BRONTE, COKE COUNTY, TEXAS, FRIDAY, JULY 10, 1942.

NUMBER 26.

## Mr. and Mrs. H. C. Allen Hold "Open House," Sunday

One of the happiest social events of its kind, in the history of Coke county, and all this section of West Texas, was the house warming, given by Mr. and Mrs. Hawley C. Allen, at their ranch home, near Robert Lee, Sunday afternoon, from 5 to 8 o'clock.

The happy occasion was in commemoration of two delightful events—celebrating the fortieth wedding anniversary of Mr. and Mrs. Allen and the completing and occupancy of their new, lovely, modern rock veneer ranch home.

Mr. and Mrs. Allen were married June 15, 1902. Mrs. Allen was Miss Amelia Caraway, daughter of Mr. and Mrs. W. T. Caraway. The Caraways were one of the first families of this part of West Texas. They came in 1883 and settled on the place which later passed to Mr. and Mrs. Allen. Mr. and Mrs. Caraway had much to do in moulding the life socially, educationally, religiously and every otherwise in the first years of the county—and in the life of the people throughout the county today, all that is fine and wholesome and that really is worth while, are but the fruits of the seeds sown by the Caraways and the other pioneers of their day.

Though Mr. and Mrs. Allen's wedding anniversary was June 15, yet they delayed the celebration until their new home, which has been in the course of construction for some time, was completed and they occupied same.

In the old home Mr. and Mrs. Allen were married. But, in the meantime, Mr. and Mrs. Allen moved to San Angelo and resided for several years. During their residence in San Angelo, Mr. Allen was elected and served several terms as sheriff of Tom Green county. Returning to Coke county Mr. Allen was elected sheriff of the county and served several terms.

Wreking the old ranch home, Mr. and Mrs. Allen have erected them a beautiful, 8-room, modern ranch home. The home has all modern conveniences, except electricity, which, of course, is not yet available to them.

The house warming was planned by Mr. and Mrs. Allen in commemoration of both their fortieth wedding anniversary and the occupancy of their new home. Therefore, the invitations were sent out to old-time friends of the yesteryears, as well as to the many new-made friends. Hence, Sunday afternoon, guests came from afar, as well as near, to extend their congratulations to Mr. and Mrs. Al-

## Church of Christ Meeting Begins Friday, July 17

The annual summer meeting of the Bronte Church of Christ is scheduled to begin, Friday night, July 17, and will continue through the second Sunday night.

Elder eSmith is known as a capable and interesting pulpit speaker, and all are cordially invited to attend the meetings.

Further announcement will be made next week regarding the meeting, the hours of worship and so forth.

Mrs. Puckett of Winters, is visiting Dr. and Mrs. J. E. Nicholson. Mrs. Puckett is the mother of Mrs. Nicholson.

There were present some of those who attended Mr. and Mrs. Allen at their marriage. Mrs. D. I. Durham of San Angelo, one of the bridesmaids, Mrs. George Beeman, Sweetwater who played the wedding march and other music for the occasion, and Mrs. I. N. Brooks of Planview who was matron of honor, were among those present Sunday afternoon.

About 125 guests called Sunday afternoon, to extend felicitations to this popular and happy couple, as "they enter life together in their beautiful new home.

Mr. and Mrs. Allen have three sons—Gerald and Frank of Robert Lee and H. C. Jr., who is in the Air Corps in New York.

To these dear longtime friends, the writer here expresses regrets that it was not reasonably possible to be present Sunday afternoon, in celebration of the two-fold happy occasion. But, with your other many friends throughout Coke county, West Texas and other parts of the world, we extend happiest greetings and best wishes—for, we are glad to call you friends because of the long years we have known each other and the further fact, for the good you have done in the world and the streams of gladness you have brought, not only to us, in other years, but also the good cheer you have brought to all, along your pathway as you have traveled this earthly way. May you live many, many years, to enjoy together "the fruits of your labors" that is expressed in the beautiful new home that now is yours—and, at last, to each of you, in the "sunset hour" may "the light be golden!"

## Mayhew Family Holds Reunion at Sweetwater

The J. G. Mayhew family held its annual reunion at Sweetwater City Park, Saturday, July 4th.

Forty-one persons represented thirteen families this year where sixty-two people represented seventeen families a year ago. Seven families were not represented.

Renewing acquaintances with relatives seldom seen and introducing newer members of the family became the order of the day for the morning. After a bountiful basket lunch, the president of the organization called a short business meeting.

Recognition was given the members of the family who are in the service, or employed in defense work. Technical Sergeant Carlton L. Tune is at Indian-town Gap, Pa., Army Air Corps Instructor Melvin Smith is in Santa Maria, California; Private Clifford L. Horn is stationed at Sheppard Field, Wichita Falls.

The oldest Mayhew present was Mrs. T. M. Mayhew, and the youngest, Karen Kay Tune. Carroll Tune was recognized for having driven the longest distance to attend the reunion. A. B. Horn and family came the shortest distance.

It was voted to retain the same officers for the following year: President, W. E. Mayhew, Winters.

Melvin Roberts, Lamesa and J. Correspondence committee, B. Belew, Winters.

Secretary-reporter, Beth Horn of San Angelo.

The organization agreed to meet at Sweetwater next year if world conditions permit. The meeting was adjourned after pictures had been taken of the family groups. The swimming pool and playground equipment furnished entertainment for the younger set, while the elders enjoyed reminiscing.

Those attending were: Mrs. T. M. Mayhew and Weldon; Mr. and Mrs. W. E. Mayhew, Darene and Tommy, Mr. and Mrs. J. B. Belew, Geraldine and Maxine; Mrs. O. E. Clayton, and Minnie J., all of Winters, and Loreta Parks of Ballinger.

Mr. and Mrs. Cloyes Tune, Terry Joyce, Una Fay and Lamoine, Rev. Cecil M. Tune and Karen Kay, all of Lubbock.

Carroll Tune of Fort Worth brought the only visitor, Miss Evelyn Pike of Gainesville.

Mr. and Mrs. D. B. Horn and Beth; Mr. and V. M. Horn and Ronda, San Angelo.

## South's Attack on Versailles Treaty Revealed by Fisher

Congressman Charles L. South, in a speech made on August 30, 1939, assailed the Versailles Treaty that followed the World War as a cause for turning of Germany into an 'out-law nation,' and South branded that treaty—from Germany's standpoint—as "unjust, unreasonable, and without the spirit of conscience," District Attorney O. C. Fisher, candidate for Congress, revealed in Independence Day speeches made at Brady, Sabinal and Cherokee last week.

"The victorious nations," South was quoted as having said, "were drunk with victory and thus put the yoke of defeat too heavily on the German State. So, secretly," South continued, "Germany rearmed and has grown to be an outlaw, seeking to regain her lost station."

Fisher produced and read from a photostatic copy of a letter, written and signed by South, addressed to J. J. Goodfellow of San Angelo, dated September 11, 1939, in which South set out the quotations from his speech, given above, and South said, they were "substantially correct."

"I do not share that line of thought," Fisher said. "Hitler's ability in the short space of six years to build a murderous war machine of unparalleled proportions is proof sufficient that the Versailles Treaty did not deprive him of access to a good share of the natural resources of the world." "Yet," he went on, "some few people, including Congressman South, have taken the position that Germany was forced to rearm in order to regain that which, they claim, she was unjustly deprived of at the end of the last war."

Mrs. Loyce Sims of Robert Lee writes us that her brother, Dick Suggs who is in the service has been transferred from San Francisco to the Hawaiian Islands, and instructs The Enterprise how to send his paper so that it may reach him there. Luck to you, Dick, and a safe return.

There are at least two classes of people in these parts who are very busy—the candidates and the preachers. Truly, the candidates are "saving the country" and the preachers "saving souls" in the usual and accustomed summer revival meetings. The candidates, some times, make it a little "hard on the nerves" of the people—and the other class, well, it is generally understood that they will "play thunder" with the "yaller-legged" chicken crop. But, success to all of you, gentlemen.

Mr. and Mrs. E. C. Baker have moved to San Angelo, and will make their home with Mrs. Baker's mother, Mrs. C. Baker, who is not in strong health and can not make her home by herself.

Mrs. C. C. Smith was called to Coleman Sunday on account of the death of Mrs. Smith's brother, E. M. Jones. The editor had known Mr. Jones since in the nineties.

Mrs. Cova Petty of San Antonio was visiting homefolks in Bronte over the week end.

Pledging himself to "an all-out war effort," Lester Boone, Fort Worth Representative, has formally announced his candidacy for the Texas Railroad Commission, and called attention to the fact that it was one of Texas' most vital factors in the war effort. He further pledged in his announcement to attend all commission meetings.

Boone, who is now serving in the Texas Legislature from Fort Worth, sponsored the Omnibus Tax Bill which made possible the payment of old age pensions, teachers retirement pay, aid to the blind, and aid to crippled and dependent children. As a member of the House Military Affairs Committee, he aided in the passage of the Texas Defense Guard Bill, which became a law, thereby giving Texas greater security in the present crisis.

"I pledge an administration of harmony and will cooperate with other members of the commission," Boone said in his announcement. "I pledge myself to an all-out war effort in this vital department of State Government and will attend all commission meetings."

Taking a home study course, which was to be completed in one and one-half years, he completed the course, including all experiments, and exams, in seven months, making the nearly perfect grades of A and A-plus. One of the tasks assigned him was the building of a super-heterodyne set which he completed. Not only did he study repairing of common-type radios, but also the repairing of television sets. Due to the fact that he would have to have a priority rating to get many essential supplies, he will not be able to go into the business on his own ability and initiative, he has chosen a field of training that has wide possibilities.
