

# THE BRONTE ENTERPRISE

VOLUME XXVI.

BRONTE, COKE COUNTY, TEXAS, FRIDAY, JULY 28, 1944.

NUMBER 31.

## Bridal Shower, Honoring Mrs. Hollis Stevens

Mrs. Hollis E. Stevens was honored with a bridal shower, Friday, July 7, in the home of Mrs. George Thomas. Hostesses were Mes. R. R. Ash, W. H. Braswell and Misses Mary Louise Sandusky and Mary Dean Cresap.

Miss Maxine Pruitt presided at the Bride's Book.

The dining table was centered with a bouquet of dahlias, queens wreath and crepe myrtle. A large heart twined with queen's wreath was behind the bouquet and a miniature bride and groom were in front of the bouquet. Candelabras were on each side, thus forming an altar.

Gifts were presented by Vera Ann Baldwin. Gifts were received from: Mes. Ray Coalson, Austin Sandusky and Mary Louise; W. G. Cresap and Mary Dean; J. W. Labenske, Floyd Modgling, A. F. McQueen and Leona; A. N. Rawlings and Katherine; T. C. Price, Fred McDonald, B. F. Kirk, C. C. Glenn, O. H. Willoughby, R. B. Edmondson, C. E. Arrott, F. S. Higginbotham and Bette Jane; Pat Beaver, T. H. Rogge, Char.

(Continued on last page)

## Elder Claude Smith Announces Sermon Topics

The gospel meeting in progress at the Bronte Church of Christ, being conducted by Elder Claude Smith of Merkel, is growing both in attendance and interest. Elder Smith, as is his usual way of preaching, is bringing instructive and inspirational sermons to those who hear him.

The congregational singing is a pleasing feature of the services, directed by W. L. Johnson of Winters.

Elder Smith announces as his sermon topics through till Sunday night as follows:

Friday night—"The Lord's Church."

Saturday night—"The Second Coming of Christ."

Sunday morning—"Putting First Things First."

Sunday night—"Lovest Thou Me?"

The Enterprise acknowledges a pleasant call from Elder Smith and Mr. Johnson—they are genial, affable gentlemen, and to have them visit us was a genuine delight.

Mr. and Mrs. Claude Hallmark from Camp Wolters are here for a few days. Claude is an ordnance officer at Camp Wolters.

## SGT. BONNIE SPOONTS IS PROMOTED TO BE FIRST SERGEANT

The Bronte Enterprise, Bronte, Texas.

Camp Blanding Florida—Sgt. Bonnie D. Spoonst who is a member of the Infantry Replacement Center, has been promoted to the rank of First Sergeant. He is the husband of Mrs. Cloreta Spoonst who lives at Bronte, Texas.

Sgt. Spoonst entered service in 1941. He is a graduate of Bronte High School and just before entering service was employed by Ellis Parts Co., in San Angelo, Texas.

## MISS VERA R. MARTIN CONDUCTS RURAL SAFETY CAMPAIGN

Faced with the fact that last year six times as many Americans died in accidents on our farms as were killed on Invasion Day in France in June, agricultural leaders are out to do something about it. The President of the United States has proclaimed July 23-29 as National Farm Safety Week, and a concerted educational effort is being launched in every community, according to Miss Vera R. Martin, Farm Security Administration supervisor of Coke county.

"Agriculture employed 16 percent of the nation's workers in 1943, but had 24 percent of all fatal accidents, the largest of six major industries." The loss of time as result of arm accidents meant the loss of four and a half days' food supply for every person in this country."

National Safety Council records show 20,000 farm people killed and two million injured in accidents during 1943. Money loss is estimated at a billion dollars.

Two-fifths of the accidents to farm residents occurred in the home. Chief causes were, in the order of their frequency, falls, burns, firearms and poisons.

Careless handling of farm machinery topped the list of farm accidents. Twenty-eight percent of all farm work accidents fell in this category. Only slightly below this, with 26 percent of the total number, came accidents due to careless handling of livestock. Falls, excessive heat and

Only through safety measures lightnings were other causes of deaths and injuries.

## PURSE LOST

Somewhere in Bronte, Tuesday morning—man's purse, handmade, horsehead on one side and horse shoe on the other side, contains identification card, some money, and important papers. Reward for return of purse and papers. Leave at The Enterprise office.

M. J. Barefoot.

## THE PRIMARY RUN OFF

To the good people of Coke county:

By the votes of the good people in Saturday's primary, I will be in the run-off in the second primary. I want first to thank you, each and everyone who voted for me Saturday. And to those who did not vote for me, this is my personal appeal for your vote now. I need the office and am qualified to fill same. These facts coupled with my lasting gratitude, if you elect me, constitute my appeal to you for your vote. I am not financially able to make another personal campaign. Therefore, I must count on this as my personal appeal.

Gratefully yours,  
Mrs. O. E. Allen.

## Primary Election, Quiet, with Half of Voting Strength

The democratic primary election held Saturday was a quiet election—not much interest was taken in the election. Only about half of the votes of the county were polled. There will be only one county run-off in the second primary which is between Mrs. Ruby L. Pettit of Robert Lee and Mrs. O. E. Allen of Bronte, for the office of county treasurer.

can this trend, which saw 500 more deaths from farm accidents in 1943 than the year previous, be checked.

"Let's make 'Home, Sweet Home,' become 'Home, Safe Home.'" "Mend those steps, do not work with equipment while it is in motion, repair ladders, keep gasoline away the house, be careful when around any type farm livestock." To this she adds: "Well known last words are 'I've done it all my life and nothing ever happened.'"

Buy bonds—buy more bonds

## Dr. J. R. Hickerson Pleases with His Messages at Revival

Dr. J. R. Hickerson of Brownwood who is directing the revival in progress at the First Baptist church, is bringing interesting appeals, according to reports from those who have been in attendance. Mrs. Hickerson is also doing most satisfactory work, according to Rev. C. R. Blake, the pastor, and his workers.

The meeting will continue on through Sunday night. All are cordially invited to attend.

L. T. Youngblood spent the week end with his sister at Lubbock, who suffered an accidental injury two weeks ago.

The C. W. Luttrell family had a reunion this week, celebrating the 40th wedding anniversary of the parents. The Enterprise got a report of the happy occasion, but too late for publication—it will appear next week.

**VACATION TIME IS LIKELY TO BE TYPHOID FEVER TIME**

Austin, Texas, July 27— "Vacation time is likely to be typhoid fever time," according to Dr. Geo. W. Cox, State Health Officer. "The summer months, when swimming, camping, and picnics are at their height, are usually accompanied by the year's highest incidence of this disease."

Dr. Cox strongly recommended immunization against typhoid fever for persons of all ages who want to enjoy warm weather activities secure from the threat of this disease. Protection is achieved by three inoculations, usually given one week apart. The treatment should be repeated every third year, because the immunity conferred does not ordinarily last longer than three years. If you have not been vaccinated against this disease since 1941, inoculations are, therefore, in order.

"Improved sanitation, it is true, has gone far to lower the incidence of typhoid fever in recent years," Dr. Cox said. "It is known that every case develops as a result of consuming milk, food, or water contaminated with human excreta containing the disease-producing germs. Sometimes such discharges come from a patient ill with typhoid fever and sometimes from a carrier, an apparently healthy person who has had the disease and, after recovery, continues to discharge its germs."

"In spite of these community safeguards, personal immunization should not be neglected," Dr. Cox warned. "However careful you and the health authorities may be, there is the possibility of infection from some unsuspected source, particularly during the summer when people are often lured into remote places away from approved water supplies, pasteurized milk, and other raw foods. By all means, you should do for vaccination against typhoid fever."

Mr. and Mrs. Roy Scott and children returned Friday from Corpus Christi where they visited Mrs. Edwin Walton. Mrs. Scott and Mrs. Walton are sisters.

"Good Soldier"

**The proudest title  
in the Army**

IT CONSISTS of two simple words.

Yet every soldier who's worth his salt covets it.

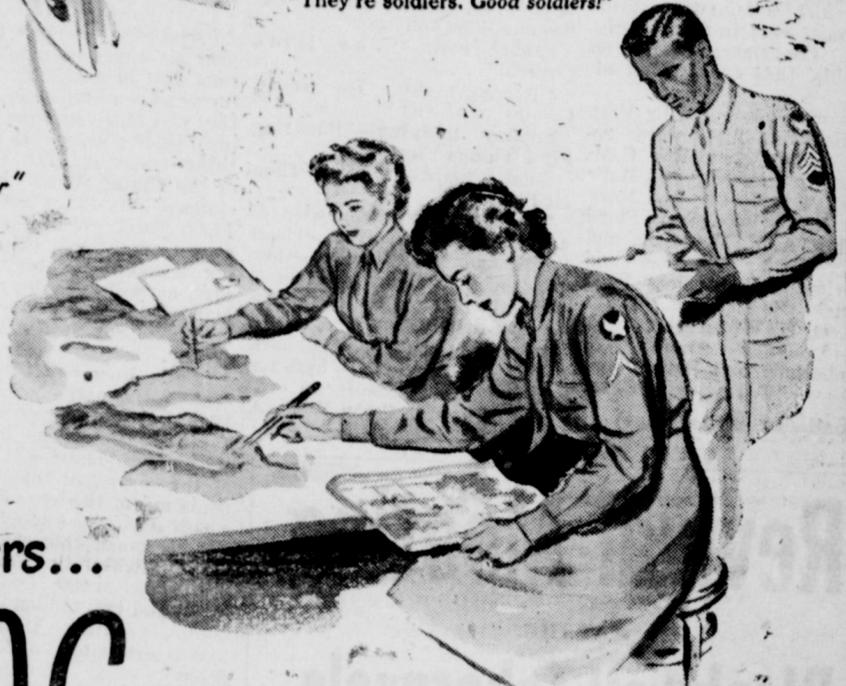

This title is simply:

"Good Soldier."

It isn't just happenstance that so many women in the WAC have earned this title—the proudest in the Army.

For wherever Wacs are working, both here and overseas, there you find a job well done. And done with a spirit so gallant and fine that high Army officers everywhere say of the WAC...

"They're soldiers. Good soldiers!"

Making strategy maps for combat

Good soldiers...

# I AM THANKFUL

To my friends and all the good people of our precinct that I was privileged to be elected again without opposition. I say as sincerely as I know how, "thank you," to each and all.

And, now, that the election is over, let's all turn our minds to the biggest and most important of all problems before us: The Winning of the War.

As for my services as your County Commissioner I shall continue to serve everyone of you with absolute fairness, as I am capable of seeing what is fair and just, regardless. No individual or community in our precinct, or other section of our county shall be given anything but absolutely fair treatment, as I shall see and understand the matter involved.

Again thanking you, I am,

Gratefully yours,

## S. A. Kiker

YOUR COUNTY COMMISSIONER

## STAFF SGT. DONALD PRUITT IS NOW "SOMEWHERE IN ENGLAND"

Headquarters Air Service Command  
United States Strategic Air Forces In Europe  
PUBLIC RELATIONS  
Bronte Enterprise,  
Bronte, Texas.

At Air Service Command Station (Somewhere in England): Staff Sgt. Donald F. Pruitt, husband of Mrs. Noragene Pruitt, of Norton, Texas is now overseas and has participated in a course designed to bridge the gap between training in the states and soldiering in an active theatre of war. At one of the Air Service Command Stations known as Central Depots Staff Sgt. Pruitt was carefully processed by classification experts who make certain that he was well fitted for the job assigned to him.

Security training, personal hygiene, a talk by a Special Service Officer informing him of facilities for healthful recreation and a lecture by the Chaplain are all in turn a part of the soldier's preparation for duties overseas.

His next station will be one from which America's fighting planes take off to smash the Nazi war machine.

Before entering the Army he was employed as a grocery clerk by the Browning's Store.

## MRS. BOEHME'S BREAD

# Market Your Surplus Grain in Sweetwater

The Milo Maize crop will soon be moving. The recent rains assure good production throughout the territory. All indications point to a very severe box car shortage. If you are unable to satisfactorily dispose of your grain locally, we invite you to take advantage of our broad handling facilities.

We have completed a grain dump to handle long six wheelers, as well as bobtail grain trucks—no more scooping. We have elevator capacity to store 10,000 Tons of Milo—approximately 200,000 bushels—the

greatest amount of storage available for milo on the T. & P. between Fort Worth and El Paso.

When movement warrants, we will receive grain 24 hours per day, 7 days per week, and will have unloading capacity to handle 1,000,000 pounds per day.

Account heavy tonnage of grains used thru our Mixed Feed Plant, quite often we are paying above carlot selling prices. Present over the scale prices as against what the grain can be sold at for shipment in carload lots is given below, as of 7-25-44.

### OUR SCALE PRICES CARLOT SELLING PRICE

No. 2 Milo or Kaffir	\$2.00 per Cwt.	\$1.90 per Cwt.
No. 3 Barley	\$1.00 per Bushel	.93 per Bu.
No. 1 Wheat	\$1.35 per Bu.	\$1.35 per Bu.
No. 3 Oats	.70 per Bu.	.71 per Bu.

We are now making additions and improvements to our MIXED FEED PLANT to more than double our production of POULTRY, STOCK & RANGE FEEDS,

and are installing POWER SHOVEL to facilitate unloading grain in this department.
