Golden Wedding Anniversary a Happy Occasion

A happy social event The Enterprise failed to give last week because we failed to get the information was that of the golden wedding anniversary of Mr. and Mrs. J. W. Warner, Sunday, November 5. It was a day full of golden memories for the honorees and one of great delight to their children and friends.

A barbecue and basket lunch was served at noon in Legion park, to the members of the family and a few invited guests, including the pastor of the honorees, Elder Charley Carroll, and Mrs. Carroll, from Talpa. Sixty-seven people were in attendance.

In the afternoon from 3 o'clock to 5 o'clock, open house was held at the Warner home, during which time many of the old time friends called and wished the honorees many more years of continued happiness.

All the children and their families were present, except one, a son, Ernest Warner, who now resides at Portland, Oregon. The parents of Mrs. Ernest Warner, Mr. and Mrs. H. M. Robinson, took the place of Ernest and family, and thus the family circle was complete.

Chadbourne H. D. Club Studies Christmas Gifts

Christmas Gifts were studied by the Home Demonstration Club at Fort Chadbourne when the club met at Mrs. Walter Moore's Tuesday afternoon.

Each member brought ideas for gifts, such as toys, for small children, luncheon cloths, pillow cases, tea towels, and aprons.

The club members discussed our project for the coming year.

The hostess served hot chocolate to eight members and six guests.

Our next meeting will be November 28, in the home of Mrs. J. J. Morrow, at 3 P. M. Every lady in the Fort Chadbourne community is invited to meet with us.

Barbee's, San Angelo, Observes 3rd Anniversary

A fast-growing business in San Angelo is the Barbee Dry Goods Store, 8 South Chadbourne street. Celebrating its entrance into its fourth year, very special prices are being made on every line of merchandise carried by the store.

In the first week in November, 1941, by Mr. and Mrs. E. W. Barbee, and Mrs. R. A. Barbee. In December, 1942 A. R. Barbee, the present owner, purchased his brother's interest in the business. Prior to entering this business Mr. Barbee had been employed for 19 years by the Magnolia Petroleum Company in San Angelo.

At the beginning of the business it was on a modest scale, and only two clerks were required to handle the store's customers. But, now, seven clerks are required regularly to care for the trade.

"We are proud of the progress our business has made in these three years," A. R. Barbee, owner, said Saturday, "and it is to our customers that we are due many thanks. They have brought us steady progress."

"We are offering a large stock of Christmas merchandise this season," Barbee said, "and will afford our customers free gift wrapping and a lay-away purchase plan for their convenience."

Mr. and Mrs. Barbee are not only widely known in San Angelo trade territory, as they have built up a splendid trade in the communities surrounding San Angelo. They are genial and pleasing as are their clerks, and those who go there to buy their needs in a department store go away "feeling glad" that they found a place of such genial atmosphere and a corps of clerks so considerate and courteous and pleasing in their attitude towards the customers.

Read the 3rd Anniversary announcement of Barbee's in this issue of The Enterprise and if you have never visited this store of fast-growing popularity, next time you are in San Angelo visit them—they will be glad to see you and we assure you that you will go away pleased with the reception accorded you.

Eighteen ladies were present. With Mrs. O. W. Chapman acting as chairman, the club was reorganized and divided into a Senior and Junior Club.

After the completion of the Junior organization the Senior women were organized under the name of Bronte Senior Women's Home Demonstration Club, with the following officers:

Mrs. O. W. Chapman, President; Mrs. Fewell Sims, Vice-President; Mrs. Olive Keeney, Secretary-Treasurer; Mrs. Eva Keeney, Parliamentarian; Mrs. L. T. Youngblood, Club Delegate; Mrs. Minnie B. West, Reporter.

Kickapoo Quilting Club is Doing Much Good Work

The women of Kickapoo community organized a Quilting Club in August. We have made great progress. We have quilted 27 quilts—one quilt for the Baptist orphan's home; two for the Christian's orphan's home. The ladies of the Church of Christ met with the Baptist ladies and quilted them.

The members have pieced each a Friendship quilt block, and now each member has a Friendship quilt top, which is quite beautiful.

Mrs. Bud Bell Opens Beauty Shop in Bronte

The opening of "Myrtle's Beauty Shop" is announced in this issue of The Enterprise. Mrs. Bud Bell who has completed her course in beauty culture in a San Angelo beauty culture school, has returned to Bronte and now opens a beauty shop. And Mrs. Bell says that it will be permanent as she owns her home and has her shop well arranged and therefore can give the ladies in and around Bronte beauty culture service equal to any other shop throughout West Texas.

Mrs. Bell has with her as an operator, Miss Mary Herrington of San Angelo. Both ladies have specialized in permanent waving and hence can give beauty work the same as can be had in any of the best shops elsewhere.

"I am going to give the ladies of Bronte and surrounding communities as good beauty service as they can get elsewhere. And that my prices are right and consistent, and are to all alike, I want to quote some special prices in my opening announcement," said Mrs. Bell. Let the ladies, especially, read the announcement, and whether

Bronte Lady Seeks to Render Patriotic Service

Mrs. Mac Rippetoe, joined by Buford, like all other loyal American women, desire to do her part, and more, if possible, for our heroic boys who are in the service around the world, fighting to save our American way of life. And she has wanted to make her service broad enough to reach every home in Bronteland and every boy from Bronteland who is overseas.

As the happy Christmas time approaches it has occurred to Mr. and Mrs. Rippetoe and Mrs. Buford to supply Christmas Greeting cards and the postage for each family, or individual, who has a loved one or friend, overseas, to send these Christmas Greetings, without cost to the sender, Mrs. Rippetoe supplying the card and postage as their part of the Greetings to the Bonte soldier boys.

All the sender has to do, to send one of these Christmas Greetings is to see Mrs. Rippetoe at the Bronte Pharmacy, select the card to send, sign the card and give Mrs. Rippetoe the latest address of the soldier boy, between the 1st and 15th of December.

This is a happy Christmas thought for both the soldier boys and their families and friends here at home, and should be the means of many rays of Christmas cheer and sunshine for our boys here and there, all around the world.

The purpose and plan is to see that every boy in the Bronte area in the service is remembered with a cherry, bright Christmas Card greeting, by all who want to join in sending to greeting. A card will be addressed to a boy, then everybody who wishes can write their names on the card and it will be a greeting from all who sign the card.

Miss Lottie Ivey departed Tuesday for a visit with her sister at Lamesa from which place she will return to her work at Washington, D. C. "Miss Lottie" is a nurse in a Federal Hospital at Washington where she has been for more than two years. This was her first vacation. She flew from Washington to Fort Worth. It took her longer to come from Fort Worth to Bronte than it did to reach Fort Worth from Washington. She hopes to be able to get a plane at Big Spring, straight through to the capital city. Miss Ivey was in excellent health except that her eyes were giving her some trouble. She ordered "the old home town" paper to come to her that she may keep up with the happenings in and around "dear ol' Bronte."

Seek War Materials For Benefit of Schools of Texas

"Surplus war materials that would aid in vocational training should be made available to educational systems as soon as they are no longer needed for the war effort," declared Dr. H. W. Morelock, President of Sul Ross College, Alpine, in a meeting here on November 9 with the superintendent of schools, county, and city officials, and other civic leaders of Bronte.

Dr. Morelock and Glenn Burgess, Manager of the Alpine Chamber of Commerce, are visiting 35 West Texas cities in an effort to arouse interest in the application of the "Surplus Property Act of 1944" passed by Congress on October 3, 1944.

Here, Dr. Morelock stressed the part Sul Ross College plans to play in the education of the returning veteran and the efforts that are being made by the College to create better relations between the people of the United States and of Mexico.

Dr. Morelock stated that some of the improvements for Sul Ross College scheduled for the post-war period included a Health Education Building, Pan-American House, a Science Building for Biology and Geology, and an outdoor swimming pool. This building program, Dr. Morelock believes, will make Sul Ross campus one of the most attractive in the Southwest to all classes of students as well as Veterans.

surplus war materials, the following is a summary of what the two visitors presented at the meeting:

"The money for the purchase of this material came from the taxpayer's pocket at every level of society, and some of it should be returned to him.

"Because of the demands of war, all city, county, and State agencies have been denied many necessities for carrying on a program which is complimentary to the democratic way of life.

"The immediate education of veterans under the terms of the GI Bill is an obligation our

country owes these men and women. They cannot be properly educated for the new day unless they are provided with adequate equipment. The GI Bill makes no provision for providing equipment in keeping with the needs of the veterans.

"Much of the surplus war material will function better in the schools than in the reconversion of industry back into normal channels.

"It is important that our country stimulate the morale of all the people during the let-down-period after the war.

"It is just as important to civilization that the educational forces of the world be organized for definite objectives as it is that the political, economic, and labor forces be coordinated.

"The Government should allocate a large part of the surplus war supplies to educational purposes, and only by the thorough organization of each community right now can we direct the flow of these goods

to our tax supported institutions at a reasonable cost, thereby preventing speculators from selling it to us later on at an exorbitant price."

C. H. Webb, Jr., who is in training in the Navy writes the editor from San Diego, California, saying that he had received some copies of The Enterprise, which he very much enjoyed. He says, "I have been in boot training for 5 weeks. This is a swell place and I really like Navy life. I will likely get to come home, I hope, in about two months. One project under discussion by the club was centerpieces for different holidays of the year. A very interesting and lovely centerpiece had been arranged by Mrs. Walter Doughty McDonald of the Fort Chadbourne Home Demonstration Club. The centerpiece was suitable especially for Thanksgiving and consisted of different fruits and vegetables which are in season at Thanksgiving time. This was arranged on a glass reflector. There were, of course, apples, grapes, lemons, oranges and tiny sugar pumpkins, hardly larger than a teacup with miniature kershaws. These were surrounded by crystal containers, holding tall white candles, entwined with bitter-sweet berries.
