

PROVE YOUR PLAN

When old Columbus called on the queen,
He said, "Isabella, you never have seen
A man who could prove the world is flat."
And the queen saw the point he was getting at,
So the ships and money for him she found,
And old Columbus proved the world was round.
The world would move in the same old groove
Were it not for those who things could prove.
THE FIRST NATIONAL BANK has regard for the man
Who, like Columbus, can prove his plan.

BROOKSHIRE BROWSINGS . . .

By Mrs. Homer Clark

Mr. and Mrs. Gordon Burks of Odessa are visiting this week with her parents, Mr. and Mrs. H. C. Hedges.

Mr. and Mrs. Doyle Gleghorn of Miles and Mr. and Mrs. B. V. Hedges spent Sunday with Mr. and Mrs. T. G. Gleghorn.

Mrs. Red Holland went to Abilene to visit friends and relatives.

Mr. and Mrs. Y. G. Stephenson of San Antonio came by Sunday to visit with Mr. and Mrs. Homer Clark.

Mr. and Mrs. Bill Gilbert of San Angelo, and Mr. and Mrs. Ed Holden were visiting with Mr. and Mrs. Charlie Brown.

Mr. and Mrs. Leland Carlton of Miles visited Sunday with Mr. and Mrs. Franklin Thomas.

Mr. and Mrs. A. J. Essary attended funeral services for their granddaughter in San Angelo.

Mr. and Mrs. Paul Hedges and Mr. and Mrs. Jodie Hedges ate Monday night supper with Mr. and Mrs. B. V. Hedges.

Mrs. Homer Clark visited Mr. and Mrs. D. B. Stinebaugh last Monday.

Mr. and Mrs. Verlin Oates of Angelo visited Mr. and Mrs. Willard Caudle last Sunday.

Only 11 more days to get a year's subscription to the Bronte Enterprise for only \$1.50. See the writer today for your own paper.

The Sewing Club met at the home of Mrs. Herbert Holland last Wednesday and presented Mrs. Jodie Hedges with a surprise layette shower. Refreshments were served to a large crowd.

Mr. and Mrs. B. V. Hedges went to Midland to visit with Rev. and Mrs. Charles Hedges, and also went to Odessa to visit with friends and relatives.

Ballinger visitors this week included Mr. and Mrs. B. V. Hedges, Mr. and Mrs. J. C. Boatright, Mr. and Mrs. Willard Caudle, Mr. and Mrs. Homer Clark, Mr. and Mrs. Jim Clark, Mr. and Mrs. Franklin Thomas, Mr. and Mrs. Joe Hale Hedges, Mr. and Mrs. Ellis Lee, and Mr. and Mrs. H. C. Hedges.

Mr. and Mrs. Henry Boatright of Miles were the Sunday guests of W. M. Norman, Billie, and Mary Lou Alexander.

ROYCE LINTON LEE

Mr. and Mrs. Royce Lee of 1017 W. 144th Street, East Chicago, Indiana, are announcing the arrival of their new son, Royce Linton Lee, who weighed six pounds and 14½ ounces, and who arrived on September 12, 1947, at the St. Catherine's Hospital in East Chicago.

Maternal grandparents are Mr. and Mrs. Linton Crow of East Chicago, and the paternal grandparents are Mr. and Mrs. Benza Lee of Maverick.

Mrs. Lee is the former Miss Betty Crow who taught homemaking in the Bronte High School last year.

Frank Keeney was a San Saba visitor last Friday.

SERMONETTES SECURE SUBSCRIPTION

The drinks are on us this week, Reuben, and its all due to the fact that Rev. C. R. Blake's Weekly Sermonettes were given as the main reason why we received a year's subscription to the Bronte Enterprise last week from Mrs. John Walker of Maryneal.

Mrs. Walker was in the Home Motor Co. waiting for a bus, when she told us she heard three men talking about Reuben's Sermonette for the week. So she borrowed a copy of the paper, read it, thought about it, then read it again.

As a result, she was so impressed over it that she decided to come on down and subscribe, after being assured that the Sermonettes were a feature of each week's Enterprise.

She got herself a copy of the previous week's Enterprise, for she'd heard that the Sermonette there was also a fine one, and said the price of a year's subscription was well worth the pleasure she'd get from reading Reuben's sermonettes.

\$1.50 PER YEAR

Including today, there's only 12 more days for you to renew your subscription to the Bronte Enterprise at a big saving. For during September, the Enterprise is holding a special subscription rate of only \$1.50 for a year's reading, anywhere in the United States.

If you live in Texas, you save 50 cents on a year's subscription, and if you live outside of Texas, you save one dollar.

On the first of October, the price goes back up to \$2.00 for Texas subscriptions and \$2.50 for out-of-state subscriptions.

The special price of \$1.50 applies for new subscriptions as well as renewals. That is, if you wish to extend your present period of time for a year, you may do so regardless of when you originally subscribed.

But you have only 12 more days to take advantage of this fine offer.

JUNIOR WHD CLUB MEETS

By Mrs. Pete Gentry

The Bronte, Jr. WHD Club met last Wednesday, Sept. 17, in the Bronte City Hall, with Miss Ella Clyde Black serving as hostess.

Roll call was answered with selected subjects by Mmes. Taylor Emerson, A. C. McAulley, Clifford Clark, Walter Whalen, W. Hipp, O. R. McQueen, Jete Gentry and one visitor, Mrs. McShaban.

Mrs. McAulley gave a report on the last council meeting, and Mrs. Emerson discussed closet and storage space.

Mrs. W. Hipp won the gift package, and the next meeting will be with Mrs. Clifford Clark on October 8.

Ice cream and cake were served to the members.

In his church bulletin for last Sunday, Rev. Alvin Mauldin, Methodist pastor, had the following comment: "Blessed is the man who can endure an hour in a place of worship as well as he can two hours and a half in a place of amusement." We thought it a good comment, and pass it along.

Sunday guests in the home of Mr. and Mrs. H. R. Cassiot included Miss Eunice McElrath, Mary Worth Churchill, Mrs. Vada Burns, and Mr. and Mrs. Ben Harper, all of Coleman.

Mary Pearl Bearden and Ione Davis were Monday visitors in Angelo.

Can Your Home "Measure Up" to modern standards of Convenience and Comfort?

MODERN people don't want old-fashioned transportation—they want 1947 automobiles. Modern people are like that, too, about their homes. They want them to "measure up" to 1947 standards of convenience and comfort. But many a lovely-looking home has grown "old before its time."

Does your home measure up? Only the all-electric home can meet today's standards. With electric appliances, the last word in cleanliness, convenience, and safety, you can make your home "measure up." A modern home deserves modern electric living.

Electric service is a bargain! Living costs continue to increase, yet the cost of a kilowatt hour of service to residential users has **decreased one-third** in the last 14 years.

COKE HIGHWAY DEPT. GROWING

Coke County's highway department set-up is growing right along, until it's now reached the point where it has to look after as many miles of road as are found in Runnels County!

That's the good word Cullen Luttrell told this week, as Henry Pierce of San Angelo, new section foreman, is making plans to move to Bronte and take over active control of Coke County's extended highway equipment and organization.

As most folks know, headquarters of Highway District 7 are in San Angelo, and this district has been divided into sections, usually consisting of single counties. Up to the present time, Coke County has been on the organization chart as a sub-district, but with new improvements and road building, both present and potential, Coke is now a section all to itself, Cullen noted. Formerly Coke was in the Runnels County section.

Cullen had been serving as assistant section foreman, but states he now is known as "skilled labor."
"They're planning to build some new warehouses here, enlarge the present set-up, get some new trucks and more men, if possible," Cullen declared.

He also noted Bronte now has the use of a big shovel, a 10-ton roller, maintainer, small loader, two tractors, two graders, and other material as well. While not all of this is permanently stationed here, Bronte does have a nice nucleus of equipment, but some of it is moved around from place to place, depending on construction activity in this section, he added.

But Coke folks can well rejoice over the fact that as another example of growth, Coke is now a section of its own according to the Highway Department organization chart.

PRESS AT FAIR

Wolfe City, Tex., Sept. 19. — Plans have been completed here for the greatest gathering of Texas press representatives and their families ever held at the State Fair of Texas on Saturday, October 4, Press and Radio Day.

Program details were worked out by State Fair officials with the aid of Paul M. Fulks, publisher of the Wolfe City Sun and president of the Texas Press Association.

Press members, long partners of the State Fair in promoting the industrial and cultural progress of Texas, will be guests at a Western-style barbecue luncheon to be served by the Odessa Chuck Wagon Club.

This will be followed by the matinee performance of "Annie Get Your Gun," starring Texas' own Mary Martin, the White-Horse Revue and Hippodrome Show, and the night football game between SMU and the University of Missouri.

The State Fair of Texas, largest of the nation's 2,200 annual expositions and a non-profit institution devoted to Texas' progress, this year starts October 4 and continues through October 19.

Mr. and Mrs. H. O. Whitt and Mr. and Mrs. C. R. Smith were Coleman visitors last Sunday, when they visited friends and relatives.

TENNYSON TOPICS . . .

By William Jessie Green

Mr. and Mrs. W. A. Halamicek and Billy of San Angelo and Mr. and Mrs. J. W. Teague of Crane were Wednesday guests of Mr. and Mrs. Elbert Carper.

Rev. and Mrs. William Gaston and family, and Mr. and Mrs. Edward Gaston have been visiting with Mrs. S. W. Gaston, Sam, Mr. and Mrs. John Gaston, and Mr. and Mrs. Grady Gaston and families.

Mrs. D. J. Corley is visiting with Mrs. Lena Martin and family at Angelo.

Mr. and Mrs. Doug Buford and baby, and Mrs. Ruth Buford visited with Mr. and Mrs. Jack Corley and family.

Mr. and Mrs. Dart Smiley of Plainview were guests of Mr. and Mrs. Ben-Murphy, Mr. and Mrs. Marvin Corley, and Mr. and Mrs. Jack Sharp at Bronte.

Mr. and Mrs. Lenore and daughter of Abilene, and Mr. and Mrs. Sonny Grey of San Angelo were guests of Mr. and Mrs. Louis Baker and family last Sunday.

Mr. and Mrs. Louis Baker, Jr., and baby were visiting with Mr. and Mrs. Muston last Saturday at Bronte.

Mr. and Mrs. Ben Murphy and Mr. and Mrs. Marvin Corley visited with Mrs. Gunnells at Robert Lee Sunday, and she returned home with Mrs. Murphy.

Mr. and Mrs. J. P. Smith, and Mr. and Mrs. James of Angelo were Sunday guests of Mr. and Mrs. Bert Cornelius. The James' also visited with Mr. and Mrs. George James and family.

Mr. and Mrs. R. B. Gordon were visiting Sunday with Mr. and Mrs. I. N. Howell and family.

Mr. and Mrs. Harold Moore and Pat of Miles were visiting with Mr. and Mrs. Otto Finck, Betty, and Ardin Roach last Sunday.

Dorothy James was visiting with Grace Green, Lou Ella Stewart, and Della Gibson last Sunday.

Jewel Dean Latham was home over the weekend visiting with her parents, Mr. and Mrs. W. D. Latham, and friends.

Mrs. E. D. Fiveash was a Monday visitor with Mrs. W. H. Thomas.

L. E. Conger and Tommie Gene were guests of their parents over the weekend.

Frank Keeney stopped by to visit last Monday from Bronte.

Mr. and Mrs. Edward Harrell went to Barnhart over the weekend to visit with Mr. and Mrs. Avant Harrell and Buryl, also to Big Lake to see the Tom Brown family.

Mr. and Mrs. Jake Crossno of Sterling visited Sunday with the W. T. Greens.

John Leathers and Lester of Odessa were visiting with Mr. and Mrs. Floyd Gibson and Della last Monday.

Clarence Webb was a Bronte visitor last Wednesday.

On Sunday, Sept. 14, the S. W. Gastons had a family reunion, when most of her children were home for the occasion. Present were Mr. and Mrs. C. D. Cotton, Mr. and Mrs. W. W. Gaston, Skipper, and Marilyn, Mrs. Bob Odum and Bobby Hugh, Mr. and Mrs. Bill Allen of San Angelo, Rev. H. W. Gaston and wife, Billy Ester Garland of Dodson, Mr. and Mrs. Edward Gaston and David of Fresno, Calif., Mr. and Mrs. R. B. Allen of Silver, Mr. and Mrs. John Gaston and Janelle, Mr. and Mrs. Grady Gaston, Linda, Michael, and Sam.

Mr. and Mrs. James Chambers of San Angelo were visiting with Mr. and Mrs. George James and family last Tuesday.

DEARBORN MOTORS BUY WOOD BROS.

Des Moines, Iowa, Sept. 19 — Dearborn Motors Corporation, Detroit, national marketing organization for the Ford tractor and Dearborn farm equipment, has purchased all of the stock of Wood Brothers, Inc., 47-year-old farm equipment manufacturing concern here.

The announcement was made by Frank R. Pierce, Dearborn Motors president, and W. Harold Brenton, Wood Brothers president.

Approximately 800 persons are employed in the plant which is currently producing 18,000 corn pickers yearly. Present policies and personnel of Wood Brothers will continue, Pierce said.

Amount of money involved in the sale of the stock was not revealed. The Wood Brothers plant has 300,000 feet of production space, and about 175 acres of land.

Plant facilities include the general offices, parts and assembly manufacture and finished product assembly line, as well as testing and experimental laboratories, and foundry.

Ballinger agents for the Dearborn Farm Equipment are the Runnels County Implement Co., headed by Joe Satterwhite and S. C. Connell.

KAREN-GAYL HOSPITAL MAY RECEIVE FEDERAL AID

According to information received this week by Mac Rippetoe, owner of Bronte's Karen-Gayl Hospital, Federal aid is a distinct possibility within the next six or twelve months, depending on when the proper forms and applications can be made out and processed.

At a public hearing held in Austin this week, it was reported that West Texas and the Panhandle area have greater need of hospitals than any other section of the state. This information was brought out at a public hearing on the tentative five-year program for federally-sponsored construction in Texas, Mac said.

Half of the 62 areas that have no hospital facilities at all are in West Texas, and thus come automatically at the head of the state priority list, which includes areas with no facilities or less than 10 per cent of the estimated need.

Included in the list of "A" priorities, were such places as Van Horn, Sanderson, Sterling City, Bronte, Crane, Big Lake, Ozona, Eldorado, Menard, Mason, Sonora, Junction, Goldthwaite, San Saba, and Llano.

The hearing, conducted by the State Board of Health, was attended by more than 200 hospital administrators and city and county officials.

The survey showed that Texas needs 54,136 hospital beds, as follows: 14,323 general beds; 6,597 for tuberculars; 21,166 for nervous and mental cases, and 13,919 for chronic disease patients.

According to Mac, Bronte, of course, already has a hospital, the only one in Coke County. For that reason, the present hospital should be expanded to take care of prospective patients, hence Federal aid is assured to enlarge and further equip the present facilities.

Applications for such aid have to be submitted to the Government, and processing these papers may take many months, Mac noted.

At any rate, Bronte is on the "A" priority list for assistance, and in due time, federal aid for the Karen-Gayl hospital is assured.

CSCD MAKING TRIAL PLANTINGS

The supervisors of the Coke Soil Conservation District are making trial introduction and seed multiplication plantings of yellow bluestem, blue-grama, buffalo, weeping or African lovegrass, sand lovegrass, western and crested wheat grass this week as part of their planned program of putting each acre to use, according to Clarence Webb and E. J. Hughes, who is district conservationist with the Soil Conservation Service with headquarters in Big Spring.

Such a plan will assure permanent profitable production and control soil erosion, it was declared.

The hard-to-get seed and grass drill that is designed to handle pasture grass seed are furnished by the Soil Conservation Service for the trial plantings," Hughes said.

As a preparatory step to developing a coordinated program for the Coke District, supervisors R. B. Allen, W. C. Shamblin, Clarence Webb, and W. B. Yarbrough have developed a conservation plan on their respective farms and ranches, and are moving ahead with the re-seeding phase of their program.

Each supervisor has made preparation for the planting of his seed, and has used sub-surface tillage implements which have the litter on or near the surface as nature would have it on the range, Hughes declares.

The remaining supervisor, W. E. Burns of Edith, plans to develop his conservation program early this fall, with the assistance of the SCS.

In addition to the seeding of native and introduced grasses, the supervisors are making trial introduction plantings of soil conserving and enriching cover crops of Abruzzi rye, hairy vetch, Madrid Clover, hubam clover, Dixie Wonder (winter) peas, and Cratallaria as a part of their soil management program on cultivated land.

With the five landowner supervisors taking the lead in developing a complete conservation program, much information should be unveiled for recommendations as soon as the district is ready to begin operations, Hughes concludes.

Election Oct. 7

According to Webb, new supervisors are to be elected in sub-division No. 4 all over the state on Oct. 7, and this sub-division is the same as the commissioner's precinct No. 4, he declared.

To carry out such an election, all interested landowners are urged to attend a meeting at the Tennyson school house on Tuesday evening, October 7, at 8 o'clock, at which time a new supervisor will be elected.

Webb was named to the post for a period of one year, to get the organization started, and the new man will serve for a term of five years, Webb noted.

... AND THAT'S WHY
folks who come here do make "jack."
Why? Because they're joining their friends in getting tasty meals at reasonable prices that lets them save their money.
Why bend over a hot stove when you can relax in comfort at —

HOW TO KEEP FROM GROWING OLD

1. Never stop for a train. People will think you're timid.
2. Never give up the right of way. Show 'em some real insanity.
3. Ignore stop signs. Let nobody tell you what to do.
4. Lock your brakes and skid. It makes the job more artistic.
5. Race with all the trains. Engineers like it because it breaks the monotony of their jobs.

BUT, if you enjoy life and want to live to a ripe old age just use good common sense when you are driving.
AND, it's good common sense to bring your car here for periodic inspections and repairs. Our modern equipment plus BOYD BADLEY assure you a job well done.

This Emblem Identifies Great Trucks

Yes Sir! We're sincerely grateful to our Customers and Friends

Demand for International Trucks has been greater than supply. Our customers and friends know that. And our customers and friends have been patient and cooperative.

But a few people seem to think that what is called a seller's market is a bed of roses for the seller. Believe us that just isn't so. Our business is in this community, and when things pile up so we can't take care of our customers and friends as fast as they'd like to be taken care of, we're not in a spot that we enjoy at all.

But there are two things we're proud of: One is the service maintenance we've been able to furnish to keep International and other trucks on the job and to hold operating costs down.

The other is the fine cooperation we've had from customers and friends. Our customers and friends have been mighty understanding; and we want to say, publicly, right now, that we deeply appreciate the fine spirit they've shown.

We urge truck operators now to do two things:

1. To continue to use our truck maintenance service for trucks now in operation. That way they'll get best results until new trucks are delivered.
2. To place with us promptly the specifications for the new trucks they need. That way they'll help us make the earliest deliveries possible.

FORD TRACTORS DEMONSTRATED TOMORROW

Joe Satterwhite and S. C. Connell of the Runnels County Implement Co., located just across the street from the courthouse at Ballinger, are holding a big demonstration of their New Ford Tractor and Dearborn Implements tomorrow afternoon at 2 o'clock, on the Dee Oliver farm just north of Ballinger on the Winters highway, and they're inviting all their Coke County friends and customers to come over and watch the affair.

The demonstration will be held where the old oxen barn used to be, Joe said, and will last for several hours, with over 20 various tractors and implements to be demonstrated.

L. D. Reed and Charles Christian of Dallas will be on hand to help, as they're connected with the Stewart Co. of Dallas.

The Runnels County Implement Co. opened up, around the first of August, and already they're having in quite an array of new tractors and equipment, so they're anxious to have all interested folks come over and see their stock, as well as witness the demonstration.

Don't forget — Saturday, tomorrow afternoon, beginning at 2 o'clock on the Dee Oliver farm at the Ballinger city limits on the Winters highway.

TAX ASSESSMENT LAWS

Editor's Note — In view of the discussion raised at the recent meeting of the City Council about tax valuations, it was thought fitting to include excerpts from Vernon's Texas Statutes dealing with this situation.

Art. 7174 — Each separate parcel of real property shall be valued at its true and full value in money. The assessor . . . shall value each tract or lot by itself, and at such sum and price as he believes the same to be fairly worth in money at the time such assessment is made. No property . . . shall ever be assessed at a greater value than its fair cash market value, nor shall any board of equalization fix the value of any property for tax purposes at more than its fair cash market value.

Art. 1052 — The board of equalization is required to value all unrendered real property in general law cities.

Art. 1046 — The assessment of unrendered real property is carried in a supplemental roll and such property may be sold for nonpayment of taxes.

Art. 7217 — The law requires the assessor to make and furnish to the board of equalization a list of all persons failing or refusing to make rendition or refusing to subscribe to the oath. This list shall then be presented to the next grand jury by the board of equalization.

Art. 1050 — The board is required to value all unrendered property; to examine all lists and books to ascertain the value of property to its proper value; to correct all errors that appear in the assessor's lists or books.

Art. 7212 — The board is required to equalize values as between property owners.

Aldro Jenks, in his Manual for Texas Assessors, notes that "Under-valuation cannot be too severely condemned. It is in direct contradiction of the law, it is productive of unjust discrimination, it breeds the mistrust and contempt of taxpayers, it opens the door to dishonesty, it makes the mechanics of assessment complicated and unwieldy, it substitutes the caprice of the assessor for the rule of the statutes, it makes the assessor guilty of the crime of perjury in that he has acted in defiance of his oath, it leaves the small taxpayer without any adequate means of redress, it favors the taxpayer owning high-grade and costly property at the expense of the owner of inferior and cheap property."

"The plain letter of the law demands and public interest requires that all property be assessed according to its full cash value."

P-TA HOLDS RECEPTION
 By Mrs. J. T. Henry

The Bronte P-TA held its yearly reception for the faculty members last Tuesday night, Sept. 16, in the high school auditorium.

A large crowd attended the reception, where Mrs. Otis Smith, P-TA president, acted as mistress of ceremonies.

The program included the following numbers:

A Sing-song led by Mrs. Alfred Taylor with Mrs. Chet Holcombe at the piano, a welcome to the faculty, given by Rev. Alvin R. Mauldin, pastor of the Bronte Methodist Church, and a response, given by Supt. Jeff Dean.

The program was followed by a "fellowship hour," which was enjoyed by all present.

Mrs. E. L. Nunnally, your reporter's mother, was a Wednesday visitor in Bronte.

V. C. LAMMERS MOVING UP TOWN

Vernon C. Lammers, Bronte building contractor, is now up in town, and his headquarters are now to be found in the Rawlings building on Main Street, between Pruitt's Store and the Kemp Kleaners.

It will be recalled that Vernon was prominently mentioned in a Houston paper last year, and that the story went on to say that "Vernon Lammers, progressive Houston contractor, is one of those men to whom credit must go for playing no small part in the growth and development of Houston and vicinity."

Vernon made quite a record for himself there, but had sand in his shoes and wanted to get back to Coke County.

He and Mrs. Lammers purchased the Norred place north of town, and he has had his shop at the edge of town prior to leasing the building in town.

Vernon was moving his equipment this week, and is set up and ready for business. He has a full line of machinery, as well as tools for wood-working, and invites his friends to come in and see them at work.

"I expect to have a full and complete line of building materials in another week or so," Vernon declared, "and will be ready to offer Coke County folks the things they need in the way of construction items."

Go by anytime to see this new addition to Main Street, and watch the boys work away with their machinery and tools.

HUDMAN RAISES CROPS

E. W. Hudman was up town last Friday showing a couple of big pears he'd raised on his place just east of town. He declared he had only two pear trees, some 15 years old, and that he got 12 to 15 bushels of pears from them. The trees had no water to speak of, except rain (?) now and then, and he also used no fertilizer.

Even so, they were big pears, and he figured that with irrigation he'd really have had something.

Hudman also had some good looking ears of corn, three white ears, and two hybrid ears, which he raised on his place.

He raised some 6 or 7 acres of corn, on which he had 12 rows which were some 150 to 200 yards in length. From this area he produced 1,245 pounds, or some 100 pounds of corn per row.

"The yellow corn had at least two good ears to the stalk," Hudman declared, "and it had about the same kind of water the pear trees did."

It was good to see his products, and the pears were quite tasty!

HERE'S BLACKWELL . . .
 By Mrs. Charles Ragsdale

Mrs. Tom Gore and family of Durango, Colorado, are visiting her brother, Junior Alderman and family, and Charles Lampkin.

Mrs. Charles Ragsdale returned on Tuesday from Los Angeles, California, where she had been a guest of her brother, Turney Hall and family.

Cyrus Odum and wife of Killeen visited her parents this week, Mr. and Mrs. J. W. Ramey.

Melvin Bryant is visiting relatives and friends in East Texas.

Lenzy Montgomery and wife attended a banquet at the Bluebonnet Hotel in Sweetwater last Tuesday night.

Cotton picking has begun in this section of the country, and thanks to the weather man for this cooler weather.

Bob Reaves is visiting his daughter and family, Mr. and Mrs. J. D. Holden in Austin.

Only 11 more days to get your year's subscription to the Bronte Enterprise for only \$1.50. See the writer today, and get your own paper.

Mrs. T. J. VanZandt underwent surgery in Sweetwater last Saturday, but is reported to be doing nicely.

Mrs. Lee Lackey is in St. John's Hospital in San Angelo recovering nicely from an operation.

Mrs. O. T. Calvin left for Lagus Park, Indiana, Monday, to visit with her parents.

Sgt. Dan Wilhelm, stationed at San Antonio, is on a few days' leave and is visiting with his parents.

HD CONVENTION NEXT WEEK IN GALVESTON

The theme of the annual meeting of the Texas Home Demonstration Association will be "Let There Be Light," according to the state president, Mrs. Gus Rogas, who has announced that the meeting will be held in Galveston from Sept. 24 - 26, 1947.

As many as three elected delegates from each county may attend this party, with other home demonstration club women as guests.

Coke County delegates will be Mrs. Taylor Emerson of Bronte, Miss Gladys Waldrop of Hayrick, and Mrs. Tom E. Rives of Robert Lee.

Special sessions will include workshops for county chairman for the Texas HDA, with Mrs. O. R. Copeland of Lubbock serving as leader.

MRS. WRINKLE HOSTESS FOR UNION CLUB
 By Lela Parker

The Union WHD Club met on September 12 in the home of Mrs. Leotha Wrinkle with Mrs. Thresa Wrinkle as co-hostess.

Roll Call was answered by each person's favorite subject, and Leotha Wrinkle had charge of the opening exercises, club songs, and club prayer. Mrs. Pearl Mae Andrews and Thresa Wrinkle sang a duet, while Mrs. Taylor Emerson and Mary Pearl Bearden demonstrated hammered aluminum.

Several members made ash trays and coasters out of the material. Mrs. Emerson also gave an interesting account of the Christoval meeting.

Our next meeting will be next Friday in the home of Mrs. Johnnie Pearl Beavers with Altha Best as co-hostess, when the program will be on good closets.

Ice cream and cake were served to the following members and visitors: Mmes. Nettie Mae Lammers, Thresa Wrinkle, Lela Parker, Leotha Wrinkle, J. C. Lammers, Susis Jackson, Nettie Lee Coalson, Ruth Sandusky, A. M. Wynne, J. R. Johnson, Margaret Stephenson, Mickie Walker, Eulamaude McCutchen, John Keeney, Altha Best, Edna Butner, Louise Ivey, Johnnie Pearl Beavers, Pearl Mae Andros, Maxine McDonald, Taylor Emerson, and Misses Mary Pearl Bearden, Dorothy Faye Scott, Juanetta Coalson, and these children: James Arthur Coalson, Mary Beth Ivey, Trisha Andrews, Juanita, and Wilburn Wrinkle.

Mrs. Thresa Wrinkle received the prize gift of the day.

From the Old to the New

DETROIT—Farm tractors have come a long way since the Ford Motor Company built its first tractor back in 1909. The old model above boasted copper water jackets and the rear wheels came from a binder. Carl Smith explains to Gloria Carlson the advantages of modern styling on the new Ford tractor now in production at Ford's Highland Park plant, Detroit. Frank R. Pierce, president of Dearborn Motors Corporation, national marketing organization for the Ford tractor and Dearborn farm equipment, announced that Ford tractors are now coming off the production lines at the rate of 400 per day.

CHALK DUST . . .

The Primary children are excited, for they're having tryouts for the rhythm band, and will use the same uniforms as used last year.

Football
 Bede Franklin noted that Coach H. R. Gassiot put his team through a hard scrimmage on Monday, Tuesday and Wednesday, in preparation for the season's inaugural test this Friday with the always tough Ozona Lions of District 7-B. Ozona has six starters returning from its district champs of last year, including all the back field, an end and a center who will be playing at tackle.

Bronte's eleven is coming up with a line that can open up holes and a backfield that can go through them. The team will leave this morning at 10 o'clock and the kickoff time is at 3:00.

Probable starting lineup will include Judge Sandusky, Gerald Sandusky, or Doug Stevens, ends; Bobby Scott and Gerald Lee, tackles; Joe Butner and Dolan Mackey, guards; J. O. Landers, center; and Billy Thomas, Le Drew Arrott, Bobby Vaughn, and Billy Bob Herron, backs.

FFA — Wayne Arrott declares that the FFA chapter held a meeting last week to elect officers and set up a program for the year. Officers chosen were Le Drew Arrott, President; Douglas Stevens, secretary; Wayne Arrott, reporter; Bobby Clark, treasurer. The group also appointed an executive committee and program of work committee. Greenhands are to be initiated on Tuesday, Sept. 30, and the chapter is to sell the drinks at the ball games, so "don't stay dry, come by and buy."

Frosh — Freshmen girls were initiated this week, says Cleta Terry. So if they acted funny, don't blame anybody but upperclassmen, for they had to do some crazy stunts. On Monday, the fish had to wear unironed skirts and stiffly-starched blouses that clashed in color, and how! And for hair fixing, try this — wash it, part it in the middle, use no bobby pins, ribbons, or any other hair ornament, and comb it only once. Results are amazing.

On the right foot, the girls wore a male shoe with lady's hose and a bright garter below the knee. On the left foot was a lady's high-heeled shoe with a bright anklet or a man's sock. We also sang "Remember Me," then played leap frog on the front lawn. The Fish boys are also having a time sitting down easily, but it was fun. Joe Balke says "ours doesn't really come till the 30th," and Don (Leo) Daniel and Peggy Ann Culp are having quarrels already. What gives, kids?

Sophs — We went on a swimming party and weenie roast Monday, with the following folks going: Carol (Suzy) Dismore, Rozelle Badley, Bernetta Muston, Doris Adair, Pauline Box, Juanell Blake, Billie Jean Millikin, Dorothy Walton, Marlene Arrott, Roma Richards, Kenneth Hester, Bobby Clark, Billy Jack Worchman, Jack Vaughn, Ben Bell, and Charles Timmons.

Room mothers there were: Mmes. Vaughn, Arrott, Millikin, and Gassiot. **Juniors** — Roma Richards, reporter, says that if you see the Junior girls looking tired, it's because they had to clean the kitchen and dining room of the Home Ec. Dept., Mrs. Fancher, Bobbie, Roma, and Dorothy went to buy the pep squad suits in Angelo last Saturday.

And if you see heads sticking out the windows or doors of the 3rd class, it's in Algebra, where there's quite a crowd, including some handsome senior boys.

Seniors — It's "Stunt" time in the gym next Wednesday night, when everybody will participate. Class dues will be \$3 per year, or 50 cents each six weeks period. A cake walk is being planned, and on the hard side, they're enjoying fairy tales in speech class as well as Chaucer's Canterbury Tales. Woe is us!

Coach Gassiot is a man we admire. He refuses to permit any foul language or profanity while the boys are out playing football, and those who wish to indulge have been asked to leave or stay away. Nothing like clean sportsmanship, in which "cussing" plays no part.

HAYRICK CLUB NEWS
 By Mrs. Glenn Waldrop

The Hayrick WHD Club met on Thursday, Sept. 4 in the home of Mrs. W. C. Cresap.

Roll call was answered with a selected subject, and subjects for next year's year book were discussed.

Miss Gladys Waldrop and Mrs. B. W. Waldrop demonstrated serving trays, coasters, and key rings made at the annual Christoval encampment last month.

Members present were Mmes. A. R. Coalson, J. W. Mitchell, Glenn Waldrop, B. W. Waldrop, the hostess, and Miss Gladys Waldrop; also one visitor, Mary Dean Cresap.

The next meeting was held yesterday with Mrs. A. R. Coalson as hostess.

**BABSON SURVEYS
 ADVERTISING**

Roger W. Babson recently had an article in the Dallas News about a recent survey that showed a majority of consumers feel that their advertising is better than it was a few years ago.

Only a minority, it said, feel it worth their time to listen to radio commercials.

Speaking about newspaper advertising, Babson noted that "a newspaper ad is available all of several days to the family reader."

In comparing radio and newspaper advertising, Babson took as an example a weekly newspaper with a circulation of 5,000. Multiply the number of minutes which the advertising is available to its readers (say 10 hours a day for a 7-day week) by the 5,000 circulation and you get 21,000,000 minutes.

Then if you follow the same line of reasoning, a one-minute radio commercial would need to have a possible audience of 21,000,000 persons to equal the pulling power of the little weekly of only 5,000 circulation.

Babson went on to say that newspapers have the visual appeal, and declared they are especially good for presenting "name" trademark products.

One suggestion he made was that advertisers use larger type and fewer words, and he also noted that a "buyers' market" has been developed.

More advertising and better advertising again are becoming necessary to interest the consumer, Babson observed.

FAIR PHOTOGRAPHY

Photographers, and Texas has thousands of good ones, will have their day at the State Fair of Texas, on Sunday, Oct. 5, when the Fair sponsors its first big Amateur Photographic Contest.

The event is open to anyone. No registration fee is required.

Contestants will register and secure entry forms at the Press Office, in the Foods Building, any time during the day of Oct. 5. All photographs entered must be made within the State Fair grounds on that day, and all photographs must be mailed to the Fair not later than midnight, Oct. 9. Photographs become the property of the State Fair of Texas.

Any number of photos may be entered, but must be 8 by 10 inches, glossy and unmounted.

Awards will be made on the basis of composition, originality and print quality. Judges will be Denny Hayes, Dallas Times-Herald; Ed Miley, Dallas Morning News; Henry Garcia, Marlow's Camera Store; Sue Bess Tension, pictorial photographer; and Leo B. Johnson, commercial photographer.

Winners will be announced and photographs on display Sunday, October 12.

**RUSSELL FAMILY
 REUNION HELD**

Members of the Russell family gathered on Sunday, August 31, at the park near Blackwell for their 6th annual reunion, which was the first one held since the war.

Fifty-two relatives and friends were present, including Oscar Russell, Mr. and Mrs. Rankin Russell, Mr. and Mrs. Otho Hartgrave, Morris, and Mary Beth, Mr. and Mrs. Johnnie Adams, Johnnie, Jr., and Martha, Mr. and Mrs. W. N. Martin, Bill McDonald, and Mary Sue Lambert, all of Maryneal; Mrs. Hudson Taylor, Mrs. Ruby Nix and Sue, Mrs. Frank Bigham and Neil, all of Odessa; Mr. and Mrs. Ed McAuley, Mr. and Mrs. A. C. McAuley and Eddie Sue of Maverick; Mr. and Mrs. E. N. Price, Annie Lou, and Lavada Ruth of Rotan; Mr. and Mrs. Herman Craft and Ronnie of Fort Worth; Mr. and Mrs. M. Russell of Clyde; Mr. and Mrs. Jewel Russell of Midland; Mr. and Mrs. Henry Morris of Sweetwater; Mr. and Mrs. George Russell, Mr. and Mrs. W. Y. McRorey, and John, Mr. and Mrs. Arnold McRorey, Mr. and Mrs. Bill McRorey, Billie Nell, Larry, and Charlotte, Miss Ethel Reeves, and Mr. and Mrs. Charles Copeland, of Blackwell.

Following a picnic lunch and pleasant visiting, the reunion adjourned to meet the Sunday before next Labor Day.

EOLA HERE SUNDAY

Leroy Scott, manager of Bronte's baseball nine, announced this week that the Eola team would be here next Sunday for a game at 3 o'clock.

On the following Sunday, Sept. 28, Veribest is coming to town. Both games promise to be hot ones, and a large crowd is expected to be on hand to see the teams fight it out.

Several folks commented about the help given at the Millikin fire by a number of the Bronte Mexicans. Those boys were in there plugging away too, and folks appreciated their help and cooperation.

Uncle Sam Says

Millions of my young nieces and nephews are returning to school to learn from their teacher, schoolmates and books a way of life. Besides grammar, history, arithmetic, home economics and a variety of other courses, they will come face to face with sportsmanship, honesty, self-reliance and the habit of thrift. Facts crammed into the heads of Willie and Jane will come in handy, but thrift is something which will be vital to their well-being every day of their lives. Of course the habit of thrift may be acquired in many ways, but a sure way is the participation of my young nieces and nephews in the United States Treasury Department's School Savings Program.

JUNIORS ORGANIZE "11"

The Junior Boys' Sunday School Class of the Bronte Baptist Church have now organized themselves a football team, in addition to having only recently finished a very successful baseball season.

They played their first game last Thursday, and won it, against another team coached by Monroe Alexander's son.

To help the boys along, a number of firms and individuals have made contributions, thus enabling the boys to buy bats, balls, and a football in addition to other equipment, so they are quite appreciative of these favors.

Included on the team as well as the class are the following boys: Jimmie Gray, William Fletcher, Jimmie Best, Freddie Blake, Jimmie Eubanks, Orville Lee Blake, Leslie Dean Caperton, Johnny Smith, Jerrie Gassiot, Carl Terry and Bobbie Brock.
