**ABOUT PEOPLE YOU KNOW**

S. A. Kiker was in San Angelo on the last day of last year, and said he had a good time. His grandson, Norman, now in India, expects to be able to leave there by March, for he has told his people not to write to his former address any longer.

S. A. and Bob Knierim were office visitors during the week. Forest Clark declared he had been barbering here for 35 years, and that his brother, Riley, from Austin, had been here visiting their brother, W. C. Clark, who has been ill.

Mr. Westbrook was mighty happy the other day, due to the fact that his brother from Tennyson, another from San Angelo, still another from Stanton, and son, Julian had been having good times together. We remember that it was Armistice Day in 1938, at Ballinger, that Mr. Westbrook was really a help to us. While watching the Ballinger-Coleman football game, we lost a tie pin, and he and some of his friends were kind enough to help us look for it. Finally found the thing, too!

Glad to hear from Bobby Spence, who wants the Enterprise sent to the Blackwell F. F. A. Come to see us too, Bobby.

Thanks a lot to Mrs. Felix Allison for reporting the Union Home Demonstration Club Christmas party. We're always glad to have news about those meetings.

Mrs. C. R. Smith visited her father, W. R. Hester of Snyder, last week, going up and coming back Saturday. She reports that although he has been quite ill, he is now showing improvement.

C. R. Smith and son, Johnnie, left Monday for Fort Worth and Dallas, where he will attend market. The father and son are expected back the latter part of the week.

**GUESTS IN WYNNE HOME**

For the first time since 1931, Mr. and Mrs. A. M. Wynne observed Christmas by having all the family together as they gathered around for their Christmas dinner.

Included in the crowd were Mr. and Mrs. Lester Parker and daughter Sibyl Leah, 6 months old, from Raton, New Mexico; Mr. and Mrs. Loyd Wynne and son, Bill, 6, from San Angelo; and Mrs. Bessie Caudle of San Angelo, who has been in California but is now employed at Goodfellow Field.

The Wynnes, who came from Alabama in the fall of 1916, have resided near Bronte ever since, and are located now about 5 miles out of town.

**EDITORIAL**

**OUR BOYS AND GIRLS**

Everybody will agree that a town is composed of more than buildings, streets, and business houses, important as they may be. Without happy and contented human beings, any town can hardly be said to exist. Without a busily occupied and energetic group of young people, boys and girls, any town can hardly be alive.

The young people of Bronte deserve the best that Bronte can offer them. They are already active in 4-H Clubs, and in the F.F.A., and it is likely that a group of Boy Scouts may soon be organized to care for members of the younger groups. Such activities are to be praised as a fine step in the right direction towards more adequate recreational and educational opportunities for our young people.

But in addition to these, even more is needed. Our young people need more chances for wholesome social activities. They need an opportunity to mix and mingle on a social basis with their friends at supervised parties, dances, picnics, and outings. They need our help, cooperation, approval, and support.

The responsibility appears to rest upon the shoulders of the parents, the schools, and the churches, adequately supported and aided by everyone, to see that our young people have opportunities for wholesome play and recreation.

Much publicity has been given recent reports that this nation is facing a large crime wave following the war. This is said to stem from many causes, and among them is the charge that young people have had too little supervision and care.

This is not true in Bronte, where the young people have had the cooperation of the citizens. But they need more support.

**TO THE VOTERS OF COKE COUNTY**

Have you paid your poll tax? If not, why not? If you are going to pay it, when will you do it? Why are you waiting? Why don't you do it now? What are you waiting for? How soon can you get it paid? How about doing it today?

It's a privilege, you know — it gives you the right to express your wishes at a democratic election, at which time you will choose, or be unable to choose if it is not paid, a group of men who will serve as your elected representatives for the next 2-4-6 years in our local, state and national governments. You have a right to vote, you know that.

The poll tax costs but \$1.75, and \$1.00 of that amount goes to your schools. Certainly you can afford to pay your poll tax — in fact, you cannot afford not to pay it, for it is your right to express your free choice in a democratic society.

You have until the end of January to pay your poll tax — January 31, which is 27 days from now, not quite four weeks. You pay it in Robert Lee, at the Court House, and that receipt is a mighty important piece of paper — it entitles you to express your free opinion at the polls, and gives you an opportunity to register your choice for your candidate, whoever he may be.

Your vote will count — your vote has always counted, in order to get it cast for them, candidates have been known to do rare and unusual things. Yes, your vote is important, it is your very own, it is America!

**1946 FARM PROGRAM IN COKE COUNTY**

There has been allocated to Coke county \$73,719.00 to be used as assistance to farmers in carrying out needed conservation practices during the 1946 program year. The Coke County ACA committee, assisted by members of the community committees and other agricultural workers have selected the practices considered as most needed in this county, for which assistance will be available. The practices selected are as follows: Construction of standard and spreader terraces for which proper outlets are provided; construction of diversion terraces; construction of earthen dams; construction of concrete or rubble masonry dams or drops; drilling or digging wells; installing pipe lines; contour furrowing non-cropland; strip cropping on the contour; strip cropping not on the contour; deferred grazing; plowing fireguards on pasture land; and elimination of prickly pear, cedar, and mesquite.

Since we have been allotted a certain amount of funds it is necessary that an accurate account be maintained throughout the year as to the amount being earned, therefore, it is necessary for each producer that expects assistance in carrying out one of these selected practices to secure prior approval from the county ACA committee, by applying at the county AAA office.

The county committee recently elected by the farmers of Coke county to administer the program during the 1946 program year are: Clarence N. Webb, chairman; G. C. Casey, vice-chairman; and J. B. Robertson, third member. M. A. Butner and Ernest Burns were named as alternate members.

The community committeemen elected are as follows: Community A — John B. Walker, Sr., Lowell G. Roane, and Bryan Bartmen; Community B — Will C. Shamblin, Joe D. Miller, and J. L. Brunson; Community C — Lenn Roberts, Sam Powell, and A. B. Sheppard.

**MOORES EXPRESS THEIR THANKS FOR MANY KINDNESSES**

Mr. and Mrs. Walter Moore of Blackwell have expressed the wish to thank their friends in Bronte, Ft. Chadbourne, Blackwell and vicinities for their many gifts of money, toys and books, and for the many cards

and greetings, and for every act of kindness shown to them.

They have especially appreciated the many prayers which have been offered during the illness of their little daughter, Jacque, who has been taken to the Children's Hospital in Dallas, where she is to receive a blood transfusion.

The family was also grateful to the little children in Mrs. Lasswell's room in the Bronte school for their gifts of money, which is to be used for the transfusion that everybody hopes will make the little girl strong and well again.

They also extended their very best wishes to each of you for a New Year of happiness, health, and prosperity.

The staff of the Bronte Enterprise wishes to add its hope that the little girl will enjoy a quick and speedy recovery, and many, many more happy Christmases.

**CARD OF APPRECIATION**

Words cannot express our deep appreciation to our many friends during the recent illness and death of our husband, father and grandfather. We also wish to express our thanks for the beautiful floral offering.

Mrs. D. J. Corley and Family.

**MADERAS ENTERTAINED IN MORROW HOME**

Mr. and Mrs. S. Madera of Corpus Christi left the early part of the week for their home, after visiting here during the holidays with Mr. and Mrs. A. J. Morrow. Mr. Madera is a brother-in-law of Jake Morrow's, and Mrs. Morrow returned to the Gulf coast city with the Maderas, while Jake said he "was going to have to be a bachelor for a while."

Mr. Madera is connected with the office of the Superintendent of Schools in Corpus Christi, and is concerned with matters affecting the school census. On his trip to Bronte, he brought some 250 pounds of grape fruit, which he had grown in his own yard.

"Ordinarily, we get around 15-20 bushels per tree," the visitor declared, "and we have two trees."

Jake killed a hog for the occasion too, so the company had a good feast during the time they were here. Jake says he is going down there when the weather gets warmer, and that he is anxious to start fishing. Seems that he can't get enough fish, could eat it three times a day, so hopes to have his chance before long.

**ARE YOU PARALYZED? Should Gen. Patton Have Died?**

Let us turn now from a consideration of sickness in general to a specific illness—known as paralysis. If you are paralyzed, you certainly want to get well.

Here again, paralysis is caused by pressure on nerves going to various parts of the body. It's just the same thing as when that rock is on the hose—water can't go through, and in this case, nerve force cannot pass along. The result in this case may be paralysis.

Our files contain many records of cases of people who have had paralysis, but who are now well. They received chiropractic adjustments which removed interference on the nerves and they got well.

We regret that the late General George S. Patton did not receive chiropractic adjustments. If so, it could have been a different story. His neck was not completely broken—if so, he would have died at once. A bone of his neck was out of alignment, due to his wreck, and when a specially trained chiropractor was lacking the position of the bone changed to cause pressure on nerves to his heart and lungs and they got bad and he died while his paralysis got better.

You owe it to yourself to investigate chiropractic, if you are paralyzed. You cannot say you have done all you could, unless you try chiropractic. After all, it is your health, your life, and your desire to get well. Seek out the truth, investigate, compare, and analyze. You owe it to yourself to get well.

We want to help you to get well, all we ask is that you investigate for yourself and find out that Chiropractic can remove the interference to your nervous system.

**R. T. CAPERTON TO REPRESENT ARMY RECRUITING**

The San Angelo Recruiting Office has announced that R. T. Caperton, who was recently released from the armed services, has consented to serve in behalf of the Army for the purpose of helping build up a Regular Army to help keep the peace this time.

Caperton is to receive the latest information on enlisting and it is suggested that all men interested contact him for further information, according to word from Captain Roy E. Muddell, San Angelo Recruiting Officer. The young ex-captain was notified of his appointment from Lubbock authorities, and declared he "was highly in favor of this standing Army and would do all he could to help matters along."

"I'll be glad to help anybody I can," Caperton declared, "for this program has my full approval."

**KATHERINE RAWLINGS GIVES DINNER PARTY**

In honor of three of her T.S.C.W. classmates now enjoying the Christmas holidays, Miss Katherine Rawlings entertained with a dinner party last Thursday night, including as guests Misses Betty Jane Higginbotham of Bronte, Ann Guynes of Ballinger, and Jean Duncan of Bronte.

Also present were Randal Meador, Arch Pittman, and Noah Pruitt, Jr. of Bronte, and Joe Guynes of Ballinger. Following the dinner the group enjoyed games of 42 and bridge.

Miss Duncan, daughter of Mr. and Mrs. Clint Duncan, expects to leave Sunday for Denton, where she will resume her studies in Texas State College for Women.

**UNION W. H. D. CLUB ENJOYS CHRISTMAS PARTY**

The beautifully decorated home of Mrs. Felix Allison was the scene of a happy Christmas party on December 20, when members of the Union W. H. D. Club assembled for the occasion.

Mrs. F. S. Higginbotham gave a Christmas reading, following which club members and visitors sang several songs from their new Year Book

under the leadership of Mrs. John Coalson.

The Club President outlined the new Year Book work after which the books were distributed from the gaily decorated Christmas tree.

Amid much fun, the names of the Sunshine Pals were revealed after having been kept secret for the past three months.

A sandwich and salad course along with hot chocolate was served to the 20 members and two visitors, Mrs. Davis of Bronte and Mrs. Leslie Lambers of San Angelo.

Mrs. Truman Parker will be hostess at the next meeting of the Club on January 11.

**EARL D. NUTTER DISCHARGED FROM ARMY**

The Public Relations Office of Ft. Lewis, Washington, has announced the honorable discharge of Earl W. Nutter of Bronte, who received his separation papers on December 21st. He is the husband of Mrs. Inez Nutter of the Cactus Cafe, who is happy to have him home.

**ED DEAN EXPECTED TO ADDRESS P-TA**

Following some 41 or 42 months as a Jap prisoner of war, Ed Dean has at long last returned to his native state of Texas. Brother of Supt. Jeff Dean of the Bronte Public Schools, Ed will talk to the P-TA at its next meeting on Tuesday, January 8, at 2:45 P.M. in the high school auditorium. The public is cordially invited to attend this meeting to hear the speaker discuss his experiences while a prisoner of the Japs, for he has many interesting things to relate.

Ed is now living with his parents in Robert Lee, as they moved there during his absence.

Having landed at San Francisco on October 25, Ed reached San Angelo on November 3, and since then has been resting and relaxing. At the present time he is on a 70 day leave, and is expected to report to the hospital in San Antonio on January 12. After that visit, he is to receive another furlough and then be discharged from the Army.

During the time he was prisoner of war, Ed received his pay as a corporal, but has since been raised to the rank of sergeant.

**PROCTORS ENTERTAIN WITH TURKEY DINNER**

Mr. and Mrs. W. T. Proctor entertained a number of guests with a turkey dinner last Sunday at their home on the T. C. Price ranch. Among those enjoying the hospitality and getting their fill of the Christmas bird with all its trimmings were: Mr. and Mrs. J. A. Huffhines of Winters, Mrs. J. E. Smith of Ballinger, Mrs. Paul Graham of San Angelo, Mr. and Mrs. P. D. Graham of Big Spring, Mr. and Mrs. Eddie A. Voelker of Winters, and Mr. and Mrs. Gerald Proctor and Mr. and Mrs. T. C. Price, all of Bronte.

**LETTERS....**

From the people with whom we lived in Austin during University days, the Everitts, comes a letter saying "it pleased us greatly to receive the Bronte Enterprise, for it is a peppy little paper."

Joe Gregg, chief of the Political Research Unit of the Office of Inter American Affairs in Washington writes that "it's a fine first edition, and more important, reflects the improvement to come. The paper looks very clean and neat, and praise all, has very few typographical peculiarities or errors. It is simply written and a fine paper."

**O. C. IVEYS HAVE GALA CHRISTMAS DINNER**

Mr. and Mrs. O. C. Ivey of the Iveydale Farm near Bronte celebrated the Christmas holiday with their usual Christmas dinner, and included as guests members of their families who came from far and wide to join in the merriment.

The dinner has been a family custom for many years, and Mrs. Ivey is eagerly looking forward to many more of them. The family farms some 160 acres near here, where they are growing fruit and pecans, and where the major portion of the work is carried on by W. W. (Tootsie) Ivey.

The Iveys, good solid citizens, always keep a home that is open to their friends, and on this occasion they included Mr. and Mrs. Frank Keeney among their family group.

Among those on hand were Mr. and Mrs. Ernest Ivey and son, Victor, Mr. and Mrs. W. W. (Tootsie) Ivey, Mrs. Dale Glenn and daughters, Earlene and Panzy; Earl Ivey, E. H. Ivey, and Mr. and Mrs. Ollie Eubanks, all of Bronte.

From Robert Lee came Mr. and Mrs. Cumbie Ivey and son, Cumbie Junior, Ivey; Mr. and Mrs. Buck Ivey and son, Gerald Ivey; Mr. and Mrs. W. O. Eubanks, Jr. and children, Jimmy Ray and Dana; and Mr. and Mrs. Homer Ivey.

Mr. and Mrs. Jim Eubanks came from Caddo, and Miss Earl Eubanks arrived for the occasion from Del Rio.

Mr. and Mrs. Glenn Ivey and Marlene and La Verne were here from California to help make the party complete.

It is interesting to note that the O. C. Iveys came here about 44 years ago, having arrived from Lamapapas in 1902.

**PANAMANIAN POLITICS**

Most of you have read in the papers recently that Panama has just put down a revolt. In order to understand the pattern of that event, let's consider something that has gone before.

Panama, strangely enough, is about the size of our state of Maine, with three mountain ranges and a moist climate.

Its population is around 700,000 and 58 per cent of those are Mestizos. It is estimated that Panama has about 175 Germans and 1,000 citizens of German descent, plus 600 Italians and 400 Japanese. Its official language is Spanish.

In 1942 Panama had 230,000 acres under cultivation, and was growing rice, corn, coffee, sugar, tobacco, beans, and tropical fruits. Cattle raising is also important, and the Government is encouraging the raising of beef and dairy cattle.

It was just before Pearl Harbor, or on October 9, 1941, that President Arnulfo Arias was replaced by Ricardo Adolfo de la Guardia. Arias (who recently figured in this revolt) had made far-reaching reforms which generally were considered totalitarian in character, and had arranged for a new Constitution. When he left Panama to visit in Havana, Cuba, without securing permission, his place was declared vacant and de la Guardia then assumed office.

Arias later went to Argentina, and did not return until about two months ago. In the meantime, de la Guardia left office last spring and was replaced by Enrique Jimenez as President. When Arias did return, he sought to gain power once more, only to be defeated in his attempts.

Thus you have a deposed President trying a revolt to regain power, but this effort has failed.

**MRS. TUBB PRESENTS GIFT TO ROBERT LEE METHODIST CHURCH**

In memory of her late husband, Frank M. Tubb, Jr., Mrs. Frank Maxwell Tubb has presented to the First Methodist Church a beautiful gift of a table and candelabra.

He will be remembered as the grandson of Mrs. Ava Maxwell of Bronte, and was a young man who gave his life in World War II.

**JUST AMONG US FOLKS**

Glad to hear that Jerry Dean is back from the hospital. In order to avoid complications, Jerry went to the hospital in San Angelo late last Friday night, but was back home Monday.

Ronnie Robertson, too, is much better after having been down but not out. Just can't keep these young ones out of circulation very long.

Miss Jerry Mitchell, our Robert Lee correspondent, has been keeping herself busy. She'll be glad to receive any news you people over there will turn in, and she'll also be happy to sell you a subscription to the Bronte Enterprise. You don't have to write it up in any finished form — just turn in the facts to Jerry, and we'll do the rest. Thanks!

Skinny Adams was having a good time last week while trying to get a bunch of sheep across the bridge. He finally talked them into moving along, but looked a bit warm under the collar even if it was cool.

Mrs. Dollie Wylie, who makes her home with her son, Judge McNeil

Wylie, has now returned after visiting in the home of another son, Milton Wylie, over the week end.

Many thanks to all you people who sent and mailed in news items this week. We're always glad to have your news, and intend to print it all!

Glad to have a note from C. C. Glenn of Bronte . . . Mr. and Mrs. Lothlan Mahon, she's the former Miss Josephine Taylor, have gone to Lamesa. Willis Smith, of course, looks forlornly around the office now since she left.

Nice to hear from Mrs. W. T. Proctor and Mrs. T. C. Price.

Mrs. C. O. Meador is sure enjoying life down Tennyson way. Be glad to see more of you people dropping around.

Did you know that B. E. Davis of Robert Lee is one of the oldest settlers around here? But he has no trouble renting that farm of his.

Mrs. J. R. Johnson has plenty to do, and she was having a good chat the other day in the County Clerk's office.

**JOHNSONS ENTERTAIN CHRISTMAS DAY**

The home of Mr. and Mrs. J. R. Johnson, three and a half miles north of Bronte, was the scene of a happy celebration Christmas Day when members of the family gathered for a grand home-coming and to enjoy a fine turkey dinner with all the trimmings.

All of the children were present except Mrs. Willis Smith of Robert Lee, who was with her husband in Houston, where his mother passed

away. Their sons, Willis Wayne and Royce were also with their parents in Houston.

Among those on hand, however, were the following: Mr. and Mrs. J. N. Johnson and son, Delbert, of Mexia, although their older son, Dale, was in Manila and unable to be on hand. Mr. and Mrs. L. B. Johnson and children, Cloma Belle, Louella, Jo Lois, William, James, and Dwaine, of Colorado City; Mr. and Mrs. L. T. for the Methodist Youth Fellowship of the sub-district, held in the Trinity Methodist Church. The pastor and 14 young people attended, 3 of whom were from Tennyson.

Monday night the young people enjoyed a watch-night party jointly with the Baptists. We are thankful to them for inviting us to cooperate, and more parties are expected in the future.

On Wednesday evening, at 7:00, the Workers' Council met at the parsonage to consider and plan with the pastor the educational work of the church. The primary consideration was evangelism in our educational program.

This evening at 7:00, the Board of Stewards will have its first meeting with the pastor in the parsonage.

Next Sunday will be Holy Communion Sunday, and the sermon will be "Renewing Our Covenant With Christ." At the evening service, the pastor has been requested to speak from his experiences as a chaplain in the European Theater of war. His subject will be "The Work of the Chaplain in a Front Line Hospital."

Rev. McCrary was the chaplain with the 101st Evacuation Hospital with General Patton's army during the entire career of the Third Army in Europe. Everyone is cordially invited.

The young people are urged to be present Sunday night for the organization of the Methodist Youth Fellowship following the evening worship.

The pastor is visiting this week in the Tennyson community preparatory to holding his first service in the Tennyson Methodist Church next Sunday afternoon at 3:30. Everyone in the Tennyson community is invited to this opening service.

The First Quarterly Conference for Bronte will be conducted by the Rev. Fred H. Hammer, Wednesday evening, January 9, beginning at 7:00. The public is invited to this meeting. Come to church - it is never made strong by absent members.

**NON-COMS TO GET PERMANENT GRADE BY REENLISTING**

Captain Roy E. Mundell, Commanding Officer of the U. S. Army Recruiting Station in San Angelo said today that Non-coms of the Army of the United States may apply for their discharges for the purpose of immediately reenlisting in the Regular Army and they may hold their hard-earned stripes. Instead of temporary grades these ratings now become permanent. In order to get in on the big pay-off with no lay-off in the Regular Army you must reenlist within 20 days after date of your discharge.

Capt. Mundell said, "Remember, soldiers, you will get your reenlistment bonus, furlough with mileage allowance, your choice of branch of service, you keep your rank, collect your mustering out pay, benefits of family allotments, the GI Bill of Rights, and above all a good pay job as long as you live." The captain also pointed out that Congress has passed a new retirement bill, enabling you to retire after 20 years of active service. Think this proposition over. Nev-

## AGRICULTURALLY SPEAKING

### SEA OF MILK!

AMERICA'S COWS GIVE ENOUGH MILK IN A YEAR TO FLOAT THE UNITED NATIONS NAVIES.

AND MILKING A COW THREE TIMES A DAY INSTEAD OF TWO WILL RESULT IN A TWENTY TO TWENTY-FIVE PERCENT INCREASE.

IN THE 18th CENTURY, A POLISH GIRL COULD PROPOSE TO A BASHFUL YOUTH BY BAKING HIM A LOAF OF BREAD AND SENDING IT TO HIM.

APPROXIMATELY 7% OF THE LAND IN THE UNITED STATES IS USED FOR AGRICULTURE.

IN 1776 WE HAD 19 FARMERS TO ONE NON-FARMER. NOW WE HAVE ONLY ABOUT 4 FARMERS TO 19 NON-FARMERS!

er before has Congress offered so much for your services to your country. This time the American people want to keep the peace and they realize that the price for maintaining an adequate Army is mighty small compared to that of war. The people do not want just an Army superior in numbers; they want an intelligent, well trained group of men that they can depend on to keep this hard won peace. Where better can they find a man of this caliber than among the multitudes of GI Joes who so heroically served their country during the war? The past war years have given training to young men that easily enables them a good start in the Regular Army as a career.

"Men," the captain said, "here is the point I want to stress, many of you between the ages of 18 and 34 are undecided about your future. You do not want to return to school, or maybe you do not want to return to your old job under the present conditions; soldier, if this is the case, come back in the Army. You are not likely to be satisfied in civilian life and now almost more than ever your country needs you as its protector and Guardians of Victory."

### CATHOLIC BISHOP APPROVES PLAN FOR RECRUITING

The Regular Army Recruiting Campaign has received the approval of Bishop Lawrence Fitzsimon, Catholic Bishop of Amarillo, Texas. In endorsing the Regular Army Recruiting Campaign to enlist men to guard the peace and enable our nation to fulfill its obligations to the United Nations, Bishop Fitzsimon in a letter to Lieutenant Colonel Hardy, West Texas Recruiting Officer, said:

"I think that our Government by extending the privileges of a good education to all young men who enlist at this time is doing a wonderful thing for the benefit, especially, of those who could otherwise not afford to go to school. These opportunities certainly should be of great interest to parents and I urge them to investigate the possibilities that are now being offered by the Regular Army. At the present time this opportunity must be taken advantage of before October 1946.

"Having given this matter my full consideration, I wish to state that I heartily approve of the program that the Regular Army is offering and I urge upon parents and those interested to contact the nearest Army Recruiting Officer. I have been assured that an adequate number of Chaplains are assigned to the service and every provision will be made for the religious needs of the young men who will enlist under this educational program."

The Recruiting Campaign which is being pushed to the maximum at this time will appeal not only to the patriotism of eligible young men, but to many men who desire to earn their college education through the G. I. Bill of Rights by serving their country at a time when their service is most needed. The extension of the G. I. Bill of Rights by the Voluntary Recruitment Act of 1945 has been hailed by educators as one of the most liberal opportunities offered by the Government to its post war soldiers.

All persons interested in obtaining information about the opportunities which are now available to men who enlist at this time are urged to contact the nearest U. S. Army Recruiting Station. Recruiting Stations are located in Amarillo, Big Spring, Lubbock, San Angelo, Abilene, Plainview, Childress, Pampa, Borger, Wellington, Lamesa, Ballinger, Odessa, Dalhart and Sweetwater, Texas.

### GENEVA TEAGUE WEDS ARTHUR LEE SELLERS

Mrs. D. R. Teague announces the marriage of her daughter, Geneva, to Arthur Lee Sellers, son of Mr. and Mrs. A. W. Sellers of San Angelo, Texas.

The wedding took place at 4 P. M., December 6, with the Rev. R. T. Williamson, pastor of the North Side Church of Christ officiating at the double ring ceremony.

Mr. and Mrs. Alva Davis, brother-in-law and sister of the bride attended as best man and matron of honor. Relatives and close friends of the couple were included as wedding guests.

The bride attended Bronte High School before moving to San Angelo. The couple will live in Fort Worth where Mr. Sellers is employed at the post office. He has recently been discharged from the Navy.

**Tomorrow's Farmers Look Ahead**

America's farm future is safe in the hands of young 4-H Club members and members of Future Farmers of America. These young people will know how to enjoy the peace which their fathers and older brothers fought so hard to win. They especially know the value of time saving aids on the farm. That is why tomorrow's farmers can be depended upon to demand the best in rural telephone service. We'll be proud to serve them.
