

THE BRONTE ENTERPRISE

Vol. 31

BRONTE, TEXAS, NOVEMBER 4, 1949

No. 44

QUEEN AND BASEBALLER —

Dorthey Fay Scott of Bronte High School is shown above after she received her trophy as Bluebonnet Belle Relays Queen. The huge trophy was presented to her

at Bronte's Hallowe'en Carnival Monday night by Homer Nickel. To the right is Bon Spoons, player-manager of the Bronte baseball team, which won the Concho Basin League pennant this year. His

trophy was presented by Bill Fowler of the Ragsdale Sporting Goods Company, donors of the trophy. Miss Scott is tops in girls' track and field competition and was unanimously selected by the judges as queen of the relays.

PTA Hallowe'en Is Big Success With More Than \$970 Receipts

The Hallowe'en carnival, given by the PTA Monday night at the school house, was a high success, according to local PTA officials. The gross receipts, including the queen's race, amounted to \$970.36. Mrs. Will Thomason, president of the local organization, expressed her appreciation

MOST TAXES COLLECTED, SAYS SHERIFF

Sheriff and Tax Assessor-Collector Paul Good has really been taking in money for Coke County this month. He reports that about 80 per cent of the collections were in before Nov. 1, giving the early payers a three per cent discount on their taxes.

During October \$179,190.19 was collected of the \$232,377.67 which was due. The amount collected pays more taxes, of course, than the figures indicate because of the three per cent discount.

Sun Oil Co. was the big taxpayer in the county again this year with a \$93,000 tax bill. Good said that their taxes alone ran more this year than the total tax roll figure was back during the depression.

Last Thursday was the record-breaking day when Sun Oil's check came in and the sheriff took in a total of \$100,136. Early this week he deposited the money which had built up to \$124,348.51. This was the largest deposit which has ever been made at the local bank by one person at one time, said B. D. Sneed, cashier.

Good said that he greatly appreciates the way people are coming in and paying their taxes and that he hopes the remaining taxes will be paid before the Feb. 1 deadline.

BALLS HAVE VISITOR

Mrs. Elmer Dale of Blanco spent Wednesday through Friday last week with her daughter and son-in-law, Mr. and Mrs. Arnold Ball. While here, Mrs. Dale was the guest speaker for two local women's clubs.

CONGRATULATIONS TO:

Mr. and Mrs. L. R. Foster on the birth of a baby boy, Stephen Thomas, Oct. 31 at 5 a.m. The baby weighed nine pounds and ten ounces at birth.

to the public for their generous support of the carnival.

Gwendolyn Earnest, daughter of Mr. and Mrs. C. E. Earnest, was crowned as high school carnival queen, and Mary Jane Powell, daughter of Mr. and Mrs. Mack Powell, was crowned as grammar school carnival

GWENDOLYN EARNEST

Annual Meeting of Coke Game Ass'n. To Be Today

Annual meeting of the Coke County Game Management association will be held at the E. A. Schuch ranch on top of the mountain on the Robert Lee-San Angelo road. The time will be Friday, Nov. 4 at 4 to 6 p.m. A short, snappy and interesting program will be carried out.

The Coke County Game Management association was organized in February, 1948, for the purpose of mutual protection and management of desirable wildlife. Since that time 63 landowners have blocked together 187,412 acres of land.

The association was organized under the sponsorship of the Extension Service of Texas. R. E. Callendar, extension wildlife specialist, assisted in the organization. In 1948 the annual meeting was held at the new home of Harry and Helen Weaver.

All interested landowners and operators are urged to attend this meeting and if they desire to join they will be given an opportunity at that time.

READ THE WANT ADS

queen. The Junior class will be given \$50 as their prize for taking the high school race and the 6th grade will receive \$25 for the use of their room.

Mrs. Thomason said that the money made at the carnival will be spent toward the PTA budget set for this year. She said the PTA usually gives \$100 for the library's use and \$100 to the athletic fund as well as helping with many other smaller expenses connected with school activities. She also said that the music department is one of the PTA projects this year and that probably some of the money will be spent in that department. A committee has been appointed to investigate the possibility of buying a new piano for the school.

Popular features of the carnival this year were the Spanish room, where entire Spanish meals were served, the Bingo stand, and the side shows.

Following the coronation of the queens, Bloddy Cross of the San Angelo Standard Times presented a trophy to Dorthey Fay Scott, who was elected queen of the Bluebonnet Belle Relays in 1949. The handsome trophy was awarded to Miss Scott by Homer Nickel, who was also present for the presentation.

Cross also awarded a trophy to Bon Spoons, the player-manager of the Bronte baseball team, for winning the Concho Basin league championship. This trophy was awarded by Ragsdale Sporting Goods. The crowd was amused when Bon was first presented with a miniature trophy, some three inches high, as contrasted with Miss Scott's enormous trophy. It was later replaced with the "real thing."

BOY SCOUTS HELP WITH GRADE SCHOOL FOOTBALL

Scouts Don Mitchell, Jimmy Best, Eddy Alexander, Billy Alexander and Gale Lemmers worked Saturday afternoon assisting Supt. J. L. Carroll in getting equipment ready for the grade school football team. They also cleaned the dressing room and worked on the showers, readying them for use.

The Grade School football boys are training now and looking forward to a game in the near future.

The Scouts will meet at the Scout house at 6:30 p.m. Tuesday where they will practice Scout work. The main event will be a string burning contest.

First Norther Brings Light Frost, Cold Winds

The first real norther of the season struck about 10:30 Sunday morning bringing with it winds reaching a velocity of 45 miles an hour, dark clouds and quite a bit of sand. The temperature hit 32 degrees Sunday night and the first frost of the season was recorded, although not regarded as a killing frost. A light frost was also reported Monday night, although the temperature remained in the 40's Monday night.

Bright skies Tuesday morning brought warmer weather and the rest of the week is promised fair and warmer.

J. B. ARROTT TO GO TO CHICAGO

J. B. Arrott was named the winner of the sheep shearing and wool preparations contests when the annual 4-H club awards were made by the Texas Sheep and Goat Raisers Association Tuesday.

The association will pay a major part of his expenses when he goes to Chicago to compete in the national 4-H club sheep shearing contest during the International Exposition. J. B. is the son of J. P. Arrott of Tennyson.

Fred Rose, 15-year-old son of Mr. and Mrs. Therrell Rose of Del Rio, is 1949 winner of the state sheep and wool contest. The association will pay his expenses to the Chicago exposition.

The awards were made on a basis of sheep and goat projects and record books. Judging was done at College Station. J. B. has sheep, goats and cattle valued at more than \$3,000 and has spent six years doing club work.

Junior Study Club Meets In Roy Robinson Home

The Junior Study Club met last Friday, Oct. 28, in the home of Mrs. Roy Robinson with Mrs. Matthew Caperton as hostess. A unique spot in the home was the roll call and Mrs. Robinson gave a discussion of "How to Plan a Color Scheme." She demonstrated her lecture and told how to place pictures appropriately, using colored illustrations.

Refreshments of apple pie a la mode and cokes were served to two guests, Mrs. Jack Price of Bronte and Mrs. George Hughes of Boston, Mass., and the following club members: Mmes. R. T. Caperton, Clark Glenn, Earl F. Glenn, Ben Oglesby, Noel Percifull, Charlie Phillips, Roy Robinson, Frank Sawyer, Bon Spoons and the hostess.

LONGHORNS CRUSH LORLAINE, 21-6; PLAY COAHOMA HERE TONIGHT

Coach Jack Price's injury-riddled Bronte Longhorns downed the Loraine Bulldogs 21-6 at Loraine Friday night. Earl Rusk was a constant threat to the Bulldogs, piling up a lot of yards, and the passing combination of Hester to Rusk netted 80 yards on three completions.

Kenneth Hester scored first from four yards out on a quarterback

Mrs. Chapman Is Hostess To Progressive Club

The Women's Progressive Club of Bronte met in the home of Mrs. O. W. Chapman Oct. 20 at 3 p.m. The program was "Our American Heritage," and the roll call was answered with the name of a well known American woman. Mrs. O. H. Willoughby spoke on "Early American Homes," and Mrs. Charles Keeney gave "Samplers Tell a Story."

The rooms were decorated with marigolds, pot plants and black candles. The hostess served pumpkin pie and coffee to fourteen members.

The club met with Mrs. L. T. Youngblood Oct. 27 at which time

Mrs. Elmer Dale of Blanco was the guest speaker. Mrs. Dale, who is the mother of Mrs. Arnold F. Ball, is state chairman of the "Bookmobile Library" movement.

RIPPETOES FLY BELVA TO NEW YORK FOR POSSIBLE TREATMENT BY SPECIALIST

Mr. and Mrs. J. M. Rippeto and Belva left Love Field, Dallas, by plane Wednesday afternoon for New York where Dr. Harry K. Wachtel, a cancer research specialist, will examine the child and determine whether or not he thinks he is able to help her. In a telephone conversation with Dr. Wachtel, Rippeto

learned that the doctor would have to examine her before he could promise to treat her. Rippeto said that if she did take the series of injections, she would be in New York for about a month.

The Rippetoes received word of the doctor last week and the work he is doing. He is doing cancer research work at the New York City Cancer Institute and is connected with Fordham University. He was born in Poland and is a 1914 graduate of the Vienna Faculty of Medicine. He came to this country as a Polish refugee and was licensed to practice in New York in 1944.

According to an American Medical Association report to Dr. John R. Harris, Wachtel's work recently attracted attention of a New York Times reporter and an article appeared in that paper on his research work in "experimental use of an acetone extraction of the posterior pituitary lobe." They say that no clinical results of the new treatment have been reported to the association.

Meanwhile, everyone of this section is hoping that the new treatment can be of help to the little seven-year-old child who only recently was given less than a year to live by physicians at Mayo Clinic. She is suffering from neuroblastoma, an incurable form of cancer. Her general condition has improved the last few weeks and she has been able to attend school for a few days. She was seen enjoying the Hallowe'en carnival at the school house Monday night.

FARM BUREAU MEET NEXT THURSDAY

Persons belonging to or wishing to belong to the Coke county farm bureau are urged to attend a county-wide convention set for next Thursday, November 10. Purpose of the meeting is to elect new officers and delegates to the state convention in November and the national convention in December.

C. E. Arrott is president of the organization at the present time and R. B. Allen of Robert Lee is vice-president. Mrs. C. E. Arrott is the secretary-treasurer.

Among other services, the Farm Bureau organization offers the Blue Cross hospitalization insurance. Mrs. Arrott announced that she writes the policies for the group on this insurance and that anyone interested in it should be at the convention or should contact her before that time.

LATHEM ABLES

Lathem Ables of Brownwood, Air Force veteran and June graduate in Business Administration of Texas University, will become Administrative Assistant to Rep. O. Clark Fisher on November 1st. Fisher has announced Ables, a native of Brownwood, married Miss Beverly Coleman, of Corpus Christi, on October 3. In commenting on the appointment, Cong. Fisher said: "Mr. Ables is a very capable young man with a splendid background and a bright future. He has a thorough knowledge of the needs and problems of the 21st district and will be a valuable addition to our office staff."

GO TO DALLAS

Mr. and Mrs. E. F. Glenn and baby daughter and Mrs. L. T. Youngblood were in Dallas Sunday and Monday where the baby received medical treatment.

A report late Thursday said that Hickok & Reynolds have staked location for their No. 4 E. C. Rawlings. Location of the new well was not learned.

The rig of McQueen & Clevenger Drilling Co. was moved onto a new location this week. The lease is owned by Humble Oil & Refining Co. and ownership of the royalty is to be divided between the Lowry Estate and R. E. Hickman. The pooling of land owned by the two parties will give sufficient acreage for two wells. The rig was skidded Tuesday and work has already begun on the well. It is located southwest of town in the Bronte field.

Humble No. 4 Ash was shut in this week and casing was perforated at 4,370-4,400 feet. The well was acidized with 1,000 gallons. On a six-hour test it swabbed 25 barrels of oil cut seven per cent by acid water. Later it swabbed 16 barrels of pipeline oil in four hours. A pump was being moved in Wednesday.

Humble No. 3 Odom, second producer in the Davenport field, northeast of Bronte, has run casing and completion is expected soon. It flowed oil on a drillstem test. Location of the No. 3 Odom is three-quarters of a mile northeast of the No. 1 Odom, field discovery. Casing was run to 5,541 feet. Production is from the Strawn section.

Saxton Oil Co. of Abilene No. 1 Ward Hill has been plugged and abandoned, according to a report received Wednesday. This wildcat is located southeast of Bronte near the Runnels County line.

Barnsdall Oil Co. No. 1 Findlater-Webb began operations late last week. This wildcat is located south of Bronte and northwest of Tennyson, just west of Highway 277. It will be drilled to 6,000 feet.

Southwestern Coke County listed a new wildcat this week. It is Southern Minerals and Bridwell Oil Co. No. 1 S. A. Runkles. It is located about seven miles south of the Millican Field.

FORMER RESIDENT BURIED IN SNYDER

Funeral services for Mrs. W. H. Parrish, 69, of Snyder and formerly of Bronte, were held at 2 p.m. Monday at the Primitive Baptist Church in Snyder. Mrs. Parrish died in Savannah, Mo., Thursday. She was in Missouri with her husband who was undergoing medical treatment there.

Services were conducted by the Rev. Jasper Chambers of Lampasas and he was assisted by the Rev. Lynn Bodine of Buford. Burial was in the Snyder cemetery under the direction of Odom Funeral Home.

Mrs. Parrish was born in Feb., 1880, in Carlyle, Ind. She was married in Erath County in 1896, later moving to Bronte. She had lived in Snyder for several years and had been a member of the Primitive Baptist Church since 1943.

She is survived by her husband; two sons, H. C. of Sweetwater and Ray of Snyder; a sister, Mrs. William Lowell of Sullivan, Ind.; and one grandchild. She had several relatives in and near Bronte.

Achievement Program Saturday at Legion Hall

The Coke County Women's club will put on an achievement day program this Saturday, November 5, at the American Legion hall in Bronte. All the clubs in the county will be represented and work done by the clubs will be judged and on exhibit for the public to see.

Club members are asked to place their entries from 8 until 8:30 on Saturday so that the judging can be done between 9 and 10 a.m. The show will be open to the public for the rest of the day.

Spokesmen for the WHD council urged everyone to attend the show.

GO TO DALLAS

Mr. and Mrs. E. F. Glenn and baby daughter and Mrs. L. T. Youngblood were in Dallas Sunday and Monday where the baby received medical treatment.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mrs. Lou Smith has been visiting her sister, Mrs. Mallie Lackey, in Sweetwater.

Mr. and Mrs. Herbert Holland visited Mrs. Roy Lummas Saturday in a San Angelo hospital. She is suffering from burns caused from a gasoline explosion. She is a sister of Mrs. Holland.
Mr. and Mrs. Dee Foster left Tuesday for Big Spring for a visit. Several families attended the Hal-lowe'en carnival in Bronte Monday night.
Church services will be held at the Methodist church this weekend.

VISITING HERE

Lana and Janet Owens of Lovington, N. M., spent a few days this week with their grandparents, Mr. and Mrs. C. E. Earnest.

DANGERS OF PROSPERITY

By auto and plane we are swiftly whirled,
And the distance is shortened around the world.
The modern means of travel today
Makes nations akin although far away.
Since science, art, all lines of trade
Have forged ahead, much progress made,
The tendency is to ride the wave
Of prosperous age and not to save.
THE FIRST NATIONAL BANK believes this is wrong
Play safe and save as you go along.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

A large crowd attended all-day services at the Methodist Church Sunday. Rev. Dee Cox conducted services. Visitors present were Mrs. Preston Wheat of Odessa and Dr. and Mrs. W. L. Hollister of Miles.
Mr. and Mrs. Wesley Wheat and son of Big Lake visited the James Hollands Sunday. Mrs. Jodie Hedges

Hadacol Now Nation's Best Selling Tonic

Sale of Hadacol, which is made with five of nature's B vitamins and four important minerals, has spread from a small section of Louisiana to more than 20 states and is now the nation's largest selling tonic.

Dudley J. LeBlanc, President and founder of the LeBlanc Corp., Lafayette, La., makers of Hadacol has announced plans to expand the sales of Hadacol to the entire nation within the next year.

Dudley J. LeBlanc

Mr. LeBlanc is directing the south's largest advertising campaign for Hadacol and newspapers, especially weekly newspapers, are playing an important part in this effort.

The LeBlanc Corp. is using every weekly and daily newspaper in Louisiana, Arkansas, Mississippi, Texas, Oklahoma, Tennessee and Alabama this week to tell the story of how Hadacol put the Chief of Detectives of Hot Springs, Ark., back on the job after all else failed. He had suffered from a deficiency of B vitamins and certain minerals, which Hadacol contains.

"You must use the newspapers, daily and weekly, if you want to bring your message to the grass roots of America, the towns and wonderful rural areas," said Mr. LeBlanc.

Besides being founder and President of LeBlanc Corp., Mr. LeBlanc has many other business interests, and is President Pro-tem of the Louisiana state senate. He is well known for his work for pensions for old folks and other social advances.

Plaids, so popular in the fashion picture this fall, present a few special

problems, says Miss Veremba Freeman, County HD Agent. It is usually necessary to buy more material than the pattern calls for to make plaids match at seams. Large plaids

Holiday Pumpkin Tarts

Pumpkins and turkeys symbolize our season of Thanksgiving perhaps more than any other foods, and when you bring them together artfully in a pumpkin tart with cheese cut in a turkey silhouette, you create a dessert in complete harmony with the idea of giving thanks for bountiful crops.
Make individual pumpkin tarts by your own good recipe. Cut the turkey shape from a slice of pasteurized process American cheese. Make a paper pattern first to fit your tarts. Lay the turkey pattern on a cheese slice and cut around it with a knife. Quite easy to do, tremendously effective in appearance, and as wonderfully good eating as cheese and pastry always is.

and those with up and down, or right and left design take the most yardage.

When choosing a pattern to make up in plaid, look for simple lines and little decorative detail. The plaid itself offers enough decoration so that fancy extra touches are not needed and the fewer the pattern pieces, the less the difficulty of matching the design when putting the garment together.

If the material must be shrunk before making up, take care to hang it straight in drying and to hold ends and selvages even in pressing so that the weave runs straight and true.

The easiest way to make the plaid match is to check the notches when laying on pattern pieces, making sure that a notch on the sleeve, for example, comes at the same place in the plaid as the corresponding notch in the armseye. Very often it pays to cut pieces one at a time and on single rather than double material, except for those pieces which must be cut on a fold of goods.

Had RHEUMATISM* So BAD
That He Had To Quit Working

Mr. Jerry Watkins, chief of detectives of the city of Hot Springs, Arkansas, suffered with rheumatism so much and the aches and pains were so terrible that he had to quit working in an effort to regain his health after he had tried everything which his friends recommended.

Detective Watkins is well known and his countless number of friends throughout the country will rejoice to know that he is now healthy, free of rheumatic aches and pains and now working hard.

Mr. Jerry Watkins

"For several years," Mr. Watkins says, "I suffered from a rheumatic condition in the hip and leg. I was very nervous and finally developed migraine headaches. I tried all kinds of medicines but nothing seemed to do me any good. I seemed to be growing worse and worse and was finally advised to take a leave of absence from my work on the police force in an effort to recover my health."
"The pains in my head sometimes were unbearable. I suffered tortures and I was miserable. At night particularly I lay awake and could not sleep."

Mr. Watkins said that someone finally persuaded him to try HADACOL, and after taking the first bottle he said he could see an improvement in his general condition.
"On January 14th of this year," he said, "I felt so much better I decided to go back on the job. The examining doctor told me I was in perfect health. Now I am

working from 8 to 12 hours daily and I am able to sleep as any normal person. I have taken six large size bottles of HADACOL and all my friends know I owe my good health to HADACOL."

Mr. Watkins is one of the many thousands of people who suffered from a deficiency of the B vitamins and the minerals that HADACOL contains and who, therefore, found relief in HADACOL.

It is a well-known scientific fact that the lack of only a small amount of the B vitamins and certain minerals in your system will cause certain bodily disorders such as nutritional neuritis, which causes the aches and pains commonly known as rheumatism, and there is no known cure for the ailment except the administration of the needed vitamins and minerals. This is why people who suffered for years and years never were able to obtain any relief until they took the vitamins and minerals the lack of which was causing the disorders.

HADACOL does not contain only one but has five of the B vitamins and four necessary minerals. It comes to you in liquid form so that it will be easily absorbed by the blood and, therefore, carried to the parts of the body which need them most.

So, it matters not where you live—no matter who you are—if you have tried all the medicines under the sun, you should be fair to yourself and give this wonderful preparation, HADACOL, a trial. And if your disease is caused by a lack of the B vitamins and minerals which HADACOL contains, then don't go on suffering—don't continue to make your life so miserable. Temporary relief for you is not enough. Take HADACOL.

Sold at all leading drugstores. Trial size only \$1.25, but save money; buy the large family economy size, only \$3.50. If your drugstore does not handle HADACOL, order direct from The La Blanc Corporation, Lafayette, La., and when the postman brings your package, just pay the amount plus the c.o.d. and postage. If you remit with the order we will pay the postage.

Then, if you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.—Adv.

temperatures, and retards runoff during rainfall. My calves that I marketed this year weighed 100 to 125 pounds more this year than I have ever sold off of this ranch," Arrott explained.

W. C. Shamblin and H. C. Graf harvested King Ranch Bluestem grass seed last week. The grass seed were produced from seeding made on their farms. They harvested the seed by cutting the hay and will run it through a hammer mill. The grass seed will be used to seed larger acreages next year.

A diversion terrace 400 feet long was completed last week on R. H. Sims' farm, located five miles north of Bronte. The diversion terrace is a part of Sims' complete coordinated soil and water conservation plan.

E. F. Glenn, a member of the Kickapoo Conservation Group, completed soil and water conservation plans on his farm located five miles north of Bronte. The plan included construction of level broad base terraces, seeding and farming on contour, protection of crop stubble, trial seeding of rye and vetch, trial seeding of lupine sweet clover, and protecting of range vegetation.

EXPERT NAMES
TREES AND SHRUBS
GOOD IN THIS AREA

F. E. Keating of the Big Spring Field Station has been testing trees and shrubs for use in this section of the state for many years. A report of his findings was released Aug. 30 through the Texas Agricultural Experiment Station.

In his report Keating lists the following trees and shrubs that do well in this area: Evergreen shrubs, Abelia, Agarita, Ceniza or Texas Silverleaf, evergreen Evonymus, Firethorn, Pfitzer Juniper and the Privets. Deciduous shrubs, Amur Honeysuckle, Beautybush, Birdof-Paradise, Chastetree, Chinese Lilac, Desert Willow, Redbud, Vanhoutte Spiraea and many others are listed in this class.

Vines adapted to this section are English Ivy, Everblooming Honeysuckle, Queen's Blooming Honeysuckle.

le, Silvervine, Fleeceflower and Virginia Creeper. Shade trees good are American Elm, Green Ash, Velvet Ash, Thornless Honeylocust and Native Hackberry. Evergreen trees are Arizona Cypress, Rocky Mountain Juniper and Red Cedar.

Keating advises that transplanting is best done in early spring before growth starts. Irrigation during the first season will help the newly set plants to become well established.

money on him and he was then taken to his home and forced to hand over \$33.

A Coke County jury in June found Berry guilty of rape and assessed a five year suspended sentence.

Friends President Speaks to Local Women's Club

Mrs. Elmer Dale of Blanco, State President of the Friends of Texas Libraries, was the speaker at the regular meeting of the Diversity Club Thursday, Oct. 27, in the home of Mrs. D. K. Glenn.

In her speech, Mrs. Dale explained impending legislation for appropriations for free public libraries. She urged the clubwomen to get in contact with their legislators and recommend approval of the bill which will be before the next session of the legislature.

She also encouraged the organization to start a Friends of the Library movement locally and told them the way to go about starting a free public library, either for the city or county. She also gave statistics on the number of cities and counties in Texas that are without the services of a public library.

The roll call was answered with "My Favorite Book and Why."

A salad course and coffee was served to Mrs. Dale and the following members of the club: Mmes. James E. Allen, George Anderson, Arnold F. Ball, Charles Boecking, Clifford Clark, Vetal Flores, Robert Forman, J. T. Henry, Cecil Kemp, J. M. Mackey, W. H. Maxwell, O. R. McQueen, Collins Sayner, Otis Smith, H. A. Springer and the hostess.

Hereford to the third annual Concho Hereford Sale to be held in San Angelo on Jan. 7. A total of 34 bulls and 15 females are to be offered in the show. W. B. Barrett, Comanche Hereford breeder, will judge the cattle.

Coke Co. Turkeys Go to State Fair

Fifty turkeys fed out by Nelda Sheppard, LeDrew and Marlene Arrott, Jerome Sheppard and Don Fields were shown at the Dallas Fair. This represents 175 turkeys in five projects. The 4-H Club turkeys are required to be hatched between March 1 and 10 in order to be shown at the State Fair. About 450 turkeys were shown in the Junior Market Turkey Show.

The Coke County turkeys showed good quality and finish, but were carrying some pin feathers.

The grades were as follows: Don Fields, 1st and Reserve pen of hens, 3rd on toms; Jerome Sheppard, 2nd on hens, 3rd on toms; Nelda Sheppard, 3rd on hens, 3rd on toms; LeDrew Arrott, 3rd on hens, 2nd on toms; Marlene Arrott, 3rd on hens, 3rd on toms.

These turkeys were sold at auction on Oct. 13. The average price of the 50 at Dallas was 35 cents per pound.

Following are figures showing how much prize money and sale money each contestant received from the

entries. The first figure is prize money and the second sale money: Don Fields, \$11.95, \$108; Jerome Sheppard, \$9, \$100.60; Nelda Sheppard, \$6, \$100.48; LeDrew Arrott, \$9, \$109.70; Marlene Arrott, \$6, \$105.60. Total sales money was \$524.38 and prizes totaled \$41.95, making a total of \$566.33 for 50 turkeys. These five 4-H Clubs boys and girls expect to sell approximately \$1500 worth of turkeys this fall.
