Activities Of The Bronte Schools

The Intermediate Department of the Bronte School has enjoyed Halloween to the fullest extent.

In the Art classes, under the supervision of Miss Mildred Clyburn, all rooms have been artistically decorated with witches, bats, cats and owls. The seventh grade has made Halloween posters. This department was loyal to the Parent-Teacher carnival. All grades—fourth, fifth, sixth, and seventh, were one hundred percent in their donations, each room winning a prize of \$2.50.

Several new pupils have enrolled in our department recently: J. W. Muston, Charles Byrd, Ollie Keesee, M. R. Gregston, Ruby Mohler, and James Saunders—seventh grade. Le Moyne Gillmore, J. W. Quinne, Truett Lee, Dorathelene Richards, Rex Saunders, Bonnie Mae Muston, and Alvin Byrd—sixth grade. John Smith, Eula Saunders, Lonnie Rogers—fourth grade.

Bob Good, President of the Citizenship Club of the fifth grade, is in school again after a week spent in the Shannon Hospital in San Angelo. Bob still carries his arm in a sling but he is ready to preside over the Club meeting Friday.

Weldon Hester, of the sixth grade, has been associating with a Model T lately—he is out of school with a broken arm.

The Language Arts class of the 7th grade completed a unit of work on "Richer Ways of Living" with poster exhibits.

The geography classes have taken new interest since arrangements have been made to secure films on the countries we are studying. The seventh are busy studying the various industries and economic situation in the United States. The sixth grade are particularly interested in the conditions surrounding the people in the Northern Europe; the fifth grade, the adjustment of the early settlers in the New England States; the fourth, the study of the people of the Nile. Some very good work in maps,

pictures and diagrams are on display in each room.

History classes of the fifth, sixth, and seventh grades have new work books. The pupils are enjoying the studies and maps in these books.

THE SENIOR CLASS

The Senior Class of the Bronte High School observed Halloween with a theater party, followed by a weiner roast. They were assisted by their room-mothers, Mrs. Tom Williams, Mrs. D. Hull, and Mrs. E. M. Cumbie and their sponsor Miss Chrystel Vanderford.

Those who were out to watch the witches were: Mrs. Tom Williams, Mrs. D. Hull, Miss Vanderford, Merle Ash, Agnes Cryer, Annie Jeanne Gideon, Goldie Gray, Rozella Hale, Sybil Heidel, Ione Laswell, Clementena Parker, Hortense Pruitt, Maurice Scott, Dorothy Truelock, Tunie Glenn, Francis Pruitt, Louis Bridges, Abe Caudle, Edward Cumbie, Ivey Eobanks, Sammy Goodwin, J. SPANISH CLUB ORGANIZES IN BRONTE HIGH SCHOOL

The following officers were elected:

ciated by all but most of all, by the trustees and teachers of the school.

Most every student in our school made some sort of contribution to our carnival. This fact is evidenced by the fact that the special co-operative prize offered by the P. T. A. goes to grades 1, 2, 3, 4, 5, 6, 7, and 10. The prize will be \$2.50 in money to be spent as the grades and rooms winning it see fit. Everyone is highly gratified with the wonderful success of our carnival and hopes for a bigger and better one next year.

Advertising Class Visits Office of The Enterprise

The advertising class of the Bronte Schools, with Mrs. Lucy Warner as teacher, visited the office of The Enterprise Wednesday morning to receive information and instruction in the art of printing.

The editor regrets that due to other duties he could not be present when this group of fine boys and girls called. Mr. Matlock, the printer in charge, in the absence of the editor, showed the young folks the mysteries of the typesetting machine and other features essential to printing a country newspaper. Mr. Matlock reports that the class is composed of a group of fine and well-behaved young people, and with the editor he was glad of the opportunity to give the class the information they sought. Call again, young people, when the editor can "be at home."

Interscholastic League Meet Is Organized

The teachers of Coke county met at Robert Lee Saturday and perfected the organization of the Coke County Interscholastic League.

The following items of business were transacted: First the organization was perfected as follows:

B. B. Covey, Bronte, was elected director general

Director of declamation, Miss Mary Roach, Bronte.

Director of debate, Miss Danner, Robert Lee.

Director of extemporaneous speaking, Miss Joan Vanderford, Bronte.

Director of spelling, Mrs. Taylor Shelton, Green Mountain.

Director of ready writers, Mrs. Julian Batton, Silver.

Director of athletics, P. J. Mullins, Robert Lee.

Director of music memory, Mr. Stark, Robert Lee.

Director of picture memory, Mrs. Janie Hull, Bronte.

Director of the three R's, Mr. McCreary, Sanco.

Robert Lee was selected as the place for the County League Meet, which will be held in the early spring.

Advises Against Moving to the Western Coast

With income from crops for 1938 less than anticipated, many farm families are thinking of selling what goods they have and moving to the West Coast. The Farm Security Administration advises strongly against it, according to T. R. Andrus, local supervisor, who headquarters at San Angelo.

He said that a recent study of California conditions was made by W. J. Green, Assistant Regional Director for FSA in this region, and offers no encouragement to the farm families of the Southwest unless they already have permanent employment.

"Frequently statements reach Texas that there is a shortage of laborers at certain points in the west," Mr. Green reported. These statements are probably correct, but the people making them often fail to add that the work will last for only a short time, that living conditions in the area are

POLITICS

By Edgar Guest

Poor word, which man for evil chooses,
Misunderstands and badly uses.
A word that's uttered night and morn
By sage and fool with equal scorn;
A word now linked with greed and shame,
Theft, graft, deceit and guilt and blame;
To which all degradation sticks,
Poor, bruised and battered "politics."

Sick word, whose proper definition
Describes mankind's supremest mission:
"The art of government today
Is used derisive things to say.
The dictionary page alone
Imputes to it a moral tone,
All others hint of cunning tricks
When they refer to "politics."

Poor "politics" so low descended
From what its maker first intended!
Yet all who utter it in shame
For its base meaning are to blame.
For if men's time and thought were spent
On bettering their government
Then "politics" would shortly start
To be a science and an art.

Judge D. I. Durham of San Angelo sent the above to The Enterprise. Judge Durham commenting says:

If all papers in the state would run this with intelligent comment, it would be of incalculable benefit to the people of this state in my opinion. With best wishes for you and yours.

Coke County Unit of State Teachers Is Organized

On October 29, the Coke County Unit of the Texas State Teachers' Association held its second meeting in the gymnasium at Robert Lee with Supt. B. E. Covey presiding.

Mr. John Hamblin, Band Director of the Bronte School, led the group singing of "Texas Our Texas." Following the invocation given by Mr. George Taylor of Robert Lee, Dr. Waggoner of the State Health Department addressed the association on pertinent health problems and projects. Particular stress was placed upon the necessity of constructive health legislation: 1. To enact a new sanitary code. 2. To have local option in each county to provide for the levying of ten cents on the one hundred dollar valuation for health service. 3. A more adequate food, drug and cosmetic law. 4. Enlargement of facilities of the State Health Department. 5. To provide money to combat venereal disease. 6. To promote Mental Hygiene in each county.

At the conclusion of the round table discussion following Dr. Waggoner's talk, Mr. George Taylor spoke on "The Value of Membership in the State Teachers' Association," urging his faculty to fall in line with Bronte's which has been one hundred percent in membership for the last three years.

Officers elected for the Coke County Unit were: President—Mr. George Taylor of Robert Lee, 1st Vice-Pres.—Mr. B. B. Covey of Bronte, 2nd Vice-Pres.—Mrs. Lucy Warner of Bronte, Secretary - Treasurer—Mrs. D. Hull of Bronte.

Mrs. Lee Alderman is in the hospital at Temple where she underwent an operation last week. She is reported doing nicely.

P. T. A. Carnival Most Successful In Its Endeavor

For the benefit of all who were not present and therefore are not aware that the Bronte Parent - Teachers' Association staged their annual halloween carnival Thursday night of last week before a crowd of no less than five or six hundred interested patrons and friends of the Bronte School. The plan of the carnival resembled the ordinary street carnival. The various attractions were well attended with the doll stand, which was in charge of Mr. Charlie Baker, Mrs. Alfred Taylor and Mrs. I. M. Cumbie, coming out ahead in the matter of moneys taken in. The doll stand's total was thirty dollars and seventy-eight cents. The Bingo Stand, with Mr. Henry in charge, ran the doll stand a close second, while the Country Store came next with a strong third. Altogether, the total gross receipts were \$154.69 with a net result of around \$150.

The officers and members of the Parent-Teachers Association have the good people of our own and surrounding communities, and the good merchants of our town and San Angelo to thank for the wonderful success of the carnival. The willingness of contributions proves the school interest that is in our community and those communities that we are serving as a receiving school. The wonderful co-operative spirit thus shown is to be appreciated by all but most of all, by the trustees and teachers of the school.

Former Bronte Citizen Dies

A. M. Hoots was born November 18, 1875 in San Saba county and passed away in a Winters hospital Monday evening at seven thirty. In gradual failing health for the past two years, Mr. Hoots enjoyed good activity until emergency surgery developed twelve days ago and he entered the local hospital.

At a very early age (three or four years of age) Mr. Hoots with his parents moved to Lime-stone county and it was there that he was married to Miss Texanner Sandifer on June 9, 1895. The couple continued to make that their home for the four following years and in 1899 relocated in Mills county which was their residence until their coming to West Texas in 1916. Their first year in this section was in Coke county and in 1917 located in the Drasco community where the family lived for nine years. A final relocation to the nearby community of Pumphrey in 1926 terminated the family residence as this has since been

their home.

Mr. Hoots was known for his interest in all community affairs including loyalty to his church as well as fraternal work. He was converted in Mills county in 1902 and united with the Mis-sionary Baptist Church. His membership has been with the Pumphrey church for the past 12 years. Deceased had been an active Mason since 1909 and was affiliated with the Winters Lodge.

Surviving are his companion Mrs. Texanner Hoots and four daughters, Mrs. E. T. Lowrance of Bronte, Mrs. Willard Rogers of Hawley, Miss Carrie Hoots of Pumphrey Community, Miss An-nar Hoots of Pumphrey Commu-nity and one son, Aloyo Hoots of Ballinger. Six of the eleven children born died in infancy. There are two brothers surviv-ing: G. R. Hoots of Winters and S. D. Hoots of Bronte. One brother and a sister preceded Mr. Hoots in death several years ago.

There are four grandchildren, numerous other relatives and a host of friends over this and ad-joining communities who have known and loved this noble man for his many upright Christian traits and his jovial disposition.
