr. and Mrs. T. L. Sparkman, Jr. and family, Mr. and Mrs. Owen Andrews and family, Mr. and Mrs. Clark Andrews and Rocky, and Marion Caple. Mr. and Mrs. G. W. Sparkman of Amarillo visited in the afternoon. The occa-

sion was for Mr. G. W. Sparkman to see, for the first time, his great grandchild, Rocky.

Mr. and Mrs. LaGrone and family visited Sunday with their daughter and family in Floydada.

Geneva Davis of Portales visited in the Henry Dobbs home Sunday.

Mr. and Mrs. Henry Dobbs visited Wednesday in the James Dobbs home to help James celebrate his birthday.

Mr. and Mrs. Leonard Buttrill went to Clovis Monday morning for Leonard to enter the hospital in preparation for a minor operation on Tuesday. He expects to return to his home on Thursday on Friday, Mr. and Mrs. E. H. Little planned to go to Clovis on Tuesday to be with the Buttrills. The Buttrill children are staying with the E. H. Littles while their parents are away.

Mr. and Mrs. G. W. Parker went to Lubbock Sunday afternoon to stay for a few days to attend to business.

Henry Dobbs was in Lubbock Thursday with the A.S.C. men from Dimmitt to attend to business.

Mr. and Mrs. James Dobbs took dinner Sunday with Mr. and Mrs. S. B. McLallen and Sammie.

Mrs. Robert Simpson stayed Friday at the hospital with her niece, Pamela Campbell, of Summerfield. Little Pamela was able to go home on Saturday after several days illness.

Custom Tailors Since 1895

of fabrics for spring and summer
SUITS and SPORTSWEAR

Thursday, May 5th

A representative of Ed. V. Price & Co. will be here to show about 400 desirable imported and domestic fabrics in the large piece, including year-round suitings, tropical weaves and other lightweight summer fabrics, and sport coatings.

This is the ideal way to buy clothes because you can select your own goods from this assortment of the world's finest fabrics, and have it tailored-to-order in the style you prefer. Styles for women, too.

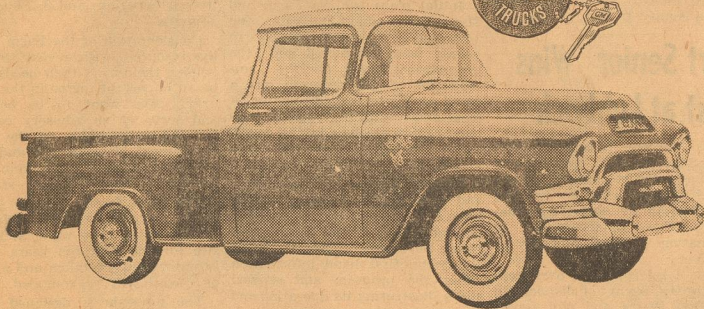

Plan now to come in—no obligation, naturally.

MANNINGS

Here's where every truck user cashes in—

The Blue Chip GMC's

- The new generation of trucks—with over 500 improvements!
- The most powerful engines in GMC history—plus 2 new V8's!
- 5 sizes of Truck Hydra-Matic Drive* to fit any model, any job!
- Sturdier frames and axles—bigger, stronger clutches!
- Boulevard styling—Panoramic windshield—airplane-type instruments!

*Standard on many models; optional at extra cost on some others.

Your Key to Blue Chip Value

C & S Equipment Co.

Come see the new Blue Chip GMC's today!

Most Destructive Insects Listed

Cotton bollworms, grasshoppers and boll weevils were the three most damaging insects to Texas crops last year.

Aphids, rice weevils, cutworms, spider mites, thrips, armyworms and plant bugs complete the list of the state's 10 most destructive insect pests in their order of "economic importance," according to a report by Dr. J. C. Gaines of the department of entomology of the Texas A and M College System.

Pink bollworms should be added to this list, Gaines says, not because of its present economic damage, but for its potential damage to Texas cotton.

The cotton bollworm also is known as the corn earworm or tomato fruitworm.

Nationwide, the corn earworm, grasshoppers, aphids and mites were listed among the more important insects of 1954 by entomologists.

Corn earworms, aphids and mites also dominated the 1953 listings.

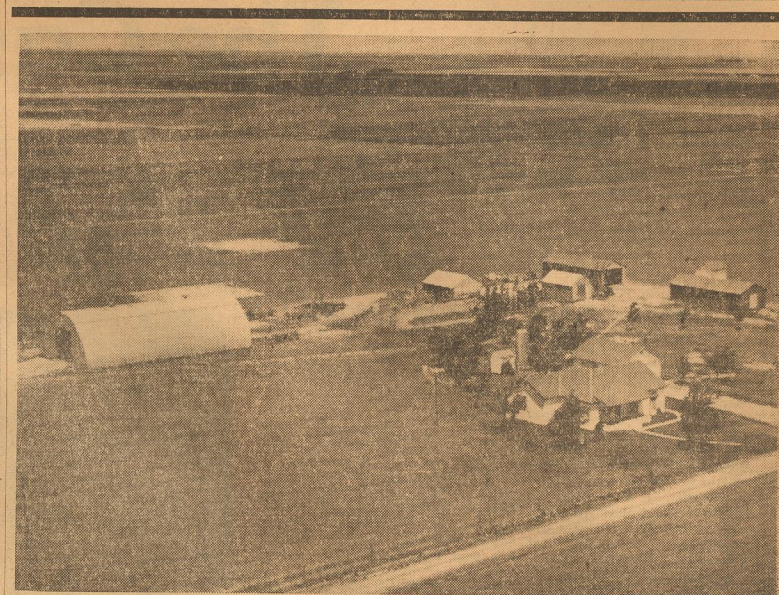

Mesdames Myrtle Wright, Margaret Boren, and Pearl Sheffy left Saturday for Arkansas Pass to do a little trout fishing. Mrs. Geo. Bradford and Mrs. Sam Gibeath accompanied them to Corpus Christi where they will attend the State Garden Club convention that will be held there Monday and Tuesday, April 24 and 25.

Mr. and Mrs. F. N. Jackson visited last week-end with relatives in Dickens county.

Identification Given On Mystery Farm 13

Mystery farm number 13, correctly identified by Mrs. Cecil Oglesby as the Clyde Renfro farm, is pictured above. Mrs. Oglesby will receive a years subscription to the News free of cost. Renfro has already received a mounted enlargement of the above picture, also free of cost.

Located seven miles north of Dimmitt off Highway 51, the Renfro place has a new look as all farm buildings as well as the Renfro home itself are new. Renfro purchased the farm from Mark Hanna in 1946.

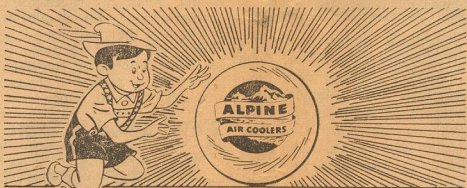

Renfro carries out a diversified farming program as 100 acres are in row crops and 65 acres in wheat. He believes in deep breaking and chiseling and uses 200 pounds of ammonian

sulphate on his row crops before the ground is bedded up. He also uses a little anhydrous ammonia.

Summer tilling and rotation of crops are also a part of Renfro's farm program, which he and his son carry out with modern farm machinery.

Renfro was married to the former Betty Blankenship in 1933. They have one son, O. C. Renfro, Jr., who is 17 years old and a junior at Dimmitt High School.

The Renfros are members of the Baptist Church. He is also a member of the Castro County Farm Bureau.

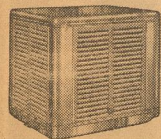

A Cool Prediction—

Li'l Alf THE ALPINE BOY says:

Install an Alpine cooler wherever you work or live, and know the joy of a refreshing, carefree atmosphere.

Your Alpine cooler provides clean, cool, fresh air at the flick of a switch. Deep-scoop blower wheels have 10% to 20% more deep-pitched blades providing greater cooling efficiency. And Controlled Cooling, an optional feature, lets you select the air volume that suits you best.

"I like my water heater

because it's **ELECTRIC**. And

since it's **ELECTRIC**

it's completely **SAFE!**"

...says Mrs. R. L. Crider of

East Grand Plains, New Mexico

"Even with two electric water heaters in our home, we never worry about the children playing around them. We have even considered building a linen closet over our table top model. To me, the table tops are the best to have because they are so easy to place. Electric water heaters are so quiet, and they have never given us a bit of trouble."

"Of course, we have an electric dishwasher, and we always have instant hot water. With our two electric water heaters, I think we are really a true electric family."

Yes, and a true modern family, for in water heaters, as well as all appliances, if it's modern, it's electric.

"Running a farm is not what you would call the cleanest occupation, and, therefore, we must have plenty of hot water. Besides the three baths, we have an electric laundry, and we just never seem to run out of hot water."

Electric water heating is safe, dependable, and more economical than you might think. Ask about Reddy's special water heating rate, a big bargain in convenience, safety, and dependability.

SEE YOUR REDDY KILOWATT APPLIANCE DEALER. LET HIM HELP YOU SELECT THE WATER HEATER TO FIT YOUR NEEDS.

YOUR STORE NAME
RECIPE OF THE WEEK
By Mary Lee Taylor
Easy Date Pudding

1¼ cups sifted, all-purpose flour
1¼ cups sugar
3 teaspoons baking powder
½ teaspoon salt
1¼ cups finely cut, unsalted nuts
¾ cup finely cut dates
¾ cup Pet Evaporated Milk
¾ cup brown sugar
1¾ cups boiling water
1½ Tablespoons butter or margarine

Sift together into a 2-qt. bowl the flour, sugar, baking powder and salt. Stir in nuts, dates and milk. Spread batter in a well-greased 9-in. square pan. Mix brown sugar, boiling water and butter. Pour over batter in pan. Bake on bottom rack of 350 oven (moderate) about 1¾ hours, or until firm. Cut into squares. Serve either warm or cold.

Dear Editor:
... the letters start. Then from all over the free world come such comments as these from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:
"The Monitor is most reading for straight-thinking people."
"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor."
"The Monitor gives me ideas for my work."
"I truly enjoy its company."
Yes, too, will find the Monitor informative, with complete world news. You will discover a constructive viewpoint in every news story. Use the coupon below.

The Christian Science Monitor One, Norway Street Boston 15, Mass., U. S. A.

Here are the Three Greatest New-Car Values in America!

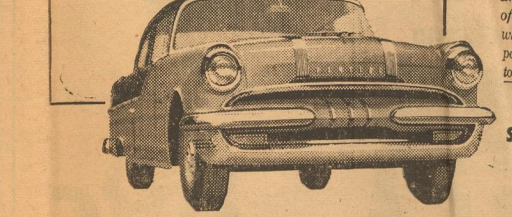

THE FABULOUS STAR CHIEF—It's luxury-sized. The roomy body is mounted on a 124" wheelbase. It's luxury-powered. The Strato-Streak V-8 puts 200 horsepower up front. It's luxury-styled. Fabrics and interior appointments match those of the highest-priced cars. It's beautifully distinctive—way out front for future-fashioned smartness. And it's a Pontiac—which means topmost reliability, thrift and resale value.

THE FUTURE-FASHIONED 870—Here's a car outstanding in every way. Outstanding in performance with exclusive Strato-Streak power. Outstanding riding ease with a long wheelbase unmatched at the price. Especially outstanding in the wonderful way it handles and responds with passing power. For luxurious driving at modest cost you simply can't do better.

THE SPECTACULAR 860
Here's a king-sized car with a 122" wheelbase, and 200 horsepower, for less than many models of the lowest-priced lines and much less than stripped economy models of higher-priced makes. Beauty? Just look! And remember—you can choose from 4 luxurious interiors and some 36 modern color combinations.

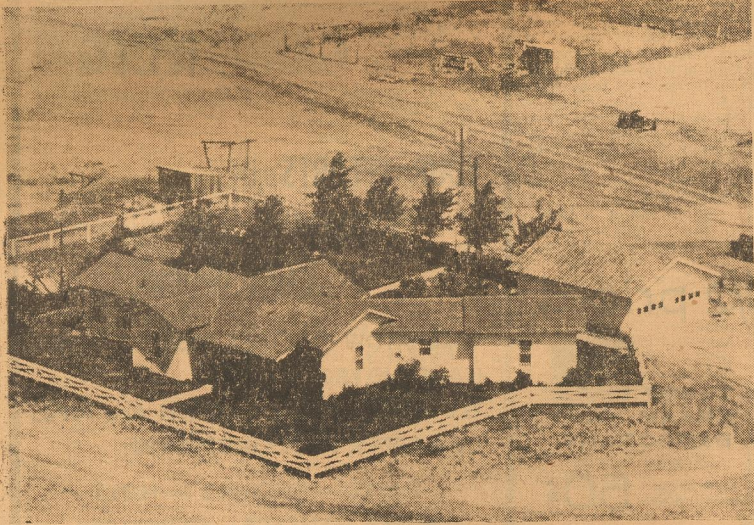

All with the history-making 200-H.P. Strato-Streak V-8 Engine!
Every Pontiac has the Strato-Streak V-8, one of the most efficient power plants ever developed. Here's more take-off punch, more passing drive and more years of smooth performance than you have ever enjoyed in any car within hundreds of dollars of Pontiac's low price range. And that applies whether you decide on 180 horsepower or specify the optional power-package for 200 horsepower. Either way you get topmost power per dollar.

THE ABOVE MUSTERY FARM is listed in the News files as Mystery farm number 15. If you are good at aerial photo guessing maybe you can identify this farm. Official identification must be made by the owner before a subscription winner can be declared. Put on your "thinking cap" and see if you can guess the identification of the farm. Calls will be received up until Monday noon. Blanton Butane, Inc., is sponsor for the Mystery farm series.

HART NEWS

Mr. and Mrs. Andy Higgins of Amarillo spent the week end with their daughter, Mrs. M. E. Phillips and family.

Mr. and Mrs. Vernon Bradley of Clovis visited her brother, Harvey Davis and family on Sunday afternoon.

Kirk Mitchell is the name given to the new son of Mr. and Mrs. Charles Lipscomb. The young arrived on Friday morning April 22 in Olton Hospital.

Rev. and Mrs. Dale West are in Ardmore, Oklahoma this week to attend an encampment for Baptist Ministers. Rev. Glen Godsey of Olton filled the local pulpit on Sunday morning and Eddie Phillips of Wayland College brought the message on Sunday night.

Mrs. Bob Davis, Vicki Lynn Hawkins and Mr. Edd Thompson were all ill enough to be hospital-

ized during the past week.

Guests in the home of Mrs. Mable Aven and Maurice on Sunday were Mr. and Mrs. Hillary Aven and sons of Hereford, Mr. and Mrs. Bacon Jones and family of Littlefield and Mr. and Mrs. Buster Aven and Melvir of Hart.

Max Newman, son of Mr. and Mrs. Hubert Newman of Hart, who is a Junior in Wayland College has been chosen as President of the Student Council for next year.

Mr. and Mrs. E. H. Bowden and children attended funeral services at Idalou on Sunday afternoon for Mrs. Bowden's brother-in-law, Fred Motley who passed away Thursday night after a very long illness.

Mrs. Ray Clark and sons George and Charles of Big Spring visited with the Hawkins families on Sunday night for supper in the home of her sister, Mrs. Hawkins, Sr. The young men have recently been discharged from the U. S.

Navy.

Mrs. M. R. Smith of Brookhaven, Miss. is the guest of her sister, Mrs. Roland Shepard. She plans to leave soon for Germany where Mr. Smith will serve our country in the Intelligence Service.

Mr. and Mrs. Bill Swindle and children visited her sister, Mrs. Orman Suter and family in Muleshoe on Sunday afternoon and evening.

Glen Maples was in Texarkana on business the last of the week.

Dan Wakefield came by for his family on Friday and all returned home to Denver, Colo. on Saturday. Mrs. Wakefield and the daughter had been visiting relatives here for a few days.

Fire destroyed a small house on the Leroy Shive farm about 1 p. m. on Sunday afternoon. Mrs. Shive's mother, Mrs. Newbrough, was living in the house but was not at home. It is believed that the fire was caused from a hot

water heater. The Dimmitt Fire Department answered the call immediately and rendered valuable aid in preventing the Shive home from burning.

A son was born to Mr. and Mrs. C. L. Strickland on Friday morning April 22 in the Tulla Hospital. Mrs. Strickland had been honored on Wednesday morning with a Pink and Blue Shower in her home. Ladies of the W.M.U. were hostesses.

Mr. and Mrs. O. D. Dinwiddie attended the Texas Grain Dealers Convention in Dallas on Friday.

Mrs. Dewey Smith is able to be home after being hospitalized in Olton Hospital the last of the week. She expects to resume her teaching of first grade this week.

Mr. and Mrs. Easton Wall and baby returned on Sunday from Siloam Springs, Ark. where they had visited her parents, Mr. and Mrs. Dudley Robason.

Leroy Shive left on Saturday for a short vacation and business trip to California.

Mr. and Mrs. Wayne Beavers and daughter have moved to Friona where they will farm.

Mr. and Mrs. Bill Wood and children spent the week end with his parents near Groom.

Mr. and Mrs. Byron Bennett and children of Plainview spent Sunday with his parents, Mr. and Mrs. G. R. Bennett.

E. E. Jimmie and Mr. and Mrs. Jud Davis spent most of last week with their mother at Holdenville, Okla. The mother is very seriously ill.

Mrs. G. R. Bennett and Mrs. T. R. Davis were in Lubbock on Thursday.

Mrs. Roy Poynt entertained the girls of the Senior Class with a theatre party in Tulla on Monday night.

Little Craig Hawkins has his left foot in a cast after receiving a broken bone while at play on Sunday night. He is the son of Mr. and Mrs. A. L. Hawkins.

Mr. and Mrs. Herbert Williams plan to go to Dallas on Wednesday for medical attention for their young son, Danrv, who suffered an attack of polio a few years ago.

Mrs. Bill Graham and Mrs. E. B. Wright and Mrs. Nettie Graham visited Tuesday with Mrs. Edgar Ireland in Hereford.

Dimmitt Student Seeks WTSC Degree

Jimmy Cluck of Dimmitt has been listed as a candidate for a degree from West Texas State College at the Spring commencement exercises May 22. He will be among 258 who are expected to participate in the single-day graduation activities.

Should most of the candidates complete requirements for degrees, the class will be the largest ever graduated from West Texas State. Largest number in the past was 248 who received degrees in the summer of 1951. Largest Spring graduation class was in 1951 when 241 received degrees.

Cluck, who is seeking a Bachelor of Science degree, has majoried in agriculture. A graduate of Dimmitt High School, he is the son of Mr. and Mrs. Roy Cluck, Sr.

Local Women Attend Tech Short Course

Dr. Donald Ashdown of the Texas Tech Horticulture and Park Department told visiting Texas Garden Club members attending a recent short course on the Tech campus that red ants should be destroyed as they are carriers of the aphid and detrimental to trees and other plants.

Dr. Ashdown was principal speaker for the short course which was attended by two local women, Mrs. George Bradford and Mrs. Sid Sherry.

John Watson, Tree lance consultant on lighting and photographs, also appeared on the program. He gave illustrated talks on colored pictures and lighted yards.

Nazareth 4-H's Give To National Project

Members of the Nazareth 4-H Club contributed \$2.21 to help finance new national 4-H buildings in Washington, D. C., at a club meeting Friday night.

A total of 40 junior and senior 4-H Club members were also enrolled in the 4-H Electric Program at the meeting. This group will conduct their meetings each Tuesday night in the future.

HOTTEST-SELLING BUICK IN HISTORY
No wonder you see so many '55 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" of America's best sellers.

Less than some models of the well-known smaller cars!

UNLESS we miss our guess, a lot of surprised people are going to do some new back-of-an-envelope arithmetic when they see the low delivered price of the Buick shown here...

Because we know that many folks still don't realize how little a Buick really costs—that the dollar difference between this big Buick SPECIAL and the leading smaller cars has virtually disappeared.

Buick Sales Are Soaring As Never Before

But more and more of them are finding it out. And that's a major reason why Buick production and Buick sales are soaring to all-time highs today—and why Buick again is outselling all other cars, regardless of price range, except two of the well-known smaller cars.

Big reason, too, for this soaring popularity is Buick's full line of automobiles, giving you a choice in any price class—the rock-bottom-priced SPECIAL, the high-powered CENTURY, the supremely spacious SUPER, and the custom-built ROADMASTER.

But above all, more and more people are discovering that the price you pay for a Buick buys more sheer automobile than the same money buys elsewhere.

More advanced styling, more deep-down comfort, more pure power thrill, more ride steadiness and handling ease and solidity of structure.

More spectacular performance, too, from the modest extra cost of Buick's automatic transmission.

For here you get Variable Pitch Dynaflo† —the new wonder drive born of modern aeronautics to give you instant full-power getaway and acceleration when needed—and far better gas mileage when cruising.

Why not come see us this week, for sure? We'll be happy to have you test-pilot a new Buick, just for the sheer thrill of it—and show you quite clearly that if you can afford any new car, you can afford a Buick.

†Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Thrill of the year is Buick

Mother of Local Woman Buried at Brownfield Thurs.

Funeral services for Mrs. J. F. Stokes, 72, mother of Mrs. F. J. Mears of Dimmitt, were conducted Thursday of last week at 2:00 p. m. at the First Baptist Church in Brownfield.

Mrs. Stokes, a Brownfield resident since 1948, died at 1:40 p. m. Wednesday at the Treadaway-Daniell Hospital following a short illness. She moved from Lovington, N. M. to Brownfield.

Officiating at services was the Rev. Warren Stowe, pastor of the Calvary Baptist Church, assisted by the Rev. Jones Weathers, pastor of the First Baptist Church of Brownfield.

Surviving Mrs. Stokes are two daughters, Mrs. John B. Webster, Welch; and Mrs. F. J. Mears, Dimmitt; two brothers, John Savage, Clyde; and Sam B. Savage, Lovington, N. M.; and a sister, Miss Lulu Savage, Brownfield.

She was buried beside her husband, who died in July, 1954, in Terry County Memorial Cemetery under direction of the Brownfield Funeral Home.

Amarillo Teachers On B & PW Program

Members of the Dimmitt Business and Professional Women's Club completed plans for their next meeting, which will feature guest speakers from Amarillo, at a meeting Monday morning at Stafford's Snack Shack. Mrs. Alice Killingsworth, president.

The next meeting Saturday, April 30, will begin at 6:45 p. m. with a salad supper in the music room of the grade school building. At 8 p. m. Misses Berly and Wilma Hixon, teachers in the Amarillo Schools, will give an illustrated talk on their recent tour of Europe, using as their subject, "A Tourist's First Impressions of Europe."

All interested persons are cordially invited to hear the address at 8 o'clock, which according to planners, promises to be both interesting and profitable.

WCS Met Monday

The Woman's Society of Christian Service met Monday afternoon in the church with eighteen members and three visitors present.

Rev. Henry Haupt, Presbyterian minister from Littlefield, brought the devotional and also the second lesson from the study "Jesus' Teachings Concerning Women." Rev. Haupt was accompanied by his wife.

The study will continue at next week's meeting of W. S. C. S.

Waurayne Hughes Circle Meet Held

Members of the Waurayne Hughes W.M.S. Circle held their regular meeting Monday at 9:30 a. m. in the home of Mrs. A. L. McLain. Nine members and one visitor, Mrs. Lester Dowell, W. M. S. president, were in attendance.

Mrs. McLain led opening prayer and also conducted a short business session. Mrs. Buster Tidwell gave an interesting review on two chapters of "Sacrifice and Song". The closing prayer was led by Mrs. Tidwell.

Prior to the meeting the group were conducted on a tour of the lovely new home of Mrs. McLain.

Refreshments of hot cinnamon rolls and coffee were served by the hostess to Mesdames Sam Maynard, E. R. Waggoner, John Turner, Tom Tate, Sam Cooper, Emory Smith, Buster Tidwell and Lester Dowell.

Softball Season To Open May 27

According to an announcement this week by Glen Youts, Chamber of Commerce manager, the first games of the local softball league will be played May 27. Youts declared that in order for the games to get underway on the scheduled opening date it would be necessary for everyone interested in playing to submit their application for places on the teams immediately. Prospective softball players are requested to contact Chuck Lay, Thomas Harrison or Leo Fields.

Piano Pupils to Be Presented Thursday

Mrs. H. E. Hershey will present her piano pupils in a recital May 5th at 8 p. m. in the High School auditorium. The public is invited.

The following pupils will participate: Glenda Smiley, Ken Campbell, Sherry Barnes, Evelyn Allen, Paula Howell, Russell Grindstaff, Glenda Laymor, Janie McDermitt, Carolyn Godfrey, Gail Laymon, Doris McDermitt and Elmer Hershey.

Bridal Shower

A bridal shower honoring Mrs. Dee Stamps, the former Mary Ann Witt of Dimmitt, was given in the home of Mrs. A. B. Young in Olton Thursday afternoon. Hostesses were Mesdames A. J. Young, Henry Mathis, L. E. Ball and Mack Henderson. The bride received a large number of gifts.

Those from Dimmitt attending the shower other than Mrs. Stamps were Mrs. Marvin Witt, Miss Mary Beth Alley and Sandra Adams.

Sesame Planting Program Assured For Castro County

Following a public meeting last week the Castro county farmers are showing interest in a sesame planting program for Castro county and a number have already signed contracts to plant a specified number of acres to the seed bearing crop.

Sesame seed and a market for the crop are being made available to local farmers by the Texas Sesame Growers Association, in cooperation with the Texas Research Foundation of Paris, Texas, through the Castro County Grain Co.

According to a report this week by Edd C. McLeroy, field representative of the Castro County Grain Company, local farmers have already contracted to plant 310 acres of sesame and indications are that at least 1000 acres of the crop will be planted in the county.

Among the first local farmers to sign agreements to grow sesame are: C. G. Howell, Moss Howell, A. J. Wilhelm, Alfred Reissig, L. V. Cole, F. B. Herring Estate, Walter Schilling.

Glad Planting Season Is Here Garden Club Members Are Told

"Plant Glads" from May through August for "continuous bloom" Dee Umberson told Garden Club members and their guests, The Town & Country Club, when he met with the club at their regular monthly meeting Tuesday in Fellowship Hall of the Methodist Church.

Mr. Umberson, who is a member of the National Gladiolus Society and an authority on the culture of gladioli, advised the members not to plant gladioli near peas or beans as they will contract diseases from them. Plant in a good garden soil. The bulbs may be soaked in arthro seed guard or new improved ceseran. They may also be soaked in a mixture of 1 gallon of water to which 1 1/2 tablespoons Lysal has been added. Soak in this mixture for three hours then plant. After the plants are growing dust with a good DDT mixture of thrips.

Mrs. Lee Norman presided at the meeting in the absence of Mrs. George Bradford, president. Mesdames Bradford and Sam Gilbreath are attending the State Garden Club Convention at Corpus Christi this week.

Mesdames Wall, R. D. Rogers and J. O. Seale were hostesses for the meeting. Arrangements were prepared by Mesdames Sherry and E. B. Wright.

The next meeting will be in the home of Mrs. Sam Gilbreath.

Betrothal of Doris Kitchens Revealed

Mr. and Mrs. Bill Kitchens announce the engagement and approaching marriage of their daughter, Doris, to Michael Holt, son of Rev. and Mrs. Holt, former Dimmitt pastors of the Assembly of God Church.

Doris is attending high school here. Michael was formerly employed at the local Panhandle Compress and Warehouse.

The wedding will be in the home of the bride Friday (April 29).

Big Square HD Club Host to Bethel Club

Members of the Big Square H. D. Club were hosts to Bethel H. D. Club Friday, April 22. Club members met in the home of Mrs. Forrest Collins.

Mrs. Houston Lust, Mrs. Bobbie Warren, and Mrs. Pete Shannon from Bethel were a skit on Safety in the Home. Delicious refreshments of punch and pie a la mode were served to guests, Mrs. Alice Williams, Mrs. Earl Lust, Mrs. Vern Lust, Mrs. Houston Lust, Mrs. Jim Givins, Marlene Warren, Mrs. Pete Shannon and Mrs. Jack Flint, and members, Mrs. Fred W. W. Anthony, Mrs. Andy Behrends, Mrs. Irvin Mrs. Forrest Collins, Mrs. Lon Booth, Mrs. Joe Hastings, Mrs. Bob Knight, Mrs. Gladys Malone and Mrs. Ruby White.

CARD OF THANKS

For every word of condolence and act of kindness extended us at our bereavement in the death of my father, A. W. Warren, of Moran, Texas, and for the beautiful floral offering sent there, and also for the ones sent to my home here, we wish to take this means of expressing our profound appreciation. Words cannot convey the full measure of our gratitude for the thoughtfulness of friends.

Our prayer is that God will bless each of you.

Mrs. A. A. Dodd

by b. m. n.

(Continued from page 1)

time but if everyone interested in seeing the proper postoffice facilities in Dimmitt should write to their congressman, the Texas senators and to the proper postal authorities it is just possible that there could be a change made. Protests should also be made by the city, the chamber of commerce, the Lions Club, B & P. W. Club, Garden Club and other organizations. We hear a lot about government at the grass roots level, but in this instance, where everyone locally is concerned, our business is handled for us by strangers without so much as consulting the city government or any local organization, but still the major political parties encourage precinct conventions so that the voice of the people at the grass root level can be heard. That must be a policy that is good only during a short time on elections. We have been duped. Events have proven that the politicians don't care about opinion from the grass roots level. The sad part about the whole thing is that you can't boycott the postoffice, it is the only place that you can buy a postage stamp, a money order, or pick up a parcel post package. Write those letters. Now.

—adacc—

We still plan on going to Rogers this week-end for the homecoming. I still like to go out to the old home-place where I have a toe nail behind every stump on the "New Ground." Might even get a chance to go out to Sandy Ridge and Mud Springs, or maybe to White Rock and Bullocks Ford on Little River where we used to go swimming with everybody looking like Nature Boy for real.

Nazareth News

The Happy and Nazareth councils of the Knights of Columbus held a first-degree initiation on April 19. Guest for the occasion was Russ Jansen, San Antonio, state representative for the insurance division of the Knight's state organization.

A day of recollection for the women of Holy Family Parish will be held on Ascension Thursday. The one-day women's retreat is to be sponsored by the Mothers' Society and the Catholic Daughters. The speaker has not yet been announced.

Court Archbishop Gerken 1368, of the Catholic Daughters, will hold a Communion breakfast in observance of its annual Communion Sunday, May 1.

In their meeting April 20 the C. D. A. voted to buy a stained glass window for the church in memory of Archbishop Gerken. Mrs. Joe Birkenfeld, chairman of the poetry committee, reported on the winners of the event; the members voted to award prizes to first-place winners, Eileen Venhaus, Louise Schacher and Richard Schacher.

Mrs. Leo Ehly, grand regent, announced the annual election, to be held at the May meeting of the court.

Gloria Bertera, daughter of Mr. and Mrs. Cesario Bertera, was baptized April 17 by Father Morsch. The child's sponsors were Roberto Cantu and Mrs. Margarite Gonzalez.

Also baptized April 17 were Linda Vasquez, daughter of Mr. and Mrs. Alvin Vasquez, and Guadalupe Barrera, son of Mr. and Mrs. Ascencio Barrera. Sponsors for the Vasquez child were Mr. and Mrs. Nicolas Cardenas; sponsors for the Barrera boy were Mr. and Mrs. Daniel Aldaco.

Baptized April 24 was Maria Angelica Gonzalez, daughter of Mr. and Mrs. Francisco Gonzalez. Mr. and Mrs. Ignacio Escalero acted as sponsors.

Ted Comrad, Nazareth junior, and Della Pohlmeier and Walter Acker, seniors, were awarded second places in speech events for Class B schools at Lubbock's regional meet of the Interscholastic League April 23. Ted entered the meet in senior boys' declamation, Della and Walter in debate. Other regional entries from Nazareth High School were Norita Schulte, senior, who was entered in ready writing; Evelyn and Ethel Dreyer, who were entered in number sense; and Edwin Huseman, who was entered in junior boys' declamation.

In their first two games the Swifts' baseball team has recorded one win and one loss. Their first game resulted in a 7-2 loss to Petersburg. Pitching for the Swifts in this game were Dennis Hoelting and Dar Schmucker.

On April 26 the Nazareth team defeated the Springlake team by a 15-5 score. Dennis Hoelting, freshman, pitched for the Swifts. The first Swift score of the game was made by Dick Hoelting, third baser, who scored a home run in the first inning.

Dimmitt Man Has Arrived in Germany

9th Div., Germany—Pvt. John R. Simpson, 23, son of Mr. and Mrs. M. L. Simpson of Dimmitt, recently arrived in Germany and is now a member of the 9th Infantry Division.

As a part of the U. S. Seventh Army, the 9th Division conducts rigorous training exercises, including realistic maneuvers and field problems, in southern Germany.

Private Simpson entered the Army last November. He is a 1954 graduate of Texas Technological College.

Small Tenant House Near Hart Destroyed

An explosion of unknown origin caused a small farm house on the J. L. Shive place near Hart to catch fire and burn, according to a report from the local fire department.

The incident occurred just before noon Sunday. Shive was the first to know about the fire and notified the local department immediately. Firemen arrived too late, however, to save anything. Total loss was estimated at between \$2,500 and \$3,000.

The small two-room rent house was occupied at the time of the fire.

Riding Club to Be Organized Mon.

Preliminary plans have been completed for the organization of a Castro County Riding Club, according to an announcement this week by interested citizens. A meeting will be held Monday night, May 2 at 8 o'clock in the District Court Room in the court house for the purpose of perfecting the organization of the riding club. All interested persons in the county are urged to be present at the meeting when a name for the club will be selected, and officers named and membership applications taken.

To Welfare Relief

DO YOU KNOW THAT:
At the time the American Legion Auxiliary adopted the poppy it pledged the profits from the poppy sales 100 percent to welfare relief for service men and women and their families, thus fulfilling the true meaning of the poppy—an emblem of faith, faith which is being kept with all who died, through service to the living?

The American Legion Auxiliary in order to protect the memorial poppy from the inroads of commercialism, adopted a national poppy program at the St. Paul Convention in 1924 which eliminated the commercial poppy.

Rance HD Club

The Rance H. D. Club met in the home of Mrs. Troy Raye Tuesday afternoon, April 26, with members of the Sunnyside club as guests. An hour's entertainment was enjoyed by all.

The Sunnyside club presented a skit on safety entitled "There's No Place Like Home", written by one of their members. It was in two acts, the first taking place in the family car returning from the Amarillo Fair. The second act takes place in the kitchen of the home.

Several contest games were presented by the Rance Club and three piano selections were rendered by Mrs. Raye.

Refreshments were served to the following guests and members: Mesdames Robert Duke, Ray Axtell, Noble Howard, Wayne Powers, Cecil Curtis, H. G. Behrends, C. J. Hodges, Jack Streun, George DeLozier, Clarence Behrends, L. J. Counselman and the hostess.

Negroes Fined Here Monday for Fighting

Four Negroes were arrested here over the weekend by city and county officers on charges of fighting.

Two of the Negroes, Layman Perkins and Bennie Davis, pleaded guilty to charges in City Court Monday morning and paid fines of \$14 each. The other two, John Mashaw and Precious Phillips, a woman, were given emergency treatment at Castro County Hospital and released.

The Negroes were arrested Sunday morning in the Mexican labor camp here.

Recent Bride is Shower Honoree

Mrs. Donald Harbert, the former Lelde Thompson, was honoree at a miscellaneous shower Friday afternoon in the home of Mrs. Sid Sheffy. The serving table was laid with a Mexican drawnwork cloth and centered with an arrangement of pink stock, tulips and carnations. Lilac and cherry blossoms were used throughout the entertaining rooms. Mrs. Fred Bruegel served punch from a beautiful silver punch bowl. Mrs. Bradley Fulfer served cake.

Approximately fifty guests were greeted by the honoree and Mesdames Sheffy, Thompson and Lynn Smith. Out-of-town guests other than Mesdames Buck Ross, Ervin Onstead and R. V. Armstrong of Littlefield, who were co-hostesses, were Mesdames Lola Bray of Muleshoe, George Carpenter of Earth, Pickens, Ratloff of Littlefield; others assisting were Mesdames George Bradford, D. Neumayer, Leland Lee, Elmo Bell, Fred Bruegel, Bradley Fulfer, Clyde Damron, Noble Armstrong.

Big Square HD Club

The Big Square Home Demonstration Club members were guests of the Sunnyside H. D. club Wednesday April 20, at the Sunnyside Community Building where Big Square brought the program on "Safety in the Home." After a tea served by the Sunnyside club, in a setting of a doctor's laboratory, the meeting was called to order by Mrs. Jack Ebeling, president. Each one present registered at the "doctor's office" and his "disease" was diagnosed.

"Going, Going, Gone," a playlet on safety, was presented by Mrs. Wes Anthony, Mrs. Forrest Collins, and Mrs. Bob Knight. A song "My Accident" was given by the visiting group in pantomime.

A recreational period was directed by Mrs. Dorothy Washington in games prepared by her and Mrs. Frances Duke of the Sunnyside club.

Those attending from Big Square were Mesdames Andy Behrends, Raymond White, Jim Malone, Wes Anthony, Forrest Collins and Bob Knight; from Sunnyside, Mesdames Jack Ebeling, Irving King, Cecil Curtis, Roy Phelan, Billie King, Wayne Powers, Robert Duke, Noble Howard, Dorothy Washington, and R. A. Axtell.

Castro HD Clubs Compile Cook Book

The Castro County Home Demonstration Clubs are compiling a cook book which will feature over 200 recipes, the favorites of women of this locality, according to Mrs. Sybil Stringer, Castro County Home Demonstration Agent.

May 1st has been set as the deadline for getting recipes in. They may be mailed to Mrs. Doyle Underwood, Route 4, Dimmitt, Texas, or may be brought by the County Extension Office.

Each woman of the area is urged to send in 2 or 3 of her favorite recipes. At least one will appear in the book with her name printed above it. The book will have a washable, plastic-coated cover and a plastic ring binding which will allow it to lie flat while in use. It will contain kitchen hints and other interesting information.

This book will be ready for distribution early in the Fall.

BIG SQUARE NEWS

Visitors in the Wes Anthony home Sunday were Messrs. Earl Lust, W. M. Kunkel and Karen and Linda Kuntz.

Several members of the Big Square H. D. Club were guests at Sunnyside on Wednesday afternoon. Those from Big Square were Mesdames Forrest Collins, Bob Knight, Wes Anthony, Andy Behrends, Raymond White and Mrs. Galloway.

Randy Morgan, son of Mr. and Mrs. Buster Morgan, has been very sick with measles and spent a few days in the hospital.

WALTER ROGERS

WASHINGTON NEWSLETTER

Aircraft Carriers
The House passed H. R. 4393 by 372 yeas to 3 nays, 7 answering present, and 51 not voting. This bill was referred to as the Fiscal Year 1956 Navy Ship-building and

Conservation Program. Actually, it will take four years to complete the program therein proposed. It involves the construction of 34 new ships, 24 being combat types. It authorizes 14,000 tons of landing craft and provides for conversion and modernization of 28 other vessels. The cost of the new ships and landing craft is one billion 150 million dollars. The remaining cost is 202 million for modernizing the 28 old vessels, and

there is an item for advance material procurement and pre-production plans, amounting to around 33 and one-half million. This was all in the President's budget and is now being considered by the Appropriations Committees. The bill before the house yesterday was an authorizing bill.

In the debate it was pointed out that our Navy today has 1100 ships in commission, 1300 ships in mothballs, 16,000 airplanes and 665,000 men. 407 of 1100 ships are battleships, aircraft carriers, cruisers, destroyers and submarines. 26 are aircraft carriers. 105 vessels are now under construction and 13 more have been authorized but construction has not started. Four of the 105 vessels are Forrestal class carriers, 11 are destroyers and 11 are escort vessels. Nine submarines are included, four being nuclear powered. These vessels are being constructed at 80-odd shipyards, and the overall cost will be about 2 billion 300 million dollars.

This gives you some picture of the present strength of the Navy of this country and the increase that will be provided by the new authorization. One of the big controversies concerns whether or not aircraft carriers are obsolete. The answer to this will probably come if and when we have another war. As the matter presently stands, we would be taking a serious chance not to provide a seagoing airport for fighter planes to protect our long range bombers. Frankly, I do not feel that all of the information that is contained in this letter should be made public, but it is well known in every corner of the globe and is set out in detail in the Congressional Record and in the hearings before the Armed Services Committee.

The Afro-Asian Conference
You have been reading lately about the Afro-Asian Conference in Bandung, where the Chinese communists seem to be taking a terrific beating at the hands of the free nations. Not much has been said about it, but this country is indebted to Congressman Adam Clayton Powell, of New York, who is attending the conference as a United States observer. Congressman Powell did a masterful job of putting the communists, both Chinese and Russian, on the defensive, from which they have not recovered. He is entitled to much acclaim and credit for his contribution against communism at this conference.

Farmers Versus Foreign Aid
It was recently announced that the administration would ask for three and one-half billion dollars for new foreign aid money. This announcement came shortly after a small group of farmers from the Southwest had been in Washington trying to obtain slight relief from the drastic price support cuts engineered by the Department of Agriculture. Many people including the writer, find it impossible to understand policies which are depressing farm prices going along side by side with practices increasing grants to foreign countries. One fellow suggested that what we need to do is to put Benson and his policies in charge of the foreign aid programs and let Stassen and the

foreign aid appropriations be used in the Department of Agriculture. He might have something.

The Gas Hearings

A witness at the gas hearings who represented quite a utility empire referred to his empire and another giant fuel corporation as guinea pigs. One committee member remarked that they might look like guinea pigs to the witness, but they resembled full-grown hogs to him.

The Younger Generation

One of the younger Rogers brought a friend in the other evening as an overnight guest. When he asked permission for his guest to stay, I told him that some of the other children had brought in friends and I doubted if there were any beds left. He

and his friend assured me they would arrange for sleeping facilities. The next morning I found out that they had taken the cushions off the divan downstairs, wrapped them up in sheets, and made a bed on the floor. The strange thing to me was that the guest was sleeping on the floor. When I was that age, the guest got the bed and I had to sleep on the floor. I guess we are living in a changing world.

Mr. and Mrs. Wayne Gipson and little son arrived in Dimmitt Friday from Fort Hood, Texas where Wayne had been stationed the past two years. He received his discharge there last week.

Mr. and Mrs. E. B. Noble and children, Rick and Dave, returned home recently from a visit with her parents, Mr. and Mrs. E. E. Kuneta, at El Campo.

INTERESTING FACTS ABOUT TEXAS

FRENCH EMBASSY

From 1836 to 1845 Texas was a Republic and dealt with foreign nations just as any sovereign nation does today. It was recognized by foreign nations, but France was the only country to send a minister to Texas. The house which was occupied by A. de Saligny, the Minister, is still standing in Austin. It is the only building ever erected on American soil by a foreign government, and was built in 1841 from hand sawn lumber.

Freshman Boys Are On Football B Team

The Freshman boys who went out for football were put on the E-team. Truman Touchstone and Keith Lowe were promoted to the A-team after a few B-team games, and they both did very well.

The B-team had a good season with six victories and three defeats. Our three defeats were by Muleshoe, Hale Center, and Springlake, and they were all by small margins. Freshman members of the B-team were D Bradley, B. Field, C. Wilkinson, R. Newton, G. Cleaver, B. Hyatt, V. Howard, J. Tate, D. Horn, R. Ragland, S. Henderson, P. Avert, C. West, D. Russell, C. Johnson, Z. Gilbreath and Robert Brown. All of these boys did very well and should be varsity players in a few years.

The Freshman basketball team was coached by Coach Alvis Fuquay. We had eight boys on the team. They were D. Bradley, T. Touchstone, Z. Gilbreath, B. Field, J. Cluck, C. Wilkerson, G. Cleaver, and J. Tate. The manager was D. Russell.

All of the freshmen that went out for football went out for track too. Only a few boys went to Hale Center to the track meet and the freshman track team won second in total points. The boys who went to Hale Center were: Touchstone, fourth in the 75 yd. dash and starter of the 440 yd. relay; Bradley, fourth in the 50 yd. dash; Fields third in the high jump and third in the broad jump; Russell fourth in the shot put; Lowe, first in the high jump, fourth in the 50 yd. dash, fourth in the 75 yd. dash, and fifth in the broad jump; Cleaver, fourth in the 100 yard dash, fourth in chinning, and a member of the 440 yd. relay; Tate fifth in the 75 yd. dash and a member of the 440 relay; and Gilbreath first in the 100 yd. dash, second in the 75 yd. dash, fifth in the high jump, sixth in the broad jump and a member of the 440 yd. relay. The 440 yd. relay won fourth.

Through Nine Years Of School

Freshmen Are 64 Strong

In 1945 we started to school. Our first year in school. Our teachers through the first to the eighth grade were: Mrs. Caudle, Mrs. Blackman, Miss Henderson, Mrs. Vostal, Mrs. Ratcliff, Mrs. Forson, Mrs. Bearden, Mrs. Howell, Mrs. Loyd, Mrs. Boling, Mrs. Morgan, Mrs. Richardson, Mrs. Wooten, and Mrs. Newman. Our teachers for the last year in grade school were: Mrs. Newman and Mrs. Stone. During the last year in grade school some of the high-lights of the year 53-54 were our 8th grade play, the Junior Choir, the Christmas cantata-pageant, sports and our banquet. As the graduating class of 54 from grade school, we gave \$50.00 to Principal W. E. Reisdorph to buy a filing cabinet for the office.

In 1954, 69 Freshmen started to school again, this year in high school. On our first day in high school we were greeted by the upper-classmen shaving the boys' heads and making the girls air-raid. That just lasted one week. We were glad to see that week end. We had our first class meeting and elected sponsors, class officers and room mothers. Our sponsors are: Miss McMinn and Mr. White. The class officers are: president—Gary Cleaver, secretary—Judy Boothe, treasurer—Betty Hobratchschke, reporters—Alice Waggoner and Lee DeLozier, parliamentarian—Don Robb. Our room mothers are Mmes. Tate, McElroy, Weldon Bradley, Dent Bradley, Dyer and Berryman.

For our Halloween Queen candidate we elected Judy Boothe, and her escort was Zay Gilbreath. We had a candidate for fair queen too. We elected Judy Boothe, and her escort was Jerry Cluck. Our teachers who have freshman classes are: Mr. Ralph Smith, Miss Potts, Mr. Cason Smith, Mr. Seale, Mr. Fuquay, Mr. McCarty, and Mr. White.

Dennis Wins District Speaking

Edgar Dennis won first in the

District FFA Speaking Contest Monday at Sudan. He gave his original composition entitled, "First the Plow", J. O. Seale, local agriculture instructor, sponsored Dennis. Mrs. Sam Hunter was his speech advisor. He will enter the Area Contest at Lubbock May 7.

Grade News

6B
This week we are taking our achievement tests. The five flutes in the Junior Band are very pleased that Mr. Smith is letting them borrow the piccolos while they are not in use.

This week our club program consisted of songs, droodies, riddles and jokes.

Our story of the week: "The Funny Foot"
This week Jon Helf jumped the football fence and twisted his foot. When looking at his foot he wondered "Is this the toe or is this the heel. Or maybe it's the arch" for indeed the foot was swollen and looked very funny. He was absent Friday 22 but came this Monday and is okay.

6A
Our films we had were on Alaska and decimals. There were some interesting facts about Alaska. We really enjoyed it.

In our science we are studying birds. Mr. Damron said for us to draw 10 different kinds of birds with their nests. We have to have it in two weeks.

We have different kinds of pictures on the wall. In our Art we have to draw one of them.

We have started our achievement test.

Mrs. Ratcliff's 2nd
Mrs. Froehner received a broken arm last week. The pupils have been working very hard.

Mrs. Smith's 2nd
Tommy Nichols and Paul Easterwood celebrated their birthdays at school Wed. April 20. They were 8 years old. Their mothers brought cake and drinks. After playing games they were served, hard where they will succeed in making good 3rd graders.

Mrs. Howe's 1st
Mrs. Howe's First Grade pupils have made pictures of spring to decorate their room.

- Physique—Truman Touchstone
- Eyes—Jerry Cluck
- Nose—Cary Johnson
- Best-all-round—Gary Cleaver

Band In TIL Contest

The seventy-six piece Dimmitt Bobcat Band is in Canyon today (Friday) participating in the Texas Interscholastic League band contest. The band, directed by Ralph Smith, is entering concert, sight-reading and marching. They are trying for a first place on each, and a sweepstakes trophy will be received if this is accomplished. The numbers the band is playing in concert are "His Honor" march, "Famous Largo" Overture, and Norwegian Folk Song Suite. The march numbers are "Symbol of Honor" and "Dark-towak Strutters Ball."

The band is competing with nine other bands in class A—Panhandle, Friona, White Deer, Clearfork, Lefors, McLean, Memphis, Wellington and Canadian. There are forty bands entered in the over-all contest.

Recently the Dimmitt Band won sweepstakes at the Berger contest. Since then the group has appeared in concert at an assembly and at a public program.

Freshman Band Members

The Bobcat Band is well represented with the following students: P. Mundell, C. McElroy, E. Cummins, K. Goodwin, M. Burgin, J. Alldredge, A. Gollehon, Z. Gilbreath, D. Robb, E. Dowty, K. Lowe, J. Cluck and V. Howard. These people went recently to the Berger Festival with the band. They are planning to go to the TIL Contest at Canyon this week. Recently the solo contest was held at Canyon and the following freshmen won first divisions: Jonalyn Alldredge on clarinet, Charlotte McElroy on baritone, and Ann Gollehon on French horn.

Congratulations

The Bobcat Tales extends best wishes to all those students who have birthdays in May.

Texas Viewpoint

In Washington

By PRICE DANIEL
U. S. Senator

Last week saw another host of Texans in Washington. As heretofore indicated in this column, there are always dozens of Texans here on visits or business, and the numbers were even greater during the recent annual meetings of the Daughters of the American Revolution and the American Society of Newspaper Editors.

Many Texas women took prom-

inent parts in the recent DAR convention, and Senator Lyndon Johnson was one of the principal speakers at their annual banquet. As usual, the DAR put on many interesting speakers and outstanding programs urging more interest in American history and constitutional government.

Newspaper Editors
The Washington meeting of the American Society of Newspaper Editors was attended by many outstanding publishers and editors. Most Texas dailies were represented, and they were entertained with a reception by Secretary of Health Education and Welfare, Oveta Culp Hobby, and a boat trip on the Potomac by Deputy Secretary of Defense Bob Anderson.

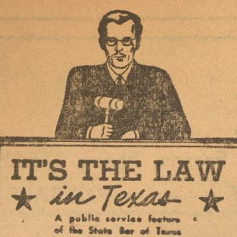

A highlight of the newspaper meeting was the annual banquet of the Women's National Press Club which was presided over by Texan Elizabeth Carpenter. Texas women newspaper correspondents here in the capital in addition to Liz Carpenter are Sarah McClendon, who writes for several Texas dailies, Ruth Schumm of the Dallas News, and Martha Cole of the Associated Press.

San Jacinto Day

The Senate last Thursday took notice of San Jacinto Day. In speeches on the floor of the Senate, great honors were paid to General Sam Houston and his gallant band of Texans who won Texas' independence in one of the most decisive battles in history.

Of particular interest was the statement by Senator Martin of Pennsylvania concerning Sam Houston. He said: "The account of his life is one of the great stories in American history, and I think that this body and other legislative bodies of America should frequently call the attention of our people to the great exploits of which he was a part. They show how America was made. In order to retain the liberties which men like Sam Houston attained for us, each generation must recapture and fight for them."

Loyalty Day May 1 Congress has officially declar-

Individuals Responsible for Acts of Agents

Suppose that you hired Johnnie to cut your grass, and he runs your new mower into your neighbor's hedge thereby ruining the hedge. Are you responsible for the damages? Quite likely you are.

Or let us suppose that you find you need some supplies for the evening meal. You ask Johnnie, your neighbor's teen age son, to take your car and run to the store for them. On the way, Johnnie hits a pedestrian, seriously injuring him. Can you be held responsible? It is possible that you

ed May 1st to be "Loyalty Day." The writer had the honor of sponsoring this legislation in the Senate, and the House passed a companion resolution by Congressman Van Zandt of Pennsylvania. It authorizes the President to issue a proclamation designating May 1st as a day on which the flag shall be flown on all government buildings and urging that it be celebrated for the purpose of showing our loyalty to our country and the American way of life.

The resolution was sponsored by the Veterans of Foreign Wars in an attempt to counteract the Communist May Day celebrations. Many cities throughout the nation, including Pasadena, Texas this year have been designating and celebrating this day as a special time for loyalty parades and patriotic meetings. Every day should be Loyalty Day in America, but it is well that this particular day be designated in order that the entire nation may be reminded of the importance of patriotism and loyalty to our own country and our own form of government.

Disabled Texas Servicemen
Senators' wives are inviting disabled servicemen in Washington hospitals to see the Capitol and the Congress. Mrs. Daniel and Mrs. Johnson had ten hospitalized servicemen from Texas to lunch in the Senate dining room on San Jacinto Day. We realize that disabled servicemen so far away from home are lonesome for their own people, particularly on a Texas holiday. It is a privilege to be able to play some small part in making life of these boys a little more enjoyable while they cannot be with their own families. We hope and pray that the day may come soon when these young men can be with their parents and loved ones.

can.
In both instances, Johnnie was acting for you. His acts while performing those duties are, in the eyes of the law, your acts. You may be liable despite the fact that you may have cautioned him to drive carefully and he did not.

The average individual expects to answer his own actions. He does not usually consider that he may be responsible for the actions of other persons. That, however, is frequently the case.

You may ask another person to do something for you, that is, to act as your agent. You may pay him, or he may be doing it without compensation.

You may ask him to buy or sell property for you. The action may be to negotiate an agreement for you with a third person.

If representations are made by your agent in performing the task which you assigned to him, you are responsible.

In a like manner, you are responsible for the contract made by him while he was acting for you.

You may be held responsible for the acts of a person who customarily represents you even though he entered into a contract for you without your consent or approval.

For example, you may have a

partner in business, and you and he have agreed that certain contracts shall be made only upon the signature of both of you.

Unknown to you and without your consent, your partner signs such a contract with a third person involving partnership business. If the person with whom this contract is made has no knowledge of the terms of your partnership agreement, you are responsible for the contract which your partner has made.

You may have agreed between you that neither of you would buy, without the other's consent, any items of merchandise costing more than \$50. You did not give this information to salesmen who called on you. In your absence on a Thursday afternoon, your partner ordered merchandise for your store costing more than \$50 limit.

When the merchandise is delivered, you can not refuse to accept it because you can be bound by your partnership agreement because you did not advise him of the \$50 limitation.

As the actions of your agent are considered to be your actions, you assume the responsibility of his doing them correctly.

(This column, based on Texas law, is written to inform—not to advise. No person should ever apply or interpret any law without

the aid of an attorney who knows the facts, because the facts may change the application of the law.

Mrs. Mike Isom of Sunflower, Mississippi, is visiting her daughter and son-in-law, Mr. and Mrs. Bill Lee.

Local Man Arrested on Transporting Charge

Albert Scott of Dimmitt, charged with transporting intoxicating beverages, was arrested by local officers Sunday afternoon north-

west of Dimmitt and jailed here. Scott pleaded guilty in County Court Monday and his bond was set at \$500 pending trial.

Officers confiscated three cases of beer when the defendant was arrested.

NEW CHEVROLET Task-Force TRUCKS

From America's leading truck builder comes a whole truckload of new advances that mean big savings in hours, dollars and driving effort on your hauling or delivery jobs. And they're ready to go to work for you right now!

1 Introducing new styling in trucks!

The first trucks with fresh, functional styling that fits your job! Two new designs are offered.

2 Six new "high-voltage" engines!

With a modern 12-volt electrical system for quicker, surer cold-weather starting.

3 A cab that's got everything!

Including a new Sweep-Sight windshield, new softer seat, new High-Level ventilation.

4 New 18,000 lb. max. G.V.W.!

Get this hefty capacity in new 2-tonners and get real savings on operating costs!

5 More durable frames of standard width!

These new 34" width frames have larger, parallel side members for greater rigidity.

6 Power Steering for all models!

Cuts turning effort up to 80 per cent. Optional at extra cost on all models.

7 New Overdrive! Truck Hydra-Matic!

Overdrive, optional on 1/2-ton models at extra cost. Hydra-Matic, on 1/2-, 3/4- and 1-ton.

8 Tubeless tires standard on 1/2-ton models!

Give greater protection against a blowout . . . deflate more slowly when punctured.

9 Power Brakes standard on 2-ton models!

Increases driving safety! Standard on 2-ton models—extra-cost option on all others.

Come in and see the newest things in trucks!

FFA Activities**

In October the FFA boys and Mr. Seale went to the Dallas Fair in one of Earl Bull's cattle trucks. Freshmen who went are Adams, Bradley, Bryon, Cleaver, Ewing, Follis, Gunn, Henderson, Hodge, Johnson, McGowan, Mandrell, Newton, Russell, Tate, Touchstone and West.

The Dimmitt team won 2nd place in the chapter conducting contest. The officers are: president—Truman Touchstone, vice-president—Dale Russell, secretary—Cary Johnson, treasurer—David Bradley, reporter—Jimmy Tate, sentinel—Stanley Henderson. Members: Larry Allen, Gary Cleaver and Carroll West.

In the FFA quiz the Dimmitt team won third. On the team

were Dale Russell, Carrell West and Truman Touchstone.

In the "Farm Skill" program we won 2nd. On the team were Gary Cleaver, Richard Ragland, Larry Allen and Lee DeLozier.

Then there was a dairy products team chosen. On the Dairy Products team were Jerry McGowan, Carrell West and Stanley Henderson. This took place at Plainview.

Then Mr. Seale chose the poultry team, and they have just had their first workout. Those who worked out were Harold Bryon, David Bradley, Gary Cleaver, Jerry McGowan. This team is going to the Lubbock contest.

In the Muleshoe FFA Rodeo there was only one candidate, Stanley Henderson. Stanley rode a calf and won 1st place.

During the Fat Stock Show here in Dimmitt the Dimmitt Freshmen won several ribbons. In

the poultry division Jerry McGowan won first place in the Old Pen Division. In the Swine division Stanley Henderson with one hog won 5th place. His hog brought 36 cents a pound. Larry Allen had one hog, he won 5th, and his hog brought 38 1-2 cents a pound. In the Livestock Division we had Stanley Henderson with one calf. He won 9th, and his calf brought 32 cents.

Senior Have Kid Day

Oh, to be a kid again. The seniors of D. H. S. relived their childhood Friday by having Kid Day. They were really cute in their short pants and short ruffled dresses carrying dolls, stuffed animals and big suckers. They presented an assembly to the student body. Ma and Pa Kettle and all of their kids gave a skit. The such snappy numbers as "Yar-

kee Doodle", "Daisey" and Short-13 senior band members gave nin Bread". Heckel and Jeckle pantomimed "The Three Bears", and Monette Battles twirled her baton. David Honea was a good M. C. Darlene Carpenter and Lefty Curtis were chosen best dressed kids.

At noon the seniors enjoyed their sack lunches on the lawn. At recess they played jacks, volleyball, cat and rat, and jumped the rope.

Everyone enjoyed watching the seniors as much as they enjoyed being silly.
