BRONTE, TEXAS, JANUARY 18, 1946

No. 3

L. T. YOUNGBLOOD RE-ELECTED TO HEAD UPPER COLORADO OFFICIALS

L. T. Youngblood, President of the First National Bank in Bronte, was re-elected chairman of the Upper Colorado River Authority for another year in a meeting last week at San Angelo. Chosen to serve with Youngblood were H. G. Wendland, San Angelo manufacturer, as vice-chairman, and Gerald C. Allen, Robert Lee druggist, as secretary-treasurer.

When notified by Col. D. W. Griffiths, district engineer, and his assistant, Col. Henry Norman, that no contribution to a North Concho dam had been made by any local governmental agency, UCRA Director C. L. Green of Winters moved that 50,000 acre feet of storage be included in the reservoir for domestic and industrial purposes, and that the UCRA pay half a million dollars to the War Department for such storage at the rate of \$25,000 per year.

It is generally known that the law which established the UCRA authorized it to receive Tom Green and Coke Counties' rebated state general fund revenues, this for a period of 20 years, provided the federal government appropriates as much as two million dollars toward the building of water projects within the UCRA territory. But if some project is not begun before January 1, 1948, such monies would not be used by the counties.

The UCRA has already pledged \$1,000,000 to the Bureau of Reclamation for the Colorado River dam and irrigation system.

Only about 100,000 acre feet of water storage is deemed advisable for the North Concho dam, since it is primarily for flood control.

If the North Concho project then gets underway before 1948, the life of the UCRA is assured for 20 years more, and after construction is started, plans for the Colorado River project can again be pushed.

L. T. YOUNGBLOOD

GERALD C. ALLEN

BLACKWELL H. D. CLUB MEETS

By Mrs. Austin Jordan

The County Home Demonstration Agent, Mrs. Elsie Wilkerson, conducted an Officers' Training School last Wednesday in the home of Mrs. Austin Jordan, as the Blackwell H. D. Club members received 1946 year books, made plans for the new year, and outlined duties of the officers and committees.

Home decorations included winter scenes, as the lace covered dining table was centered with a huge crystal ball on a mirror plateau, surrounded with multi-colored balls and greenery. A salad course was served to Mesdames Elsie Wilkerson, Vernon Haggerton, R. H. Reaves, Charles Ragsdale, B. P. Ragsdale, Lou Smith, D. H. Alsop, Arnold Richards, and the hostess.

TENNYSON H. D. CLUB HOLDS 1946 MEETING

By Mrs. Marvin Corley

Five members and three visitors attended the first 1946 meeting of the Tennyson H. D. Club on January 10 at the home of Mrs. Joe Miller.

County Home Demonstration Agent Miss Fay Croslin conducted an interesting demonstration on upholstery. The next meeting is to be on January 24th in the home of Mrs. Marvin Corley, where a demonstration will be given on making hat stands and shoe racks.

WHAT GOES ON HERE

Glad to hear that the Hiram Brock family are now all home and "doing fine." Mrs. B. G. Timmons is also home and resting as well as possible, the Enterprise has learned. Members of both families were injured last month in an auto accident.

Congratulations to Mr. and Mrs. Pete Nutter on the opening of their re-decorated Cactus Cafe. They're now ready to serve you with the "mosta of the besta" in good food, served the way you like it. Pete is recently home from the wars, while Mrs. Nutter has been doing the job during his absence. They invite their friends to drop in at any time.

Speaking of cafes, have you noticed that the Club Cafe has opened up in Robert Lee? Operated by Mr. and Mrs. J. C. Strickland, they feature steaks and Mexican food. Mrs. Strickland was formerly connected with the Manhattan Cafe in Coleman, and used to feed the editor there when he taught in the Coleman High School. They brought their own chef with them too! They'll be glad to see their friends in there too.

Lee is the son of Mr. and Mrs. A. E. Latham of Robert Lee, is married and the father of a two-year-old daughter. Already well-known in Coke County, Lee expects to see each voter before election day, and respectfully solicits their vote and support. When elected to office, he expects to discharge its duties in a capable fashion, for by training and experience, Lee is qualified to hold the office he seeks.

LEE R. LATHAM
Candidate for Sheriff

LEE R. LATHAM MAKES ANNOUNCEMENT FOR SHERIFF

We are pleased to present the name of Lee R. Latham in our political announcement column this week as a candidate for the office of Sheriff, Tax Assessor and Collector of Coke County.

Lee Latham, born and raised in Robert Lee, is a graduate of the Robert Lee High School and later attended John Tarleton college at Stephenville, where he was recognized as an outstanding man.

Entering the Army in December, 1941, Lee served with the military police forces in the San Francisco area, where he became interested in law enforcement. Following his honorable discharge from the armed services, he was offered a position with the homicide squad of the San Francisco police force, but declined the post in order to return to West Texas.

It was while he was in the service that Lee received his pilot's wings and a commission as a first lieutenant. As a fighter pilot of a P-38, he spent 11 months overseas in the South Pacific area.

Lee is the son of Mr. and Mrs. A. E. Latham of Robert Lee, is married and the father of a two-year-old daughter. Already well-known in Coke County, Lee expects to see each voter before election day, and respectfully solicits their vote and support. When elected to office, he expects to discharge its duties in a capable fashion, for by training and experience, Lee is qualified to hold the office he seeks.

OTTIS MACK PHILLIPS RETURNS

Son of Mr. and Mrs. George Phillips, Ottis Mack Phillips received his honorable discharge from the Army on January 10 after having served nearly three years, 19 months of which were spent in the Asiatic theatre. The young man wears three battle stars, which were earned on Luzon New Guinea, and the South Philippine Islands while he was with the 13th Air Force.

Arriving home on January 13, he came in time to join in the three-party birthday dinner given in the home of Mr. and Mrs. Claud Beavers in honor of his grandmother, Mrs. Mary E. Phillips, his uncle, Walter S. Phillips, and his cousin, Harold Franklin McCutcheon.

In celebrating her 64th birthday, Mrs. Phillips said she "didn't feel her age at all, while Walter said he "was lucky not to have but 44 years behind him." Harold was unconcerned, "I'm only 9 this time," said he.

The dinner, including cake and ice cream, of course, left nothing to be desired, and those who could joined in an old-fashioned sing-song, along with Mrs. O. E. Allen and Mr. and Mrs. Jim Adair and family who came to help out.

Among the 50 persons present were: Mr. and Mrs. Walter Phillips and family, Mrs. George Phillips, Frank, Ottis, and Jonelle; Mrs. Gertrude Gray and family, Mrs. L. M. Jones and children, Mr. and Mrs. Luther McCutcheon and family, Mr. and Mrs. Claud Beavers and Mary and Mrs. Mary E. Phillips, all of Bronte.

Also Mr. and Mrs. Homer Mathews, Mr. and Mrs. Charlie Phillips and family, Mr. and Mrs. Pat Nichols of San Angelo, Mr. and Mrs. Orb Kiker of Rotan, Mr. and Mrs. Buck Ivey and Gerald of Robert Lee; Mr. and Mrs. Pete Powell and Tom; and Mrs. John Powell of Eola.

ROBERT FORMAN MAKES ANNOUNCEMENT FOR COMMISSIONER PREC. 2

In announcing his candidacy for Commissioner, Precinct 2, Robert Forman would like for the people of Coke County to know that he will bring to office when he is elected, a full sense of responsibility and duty to his job.

He hopes to see and visit with each voter before election time, and earnestly solicits their vote and support.

With the cooperation of the people, he plans to work for the common citizens, and do the things they want to have done.

Having lived in the County for 8 years, he feels he understands the problems facing the people, and expects to do his utmost for them at all times.

"I expect to cooperate fully with the other County officials," Forman said, "to the end that our acts will always be done for the improvement of Coke County."

"I also invite your attention to my past record of working for and helping Coke County in every way that I can, and when elected to office, I shall continue to do all that I can."

For the last two years, Forman has been working with the A.A.A. as a range inspector, so has had a fine opportunity to study the county thoroughly, understand some of its problems, and to become acquainted with its people.

In soliciting the vote and support of the people, Forman realizes the trust and responsibility that may be imposed upon him, and is fully willing to face any and all problems that may arise.

MR. AND MRS. BUCK COLEMAN ARE PROUD PARENTS

T/5 and Mrs. Buck Coleman are the proud parents of a baby girl, born December 12, 1945, in Tacoma, Washington. Her name is Judy Lynn, and she weighed 7 1/2 pounds at birth.

Mrs. Coleman is the former Miss Iva Bell Lynn of Divide, and will be remembered as a teacher in the local school system. Mr. Coleman, formerly with the A.A.A., has been away in the service for the past two years, but expects to be released early this spring.

Mrs. M. P. Coleman of Bronte is a grandmother, and she and all the rest of the family are highly pleased.

THE COMMUNITY SERVICE CLUB MAKES PLANS FOR AUDITORIUM

FILE APPLICATIONS FOR SUBSIDY PAYMENTS WITH A.A.A.

Dairy Feed Payment

All persons selling whole milk, cream, or butter must file their application for Dairy Feed Payment before March 1, 1946, for all sales made during the period October, November and December, 1945. Subsidy payments of less than \$1.00 will not be made.

The rate of pay for the above mentioned period is 17 cents per pound on butterfat and 70 cents per hundred-weight for whole milk.

Receipts of sales must be presented when making application.

All applications must be filed with the AAA Office.

Sheep, Lamb and Beef Production Program

File your application for subsidy payment for sheep and lambs sold for slaughter and for beef sold for slaughter with the AAA Office within 60 days from date of sale. Only one application may be filed within a calendar month, therefore, if more than one sale is made in one month, submit all receipts on one application.

The rate of pay for sale of sheep and lambs for slaughter (per hundred pounds live weight) is as follows:

	Lambs	Lambs
Nov., 1945	1.50	2.15
Dec., 1945 & Jan., 1946	2.00	2.65

Payment for all other sheep and lambs will be \$1.00 per hundred pounds live weight.

Payments at the rate of 50 cents per hundredweight, live weight, shall be made to eligible feeders for eligible cattle sold for slaughter. Beef cattle must weigh at least 800 lbs. and must be sold for the minimum price for good grade. The price applicable for Coke County is \$13.50 per hundredweight.

Insurance on 1946 Cotton Crop Now Available

The Federal Insurance Corporation is now offering insurance on 1946 cotton crops. All interested cotton farmers should check with the AAA Office in regard to their insured yield. The set premium rate for Coke County is 7 lbs. for 75% insurance and 2 lbs. for 50% insurance.

Work on 1946 A.A.A. Program Has Begun

Clarence N. Webb, Chairman of the County AAA Committee reports that work on the 1946 Program is in progress. To date the committee has issued 41 prior approvals, amounting to \$11,165.57.

Mr. Webb urges all farmers and ranchers to have their prior approvals for any 1946 practice that they are going to carry out. Payments cannot be made unless a prior approval has been issued. Applications for approvals must be filed with the County office.

The 1945 AAA Program in Coke County Had Good Participation

The 1945 AAA Program Year has been one of the best years for completing soil-building practices in Coke County, according to Mrs. Christine G. Roach, County Administrative Officer.

During the 1945 year, \$75,000.00 was earned by the farmers and ranchers for only carrying out the four following practices: drilling wells, construction of tanks, constructing terraces, and elimination of destructive plants.

COUNTY LIVESTOCK ASSOCIATION WILL SPONSOR SHOW

According to information revealed by County Agent Travis B. Hicks, the Coke County Livestock Association is expected to sponsor its annual Junior Livestock Show on February 25-26 in Robert Lee.

Projects for the girls are to be handled by Miss Fay Croslin, county demonstration agent, since their projects are being added for the first time.

"Approximately \$500 in prizes will be awarded," Hicks said, "and arrangements are being made to hold the show indoors in case the weather is bad."

Members of the Bronte Community Service Club in regular session last Friday night, January 11, heard Hubert Whitt and Rev. C. R. Blake present a well-rounded and developed program for a city auditorium. Both men recently conferred with members of the Bronte City Council, which is expected to cooperate fully with the proposals.

As presented to the Club, the recommendations included the following provisions, which were outlined by Rev. C. R. Blake:

- (1) Move Lowry's barbershop.
- (2) Move center partition back 8-10 feet.
- (3) Install women's rest room and lounge.
- (4) Install other lighting equipment as needed.
- (5) Paint and decorate walls, ceiling, and floor.
- (6) Decorate front of building.
- (7) Provide space for auditorium, and equip with chairs, table and desk, speakers' stand, and other items as needed.

It was also pointed out that, despite warning signs in the middle of the street, people persisted in parking there, especially on Saturdays. Texas Highway patrolmen have indicated their disapproval of the practice, and Mayor R. E. Cumbie requested the editor to give full publicity to a program urging observance of the law.

ESCUE-HIGGINS WEDDING IS SOLEMNIZED

In a simple but beautiful ceremony read last Saturday night, January 12, at 8:00 o'clock, by Rev. Fred Blake, pastor of the First Baptist Church in Robert Lee, in the Baptist parsonage, Miss Alma Jean Escue became the bride of Floyd R. Higgins.

Becomingly attired in a green suit, the bride carried a corsage of white carnations, and was attended by Miss Jerry Mitchell as maid of honor, and James Thomason attended the groom as best man.

Daughter of Mr. and Mrs. J. H. Escue of San Angelo, the bride has been employed as a bookkeeper at the Walgreen Drug Company in San Angelo.

Mr. Higgins, son of Mr. and Mrs. Ell Higgins of Robert Lee, is now employed as a mail carrier covering the route from San Angelo to Robert Lee.

Following a brief wedding trip, the couple expects to make their home in San Angelo.

I GIVE YOU TEXAS

By Boyce House

It was Mark Twain's "Puddinhead Wilson" who remarked, after listening 15 minutes to a dog howling under the floor of the village grocery store porch:

"I wish I owned half of that dog."

"What would you do?" someone asked.

Puddinhead replied, "I'd kill my half."

Like the fellow who bought a half interest in a cow. In fact, he bought half of the cow, the front half, and his partner owned the rear half. This fellow said:

"All I did was feed my half and the other man milked his half."

"What did you do about it?" somebody inquired.

"Oh, I quit feeding my half - and his half died."

PAUL GOOD

Candidate for Sheriff, whose announcement appeared in these columns last week.

which prohibits parking in the middle of the street.

Acting upon the suggestion of Bob Knierim, President Frank Keeney appointed a nominating committee to select names of officers to be submitted at the next assembly, and named Hubert Whitt, Bob Knierim, and R. E. Cumbie to serve in that capacity.

Young People

The young people of Bronte also received a good bit of comment. Hubert Whitt noted that "the preachers seem to be the only ones doing anything for the young people here," while Rev. Blake pointed out that the majority of those who attended the New Year's Eve watchparty were composed of young people.

"The majority of the group were teen-agers," Blake asserted, "and the criticism came from those who did not even attend the services."

"Such gatherings are wholesome things," Blake added, "and if we don't furnish wholesome and supervised recreation - the devil will!"

Rev. George McCrary also endorsed a program aimed at helping the youth of Bronte to help themselves.

"One of the liveliest groups there is may be found in the organization of Cub Scouts," McCrary noted, "and I hope they can be started here."

"It needs good leadership, too," he pointed out.

R. E. Cumbie then declared that "a good Scout organization will do much to help the problem of the young people here in Bronte."

"We can accomplish much good if we'll all pull together," Frank Keeney observed.

R. T. Caperton then spoke briefly, declaring that a group of Scouts was now being organized, and that he would do all that he could to help.

Water Situation

Emmett Caperton reported that a test well was being sunk to determine the availability of more water.

O. W. Chapman, reporting for the better housing committee, said that steps were under way to improve conditions, and that the aid of an attorney would be sought to help clear up titles on land owing delinquent taxes.

Trade Extension

Since Leroy Price has moved to Lubbock there was no chairman to report, but it was indicated that plans for the frozen locker plant had fallen through. This is due to the fact, it was said, that those planning to build feared the competition of home freezer units. M. A. Butner was selected to carry on negotiations with another group to the end that a frozen locker plant could be obtained for Bronte.

Butner also reported that work on the REA lines could be expected to start in the near future.

Sanitation

There was no committee report on sanitation and beautification, due to the absence from the city of H. A. Springer.

Hubert Whitt, however, declared that "we should review the ordinances and get the City Council to enforce them ones now on the books so that these old toilets around here can be moved."

C. R. Smith said there was nothing to report about the airport development program at this time, and Whitt said the better roads committee expected to confer with Winters representatives next week.

With respect to the Park Committee, Emmett Caperton said some work would be done when the weather cleared up, and R. T. Caperton, chairman of the American Legion committee, suggested that "30 men could spend half a day there and fix it up."

While discussion was underway on the double-parking situation, J. T. Henry noted that "it might help if there were lights to show people where to park," and it was Whitt who proposed that the Club go on record as opposing the double-parking traffic hazard.

UNION W. H. D. CLUB MEETS WITH MRS. PARKER

By Mrs. Truman Parker

Meeting on January 11 with Mrs. Truman Parker, seven members and three visitors, in the absence of the president, decided to hold their next meeting with Mrs. John Coalson on January 25th. In this all-day meeting, a demonstration on upholstery is to be given by Miss Fay Croslin.

DO YOU NEED A 1946 CROP LOAN?

Loans are now being made to finance 1946 crop production in Coke County, according to J. C. Hunnicutt, local Field Supervisor for the Dallas Emergency Crop Loan Office of the Farm Credit Administration.

Applications for these loans are being taken in County Agent's Office at Robert Lee or 2nd Floor Court House, San Angelo.

The security required is a first lien on the crops to be financed. The loans are available only to those farmers unable to secure loans from banks or other sources.

These loans, generally known as "The Seed Loans," have been made in Texas since 1931 and have proven of great benefit to farmers whose cash requirements are small. Repayment of the loans has been high. Borrowers are required to plant large gardens for home use and a balanced program of feed, food and cash crops is encouraged.

A loan to finance the purchase or production of feed is also made on livestock by this Agency.

The maximum loan to an individual is \$400.00.

The seed and feed loans are administered in Texas under the direction of W. E. Farwell, manager of the Emergency Crop and Feed Loan Office, 405 U. S. Terminal Annex Building, Dallas 2, Texas.

IT CAN'T HAPPEN HERE

The minister arose to address his congregation. "There is a certain man among us today who is flirting with another man's wife. Unless he puts five dollars in the plate, his name will be read from the pulpit."

When the plate came in, there were nineteen five dollar bills and two dollars pinned to a note saying "I'll give the rest on pay day." — Texas Outlook.

Get paid to travel while you serve your country in the Regular Army of the U. S.

EDITORIAL

LET'S NOT PARK HERE

No, the middle of Main street is not meant to be a parking zone. Signs clearly point out that parking is to be done elsewhere. Let's remember that, and even more important, let's do that. No, no parking in the middle of the street, not even you.

UCRA

Men of the UCRA are to be congratulated for their fine work and effort toward the building of a bigger and better Coke County. San Angelo business men have cooperated to the utmost, and to them we owe our thanks. With everybody pulling together we can win the game. Three cheers for UCRA!

READY TO VOTE?

Less than 800 poll taxes have been paid so far. Tut, tut, tut! Let's not come to election day, able to do nothing but stand around and watch other people go in and vote for the candidate of their choice. Our choice? Sure, we have one, but just forget to get that poll tax paid. Tsk, tsk, tsk!

THE YOUNG PEOPLE OF BRONTE

Judging by what went on at the Bronte Community Service Club the other night, young people of this area may be in store for better things. Cub Scouts, Boy Scouts, and other activities were mentioned, and plans seem to be well under way.

It takes both sides, though, for the older men and women want to help the younger set to help themselves. That's an important distinction. We appreciate little that is handed to us, we like it better if we have to work for it. Youth, then, must also cooperate, take care of its obligations, assume its responsibilities, take care of its property, and share and share alike. It's a hard row, but it can be made to reap rich benefits.

CHALK DUST...

FROM BRONTE HIGH SCHOOL

Honor Rolls

Students on the honor roll this six weeks included: Mary Jane Powell, Carol Lynn Thomason, Johnnie Smith, Winnie Hazelton, Rickie Dell Hester, Linda Lasswell, Beverly Browning, Patsy Pittman, Jimmie Coppage, Billy Alexander, Don Glenn, and Lester Dean Caperton, from the Second Grade.

Those on the Third Grade honor roll included Virginia Clark, Jerry Gassiot, Frances Ann Carlton, Bill Maxwell, Mary Ann Gray, Jimaileen Clark, Shirley Scott, and Judith Anderson.

Third Grade had two new students, too, Vernon and Francis Jones of Harriett, who received a warm welcome.

Junior Play

"No Foolin'" is to be presented February 18, 1946, by members of the Junior Class at the Bronte Gym. A comedy in three acts, the play will include Sissy Barbar as Dinah, the negro maid, Billy Marks as Prunella, a prim and peppery old maid, James A. Taylor as Mr. Burton, a man of 45 with an almost pleasing disposition. Joan, the romantic Burton daughter is played by Katie Bell James, and her conceited boy friend, Hal, is played by Frank White.

Jewel Latham plays Gail, Charles Blake plays Malcolm. Young friends of Hal and Joan are Molly, Mary Lee Davis; Frank, Joe Lee Scott; Tom, Portis Robbins; and Lupe, Johanne Gassiot. Phillip, a playwright, features Billie Charles Simpson. Mrs. Merrick is played by Rosa Lee Langford, and Mr. Beach, a detective who steals the show, is played by L. E. Conger.

The class is sponsored by Betty Ruth Crow, director, who will be assisted by Mrs. Jeff Dean, speech teacher.

Here and There

Hey, ho! Seniors are throwing a skating party next Monday night at Robert Lee for the juniors. Jewel Dean Latham is advertising for a floor assistant. Billy Dwane King? He has patched up his recently-acquired strip-down so much recently that he would be good at first aid repairs in case of accident.

Since mid-term, Mr. Vestal Flores has taken over the English Department. Welcome back, Mr. Flores.

Since Mr. and Mrs. Jake Kevil have moved to San Angelo, their daughter, Myra Lou, a senior, has moved into "Eubanks Dormitory." Other occupants include Misses Betty Crow, Lillian Carr, Thelma Carr, teachers, and Katy McCutchen, a senior. Mrs. Eubanks is taking nerve tonic regularly.

Seen the Home Making Department lately? It has a new paint job on the floors and kitchen stools, and some red and yellow cup towels—brightens up the joint too.

Best All-Around Boy and Girl Selected

According to Supt. Dean, the faculty has awarded the title of "Best All-Around Girl and Boy of '46" to Anne Franklin, a senior, and Frank White, a junior. Congrats! Qualities considered were citizenship, scholarship, attitude, extra-curricular activities, popularity among students, and personality. Winners' pictures will be in the annual, and the decision was a difficult one to make.

Recent Birthdays

Carol Lynn Thomason, Jan. 2nd, 8;

Jimmie Coppage, Jan. 15th, 7; Beverly Browning, Jan. 6th, 8; Mrs. Gassiot, Jan. 10th, age ?????

Games

The "Outsiders," mostly ex-students of B. H. S., lost to the high school squad last week in volleyball, with a team composed of Joy McDaniels, Helen Luckett, Wilma White, Maxine Pruitt, and Dorothy Lee. Coach Gassiot's team faced Horace Liles, Norman Alexander, Francis Pruitt, Junior Pruitt, Bob Bentry, Randal Meador, Lloyd Hudman, Dwane Wrinkle, Heidel Brunson, and James W. Scott. These "oldsters" struggled to a 30-27 victory. Three cheers!

Our Annual

Outsiders can buy them! See Iris Brooks, Editor-in-Chief, or Marie Alldredge, Business Manager. The staff has been selling ads too, and thanks to all those who have responded.

New Officers

New 8th Grade officers include: Bobby Clark, president; Randall McCutchen, vice-president; Doris Nell Adair, treasurer; Marlene Arrott, secretary; Pauline Beaver and Norma Jean Gentry, reporters; Jack Neal Vaughn, watch dog; and Dorothy Walton, finer.

Basketball and Volleyball Tournament

Bronte Athletic Club, under the direction of Coach H. R. Gassiot, will hold a tournament beginning tonight, January 18th, at 6:00 P. M., with admission of 15 cents. Four games will be played Friday night, and play resumes Saturday morning at 10:00 A. M. Finals will be run off Saturday night.

Among teams expected to compete are those from Winters, Christoval, Norton, Wingate, Millersview, and Bronte. Representatives from Eola, Robert Lee, Ballinger, Norton, Christoval, Wingate, Bronte and Millersview will compete in volleyball. First and second place winners will be awarded trophies, and individual awards will be given to "all-tournament" team members.

Don't miss it! Hot chicken lunch and short orders will be served in the lunch room, and proceeds will go to the Athletic club to defray tournament expenses, and to aid in paying for football jackets for B.H.S. lettermen. Food donations are welcome, see Mrs. H. R. Gassiot.

Meetings

Junior Class mothers will meet in Home Economics Department Monday, January 21, at 2:00 P. M. to discuss Junior-Senior reception which is to be held March 21.

History? Yes! According to Bob Pierce

The American History class has finished the first semester with flying colors — no "complete failures!" Mrs. Dean stressed the U.S. Constitution so much that the class now feels it can advise Congress with respect to the next amendment.

Arguments, no, rousing discussions, yes! When they occur, it knocks the old-fashioned belief "two points to a question." Here there are three: the students', the teacher's and the right one.

Publishers of "Twentieth Century Unabridged Dictionary" must have been very embarrassed — the Bronte American History Class sent them a complaint about a Congressional term being described incorrectly. To the satisfaction of the class, a reply acknowledged the error.

Cecil Coalson, star member of the class, is now contemplating writing President Truman about the shortage of chewing gum and Hershey bars.

Title Suits

Three San Angeloans, Mrs. Zadie Runkles McIver, Rhodes E. Runkles, and Sam Runkles, plaintiffs, have filed suit in trespass to try title to the Cavitt ranch, which consists of a little less than 6,307.4 acres in Block 16, H. & TC R. R. Co. Survey.

Defendants are relatives and heirs of the late Sid Cavitt of Coryell, J. F. Cavitt of McLennan County, S. A. Cavitt of Travis County, Dr. and Mrs. Charles Collins of McLennan County, Robert and Cora E. Armstrong of Brazos County, W. T. and Florence Goode of Harris County, W. F. and Elizabeth C. Taliaferro of Dallas, Taylor Cavitt of Dallas, Frank Cavitt of San Angelo, Sheridan Cavitt of Bell County, Hugh Cavitt of Presidio County, Carter Cavitt of Harris County, James Cavitt of West Virginia, Ruth Cavitt of Brazos County, and W. D. Cavitt of Brazos County.

Plaintiffs charge that the land has been unlawfully occupied for one-half month, and that rental value is \$500 per month, so they seek judgment for title and possession, damages, costs, and general relief.

JAMES KEENEY VISITING HERE

James Keeney, Machinist Mate, 2nd class, is now home on leave after being in the Navy for 3 years, 19 months of which were spent overseas.

Son of Mr. and Mrs. J. L. Keeney, James arrived last week, and is expected to leave on February 7, when he is to report to Dallas for further orders.

The young man lacks but 3/4 of 1 point before he will receive his discharge, following which his plans have not yet been disclosed.

PEACE OFFICERS AFTER FORGERS

Austin, Jan. 18 — FBI technicians tracking down check forgers, whose business is on a boom, will be discussed at an identification officers' seminar in Austin Jan. 22 and 23 by Quinn Tamm, FBI inspector from Washington.

Other speakers on the program, sponsored by the Texas Division, International Association for Identification will include: Captain Aubrey Davenport, San Antonio police; Carl Hansson, chief of police, Dallas; and Glen H. McLaughlin, identification chief, and Joel Tisdale, supervisor of photography, of the Department of Public Safety.

DR. COX DISCUSSES

OPA CEILING ON COTTON

Austin, Tex., Jan. 18—The chief drawback to the proposed OPA ceiling price on cotton will be the successful administration of the regulation, Dr. A. B. Cox, professor of cotton marketing at the University of Texas, pointed out this week.

"There are so many different qualities of cotton and uses for cotton that it will be difficult to enforce such a law," he explained. "Manufacturers may shift from one quality to another or from one product to another, with some slight variation, and thus create an entirely new problem.

"It will be to the advantage of the Texas cotton producer in the long run if the Government will sell its stock of surplus cotton at a price which will induce maximum consumption in order to dispose of the cotton surplus at present high prices.

"The maximum consumption of cotton is needed to relieve the present scarcity of cotton goods. If the Government will turn loose its surplus, the maximum amount of cotton will be available and the carry-over will be reduced, which must be accomplished sooner or later," he pointed out.

"Such a policy would be the greatest possible curb on inflation. A policy of pushing sales of Government cotton to prevent excessive price advances of cotton will have the additional advantage of holding the maximum portion of the goods market for cotton. The price of American cotton is now about six cents above its world competitive level due to the Government loan and purchase programs. The Government now owns

and controls about 4,700,000 bales of cotton.

"The Government buying price is now 22.46 per pound and the market price is 22.45, which means a \$10 per bale difference," the cotton expert continued. "The Government's buying price of 22.46 per pound and its high non-resource loans are undoubtedly encouraging speculation in cotton. The point is, there is nothing more important in the cotton situation, especially from the standpoint of the cotton growers, than getting the present surplus of cotton into consumption at, or near, present prices," Dr. Cox concluded.

HERE AN' THERE

According to the Sweetwater Reporter, 255 building permits costing \$267,865 were issued in 1945 in that city . . . coaches and school officials are planning a heavy athletic program for the Ballinger high school during the next several months, says the Ballinger Ledger . . . same source also notes that population growth in Ballinger is reflected in the increased use of the city water meters. Judging by them, Ballinger now has a population of around 6,000 people . . . Texas A. & M. authorities state that the average Texas farmer will spend at least \$1,000 in remodeling his home this year . . . Fifty cents invested in Early Hegari seed by Donald Joe Jackson, Floyd County 4-H Club boy has returned him more than \$100. He sold more than 2,250 pounds off of two acres at approximately 4 cents per pound . . . Stanton Home Demonstration Clubs sold \$28,301.25 in poultry products in 1945 . . . in Littlefield, a large food locker is being constructed and garbage collection has begun.

MRS. CHARLIE BOECKING HOSTESS TO FORT CHADBOURNE H.D. CLUB

By Mrs. Jacob Morrow

Meeting at the home of Mrs. Charlie Boecking on January 8, members of the Ft. Chadbourne H.D. Club discussed re-upholstering and watched Miss Fay Croslin, County Demonstration Agent, re-upholster a chair cushion.

In addition to eleven members, three visitors were also present, including Mesdames L. T. Youngblood, Preston Davis, and Miss Wilma White.

The next meeting of the Club is to be held in the home of Mrs. Addie Callaway on January 22. The program at that time will be on the building of hat stands and shoe racks, and members will answer roll call by telling "the most useful thing in my home."

LETTERS....

A recent letter from another new subscriber, H. C. Grafa of San Angelo, states that "the recent copy . . . of the Bronte Enterprise . . . was of great interest, you have chosen a fine community in which to edit a paper."

H. R. Northcutt, also, declares that he thinks "the Bronte Enterprise is a fine paper."

From Our Schools Come New Leaders

Agriculture looks forward with confidence to tomorrow because its youth is being trained properly today.

Our United States public school system has taught scientific agriculture to millions of boys and girls in the vocational agriculture courses of nearly 10,000 rural high schools. Here students learn the improvement and proper use of the soil which is our basic wealth; how to produce ton litters of pork in less than six months; the care and repair of farm machinery; and many other vital things.

Such studies create an interest in research and this is important—for scientific research is vital in agriculture and other industries. Science has been back of the development of modern farm machinery; of cows that produce

15,000 pounds of milk; hybrid corn; breeds of beef cattle, hogs and sheep capable of converting feed into meat and fiber economically and speedily. Research in the science of agriculture is a major national resource which has contributed largely to the high standard of American living.

MEAT BUYING CUSTOMS

Bostonians like beef from heavy steers, St. Louisans prefer beef from light ones. It is of interest to livestock producers and meat packers that taste, money-to-spend, seasons, beliefs and habits all affect meat buying customs in different parts of the United States. Our new 16 mm. moving picture sound film, animated and in color, "MEAT BUYING CUSTOMS," explains these differences. Interesting for lodge, grange, school or church shows, and farm and livestock meetings. You pay only transportation one way. Write to Department 128, Swift & Company, Union Stock Yards, Chicago 9, Illinois.

A RECORD TO BEAT

Who will be America's Star Farmer of 1946? He'll have to be good to beat the record of Gordon Eichhorn of Marion County, Ohio, who won this top award of the Future Farmers of America at their 1945 National Convention last fall. A high school freshman in 1939 with one sow, two steers and 26 sheep, Gordon now has 60 hogs, 90 sheep, 1,500 chickens, land and equipment for a total net worth of more than \$8,300. He farms his own land, is partner with his dad on 186 acres, and rents from his neighbors 96 acres more on which he raises corn, alfalfa, small grains and clover.

THE EDITOR'S COLUMN

Several times in this space, I have invited producers of agricultural products to come and see us. As a result of this, we have had quite a number of visitors. Conversations with these visitors have been very interesting and helpful to me and have brought out many of the ideas which producers have regarding the livestock and meat industry.

Some recent conversations indicated that quite a number of producers think that there are less than a hundred meat packers in the United States, in fact some thought there were as few as ten. This idea seems to come from the fact that many of them ship their livestock to only one market and are familiar only with the number of meat packing plants at that market. I am sure that it will interest all of you to know that there are more than 3,500 meat packers in the United States. In addition, there are upwards of 22,500 other commercial slaughterers.

The only way those 26,000 companies and people can make money in their business is to sell meat. And to sell meat they must buy livestock. So all over the country—from Portland, Oregon, to Portland, Maine, from the Rio Grande to the Canadian border—these competing livestock buyers are bidding against each other for the essential material of their businesses—the cattle, calves, hogs, and sheep produced by American farmers and ranchers. The buyers who get that livestock are the ones who bid the highest prices in their particular areas.

F.M. Simpson,
Agricultural Research Department

Cash Prizes for BEST LETTERS

on "Methods Employed by Meat Packers in Marketing Meats, Poultry, Eggs, Butter, and Cheese." Not more than 500 words.

1st prize, \$75—2nd, \$50—3rd, \$25—next ten, \$10 each—next thirty, \$5 each. Duplicate prizes in case of ties. We are offering these prizes because we believe that livestock producers have a "business interest" in our marketing methods . . . and because we believe that your views will be of value to us. To help you write your contest letters we'll be glad to send you the information we have on the subject. Write to F. M. Simpson, Department 128, Swift & Company, Chicago 9, Illinois.

This contest starts now, ends May 1, 1946. It is open to all.

Martha Logan's Recipe for BAKED SPARERIBS with DRESSING

For six servings, use 4 pounds pork spareribs. Combine 1 teaspoon salt, 4 cups soft bread crumbs, 1/2 cup diced onion, 1 cup chopped apple, and 1 cup water. Pat out 1 inch thick in greased dripping pan. Wipe spareribs. Salt. Place over bread dressing. Bake in moderate oven (350° F.) about 2 hours.

IT PAYS TO KEEP FARM ACCOUNTS

By E. C. YOUNG
Professor of Agricultural Economics
Purdue University

Profits are the final test of good farming. Farm accounts give the results of management in dollars and cents. Well kept records are a check on management. They serve as a basis for determining the success or failure of crop and livestock practices. Properly kept, they identify the profitable and unprofitable enterprises and suggest points at which improvements can be made.

Farm records are nothing more than an orderly classification of your financial experience. To be most valuable, they must be simple and they must be used.

Most state colleges furnish simplified account books which can be obtained through your county agent. Sometimes it is better to plan your own accounting system in an ordinary ledger. If all your cash income is deposited in the bank and all your outgo is paid by check, you can use the bank records of your deposits and checks as a basis for your accounts or as a check on your own records. Your records will be more valuable if you include an annual inventory along with your record of cash receipts and expenses.

FEEDING EARLY-LAMBING EWES

To develop good milk-producing ewes, and therefore good early lambs, winter feeding is important. Feed them plenty of top-quality legume hay and just enough grain to keep them in good condition, gaining a little weight. And don't forget exercise. It makes lambing easier and helps save a higher percentage of lambs.

Soda Bill Sez:

... that a man who is prejudiced is usually merely misinformed.

... that it's smart to live as though you expected to die tomorrow—and to farm as though you expected to live forever.

**SO YOU WANT AN
ADJUSTMENT?**

In previous articles, we have told you about chiropractic, what it is, and how it works. We also discussed the question of General Patton's death, and pointed out how the use of chiropractic adjustments would have removed the pressure on nerves.

A qualified and properly trained chiropractor does not massage his patient, he does not rub muscles, he does not try to irrigate the colon, he does not use vibrators or other mechanical means aimed to stimulate the body.

The word "chiropractor" comes from Greek words meaning "practice by hand." In other words, the science of chiropractic is the science and art of adjusting the bones of the spine for the removal of the cause of disease.

Let us repeat that—we do not rub or massage, but we adjust the bones of the spine to remove the cause of disease. A bone presses on nerves, just like the rock presses on the hose. The rock is removed, or the bone position is changed—the result is that water then goes through the hose, or nerve force then goes through the nerves to the affected part of the body.

Your x-ray has revealed how the bone is out of alignment, the neurocalograph reveals the amount of pressure on that nerve, and the chiropractic adjustment then removes that pressure so the patient can get well.

A chiropractor is trained to find nerve interference and to set the bone in place, thus causing that interference to cease, so your body is allowed to rebuild itself. The adjustment takes but a fraction of a second.

You owe it to yourself to investigate, if you want to get well—ask us, but get well by removing the cause through chiropractic adjustments.

"LAW ESSENTIAL TO LIBERTY"

Memory Selection — "I will delight myself in thy commandments, which I have loved." Psalm 119:47.

A study of the Ten Commandments reveals a superb summary for all time of the moral law as indicated in the will of God. These commandments are to be heard and obeyed.

When the First Commandment asserts God's claim to the loyalty of his people, we violate it if we turn to various idolatries of the modern world. The Second warns against worshipping God through idols, yet Idolatry remains one of the besetting sins of the human race. The Third Commandment warns against the use of the name of God irreverently. When we consider the extent to which profanity has risen, we can see the importance of this law as it applies to us today. The Fourth Commandment gives divine sanction to man's need for a day of rest and worship in seven, yet today we exploit, commercialize, and ignore the Sabbath only too often today. The Fifth Commandment is seen as a foundation stone for family and the home life. It requires respect for parents, and by implication, for those in authority. The Sixth Commandment gives divine sanction to the sacredness of human life. The Seventh Commandment regulates the sexual relations, and we see the need for such a law that demands purity in the life of the home. The Eighth Commandment requires honesty in our business relationships with one another. The Ninth Commandment condemns false testifying in the courts or by the spread of false reports about our neighbors. The Tenth Commandment strikes at covetousness, which is entirely too prevalent.

Let us examine these Commandments, determine in our own way how we fall short, and strive to seek the glory of God.

FIRST BAPTIST CHURCH

Rev. C. R. Blake, Pastor

Sunday School 10:00
Preaching 11:00
Evening Worship 6:30
Wed. Night Prayer Service 7:00

What do you have as an American citizen that you would consider surrendering? Would you give up freedom of speech without a fight? No, you wouldn't do that; neither would you surrender any of the liberties we now enjoy. We would never think of sacrificing our religious freedom — did I say religious freedom? Yes, that is what I said! We do sacrifice that great God-given privilege when we neglect the Lord's work. Be in your place at your church next Sunday morning.

There will be an Associational Sunday School Meeting at Ballinger, Tuesday, January 22, 7:00 P. M. If you are interested in Sunday School work, you have an invitation to attend.

Tennyson

3:00 Preaching Service.
Church School attendance is gradually increasing. We have set a goal of 100 present by the first of March. All who are not going elsewhere are invited to come with us. Flowers for the altar last Sunday were pansies, furnished by Mrs. T. C. Price.

On Sunday afternoon the pastor preached at Hayrick. At the close of the worship he was surprised to find that his car had been loaded with a liberal pounding. Many thanks to the good people of Hayrick.

The Methodist Youth Fellowship in their Sunday night meeting reorganized with the following officers: Lamar Whitt, president; Helen Luckett, vice-president; Bobbie Tomlinson, secretary-treasurer; Patsy Luckett, reporter; Betty McCrary, pianist; Geneva Tomlinson, chairman worship committee; Marlene Arrott, chairman missionary committee; Billie Millikin, chairman refreshment committee; Betty McCrary, chairman recreation committee; and Mrs. Alfred Taylor, adult counselor.

BRONTE FULL GOSPEL CHURCH

Mrs. J. W. Tammen, Pastor

Regular Services, Tuesday evenings, 7:30.

Bronte Full Gospel Church
To Hold Revival

A revival conducted by Evangelist Ruby Evans will begin at the Full Gospel Church, Saturday evening, January 20th. A time for special singing and taking of prayer request will be devoted to each service. Services will begin each evening at 7:30 and

the public is cordially invited to attend.

Moments of Meditation: Let us therefore come boldly unto the throne of grace that we may obtain mercy, and find grace to help in time of need. Hebrew 4:16.

In these days of sin, sorrow and heartaches, when humanity has such a great need. How sweet to come according to God's precious word boldly unto the throne of grace and whatever that need may be. Take it to the Lord in prayer.

He who's loving eyes watches over all has promised that we may obtain mercy and will find grace in every time of need. Do you have a need in your life? Why not take it to Jesus? Let us help you pray. Send us your prayer request we will be glad to join you around the throne of prayer.

But my God shall supply all your need according to His riches in glory by Christ Jesus. Philippians 4:19. Remember you'll always find a welcome at The Bront Full Gospel Church.
