## Gifted students get new horizon

54th Year — No. 4

Dimmitt, Texas, Thursday, October 23, 1980

18 Pages

**HOMECOMING QUEEN**—Dimmitt High School junior DeNise Dobbs is crowned the 1980-81 Homecoming Queen by Student Body President Toby Burleson [right] during the Homecoming Pep Rally Friday afternoon. At

left is Miss Dobbs's escort, Jay Reeve. Other queen candidates were senior Maja Martinec, sophomore Shelly Frye and freshman Mary Arce.

**FLAME QUEEN AND KING** in Dimmitt High School this year are Catherine Mongeau and Robert Booser, both seniors. Their crowning climaxed the annual Bonfire Pep Rally last Thursday night.

For 13 of Dimmitt High School's brightest students, this will be a year of extra learning experiences — and perhaps new horizons.

The 13 are the "top 3% of the DHS student body who were chosen to take part in the new enrichment program for gifted and talented students.

Those chosen for the program were announced Friday, following extensive testing and evaluation of 42 students who had been nominated by their teachers.

Those making the final selection went by scores alone, and didn't know the names of those they had chosen. Later, they learned they had picked seven boys and six girls, including four seniors, five juniors, one sophomore and three freshmen.

The students are Trent Armstrong, Toby Burleson, Kyle Collins, Brandon Cox, Shelly Frye, Junior Mendez, Deanne Merritt, Julie Reeve, Janice Sammann, Laurie Sides, Kevin Spinhirne, Sharla Street and Chad Thompson.

They're joining 300 other exceptional students from throughout the Panhandle in the program, which is conducted by the Region XVI Educational Service Center in Amarillo.

Through seminars and field trips, the G/T students may be exposed to such learning opportunities as:

—A visit to the Sandia Laboratories at Albuquerque to see demonstrations and hear lectures on alternate energy sources.

—An archeological dig near Albuquerque.

—A Santa Fe Opera fine-arts workshop, with artists and musicians from throughout the US contributing.

—A cruise aboard one of Texas A&M's research vessels in the Gulf of Mexico, for studies in marine biology, microbiology and other related topics.

—Visits to hospitals, laboratories, government agencies and professional offices, for on-site study.

—Lectures and workshops conducted by experts, in such fields as medicine, pharmacy, [See STUDENTS, Page 2]

After almost four years of continuous criticism by the media, both printed and electronic, directed at President Carter, and every act and program of the government, the President has been, and is, trying to overcome the propaganda that had driven his standing so low in the various polls. The office of the presidency, as well as the person occupying the office, deserves more respect than it, and they, have received during the past few decades.

It seems to have been the chief sport of columnists, editorial writers and cartoonists to latch onto every act of the President to vilify and bemean him personally, and through their persistence they have succeeded in brainwashing many people beyond any bounds of reason. In the process of tearing down the President they have, at the same time, through their criticism of government have caused the same people to lose faith in their country. Constructive criticism is fine, it can bring about good results. But the type of criticism that we have witnessed for the past four years, so far as our President, our government and our defense establishment is concerned, is a disgrace and a blight on the news media, a profession that is supposed to enlighten the public with facts and intelligent analysis. Their legitimate purpose is not to propagandize and tear down people and institutions as has been their policy in recent years.

Absentee voting for the Nov. 4 general election is running "about normal," according to County Clerk Zonell Maples. Sixty-eight voters requested ballots during the first eight days of absentee voting, she reported. Voters who expect to be out of the county on election day may cast absentee ballots until Oct. 31 in the county clerk's office. Absentee ballots for Dimmitt's special city alderman election are available at the city hall. Ballots can be mailed to individuals who are registered in this county but living outside the county at the present time. However, absentee ballots will not be mailed to addresses inside the county.

Many people expected the President to roll over and play dead at the finish of the nominating process. He is made of a little sterner stuff than his detractors realized. Like Harry Truman, he came out punching following the democratic convention and the results of the various polls have shown a radical change in his favor. In fact the two major candidates are now running neck and neck. Governor Reagan has lost much of his support and all of his momentum, while President Carter has been gaining strength along with momentum. It is a good indication that the undecided voters are making the right decision.

Much has been said and printed lately about Carter playing dirty politics. It is just a bit amusing to read what has become a recent thought, or statement, "that lying Carter is playing dirty politics." Ho, boy. If that is not bending it around to suit your purpose I'll vote republican.

Carter has been criticized severely for running against Reagan. The republican party nominated the man but, now they want the President to run against Anderson. It doesn't

**DAYLIGHT SAVINGS TIME ENDS**  
**OCT. 26th**

Don't forget to turn your clocks back an hour before you go to bed Saturday night. The nation officially goes off Daylight Saving Time at 2 a.m. Sunday.

## United Way goes over top

With \$11,773.50 in contributions and pledges as of Tuesday, Dimmitt's 1980

United Way Campaign went over the top this week.

The figure represents 101.7% of the campaign goal, according to Dale Wells, campaign chairman.

The goal was set at \$11,575, and this is the first time in three years the goal has been met or exceeded. Last year's campaign raised 82.8% of its goal.

Kids Inc., Meals on Wheels, American Field Service, Girl Scouts and the

USO are the programs that will benefit from monies raised this year.

"We appreciate the way the citizens and businesses of Dimmitt and Castro County rallied to help us make our goal this year," Wells said. "A number of individuals and businesses contributed far more than their fair share to help us with our campaign."

This year's honor roll of individuals and businesses who, along with employee

contributions, gave \$100 or more, includes Amstar, C.R. Anthony Co., Charles Axtell, George Bagley, George Bagwell, Kent Birdwell Insurance Agency, James Bradford, Burkett and Ross, Castro County Grain Co., Castro County News and Corn Saver Manufacturing.

Also on the honor roll are C&S Equipment Co., Dimmitt Equipment Co., Dimmitt Lions Club, Dimmitt Super

Market, Dimmitt United Lions, Dimmitt Veterinary Clinic, Robert Duke, First State Bank, Hi-Plains Savings and Loan Association and Justice Real Estate.

Others on the honor roll include KDHN Radio, Parsons Drug, W. J. Patton, Pioneer Natural Gas Co., Reeve-Fleming Chevrolet, Pontiac, Stanley Schaeffer, CPA, Leona Stiles, South Hills Manor and Southwestern Public Service Co.

### Absentee balloting is 'normal'

Absentee voting for the Nov. 4 general election is running "about normal," according to County Clerk Zonell Maples.

Sixty-eight voters requested ballots during the first eight days of absentee voting, she reported.

Voters who expect to be out of the county on election day may cast absentee ballots until Oct. 31 in the county clerk's office.

Absentee ballots for Dimmitt's special city alderman election are available at the city hall.

Ballots can be mailed to individuals who are registered in this county but living outside the county at the present time. However, absentee ballots will not be mailed to addresses inside the county.

## City ponders park options

The Dimmitt Board of Aldermen Monday confirmed its plans to maintain the proposed new city park in West Dimmitt upon its completion by the Dimmitt Rotary Club.

"The ground has been cleared of weeds, and trees are planted all around the park," Rotary President Ronnie Parker reported.

"The Rotary's wish was to 'solicit your cooperation,'" Parker said, adding, "We just need to know your feelings."

When the project was originally proposed by the

Rotary Club, the city purchased the lot in West Dimmitt for full development by the club, City Manager Garnett Holland explained.

The city has furnished water and a two-inch meter for the park. After full development of the park, "the city is supposed to take it over," he added.

Holland said that completion of the park will cost about \$11,000.

"We asked people in the community to help us," Parker said, but the money from other local clubs and

individuals just didn't come in "as expected."

"The Rotary Club has had it by ourselves," Mayor Elmer Youts said.

In April, the board approved the purchase of playground equipment for the proposed park, using a \$5,000 city grant that originally was intended to be used to add hard-top pads to the park.

The city grant has not yet been used, Youts said, adding that an underground sprinkler system should probably be installed before grass is planted in the park.

Holland said that the city grant could possibly be used for a sprinkler system instead of playground equipment, if the Rotary so chooses.

"I think we will cooperate to the maximum extent," Alderman Wayne Collins said.

## Youths get corn crop out after neighbor is injured

It's been a month now since Roland Stevens was injured in a combine-auger accident while helping harvest Glenn Hatla's corn. The nerves and muscles of both arms were damaged so badly that he may not regain full use of them for a year, if then.

The accident knocked him out of work, and he hadn't harvested his own crop yet. But now his corn has been harvested, and the land has been listed and replanted — thanks mainly to a pair of teenagers, Todd Hatla and Ben Ray Holcomb.

Hatla literally took charge of Stevens' farming operation after the accident. "He really took over a man's job," said Stevens' wife, Shirley. "He was familiar with Roland's combine, and he just climbed on and took over, while Glenn handled the Grain Kart and the trucks."

"He just pushed so hard, working night and day," she continued. "He'd get out of school at 1:30 and get on that combine and run it until 10 or 10:30 at night. It was like it was his own farm — he knew the crop had to be gotten out, and he devoted his full attention to it."

"Then Ben Ray got to worrying about Todd working

so hard," she said. "He came over and started driving the Grain Kart. That relieved Glenn so he could go back and forth with the trucks. Ben Ray started working right along with Todd, early and late."

Gerald and Charles Summers also pitched in, hauling the Stevens' corn to town in their trucks.

Meanwhile, the two youths continued to "run" Stevens' farm as the adults stayed out of their way.

"They didn't really have to do it, but I didn't want to interfere," Mrs. Stevens said. "They just took charge, ran the harvest like it was their own farm, and pushed them-

selves, so none of us wanted to interfere with them."

"I heard them talking on the CB radio about what they had to do after they got through combining," she said. "They decided that Todd would do the listing and Ben Ray would do the planting. They were setting themselves a deadline for getting it all done, while they were still cutting and hauling corn. They later did it just like they planned it."

"The combine finally broke down, almost at the very end, and we had to hire a combine crew to finish up on the final day of the cutting," she said.

"Then the boys listed and planted the field just like they had planned, and finished on the day they had planned to. They finished Tuesday night of last week, just before we got a good rain on the planted ground."

"It was such a heavy responsibility, and the boys did such a beautiful job," Mrs. Stevens said. "I kept trying to get them to let up, but they wouldn't."

"If what those two boys did is any indication of what our next generation will be, then we older folks don't have to worry about it," she commented.

## Riley receives new Tech honor

Ray Joe Riley of Sunnyside and two other alumni of Texas Tech University's College of Agricultural Sciences received the first Distinguished Agriculture Alumni Awards at a special luncheon last Thursday in the Texas Tech University Center.

The other two recipients were Stephen J. Kleberg of Kingsville, 1969 animal science graduate, vice-president and secretary-treasurer of King Ranch, Inc.; and Charles L. Weddle of Grand Junction, Colo., 1936 horticulture major, plant breeder and owner of the Weddle Plant Laboratory, a research and development company.

Riley, a farmer-stockman and plant breeder, is a 1956 agronomy graduate. The awards were presented by Dr. Jack McCrosky, chairman of the Department of Animal Science; Dr. William F. Bennett, associate dean for resident instruction; and Dr. George Tereschkovich, associate chairman of the Department of Plant and Soil Science.

After the award presentations, Texas Tech University President Lauro F. Cavazos bestowed a medallion

embossed with the university seal on each of the award recipients.

The luncheon, attended by 200, was followed by the Annual Pig Roast at the Livestock Judging Arena, where

170 scholarship recipients and donors, as well as members of the college's interscholastic judging teams, were honored.

The luncheon, pig roast, and the Agricultural Careers Day Friday, sponsored by

Alpha Zeta, a student honorary agricultural fraternity, were part of the Agricultural Awareness Program organized by Texas Tech's College of Agricultural Sciences.

**TEXAS TECH ALUMNI HONORED**—Three graduates of Texas Tech University's College of Agricultural Sciences were honored last Thursday at the first Distinguished Agricultural

Alumni Awards luncheon. They are [from left] Charles L. Weddle of Grand Junction, Colo., Stephen J. Kleberg of Kingsville and Ray Joe Riley of Sunnyside.

## Corn harvest ends with mixed success

Elevator operators say corn harvest is over for the most part, though a few farmers still have corn in the fields.

Overall, yields averaged 23% lower than last year in Dimmitt and surrounding areas. According to elevator operators, yield losses were due to intense summer heat and insect problems.

Corn prices are considerably higher than this time last year, but most operators feel the high price will not compensate for yield losses and increased operation and production costs.

## Booth reservations due for Halloween Carnival

You'd think Dimmitt's 1980 Halloween Carnival was haxed.

The large warehouse building in which the carnival has been held for years was leveled by a tornado earlier this year.

And Oct. 31 falls on a football game night.

But despite these adversities of nature and the calendar, the show will go on.

The Halloween Carnival this year will be held Saturday night, Nov. 1, from 6 to 10 o'clock, in another warehouse building near the one that was destroyed.

A larger warehouse next to the original one has been made available for the community carnival by Panhandle Compress & Warehouse Co. (which owns the complex) and by La Mantia, Cullum, Collier & Co., Inc. (which uses the buildings for vegetable processing and storage).

The building is almost the size of a football field, and workers have been cleaning and organizing it to provide plenty of space for the community carnival.

There's just one hitch — the building isn't wired for the amount of lighting and

electrical outlets that a carnival requires.

But members of the Dimmitt Lions Club and the Young Farmers plan to solve that problem Saturday morning when they gather at 9 for a work party to wire the building and install lights and outlets.

"We'll only have a limited number of outlets, so we'll have to restrict the number of hotplates, stoves and other high-wattage appliances that are used," a Lions Club spokesman said.

The Community Halloween Carnival is sponsored and coordinated annually by the Dimmitt Lions Club.

Although Dimmitt Agri Industries, Inc., is donating much of the wiring needed to light the building, the Lions expect the cost of materials to run as high as \$1,000.

To offset this cost, the club has voted to charge booth fees this year — \$15 for a booth space without an outlet, and \$25 for one with an outlet.

If your club, class, church or group wants to reserve a booth for the carnival, you should contact Gary Huffines at 647-5416 or Tommy Fowler at 647-2536 by next Wednesday.

**More about**

**Dimmitt ...**

[Continued from Page 1] make sense and the majority of the voters will be aware of the fact, come election day. Certainly Carter has to talk about Reagan. The man is trying to get his job. If Reagan can't stand the flack, he should have paid attention to President Truman's advice. "If you can't stand the heat stay out of the kitchen." Next week I will debunk the bunk about the Carter record, and I will give assessment of other issues being discussed in the presidential campaign.

Richard Wooten says that it is time now to kill dandelions in yards. His method is to water your grass, or lawn, thoroughly, then wait a couple of days and spray with your favorite weed killer.

**More about**

**Students ...**

[Continued from Page 1] international relations, pathology, social sciences, lab technology, physical therapy, psychology, banking, metal markets, architecture, computer science, law and courts, arts, photography, archeology, advertising, civil engineering, interior design, astronomy, humanities, literature and leadership training. The DHS students attended their first seminar in Amarillo Wednesday, with their local G/T Program coordinator, Danna Beck. During the day they heard a talk by Soviet dissident Alan Ginzburg and a visiting professor's lecture on the Soviet Union during the Stalin era.

They also took part in a planning session, to help design their own extra-study program this year.

"All the seminars are learning workshops," DISD Curriculum Director Evie Froehner explained. "They're tailored to the special interests of the individual students. To a great extent, the students themselves will decide what fields they will study."

The program in the Panhandle is coordinated by Donnie Ickles of the Region XVI Service Center. A "task force" of professional people work with the program, as do local coordinators and school administrators.

The regional seminars are held the third Wednesday of each month, many of them in the Don Harrington Discovery Center in Amarillo. Before each seminar, the student receives a study packet so he or she can prepare for the day, in order to get the maximum benefit from the seminar.

"We're excited about the opportunity for some of our young people to be exposed to the gifted-talented program," Supt. Robert Ryan told the students and their parents in an orientation meeting Monday night.

He advised the students to "take advantage of the opportunities afforded you through this program, prepare thoroughly before each seminar, and use this program as a means to help you establish your educational priorities."

During the year, DHS's 13 selected students will share their findings with the student body in special assemblies.

THE word silhouette is derived from Etienne de Silhouette, an author and also France's Minister of Finance during the eighteenth century. His hobby, at which he was quite adept, was cutting profiles out of crepe paper.

**THE BONFIRE** grows bigger and hotter during Dimmitt High School's annual Bonfire Pep Rally last Thursday night, one of the highlights of Homecoming Week. The Bobcat Band, varsity cheerleaders, football players and coaches, the student body and parents all contributed to the heat and noise of the big pep rally.

**More about**

**City board ...**

[Continued from Page 1] system. Aldermen requested that Holland have an agreement drawn between the Rotary Club and the city pertaining to the duties and responsibilities of each.

Police Chief Ron Mitchell reported that widening Stinson Street from east of Richardson Elementary School to its intersection with Seventh Street was another possible solution to the traffic congestion problem there, in addition to other proposed improvements.

The city has some "Revenue Sharing money not yet used that could be used up there for paving or whatever we need to do on our part," Mitchell said. He told aldermen that the city's right-of-way extends 10 to 12 feet farther north of that part of Stinson Street.

The money available "to assist paving all over the city" amounts to \$12,722, Holland said. Should the city board and the school board agree that more paving is necessary, the school district would move the playground fence north by

**Religious perspective**

By K. G. CARROLL  
Considerable controversy has arisen over various religious groups classified as "Evangelical Christians" becoming involved in active political campaigning.

This does bring up the question of separation of church and state. However, Christians, whether regarded as evangelical or not, have not only the right but the duty and privilege to vote.

To state, as some have done that it is Christian to vote for Reagan and unchristian to vote for Carter, is to stretch the matter out of proportion. Even Christians have been known to make mistakes, but it isn't good (Christian) ethics, much less common sense to say it is either Christian or unchristian to vote for a certain candidate.

Both Christians and those who are not, should be well aware of how well Carter has fulfilled the duties of his office in the last four years.

Christians certainly have a right to be angry with Carter when he has refused to even give audience to their opinion on various matters which have strong Christian or moral implications.

Although President Carter claims to be a Christian himself, he has been inconsistent regarding certain decisions which he has made that are in conflict with Christian standards of conduct.

Even though Christians and their leaders have a right to express their opinions both pro and con regarding President Carter and his past performance in office, it is

ridiculous to state that to vote for or against a particular candidate is either Christian or not. A vote should be cast for the man based on both his apparent qualifications and his past political record. If the candidate has been unfaithful in his promises and has a poor performance record, he should not be re-elected, regardless of which political party he represents.

To vote a straight Democratic or a straight Republican ticket regardless of who the candidates are and their qualifications for office, is to have your head buried in the sand. There have been and still are poor candidates in both major political parties which do not deserve anyone's vote. This has been demonstrated in recent years by the many scandals involving officials in all levels of government. A candidate's honesty and integrity are very important.

This article is not intended to be an endorsement for either Carter or Reagan, but is intended to refute the public statement made by a well-known religious leader who said that it was unchristian to vote for Carter. I personally have rather strong convictions about which presidential candidate that I intend to vote for and I hope you do too.

I have heard the statement made, "It is not necessarily who you are voting for, but who you are voting against, in this election."

That statement indicates to me that some voters are not very enthusiastic about voting for any of the candidates but that they are against one candidate more than another.

It is your American duty first and also your Christian duty to vote, but please consider the issues and responsibilities of the office and vote for the man best qualified.

WHEN BUYING upholstered furniture, look for the special hangtag stating that fabric and filling materials used in the furniture are engineered to reduce ignition by a burning cigarette.

**Police calls**

A 31-year-old Amarillo man, arrested early Monday in Dimmitt after a high-speed chase, was transferred to Amarillo Tuesday to face a charge of aggravated rape.

The charge was filed in connection with the rape Sunday of a 16-year-old girl in Southwest Amarillo.

Dimmitt police encountered the man's car on a city street and pursued him at length. He was booked into the county jail on charges of driving while intoxicated, fleeing a police officer and resisting arrest.

Amarillo authorities were seeking the man at the time of his arrest here.

City police arrested an Albuquerque man early Saturday, and a 51-year-old Tulsa man Monday evening, on charges of public intoxication.

An Amarillo man was arrested last Wednesday by sheriff's officers on a charge of theft over \$10,000. He was released on \$1,000 bond.

A 28-year-old Hart man was arrested Saturday by the Highway Patrol on a DWI charge. He was released on \$250 bond pending court action.

Sheriff's officers arrested a 27-year-old Dimmitt man Saturday morning on a DWI charge. He was released on \$1,500 bond.

Highway Patrol officers arrested a Dimmitt man early Sunday on a DWI charge and for driving without his license. He was fined and jailed for violation of probation.

A 23-year-old Dimmitt man was arrested by Highway Patrol officers for public intoxication. He was fined and jailed.

A Hart man was arrested Sunday afternoon on a DWI charge by Highway Patrol officers. He was fined and released.

Sheriff's officers arrested a Dimmitt man on a charge of possession of marijuana early Sunday. He was turned over to Border Patrol officials.

**Nazareth FHA to hold dance**

The Nazareth FHA will sponsor a public dance following the annual FHA Banquet Saturday. The dance will be in the Community Hall from 9 p.m. to 1 a.m., with live music provided by Crossfire. Admission will be \$3 per person.

**Easter Lions' Halloween event slated two nights**

The Easter Lions Club will stage its annual Halloween Carnival and Spook House Oct. 31 and Nov. 1, at 7:30 p.m. each night. It will be held in the Easter Community Center.

Proceeds will go to the Texas Lions Camp for Crippled Children. Admission will be \$1.50 per person.

**Obituaries**

**Bonnie Pruitt**

Funeral services will be held Friday for Bonnie Pruitt, 84, of Valliant, Okla. Mrs. Pruitt, who died Monday, was the mother of W. E. Fitzgerald of Flagg. Services will be held at 2 p.m. Friday in Rattan, Okla. Survivors include her husband, Sam; three other sons; four daughters; and several grandchildren and great-grandchildren.

**Holy Land scenes to be shown Sunday**

There will be a slide show on the Holy Land Sunday at 10 a.m. at the First Presbyterian Church. The program is open to all interested persons.

USE this newspaper to wipe oil or grease from hands.

**Brockman re-elected as Zone 2 director**

Ernest Brockman of Nazareth has been re-elected to the Running Water Conservation District's board of directors.

Purpose of the Running Water SWCD, with headquarters in Dimmitt, is to promote sound soil and water conservation programs on farm and ranch lands within the district and to serve as a voice for farmers and ranchers on conservation matters and other issues affecting private property rights of landowners.

The board of directors coordinates the conservation efforts of various local, state and federal agencies and other organizations and has authority to enter into working agreements with these governmental agencies and private concerns to carry out its purposes.

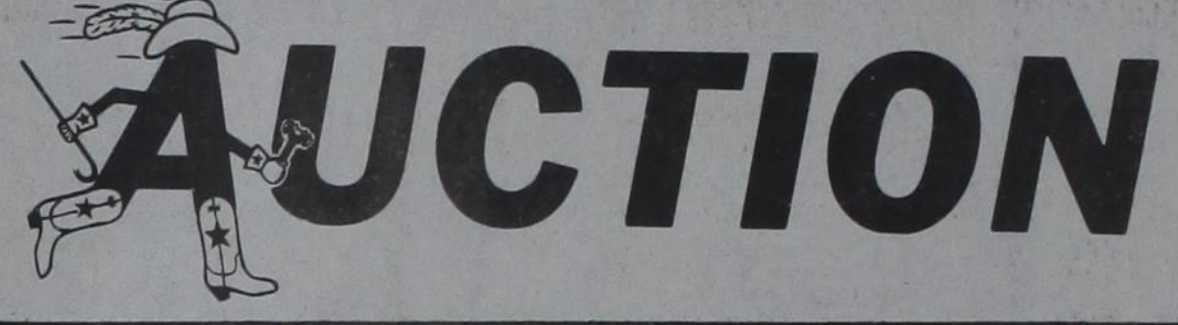

As one of five individuals serving on the district board

of directors, Brockman will be responsible for district policies and procedures for carrying out the district program within the framework of the Texas soil conservation district law.

In other areas of leadership, Brockman is active in the American Legion, Knights of Columbus and the Holy Family Catholic Church.

Brockman and his wife, Florine, have six children — Shirley, Richard, Hal, Kerry Jo, Mark and Ladonna.

In Texas, there are 200 soil and water conservation districts. Each is a legal subdivision of state government organized by local agricultural landowners, with the assistance of the Texas State Soil and Water Conservation Board. Unlike most other legal subdivisions of state government, SWCDs do not have the powers of taxation or eminent domain.

**Bill Sarpalius for 31st Senatorial District**

**HUMANITARIAN:**  
Bill Sarpalius and his two brothers were raised at Cal Farley's Boys Ranch. After college graduation, Bill returned to Boys Ranch with his wife, Donna, and his son, David, to work for five years as a staff member and teacher.

**AGRICULTURE:**  
A former State President of the Future Farmers of America, Bill Sarpalius has earned both Bachelor and Masters degrees in Agriculture from Texas Tech University and West Texas State University. He understands the importance agriculture plays in our economy.

**BUSINESSMAN:**  
As a businessman, Bill Sarpalius can relate to the problems facing businesses in the 1980's. A longtime District resident, Bill is sensitive to the needs of business in the area.

**EDUCATOR:**  
As a school teacher Bill Sarpalius understands the value of a good education. As a parent, he is concerned with the role quality education plays in the future of our state.

**EXPERIENCE:**  
Bill Sarpalius understands the Texas Legislative process. He believes that to be an effective State Senator you must make yourself available to the people. Bill intends to do this through the use of a mobile office.

### School choirs slate concert

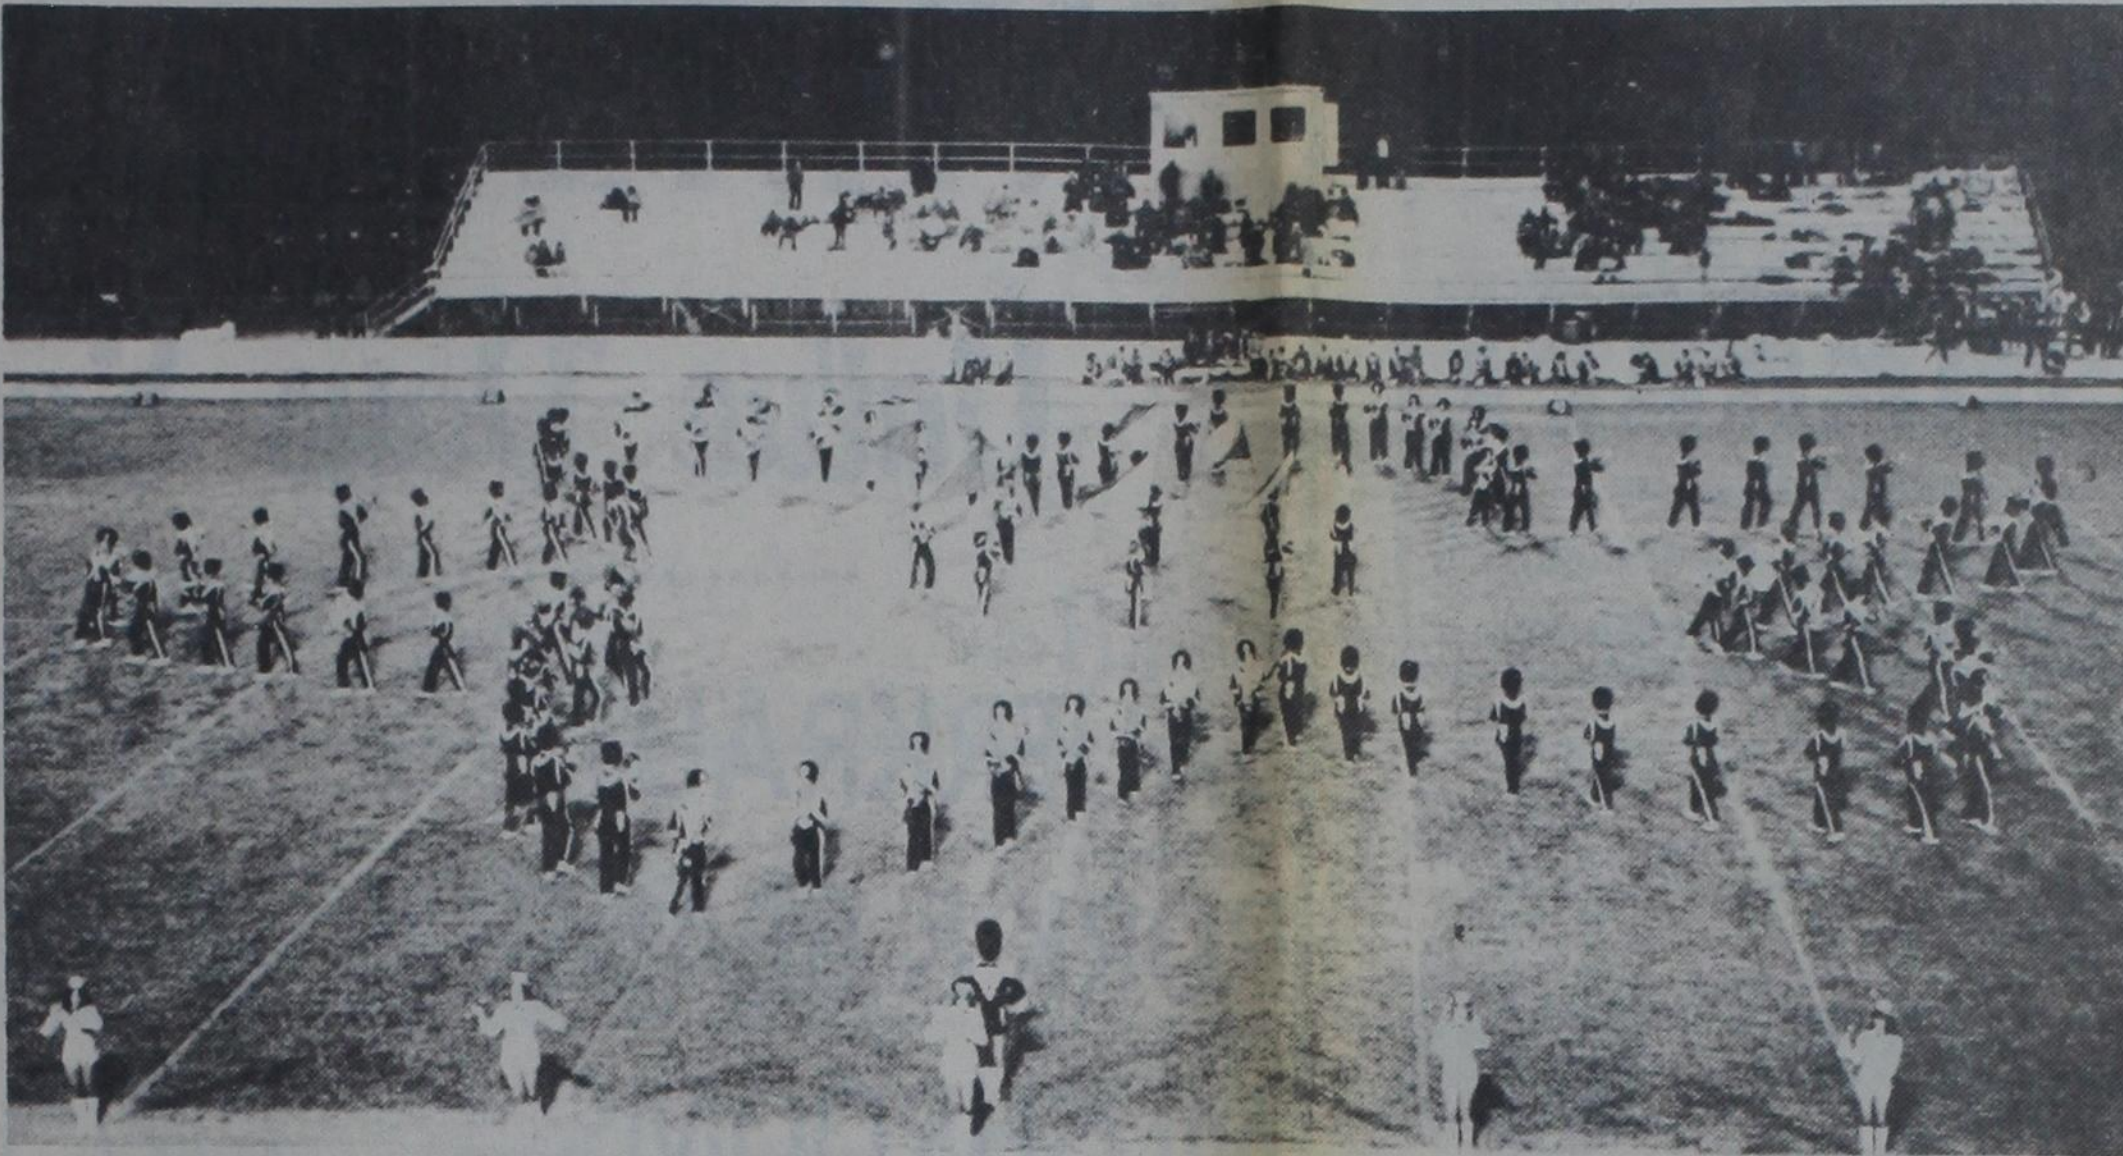

The choirs of Dimmitt High School and Dimmitt Middle School will present a public concert of popular folk and sacred music Nov. 3.

The concert will be in the Middle School auditorium at 7:30 p.m. It will be open to the public, and admission will be free of charge.

It will be the first concert here for Kenneth Hurst, new vocal music director for the two schools.

Accompanists will be Betty Hoover and Dwight Joiner.

## Homecoming halftime

STARBURST—Among the many formations with which the Bobcat Band entertained Dimmitt High School's Homecoming game crowd at halftime Friday night was this moving starburst pattern. The band also used crossing

diamonds, a double circle and other formations during its halftime performance.

### Kurlie Q's host visitors

The Nazareth Kurlie Q's met Sunday at the American Legion Hall. The caller was Harrick Allen from Amarillo. Two squares were there, as well as visitors from Dimmitt, Joe and Myrna Langford and Merton and Marzell Powell.

Refreshments were served by Francis and Bea Acker. The Nazareth Kurlie Q's meet every first, third and fifth Sunday at the American Legion Hall in Nazareth. Visitors are welcome.

Two weeks ago, guests were Don and Doris Lamona of the Tulia Square Dance Club, who called several tips for the Kurlie Q's. Gene Haschke of Amarillo also attended. Refreshments were served by the Acker children. The Kurlie Q's are especially grateful to Charley and

Edith Graef for always having something special to add to the refreshments. The peanuts and apples are always delicious.

MARK TWAIN is generally credited with being the first person to prepare a book manuscript on a typewriter.

## \*\*\*\*\* VOTE \*\*\*\*\*

One of the greatest privileges and responsibilities bequeathed to us by our forefathers is the right of franchise, the right to elect our officials and to conduct our public business in the voting booth.

This is an important election year. Many of our local, state, and national leaders for the next two, four and six years will be named at the polling places, Tuesday, November 4. It behooves us as good American citizens to participate in the electoral process.

If you are going to be away from home, you can cast an absentee vote until October 31. Otherwise participate in the general election Tuesday, November 4.

\*\*\*

LISA BURROWS AND CARL LEE STOKES  
... Plan Nov. 29 wedding in Amarillo

## Nov. 29 vows planned

Lisa Burrows and Carl Lee Stokes are planning a Nov. 29 wedding in the First Christian Church in Amarillo. Miss Burrows is the daughter of Mrs. Gloria Burrows of Amarillo and she is a secretary for Morgan Express. Stokes is the son of Mr. and Mrs. N. B. Stokes of Dimmitt. He is employed by T&H Construction of Amarillo.

## Make your own home cleaners

You can make your own "high-power, low-cost" home cleaners, says a housing and home furnishings specialist.

According to Jane Berry, you can conjure up homemade products that clean bathroom fixtures, windows, mirrors, furniture, marble, tile and aluminum.

Dr. Berry is on the home economics staff of the Texas Agricultural Extension Service.

Here are the recipes:  
**BATHROOM FIXTURES**  
Start with a recipe for soap jelly and add whitening.

To make soap jelly, mix one cup shaved bar soap or soap flakes with one quart of boiling water.

Dissolve the soap in the boiling water. Once it's entirely melted or dissolved, pour it into a wide-mouth jar. Let it stand in a cool place until it jells.

To make a rust remover for lavatories or tubs, combine one part of the soap jelly with four parts of whitening.

This makes a mild scouring agent which won't injure most surfaces.

**WINDOWS, MIRRORS**  
For this job, there are four ideas.

(1) For heavy greasy soil, add four tablespoons of household ammonia to one quart of warm water.

(2) For water-spot removal, add two tablespoons vinegar to one quart of warm water.

(3) For light greasy soil, use one tablespoon kerosene to two quarts of warm water.

(4) For general cleaning, use one tablespoon washing soda with one quart of warm water.

Remove surface soil with tissue or soft cloth, apply cleaner, then rub dry and polish with newspaper or cloth.

Avoid spilling ammonia on painted or varnished woodwork because it may damage the finish.

**FURNITURE**  
This can be a breeze without spending a fortune.

Clean furniture with "dust-less" cloths made at home.

Here's how:  
Mix one tablespoon of kerosene with one quart of hot water.

Dip squares of clean lintless cloths into the solution, wring them out, dry and store them.

Store in covered containers, such as glass jars or coffee cans. Keep them clean by washing and re-treating.

**MARBLE, TILE**  
Remove acid stains with household ammonia, baking soda or borax. If acid has roughened surfaces, rub the spots with pumice stone and water. Polish with a soft cloth.

For grease spots, make a thin paste of Fuller's Earth, spread it on the spot and let it stand for 24 hours. Wash with soap and water.

Repeat the process, if necessary. Scrub very soiled spots with pumice stone.

## Art-Craft bazaar set

Another opportunity for all the talented, artsy-craftsy people of this area to display and sell their items will be the Arts and Crafts Bazaar Nov. 22.

The bazaar will be open from 10 a.m. to 4 p.m. in the Expo Building, and will be sponsored by the Dimmitt Young Homemakers.

To obtain further information and to reserve a booth, interested clubs and individuals may call Cindy Ellis at 647-5332 in the daytime or 647-5497 after 6 p.m.

## Now you can enjoy a fast, healthy, glowing TAN!

Imagine yourself with bronzed and beautiful skin, year-round. Now, you can have a glowing tan without the mess and bother that tanning usually requires.

The Shoe Tree announces the opening of its new Tanning Salon. It's for anyone who wants to be tanned and look healthy and affluent. Just think--

NO messy oils

NO wind

NO sand in the hair

NO hours of lying in the hot sun

NO perspiration

(and best of all)

NO severe sunburn

NO ugly peeling

Our Tanning Salon is the modern, effortless way to achieve a glowing tan, day or night, and maintain it year round. The Sun Tan Booth meets all medical standards. Come in and talk with us about a tanning program. It's a fun way to have a beautiful, healthy tan. Oh, yes-- after 6 appointments are available.

## Disaster program extension signed

Legislation establishing a new and expanded federal crop insurance program has been signed by the President. A provision extending the disaster program for cotton, wheat, feed grains and rice through 1981 was added as an amendment to the bill.

With the signing of the crop insurance bill, the disaster program will now be available for 1981. The extension of the disaster program will provide greatly needed assistance to farmers in recovering from

mounting crop losses due to drought.

### RESPIRATOR RULE DELAYED

The Occupational Safety and Health Administration has decided to stay for 75 days the respirator provisions of the cotton dust standard. Agency Head Eula Bingham, explaining the stay, said there is "widespread misunderstanding of how an effective respirator program should work." To correct the situation, she said a meeting will be set with representatives of cotton textile workers, their unions, and others to develop guidelines for proper use of respirators.

The effective compliance date for the mandatory respirator program is postponed until Dec. 15.

### EXPORTS REPORTED

Exports of 109,000 running bales of upland cotton during the week ended Sept. 25

### Holiday Festival

to be held Nov. 2

The Nazareth Art Club will host its Holiday Festival Nov. 2 in the Nazareth school cafeteria, from 11 a.m. to 5 p.m. The festival will offer baked goods, crafts of all types and paintings by local artists.

There will be no admission charge.

brought the season's total to 779,000. Almost half, 51,300 bales, went to China. New sales for current marketing year delivery were 41,900. Major buyers were Japan, 22,500; Hong Kong, 7,600; and Korea, 6,700. The season's commitments total 3,301,400.

### COTTON YESTERDAY

James Madison in 1786 predicted that the US would one day become a great cotton-producing country.

### Hail losses hit \$6 million, Kiwanians told

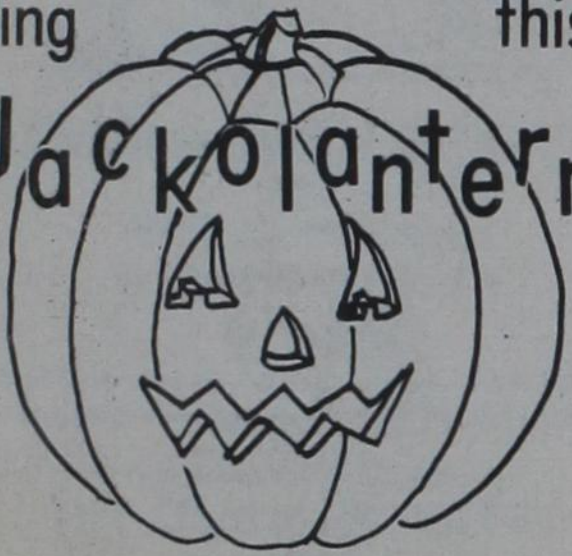

Most of the insurance claims filed in the Dimmitt area after the May 28 hail-storm were for total loss, according to insurance salesman Bill Behrends.

Behrends estimated the overall damage of the storm at \$6 million when he spoke to the Kiwanis Club Monday.

He said he didn't feel that the storm damage claims would result in a rate increase here. Behrends said that Dimmitt rates are determined by overall losses in an area from Wichita Falls to El Paso.

Behrends explained that a natural disaster such as this one requires a huge amount of work on the part of the insurance companies.

Pat Walker's Presents: The Splendor of being Slender

Carolyn Stinson:

'I was frantic about my weight.'

But look at her now that she has lost 53 3/4 pounds and 49 1/2 inches at Pat Walker's!

Maybe you've had a similar shock in that awful moment of truth when you have to face up to your real weight. For Carolyn Stinson, the experience was distinctly unpleasant, as she relates in her letter:

"... in 1968 I weighed 118 pounds and had never really dealt with a weight problem. Over the years I gradually added the pounds... In July 1977 I stepped on the scales at my doctor's office and was astounded to find out how much I weighed. I was frantic!

"At a friend's insistence I set up an appointment with Pat Walker's for a courtesy treatment and figure analysis. I was impressed with the fact that the passive exercise was so relaxing and that you did not have to disrobe. There was to be no strenuous diet—only a weekly direction from qualified counselors... Week by week I saw consistent reduction resulting in a total loss of 53 3/4 pounds and 49 1/2 inches! I went from a size 16 to size 8 and firmed and toned over all.

"Pat Walker's has changed my life. I feel younger and more energetic than I have in 19 years!"

You can do it, too! Like Ms. Stinson, you can reach your desired weight at Pat

Walker's without rigid diets or strenuous exercises. And you'll benefit from these important advantages:

- a proven program of weight reduction
- complete privacy
- safe passive exercise
- personalized program to meet your needs
- sensible eating plan
- trained professional counselors
- luxurious salons

### CALL NOW

### Littlefield Rotary to serve stew meal before game Friday

The Littlefield Rotary Club will serve a Hopkins County Stew dinner Friday evening before the Dimmitt-Littlefield football game.

The dinner will be in the Littlefield Junior High School cafeteria, and will be served from 5:30 p.m. until game time. Prices are \$3 for adults and \$2 for children under 12.

Tickets are available from members of the Dimmitt Rotary Club and Dimmitt Lions Club, and also may be purchased at the door.

Hopkins County Stew is a special recipe that originated in Hopkins County, in East Texas.

UP, UP AND AWAY!—Dimmitt High School seniors release the first of 1,000 helium-filled balloons before Friday night's Homecoming game in Bobcat Stadium. The event underscored the theme, "Up, Up and Away, Bobcats!" as the team went into its first District 2-AAA game against Friona. The gambit apparently helped as the Bobcats won, 17-12.

Hart High School's seniors will sponsor a turkey and dressing luncheon Sunday at the Hart School Cafeteria, from 11:30 a.m. to 1:30 p.m. Prices will be \$3.50 for adults and \$1.50 for students under 12.

### Night classes are underway

Night classes got a good start at Dimmitt High School Monday with an enrollment of 15.

The classes meet each Monday and Tuesday at 7 p.m., offering courses in English as a second language, reading, writing, math, receiving citizenship and receiving a GED (high school equivalency).

Instruction, supplies and books for the classes are free of charge.

It is not too late to sign up school officials said. Those interested in taking a class should call 647-3105.

The program is sponsored by the Region XVI Education Service Center and the Dimmitt Independent School District.

### ASCS notes Here's the formula for disaster loans

By CHARLEY E. HILL  
County Executive Director  
"The disaster victim is eligible for crop losses sustained during the 1980 growing season providing the crop was in the ground during the incident period of the declaration, regardless of the harvest date," said Russell R. Berry, Lubbock district director of the SBA, "and partial crop losses will be computed only after harvest and determination of actual yield."

The formula used to compute eligible loss is: Acres planted X established yield X percentage of loss X market price (less insurance received, less ASCS low yield

payment and other recoveries). Farmers and ranchers have until Feb. 12, 1981, to file their physical loss applications under this declaration. Agriculture-related businesses have until May 12, 1981 to file for Economic Injury Disaster Loans.

The Lubbock disaster office of the Small Business Administration is located at 720 Texas Ave., Lubbock.

1981 UPLAND COTTON PROGRAM

The Castro County ASCS Office has received informational material on the USDA-ASCS 1981 Upland Cotton Program. Producers may obtain a copy of this ASCS Public Participation Background on the 1981 Upland Cotton Program by calling at the local ASCS office. The public is invited to comment on loan rate, seed cotton loans and bale specifications by Oct. 28, and comments on all other provisions must be received by Dec. 2. Written comments are to be directed to the Production Adjustment Division, ASCS-USDA, in Washington, D.C.

Eligibility for participation in all programs administered by ASCS is established under law without regard to race, color, religion, sex, or national origin.

### Young Farmers plan workday Saturday at 9

The Dimmitt Young Farmers will have a workday with the Lions Club Saturday to help put up lights for the Halloween Carnival. They will meet at 9 a.m. at the vegetable warehouse on East Halsell Street.

Young Farmers will meet with Chuck Cosper, area game warden, Oct. 30 at 7:30 p.m. in the high school vo-ag shop. Cosper will speak on waterfowl and game birds.

They will also hold a turkey shoot Nov. 9 at 1 p.m. at the Dimmitt Gun Club Range, by the airport.

Both of these events are open to the public.

### Lions approve kids' eyeglasses

The Dimmitt Lions Club last week voted to help buy eyeglasses for six local school children.

Through the Lions Eyeglass Program, teachers or parents may apply for aid in purchasing eyeglasses for students with eyesight problems who are from low-income families.

For those whose applications are approved, the Lions Club pays for the eye examination and lenses — a cost of approximately \$45 per child — and the child's family pays for the eyeglass frames.

## ANSWER "YES" TO THESE FOUR QUESTIONS AND YOU COULD SAVE MONEY ON YOUR AUTO INSURANCE.

- |   | YES                      | NO                       |
|---|--------------------------|--------------------------|
| 1. Do all operators of your car(s) have driving records free of moving violations or convictions for at least the past three years? | <input type="checkbox"/> | <input type="checkbox"/> |
| 2. Have all operators of your car(s) been licensed drivers for the past six years or longer?  | <input type="checkbox"/> | <input type="checkbox"/> |
| 3. Do you use your car(s) for pleasure purposes, including light commuting?   | <input type="checkbox"/> | <input type="checkbox"/> |
| 4. Have you had a claim-free record for the past three years?   | <input type="checkbox"/> | <input type="checkbox"/> |

If you've made an effort to obey the laws and drive safely . . . if you have no traffic citations on your record . . . then why should you pay as much for auto insurance as someone who hasn't made the effort?

As an Independent Agent, I can save you up to 20% on your auto insurance rates . . . IN ADDITION to any rate discount you've earned for taking Driver Education or Defensive Driving, or a two-car discount.

See me as soon as possible and I'll show you just what you can save.

## Additions to push plant to capacity, Lapins says

The new second-generation high fructose addition to the Dimmitt Amstar Plant and the Diamond Shamrock gasohol plant will make it possible for Amstar to operate at full capacity throughout the year, Amstar General Manager Doug Lapins told Rotarians Friday.

These two projects will also mean that Amstar will be using three million more bushels of corn per year, Lapins said.

Lapins said the second-generation high fructose project should be up and going by next fall.

The addition will yield 55% high fructose corn syrup, which is used in the production of soft drinks. Soft drink manufacturers use 60 million bags of sweetener a year; 30 million of those are used by Coca-Cola and Pepsi.

Diamond Shamrock's gasohol plant will work in cooperation with Amstar, but will be built, owned and

operated by Diamond Shamrock. The plant will produce 10 million gallons of fuel alcohol per year, enough to blend into 100 million gallons of gasohol.

Lapins estimated that the DS plant would be operational in 18 to 24 months.

Asked about the new

plant's water consumption, Lapins said that a plant which used unusually large amounts of water would be costing more for production than it would bring in. He said the new plant would not consume large amounts of water, and would therefore be an energy-efficient operation.

## Hart School Board okays buses for fans

The Hart Board of Education last week approved the use of school buses to provide rides for students and adult chaperones to the Farwell and Vega football games.

The buses were requested by Bill Rich, president of the Hart Athletic Booster Club.

The board authorized the bus usage provided it is legal and the school's insurance covers such special-trip use.

Gas and drivers are to be provided by the Booster Club.

Rich also got a good reception from board members to his proposal that the schools and community work together to build a new track and field for spring sports.

Supt. Ted Averitt reported to the board that enrollment in the Hart Public Schools totaled 588 as of Oct. 14, with 337 in kindergarten through

sixth grade and 251 in grades 7-12.

Averitt also reported on the newly organized Adult Education Program. Adult classes are meeting each Monday night from 7 to 10 in the high school building.

The Building Committee presented a report on the proposed new boys' CVAE building and the proposed remodeling of the front part of the old CVAE building for use by the Art Dept.

Monty Upton and David Turner explained to the board the point values they give to good and poor behavior in their grading systems. They also answered questions on their math and civics programs.

Mayor Frank Barnes met with the board to discuss the new city dump program, and Jim Conklin of Conklin Products gave the board his recommendations for school roof repair.

The trustees approved the audit report for the 1979-80 school year as presented by Kaci Jones, CPA, of Brown, Graham & Co. of Tulsa.

Ernesto Jr. and Zulema Aguerro have a new baby boy, Ernesto Aguerro III. He was born Oct. 16 at 8:05 p.m. and weighed 7 pounds, 2½ ounces.

# Cats strike quickly for 17-12 Homecoming victory

By JOHN BROOKS  
As over a thousand balloons floated quickly away from Bobcat Stadium Friday night, so floated away the hopes of the Friona Chieftains to spoil Dimmitt's Homecoming, as the Bobcats used a superior first-half effort to defeat the Chieftains, 17-12.

The Homecoming crowd was treated to a Dimmitt offensive show that, at first, looked as if it might erase memories of bungling in previous games. Dimmitt, by halftime, racked up 176 yards of total offense and 17 points, then tacked on 137 more yards in the third quarter, while Friona chalked up only 45 yards through the first two periods and only 149 through three quarters. But Dimmitt closed down its offensive show after three quarters, while Friona rallied with two second-half touchdowns.

The Bobcats charged onto the field and drove 55 yards in less than two minutes to get on the board against the Chieftains.

Richard Guzman carried for 13 yards, then gave to half-back Tim Lay twice for 20 yards, then backfield cohort

Adrian Stanton made the last three carries of the drive, including the final two yards through a gaping hole on the left side of the Dimmitt line. Johnny Nino kicked the extra point and Dimmitt led, 7-0, with only 1:51 elapsed in the first quarter.

The Dimmitt sidelines burst into bedlam. The Bobcats had not moved the ball with that spark and efficiency all year long, and coaches and players alike were happy with the thought that the offensive machine for the Bobcats had put it together.

But Dimmitt was to lose over 100 yards of its total offense, and at least one touchdown, due to penalties.

The Chieftains' offense looked as if they had prepared for the game by watching a film of football follies. Busted plays, bungled snaps and fumbles were the order of the day for the Chiefs in the first half. Not until their hotshot back, Nelson Jackson, was injured in the third quarter did the Chiefs get fired up offensively. Coming back from a 17-0 deficit, the Chiefs almost pulled out a victory. They simply waited too long

**BIG PLAY**—Sophomore end Jeff Watts [86], sandwiched between two Friona defenders, hangs onto a crucial catch at the Chieftains' 3-yard line to set up the Bobcats' second touchdown in Friday night's District 2-AAA opener here. Watts' catch came on a fourth-and-20 play in the second quarter, and

gave new life to a seemingly stalled Dimmitt drive by giving the Bobcats a first-and-goal. Halfback Adrian Stanton scored on the next play and kicker Johnny Nino tacked on the extra point to give Dimmitt a 14-0 lead. The play's importance became vivid later in the final score: Dimmitt 17, Friona 12.

to put anything together, and had too many turnovers in the first half.

Johnny Gonzales set up Dimmitt's second TD when he burst through on a Chieftain field-goal attempt at the 31 and batted the ball downfield. Gonzales chased the ball down at the 40 and carried it down to the Friona 15.

After moving to the 7, 20 yards of penalties pushed the Bobcats back to the 25, where they faced fourth down and 20. On the last chance, Richard Guzman flipped a "wounded duck" to tight end Jeff Watts, who caught the ball in traffic at the Friona 3. On the next play, Stanton crossed the double stripe for what would prove to be the winning score. Johnny Nino kicked the extra point, and Dimmitt led, 14-0, with 4:37 left in the first quarter.

While it's never a disappointment to win, it was a letdown of sorts for the Bobcats the rest of the night. They had the ball behind their

own 45-yard line only once the rest of the first half, but could score only once more. Dimmitt turned the ball over on downs twice during the first half, punted once, and went one-for-two on field goals.

The first Johnny Nino field-goal attempt came with three minutes left in the first half. He missed on a 37-yarder, but redeemed himself two minutes later with a 32-yarder. The Bobcats took a 17-0 lead with them into the dressing room at halftime.

Friona remained lethargic during the early moments of the third quarter, but became fired up when Nelson Jackson was injured on a tackle by Trent Armstrong. Jackson and Armstrong met head-on, and Jackson was driven to the turf. It was a clean tackle, but Jackson hit the ground wrong, and was taken by ambulance to Plains Memorial Hospital for what was diagnosed as a bruised back. Jackson watched the last minutes of the game from the south end zone.

Friona came alive, with Martin Mercado leading the way. Although they had to punt the ball away on their next possession, they were able to move well the rest of the night, using the outside option of the wishbone offense and two big pass plays to make things exciting in the last 20 minutes.

Dimmitt was denied a touchdown it almost had to have. After taking a Mark Montoya punt at the Bobcat 28 — the worst field position they would have in the game — Guzman handed off to Stanton, who raced down the sidelines for what appeared to be a 72-yard touchdown run, only to turn and see another yellow hanky back at the Friona 30. Dimmitt was guilty of clipping, and saw its last threat of the night vanish. The Bobcats later turned the ball over on downs at the Friona 35.

The teams exchanged fumbles in Friona territory, then Mercado hit fullback Jeff Landrum with a bullet as he flared upfield. Behind a protective blocking shield, Landrum outraced the Bobcats to the goal line. A fake kick failed to work, and Dimmitt's lead had been cut to 17-6 with 2:14 left in the third stanza.

Dimmitt turned the ball over on downs at its own 42, then the teams exchanged

fumbles, with Friona covering the second one at the Bobcat 15.

On first down, Montoya raced untouched through the Dimmitt defense for the score. Again, Friona came up short on a fake kick, and trailed by five, 17-12, with 9:37 to play.

With fans on both sides of the Bobcat Stadium holding their breath, Dimmitt fumbled the ball after the kickoff at the Friona 48, and the Chiefs moved to the Bobcat 24, where they took a page from the Dimmitt book and came up short on fourth down.

As the clock wound down, Dimmitt had to punt the football away from its own 24. Ricky Gonzales, kicking for only the third time in the game, got off a 54-yarder to hold the Chieftains at bay.

With no time-outs left, Friona went to the air, but

found no success, throwing four incompletions to close out the game.

Friona is now 0-7 for the year and 0-1 in District 2-AAA. Dimmitt stands 2-5, and is tied with this week's opponent, Littlefield, at 1-0 atop the district standings.

### WE HAVE THE FEEDERS TO FILL YOUR NEEDS

#### Double Capacity Feeder

This Double Capacity [2,000 lb. Feeder consists of a frame constructed of high quality structural steel and the feed bunkers are made of an almost indestructible, high quality polyethylene. This polyethylene will neither rust, rot, nor splinter and is resistant to outside erosion.

#### Cattle Feed Bunks

We also have a good stock of 12' cattle feed bunks that are on structural steel skids.

#### Combination Hay Rack and Feed Bunk

For the rancher, farmer, or cattle feeder that prefers to utilize a combination hay rack and feeder bunk, we have a 12' twin feeder with hay rack that has feeding capacity for 48 head.

#### Horse Hay and Grain Feeders

For the horseman we have three outstanding feeder products, two models of wall hay and grain feeders and the corner hay and 30 lb. grain feeder.

#### All Metal Horse Feeders

For the super horseman, we have two all metal horse feeders with hay racks, one 5' model and one 10' model.

#### Poli-Tron Mineral Feeder

Perhaps the most overlooked product among mineral feeders is the Poli-Tron Mineral Feeder. Holds three 50 lb. blocks or 150 lbs. of supplement.

We also have in stock a good supply of 2 gallon Handi-pans and 20 gal. Handi-Tubs. Like other Poli-Tron products, these pans will not chip, rot, rust crack nor splinter. Use it in your garage for dirty oil, in your home for soaking your feet, planting pan, waste pan, dog pan, parts pan, or you will be able to find many more uses. Very competitively priced.

Last but not least, we have superior multi-purpose unbreakable 20 gallon Handi-Tubs that you can use as a portable water tank or as a supplement feeder. It holds two 50 pound blocks, or 150 pounds of supplement. This Handi-Pan can help you 100 ways. Very competitively priced.

**Sunnyside**

**Rites held for former resident**

By TEENY BOWDEN  
Mrs. E. R. Sadler and Mrs. L. B. Bowden attended graveside rites in Amarillo last Wednesday for Grace Thomas, wife of a former pastor of the Sunnyside Baptist Church.

Mrs. Thomas, 92, died Oct. 13 in a Sherman hospital after a few days' illness.

Mrs. Thomas' husband, Rev. Clifford W. Thomas, was pastor of the Sunnyside Baptist Church from September 1946 to December 1948. They were the first to live on the church field; they lived in

the old Sunnyside School teacherage until a house could be put on the church property.

Their son, Paul, was a student at Wayland College while they lived here.

After Rev. Thomas' death, Mrs. Thomas made her home with her son and his wife.

Her only survivor is her son, Dr. Paul L. Thomas, who is a professor of psychology at Austin University in Sherman.

After Mrs. Thomas' health began to fail and she could no longer attend church regularly, she moved her church

membership back to Sunnyside, and continued to support the local church until her death.

Rev. and Mrs. Raymond Jones, Mr. and Mrs. Roy Phelan and Mr. and Mrs. Hershel Wilson attended the Llanos Altos Association annual meeting in Bovina Friday as messengers. Rev. Jones brought the message.

Half an inch of rain, with some small hail and high wind, was received last Wednesday night.

The Sunnyside Fire Dept. and the Dimmitt Fire Dept. were called to the Winston Waggoner farm Saturday afternoon to put out a fire in the hay buster in the new barn. Only damage was the loss of hay.

The Flagg 4-H started its food projects in its meeting Saturday. The food projects leaders are Patty Summers, Rita Knox and Connie Nelson.

Mrs. Cecil Curtis spent last Wednesday with her mother, Mrs. E. M. Stephens of Petersburg. It was her 89th birthday. Cecil is still in Washington State, and he flew over Mt. St. Helens Friday. It was just steaming a little he reported. They have been able to see the eruptions this week from the cabin, and received a little of the fallout.

Cliff and Lynn Brown were in Fort Worth last weekend to take care of some business for his mother.

Lynn Brown spent the weekend on the campus of South Plains College attending some BSU functions, and attending church there Sunday.

David Sadler came in Monday night from ensilage cutting at Uvalde. Before that he harvested in New Mexico.

Mr. and Mrs. Noah Spencer returned last Thursday from a two-week vacation spent visiting their children. They visited in Amarillo with Mr. and Mrs. Jerry Shive and family, Mr. and Mrs. Ralph Hill and family, and Lyle Shive and Dianna, and in Canyon with Michael and Linda Tinsley. Then they visited in Wichita, Kan., with Harold and Maria Spencer last Thursday through Monday.

Mr. and Mrs. Alton Loudder attended the Running Water Draw Art Show in Plainview Saturday, and visited with a cousin, Mrs. Floyd Tomlinson and her daughter, Mary Jo Hales of

Canyon. Mrs. Hales had a booth there.

Mrs. Ila Haydon and Mrs. Alene Lilley of Dimmitt flew to Laredo recently, where they were met by Mavis Davis, who drove them into Mexico for several crusades in which Mrs. Davis helped. She brought them home by car, arriving last Thursday night.

Mrs. Gale Sadler took a CPR instructor certification course in Lubbock last week conducted by the American Heart Association. The course allows her to teach the course to others.

Baptist Women met for the prayer program Tuesday morning with Mrs. Roy Phelan in charge.

Mr. and Mrs. Hershel Wilson visited in the Levelland Hospital Sunday afternoon with her uncle, Odis Snow, who is critically ill.

Mrs. Carl Dean Carson, Deakon and Joshua took the G.A.'s to Plainview to visit with the missionaries in residence there while on furlough, Johnene Ross and Renee. Girls going were Melody and Karla Sadler, Teresa and Patricia Jurado, Kristie Owens and Erin Bridges.

Mrs. James Powell of Canadian spent the weekend with Mr. and Mrs. Ezell Sadler. Teresa and Cheryl joined her Saturday morning and stayed through Sunday. Mr. and Mrs. Larry Sadler, Carrie, Stacy and Laura, Mr. and Mrs. David Sadler, Melody and Karla, and Mr. and Mrs. Tex Conard of Dimmitt joined them Saturday night to help Larry celebrate his birthday with an enchilada supper. Randy Powell of Dimmitt had dinner with them Sunday.

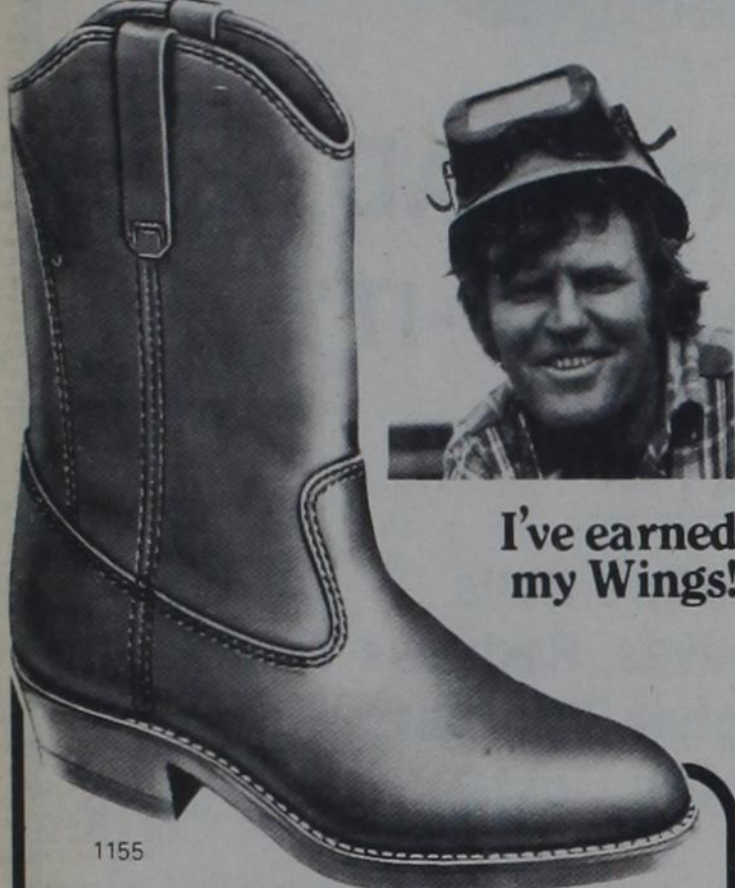

Mr. and Mrs. Jacob King of Hereford and Mr. and Mrs. Ezell Sadler had dinner last Sunday with Mrs. David Sadler, Melody and Karla.

Mr. and Mrs. David Sadler and girls had dinner Sunday in Hereford with Mr. and Mrs. Jake King and Mr. and Mrs. Tim Dawson.

Naomi Brown and the Uppitts had charge of the children's sermon Sunday morning.

Sunday will be "High Attendance Day" in the church Sunday School. There will also be dinner at the church. Everyone is invited to attend. Carl Dean Carson is the new Sunday school director.

**Nazareth honor students listed**

Supt. Johnny Mason of the Nazareth School District has announced the Honor Roll students for the first grading period.

Students who have achieved "A" Honor Roll status are:

Seniors - Perry Brockman, Dale Hoelting, Neal Hoelting, Christine Huseman, Rodney Kleman.

Juniors - Pierce Brockman, Danelle Schmucker, Calvin Schulte, Liz Wilhelm.

Sophomores - Sharon Birkenfeld, George Hochstein, Deanna Hoelting, Rhonda Hoelting, Janet Huseman, Mary Jean Huseman, Jeanie Wilhelm.

Freshmen - Liz Albracht, Bart Huseman, Francis Kern, Johnny Schmucker.

8th Grade - Dwight Acker, Russell Hoelting.

6th Grade - Russell Acker, Alan Birkenfeld, Charlotte Heck.

5th Grade - Stacy Albracht, Missy Brockman, Bobbie Hochstein, Michelle Schulte.

4th Grade - Shana Birkenfeld.

3rd Grade - Lorelea Acker, Valerie Bermea, Kirsten Birkenfeld, Zac Hatla, Kenneth Lange, Marla Ramaekers, Brian Schmucker, Dana Schulte, Harold Verkamp.

2nd Grade - Cindy Albracht, Amanda Boothe, Stephanie Farris, Darlene Heck, Bernadette Hochstein, Janay Johnson, Monica Kleman, Michelle Smith.

**Pioneer Seed cites dealers**

Castro County Grain Co. of Dimmitt was honored recently for 15 years' service as a dealer for Pioneer brand seeds. The company was presented a plaque acknowledging its years of service by Pioneer District Sales Manager Barry Love.

Pioneer also presented a Silver Dollar Award to Vic Nelson of Hart for outstanding sales achievement in 1980 as a dealer for Pioneer brand seeds.

**Profitability program set for feeders**

A program dealing with the profitability of investments in cattle feeding will be held in Houston Tuesday and in Dallas next Wednesday, sponsored by the Extension Service and the Texas Cattle Feeders Association.

Each session will begin at 1 p.m.

The Houston session will be held in the Farm Credit Bank Building Training Center at 430 Lamar St. The Dallas session will be held in the Republic National Bank auditorium on the eighth floor.

Beef cattle specialists, a Fort Worth banker and a Dallas tax attorney will present information on such topics as physical aspects of a cattle feeding operation, finance sources, capital requirements, types of business arrangements, tax benefit aspects, etc.

Registration information is available from Dr. Wayne Hayenga, economist with Texas Agricultural Extension Service, at (713) 845-5446 in College Station.

**NEW SERVICE**—Susan Merritt [seated, left] and Teresa Parsons are the first to have their blood pressure checked in a new bi-weekly program being conducted at the First State Bank of Dimmitt by the local chapter of the American Heart Association. Students in Plains Memorial Hospital's School of Vocational Nursing are conducting free blood-pressure screen-

ing clinics in the bank's board room every first and third Wednesday. Students and technicians [standing, from left] are Betty Webb, Marilyn Weaver, AHA Program Chairman Bruce DeArmond, CRT, Sharon Carter, Barbara Fried and Michele Acker.

## Cotton market good--for now

Farmers are getting good prices for their 1980 cotton crop, and if they play their cards right, they may be able to contract next year's crop at a good price as well.

"This year's drought-plagued cotton crop has left US supplies short, causing a stronger market," points out Dr. Carl Anderson, cotton marketing specialist with the Texas Agricultural Extension Service. "However, demand generally has been soft, with US textile mills considering more polyester in cotton-polyester blends."

As of Sept. 1, the US cotton crop was estimated at 11.7 million bales, down from 14.6 million last year. And the Texas crop was pegged at 3.6 million bales compared to 5.5 million a year ago.

The world crop at 63.4 million bales means a drop of about 2.1 million from 1979 levels. Both Russia and China have somewhat better cotton crops this year.

"While most producers are currently enjoying stronger cotton prices, the market's strength may soften once cotton users adjust their demand to higher price levels," says Anderson.

"Some mills are already building up excessive inventories of unsold goods and have cut work weeks to three or four days."

While domestic use of cotton is expected to be off about a half million bales this year, exports may drop more than three million. This will put domestic use as well as exports at some six million bales each for a total disappearance of 12 million bales. US cotton exports of 9.2 million bales during the 1979-80 season were the largest in 53 years.

With this year's expected crop of 11.7 million bales or less, carryover next August may be substantially under the three million bales remaining after the 1979 crop.

"Despite some slackening in the demand for cotton both at home and abroad, the market should remain strong for at least a few months," Anderson believes.

He urges producers to stay abreast of market developments and to try to anticipate future prices as influenced by changes in supply, mill use, export demands, farm programs and international trade developments.

## What's Cooking?

**DIMMITT**  
Here are the Lunchroom menus for the Dimmitt Public Schools for the week of Oct. 27-31:

**MONDAY** — Char-patties, black-eyed peas, French fries, rolls, honey butter, milk.

**BIOENERGY.** That's the term used now in most official government reports on gasohol, alcohol fuels, methane gas and other energy forms to be developed from biomass. According to the latest forecast from the Office of Technology Assessment (OTA), bioenergy can account for up to 20 percent of the total energy needs of the United States by the year 2000. That's double the earliest projections. The OTA report was also one of the first to recommend the use of alcohol (methanol) as a stand-alone fuel rather than only as part of a blend. The big IF remains - whether a significant realignment of priorities for federal agencies and extensive coordination among government entities, at all levels, will be required to successfully obtain production and usage goals.

**BORDER COLLIE**—City Animal Control Officer Charles Whitman shows a young dog that's available from the city pound. It's a black-and-white male border collie with coarse hair. It was picked up Oct. 13, and will be destroyed Monday if someone doesn't want it. Charges include \$1 a day room and board and \$7 for a rabies shot, plus a \$2 city tag if needed.

**Nazareth**

**'Daughters Day' observed**

By **VIRGIE GERBER**  
National Catholic Daughters of the Americas Day was celebrated Sunday with a mass and reception of new members, which included Mrs. Denice Gerber, Mrs. Christine Acker, Mrs. Carol Kern, Mrs. Patti Kern, Lynn Schulte and Judy Steffens.

A salad supper was enjoyed Sunday evening for members, their husbands and invited guests.

Myrtle Duran, district deputy from Lubbock, officiated at the reception.

The local court was organized Oct. 15, 1944.

Angela Acker, Texas State Bulletin chairman, attended the state workshop for district deputies and state chairmen in San Antonio. Her husband, Tony, accompanied her.

On Tuesday evening, Sister Rose Marita, Sister Joan of Arc and Sister Mary Edger from Maple Mount, Ky., arrived at the home of Rose Warren on their way to visit Ursuline Missions in the west. On Wednesday the two sisters left for Farmington, N.M., and Sister Mary Edger stayed to visit relatives here and at Hereford for a week. They all attended the Warren reunion at Lucille Wilhelm's in Hereford Sunday afternoon.

Last Thursday, Lavern and Ronnie Wilhelm, Sister Mary Edger (who is a sister of the late Joe Warren), Rose Warren and Walt and Velma

Warren of Hereford drove to Clayton, N.M., to visit Mrs. Oretta Wilhelm at Town Hall Estates, a convalescent home in Clayton. They all enjoyed dinner in Dalhart with the Bert Wilhelm family. Tuesday, Walt and Velma Warren took Sr. Mary Edger to Farmington to join the other nuns.

A number of friends and relatives surprised Bobbie Schmucker with a baby shower for the three-week-old twin girls Tuesday afternoon at the Schmucker home.

Alphons and Leona Albracht of Fremont, Neb., LeRoy and Dorothy Pohlmeier, Max Acker, Virgil and Viola Pohlmeier all enjoyed the weekend at Red River at Jane and Dave Roberts' beautiful new cabin.

Jane is a daughter of Alphons and Leona Albracht who attended Nazareth School. Three of their children, Celeste, Blair and Cara, were also there.

Last Thursday, 22 members of the Albert Gerber family helped him celebrate his birthday with a supper at the Jim Hoelting home.

Sister Celestine Marie Bellinghausen is still a patient in St. Anthony's Hospital. Sr. DeChantel Hyland, a former teacher here, has been sent from Fort Smith, Ark. to replace her for a while.

A baby shower, in honor of Alvina (Birkenfeld) Monroe of Amarillo, was given at the home of Mrs. Rex Ramaekers Sunday afternoon. A nice assortment of gifts was given to her.

**Worried About How You'll Look With A Hearing Aid?**

Chicago, Ill.—A free offer of special interest to those who hear but do not understand words has been announced by Beltone. A non-operating model of the smallest Beltone aid of its kind will be given absolutely free to anyone requesting it.

True, all hearing problems are not alike . . . and some cannot be helped by a hearing aid. But audiologists report that many can. So, send for this free model now, and wear it in the privacy of your own home. It is not a real hearing aid, but it will show you how tiny hearing help can be. It's yours to keep, free. The actual aid weighs less than a third of an ounce, and it's all at ear level, in one unit.

These models are free, so we suggest you write for yours now. Again, we repeat, there is no cost, and certainly no obligation. Thousands have already been mailed, so write today to Dept. 62116, Beltone Electronics, 4201 W. Victoria, Chicago, Ill. 60646.

**Young attends JP's seminar**

Justice of the Peace Marshall Young attended a 20-hour Texas Justice of the Peace Training Seminar recently in Amarillo. The training center is based at Southwest Texas State University in San Marcos. The seminars are held in compliance with state requirements.

**Weekend shoot slated at Earth**

The Earth Lions Club will sponsor a turkey shoot Saturday from 10 a.m. until dark and Sunday from 1 p.m. until dark on East Highway 70 in Earth.

**Teen pageant entries asked**

The Miss Texas Teen Pageant will be held at the Sheraton Dallas Hotel in Dallas April 17-19. Girls between the ages of 14 and 18 are invited to enter.

The Texas pageant is the official state preliminary for the Miss Teen Pageant to be held in November 1981.

Contestants will be judged on scholastic achievements, civic involvement, beauty, poise, personality and patriotic speech or talent. No swimsuit competition is involved.

Each contestant accepted will be required to participate in the Volunteer Service Program of the Miss Teen Pageant and must maintain a "B" or better grade average in school. The Volunteer Service Program teaches teenagers to share and participate in community, school and church activities by contributing at least 12 hours of their time to some worthwhile civic or volunteer work to benefit the community.

The winner of the Texas Pageant will receive an all-expense-paid trip to compete in the national finals of the Miss Teen Pageant, a \$1,000 cash scholarship and a self-improvement course.

Those interested in entering the Miss Texas Teen Pageant may write for information to Cappy M. Smith, state director, 4605 S. Hope Springs Road, Stone Mountain, Ga., 30083, or call (404) 292-1025 or 292-0963.

Clay Davis, Manager

**It's True.**

"We put the heat pump in our home based on the recommendation from a builder. He said, 'by having a heat pump, you will save money over a long period of time on heating and cooling costs.' And, he was right! We are saving money with a heat pump. The heat pump really does do an efficient job of heating and cooling the home. If we were doing it all over, we would put a heat pump in again based on the results we've seen with lower electric bills. We are extremely pleased with the way the heat pump has performed."

Jackie P. Rogers

The things said about the heat pump are true. Find out more about the heat pump. It can save for you.

SOUTHWESTERN PUBLIC SERVICE

Bill Sarpalius for 31st Senatorial District

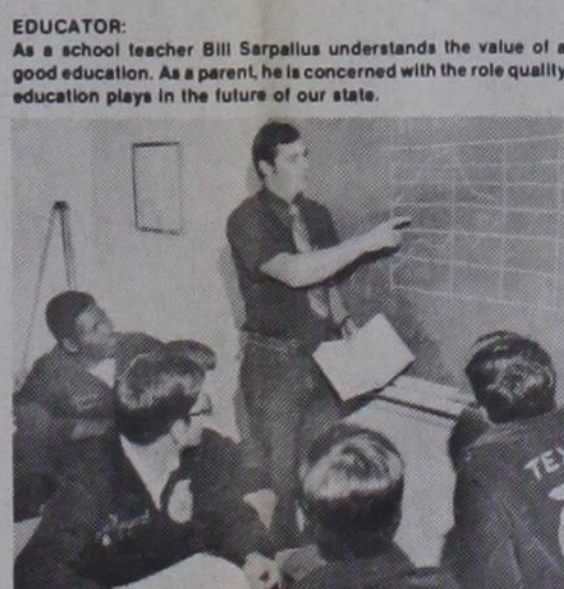

**SARPALIUS FOR SENATE**  
An Effective Conservative

**HUMANITARIAN:** Bill Sarpalius and his two brothers were raised at Cal Farley's Boys Ranch. After college graduation, Bill returned to Boys Ranch with his wife, Donna, and his son, David, to work for five years as a staff member and teacher.

**AGRICULTURE:** A former State President of the Future Farmers of America, Bill Sarpalius has earned both Bachelor and Masters degrees in Agriculture from Texas Tech University and West Texas State University. He understands the importance agriculture plays in our economy.

**EXPERIENCE:** Bill Sarpalius understands the Texas Legislative process. He believes that to be an effective State Senator you must make yourself available to the people. Bill intends to do this through the use of a mobile office.

**BUSINESSMAN:** As a businessman, Bill Sarpalius can relate to the problems facing businesses in the 1980's. A longtime District resident, Bill is sensitive to the needs of business in the area.

Sheffy's Chatter

Couples take 20-day tour of New England, Canada

By MYRTLE SHEFFY

Woodrow and Alyce Killingsworth and Raymond and Marie Fleming are home from a 20-day tour of the New England states and eastern Canada.

The Killingsworths tell us some of the places they saw: The White House, Capitol and the Arlington Cemetery, all the places in Washington, like Mt. Vernon, the Statue of Liberty in New York City.

There were 44 passengers on the bus and our people liked all of them. The weather was perfect. They recommend this trip. We couldn't name all the places they saw so ask Alyce.

Have you heard that James and Reta Welch are grandparents? It is their first, a girl baby whose name is Lindsey Erin. She is the daughter of Mark and Brenda Welch and the greets here are Charlie and Edith Graef.

George Blanton says he and Irene and her mother Hattie Smith of Tucumcari, N.M. had a good trip to the New Mexico mountains to see the foliage. The aspens were extra colorful and pretty in

Cimarron Canyon toward and in the Red River Valley. They stopped off in Taos. That is where the artists like to go. And another pretty place was in the Tres Ritos area.

Kim Riley is here spending a few days with his mother Edna Riley. He lives at a boarding school at Marbridge. That is near San Marcos.

Shirley and Frank Wise went to Temple last week to visit their daughter Susan, who is a registered nurse at Scott & White Hospital.

Decimae Dennis came up from Midland for homecoming activities and a visit with brother Edgar and Betty and family and parents Morgan and Geneva.

Percy and Margaret Parsons were hosts at open house Sunday evening after church to a great host of friends who came to see the pretty new home out on Sunset Circle.

The Wesleyan Sunday School Class and Betty Campbell Circle were hosts and hostesses. Dorothy Sheffy and Ina Cleavinger were helping show the rooms. Serving the fruit punch and many kinds of homebaked cookies were Shirley Wise and Kathryn Birdwell. Mildred Bradford carried punch and stuff across the alley to the Parsons house.

And Ethel Guiderson of Rhome has been here to see longtime friend Jean DuLaney and Poppy Head. Jean is with her mother Mrs. Homer Vining, who had surgery Tues-

day at the hospital there. Mrs. Bill Booher calls to tell us that her son Jim Aldridge is back in intensive care at Baylor Hospital in Dallas. He is much worse. He has been in the hospital there for several months. His wife Melba and daughter Genita Dunn are with him.

Mr. and Mrs. L. V. Anderson of Fort Worth came by to see her sister Ruth Coleman. They were enroute home after a trip to Aspen, Colo. They visited Garland and Susan Coleman and Frank and Shirley Wise and families.

Ina Cleavinger and grandchildren Zeke and Candace went to Sweetwater recently to visit her mother Mrs. Garland Lewis.

I hear tell that the Beta Sigma Phi sorority is planning the big Harvest Hoedown for Saturday night at the Expo building. This is their only moneymaking event. Cheryl Pybus is chairman of this party. Jean DuLaney is president of Beta Sigma Phi and Patricia Braafladt is vice-president.

I was chatting with Jean DuLaney. She saw Beth Glassmoyer at the arts and crafts affair in Plainview. Seems Larry and Beth lived in Dimmitt a few years ago and he was with Killingsworths. They moved to Arlington, now back at Plainview, where they have bought the old Dr. Nichols' big house on 11th St. and are remodeling it. They send greetings to friends here.

And Ethel Guiderson of Rhome has been here to see longtime friend Jean DuLaney and Poppy Head. Jean is with her mother Mrs. Homer Vining, who had surgery Tues-

day at the hospital there.

Mrs. Bill Booher calls to tell us that her son Jim Aldridge is back in intensive care at Baylor Hospital in Dallas. He is much worse. He has been in the hospital there for several months. His wife Melba and daughter Genita Dunn are with him.

Myrtle Sheffy was hostess to the Friday bridge players at the Senior Citizens Center. Jessie Silva and Elena Martinez served a good dinner to the club and the people. Playing bridge were Gladiola Shipley and Retta Cluck, high score winners, Carolyn Copeland, Betty Cartwright, Josie Bradford, Bobbie Damron and Betty Cartwright.

George Rush was eating dinner at the Center. He is just back from a trip to Arkansas. He and Adeline have a place there near Bull Shoals, up north. You know Mr. Rush is a chemist at Amstar.

Many people were home from colleges for the homecoming game and the big supper by the FHA. At the supper I saw Cindy Kelley

and friends Beth McKee and Jo Beth Bates, all from WTSU at Canyon. They were visiting Ewell and Nell Kelley and the son Greg Kelley home from Tech at Lubbock. And Gary Naylor was here from WTSU. His parents are James and Kathy Naylor. And Linda and Richard Perry were here from El Paso visiting parents Fred and Helen Kuntz and grandmom Alice Anthony.

Out at the ballgame we met Jaquetta Glass. She teaches eighth grade reading and is the wife of Alex Glass, high school principal. They moved here from Hereford and with her and Mary Nell King was Carol Schroeder who teaches seventh grade reading. Her husband is Lymon Schroeder, a junior high coach. They moved here from Goodwell,

Okla. And behind us (Ruth Coleman and I) were the C. D. Fitzgearlds and her sister Doris Neely, and David and Oneeta Cole and Avis Smith. And we all got cold sitting in the highup seats. It was fun to watch the game and the band who do an outstanding job. The cheerleaders were cute dancing around or doing their act. We like all that good

show. John Furr and his brother Jimmy Furr went to the Graham area to hunt for deer. Ask Nacola at the drugstore if John got one.

Bill and Peggy Bailey of Seminole were weekend guests of her sister Irene and Weldon Bradley and their mother Mrs. Mary Dixon, who lives at South Hills Manor.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish.

Early churches used steeples to make the building higher than all others in the city. People could see God's House from any direction, and could easily find their way to a place of worship. Today, with many office buildings towering into the sky, churches are not always the tallest buildings. However, churches still point the way to God, and provide a place of worship.
