Bronte 1939 FFA Livestock Show Had Fine Exhibits In All Entries; Winners Will Show At San Angelo

The Bronte FFA Livestock Show for 1939 was all that anyone could expect and even more. There was a goodly attendance and all were enthusiastic over the splendid showings that were made in all departments.

Prof. J. T. Henry, director of Vocational agriculture in the Bronte schools, who has directed the FFA members who had entries stated as the show was closing Wednesday afternoon, that he was so busy he hardly knew what had been going on. "If the people are pleased with the exhibits, then, I am glad for the boys deserve to succeed, for each one has done his best at his project. As to what our winnings will be in San Angelo are problematical—for, there will be much of the very best livestock ever grown in West Texas on exhibition there. But our boys are plucky and they are going, confident of making a good and creditable showing regardless as to their winnings."

Dry Lot Winners

In the dry lot class of calves the following were the winners:

1. Joe Rawlings, \$7.50.
2. Noel Percifull, \$6.00.
3. Winston Modgling, \$5.00.
4. Billie C. Baker, \$4.00.
5. Joe Rawlings, \$3.00.
6. W. T. Stephenson, \$2.50.
7. W. T. Stephenson, \$2.00.
8. Dwain Pruitt, \$1.50.

Hogs

FAT BARROWS:

1. W. T. Stephenson, \$3.00.
2. Lotis Bridges, \$2.50.
3. Loyd Hudman, \$2.00.

CAR LICENSE

NOW AVAILABLE

The sheriff's office at Robert Lee informs The Enterprise that 1939 car license numbers are now available.

The sheriff's office requests that The Enterprise state that it is required by law that all must have new license numbers by April 1, and without same the penalties will attach after that date for operating cars without the new license numbers. The sheriff requests that when one goes to secure the new license number that the number of the car for 1938 be brought along also, as that will greatly expedite the issuing of the license number. It is expected that at the last there will be a grand rush and without your license number, there will be much confusion and unnecessary delay.

COUNTY AGENT SMITH'S WORK IN CONSERVATION IS COMPLIMENTED

County Agent H. E. Smith has received a letter from the development department of the West Texas Chamber of Commerce relative to the work he has done along that line in Coke County. Mr. Smith was informed that his was among the very best reports sent in and he received the congratulations and thanks of the West Texas Chamber for his splendid cooperation and work that he had done.

Mesdames O. H. Willoughby, R. E. Cumbie and F. O. Key were in San Angelo Tuesday. Mesdames Willoughby and Cumbie went in the interest of the beautification work of the cemetery undertaken by the Woman's Progressive Club. Mrs. Key went to have the professional services of a doctor.

4. James Crimm, \$1.50.
 5. Carl Best, \$1.00.
- #### POLAND CHINA GILTS:
7. W. T. Stephenson, \$3.00.
 2. Robt. Rudd, \$2.50.
 3. Henderson Scarbrough, \$2.
 4. Cowan Hutton, \$1.50.
 5. Horace Lyles, \$1.00.

CHESTER WHITE GILTS:

1. Jas. Vaughan, \$3.00.
2. Gerald Rosser, \$2.50.
3. Heidel Brunson, \$2.00.
4. Paul Rogers, \$1.50.
5. Lawrence Pittman, \$1.00.

Good Prices Paid At Auction

Several head of stock were auctioned off, with C. N. Baker as auctioneer. All that were sold on the block brought good prices.

In the milk fed class of calves the highest prices went to Abe Caudle. His calf sold for \$9.70 a hundredweight and weighed 580 pounds. I. M. Cumbie, owner of one of the Red & White groceries and markets in Bronte, was the purchaser.

Royce Fancher offered four lambs which were bought by Clarence Arrett at \$10 a head.

I. M. Cumbie also bought a lot of 10 hogs, paying 7 1-2 cents a pound for them, which weighed about 225 pounds each.

This another mile post has been passed in the growth and development of the very best kind of livestock. Prof. Henry and his boys deserve great credit for the splendid showings they made.

WHAT I LIVE FOR

I live for those who love me,
For those I know are true,
For the heaven that smiles above me,
And awaits my spirit too;
For all human ties that bind me,
For the task by God assigned me,
For the bright hopes left behind me,
And the good that I can do.

I live to learn their story,
Who've suffered for my sake,
To emulate their glory,
And follow in their wake;
Bards, martyrs, patriots, sages,
The noblest of all ages,
Whose deeds crowd history's pages
And Time's great volume make.

I live to hold communion,
With all that is divine,
To feel there is a union
Twixt Nature's heart and mine;
To profit by affliction,
Reap truth from fields of fiction,
Grow wiser from conviction,
And fulfill each great design.

I live for those who love me,
For those who know me true,
For the heaven that smiles above me,
And awaits my spirit too;
For the wrong that needs resistance,
For the cause that needs assistance,
For the future in the distance,
And the good that I can do.

Mrs. B. E. Davis of Robert Lee accompanied by Billy Ratliff, also of Robert Lee, and Mrs. Lee Upton of San Angelo returned last week from a three weeks visit in California and Oregon.

Mrs. R. M. Cumbie Reaches Her 87th Mile Post

The children and grandchildren of Mrs. R. M. Cumbie, joined by a few friends, celebrated Mrs. Cumbie's 87th birthday, Sunday.

Mrs. Cumbie has a birthday in reality only one every four years, which is February 29. But, the children decided that they would celebrate their mother's birthday at this time even though she does not have a birthday this year.

All the children and grandchildren were present for the happy occasion, except one grandson, Junior Cumbie. There were six children and their families present. An old-fashioned delicious luncheon was served.

The children are Will Cumbie, Robert Lee; Mrs. John Wallace, Franklin; Mrs. Cová Collier, Abilene; Ed Cumbie, Irvan Cumbie and Mrs. Mae Wilkins, Bronte. The grandchildren present were Bobbie Drew, Kathleen and Loraine Wallace, Franklin; Mrs. Gerald Allen, Mrs. J. C. Snead, Mrs. Lamont Scott, Robert Lee; Alma Jane and Mary Beth Cumbie, Mrs. J. B. Mackey and Edward Cumbie, Bronte. Great grandchildren were Billie Allen, Christine Glenn, Horace Scott; Doris, Johnnie Beth and Jack Snead, Robert Lee. Others in attendance were Mrs. R. E. Cumbie, Mrs. I. M. Cumbie, Bronte; Mrs. Will Cumbie, Robert Lee; Mr. and Mrs. Milton Smith, Franklin; Miss Charlene Morrow, Robert Lee; Miss Charlotte Collins, Abilene; Miss Lou Wilkins, Fort Worth; Rev. J. H. Eldredge, Flomot.

All the grand children were present except Junior Cumbie who is attending Hardin-Simmons University.

The honoree was the recipient of many gifts from those of the family circle and her friends scattered everywhere. In the afternoon the honoree opened her gifts and showed them to those present. It was indeed a happy occasion for Mrs. Cumbie, as she nears the 90th mile post in life, to have the privilege of having present all her children and practically all her grand children. And it is a matter of great delight to this aged grandmother that she is strong and robust as she is and all join in the good wish for her that she continue in good health and yet have quite a few happy returns of the day.

"Johnny Grows Up," Play At Norton Tonight

Rev. Hubert Crain, president of the Norton Dramatic Club, informs The Enterprise that this Friday night, the club is presenting "Johnny Grows Up" at the Norton High School auditorium.

The proceeds from the entertainment are to be used for the beginning of construction of football bleachers for the Norton School football field.

Let all in the Norton community, and others who are near enough to attend, take notice and be present, for all are assured of an evening of high class entertainment, and at the same time they will be aiding a most worthy cause.

Eighth Annual San Angelo Fat Stock Show And Rodeo Opens Today; Best Show Of All Is Promised

This morning (Friday) the Eighth Annual San Angelo Fat Stock Show opens the gates to the public.

And every indication is that it is going to be, by far, the greatest show in all the history of the show. There will be 1,898 animals on exhibition.

The big annual event will open with a cowboy parade in the down town district.

The exhibitors state that their animals are in better condition for exhibiting than ever before.

Much improvement has been made at the fair grounds, including enlargement of the sheep barn, stall space for horses, more and better walks and driveways, additional chutes and pens at the rodeo arena in front of the grandstand and better accommodations for the exhibitors.

And in a way never before

known has San Angelo rallied to the show and rodeo this year. Advertising and "boosting" the show has been much greater this year than heretofore.

There will be an auction of stock on Saturday. This sale includes 65 bulls and 9 females.

On Monday will be the fat stock auction. There will be about 1,000 animals offered in this sale.

The rodeo features are going to be "wild" this year, some of the best known rodeo performers are going to be present and participate in the events.

San Angelo is "diked up" and waiting for the folks to "come to town." And San Angelo is in reason in the invitation they extend to all West Texas to their big annual event. "There's going to be 'mighty busy times' in the show and rodeo circles of San Angelo over this week-end.

Blackwell Future Farmers Hosts To Their Dads

The Blackwell Future Farmer chapter entertained their dads with their third annual Father and Son Banquet in the High School auditorium last Tuesday night. The program rendered included:

A report of a trip to the National FFA convention in Kansas City, by Jr. Burwick; Purposes of the FFA, by Wallace Wilhelm; A demonstration of making rope on the farm, by T. J. Oden, Earl Bryant, Noel McLendon and E. J. Tucker; and a project summary of 1937-1938 by Max Stridivant.

Chapter officers gave the opening and closing FFA ceremony. Clarence Smith acted as toastmaster.

Burton Cook of Shep gave the address of welcome to the dads and visitors and S. P. Smith made a report. Nearly 100 per cent of dads were present. Members of the school board and business men and farmers attended. Approximately 75 people were in attendance.

Among out of town guests were: L. J. Star and two FFA members from Highland School, J. T. Henry and two members from Bronte, Edward Cumbie, State FFA secretary from Bronte, R. B. Tate, Nolan County Agent and Ed F. Nienast, County Superintendent from Sweetwater, all of whom made brief talks. Austin Jordan and R. H. Jordan, local men, made talks.

The principal speaker was G. W. Snively, soil conservationist on the Concho watershed project. He brought a good talk stressing the importance of vocational agriculture and proper soil and water conservation and utilization.

A territory about 35 miles square was represented by the boys and their dads and many reported a good time. The FFA members and J. D. Franklin Jr., local adviser, wish to thank everyone who helped in putting on this banquet which carried as its menu: Smothered steak, mashed potatoes, creamed peas, vegetable salad, baked minced apple, rolls, pie and coffee.

Mr. and Mrs. Joe Ash and Mrs. Lester Ash of Marie went to Olney Thursday, where they at-

LEGISLATIVE ACTIVITIES

The Senate committee gave a favorable report to our bill authorizing more than a million dollars to supplement allotments for rural schools for the year 1937-1938.

Our sub-committee heard the University of Texas, A&M College, John Tarleton Agricultural and Mechanical College, North Texas Agricultural College, and Prairie View College on their budgets.

We also had a good hearing on the proposal to inaugurate the Experiment Station in the west cross-timber section. At this hearing were delegations from Brown, Comanche, Erath, Eastland, Callahan and Parker Counties, and a splendid presentation of the need was made.

The House passed to us the State Bar Bill, and the Medical Practice Bill, which was amended in its passage presumably to be satisfactory to the chiropractors.

Representative R. H. Reaves introduced in the House, and I introduced in the Senate, the bill to create the Lower Concho River Authority, which would set up a state agency similar to the Upper and Central Colorado River Authorities, including in its confines Concho County. The principal purpose of this bill is to promote flood control and water and soil conservation.

The House committee is considering revenue raising bills which, under the constitution, can only originate in that branch of the Legislature. The Senate committee on Constitutional Amendments set the two resolutions proposing amendments to authorize a sales tax and a transaction tax, for payment of the social security program, for hearing Tuesday night, February 28.

One of the most important actions of the week was the passage by the Senate of the Bill regulating mutual life insurance companies. The act requires all such companies to pay the full face value of their policies if they continue to do business in Texas. Burial associations were also brought under regulation in the act.

Penrose B. Metcalfe,
Senator 25th District.

tended the funeral of the husband of Mrs. Lester Ash's sister, Joe Wheeler, who died Tuesday night.

DON'T FOLLOW THE CROWD

Whenever prices start to climb,
Most people think it's buying time;
And they seldom want to sell
Until prices fall pell-mell.
This rule we would suggest to you:
Never follow the crowd on through.
The time to buy is on the low,
When the crowd is buying you go slow.
The FIRST NATIONAL BANK has watched the trend—
You cannot on the crowd depend.

NEW BAPTIST PASTOR AND FAMILY HAVE ARRIVED IN BRONTE

Rev. J. E. Eldridge, the new pastor of the Bronte Baptist church, and family, have arrived in Bronte, and are domiciled in the church's parsonage.

Rev. Eldridge and family come from Flomot, Texas. Rev. Eldridge was here Sunday and filled the pulpit Sunday morning. Quite a few complimentary references have been made by those who have heard Rev. Eldridge as to the splendid sermons he brings to his congregation.

It has been the privilege of the editor only to meet Rev. Eldridge, but we found him a most genial gentleman. To Rev. Eldridge and family The Enterprise in behalf of all our people extends a hearty welcome.

FAREWELL PARTY HONORING MRS. R. DILLENGER

Mrs. O. A. Quinn and Mrs. W. F. Cage were co-hostess at the home of Mrs. Cage at the West apartments Tuesday afternoon, with a handkerchief shower, honoring Mrs. R. Dillenger who is moving to Pettus.

Mr. Dillenger has been employed with Cage Construction Co. But he and Mrs. Dillenger are returning to Pettus where he will take charge of his business there.

Delicious refreshments were served to the following: Mesdames C. D. Buckner, Mack Luckie, Turner Ray, W. B. Cannon, Lois Sawyer, A. B. Cobb, Edwin Lee, Bruce Jones, D. Rhodes, O. A. Quinn, W. F. Cage, R. Dillenger and Miss Rachel Harmon of Blanco.

CARE OF THE HEART IS IMPORTANT, SAYS HEALTH LEADER

AUSTIN, March 2—"The fact that the human heart contracts more than 30,000,000 times a year, 86,000 times every twenty-four hours, discounting the additional beats caused by violent physical and emotional effort, is little known to the average person," states Dr. Geo. W. Cox, State Health Officer.

"The heart expels from its left side approximately 2,000 gallons of life-sustaining blood every day, or 730,000 gallons annually. Thus it takes little imagination to realize the astounding amount of work that a fifty-year-old heart has behind it, though the source of this remarkable energy is unnoted to man.

"Assuming that the heart is sound at middle-age, it should continue to perform satisfactorily for many more years, barring serious illness or accident. But this is no excuse for failing to realize that one who has lived fifty or more years has a heart, however unconscious of the heart's effort one may be.

"The heart's ceaseless activity, except for the pause between beats, is bound to result in some wear and tear. Obviously, no heart can possess, after fifty years of untiring work, the resiliency of former years. A proper appreciation of the excellent past performance of this vital organ, therefore, involves a rational attitude toward its continued satisfactory action. While in this connection there is definitely no place for a heart-complex or heart-worry; positive cooperation is indicated. Such an attitude will be reflected by adhering to certain basic living principles including the moderate use of tea, coffee, tobacco, and other stimulants; eight hours sleep daily; refraining from sudden or prolonged exertion; reduction of emotional stress and worry to an absolute minimum; and avoidance of overweight through temperate eating, or, if one's portidge already is excessive, then the seeking of medical advice so that this embarrassment to the heart's best performance safely may be removed.
