VOLUME XXVI.

BRONTE, COKE COUNTY, TEXAS, FRIDAY, JULY 14, 1944.

NUMBER 29.

A DOUGHBOY'S PRAYER

Mrs. W. H. Maxwell, Sr., received the following from Los Angeles, California recently, taken from one of the newspapers in that city:

(The following was received from the south Pacific by Mrs. H. J. Swartz of 3471 Rose Avenue, who just learned her son had been wounded.)

Look, God, I have never spoken to you, but now I want to say "how do you do." You see, God, they told me you didn't exist—and like a fool—I believed all this—Last night from a shellhole, I saw your sky. I figured right then, they had told me a lie—Had I taken time to see the things you made I'd known they weren't calling a spade a spade.

I wonder God, if you'd shake my hand Somehow—I feel that you will understand. Funny, I had to come to Well, I guess there isn't much more to say, but I'm glad, this hellish place before I had time to see your face.

God, I met you today.

I guess the "zero hour" will soon be here, but I'm not afraid since I know you're near.

The signal! Well, God, I'll have to go. I like you lots—This I want you to know. Look, now—this will be a horrible fight. Who knows, I may come to your house tonight. Though I wasn't friendly with you before, I wonder, God, if you'd wait at the door. Look, I'm crying! Me shedding tears!

I wish I'd known you these many years. Well, I have to go now. God, Goodby. Strange, since I met you I'm not afraid to die.

Rev. C. R. Blake -- Leads Tennyson -- Baptist Meeting

Rev. C. R. Blake, pastor of the Bronte Baptist church, is engaged in leading a Baptist revival with the Tennyson Baptists this week. The meeting began Sunday morning and will continue through next Sunday evening. Worship is twice daily and all within reach of the meeting are cordially invited to attend.

Rev. J. H. Martin of Trickham is pastor. He has been with the congregation for a year or more. The church retains him for a half-time pastorate. He has many friends in the Tennyson community.

Mr. and Mrs. T. S. Simpson and children of San Antonio are visiting Mr. and Mrs. E. M. Hall and Mr. and Mrs. Lloyd M. Cleskey. The ladies are sisters.

San Angelo Jeweler Celebrates His 3rd Anniversary

J. M. (Red) Cruce, jeweler of San Angelo is "stepping high" these days. It is due to the fact that he is celebrating his third anniversary as a jeweler in San Angelo.

Mr. Cruce has his business location in the Concho Drug store—just across the street, south of J. C. Penney & Co. Mr. Cruce opened his business three years ago without much noise about it and started in to build him a worthwhile business in that city. He has met with wonderful success. Therefore, in this issue of The Enterprise Mr. Cruce announces as to his third anniversary and thanks the people of Bronte and Coke county for the business they have accorded him.

Mr. Cruce with all other Americans is looking forward to the end of this war with victory, when things can be normal again. Due to his interest in the matter he runs a large headline above his ad: "Buy War Bonds First."

Methodists at -- Hayrick in Their -- Summer Revival

Rev. A. Hanson, pastor of the Bronte Methodist church, which includes in his work also, the Methodist church at Hayrick, is engaged in the annual summer revival of the church there, this week.

The meeting began Monday night and will continue through next Sunday evening.

Rev. Hanson and the church join in an invitation to all who can, to attend the meeting.

Miss Geraldine Bell has returned to Bronte and has assumed her duties again as secretary of the Coke County Rationing Board. Miss Bell was secretary for quite awhile, then, she resigned and went to San Angelo. She assumed her duties here again, July 10. Her friends are glad to have Miss Bell back home again.

GOES ON RADIO

Rev. Harry Hames who recently resigned the pastorate of the Robert Lee Baptist church and returned to his former pastorate with the Central Baptist church at Brownwood, writes The Enterprise that he is now appearing on Radio KBWD, Brownwood, from 6:30 to 6:45, Monday, Wednesday, and Friday mornings. The many friends of Rev. Hames in this section of West Texas will appreciate the opportunity of tuning in and hearing him.

Coke's War Loan Drive Goes Over In a Big Way

In the 5th War Loan Drive that ended Saturday night, Coke county exceeded its quota of \$110,000. by several thousand dollars. There is a small shortage of E bonds, but it is believed this will be met by the end of the month. Let there be no letup. If you can reasonably buy a small bond, do so.—it is your patriotic duty.

Congratulation again, to you, Willis Smith and your helpers.

A. J. Kunkel, Jr., Reported Missing IN Action, in Pacific

Mr. and Mrs. A. J. Kunkel, Sr. who reside west of Bronte on the Robert Lee highway, received word Monday that their son, A. J., Jr., was missing in action.

Young Kunkel finished in the Bronte High school this spring and enlisted at once in the submarine. He was serving as Seaman First Class aboard a submarine in the Pacific.

Two brothers, James and Charles Kunkel, and a sister Jo Ann live with their parents at their farm home. Another sister Mrs. Theodore Jones lives in Dallas. Two other brothers are in the armed forces. They are Elmo, on the Italian front, and Roland who is stationed in India.

Thus Bronte feels again, the biting, stinging, killing fangs of the fiendish Japs.

Elder Claude Smith Leads Church of -- Christ Meeting

Beginning next Thursday evening, July 20, Elder Claude Smith, minister of the Church of Christ, at Merkel, will begin a gospel meeting with the local congregation of that church.

Elder Smith needs no introduction to the readers of The Enterprise, as this makes his third gospel meeting he has held in Bronte. Hence he has many friends not only of the local congregation, but of all the people in and around Bronte, who are glad that he is returning for another meeting this year. Elder Smith is a pleasing Christian gentleman and a preacher of splendid ability.

The congregation carries an announcement of the meeting in this issue of The Enterprise and an invitation to all to hear Elder Smith through this series of meetings.

The most surprised person in all this land, last Sunday morning, perhaps, was Mrs. W. H. Maxwell, Sr., when she received a telegram from Long Beach, California, announcing the arrival of a baby girl to Mr. and Mrs. Ernest Ivey of that city. The little lady was born July 7, 1944. Mother and babe were reported as doing fine. Congratulations to all concerned.

in this patriotic achievement.

Evangelist J. R. Hickerson with First Baptist Church

The revival at the First Baptist Church will begin Friday night, July 21, with Dr. J. R. Hickerson, Missionary of District 16, doing the preaching.

The initial message on Friday night will be the following subject: "The Land of Palestine as

DR. J. R. HICKERSON

Brownwood, Texas, district missionary, district 16, of the Baptist General Convention, who will do the preaching in the revival meeting at the First Baptist church, beginning Thursday night, July 21.

I Saw It and Its Relation to the Jews." This is not merely a lecture as may seem from the

REV.-C. R. BLAKE

Pastor of the First Baptist Church of Bronte.

Elder T. J. McCain Leads Kickapoo Baptist Meeting

The pastor, Elder Charlie Carroll of Talpa, and congregation of the Kickapoo Baptist church, four miles north of Bronte on highway 70, began their annual summer revival last night (Thursday.)

Elder T. J. McCain of Dallas is the visiting preacher who is doing the preaching. Elder McCain is one of the outstanding preachers of the Baptists of Texas, of the Missionary Baptist Association. He is corresponding secretary of the mission work of the Baptists with whom he is affiliated.

Elder McCain has held meetings with this congregation before and therefore has many friends outside the membership of the Kickapoo church who are glad he has returned for another engagement and therefore they will have the opportunity to hear him again.

The pastor, Elder Carroll, has been pastor of this congregation for many years and has hosts of friends all over this section.

Worship will be twice daily—The Enterprise is not advised as to the hours of worship.

Mrs. Ollie Eubanks was returned home Wednesday from a hospital in San Angelo where she underwent an appendix operation. She is doing splendidly.

subject, but a heart sermon and a solemn warning to the people of America.

Dr. Hickerson is well known in other parts of Texas as well as in district 16. He comes to us well recommended as a spiritual leader and preacher. The pastor and church join in, inviting all to attend and enjoy an old-time revival with Gospel in both speech and song.

Services are to be held twice daily. The time of day will be announced later.

The Pastor, Rev. C. R. Blake, speaks anxiously and hopefully for a meeting with widespread results. Rev. Blake is now entering the second half of his first year as pastor of the congregation, and is much pleased with his work and the progress made since he came. Rev. Blake has wrought well—he is of pleasing mien, energetic and sincere, and has made friends among the entire populace of Bronte and surrounding communities.

EARLY IMMUNIZATION OF CHILDREN FOR DIPHThERIA URGED

Austin Texas, July 13—Few conquests of science have been as spectacular and complete as those relating to diphtheria. Science has firmly established the value of serum treatment in both its preventive and curative phases. However, toxin-antitoxin, or its successor toxoid for immunization, which the general public is even yet not fully aware.

According to Dr. Geo. W. Cox, State Health Officer, toxoid is the immunizing or preventive agent now usually employed. However, three or four months are required for the body to develop immunity. At that time the Schick test can be applied to

determining the results of the preventive treatment.

Dr. Cox urges that children receive diphtheria immunization as early as possible, preferably as soon as they are six months old. The necessity for this immunization is apparent when it is realized that two-thirds of all deaths from diphtheria occur in the age group under six years.

"It cannot be too strongly emphasized that to deprive children of this protection which science has made possible is to subject them to unwarranted and unnecessary hazards that can easily turn into a tragedy."

Dr. Cox said parental interest in immunization must be more widespread if the Texas death rate from this disease is to be eliminated as a cause of death. "When a child has been stricken with diphtheria, antitoxin is the only treatment that will save his life. Also, to be effective, it must be given early in the illness and in large doses. Delay is usually caused by parents failing to realize that any sore throat may actually be diphtheria. It is always safer to immunize against the disease than to risk curing it."

HAVE YOU A TRUE PICTURE OF YOUR ELECTRIC BILL?
MANY folks are fifteen years ago for the same as far from it. "For the same money." That's the clue. You don't realize that rates are down, because your bill may be as much as it was fifteen years ago—or perhaps even more. But you have more electric appliances now. You're using more electricity—and you get about twice as much for what you pay.

Actually, the average American family gets about twice as much electricity today as it did

BARBERS SPEND VACATION IN THE LEONARD FLETCHER HOME

Mr. and Mrs. Clyde Barber, daughter and son, of Seminole, spent a three weeks vacation on their farm, in the Leonard Fletcher home.

On June 22 Mr. Barber and Mr. Fletcher entertained a friends and neighbors with an old-fashioned barbecue and bean supper and dance. A big time was reported by all. Those attending from San Angelo were Mrs. Lila Andrews, Mr. and Mrs. Zell Andrews, Mrs. Zell Andrews' sister, Virginia, Mr. and Mrs. Raymond Hobbs, their daughter and niece, Mr. and Mrs. Frank Ritter and daughter. Those from Bronte were Mr. and Mrs. L. C. Boyd and daughter, Mr. and Mrs. Marion Mitchell and sons, Mr. and Mrs. Ray Coalson and sons, and Mr. and Mrs. Leonard Fletcher and son.

The Barbers departed Sunday morning, July 2, for their home, eighteen miles north of Seminole, where Mr. Barber is employed by the Humble Pipe Line Company as engineer.

Mr. and Mrs. C. E. Bruton are vacationing in Sherman this week. The cause of the going of Mrs. Bruton was to visit her parents and other relatives—but, it is not quite clear as to the cause of the going of "Evert." But from all the information that can be gathered, it seems, a "strange spell" came over him and he had a deathless desire to do two or three days of real labor—therefore, he went, it seems, to "go fishing," and intends to ut in some of his vacation days catching the finny tribe. Mrs. Inella Nicholas, the daughter of Mr. and Mrs. Bruton of San Angelo has charge of her father's business during the absence of her parents.
