Home Canning Demonstration On Exhibit

In one of the store windows down on Main street is an exhibit that will "make the mouth water" of every average man who passes, pauses and looks upon the exhibit.

We refer to the Home Canning and Summer Project Exhibit of the Home Ec. Class No. 2 of the Bronte schools.

During the summer, the home ec. instructor, Mrs. Mary Marie Wilson, had Class No. 2 to carry on a summer project work of canning the various vegetables, fruits, meats, etc. Though she was at Denton attending a summer session of school herself, Mrs. Wilson left her school studies and journeyed back to Bronte in the mid-summer to inspect the summer project work of her girls as to whether or not they were carrying out their projects as she had laid out for them.

As a result of the fine work that was done, one only has now to go down to the display window where the canning demonstration is on exhibit and see the fine, sanitary, temptingly appetizing food products that are on display.

Congratulations, to you, Mrs. teacher and class, for the high quality of work you are capable of rendering in the fine art of canning foods for consumption.

Ballinger Old Store Merges Into New One

In these days of short crops, and somewhat general depression, when business men and concerns generally are "hedging in" there is one business man in Ballinger who really is launching out on a worthwhile program of enlargement, both in stock of merchandise, place of business and sales promotion.

The gentleman to whom reference is made is George Clements of Ballinger, opening a 5c to \$1 store. By close buying and selling at a low margin Mr. Clements soon ingratiated himself into the confidence and good graces of the buying public and from the first made his business a success. Mr. Clements has been in business in Ballinger some three years.

Seeing that by buying quality merchandise and selling at a price that pleased the people, Mr. Clements decided that if he had more buying power, thus getting still greater reductions in prices he had to pay for his merchandise, he could still make reductions in prices to the people when they came to his store to buy.

Therefore Mr. Clements has formed a new relation by becoming a member of the great and universally known Ben Franklin system of stores. The Ben Franklin League of which Mr. Clements' store has now become a member was organized in 1927. The Ben Franklin system now has 2600 stores affiliated in the organization, which means that the system buys in such enormous quantities the stores who are members of the organization buy their merchandise much cheaper than if each store bought separately and individually.

Mr. Clements for some weeks has been busy remodeling his place of business and beautifying the interior. Saturday he opened his doors to the buying public as a member of the Ben

Halloween Is Observed By Bronte School

The outstanding social event in the Bronte schools thus far this school year, or in all the social circles of Bronte since the resumption of social activities at the close of the summer season, was that of the halloween party at the school house Monday evening.

The program was sponsored by the PTA and the faculty of the school and every feature of the many attractions of the evening was outstanding.

The evening's program was in the form of a carnival—there being only two exceptions. Those two exceptions were the program by the little tots and the Spanish Night Club.

The program by the primaries was varied and pleasing in all its features, the children rendering a program associated almost throughout with the spirit of halloween.

The Spanish Night Club was by more advanced pupils and was a reflection of Spanish life and customs throughout, and all who attended the program were pleased.

The carnival attractions were the Cake Walk, Bingo, Fishing, Country Store and Cat Stand. Every booth was an attraction that provoked pleasure from those who visited the booths and each booth showed that those versed in the art of entertaining had planned and arranged the booths.

A plate luncheon was served throughout the evening, as well as pop corn, peanuts, candy hamburgers and coffee and cocoa.

The PTA realized the handsome amount of \$166.48. Both the PTA and the school faculty express thanks and appreciation to the people for the liberal patronage accorded the carnival.

Franklin system. And to say that the interior of his store is beautiful and pleasing to the eyes of one when one enters the building, expresses it mildly. Everywhere from the show windows at the front to the last shelf in the rear shows the touch of a master hand and the displays are so much enlarged that one can hardly believe it is the same building and same store.

The Enterprise editor visited the new Ben Franklin store of Mr. Clements the other day and he found a very busy group of people who make up the personnel of the store's working force. Every clerk and the genial manager was busy as could be—but everybody could and did take time to extend a greeting to each one entering which gave the place that "homelike atmosphere" which means so much to any place of business.

Mr. Clements has an announcement in this issue of The Enterprise relative to his new store under the new arrangement. Read the announcement and visit the Clements Ben Franklin store when you go to Ballinger—a happy surprise awaits you and you will enjoy your visit.

Coke Song Meet, Next At Ft. Chadbourne

The quarterly singing of the Coke County Singing Convention was held at Kickapoo Baptist church, north of Bronte, on highway 70, Sunday.

It was a great day throughout. There was a goodly attendance and a good number of excellent and well known singers from San Angelo, Miles, Ballinger, Winters, Wingate and other places.

The Kickapoo community people did excellently in entertaining the visitors at lunch with a feed that was relished by the visitors.

The afternoon was crowded full with singing, by the choir, specials in the way of duets, quartets and trios.

A business meeting was held. The chief item of business was to select a place for the next quarterly singing which will be held the second Sunday in January. Two places, Tennyson and Fort Chadbourne asked for the next day. John Clark presented Tennyson's claims and Walter Johnson for Fort Chadbourne. Fort Chadbourne was chosen as the next place. Mr. Johnson spoke briefly after his community had been chosen by the body and stated that he wanted everybody to come—that he could speak for the people of his community and they would make every preparation for the day and for all the visitors who came from a distance. It is expected that the masses will carry their lunch, as it is too burdensome for a community to feed all who attend.

BRONTE HIGH SCHOOL BAND ATTEND CONCERT OF U. S. NAVY BAND

Members of the Bronte High Band, headed by Director C. L. Horn, and accompanied by a delegation of other Bronte music lovers, were in Abilene Thursday to attend a concert of the United States Navy Band, given in the Hardin-Simmons University auditorium. The band made the only West Texas appearance of a current national tour at H-SU, playing matinee and night programs before large crowds. After the matinee, the visiting high school musicians, from throughout West Texas, were to be photographed with Lieut. Charles Benter and the Navy Band, in the H-SU stadium.

69TH BIRTHDAY

Mrs. Maurice Kennedy and Mrs. Chas. Baker gave a surprise birthday dinner for their mother, Mrs. W. A. Good, on October 27, her 69th birthday, at the home of Mrs. Baker. The only guest outside of the family was Mrs. D. M. Ott. Gifts for the honoree were placed on the table with the birthday cake and candles. Saturday morning Mrs. Baker and Mrs. Kennedy motored to Clyde, taking their mother to visit her only sister, Mrs. Lee Good. The many friends of this gracious woman wish for her many happy returns of the day, in all of which good wishes the editor of The Enterprise and wife join.

tist church had a one day study course, Monday. Dr. J. M. Sibley, pastor of the First Baptist church of Sweetwater, directed the course, with twelve taking the course. Lunch was served at the church and Pastor J. H. Dean reports a most helpful as well as enjoyable day.

FIFTH GRADE

Halloween has been the main interest and excitement in the fifth grade for the past week. Committees have decorated the room. Witches, bats, black cats, and "spooks" are all about. Gifts for the Parent-Teacher Carnival were brought by every pupil.

Mrs. T. R. Hallmark, a room mother, and Melba Edwards of Blackwell were visitors during the week.

SEVENTH GRADE CLUB MEETS

Friday, October 28th, the seventh grade club enjoyed a very interesting program arranged by Jean Bell. The program developed helpful lessons on the value of signs.

Those assisting in the program were:

Announce—Betty Jane Higginbotham.

Little Girl—Lura Belle Vinson

Quiet Hospital—Jo Ann Gregg

Danger—Dale Glenn

Keep Off—James Scott

No Attendance—Ollie Lou Glenn.

Rubbish—J. C. Berry

Exit—Douglas Buford.

At the close of the meeting, Ollie Lou Glenn surprised the club by serving exciting Halloween packages.

We have received Doris Sheldon as a new member of our club.

ROOM MOTHERS SEVENTH GRADE

Thursday, October 27, Mrs. E. A. Bell, Mrs. M. C. Buford, and Mrs. H. T. Sims surprised the seventh grade with exciting Halloween candy. A little program was given by volunteers.

FOURTH GRADE

October 26, 1939 the fourth grade gave the following club program:

George E. Lane: "The Elephant" Maurine Keefe: "Hello Daddy" Homer D. Leathers: "On The Bench".

Judge Sandusky: "The Pony Cart." Stella Roberts: "High Heel Shoes."

We made Halloween decorations for our room.

NINTH GRADE

The 1939 Sophomore class was given a Halloween Masquerade party Thursday night, October 26, by the room mothers, Mrs. Eldridge, Mrs. Keeney and Mrs. Brunson. The party was given at the Baptist tabernacle.

A very enjoyable evening was spent by the entire group.

Mr. Covey and Mrs. Henry were invited guests.

SENIOR CLASS

The senior class enjoyed a picnic and a skating party Thursday night. After a pleasant time at the picnic, a skating party was sponsored. Those attending the skating party were entertained with many exhibitions of good skating.

Those attending the picnic were: Jane Cumbie, Joe Rawlings, Irene Lloyd, Percy Suggs, Bill Baker, Annie Jean Gideon, Carl Best, Tolbert Adair, Dorothy Meador, Joy Luckett, Ruth Adair, Christine Vanzandt, Billie Brooks, Robert Brunson, Ralph Lane, Winston Modgling, J. B. Parker, Noel Percifull, Henderson Scarborough, Edward Williams, Francis Pruitt, Norman Alexander, Helen Beaty, Corrine Brunson, Betty Jo Glenn, Ione Lasswell, Merle Murphy, Thelma Rosser, Katherine Whitt, Montie Alexander, and Mary Jo Robbins.

Mrs. B. E. Modgling who underwent an operation at a San Angelo hospital is reported as doing well as could be expected.

S. A. Kiker is reported as doing very well now, as he recovers from his operations recently.

**Father And Son
Enlarge Business
At San Angelo**

The Enterprise carries an announcement from a San Angelo business firm that shows growth and advancement. Reference is made to Landers Paint & Body Works of that city.

Landers Paint & Body Works is a business institution owned and operated by father and son, G. S. Landers and M. C. Landers.

Landers Paint & Body Works is what the name implies—a business devoted to the repairing and making new, automobiles. These gentlemen started

their business a few years ago in a modest way. But, knowing the art of repairing car fenders and painting car bodies, the quality of their work soon won for them recognition from car owners far and near.

Father and son, both most excellent gentlemen, and both artists in their lines, have devoted themselves to building up their business, by always doing first-class work, and at prices that are reasonable and fair and within reach of the people.

As a result Landers Paint & Body Works have just moved into a much larger and more desirable location, where they can even do better work than in their former location, as they have more room and more advantages in doing their work, such as light and other things needed in their work.

Landers Paint & Body Works is owned and operated by not only fine gentlemen, but each knows his particular lines and every job is a job done by experts. Hence when you go to Landers Paint & Body Works for car repairing or painting, or any work in their lines, you get firstclass work by those who try conscientiously in every job to give full measure of work in the

PREPARE FOR LEAN YEARS

Egypt had plenty for seven straight years, Then seven so lean they might have brought tears; But Joseph had vision, he said to the king, "Your dream says plainly: save, is the thing." So the king said "Save," and Egypt got by; And you can do likewise if you will try. The world still runs in cycles today, And we should prepare the very same way. CANCER

I treat Cancer with an antitoxin. The only scientific and successful method known to man. Absolutely safe and practically painless. Often one dose is all that is required. No hospitalization necessary, therefore the cheapest of any treatment. If you value your life waste no time with X-Ray, Radium or operations, as either one or all three will not cure Cancer. This statement is in a cord with many of the highest authorities both in the United States and Europe. I also treat Hemorrhoids which often lead to the worst form of cancer, with a mild, non-surgical treatment which will not interfere with your work. Come or address,

Announcing--
The Opening of a New Store In Ballinger
Clement's Ben Franklin Store

Completely new from front door to back door—new show windows—new counters—new wall sections—all so that our customers can shop with the greatest of ease.

Three years ago we opened our store in Ballinger. Having enjoyed a generous patronage here—we now take great pleasure in presenting to the shopping public of Ballinger and Runnels county and surrounding sections a store that is the last word in stream-lined retailing.

It will be our policy to carry a complete stock of 5c to \$1 goods conveniently displayed and arranged in the following departments:

- CANDY — JEWELRY — NOVELTIES — NOTIONS — ART GOODS — GLASSWARE AND CROCKERY — TOYS — TOILETRIES — STATIONERY — HOSIERY — LINGERIE
- DRY GOODS — MEN'S AND BOYS FURNISHINGS — FOOTWEAR — INFANTS WEAR — HARDWARE — TINWARE AND ENAMELWARE — ALUMINUM WARE
- WOODEN WARE — ELECTRICAL GOODS

We have joined the nation-wide organization of over 2,600 independently owned Ben Franklin Stores and we're ready to serve you in our new store in which everything has been done to make shopping pleasant and easy for you. Only through our cooperation with hundreds of other Ben Franklin merchants in large quantity buying could we offer the outstanding values in this ad and the many other special values you'll find at the store.

Bettis & Sturges Offers Special Prices On Coats

Bettis & Sturges, one of Balinger's old business establishments, and an exclusive ladies department store, has an advertisement in this issue of The Enterprise that should and will interest every lady reader we have.

This aggressive and popular firm is promoting a ladies' coat sale. To say the least, it is most opportune, for the time is here when the ladies must have coats. And Bettis & Sturges are making prices in this sale on worthwhile merchandise of its kind that rarely are quoted at this season of the year.

The editor has known Mr. and Mrs. Sturges for many years. They are most excellent people and have many friends over this section not only in a business way but in a social way as well. And we say to the ladies with candor that you will find the quality of merchandise in the coat sale in question that will please you and the prices speak for themselves.

Read the ad of Bettis & Sturges and if you are in need of a ladies' coat for any lady member of the family, this is your opportunity. Mr. and Mrs. Sturges will appreciate a visit from the ladies of all this section, as will their clerks also.

Protect Your Home with Electric Light

A 25-watt bulb burns 8 hours

for **1¢** and gives

2,144 Times More Light

than a Penny Box of Matches*

WHY TAKE CHANCES with matches when Electric Service is cheaper and safer? Remember that it is dangerous to strike matches to light dark places such as closets, stairways, or basements where it might cause explosions by igniting trapped gases. A small bulb gives better light—costs less.

Remember that "The Electric Way Is the Safest Way to Live." It also is the most economical way and the most comfortable way. You can safely depend on Electric Service for Light, Cookery, Refrigeration and the many odd jobs around the home. The average daily cost is LESS than the tax on two packages of Cigarettes!

The full horror of Fire resulting from matches frequently is related in the daily press. In the interest of safety, use Electric Service to dispense with unnecessary fire hazards.

West Texas Utilities Company

*A penny box of matches averages about 43 to the box. Each match burns approximately 22 seconds—a total of 15 minutes. Each gives one foot-candle of light—a total of 15.

In comparison to a match, a 25-watt light bulb gives 67 foot-candles of light—and burns a total of 8 hours for only 1 cent. On this basis, the 25-watt bulb gives 2,144 times more light for a penny than a penny box of matches.

Light Costs Little!

...and it makes JOBS for this company's 1,000 employees in West Texas, whose annual payroll is \$1,300,000. Your Electric Servant also pays an annual tax bill of nearly a half million dollars.

Washing at home these cold days,
Is to do something that never pays—
For, although you have washpot and tub,
And your "old man" on the washboard to rub;
Yet, there is danger of pneumonia or flu,
For, how easily can one of these get you;
Besides, to "wash" at our laundry, every week,
Is just like playing, so to speak;
So, why worry and toil and fret,
When we give the best service you can get.
