## Willis Reed Dies Suddenly Near His Home

An unexpected death that brought sorrow to the members of his family and to all his friends was that of Willis Reed, which occurred early Friday morning, July 21, 1939, almost at the doorsteps of his home.

Mr. Reed went out early in the morning into the pasture to get his horse. When a short distance from his home he was stricken. He called for members of his family: They rushed to him and sought to get him to the house, but he died before they reached the doorsteps with him. Dr. J. D. Leonard was called but the stricken man was dead when the doctor arrived.

Willis Lee Reed was born at Moran, Texas, July 22, 1899, making him to be 40 years old the day that his body was interred. He was the son of Mr. and Mrs. L. H. Reed who survive. It was 32 years ago that the elder Reeds came with their family to Coke county, settling in the Juniper community seven miles south of Bronte, where they have resided continuously since that time.

June 12, 1932 deceased and Miss Permelia Kirkland of Bronte were united in marriage, who with the three baby children survive to sorrow over his passing. The children are Richard Willis, 5; Wilma Ann, 2, and baby Kenneth Allen, eight months. The three brothers and two sisters are Phil Reed, Foraker, Oklahoma; Ben Reed, Gleason, Arizona; Kirk Reed, Bronte; and Mrs. Kate Sorrell and Mrs. Jack Nichols of San Angelo.

When a young man deceased professed faith in Christ and became a member of the Tennyson Baptist church. In 1928 he was ordained to the deaconship of the church in which capacity he served until death claimed him, and he "filled the office of a deacon well."

Religious services were held at Tennyson Baptist church Saturday afternoon, conducted by Rev. M. C. Golden, of Ballinger, a former pastor of the Tennyson church, assisted by Rev. J. E. Eldridge, pastor of the Bronte Baptist church.

Willis Reed was a good man—he walked uprightly before men, served his church faithfully; was a law-abiding citizen, revered his parents and was devoted to his wife and babies, and was always a loyal friend to those with whom he associated and was a man kindly sympathetic towards all who were in distress or sorrow of any kind—and therefore the world is impoverished by his passing but is enriched because he lived.

The Enterprise joins with the many friends of the companion and baby children and the parents and brothers and sisters in tenderest sympathy in this hour of their sorrow.

### WARNING TO HEED

The Enterprise is carrying "A Warning" for N. A. James Inc., of San Angelo, relative to electrolux refrigerators, to the effect that "bootleg" salesmen take the numbers off of outdated ice boxes and then sell them to the purchasers as new boxes. It will be well to heed this warning and since the N. A. James Inc. is the authorized sales and service agency for this section, confer with them before buying an electrolux unless you know what you are doing.

## Firemen's 2nd Annual Barbecue A Happy Event

The 2nd annual Bronte Firemen's Barbecue was held Wednesday evening, in the ball park, across the street, near the Enterprise block.

And it was "a swell affair"—for the firemen feasted their wives and sweethearts on a delicious barbecue menu with "good ol' red beans" and cake and iced tea.

Chief Otis Brunson made himself "handy as a pocket in a shirt," and aided by others, the opening from first to last, was highly enjoyed by all.

The editor acknowledges an invitation to be present—but due to circumstances not controllable, he could not be present.

## Bronte FFA Boys Return From State Meet

Prof. J. T. Henry, vocational agriculture instructor in the Bronte schools, and four of the local FFA boys returned home Saturday night from Temple where they attended the state FFA convention.

The Bronte boys attending were Louis Bridges, Joe Rawlings, Edward Cumbie and Winston Modgling. Joe Rawlings was awarded his Lone Star Farmer degree. Joe was selected as the Lone Star farmer of all this area of West Texas. His selection was based on his activities and record as an FFA boy.

Edward Cumbie who was secretary of the state organization last year was heard twice over a radio hookup due to his being a state officer of the convention.

## T. F. Sims Buys Ernest Ivey Grocery

A business transaction that was consummated in Bronte early in the week was a surprise to everybody. Reference is made to the purchase of the Ernest Ivey Red & White Grocery by T. F. Sims. But the deal was made and Mr. Sims is now in charge and is rearranging his stocks.

Speaking of his purchase Mr. Sims stated that he and Mrs. Sims wanted to return to Bronte—their childhood home. Mr. Sims had a good position with a wholesale firm in San Angelo and he and Mrs. Sims enjoyed living in that city—but Bronte is home to them, and therefore they desired to return.

Mr. Sims stated that we could assure his friends and the buying public generally that he was going to have a store second to none—that his stocks would always be fresh and clean and complete and that his prices would always be in keeping with safe business principles.

The hosts of friends of Mr. and Mrs. Sims welcome them home with a hearty welcome and all hope they shall again enjoy their residence in Bronte and that they will never again wander away.

Mr. Sims has an announcement in this issue of The Enterprise. Read it.

### W. M. U. MEETS

The W. M. U. of the Bronte Baptist church met Monday afternoon at the church.

The following officers were elected to serve in their respective capacities for the ensuing year:

President, Mrs. Carroll Rattliff; Vice-president, Mrs. J. E. Eldridge; Secretary, Mrs. Clint Wilkins; Treasurer, Mrs. W. Modgling; Circle leaders: Miss Maxine Walton; Mrs. Sadie Chumley; Reporter, Mrs. J. M. Rippetoe.

Those present were Mmes. J. M. Rippetoe, Mrs. L. T. Youngblood, Frank Keeney, Mae Wilkins, C. N. Baker, Otis Smith and Miss Maxine Walton. Visitor: Jean Stepp.

Mrs. J. E. Eldridge led the devotional and interesting talks were given by Mrs. L. T. Youngblood and Mrs. Frank Keeney.

## Methodists Will Begin Meeting Thursday Night

Rev. C. R. Hardy, pastor of the Bronte Methodist church, returned first of the week from Water Valley where he led a meeting for the Methodist church and the pastor of that place. Rev. Hardy reports a good meeting.

Rev. Hardy informs The Enterprise that all the details for the meeting at the Bronte Methodist church, have been perfected and the meeting will begin as scheduled next Thursday night.

Rev. Hardy will be assisted by Rev. I. T. Huckabee, pastor of the Blackwell Methodist church, who will have charge of the singing and will direct the choir. Rev. Huckabee is an excellent gospel singer and it is expected that the singing will be a feature in the meeting. Rev. Hardy will do the preaching.

Rev. Hardy says that everyone is cordially invited to attend the meeting and in every possible way to give encouragement to the good work.

## Sweetwater Lumber Yards Encourage FHA Building

Two leading lumber companies in Sweetwater—the Burton-Lingo Company and the W. B. Ferguson Lumber Company—are giving encouragement to all who may be interested in building under the FHA plan.

The FHA Plan has been extended for two years more and hence the advantages of the FHA are available to all now who care to build. The two lumber companies above carry ads in this issue of The Enterprise relative to the advantages of the Plan and offer these advantages to any who may be interested.

The Enterprise especially calls attention of our readers in and around Blackwell and the north part of Coke county to the ads of the two above lumber companies. Should it happen that anyone is not acquainted with either of these companies, The Enterprise is glad to commend them to you. They are dependable and can be relied upon in all their dealings with their customers. Read the ads in this issue, of the two above companies.

daughter from New Mexico are here visiting relatives.

## Land Owners Are Called To Meet Monday Nite

M. A. Butner is calling a meeting of the land owners of the Bronte section of country, at the Bronte school auditorium, for Monday night.

The meeting is called with reference to the organizing of a soil conservation district in the Bronte section of country.

Mr. Butner says that this meeting is very important and urgently requests that every land owner attend.

### WILL GIVE POST NUPTIAL SHOWER

Mrs. A. F. McQueen will be hostess at a post nuptial shower Saturday afternoon, at her home, with Mrs. C. W. Hannah of San Angelo as the honoree. Until her marriage June 1, Mrs. Hannah was Miss Laverne Gaines, daughter of Mr. and Mrs. R. J. Gaines. The marriage of Mr. and Mrs. Hannah was one of the happy events that The Enterprise did not hear about until a few days ago.

The Enterprise joins with the friends of the bride in wishing her every happiness and in congratulations to Mr. Hannah on his fortunate winning of the one whom he has as his life companion.

Mr. and Mrs. O. P. Stephenson and family from Detroit, Michigan and Mrs. Stephenson's mother, Mrs. Dinsmore from near Detroit, departed Wednesday for home, after a visit of some days with relatives.

Ray McCorkle, a newspaper man and printer of wide and varied experience, in Texas and Oklahoma, is a visitor with the editor. Mr. McCorkle is an excellent newspaper man and knows the printing business from a to z. He would not afford to say less of him for he started "under us" and was out "office devil" no farther back than about 1907.

Mr. and Mrs. J. M. Rippetoe, owners of the Bronte Pharmacy, are home after a three weeks vacation that took them first to Riodosa, New Mexico—up in the mountains where the cool breezes blow. They returned home, spending a night here so that Mr. Rippetoe could give a moment's attention to his business, then they went to Lipan where they visited Mr. Rippetoe's parents for a few days. They report a most delightful vacation.

## Double Heart Roundup Details Are Completed

Speaking to The Enterprise Thursday night by long distance telephone, from Sweetwater, Ollie Cox, owner of the Double Heart ranch, ten miles this side of that city, on highway 70, and also owner and manager of the Double Heart Ranch Roundup, advised that every minor detail is now completed for the 9th annual roundup. "There will not be one thing lacking by Friday morning, August 4, when the gates will swing open for the roundup."

"I am just home this afternoon from Dallas, Denton, Texarkana and other places in that section of Texas. They are talking the 'Roundup,' and with favorable weather the largest crowd by far ever to attend the roundup will be here.

"Tell all my good friends and the good people in and around Bronte that this is my personal invitation to them to come and enjoy the fun we have provided for them. Cutting out the professionals and making it a contest of the amateurs is putting zest into the affair and there will be one of the biggest line-ups ever seen at a rodeo.

"Mrs. Cox and I have spared nothing to make this, the 9th annual roundup the best and biggest affair of all."

The editor acknowledges a personal invitation from Mr. and Mrs. Cox to attend.

Mrs. Mae Wilkins went to Abilene Tuesday to attend the funeral of a friend who was drowned at Corpus Christi Sunday.

## Church Of Christ Meeting Interest Grows

Interest and attendance both in the meeting at the Church of Christ in Bronte are growing. While the attendance has been encouraging from the first, yet those of the congregation who take leading interest in the work report that the attendance is growing.

The air-conditioned meeting house is cool and inviting and the messages of Evangelist Fitzgerald are leading to a deepening interest in the meeting. All are cordially invited to attend. The meeting will continue on through Sunday night.

# Blackwell FFA Boys Attend FFA Convention

(By R. E. Post, Vocational Agriculture Instructor, Blackwell)

The eleventh state convention of the Texas Association of the F. F. A. was held at Temple July 20 to 22. Junior Burwick and Burl Bryant of Blackwell accompanied Mr. Post as delegates to the convention.

Some of the highlights of the convention were the Banquet, at which boys were given the third degree of Lone Star Farmers, and two boys were honored with the Star Farmer. Supt. L. A. Woods was the principal speaker. Continued on page 3

**New Homes or Modernization**

Now the way is clear for building or modernization under FHA terms. No need to delay any longer. Come in today and let us explain.

If you are one of the thousands who have been planning to own their own homes—always planning . . . planning . . . but never quite reaching the building stage—ACT NOW! The present time offers you the best opportunity for building that you will probably see for years to come. Signs on every hand point to rising prices, which will mean rising construction costs in the future. If you're short of cash just now, you can still capitalize on the current low costs by making use of Federal Housing Administration funds, at a low rate of interest. All these factors make 1939 the year for building your home. Act promptly!

# New York Skyscrapers Form Back Drop For Air View of Fair

NEW YORK (Special)—This remarkable air view of the New York World's Fair shows the World of Tomorrow that has sprung up against the background of New York City of Today.

The Trylon and Perisphere, theme of the New York Fair, are seen dominating the 1216½-acre tract. At the lower right is the international area with its magnificent foreign pavilions grouped around the Court of Peace below the Lagoon

of Nations. At the lower left is the Court of States. The picture shows the Fair's close proximity to Broadway and the skyscrapers of upper Manhattan.

Actually the Fair is only 10 minutes from Broadway by Long Island Railroad, and about 25 minutes by subway. By motor the trip requires about 30 minutes, with 5 parking fields furnishing ample space. New roads and bridges have prevented congestion of traffic.

## Bronte Defeated By Veribest Sunday, 14-6

After using three pitchers Bronte was unable to stop the slugging Veribest team and

suffered the worst defeat of the season in a game played Sunday afternoon on the home field.

Due to the fact that some of the veteran players were missing from the line-up manager Bill Wrinkle was forced to use several rookies and change the positions of the regular players, which weakened the team both in defense and at the bat.

Homer Walton outfielder and relief pitcher for Bronte collected 3 of Bronte's total of 8 hits but was off on his control as relief pitcher.

Veribest got 12 hits and were issued 8 free passes placing 24 men on bases and only made one

error. Bronte got 8 hits, 3 walks and made 7 errors. Bronte will go to Wall Sunday to play the Wall club.

Miss Geraldine Youngblood, daughter of Mr. and Mrs. W. W.

Youngblood, underwent an appendix operation at the Sweetwater Hospital at Sweetwater, last Wednesday. The last report she was doing nicely.

## PREVIEW OF THE NEW Small FARMALL with "CULTI-VISION"

FARMALL-A is the biggest news in the tractor business these days. It's a powerful, go-getting, all-purpose tractor—the great new value in the \$500 class!

Tuesday Only August 1st, Winters in the morning Ballinger in the afternoon.

## AT OUR STORE

We have arranged to have Harvester's new small FARMALL-A on display for a few hours at our store on the above date. It's so much in demand these days that we can't keep it here long, but our specially arranged PREVIEW will give you a chance to see and get acquainted with the tough little brother of the famous Farmalls.

Find out about "CULTI-VISION," the greatest time, crop, and man saver ever built

into a tractor. Sit in the seat and see what this new feature means to you. Find out about the low price, the simple quick-attachable machines, the handsome appearance, and the design that lets you be comfortable when you drive the new FARMALL-A.

Come in and see the tractor that cracks the 1-row all-purpose market wide open—the new McCormick-Deering FARMALL-A, with "CULTI-VISION"!

### New Tractor With "Culti-Vision" To Be Shown

"I couldn't believe it until I saw it," said L. R. Ryan, who has just attended a preview of the new Farmall-A tractor, held at Sweetwater by the International Harvester Company. "This latest rubber-tired addition to the Farmall line," continued Mr. Ryan, "which sells

for a new low Farmall price, brings the grower of row crops something he has never had before—full vision of the work that is being done directly under the tractor. Just as television brings the listener something he has never been able to see, so the Farmall-A enables the man who is cultivating corn or other row crops to see what he is doing without having to crane his neck or twist his body. "It's all in the design of the tractor," said Mr. Ryan. "The engine is cleverly placed so it does not obstruct the view of

the rows. The driver rides easily in a comfortable sponge-rubber upholstered seat and watches the cultivator shovels at the same close range that is possible on a horse-drawn riding cultivator.

"It's surprising," Mr. Ryan said further, "how much more power and low-cost service have been built into the new Farmall-A. It will bring power farming to the man who farms small acreage, with 40 to 60 acres under cultivation. It will also be welcomed by the big grower who needs a second or third tractor to supplement the power of his larger tractor.

"A complete line of quick attachable field machines has been designed to fit the Farmall-A. The owner will be independent of horse power and freed from the tiresome chores and expensive upkeep of horses.

"At its interesting low price this new Farmall-A will be in big demand immediately. Production at the factory is in full swing and samples should arrive soon. Nothing of such importance has happened in the agricultural implement field for a long time. Growers in this vicinity will look forward with interest to seeing and trying out the new Farmall-A as soon as

the first shipment arrives." This tractor is to be shown at Winters and Ballinger, Tuesday

August 1. It will be at Winters in the morning and Ballinger in the afternoon.

### WHEN IS WORK PLAY?

"When is work play?"—  
That's a question that is asked every day,  
For, when "play" is made out of work,  
It is something that we never want to shirk;  
But, work that is always tiresome and hard,  
Then, nobody likes it I can tell you, "pard,"  
For, when one's life is drudgery and toil,  
There is nothing much always but deep turmoil;  
But, when one's labor is pleasant and sweet,  
Then all of life's toil, one is always glad to meet,  
And does his work happy and free—  
That's the way it always is at our Laundry—  
So, when you do your laundry at our place,  
There will always be a smile on your face—  
For, to please you is always our first aim,  
Since, as you know, that will give to us "a good name,"  
And if you are pleased with the service we give,  
You will patronize us always, and that aids us to live,  
And if you try us, we believe you will agree,  
That you get first-class service at our laundry.

### BLACKWELL FFA (Continued from page 2)

of the evening. Talented F.F.A. bands furnished hillbilly music. The opening and closing ceremonies of the state association of F.F.A. given by the state officers was most impressive. Past Presidents of the association gave the highlights of the organization during the time that they were in office, and present officers brought the history up to date.

On Friday the first general session was held after which all participated in a parade in the business section of Temple.

A trip over the Elm Creek Watershed Project was sponsored by the Soil Conservation Service that same day, in which 250 farmers cooperated with the S. C.S. in strip cropping, terracing, contour farming, gully control, meadow strips and pasture improvements. This trip was con-

cluded by a big barbecue at the Temple experiment station. There were 2500 in attendance, and the next convention city is Houston. The Blackwell group had a most enjoyab'a trip.

### CARD OF THANKS

We want to try to express our gratitude to you for your kindness and goodness to us after the sudden death of our dear husband, father, son and brother, Willis Reed.

We appreciate the administration to our physical needs, your cards of sympathy and words of consolation, the flowers, songs and services. You did all that genuine neighbors and friends could do. The memories of your kindness will always stand out as bright spots during these sad hours. Our hope and prayer is that you may have such consolation when such hours come to you.

### Room Bureaus Set Up For New York Fair

NEW YORK (Special) — Two agencies have been set up in New York City to insure World's Fair visitors' getting living accommodations at a most reasonable price.

One is the Mayor's Official World's Fair Housing Bureau, Inc., with headquarters in the Chanin Building, 122 East 42d Street, set up by Mayor LaGuardia to locate rooms for visitors in private homes and dwellings.

The other is the Hotel Room Information Bureau of the Hotel Association of New York City, representing 180 hotels with a total capacity of 80,000 rooms. The bureau is at association headquarters, 221 West 57th Street.

Both agencies function without any charge to the visitor in finding him clean and comfortable accommodations at a price within his means. Rooms in private dwellings range in price from \$1 per night per person upward, with the average per person \$1.50.

Every Western Union and Postal Telegraph office is equipped to handle requests for rooms in conjunction with the Housing Bureau's operation. Every policeman in New York City is familiar with the plan and is equipped to give visitors first hand information on methods of obtaining registered and sponsored rooms.

On making the application for a room the visitor pays a deposit of 50 cents per night per person for which he receives a receipt. The receipt may be presented to the landlord in lieu of cash as part payment for the room.

### Funeral Home At Miles Makes Special Offer

This is truly an age of advanced methods of business, in every line "from the cradle to the grave." In times past it was thought to be most unbecoming to make any mention in an advertising way of the things essential to the putting away of the human body when life was extinct. But, the things essential as well as the services of the undertaker became so necessary that undertakers finally began to make modest announcements of the services they afforded to those who needed undertaker's services and supplies. Then, the funeral cars and ambulances came, and those in that line of service assumed still broader and more important places in the needs of the people when members of the family died. And, now, funeral directors not only advertise in a large way, more or less, but feel that it is their duty as those in that line of service to advertise more or less regularly so that the public can know where to find such service and the kind offered, when needed.

At Miles there is one of the foremost funeral establishments in all West Texas. Reference is made to the Lacy Funeral Home. Mr. and Mrs. Lester Lacy are the owners and managers of this modernly constructed and modernly equipped undertaker's establishment. Lester Lacy is

the son of J. L. Lacy, who owned and operated a hardware business, as well as the undertaker's business for years before the son succeeded the father. The elder Lacy came to Miles in 1916 and made a success of both his hardware and funeral establishment. The younger Lacy grew up and always aided his father. When old enough he took his course in embalming and is now master of the funeral line in all particulars and he and Mrs. Lacy have one of the most beautiful funeral homes this writer ever saw.

Mr. Lacy in order to acquaint the people with the things they will need when death comes to their home, has made a list of every detail, both as to items needed as well as the services, and then quotes a price in full for the items and services. He makes the price \$150 for everything in minute detail which holds anywhere within 40 miles of Miles, Texas. The Enterprise will underwrite for Mr. Lacy as a fine gentleman and a man who will do just what he says he will do. Read the ad of the Lacy Funeral Home on another page of this issue of The Enterprise. Funeral necessities are something that none of us like to contemplate—yet, they are some of life's greatest essentials and without which we cannot do, when needed.

Mrs. Luther Ault and Mrs. Chas. Ragsdale of Blackwell were in Bronte Wednesday afternoon. Mrs. Ragsdale is the Blackwell representative of The Enterprise and gathers the news for the paper each week in and around Blackwell.

#### CARD OF THANKS

I want in this way to say "thank you" to each and every one of my dear friends among the ladies who had part in sending me the "sunshine box" Saturday. Aside from the many useful and beautiful gifts your thoughtfulness, dear friends, indeed, brought "sunshine" to this "shut-in." It was so thoughtful and kind of every one of you.

# ANNOUNCEMENT

To all my old-time friends and all the people generally of Bronte and the Bronte country:

I am truly glad to announce that I am coming back to Bronte. I have bought the grocery business of Ernest Ivey and am now in charge of same.

I do not hesitate to state that both my wife and myself are glad to return to Bronte. While we have enjoyed living in San Angelo and we made many good friends—yet coming back to Bronte is to us both "just coming back home."

### My Policy

In the grocery business shall be as it has always been when engaged in business in Bronte heretofore—that of absolutely fair and courteous treatment to each and all alike. We have always cherished our friends for their loyalty to us when we were in business in Bronte in other days.

### Cash Basis

We shall sell on strictly a cash basis—this means that we can sell to you at better prices and therefore can make it pay you to trade with us.

### Firstclass Merchandise

We shall always handle only first class merchandise. Therefore when you buy from us you will get dependable quality of groceries and vegetables.

### We want Your Business

And will appreciate any and all favors shown us. We will try daily to merit your patronage and to please you in every transaction.
