Memorial Services, Honoring Memory of Flight Officer Chester Kiker, Jr., Who Died in Action, to be at Methodist Church

Memorial services, to the memory of F. O. Chester Kiker, Jr., will be held at the Bronte Methodist church, Tuesday evening, October 17, beginning at eight o'clock.

Rev. C. R. Hardy of New Orleans, formerly pastor of the departed hero, and a close per-

sonal friend to the departed hero:

"Chester was a member of the Bronte Methodist church and had been from his earliest childhood. His name is on the Service Roll hanging on the walls of the church at the altar of which he had worshiped all his life.

"The soldier boy was born at

sonal friend to deceased and his family, will bring the memorial sermon. Rev. Hardy was pastor of the local Methodist church for three years—1938—1940. Rev. Hardy made lifelong friends while a resident pastor, not only in his congregation, but of those in all walks of life, irrespective of church affiliations.

Perhaps, there has never been a religious service held in the town concerning which there is more general heartfelt interest—for, not only was the dead soldier a fine boy and had many friends among all the people, but dying as he did for his country and his people, all feel, more or less, that in reality "Chester" died for all of us here at home. Hence, the sorrow of his tragic death is universal and all deeply appreciate this service in his honor.

F. O. Kiker was Bronte's first death casualty, far as known in actual combat. The Bronte Enterprise in its issue of April 21, this year, had the following

REV. C. R. HARDY

Bronte, November 26, 1921. He was reared here, educated here, graduating with the class of 1941, and had never made his home elsewhere until he was called into training for service. He enlisted in the service in March 1942. He took his physical examination at Wichita Falls and admitted into service. He chose the air service and trained at San Antonio, Cuero, Waco and Lubbock. At Lubbock he received his silver wings. He sent The Enterprise notice of his graduation and in the issue of August 6, last year, we carried the story of his graduation along with his picture. The same picture appears in this last word to his memory."

The program below has been arranged by the present pastor and wife, Rev. and Mrs. A. Hanson, and other church leaders, for the memorial occasion:

Rhythm Band Entertains the PTA Gathering

The P. T. A. met in its regular session, October 10, 1944 in the Bronte High School Gym. The program for the afternoon was lead by Mrs. Thomas. Two musical numbers given by the Rhythm Band were enjoyed by all. The finance goal was set for \$250.00, which is to be used for the filling of the first aid kit, for the playground equipment, and for library. A \$1.00 will go to Primary, Elementary, and High School grades who had the most mothers present at each regular meeting. A citizenship medal will be awarded at the end of school for a boy and a girl in the Primary, Elementary, and High School grades. The room count of parents present at this meeting awards the Senior, 7th grade, and 2nd grade a \$1.00 each. A motion carried that a delegate be sent to the district meeting being held at Big Spring.

C. R. Kendrick, Winters, Devotes Time to Farmers

C. R. Kendrick of Winters, who has been the Ford Sales and Service Agency in that town for many years sold his business recently and has entered the International Harvester Company business, handling tractors and parts, tires, etc.

By dint of close application to his business and absolutely fair dealing C. R. Kendrick has built a business and a business reputation for himself in the several years he has been in Winters, of which any man may justly be proud. C. O. Fields formerly of Brownwood who has been with the International Harvester Company for many years is associated with Mr. Kendrick.

In the sale of his Ford Agency he retained his business name and will continue to operate under the firm name of Kendrick Motor Company.

Read the announcement of the Kendrick Motor Company, International Harvester Dealer, in this issue of The Enterprise.

Orbie Rudolph Phillips is the name given to the baby son, born to Mr. and Mrs. Walter Phillips in a San Angelo hospital, October 1, 1944.

Here bring your wounded heart, here tell your anguish
Earth has no sorrows that heaven cannot heal."

MEMORIAL STATEMENTS

Chester Kiker Jr. was born at Bronte November 23, 1921. Chester was the first of our congregation to make the Supreme Sacrifice in the service of our country. He was a member of the Bronte Methodist church, from his earliest childhood, and was loved by everyone. He enlisted in the service in March 1942, and at Lubbock he received his silver wings. Chester went over seas in November, he was a bomber pilot, flying a B-24.

May the Lord comfort his mother and father, brother and sister, his grandparents and great grandmother, and all his loved ones, with his own word of comfort.

"I am the Resurrection and Life. He that believeth in me though he were dead, yet shall he live and he that liveth and believeth in me shall never die."

Father, I stretch my hands to thee.
No other help I know—
If thou wilt draw thyself from me,
Oh! whither shall I go?

THE ENEMY IS ADVANCING

Sermonette by Mrs. J. W. Tamm, Pastor of the Bronte Full Gospel Church.

"Be sober, be vigilant, because your adversary, the devil, as a roaring lion, walking about, seeking whom he may devour." I Peter 5:8.

Yes, friends, the enemy is waging a fierce battle for the souls of men. Many have already succumbed to his wiles (Eph. 6:11) and many around us lay mortally wounded while a lack of interest and a lethargic spirit possess the children of God.

Let us wake up, Christian friends (Eph. 5:14.) Let us lay

MRS. J. W. TAMMEN

aside the spirit of lethargy and "seek the Lord while He may be found, call ye upon Him while He is near. Let the wicked forsake his way and the unrighteous man his thoughts and let him return unto the Lord, who will have mercy upon him and to our God for He will abundantly pardon." (Isaiah 55: 6-7. "And rend your heart, and not your garments, and turn unto the Lord your God: for He is gracious and merciful, slow to anger and of great kindness and repenteth him of the evil."

Who knoweth if I will return and repent, I will leave a blessing behind, even offering and a drink offering unto the Lord, your God. Blow the trumpet in Zion; sanctify a fast, call a solemn assembly:

Gather the people, sanctify the congregation, assemble the elders, gather the children, and those that seek the breasts: let the bridegroom go forth of his chamber, and the bride out of her closet. Let the priests, the ministers of the Lord, weep between the porch and the altar, and let them say: Spare thy people, O, Lord, and give not thine heritage to reproach, that the heathen should rule over them. Wherefore should they say among the people, Where is their God? (Joel 2:13-17)

Friends, where is our God? Are we still worshipping the God of Abraham, Isaac and Jacob? Or has the god of this world (the devil) blinded our minds (II Cor. 4:3-4) until the cares of this world, and the deceitfulness of riches, and the lust of other things entering in, choke the word, and we have become unfruitful. (Mark 4:19.)

Let's check the Enemy's Advancing, by going back to the fundamental truths of God's Word. Thus sayeth the Lord, "Stand ye in the ways and see, and ask for the old paths, where is the good way, and walk therein, and ye shall find rest for your souls." (Jer. 6:16) Then as we obtain rest for our weary souls, and we earnestly contend for the faith which was

TWO THINGS

Are Essential in Buying Groceries and Meats

First-Quality

When you buy groceries and meats, you are buying for your family's health and happiness. It is essential that you buy the best quality goods available. This means buying fresh, clean, and well-stored products. It also means buying from a reputable source, such as a grocery store or a butcher shop. By buying first-quality goods, you can be sure that your family is getting the most out of their food.

Second-Price

It is also essential to buy groceries and meats at a reasonable price. This does not mean buying the cheapest goods available, but rather buying the best quality goods at a fair price. Many grocery stores and butcher shops offer special prices on their goods, and it is worth taking the time to compare prices. By buying second-price goods, you can save money without sacrificing quality.

SAVINGS IN TRAFFIC

The traffic in the city is increasing rapidly. This is due to the fact that the population is growing and the number of cars is increasing. This is a problem for the city, as it leads to congestion and delays. One way to solve this problem is to encourage people to use public transportation. This can be done by providing more frequent and reliable service. Another way is to encourage people to carpool. This can be done by providing more parking spaces for carpools. Both of these solutions can help to reduce traffic and improve the city's transportation system.

WHAT LANGUAGE IS THAT?

Prof. Tsk is a philologist. Words are his meat: Chinese, Sanskrit or Aztec. He can even understand his freshman daughter and soldier son!

But the talk he's hearing now has him baffled.

You, too? . . . Well, it's simply the everyday speech of the line crews who keep your home and community supplied with electricity—come what may.

A "shoo-fly," for example, is a temporary line built around a tree fall, washout or construction job.*

These men don't coin curious words just for the fun of it. They use them, as a kind of oral shorthand—to speed their work and help bring you better electric service.

Lots of folks take the linemen's work for granted. But they are an essential part of the industry which—under experienced business management—has met every war demand for electricity—without shortage or rationing—at low prewar prices.

That's an accomplishment in any man's language.

*A "dumbsome" is an apprentice lineman. A "gandidancer" is a laborer. A "how eye" is a dead-end tye. "Snoble goble" is anything you can't remember by its name.
