# Locals make PIK proposals

Taking advantage of the 30-day public comment period on the new Payment-in-Kind (PIK) program, local farmers are drawing up proposals to extend program deadlines and insure orderly marketing of the surplus commodities which producers will receive in return for laying out extra land.

The Texas Corn Producers Association, headquartered in Dimmitt, is serving as one catalyst for area farmers' suggestions on how to make the program more workable and beneficial to farmers.

The Texas Corn Producers Board is scheduled to meet today (Thursday) at 9:30 a.m. in the TCGA office at 112-A W. Bedford St. to work on an orderly-marketing proposal and consider other suggestions for the new program.

Also, the TCGA is distributing fact sheets, a PIK program calendar and crop-date maps which Ray Joe Riley picked up last week at the USDA in Washington, D.C. The information packets give a full summary of the PIK program's provisions as of its announcement date Jan. 11.

In proposals drawn so far by local farmers, the TCGA is calling for a rollback of several program deadlines.

The Corn Growers are proposing that the USDA:

—Move the sign-up deadline from March 11 to March 31. (The sign-up period will begin Jan. 24.)

—Change the date for county ASC committees to open Whole Base Bids from March 18 to April 8.

—Give producers eight months from the crop availability date, instead of five, to accept title to a PIK commodity or to liquidate outstanding CCC loans.

—Provide producers who liquidate loans on farm-stored commodities with a payment equivalent to a maximum of eight months' storage (instead of seven).

The TCGA proposals also ask that wheat growers be allowed to replant up to March 31 any poor stand of wheat that was originally planted before Jan. 10, and that corn and grain sorghum be made interchangeable for base purposes, adjusted for price differences.

TCGA President Carl King is scheduled to join Assistant Secretary of Agriculture John Ford, Congressman Kent Hance and Tommy Fondrin of Plains Cotton Growers, Inc., in two information programs in this area Friday.

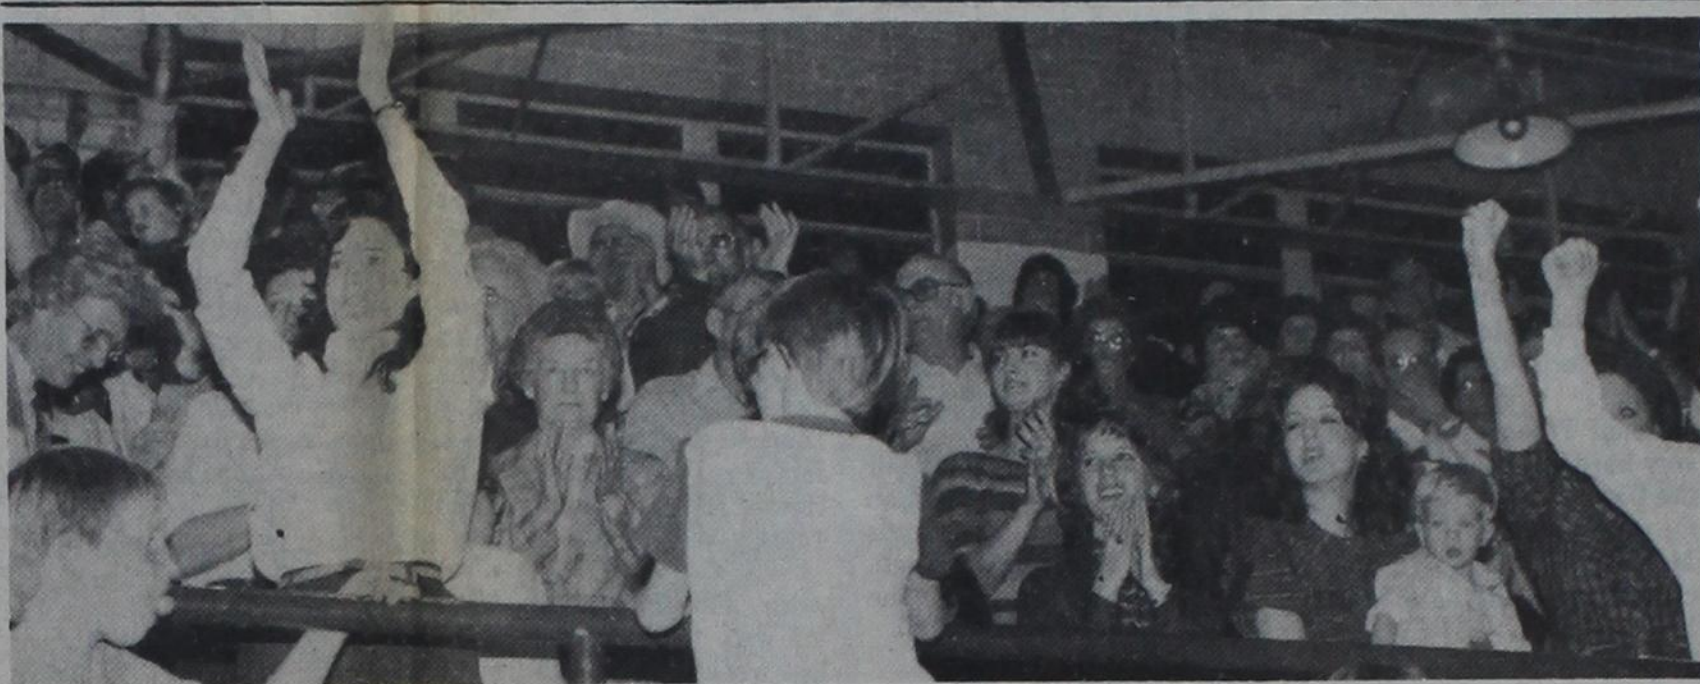

The first will be a call-in program Friday afternoon at Radio Station KFYO in Lubbock, and the second will be a public meeting at 7 p.m. Friday at the Hereford Community Center on Park Avenue in Hereford.

### Testimony begins in Walker case

A nine-man, three-woman jury began hearing testimony at 9:30 a.m. Wednesday in the felony trial of George Leland Walker.

Walker, 24, of Dimmitt, is charged with burglary of a habitation with intent to commit rape, in connection with an incident which happened Sept. 19 in Southwest Dimmitt.

He has been in jail since late September. The case is being tried in 64th District Court with Judge Jack Miller presiding.

DIMMITT FANS cheer the Bobcats' 74-65 victory over Abernathy as the final buzzer sounds on the first District 2-AAA shootout Friday night in the Abernathy High School gym. The game between the region's two top-ranked teams

kept the standing-room-only crowd standing much of the time as the Antelopes mounted a second-half charge that cut a 10-point Dimmitt lead to two before the Bobcats turned the game back around in the final minutes. For story, see Page 9.

# Crime rate up slightly

The Dimmitt Police Dept. reported that crime rose slightly in the city in 1982, while the Sheriff's Dept. said that 1982 figures for the rest of Castro County were "comparable" with 1981.

The Police Dept. reported that the number of crimes reported in Dimmitt was up 5.4% over that of the previous year.

Deputy Sheriff Jerry Jansa said that 1982 figures are "pretty much on par with 1981 figures" in the rural areas.

In 1982, 563 arrests were made in the county on cases filed in Justice of the Peace and County Courts.

A total of 57 arrests were made on felony cases filed in District Courts.

These arrests were made by county sheriff's officers, Dimmitt police, state troopers and Hart's city marshal. The Dimmitt Police Dept. made 365 arrests in 1982. City police also arrested 58 juveniles during the year.

Dimmitt police made 145 public intoxication arrests, 96 DWI, 33 disorderly conduct, 22 theft, 21 assault, 11 drug violation, and seven arrests each for burglary, auto theft and vandalism. Four arrests each were made on liquor law and weapons violations, two each for rape and other sex offenses, and one each for forgery and robbery. Two arrests were made for other offenses.

Property losses reported due to crime in Dimmitt in 1982 totaled \$43,017.90, the Police Dept. reported. The department recovered 41% of the stolen property, or \$17,826.95 worth.

Property crimes which the Dimmitt Police Dept. cleared by arrests during the year included the lone robbery, the only forgery case, all seven auto thefts, seven of the 36 burglaries, 22 of the 82 theft cases, and seven of the 48 vandalism cases.

The department also cleared 29 personal crimes by arrests — both rape cases, both sex offenses, all four weapons violation cases and 21 of the 28 reported assault cases.

The clearance rate of crime

by the Dimmitt Police Dept. was up by more than 20% over 1981, Police Chief Don Franklin reported.

The Sheriff's Dept. investigated 43 theft cases, of which

20% were cleared by arrests; 41 burglary cases, 15% of which were cleared; nine offenses against property, of which 30% were cleared; 12 offenses against persons, with

21% cleared; six cases of auto theft, with 50% cleared; and 20 other miscellaneous cases which required investigation.

Property losses reported due to crime in the county in 1982 totaled \$68,732.60 (not including the city figures). Sheriff's officers said that approximately \$31,000 of the stolen property was recovered. These figures include a portion of burglary and theft losses reported in Hart.

Hart City Marshal Vernon Ellis reported approximately \$50,000 in property losses in the city in 1982 due to crime. Property recovered totaled approximately \$45,000. He explained that the theft and recovery of a John Deere tractor accounted for the major part of both figures.

Twenty-eight incidents were reported to Ellis in 1982, and he made 10 arrests during the year.

The Castro County Sheriff's Dept. served 769 civil papers during 1982.

The average daily jail population for 1982 was 10.3. The full jail capacity is 18, and during 1982 the jail was at full capacity on 25 days.

# Deadline nears for nominations

Tuesday at 5 p.m. is the deadline for making nominations for the honors of Citizen of the Year, Citizen Through the Years and Teacher of the Year to be named by the Dimmitt Chamber of Commerce at the annual chamber banquet set for Feb. 7.

"Anyone can nominate people for these honors," said Chamber Manager Delores Heller, "not just chamber members or school administrators or whatever — anyone can make a nomination."

She added that nominations that have been made in the past three years and haven't been selected are still on hand to be considered for this

year's honors.

The selection is made by a secret committee appointed by the chamber board of directors, and the winners are announced at the annual banquet.

This year's banquet will be catered by K-Bob's of Dimmitt, with a meal of sirloin steaks and all the trimmings at \$10 per person. Entertainment will be provided by Zella Ellison, and the after-dinner speaker will be Dr. James "Doc" Blakely of Wharton, a noted humorist.

The event will begin at 7:30 p.m. in the County Expo Building.

# Watts is named to all-state team

Jeff Watts of Dimmitt has earned an honorable mention in the Class AAA all-state football selections, announced Sunday by the Texas Sports Writers Association.

Watts — already an all-stater in basketball — made the football dream squad as an offensive tight end.

The 6-4, 195-lb. senior caught 10 passes for 303 yards and scored five touchdowns for the Bobcats, who finished the 1982 season with a 6-4 record and a tie for second place in District 2-AAA.

Watts also was a mainstay for the Bobcats as a punter (42 punts for a 37-yard season average) and as a defensive end (one interception, one fumble recovery and 73 tackles, including 13 quarterback sacks).

Watts earned a reputation both as a blocker and as a pass receiver on offense. One of the main strengths of his pass-catching was that he knew what to do with the ball after he caught it.

"Most of his receptions during the year were on drag routes or throw-back routes," head football Coach Gene Griffin explained. "We hit him deep only once during the year, so a lot of the yardage he got (30.3 per pass) is what he gained after catching the ball."

Watts was a team captain this year "and filled a very large leadership role" for the Bobcats, Griffin said.

"We're extremely pleased about his selection," Griffin added. "Not only is Jeff a great athlete; he's also a fine young man. He's the kind of athlete every coach dreams about. I think his selection is also a compliment to our program and the things we're trying to accomplish."

Several universities have expressed an interest in Watts's football ability, including Texas Tech, UT-Austin, Texas A&M and UT-El Paso.

The all-stater is the son of Mr. and Mrs. Jerry Watts.

District 2-AAA champion Littlefield, which advanced to the state finals, landed two players in four positions on the all-state selections and another on the honorable mention list. They were senior Bryan Gregory, first-team quarterback and first-team defensive back; senior Scott Lewis, first-team defensive tackle and second-team center; and senior Pat Demel, honorable mention linebacker.

Other area players named to the all-state team included Geryl Lacy, Slaton junior, second team running back; and Kyle Brock, Lockney senior, second-team linebacker.

# Nothing new begun in '82

Although no new construction was begun in Dimmitt in 1982, building permits were issued for a total of \$345,900 worth of expansion and other projects, according to figures released by the city.

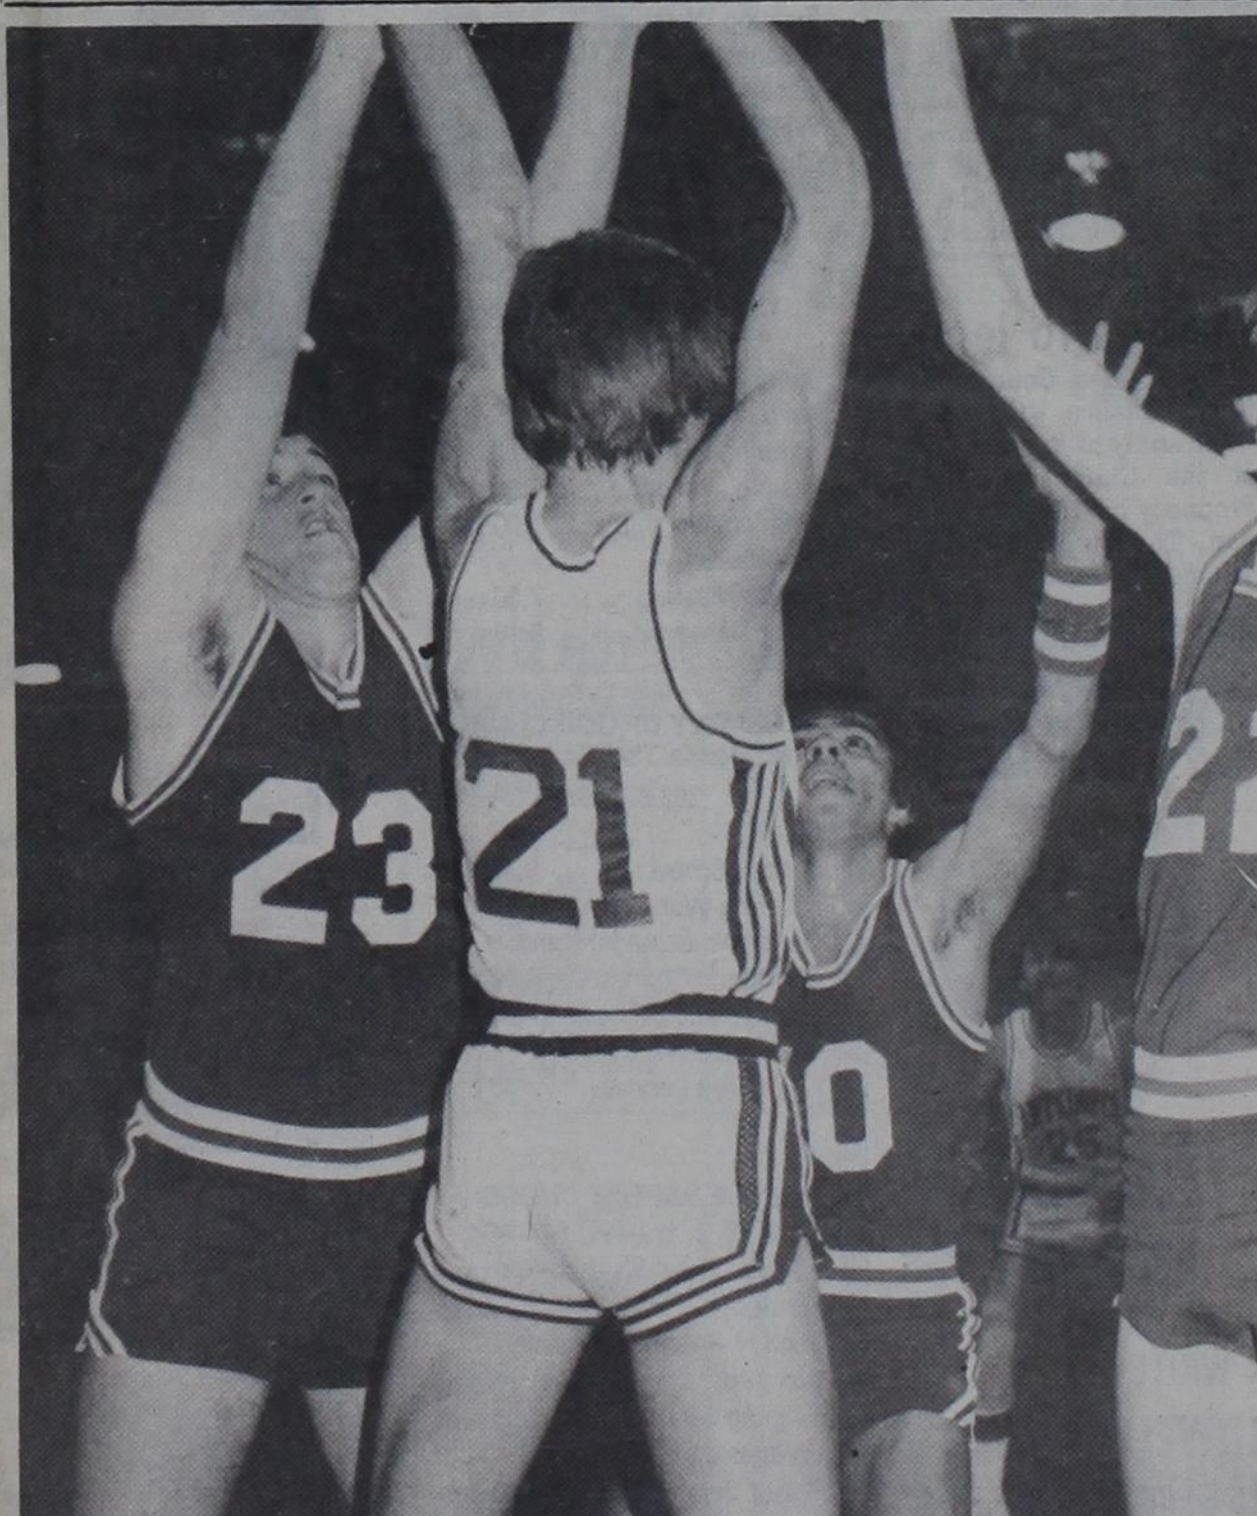

\$225,300 of that amount came from six commercial projects, the largest of which was the addition of a 30x30-foot storage building at Cargill, Inc., at an estimated cost of \$200,000.

Under the category of alterations to a residence, the largest item was a 1,300-square-foot addition to a residence at an estimated cost of \$30,000. The 12 projects registered in this category totaled \$91,000 in value.

In home additions — carports, garages, storages and miscellaneous — 22 projects were registered at a total value of \$29,600. The projects ranged in value from \$100 to \$11,000.

Also, 11 mobile homes were moved in that were registered but no assigned values were listed.

Building permit fees in 1982 were charged according to the size and sometimes the type of building project involved, until in November when the 1982 Uniform Building Code was adopted by the city, including a new fee schedule based on the value of building projects.

JAILED—Abernathy's Ed Teal [21] learns what it's like to be behind bars as he is walled in at the baseline by Dimmitt's Jeff Watts [23], Fermin Gonzales [10] and John King [22] in the first quarter of Friday night's shootout at Abernathy. The dangerous

Antelopes stayed within striking distance all the way and mounted a furious fourth-quarter charge, but the Bobcats held them off and won the District 2-AAA opener, 74-65, keeping their perfect record intact.

The Dimmitt Board of Aldermen has pledged its efforts to protest the closing of the local office of the Fort Worth & Denver Railway Co., as has been proposed by that company to the Texas Railroad Commission.

Two representatives of local rail customers told the aldermen at their Monday night meeting that the closing of the local agency could spell trouble for Dimmitt.

The railway company has asked the Railroad Commission for permission to close its agency here, but before the closing can be approved, the commission must determine that the public will not be adversely affected by the closing.

Shippers who use the railroad, as well as cities or members of the public, may protest the proposed closing by writing a letter to the director of the Commission's Transportation Division at Capitol Station, P.O. Drawer 12967, Austin, 78711. The protests must be received by the commission no later than Jan. 31.

If protests are received, a public hearing will be held in the affected area. If no protests are received, the commission will consider the proposal at a hearing in Austin on Feb. 4.

It is emphasized that rail service to and from Dimmitt will not be stopped. It is just that the railroad proposes to transfer the agency work from here to its Plainview office.

"I think that a lot of the businesses Dimmitt has are centered around the railroad, especially the agri-businesses," said Steven Burnett, plant superintendent of Cargill, Inc. "I know that Cargill, for one, would not have come to Dimmitt, if it were not for the railroad here."

Burnett said that he felt there would be more shipping problems without a local agent who "could be right on top of things."

Local agent Gary Huffines said he had not been given any reasons yet for the closing.

"I haven't been told much about it at all," Huffines said. "I've worked in Dimmitt since Feb. 2, 1962, and I call Dimmitt home, so I hope I don't have to move. But if they do close this station, I won't be laid off, because of my seniority. I'll probably just be moved somewhere else."

Huffines said that if the local agency were to close, rail customers would "have to call Plainview pretty early in the mornings to line things up for the day."

He added that once the trains left Plainview to come here, there wouldn't be any changes allowed.

"Right now, we can communicate with the train in transit and we can make changes right in the middle of making up a train here," he said, "but there wouldn't be the same flexibility if everything had to go through Plainview."

If a Dimmitt customer had a rail car ready to pick up after 3 p.m., it would probably have to wait for the next day's train, since the same-day train would have already gone back to Plainview, according to Huffines. Also, if a customer called for a rail car to be picked up, but then didn't get it filled after all, the car might be picked up anyway.

"There will most likely be a lot of mixups, and definitely plenty of delays," Huffines surmised.

Huffines said that Plainview doesn't do as much rail business as Dimmitt does. "In fact, Dimmitt has more rail business than Lubbock is doing," he added. "I hope we can get a lot of customers to testify to that fact. It should definitely help our case."

Carl Collyer, manager of Bruegel & Sons, Inc., told the city board Monday that his company plans to register a protest and is also trying to contact other rail customers and concerned citizens to voice their concerns.

"We'll need plenty of facts and figures, but from my experience, it will also take personal testimony to swing the case," Collyer said. He encouraged the aldermen to authorize Mayor R. L. Flem-

Dunn family singers entertain

By MARY EDNA HENDRIX
The Dunn Brothers entertained at the Senior Citizens Center last Saturday evening as well as at South Hills Manor. This group consists of Joe Dunn from Big Spring, Newt Dunn from California, Coy Dunn from Dimmitt and Herbert Dunn from Littlefield. Their sister Connie (Dunn) Ivey accompanies them on the piano. They have other helping make beautiful music: Frances and Alvin Frazier, Gene Ivey, A. H. Howell, Dutch LaRue, Truman Cotton and Weldon and Grace Finley. After the group played the "Chicken Reel," Geneva Justice gave her famous Crowing Rooster Call. Dutch LaRue took his cigar out of his mouth long enough to play several numbers on the French harp. Wilton, Lisa and David Graef from Hale Center sang the beautiful song, "Rise Again." Newt Dunn sang a song that his friend in California had composed, "I'm Going on a Long, Long Journey." Edith Graef and Ed Freeman did the Charleston dance quite well. Refreshments of sandwiches, chips, cake, coffee, and Cokes were served to the 88 in attendance.

the church services at the First Church of Nazarene at Bethany. The pastor is Ponder Gilliland, brother of Leon. There were over 2,100 in the Sunday morning services, and the Maynards were quite impressed with the church and all of its activities. On another Saturday, Walter Maynard visited with Lynn King for about three hours in Olsen Manor in Amarillo. Lynn was assistant librarian when I was librarian at the Rhoads Memorial Library several years ago. The school teachers had to work last Friday while the students had a holiday and were out having fun. There was a SAPA II workshop for kindergarten through grade six and the high school had their separate workshop.

Aural Davis entertained her daughters, Susie and Janis, and their families during the holidays. Janis and her family stayed for two weeks, so I am sure they had fun just visiting.

Nolan Froehner is working very hard on making plans for the Castro County Community Concerts Association's Membership Campaign that is coming up in the near future. Watch for it!

Bob and Pearl Martin of Astoria, S. D. were overnight guests of Ed and Betty Freeman on Jan. 10. When Rev. Freeman was a pastor at Roscoe, S. D., the Martins were members of the church he pastored and Bob was an elder in the church and superintendent of schools.

The Dimmitt Book Club met on Wednesday at Rhoads Memorial Library for their monthly meeting. Susan Hanners, president, presided over the business meeting. Mildred Bradford reviewed the book "Miss Manners Guide to Excrucciatingly Correct Behavior" by Judith Martin. This is a comedy and

Mildred reviewed it in a very delightful way. Shirley Stephens and Myrtle Lois Moran served refreshments of cheese, cold cuts, crackers, cookies and coffee from a pretty, decorated table. Myrtle Lois used some of her lovely African violets for the centerpiece.

The Four Runners have been in town again. This is a group who is doing missionary work in different parts of the United States. The group consists of Jeannine and Ira Wimberly, Nelda Thomas and Alice Ivey. On Tuesday, they had charge of the W.M.U. program in the lovely home of Maxine Tidwell. The girls told about their work in the churches in the Northwest and sang several songs. Then on Wednesday night they sang a few songs for prayer meeting and then they entertained the youth of the church.

I met the Four Runners for lunch on Friday and Jeannine was telling this story about her fishing trip - she said she caught a Salmon that weighed 25 pounds and her husband Ira, caught a Salmon that just weighed 20 pounds - so Ira wasn't talking much. They were able to can the fish.

Oleta Gollehon helped Connie Ivey celebrate her birthday by taking her to Hereford for lunch at Long John Silvers. Others enjoying the drive over and meal were: Geneva Dennis, Mauzee Youts, Ruth Hays and yours

truly. We saw the daughter of the Joe Thompsons, former Dimmitt residents, while we were there.

It pays to advertise! Several weeks ago I wrote in this column about Eules Waggoner giving turnips away and last week he brought some more of those good turnips. When I opened the door and saw him standing there, I said, "You read my column." Mrs. Clara Gladden invited the Youts family in for a delicious meal and a family get together. Joe Mooney and Janis Davis and children, Brad and Lindsay, drove down from Amarillo. Rick and Susie Bell and children, Caleb and Kacie, Jane Ann Burnett and children Hillery and Rachel, Bob and Phyllis Mooney and Elmer and Mauzee Youts, all of Dimmitt.

The Three Musketeers went to the basketball game on Tuesday to watch the girls play Muleshoe. It was an exciting game and we enjoyed it very much. Some of the girls playing were: Tricia Touchstone, Stacie and Shawn Jackson, Bobby Tischler, Kim Howell, Becky Benton and Tammy Washington.

Mr. and Mrs. George Blanton went to Tucumcari, N.M. last week to celebrate Irene's mother's birthday (Mrs. Hattie Smith) who was 89 years old.

Elmer and Mauzee Youts entertained the Dimmitt Dinner Club last Friday night with an unusual meal and evening of fun. Those that

enjoyed the night were: Buster and Mearle Morgan of Bovina, Morgan and Geneva Dennis, Gene and Connie Ivey, Jim and Ruth Hays, Bro. John and Dorothy Street, Oleta Gollehon, Irene Carpenter and Mary Edna Hendrix.

The Bridge Clubs are back in full swing after the holidays. The Thursday Bridge Club met at the Senior Citizens Center with Oleta Schumacher as hostess and she also won second high score, with Susie Reeve scoring high. Others playing were: Opha Burks, Johnnie Vannoy, Jo Gregory, Betty Cartwright, Elizabeth Huckabay, Ferne Dickey, Bernice Hill, Cleo Forson, Emily Clingsmith and Retta Cluck.

The Friday Bridge Club met at the Senior Citizens Center for lunch and a day of fun with Dorothy Elder as hostess, Betty Cartwright won high score, and Opal Bearden won second high score. Others playing were: Retta Cluck, Josie Bradford, Cletha George, Gladiola Shipley and Opha Burks.

Prison film set Sunday

"God's Prison Gang," a newly released film featuring Al Capone's getaway driver, the last member of Bonnie and Clyde's gang and two other notorious criminals who have become Christians will be shown at the First Christian Church, 600 Western Circle Dr. on Sunday at 7 p.m. The film, shot behind the walls of New York's Attica prison, is hosted by Art Linkletter. It tells the story of how the work of International Prison Ministry is accomplishing what more guards, higher

prison walls and greater financial expenditures have failed to do - keep released inmates from returning to lives of crime. Telling their stories in the 44-minute film are George Meyer, Al Capone's favorite driver; Floyd Hamilton, (Public Enemy No. 1) the last of the Bonnie and Clyde Gang; Jerry Graham, the "robber king" of California; and Ted Jefferson, convicted of crimes from drugs and robbery to murder. Also featured is "Chaplain Ray," whose Dallas-based International Prison Ministry has changed the lives of thousands of inmates over the past 18 years. Roy E. Barringer, pastor of First Christian Church said he hopes all citizens concerned about the problem of rising crime will attend the free screening of the film.

FUN... AND WORK To receive pleasure we must put out some effort. The building of a sled, or pulling it afterward is work, but all of these things add up to a wonderful time. The same holds true with the Lord, those who serve him receive the greatest pleasure. "Serve the Lord with gladness... enter his courts with praise." The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

**Tamales are served**

By TEENY BOWDEN  
Those helping with the third Sunday night singing were Gerald Elkins, Verba Sadler and Gale and Verna Sadler singing as a quartet. After the service the Spanish Department surprised those present with a fellowship supper of homemade tamales to show their appreciation to the church.

Mr. and Mrs. Gale Sadler and Rev. Richard Clymer visited with Roy Phelan in Weatherford Wednesday afternoon on their way from the Evangelism Conference in Fort Worth. Verna stayed while there with her niece, Mr. and Mrs. Pat Hurd. She and Gale also visited between conferences with Mr. and Mrs. Tommie Fowlkes. Both Gale and Verna gave reports on the conference during the Sunday morning services.

Rhonda Ross and Jay Reeve were married in the First United Methodist Church in Dimmitt Monday night with Gene Ross giving away the bride.

Mrs. Floid Ivey was moved from intensive care to a private room Monday and her daughter, Hazel Pruitt went home Monday. She was stable Sunday.

Flossie Jones was dismissed from Plains Memorial Hospital Wednesday and was in church Sunday morning.

Verba Sadler completed her chemotherapy treatments in Plainview last Monday.

Mr. and Mrs. L. B. Bowden visited in St. Anthony's Hospital in Amarillo Wednesday with Bob Loudder of Happy and a friend, Thelma Axe of Canyon.

Bennie Villarreal had charge of the Wednesday night services in absence of the pastor.

Lonnie Wilson and Gale Sadler attended an Associational Brotherhood meeting in Sudan Friday night.

Mrs. Larry Sadler and girls and Mrs. Doug Loudder attended the "Spiritual Breakthrough for Power" Conference in Olton Saturday afternoon.

Mr. and Mrs. R. V. Bills entertained in their home with a "42" party Thursday night. Those present were Mr. and Mrs. Ezell Sadler, Mr. and Mrs. Alton Loudder, Mr. and Mrs. E. R. Sadler, Mr. and Mrs. Noah Spencer, Mr. and Mrs. Gerald Elkins, Mr. and Mrs. Gale Sadler, and Mr. and Mrs. Hershel Wilson.

Mrs. E. R. Sadler and Mrs. Ezell Sadler attended the music furnished by the Dunn family at South Hills Manor Saturday evening and at the Senior Citizen Center Saturday night.

The Lions Club sponsored a turkey shoot Sunday afternoon with turkeys and hams as prizes.

Carl Bradley of Lubbock visited Saturday afternoon with Larry Sadler and a few minutes with Sharon and the girls and Mr. and Mrs. L. B. Bowden while Jeri visited in Littlefield with her mother of Springlake and her sister, Louise Hedrick of Amarillo.

Cheryl Powell of Canadian spent Tuesday night, Wednesday and Wednesday night with her grandparents, Mr. and Mrs. Ezell Sadler, on her way back to Sul Ross University.

Mr. and Mrs. Ezell Sadler visited in Plainview Monday morning with Mr. and Mrs. Mancil McWilliams.

Mrs. Lee Bradley and children went to Hobbs Friday evening and visited with Mr. and Mrs. David Sadler, Melody and Karla through Sunday.

The R.A.s and G.A.s met Wednesday afternoon, with Lonnie Wilson and Kaye King in charge. The R.A.s made plans to attend the R.A. Rally at Wayland Saturday. Baptist Women met for the Royal Service meeting Tuesday morning.

Snow was still on the ground Sunday in the deeper drifts and shaded areas.

The church received a thank you note from Buckner Childrens Home in Lubbock Wednesday for the food and general supplies given to them at Christmas time.

## Southwestern corn borer

By ALLEN KNUTSON  
EA-Entomologist

Area corn growers have an opportunity now to destroy a major corn pest, the southwestern corn borer. This pest is now overwintering in corn stubble fields, patiently waiting to infest next year's crop. The overwintering stage in the weakest link in the borer's yearly cycle, and is most vulnerable to weather and stubble.

Three year's research at Lubbock and field demonstrations in Castro County have shown timely disking or shredding is very effective in destroying over-wintering borers. A single disking or close shredding, done early (before mid-January) results in 90-95% borer mortality. Even when winters are mild, stubble destruction is very effective.

A single disking is all that is necessary. Disking breaks open stubs, killing borers directly or exposing them to cold. Other stubs freeze once the surrounding soil is disturbed.

Shredding cracks open stubs and removes the silk plug that seals the borer's tunnel. The corn borer loses the roof to its house, and soon dies. To be effective, shredders must be set low on the bed to cut off the stub even with the soil surface. Dull shredders work best as they shatter the stub.

Grazing stubble? No problem. Close shred stalks now to destroy over-wintering

borers. Ears and stalks remain accessible to cattle. The time and diesel fuel are well invested.

When should stubble be destroyed? The earlier the better, but by mid-January for best results. This takes advantage of cold weather in late January and February that kills borers not mechanically destroyed earlier by disking or shredding. The recent snow is welcome for the moisture it brings, but field work now will be impossible. Be ready to destroy stubble as soon as conditions permit.

Does stubble destruction really pay? Yes. Almost all first generation corn borer infestations in June that I have seen were traced to a nearby corn stubble field that was not destroyed. If it wasn't for first generation borers in June, we wouldn't have any second generation borers to spray for in late July and August.

It makes dollars and sense to destroy corn stubble now and reduce the overwintering corn borer population as much as possible.

Field demonstrations on the George Sides' farm in 1981 found 79% of the borers survived the winter where stubble was not destroyed. Only 5 to 11% of the borers survived where stubble was disking or shredded. In 1982, 58% of the borers survived in undisturbed stubble on the Charles Axtell farm while only 2-7% survived where stubble

was disking or shredded.

Even though recent weather has been very cold, the snow cover has helped insulate borers from the record lows. Disking or shredding kills 4 times more borers than normally die during the winter.

Area-wide cooperation in destroying stubble will greatly reduce next season's corn borer problems. Even though a few corn borers survive when stubble is destroyed, it is more difficult for the survivors to locate mates in the spring. Also, fewer females are present to lay eggs. Thus, fewer fields would require treatment and fewer applications would be necessary. However, since borer moths fly to infest nearby fields 100% cooperation now is encouraged so that the greatest benefits are achieved.

Cotton growers in the Rio Grande Valley have been working together to reduce boll weevil populations by destroying cotton stalks in the fall. Area-wide cooperation has proven valuable in reducing weevil infestations the following season. Aerial photography is being used to identify undestroyed fields whose owners are soon contacted and asked to comply with the shredding date.

Consider this question. If every stubble field was destroyed by mid-Jan. in Castro and Lamb counties, would any field need spraying for corn borers in July?

## FmHA lowers interest rates

Interest rates for loan programs of the U.S. Department of Agriculture's Farmers Home Administration dropped again Tuesday, Secretary of Agriculture John R. Block has announced.

"These lower interest rates, which apply to most loans made by the USDA farm credit agency, will be of great benefit to the rural economy and particularly for the nation's farmers who depend heavily on credit," Block said. It is the third such reduction since October 1982 by the agency, which makes farm, home and other loans to rural residents and communities who cannot get credit from private lenders.

Block said the reductions are possible because of a general move toward lower interest rates across all sectors of the economy and because of lower costs of federal borrowing.

Interest rates for farm operating loans, used to finance annual costs of production, will drop from 11.5 to 10.25%.

Farm ownership rates dropped from 11.5 to 10.75%.

Interest rates for "limited resource" borrowers — those unable to afford the full interest rate — dropped from 8.5% for operating loans to 7.25%. Limited resource farm ownership loans go from 5.75 to 5.25%.

The interest rate for actual loss loans due to natural

disasters remains at 8% for those farmers unable to get credit from private lenders. For farmers who can obtain natural disaster loans elsewhere but choose to deal with the Farmers Home Administration, the rate remains at 14.25%.

The interest rate for production loans to farmers who need financing above the actual loss and are unable to get credit elsewhere dropped from 14 to 13%. The rate for real estate purposes remains at 13%.

Interest rates on long-term loans for soil and water conservation, grazing associations, irrigation and drainage and Indian land acquisition dropped from 11.5% to 10.75%.

In housing, interest rates for single family homes dropped from 11.5 to 10.75% except for borrowers who can afford rates charged by the Department of Housing and Urban Development. Their rates will remain at 12%.

Rural rental housing loan rates went from 11.5 to 10.75%.

On Dec. 31, 1982, rates for water/sewer and rural community facility loans were lowered. The "market" interest rate for those communities able to afford it went from 10.625 to 9.750%, and the "intermediate" rate dropped from 7.875 to 7.375%. The poverty-line interest rate remained at 5%.

ROCKING chairs were used in America as early as 1750. AN early name for a beer saloon was howl.

## Energas announces aid to low-income bill-payers

Responding to a request by the chairman of the Texas Railroad Commission, Energas Company announced last week that the company will expand its efforts to aid low-income people in paying their energy bills this winter.

Last month, TRC chairman Mack Wallace wrote to all natural gas utility companies in Texas, urging them to create winter energy assistance programs for the disadvantaged in Texas, similar

to some pilot programs instigated by utility companies in other states. The Railroad Commission is the state agency that regulates the oil and gas industry in Texas.

Energas is establishing a program to supplement existing programs of financial aid to people in its service territory who would otherwise not be able to pay their heating bills this winter. Energas representatives have been involved on national industry

committees, studying the results of the pilot energy assistance programs.

"The new program is an extension of procedures Energas already has for helping our customers pay their gas bills," Charles K. Vaughan, Energas president, said. "For years, Energas has offered an individualized deferred payment plan to customers who need help. Now, on Commissioner Wallace's recommendation, we are adding a program of financial assistance for this heating season."

The program that Energas is devising will rely on seven charitable organizations throughout the company's service territory to receive and distribute money for heating assistance. Energas will contribute money itself to those organizations for use in the program and will encourage its employees, its customers and the general public to make contributions.

Energas officials are working with representatives of the seven regional charitable organizations to establish agreements for the operation of the program. When those agreements have been made, Energas will give a donation to each non-profit organization, based on the number of customers the company has in the region served by the organization. The company will then publicize the details of the program, so that those needing help will know how the program operates.

Energas provides natural gas service to a 30,000-square-mile area of West Texas, extending from the Panhandle to south of Odessa. The gas utility company is a division of Pioneer Corporation, an energy resources corporation headquartered in Amarillo.

### Beet growers meeting set

The Texas-New Mexico Sugar Beet Growers Association, Inc. will hold its annual membership meeting Friday in Hereford.

The meeting, lasting from 10 a.m. to 4 p.m., will be at the Community Center on Park Avenue. A lunch will be served.

Among featured speakers at the meeting, will be Congressman Kent Hance and Charles Stenholm.

The annual Sugarbeet Banquet will be held Saturday be-

ginning at 7 p.m. at the Hereford Bull Barn.

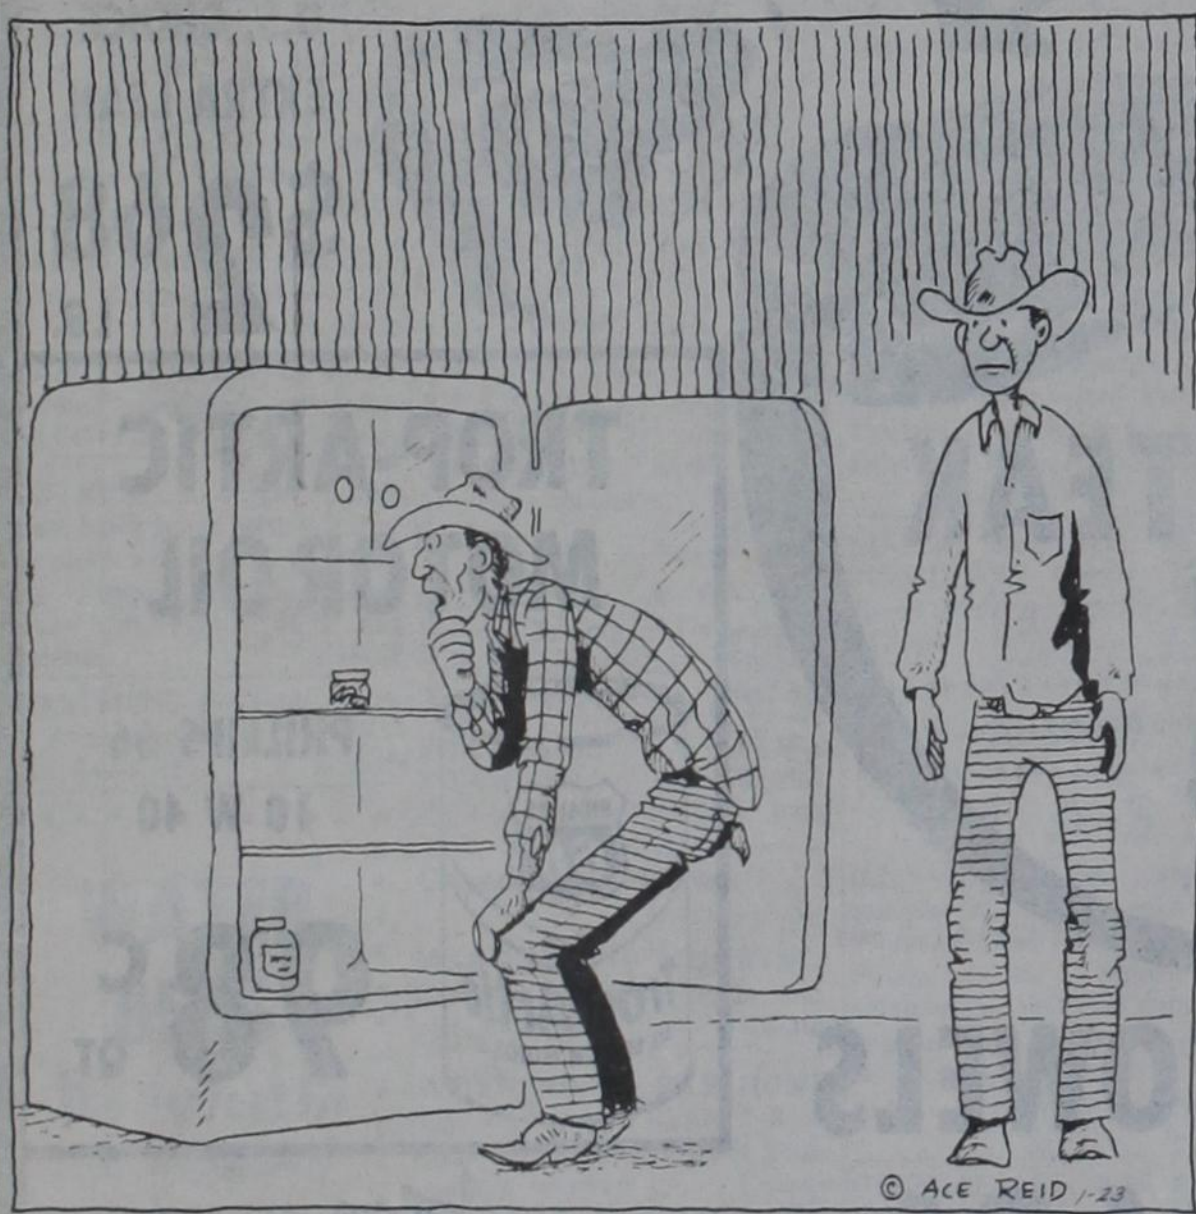

Speaker for the banquet is Bill Brown of Lubbock.

Reports will be made concerning the sugarbeet industry and visitors from the sugarbeet areas throughout the United States will be present.

Members of the board of directors of the association include John Gilbreath of Hart, and Dimmitt's Kenneth Frye and Dean Wiseman.

# Tuesday: Swiftettes vs. Sudan

By BRENDA SCHULTE  
The biggest drama in North Texas girls' basketball opens Tuesday in Nazareth.

Act 1 of the possible three-act drama will be staged at 6:30 p.m. in Nazareth's gym, when the Swiftettes host Sudan in the two powerhouse teams' first District 6-A meeting.

**THE CAST:** The Swiftettes, the well-oiled machine of Coach Joe Lombard, who have won an unprecedented six consecutive state championships; and the Hornettes, returning most of their talent from last year's team which lost by only two and four points in the teams' two district meetings. Sudan is ranked No. 1, Nazareth No. 2 in Class A in the Texas Association of Basketball Coaches poll this year.

Both teams are undefeated (4-0) in district play, and both boast impressive overall records. Nazareth is 20-2 and Sudan is 21-1.

In the past four years the teams have met six times in playoff games. Sudan has never won. Nazareth won the first four encounters by sizeable margins. But, last season, the Hornettes narrowed the gap, losing by only two and four points, with both games decided in the waning seconds.

**THE PLOT:** Look for both teams to press, both to start in man-to-man defenses, and both to run disciplined offenses.

Nazareth will be depending on its depth, and a proven defensive effort (which has held opponents to 30.1 points a game). The Swiftettes also

will be counting on post players to rebound with the taller Hornettes, and provide an inside scoring attack.

Sudan will be counting on its height advantage, and the scoring prowess of Lisa Wood.

Nazareth should have the edge in depth, with eight players logging a lot of playing time, including 5-8 post Shari Schilling who comes off the bench to score 10 points a game.

Sudan has six players who see a lot of action, including former starting point guard Missy Fisher, now back on the squad following an injury (broken hand) she suffered earlier this season.

Lombard said if his Swiftettes can rebound with Sudan, "our chances are pretty good."

**THE PLAYERS:** For Nazareth are posts Annette Hoelting (5-7, averaging 8 points and five boards), Renee Ramaekers (5-8, averaging 11.8 markers and six rebounds) and Miss Schilling, coming off the bench.

Leading the outside attack are point guard Leona Gerber (5-4, 10 points), and wings Rhonda Hoelting and Sharon Birkenfeld, (both 5-5 and both averaging nine points a game).

LaDawn Schmucker and Ramona Heiman, both have seen a lot of action, and should help the Swiftettes if called upon.

For Sudan are posts Shari Harrison (6-0, averaging 12 points and nine rebounds) and Judy Wiseman (5-9, eight points a game and seven rebounds).

Playing outside for the Hornettes are wings Shanda Vernon (5-7, six markers per contest) and Jeannia Nix (5-5, averaging nine points). Leading the Sudan charge will be Lisa Wood, recently moved to the point guard position, averaging an impressive 23.7 points per game.

Although the Swiftette defense held Wood below her better than 20 point average in the two meetings last year, a hot streak by the 5-9 sharpshooter could well make the difference in the game.

Fisher is Sudan's sixth player, and 5-8 post Shaunda Masten could see some playing time Tuesday.

The game will have the intensity of a state championship bout — and it will be, as the state's top ranked Class A teams prepare to prove who's No. 1.

"I kind of like Sudan being ranked No. 1," said Rhonda Hoelting. "It makes us want to work that much harder to prove that we have the better team."

"Our team has its mind made up to win (state) one more time," she said. "Sudan has a good team, but I feel we have the better coach."

"As far as we're concerned, we can beat Nazareth," said Wood. "They are a good team and you have to respect them, but we can beat them."

"Nazareth is not going to beat themselves," said first-year Sudan Coach Jim Kirkland. "You have to beat them; they do so many things well."

Lombard has a mutual respect for Sudan.

"They're bigger and more disciplined this year," he said.

To beat Sudan, Lombard said his team must get its share of rebounds and "we won't be able to do it with just five; all the kids will have to play well."

## Washington top scorer in Class AA

Hart's Linda Washington grabbed the top spot in Class AA scoring averages this week in the Amarillo Globe-News area high school girls' basketball statistics.

The 5-8 senior post is averaging 15.7 points a game. Teammate Grace Bonsal 5-8 post, was No. 10 on the list of 20, with a scoring average of 10.9.

Both of the Hart posts were in the top 20 rebounders. Washington was seventh with 9.4 rebounds a game, while Bonsal was 12th with a 7.1 average.

Four Nazareth girls were in the top 20 in Class A scoring averages. Posts Renee Ramaekers and Shari Schilling were Nos. 10 and 11 with 11.8 and 10.7 averages, respectively.

Point guard Leona Gerber was 15th with a 10 point average, and Rhonda Hoelting was 19th with a 9.3 average.

**FALLOUT**—Four players pile up in the lane, the fallout from a furious rebounding battle, as the break goes Abernathy's way in the third quarter of Friday night's District 2-AAA opener between the Dimmitt Bobcats and the Antelopes at Abernathy. On the floor are Abernathy's Ed Teal [foreground] and Dim-

mitt's John King. Still going down are Dimmitt's Robert Murillo [25] and Abernathy's Sammy Galloway [30]. Although Abernathy won the rebounding contest, 39-29, the Bobcats won the game, 74-65.

## Lady Horns win, 50-41

The post play of Linda Washington and Grace Bonsal, helped the Hart Lady Longhorns to a 50-41 win over Bovina Tuesday night in district 5-AA play.

Washington connected for 20 points, and Bonsal added 16. The win leaves the Hart team 2-1 in district play.

"We finally played four good quarters," said Hart coach Ken Hoskins. "It seems like the last few games we would play good at times, but not all four quarters."

"We played with more intensity, and we played pretty good defense," he said.

A cold shooting second half Friday night left the Lady Horns with their first loss in district. Olton won that game, 45-35.

Hart held an eight point half-time lead in the game.

## Bobcats whip Littlefield

All five starters hit double figures Tuesday night as the Dimmitt Bobcats whalloped Littlefield 98-63 and moved to a 2-0 District 2-AAA record.

Dimmitt Coach Ken Cleveland said he was surprised that the margin was that great, "yet we played as good as we have all year," he said. "All 11 kids played a lot and 10 of them scored."

Kevin Cleveland led the Bobcats with 22 points. John Smith added 19, Jeff Watts 13, Fermin Gonzales 12, and John King had 11 markers. King grabbed 13 rebounds in the contest, Watts garnered 10.

The Bobcats shot an impressive 58% from the field, hitting 45 of 77 field goals. The Bobcats are 22-0 for the year.

"We were cold in the second half," Hoskins said. "We couldn't buy a bucket, and we got in foul trouble."

The Lady Horns are 13-4 for the season.

The Longhorns lost 85-54 to Bovina Tuesday. They are 3-12 on the year and 0-3 in district play.

## Bobbies slip to 1-2 in loop play

Dimmitt's Bobbies lost a 49-40 decision to Littlefield Tuesday night, and slipped to a 1-2 District 2-AAA record.

"We missed some free throws in the later part of the game, three one and one's," Coach Jimmy Hoyle said, "and we missed some easy field goals at the end which would have put us back in the game."

Shawn Jackson and Toby Tischler led the Bobbies with 13 points each, and they both grabbed 10 rebounds.

"The kids are improving," Hoyle said. "Really, I'm pretty pleased with the way they are playing. There has been a drastic change since the first of the season. If we keep improving, we will still have a good year."

The Bobbies are 7-12 for the year.

## Shot clinic set

A free immunization clinic is set for next Wednesday from 9 to 11 a.m. at Hart Elementary School in Hart.

Vaccines will be available to give protection against polio, diphtheria, lock jaw (tetanus), whooping cough (pertussis), measles, rubella and mumps.

## Nazareth teams win over Amherst

Both Nazareth basketball teams moved to 3-0 in District 6-A play Tuesday night with convincing wins over Amherst.

The Swiftettes had four girls in double figures in their 85-34 win over Amherst. Rhonda Hoelting led all scorers with 18. Sharon Birkenfeld and Leona Gerber scored 12 apiece, and LaDawn Schmucker added 10.

The Swiftettes are 19-2 for the year.

Mark Huseman and Scottie Book led the charge for the Swifts in their 90-40 win Tuesday.

Book led in scoring with 21. Huseman added 20. Johnny Schmucker scored 12 points, and Eric Wilhelm hit 10.

The Swifts are 12-6 on the year.

## CPR classes start Monday

The Dimmitt Volunteer Fire Department will offer CPR instructions Monday through next Wednesday at the Fire Station.

Five certified CPR instructors from the department will conduct the classes.

The fire department is sponsoring the class in conjunction with the American Heart Association, with the two organizations splitting the \$7.50 per-person registration fee.

The class will be limited to 20 students, and will last from 7 to 10 p.m. each day. To register, call Roger Allison at 647-3417. If more than 20 show interest, another class may be arranged for February.

# In exciting district opener

## Cats down Lopes, 74-65

Wow! Dimmitt's Bobcats and their fans got all the excitement they wanted Friday night when the Bobcats and Antelopes — the two top-rated teams in the region — squared off in the District 2-AAA opener in Abernathy.

The showdown was staged before a screaming, standing-room-only crowd of 1,600 in the AHS gym. Almost half the crowd was from Dimmitt.

The tall, dangerous Antelopes cut the Bobcats' 10-point halftime lead to four, 55-51, during the third quarter, then pulled within a basket with 7:03 left in the game.

Coach Kenneth Cleveland had to finesse his reserves as Dimmitt's three tallest starters — Jeff Watts, John King and John Smith — picked up their fourth fouls during the third period while battling Abernathy's rebounding muscle.

The Antelope rally fell short when hotshot Sammy Galloway fouled out in the fourth while his team was just two points away from knotting the score.

Meanwhile, King and Smith played the entire fourth quarter and Watts the final six minutes — all with four fouls. None fouled out.

Helping pull the Bobcats out of trouble were a pair of three-point plays in the final moments — one by Watts with 5:30 remaining that gave Dimmitt a 64-59 lead, and another by Cleveland three minutes later that hiked the Bobcats' advantage to 67-61.

Two Antelope turnovers and a rash of fouls in the final minute helped Dimmitt put the game away, with Cleveland scoring two more field goals and Fermin Gonzales and Smith adding three free throws.

Turnovers were a big factor in the game as Abernathy committed 21 to Dimmitt's 14.

"We're just tickled to death with that victory," a relieved Coach Cleveland said after the game. "Abernathy can play ball. They do things that can hurt us."

Uncorking their ultrablitz in

the first half, the Bobcats raced to a 41-31 halftime lead while forcing the Antelopes to settle for nine of 26 field shots. Keeping Abernathy in the game was 6-3 junior postman Ed Teal, who connected on nine of 11 free throws in the first half while Watts, King and Smith picked up three fouls each.

Teal struck for eight points in the third period and Galloway added six to lead the Antelope rally that cut Dimmitt's lead to four points going into the final eight minutes.

"We had five little guys in there for one stretch (Cleveland, Gonzales, Smith, Keith Gregory and Dwight McDonald), and I thought they did a super job of hanging on," Coach Cleveland said. "Abernathy didn't take advantage of the height difference by going to the inside; in fact, we gained a point or two on them during that stretch."

Dimmitt put all its height back on the court in the fourth and, after a pair of baskets by Abernathy's Larry Perkins cut the lead to 61-59, the Bobcats started pulling away again.

When Galloway went to the bench with five fouls in the fourth, "that probably made a big difference," the Dimmitt coach said.

Although Cleveland and Smith led Dimmitt's scoring, Gonzales was the Bobcats' main man, the coach said.

"If I gave awards for outstanding player in the game, I'd give it to Fermin for this game," Cleveland said. "He played super."

Besides scoring 12 points, Gonzales led the team in assists with nine, had six rebounds and five steals, "and was just all over the floor defensively," the Bobcat mentor explained.

After watching all his first-quarter shots rim out, Cleveland sank six in the second, 10 in the third and seven in the fourth to finish with 23. Smith scored 18 and Watts 12, while King added eight.

For Abernathy, Teal scored 23 (including 11 of 14 free throws), Cletus Irlbeck sank 14, Galloway 13 and Larry Perkins 10.

The Bobcats sank 47% of their field shots (28 of 60) and 64% of their free throws (18 of 28). The Antelopes scored 23 field goals and 71% of their free throws (15 of 21).

In the varsity girls' game, the young Bobbies showed a noticeable improvement over their earlier meeting with the powerful Lady Lopes, but had to settle for a 73-48 loss.

Turnovers and unbalanced

JEFF WATTS [left] and Fermin Gonzales [10] shag a defensive rebound for Dimmitt at the baseline during the second quarter of the Bobcats' District 2-AAA opener against the tough Abernathy Antelopes at Abernathy. The Bobcats survived foul trouble and turned back a furious Antelope charge in the fourth quarter to win the game, 74-65, and remained undefeated.

scoring led to the Bobbies' first district loss. Shawn Jackson was the game's high scorer with 25 points and Toby Tischler scored 12, but the rest of the squad added only 11 points in the face of the Lady Lopes' steady attack. Dimmitt committed 26 turnovers to Abernathy's 17.

Jackson scored 11 of her points during a third-quarter rally in which the Bobbies outscored their hostesses 16-14. But the Lady Lopes responded with 20 in the fourth while holding the Bobbies to 12 to stretch their lead to its final margin.

### Career day set at DHS

Career-College day at Dimmitt High School will be Tuesday, with the general session set to begin at 1:40 p.m. in the high school auditorium.

Individual sessions will be held starting at 2:35, with 26 different career areas being presented.

Starting at 3:30 p.m., various institutions will have displays set up and will have someone available to visit with students and parents.

Military recruiters also will be available.

## Sarpalius' office in county today

State Senator Bill Sarpalius' mobile office will be in Castro County today (Thursday).

The office will be at the Dimmitt Courthouse from 9 to 10:30 this morning. It will be at the Nazareth School from 11 until 12 noon, and at Farmers State Bank in Hart from 1 to 2 p.m.

The mobile office is staffed by Henry Honea. He takes the mobile office to every major town in the 31st district once a month. Honea is available to hear and deal with any area of concern people have relating to state government.

## Financial aid workshop set tonight here

A financial aid workshop for senior parents and parents of college students will be held at 7 tonight (Thursday) in the Dimmitt High School cafeteria.

Clifford Baker, director of student financial aid at West Texas State University, will conduct the workshop. The workshop is designed to answer any questions parents have about financial aid for students planning to go on to colleges or trade-technical schools.

John Thomas, counselor at Dimmitt High School, said that parents from Dimmitt, Nazareth and Hart are invited to attend.

He said financial aid is not just for families with low incomes, and that some type of financial aid is available for almost every student who goes to a college or vocational school "if the student and his parents know how to pursue it."

## PMHA starts memorial fund

Plains Memorial Hospital Administrator Marshall Cook met with Plains Memorial Hospital Auxiliary last Wednesday to discuss hospital needs.

Cook presented a list to the Auxiliary for their project consideration.

The Auxiliary is starting a memorial fund for those wishing to make a contribution in lieu of flowers for memorials. The funds from the memorials will be used to landscape the hospital grounds. Donations may be made at the First State Bank to the Hospital Auxiliary Memorial Fund.

Auxiliary President Irene Blanton expressed her thanks to all the Auxiliary members and the community for making the bazaar, buffet and Operation Christmas Greeting a success.

The EMHA will meet Feb. 9 at the hospital dining room.

## City sets hearing for mobile home changes

At Monday's meeting of the Dimmitt Board of Aldermen, members of the board received a report from the City Zoning Commission, voted to maintain membership in the PRPC, and agreed to protest the closing of the local railroad office.

Aldermen looked over the six pages of proposed changes in city ordinances governing mobile homes in the city, and after some discussion, accepted the report from the zoners.

A public hearing on the proposed changes has been set for the aldermen's Feb. 8 meeting at 6:30 p.m. At that time, if the aldermen feel any alterations are needed for the proposals, they must be approved by at least four of the five aldermen.

Copies of the proposals may be viewed at the city manager's office at city hall.

Proposals include changing the boundaries of Mobile Home Zones 1 and 2, and putting more restrictions on the types of mobile homes that can be placed in Zone 2.

Some of the proposals will not affect homes already in place in either zone, but two of the proposals will affect all mobile homes in the city, as well as those moved in later.

Those proposals spell out requirements and time limits for the tying down and skirting of the structures.

The aldermen thanked the zoners for their work and effort in preparing the report and commended them for "doing a good job."

Deciding that benefits of membership outweigh the cost, the aldermen decided to renew the city's membership in the Panhandle Regional Planning Commission (PRPC). The cost is \$244.68 for the next nine months.

Police Chief Don Franklin told the board that his men have already saved that much in tuition fees for special law enforcement schools by showing membership in the PRPC.

City Director of Administration Jo Hamilton told the board that there is \$20,401.38 now available from the debt service fund, since all of the city's general obligation

bonds have been paid off. The excess was budgeted into the account as a cushion.

Alderman Wayne Collins proposed that instead of earmarking the funds for any present use, they be placed in certificates of deposit until they could be designated at the next budget hearing. The rest of the board agreed.

Carl Collyer and Steven Burnett appeared before the board to ask their cooperation in protesting the closing of the local office of the Fort Worth & Denver Railway Co.

The aldermen agreed to help.

Going into executive session, the board continued their work on a personnel policies and procedures manual for the city.

## Police calls

City, County and State law officers made eight arrests during the week.

Two Dimmitt men, both 31, were arrested for disorderly conduct. Both were fined.

A Hart man and two Hereford men were arrested on misdemeanor DWI charges. All three posted bond and their cases are pending.

A 19-year-old Canyon man was arrested for unlawfully carrying a weapon, after being stopped by a Dimmitt policeman for running a red light.

Dimmitt Police are investigating a report of stolen hubcaps. Four hubcaps were taken from a 1979 Chevrolet belonging to Sam Ramirez early Sunday morning. Ramirez was eating at the Galan Cafe from about 1:20 to 2 a.m. that morning, and when he came out the hubcaps were missing.

A 1978 green Ford pickup was struck by an unknown vehicle sometime between Sunday evening and early Monday morning. The pickup, belonging to Juanita Espinosa, was legally parked in the 300 block of NW 8th Street when the incident occurred.

ing or City Manager Paul Catoe to testify in person at the hearing, when one is granted.

"If they don't receive any protests, they'll think the people of Dimmitt just don't care," Collyer said, "but we do care."

## Slick roads cause mishap

A Dimmitt (ISD) bus slid into a parked car early Tuesday morning at the beginning of the construction zone on Highway 86, 1/10 mile west of Dimmitt.

Thelma Collier of Dimmitt was driving the bus, west bound on Highway 86. She was attempting to move into another lane (as the construction signs directed), when the bus skidded on the mud-covered blacktop road and collided with the car parked on the north side of the road.

The car belonged to Willie Mirelez. No one was injured, and there were no students on the bus.

## Miss Broderson talks to Rotary

Kerry Broderson, of Hollon's Home Furnishings in Lubbock, presented a slide show on "Office Interiors" Friday at Rotary Club's noon meeting.

Nineteen members and 13 guests attended the meeting. Miss Broderson presented slides of different office arrangements, and explained that the image of a company is reflected in the way the office is furnished.

The 1984-85 Rotary International nominating committee has selected Dr. Carlos Canseco Gonzales of Monterrey, Mexico, as president-nominee.

## Crime Line offers \$400 reward money

Four hundred dollars in rewards are being offered this week for information about the two Spotlight Crimes.

Crime Line is offering a \$300 reward for information about a vandalism report on a house belonging to H. C. Nelson.

The house, two miles west on State Highway 86, was vacant. Entry was forced by prying open a window on the south side. Extensive damage was done to the sheetrock in three rooms. It also appeared that the vandals had attempted to build a fire in the center of one room.

The incident happened sometime between Saturday and Monday.

A \$100 reward is being offered for information about

another vandalism report which occurred Saturday.

Delbert Smotherman of 102 Bailes Street reported that someone had shot out the back window of his pick-up with a B-B gun. The vehicle was parked in front of his residence at the time.

Anyone having information about either of these crimes should call Crime Line, 647-4711.

ROBOTS are increasingly being used in the manufacturing of garments. The robots can make more than 1,000 individual construction details in less than an hour, thus reducing hand labor considerably, explains Becky Saunders, clothing specialist with the Texas Agricultural Extension Service.

# The New, Improved Money Market Account.

## Call For Current Rates.

Central Plains Savings Association now offers a money market deposit account with high rates and low risk. In fact, this account is insured up to \$100,000 by the F.S.L.I.C., a distinct advantage over money market accounts offered by brokerage firms and other financial institutions. Central Plains' money market account also offers limited transaction capability, another advantage over the usual money market accounts.

Come in and talk with our people about this new account. Not only can we advise you about your financial decisions, but as hometown folks, we know you and take a personal interest in your future. After all, we're building a future here, too, which brings us to one more advantage of our money market account: the funds you deposit with us work in your hometown. They're not shipped off to the coast; they're used to help your community grow and prosper.

Secure, profitable, effective — a new Money Market Account, now at...

## Club prepares for annual heart dance

The Dimmitt Promenaders are beginning work on their ninth annual Square 'Em Up for the Heart Fund Dance, which will be held Feb. 5 at 8 p.m. at the County Expo Building.

The square dance club members are contacting local merchants, businesses and individuals for donations of door prizes, refreshments or cash to be used for the benefit dance. Members are also working on special craft items to be auctioned. They are also making decorations for the dance.

"It will be a fun-filled night for all," a club spokesperson said, "including an exhibition of the Top O' Texas Cloggers."

From 1975 to 1982, the Promenaders have raised over \$10,000 for the county to buy equipment and other heart-related needs. They have purchased two CPR films, 3

adult Annes, blankets, several blood pressure cups, a movie projector, a tape recorder, a resusit-baby, belt clip beeper, two life packs, five battery to power a heart monitoring device, an arrhythmia Anne, and an interbasin Anne.

This equipment was bought for the county through the Heart Fund Dances put on each year by the Promenaders.

Everyone is invited to this year's dance.

Call 647-2691 to make donations or for more information.

## Angelo State lists three

Three Castro County students attending Angelo State University in San Angelo, are listed on the Dean's honor roll for the fall semester at the university.

Those listed on the 3.00 to 3.49 honor roll include Janet Marie Sammann of Dimmitt, a pre-medicine major.

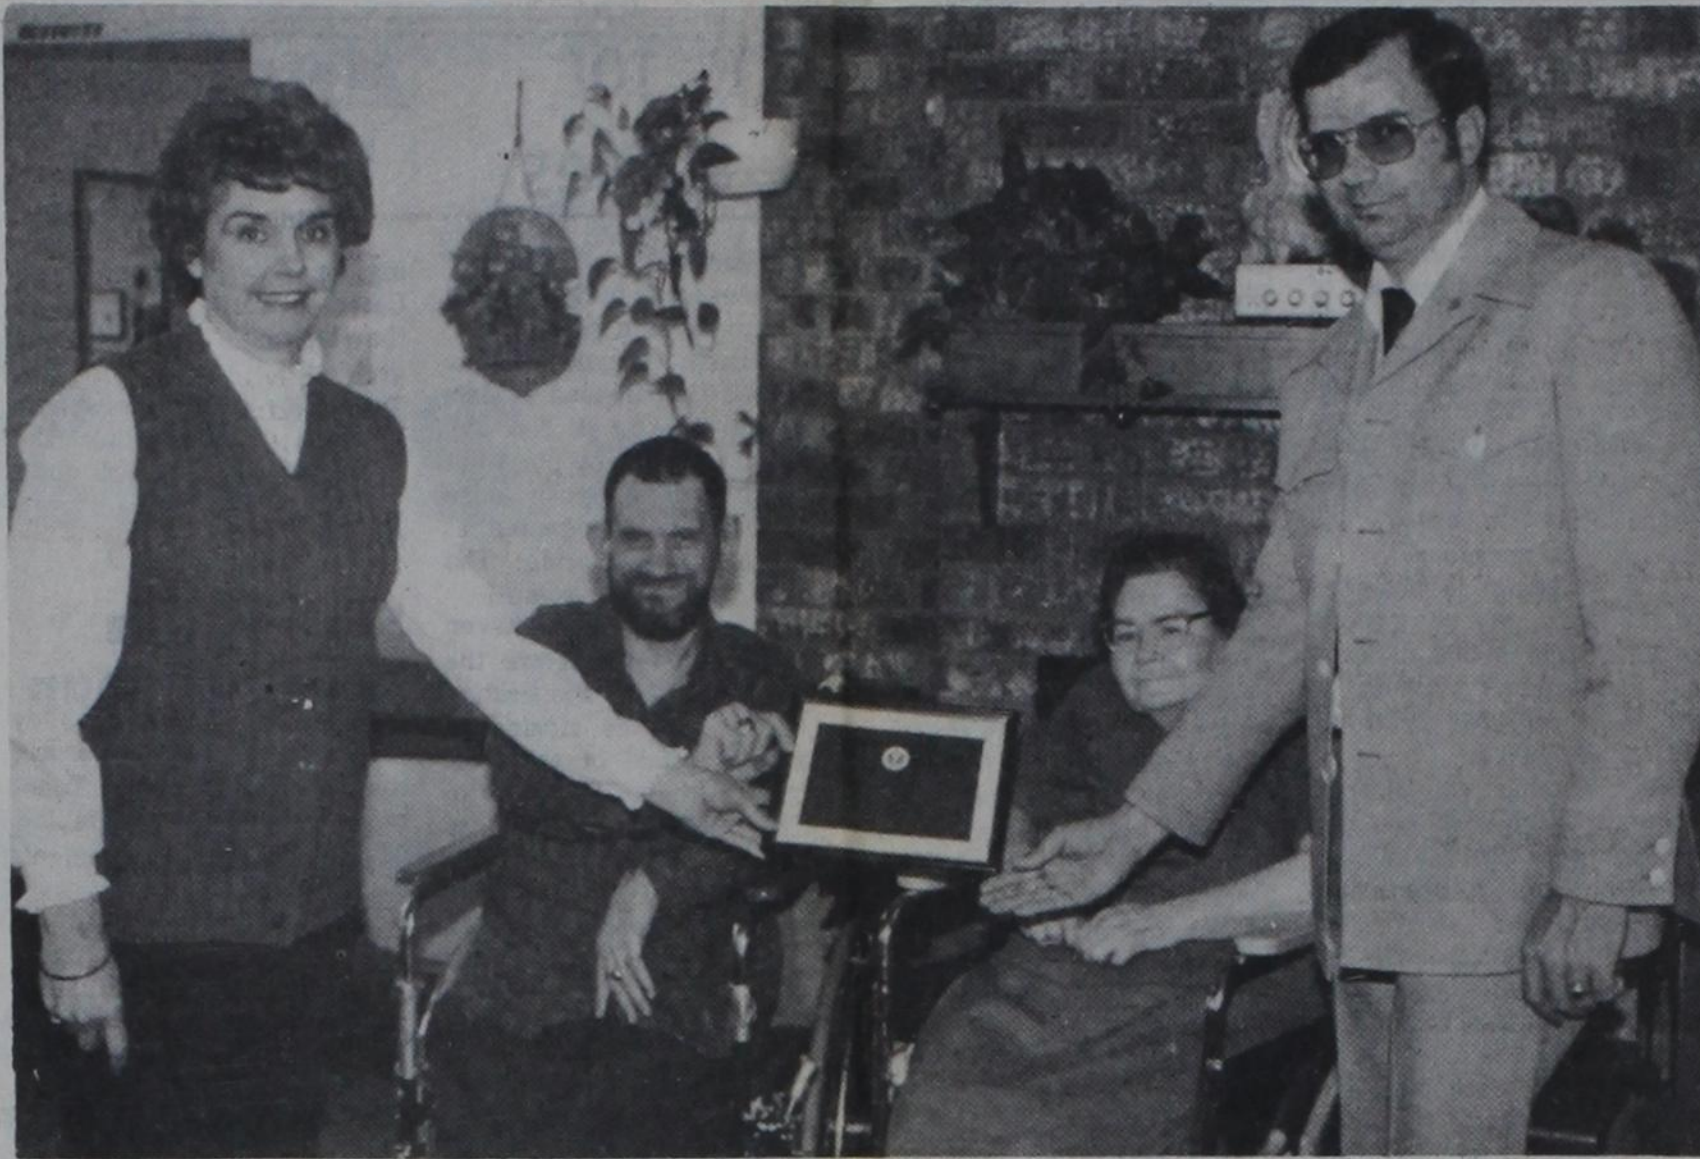

Those listed on the 3.50 to 4.00 honor roll include Gayle Elizabeth Book, a business major from Nazareth; and Derek Don Rich of Hart, a freshman and the son of Mr. and Mrs. Bill Rich.

## Chatter From South Hills Manor Central Care System

By MYRTLE SHEFFY  
We would like to thank everyone for all the cookies, cakes and other goodies we have been having at 3 in the afternoon. Everyone is so nice, and we sure look forward to our coffee break with cookies.

If you like to paint and do ceramics, we have a day for that. Monday was the day. Many colorful things were done.

Mr. and Mrs. Howard Bridges celebrated their 50th wedding anniversary on Dec. 24. They had their party at South Hills Manor on the 18th. There was a big crowd. Some of their relatives who were here were Mr. and Mrs. Willard McCloy of Sunray and Jonnie Bridges of Tampa, Fla. Many friends from Earth, Stinnett, Springlake, Sunnyside, Friona, Olton, Hart and Lubbock were here. Raymond and Mary King came up from Lubbock; also saw the Gee Kellers and the Roger Haberers. Jo Eddie Riley took pictures for them. Their children and grandchildren were all present, helping to host the nice party.

Marilyn Beam of Amarillo visited her grandmother, Grace Thompson, her other grandmother, Essie Helvey in the hospital, and her mother, Ferne Dickey, recently.

Vivian Rogers was here to visit me and other friends last week. Mrs. Rogers is a former Dimmitt resident. She now lives near Austin. My sisters were here last week also. Ethel from Claude, Mary from Vigo and Bower and her husband Bill Sikes from Slaton.

Carolyn Williams, a nice person came here from Michigan in September. She loves Texas. Don't we all?

Saturday evening Connie and Gene Ivey and her brothers, The Dunns, made music. You should hear Connie play "The Saxophone Waltz" with her brother. Very good. I believe they also played at the Senior Citizens later.

Sunday morning Rev. Freeman from the Presbyterian Church led the service. He used the sixth chapter of the book of John. We must read it again. Then Sunday afternoon the Church of Christ had the service. Robbie Hottel led the singing. Joe Wilkerson (youth director) from Lubbock Service gave the lesson.

Retta Cluck and Josie Bradford came to visit me and other friends.

Nita Beavers grandson and children from Plainview came to visit Josephine Fink.

Cheryl and Mike Peterson of Albine, Wyo., Katina and Gary Clark of Lubbock, Mr. and Mrs. Willard McCloy of Sunray visited the Howard Bridges Saturday.

## Two locals are listed

Two West Texas State University students from the Dimmitt area are among 47 WTSU students who have been selected for inclusion in the 1983 edition of Who's Who Among Students in American Universities and Colleges.

Included are Teresa L. Brockman, a junior business major from Nazareth, and Randal L. Weaver, a junior computer information systems major of Dimmitt.

Students were nominated by members of campus academic departments and organizations. Editors of the annual directory select students based on academic achievement, community service, leadership in extracurricular activities and potential.

The 47 students from WTSU, who represent a variety of academic areas, are among students included from more than 1,300 colleges and universities in the United States and several foreign nations.

Outstanding students have been honored through inclusion in the annual directory since 1934.

If your rugs curl, stick a triangle of linoleum under each corner with fabric adhesive.

## Concert association to plan member drive

Mrs. Mary Loyd, community concerts representative for Columbia Artists Management of New York City, will be in Dimmitt Tuesday, Wednesday and Thursday, Jan. 25-27.

The purpose of Mrs. Loyd's visit will be to coordinate plans for the Castro County Community Concerts Association's membership campaign coming up soon.

Mrs. Loyd will be working specifically with membership chairman Oleta Gollehon, the publicity chairman and the kick-off dinner chairman, as well as with those who will be responsible for contacting patrons of the local organization.

Names of the chairmen and membership drive team captains will be announced later.

All members of the Board of Directors of the local association are asked to be prepared to attend a called meeting during Mrs. Loyd's visit.

The meeting time and location will be announced as soon as possible on the Dimmitt TV cable station, as association spokesmen said.

Mrs. Loyd will be available to meet with other interested persons at her Colonial Inn headquarters during her stay here.

## Senior Citizens

Eighty-eight people were at the Castro County Senior Citizens Center on Saturday evening to hear the Dunn Brothers in three hours of toe-tapping music.

The Center is open, Monday through Friday, from 8 a.m. to 4 p.m. A meal is served each of those days from 11:30 a.m. to 1 p.m.

A Social Security representative will be at the Center at 1 p.m. today (Thursday); however, the Beltone Hearing Aid representative will not be here.

Art class is held each Thursday at 7 p.m. and a bridge party meets Thursdays at 10 a.m.

The monthly Hymn Sing will be at the Center on Sunday at 2:30 p.m.

A Bible study is held at noon every Monday, and duplicate bridge is played every Monday evening.

There is an evening of table games every Tuesday at 6:30 p.m.

## Six are honored

The 1983 edition of WHO'S WHO IN MUSIC will carry the names of six students from Dimmitt High School, who have been selected as being among the country's most outstanding campus leaders.

Those selected are Steve Anderson, Janis Hutcheson, Beth Webb, Donna Casas, Ralph Perez and Shelley Young.

Campus nominating committees and editors of the annual directory have included the names of these students based on their academic achievement, service to the community, leadership in extracurricular activities and future potential.

They join an elite group of students selected from more than 1,300 institutions of higher learning in all 50 states, the District of Columbia and several foreign nations.

Outstanding students have been honored in the annual directory since it was first published in 1934.

## Presbyterian happenings

Sunday is Evangelism Sunday and everyone is invited to come and help us celebrate it.

There is a Sunday Church School class every Sunday for everyone. The Adult Bible class meets at the home of Mrs. Emily Clingsmith; all other classes meet at the church.

"God Speaks Through a Book" is the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday at 11 a.m.

There will be a congregational meeting following the morning church worship service.

Pastor Ed Freeman will show slides of Jerusalem at the mid-week service at 7 p.m. on Wednesday.

Corey Joiner will lead the Junior Youth on Sunday at 5 p.m.

## Sunnyside FD receives check

The Sunnyside Fire Department received a check for \$150.00 recently from Texas Farm Bureau Insurance Companies as an expression of thanks for the Department's work on the property of Charles W. Axtell. The money will be used for their loss-prevention program. The Texas Farm Bureau Insurance Companies pay fire departments this amount when the department works at a fire in rural areas, involving property insured by them. A DIPLOMATIC leak usually occurs through a hole in the head.

## DuLaney is commissioned

Second Lieutenant Brad DuLaney, son of Bob and Jean DuLaney of Dimmitt, has graduated from US Air Force pilot training, and received his silver wings at Reese Air Force Base in Lubbock in December.

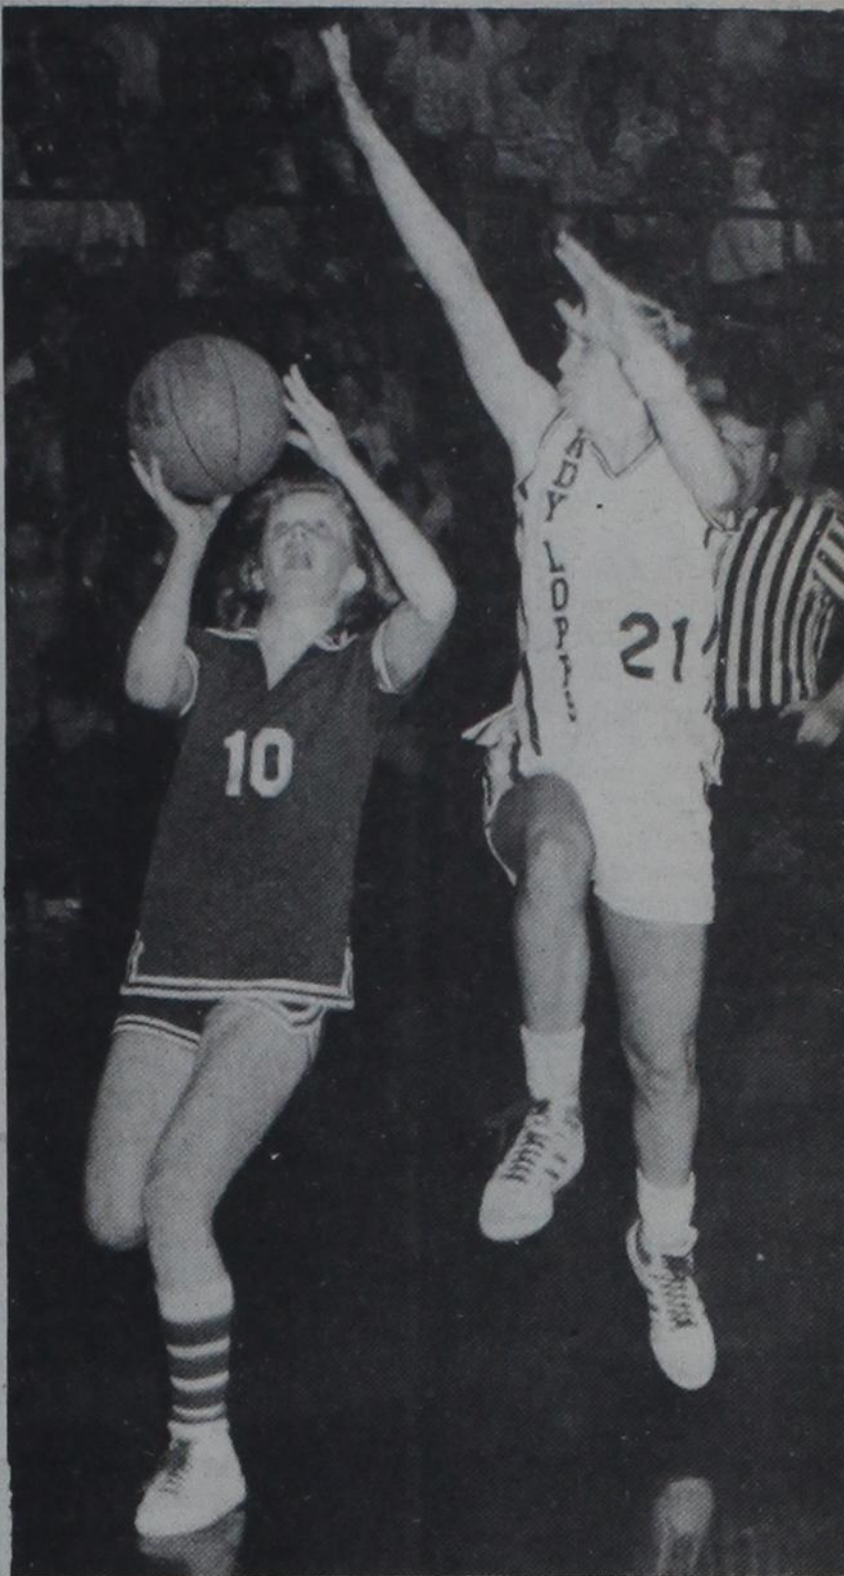

2nd Lt. Brad DuLaney

After three months of flight training at Castle Air Force Base in California, DuLaney will be stationed at Carswell Air Force Base near Fort Worth. In California, he will be learning to fly a KC-135 jet tanker in air to air refueling procedures.

A 1977 graduate of Dimmitt High School, DuLaney attended Texas A&M for one year, then transferred to Texas Tech University, where he was listed on the Tech Dean's List each semester for his three years there. He also was listed on the National Dean's List in 1980 and 1981. He graduated in 1981.

He attended Air Force Officer Training School in San Antonio, and was commissioned as a Second Lieutenant on Nov. 6, 1981.

His wife, Kay, is the daughter of Ray Phillips and Sue Phillips, both of Dimmitt. The DuLanays have a son, Dallas Joe, 1.

KIM HOWELL [10] is about to be fouled by Abernathy's Stacey Kelly [21] as she drives in for a layup after a steal in the fourth quarter of the Bobbies' District 2-AAA game against the Lady Lopes Friday night at Abernathy. The powerful Lady Lopes won the contest, 73-48.

## Hart approves five-year plan

At the last meeting of the Hart School Board, board members voted to approve a five-year accreditation educational improvement plan as presented by Mrs. Shirley Barnes.

The board also voted to set the upcoming trustee election for April 2. Glen Reed was named as election judge and Marlin Hart as alternate. Absentee voting clerks will be Nancy Bowden and Janice Clark.

The terms of Jerry Kittrell and Weldon Davis are expiring. Also, the seat vacated by the resignation of Jim Purcell must be filled.

Superintendent Ted Aver-

itt's contract was renewed for another two years, ending in July 1985.

In other business, the board:

—Voted to accept a \$1,000 bid from Preston Plumbing Service for the cost of installing a water line in the elementary building.

—Heard a review of the Industrial Cooperative Training Work Program, presented by J. V. Wescott.

# did you know?

Keeping the customer's fuel adjustment cost down is my primary responsibility. I, along with Karen Roberts, Grafton Clarke, Barry Smith, and others, purchase fuels—coal, natural gas, oil—at the lowest possible prices. We negotiate with fuel suppliers to modify on-going contracts so the total cost to SPS customers for fuel is again minimized. And we plan ways to shift the production load among Southwestern's 27 generating units so that the fuel cost to our customers is made as low as possible.

Morris Rantz, fuel administration manager, Amarillo.

Computerized equipment helps SPS battle the costs of fuel. Every 10 seconds, we run a computer scan of all of our power generating units. The scan checks each unit's efficiency of operation, and calculates each unit's per-kilowatt-hour cost at that given moment. Then—for the sake of economy—we may immediately increase the generation at one unit, and decrease generation at one or more of the others. Our objective: At any instant in time to be producing electricity at the lowest possible fuel cost.

John H. Evans, manager electrical operations, Amarillo.

A new SPS ally is helping you manage electricity costs. Coal-fired Tolk Station, an efficient 561,000-kilowatt power plant near Muleshoe, Texas, began commercial production in August. We predict that the fuel cost adjustment our customers pay will be significantly lower over the life of Tolk Station than it would be if Tolk had never been built. In fact, Tolk Station for the next 35 years should save SPS customers about \$50 million per year.

Roy Thomas, vice-president operations, Amarillo.

For answers to your questions, call or write your SPS manager.

You and SPS, partners managing electricity, make the difference.

## VETERAN'S SERVICES

By BEDFORD W. SMITH  
County Service Officer

As far as I can understand it, the VA has not yet come up with granting a service-connection status for the Vietnam veterans who believe that their condition is related to agent orange exposure; but they are still testing the matter. However, all veterans with discharges under honorable conditions are eligible for medical treatment when other conditions are met.

The Veterans Administration has launched a special effort to contact all seriously disabled Vietnam-era veterans who could but still haven't taken advantage of its vocational rehabilitation program.

Those efforts include appeals through the news media and by letter, telephone and personal visits, said the Director, Waco VA Regional Office.

Vietnam-era veterans with disabilities incurred during, or aggravated by, military service may be eligible for such vocational rehabilitation and counseling.

In order to apply for those benefits, veterans should visit, write to or telephone the Waco VA Regional Office toll-free number 1-800-792-3271. Help also can be found in the local office.

In addition to the VA, the Texas Department of Health, 1100 West 49th Street, Austin, Texas 78756, Ph. 592-458-7231, has an Agent Orange Program for Vietnam veterans.

We have in our office a compilation by the headquarters Office of the Texas Veterans Affairs in Austin of Benefits for Veterans, Dependents and Survivors. Copies may be acquired at our office.

## CofC reelects Killingsworth

At the last meeting of the Dimmitt Chamber of Commerce Board of Directors, Jim Killingsworth was elected to another term as board president, George Lamberth was named vice president and Clara Patton was elected secretary.

Chamber members are encouraged to volunteer for committee work to help with the various areas in which the chamber is involved.

Committees include, under economic development — agriculture, retail trade and industrial committees; under community affairs — beautification, athletic, Harvest Days, and Christmas lighting committees; and under organizational affairs — banquet, membership and administration committees.

"Decide where your interests and talents can best be utilized and let us know the committee on which you would like to serve," Chamber Manager Delores Heller said.

## Local men re-elected

James Conkwright and Webb Gober have been re-elected to the Board of Directors of the High Plains Underground Water Conservation District No. 1, according to complete but unofficial returns from balloting conducted Saturday.

Also elected were 14 County Committeemen in seven counties within the Water District's service area.

Committeemen re-elected for Castro County were George Elder of Dimmitt and Floyd Schulte of Nazareth.

Conkwright, of Hereford, will serve his third term on the Board representing Director's Precinct Four which is composed of Water District areas in Armstrong, Deaf Smith, Potter and Randall Counties. He is currently a Registered Hereford cattle producer and farmer.

Gober has served on the Board for 10 years and will begin his sixth term. He will represent Director's Precinct Three Counties of Bailey, Castro and Parmer. Webb lives just northeast of Farwell and farms 480 acres of irrigated land.

County Committeemen

elected in the balloting were as follows: In Precinct Three — Bailey County D. J. Cox of Enochs was re-elected and Tommy Haley of Muleshoe won his first term. In Castro County Elder and Schulte were re-elected. In Parmer County Jerry London of Friona will serve his first term with Billy Lynn Marshall of Bovina.

County Committeemen elected in Precinct Four — Armstrong County were James Stockett of Wayside, re-elected, and Jim Bob Burnett of Wayside serving his first term. In Deaf Smith County W. L. Davis and Roy D. Hicks, both of Hereford have won. Davis was re-elected, Hicks will serve his first term. Potter County elected Sam Line of Bushland and Mark Menke of Amarillo, both to serve their second terms. In Randall County Roger B. Gist, III of Happy was re-elected and Tom Payne of Canyon won his first term.

Official vote totals will be available after the District Directors canvass the votes at their Feb. 3 Board meeting.

## Five named to honor lists

For the fall semester four residents of Castro County were listed on the West Texas State University Dean's List honor roll, while one local made the President's List.

Stephanie D. Love, a senior nursing major and the daughter of Mr. and Mrs. Barry Love of Dimmitt, was named to the President's List.

On the Dean's List were Paul G. Huseman, sophomore pre-veterinary medicine major and the son of Louis Huseman of Nazareth; Sue R. Myatt, sophomore business education major from Dimmitt; Joe Nino, a freshman from Dimmitt; and Cuca Ortega, a sophomore elementary education major and the daughter of Arturo Ortega of Dimmitt.

The two honor rolls listed more than 600 students for the fall semester, with 84 on the President's List (3.85 average and above) and 571 on the Dean's List (average between 3.25 and 3.84).

Good value is why millions keep coming back to H&R Block.

This year, there are more than 100 changes in the tax laws and forms. But at H&R Block, one thing hasn't changed — fair prices! Just ask, and we'll give you a free estimate of the cost for preparing your return. You get a complete interview. Plus we doublecheck your return for accuracy.

## Four make honor list

Four students from Dimmitt have been named to the President's and Dean's honor lists at South Plains College in Levelland for the 1982 fall semester.

Ronda Cooksey of Dimmitt has been named to the President's List at SPC; and Steven Birdwell, Robert Brown and Elvira Rojas, all of Dimmitt, have been named to the Dean's List.

To qualify for placement on the President's List, SPC students must maintain a 4.0 or "straight A" grade point average for the semester. Students on the Dean's Honor List must maintain a minimum grade point average of 3.25. All honor students must enroll for a minimum of 12 semester hours.

A total of 162 students were named to the President's List

for the fall, and 297 students were named to the Dean's Honor List.

LIFE is like walking along a crowded street — there always seems to be fewer obstacles to getting along on the opposite pavement — and yet, if one crosses over, matters are rarely mended.

Amarillo College Continuing Education and DISD is considering offering classes in basic bookkeeping-accounting, or shorthand. Registration will be held Monday, Jan. 24 at 7 p.m. in Room 21 at Dimmitt High School. Classes to begin Jan. 27 at 7 p.m.

**BIG PLAY**—With 2:25 remaining in Friday night's Dimmitt-Abernathy game and the Bobcats leading by just three points, Kevin Cleveland caps a steal and break with a basket and is fouled by Abernathy's Brian Smith as he goes up. Cleveland made the free throw to complete a three-point play and give the Bobcats a bit more breathing room at 67-61. Dimmitt won the District 2-AAA opener, 74-65.

## Nazareth news

By VIRGIE GERBER  
Funeral services for Michael Gotch 86, were held Monday morning in Holy Family Church with Father Harold Waldow officiating. Mr. Gotch was born at Breznica, Czechoslovakia, had lived in Nazareth for the past 11 years, moving here from Brookport, Ohio. Survivors include his wife Anna, a son Albert of Strongsville, Ohio, two daughters, Mrs. Anne Kern of Nazareth, Irene Robel of Dimmitt and 14 grandchildren.

Terry, Julie and Jeremy Hutson of Alvarado spent the weekend here with the Paul Venhaus family. Danene and Jennifer Lane also spent the weekend with their grandparents Paul and Lillian Venhaus, while their parents Smitty and Analene Lane were in El Paso.

Cornelia Annen hosted a dinner on Sunday for Raymond and Cecelia Annen, Lucy Leinen, August Huseman, Rose Annen of Hereford and Donald Annen of Amarillo. August Huseman recently returned from Fort Worth after spending several weeks over Christmas with his daughter Ruth Ann and her husband Ben Russel.

Funeral services will be held today (Thursday) in Junction for James Hanson 34, of Denver City. James died Saturday at a Lubbock hospital after suffering a massive heart attack on

Thursday at his home. Survivors include his wife Ruth and two young girls. Burial will be in London.

Keith and Kevin Gerber and Jimmie Kern spent the weekend in Odessa visiting Harold and Gene Gerber family and the Bill Hoelting family.

Charley, Bev, Todd and Traci Hill spent the weekend in Scott City, Kan. with Charley's daughter Lee Ann, her husband David Brown and their children Shawn, Stacey, Jeremy and Krista.

Gilbert and Dolly Schulte are spending a week's vacation at Ruidoso. Doyle and Rosie Kleman, Joe and Elaine Barnes, Danny, Karen and K'Lynn Gerber spent the weekend with the Schultes in Ruidoso.

Many friends and relatives attended the wedding and reception of Vincent Ray Venhaus and Kristy Alexander on Saturday at St. Mary's Catholic Church in Amarillo.

Paul and Lillian Venhaus hosted a late Christmas dinner for the members of the Venhaus family. Those attending were George and Marie Venhaus of Happy, Bert and Marie Venhaus, Agnes Brockman and Helen Backus of Nazareth.

### Supper is Friday

The Tulia High School Future Teachers of America will sponsor a stew supper Friday from 5 to 7 p.m. in the Ezra Jones Cafeteria.

The supper will precede the Dimmitt-Tulia basketball games, there. The cafeteria is located right next to the game gym.

Price for the meal will be \$2.50 for adults and \$1.50 for children under 12.

Funds from the supper will go toward projects of the club.
