VOL. 18.

BRONTE, COKE COUNTY, TEXAS OCTOBER 15, 1937.

NUMBER 41

## Pastor Thompson Preaches Last Sermon, Sunday

Rev. J. H. Thompson, pastor of the Bronte Methodist church and his congregation look forward to the worship at their place of worship Sunday morning with intermingled emotions.

In the first place, it is the last day of worship of the congregation this Conference year, which means that it is the last day of their pastor with them, far as they know at present.

Rev. and Mrs. Thompson have come to be very much loved by the members of their congregation. From the first day of their arrival in Bronte Rev. and Mrs. Thompson have grown in the affection of the members of their church. Rev. Thompson has proved himself not only a capable and interesting pulpit speaker but he has been always kindly interested and sympathetic with his members in all their reverses and sorrows—so, they love him and now that the last day of their relations together for the church year has come, there is a sadness inexpressible. Under the rules of the church it is not known, of course whether or not Rev. Thompson will be returned. This, however, is the hope and wish of his members. And it likewise is the wish of all our people of the community at large. For, Rev. and Mrs. Thompson are not only held in highest esteem by the members of their own congregation but by all the people of the community irrespective of church affiliation or the lack of church affiliation—for, their work has been for the entire community as well as for their own people.

Therefore, when the members of the congregation think of the fact that it is the last day of relations with their pastor and his good wife, there is a feeling of painful sadness steals over them.

But, those who are advised as to the program for worship Sunday morning, notwithstanding their regrets that it is the last day their pastor is with for the year, are looking forward with eager and expectant spirit to the hour of worship Sunday morning.

The pastor announces for his subject: "God's Greatest Work." Mesdames Walter Bowden and Alfred Taylor will sing a duet, and other specially helpful features of the morning hour will enter in to help those who worship there Sunday morning. All are cordially invited to attend the worship both Sunday morning and evening.

Speaking of a statement in the columns of The Enterprise recently that the West Texas Conference would be held at San Angelo October 20, Rev. Thompson made a correction as to the place of meeting. The Conference is to meet at San Antonio instead of San Angelo and the date is October 20.

Rev. and Mrs. Thompson will go to Conference, followed with the very best wishes from all of our people whether they are returned to Bronte or not.

Mr. and Mrs. Sam Gray, and daughter, Miss Goldie, and Mr. and Mrs. C. W. Bannowsky and daughter, Miss Bernice, and son, Alfred, were Sunday guests of the parents of Mr. Bannowsky, Mr. and Mrs. W. A. Bannowsky, at their ranch home near Junction. They had a delightful day.

## MRS. B. F. GILREATH INJURED BY CAR

Mrs. B. F. Gilreath had a narrow escape Tuesday afternoon from a fatal car accident, which proved very painful to her.

Mrs. Gilreath was behind a car parked at the curb on Main street. She passed behind the car, just as the driver backed from the curb, according to reports, and was struck by the car. Mrs. Gilreath was badly bruised but suffered no broken bones. Dr. Leonard was called immediately and attended Mrs. Gilreath. She suffered also from the shock. At last reports the sufferer was doing fairly well.

## MRS. O. W. CHAPMAN ENTERTAINS THE PROGRESSIVE CLUB

Mrs. O. W. Chapman was hostess to the Woman's Progressive Club, Thursday afternoon October 8.

The program of the afternoon was on Federation.

Roll call response subject was "Activities of other clubs." Federation song was sung by all present.

The History and Accomplishments of the General Federation as given by Mrs. A. N. Rawlings.

"Fool's Dream" was a reading by Mrs. C. C. Glenn.

Mrs. R. E. Cumbie gave "Flashes from the State Federation."

Following the program the hostess served a refreshment plate.

Mrs. Dona Dauerty and daughter, Miss Ruth, of New York have been in Bronte visiting relatives and friends. Mrs. Dauerty will be remembered by the old-time citizens as Miss Dona Hudman. Lloyd Hudman who had visited his relatives in New York for the past several months returned with Mrs. Dauerty and Miss Ruth. Lloyd says that he certainly "saw sights" in the big city. But, to hear Lloyd talk he wouldn't give a grain of sand in Bronte for the whole of the New York state. In other words, Lloyd is glad to be home. Mrs. Dauerty and Miss Ruth are visiting relatives in Phoenix, Arizona. They will return here the last of the week and then go home.

Mr. and Mrs. A. J. Johnson had a trying experience Tuesday night—that was the night of the rain. Mr. Johnson is one of the drillers at the Maverick well. His tower is from in the afternoon to midnight. They have apartments in the editor's home. Mrs. Johnson went out with Mr. Johnson Tuesday afternoon and remained until he was ready to come home. On their return their car went dead due to the rain and water. They had to sit in their car until Wednesday morning. They suffered from cold and were glad indeed to reach home.

Mr. and Mrs. W. T. Knox of Coleman were among those from other places who attended the funeral of D. Hull Friday afternoon. The writer was glad to see these good friends of other years again. Thad Knox is one of the best men Texas ever had in it. He was sheriff of Coleman county for many years and his official life, as well as his private life, never had the least stain upon it. God give Texas to day, more men like him!

Bill Braswell has our thanks for a cash-in-advance subscription to "the old home town" paper. May you live a hundred years, Mr. Braswell, to enjoy the weekly visits of the paper.

## Boy Scouts and the New London Explosion

At their weekly meeting last Thursday night, members of the Bronte Boy's Scout Troop heard a talk on "Boy Scouts and the New London Explosion."

The talk, made by A. Holmes, Jr. Scoutmaster, who drove the fourth ambulance to arrive at the scene of the disaster that stamped out 455 youthful lives, Scouts of the area who carried food, drinks and cigarettes to the workmen as they rescued the bodies from the tangled debris.

Working on the wreckage himself for twelve hours, Mr. Holmes got a first-hand story of the activities that followed the explosion that rocked the Nation last March 18.

Uniformed Boy Scouts, he pointed out, worked in close connection with The Salvation Army, which set up headquarters in the school gymnasium and began to turn out sandwiches within two hours of the explosion. As soon as the sandwiches were made, Scouts rushed out distributing them to the 1,500 workmen who worked on in the tangled wreckage, without rest until every stone had been turned—every body rescued.

Mr. Holmes, told of rescuing thirteen victims, the reactions of the parents, how the Nation helpfully responded, and what was probably worse than death, the horror and strain that the parents suffered when hours and hours passed and still their own little child could not be found. The uncertainty Mr. Holmes observed, was more nerve wrecking than the shock of death.

## HENRY CLARK DIES

Henry Clark died in a hospital in San Antonio, October 11, and interment was in Fairview cemetery at Bronte, Wednesday, following religious services at the Tennyson Baptist church. Rev. Denton of Brookshier communi-

## METHODIST YOUNG PEOPLE ENTERTAIN

The young people of the Methodist church enjoyed a party at the Methodist church Monday evening. Miss Faye Kirkpatrick is the leader of the young people in their social activities.

On invitation from the Methodist young people the young people of the Baptist church were present and enjoyed the evening with their friends.

## R. I. COLLIER BECOMES ANSON BAND DIRECTOR

It will be delightful news to all the boyhood friends of R. I. Collier in and around Bronte to learn that Mr. Collier has been chosen as band director of the Anson municipal band.

"R. I." as his friends call him is another of Bronte's boys who has "stayed by his bush" until he won. Graduating in the Bronte schools, three years ago he went to Abilene and entered Hardin - Simmons University.

He is now in his senior year and will take his degree next spring.

The Anson band needing a director cast about, and chose Mr. Collier as their director. He has the privilege of remaining at Abilene and continuing his university work. He goes to Anson at stated hours to instruct the band then returns to his work at Hardin-Simmons.

The Enterprise joins with the many friends of this erstwhile Bronte boy in congratulations at his "staying qualities" and in the new opportunity that has come to him. More will be heard about R. I. Collier through the next coming years.

It will also be good news to the friends of Mrs. Collier to know that she has been made hostess of one of the girl's dormitories at Hardin-Simmons.

Mr. and Rev. J. H. Thompson of Bronte conducted the religious services.

Due not to being in possession of the facts concerning life of deceased we can give no extended biographical sketch. He was the father of John Clark of Tennyson.

## Mrs. N Johnson Made President M. E. Zone Meet

Attendance at the meeting of the Central Zone of the Methodist Women's Missionary Societies, held with Bronte, Tuesday, had a record attendance and the interest throughout excelled any meeting perhaps in the history of Central Zone. There were eighty-seven in attendance.

The morning program opened with a devotional. The ladies from Miles, Sterling City, San Angelo and Robert Lee gave in an original and interesting way, "Facts from the Conference Minutes." The program centered around a Missionary clock.

Mrs. John T. Williams of San Angelo gave an address reviewing the work of Central Zone.

Mrs. George Thomas of Bronte gave a reading, "The Last Settler."

Mrs. Nathan Johnson of Bronte gave the address of welcome and introduced the visitors.

The main address of the day was delivered by Rev. Earl Hoggard of Robert Lee, on "The Influence of the Missionary Societies in the church."

The afternoon program opened with a devotional, following which a vocal solo was rendered by Mrs. Walter Bowden of Bronte.

A piano solo was given by La Marr Chapman.

Mrs. Allen Roe of Trinity church of San Angelo gave a book review, taking as her topic, "The Jew and His Challenge."

In the business session the following officers were elected: Mrs. Nathan Johnson, Bronte, president.

Mrs. H. W. Lyons, Miles, vice-president.

Mrs. Marvin Simpson, Robert Lee, program chairman.

Mrs. Louida Parker, San Angelo, publicity chairman.

Robert Lee was selected as the next meeting place. The next meeting will be held in January.

Let The Enterprise order your Daily Newspaper for you—we can save you money. See us about this

## New Ship to Take Place of German Leviathan

Above is a photo of the type of ship which the new Maritime Commission has planned to add to the American merchant marine. The bids for the first ship to be built under the new law will be opened on Sept. 15, by Chairman Joseph P. Kennedy at Washington.

The new plans call for a vessel with a length of 705 feet, a beam of eighty-six feet and a draft of thirty feet with a displacement of 32,700 tons. These ships have been designed for a speed of 22 knots an hour, and are economical in operation and highly satisfactory to the ocean-going public.

WARNS AGAINST "QUACKS"

Austin, Texas, October 14.—The increasing number of persons in Texas dying from cancer constitutes a warning at this time, states Dr. Geo. W. ...

nearly two-thirds of the cases. X-ray or radium is used to advantage in one third of the cases ...

GOATS FOR SALE

At my place near Tennyson—320 nannies and kids; good grade and most of them in fair condition. See or write me, or call Caldwell's phone, through Bronte exchange.

HORSE CAVALRY AT FORT BLISS

At Fort Bliss, Texas, (six miles from El Paso), there are two regiments of horse cavalry; the 7th and 8th Cavalry. The cavalry is still a very important arm of the military service, an indispensable element in rapid reconnaissance and sudden attack over uneven terrain where the issue depends upon speed.

REV. A. B. BRADLEY PREACHES FOR BAPTISTS SUNDAY

Rev. A. B. Bradley of Anton will fill the pulpit of the Bronte Baptist church Sunday morning and evening. Rev. Bradley comes in response to an invitation from the pulpit committee.

SANTA FE CAR LOADINGS FOR WEEK

Santa Fe System carloadings for the week ending October 9, were 25,933 cars, compared with 22,359 for the same week last year. The company received from connections 7,588 cars, compared with 6,959 for the same week a year ago.

CARD OF THANKS

We long for words that would fully express our appreciation of the many friends who have been so thoughtful of us during the hours of our bereavement. Your kind words, your tender care, your presence, your prayers, all these have helped us in this dark hour.

**COTTON OFF 100 POINTS**

Robert Lee, Texas.  
October 11, 1937.

According to figures given out at the beginning of the cotton picking season the parity price for cotton ranges from 17 to 18 cents, whereas the farmers are selling for 7 to 8 cents which means that they are losing around \$50 per bale on the cotton thus sold. Membership in the Agriculture Association costs \$2.00 or 40 points on the bale of cotton or an average of 4 points on a ten bale crop. Can the farmers of Coke county through organization raise the price of cotton 4 points? Judging from what has already been done by cotton farmers in other states and what has been done by other types of farmers in all parts of the United States, the answer is most emphatically, yes. And not only 4 points. Alone and without outside co-operation they can raise it 100 points through co-operation planting and marketing. But they are going to get the co-operation of tens of thousand of farmers in all parts of the south. When you join Coke County Agriculture Association you are lining up with a southwide movement to resist the price crushing movement that is on us now.

Coke County now leads District 6 of the Texas Agriculture Association in membership. Boys, won't you help me keep it ahead and set the pace of the district by piling up a membership of at least 500 before Our Congressman, Mr. South, makes us a visit about two weeks hence to help us take a stand that will ultimately put the farmers on a parity with other classes of people? Hand your membership fee to R. B. Allen, of Silver, Allen Butner, of Bronte, Henry Williams of Wildcat, or to me, at Robert Lee, now and help us put old Coke County on the map and get our neighbors and ourselves a square deal.

J. C. Jordan, Secretary,  
Coke County, Agr'l Ass'n.

With the fine fall rains that have come, there will be much fall grain sown in Bronteland.

**Your Privilege**

Foresighted persons who desire to do so, have the privilege of making arrangements for their final rites in advance of necessity—just as reasonably as they make their wills, provide insurance, and buy cemetery lots.

**TWO MINISTERS VISIT THE EDITOR**

The editor thoroughly enjoyed a visit Tuesday afternoon from Rev. Paul Hoggard of Robert Lee and Rev. J. C. Lovern of San Angelo.

Rev. Hoggard is the popular pastor of the Robert Lee Methodist church and Rev. Lovern is the beloved pastor of Trinity Methodist church of San Angelo. The ministers were in

Bronte attending the zone meeting of the Methodist ladies of the San Angelo district. Rev. Hoggard called to discuss with us as editor of one of the newspapers of Coke county relative to the Red Cross drive in the county that will soon be inaugurated. Rev. Hoggard is county chairman.

The editor has heard much favorable comment concerning both the above ministers as to their work in their respective churches and communities, yet we had never had the privilege of meeting them personally. Both are reported as capable pastors and pulpit speakers, and we found both most excellent and pleasing gentlemen. It was a genuine pleasure to meet both. Call again, preacher friends, every time you have opportunity and if opportunity does not come, then make an opportunity.

**POSTED**

This is to give notice that my farm is posted and everyone is prohibited from hunting on my premises, getting wood or other trespassing. Stay out—if you are caught trespassing you will be prosecuted.

**TEENY WEENY HOLES**

**Quicker Oiling - Quicker Starting with WINTER OIL-PLATING**

You know that your engine must be oiled instantly throughout, or be tortured at every cold start.

You can imagine trying to rush cold oil everywhere at once, through scores of tiny oil-holes and passages.

How long before lubricant gets to where it is badly needed?

Less than no time at all!... with Conoco Germ Processed oil—patented.

This is the Winter oil that gives you far greater surety than mere fast flow. It OIL-PLATES your engine.

Before any other oils can even start to go where needed, exclusive OIL-PLATING has already arrived! In fact, it's been there all the time, because Germ Process action on all moving parts leaves them lastingly OIL-PLATED.

OIL-PLATING cannot drain down. It smooths and speeds the first turn of your ice-cold engine. Saves battery juice. And you save quarts of oil this Winter, by changing now to Germ Processed at your Conoco Mileage Merchant's.

Write for "The Story of Oil-Plating", Dept. 1, Conoco, Ponca City, Okla.

▼ "I am a local independent merchant. My living depends on you people right here. I want you coming to my place steady. I want to be able to look you in the eye. That's why I've got Conoco Products and Service for you. You'll get mileage that tells you I've got a right to be called Your Mileage Merchant."
